If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Exhibit C: Pilot Description and FAQs

MONTEREY COUNTY’S STIPEND PILOT FOR COVID-19 POSITIVE INDIVIDUALS

Overview

The Monterey County Board of Supervisors provided direction to the Monterey County Health Department to develop and implement a Stipend Pilot (Pilot) for COVID-19 positive individuals who are unable to work due to the need to self-isolate for a minimum of 10-days. We recognize that many of our residents may not be eligible for income replacement and are compelled to continue to work while being sick and knowing they have a positive COVID-19 test result. By providing a one-time cash stipend of \$1,000 to individuals with a positive COVID-19 test result, we hope individuals will be able to stay home and recover safely without worrying about loss of income.

In an effort to positively impact our County’s case rate, positivity rate, and equity metric, we are prioritizing serving individuals in our census tracts of the lowest quartile of the Healthy Places Index (areas of interest), areas with higher COVID-19 positivity rates than the countywide average. The pilot will be implemented from December 1, 2020 through December 31, 2020.

Referral Process and Eligibility Criteria

As currently designed, the County will partner with the United Way of Monterey County and community health centers located in areas of interest including Clinica de Salud del Valle de Salinas, Mee Memorial Healthcare System, Soledad Medical Group, and County Health Department clinics based on their capacity to implement Pilot in their clinics. Designated staff (Pilot Coordinators) at these locations, on behalf of individuals who test positive for COVID-19, will submit a referral to United Way Monterey County.

In addition to the positive test result, the adult individual must also:

- Not be in receipt of unemployment insurance benefits or paid sick leave when the results are received;
- Be 18 years of age or older;
- Have not previously received payment through the Pilot, as the stipend is a one-time only payment limited to adult household members who tests positive for COVID-19;
- Be a resident of Monterey County; and
- Live in the following cities/zip code areas:
 - Castroville
 - Chualar
 - Gonzales
 - King City
 - Marina
 - Seaside
 - Moss Landing
 - Pajaro
 - Salinas - 93905 and 93906
 - San Lucas
 - Soledad

Once eligibility is determined, the Pilot Coordinators will submit referrals to Pilot using United Way's Smart Referral electronic system. On a weekly basis, United Way will upload data to the cash card vendor's system for processing cash card.

IMPORTANT: At this time, if a referral is submitted with addresses in cities or zip codes other than those listed above, it will not be considered for Pilot.

Possession and Delivery of Visa Cards

At the time of intake, community health center staff will ask individual if they would like to have a cash card loaded to their mobile device or have a physical cash card mailed to their home address or for pick up at the clinic site.

Data to be collected by community health center staff for cards to be mailed to Pilot participant's home address or loaded to their mobile device:

Data to be collected by community health center staff for cards to be mailed to community health clinic for hand-delivery to Pilot participants:
