SECOND AMENDMENT TO AGRICULTURAL BUFFER EASEMENT DEED

THIS SECOND AMENDMENT TO AGRICULTURAL BUFFER EASEMENT DEED is made this 6th day of November 2012 by and between CHARLES F. NICHOLS and JUDITH A. NICHOLS, as Trustees of the NICHOLS FAMILY TRUST UTA dated January 17, 1991 (“Grantors”); and the COUNTY OF MONTEREY, a political subdivision of the State of California (“Grantee”), (collectively referred to as “the parties”) with reference to the following facts and circumstances:

RECITALS:

A. Grantors are the owners in fee simple of that certain real property situated in the County of Monterey, State of California, referred to as the Yanks Air Museum property, and more particularly shown on **Exhibit A**, attached hereto (“the Yanks Property”).

B. Grantors applied for, and Grantee approved a Combined Development Permit (SH 94002) (Board of Supervisors Resolution No. 97-445 and Ordinance No. 03943) (“CDP”) for a General Plan Amendment, rezoning and use permit to allow an air museum, air strip, RV park and other uses on the Yanks Property.

C. On or about April 20, 2002, Grantors and Grantees executed an Agricultural Buffer Easement Deed which document was recorded on May 6, 2002 at Document number 2002043168

in the official records Monterey County (Agricultural Buffer Easement Deed) to satisfy Condition 20 of the CDP. Said uses allowed within the Agricultural Buffer Easement included the airstrip, water detention ponds and parking.

C. On or about October 12, 2004 Grantee approved (Board of Supervisors Resolution No. 04-351) an extension of the CDP.

D. On or about October 28, 2008 Grantee approved (Board of Supervisors Resolution No. 08-362) a second extension of the CDP. The second extension was subject to a condition that parking not be allowed in the southern portion of Agricultural Buffer Easement Deed buffer area.

E. On or about June 2, 2010 Grantors and Grantees executed an Amendment to Agricultural Buffer Easement Deed which document was recorded on September 20, 2010 as Document number 2010052812 in the official records Monterey County, ([First] Amendment to Agricultural Buffer Easement Deed) to satisfy the terms of the October 28, 2008 extension approval to eliminate parking as an allowed use within that portion of the 200-foot Agricultural Buffer Easement area running along the southern boundary of the Yanks Property, as long as the adjacent property directly south of the Yanks Property remains in agricultural use.

F. On or about November 6, 2012 Grantor adopted (Resolution No. 12 - 339) a lot-line adjustment adjusting the boundary between the existing Parcel A and Parcel B shown on the Record of Survey recorded at Volume 25 Surveys Page 73, which approval adjusted the boundary between the existing Parcel A and Parcel B, approximately 217 feet to the east. Consistent with the purpose of and requirement to maintain a 200 foot agricultural buffer along the northern, southern and eastern boundary of the adjusted parcel to protect adjacent agricultural operations, Grantor requested that the existing 200 foot agricultural buffer easement also be moved approximately 217 feet to the east.

G. This Second Amendment to Agricultural Buffer Easement Deed shall run with the land and bind and inure to the benefit of the respective heirs, personal representatives, successors, and assigns of the parties hereto.

H. Upon execution of this Second Amendment to Agricultural Buffer Easement Deed, the parties shall cause recordation thereof with the Monterey County Recorder's Office.

I. The parties hereto understand and agree that this Second Amendment to Agricultural Buffer Easement Deed has been arrived at through negotiations and that neither party is to be deemed the party which prepared this agreement within the meaning of Civil Code Section 1654.

J. The parties to this Second Amendment to Agricultural Buffer Easement Deed understand and agree that the above Recitals are hereby incorporated into this Second Amendment to Agricultural Buffer Easement Deed.

NOW, THEREFORE, for the reasons set forth above and in consideration of their mutual promises and covenants, terms and conditions, and restrictions contained herein, Grantors and Grantees do hereby amend the Agricultural Buffer Easement Deed and the (First) Amendment to Agricultural Buffer Easement Deed as follows:

The property descriptions and location of the 200 foot agricultural buffer described in the legal descriptions and exhibits attached to the Agricultural Buffer Easement Deed and the (First) Amendment to Agricultural Buffer Easement Deed, are hereby rescinded and are hereby replaced with the legal descriptions attached hereto as **Exhibit A, Exhibit B, and Exhibit C** which are hereby incorporated by this reference.

The uses allowed within the relocated buffer area as described on Exhibit B, attached hereto and shown on Exhibit C, attached hereto, shall remain the same as those uses allowed under the Agricultural Buffer Easement Deed and the (First) Amendment to Agricultural Buffer Easement

Deed.

In all other respects, the terms and conditions of the Agricultural Buffer Easement Deed and the (First) Amendment to Agricultural Buffer Easement Deed remain in full force and effect.

IN WITNESS WHEREOF, the parties hereto have caused this Second Amendment to Agricultural Buffer Easement Deed to be executed as of the date and year first above written and County hereby Consents to Recordation of this Second Amendment to Agricultural Buffer Easement Deed as set forth below.
