SUMMARY/DISCUSSION:

The Agreement with Community Human Services for the County's Commercially Sexually Exploited Children (CSEC) Program will provide advocacy services for identified minor victims of Commercial Sexual Exploitation (CSE) and Sex Trafficking who are also dependents of the Child Welfare Department in Monterey County. In addition, through this agreement, Community Human Services will provide CSE Screenings through their Safe Place Program, in order to identify youth who are victims of, or are at risk of becoming victims of commercial sexual exploitation or trafficking. Community Human Services will also conduct community awareness outreach throughout the year and will host one community awareness event during each Human Trafficking Awareness Month (January).

Since its inception in 2015, the Department of Social Services (DSS) has identified between 80-100 minor children who have been victimized by sex trafficking and/or exploitation. Through its partnership with Community Human Services, the DSS will continue to raise awareness and education throughout the community and increase the number of children who can be identified and served through this program.

OTHER AGENCY INVOLVEMENT:

The Auditor-Controller and Purchasing have reviewed and approved this agreement. County Counsel has approved the agreement as to form.

FINANCING:

This agreement is fully funded by CSEC Program funds from California Department of Social Services (CDSS). Sufficient appropriations and estimated revenues are included in SOC005 in the FY 2019-20 Requested Budget. FY 2020-21 costs will be included in the corresponding budget request.
