Upon the consensus the Board:

- a. Received a presentation from Department of Emergency Management concerning the Moss 300 site clean-up at the Moss Landing Battery Energy Storage System facility; and
- b. Directed staff to provide a presentation next month on content of what a letter would contain to the Coastal Commission, send a letter to Vistra and the EAP on expediting a safe clean up, receiving better interpretation on data in writing and reach out to Vistra and P.G.& E on when they are expecting to turn their batteries back on and an update on their emergency response plan.

I, Valerie Ralph, Clerk of the Board of Supervisors of the County of Monterey, State of California, hereby certify that the foregoing is a true copy of an original order of said Board of Supervisors duly made and entered in the minutes thereof of Minute Book 82 for the meeting April 22, 2025.
