Dear Claudia,

I have attended meetings for over 10 years on the Advisory Committee. I have been an Alternate for various appointments in the valley over the past several years.

I am now on the SUB COMMITTEE specifically for the intersection at Valley Greens and the Tehama exit on Carmel Valley Road.

As I have been at the meetings for so long, I am well aware of the various situations concerning this road. I would like to be reappointed to the Committee in order to be of any assistance on current and future projects.
