It is agreed by and between the parties that any provision of this Agreement requiring legislative action to permit its implementation by amendment of law or by the act of providing the appropriate legislation shall not become effective until the effective date of such action.

## **SECTION 2 TERM**

The term of this Memorandum of Understanding is from April 5, 2020 to August 31, 2021 when said Memorandum shall expire.

## **SECTION 3 RECOGNITION**

The County recognizes MCRNA as the sole and exclusive bargaining agent for all permanent employees in classifications recognized as part of bargaining unit S.

## **SECTION 4 NON-DISCRIMINATION**

Employees may elect to exercise their right to join and participate in the activities of MCRNA for the purposes of representation in all matters of their working conditions and employer-employee relations. The parties agree that there shall be no restraint, coercion, or interference with any employee with respect to or because of the employee's membership in MCRNA.

MCRNA and the County agree to support the Equal Opportunity Program established by the County and that there shall be no discrimination within their respective organizations because of race, color, religion, national origin, ancestry, marital status, sex, gender, age (over 40), physical or mental disability, medical condition, genetic information, sexual orientation, gender identity, other legally protected status, or MCRNA membership. Any party alleging a violation of their rights under this section may file a grievance pursuant to the Grievance Procedure Section of this MOU or a complaint under the County procedure for processing an Employment Discrimination Complaint and shall have the burden of proving the existence of a discriminatory act or acts and of proving that, but for such act or acts, the alleged injury or damage to the grievant would not have occurred.

## **SECTION 5 MCRNA RIGHTS**

### **5.1 Representation**

MCRNA has the right to represent employees in the representation unit as specified by state law and pursuant to the County Employer-Employee Relations Resolution. MCRNA will notify the County and maintain such notice during the term of this Agreement of its elected officers and directors as well as its staff employees.

MCRNA shall be given reasonable release time for five (5) bargaining unit members to meet and confer with the County. MCRNA will not select more than one representative from a unit or hospital department for any one meet and confer session (the NMC Emergency Room and Specialty Clinics are not to be considered one nursing unit for purposes of this Section).

MCRNA shall have the right to reasonable release time for bargaining unit members to make special presentations of limited duration during the meet and confer process.

### **5.2 MCRNA Official Representatives**

In cases where the departmental Human Resources representative denies access to a critical patient care area and the issue which gives rise to the request for access is one of employee health or safety, then the department shall provide controlled or escorted access.

MCRNA shall give to each department head, having employees in the unit, and the Director of Human Resources or his/her designee, a written list of the names of all authorized MCRNA staff representatives, which list shall be kept current by MCRNA and sent to the Director of Human Resources. An employee assigned to Natividad Medical Center’s Information Technology, who is not on Standby/On-Call, who can resolve the work-related issue while on the telephone and is not required to return to the work site, shall be compensated at the regular rate of pay for one hour. Any additional telephone calls that are received within that one hour period shall not result in any additional compensation unless the phone call required the employee to report to the work site, wherein the employee shall be compensated appropriately. Any telephone calls received after the one hour period, will entitle the employee to another one hour of compensation at the regular rate of pay.

- Complaints regarding Equal Opportunity, Occupational Health and Safety, Workers' Compensation or discrimination complaints based on a lawfully pre-recognized protected classification or the applicable procedures for such complaints.

MCRNA shall be entitled to file a grievance on behalf of an employee or group of employees adversely affected by a grievable matter.

MCRNA may file a grievance on its own behalf only on those matters which pertain to the rights of MCRNA as an organization.

**B. Limited Grievance Procedure Application**

An employee shall be entitled to file a grievance which alleges that the County has failed to provide a specific condition of employment which is established by the Personnel Policies and Practices Resolution provided that the enjoyment of such right is not made subject to the discretion of the department head or the County, and provided further that the condition of employment which is the subject matter of the grievance is a matter within the scope of representation as defined in California Government Code Section 3504. Such limited grievances may not be appealed to arbitration.

**C. No Discrimination**

There shall be no restraint, interference, coercion, discrimination or reprisal against any employee for exercising any rights under the grievance procedure.

**D. Time Limits**

The time limits set forth herein are essential to the grievance procedure and shall be strictly observed. The time limits may be extended by agreement of the parties; however, any such extension must be confirmed in writing.

If at any stage of the grievance procedure the employee is dissatisfied with the decision rendered, it shall be the grievant's responsibility to submit the grievance to the next designated level within the time limits set forth.

Failure to submit the grievance within the time limits imposed shall terminate the grievance process and the grievance shall be considered settled on the basis of the last decision and the grievance shall not be subject to further appeal or reconsideration.

The grievant has the right to promptly proceed to the next step within the prescribed time limits if the appropriate management representative fails to respond within the time limits specified.

**E. Grievance Procedure Steps**

***Step 1: Discussion with Immediate Supervisor***

- The grievant shall first discuss the grievance informally with his/her immediate supervisor. The discussion shall be held within fifteen (15) working days of the action causing the grievance or of the date the action reasonably could have been expected to be known to the grievant. In no event shall any grievance be accepted for consideration more than six (6) months from the date of the action causing the grievance, regardless of the date the action

became known to the grievant.

- Every reasonable effort shall be made to resolve the grievance at this level. The immediate supervisor shall verbally respond to the grievant within ten (10) working days of the informal discussion between the grievant and supervisor.

### ***Step 2: Formal Written Grievance***

- In the event the employee believes the grievance has not been satisfactorily resolved, the employee shall submit the grievance in writing to the supervisor within ten (10) working days after receipt of the immediate supervisor's verbal response. The grievant shall file one (1) copy with the Human Resources Department. If the grievance is not presented within the time limits provided herein, it shall be deemed not to exist. Such written grievance shall:
  1. Fully describe the grievance and how the employee(s) was/were adversely affected;
  2. Set forth the section(s) of the Memorandum of Understanding, allegedly violated;
  3. Indicate the date(s) of the incident(s) grieved;
  4. Specify the remedy or solution to the grievance sought by the employee(s);
  5. Identify the grievant and be signed by the grievant;
  6. Identify the person, if any, chosen by the grievant to be his/her representative.
- No modifications in the basic violation being alleged pursuant to this grievance procedure shall be made subsequent to filing of a grievance unless mutually agreed to by both the County and the grievant or the grievant's representative. However, corrections in citations or other clarifying amendments can be made at any time by the grievant or the grievant's representative.
- Within seven (7) working days of receipt of the grievance, the immediate supervisor shall:
  1. Meet the grievant to discuss the grievance at the request of either party (i.e., the grievant, the grievant's representative or the supervisor);
  2. Deliver his/her written decision outlining the reasons behind the decision to the grievant and his/her representative within three (3) working days following the meeting, if held, or, if no meeting was held, within ten (10) working days of the receipt of the grievance.
- Any grievance settled at this step shall be subject to the review and confirmation of the respective department head before the settlement may become effective. Such review will occur within five (5) working days or the grievance will automatically be moved to Step 3. In the event the department head does not confirm the settlement, the grievant may initiate Step 3 of this procedure.

### ***Step 3: Department Head Review***

- If a grievance is not settled at Step 2 of this procedure, the grievance may be appealed to the department head in writing within ten (10) working days from the receipt of the decision of the immediate supervisor or his/her failure to respond to the grievance. Said grievance appeal must specifically set forth the reason the answer previously provided by the supervisor is not satisfactory.

In submitting the grievance to Step 3, the grievant or MCRNA may request a meeting with the department head.

- If requested at the time of filing with the department head, a meeting will be held within seven (7) working days of the receipt of the appeal. The department head shall deliver his/her written decision to the grievant and/or his/her representative within three (3) working days of the date of the grievance meeting, if a meeting was held, or within ten (10) working days of the receipt of the appeal if no meeting was held. The department head's decision shall include the reasons on which the decision is based and the remedy or correction which has been offered, if any, to the grievant.

#### ***Step 4: Director of Human Resources /Mediation***

- If a grievance is not settled at Step 3 of the procedure, the grievance may be appealed, in writing to the Director of Human Resources or his/her designee within ten (10) working days from the receipt of the department head's written response. Said grievance appeal must specifically set forth the reason the answer(s) previously provided by management is/are not satisfactory. A meeting may be held by mutual agreement of the parties.
- Within ten (10) working days from receipt of the grievance, the Director of Human Resources or his/her designee shall deliver his/her written decision to the grievant and his/her representative. Said decision shall be final and binding, except as provided in the Arbitration section.
- In the event a represented employee chooses to waive a hearing by the Director of Human Resources or his/her designee, MCRNA on behalf of the employee shall, within the ten (10) day appeal period, make a written request to the Director of Human Resources or his/her designee to seek within 10 working days the assistance of a mediator from the State conciliation service in an attempt to resolve the grievance. The mediator shall have no authority to resolve the grievance except by agreement of MCRNA and the County. In the event the grievance is not resolved, neither evidence nor concessions agreed to or offered during mediation shall be admissible at the subsequent hearing.

If the grievance is not resolved through mediation, the Director of Human Resources or his/her designee shall issue a decision which shall be final and binding except as outlined in the provisions of this agreement concerning arbitration.

#### **F. Notice of Meetings**

The County and the grievant or the grievant's representative shall be responsible for giving notice of meetings and conferences to their representative parties at least twenty-four (24) hours prior to any meeting regarding a grievance whenever possible.

#### **G. Representation**

The employee has the right to the assistance of one employee representative/job steward in addition to a staff representative of MCRNA in the preparation and/or presentation of his/her grievance in Steps 1 through 4 of this procedure provided, however, that supervisory employees shall not represent non-supervisory employees.

An employee is also entitled to represent him/herself individually at any step of the grievance procedure, except in the arbitration procedure outlined this agreement. Only MCRNA may file for arbitration of a grievance.

A grievant may not change his/her designation of representative organization during the processing of a grievance, except by mutual agreement of the parties.

If the employee is represented in a formal grievance meeting, the department may also designate a management representative to be present in such a meeting.

#### **H. Grievance Withdrawal**

The grievant and his/her representative may withdraw the grievance at any state of the grievance procedure by giving written notice to the County representative who last took action on the grievance, with a copy to the Human Resources Department.

#### **I. Grievance Resolution**

If a grievance is resolved at Step 2, 3 or 4 in the procedure as provided herein, the grievant concerned shall indicate acceptance of the resolution by affixing his/her signature in the appropriate space indicated. If the employee has been represented by MCRNA at the Step of the procedure at which a resolution is reached, MCRNA representative shall also sign the appropriate document acknowledging that the employee has accepted the resolution.

Decisions on grievances where an employee represents him/herself shall not be considered precedent setting or binding with regard to any future grievances filed with respect to the same or similar matters.

#### **J. Reconsideration**

By mutual agreement, the parties may revert the grievance to a prior level for reconsideration. If the grievance is not then settled at the prior level, the grievant shall continue to have the rights set forth in this procedure.

#### **K. Consolidation**

The County may consolidate grievances, where, in its discretion, the grievances present substantially similar issues.

MCRNA may file group grievances at the second step of the grievance procedure by listing each person who claims to be adversely affected and all other data required in this section.

#### **L. Processing Grievances**

The grievant shall be granted reasonable time off with pay from regularly scheduled duty hours to process a grievance, provided that the time off will be devoted to the prompt and efficient investigation and handling of grievances, subject to the following:

- Neither a grievant nor a grievant's representative who is a county employee shall suffer any lost pay for attending any regularly scheduled grievance hearing required by the procedure herein set forth.
- A grievant or a grievant's representative shall notify their supervisor as soon as possible of scheduled grievance hearings and of any changes in the time or date of scheduled hearings in which they must participate.
- In no event shall a grievant be represented by more than one county employee at the grievance hearings.

### **SECTION 28 ARBITRATION**

#### **A. Grievance Arbitration**

Within ten (10) working days from the receipt of the written decision resulting from a grievance

heard by the Director of Human Resources, or his/her designated representative as provided in the Grievance Procedure section of this agreement, MCRNA, and only MCRNA, may request that the grievance, as defined below, be submitted to arbitration as provided hereinafter.

Only those unresolved grievances filed and processed in accordance with the Grievance Procedure of this agreement, and which directly concern or involve the interpretation and application of the specific terms and provisions of this agreement, may be submitted to arbitration.

Notwithstanding any other provisions of this agreement the following matters are expressly excluded from the arbitration:

- All matters relating to Equal Opportunity, Occupational Health and Safety or Workers' Compensation;
- "Interest" matters or matters within the scope of representation;
- Any matter for which a different appeals procedure is provided either by statutes, ordinances, resolutions or agreements;
- Grievances filed under the Limited Grievance Procedure Applications section of the Grievance Procedure of this agreement.

See the Nondiscrimination section of this MOU regarding discrimination grievances.

A request by MCRNA for arbitration of a grievance must be received by the Director of Human Resources or his/her designee within ten (10) working days of receipt by MCRNA of the written grievance procedure fourth step decision. Failure to request arbitration within the above time limits shall constitute an automatic forfeiture and an irrevocable waiver of the right to process the grievance appeal to arbitration. The notice shall set forth the specific issue or issues still unresolved through the grievance procedure which is being submitted to arbitration.

The parties shall select a mutually acceptable arbitrator.

The fees and expenses of the arbitrator shall be shared equally by the parties, it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party involved.

The decision of an arbitrator shall be final and binding upon the parties but shall not add to, subtract from, nor otherwise modify the terms and conditions of this agreement.

## **SECTION 29 LAYOFF PROCEDURE**

### **A. Policy**

The County may layoff an employee because of lack of work, lack of funds, material change in duties or organization, or in the interest of economy or causes outside the County's direct control. The County shall inform MCRNA regarding the effects of any planned reduction in force or layoffs which will affect the department's work force.

If it appears to a department that a reduction in force of three (3) or more employees within the bargaining unit may be required, the department shall contact MCRNA and offer to discuss the possible reduction and to invite suggestions for possible cost saving alternatives to layoffs. If alternatives to layoffs are not developed by the time the department determines a layoff should

occur, the procedure outlined in Section 33 B below shall be followed.

The County shall give MCRNA written, advance notice of any layoff of a MCRNA member.

## **B. Procedure**

Layoffs will be determined within County departments, not the County as a whole. In the event of a reduction in force in a department, the department head shall designate the classes, positions, and number of employees to be eliminated. The department at this time shall provide MCRNA with a current seniority list for those employees and classes affected.

Layoffs shall be made among all representation unit employees in the same class series within a County department in the following order:

- Temporary employees.
- Probationary new employees (excluding promotional probationary employees.)
- Permanent employees.

No permanent employee within a department shall be laid off in any class if there are temporary employees in an active status in the same class within that department.

Layoff shall be by ranking sequence of employees except as otherwise provided herein.

### **1. Rank in Class Defined**

Rank shall be defined as the length of continuous service in a class series as determined by County personnel records while occupying a permanent position within the County. Length of continuous service is prorated based on the employee's regular schedule (FTE, full-time equivalent). Continuous service for purposes of ranking for layoff shall be defined to include work related injury leave of up to one (1) year's duration.

### **2. Natividad Medical Center--Temporary Status Option**

A permanent employee of Natividad Medical Center subject to layoff shall be entitled to assume temporary employee status in lieu of layoff provided the employee is qualified to assume the duties and responsibilities of an existing temporary position and class. No new temporary positions shall be created for the sole purpose of eliminating permanent employees.

### **3. Order of Layoff, Exception to Ranking Sequence**

Layoffs of employees within each category of employment status within a department and within a class series shall be based on ranking sequence unless it can be demonstrated that: 1) an employee possesses special skills, training, or abilities, or 2) the employee's past job performance or disciplinary record justifies an alternative ranking, or 3) the employee may be, by virtue of ranking sequence subject to disparate treatment.

### **4. Ranking in Previous Class**

A permanent full-time or part-time employee may elect to be ranked with employees in any class in the same department with the same or lower salary in which the employee has served in permanent status in the County service. An employee must notify his/her Appointing Authority within two (2) days after receipt of written

notice of layoff of election of this option except if the second day following notice of layoff is not a regularly scheduled work day, the employee may give notice on the next work day.

#### 5. Demotion in Lieu of Layoff

In lieu of layoff, the department head may offer a permanent employee a demotion to any class for which the employee is qualified. Employees demoted in lieu of layoff, pursuant to this paragraph, shall not be eligible for the "Y" rating procedure. An employee who chooses a demotion in lieu of layoff shall have the right of restoration to his or her former class when an opening occurs and his or her ranking sequence warrants restoration subject to the provisions of Section 33 below.

#### C. Notice

Written notice of layoff shall be served on the affected employees in person or mailed by the United States Postal service to the employee's latest address on file with the County. The layoff notice shall be served or mailed at least twenty-one (21) calendar days prior to the expected effective date of separation unless delay results from consideration of demotion under the provisions of the Layoff section. The notice shall include:

- The reason for the layoff.
- The effective date of the action.
- A reference to the provisions governing reemployment.
- Notice that employment counseling is available.
- A copy of the notice shall be given to MCRNA.

#### D. Reemployment of Employees Laid Off.

The names of persons laid off under these procedures shall be maintained on a departmental recall list for the class series from which the employee was laid off for a period of one (1) year from the date of layoff. When filling any position, the department head shall reemploy laid off employees from the departmental recall list for the class of the position in inverse order of layoff. No new employee shall be hired nor shall any employee be promoted in any class until all employees on layoff status in that class have had the opportunity to return to work.

However, when the best interest of the County requires an employee with demonstrated special qualifications, skills or training, the department head may make an exception to the above order of recall in order to appoint an employee out of ranking sequence.

Every employee given notice of layoff may request employment counseling and evaluation in order to determine those job classes within the County for which the employee meets employment eligibility requirements and desires to be considered for employment from a preferred eligible list. Such counseling and evaluation shall be available by appointment in order of request. Following the counseling and evaluation, laid off employee's name shall be placed on a preferred eligible list for each class designated as a result of the counseling and evaluation. When the Human Resources Department receives a request to refer applicants to a department for a vacant position in a class for which there exists a preferred eligible list, the laid off employee on the list shall be considered for employment prior to any job applicant. A competitive job related selection process may be used to determine the order in which laid off employees on a preferred eligible list for a class will be referred for an interview.

A laid off employee may be removed from the department recall list or a preferred eligible list for any of the following reasons:

- The expiration of one (1) year from the date of layoff.
- Reemployment within the County.
- Failure to accept employment or report to work.
- Failure to appear for a job interview after notification by telephone or by mail addressed to the employee's last address on file with the County.
- Failure to respond within seven (7) days to a communication regarding availability of employment.
- Request in writing by the laid off employee to be removed from the list.

#### **E. Restoration of Benefits for Recalled Employees**

Any employee who has been laid off and is hired from a departmental recall list within one (1) year from the date of layoff shall be entitled to:

- Restoration of permanent status for employees who are rehired from a departmental recall list and class from which they were laid off, and who have completed their probationary period. For employees who have not completed their probationary period, credit for that portion which has been completed shall be given if rehired from a departmental recall list.
- Restoration of all sick leaves credited to the employee's account on the date he/she was laid off.
- Credit for all prior service for the purpose of determining vacation accrual rates and service awards.
- Placement in the same step of the salary range the employee held at the time of layoff.
- Reinstatement of credit for service time (ranking) as of the date of layoff.

#### **F. Insurance Coverage**

Each permanent employee who is enrolled in the County Health Plan at the time of layoff may, prior to the effective date of the layoff, elect to enroll in a health insurance conversion plan offered by our then current health plan administrative carrier. In the event the laid off employee so elects, the County will pay an amount equal to two (2) times the employee only premium at the time of layoff toward the cost of the health insurance conversion plan. The above insurance provision does not apply to employees who retire coincidental to their layoff.

#### **G. Appeal Procedure (Layoff)**

An employee directly affected by the operation of this policy may, within five (5) working days after a notice of layoff is received, request a meeting with a department head or the department head's designated representative to review the application of this policy as it affects the employee's status. A representative of MCRNA may accompany the employee.

MCRNA, and only MCRNA, after making an attempt to resolve the matter informally, may within seven (7) days of the date of an alleged violation of this policy file a grievance for final consideration and determination at the department head level in accordance with the provisions of the grievance procedure in effect between the County and MCRNA. A grievance filed in accordance with this paragraph shall not be subject to Section 27, "Arbitration," of this

agreement.

## SECTION 30 DISCIPLINE

### A. Disciplinary Actions

The Appointing Authority or his/her designee may take disciplinary action against any employee in the service of Monterey County provided that the rules and regulations prescribed herein are followed and that any permanent employee who is not on any form of probationary status has the right to appeal pursuant to this section, except as herein provided. As used in this section, "disciplinary action" shall mean dismissal, involuntary leave, disciplinary demotion, reduction in salary, or formal written reprimand.

### B. Notice of Disciplinary Action

In order to institute disciplinary action, the Appointing Authority or his/her designee shall serve notice of the proposed disciplinary action in accordance with the following procedures.

The employee will be provided with a "Release of Information" form that they may sign authorizing the County to provide the Union with all materials upon which the action is based. The County will notify the Union and mail the materials to the Union within two (2) working days.

The notice of proposed disciplinary action shall include the following:

### C. Implementation of Discipline

In the case of an Involuntary Leave Without Pay of five (5) working days or less, or an Involuntary Leave With Pay of twenty (20) working days or less, the suspension may be imposed by a single notice containing items a, b, c and d above. This notice shall be delivered to the employee on or as soon after the effective date of the involuntary leave as possible.

Except as provided above, in order to implement the proposed disciplinary action or a lesser disciplinary action based on the same cause(s), a notice of disciplinary action shall be delivered to the employee, either personally or by the United States Postal Service to the current address listed on the employee's most recent Personnel Action form, on or before the effective date of

the disciplinary action.

The notice of disciplinary action shall contain the information in items A, B, C and D above and, in addition, shall include a statement as to the right of appeal and representation by a party of his/her own choice and shall include a referral to the section of this agreement concerning appeals from disciplinary action and shall include a statement that members of the bargaining unit are represented by MCRNA with the address and the telephone number of MCRNA office.

**D. Reprimand**

An Appointing Authority or his/her designee may reprimand an employee by furnishing him/her with a statement, in writing, of the specific reasons for such reprimand. A copy of notice of the reprimand shall be included in the employee's personnel file, and shall not be subject to appeal, but the employee and/or his/her representative shall have the right to discuss the reprimand with the Appointing Authority or his/her designee. The Appointing Authority or his/her designee may correct the reprimand, or notice of reprimand, at his/her discretion. The employee may submit a written response that shall be placed in his/her personnel file.

**E. Involuntary Leave Without Pay**

Any involuntary leave without pay invoked as a disciplinary action under this section against any employee in the County service, whether for one or more periods, shall not exceed sixty (60) calendar days in any one (1) calendar year; provided, however, that where a an employee is placed on an involuntary leave without pay because of criminal information or indictment filed against such employee, the period of involuntary leave may exceed sixty (60) calendar days and continue until, but not after, the expiration of thirty (30) calendar days after the dropping of charges, or the judgment or conviction or acquittal of the offense charged in the complaint, or indictment has become final. An employee placed on such involuntary leave shall forfeit all rights, privileges, and salary while on such involuntary leave.

The sixty (60) day restriction shall apply only to managerial imposition of discipline and is not intended to restrict the ability of a third-party neutral to invoke a greater period of involuntary leave.

**F. Involuntary Leave Pending Investigation for Disciplinary Action**

An Appointing Authority or his/her designee may place an employee under his/her control on involuntary leave from his/her position at any time for reasons of investigation for disciplinary action. Such involuntary leave shall be subject to the limits set forth in this MOU. Written notice of such involuntary leave shall be given to the employee as soon as possible but not later than seventy-two (72) hours after such action is taken. Such involuntary leave is not a disciplinary action and shall not be subject to appeal unless it, or any portion of it, subsequently becomes a disciplinary action.

**G. Reduction in Salary**

An Appointing Authority or his/her designee may reduce the salary of an employee, for disciplinary reasons, provided that such reduction shall be to a step within the salary range of the classification of the position held by the employee. An employee so reduced in salary shall retain his/her anniversary date but shall not be eligible for advancement to a higher step in the salary range of his/her job classification for a period of six (6) months from the date their reduction in salary became effective.

## **H. Disciplinary Demotion**

An Appointing Authority or his/her designee may demote an employee, for disciplinary reasons, to any position with a lower salary range, provided the employee meets minimum qualifications for the lower-level position. Such demoted employee shall not be eligible for promotion for a period of six (6) calendar months.

## **I. Dismissal**

The continued tenure of each employee who has permanent status shall be subject to his/her satisfactory conduct and the rendering of efficient service. Should the cause for disciplinary action so warrant, an employee may be dismissed.

## **J. Absence Without Leave Separation**

An employee absent from duty for a period which exceeds three (3) working days without authorized leave shall be considered to have abandoned his/her position and to have automatically resigned.

Such resignation shall be rescinded by the Appointing Authority if the employee can show to the satisfaction of the Appointing Authority that it was impossible to contact the department of employment, provided the employee contacts the department within five (5) working days of notice of separation under this section through United States Mail.

## **K. Statute of Limitations**

Any disciplinary action for cause against a county employee shall not be valid unless the notice of disciplinary action is served within one (1) year of the date of discovery of the event which gave rise to the cause of discipline. Matters of serious nature (e.g., fraud, embezzlement, falsification of records) shall require written notice to the employee of disciplinary action within the three (3) years after the event which gave rise to the disciplinary action. Disciplinary action based on fraud, embezzlement, or the falsification of records shall be valid, if the notice of such action is served within the three (3) years after the discovery of such fraud, embezzlement, or falsification.

Nothing herein shall preclude the County from disciplining an employee for cause which consists of a course of conduct or history of performance that began more than three (3) years prior to the notice of disciplinary action. Such disciplinary and/or performance record of beyond three (3) years shall only be used to determine the disciplinary penalty to be imposed.

## **L. Appeals from Disciplinary Action**

Only permanent employees, employees with more than one (1) year of service, and who are not on probation, shall have the right of appeal from disciplinary actions other than written reprimands.

The written notice of appeal must:

- Be filed with the County Administrative Officer within ten (10) working days of the effective date of the disciplinary action, and;

Appeals to arbitration shall only be filed by MCRNA.

Failure to appeal within the time limit set forth in this section shall constitute an irrevocable waiver of the right to process the appeal to arbitration.

Within ninety (90) calendar days of the receipt of the appeal to the County Administrative Officer the County and MCRNA shall agree upon an arbitration hearing date.

The parties shall select a mutually acceptable arbitrator.

The fees and expenses of the arbitrator in non-termination cases shall be shared equally by the parties, it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party involved. In cases of termination, the fees and expenses of the arbitrator shall be paid by the County.

Notwithstanding any other provision of this item, County and MCRNA agree that an employee is not entitled to inspect or review such documents as reference letters, background investigations, records pertaining to investigation of a possible criminal offense, or material designated confidential by law.

At his/her request, an employee shall be provided one (1) copy of any document placed in the employee's file except for employment applications and those documents listed above.

An employee, or a staff representative of MCRNA with the prior written consent of the employee, may upon request inspect that employee's personnel file during regular business hours by appointment.

The Appointing Authority shall keep the official personnel records of all employees within his/her department.

It is mutually recognized that all performance related materials contained within an employee's personnel file may provide material substance and support to proposed and imposed disciplinary actions. Nothing in this Agreement shall preclude the use of any material in an employee's personnel file from being used in any proceeding involving the decision of the Appointing Authority to take disciplinary action against the employee.

## **SECTION 32 TRANSFERS AND REASSIGNMENTS**

Employees who desire to be transferred within their respective job classes to a specific work location within their own department may submit a written request for transfer to the appropriate department representative. Such requests filed hereunder shall be retained for a period of one (1) year from date of filing and must be renewed if the employee still desires to be considered for reassignment beyond that date. Management shall respond to the request for transfer by notifying the employee of the status of their request within ninety (90) calendar days of its receipt.

When management contemplates filling vacancies and/or openings by transferring employees from one work site or location to a different location, management will consider the following criteria:

- The overall needs of the department
- Requirements of job

After the completion of their probationary period or one (1) year an employee may notify the Natividad Human Resources Department of their desire to change shifts by submitting a Shift Change form. Human Resources will record the date and time of the request and maintain the information of employees, by unit, in the order in which the shift change was requested. This information will be available to employees in the Natividad Human Resources Department for their corresponding unit. The order of shift change requests will be on a first come, first serve basis.

When a shift becomes available the department manager will consider the oldest request on file first and determine if it is operationally feasible to grant such request. If the oldest request is not

selected the department will inform the employee of the reason for not selecting the oldest request.

If an employee declines the shift change, they will remain on the list in their same order; however, if they decline the second time they will be automatically removed from the list and will have to resubmit their request for shift change.

The Personnel Analyst must receive written appeals within ten (10) working days of receipt of the denial or results of the study.

If the denial or results of a study are not satisfactorily resolved with the analyst, MCRNA may appeal in writing to the NMC HR Administrator or the Health Department HR Manager indicating the specific justification for appeal of the Analyst's decision. If the denial or results of a study are not satisfactorily resolved with the NMC HR Administrator or the Health Department HR Manager, MCRNA may appeal in writing to the Director of Human Resources or his/her designee, NMC CEO or his/her designee indicating the specific justification for appeal of the NMC HR Administrator or the Health Department HR Manager's decision.
