SUMMARY/DISCUSSION:

County welfare programs in California are state-supervised, but county administered. Under this arrangement, the California Department of Social Services (CDSS) issues regulations to each county regarding how programs are to be administered. As part of this regulatory process, CDSS sets county standards for obtaining State and Federal reimbursement for costs incurred in administering mandated programs. The County Expense Claim (CEC) is the vehicle used by counties to obtain such reimbursement.

The time study process is the most common method for documenting activities and allocating the majority of administrative costs. Time studies/records are official documents used to record time worked by all staff to various functions and programs. Used by numerous counties across the state, Time Study Buddy™ is a web-based time study service developed specifically for the needs of counties to assist them in capturing the enormous amounts of data needed to accurately complete the CEC.

OTHER AGENCY INVOLVEMENT:

The Office of County Counsel has reviewed and approved the Agreements as to form, as has the Auditor-Controller's Office as to financial provisions.

FINANCING:

Funding is provided by Federal and State revenues and Realignment funds. Sufficient

appropriations and estimated revenues in the Social Services Fund 001-5010-SOC005 are included in the FY 2024-25 Requested Budget and anticipated for the life of the Agreement.
