RECITALS

WHEREAS, Grantor is the fee owner of property located on Moss Landing Road in the community of Moss Landing as shown on Attachment A hereto, and otherwise known as APN 133-211-005 (the "Property"); and

WHEREAS, County is implementing the Moss Landing Rule 20A Underground Utility District (the "Project") through the public utility companies' placement of overhead utility lines into underground conduits and removal of above-ground wires and poles throughout the community; and

WHEREAS, County desires to acquire a Public Utility Easement on or across a portion of the Property in order to provide utility service to the Property as part of the implementation of the Project.

NOW, THEREFORE, Grantor and County hereby mutually agree as follows:

In addition, Grantor relieves County of all further obligations or claims of whatever kind or nature on this Project, or on account of the construction of proposed public utility improvements in the manner proposed, including but not limited to claims arising out of the location, grade, or restriction of private access rights

5. County shall pay all escrow and recording fees incurred in this transaction and, if title insurance is desired by County, the premium charged therefore. Said escrow charges shall not, however, include documentary transfer tax.

6. County shall reinstall or reconstruct any pre-existing landscaping, fencing, or other non-structural improvements along and immediately adjacent to the Public Utility Easement that may be damaged or affected by the Project.
