The CARLUCCI KAREE ANNE extension application (PLN200306-EXT1) came on for consideration by the County of Monterey Chief of Planning on February 5, 2025. Having considered all the written and documentary evidence, the Chief of Planning finds and decides as follows:

RECITALS

WHEREAS, on September 9, 2021, a Combined Development Permit was approved by the County of Monterey Zoning Administrator through Resolution No. 21-035. The approved Combined Development Permit consisted of an Administrative Permit and Design Approval to allow the construction of a 1,115 square foot two-story single family dwelling with a 334 square foot attached garage and a Use Permit to allow development on slopes greater than 25 percent. In accordance with the resolution, this entitlement is set to expire on September 9, 2024; and

WHEREAS, the applicant submitted a written request on July 16, 2024, more than thirty (30) days prior to the expiration of the Combined Development Permit pursuant to Monterey County Code (MCC) section 21.76.110. The written request for a three-year extension was filed by the

permit holder, Karee Carlucci. The extension is requested because the applicant is experiencing financial constraints which will delay construction for up to three years; and

WHEREAS, this extension does not change the previously approved Combined Development Permit and all findings previously made in Zoning Administrator Resolution No. 21-035 continue to apply to this extension; and

WHEREAS, condition compliance applied in Resolution No. 21-035 continues to apply except that this extension modifies the expiration date of the Combined Development Permit from September 9, 2024 to September 9, 2027; and

WHEREAS, Monterey County HCD-Planning and HCD-Building Services records were reviewed, and the County is not aware of any violations existing on the subject property; and

WHEREAS, the project was deemed Categorically Exempt from environmental review pursuant to California Environmental Quality Act (CEQA) Guidelines Section 15303(a) and there were no exceptions under CEQA Guidelines Section 15300.2. Section 15303(a) Categorically Exempts construction of the first single family dwelling. Therefore, the Zoning Administrator found the project consistent with CEQA Guidelines Section 15303 and that none of the exceptions under CEQA Guidelines Section 15300.2 applied to this project. There are no changes included in this extension and the conditions on the ground have not changed since the original approval. Therefore, this extension to the Combined Development Permit is also Categorically Exempt pursuant to Section 15303 of the CEQA Guidelines; and

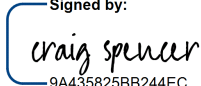

WHEREAS, pursuant to MCC Section 21.80.040.A, the discretionary decision of the Chief of Planning is appealable to the Planning Commission. The decision of the Planning Commission would be final and may not be appealed.

DECISION

NOW, THEREFORE BE IT RESOLVED, based on the above recitals, the County of Monterey Chief of Planning does hereby:

- 1) Find that the project qualifies for a Class 3 Categorical Exemption pursuant to the California Environmental Quality Act (CEQA) Guidelines as an extension of a permit, without changes, that was previously found to qualify for a Class 3 exemption; and
- 2) Approve a three-year extension to the expiration date of a previously-approved Combined Development Permit (Zoning Administrator Resolution No. 21-035, HCD-Planning File No. PLN200306) consisting of:
 - a. Administrative Permit and Design Approval to allow the construction of a 1,115 square foot two-story single family dwelling with a 334 square foot attached garage; and
 - b. Use Permit to allow development on slopes in excess of 25 percent.
