

Patrick Pagnella

Education Pacific Grove High School, 2 years Monterey Peninsula College.

Employment

Started with Slautterback in 1979 as a startup company located in Carmel Valley.

Total of 4 employees. We manufactured heated dispensing equipment used in many applications.

Over 24 years of employment we grew to 120 employees. Company sold in 2002.

- Manufacturing engineer.
- Product developed designer.
- Sales and marketing manager.
- CNC operator.
- Fabricator.

In 2003 I started my Company (Universal Heated Hoses). We design and manufacture products for several industries worldwide. Located in Marina, California.

Products Services

- Automotive
- Aero Space
- Manufacturing
- Pharmaceutical
- ETC.

It's a long and interesting store.

I currently own the majority of the company and retired 2 years ago. I have divided the company with 2 employees that are part owners.
