SUMMARY:

On November 5, 2013 the Board of Supervisors approved the Vardell Final Map Amendment (PLN130466) subject to six (6) conditions of approval. Resolution No. 13-340 reflects the applicant's agreement to amend the Conservation and Scenic Easement (Condition No. 5) and to record an Amended Final Map (Condition No. 6) delineating the new homeland site, all

existing and required easements or right-of-way and monument new lines on Lot 65 to adjust the homeland boundary pursuant to a private settlement agreement between the property owner (the Vardell Living Trust), the Santa Lucia Preserve Association (SLPA), and the Santa Lucia Conservancy (Conservancy). The attached Amended Conservation Scenic Easement Deed shows **Attachment A** the amended easement on the property, along with a metes and bounds description. The amended Final Map is attached as **Attachment B**.

DISCUSSION:

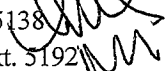

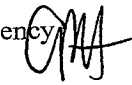

The Board of Supervisors Resolution No. 13-340 included six (6) conditions of approval. Condition No. 5 requires Conservation and Scenic Easement Amendment to accurately depict the new Homeland and Openlands boundaries, consistent with the terms of Condition No. 109 of the Conditions of Approval of the original subdivision (Board of Supervisors Resolution Nos. 96-060, 96-061, and 97-360). Condition No. 109 required that conservation easements over the Openlands areas of each phase of the approved project be granted to the Santa Lucia Conservancy or other appropriate non-profit land trust organization. Such conservation easements restrict the permitted uses of the Openlands in perpetuity and grant to the County of Monterey the non-exclusive right to enforce said restrictive use covenants. Condition No. 6 requires filing of an Amended Final Map delineating the new homeland boundary, all existing and required easements or right-of-way and requires monumenting of new lines on Lot 65 to adjust the Homeland boundary pursuant to a private settlement agreement among the property owner (the Vardell Living Trust), the Santa Lucia Preserve Association (SLPA), and the Santa Lucia Conservancy (Conservancy).
