Age 83. I have lots of business and financial experience and have specific ideas on how to improve the lives of our residents etc, etc, etc.

Please state the reason you would like to be a member of this board committee/commission/district.

The govt for the most part is focused on managing problems rather than solving them and as a result lots of money is spent and when the dust clears, the money is gone and the problem remains. The homeless problem is a good example!
