SUMMARY/DISCUSSION:

Latham & Watkins LLP is one of the pre-eminent law firms representing healthcare systems and local community hospitals throughout the United States. Their healthcare attorneys have specific experience with the nuanced regulations that govern the healthcare industries, including those related to fraud and abuse, Medicare/Medicaid reimbursement, healthcare regulatory requirements, financing regulation, and licensing.

For 11 years, Latham's legal experts in physician compensation have applied their extensive industry expertise to best serve Natividad's business needs, while providing Natividad consistent, practical, and reliable guidance on the risks associated with physician compensation arrangements. Latham's legal advice and consultation have helped Natividad ensure that its compensation arrangements do not unfairly drive referrals from healthcare providers to Natividad.

Latham has requested removal of the parties' contractual indemnification provision. The Interim CEO recommends that the Board accept the removal of the indemnification provision from the parties' agreement.
