ORDINANCE NO. _____

AN ORDINANCE OF THE COUNTY OF MONTEREY, STATE OF CALIFORNIA, AMENDING CHAPTER 7.90 OF THE MONTEREY COUNTY CODE RELATING TO COMMERCIAL CANNABIS ACTIVITIES

County Counsel Summary

This ordinance amends Chapter 7.90 of the Monterey County Code to add commercial adult-use cannabis activities to the County's current commercial medical cannabis permit regulatory structure and to regulate the operation of commercial adult-use cannabis activities in a manner that is consistent with state law. The existing Chapter 7.90 established regulations for medical cannabis. This ordinance amends Chapter 7.90 to create a single permitting structure for medical and adult-use commercial cannabis activities, consistent with recent changes in state law. This ordinance requires all commercial cannabis operations to obtain an annual permit to conduct commercial cannabis activities, including cultivation, manufacturing, processing, storing, laboratory testing, packaging, labeling, transporting, distributing, delivery, and sale. This permit will be required in addition to any required land use entitlements. The commercial cannabis permit will cover only the permittee identified on the permit with respect to the premises identified on the permit and will not run with the land, and it will require the permittee to meet specified operating requirements including requirements relating to safety, security, waste disposal, storage of pesticides, and packaging and labeling. The ordinance also contains provisions for enforcement.

The Board of Supervisors of the County of Monterey ordains as follows:

A. Pursuant to Article XI, section 7 of the California Constitution, the County of Monterey may adopt and enforce ordinances and regulations not in conflict with general laws to protect and promote the public health, safety, and welfare of its citizens.

B. The federal Controlled Substances Act (21 U.S.C. §§ 801, *et seq.*) prohibits, except for certain research purposes, the possession, distribution, and manufacture of cannabis, and there is no medical necessity exception to prosecution and conviction under the Controlled Substances Act.

C. The federal government has issued guidelines for states and local governments that have enacted laws authorizing cannabis related conduct, requiring them to implement strong and effective regulatory and enforcement systems that will address the threat that cannabis activity could pose to public safety, public health, and other law enforcement interests.

D. On November 5, 1996, California voters approved Proposition 215, the Compassionate Use Act of 1996 (Health & Safety Code § 11362.5, “CUA”), an initiative that exempted certain patients and their primary caregivers from criminal liability under state law for the possession and cultivation of cannabis for medical purposes. One of the stated purposes of the CUA is to ensure that seriously ill Californians have the right to obtain and use cannabis for medical purposes where that medical use has been recommended by a physician.

E. On January 1, 2004, Senate Bill 420, the Medical Marijuana Program Act (Health & Safety Code §§ 11362.7-11362.83, “MMP”), became law to clarify the scope of the CUA and to facilitate the prompt identification of qualified patients and their primary caregivers.

F. On October 9, 2015, the State enacted the Medical Marijuana Regulation and Safety Act (former Business & Professions Code §§ 19300, *et seq.*, “MMRSA”). MMRSA created a state licensing program for commercial medical cannabis activities.

G. On July 12, 2016, the Monterey County Board of Supervisors adopted inland zoning regulations establishing criteria for issuing local land use permits pursuant to the MMRSA (Ordinance Number 5270, amending sections of Title 21 and adding Chapter 21.67 to the Monterey County Code), and on July 19, 2016 the Monterey County Board of Supervisors adopted regulations establishing criteria for issuing local business permits pursuant to the MMRSA (Ordinance Numbers 5272 and 5273, codified at Monterey County Code Chapters 7.90 and 7.95). These ordinances were to become operative only if the Board of Supervisors submitted a County tax on commercial medical cannabis activities to the voters, the voters approved the tax, and the tax was certified by the County pursuant to Section 15372 of the

California Elections Code. On November 8, 2016, the voters approved the tax (Measure Y, codified at Monterey County Code Chapter 7.100). On December 13, 2016, the tax was certified pursuant to Section 15372 of the Elections Code and Ordinance Numbers 5270, 5272, and 5273 became operative. Chapter 21.67 provided a one year amortization period for commercial medical cannabis activities that were legally established prior to August 12, 2016 to obtain all required County permits, licenses, and entitlements, or to terminate their operations. This one year amortization period ended on August 12, 2017.

H. On November 8, 2016, by statewide initiative, the voters enacted the Adult Use of Marijuana Act (“AUMA”). AUMA created a state licensing program for commercial adult-use cannabis activities.

I. On June 27, 2017, the State enacted the Medicinal and Adult-Use of Cannabis Regulatory and Safety Act (Business & Professions Code §§ 26000, *et seq.*, “MAUCRSA”), which combined MMRSA and AUMA into a single state licensing scheme for both medicinal and adult-use cannabis. MAUCRSA allows counties and cities to maintain local regulatory authority over commercial cannabis activities. The state will not issue a state license without first receiving authorization from the applicable local jurisdiction.

J. It is the purpose and intent of this Chapter to accommodate the health needs of medical cannabis patients and to establish a local regulatory system for both medical and adult use cannabis uses consistent with state law.

K. It is the intent of the County of Monterey to have a strong and effective regulatory and enforcement system with regard to cannabis that addresses threats to public safety, health and other law enforcement interests through robust controls and procedures that are effective in practice, and that comply with state law and federal guidelines.

L. This draft ordinance provides regulations for the local permitting of commercial cannabis operations under specified conditions in the unincorporated areas of the County.

M. This ordinance, together with the ordinances adding Chapter 20.67, if certified by the California Coastal Commission, to the Monterey County Code and amending Chapter 21.67 of the Monterey County Code requiring necessary land use entitlements for all commercial cannabis operations, are intended to establish criteria for issuing local permits pursuant to the MAUCRSA and to establish an effective regulatory and enforcement system consistent with the guidance issued by the United States Department of Justice.
