3	2017.20	11/19/19	Alejo	PWFP		Ishii	1/28/20	Lease agreement between the City of Salinas and the County of Monterey regarding County's parcel adjacent 855 East Laurel Drive in Salinas for the implementation of a BMX Bike Track, new Skate Park, and sidewalk on East Laurel Drive in Salinas.	An initial referral was initiated on September 15, 2017. On September 1, 2017, Supervisor Alejo held a meeting with the City of Salinas, County RMA staff, and a BMX bike park and skate park engineers/designers to review the property. County Staff conferred with City Staff relative to the City's update of their Parks Master Plan. RMA has also been coordinating with City staff regarding sidewalks on County-owned lands along East Laurel Drive adjacent to this property (between Sanborn Road and Constitution Boulevard). The referral was closed on May 7, 2019 for staff to pursue efforts for a Shelter at 855 E. Laurel. RMA is preparing to bring a master planning effort for use of County lands, specifically lands at Natividad/Laurel in Salinas. This matter is reinstated for reconsideration. 4	2018.15	6/5/18	Phillips./Alejo	HCD		Lundquist	7/17/18	Consider zoning changes to prohibit drilling for oil & gas north of King City	Present options for initiating amendments to County zoning to prohibit new oil and gas exploration in Monterey County except in the southern Salinas Valley, generally south of King City and east of the Santa Lucia range, so that it meets all legal requirements. 5	2018.16	6/26/2018	Alejo	County Counsel/Auditor-Controller		Girard/Slah	8/28/2018	Update County Travel Policy by County Counsel in coordination with the Auditor-Controller's Office.	<p>Monterey County's travel policy managed by the Auditor-Controller has not been updated in many years and today, it does not compare with current market prices or organizational procedures and may exceed legal requirements. The current policy creates barriers for county staff to be able to effectively represent county business at conferences, trainings or in litigation. This policy also conflicts with another travel policy found in the Personnel Policies and Practices Resolution (PPPR). This referral seeks to update the policies to account for inconsistencies, business needs, efficiency, market prices, whether government rates are available or whether the discounted lodging rooms were secured by conference organizers, such as the California State Association of Counties. This lack in clarity in the existing policy is costing unnecessary staff time and an update would modernize our policy with current standards. The new policy should meet Federal and State law while supporting business efficiency.</p> <p>A revised policy was presented to the Board on November 6, 2018. An updated memo was submitted to the Board. A revised policy will be presented to the Board in June 2022.</p>	Pending
6	2018.28	12/4/2018	Phillips	HCD		Lundquist	12/11/2018	Affordable Housing in the Coastal Zone	Amend County LCP to be consistent with the Coastal Act regarding affordable housing, authorize staff to investigate processes and provide language revision recommendations to the Local Coastal Plan. A presentation was provided to the Board on January 15, 2019. HCD plans to couple this work with the 6th Housing Element to be completed by December 2023. In the interim, staff considers the integration of affordable housing policies in the coastal zones when the opportunities exist (e.g., update to the Big Sur Land Use Plan)	Pending

The Board identified specific options and authorized Supervisor Alejo to pursue state funding match (\$10M) in the 2020 State Budget, which will be determined by June 2020. Meanwhile, RMA has coordinated with City staff on their Lincoln Avenue Corridor Master Plan efforts that includes an option for potential reuse of the old jail site. Due to the pandemic the Legislature did not entertain specific budget requests, such as that for the Old Jail. On Oct. 18, 2021, the County met with Assemblymember Rivas who indicated he would submit a \$15 million 2022 State Budget request for the project. Discussions on this request are ongoing with the County's State Legislative delegation. On February 11, 2022, the Board held a Legislative Workshop and identified this request as a County priority. Ongoing updates are being provided to the Legislative Committee.	Postponed
8	2019.11	10/8/2019	Adams	Health/Environmental Health/Co Counsel		Jimenez/Encarnacion/Strimling	11/19/2019	Establish an Ordinance restricting the use of single-use plastics	<p>Due to the ongoing Shelter In Place order, the development of this ordinance remains delayed. Many of the stakeholder entities have been severely impacted by the SIP (the restaurant and hotel industry particularly) and EH recommends their participation in the development of this ordinance once SIP conditions are lifted or allow business activities to resume at a higher level of production.</p> <p>During the entire month of September 2021, the Recycling Resource And Recovery Services (RRRS) of the Environmental Health Bureau had a survey on posted on the program's webpage seeking input from the public. The survey was live for 30 days and RRRS received a total of 294 responses and 94 comments. 70% of respondents Strongly Agreed and 13% Strongly Disagreed.</p>	Postponed

On April 27, 2021, the Board approved an urgency ordinance creating a “no parking \$250 fine tow away” zone along portions of Scenic Drive in the unincorporated area in the Carmel Point area near the City of Carmel-by-the-Sea, and authorized the County Administrative Officer to enter into an agreement with the City of Carmel-by-the-Sea for its police department to enforce the regulation. PWF staff has coordinated details of the parking enforcement approach with the Carmel Police Department and County Counsel prepared a draft agreement which was provided to the City for review. No Parking signs have been installed along the affected portion of Scenic Drive, and a field meeting (coordinated by Supervisor Adam's Office) was held on July 21, 2021 with affected residents to review and consider any adjustments to sign locations. Insignificant progress has been made towards local authorizations for cannabis operators related to land use and building permits, which impacts the industry’s ability to be considered for state annual licenses. Disparate departmental staff funded solely by cannabis revenue should report directly to the Cannabis Program Manager to expedite permit submittal and reporting efficiencies. This would serve to not only expedite current cannabis permitting, but would in-turn free up staff dedicated to cannabis to more quickly focus on other programs. A preliminary analysis was approved by the Board on August 24, 2021. The referring supervisor further requested that County Counsel look into the authority cited by the Agricultural Commissioner. Referral 2018.09 in 2018 requested review of County Code Section 10.72 to clarify its limits as well as to allow public-private partnership owned/operated desalination facilities. However, the amendment of 10.72 did not occur. 41	2022.07	3/1/2022	Lopez	Sheriff Ag Comm		Bennet Gonzales		Monterey County Agricultural and Livestock Pass	This referral requests that staff determine feasibility of an agricultural and livestock pass for the County of Monterey. In the last few years, California has had some of the largest and most severe wildfires in history of the state.
