Please tell us about yourself and why you want serve:

I am the CEO (and founding Chairman - 1984) of the Ag Land Trust. The Ag Land Trust currently owns in fee ownership or conservation easements over 48,000 acres of farmland in Monterey County. I am a fourth generation Monterey County resident and our family has farmed in Monterey County since 1918. Previously, I served for 12 years on the Monterey County Board of Supervisors and 8 years on the State Water Resources Control Board. I believe that my knowledge of agricultural issues, including pesticide issues, water resource issues, and urban ag conflicts, would greatly contribute to the decision making process of the Agricultural Advisory Board.

Please state the reason you would like to be a member of this board committee/commission/district:

I would like to serve on the committee because I have real experience in a variety of agricultural issues that are not common experiences by typical farmers or agribusiness persons. I think that my experiences and knowledge would greatly contribute to a better quality of detailed analysis and decision making.
