<p>Goal H-1: Assure the quality, safety, and habitability of existing housing, promote the continued high quality of residential neighborhoods, preserve all types of affordable housing developments, and conserve energy.</p>			
<p>H-1.A. Preservation and Monitoring of Existing and Future Affordable Units</p> <p>The County remains committed to preserving the affordability of all publicly assisted housing units through ongoing monitoring and proactive measures. Key actions include:</p> <ul style="list-style-type: none"> • Developer Outreach: The County will provide ongoing engagement with developers whose deed restrictions are nearing expiration to explore options for extending affordability. <u>Schedule of Action:</u> Ongoing, conducted as deemed appropriate. • Funding Applications: Provide support to nonprofit organizations seeking funding opportunities to acquire at-risk housing units and maintain affordability. <u>Schedule of Action:</u> Ongoing, in alignment with funding cycles. • Funding Pursuit: Pursue funding opportunities on an annual basis to bolster resources available for housing preservation initiatives. <u>Schedule of Action:</u> Annually by December 31. • Preservation Strategy Development: Collaborate with nonprofits to formulate a proactive preservation strategy, ensuring readiness to respond promptly to any notices of conversion to market-rate usage. <u>Schedule of Action:</u> By the end of FY 2026. • Monitoring: Regularly monitor assisted housing units to ensure tenants receive adequate notifications, education, and support regarding their housing rights and options. <u>Schedule of Action:</u> Annually by December 31. <p><u>Objectives:</u> These actions will safeguard the affordability of publicly assisted housing units and uphold the County's commitment to providing stable and affordable housing options for its residents.</p>	<p>Augmentation from General Funds</p> <p>General Plan Updates and Implementation Fund</p> <p>Identify new sources of local revenue and grants</p>	<p>Housing and Community Development Department</p>	<p>First tax credit project will not expire until 2049.</p> <p>Challenge is non-tax credit or County assisted properties w/affordability. No central list.</p> <p>HCD annually monitors all County assisted affordable units and physically inspects some projects.</p>
<p>H-1.B. Replacement Housing Stock</p> <p>To guarantee the preservation of affordable housing stock, the County will implement a rigorous process for replacing lower-income units that are demolished. This initiative involves a comprehensive assessment of property data, outreach to current tenants to ascertain income levels, and a calculation of the number of units occupied by lower-income households.</p> <p>The County will collaborate closely with developers to ensure that proposed projects include an adequate number of affordable units to replace those demolished. This effort aligns with the mandates outlined in California Government Code section 65915 , which stipulates the replacement of affordable housing units.</p>	<p>Augmentation from General Funds</p>

<p>As development projects are proposed, the County will promptly initiate the replacement housing process, with the exact timing contingent upon the engagement of the development community and project timelines. Furthermore, in compliance with state regulations, the County will amend Monterey County Code Titles 20 and 21 (Zoning Code) by the conclusion of 2027. This amendment will mandate the replacement of units affordable to the same or lower income level as a prerequisite for any development on nonvacant sites, consistent with the provisions of the State Density Bonus Law.</p> <p><u>Schedule of Action</u>: Initiate replacement housing process for proposed projects (timing dependent on development community engagement); Amend the Zoning Code by the end of 2027 to require replacement of affordable units in accordance with state law.</p>	<p>General Plan Updates and Implementation Fund</p> <p>Identify new sources of local revenue and grants</p>	<p>Housing and Community Development Department</p>	
<p>H-1.C. Energy Efficiency and Conservation</p> <p>Monterey County is committed to promoting energy conservation and reducing greenhouse gas emissions in alignment with AB 32. The County's efforts include:</p> <ul style="list-style-type: none"> • <u>Compliance Beyond State Standards</u>: Adhere to California Building Standards Code (Title 24 of California Regulations) to ensure energy efficiency in residential construction projects and develop local ordinances that improve energy efficiency and reduce air pollution and greenhouse gas emissions. • <u>Community Climate Action Plan</u>: Pursue the development and support the implementation of the County's Community Climate Action and Adaptation Plan (CCAAP), Municipal Climate Action Plan (MCAP), and participate in regional studies on reducing emissions from the built environment to address climate challenges comprehensively. • <u>Integration of Green Practices</u>: Continue to require and support the integration of green building practices in future housing developments and existing building stock to promote sustainability. • <u>Review of Proposed Developments</u>: Continue to evaluate proposed developments for distributed energy resources, such as solar and battery storage, site design techniques, and landscaping to enhance energy efficiency, mitigate greenhouse gas emissions, reduce costs, and improve resiliency. • <u>Information Dissemination</u>: Provide access to energy conservation information and financial incentives through various public channels, including the County's website, public libraries, and community centers. 	<p>Augmentation from General Funds</p> <p>General Plan Updates and Implementation Fund</p> <p>Identify new sources of local revenue</p>	<p>Housing and Community Development Department</p> <p>County Administrative Office, Sustainability Program</p>

<ul style="list-style-type: none"> • <u>Support for energy projects</u>: Develop projects to support energy efficiency, appliance, and electrical upgrades, and distribute energy resource deployment in lower-income homes to reduce energy costs, improve health outcomes, and resiliency. • <u>Weatherization Initiatives</u>: Encourage weatherization of existing buildings to improve energy efficiency and reduce greenhouse gas emissions. • <u>Promotion of Mixed-Use Development</u>: Promote transit-oriented, including active transportation, and mixed-use development in Community Areas and Rural Centers near activity centers and transit routes to minimize vehicle trips and transportation energy consumption. <p>The Board of Supervisors has established the Committee on Alternative Energy and Environment with two Supervisors to oversee and discuss these endeavors before sending an item for consideration by the full Board. The Committee addresses issues of environmental concern, including compliance with AB 32, exploring alternative energy sources, reducing emissions in transportation, and enhancing environmental resources in Monterey County. Through collaborative efforts, the County will continue to strive to achieve long-term environmental sustainability and mitigate the impacts of climate change.</p> <p><u>Schedule of Action</u>: Ongoing</p>	and grants		
<p>H-1.D. Foreclosure and Credit Counseling</p> <p>The County is aware of the adverse effects of poor economic conditions and predatory lending on foreclosures, leading to neighborhood destabilization. Historically, the County has offered foreclosure and credit counseling services to affected households using CDBG and NSP funds, though the NSP program has ended and CDBG funds are limited. The County will continue to seek alternative funding sources to revive this program. Additionally, the County will provide links to foreclosure and credit counseling resources such as the Housing Resource Center of Monterey County on its website to aid residents in need of assistance.</p> <p><u>Schedule of Action</u>: Ongoing with resource links updated to the County website within six months of Housing Element Certification.</p>	CDBG	Housing and Community Development Department	<p>CDBG funding is limited to 15% of grant for all public services.</p> <p>Typically funded out of new down payment assistance grant activity delivery allocation.</p>
<p>H-1.E. Reduce Exposure to Environmental Pollution</p>

<p>The County is undergoing preparation of a new Environmental Justice Element for the General Plan in the inland and coastal portions of Monterey County. Upon completion, the County will implement the objectives and goals identified in the element, which will include reduction of pollution exposure and improvement of air quality. The County will ensure the alignment of housing development with best practices for the reduction of pollution exposure as identified in the Environmental Justice Element.</p> <p><u>Schedule of Action:</u> Ongoing after adoption of the Housing Element.</p>	<p>Augmentation from General Funds</p> <p>General Plan Updates and Implementation Fund</p> <p>Identify new sources of local revenue and grants</p>	<p>Housing and Community Development Department</p> <p>County Administrative Office, Sustainability Program</p>	
<p>H-1.F. Limit Conversion of Residential Housing for Transient or Vacation Uses</p> <p>The County is updating its regulations related to the use of residential units for vacation (or short-term, transient) rental to provide opportunities for visitors to access public areas of Monterey County while preserving the County’s housing supply.</p> <p><u>Schedule of Action:</u> By December 31, 2024, adopt Vacation Rental Ordinances and submit coastal ordinances to California Coastal Commission for certification.</p> <p>The vacancy rate in unincorporated areas of Monterey County is approximately 13%, with higher residential vacancy rates in high-resource areas. The County will study the feasibility of a vacant home tax as a possible strategy to discourage unoccupied housing units and increase revenue for affordable housing.</p> <p><u>Schedule of Action:</u> By December 2028.</p>	<p>Permit Fees, once adopted.</p> <p>General Fund, Transient Occupancy Tax revenues, or other sources.</p>	<p>Housing and Community Development Department</p> <p>County Administrative Office, Intergovernmental and Legislative Affairs</p>	
Goal H-2: Assist in the provision of housing that meets the needs of all socioeconomic segments of the County.			
<p>H-2.A. Encourage, Incentivize, and Monitor Accessory Dwelling Units (ADUs)</p> <p>Assembly Bill (AB) 671 (2019) amended Government Code section 65583, requiring local agencies' Housing Elements to incorporate a strategy encouraging and facilitating ADU development to provide affordable housing options for very low-, low-, or moderate-income households. The County will implement the following measures:</p> <ul style="list-style-type: none"> Continuing promotion of preapproved ADU site/floor plans, accessible+A17 to the public free of charge. <u>Schedule of Action:</u> Ongoing. Encouraging ADU construction through educational materials outlining standards, permitting procedures, and ADU benefits. Utilize this data to understand income demographics served, guide outreach efforts, and assess production and affordability against Sites Inventory estimates in the Mid-Cycle Review (Program H-2.E). <u>Schedule of Action</u>: By the end of 2027. If Sites Inventory assumptions are not met, implement alternative actions based on ADU Monitoring Program findings (e.g., outreach, technical assistance, modifications, incentives, and rezoning). <u>Schedule of Action</u>: Updates as needed. Amending Monterey County Code Titles 20 and 21 (Zoning Code) by December 2027 to align with recent state law changes on ADUs (e.g., AB 587, AB 671, AB 68, SB 13). Monitor ongoing state law updates and adjust the Zoning Code accordingly. <u>Schedule of Action</u>: By December 2027, then as needed. Offering incentives beyond state law, such as potentially waiving building permit fees, onsite wastewater fees, development impact fees, traffic impact fees, and drainage fees. <u>Schedule of Action</u>: Ongoing Monitoring for planning, constructing, and operating affordable ADUs, with actions to be completed by the end of the 6th Cycle Planning Period. <u>Schedule of Action</u>: By the end of the 6th Cycle Planning Period. <p><u>Objectives</u>: – 270 units, including 9 designated for lower-income households.</p>	<p>Augmentation from General Funds</p> <p>General Plan Updates and Implementation Fund</p> <p>Identify new sources of local revenue and grants</p>	<p>Housing and Community Development Department</p>	
<p>Goal H-2.B - AB 1486 Implementation for Surplus County Land</p> <p>To adhere to Assembly Bill 1486 (AB 1486, 2019) and proactively execute its provisions concerning surplus public land, ensuring effective land use planning for affordable housing development. Through this program, the jurisdiction aims to maximize the utilization of surplus public land for affordable housing, aligning with AB 1486 objectives. Specific actions include:</p> <ul style="list-style-type: none"> Pursue a Facilities Master Plan for County operations, with a priority focus on the Laurel/Natividad campuses and Administration campus in downtown Salinas, and identify surplus County-owned land, identifying suitable parcels for affordable housing development based on AB 1486 criteria. Maintain a publicly accessible list of County-owned surplus land, regularly updated to reflect changes in availability. Once suitable County-owned surplus land is identified, establish preferences and priorities for affordable housing on the surplus land, ensuring alignment with local housing needs and priorities as per AB 1486 guidelines. 	<p>Augmentation from General Funds</p>	<p>Economic Development Department</p>	<p>On hold pending PWF Countywide Facilities Master Plan completion.</p>

<p>H-2.D. By-Right Approval on Reuse of Prior Housing Opportunity Sites</p> <p>The County will permit residential developments by right, as per Government Code section 65583.2(i), with 20% or more of the units designated as affordable to lower-income households on Sites 11, 26, and 30 listed in the Site Inventory Table in Appendix C of this Housing Element, used to fulfill the 6th Cycle RHNA, representing reuse of sites identified in previous Housing Element cycles.</p> <p><u>Schedule of Action</u>: Ongoing.</p>	<p>Augmentation from General Funds</p> <p>General Plan Updates and Implementation Fund</p> <p>Identify new sources of local revenue and grants</p>	<p>Housing and Community Development Department</p>	
<p>H-2.E. Mid-Cycle Review Program</p> <p>The County commits to maintaining a comprehensive inventory of residential sites to meet RHNA commitments for the 2023-2031 planning period, as required by law. Continuous monitoring of development trends and site utilization will ensure compliance with RHNA goals. Implementation actions include:</p> <ul style="list-style-type: none"> • Monitoring opportunity sites and housing production pipelines to track unit distribution, particularly for lower-income populations, and assess progress toward RHNA goals. • Assessing trends in ADU development to identify areas needing enhanced promotion of ADU projects, especially in high-resource zones. • Monitoring RHNA progress, remaining sites, and No Net Loss provisions. • Submittal of the Housing Element Annual Progress Report (APR) to the California Department of Housing and Community Development (HCD) and the Office of Planning and Research (OPR) annually by April 1. <p>If assumptions in the Housing Element Sites Inventory are not met, the County will implement alternative actions based on review findings, such as outreach, technical assistance, development standard modifications, incentives, funding, and rezoning.</p> <p><u>Schedule of Action</u>: Annual monitoring with the APR due by April 1 each year. <p>H-2.F. Annual Review with County Supervisors</p> <p>The County will coordinate an annual meeting with each County Supervisor to review and assess housing development progress and challenges within each district of the County. This initiative will foster ongoing dialogue and coordination to effectively address housing needs. The program entails the following specific actions:</p> <ul style="list-style-type: none"> • <u>Annual Review Meetings:</u> Conduct annual review meetings with County Supervisors to evaluate housing development progress, assess challenges, and identify improvement opportunities. • <u>Data Sharing and Analysis:</u> Share housing-related data and analysis with the Supervisors. This includes sharing data on housing production, affordability metrics, demographic trends, and regulatory barriers to inform decision-making and policy development. • <u>Policy Recommendations:</u> Encourage district supervisors to propose policy recommendations and initiatives aimed at addressing housing affordability, homelessness, and other housing-related challenges identified during the annual review process. <p><u>Schedule of Action:</u> Annually, beginning 2026.</p> <p><u>Objectives:</u> Through these actions, seek to foster a collaborative approach to address housing needs in the County, ensuring that housing development progresses effectively and meets the diverse needs of the community.</p>	<p style="text-align: center;">Augmentation from General Funds</p> <p style="text-align: center;">General Plan Updates and Implementation Fund</p> <p style="text-align: center;">Identify new sources of local revenue and grants</p>	<p style="text-align: center;">Housing and Community Development Department</p>	<p style="text-align: center;">HCD is compiling housing data and creating "dashboards" to make the information more accessible to the community.</p>
<p>H-2.G. Comprehensive Incentives/Concessions Program for Developers</p> <p>The County will develop a comprehensive incentives and concessions program for housing development that scale and stack based on development density, and level/duration of affordable units provided. In addition to policies/programs described elsewhere in this chapter, actions will include:</p> <ul style="list-style-type: none"> • <u>Update Monterey County Code:</u> The County will establish density bonus policies that exceed state density bonus law, including additional incentives/concessions for: <ul style="list-style-type: none"> ○ Development Standards: • Affordability - Development with higher percentages of affordable units and/or deeper levels of affordability, and if feasible, considering development standard concessions for developments with demonstrated financial burden of necessity to achieve additional density and affordability.

<p>The County will streamline and expedite the approval process for affordable housing developments, including allowing “by right” approval for affordable housing on Housing Element identified Opportunity Sites, 2010 General Plan designated growth areas (Community Plan Areas, Affordable Housing Overlay zones, Rural Centers and Community Areas), and on lands owned by religious organizations and nonprofit colleges and universities in alignment with Senate Bill 4 (2023), thereby meeting the needs of lower-income residents in the community. Actions will include:</p> <p><u>Update Monterey County Code:</u> The County will establish the following affordable housing development as an allowed (“by right”) use, in zoning districts where housing is allowed and subject to objective standards and criteria:</p> <p>100% affordable housing developments on sites identified as opportunity sites in this Housing Element;</p> <p>100% affordable housing developments on properties within a 2010 General Plan identified Community Plan Area, Rural Center and Community Area, or Affordable Housing Overlay; and</p> <p>Housing development on land owned by religious organizations and nonprofit colleges that meets the provisions of Senate Bill 4.</p> <ul style="list-style-type: none"> • <u>Guidelines and Procedures:</u> Develop comprehensive guidelines and procedures delineating the by-right approval process. This includes defining eligibility criteria, specifying application requirements, and establishing clear timelines for review and decision-making. • <u>Technical Assistance:</u> Provide technical assistance and permit processing support to faith groups, nonprofit colleges, and affordable housing developers. This assistance will aid them in navigating the by-right approval process efficiently and effectively. • <u>Monitoring and Evaluation:</u> Periodically monitor and evaluate the effectiveness of the program. This assessment will include tracking the number of affordable housing units produced, evaluating the efficiency of the approval process, and assessing the program's impact on addressing housing affordability challenges within the community. Adjust policies and procedures as needed to optimize outcomes and ensure alignment with broader housing goals and objectives. <p><u>Schedule of Action:</u> Approval process implemented by the end of 2026.</p>	<p style="text-align: center;">Augmentation from General Funds</p> <p style="text-align: center;">General Plan Updates and Implementation Fund</p> <p style="text-align: center;">Identify new sources of local revenue and grants</p>	<p style="text-align: center;">Housing and Community Development Department</p>

<p>H-2.L. Collaboration with Water Resources Agencies</p> <p>The availability of water is a significant factor restricting residential development. The County will work to bolster water availability for residential development in Monterey County through collaborative efforts with water resource agencies. In Monterey County, water resources in unincorporated areas are overseen by four main agencies: Monterey County Water Resources Agency (MCWRA); Monterey Peninsula Water Management District (MPWMD); Pajaro Valley Water Management Agency (PVWMA); and Marina Coast Water District (MCWD). Other agencies, including groundwater sustainability agencies, manage local groundwater basins. Special districts like Aromas Water District, Castroville Community Services District, Monterey One Water (M1W), and others provide water services to specific communities. The County regulates water well construction and systems through its Health Department and handles permits and planning functions through its Housing and Community Development Department. Measures aimed at bolstering initiatives to achieve long-term sustainable water supply, enhance the current residential water system, and increase its capacity include:</p> <ul style="list-style-type: none"> <u>Partnership Establishment:</u> Forge partnerships with local water resource agencies to assess current water availability, devise strategies, and provide support to address shortages for residential development. <u>Groundwater Sustainability Plans:</u> Coordinate with groundwater sustainability agencies to align future affordable housing developments with the provisions of groundwater sustainability plans. 		<p style="text-align: center;">Housing and Community</p>

<p>The County will actively promote affordable housing funding opportunities for developers through various channels to ensure widespread awareness and participation. Specifically, the following actions will be taken:</p> <ul style="list-style-type: none"> • <u>Website Publication</u>: The County will publish information about available affordable housing funding opportunities on its official website. This will include comprehensive details about eligibility criteria, application procedures, and deadlines. • <u>Targeted Email Notifications</u>: The County will disseminate notifications about affordable housing funding opportunities via targeted email lists. These emails will be sent to developers, housing advocates, nonprofits, and other relevant stakeholders to ensure broad outreach. • <u>Social Media Promotion</u>: The County will utilize social media accounts when appropriate to post information about affordable housing funding opportunities. Regular updates and reminders will be shared across platforms to maximize visibility and engagement. • <u>Inclusive Advertisements</u>: Advertisements will highlight funding opportunities and include the availability of sites with significant development potential and owner interest. This will provide developers with comprehensive information to facilitate their decision-making process. <p><u>Schedule of Action</u>: An annual update will be conducted by December 31 to ensure that the information remains current and accessible to interested parties.</p> <p><u>Objectives</u>: The County will enhance awareness and participation in affordable housing funding opportunities, ultimately contributing to the expansion of affordable housing options within the community.</p>	<p>Augmentation from General Funds</p> <p>General Plan Updates and Implementation Fund</p> <p>Identify new sources of local revenue and grants</p>	<p>Housing and Community Development Department</p>

Housing Mobility</p> <p>The County will enhance housing mobility and foster increased housing options and affordability across lower-income levels by implementing a set of targeted actions in lower-density areas. These actions will involve outreach, allocation of resources, and other strategies, all aimed at the overarching objective of broadening affordable housing opportunities for extremely low, very low, low, and moderate-income households. Actions include:</p> <ul style="list-style-type: none"> <p><u>Facilitate the provision of housing on sites affiliated with religious institutions or faith-based organizations:</u> The County will conduct annual outreach with religious institutions that own property in the County to provide information on SB 4 and the ability to develop housing by right. The County will also facilitate a specialized streamlined processing approach for housing applications that incorporate at least 50% affordable units, half of which are affordable to very low- or low-income households, on sites associated with religious institutions or faith-based organizations. In the event that no housing applications on a religious institution/faith-based site is received by December 2026, the County will enhance outreach efforts, providing information on available County resources for housing and human services initiatives. <u>Schedule of Action:</u> Mid-cycle progress check-in; annual outreach beginning in December 2025.</p> <p><u>SB 10:</u> Identify potential sites that meet the statutory requirements for transit-rich areas and urban infill site requirements for consideration pursuant to SB-10 in order to facilitate development applications in these areas. Amend development standards related to the above action if necessary to facilitate maximum densities as part of housing mobility actions. <u>Schedule of Action:</u> December of 2030.</p>
