- There could be the need for retaining wall design. The consultant is tasked to determine the site-civil needs of the project.

The questions received to date are the following, along with their respective responses:

Question 1: *Might there be a public advertisement for construction management or other services for this project in the next 6 months?*

Answer 1: Yes, in addition to the RFP design; there shall be a RFP for other services such as the environmental review and is likely to be advertised within 6 months.

Question 2: *Was this circulated to the County’s On-Call Engineering Services list or widely distributed?*

Answer 2: The RFP solicitation followed County practices, inclusive of posting in the paper of local circulation used by Monterey County, posting in e-Bid Board, and direct mailing to a list of consultants (inclusive of all firms currently under On-Call Engineering Services).
