THIS AGREEMENT is made effective this 19th day of June, 2026, by and between the State of California, acting by and through the Department of Transportation, hereinafter referred to as "STATE" and the County of Monterey; hereinafter referred to as "COUNTY" and collectively referred to as "PARTIES."

SECTION I

RECITALS

1. On June 7, 2022 a Freeway Agreement was executed between COUNTY and STATE, wherein the PARTIES consented to certain adjustments of the local street and road system required for the development of that portion of STATE Highway Route (SR) 156, declared a freeway, within the jurisdictional limits of the COUNTY.
2. Recent adjustments to said freeway have now been completed, or are nearing completion, and the PARTIES hereto mutually desire to identify the maintenance responsibilities of the COUNTY for areas lying within those modified freeway limits.
3. There is an existing Freeway Maintenance Agreement, with COUNTY dated August 22, 1967 (hereinafter referred to as "1967 Agreement"). This Agreement is meant to replace or supersede the 1967 Agreement.

NOW THEREFORE IT IS AGREED:

SECTION II

AGREEMENT

1. The PARTIES understand and agree that this Agreement shall supersede the 1967 Agreement in its entirety.
2. Pursuant to Section 6 of the June 7, 2022 Freeway Agreement, COUNTY has resumed or will resume control and maintenance over each of the relocated or reconstructed COUNTY roads, frontage roads, and other STATE constructed local roads, except for any portion which is adopted by STATE as a part of the freeway proper.
3. The degree or extent of maintenance work to be performed, and the standards therefore, shall be in accordance with the provisions of Section 27 of the Streets and Highways Code and the then current edition of the State Maintenance Manual.

4. COUNTY agrees to continue their control and maintenance of each of the affected relocated or reconstructed COUNTY streets and roads as shown on Exhibit A, attached and incorporated by this reference.
5. When another planned future improvement has been constructed and/or a minor revision has been effected within the limits of the freeway herein described which will affect the PARTIES' maintenance responsibilities as described herein, and there is mutual agreement on a change in the maintenance responsibilities between PARTIES, the PARTIES can revise the Exhibit A and this Agreement through a mutually agreeable written Amendment to this Agreement.
6. COUNTY must obtain the necessary Encroachment Permits from STATE's District 5 Encroachment Permit Office prior to entering STATE right of way to perform COUNTY maintenance responsibilities. This permit will be issued at no cost to COUNTY.

7. VEHICULAR OVERCROSSINGS

- 15.2. Neither COUNTY nor any officer or employee thereof is responsible for any injury, damage or liability occurring by reason of anything done or omitted to be done by STATE, under or in connection with any work, authority or jurisdiction conferred upon STATE arising under this Agreement.
