SCOPE OF WORK

A. NAME OF PROGRAM

This program shall be known as "HAVA Section 301 Voting Systems Program and Certification of HAVA Title III Compliance."

B. PURPOSE OF AGREEMENT

The purpose of this Agreement is to provide the County of **Monterey** (County) with federal funds (HAVA funds), CFDA Number 90.401, administered by the U.S. Elections Administration Commission (EAC) to assist the County in, or reimburse the County for, complying with the requirements of Section 301 of the Help America Vote Act of 2002 (P.L. 107-252) (HAVA), subject to the provisions of Agreement and all requirements of state and federal law, regulations and procedures. Section 301(a) of HAVA requires that each voting system used in a federal election on or after January 1, 2006 must:

1. Permit the voter to verify privately and independently the votes selected before casting a ballot and must permit the voter privately and independently to change or correct a ballot before it is cast (known as 'second chance' voting), including receiving a replacement ballot;
2. Notify the voter of "overvotes," i.e., if the voter has selected more candidates than permitted, before the ballot is cast, and the consequences of "overvoting." Paper ballot voting systems, such as central-count, optical scan and vote-by-mail systems, may comply by means of a voter education program;
3. Produce a permanent paper record with a manual audit capacity for such system;
4. Be accessible to voters with disabilities, including voters with visual impairment, in a manner that provides the same opportunity for access and participation, including privacy and independence, as for other voters. This requirement can be met by providing at least one direct recording electronic (DRE) voting unit, or other voting device equipped for individuals with disabilities, at each polling place. In addition to HAVA, pursuant to *California Elections Code* section 19250, (Statutes of 2004, Chapter 814 [SB 1438]), all DREs must, beginning January 1, 2006, include an accessible, voter-verifiable paper audit trail (AVVPAT). If the DRE does not already include an AVVPAT, the voting system must be replaced or modified to include an AVVPAT; and
5. Meet all of the requirements of alternative language access pursuant to the Voting Rights Act of 1965, as amended.

The provisions of this Agreement are to be interpreted to further this purpose and County compliance with the mandates of HAVA Section 301.

C. PROJECT CONTACTS

The program representatives during the term of Agreement will be:

- a. For County: **Claudio Valenzuela (831) 796-1499**
- b. For State: **Kathryn Chaney (916) 695-1657**

EXHIBIT A
(Standard Agreement)

D. USE OF FUNDS

Any HAVA funds received pursuant to this program shall be used by County only for one or more of the following purposes:

1. For the lease or purchase of California state approved voting systems, or components of voting systems, that are accessible for individuals with disabilities (DREs or other accessible units), including vendor delivery, installation and related training costs. For purposes of this subparagraph, "voting systems, or components of voting systems, that are accessible for individuals with disabilities," means systems that comply with HAVA, subsections 301(a)(1)(A)(i) and (ii) and 301(a)(3)(A);
2. For the lease or purchase of California state approved voting systems or voting system components, including DRE voting systems or DRE voting system components that provide for the presentation of ballots in languages other than English. This item shall include voting systems or voting system components provided that: 1) the voting systems or voting system components were approved for use in California at the time they were leased or purchased; and 2) they include an accessible, voter-verifiable paper audit trail (AVVPAT), as required by *California Elections Code* Section 19250, (Statutes of 2004, Chapter 814 [SB 1438]);
3. For the lease or purchase of California state approved voting systems or voting system components that provide for "second chance" voting by notifying voters of overvotes, undervotes, or other potential errors prior to the voters casting ballots and giving the voters the opportunity to correct the potential errors before the ballots are cast and counted;
4. The lease or purchase of voting system components and/or the cost of voting system modifications necessary to allow a voting system with a voter-verified paper audit trail (VVPAT) to be accessible to individuals with disabilities or for the presentation of VVPAT in languages other than English.
5. Pursuant to Section 251(c)(1) of HAVA, for reimbursement of costs incurred by the County, and not otherwise reimbursed pursuant to Proposition 41 or any other state or federal program, in obtaining voting equipment which meets the requirements of Section 301 of HAVA.
6. The reasonable cost of transportation for delivery to the county of any of the voting systems or voting system components described above, provided that the voting systems or voting system components are leased, purchased or acquired during the period of Agreement;
7. The reasonable cost of voter education with respect to use of the voting systems or voting system components described above and other HAVA requirements directly related to the process of voter registration and casting or counting votes, including provisional voting rights and information to voters about casting 'overvotes,' that are implemented as a part of the statewide federal elections when introducing a new voting system for use in this county. This voter education program is reimbursable only for the first federal election cycle in which this equipment is used in this county.
8. The reasonable cost of election official/poll worker training with respect to use of the voting systems or voting system components described above and other HAVA requirements directly related to the process of voter registration and casting or counting votes, including provisional voting rights and information to voters about casting 'overvotes,' that are implemented as a part of the statewide federal elections when introducing a new voting system for use in this county. This election official/poll worker training program is

- reimbursable only for the first federal election cycle in which this equipment is used in this county.
9. The reasonable cost of salaries, wages, and benefits for staff, consultants or contractors necessary to lease, purchase, acquire and deploy eligible voting systems or voting system components described above, including chain of custody requirements.
 10. The reasonable cost of storage and warehousing, cell phones, forklifts, and/or retrofitting a voting system with an accessible voter-verified paper audit trail, up to a maximum of \$118,407.82, which represents the remaining balance of the County's proportionate share of a minimum requirements payment calculated pursuant to HAVA Section 252 (c) that may be used by a county in accordance with HAVA Section 251 (b)(2)(B) and in accordance with advice provided by the federal Election Assistance Commission, the federal authorizing agency for the HAVA, that such is an allowable expense pursuant to HAVA Section 251 (b)(2)(B).
 11. The reasonable cost of absentee voting system equipment upgrades and the reasonable cost of services, training and initial implementation of any new absentee voting system process or procedural changes that improve the effectiveness and efficiency of the absentee voting process for voters and elections officials. Such costs are reimbursable only to the extent that expenditures for absentee voting system upgrades are in accordance with the voting system requirements of Section 301, including, Section 301 (a), which requires, in part, that at least one voting unit per polling place is accessible to disabled voters and Sections 301 (a)(1)(A) and 301 (c), allowing for the use of paper-based voting systems under specified conditions.
 12. Upon the Secretary of State certifying in writing compliance with HAVA Title III to the United States Election Administration Commission, the County may use any remaining funds for the "improvement of the administration of elections" in accordance with HAVA Section 251 (b)(2)(A).
- E. Notwithstanding any provision of this Agreement, including Paragraph D of Scope of Work, County shall not submit any claim for payment or reimbursement and shall not be entitled to receive payment or reimbursement from State of HAVA funds for:

(Standard Agreement)

ADDITIONAL PROVISIONS

1. Secretary of State Policy Regarding Political Activity in the Workplace

SECRETARY OF STATE POLICY REGARDING POLITICAL ACTIVITY IN THE WORKPLACE

The Secretary of State is the state's chief elections officer. It is, therefore, imperative that staff in the Secretary of State's Office, and those who contract with the Secretary of State's Office, refrain from engaging in any political activity that might call into question the office's impartiality with respect to handling election issues. Accordingly, the policy of the Secretary of State's Office with respect to political activity in the workplace, a copy of which will be given to every employee in the Secretary of State's office and incorporated as an attachment to contracts with the Secretary of State's Office, is as follows:

1. No employee of or contractor with the Secretary of State's Office shall engage in political campaign-related activities on state-compensated or federal-compensated time, except as required by official duties, such as answering inquiries from the public. In those cases where the contractor with the Secretary of State's Office is a county, the term "contractor" shall apply only to county elections office employees, county employees redirected to work temporarily for the county elections office, or any person, firm, company or business that provides reimbursable election-related services to a county elections office in furtherance of a contract. This prohibition shall not apply while an employee is on approved vacation or approved annual leave. This prohibition shall not apply to activities engaged in during the personal time of an employee.
2. No employee of or contractor with the Secretary of State's Office shall use any state property in connection with political campaign activities. It is strictly prohibited to schedule political campaign-related meetings or to conduct political campaign-related meetings in state office space, even if after normal working hours.
3. No employee of or contractor with the Secretary of State's Office shall use his or her official status with the Secretary of State's Office to influence political campaign-related activities or to confer support for or indicate opposition to a candidate or measure at any level of government.
4. No employee of or contractor with the Secretary of State's Office may be involved with political campaign-related telephone calls, letters, meetings or other political campaign-related activities on state-compensated or federal-compensated time. Requests by employees to switch to alternative work schedules, such as 4-10-40 or 9-8-80 work weeks, or to take vacation in order to accommodate political campaign-related activities or to attend political campaign functions, will be judged in the same manner and on the same basis as any other requests of this nature (i.e., existing needs of the office and discretion of the division chiefs).
5. The receipt or delivery of political campaign contributions or photocopies thereof on state property is strictly prohibited, as is the use of office time or state resources (e.g., intra-office mail or fax machines) to solicit or transmit political campaign contributions.
6. No employee of or contractor with the Secretary of State's Office may authorize any person to use his or her affiliation with the Secretary of State's Office in an attempt to suggest that the employee's or contractor's support or opposition to a nomination or an election for office or a ballot measure is of an "official," as distinguished from private, character.

EXHIBIT E
(Standard Agreement)

7. No employee of or contractor with the Secretary of State's Office may display political campaign-related buttons, posters, or similar materials in areas visible to individuals who are in public areas of the Secretary of State's Office; nor may an employee of or contractor with the Secretary of State's Office display political campaign-related posters or other materials on windows facing out of the state office building.
8. No employee of or contractor with the Secretary of State's Office may use official authority or influence for the purpose of interfering with or attempting to affect the results of an election or a nomination for any public office.
9. No employee of or contractor with the Secretary of State's Office may directly or indirectly coerce or solicit contributions from subordinates in support of or in opposition to an election or nomination for office or a ballot measure.
10. An employee who is paid either partially or fully with federal funds, including the Help America Vote Act of 2002 (HAVA), is subject to the provisions of the federal Hatch Act, and is, therefore, prohibited from being a candidate for public office in a partisan election, as defined in the federal Hatch Act. However, any employee who is to be paid either partially or fully with funds pursuant to HAVA, shall first be consulted about the proposed funding and be informed about the prohibitions of the federal Hatch Act. The employee, whenever possible, shall be given the opportunity to engage in employment that does not involve HAVA funding.
11. Provisions limiting participation in political campaign-related activities as provided for in this policy statement shall be included in every contract with the Secretary of State's Office.

If you have questions concerning these restrictions, please refer them to the Secretary of State Office contact person listed on the contract in Exhibit A.
