CONTRACTOR'S SCHEDULED AND BLANKET ADDITIONAL INSUREDS

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Name of Additional Persons or Organizations:	Designated Projects or Locations:
PER WRITTEN CONTRACT	PER WRITTEN CONTRACT

A. Section II – Who Is An Insured is amended to include as an additional insured:

1. Any person or organization whom you are required by "written contract" to add as an additional insured on this policy; or
2. The particular person or organization, if any, scheduled above.

B. The insurance provided to the additional insured is limited as follows:

1. The person or organization is an additional insured only with respect to:
 - a. Liability for "bodily injury", "property damage" or "personal and advertising injury" caused in whole or in part by your acts or omissions or the acts or omissions of those acting on your behalf in the performance of your ongoing operations for the additional insured as specified in the "written contract"; or
 - b. "Bodily injury" or "property damage" included within the "products-completed operations hazard" and caused in whole or in part by "your work" specified in the "written contract", but only if:
 - (1) The "written contract" requires you to provide the additional insured such coverage;
 - (2) This policy provides such coverage; and
 - (3) The loss occurs within the period of time required by the "written contract" and prior to the expiration date of the policy.
2. This policy will not provide the additional insured with any broader coverage or any higher limit of insurance than the lesser of:

- a. Coverage afforded under this policy; or

- b. Coverage required by the "written contract".
- 3. Coverage provided by this endorsement to an additional insured shall be excess over any other valid and collectible insurance available to the additional insured, whether on a primary, excess, contingent or any other basis, unless the "written contract" requires that this insurance apply on a primary and non-contributory basis.
- 4. The insurance provided to the additional insured does not apply to "bodily injury", "property damage" or "personal and advertising injury" arising out of:
 - a. An architect's, engineer's or surveyor's rendering of, or the failure to render any professional services, including:
 - (1) The preparing, approving, or failure to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; and
 - (2) Supervision or inspection performed as part of any related architectural or engineering activities; or
 - b. Any premises or work for which the additional insured is specifically listed as an additional insured on another endorsement attached to this policy.

C. Section IV – Commercial General Liability Conditions is amended as follows:

- 1. The Duties In The Event Of Occurrence, Offense, Claim Or Suit condition is amended to add the following:

An additional insured under this endorsement will as soon as practicable:

- (1) Give us prompt written notice of any "occurrence" or offense which may result in a claim or "suit" under this insurance, and of any actual claim or "suit";
- (2) Except as provided in Paragraph B.3. of this endorsement, agree to make available any other insurance the additional insured has for a loss we cover under this policy;
- (3) Immediately forward all legal papers to us, cooperate with us in the investigation, defense, or settlement of the claim or "suit", and otherwise comply with the policy conditions; and
- (4) Tender the defense and indemnity of any claim or "suit" to any other insurer whose policy may provide coverage for a loss covered under this endorsement including, but not limited to, any insurer that has issued a policy under which the additional insured qualifies as an insured; however, if the "written contract" requires this insurance to be primary and non-contributory, this provision does not apply to insurance on which the additional insured is a Named Insured.

We have no duty to defend or indemnify an additional insured under this endorsement until we receive written notice of a claim or "suit" from the additional insured.

- D. Only for the purpose of the insurance provided by this endorsement, **Section V-- Definitions** is amended to add the following definition:

"Written contract" means a written contract or written agreement that requires you to make a person or organization an additional insured under this policy, provided the contract or agreement:

- a. Is currently in effect or becomes effective during the term of this policy; and
- b. Was signed and executed prior to the "bodily injury" or "property damage" or "personal and advertising injury" for which coverage under this policy is sought by the additional insured.

All other terms and conditions remain unchanged.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.
