[CHANG CHUN-PO & HSU HSIN-I TRS, 24790 Lower Trail, Carmel (Assessor's Parcel Number 009-073-033-000), Carmel Area Land Use Plan, Coastal Zone]

The CHANG CHUN-PO & HSU HSIN-I TRS application (PLN260135) came on for a public hearing before the County of Monterey Zoning Administrator on August 13, 2026. Having considered all the written and documentary evidence, the administrative record, the staff report, oral testimony, and other evidence presented the Zoning Administrator finds and decides as follows:

FINDINGS

1. **FINDING:** **CONSISTENCY** – The Project, as conditioned, is consistent with the applicable plans and policies which designate this area as appropriate for development.
EVIDENCE:
 - a) During the course of review of this application, the project has been reviewed for consistency with the text, policies, and regulations in:
 - the 1982 County of Monterey General Plan (General Plan);
 - Carmel Area Land Use Plan (CAR LUP);
 - Carmel Area Coastal Implementation Plan (CAR CIP);
 - Monterey County Code Chapter 7.120; and
 - Monterey County Coastal Zoning Ordinance (Title 20).No conflicts were found to exist. No communications were received during the course of review of the project indicating any inconsistencies with the text, policies, and regulations in these documents.
 - b) Project Scope. The project is located at 24790 Lower Trail, Carmel (Assessor's Parcel Number: 009-073-033-000), a publicly maintained road, within the Carmel Area of the unincorporated area of the County of

Monterey. The Applicant submitted an application seeking to use their existing single-family dwelling, located in a medium density residential neighborhood, as a Commercial Vacation Rental. The site is developed with an existing single-family dwelling and attached garage. The proposed commercial vacation rental is within the existing 2,076 square foot single-family two-story dwelling with an attached garage, and consists of five bedrooms, three bathrooms, two living rooms, two dining rooms, a kitchen, a utility/laundry room, a storage room, and a basement. The applicant is proposing that the residence be occupied by a maximum of 10 people overnight, 15 people during the daytime hours at the property at a time, and a maximum of 12 contractors on site at any time consisting of the cleaning crew.

- c) Allowed Use. The parcel is zoned Medium Density Residential with a maximum gross density of two units/acre with a Design Control Overlay within the Coastal Zone or “MDR/2-D (CZ)”. Title 20 Section 20.12.050.DD allows for the Commercial Vacation Rental use, subject to the granting of a Coastal Development Permit. Title 20 Section 20.64.290.F establishes the regulations for a property operating as a Commercial Vacation Rental on such property for transient lodging for a period of 30 calendar days or fewer. Therefore, the proposed use is allowable.
- d) Lot Legality. The subject property is shown in its current configuration (0.09 acres) as Lot 2 of Block 167 on a Final Map entitled “La Loma Terrace”, recorded on April 6, 1925 (Volume 3, Cities & Towns, Page 25). Therefore, the County recognizes the subject property as legal lot of record.
- e) Land Use Advisory Committee (LUAC). This project was not referred to the Carmel/Carmel Highlands LUAC for review. Based on the current review guidelines adopted by the Monterey County Board of Supervisors per Resolution No. 15-043, this application did not warrant referral to the LUAC as it does not fall within the LUAC review guidelines.
- f) Vacation Rental Operation License. Condition No. 5 requires that the applicant obtain a Vacation Rental Operation License and provide documentation to prove that they comply with all of the requirements of the Vacation Rental Operation License pursuant to Title 7 Chapter 7.120. The subject property is required as conditioned to ensure that they always have an active Vacation Rental Operation License.
- g) Business License. The applicant is required to obtain a Business License and provide documentation to prove they comply with all the requirements of the Business License pursuant to Title 7 Section 7.02.060.C. The subject property is required to ensure they always have an active Business License.
- h) Transient Occupancy Tax. The applicant is required to register with the County of Monterey Treasurer-Tax Collector to pay Transient Occupancy Tax pursuant to Title 5 Chapter 5.40 and must pay Transient Occupancy Tax on all applicable rent received from transient occupancy of their residence as a Commercial Vacation Rental. The subject property is required to ensure the payment of Transient

Occupancy Tax to the County of Monterey Treasurer-Tax Collector is made pursuant to Title 5 Chapter 5.40.

- i) Adequate Emergency Response Time. The subject property complies in that it has been demonstrated that the response time for County emergency services for fire and emergency medical services is adequate. Adequate is defined as 5-8 minutes within Community Areas, Community Plans, and Sphere of Influence, 12 minutes within Rural centers, and 45 minutes for all other areas. The subject property is within the Sphere of Influence for Carmel-by-the-Sea; therefore, it is subject to the 5-8 minutes response time. The subject property is within a 7-minute drive from Cypress Fire Protection District 25, which provides fire response services. The Community Hospital of the Monterey Peninsula is a 8-minute drive away, which provides 24-hour emergency medical services. Additionally, the applicant provided the property manager, Brady Berguson, will be available 24/7 to arrive within 30 minutes to any concerns on the property. The subject property complies with the requirement to provide contact information for County emergency services for fire and emergency medical. The contact information is required to be posted on an outdoor sign in a visible place and in the informational signage that must be posted within the unit, six feet of the front door. The Vacation Rental Operation License requires that guests be provided with this information as a part of the informational notice posted within six feet of the front door.
- j) Parking. Parking requirements outlined in Title 20 Sections 20.64.290.F.6 and 20.58.040 require that a Single-Family Detached residential dwelling unit have two spaces/unit. The application includes a total of one parking space, which does not comply with parking requirements. The single-family dwelling was built in 1980 and conformed to the zoning regulations from the time the house was built thus making it legal nonconforming to current parking regulations.
- k) One Commercial Vacation Rental Per Legal Lot of Record. The subject legal lot of record complies with Title 20 Section 20.64.290.F.7, as this is the only Commercial Vacation Rental on the legal lot of record (Assessor's Parcel Number: 009-073-033-000).
- l) Ownership Interest in One Commercial Vacation Rental in the Unincorporated Monterey County. The trustees of the legal lot of record comply with Title 20 Section 20.64.290.F.8 and do not have any ownership interest in any other Commercial Vacation Rentals in the unincorporated Monterey County. This application, before the Zoning Administrator, would be the first and only ownership interest the applicants would have in a Commercial Vacation Rental in the unincorporated Monterey County.
- m) Permit Expiration. Condition No. 4 applies a 7-year expiration to the granting of this Coastal Development Permit, pursuant to Title 20 Sub-Section 20.64.290.F.12.a. The purpose of this expiration is to provide adequate ongoing review of the approved use of the residential property as a Commercial Vacation Rental. Prior to its expiration, the

owner/applicant shall file an extension in accordance with Title 20 Section 20.70.110, which requires submittal of the request at least 30 days prior to the expiration date. The appropriate authority to consider this extension shall be the Zoning Administrator. This subsequent review will ensure: 1) the use continues to meet the standards of Title 21, and 2) an opportunity for Planning staff's review for ongoing compliance with the conditions of approval.

- n) Access. The property is accessed through Lower Trail, a public County-maintained road. Lower Trail is accessible from Highway 1 through several other public County-maintained roads. Therefore, policies and regulations pertaining to the use of private roads in Monterey County code Title 16 Chapter 16.80 are not applicable.
- o) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning found in Project File PLN260135.

2. **FINDING:** **SITE SUITABILITY** – The site is physically suitable for the proposed development and/or use.

- EVIDENCE:**
- a) The project has been reviewed for site suitability by HCD-Planning. County staff reviewed the application materials and plans to verify that the project on the subject site conforms to the applicable plans and regulations, and there has been no indication from this department/agency that the site is not suitable for the development. Conditions recommended have been incorporated.
 - b) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning found Project File PLN260135.

3. **FINDING:** **HEALTH AND SAFETY** – The establishment, maintenance, or operation of the project applied for will not, under the circumstances of this particular case, be detrimental to the health, safety, peace, morals, comfort, and general welfare of persons residing or working in the neighborhood of such proposed use, or be detrimental or injurious to property and improvements in the neighborhood or to the general welfare of the County.

- EVIDENCE:**
- a) The project was reviewed by HCD-Planning. The respective agency has recommended conditions, where appropriate, to ensure that the project will not have an adverse effect on the health, safety, and welfare of persons either residing or working in the neighborhood.
 - b) Necessary infrastructure is in place to serve the use, as discussed in the evidence below.
 - c) The property has road access from Lower Trail, a County maintained public road. No alterations to this driveway or access are required for the use (see evidence “n” in Finding 1).
 - d) Potable water will continue to be provided to the parcel by California American Water through the Monterey Peninsula Water Management District (MPWMD). Sewer service will continue to be provided by Carmel Area Waste Water District.

- e) Solid waste (garbage) collection service is and will continue to be provided by USA Waste of California, Inc.
 - f) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning found in Project File PLN260135.
4. **FINDING:** **NO VIOLATIONS** – The subject property is in compliance with all rules and regulations pertaining to zoning uses, subdivision, and any other applicable provisions of the County’s zoning ordinance. No violations exist on the property.
- EVIDENCE:**
- a) Staff reviewed Monterey County HCD-Planning and HCD-Building Services records and is not aware of any current violations existing on subject property.
 - b) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning found in Project File PLN260135.
5. **FINDING:** **CEQA (Exempt)** – The project qualifies for a Class 1 categorical exemption pursuant to CEQA Guidelines section 15301 and no unusual circumstances were identified to exist for the proposed project.
- EVIDENCE:**
- a) California Environmental Quality Act (CEQA) Guidelines section 15301, categorically exempts the leasing of existing private structures, involving negligible or no expansion of existing or former use.
 - b) The project proposed to allow the use of an existing residence for transient lodging for a period of 30 calendar days or fewer. The project would not expand the residence, nor would it allow any additional occupancy beyond what is allowed for the existing residence. Therefore, the project fits the criteria of the exemption.
 - c) None of the exceptions under CEQA Guidelines section 15300.2 apply to this project, as discussed in subsequent Evidence “d” through “i”.
 - d) Class 1 exemptions are not qualified for an exception by their location.
 - e) The County’s regulatory process of Coastal Development Permits for the use of an existing residential property for transient lodging allows the County to regulate such uses in a way that would prevent adverse cumulative impacts to the surrounding environment. Consistent with the Findings and Purpose in Monterey County Ordinance Number 5439 Section 1.F, the requirement for a Coastal Development Permit for Commercial Vacation Rental activities ensures that the impact of such leasing activities can be appropriately evaluated. Further, Title 20 Section 20.64.290 establishes caps on the maximum amount of Coastal Development Permits for Commercial Vacation Rentals to ensure that the potential cumulative effects of Commercial Vacation Rentals are minimized. The project is consistent with all the criteria in Title 20 Section 20.64.290 and, therefore, would not contribute to a cumulative effect.
 - f) The County prepared a Final Environmental Impact Report (FEIR) for the Vacation Rental Ordinances project, which was certified by the Board of Supervisors on August 27, 2024 (SCH# 2022080643). The FEIR analyzed the project for environmental impacts and did not identify any

significant impacts of Commercial Vacation Rentals up to the Commercial Vacation Rental cap set for each County of Monterey Planning Area. This Commercial Vacation Rental does not exceed the cap on Commercial Vacation Rentals in the Carmel Area Land Use Plan. It would be the 34th Commercial Vacation Rental in the Carmel Area Land Use Plan. The FEIR did address public comments that vacation rentals have the potential for negative side effects including nuisance issues such as traffic, parking and noise. However, no significant environmental effects were identified. County regulations have been developed and are in effect to ensure that vacation rentals remain compatible with existing residential uses. Cumulative impacts of the regulations taken together with other past, present, and probable future projects were analyzed and no significant effects were identified. There is no evidence suggesting that approving this project would result in significant environmental impacts. There are no unusual circumstances related to the project that would create a reasonable possibility of a significant effect.

- g) The project does not propose any physical changes that would damage scenic resources: no construction, exterior alterations to structures, land alteration, or vegetation (or tree) removal are proposed.
- h) The project is not located on a hazardous waste site included on any list compiled pursuant to Section 65962.5 of the Government code.
- i) The project would not damage any historical resources.
- j) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning found in Project File PLN260135.

6. FINDING: **APPEALABILITY** – The decision on this project may be appealed to the Board of Supervisors and California Coastal Commission.

- EVIDENCE:**
- a) Board of Supervisors. Pursuant to Title 20 Section 20.86.030.A, an appeal of the Zoning Administrator’s decision for this project may be made to the Board of Supervisors by any public agency or person aggrieved by their decision.
 - b) Coastal Commission. Pursuant to Title 20 section 20.86.080.A, the project is subject to appeal by/to the California Coastal Commission because it involves development that is permitted in the underlying zone as a conditional use.

DECISION

NOW, THEREFORE, based on the above findings and evidence, the Zoning Administrator does hereby:

- 1) Find that the project, allowing the use of an existing residence for transient lodging, qualifies for a Class 1 Categorical Exemption pursuant to CEQA Guidelines Section 15301, and no exceptions under section 15300.2 apply; and
 - 2) Approve a Coastal Development Permit for a Commercial Vacation Rental to allow the use of residential property for transient lodging for a period of 30 calendar days or fewer.
- The said decision is to be in substantial conformance with the attached plan and subject to the attached conditions, which are incorporated herein for reference.
