

EXHIBIT B

Justification for Business Automobile Insurance Modification

Contractor's carries Automobile liability in the amounts required the County of Monterey; however the Public Defender Office request a modification of the additional insured and primary & non-contributory endorsements which are not provided as required by Section 9.03 and Section 9.04. This modification of insurance does not affect the Contractor's responsibility and duty to indemnify the County under the provisions of this Agreement.

Justification for Professional Liability Insurance Modification

Contractor's insurance company, Acord, advised Contractor that because of the size of Contractor's company, claim limits could not exceed \$1,000,000. The Public Defender accepts the lower insurance coverage amount and is requesting the professional liability limit requirement be modified for this contractor to \$1,000,000 in the aggregate.
