3	2017.20	11/19/19	Alejo	PWFP		Ishii	1/28/20	Lease agreement between the City of Salinas and the County of Monterey regarding County's parcel adjacent 855 East Laurel Drive in Salinas for the implementation of a BMX Bike Track, new Skate Park, and sidewalk on East Laurel Drive in Salinas.	An initial referral was initiated on September 15, 2017. On September 1, 2017, Supervisor Alejo held a meeting with the City of Salinas, County RMA staff, and a BMX bike park and skate park engineers/designers to review the property. County Staff conferred with City Staff relative to the City's update of their Parks Master Plan. RMA has also been coordinating with City staff regarding sidewalks on County-owned lands along East Laurel Drive adjacent to this property (between Sanborn Road and Constitution Boulevard). The referral was closed on May 7, 2019 for staff to pursue efforts for a Shelter at 855 E. Laurel. RMA is preparing to bring a master planning effort for use of County lands, specifically lands at Natividad/Laurel in Salinas. This matter is reinstated for reconsideration. Public comment on this item was received on January 14, 2020. Item was pulled from the June 16, 2020, Board meeting agenda and is on hold pending identification of funding. 5	2018.16	6/26/2018	Alejo	County Counsel/Auditor-Controller		Girard/Shah	8/28/2018	Update County Travel Policy by County Counsel in coordination with the Auditor-Controller's Office.	<p>Monterey County's travel policy managed by the Auditor-Controller has not been updated in many years and today, it does not compare with current market prices or organizational procedures and may exceed legal requirements. The current policy creates barriers for county staff to be able to effectively represent county business at conferences, trainings or in litigation. This policy also conflicts with another travel policy found in the Personnel Policies and Practices Resolution (PPPR). This referral seeks to update the policies to account for inconsistencies, business needs, efficiency, market prices, whether government rates are available or whether the discounted lodging rooms were secured by conference organizers, such as the California State Association of Counties. This lack in clarity in the existing policy is costing unnecessary staff time and an update would modernize our policy with current standards. The new policy should meet Federal and State law while supporting business efficiency.</p> <p>A revised policy was presented to the Board on November 6, 2018. An updated memo was submitted to the Board. A revised policy will be presented to the Board in December 2021.</p>	Pending
6	2018.28	12/4/2018	Phillips	HCD		Lundquist	12/11/2018	Affordable Housing in the Coastal Zone	Amend County LCP to be consistent with the Coastal Act regarding affordable housing, authorize staff to investigate processes and provide language revision recommendations to the Local Coastal Plan. A presentation was provided to the Board on January 15, 2019. HCD plans to couple this work with the 6th Housing Element to be completed by December 2023. In the interim, staff considers the integration of affordable housing policies in the coastal zones when the opportunities exist (e.g., update to the Big Sur Land Use Plan)	Pending
7	2019.08	9/10/2019	Alejo	PWFP/GLA		Ishii/Chiuolos	12/10/2019	State Funding for the Historic Old Monterey County Jail	A presentation of options for the disposition of the Old Jail was provided on September 10, 2019. The Board identified specific options and authorized Supervisor Alejo to pursue state funding match (\$10M) in the 2020 budget, which will be determined by June 2020. Meanwhile, RMA has coordinated with City staff on their Lincoln Avenue Corridor Master Plan efforts that includes an option for potential reuse of the old jail site. Due to the pandemic the Legislature did not entertain specific budget requests, such as that for the Old Jail. This item is now on hold until the State Budget situation improves. A status update will be provided to the Board in February 2022.	Postponed
8	2019.11	10/8/2019	Adams	Health/Environmental Health/Co Cou		Jimenez/Encarnacion/Strimling	11/19/2019	Establish an Ordinance restricting the use of single-use plastics	Due to the ongoing Shelter In Place order, the development of this ordinance remains delayed. Many of the stakeholder entities have been severely impacted by the SIP (the restaurant and hotel industry particularly) and EH recommends their participation in the development of this ordinance once SIP conditions are lifted or allow business activities to resume at a higher level of production.	Postponed
9	2020.06	1/28/2020	Askew	PWFP		Ishii	3/10/2020	Install speed limit signs on West Camp/Watkins Gate Roads	Staff presented to the Board on March 9, 2021, and the Board approved an update to Title 12 to apply the California Vehicle Code to private East Garrison roads. Staff met with the East Garrison CSD Advisory Committee's Traffic Safety Subcommittee on April 9, 2021 to discuss concerns and options along Watkins Gate Road. It was agreed to hold a follow-up field meeting with the subcommittee which occurred on June 10. The subcommittee will likely recommend to the East Garrison CSD Advisory Committee installation of several radar speed feedback signs on Watkins Gate and West Camp Roads. Staff provided estimated costs to the subcommittee, and will coordinate to place the item on the East Garrison Advisory CSD Committee for consideration. If ultimately approved by the Board, the signs will be implemented and monitored before any additional actions are pursued (if needed).	Pending

13	2020.25	9/15/2020	Alejo/Lopez	ITD		Chatham		Addressing Digital Divide in Salinas and Throughout Monterey County	This referral seeks to support collaborative efforts to address the digital divide in partnership with local school districts, cities, the County of Monterey, and community partners to address the digital divide for our local students and all other county residents, and to advocate for solutions at the state and federal level. The referral requests that the Board of Supervisors advocate at the Federal Communications Commission (FCC) so that broadband internet access is regulated once again as a utility that is necessary for all Californians' daily lives, and support legislation to reform existing state programs to expand internet access, generate needed revenue and make it easier for local governments to obtain funding to move local projects forward more expeditiously. The referral also requests that Monterey County formally request and sponsor legislation for a universal broadband bond to be placed on the 2022 election ballot to generate the billions needed to address the digital divide in California once and for all. On April 27, 2021, the Board approved an urgency ordinance creating a "no parking \$250 fine tow away" zone along portions of Scenic Drive in the unincorporated area in the Carmel Point area near the City of Carmel-by-the-Sea, and authorized the County Administrative Officer to enter into an agreement with the City of Carmel-by-the-Sea for its police department to enforce the regulation. PWFP staff has coordinated details of the parking enforcement approach with the Carmel Police Department and County Counsel prepared a draft agreement which was provided to the City for review. Insignificant progress has been made towards local authorizations for cannabis operators related to land use and building permits, which impacts the industry's ability to be considered for state annual licenses. Disparate departmental staff funded solely by cannabis revenue should report directly to the Cannabis Program Manager to expedite permit submittal and reporting efficiencies. This would serve to not only expedite current cannabis permitting, but would in-turn free up staff dedicated to cannabis to more quickly focus on other programs. A preliminary analysis was approved by the Board on August 24, 2021. The referring supervisor further requested that County Counsel look into the authority cited by the Agricultural Commissioner.	Pending
22	2021.13	7/27/2021	Phillips	Health/Co Co.		Jimenez/Encarnacion/Girard		Desalination Amendment to County Code 10.72	This referral seeks to expand entities allowed to own and operate desalination facilities to provide additional water supply while maintaining protections for health & welfare. Adequate water supply in Monterey County is inconsistent. Climate change is predicted to make water supply reliability erratic. In addition, sea water intrusion continues to negatively impact potable groundwater. Referral 2018.09 in 2018 requested review of County Code Section 10.72 to clarify its limits as well as to allow public-private partnership owned/operated desalination facilities. However, the amendment of 10.72 did not occur. This referral requests that 10.72 be amended to allow public-private partnerships, CPUC regulated utilities and entities who deliver desalinated water to a public entity, a municipal water supplier and/or a CPUC regulated utility. A preliminary analysis was submitted to the Board on August 31, 2021, at which time the Board directed staff to return to the Board on September 21 to either introduce an ordinance repealing Chapter 10.72, or, if not ready because of environmental analysis issues, report back on the process for an environmental analysis.
