

*Before the Board of Supervisors in and for the
County of Monterey, State of California*

Resolution No.

Proclaim the week of August 13-19, 2017 as _____)
“**National Health Center Week**” in Monterey County.....)

WHEREAS, for over fifty years, Community Health Centers have provided high-quality, affordable health care in our nation’s underserved communities, demonstrating that locally governed healthcare can improve lives while lowering costs; and

WHEREAS, what began as a small demonstration project in two states has grown into the country’s largest primary care network, with Health Centers now serving as the health care home for over twenty-four million Americans through more than nine-thousand delivery sites across the nation; and

WHEREAS, Health Centers provide high quality, cost effective, and accessible primary and preventive care, including integrated medical, oral, vision, behavioral health, and pharmacy services, to all individuals regardless of insurance status or ability to pay, and one in every fourteen people living in the United States looks to a community health center for their care; and

WHEREAS, Health Centers are located in medically underserved areas and locally controlled by patient-majority boards, ensuring that each Health Center always remains responsive to the needs of the specific community it serves; and

WHEREAS, Health Centers nationally employ nearly one-hundred-seventy-thousand people, including more than eleven thousand-two hundred physicians and more than nine-thousand nurse practitioners, physician assistants, and certified nurse midwives who work as part of a multi-disciplinary clinical teams designed to treat the whole patient; and

WHEREAS, Health Centers save the entire health system approximately twenty-four billion annually by managing chronic conditions and keeping patients out of costlier health care settings, like hospital emergency rooms; and

WHEREAS, Health Centers in Monterey County provide high-quality, affordable health care services to over one-hundred-thousand County residents regardless of ability to pay; and

WHEREAS, the Monterey County Health Department, Clinic Services Bureau’s nine clinic locations serve over forty-three thousand patients with one-hundred-seventy-one-thousand patient encounters annually.

NOW, THEREFORE BE IT RESOLVED THAT the Board of Supervisors of the County of Monterey, on behalf of the County and all of its citizens thereof, proclaim the week of August 13-19, 2017 as “**National Health Center Week**” and encourage all to visit their local Health Center and celebrate the important partnership between America’s Health Centers and the communities they serve.
