12. Assignment. Neither the County nor PROJECT APPLICANT shall have the right to assign its respective rights and obligations hereunder without the written consent of the other party. This AGREEMENT shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, personal representatives, successors, and assigns.
13. Amendment. This AGREEMENT may be amended, modified, or supplemented only in writing by both Parties.
14. Contracting Officer. The contracting officer of the County, and the only entity authorized by law to make or amend AGREEMENT on behalf of the County, is the County of Monterey Board of Supervisors or a County employee whom they have specifically authorized.
15. Waiver. The failure of a party hereto at any time or times to require performance of any provision hereof shall in no manner affect its right at a later time to enforce the same. No

waiver by a party of any condition or of any breach of any term contained in this AGREEMENT shall be effective unless in writing, and no waiver in any one or more instances shall be deemed to be a further or continuing waiver of any such condition or breach in any other instance or a waiver of any other condition or breach of any other term.

COUNTY OF MONTEREY AGREEMENT FOR PROFESSIONAL SERVICES WITH SURVEYORS, ARCHITECTS, ENGINEERS & DESIGN PROFESSIONALS

This Professional Services Agreement ("Agreement") is made by and between the County of Monterey, a political subdivision of the State of California ("County") and Denise Duffy & Associates, Inc., a California Corporation ("CONTRACTOR").

In consideration of the mutual covenants and conditions set forth in this Agreement, the parties agree as follows:

1. **SERVICES TO BE PROVIDED.** The County hereby engages CONTRACTOR to perform, and CONTRACTOR hereby agrees to perform, the services described in **Exhibit A** in conformity with the terms of this Agreement. The services are generally described as follows:
Preparation of an Initial Study/Mitigated Negative Declaration and related environmental documents for the redevelopment of the Big Sur Campground Project.
2. **PAYMENTS BY COUNTY.** The County shall pay the CONTRACTOR in accordance with the payment provisions set forth in **Exhibit A**, subject to the limitations set forth in this Agreement. The total amount payable by County to CONTRACTOR under this Agreement shall not exceed the sum of **\$35,628.15**.
3. **TERM OF AGREEMENT.** The term of this Agreement is from **execution to August 31, 2026**, unless sooner terminated pursuant to the terms of this Agreement. This Agreement is of no force or effect until signed by both CONTRACTOR and County and with County signing last, and CONTRACTOR may not commence work before County signs this Agreement.
4. **ADDITIONAL PROVISIONS/EXHIBITS.** The following attached exhibits are incorporated herein by reference and constitute a part of this Agreement:

Exhibit A **Scope of Services/Payment Provisions**
Exhibit B **Insurance Modification**

5. **PERFORMANCE STANDARDS.**

- 5.01 CONTRACTOR warrants that CONTRACTOR and CONTRACTOR's agents, employees, and subcontractors performing services under this Agreement are specially trained, experienced, competent, and appropriately licensed to perform the work and deliver the services required under this Agreement and are not employees of the County, or immediate family of an employee of the County.
- 5.02 CONTRACTOR, its agents, employees, and subcontractors shall perform all work in a safe and skillful manner and in compliance with all applicable laws and regulations. All work performed under this Agreement that is required by law to be performed or supervised by licensed personnel shall be performed in accordance with such licensing requirements.

- 5.03 CONTRACTOR shall furnish, at its own expense, all materials, equipment, and personnel necessary to carry out the terms of this Agreement, except as otherwise specified in this Agreement. CONTRACTOR shall not use County premises, property (including equipment, instruments, or supplies) or personnel for any purpose other than in the performance of its obligations under this Agreement.

6. PAYMENT CONDITIONS.

- 6.01 CONTRACTOR shall submit to the Contract Administrator an invoice on a form acceptable to the County. If not otherwise specified, the CONTRACTOR may submit such invoice periodically or at the completion of services, but in any event, not later than thirty (30) days after completion of services. The invoice shall set forth the amounts claimed by CONTRACTOR for the previous period, together with an itemized basis for the amounts claimed, and such other information pertinent to the invoice as the County may require. The Contract Administrator or his or her designee shall certify the invoice, either in the requested amount or in such other amount as the County approves in conformity with this Agreement, and shall promptly submit such invoice to the County Auditor-Controller for payment. The County Auditor-Controller shall pay the amount certified within thirty (30) days of receiving the certified invoice.
- 6.02 CONTRACTOR shall not receive reimbursement for travel expenses unless set forth in this Agreement.

7. TERMINATION.

- 7.01 During the term of this Agreement, the County may terminate the Agreement for any reason by giving written notice of termination to the CONTRACTOR at least thirty (30) days prior to the effective date of termination. Such notice shall set forth the effective date of termination. In the event of such termination, the amount payable under this Agreement shall be reduced in proportion to the services provided prior to the date of termination.
- 7.02 The County may cancel and terminate this Agreement for good cause effective immediately upon written notice to CONTRACTOR. "Good cause" includes the failure of CONTRACTOR to perform the required services at the time and in the manner provided under this Agreement. If County terminates this Agreement for good cause, the County may be relieved of the payment of any consideration to CONTRACTOR, and the County may proceed with the work in any manner, which the County deems proper. The cost to the County shall be deducted from any sum due the CONTRACTOR under this Agreement.

8. INDEMNIFICATION.

- 8.01 For purposes of the following indemnification provisions ("Indemnification Agreement"), "design professional" has the same meaning as set forth in California Civil Code section 2782.8. If any term, provision, or application of this Indemnification Agreement is found to be invalid, in violation of public policy or unenforceable to any extent, such finding shall not invalidate any other term or provision of this Indemnification Agreement, and such other terms and provisions shall continue in full force and effect. If there is any conflict between the terms, provisions or application of this Indemnification Agreement and the provisions of California Civil Code sections 2782 or 2782.8, the broadest indemnity protection for County under this Indemnity Agreement that is permitted by law shall be provided by CONTRACTOR.

8.02 Indemnification for Design Professional Services Claims: CONTRACTOR shall indemnify, defend and hold harmless the County, its governing board, directors, officers, employees, and agents against any claims that arise out of, or pertain to, or relate to the negligence, recklessness, or willful misconduct of the CONTRACTOR, its employees, subcontractors, and agents in the performance of design professional services under this Agreement, excepting only liability arising from the sole negligence, active negligence or willful misconduct of the County, or defect in a design furnished by the County, but in no event shall the amount of such CONTRACTOR's liability exceed such CONTRACTOR's proportionate percentage of fault as determined by a court, arbitrator or mediator, or as set out in a settlement agreement. In the event one (1) or more defendants to any action involving such claim or claims against the County is unable to pay its share of defense costs due to bankruptcy or dissolution of the business, such CONTRACTOR shall meet and confer with the other parties to such action regarding unpaid defense costs.

8.03 Indemnification for All Other Claims or Loss: For any claim, loss, injury, damage, expense or liability other than claims arising out of CONTRACTOR's performance of design professional services under this Agreement, CONTRACTOR shall indemnify, defend and hold harmless the County, its governing board, directors, officers, employees, and agents against any claim for loss, injury, damage, expense or liability resulting from or alleging injury to or death of any person or loss of use of or damage to property, arising from or related to the performance of services under this Agreement by CONTRACTOR, its employees, subcontractors or agents, excepting only liability arising from the sole negligence, active negligence or willful misconduct of the County, or defect in a design furnished by the County.

9. INSURANCE.

9.01 Evidence of Coverage: Prior to commencement of this Agreement, the Contractor shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the CONTRACTOR, upon request, shall provide a certified copy of the policy or policies.

This verification of coverage shall be sent to the County's Contracts/Purchasing Division, unless otherwise directed. The CONTRACTOR shall not receive a "Notice to Proceed" with the work under this Agreement until it has obtained all insurance required and such insurance has been approved by the County. This approval of insurance shall neither relieve nor decrease the liability of the CONTRACTOR.

9.02 Qualifying Insurers: All coverages, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A VII, according to the current A.M. Best's Key Rating Guide or a company of equal financial stability that is approved by the County's Purchasing Agent.

9.03 Insurance Coverage Requirements: Without limiting CONTRACTOR's duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

Commercial General Liability Insurance: Including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than \$1,000,000 per occurrence, and \$2,000,000 in the aggregate.

(Note: Any proposed modifications to these general liability insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Automobile Liability Coverage: Must include all motor vehicles, including scheduled, , non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than \$1,000,000 per occurrence.

(Note: Any proposed modifications to these auto insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Workers' Compensation Insurance: If CONTRACTOR employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's Liability limits not less than \$1,000,000 each person, \$1,000,000 each accident and \$1,000,000 each disease.

(Note: Any proposed modifications to these workers' compensation insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Professional Liability Insurance: If required for the professional services being provided (e.g., those persons authorized by a license to engage in a business or profession regulated by the California Business and Professions Code), in the amount of not less than \$1,000,000 per claim and \$2,000,000 in the aggregate, to cover liability for malpractice or errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three (3) years following the expiration or earlier termination of this Agreement.

(Note: Professional liability insurance coverage is required if the contractor is providing a professional service regulated by the state. Examples of service providers regulated by the state are insurance agents, professional architects and engineers, doctors, certified public accountants, lawyers, etc. However, other professional contractors, such as computer or software designers, technology services, and service providers such as claims administrators, should also have professional liability. If in doubt, consult with your risk or contract manager.)

If the contractor maintains broader coverage and/or higher limits than the minimums shown above, the County requires and shall be entitled to the broader coverage and/or higher limits maintained by the contractor.

9.04 Other Requirements: All insurance required by this Agreement shall be with a company acceptable to the County and issued and executed by an admitted insurer authorized to transact insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three (3) years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the County shall be given notice in writing at least thirty (30) days in advance of any endorsed reduction in coverage or limit, cancelation, or intended non-renewal thereof. Each policy shall provide coverage for CONTRACTOR and additional insureds with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Additional Insured Status: The County of Monterey, its officers, officials, employees, agents, and volunteers are to be covered as additional insureds on the auto liability policy for liability arising out of automobiles owned, leased, hired or borrowed by or on behalf of the CONTRACTOR. Auto liability coverage shall be provided in the form of an endorsement to the CONTRACTOR's insurance.

The County of Monterey, its officers, officials, employees, agents, and volunteers are to be covered as additional insureds on the commercial general liability policy with respect to liability arising out of work or operations performed by or on behalf of the CONTRACTOR including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage shall be provided in the form of an endorsement to the CONTRACTOR's insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10, CG 20 26, CG 20 33, or CG 20 38, and CG 20 37 if a later edition is used).

Primary Coverage: For any claims related to this contract, the CONTRACTOR's insurance coverage shall be primary and non-contributory and at least as broad as ISO CG 20 01 04 13 as respects the County, its officers, officials, employees, agents, and volunteers. Any insurance or self-insurance maintained by the County, its officers, officials, employees, agents, or volunteers shall be excess of the CONTRACTOR's insurance and shall not contribute with it. This requirement shall also apply to any Excess or Umbrella liability policies.

Workers' Compensation Waiver of Subrogation: The workers' compensation policy required hereunder shall be endorsed to state that the workers' compensation carrier waives its right of subrogation against County, its officers, officials, employees, agents, or volunteers, which might arise by reason of payment under such policy in connection with performance under this Agreement by CONTRACTOR. Should CONTRACTOR be self-insured for workers' compensation, CONTRACTOR hereby agrees to waive its right of subrogation against County, its officers, officials, employees, agents, or volunteers.

Prior to the execution of this Agreement by the County, CONTRACTOR shall file certificates of insurance and endorsements with the County's Contract Administrator and County's Contracts/Purchasing Division, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of

insurance within five (5) calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect. CONTRACTOR shall always during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County annual certificates to the County's Contract Administrator and the County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, the County shall notify the CONTRACTOR and CONTRACTOR shall have five (5) calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this Agreement, which entitles the County, at its sole discretion, to terminate this Agreement immediately.

10. RECORDS AND CONFIDENTIALITY.

- 10.01 Confidentiality. CONTRACTOR and its officers, employees, agents, and subcontractors shall comply with any and all federal, state, and local laws which provide for the confidentiality of records and other information. CONTRACTOR shall not disclose any confidential records or other confidential information received from the County or prepared in connection with the performance of this Agreement, unless the County specifically permits CONTRACTOR to disclose such records or information. CONTRACTOR shall promptly transmit to the County any and all requests for disclosure of any such confidential records or information. CONTRACTOR shall not use any confidential information gained by CONTRACTOR in the performance of this Agreement except for the sole purpose of carrying out CONTRACTOR's obligations under this Agreement.
- 10.02 County Records. When this Agreement expires or terminates, CONTRACTOR shall return to the County any County records which CONTRACTOR used or received from County to perform services under this Agreement.
- 10.03 Maintenance of Records. CONTRACTOR shall prepare, maintain, and preserve all reports and records that may be required by federal, state, and County rules and regulations related to services performed under this Agreement. CONTRACTOR shall maintain such records for a period of at least three (3) years after receipt of final payment under this Agreement. If any litigation, claim, negotiation, audit exception, or other action relating to this Agreement is pending at the end of the three- (3-) year period, then CONTRACTOR shall retain said records until such action is resolved.
- 10.04 Access to and Audit of Records. The County shall have the right to examine, monitor, and audit all records, documents, conditions, and activities of the CONTRACTOR and its subcontractors related to services provided under this Agreement. Pursuant to Government Code section 8546.7, if this Agreement involves the expenditure of public funds in excess of \$10,000, the parties to this Agreement may be subject, at the request of the County or as part of any audit of the County, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three (3) years after final payment under the Agreement.

10.05 Royalties and Inventions. - 1.2 CONTRACTOR assumes that all technical documentation necessary for evaluation of the Proposed Project will be provided by the County.
- 1.3 CONTRACTOR shall complete a review of provided technical documents to confirm sufficient detail and analysis.
- 1.4 CONTRACTOR assumes that the County will conduct a peer review of the reports and documentation for the following resources:
 - Acoustics/Noise

 - Water and Wastewater
- 1.5 CONTRACTOR shall conduct a peer review of the arborist and biological resource reports (see *Task 2*, below). If additional documentation is needed, CONTRACTOR shall coordinate with County staff prior to initiating preparation of the Administrative Draft Initial Study (ADIS) (see *Task 3*).

Task 2 – Technical Resource Report – Peer Review

- 2.1 CONTRACTOR shall review the Applicant-prepared biological resource report(s) and the arborist report to ensure they adequately evaluate the Proposed Project, and that impacts are identified and recommendations for minimization are appropriate.
- 2.2 CONTRACTOR assumes that the County will perform a peer review of the remaining technical documents.

Task 3 – Prepare Administrative Draft Initial Study

- 3.1 CONTRACTOR shall prepare an ADIS for the Proposed Project in accordance with CEQA and Monterey County procedures. CONTRACTOR shall submit an

EXHIBIT A – SCOPE OF WORK/PAYMENT PROVISIONS

electronic copy of the ADIS to the County for review and comment. The proposed ADIS shall contain the following mandated sections:

- Project Description. Describe the Proposed Project background, location, and objectives, supplemented with graphics. This section will describe the characteristics of the Proposed Project based on information provided by the Applicant.
- Environmental Setting, Impacts, and Mitigation. Characterize the setting for each impact area in the CEQA Checklist, evaluate impacts based on established CEQA thresholds, and identify mitigation for potentially significant impacts, if required.
- Graphics. Prepare appropriate graphics and tables to present the environmental analysis.
- References. Identify all sources and persons contacted during the preparation of the document.

- 3.2 The ADIS shall address all issue areas identified in the most current version of the CEQA Guidelines Appendix G Environmental Checklist Form (2025). The key areas of analysis for the Proposed Project ADIS are summarized below.

Aesthetics: The ADIS will describe the existing visual characteristics of the Proposed Project. The ADIS will evaluate the visual effects of the Proposed Project and its consistency with applicable Monterey County General Plan policies, zoning requirements, and design guidelines.

Biological Resources: Implementation of the Proposed Project could, directly and indirectly, affect biological resources. The ADIS shall evaluate the potential impacts based on the results of the Applicant's Biological Report. It also shall summarize the results of the Biological Report and identify any mitigation measures to reduce impacts to a less-than-significant level if required.

Cultural and Tribal Cultural Resources: It is assumed that the Proposed Project would not develop sites that contain any known cultural or tribal resources; however, there is the potential to encounter unknown cultural or tribal cultural resources during construction. The ADIS will evaluate the potential effects to cultural resources based on the available data and records, including the cultural resources report prepared for the Proposed Project. This scope of work does not include a peer review of the cultural resources report. The ADIS also will summarize the results of AB 52 outreach conducted by the County for the Proposed Project. The ADIS shall identify any mitigation measures necessary to reduce impacts to a less-than-significant level.

Geology and Soils: Construction of the Proposed Project could result in impacts related to the geological conditions of the site. The ADIS shall address the

soil/geotechnical characteristics of the project site based on the geotechnical evaluation provided by the Applicant. Mitigation would be identified as needed for potentially significant impacts.

Hydrology and Water Quality: The ADIS shall evaluate the Proposed Project's hydrology and water quality effects. The ADIS also shall describe the proposed stormwater control system based on the hydraulic and drainage analysis prepared by the Project Applicant and shall identify the potential drainage and water quality impacts from the Proposed Project. The ADIS shall identify local and regional programs for the maintenance of water quality and the Proposed Project's adherence to these programs.

Land Use/Consistency with Plans: The ADIS shall review all applicable land use plans, the Monterey County General Plan, as well as all applicable policies and regulations to determine whether the Proposed Project would conflict with any of those adopted to avoid or mitigate an environmental impact.

Traffic: The ADIS shall evaluate traffic related impacts based on review of the analysis prepared by the Applicant. Mitigation would be identified as needed for potentially significant impacts.

Other CEQA Requirements: The ADIS will also address all other CEQA-required issues, including mandatory findings of significance and references. 4
