I acknowledge that I will need a building permit and must comply with the Monterey County Building Ordinance and that this approval is for design of the structures and compliance with zoning regulations only. For properties served by Onsite Wastewater Treatment System (OWTS), the Environmental Health Bureau (EHB) will not review this application but may need to require redesign of the project in the subsequent construction permit application to address impacts related to the existing OWTS or future standby area. A project redesign may require a subsequent Design Approval application and additional fees.
