Parcel No.: 129-083-031

## **AGREEMENT FOR PURCHASE OF REAL PROPERTY**

This Agreement for Purchase of Real Property is between the County of Monterey, a political subdivision of the State of California (GRANTEE), and The York F. Gin Family Partnership, A California Limited Partnership, (GRANTORS).

**The parties hereby agree as follows:**

### **1. PROPERTY:**

GRANTORS agree to sell, without warranty, express or implied and GRANTEE agrees to purchase certain land described in Exhibits "A" & "B" (attached and incorporated by this reference) being a portion of property in Monterey County located at the Northwest Corner of San Miguel Canyon Road and Castroville Boulevard, Salinas, CA 93907, California, further identified as APN 129-083-031 for use by GRANTEE for the Prunedale Roundabout Project (the Project Property). GRANTORS agree to grant a partial fee interest and temporary construction easement (TCE) on the terms and conditions set forth in this Agreement. The form of the Grant Deed is as depicted in Exhibit "A" and the TCE Deed is as depicted in Exhibit "B".

The parties to this contract shall, pursuant to Section 21.7(a) of Title 49, Code of Federal Regulations, comply with all elements of Title VI of the Civil Rights Act of 1964. This requirement under Title VI and the Code of Federal Regulations is to complete the USDOT-Non-Discrimination Assurance requiring compliance with Title VI of the Civil Rights Act of 1964, 49 C.F.R Section 50.3.

No person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity that is the subject of this contract.

### **2. DELIVERY OF DOCUMENTS:**

Concurrently with the execution of this Agreement, the Deeds shall be executed and delivered by the Grantors to Christian Hill, Right-of-Way Agent for Monument, acting on behalf of the Grantee, for placement into escrow. Before the Deeds can be placed into escrow, the purchase of the Project Property must be approved by the Monterey County Board of Supervisors. The Deeds will be delivered in this manner solely for the convenience of the parties. The Grantee will not be deemed to have accepted delivery of the Deeds until they are recorded in the Official Records of Monterey County, California, in accordance with written escrow instructions provided by both the Grantee and Grantors. ~~The Temporary Construction Easement Deed will not be recorded but is required for the Project.~~

3. This transaction shall be handled through an escrow with Chicago Title Company, 50 Winham Street, Salinas California 93901. Within five (5) days after this Agreement is executed by the Grantee and Grantors, the Grantors shall complete, execute, and deliver to the Escrow Holder: (i) an affidavit certifying that the Grantors are not "foreign persons" within the meaning of Internal Revenue Code Section 1445(f)(3) and meeting the requirements of Section 1445(b)(2); (ii) an original Withholding Exemption Certificate (California Form 590 or 590-RE, as applicable), fully executed as required by the California Taxation and Revenue Code, certifying that the Grantors are not subject to tax withholding under applicable California law; and (iii) register as a new vendor at the Monterey County website: <http://www.in.co.monterey.ca.us/cao/vendorinfo.htm>.

**4. PURCHASE PRICE AND TITLE:**

The purchase price for the Partial Fee Interest and Temporary Construction Easement is a **TWENTY-FIVE THOUSAND SIX HUNDRED DOLLARS (\$25,600.00)**. GRANTEE shall deliver the purchase price into escrow promptly after delivery of the Grant Deed into escrow. GRANTORS shall, by Grant Deed, grant to GRANTEE the Project Property, free and clear of tax liens that would render the property unsuitable for their intended purposes.

Escrow agent shall deliver the purchase price to GRANTORS, less GRANTOR'S share of prorated taxes, if any, and any amounts necessary to place title in the condition required by this Agreement, when title to the Project Property vests in GRANTEE free and clear of all tax liens. GRANTORS shall provide good, marketable title to the portion of the property, subject to the Permitted Exceptions (Monterey County will take title subject to all exceptions other than tax liens) showing the partial fee interest vested in Grantee, subject only to the Permitted Exceptions. GRANTEE shall pay all costs of escrow and recording fees incurred in this transaction.

**5. TEMPORARY CONSTRUCTION EASEMENT:**

A Temporary Construction Easement (TCE) is needed for the purpose of providing access for construction. Said temporary easement shall be for a period of thirty-six (36) months and will commence on the date of deposit of funds into escrow as documented Chicago Title Company, 50 Winham Street, Salinas California 93901. Permission is hereby granted to GRANTEE or its authorized agent to enter upon GRANTOR'S land where necessary within that certain area identified as a Temporary Construction Easement (TCE) for the purpose described above.

It is further agreed and understood between GRANTORS and GRANTEE that GRANTEE or GRANTEE'S contractor shall be authorized to enter GRANTOR'S remainder property for the purpose of removing and/or replacing any improvements noted in the appraisal of the property requiring replacement if applicable. Said improvements will be temporarily replaced during the period of construction to retain the nature of the property and will be replaced in "Like Kind" by GRANTEE'S contractor at no expense to GRANTORS following construction of the project. GRANTEE shall restore the TCE area to the condition that existed prior to GRANTEE's project construction.

**6. PRORATION OF TAXES:**

GRANTORS authorize GRANTEE to deduct from the purchase price any amount necessary to satisfy any delinquent taxes, together with penalties and interest thereon which are to be cleared from the title to the Project Property.

**7. CONDITION OF ESCROW:**

As a condition to the close of escrow, GRANTEE shall receive title to the partial fee interest free and clear of all liens, claims, encumbrances, easements, encroachments by improvements on the Project Property, or rights of way of any sort except those accepted by GRANTEE in writing (see Escrow Instructions controlling this transaction).

**8. POSSESSION:**

Grantor acknowledges and agrees that Grantee, its authorized officers, employees, agents, and contractors, shall have the irrevocable right of possession and use of the Property including the right to remove and dispose of improvements and construct the Project commencing on the date the Purchase Price is deposited with Escrow Holder.

**9. IMPROVEMENTS:**

Except as may be otherwise provided herein, the purchase price for the Project Property includes compensation for any and all improvements situated within the partial fee area (Project Property) as described in the appraisal of the Project Property. GRANTEE shall provide Grantor and Grantors tenant a 30-day written notice prior to construction to allow for Grantors to relocate any improvements located within the Project Property.

**10. SEVERABILITY:**

If any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions shall continue in full force without being impaired or invalidated in any way.

**11. GOVERNING LAW:**

This Agreement shall be governed by and construed in accordance with the laws of the State of California.

**12. PUBLIC PURPOSE:**

GRANTEE requires the Project Property for a public use, for the Project, and GRANTEE can acquire the Project Property through the exercise of the power of eminent domain. GRANTORS are compelled to sell, and GRANTEE is compelled to acquire the Project Property. Both GRANTORS and GRANTEE recognize the expense, time, effort and risk to both GRANTORS and GRANTEE in resolving a dispute over compensation for the Project Property by eminent domain litigation; and, the compensation set forth herein is in compromise and settlement, in lieu of such litigation.

**13. AUTHORITY AND EXECUTION:**

Each person executing this Agreement on behalf of a party represents and warrants that such person is duly and validly authorized to do so on behalf of the entity it purports to bind and if such party is a partnership, corporation or trustee, that such partnership, corporation or trustee has full right and authority to enter into this Agreement and perform all of its obligations hereunder.

**14. ENTIRE AGREEMENT:**

This Agreement represents the full and complete understanding of the parties with respect to the Project Property and the Project. Any prior or contemporaneous oral or written agreements by and between the parties or their agents and representatives with respect to the Project Property or the Project are revoked and extinguished by this Agreement.
