99	Please provide 3 months of detailed Trust Fund transaction history for all inmates or provide the information below: <ul style="list-style-type: none"> - Average number of Trust Fund deposits per month - Average amount of total dollars deposited per month 	30 commissary deposits \$35,000

100	<p>As mentioned in the pre-bid meeting, we would like to clearly understand how Monterey county would like to see the revenue focus of an offer where one vendor combines commissary and food service. To assist with this question, please consider the following example:</p> <ul style="list-style-type: none"> ○ <i>A 1,000-bed facility evaluates a commissary proposal offering 25% commission on 1mil. annual commissionable sales equaling a net 250K of annual commissary revenue.</i> ○ <i>The same facility evaluates a separate proposal for food service at a price per meal of \$2.00 resulting in a cost to the county of \$2.19mil.</i> <p>The county knows the pricing of many combined food service and commissary contracts have been structured in a manner that would allocate value from the separate services in one specific direction. Again, in considering the above example:</p> <ol style="list-style-type: none"> a. County may choose to split the total commissary commission amount leaving 10% 100K in place and then applies the remaining 15%, 150K towards subsidization of the price per meal down, to \$1.863 or \$2.04mil. b. The county may choose to let food pricing remain whole and maximize commissary commission so retains the whole 250K in the commissary fund. c. County may choose to fix commissary commission amount at __% and instead instructs the vendor to reduce the retail inmate pricing on the commissary items by a percentage (or sometimes all) of the commission dollars. d. County requires vendors bid completely stand alone offers for each service and evaluates the offers against the county's best interests. A verbal award is made to the vendor(s) with the highest score, and the county then enters into contract negotiations at which point, the county can objectively evaluate known revenue and determine how it prefers to allocate. <p>Please note, (as also stated in the pre-bid meeting) we have seen all of these scenarios played out and while we are not advocating for any particular one, we just need to understand how the county would like to proceed?</p>	Please see revised RFP

Question	Question	County of Monterey Response
1	The ACA standards state that 2 of the meals served shall be hot, per B.2.1 – Dinner is always a hot meal, breakfast and lunch can both be cold. Does the County intend to continue to serve 2 cold meals per day or will either the breakfast or lunch now be required to be hot in order to comply with the ACA standards?	Breakfast and lunch will be cold meals - Two (2) cold meals per day
2	Are the vendors required this time to complete a hard copy submission and an optional electronic submission, or can it be just an electronic submission like the first RFP stated?	Vendors may respond in accordance with sections 8.2.1-8.2.5 or 8.2.6 (8.2.6.1)
3	Please confirm that the Security Bond requirement has been eliminated from the REVISED RFP	Yes, the security bond has been removed.
4	How many debit release workstations will the county require	Unknown at this time since we do not currently have a debit release workstation, you can submit via your proposal
5	Does the county currently utilize debit release cards upon release of all inmates? If yes, who is the provider and what are the fees associated to this	Not at this time
6	Please provide the current transaction fees for all deposit types (cash, credit) and methods (walk up kiosks, phone and web)	Cash/kiosk - \$5.00 per transaction
7	Based on section C.5.2.3 on page 43 of the bid document, is the county asking for phone order entry to be available along with scan forms AND tablet ordering	Yes
