3	2017.20	11/19/19	Alejo	PWFP		Ishii	1/28/20	<p>Lease agreement between the City of Salinas and the County of Monterey regarding County's parcel adjacent 855 East Laurel Drive in Salinas for the implementation of a BMX Bike Track, new Skate Park, and sidewalk on East Laurel Drive in Salinas.</p>	<p>An initial referral was initiated on September 15, 2017. County Staff conferred with City Staff relative to the City's update of their Parks Master Plan. RMA has also been coordinating with City staff regarding sidewalks on County-owned lands along East Laurel Drive adjacent to this property (between Sanborn Road and Constitution Boulevard). The referral was closed on May 7, 2019 for staff to pursue efforts for a Shelter at 855 E. Laurel. RMA is preparing to bring a master planning effort for use of County lands, specifically lands at Natividad/Laurel in Salinas. This matter is reinstated for reconsideration. Public comment on this item was received on January 14, 2020.</p> <p>Item was pulled from the June 16, 2020, Board meeting agenda and is on hold pending identification of funding. PWFP staff continues to work with our state legislative consultants to identify potential grant opportunities.</p> <p>At the September 14, 2021 Board Meeting, the Board provided direction to PWFP staff to apply for Prop 68 grant funding. On January 20, 2022, the County submitted a \$3 million application to the Prop 68 Regional Park Program. Project implementation is pending notification of a grant award. 4	2018.15	6/5/18	Church	HCD		Lundquist	7/17/18	<p>Consider zoning changes to prohibit drilling for oil &amp; gas north of King City</p>	<p>Present options for initiating amendments to County zoning to prohibit new oil and gas exploration in Monterey County except in the southern Salinas Valley, generally south of King City and east of the Santa Lucia range, so that it meets all legal requirements. 5	2018.16	6/26/2018	Alejo	County Counsel/Auditor-Controller		Ginardi/Shah	8/28/2018	<p>Update County Travel Policy by County Counsel in coordination with the Auditor-Controller's Office.</p>	<p>Monterey County's travel policy managed by the Auditor-Controller has not been updated in many years and today, it does not compare with current market prices or organizational procedures and may exceed legal requirements. The current policy creates barriers for county staff to be able to effectively represent county business at conferences, trainings or in litigation. This policy also conflicts with another travel policy found in the Personnel Policies and Practices Resolution (PPPR). This referral seeks to update the policies to account for inconsistencies, business needs, efficiency, market prices, whether government rates are available or whether the discounted lodging rooms were secured by conference organizers, such as the California State Association of Counties. This lack in clarity in the existing policy is costing unnecessary staff time and an update would modernize our policy with current standards. The new policy should meet Federal and State law while supporting business efficiency.</p> <p>A revised policy was presented to the Board on November 6, 2018. An updated memo was submitted to the Board. A revised policy will be presented to the Board in June 2022. <b>Deemed "withdrawn" during Board' annual evaluation of pending referrals (April 25, 2023).</b></p>	Withdrawn
