SUMMARY:

Each calendar year, the Board of Supervisors must consider Applications to Establish Agricultural Preserves (AGP) and enter into Land Conservation Contracts (LCC) and Applications to Create Farmland Security Zones (FSZ) and enter into FSZ Contracts pursuant to the Land Conservation Act of 1965 (Williamson Act). On November 12, 2024, the Board set December 3, 2024, as the date to hold a public hearing on this matter.

Before the applications are considered by the Board of Supervisors, the applications are reviewed by the Agricultural Preservation Review Committee (APRC) and the Agricultural Advisory Committee (AAC), respectively. These committees review the application materials provided by the applicant against the requirements of both programs. The APRC consists of staff from the Housing and Community Development (HCD) Planning Department, Agricultural Commissioner's Office, Assessor's Office, and the Office of the County Counsel.

Approximately 802,282 acres of land in the unincorporated area of the County of Monterey (sometimes referred to as "County") are presently under a Williamson Act contract. This year, thirteen (13) Williamson Act applications are being considered for 2025, including twelve (12) applications for the creation of FSZs and to enter into FSZ Contracts and one (1) application to establish an AGP and enter into an LCC. See **Attachment C** for the 2025 Williamson Act Applications list and **Attachment D** for a Map of each application location.

The APRC and AAC recommend approval of nine (9) FSZ applications: Applications Nos. 2025-02 (Berkshire Investments LLC, a California Limited Liability Company), 2025-05 (Silacci Family Trust dated June 21, 1982 Et al.), 2025-06 (Sair Partnership 9 LLC, a Delaware Limited Liability Company), 2025-07 (Ticino California LLC, a California Limited Liability Company), 2025-08 (Riboli Doctor's Vineyard LLC, a California Limited Liability Company), 2025-09 (Irene P. Guidotti and John E. Guidotti, Co-Trustees of the Exemption Trust under the 1995 Guidotti Revocable Trust dated January 12, 1995 Et al.), 2025-10 (Ella J. Guidotti, Trustee of the 1997 Ella J. Guidotti Revocable Trust dated February 6, 1997 Et al.), 2025-11 (Lisette Moore Allen, Successor Trustee of the Joe S. Moore Trust Agreement dated April 27, 2000 Et al.), and 2025-12 (Arroyo Vineyards LLC, a Delaware Limited Liability Company) for meeting the minimum requirements for an FSZ Contract.

The APRC and AAC recommend that the Board continue Application Nos. 2025-03 (R2 Hunter, LLC, a California Limited Liability Company) and 2025-04 (The 1996 Morgantini Revocable Trust Under Declaration of Trust dated August 16, 1996 Et al.) to the 2026 round of applications without prejudice to preserve the application fees submitted with these applications and allow the applicants time to work through issues affecting their respective applications. The APRC and AAC also recommend the denial of AGP-LCC Application No. 2025-01 (Coker Ellsworth Family Trust dated September 7, 2000 Et al.) for not meeting the minimum Williamson Act requirements. The APRC and AAC also recommend approval of the request to withdraw FSZ Application No. 2025-13 (Arroyo Vineyards LLC) and that the Board consider the AAC's recommendation to issue a partial refund of the nonrefundable application fee of the \$7,755 in the amount of \$6,755.

DISCUSSION:

See **Attachment B** for an overview of the County's Williamson Act Program and a detailed discussion of the APRC recommendations for the 2025 Williamson Act Applications.

OTHER AGENCY INVOLVEMENT:

The APRC, consisting of staff from the Assessor-Recorder's Office, the Monterey County Agricultural Commissioner's Office, the Department of Housing and Community Development-Planning and the Office of the County Counsel and the AAC concur with this recommendation.

FINANCING:

Allowing the subject nine (9) applications to attain FSZ status will reduce the assessed valuation of each property involved. The estimated impact amounts for each of the nine (9) applications to be considered for approval are shown on the Financial Impact Report attached herein (**Attachment H**). However, the Financial Impact Report will not have accurate estimated tax reductions for the two applications recommended for continuance since they have not been correctly assessed due to ownership non-reporting or incorrectly reporting actual site improvements. With this caveat, the Assessor's Office estimates that the annual net tax loss, if the nine (9) applications are approved would be \$291,019 without subvention payments and \$274,566 with subvention payments. Subvention payments were suspended in Fiscal Year 2009-2010 because of the State's fiscal constraints. Nevertheless, there is a greater overall economic benefit for agricultural conservation. In June 2020, the Monterey County Agricultural Commissioner's Office published the "Economic Contributions of Monterey County Agriculture Report" which estimated that agriculture in this County contributed 11.7 billion to the economy in 2018 alone.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

The processing of Williamson Act Contract Applications in a timely manner represents the County's effective and timely response to the Agricultural Commissioner's and Housing and Community Development Department's customer requests. Additionally, the ability to maintain a Williamson Act Contract provides an economic benefit to the agricultural industry, which is a major economic driver for the County of Monterey.
