(Completed by CAO's Office)

SUBMITTAL - Completed by referring Board office and returned to CAO no later than noon on Thursday prior to Board meeting:

Date: 8/16/2021	Submitted By: LUIS ALEJO	District #: 1
Referral Title: EV Charging Station Infrastructure, Mapping and Investment		
Referral Purpose: Assess and map existing electric vehicle charging stations and infrastructure in Monterey County, and expand investment in unserved/underserved areas and disadvantaged communities of Monterey County.		
Brief Referral Description (attach additional sheet as required): On August 5, 2021, President Biden signed an executive order that calls for half of new car sales to be zero-emission electric vehicles by 2030. These targets have the support of major U.S. auto manufacturers. With such ambitious goals, it is imperative that Monterey County implement and expand needed electric vehicle charging infrastructure and make it more readily available to our residents and visitors.		
This referral requests that the Monterey County Sustainability Manager assess and map existing EV charging stations (Level 2 and DC fast chargers) in Monterey County and make it accessible to the public on a new county website, and to assess the need for charging station infrastructure and investment in unserved/underserved areas and disadvantaged communities in Monterey County.		
This referral also requests that Monterey County partner with the Monterey County Air Resources District, Central Coast Community Energy and other potential partners to pursue grant funding and expand EV charging infrastructure in unserved/underserved areas and disadvantaged communities in our county.
