**Introduced:** 7/16/2021

**Current Status:** General Government -

**Version:** 1

**Matter Type:** BoS Agreement

a. Authorize the Director of Human Resources, or designee, to execute a Student Intern Placement Agreement template through June 30, 2025, between the Educational Institution(s) and the County of Monterey.

**RECOMMENDATION:**

It is recommended that the Board of Supervisors:

- a. Authorize the Director of Human Resources, or designee, to execute a Student Intern Placement Agreement template through June 30, 2025, between the Educational Institution(s) and the County of Monterey.

**SUMMARY/DISCUSSION:**

The Countywide Internship Program (“Internship Program”) was authorized by the Board of Supervisors on August 1, 2017. The primary objectives of the program are to promote student awareness of the diversity of County careers, enhance education and training for the local student population, strengthen overall recruitment of a future workforce, and augment and support a wide range of County functions through avoided cost. The County of Monterey, in partnership with California State University Monterey Bay (CSUMB), Monterey Peninsula College, and Hartnell College, have achieved success during the initial pilot of the Internship Program. Since the pilot Internship Program initiated in February 2020, the Internship Program has provided over 25 internships as part of student participants’ field education and/or service-learning requirements for their respective fields of study. In order to expand the Internship Program, the Human Resources Department proposes to establish a master agreement wherein other accredited educational institutions, both within the State of California and from elsewhere, can participate as a partner with the County of Monterey.

To further advance the County Internship Program, staff recommends that the Board of Supervisors authorize the Director of Human Resources or designee to execute a Student Placement Agreement through June 30, 2025, between the County and the Educational Institution(s), in accordance with the Master Student Intern Placement Agreement template (Attachment A) for placement of student participants with County departments.

Approval would allow for the continued growth of the Countywide Internship Program’s mission “*to provide internship that enhance student’s educational objectives, strengthen career awareness, and promote public service for the County of Monterey.*”

**OTHER AGENCY INVOLVEMENT:**

County Counsel has reviewed and concurs with the Master Student Placement Agreement as to form.
