

BIO:

My name is Marcos Ortega. As the Big Sur Superintendent, I manage all CA State Park lands from Garrapata State Park to Limekiln State Park. That includes Andrew Molera SP, Point Sur SHP, Julia Pfeiffer SP and John Little SNR. I have served on the Big Sur Multi Agency Advisory Council for 3 years and I am also currently a BSBO representative for CA State Parks. I grew up in Big Sur and I am proud to serve the community, as the local state parks representative. I am familiar with the many current issues facing this region and am excited to continue participating as the State Parks member representative on the BSBO. I appreciate the consideration. Thanks,

Marcos
