Referral Title: Salinas Valley Five Cities Joint Powers Authority		
Referral Purpose: Explore the potential of creating a Salinas Valley Five Cities Joint Powers Authority to develop the broadband, and/or high-speed internet needed by all the communities and areas represented by the JPA.		
Brief Referral Description (attach additional sheet as required): California is facing a digital crisis, with far too many residents left without adequate and affordable broadband service. The COVID-19 pandemic has highlighted the lack of reliable and affordable internet service to the forefront due to the necessity of distance learning and remote working, tele-healthcare and remote access to employment, economic and human services. The Salinas Valley is no exception. There are numerous areas that prior to the pandemic were uncovered or inadequately covered. The result has been that Hartnell, School Districts and County Offices of Education have had to piece together interim solutions, such as hotspots, to enable distance learning for all students. Likewise, the five Cities (Salinas, Gonzales, Soledad, Greenfield, King City) were left trying to figure out how to quickly support these efforts, if at all, for their communities. It would be beneficial to work together and share costs to plan and implement the development of community broadband and/or high-speed internet.
