

Resolution No. 24-166)
Continue the Proclamation)
of a Local Emergency issued)
by the County Administrative)
Officer on March 31, 2024)

WHEREAS, the California Emergency Services Act (California Government Code, section 8550, *et seq.*) defines a local emergency as the existence of conditions of disaster or of extreme peril to the safety of persons and property within the territorial limits of a county, which are or are likely to be beyond the control of the services, personnel, equipment, and facilities of that political subdivision and require the combined forces of other political subdivisions to combat; and

WHEREAS, Monterey County Code, section 2.68.025 and California Government Code, section 8630 establish procedures for proclaiming emergencies and empower the County Administrative Officer to proclaim the existence of a local emergency when the County is affected by or threatened to be affected by a public calamity, if the Board of Supervisors is not in session; and

WHEREAS, the Administrative Officer of the County of Monterey, did proclaim the existence of a local emergency within the Monterey County Operational Area on March 31, 2024.

WHEREAS, the Board of Supervisors ratified the proclamation on April 02, 2024; and,

WHEREAS, since March 31, 2024, the aforesaid conditions of extreme peril warrant and necessitate the proclamation of the existence of a local emergency and immediate action is necessary to mitigate public calamity and the other effects of local emergency; and,

WHEREAS, pursuant to Government Code, section 8630, subdivision (c), the Board of Supervisors shall review the need for continuing the local emergency at least once every sixty (60) days until the Board of Supervisors terminates the local emergency; and,

WHEREAS, the governing body shall proclaim the termination of the local emergency at the earliest possible date that conditions warrant; and,

WHEREAS, conditions of a local emergency can be better controlled if the local government has specific powers granted through the proclamation of a local emergency; and,

WHEREAS, major Atmospheric River events in January 2023, March 2023, and February 2024, in addition to winter storm rain events, led to soil saturation, which on March 30, 2024, caused State Route 1 near Rocky Creek Bridge to be undermined. Due to existing landslides to the south, the slide on State Route 1 near the bridge isolated residents, visitors, and essential personnel in the Big Sur area.

NOW THEREFORE, BE IT RESOLVED, by the Board of Supervisors in and for the County of Monterey as follows:

1. That during the existence of said local emergency the powers, functions, and duties of the County Administrative Officer and the Emergency Organization of this County shall be those prescribed by state law and the ordinances, resolutions, and approved plans of the County of Monterey in order to mitigate the effects of said local emergency; and
2. During the existence of said local emergency the powers, functions, and duties of the County Administrative Officer, or designee, the Sheriff's Office, Department of Public Works, Facilities, and Parks, Department of Housing and Community Development, and the Emergency Organization of the County of Monterey shall be those prescribed by State law and the ordinances, resolutions, and approved plans of the County of Monterey in order to mitigate the effects of the local emergency; and
