March 1, 2017 through June 30, 2017

Between

MONTEREY COUNTY DEPARTMENT OF SOCIAL SERVICES

And

NORTH FORK RANCHERIA OF MONO INDIANS OF CALIFORNIA

For

TRIBAL TEMPORARY ASSISTANCE FOR NEEDY FAMILIES

MEMORANDUM OF UNDERSTANDING

(M.O.U.)

I. DECLARATION

This Agreement is entered into by and between the **MONTEREY COUNTY DEPARTMENT OF SOCIAL SERVICES**, hereinafter referred to as MCDSS, and **NORTH FORK RANCHERIA OF MONO INDIANS OF CALIFORNIA**, hereinafter referred to as "NFRMIC", for the purpose of transferring the provision of Temporary Assistance to Needy Families (TANF) services for eligible Native American Families to a tribal government.

II. PURPOSE

The purpose of this non-financial Agreement is to outline the responsibilities of MCDSS and NFRMIC in administering a Tribal TANF program in Monterey County.

III. BACKGROUND

- a. Contingent upon approval by the California Department of Social Services, hereinafter referred to as "CDSS", MCDSS will transfer the provision of TANF services to a tribal government, in accordance with Public Law 104-93, as amended; HHS approval Chapter 270; Statutes of 1997 (California Assembly Bill Number 1542), as amended; and the Welfare and Institutions Code, Section 10553.2, as amended.
- b. The NFRMIC intends to operate its own Tribal TANF program, hereinafter referred to as "Tribal TANF", in Monterey County and will serve eligible Native American families.
- c. The California Work Opportunity and Responsibility to Kids family assistance program administered by MCDSS is hereinafter referred to as "CalWORKs".
- d. NFRMIC is a federally recognized Indian tribe which operates the Tribal TANF program.
- e. MCDSS and NFRMIC desire a smooth transfer of the provision of such TANF services.
- f. In addition to determining the number of residents on aid, there will be continuous communication between MCDSS, CDSS, and NFRMIC throughout the course of this agreement.

IV. TERM OF AGREEMENT.

This Agreement shall commence on March 1, 2017 and remain in full force and effect through June 30, 2017. It will be automatically renewed for successive County fiscal year periods beginning July 1, 2017, unless terminated as provided herein. Amendments to this Agreement may be made only upon the mutual written consent of NFRMIC and County.

V. SCOPE OF SERVICES

For qualified Native American Indian families residing in Monterey County who choose to receive Tribal TANF, the following general provisions are agreed to by MCDSS and NFRMIC:

- a. NFRMIC will provide cash aid, employment assistance and supportive services.
- b. MCDSS will provide CalFresh and Medi-Cal services for those families who request stated services and meet specific program eligibility requirements. MCDSS will maintain the CalFresh and Medi-Cal cases as specified by their current policies and procedures.
- c. Transition of cases between both programs will be performed in a manner mutually beneficial to both agencies and customers.
- d. All approved CalWORKs cases, up to the maximum served by Tribal TANF, will be transitioned within 120 days after approval by the Monterey County Board of Supervisors of the NFRMIC plan.
 1. Should the maximum service level be reached, MCDSS and NFRMIC will develop a contingency plan to address transitioning existing CalWORKs recipients, as well as CalWORKs applicants.
 2. The contingency plan will address waiting lists, priority for services, and other mutually agreed items. For any family on a waiting list for Tribal TANF services, MCDSS will provide cash aid, employment and supportive services.
- e. NFRMIC and MCDSS will exchange limited information as needed to determine and maintain eligibility for Tribal TANF, CalWORKs, Medi-Cal, and CalFresh.
 1. MCDSS and NFRMIC agree to exchange information including Social Security Numbers, as needed, to prevent duplicate aid.
 2. NFRMIC agrees to inform MCDSS in advance of any planned program changes (e.g. cost of living increases) to help ensure CalFresh and Medi-Cal Program integrity.
- f. The federal TANF 60-month time limit applies to both programs. Any month in which CalWORKs assistance is received counts towards the Tribal TANF 60-month clock; conversely, any month of Tribal TANF would count towards the CalWORKs 60-month federal and State clock (should the individual transfer from one program to another).
- g. Qualified Native American Indian families can choose to receive Tribal TANF or CalWORKs. However, they cannot receive cash aid from both programs simultaneously.
- h. Previously imposed or current sanctions are not transferrable from one program to another. CalWORKs sanctions shall not be applied to families transitioning from CalWORKs to Tribal TANF; conversely, Tribal TANF sanctions will not be applied to families opting to receive CalWORKs.
- i. All Tribal TANF and MCDSS field offices will have Tribal TANF liaisons to resolve issues that arise in administering the program.
- j. Both agencies will allow reciprocal outreach programs. MCDSS staff may conduct CalFresh and Medi-Cal outreach activities in the Tribal TANF office; conversely, NFRMIC staff may conduct Tribal TANF outreach in MCDSS offices.

Health Insurance Portability & Accountability Act (HIPAA) Certification

WHEREAS, Sections 261 through 264 of the federal Health Insurance Portability and Accountability Act of 1996, Public Law 104-191, known as “the Administrative Simplification provisions,” direct the Department of Health and Human Services to develop standards to protect the security, confidentiality and integrity of health information; and

WHEREAS, pursuant to the Administrative Simplification provisions, the Secretary of Health and Human Services has issued regulations modifying 45 CFR Parts 160 and 164 (the “HIPAA Privacy Rule”); and

WHEREAS, NFRMIC and COUNTY have entered into an Agreement (“the Agreement”) to which this Certification is an attachment whereby NFRMIC will provide certain services to COUNTY ; and

WHEREAS, NFRMIC may have access to Protected Health Information (as defined below) in fulfilling its responsibilities under the underlying Agreement.

THEREFORE, in consideration of the Parties’ continuing obligations under the Agreement, compliance with the HIPAA Privacy Rule, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, NFRMIC agrees to the provisions of this Certification and of the HIPAA Privacy Rule and to protect the interests of COUNTY.

I. DEFINITIONS

Except as otherwise defined herein, any and all capitalized terms in this Section shall have the definitions set forth in the HIPAA Privacy Rule. In the event of an inconsistency between the provisions of this Certification and mandatory provisions of the HIPAA Privacy Rule, as amended, the HIPAA Privacy Rule shall control. Where provisions of this Certification are different than those mandated in the HIPAA Privacy Rule, but are nonetheless permitted by the HIPAA Privacy Rule, the provisions of this Certification shall control.

The term “Protected Health Information” means individually identifiable health information including, without limitation, all information, data, documentation, and materials, including without limitation, demographic, medical and financial information, that relates to the past, present, or future physical or mental health or condition of an individual; the provision of health care to an individual; or the past, present, or future payment for the provision of health care to an individual; and that identifies the individual or with respect to which there is a reasonable basis to believe the information can be used to identify the individual.

NFRMIC acknowledges and agrees that all Protected Health Information that is created or received by COUNTY and disclosed or made available in any form, including paper record, oral communication, audio recording, and electronic display by COUNTY, or its operating units, to NFRMIC or is created or received by NFRMIC on COUNTY’s behalf shall be subject to this Certification.

II. CONFIDENTIALITY REQUIREMENTS

- (a) NFRMIC agrees:
- (i) to use or disclose any Protected Health Information solely: (1) for meeting its obligations as set forth in any agreements between the Parties evidencing their business relationship or (2) as required by applicable law, rule or regulation, or by accrediting or credentialing organization to whom COUNTY is required to disclose such information, or as otherwise permitted under this Certification, or the underlying Agreement, (if consistent with this Certification and the HIPAA Privacy Rule), or the HIPAA Privacy Rule, and (3) as would be permitted by the HIPAA Privacy Rule if such use or disclosure were made by COUNTY; and
 - (ii) at termination of the Agreement, (or any similar documentation of the business relationship of the Parties), or upon request of COUNTY, whichever occurs first, if feasible NFRMIC will return or destroy all Protected Health Information received from or created or received by NFRMIC on behalf of COUNTY that NFRMIC still maintains in any form, and retain no copies of such information, or if such return or destruction is not feasible, NFRMIC will extend the protections of this Agreement to the information and limit further uses and disclosures to those purposes that make the return or destruction of the information not feasible; and
 - (iii) to ensure that its agents, including a subcontractor(s), to whom it provides Protected Health Information received from or created by NFRMIC on behalf of COUNTY, agrees to the same restrictions and conditions that apply to NFRMIC with respect to such information. In addition, NFRMIC agrees to take reasonable steps to ensure that its employees' actions or omissions do not cause NFRMIC to breach the terms of the Agreement.
- (b) Notwithstanding the prohibitions set forth in this Certification or the Agreement, NFRMIC may use and disclose Protected Health Information as follows:
- (i) if necessary, for the proper management and administration of NFRMIC or to carry out the legal responsibilities of NFRMIC, provided that as to any such disclosure, the following requirements are met:
 - (A) the disclosure is required by law; or
 - (B) NFRMIC obtains reasonable assurances from the person to whom the information is disclosed that it will be held confidentially and used or further disclosed only as required by law, or for the purpose for which it was disclosed to the person, and the person notifies NFRMIC of any instances of which it is aware in which the confidentiality of the information has been breached;
 - (ii) for data aggregation services, if to be provided by NFRMIC for the health care operations of COUNTY pursuant to any agreements between the Parties evidencing their business relationship. For purposes of this Certification and the Agreement, data aggregation services means the combining of Protected Health Information by NFRMIC with the protected health information received by NFRMIC in its capacity as NFRMIC of another COUNTY, to permit data analyses that relate to the health care operations of the respective covered entities.

EXHIBIT A

- (c) NFRMIC will implement appropriate safeguards to prevent use or disclosure of Protected Health Information other than as permitted in this Certification. The Secretary of Health and Human Services shall have the right to audit NFRMIC's records and practices related to use and disclosure of Protected Health Information to ensure COUNTY's compliance with the terms of the HIPAA Privacy Rule. NFRMIC shall report to COUNTY any use or disclosure of Protected Health Information which is not in compliance with the terms of this Certification of which it becomes aware. In addition, NFRMIC agrees to mitigate, to the extent practicable, any harmful effect that is known to NFRMIC of a use or disclosure of Protected Health Information by NFRMIC in violation of the requirements of this Certification or the Agreement.

III. AVAILABILITY OF PHI

NFRMIC agrees to make available Protected Health Information to the extent and in the manner required by Section 164.524 of the HIPAA Privacy Rule. NFRMIC agrees to make Protected Health Information available for amendment and incorporate any amendments to Protected Health Information in accordance with the requirements of Section 164.526 of the HIPAA Privacy Rule. In addition, NFRMIC agrees to make Protected Health Information available for purposes of accounting of disclosures, as required by Section 164.528 of the HIPAA Privacy Rule.

IV. TERMINATION

Notwithstanding anything in this Certification or the Agreement to the contrary, COUNTY shall have the right to terminate the Agreement immediately if COUNTY determines that NFRMIC has violated any material term of this Certification and/or the Agreement. If COUNTY reasonably believes that NFRMIC will violate a material term of this Certification and/or the Agreement and, where practicable, COUNTY gives written notice to NFRMIC of such belief within a reasonable time after forming such belief, and NFRMIC fails to provide adequate written assurances to COUNTY that it will not breach the cited term of this Certification and/or the Agreement within a reasonable period of time given the specific circumstances, but in any event, before the threatened breach is to occur, then COUNTY shall have the right to terminate the Agreement immediately.

V. MISCELLANEOUS

Except as expressly stated herein or the HIPAA Privacy Rule, the parties to the Agreement do not intend to create any rights in any third parties. The obligations of NFRMIC under this Section shall survive the expiration, termination, or cancellation of this Certification and/or the Agreement, and/or the business relationship of the parties, and shall continue to bind NFRMIC, its agents, employees, contractors, successors, and assigns as set forth herein.

The parties agree that, in the event that any documentation of the arrangement pursuant to which NFRMIC provides services to COUNTY contains provisions relating to the use or disclosure of Protected Health Information which are more restrictive than the provisions of this Certification or the Agreement, the provisions of the more restrictive documentation will control. The provisions of this Certification and

EXHIBIT A

the Agreement are intended to establish the minimum requirements regarding NFRMIC's use and disclosure of Protected Health Information.

In the event that either party believes in good faith that any provision of this Certification and/or the Agreement fails to comply with the then current requirements of the HIPAA Privacy Rule, such party shall notify the other party in writing. For a period of up to thirty (30) days, the parties shall address in good faith such concern and amend the terms of this Certification and/or the Agreement, if necessary to bring it into compliance. If, after such thirty-day period, the Certification and/or the Agreement fails to comply with the HIPAA Privacy Rule, then either party has the right to terminate upon written notice to the other party.
