WHEREAS, Measure AA, is a 1% general sales tax approved by voters in November 2024 that supports services and capital projects in the unincorporated areas of the County.

WHEREAS, the Board established an Ad Hoc Committee to review potential projects and develop funding recommendations consistent with the measure's intent. To ensure ongoing oversight and long-term implementation, the Board transitioned the Ad Hoc Committee into a Standing Committee at the end of 2025.

WHEREAS, In August 2025, the Board reaffirmed its FY 2025–26 Budget Priorities and directed that emphasis be placed on highly visible community-impacting projects, including roads, parks, and homelessness initiatives. In December 2025, the Standing Committee reviewed eligible projects and developed funding recommendations aligned with those priorities. The recommendations were organized in two tiers: (1) projects fully fundable and anticipated for completion within the fiscal year, and (2) projects to proceed as additional funding becomes available.

WHEREAS, On February 3, 2026, the Board approved Tier 1 projects with modifications, including moving the Vierra Canyon Road and Blackie Road projects to Tier 2; allocating \$1.6 million to the Dolan Road project (approximately 2.2 miles), with an additional

\$600,000 in upcoming Measure AA revenue to complete the repairs. The Board also authorized Tier 2 projects to proceed as funds become available or if Tier 1 projects are completed under budget.

WHEREAS, based on the Measure AA received an additional unallocated balance of \$2,500,000, the County Administrative Office recommends that these funds be allocated for the addition of three new projects: expanded scopes for the Vierra Canyon Road and San Benancio Road resurfacing projects, and funding for initial design and permitting of the Scenic Road Protection Structure.
