EXHIBIT A-4

Revised Scope of Services/Payment Provisions as per Renewal & Amendment No. 4

This Scope of Services is entered into by and between the County of Monterey, a political subdivision of the State of California, on behalf of Natividad Medical Center, an acute care hospital (hereinafter, "NMC"), and **META Dynamic, Inc.** hereinafter referred to as ("CONTRACTOR") pursuant to the Service Agreement between NMC and CONTRACTOR attached hereto with a start date commencing upon the execution of this Agreement (the "Agreement") and is subject to the terms and conditions of the Agreement.

I. Description of All Services to be Rendered by CONTRACTOR:

Intraoperative image guided navigational surgery (IGS) allows the surgeon to operate within a surgical site whose standard anatomical landmarks may be ambiguous because of tumor, infection, fracture or previous surgery. Studies suggest that IGS may result in decreased complications, increased disease removal, decreased length of stay and in some cases decreased operative time.

CONTRACTOR shall supply a neuronavigation system which includes the equipment, hardware and software to perform neurosurgery. Digital patient data is uploaded from the computed tomography (CT) or magnetic resonance imaging (MRI) located at NMC to a neuronavigation system in the Operating Room (OR) assisting the surgeon in identifying the right surgical approach. Surgeons are guided through procedures with real time data allowing for smaller skull openings and minimizing damage to healthy structures. With the universal instrument holder (VarioGuide™), preplanned trajectories can be targeted systematically within seconds and anytime during the surgery.

The equipment shall arrive from CONTRACTOR within twenty-four (24) hours of surgery. The CONTRACTOR's technician shall arrive within one (1) hour of surgery to set up the equipment. The technician shall assist the surgeon with the operation of the equipment.

This service shall take place at NMC in one of the surgical suites located on the 2nd floor.

II. CONTRACTOR Obligations:

- a. CONTRACTOR shall deliver a navigation system within twenty-four (24) hours prior to the scheduled surgery.
- b. CONTRACTOR's technician shall arrive one (1) hour before the scheduled start time of the surgery.
- c. CONTRACTOR shall maintain equipment in good working condition.
- d. CONTRACTOR shall ensure technicians are properly trained and credentialed to work in a hospital environment.
- e. CONTRACTOR shall provide documentation of the services for each patient upon completion of the surgical procedure.

III. NMC Obligations:

- a. NMC shall provide a safe haven for the equipment during its time at the hospital.
- b. NMC shall provide appropriate electrical connections and other services for the functioning of the equipment.
- c. NMC shall provide a Bio Med technician to quality check the equipment before start of each scheduled surgery.
- d. NMC shall request services within one (1) day of each surgery when the equipment and services is requested.
- e. NMC shall provide access to the CT / MRI scans of the operative patients.
- f. NMC shall provide an operating suite large enough to accommodate the extra equipment.
- g. NMC shall provide competent staff to participate in surgery.

IV. Patient Data:

- a. All data provided by Natividad Medical Center (County of Monterey) belongs to Natividad Medical Center (County of Monterey). All records compiled by CONTRACTOR in completing the work described in this Agreement, including but not limited to written reports, studies, drawings, blueprints, negatives of photographs, graphs, charts, plans, source codes, specifications and all other similar recorded data, shall become and remain the property of Natividad Medical Center (County of Monterey). Use or distribution of Natividad Medical Center (County of Monterey) data by CONTRACTOR is prohibited unless CONTRACTOR obtains prior written consent from Natividad Medical Center (County of Monterey).
- b. For systems hosted or stored on equipment not owned by Natividad Medical Center (County of Monterey), CONTRACTOR shall furnish all data to Natividad Medical Center (County of Monterey) upon request by Natividad Medical Center (County of Monterey) at any time during the term of this Agreement in a useable format as specified by NMC and at no additional cost to Natividad Medical Center (County of Monterey).
- c. Notwithstanding anything to the contrary contained in this Agreement, it is understood and agreed that CONTRACTOR shall retain all of its rights in its proprietary information including, without limitation, methodologies and methods of analysis, ideas, concepts, expressions, know how, methods, techniques, skills, knowledge and experience possessed by CONTRACTOR prior to this Agreement.

V. Pricing/Fees:

- a. For pricing, please refer to attached schedule.
- b. There shall be no travel reimbursement allowed during this Agreement.
- c. Sales tax is applicable to rental fees, technician time and single use products at the prevailing tax rate for the hospital. Please note that the State Board of Equalization has ruled that technician time is taxable because the equipment, which is not owned by the Contractor, is not rented without a technician.
- d. CONTRACTOR to submit invoices upon completion of deliverables.
- e. CONTRACTOR warrants that the cost charged for services under the terms of this contract are not in excess of those charged any other client for the same services performed by the same individuals.

- f. Payment may be based upon satisfactory acceptance of each deliverable, payment after completion of each major part of the Agreement, payment at conclusion of the Agreement, etc.
- g. County may, in its sole discretion, terminate the contract or withhold payments claimed by CONTRACTOR for services rendered if CONTRACTOR fails to satisfactorily comply with any term or condition of this Agreement.
- h. No payments in advance or in anticipation of services or supplies to be provided under this Agreement shall be made by County.
- i. NMC shall not pay any claims for payment of services submitted more than twelve (12) months after the calendar month in which the services were completed.
