**Re: Letter of Support for Household Waste Grant FY 2006/2007**

Dear Board Members:

The County of Monterey supports the Salinas Valley Solid Waste Authority's application for a regional Household Waste Grant for FY 2006/2007.

The Salinas Valley Solid Waste Authority has committed to achieve 75% diversion by the year 2015 and to expand and improve our facilities to provide increased opportunities for residents to properly dispose of household hazardous waste. This grant will enable the Authority to design state of the art HHW facilities at two key locations in our jurisdiction: Sun Street in Salinas; and Johnson Canyon Landfill in Gonzales.

Monterey County supports the Salinas Valley Solid Waste Authority Household Waste Grant application.

Sincerely,

Jerry C. Smith  
Chair, Board of Supervisors

**Re: Salinas Valley Solid Waste Authority Application for the construction of an HHW Facility at the Sun Street Transfer Station**

Dear CIWMB:

The County of Monterey authorizes the Salinas Valley Solid Waste Authority to submit to the California Integrated Waste Management Board a regional application for the Household Waste Grant, Fiscal Year 2006/2007 on its behalf.

The Salinas Valley Solid Waste Authority is hereby authorized and empowered to execute all grant documents necessary to secure grant funds and implement the approved grant project.

Sincerely,

Jerry C. Smith  
Chair, Board of Supervisors

Mr. Lew Bauman  
Chief Administrative Officer  
County of Monterey  
168 W. Alisal Street, 3rd Floor  
Salinas, CA 93901

Dear Lew,

The Authority is submitting a grant application to the CIWMB under the Household Hazardous Waste Grant: 15<sup>th</sup> Funding Cycle, Fiscal Year 2006/07 for the purpose of constructing a new and expanded permanent HHW facility at our Sun Street Transfer Station.

In order to receive the maximum grant award of \$300,000, the application must be submitted as a regional application with the "support of two or more cities/counties." Due to the location, the heaviest users of this facility will be the residents of the City of Salinas and the surrounding unincorporated area of Monterey County.

We are requesting your support by providing two letters on behalf of this project: one letter of authorization (sample attached) and another letter that demonstrates your support of, and the need for, this type of facility.

The application deadline is May 31<sup>st</sup>, however, due to staffing constraints we hope to have all the necessary grant requirements ready to go by May 18<sup>th</sup>. We hope that you will be able to expedite our request as soon as possible.

If you have any questions or need more information, please do not hesitate to contact either me or Dave Meza, our Chief Engineer. I can be reached at 755-1300, ext 114, [lindae@svswa.org](mailto:lindae@svswa.org). Dave may be reached at 755-1300, ext. 106, or [davem@svswa.org](mailto:davem@svswa.org).

Thank you for your assistance in this matter.

Sincerely,

Linda English  
Contracts & Grant Administrator
