DESIGNATED PROJECT(S) GENERAL AGGREGATE LIMIT ENDORSEMENT

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

<p><u>Designated Projects:</u></p> <p>As Required by written contract.</p>
--

(If no entry appears above, information required to complete this endorsement will be shown in the Declarations as applicable to this endorsement.)

- A. For all sums which the insured becomes legally obligated to pay as damages caused by **occurrences** under COVERAGE A (SECTION I), and for all medical expenses caused by accidents under COVERAGE C (SECTION I), which can be attributed only to ongoing operations at a single designated project shown in the Schedule above:
1. A separate Designated Project General Aggregate Limit applies to each designated project, and that limit is equal to the amount of the General Aggregate Limit shown in the Declarations.
 2. The Designated Project General Aggregate Limit is the most we will pay for the sum of all damages under COVERAGE A, except damages because of **bodily injury or property damage** included in the **products-completed operations hazard**, and for medical expenses under COVERAGE C regardless of the number of:
 - a. Insureds;
 - b. Claims made or **suits** brought; or
 - c. Persons or organizations making claims or bringing **suits**.
 3. Any payments made under COVERAGE A for damages or under COVERAGE C for medical expenses shall reduce the Designated Project General Aggregate Limit for that designated project. Such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce any other Designated Project General Aggregate Limit for any other designated project shown in the Schedule above.
 4. The limits shown in the Declarations for Each Occurrence, Fire Damage and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Designated Project General Aggregate Limit.

- B. For all sums which the insured becomes legally obligated to pay as damages caused by **occurrences** under COVERAGE A (SECTION I), and for all medical expenses caused by accidents under COVERAGE C (SECTION I), which cannot be attributed only to ongoing operations at a single designated project shown in the Schedule above:
1. Any payments made under COVERAGE A for damages or under COVERAGE C for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-Completed Operations Aggregate Limit, whichever is applicable; and
 2. Such payments shall not reduce any Designated Project General Aggregate Limit.
- C. When coverage for liability arising out of the **products-completed operations hazard** is provided, any payments for damages because of **bodily injury** or **property damage** included in the **products-completed operations hazard** will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit nor the Designated Project General Aggregate Limit.
- D. If the applicable designated project has been abandoned, delayed, or abandoned and then restarted, or if the authorized contracting parties deviate from plans, blueprints, designs, specifications or timetables, the project will still be deemed to be the same project.
- E. The provisions of Limits of Insurance (SECTION III) not otherwise modified by this endorsement shall continue to apply as stipulated.
