Consider proposed member of the Board of Supervisors' appointments to various Standing Committees and Non-County Entities for calendar year 2024 as recommended by the incoming Chair of the Board of Supervisors **AND** consider creation, dissolution and/or continuation of certain Board of Supervisors Ad Hoc Committees.

RECOMMENDATION:
It is recommended that the Board of Supervisors:

a. Consider the proposed member of the Board of Supervisors' appointments to various Standing Committees and Non-County Entities as proposed by the incoming Chair; and,
b. Consider the following options for each of Board of Supervisors Ad Hoc Committees:
    i. Creation or dissolution from 2024 appointments list; or
    ii. Confirm appointments and establish new termination date.

SUMMARY:

In March 2022, the Board of Supervisors (Board) adopted policy language establishing the rotation of appointments to standing committees with three-year terms, sequentially by district, and continued confirmation of members to ad hoc committees and appointments to non-county entities at the beginning of each calendar year.

DISCUSSION:
Board Policy G-10 (Exhibit A) addresses Board standing and ad hoc committees, non-county entities to which the Board makes appointments, and the process for making such appointments. The policy set forth a rotating membership for standing committees with three-year terms and continued the confirmation of ad hoc committees and appointments to non-county entities on an annual basis.

Standing Committees
The rotational sequence for standing committee appointments commenced on January 17, 2023, following Board approval. However, staff recently identified an error in the approved rotation schedule related to the Equal Opportunity Committee. The schedule requires approval by the Board as noted in the redlined Exhibit B.

Non-County Entities:
Pursuant to Policy G-10, the County Administrative Officer (CAO) solicited input from each supervisor regarding service on various non-county entities to which the Board makes appointments. The CAO, Chief Assistant CAO, and County Counsel have conferred with the incoming Chair

regarding Board member preferences on such entities. The incoming Chair will provide recommendation for member of the Board of Supervisors' appointments to those entities for the Board's consideration.

Ad Hoc Committees
There are nine ad hoc committees of the Board, listed with detail on Exhibit C for the Board's reference. Board direction is sought regarding the creation, dissolution and/or continuance of the identified ad hoc committees.

A consolidated list of standing committee appointments and proposed member of the Board of Supervisors' appointments to various Non-County Entities by the incoming Chair is attached to this report as Exhibit D for Board consideration.

Upon Board direction, the County Administrative Office will modify and post the 2024 appointment list accordingly.

OTHER AGENCY INVOLVEMENT:
The County Administrative Office coordinated with the Office of County Counsel and the incoming Chair of the Board of Supervisors (District 2).

FINANCING:
There are no financial impacts to the General Fund resultant to the Board receiving this report. Costs related to the operation of various boards, committees and commissions are funded in the appropriate departmental budget related to their operations.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
The member of the Board of Supervisors' assignments and staff to boards, committees, and commissions for calendar year 2024 work to advance all categories of the Board's Strategic Initiatives.

County of Monterey
Board Policy Manual

Policy Name	Policy Number	Page
Standing and Ad Hoc Committees, and Non-County Entities Functions, Membership and Appointments	G-10	1 of 16
Policy Category Government and Administration		

I. Purpose

a. To establish policy and guidelines for the function of and appointments to standing andad hoc committees of the Board of Supervisors, and appointments to non-County entities such as the Local Agency Formation Commission of Monterey County ("LAFCO") and the Monterey Bay Air Resources District ("MBARD").

II. Background

a. The Board of Supervisors ("Board") has, on occasion, established various standing and ad hoc committees. In addition, the County is required or has agreed to appoint Supervisors to various non-County entities such as special districts and joint powers authorities. Historically, the appointments to such committees and non-County entities have been annually upon recommendation of the incoming Chairperson of the Board and vote of the full Board. The procedure for appointments has not been formally established and was last addressed by the Board in 2010.

b. This policy is intended to formalize the functions of, and the appointment process to, Board standing and ad hoc committees, and appointments to non-County entities.

III. Policy

a. It is the policy of the Board that the functions of and appointments to Board standing and ad hoc committees, and appointments to non-County entities, be pursuant to this policy unless otherwise determined by Board resolution or Board order.

IV. Definitions

a. "Standing committee" means an advisory committee established by the Board consisting of less than a quorum of the Board and having continuing jurisdiction of a major policy issue or objective, or an issue of ongoing significance to the County. Standing Committees shall be subject to the California Open Meeting Law, Government Code

section 54950 et seq. (the "Brown Act").

b. "Ad hoc committee" means an advisory committee established by the Board, consisting of less than a quorum of the Board, and established to address a specific issue or goal with a limited existence. Ad hoc committees shall generally not exist for the lesser of the time to complete their purpose or 1 year.In unusual circumstances, the Board may authorize an ad hoc committee to exist beyond 1 year, but such committees shall not exist for more than a total of eighteen (18) months. Ad hoc committees are not subject to the Brown Act.

c. "Non-County entity" means a non-County legislative or governing body established pursuant to state law or agreement. Examples of non-County entities are, but are not limited to, LAFCO, MBARD, Salinas Valley Groundwater Sustainability Agency ("SVBGSA"), Salinas Valley Recycles (Salinas Valley SolidWaste Authority), Monterey Regional Waste Management District ("MRWMD"), and Monterey One Water ("M1W"). Such entities may or may not be subject to the Brown Act, depending on their organic law, method of formation, or unilateraldetermination. Membership on some such entities may also be determined by state law or agreement.

V. Committees established

a. Standing committees.

As of the date this policy was adopted, the standing committees of the Board are as set forth in Attachment A. The Board may create new or abolish existingstanding committees from time-to-time, and the Clerk of the Board ("COB") is authorized and directed to update Attachment A as necessary to reflect the newor abolished committees. Attachment A shall reflect which committees are newand which have been abolished, and the date of such action by the Board to create a historical record of standing committees.

b. Ad hoc committees.

As of the date this policy was adopted, the ad hoc committees of the Board are as set forth in Attachment B. The Board may create new or abolish existing ad hoc committees, on occasion, and the COB is authorized and directed to update Attachment B as necessary to reflect the new or abolished committees. Attachment B shall reflect which committees are new and which have been abolished, the date of such action by the Board, and the target date for the termination of the Ad Hoc Committee, to create a historical record of ad hoc committees.

c. Non-County entities.

As of the date this policy was adopted, the non-County entities to which the Board makes appointments are as set forth in Attachment C. Non-County entities may be created or abolished on occasion, and the COB is

authorized and directed to update Attachment C as necessary to reflect the newor abolished entities. Attachment C shall reflect which entities are new and which have been abolished, and the date of such action, to create a historical record of non-County entities.

VI. Appointments and Membership

a. Standing committees.

The membership on standing committees shall be on a rotational basissequentially by Supervisorial District as follows:

1. Supervisors shall serve on a standing committee for a term of three years that commences on January 1st and ends on December 31st.

2. Upon adoption of this policy, the Chairperson shall recommend appointments to the standing committees for the remainder of calendar year 2022, with consideration given to interest, continuity, expertise and importance to specific Supervisorial Districts, and the Board shall make the appointments. Thereafter, in December of 2022, the incoming Chairperson shall recommend appointments to the standing committees on a rotational basis. The recommendations shall be by Supervisorial District sequentially, and the recommendations shall stagger the initial terms such that not all memberships start with District 1. For example, Districts 1 and 2 to committee A; Districts 2 and 3 to committee B; Districts 3 and 4 to committee C, etc. The Board shall make the appointments at the first meeting in January of 2023, designating the Supervisor first in sequence to serve an initial term of two years, and the Supervisor second in sequence to serve the full term. Thereafter, upon completion of a Supervisor's term on the committee, the Supervisor from the District next in sequence shall serve on the committee and no formal appointment by the Board shall be required.

3. A Supervisor whose District is in sequence may, at the start of a term, decline to serve on a standing committee, in which case the Supervisor in the District next in sequence shall serve, and the membership sequence shall remain the same. For example, if the Supervisor from District 3 is next in sequence to start a term to serve on committee A and declines, theSupervisor from District 4 then serves on the committee and District 5 is next in sequence. The declining Supervisor shall provide notice to the Chairperson, CAO, County Counsel, and the COB in the December prior to the start of a term.

   If all other Supervisors decline to serve, the Board shall make an appointment upon the Chairperson's recommendation. Upon such appointment, the appointed Supervisor's District shall not re-start the sequence of membership and it remains the same. In the same exampleas above, if District 2 is appointed, District 5 remains next is sequence.

4. A Supervisor whose District is in sequence may assign or delegate membership on a standing committee to another Supervisor at the start of a term. Such assignment or delegation shall require Board approval. In the event the Board approves the assignment or delegation, the assigned/delegated Supervisor's District shall not re-start the sequence of membership. For example, the Supervisor from District 4 is on committee B and the Supervisor from District 5 is next in sequence to serve on that committee. The Supervisor from District 5 may assign or delegate service to the Supervisor from District 3. Upon Board approval, the Supervisor from District 3 serves on the committee, but District 1 remains in sequence to next serve a term on the committee. If the Board declines all proposed assignments/delegations, the Supervisor from the District in sequence shall serve the term. In the example above, if the Board declines the assignment/delegation to District 3, the Supervisor from District 5 shall serve the term.

5. Membership on standing committees is by District. If a new Supervisor is elected during a term for which a District is serving on a committee, the newly elected Supervisor shall finish out the term.

6. Supervisors who begin a term on a committee are expected to serve out that term. If a vacancy occurs in a Supervisorial District, or a Supervisor desires to resign or refuses to participate in committee meetings, the procedures in paragraph VI.A.3, above, shall generally be followed, and the selected Supervisor shall serve out the term on the committee, but thesequence of membership shall remain the same.

7. Notwithstanding the foregoing:

    i. A Supervisor from either District 3 or 4 shall serve on the Monterey Urban County Standing Committee with the remaining position rotating sequentially by District;

    ii. The Supervisors from Districts 2 and 3 shall serve on the Water Resources Agency Joint Boards Leadership Committee;

    iii. The Supervisor from District 3 shall serve on the Cannabis Standing Committee with the remaining position rotating sequentially by District;and,

    iv. The Supervisor appointed to serve on the Coalition of Homeless Services Providers Leadership Council shall serve on the Homelessness Standing Committee with the remaining position rotating sequentially by District.

    v. Should any of the above identified Supervisors decline to serve, wish to assign or delegate, or resign from serving, the procedures in paragraphs VI.A.3, A.4 or A.6, above, shall be followed as appropriate.

8. The COB shall keep a roster of standing committee membership which shall be presented to the Board for information at the Board's first meetingof the calendar year.

b. Ad hoc committees.

Ad hoc committees may be formed on occasion by the Board. Upon formation, the Board shall determine membership and anticipated length of existence, with consideration given to interest, expertise, and importance to specific Supervisorial Districts. Supervisors appointed to an ad hoc committee are expected to serve on the committee until such time as the committee is disbanded; however, a Supervisor may request to be removed from a committee,in which case the Board shall select a replacement.

Prior to the first meeting of the Board in a calendar year, the COB shall prepare amatrix showing membership on ad hoc committees and the anticipated expiration of the committees, and submit the matrix for Board confirmation at the first meeting of the calendar year. The COB shall keep the matrix for reference and shall update the matrix if a committee is disbanded during the calendar year.

c. Non-County entities.

In December of each year, for those non-County entities whose membership is not set by state law or agreement, the CAO shall, in a manner that does not violate the Brown Act, and in consultation with the County Counsel, solicit interest from each Supervisor regarding service on such entities (designated appointments are listed on Attachment C). Upon receiving such input, the CAO shall provide the information to the incoming Chairperson, who shall prepare recommendations for appointments to the non-County entities, including recommendations for those non-County entities whose membership is set by state law or agreement. Recommendations for those entities whose membershipis not set by state law or agreement shall be prepared with consideration given tointerest, continuity, expertise, and importance to specific Supervisorial Districts.
The CAO shall process to the full Board consideration of the recommendations atthe first Board meeting in January of each year, and the Board shall make such appointments as it deems appropriate. The COB shall keep a roster of non- County entity membership for reference.

VII. Committee Procedures

a. At their first meeting of each calendar year, standing and ad hoc committees shall select a Chairperson. Generally, and unless a committee determines otherwise, the Chairperson position of each committee shall rotate annually between its appointees. The meetings of committees, and the responsibility of committee members, shall be in conformance with Section 2.04.250 of the Monterey County Code, enclosed for ease of reference as Attachment D.

VIII. Review Date

a. This Policy will be reviewed by the Board in December of 2024, and then every even numbered year after that.

Item No.4.1

Board of Supervisors
Chambers
168 W. Alisal St., 1st Floor
Salinas, CA 93901

January 09, 2024

Introduced: 1/5/2024
Version: 1

Current Status: Passed
Matter Type: Ceremonial Resolution

Adopt a resolution in recognition of the Thirtieth Anniversary of Centro Binacional para el Desarrollo Indígena Oaxaqueño. (Supervisor Lopez) (ADDED VIA ADDENDA)

Introduced: 1/4/2024
Version: 1

Current Status: Agenda Ready
Matter Type: Appointment

Consider making an appointment to the Monterey County Regional Fire District Board of Directors for a four-year term, effective upon appointment through January 9, 2028. (REVISED VIA SUPPLEMENTAL)

RECOMMENDATION:
It is recommended that the Board of Supervisors consider making an appointment to the Monterey County Regional Fire District (MCRFD) Board of Directors for a four-year term, effective upon appointment through January 9, 2028.

SUMMARY/DISCUSSION:
The Monterey County Regional Fire District is governed by five Board of Directors who are appointed by the County of Monterey Board of Supervisors (Board). In October 2023, the Board adopted a policy concerning appointments to the MCRFD Board of Directors for the purpose of setting forth a clear and equitable process for appointments by the Board to the MCRFD Board.

In accordance with the policy (Exhibit A), a 30-day solicitation period was initiated to fill a current vacancy on the Board of Directors on November 16, 2023. The vacancy must be filled through Board appointment of a resident from the supervisorial district's service territory, in this instance, either District 4 or 5. By December 16, 2023, two applications with resume and statement of interest were submitted; a third application was received late and incomplete. The two complete applications have been vetted by the County Administrative Officer and reviewed by County Counsel, see attached applications.

The Board is asked to confer and make an appointment to the MCRFD Board for a four-year term.

OTHER AGENCY INVOLVEMENT:
The County Administrative Office coordinated with the Office of County Counsel.

FINANCING:
There are no financial impacts to the General Fund resultant to the Board receiving this report.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
The proposed action advances the Board's administrative and public safety initiatives.

Before the Board of Supervisors
County of Monterey, State of California

Resolution No.: 23-468

Adopting a policy regarding appointments)
to the Board of Directors of the Monterey)
County Regional Fire District.)

WHEREAS, the Monterey County Regional Fire District ("MCRFD") is a special fire district organized and operating pursuant to Health and Safety Code section 13800 et seq.; and,

WHEREAS, the territory served by the MCRFD includes areas within County of Monterey Supervisorial Districts 2, 3, 4 and 5; and,

WHEREAS, the MCRFD is governed by a five-member Board of Directors appointed by the County of Monterey Board of Supervisors; and,

WHEREAS, members of the MCRFD Board must be residents of the area served by the MCRFD; and,

WHEREAS, in the event of a vacancy on the MCRFD Board, such vacancy is filled by the Board of Supervisors pursuant to Government Code section 1779; and,

WHEREAS, there is no procedure set forth in state law for the noticing the Board of Supervisors of a vacancy on the MCRFD Board; and,

WHEREAS, it is necessary and appropriate for the Board of Supervisors to adopt a policy setting forth a clear and equitable process for appointments by the Board of Supervisors to fill vacancies on the MCRFD Board; NOW, THEREFORE,

BE IT RESOVED, by the Board of Supervisors in and for the County of Monterey as follows:

1. The MCRFD must notify the Monterey County Clerk of the Board of Supervisors of an actual or potential vacancy on the MCRFD Board of Directors immediately upon learning of the actual or potential vacancy and in no event later than five business days of learning of such vacancy.

2. Upon such notification, the Clerk of the Board shall immediately inform the Board of Supervisors and the County Administrative Officer ("CAO").

3. Upon notification of the vacancy, the CAO shall institute a process for the solicitation of interested residents within the territory of the MCRFD to serve on the MCRFD Board, including the publication in newspapers of general circulation and posting on the County and MCRFD websites, such solicitation to remain open for thirty (30) calendar days from posting on the County's website.

4. Interested persons may self-nominate to serve on the MCRFD Board by filing an application with the Clerk of the Board no later than the close of the solicitation period, such application to indicate a place of residence and general qualifications to serve.

5. The Supervisors for Districts 2, 3, 4 and 5 may nominate persons to serve on the MCRFD Board by providing the Clerk of the Board, no later than the close of the solicitation period, with a memorandum setting forth the residence of the person nominated, and general qualifications to serve.

6. Following the close of the nominating period, the CAO shall cause the applications and Supervisorial nominations to be vetted to confirm residency within the MCRFD territory and determine the Supervisorial District within which the applicant or nominee resides, and shall cause an item to be on the Board of Supervisors agenda within 2 weeks of the close of the solicitation period for the Board to consider the appointment.

7. In making the appointment, the Board of Supervisors shall consider the Supervisorial District within which the applicants or nominees reside such that the MCRFD Board shall have an equitable representation of the Supervisorial Districts served by the MCRFD.

8. This process shall only apply to vacancies on the MCRFD Board; however, staff is directed to prepare a general Board policy describing a clear and equitable process for the filling of vacancies on the boards of special districts for which the Board of Supervisors is the appointing authority.

9. The CAO and County Counsel are authorized and directed to take such other and further action as may be necessary or appropriate to implement the intent and purposes of this resolution.

PASSED AND ADOPTED on this 24th day of October 2023, by roll call vote:

AYES: Supervisors Alejo, Church, Lopez, Askew, and Adams
NOES: None
ABSENT: None

I, Valerie Ralph, Clerk of the Board of Supervisors of the County of Monterey, State of California, hereby certify that the foregoing is a true copy of an original order of said Board of Supervisors duly made and entered in the minutes thereof of Minute Book 82 for the meeting October 24, 2023.

Interests & Experiences

Please tell us about yourself and why you want serve.

I just moved to the Toro Park area but I've been involved in community service in Monterey for many years. I am currently Director of Governmental and External Relations for CSUMB and formal Distirct Director to Senator Monning. I am also a governor's appointee to Monterey County Fairgrounds (7th Agricultural District) and I am on the Board of Directors of the Monterey Peninsula Chamber of Commerce. I love to give back and serve my community.

Please state the reason you would like to be a member of this board committee/commission/district.

When I worked for Senator Monning, we dealt with fires in this community at the ground level. I'd like to put my skills and knowledge in this area to good use. And now that I live in Toro Park, I have a vested interest in what it takes to keep the community safe. I have a great deal of board experience as well that can be of use.

Dear Monterey County Regional Fire District,

I am interested in serving on the Board of Directors for your organization.

Having witnessed firsthand the importance of community involvement and engagement with the East Garrison Fire Station, I believe my experience and passion for serving the community would make me a valuable addition to your Board of Directors. I would be dedicated to supporting and advocating for the county regional fire district's needs and working towards creating safer and stronger communities for our residents.

On a personal note, having lost a bonus daughter and her father to a fire in 2018, I take fire safety and fire mitigation seriously. They perished because they did not have a working smoke detector. I've wanted to work on this issue and help create solutions to put smoke detectors in every housing unit that needs one.

Thank you for your time and consideration of my application.

Sincerely,

Teri Short

Please tell us about yourself and why you want serve:
I am the CEO (and founding Chairman - 1984) of the Ag Land Trust. The Ag Land Trust currently owns in fee ownership or conservation easements over 48,000 acres of farmland in Monterey County. I am a fourth generation Monterey County resident and our family has farmed in Monterey County since 1918. Previously, I served for 12 years on the Monterey County Board of Supervisors and 8 years on the State Water Resources Control Board. I believe that my knowledge of agricultural issues, including pesticide issues, water resource issues, and urban ag conflicts, would greatly contribute to the decision making process of the Agricultural Advisory Board.

Please state the reason you would like to be a member of this board committee/commission/district:
I would like to serve on the committee because I have real experience in a variety of agricultural issues that are not common experiences by typical farmers or agribusiness persons. I think that my experiences and knowledge would greatly contribute to a better quality of detailed analysis and decision making.

EXPERIENCE

Dole Fresh Vegetables Salinas, CA
Director of Internal Farming/Greenhouse and Transplant Operations/Farm Research and Development 08/2020 to present
Managing the internal farming operations in Salinas, Huron, Oxnard, and Yuma. Along with overseeing the greenhouse and transplant functions and the in-house R&D department. In my short term I have been able to change the culture within these areas to function as a cohesive Team and not in silos. This has resulted in improved focus on productivity and cost savings.

Elkhorn Packing Company Salinas, CA. Yuma, AZ
General Manager 04/2019 to 07/31/2020
Managed the daily operations of a labor contracting/harvesting business utilizing H2A employees. Developed cost tracking and productivity programs to establish visibility to the business. Implemented a equipment tracking program to monitor the companies fleet of assets.

BENGARD RANCH Salinas, CA
Grower Relations/Farm Management 08/2018 to 01/15/2019
Scope of work was to develop a succession plan for the farming team. Due to unforeseen challenges, I was not able to accomplish the task.

EARTHBOUND FARM San Juan Bautista, CA
Chief Production Officer 07/2011 to 02/2018
Managed all internal farming operations with a $75 million budget. Had positive results year after year on 7,500 farm acres translating to more than 15,000 crop acres.

Sr. VP of Northern Farming Operations 01/2010 to 07/2011
Oversaw a $35 million budget on 4,000 farm acres, turning more than 8,000 crop acres for the northern farming operation. Directed integration of multiple entities, including Mission Organics, American Organics, and Lonoak Farms.

MISSION ORGANICS Salinas, CA
Founder, Managing Partner 09/1996 to 12/2009
Brought "organic farming" into the world of production agriculture. Took a 500-acre land base and fostered it into over 4,500 farm acres producing over 9,000 fully organic crop acres. Developed a highly knowledgeable team of organic farmers and support personnel, who were leaders of organic vegetable production in North America, farming exclusively for Earthbound Farm. Implemented the baby green farming and harvesting program and pioneered new techniques to the trade.

CHRISTENSEN & GIANNINI Salinas, CA
General Manager 02/1988 to 08/1996
Responsible for a 2,500-acre operation, cropping more than 5,000 acres annually. Supervised all farming and harvesting operations.

Don Chesterman

Dear Board Members,

I would like to be considered for a position on the Pajaro/Sunny Mesa Board. I have two years' experience working as a chemist in a lab doing water and soil testing for inorganic chemicals. I have taught Chemistry, Ecology, Physical Science and Biology at the high school level. I also spent 30 years with the California Department of Corrections before retiring in 2007. During that time, I was part of the activation team at Salinas Valley State Prison, establishing and supervising four Law Libraries, 17 Academic Classes, and 20 Vocational Programs, as well as the Recreational Activities and Rehabilitation Programs. This included hiring qualified staff and supervisors, purchasing equipment, setting up the shops and classrooms and filling the programs.

Since retiring in 2007 I have volunteered at the Elkhorn Slough National Estuarine Reserve, mostly working in the maintenance department doing a wide variety of duties to include mowing weeds for eradication of the non-native species, cutting eucalyptus trees for habitat restoration, constructing owl boxes, and maintaining the wildlife watering sites on the property. I also volunteer with the research department monitoring bird boxes for a study on nesting birds in the various woodlots that has been going on for the past 15 years and have worked with the nursery collecting and propagating native plants for use in restoration projects.

I am a very good communicator, have good computer skills and take an interest in my neighbors in the Prunedale area. I have been an officer of the Berta Meadows HOA for 14 of my 20 years living in that development, holding every position except the vice-president position over the course of the 20 years. I have also volunteered at the Castroville Library as the photographer for the Art Literacy Program which my wife ran for seven years.

I know the importance of the water systems overseen by Pajaro Sunny Mesa and was ecstatic when they took over from the previous company which had done such a poor job with the Normco system it was put into receivership. I feel it is a good time to give something back and so I am volunteering for a position on the board.

Thank you for considering me for the position.

Sincerely

Don Chesterman

Interests and Experiences

Currently serving on a County of Monterey Board, Commission, Committee or other Community Advisory Group? **No**
Has served on an advisory group before? **Yes**
Able to attend meetings regularly and devote the time necessary to fulfill duties as a member? **Yes**

Please tell us about yourself and why you want serve:
Almost a year ago I retired from both federal and city government, where my skills were honed, and I gained experience that fed my deep sense of responsibility and commitment. It has always been important for me to be of service to our community and I would be honored to be considered for this county position.

Please state the reason you would like to be a member of this board committee/commission/district:
Our airports provide community members, businesses, and visitors invaluable connections to the world. As a city resident within the MRY's area of influence, I want to understand better and help decide how close land use decisions are made to ensure a healthy, delicate balance of economic growth, environmental protection, and lifestyle.

Interests and Experiences

Currently serving on a County of Monterey Board, Commission, Committee or other Community Advisory Group? **Yes**
Has served on an advisory group before? **Yes**
Able to attend meetings regularly and devote the time necessary to fulfill duties as a member? **Yes**

Please tell us about yourself and why you want serve:
I serve as President, Dean, and CEO of Monterey College of Law, a unique 501(c)3 non-profit California accredited law school system headquartered in Monterey that includes Monterey College of Law, San Luis Obispo College of Law, Kern County College of Law, and Empire College of Law. MCL is one of the first two California Accredited Law Schools (CALS) authorized to offer a hybrid online J.D./M.L.S. degree program and the only CALS authorized to offer a post-graduate LL.M. degree. The MCL law schools provide high quality, part-time, evening law degree programs for traditional and non-traditional students. The law school also provides over a dozen community legal advisory clinics to serve at-risk and under-represented community members throughout Monterey County. We respond to an average of 5,000 telephone inquiries and 1,000 advisory appointments each year. Many of these issues are related to landlord/tenant and housing conflicts. As such, I am very aware of the unique challenges related to housing throughout the County. I am interested in the complex challenges facing the County as it works to provide additional housing that will enhance the quality of life for existing residents as well as addressing the need for an expanding workforce to meet the needs of area business and industry.

Please state the reason you would like to be a member of this board committee/commission/district:

As a lawyer who has previous experience in real estate development, community development, and market analysis, I am interested in the complex challenges facing the County as it works to provide additional housing for all levels of residents. These challenges include environmental regulations, water use policy, state housing mandates, and federal, state, county, and municipal housing laws and regulations. Having a legal background and experience in public policy development should be an asset for the Housing Advisory Committee. I also currently serve as one of seven directors of the Seaside Housing Collaborative, a 501(c)3 organization formed by the city to focus on providing more affordable housing within the city. I was appointed by the Seaside City Council to the volunteer position as one of two non-resident directors. It seems to me that affordable and inclusionary housing issues are complimentary challenges for both County and City policies and strategies and that participating in both could be beneficial to both committees.

General Public Comments
This portion of the meeting is reserved for persons to address the Board on any matter not on this agenda but under the jurisdiction of the Board of Supervisors. Board members may respond briefly to the statement made or questions posed. They may ask a question for clarification; make a referral to staff for factual information or request staff to report back to the Board at a future meeting.

a. Adopt an ordinance to amend the contract between the California Public Employees' Retirement System and the County of Monterey to provide Section 21118 Partial Service Retirement for local miscellaneous members and local safety members; and
b. Direct the Human Resources Department to work with the County Administrative Office and the Office of the County Counsel to implement the Partial Service Retirement Program.

RECOMMENDATION:

It is recommended that the Board of Supervisors:

a. Adopt an ordinance to amend the contract between the California Public Employees' Retirement System and the County of Monterey to provide Section 21118 Partial Service Retirement for local miscellaneous members and local safety members; and
b. Direct the Human Resources Department to work with the County Administrative Office and the Office of the County Counsel to implement the Partial Service Retirement Program.

SUMMARY/DISCUSSION:

On July 25, 2023, the Board of Supervisors authorized the Human Resources Department to work with the California Public Employees' Retirement System (CalPERS) to implement a Partial Service Retirement Program in the County of Monterey. The Partial Service Retirement Program will allow Department Heads to refer eligible employees, based on departmental operational needs and approval from the County Administrative Officer, to work part-time while simultaneously drawing on their CalPERS retirement benefits. This program will equip departments to provide mentoring opportunities for employees while retaining access to decades of institutional knowledge, years of experience, and specialized skill sets.

The establishment of Partial Service Retirement Program requires an amendment to the contract between the County of Monterey and the California Public Employees' Retirement System. The amendment of the contract requires a two-step process. The first step was completed on July 25, 2023, with the Board of Supervisors approving the intent to modify the contract with CalPERS. The second step requires the approval of the amendment to the contract between the County of Monterey and CalPERS (Attachment A) through an ordinance to establish Partial Service Retirement Program and approval of the Certification of Final Action of Governing Body Action (Attachment B). On November 28, 2023, the Board of Supervisors approved the introduction, waiving of the first reading, and set January 9, 2024, at 10:30 am as the date and time to consider the adoption of the ordinance

to amend the contract.

As such, the Human Resources Department recommends the Board of Supervisors adopt the Ordinance to Amend the Contract Between the County of Monterey and California Public Employees' Retirement System (Attachment C), the Certification of Final Action of Governing Body and authorize the Human Resources Department to work with the California Public Employees' Retirement System and applicable County departments to establish the Partial Service Retirement Program and amend the contract with CalPERS.

On November 28, 2023, the Board of Supervisors introduced the ordinance, waived reading, and advanced the ordinance for adoption at the meeting on January 9, 2024, at 10:30 a.m.

OTHER AGENCY INVOLVEMENT:
The Human Resources Department has consulted with the County Administrative Office, the Office of the County Counsel, and the Auditor-Controller's Office regarding the implementation of the Partial Service Retirement Program. The County Counsel's Office has reviewed the ordinance as to form.

FINANCING:
Participation in the Partial Service Retirement Program may result in higher costs for the participating department. Departments will absorb these costs in their existing department budgets. As the cost of implementing this program is dependent on the employee's actual participation in the program, CalPERS is unable to provide an estimated cost at this time. Employees participating in PSRP are not considered "retired" for purposes of CalPERS until they apply and are approved for full retirement benefits by CalPERS.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
The recommended action addresses the Board of Supervisors' Administration Strategic Initiative and demonstrates the County's commitment to meeting the Board's initiatives by attracting, recruiting, and retaining a diverse, talented workforce that supports the mission of Monterey County.

County of Monterey

The Board of Administration, California Public Employees' Retirement System, hereinafter referred to as Board, and the governing body of the above public agency, hereinafter referred to as Public Agency, having entered into a contract effective June 1, 1948, and witnessed December 29, 1947, and as amended effective November 26, 1951, January 1, 1952, October 1, 1953, January 1, 1954, July 1, 1960, January 1, 1962, January 25, 1969, September 4, 1971, January 1, 1973, June 23, 1973, August 18, 1973, June 21, 1975, August 16, 1975, May 22, 1976, December 1, 1977, April 19, 1980, January 9, 1982, December 5, 1986, November 11, 1989, April 14, 1990, May 16, 1991, December 25, 1998, July 1, 2000, December 16, 2000, February 10, 2001, August 11, 2001, September 22, 2001, February 9, 2002, May 24, 2002, November 30, 2002, September 1, 2007, and November 5, 2011, which provides for participation of Public Agency in said System, Board and Public Agency hereby agree as follows:

Pursuant to Government Code sections 20460.1, 20469.1, subdivision (b), and 71624, this contract is hereby amended to add the Trial Court of Monterey County, hereinafter referred to as Trial Court, as a contracting party. Trial Court shall participate in the Public Employees' Retirement System from and after implementation date of the Trial Court Employment Protection and Governance Act pursuant to the terms and conditions of this contract, making its employees members of said System subject to all provisions of the Public Employees' Retirement Law except such as apply only on election of a contracting agency and are not provided for in this contract and to all amendments to said Law hereafter enacted except those, which by express provisions thereof, apply only on the election of a contracting agency."

A. Paragraphs 1 through 16 are hereby stricken from said contract as executed effective November 5, 2011, and hereby replaced by the following paragraphs numbered 1 through 18 inclusive:

1. All words and terms used herein which are defined in the Public Employees' Retirement Law shall have the meaning as defined therein unless otherwise specifically provided. "Normal retirement age" shall mean age 55 for classic local miscellaneous members, age 62 for new local miscellaneous members, age 50 for classic local fire members and those classic county peace officers entering membership in the county peace officer classification on or prior to November 5, 2011, age 55 for classic county peace officers entering membership for the first time in the county peace officer classification after November 5, 2011, and age 57 for new local safety members.

2. Public Agency shall participate in the Public Employees' Retirement System from and after June 1, 1948, making its employees as hereinafter provided, members of said System subject to all provisions of the Public Employees' Retirement Law except such as apply only on election of a contracting agency and are not provided for herein and to all amendments to said Law hereafter enacted except those, which by express provisions thereof, apply only on the election of a contracting agency.

3. Public Agency agrees to indemnify, defend and hold harmless the California Public Employees' Retirement System (CalPERS) and its trustees, agents and employees, the CalPERS Board of Administration, and the California Public Employees' Retirement Fund from any claims, demands, actions, losses, liabilities, damages, judgments, expenses and costs, including but not limited to interest, penalties and attorney fees that may arise as a result of any of the following:

   (a) Public Agency's election to provide retirement benefits, provisions or formulas under this Contract that are different than the retirement benefits, provisions or formulas provided under the Public Agency's prior non-CalPERS retirement program.

   (b) Any dispute, disagreement, claim, or proceeding (including without limitation arbitration, administrative hearing, or litigation) between Public Agency and its employees (or their representatives) which relates to Public Agency's election to amend this Contract to provide retirement benefits, provisions or formulas that are different than such employees' existing retirement benefits, provisions or formulas.

   (c) Public Agency's agreement with a third party other than CalPERS to provide retirement benefits, provisions, or formulas that are different than the retirement benefits, provisions or formulas provided under this Contract and provided for under the California Public Employees' Retirement Law.

4. Employees of Public Agency in the following classes shall become members of said Retirement System except such in each such class as are excluded by law or this agreement:

   a. Local Fire Fighters (herein referred to as local safety members);

   b. County Peace Officers (included as local safety members);

   c. Employees other than local safety members (herein referred to as local miscellaneous members).

5. In addition to the classes of employees excluded from membership by said Retirement Law, the following classes of employees shall not become members of said Retirement System:

   a. RESIDENT PHYSICIAN I, II, AND III.

6. Prior to January 1, 1975, those members who were hired by Public Agency on a temporary and/or seasonal basis not to exceed 6 months were excluded from PERS membership by contract. Government Code Section 20336 superseded this contract provision by providing that any such temporary and/or seasonal employees are excluded from PERS membership subsequent to January 1, 1975. Legislation repealed and replaced said Section with Government Code Section 20305 effective July 1, 1994.

7. The percentage of final compensation to be provided for each year of credited prior and current service for classic local miscellaneous members shall be determined in accordance with Section 21354 of said Retirement Law, subject to the reduction provided therein for service on and after January 1, 1956, the effective date of Social Security coverage, for members whose service has been included in Federal Social Security (2% at age 55 Full and Modified).

8. The percentage of final compensation to be provided for each year of credited prior and current service as a new local miscellaneous member shall be determined in accordance with Section 7522.20 of said Retirement Law (2% at age 62 Supplemental to Federal Social Security).

9. The percentage of final compensation to be provided for each year of credited prior and current service as a classic local fire member shall be determined in accordance with Section 21362 of said Retirement Law (2% at age 50 Full).

10. The percentage of final compensation to be provided for each year of credited prior and current service as a classic county peace officer entering membership in the county peace officer classification on or prior to November 5, 2011, shall be determined in accordance with Section 21362.2 of said Retirement Law (3% at age 50 Full).

11. The percentage of final compensation to be provided for each year of credited current service as a classic county peace officer entering membership for the first time in the county peace officer classification after November 5, 2011, shall be determined in accordance with Section 21363.1 of said Retirement Law (3% at age 55 Full).

12. The percentage of final compensation to be provided for each year of credited prior and current service as a new local safety member shall be determined in accordance with Section 7522.25(d) of said Retirement Law (2.7% at age 57 Full).

13. Public Agency elected and elects to be subject to the following optional provisions:

    a. Section 21571 (Basic Level of 1959 Survivor Benefits) for local miscellaneous members only.

    b. Sections 21624, 21626 and 21628 (Post-Retirement Survivor Allowance) for local fire members; those county peace officers entering membership on or prior to January 9, 1982, and those specified county peace officers, pursuant to Section 20480, Statutes of 1999, who entered membership after January 9, 1982.

    c. Sections 20839 (provides for prior service credit to employees who were under direction and supervision of the public agency, but whose compensation was received from some other sources). Legislation repealed said Section effective January 1, 1973.

    d. Section 20840 (provides the retirement allowance of any person granted additional prior service credit pursuant to Section 20839, and who retired prior to June 21, 1954, shall be recalculated and paid for time beginning with said effective date in the recalculation amounts). Legislation repealed and added said Section effective January 1, 1973.

    e. Section 21222.1 (One-Time 5% Increase - 1970). Legislation repealed said Section effective January 1, 1980.

    f. Section 20439 ("County Peace Officer" shall include county jail, detention or correctional facility employees as described in Government Code Section 20439).

g. Section 20042 (One-Year Final Compensation) for classic local miscellaneous members and those classic county peace officers entering membership on or prior to November 5, 2011.

h. Section 20440 ("County Peace Officer" shall include bailiffs as described in Government Code Section 20440).

i. Section 21222.2 (One-Time 5% Increase - 1971). Legislation repealed said Section effective January 1, 1980.

j. Section 21319 (One-Time 15% Increase for Local Miscellaneous Members Who Retired or Died Prior to July 1, 1971). Legislation repealed said Section effective January 1, 2002.

k. Section 21325 (One-Time 3% to 15% Increase For Local Miscellaneous Members and Local Safety Members Who Retired or Died Prior to January 1, 1974). Legislation repealed said Section effective January 1, 2002.

l. Section 21326 (One-Time 1% to 7% Increase For Local Miscellaneous Members and Local Safety Members Who Retired or Died Prior to July 1, 1974). Legislation repealed said Section effective January 1, 2002.

m. Section 20475 (Different Level of Benefits): Section 21624, 21626, and 21628 (Post Retirement Survivor Allowance) are not applicable to county peace officers entering membership for the first time with this agency in the county peace officer classification after January 9, 1982, except those specified county peace officers, pursuant to Section 20480, Statutes of 1999.

Section 21363.1 (3% @ 55 Full formula) and Section 20037 (Three-Year Final Compensation) are applicable to classic county peace officers entering membership for the first time with this agency in the county peace officer classification after November 5, 2011.

n. Section 21024 (Military Service Credit as Public Service).

o. Section 20438 ("County Peace Officer" shall include probation officers, deputy and assistant probation officers, juvenile hall employees, and persons employed as peace officers pursuant to Section 830.5 of the Penal Code as described in Government Code Section 20438).

p. Section 20903 (Two Years Additional Service Credit) for local miscellaneous members only.

q. Section 21548 (Pre-Retirement Option 2W Death Benefit) for local miscellaneous members only.

r. Section 21574 (Fourth Level of 1959 Survivor Benefits) for local safety members only.

s. Section 21023.5 (Public Service Credit for Peace Corps, AmeriCorps VISTA, or AmeriCorps Service) for local miscellaneous members and county peace officers only.

t. Section 20441 ("County Peace Officer" shall include persons employed by a county parks and recreation department as described in Government Code Section 20441).

u. Section 21118 (Partial Service Retirement).

14. Public Agency, in accordance with Government Code Section 20790, ceased to be an "employer" for purposes of Section 20834 effective on June 21, 1975. Accumulated contributions of Public Agency shall be fixed and determined as provided in Government Code Section 20834, and accumulated contributions thereafter shall be held by the Board as provided in Government Code Section 20834.

15. Public Agency shall contribute to said Retirement System the contributions determined by actuarial valuations of prior and future service liability with respect to local miscellaneous members and local safety members of said Retirement System.

16. Public Agency shall also contribute to said Retirement System as follows:

a. A reasonable amount, as fixed by the Board, payable in one installment within 60 days of date of contract to cover the costs of administering said System as it affects the employees of Public Agency, not including the costs of special valuations or of the periodic investigation and valuations required by law.

b. A reasonable amount, as fixed by the Board, payable in one installment as the occasions arise, to cover the costs of special valuations on account of employees of Public Agency, and costs of the periodic investigation and valuations required by law.

17. Contributions required of Public Agency and its employees shall be subject to adjustment by Board on account of amendments to the Public Employees' Retirement Law, and on account of the experience under the Retirement System as determined by the periodic investigation and valuation required by said Retirement Law.

18. Contributions required of Public Agency and its employees shall be paid by Public Agency to the Retirement System within fifteen days after the end of the period to which said contributions refer or as may be prescribed by Board regulation. If more or less than the correct amount of contributions is paid for any period, proper adjustment shall be made in connection with subsequent remittances. Adjustments on account of errors in contributions required of any employee may be made by direct payments between the employee and the Board.

B. This amendment shall be effective on the 9 day of February, 2024.

ORDINANCE NO. _____

AN ORDINANCE OF THE COUNTY OF MONTEREY, STATE OF CALIFORNIA, AUTHORIZING AN AMENDMENT TO THE CONTRACT WITH THE BOARD OF ADMINISTRATION OF THE CALIFORNIA PUBLIC EMPLOYEES' RETIREMENT SYSTEM

County Counsel Summary

This ordinance authorizes an amendment to the contract with the California Public Employees' Retirement System (CalPERS) to implement a Partial Service Retirement Program. Such program will allow department heads and the County Administrative Officer to identify and incentivize employees who have expressed their plans to retire and who possess specialized skill sets and institutional knowledge to consider delaying their retirement to allow the department additional time to transition said valuable knowledge and skill sets which are imperative for the continued operations of the County of Monterey.

The Board of Supervisors of the County of Monterey hereby ordains as follows:

SECTION 1. FINDINGS AND PURPOSE.

A. Pursuant to Article XI, section 7 of the California Constitution, the County of Monterey may adopt and enforce ordinances and regulations not in conflict with general laws to protect and promote the public health, safety, and welfare of its citizens.

B. On July 25, 2023, the Board of Supervisors authorized the Human Resources Department to work with the California Public Employees' Retirement System (CalPERS) to implement a Partial Service Retirement Program.

C. The Partial Service Retirement Program will allow department heads and the County Administrative Officer to identify and incentivize employees who have expressed their plans to retire and who possess specialized skill sets and institutional knowledge to consider delaying their retirement to allow the department additional time to transition said valuable knowledge and skill sets which are imperative for the continued operations of the County of Monterey.

D. The establishment of Partial Service Retirement Program requires an amendment to the contract between the County of Monterey and CalPERS.

SECTION 2. This ordinance authorizes an amendment to the contract between the County of Monterey and the Board of Administration, California Public Employees' Retirement System, a copy of said amendment being attached hereto, marked Exhibit 1, and by such reference made part hereof as though herein set out in full. The Chair of the Board of

Supervisors of the County of Monterey is hereby authorized, empowered, and directed to execute said amendment for and on behalf of the County of Monterey.

SECTION 3. SEVERABILITY. If any section, subsection, sentence, clause or phrase of this ordinance is for any reason held to be invalid, such decision shall not affect the validity of the remaining portions of this ordinance. The Board of Supervisors hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause and phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared invalid.

SECTION 4. EFFECTIVE DATE. This ordinance shall become effective on the thirty-first day following its adoption.

c. Adopt and authorize the Housing and Community Development Director or their designee to submit the Fifth Substantial Amendment to the 2019-2020 Annual Action Plan and First Substantial Amendment to the 2023-2024 Annual Action Plan to the U.S. Department of Housing and Urban Development (HUD);
d. Authorize the Housing and Community Development Director or their designee to execute an Amended Subrecipient Agreement to increase the entitlement funding for Meals on Wheels of Salinas Valley by $53,351, including making minor changes as necessary, subject to review and approval by County Counsel, to implement the Fifth Substantial Amendment to the 2019-2020 Annual Action Plan; and
e. Authorize the Housing and Community Development Director or their designee to execute an Amended Subrecipient Agreement to increase the amount of project funding for the City of Gonzales by $122,911, including making minor changes as necessary, subject to review and approval by County Counsel, to implement the First Substantial Amendment to the 2023-2024 Annual Action Plan

RECOMMENDATION:
It is recommended that the Board of Supervisors:
a. Accept public comments and close the public comment period for the Fifth Substantial Amendment to the Monterey Urban County 2019-2020 Community Development Block Grant (CDBG) Annual Action Plan;
b. Accept public comments and close the public comment period for the First Substantial Amendment to the Monterey Urban County 2023-2024 CDBG Annual Action Plan;
c. Adopt and authorize the Housing and Community Development Director or their designee to submit the Fifth Substantial Amendment to the 2019-2020 Annual Action Plan and First Substantial Amendment to the 2023-2024 Annual Action Plan to the U.S. Department of Housing and Urban Development (HUD);
d. Authorize the Housing and Community Development Director or their designee to execute an Amended Subrecipient Agreement to increase the entitlement funding for Meals on Wheels of Salinas Valley by $53,351.47, including making minor changes as necessary, subject to review and approval by County Counsel, to implement the Fifth Substantial Amendment to the 2019-2020 Annual Action Plan; and
e. Authorize the Housing and Community Development Director or their designee to execute an

Amended Subrecipient Agreement to increase the amount of project funding for the City of Gonzales by $122,911.78, including making minor changes as necessary, subject to review and approval by County Counsel, to implement the First Substantial Amendment to the 2023-2024 Annual Action Plan

SUMMARY:
The Board of Supervisors is being asked to accept public comments and close the 30-day public comment period on the Monterey Urban County's Fifth Substantial Amendment to the 2019-2020 Community Development Block Grant (CDBG) Annual Action Plan and First Substantial Amendment to the 2023-2024 CDBG Annual Action Plan. The Urban County, for purposes of this plan, includes the County of Monterey and the cities of Del Rey Oaks, Gonzales, Greenfield, and Sand City. The recommended actions will increase entitlement funding to Meals on Wheels of Salinas Valley as part of the 2019-2020 Annual Action Plan and close the funding gap for the Gonzales Community Center Project as part of the 2023-2024 Annual Action Plan.

DISCUSSION:
On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The Act identified additional funding for the CDBG program specifically to allow jurisdictions to prevent, prepare for, and respond to the community impacts of the Coronavirus pandemic (CDBG-CV). HUD allocated a portion of the CDBG-CV funds immediately and allocated additional CDBG-CV funds later in the year.

The Urban County has unused CARES Act funds in the amount of $53,351.47. Meals on Wheels of Salinas Valley is one of the agencies awarded CARES Act funds and continues to utilize the funds to provide services for seniors that meet the program requirements to prevent, prepare for, and respond to Coronavirus. Staff is recommending that Meals on Wheels of Salinas Valley receive $53,351.47 in unused CARES Act funds to continue to support their monthly congregate meal programs.

On May 9, 2023, the Board of Supervisors approved the 2023-2024 Annual Action Plan for the Urban County. The Annual Action Plan includes funding for the City of Gonzales Community Center Project in the amount of $347,382. The Community Center Project also received funds in the amount of $357,475 in the 2022-2023 Annual Action Plan. HUD recently completed a monitoring of the County of Monterey's Urban County CDBG Program and found that the County improperly reimbursed the City of Gonzales in the amount of $122,911.78 for ineligible work to reroof the City Council Chamber building. HUD required the County have the funds returned, which was completed on November 6, 2023. The County has determined an equitable proposal for addressing HUD's findings while keeping the City of Gonzales's CDBG funding whole is to use the returned funds of $122,911.78 to increase the CDBG support for the Community Center Project from a total of $704,857 to $827,768.78.

The public comment period for both Substantial Amendments opened on November 30, 2023, and ran through January 9, 2024, following publication of the public comment period by the Monterey County Weekly and social media posting. The notice was also posted to the County's website. No public comments had been received regarding the proposed Fifth Substantial Amendment to the 2019-2020 Annual Action Plan or First Substantial Amendment to the 2023-2024 Annual Action Plan as of the time this staff report was prepared.

OTHER AGENCY INVOLVEMENT:
The Board of Supervisors Urban County Committee considered and concurred with the revised funding recommendations. A separate action will be brought forward later to increase appropriations if needed. County Counsel has reviewed the draft Fifth Substantial Amendment to the 2019-2020 Annual Action Plan and First Substantial Amendment to the 2023-2024 Annual Action Plan as to form.

FINANCING:
The recommended actions do not change the current FY 2023-24 appropriations. The recommended actions will have no impact on the General Fund.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
Authorizing the Urban County to adopt the Fifth Substantial Amendment to the 2019-2020 Annual Action Plan will make an additional $53,351.47 available to support seniors in the unincorporated communities. Authorizing the Urban County to adopt the First Substantial Amendment to the 2023-2024 Annual Action Plan will make an additional $122,911.78 available to construct the Gonzales Community Center.

FIFTH SUBSTANTIAL AMENDMENT
to the
MONTEREY URBAN COUNTY FY 2019-2020 ANNUAL ACTION PLAN

BACKGROUND
The County of Monterey (County) is an Entitlement Jurisdiction to Community Development Block Grant (CDBG) Entitlement funds from the U.S. Department of Housing and Urban Development (HUD). Annually, the County receives approximately $1.2 million in Entitlement funds to provide programs and services to the low- and moderate-income residents of the County.

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The Act identified additional funding for the CDBG program specifically to allow jurisdictions to prevent, prepare for, and respond to the community impacts of the Coronavirus pandemic (CDBG-CV). HUD allocated a portion of the CDBG-CV funds immediately and allocated additional CDBG-CV funds later in the year.

FIRST SUBSTANTIAL AMENDMENT TO THE 2019-2020 ANNUAL ACTION PLAN: On January 7, 2020, the County Board of Supervisors approved the first Substantial Amendment to the FY 2019-2020 Action Plan to allow unused program funds from FY 2017-2018, FY 2018-2019 and FY 2019-2020 to be reprogrammed to an eligible project. CDBG funds in the amount of $1,066,771 were reallocated to Interim Inc.'s Sun Rose permanent supportive and transitional housing development.

SECOND SUBSTANITAL AMENDMENT TO THE 2019-2020 ANNUAL ACTION PLAN: On April 21, 2020, the County Board of Supervisors approved the second Substantial Amendment to the FY 2019-2020 Action Plan to increase funding by $518,475 for the City of Greenfield's purchase of fire apparatus, and to increase funding by $65,650 for the North County Recreation and Parks District's neighborhood and recreational facility project in Castroville.

THIRD SUBSTANTIAL AMENDMENT TO THE 2019-2020 ANNUAL ACTION PLAN: On March 27, 2020, the County received $816,541 in the first allocation of CDBG-CV funds (CV1). On May 19, 2020, the County Board of Supervisors approved the third Substantial Amendment to the FY 2019-2020 Action Plan, which included changes to the Citizen Participation Plan, the creation of a new Consolidated Plan Priority, and the allocation of the CV1 funds for a variety of programs to prevent, prepare for, and respond to Coronavirus.

FOURTH SUBSTANTIAL AMENDMENT TO THE 2019-2020 ANNUAL ACTION PLAN: In September of 2020, the County was notified of an additional allocation of $1,049,326 in CDBG-CV funds (CV3). On December 18, 2020, the County Board of Supervisors approved the fourth Substantial Amendment to the FY 2019-2020 Action Plan and the allocation of the CV3 funds to various activities.

FIFTH SUBSTANTIAL AMENDMENT TO THE FY 2019-2020 ANNUAL ACTION PLAN: This fifth Substantial Amendment to the FY 2019-2020 Action Plan proposes to reallocate $8,351.45 CDBG-CV1 funds and $45,000.02 CDBG-CV3 funds to an existing FY 2019-2020 CV Project, as shown below.

FIRST SUBSTANTIAL AMENDMENT
to the
MONTEREY URBAN COUNTY FY 2023-2024 ANNUAL ACTION PLAN

FIRST SUBSTANTIAL AMENDMENT TO THE FY 2023-2024 ANNUAL ACTION PLAN:
This first Substantial Amendment to the FY 2023-2024 Action Plan proposes to allocate $122,911.78 in returned FY 2017-2018 Entitlement funds to an existing FY 2023-2024 Project.

CDBG PROGRAM BACKGROUND
The County of Monterey (County) is an Entitlement Jurisdiction to Community Development Block Grant (CDBG) Entitlement funds from the U.S. Department of Housing and Urban Development (HUD). Annually, the County receives approximately $1.2 million in Entitlement funds to provide programs and services to the low- and moderate-income residents of the County.

Monterey County was first designated as an entitlement community eligible to receive a formula allocation of CDBG funds in 2013. To qualify for and receive CDBG funds, the County partners with the cities of Del Rey Oaks, Gonzales, Greenfield, and Sand City. The County must submit an Annual Action Plan each year which details how that year's entitlement allocation will be spent.

HUD recently completed a monitoring of the County's CDBG Program and found that the County had improperly reimbursed the City of Gonzales in the amount of $122,911.78 for ineligible work to reroof the City Council Chamber building. HUD required the $122,911.78 in CDBG funds to be returned to the County. The funds were returned to the County's line of credit on November 6, 2023, and are now available to be reallocated to another project. The County proposes to add these funds to the existing City of Gonzales Community Center Project through the HUD-required Substantial Amendment process.

COMMUNITY CENTER PROJECT FUNDING BACKGROUND
As part of the 2022-2023 Annual Action Plan, the City of Gonzales was allocated $714,950 for the Community Center Project, to be provided in two installments - $357,475 from the FY 2022-2023 allocation, and the remaining $357,475 as part of the FY 2023-2024 allocation. However, the FY 2023-2024 allocation was less than anticipated and the FY 2023-2024 funding for the City of Gonzales was reduced to $347,382. This reduced the total funding for the Community Center Project to $704,857. Adding the recaptured $122,911.78 to the City of Gonzales Community Center Project will bring the total project funding up to $827,768.78.

The proposed project includes development of an approximately 23,300 square foot community center facility featuring an approximately 6,000 square foot County library (which replaces the existing County library at 851 5th Street), an approximately 4,000 square foot teen center, and an approximately 13,300 square foot community center building organized around a central courtyard and amphitheater for indoor/outdoor connections. The project also includes a free-standing 12,100 square foot gymnasium building with an indoor multi-court, restrooms, lobby, storage, and support space.

a. Consider amending the requirements for the Outdoor Commercial Cannabis Cultivation Pilot Program related to proof of prior cultivation;
b. Consider setting a limit for aggregate outdoor cultivation canopy under the Pilot Program;
c. Consider directing Housing and Community Development staff to amend Chapters 20.69 (Coastal) and 21.69 (Inland) of the Monterey County Code; and
d. Provide further direction as appropriate. (REVISED VIA SUPPLEMENTAL)

RECOMMENDATIONS:
It is recommended that the Board of Supervisors:
a. Consider amending the requirements for the Outdoor Commercial Cannabis Cultivation Pilot Program related to proof of prior cultivation;
b. Consider setting a limit for aggregate outdoor cultivation canopy under the Pilot Program;
c. Consider directing Housing and Community Development staff to amend Chapters 20.69 (Coastal) and 21.69 (Inland) of the Monterey County Code; and
d. Provide further direction as appropriate.

SUMMARY/DISCUSSION:
At the Board of Supervisors Cannabis Committee (Committee) meeting on November 2, 2023, there was discussion regarding requirements Chapters 20.69 and 21.69 of Monterey County Code (MCC). These Chapters pertain to the Outdoor Commercial Cannabis Cultivation Pilot Program (Pilot) within coastal and inland zones respectively. Current regulations require an applicant to provide proof that cannabis had been cultivated on the site under the medicinal cannabis rules that preceded the commercial cannabis regulations. Proof includes evidence that cannabis was cultivated on the site prior to January 1, 2016. In discussing the requirements, the Cannabis Committee was split on the recommendation to amend the outdoor cannabis cultivation, acknowledging prior decisions from the Board of Supervisors, most recently in August of 2022 so the Cannabis Program (Program) staff were directed to return to the full Board to reconsider with the narrow focus of removing the requirement for proof of prior cultivation.

MCC sections 20.69.050 and 21.69.050 (Attachment A) currently state:

> *"B. Qualified properties are required to provide evidence to the satisfaction of the Appropriate Authority that all of the following criteria are met:*
> *3. The cannabis site is located on a lot where proof of prior cultivation is*

demonstrated per Subsection C of this Section.

C. Qualified properties are required to provide evidence to the satisfaction of the appropriate authority that they were engaged in medicinal cannabis cultivation on the lot prior to January 1, 2016. For the purposes of this Subsection, cultivation of six or fewer plants shall not be sufficient evidence of prior cultivation. Such evidence shall include at least two of the following:

1. Photographs of cultivation that existed on the lot prior to January 1, 2016, including aerial views from Google Earth, Big Maps, Terraserver, or a comparable service showing both the entire lot and the cultivation site in more detail. The date these images were captured shall be noted.

2. Documentary evidence that medicinal cannabis was cultivated on the lot on behalf of a collective or cooperative dated prior to January 1, 2016.

3. Any other form of evidence acceptable to the appropriate authority that cultivation occurred on the lot prior to January 1, 2016."

It should be noted that real properties are qualified through this requirement, not individual applicants.

As presented in the previous Board report, Growing Equity Together (GET) participants have faced numerous obstacles that hinder their ability to enter the commercial cannabis industry within our County:

- Inability to secure a property within an allowable zoning area.
- Challenges in meeting requirements to submit a complete land use permit application.
    - 10 of the 14 verified equity applicants previously cultivated under the Compassionate Use Act (Prop 215) and are trying to restart outdoor cultivation activities.
    - Many of these heritage Prop 215 growers no longer own/lease the original property, which makes them ineligible for the Pilot.
    - Retirement, Remediation and Relocation (RRR) was a benefit to verified equity applicants under the original GET framework and would allow applicants who previously cultivated under Prop 215 to transfer development rights to a new property, however the RRR benefit was later removed from the GET Program by the Board.
    - While some operators may qualify for an exemption from the California Environmental Quality Act (CEQA), those who do not would face steep costs and extended timelines for approval of their land use entitlements.
        - An Environmental Impact Report (EIR) pertaining to outdoor cultivation within District 5 was allocated within the budget of a separate grant-the Local Jurisdiction Assistance Grant-and would have removed the need for site-specific CEQA studies, but funding for the EIR was later reallocated by the Board.

Despite being in place for four and a half years, the Pilot has resulted in the following:

- 10 GET participants interested in the Pilot:

    - One participant has obtained a provisional Department of Cannabis Control (DCC) Outdoor license for outdoor cultivation within District 5 but must also obtain local authorization before operations may begin. This participant is working to achieve compliance with the required land use and cannabis business permits.
    - Three participants have submitted land use permit applications but have not yet submitted cannabis business permit applications or obtained DCC licenses.
    - One participant withdrew their land use permit application.
- 2 non-equity applicants interested in the Pilot:
    - One applicant was outside of the allowable area and their land use permit application was voided.
    - One applicant withdrew their land use permit application.

To provide additional opportunity to participate in the commercial cannabis industry while preserving the intent of the Pilot, staff recommends the Board consider:

- Removal of the requirement to provide proof of cannabis cultivation on the lot prior to January 1, 2016.
- Limit aggregate cultivation canopy to 300,000.
    - Pursuant of MCC 20/21.69.060(J), canopy is currently limited to 20,000 per lot.

In August 2022, the Board approved the extension of the Pilot to 2030. Should the Board direct staff to amend the code, HCD requests guidance on the prioritization of item relative to other priority work tasks.

FINANCING:
Monterey County's Cannabis Program is funded in County Administrative Office - Department 1050, Intergovernmental and Legislative Affairs Division - Unit 8533, Cannabis. The proposed recommendations will not incur additional expenses to the Program but may incur additional expenses related to HCD and County Counsel staff time required to prepare reports, ordinances, and presentations.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
The Monterey County Cannabis Program addresses each of the Strategic Initiative Policy Areas that promote the growth of a responsible and legal Monterey County cannabis industry.

a. Consider providing direction to staff on potential amendments to outdoor commercial cannabis regulations contained in Chapters 20.69 (Coastal) and 21.69 (Inland) of the Monterey County Code.

SUMMARY/DISCUSSION:
At the Board of Supervisors Cannabis Committee (Committee) meeting on November 2, 2023, there was discussion regarding requirements Chapters 20.69 and 21.69 of Monterey County Code (MCC). These Chapters pertain to the Outdoor Commercial Cannabis Cultivation Pilot Program (Pilot) within coastal and inland zones respectively. Current regulations require an applicant to provide proof that cannabis had been cultivated on the site under the medicinal cannabis rules that preceded the commercial cannabis regulations. Proof includes evidence that cannabis was cultivated on the site prior to January 1, 2016. In discussing the requirements, the Cannabis Committee was split on the recommendation to amend the outdoor cannabis cultivation, acknowledging prior decisions from the Board of Supervisors, most recently in August of 2022 so the Cannabis Program (Program) staff were directed to return to the full Board to reconsider with the narrow focus of removing the requirement for proof of prior cultivation.

MCC sections 20.69.050 and 21.69.050 (Attachment A) currently state:

> *"B. Qualified properties are required to provide evidence to the satisfaction of the Appropriate Authority that all of the following criteria are met:*
>
> *3. The cannabis site is located on a lot where proof of prior cultivation is demonstrated per Subsection C of this Section.*
>
> *C. Qualified properties are required to provide evidence to the satisfaction of the appropriate authority that they were engaged in medicinal cannabis cultivation on the lot prior to January 1, 2016. For the purposes of this Subsection, cultivation of six or fewer plants shall not be sufficient evidence of prior cultivation. Such evidence shall include at least two of the following:*
>
> *1. Photographs of cultivation that existed on the lot prior to January 1, 2016, including aerial views from Google Earth, Big Maps, Terraserver, or a*

comparable service showing both the entire lot and the cultivation site in more detail. The date these images were captured shall be noted.
2. Documentary evidence that medicinal cannabis was cultivated on the lot on behalf of a collective or cooperative dated prior to January 1, 2016.
3. Any other form of evidence acceptable to the appropriate authority that cultivation occurred on the lot prior to January 1, 2016."

It should be noted that real properties are qualified through this requirement, not individual applicants.

As presented in the previous Board report, Growing Equity Together (GET) participants have faced numerous obstacles that hinder their ability to enter the commercial cannabis industry within our County:

- Inability to secure a property within an allowable zoning area.
- Challenges in meeting requirements to submit a complete land use permit application.
    - 10 of the 14 verified equity applicants previously cultivated under the Compassionate Use Act (Prop 215) and are trying to restart outdoor cultivation activities.
    - Many of these heritage Prop 215 growers no longer own/lease the original property, which makes them ineligible for the Pilot.
    - Retirement, Remediation and Relocation (RRR) was a benefit to verified equity applicants under the original GET framework and would allow applicants who previously cultivated under Prop 215 to transfer development rights to a new property, however the RRR benefit was later removed from the GET Program by the Board.
    - While some operators may qualify for an exemption from the California Environmental Quality Act (CEQA), those who do not would face steep costs and extended timelines for approval of their land use entitlements.
        - An Environmental Impact Report (EIR) pertaining to outdoor cultivation within District 5 was allocated within the budget of a separate grant-the Local Jurisdiction Assistance Grant-and would have removed the need for site-specific CEQA studies, but funding for the EIR was later reallocated by the Board.

Despite being in place for four and a half years, the Pilot has resulted in the following:

- 10 GET participants interested in the Pilot:
    - One participant has obtained a provisional Department of Cannabis Control (DCC) Outdoor license for outdoor cultivation within District 5 but must also obtain local authorization before operations may begin. This participant is working to achieve compliance with the required land use and cannabis business permits.
    - Three participants have submitted land use permit applications but have not yet submitted cannabis business permit applications or obtained DCC licenses.
    - One participant withdrew their land use permit application.
- 2 non-equity applicants interested in the Pilot:
    - One applicant was outside of the allowable area and their land use permit

application was voided.
- One applicant withdrew their land use permit application.

To provide additional opportunity to participate in the commercial cannabis industry while preserving the intent of the Pilot, staff recommends the Board consider:

- Removal of the requirement to provide proof of cannabis cultivation on the lot prior to January 1, 2016.
- Limit aggregate cultivation canopy to 300,000.
  - Pursuant of MCC 20/21.69.060(J), canopy is currently limited to 20,000 per lot.

In August 2022, the Board approved the extension of the Pilot to 2030. Should the Board direct staff to amend the code, HCD requests guidance on the prioritization of item relative to other priority work tasks.

FINANCING:
Monterey County's Cannabis Program is funded in County Administrative Office - Department 1050, Intergovernmental and Legislative Affairs Division - Unit 8533, Cannabis. The proposed recommendations will not incur additional expenses to the Program but may incur additional expenses related to HCD and County Counsel staff time required to prepare reports, ordinances, and presentations.

A. Current Versions of Monterey County Code Titles 20.69 and 21.69

Introduced: 12/21/2023

Current Status: General Government - Consent

Version: 1

Matter Type: General Agenda Item

a. Consider amending the requirements for the Outdoor Commercial Cannabis Cultivation Pilot Program related to proof of prior cultivation;
b. Consider setting a limit for aggregate outdoor cultivation canopy under the Pilot Program;
c. Consider directing Housing and Community Development staff to amend Chapters 20.69 (Coastal) and 21.69 (Inland) of the Monterey County Code; and
d. Provide further direction as appropriate. (REVISED VIA SUPPLEMENTAL)

RECOMMENDATIONS:
It is recommended that the Board of Supervisors:
a. Consider amending the requirements for the Outdoor Commercial Cannabis Cultivation Pilot Program related to proof of prior cultivation;
b. Consider setting a limit for aggregate outdoor cultivation canopy under the Pilot Program;
c. Consider directing Housing and Community Development staff to amend Chapters 20.69 (Coastal) and 21.69 (Inland) of the Monterey County Code; and
d. Provide further direction as appropriate.

A. Current Versions of Monterey County Code Titles 20.69 and 21.69

ORDINANCE NO. 5312

AN ORDINANCE OF THE COUNTY OF MONTEREY, STATE OF CALIFORNIA, ADDING CHAPTER 20.69 TO TITLE 20 (COASTAL ZONING) OF THE MONTEREY COUNTY CODE TO ESTABLISH AN OUTDOOR COMMERCIAL CANNABIS CULTIVATION PILOT PROGRAM

County Counsel Summary

This ordinance adds Chapter 20.69 to Title 20 (coastal zoning) of the Monterey County Code to establish a five-year pilot program for outdoor commercial cannabis cultivation and related activities in the coastal Big Sur Land Use Plan unincorporated area of Monterey County. The purpose of the pilot program is to analyze the impacts of outdoor commercial cannabis cultivation; evaluate the establishment of long-term regulations; provide those who historically cultivated cannabis an opportunity to participate; and to reduce negative impacts to the environment. The pilot program establishes outdoor commercial cannabis cultivation not exceeding 10,000 square feet of canopy and specified related cannabis activities in the Big Sur Land Use Plan area as a use allowed subject to a Coastal Administrative Permit in each case within specified zoning districts and subject to specified eligibility criteria. Specified zoning districts include the Rural Density Residential and Watershed and Scenic Conservation, with allowance of the particular use within each zoning district dependent on factors specified by the ordinance. Other criteria specified in the ordinance must be met for a property to be eligible for the pilot program.

The Board of Supervisors of the County of Monterey ordains as follows:

SECTION 1. Findings and declarations.

A. Pursuant to Article XI, section 7 of the California Constitution, the County of Monterey may adopt and enforce ordinances and regulations not in conflict with general laws to protect and promote the public health, safety, and welfare of its citizens.

B. The Controlled Substances Act (21 U.S.C. §§ 801, *et seq.*) prohibits, except for certain research purposes, the possession, distribution, and manufacture of cannabis, and there is no medical necessity exception to prosecution and conviction under the Controlled Substances Act.

C. The federal government issued guidelines for states and local governments that have enacted laws authorizing cannabis related conduct that highlight the importance of implementing strong and effective regulatory and enforcement systems that will address the threat that cannabis activity could pose to public safety, public health, and other law enforcement interests.

D. On November 5, 1996, California voters approved Proposition 215, the Compassionate Use Act of 1996 (Health & Safety Code § 11362.5, "CUA"), an initiative that exempted certain patients and their primary caregivers from criminal liability under state law for the possession and cultivation of cannabis for medical purposes. One of the stated purposes of the CUA is to ensure that seriously ill Californians have the right to obtain and use cannabis for medical purposes where that medical use has been recommended by a physician.

E. On January 1, 2004, Senate Bill 420, the Medical Marijuana Program Act (Health & Safety Code §§ 11362.7-11362.83), became law to clarify the scope of the CUA and to facilitate the prompt identification of qualified patients and their primary caregivers.

F. On October 9, 2015, the State enacted the Medical Marijuana Regulation and Safety Act (former Business & Professions Code §§ 19300, *et seq.*; "MMRSA"). MMRSA created a state licensing program for commercial medical cannabis activities.

G. On July 12, 2016, the Monterey County Board of Supervisors ("Board of Supervisors") adopted inland zoning regulations establishing criteria for issuing local land use permits pursuant to the MMRSA (Ordinance Number 5270, amending sections of Title 21 and adding Chapter 21.67 to the Monterey County Code ("MCC")), and on July 19, 2016 the Board of Supervisors adopted regulations establishing criteria for issuing local business permits pursuant to the MMRSA (Ordinance Numbers 5272, codified at MCC Chapter 7.90). These ordinances were to become operative only if the Board of Supervisors submitted a County tax on commercial medical cannabis activities to the voters, the voters approved the tax, and the tax was certified by the County pursuant to Section 15372 of the California Elections Code. On November 8, 2016, the voters approved the tax (Measure Y, codified at MCC Chapter 7.100). On December 13, 2016, the tax was certified pursuant to Section 15372 of the Elections Code and Ordinance Numbers 5270 and 5272 became operative. Hence, Chapter 21.67 became operative in the inland unincorporated area on December 13, 2016. Chapter 21.67 only allowed for medical commercial cannabis activities within greenhouses and indoor facilities legally established as of January 1, 2016.

H. Also on July 12, 2016, the Board of Supervisors adopted a resolution of intent (Resolution No. 16-210) to adopt coastal zoning regulations to establish criteria for local land use permits pursuant to MMRSA. The County submitted the regulations to the California Coastal Commission for certification, but the County subsequently withdrew the proposed regulations because of discussions with Coastal Commission staff on revisions and changes to state law.

I. On November 8, 2016, by statewide initiative, the voters enacted the Adult Use of Marijuana Act ("AUMA"). AUMA created a state licensing program for commercial adult-use cannabis activities.

J. On June 27, 2017, the State enacted the Medicinal and Adult-Use of Cannabis Regulatory and Safety Act (Business & Professions Code §§ 26000, *et seq.*; "MAUCRSA"), which combined MMRSA and AUMA into a single state licensing scheme for both medicinal

and adult-use cannabis. MAUCRSA allows counties and cities to maintain local regulatory authority over commercial cannabis activities.

K. On December 5, 2017, the Board of Supervisors adopted Ordinance No. 5292 to amend Title 21 of the MCC to regulate both adult-use and medical commercial cannabis activities. Commercial cannabis sites were limited to greenhouses and indoor facilities that were legally established as of January 1, 2016.

L. Also on December 5, 2017, the Board of Supervisors adopted a Resolution of Intent to adopt an ordinance amending the Monterey County Coastal Implementation Plan, Parts 1 and Part 2 (Title 20, coastal zoning ordinance) of the MCC to regulate commercial cannabis activities in the coastal zone of unincorporated Monterey County consistent with MAUCRSA; and to amend the text of the North County Land Use Plan to allow permitting of commercial cannabis activities at the former Kaiser National Refractories site located at 7697 Highway 1, Moss Landing, notwithstanding the coastal-dependent industrial land use designation on the site. Commercial cannabis sites were limited to greenhouses and indoor facilities that were legally established as of January 1, 2016.

M. On February 7, 2018, the California Coastal Commission certified Monterey County LCP Amendment number LCP-3-MCO-18-0004-1 (North County Land Use Plan amendment and Commercial Cannabis Ordinance) as submitted by the County.

N. On March 20, 2018, the Board of Supervisors adopted the North County Land Use Plan amendment and coastal zoning regulations, as certified by the Coastal Commission, establishing criteria for issuing local land use permits pursuant to the MAUCRSA (Ordinance Number 5299, amending sections of Title 20 and adding Chapter 20.67 to the MCC).

O. On November 6, 2018, the Board of Supervisors adopted Ordinance No. 5306 to amend Title 21 of the MCC to change commercial cannabis activities from a conditional use allowed subject to a Use Permit, to a principle use allowed subject to an Administrative Permit. On that same day, the Board of Supervisors adopted Resolution of Intent No. 18-413 to amend the Monterey County Coastal Implementation Plan, Part 1 (Title 20 coastal zoning ordinance) to change commercial cannabis activities from a conditional use allowed subject to a Coastal Development Permit, to a principle use allowed subject to a Coastal Administrative Permit. The County needs to submit Resolution of Intent No. 18-413 to the Coastal Commission for certification. If certified by the Coastal Commission, the ordinance will then need to be adopted by the Board of Supervisors.

P. The purpose of this ordinance is to provide uniform procedures, applicable to the coastal unincorporated areas of Monterey County, for consideration of a permits for outdoor commercial cannabis cultivation on a limited and temporary basis. The Board of Supervisors is acting on a separate similar ordinance applicable to the inland unincorporated area. Together these ordinances are intended to establish an outdoor commercial cannabis cultivation pilot program for Monterey County. The pilot program is intended gather data and information related to outdoor cannabis cultivation and outdoor cultivation ancillary uses to enable the County to evaluate the establishment of long-term regulations; to provide those who historically

cultivated cannabis within the Big Sur Land Use Plan area an opportunity to participate in the legalized commercial cannabis industry; to reduce negative impacts on the community and environment from outdoor cannabis cultivation and outdoor cultivation ancillary uses; and to provide for protection of public health, safety and welfare.

Q. It is the intent of the County of Monterey to have a strong and effective regulatory and enforcement system with regard to cannabis that addresses threats to public safety, health and other law enforcement interests through robust controls and procedures that are effective in practice, and that comply with state law and federal guidelines.

R. In addition to this ordinance, outdoor cultivation and associated activities will be subject to Chapters 7.02 and 7.90 of the MCC, which require a Business License and a Commercial Cannabis Business Permit respectively. Together these regulations establish an effective regulatory and enforcement system.

S. The County intends to carry out the amendments in a manner fully in conformity with the Coastal Act and MAUCRSA.

T. This ordinance amends the Monterey County Coastal Implementation Plan, which is part of the County's Local Coastal Program. Pursuant to the Coastal Act, the County may amend the certified Local Coastal Program provided the County follows certain procedures. The procedures include the following: the County's Planning Commission holds a noticed public hearing and makes a recommendation to the Board of Supervisors on the proposed amendment; the Board of Supervisors holds a noticed public hearing to adopt the ordinance subject to California Coastal Commission certification, and submits the proposed amendment to the Coastal Commission for certification together with materials sufficient for a thorough and complete review; and the Coastal Commission certifies the amendment and confirms the County's action. Accordingly, the ordinance will not go into effect until after the Coastal Commission certifies the amendment and confirms the Board's action.

U. This ordinance is exempt from the California Environmental Quality Act (CEQA) pursuant to California Business and Professions Code section 26055(h), which provides a statutory exemption from CEQA where, prior to July 1, 2019, the local agency adopts an ordinance that requires discretionary review of permits, including applicable environmental review under CEQA, to engage in commercial cannabis activity. This ordinance requires a Coastal Administrative Permit for all commercial cannabis activities, and each Coastal Administrative Permit would be individually subject to applicable environmental review under CEQA.

SECTION 2. Chapter 20.69 is added to the Monterey County Code to read as follows:

Chapter 20.69
OUTDOOR COMMERCIAL CANNABIS CULTIVATION PILOT PROGRAM

Sections:
20.69.010 – Definitions.

20.69.020 – Purpose.
20.69.030 – Applicability and duration.
20.69.040 – Permits required.
20.69.050 – Qualified properties.
20.69.060 – Regulations.
20.69.070 – Required findings.
20.69.080 – Required conditions.
20.69.090 – Application requirements.
20.69.100 – Suspension, revocation, and enforcement.

20.69.010 Definitions.

For the purpose of this Chapter, unless the context otherwise requires, certain terms used in this Chapter shall be as defined below. The definitions in Chapters 20.06 and 20.67 shall otherwise apply.

A. "Cannabis Site" means the location or area specified in the permit issued pursuant to this Chapter, that is owned, leased, or otherwise held under the control of the applicant or permittee where outdoor cultivation and outdoor cultivation ancillary uses will be conducted. The cannabis site shall be on one lot and shall only be occupied by one permittee.

B. "Lot" shall have the same meaning as in Section 20.06.760 of this Title.

C. "Outdoor Cultivation" means any activity involving the planting, growing, harvesting, drying, curing, grading, or trimming of cannabis without the use of artificial lighting or light deprivation in the canopy area at any point in time.

D. "Outdoor Cultivation Ancillary Uses" means supportive nursery, self-distribution, and self-processing activities as those terms are defined in this Chapter.

E. "Pilot Program" means the outdoor commercial cannabis cultivation pilot program established in this Chapter.

F. "Self-distribution" means the transport of cannabis grown onsite and nonmanufactured cannabis products produced onsite to another permitted and licensed cannabis business at an offsite facility.

G. "Self-processing" means all activities associated with the drying, curing, grading, trimming, rolling, storing, packaging, and labeling of cannabis or nonmanufactured cannabis products grown or produced onsite.

H. "Supportive Nursery" means all activities associated with producing clones, immature plants, seeds, and other agricultural products used specifically for the propagation and cultivation of outdoor cannabis cultivation onsite. Artificial lighting is permissible only to maintain immature plants in a supportive nursery.

20.69.020 Purpose.

The purpose of this Chapter is to achieve the following:

A. To establish a pilot program to provide uniform procedures for consideration of permits for outdoor cultivation and outdoor cultivation ancillary uses in the Big Sur Land Use Plan area;

B. To gather data and information related to outdoor cultivation and outdoor cultivation ancillary uses to enable the County to evaluate the establishment of long-term regulations;

C. To provide those who historically cultivated cannabis within the Big Sur Land Use Plan area an opportunity to participate in the legalized commercial cannabis industry;

D. To reduce negative impacts to the environment; and

E. To provide for protection of public health, safety and welfare of residents, visitors, and persons engaged in outdoor cultivation and outdoor cultivation ancillary uses under this pilot program.

20.69.030 Applicability and duration.

A. Notwithstanding the provisions of Chapter 20.67 of this Title, the provisions of this Chapter are applicable to outdoor cultivation and outdoor cultivation ancillary uses within the Rural Density Residential (RDR), and Watershed and Scenic Conservation Zoning (WSC) districts of the Big Sur Land Use Plan area. Chapter 20.67 shall apply to all other commercial cannabis activities not covered in this Chapter.

B. The duration of the pilot program shall be five (5) years from the effective date of the ordinance enacting this Chapter.

20.69.040 Permits required.

A. Except as provided in Section 20.67.090 of this Title, commercial cannabis activities shall not be allowed in the unincorporated coastal areas of Monterey County without first securing all permits, licenses, or other entitlements required by state law and County regulation.

B. A Coastal Administrative Permit shall be required for all outdoor cultivation and outdoor cultivation ancillary uses provided for in this pilot program. The application for a Coastal Administrative Permit, and for amendments thereto and extensions thereof, shall be processed in accordance with Chapter 20.76 of this Title. The Chief of Planning is the Appropriate Authority to consider issuance, extension of, and amendment to such permits. Appeals from the decision of the Chief of Planning shall be governed by Chapter 20.86 of this Title. Notwithstanding the foregoing, the procedures for suspension and revocation of a Coastal

Administrative Permit granted under this pilot program shall be as set forth in sections 20.67.110 and 20.67.120 of this Title.

C. All Coastal Administrative Permits issued pursuant to this pilot program shall expire within five (5) years from the approval date or upon the termination of the pilot program, whichever occurs first. On or before the five (5) year expiration of this pilot program, the County shall evaluate the pilot program to determine if the program should be terminated, extended, or modified. Permits approved pursuant to this Chapter shall not survive or have continuing application beyond the expiration of the pilot program unless the program is extended or modified by the Board of Supervisors. Approval of Coastal Administrative Permits pursuant to this pilot program and commencement of allowed uses shall not establish a non-conforming use. If the pilot program is extended or modified, new land use entitlements, as may be specified in the extended or modified regulations, must be obtained.

D. In addition to a Coastal Administrative Permit, pursuant to Chapters 7.02 and 7.90 of the Monterey County Code, a Business License and a Commercial Cannabis Business Permit shall be required for all outdoor cultivation and outdoor cultivation ancillary uses.

E. Pursuant to California Business and Professions Code section 26000 *et seq.*, a valid license from the State shall be required for all outdoor cultivation and outdoor cultivation ancillary uses.

F. The owner shall post or cause to be posted on the cannabis site all required County and state permits and licenses required to operate. Such posting shall be located in a conspicuous location at or near the location where the outdoor cultivation and outdoor cultivation ancillary uses occur, and a copy of the permits and licenses shall be kept in all vehicles that transport cannabis or nonmanufactured cannabis products.

G. The owner and all permittees shall maintain clear and adequate records and documentation demonstrating that all cannabis or nonmanufactured cannabis products have been obtained from and are provided to other permitted and licensed cannabis operations. The County shall have the right to examine, monitor, and audit such records and documentation, which shall be made available to the County upon request.

H. The owner and all permittees shall conduct outdoor cultivation and outdoor cultivation ancillary uses in compliance with all required County permits and state licenses, and in compliance with state law and County law. The owner and all permittees shall be responsible for the payment of all required inspection fees, permit fees, and taxes.

20.69.050 Qualified properties.

A. Only qualified properties shall be eligible for permitting under this Chapter.

B. Qualified properties are required to provide evidence to the satisfaction of the Appropriate Authority that all of the following criteria are met:

1. The cannabis site is located within the Big Sur Land Use Plan area.

2. The cannabis site is within an area zoned Rural Density Residential (RDR) or Watershed and Scenic Conservation (WSC) Zoning as designated on the Sectional District Zoning Maps.

3. The cannabis site is located on a lot where proof of prior cultivation is demonstrated per Subsection C of this Section.

C. Qualified properties are required to provide evidence to the satisfaction of the Appropriate Authority that they were engaged in medicinal cannabis cultivation on the lot prior to January 1, 2016. For the purposes of this Subsection, cultivation of six (6) or fewer plants shall not be sufficient evidence of prior cultivation. Such evidence shall include at least two (2) of the following:

1. Photographs of cultivation that existed on the lot prior to January 1, 2016, including aerial views from Google Earth, Big Maps, Terraserver, or a comparable service showing both the entire lot and the cultivation site in more detail. The date these images were captured shall be noted.

2. Documentary evidence that cannabis was cultivated on the lot on behalf of a collective or cooperative dated prior to January 1, 2016.

3. Any other form of evidence acceptable to the Appropriate Authority that cultivation occurred on the lot prior to January 1, 2016.

D. This pilot program only applies to the specified areas of the Big Sur Land Use Plan in the coastal zone as restricted by this Chapter, and in the Carmel Valley Master Plan and Cachagua Area Plan as restricted by Chapter 21.69 of the Monterey County Code. The uses permitted under this pilot program are expressly prohibited in all other unincorporated areas of Monterey County.

20.69.060 Regulations.

Permits for outdoor cultivation and outdoor cultivation ancillary uses shall comply with all of the following regulations:

A. Activities allowed pursuant to this pilot program shall be limited to outdoor cultivation and outdoor cultivation ancillary uses. Indoor and mixed-light cultivation, and any form of manufacturing, testing, and retail operations are excluded from this pilot program.

B. Outdoor cultivation and outdoor cultivation ancillary uses shall obtain and maintain a permit required pursuant to Section 20.69.040 of this Chapter prior to recommencement of activities, and shall establish and maintain all activities in accordance with all requirements, regulations, limitations, and conditions established in this Chapter and as may be applied to a permit approved pursuant to this Chapter.

C. Outdoor cultivation and outdoor cultivation ancillary uses shall conform to all of the following minimum setback requirements:

1. The lot on which a cannabis site is located shall not be within one thousand (1,000) feet of a school providing instruction in kindergarten or any grades 1 through 12, a child care center, a youth center, a playground, or a drug recovery facility that is in existence at the time of approval of a permit by the Appropriate Authority. The distance specified in this Section shall be measured in a straight line from the nearest point of the property line of the lot that contains the outdoor cultivation and outdoor cultivation ancillary uses, to the nearest point of the property line of the enumerated use(s).

2. The cannabis site shall be setback a minimum of fifty (50) feet from any public road.

3. The cannabis site shall be setback a minimum of five hundred (500) feet from the nearest offsite structure. This setback does not apply to non-habitable sheds, outbuildings, and similar non-habitable accessory structures. The distance specified in this Section shall be measured in a straight line from the nearest point of the cannabis site to the nearest applicable structure on adjoining properties.

4. The cannabis site shall be setback a minimum of one hundred fifty (150) feet from a stream, river, or watercourse.

D. Exceptions to setbacks may be considered by the Appropriate Authority for supportive nursery cannabis sites and for outdoor cultivation ancillary uses, provided that such uses are located entirely within an approved structure that incorporates adequate odor mitigation technologies. In no case shall the setback from a school, playground, youth center, child care center, or drug recovery facility be less than a one thousand (1,000) foot radius. This Subsection does not restrict the ability of the Appropriate Authority to consider odor mitigation techniques, including but not limited to, landscape vegetation strips which may include other fragrant vegetation to mask the odors, odor neutralizing technologies, or relocation of cannabis sites as part of the consideration of a permit required pursuant to this Chapter.

E. Outdoor cultivation and outdoor cultivation ancillary uses shall be located only within a permitted cannabis site. Cannabis sites shall be located in areas where prior cultivation activities occurred on the lot, except when previously utilized areas or structures on the qualified property do not conform to one or more standards contained herein or cannot comply with other applicable state or local regulations. In such cases, reconfiguration of the cannabis sites and associated infrastructure may be permitted provided that the reconfiguration results in compliance with the terms of this pilot program and will not conflict with other applicable provisions of state and County law including the applicable provisions of the Local Coastal Program.

F. Outdoor cultivation and outdoor cultivation ancillary uses shall be subject to applicable use of private road regulations contained in the Monterey County Code.

G. Outdoor cultivation and outdoor cultivation ancillary uses shall not take place on federal or state lands, or on lots where the only access is through federal land.

H. In no case shall a building built as a single-family dwelling or multiple family dwelling be used for outdoor cultivation and outdoor cultivation ancillary uses, except that the dwelling may be used for offices related to the permitted cannabis activities, or for the purposes of providing sanitary facilities and break areas for employees employed onsite.

I. No visual indications that outdoor cultivation and outdoor cultivation ancillary uses occur on the site shall be visible from offsite, including but not limited to cannabis plants, markers, and similar indicators of cannabis activities. In addition, no structures, fences, water or irrigation equipment, or any other structures or objects shall be visible within the critical viewshed as defined in the Big Sur Land Use Plan.

J. The canopy of outdoor cultivation shall be limited to two and one half percent (2.5%) of the total square footage of the lot, not to exceed ten thousand (10,000) square feet or less of canopy on any one lot.

K. Security measures sufficient to restrict access to only those intended and to deter trespass and theft of cannabis or cannabis products shall be provided and maintained. If onsite security is utilized, such onsite security shall not use or possess firearms or other lethal weapons. Fencing is only required where other reasonable limitations to access to the cannabis site cannot be provided, and only where such fencing is in compliance with the scenic resource protection policies of the Big Sur Land Use Plan. Fencing and other structures and improvements for the purposes of providing security shall be subject to the applicable permit(s), including siting and design criteria for the site.

L. Pesticides and fertilizers shall be properly labeled, stored, and applied to avoid and prevent contamination through erosion, leakage, or inadvertent damage from rodents, pests, or wildlife. Approved outdoor cultivation operations using pesticides shall obtain the appropriate permits, licenses, or clearances from the Monterey County Agricultural Commissioner and the Environmental Health Bureau, as applicable.

M. Lighting inside and outside of all structures shall be unobtrusive and constructed or located so that only the area intended is illuminated, long range visibility is reduced, the lighting source is not visible from offsite, and glare is fully controlled. In addition, no lighting shall be visible within the critical viewshed as defined in the Big Sur Land Use Plan.

N. All necessary fire prevention measures, as determined by the appropriate fire district personnel, shall be provided and maintained onsite.

O. Adequate water supply sources to meet all onsite uses shall be provided. Water use includes, but is not limited to, irrigation water, and permanent potable water for all

employees. Water transported by vehicle from offsite shall not be considered an adequate water supply source.

P. All necessary waste water facilities, as determined by the Monterey County Environmental Health Bureau, shall be provided.

Q. The following additional plans and information shall be created, reviewed, permitted and implemented, as applicable, during operations:

1. A water management plan including the proposed water supply, written permission to access to water if the source is a water system or surface diversion, proposed water conservation measures, and any water offset.

2. Information regarding stormwater control and wastewater discharge. Such plans shall be sufficient to prevent erosion and other water quality impacts on or offsite.

3. A storage and hazard response plan for all pesticides, fertilizers, and any other hazardous materials kept on site.

4. All power source(s) for commercial cannabis activities at the site including any proposed energy offsets. Generators shall not be permitted as the permeant power source.

5. A cannabis waste management plan including the method(s) for managing cannabis waste. Acceptable methods include onsite composting provided the composting site is clearly defined and approved as part of a permit pursuant to this pilot program, collection and processing of cannabis waste by an approved waste hauler in Monterey County, or self-haul of cannabis waste to a permitted solid waste or composting facility.

6. All permits shall also be subject to the resource protection policies contained in the Big Sur Land Use Plan and Coastal Implementation Plan.

20.69.070 Required findings.

A Coastal Administrative Permit for the cannabis activities allowed pursuant to this pilot program shall not be granted by the Appropriate Authority unless all of the following findings are made based on substantial evidence:

A. The outdoor cultivation and outdoor cultivation ancillary uses, as proposed, comply with all of the requirements of Chapter 20.69.

B. Adequate energy, sewer, and water services exist or can be provided for the use(s) proposed.

C. The location of the cannabis site(s) and the establishment or operation of outdoor cultivation and outdoor cultivation ancillary uses are consistent with the text, policies and regulations of the Big Sur Land Use Plan and Coastal Implementation Plan.

D. Any environmental impacts considered potentially significant are mitigated.

E. The plans include adequate facilities and operational measures to address security, health and safety standards, and other standards that minimize or avoid nuisances and impacts on the lot and in the neighborhood where the activities are proposed.

20.69.080 Required conditions.

In addition to any other conditions and mitigation measures required by the Appropriate Authority, all of the following conditions shall apply to all permits for outdoor cultivation and outdoor cultivation ancillary uses:

A. The owner and permittees shall allow access to the cannabis site and access to records if requested by the County, its officers, or agents, and shall pay for an annual inspection and submit to inspections from the County or its officers to verify compliance with all relevant rules, regulations, and conditions.

B. The applicant, owner, and permittees shall indemnify, defend, and hold the County harmless from any and all claims and proceedings relating to the approval of the permit or relating to any damage to property or persons stemming from the commercial cannabis activity.

C. Any person engaged in the cannabis activities allowed pursuant to the pilot program shall obtain and maintain all required state and County permits and licenses, including a valid and fully executed Business License and Commercial Cannabis Business Permit pursuant to Chapters 7.02 and 7.90 of the Monterey County Code.

D. The owner shall be responsible for ensuring that all commercial cannabis activities at the site operate in good standing with all permits and licenses required by state law and the Monterey County Code. Failure to take appropriate actions to evict or otherwise remove permittees and persons conducting commercial cannabis activities at the site who do not maintain permits or license in good standing with the state or County shall be grounds for the suspension or revocation of permits pursuant to Sections 20.67.110 and 20.67.120 of the Monterey County Code.

20.69.090 Application requirements.

All applications for a Coastal Administrative Permit for outdoor cultivation and outdoor cultivation ancillary uses shall be filed with the Resource Management Agency on the form and in the manner prescribed by the Chief of Planning, or his or her designee. In all cases, the application shall contain, without limitation the following documentation:

A. Notarized, written authorization from all persons and entities having a right, title or interest in the property that is the subject of the application consenting to the application and the operation of the proposed commercial cannabis activities on the subject property.

B. A site plan containing the following minimum information:

1. Boundaries of lot and the cannabis site(s) wherein each of the proposed cannabis activities will occur;

2. Access roads and driveways to the lot from the nearest public road;

3. Entrances and exits to and from all proposed cannabis sites;

4. All existing and proposed structures, wells, septic systems, parking areas, and utilities at the lot;

5. All easements and all water bodies on the lot;

6. Assessor's Parcel Number;

7. Property boundaries and distance from all cannabis sites to structures on neighboring properties, if structures are located within one thousand five hundred (1,500) feet of the cannabis site(s);

8. Topographic information including areas of the property containing slopes greater than twenty five percent (25%); and

9. The diagram shall be to scale.

C. A cultivation plan containing a cannabis site diagram showing all boundaries and dimensions in feet of the following proposed areas to scale:

1. Location of and aggregate square footage of canopy area(s) for all outdoor cultivation on the lot;

2. Location of and aggregate square footage of canopy areas for all supportive nursery operations on the lot;

3. Designated pesticide and other agricultural chemical storage area(s);

4. Designated self-processing area(s), if processing will occur on site;

5. Designated composting area(s), if composting will occur on site or designated secured area(s) for cannabis waste if composting does not occur on site;

6. Designated area(s) for harvested cannabis storage;

7. Common use area(s) such as hallways, bathrooms, or break rooms; and

8. The Geospatial Positioning System (GPS) Coordinates for the boundaries of each cannabis site.

D. An operations plan including at a minimum, the following information:

1. Onsite security plan including both physical and operation measures;

2. An odor management plan, including progressive measures that will be taken if needed to address odor complaints;

3. Proposed hours of operation;

4. Employee safety and training plan;

5. Water management plan including the proposed water supply and proposed conservation measures, and if water is obtained from a domestic water system, then proof of approval of use from the water system;

6. Waste management plan;

7. Sustainability measures including energy source and proposed energy efficiency measures;

8. Parking plan;

9. Hazardous waste storage plan and hazard response plan;

10. Stormwater control plans; and

11. Fuel and fire management plan.

E. A cross connection control survey completed by a qualified professional confirming that no cross connections will exist between potable water and irrigation uses.

F. Such other information as the Chief of Planning, or his or her designee, may require.

20.69.100 Suspension, revocation, and enforcement.

Grounds and procedures for suspension revocation and enforcement shall be as set forth in Sections 20.67.110, 20.67.120, and 20.70.130 of this Title.

SECTION 3. SEVERABILITY. If any section, subsection, sentence, clause or phrase of this ordinance is for any reason held to be invalid, such decision shall not affect the validity of

the remaining portions of this ordinance. The Board of Supervisors hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause and phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared invalid.

SECTION 4. This Ordinance shall become effective on the thirty-first day following its adoption or upon California Coastal Commission confirmation that County's ordinance satisfies the Coastal Commission's certification order, whichever occurs later.

Chapter 21.69 OUTDOOR COMMERCIAL CANNABIS CULTIVATION PILOT PROGRAM

21.69.010 Definitions.

For the purpose of this Chapter, unless the context otherwise requires, certain terms used in this Chapter shall be as defined below. The definitions in Chapters 21.06 and 21.67 shall otherwise apply.

A. "Cannabis site" means the location or area specified in the permit issued pursuant to this Chapter, that is owned, leased, or otherwise held under the control of the applicant or permittee where outdoor cultivation and outdoor cultivation ancillary uses will be conducted. The cannabis site shall be on one lot and shall only be occupied by one permittee.

B. "Lot" shall have the same meaning as in Section 21.06.760 of this Title.

C. "Outdoor cultivation" means any activity involving the planting, growing, harvesting, drying, curing, grading, or trimming of cannabis without the use of artificial lighting or light deprivation in the canopy area at any point in time.

D. "Outdoor cultivation ancillary uses" means supportive nursery, self-distribution, and self-processing activities as those terms are defined in this Chapter.

E. "Pilot program" means the outdoor commercial cannabis cultivation pilot program established in this Chapter.

F. "Self-distribution" means the transport of cannabis grown onsite and nonmanufactured cannabis products produced onsite to another permitted and licensed cannabis business at an offsite facility.

G. "Self-processing" means all activities associated with the drying, curing, grading, trimming, rolling, storing, packaging, and labeling of cannabis or nonmanufactured cannabis products grown or produced onsite.

H. "Supportive nursery" means all activities associated with producing clones, immature plants, seeds, and other agricultural products used specifically for the propagation and cultivation of outdoor cannabis cultivation onsite. Artificial lighting is permissible only to maintain immature plants in a supportive nursery.

(Ord. No. 5311, § 2, 6-18-2019)

21.69.020 Purpose.

The purpose of this Chapter is to achieve the following:

A. To establish a pilot program to provide uniform procedures for consideration of permits for outdoor cultivation and outdoor cultivation ancillary uses in the Carmel Valley Master Plan and Cachagua Area Plan areas;

B. To gather data and information related to outdoor cultivation and outdoor cultivation ancillary uses to enable the County to evaluate the establishment of long-term regulations;

C. To provide those who historically cultivated cannabis within the Carmel Valley Master Plan and Cachagua Area Plan areas an opportunity to participate in the legalized commercial cannabis industry;

D. To reduce negative impacts to the environment; and

E. To provide for protection of public health, safety and welfare of residents, visitors, and persons engaged in outdoor cultivation and outdoor cultivation ancillary uses under this pilot program.

(Ord. No. 5311, § 2, 6-18-2019)

21.69.030 Applicability and duration.

A. Notwithstanding the provisions of Chapter 21.67 of this Title, the provisions of this Chapter are applicable to outdoor cultivation and outdoor cultivation ancillary uses within the Carmel Valley Master Plan and the Cachagua Area Plan. Chapter 21.67 shall apply to all other commercial cannabis activities not covered in this Chapter.

B. The duration of the pilot program shall be June 18, 2026, eight years from the effective date of the ordinance enacting this Chapter.

(Ord. No. 5311, § 2, 6-18-2019; Ord. No. 5350 , § 3, 5-18-2021)

21.69.040 Permits required.

A. Except as provided in Section 21.67.090 of this Title, commercial cannabis activities shall not be allowed in the unincorporated non-coastal areas of Monterey County without first securing all permits, licenses, or other entitlements required by state law and County regulation.

B. An administrative permit shall be required for all outdoor cultivation and outdoor cultivation ancillary uses provided for in this pilot program. The application for an administrative permit, and for amendments thereto and extensions thereof, shall be processed in accordance with Chapter 21.70 of this Title. The Chief of Planning is the appropriate authority to consider issuance, extension of, and amendment to such permits. Appeals from the decision of the Chief of Planning shall be governed by Chapter 21.86 of this Title. Notwithstanding the foregoing, the procedures for suspension and revocation of an administrative permit granted under this pilot program shall be as set forth in Sections 21.67.110 and 21.67.120 of this Title.

C. All administrative permits issued pursuant to this pilot program shall expire within five years from the approval date or upon the termination of the pilot program, whichever occurs first. On or before the five year expiration of this pilot program, the County shall evaluate the pilot program to determine if the program should be terminated, extended, or modified. Permits approved pursuant to this Chapter shall not survive or have continuing application beyond the expiration of the pilot program unless the program is extended or modified by the Board of Supervisors. Approval of Administrative Permits pursuant to this pilot program and commencement of allowed uses shall not establish a non-conforming use. If the pilot program is extended or modified, new land use entitlements, as may be specified in the extended or modified regulations, must be obtained.

D. In addition to an administrative permit, pursuant to Chapters 7.02 and 7.90 of the Monterey County Code, a Business License and a Commercial Cannabis Business Permit shall be required for all outdoor cultivation and outdoor cultivation ancillary uses.

E. Pursuant to California Business and Professions Code section 26000 et seq., a valid license from the State shall be required for all outdoor cultivation and outdoor cultivation ancillary uses.

F. The owner shall post or cause to be posted on the cannabis site all required County and state permits and licenses required to operate. Such posting shall be located in a conspicuous location at or near the location where the outdoor cultivation and outdoor cultivation ancillary uses occur, and a copy of the permits and licenses shall be kept in all vehicles that transport cannabis or nonmanufactured cannabis products.

G. The owner and all permittees shall maintain clear and adequate records and documentation demonstrating that all cannabis or nonmanufactured cannabis products have been obtained from and are provided to other permitted and licensed cannabis operations. The County shall have the right to examine, monitor, and audit such records and documentation, which shall be made available to the County upon request.

H. The owner and all permittees shall conduct outdoor cultivation and outdoor cultivation ancillary uses in compliance with all required County permits and state licenses, and in compliance with state law and County law. The owner and all permittees shall be responsible for the payment of all required inspection fees, permit fees, and taxes.

(Ord. No. 5311, § 2, 6-18-2019)

21.69.050 Qualified properties.

A. Only qualified properties shall be eligible for permitting under this Chapter.

B. Qualified properties are required to provide evidence to the satisfaction of the Appropriate Authority that all of the following criteria are met:

1. The cannabis site is located within the Carmel Valley Master Plan area or the Cachagua Area Plan area.

2. The cannabis site is within an area designated on the Sectional District Zoning Map as:

a. Rural Density Residential in the Carmel Valley Master Plan; or

b. Resource Conservation or Permanent Grazing in the Cachagua Area Plan.

3. The cannabis site is located on a lot where proof of prior cultivation is demonstrated per Subsection C of this Section.

C. Qualified properties are required to provide evidence to the satisfaction of the appropriate authority that they were engaged in medicinal cannabis cultivation on the lot prior to January 1, 2016. For the purposes of this Subsection, cultivation of six or fewer plants shall not be sufficient evidence of prior cultivation. Such evidence shall include at least two of the following:

1. Photographs of cultivation that existed on the lot prior to January 1, 2016, including aerial views from Google Earth, Big Maps, Terraserver, or a comparable service showing both the entire lot and the cultivation site in more detail. The date these images were captured shall be noted.

2. Documentary evidence that medicinal cannabis was cultivated on the lot on behalf of a collective or cooperative dated prior to January 1, 2016.

3. Any other form of evidence acceptable to the appropriate authority that cultivation occurred on the lot prior to January 1, 2016.

D. This pilot program only applies to the specified areas of the Carmel Valley Master Plan and Cachagua Area Plan as restricted by this Chapter, and in the Big Sur Land Use Plan as restricted by Chapter 20.69 of the Monterey County Code. The uses permitted under this pilot program are expressly prohibited in all other unincorporated areas of Monterey County.

(Ord. No. 5311, § 2, 6-18-2019; Ord. No. 5350 , § 4, 5-18-2021)

21.69.060 Regulations.

Permits for outdoor cultivation and outdoor cultivation ancillary uses shall comply with all of the following regulations:

A. Activities allowed pursuant to this pilot program shall be limited to outdoor cultivation and outdoor cultivation ancillary uses. Indoor and mixed-light cultivation, and any form of manufacturing, testing, and retail operations are excluded from this pilot program.

B. Outdoor cultivation and outdoor cultivation ancillary uses shall obtain and maintain a permit required pursuant to Section 21.69.040 of this Chapter prior to recommencement of activities, and shall establish and maintain all activities in accordance with all requirements, regulations, limitations, and conditions established in this Chapter and as may be applied to a permit approved pursuant to this Chapter.

C. Outdoor cultivation and outdoor cultivation ancillary uses shall conform to all of the following minimum setback requirements:

1. The lot on which a cannabis site is located shall not be within one thousand (1,000) feet of a school providing instruction in kindergarten or any grades 1 through 12, a child care center, a youth center, a playground, or a drug recovery facility that is in existence at the time of approval of a permit by the appropriate authority. The distance specified in this Section shall be measured in a straight line from the nearest point of the property line of the lot that contains the outdoor cultivation and outdoor cultivation ancillary uses, to the nearest point of the property line of the enumerated use(s).

2. The cannabis site shall be setback a minimum of fifty (50) feet from any public road.

3. The cannabis site shall be setback a minimum of two hundred fifty feet (250) feet from the nearest offsite structure. This setback does not apply to non-habitable sheds, outbuildings, and similar non-habitable accessory structures. The distance specified in this Section shall be measured in a straight line from the nearest point of the cannabis site to the nearest applicable structure on adjoining properties.

4. The cannabis site shall be setback a minimum of one hundred fifty (150) feet from a stream, river, or watercourse.

D. Exceptions to setbacks from the nearest offsite structure may be considered by the appropriate authority. The following criteria may be used in consideration of such an exception: weather patterns; existence of topographical features; trees and shrubs; and possible development of landscape berms to separate cannabis uses from nearby residential uses on a neighboring lot. Setbacks may also be reduced for supportive nursery cannabis sites and for outdoor cultivation ancillary uses, provided that such uses are located entirely within an approved structure that incorporates adequate odor mitigation technologies. In no case shall the setback from a school, playground, youth center, child care center, or drug recovery facility be less than a one thousand (1,000) foot radius. This Subsection does not restrict the ability of the appropriate authority to consider odor mitigation techniques, including but not limited to, landscape vegetation strips which may include other fragrant vegetation to mask the odors, odor neutralizing technologies, or relocation of cannabis sites as part of the consideration of a permit required pursuant to this Chapter.

E. Outdoor cultivation and outdoor cultivation ancillary uses shall be located only within a permitted cannabis site. Cannabis sites shall be located in areas where prior cultivation activities occurred on the lot, except when previously utilized areas or structures on the qualified property do not conform to one or more standards contained herein or cannot comply with other applicable state or local regulations. In such cases, reconfiguration of the cannabis sites and associated infrastructure may be permitted provided that the reconfiguration results in compliance with the terms of this pilot program and will not conflict with other applicable provisions of state and County law including the applicable provisions of the General Plan.

F. Outdoor cultivation and outdoor cultivation ancillary uses shall be subject to applicable use of private road regulations contained in the Monterey County Code.

G. Outdoor cultivation and outdoor cultivation ancillary uses shall not take place on federal or state lands, or on lots where the only access is through federal land.

H. In no case shall a building built as a single-family dwelling or multiple family dwelling be used for outdoor cultivation and outdoor cultivation ancillary uses, except that the dwelling may be used for offices related to the permitted cannabis activities, or for the purposes of providing sanitary facilities and break areas for employees employed onsite.

I. No visual indications that outdoor cultivation and outdoor cultivation ancillary uses occur on the site shall be visible from offsite, including but not limited to cannabis plants, markers, and similar indicators of cannabis activities.

J. The canopy of outdoor cultivation shall be limited to two and one half percent (2.5%) of the total square footage of the lot, not to exceed twenty thousand (20,000) square feet of canopy on any one lot.

K. Security measures sufficient to restrict access to only those intended and to deter trespass and theft of cannabis or cannabis products shall be provided and maintained. If onsite security is utilized, such onsite security shall not use or possess firearms or other lethal weapons. Fencing is only required where other reasonable limitations to access to the cannabis site cannot be provided. Fencing and other structures and improvements for the purposes of providing security shall be subject to the applicable permit(s), including siting and design criteria for the site.

L. Pesticides and fertilizers shall be properly labeled, stored, and applied to avoid and prevent contamination through erosion, leakage, or inadvertent damage from rodents, pests, or wildlife. Approved outdoor cultivation operations using pesticides shall obtain the appropriate permits, licenses, or clearances from the Monterey County Agricultural Commissioner and the Environmental Health Bureau, as applicable.

M. Lighting inside and outside of all structures shall be unobtrusive and constructed or located so that only the area intended is illuminated, long range visibility is reduced, the lighting source is not visible from offsite, and glare is fully controlled.

N. All necessary fire prevention measures, as determined by the appropriate fire district personnel, shall be provided and maintained onsite.

O. Adequate water supply sources to meet all onsite uses shall be provided. Water use includes, but is not limited to, irrigation water, and permanent potable water for all employees. Water transported by vehicle from offsite shall not be considered an adequate water supply source.

P. All necessary waste water facilities, as determined by the Monterey County Environmental Health Bureau, shall be provided.

Q. The following additional plans and information shall be created, reviewed, permitted and implemented, as applicable, during operations:

1. A water management plan including the proposed water supply, written permission to access to water if the source is a water system or surface diversion, proposed water conservation measures, and any water offset.

2. Information regarding stormwater control and wastewater discharge. Such plans shall be sufficient to prevent erosion and other water quality impacts on or offsite.

3. A storage and hazard response plan for all pesticides, fertilizers, and any other hazardous materials kept on site.

4. All power source(s) for commercial cannabis activities at the site including any proposed energy offsets. Generators shall not be permitted as the permeant power source.

5. A cannabis waste management plan including the method(s) for managing cannabis waste. Acceptable methods include onsite composting provided the composting site is clearly defined and approved as part of a permit pursuant to this pilot program, collection and processing of cannabis waste by an

approved waste hauler in Monterey County, or self-haul of cannabis waste to a permitted solid waste or composting facility.

6. All permits shall also be subject to the policies contained in the General Plan.

(Ord. No. 5311, § 2, 6-18-2019; Ord. No. 5350 , §§ 5—7, 5-18-2021)

21.69.070 Required findings.

An administrative permit for the cannabis activities allowed pursuant to this pilot program shall not be granted by the appropriate authority unless all of the following findings are made based on substantial evidence:

A. The outdoor cultivation and outdoor cultivation ancillary uses, as proposed, comply with all of the requirements of Chapter 21.69.

B. Adequate energy, sewer, and water services exist or can be provided for the use(s) proposed.

C. The location of the cannabis site(s) and the establishment or operation of outdoor cultivation and outdoor cultivation ancillary uses are consistent with the text, policies and regulations of the General Plan.

D. Any environmental impacts considered potentially significant are mitigated.

E. The plans include adequate facilities and operational measures to address security, health and safety standards, and other standards that minimize or avoid nuisances and impacts on the lot and in the neighborhood where the activities are proposed.

(Ord. No. 5311, § 2, 6-18-2019)

21.69.080 Required conditions.

In addition to any other conditions and mitigation measures required by the appropriate authority, all of the following conditions shall apply to all permits for outdoor cultivation and outdoor cultivation ancillary uses:

A. The owner and permittees shall allow access to the cannabis site and access to records if requested by the County, its officers, or agents, and shall pay for an annual inspection of the cannabis site and submit to inspections from the County or its officers to verify compliance with all relevant rules, regulations, and conditions.

B. The applicant, owner, and permittees shall indemnify, defend, and hold the County harmless from any and all claims and proceedings relating to the approval of the permit or relating to any damage to property or persons stemming from the commercial cannabis activity.

C. Any person engaged in the cannabis activities allowed pursuant to the pilot program shall obtain and maintain all required state and County permits and licenses, including a valid and fully executed Business License and Commercial Cannabis Business Permit pursuant to Chapters 7.02 and 7.90 of the Monterey County Code.

D. The owner shall be responsible for ensuring that all commercial cannabis activities at the site operate in good standing with all permits and licenses required by state law and the Monterey County Code. Failure to take appropriate actions to evict or otherwise remove permittees and persons conducting commercial cannabis activities at the site who do not maintain permits or license in good standing with the state or County shall be grounds for the suspension or revocation of permits pursuant to Sections 21.67.110 and 21.67.120 of the Monterey County Code.

(Ord. No. 5311, § 2, 6-18-2019)

21.69.090 Application requirements.

All applications for an administrative permit for outdoor cultivation and outdoor cultivation ancillary uses shall be filed with the Resource Management Agency on the form and in the manner prescribed by the Chief of Planning, or his or her designee. In all cases, the application shall contain, without limitation the following documentation:

A. Notarized, written authorization from all persons and entities having a right, title or interest in the property that is the subject of the application consenting to the application and the operation of the proposed commercial cannabis activities on the subject property.

B. A site plan containing the following minimum information:

1. Boundaries of lot and the cannabis site(s) wherein each of the proposed cannabis activities will occur;
2. Access roads and driveways to the lot from the nearest public road;
3. Entrances and exits to and from all proposed cannabis sites;
4. All existing and proposed structures, wells, septic systems, parking areas, and utilities at the lot;
5. All easements and all water bodies on the lot;
6. Assessor's Parcel Number;
7. Property boundaries and distance from all cannabis sites to structures on neighboring properties, if structures are located within one thousand five hundred (1,500) feet of the cannabis site(s);
8. Topographic information including areas of the property containing slopes greater than twenty-five (25) percent; and
9. The diagram shall be to scale.

C. A cultivation plan containing a cannabis site diagram showing all boundaries and dimensions in feet of the following proposed areas to scale:

1. Location of and aggregate square footage of canopy area(s) for all outdoor cultivation on the lot;
2. Location of and aggregate square footage of canopy areas for all supportive nursery operations on the lot;
3. Designated pesticide and other agricultural chemical storage area(s);
4. Designated self-processing area(s), if processing will occur on site;
5. Designated composting area(s), if composting will occur on site or designated secured area(s) for cannabis waste if composting does not occur on site;
6. Designated area(s) for harvested cannabis storage;
7. Common use area(s) such as hallways, bathrooms, or break rooms; and
8. The Geospatial Positioning System (GPS) Coordinates for the boundaries of each cannabis site.

D. An operations plan including at a minimum, the following information:

1. Onsite security plan including both physical and operation measures;
2. Odor management plan, including progressive measures that will be taken if needed to address odor complaints;

3. Proposed hours of operation;
4. Employee safety and training plan;
5. Water management plan, including the proposed water supply and proposed conservation measures, and if water is obtained from a domestic water system, then proof of approval of use from the water system;
6. Waste management plan;
7. Sustainability measures including energy source and proposed energy efficiency measures;
8. Parking plan;
9. Hazardous waste storage plan and hazard response plan;
10. Stormwater control plans; and
11. Fuel and fire management plan.

E. A cross connection control survey completed by a qualified professional confirming that no cross connections will exist between potable water and irrigation uses.

F. Such other information as the Chief of Planning, or his or her designee, may require.

(Ord. No. 5311, § 2, 6-18-2019)

21.69.100 Suspension, revocation, and enforcement.

Grounds and procedures for suspension revocation and enforcement shall be as set forth in Sections 21.67.110, 21.67.120, and 21.70.130 of this Title.

(Ord. No. 5311, § 2, 6-18-2019)

Board of Supervisors
January 9, 2024

a. Consider amending the requirements for the Outdoor Commercial Cannabis Cultivation Pilot Program related to proof of prior cultivation;
b. Consider setting a limit for aggregate outdoor cultivation canopy under the Pilot Program;
c. Consider directing Housing and Community Development staff to amend Chapters 20.69 (Coastal) and 21.69 (Inland) of the Monterey County Code; and
d. Provide further direction as appropriate.

RECOMMENDATIONS:
It is recommended that the Board of Supervisors:

e. Consider amending the requirements for the Outdoor Commercial Cannabis Cultivation Pilot Program related to proof of prior cultivation;
f. Consider setting a limit for aggregate outdoor cultivation canopy under the Pilot Program;
g. Consider directing Housing and Community Development staff to amend Chapters 20.69 (Coastal) and 21.69 (Inland) of the Monterey County Code; and
h. Provide further direction as appropriate.

SUMMARY/DISCUSSION:
At the Board of Supervisors Cannabis Committee (Committee) meeting on November 2, 2023, there was discussion regarding requirements Chapters 20.69 and 21.69 of Monterey County Code (MCC). These Chapters pertain to the Outdoor Commercial Cannabis Cultivation Pilot Program (Pilot) within coastal and inland zones respectively. Current regulations require an applicant to provide proof that cannabis had been cultivated on the site under the medicinal cannabis rules that preceded the commercial cannabis regulations. Proof includes evidence that cannabis was cultivated on the site prior to January 1, 2016. In discussing the requirements, the Cannabis Committee was split on the recommendation to amend the outdoor cannabis cultivation, acknowledging prior decisions from the Board of Supervisors, most recently in August of 2022 so the Cannabis Program (Program) staff were directed to return to the full Board to reconsider with the narrow focus of removing the requirement for proof of prior cultivation.

MCC sections 20.69.050 and 21.69.050 (Attachment A) currently state:

> *"B. Qualified properties are required to provide evidence to the satisfaction of the Appropriate Authority that all of the following criteria are met:*
>
> *3. The cannabis site is located on a lot where proof of prior cultivation is demonstrated per Subsection C of this Section.*
>
> *C. Qualified properties are required to provide evidence to the satisfaction of the appropriate authority that they were engaged in medicinal cannabis cultivation on the lot prior to January 1, 2016. For the purposes of this Subsection, cultivation of six or fewer plants shall not be sufficient evidence of prior cultivation. Such evidence shall include at least two of the following:*
>
> *1. Photographs of cultivation that existed on the lot prior to January 1, 2016,*

including aerial views from Google Earth, Big Maps, Terraserver, or a comparable service showing both the entire lot and the cultivation site in more detail. The date these images were captured shall be noted.
2. Documentary evidence that medicinal cannabis was cultivated on the lot on behalf of a collective or cooperative dated prior to January 1, 2016.
3. Any other form of evidence acceptable to the appropriate authority that cultivation occurred on the lot prior to January 1, 2016."

It should be noted that real properties are qualified through this requirement, not individual applicants.

As presented in the previous Board report, Growing Equity Together (GET) participants have faced numerous obstacles that hinder their ability to enter the commercial cannabis industry within our County:

- Inability to secure a property within an allowable zoning area.
- Challenges in meeting requirements to submit a complete land use permit application.
    - 10 of the 14 verified equity applicants previously cultivated under the Compassionate Use Act (Prop 215) and are trying to restart outdoor cultivation activities.
    - Many of these heritage Prop 215 growers no longer own/lease the original property, which makes them ineligible for the Pilot.
    - Retirement, Remediation and Relocation (RRR) was a benefit to verified equity applicants under the original GET framework and would allow applicants who previously cultivated under Prop 215 to transfer development rights to a new property, however the RRR benefit was later removed from the GET Program by the Board.
  - While some operators may qualify for an exemption from the California Environmental Quality Act (CEQA), those who do not would face steep costs and extended timelines for approval of their land use entitlements.
    - An Environmental Impact Report (EIR) pertaining to outdoor cultivation within District 5 was allocated within the budget of a separate grant—the Local Jurisdiction Assistance Grant—and would have removed the need for site-specific CEQA studies, but funding for the EIR was later reallocated by the Board.

Despite being in place for four and a half years, the Pilot has resulted in the following:

- 10 GET participants interested in the Pilot:
  - One participant has obtained a provisional Department of Cannabis Control (DCC) Outdoor license for outdoor cultivation within District 5 but must also obtain local authorization before operations may begin. This participant is working to achieve compliance with the required land use and cannabis business permits.
  - Three participants have submitted land use permit applications but have not yet submitted cannabis business permit applications or obtained DCC licenses.
  - One participant withdrew their land use permit application.

- 2 non-equity applicants interested in the Pilot:
    - One applicant was outside of the allowable area and their land use permit application was voided.
    - One applicant withdrew their land use permit application.

To provide additional opportunity to participate in the commercial cannabis industry while preserving the intent of the Pilot, staff recommends the Board consider:

- Removal of the requirement to provide proof of cannabis cultivation on the lot prior to January 1, 2016.
- Limit aggregate cultivation canopy to 300,000.
    - Pursuant of MCC 20/21.69.060(J), canopy is currently limited to 20,000 per lot.

In August 2022, the Board approved the extension of the Pilot to 2030. Should the Board direct staff to amend the code, HCD requests guidance on the prioritization of item relative to other priority work tasks.

FINANCING:
Monterey County's Cannabis Program is funded in County Administrative Office – Department 1050, Intergovernmental and Legislative Affairs Division – Unit 8533, Cannabis. The proposed recommendations will not incur additional expenses to the Program but may incur additional expenses related to HCD and County Counsel staff time required to prepare reports, ordinances, and presentations.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
The Monterey County Cannabis Program addresses each of the Strategic Initiative Policy Areas that promote the growth of a responsible and legal Monterey County cannabis industry.

CANNABIS PROGRAM
COUNTY OF MONTEREY

Board of Supervisors Meeting
January 9, 2024

Proposed Amendments to Chapters 20/21.69

History of Outdoor Commercial Cannabis Cultivation Pilot Program

- Board adopted in June 2019 to add Chapters 20/21.69 to Monterey County Code.
- Board amended in May 2021 to:
  - Extend Pilot for 3 years.
    - Expiration date: 2026.
  - Add Permanent Grazing as an allowable zoning type within Cachagua Area Plan.
  - Increased canopy limit from 10,000 ➔ 20,000 square feet.
  - Reduced setbacks from nearest offsite structure from 500 ➔ 250 feet.
    - Expanded exception criteria for discretion of Appropriate Authority.

CANNABIS PROGRAM
COUNTY OF MONTEREY

Proposed Amendments to Chapters 20/21.69

- Consider removing the requirement to demonstrate that cannabis was cultivated onsite.

Reasons to remove proof of prior cultivation

- No operations in the four years the Pilot has been active.
- Board adopted Growing Equity Together Program in December 2021.
  - Included Retirement, Remediation, and Relocation (RRR) component.
    - RRR program not approved.
- Many interested applicants no longer own/lease property and are ineligible for Pilot.
- HCD has received four eligible formal land use permit applications for outdoor cultivation.
  - 4 - “Incomplete” status.
    - Each are Growing Equity Together applicants.
  - 1 other – ineligible due to zoning area.

CANNABIS PROGRAM
COUNTY OF MONTEREY

Proposed Amendments to Chapters 20/21.69

- Remove requirement for parcels cultivated prior to January 1, 2016.
- Consider aggregate canopy limit of 300,000 (Individual 20,000 cap per applicant).

Resources

- Program does not need additional allocations for staff or non-staff costs.
- HCD staff time is required to draft ordinances. This will compete with other priorities:
  - **Housing Element update**
  - **ADU ordinance updates**
  - **Inclusionary Housing Ordinance**
  - **Vacation Rental Ordinance**
  - **Zone 2C study**
  - **Ag land mitigation**
  - **Chualar Community Plan**
  - **Castroville Community Plan updates**
  - **Big Sur Land Use Plan updates**
  - **Moss Landing Community Plan update**
  - **East Garrison**
  - **Tree policies**
  - **Carmel Lagoon/Scenic Rd protective structures**
  - **CRFREE**
  - **DES**

Questions

Introduced: 12/12/2023 **Current Status:** Scheduled AM

Version: 1 **Matter Type:** General Agenda Item

a. Receive a broadband status report from the Chief Information Officer;
b. Receive and Accept the Monterey County Broadband Strategic Plan; and
c. Receive a broadband strategic plan presentation by MMKelly Consulting on behalf of TeleworX, LLC.

RECOMMENDATION:
It is recommended that the Board of Supervisors:
a. Receive a broadband status report from the Chief Information Officer;
b. Receive and Accept the Monterey County Broadband Strategic Plan; and
c. Receive a broadband strategic plan presentation by MMKelly Consulting on behalf of TeleworX, LLC.

SUMMARY/DISCUSSION:
The presentation will be divided into two parts, covering the following aspects:

1) A broadband update that outlines the current status of projects funded by the Advanced Research Projects Agency (ARPA), progress on the Local Area Technical Assistance (LATA) grant, and details on Federal Funding Account applications submitted by various entities, including the Rural County Representatives of California (RCRC) affiliate, Golden State Finance Authority (GSFA).
2) The second part of the presentation will focus on the Broadband Strategic Plan, presented by MMKelly Consulting on behalf of TeleworX, LLC. The board previously approved a letter on June 8, 2021, endorsing the grant application submitted by RCRC affiliate GSFA to the U.S. Department of Commerce's Economic Development Representative. This grant application sought funding for the development of a Broadband Strategic Plan, which spanned multiple counties, including the County of Monterey.
In addition, the board also approved a Memorandum of Understanding (MOU) between the County of Monterey and GSFA, delineating the roles and responsibilities of each agency in seeking grant funding to augment the costs and the participation required for the development of the Broadband Strategic Plan for the County of Monterey. The county committed a $25,000 match required for county participation in the strategic planning. In September 2022, the grant was awarded, leading to the release of an RFP by RCRC for consulting services to formulate the broadband strategic plan. By February 2023, TeleworX, LLC was selected as the consultant and contracted with GSCA. The presentation by MMKelly on behalf of TeleworX, LLC provides an overview of the proposed plan.

OTHER AGENCY INVOLVEMENT:
Designees from Information Technology, Department of Social Services, Monterey County Free

Libraries, Health Department, Housing and Community Development, Public Works, Facilities, and Parks, County Administration, Monterey County Office of Education, Hartnell College, Salinas Valley Chamber of Commerce, Monterey Bay Economic Partnership, Cities of Gonzales, Soledad, Greenfield, Salinas, Marina, and King City were included and given opportunities to provide input in the development of the strategic plan.

FINANCING:
The $25,000 required for Monterey County participation and MOU was addressed and paid in FY 2022-23.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
The collaborative efforts and partnerships aimed at enhancing broadband access are poised to bridge the digital divide across Monterey County. The broadband strategic plan serves as the cornerstone, laying the groundwork for the investment and implementation of broadband infrastructure. This initiative will furnish essential information for local elected officials, empowering them to formulate policies that foster investment. Furthermore, the broadband strategy is instrumental in enabling communities to capitalize on funding opportunities that either mandate or strongly recommend the existence of a well-defined plan.

Executive Summary

The Monterey County Broadband Strategic Plan presented herein was commissioned by Golden State Finance Authority (GSFA) and funded through a US Department of Commerce, Economic Development Administration (EDA) grant awarded in August 2022 to GSFA.

The main goal of this project is to formulate a comprehensive countywide broadband strategy to address the broadband connectivity needs of residents, businesses, and anchor institutions while positioning local jurisdictions to pursue and attract broadband investments in the County.

This Broadband Strategic Plan also establishes the data foundation on which to develop state and federal broadband grants or to attract private industry to design and deploy broadband solutions.

The scope of the Broadband Strategic Plan includes the characterization of the broadband environment in the County and the development of network solutions and an associated implementation strategy to improve broadband access and adoption. The specific focus includes:

- A comprehensive broadband needs and market analysis
- A broadband asset inventory.
- Conceptual network designs to inform broadband operating model alternatives.
- Assessment and recommendations of operating models for broadband implementation and strategies for digital inclusion.
- Review of municipal broadband policies

Monterey County is a rural demarcation in California, home to approximately 434,000 residents and encompassing the cities Carmel-by-the-Sea, Del Rey Oaks, Gonzales, Greenfield, City of King, Marina, Monterey, Pacific Grove, Salinas, Sand City, Seaside, and Soledad. The County's population is projected to experience a growth rate of 0.5% per year over the next decade. The Latino community represents 60% of the population in the County. Monterey County has a median household income of $90,987 and a per-capita personal income of $33,786 in 2021. The poverty rate in the County is over the national average, with 13.4 percent of households falling below the federal poverty line.

The main finding of the needs assessment and market analysis is the urgent need to expand and exploit fiber infrastructure within Monterey County. Approximately 97% of the broadband serviceable locations are considered served according to Federal Communications Commission (FCC) data. Of those unserved (3,400 locations), 79% are in unincorporated areas. However, there is an important gap in access to 1 G / 500 Mbps service as 77% of Monterey County locations lack access to this kind of service, including large areas across the cities.

Furthermore, the market analysis revealed that competition in most areas is limited since 45% of locations have access to only one or no provider offering services above 100 Mbps, and only 1% of locations have access to more than one fiber provider.

Public fiber infrastructure that can be leveraged to accelerate the deployment of fiber-based broadband services includes the 44-mile County fiber network and the California Middle Mile Broadband Initiative (MMBI) being built by the California Department of Technology (CDT) which includes 182 miles of planned deployment within Monterey County.

Based on the characterization of the broadband environment in the County, the Broadband Strategic Plan progresses to the development of solutions and strategies to address the identified needs and opportunities. This is accomplished through the identification of attractive areas for broadband deployment (fiber and fixed wireless), referred hereto as "Broadband Opportunity Zones". A conceptual design is developed, and three different operating models are assessed for the implementation and operation of each opportunity zone based on the assessment of available funding sources, financial viability, ongoing initiatives, and potential partners to arrive at a recommended scenario and strategy.

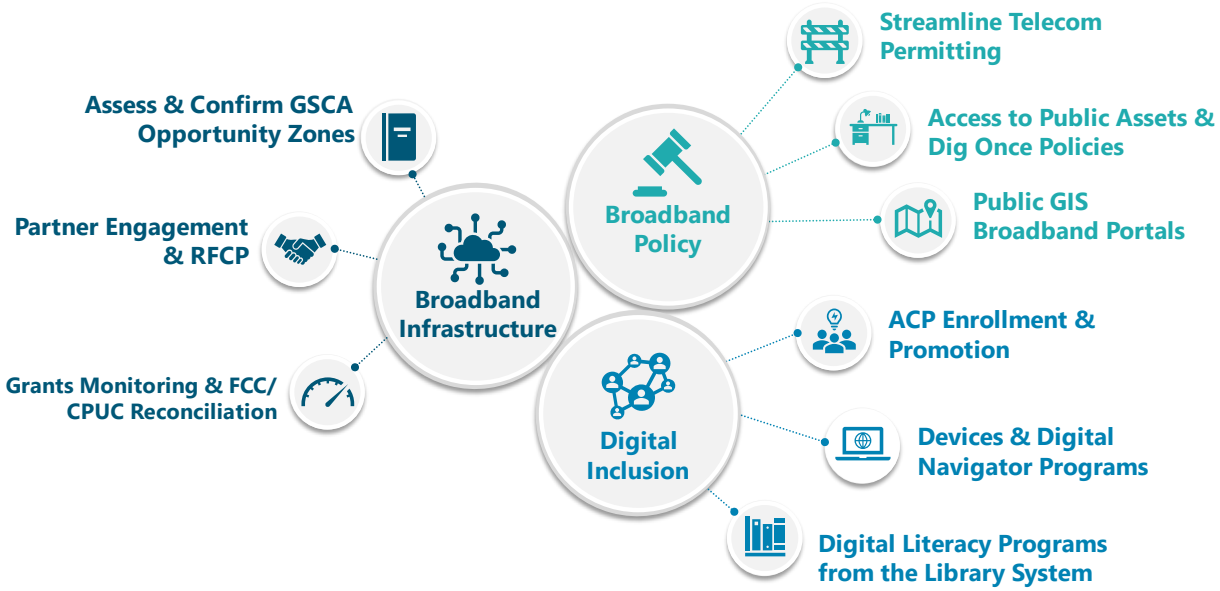
A total of sixty-four (64) broadband opportunity zones (52 for fiber and 12 for FWA) have been identified in Monterey County based on demographics, density, and the competitive environment. The conceptual designs for these opportunity zones result in a total cost estimated at $321 million. This leads to a plan that, if implemented, would result in 0% of unserved locations and an increase of 1G served locations from 23.3% to 84.3%.

Each opportunity zone is assessed against three operating models: 1) a public model led by Golden State Connect Authority (GSCA)[1], 2) a Private ISP Standalone model, and 3) a Public-Private Partnership (PPP) model. The assessment is done through a financial model and the consideration of grant eligibility and potential partners. This results in the selection of an operating model and the identification of key success factors for each opportunity zone.

Once the operating models have been identified, broadband opportunity zones under each model are further categorized based on their feasibility and timeframe for implementation - Phase 1(2023-24), Phase 2 (2025-26), and long-term categories (beyond 2026). Under each category, the focus of the next steps is on the key success factors such as securing grant funds, engagement with potential ISP partners, buildout of the California MMBI, and public contributions to trigger PPPs in areas with sub-standard business cases.

As an integral part of the broadband strategy, broadband policies of the County and certain cities are assessed based on the California Local Permitting Playbook and recommendations are provided to attract and streamline broadband infrastructure deployments. The recommendations focus on improving permitting processes and documentation, enabling access to public assets, implementing dig once policies, enforcing the deployment of conduit for major construction projects, and improving Geographic Information System (GIS) portals with broadband data.

The overall findings and recommendations gathered throughout the project are condensed into an action plan with three workstreams:



1) **Broadband Infrastructure**. This workstream focuses on the implementation of the recommended scenarios for the identified broadband opportunity zones. Specific tasks include engagement and negotiations with potential partners and the development of a Request for Concept Proposals (RFCP) to further confirm the partner choice and the required public contribution.

2) **Broadband Policies**. Implementation at the municipal level of the recommended policies and best practices, including the streamlining of telecom permitting, access to public assets, dig once policies, and development / improvement of GIS broadband portals.

[1] Golden State Connect Authority is a joint powers authority comprised of 40 rural California counties, including Monterey County that targets to improve access to reliable, affordable high-speed internet in those counties.

3) **Digital Inclusion**. This workstream is centered around coordination and support of existing programs, prioritizing those that address devices and skills gaps. This includes coalition building amongst various stakeholder groups. Key tasks are Affordable Connectivity Program (ACP) enrollment and promotion, implementation of devices and digital navigator programs, and leveraging digital literacy programs from Library System.

The graphic below provides a high-level view of the Action Plan.

1 Introduction

In an era defined by technological progress, broadband emerges as a transformative force, fueling economic growth, civic engagement, and business success. It serves as a gateway to empowerment, ensuring access to a wealth of educational, cultural, and informational resources.

Acknowledging that broadband access, adoption, and training are essential components of digital equity, the state of California has created the California Broadband for All initiative. The California Broadband for All Action Plan[2], developed by the California Broadband Council as instructed by Executive Order N-73-20, is a dynamic strategy aimed at accelerating broadband expansion and adoption in the state of California. The California Broadband for All Action Plan establishes a statewide broadband standard of 100 Mbps download and 20 Mbps upload (100/20) and focuses on ensuring access to high-speed internet, affordable internet services and devices, and digital skills and training.

In alignment with State's efforts, Golden State Finance Authority[3] (GSFA) applied for a grant from the US Department of Commerce, Economic Development Administration (EDA) in September 2021 to develop twenty-seven countywide broadband strategic plans for 28 GSFA member rural counties, including

[2] Broadband for All Cover Letter and Action Plan 2020 (ca.gov)

[3] GSFA is a California Joint Powers Authority with 39 member counties. GSFA structures, develops, and administers programs that create community resiliency through home ownership, community and economic development, and infrastructure investment.

Monterey County. The Grant was awarded in August 2022. TeleworX, LLC, a telecommunications consulting firm with national and international experience in the development of broadband strategies and networks, was selected in December 2022 to develop the Broadband Strategic Plan for Monterey County in response to GSFA's Request for Proposal (RFP) Number CD-22-02.

The Monterey County Broadband Strategic Plan, the subject of this report, has as its primary objective to formulate a comprehensive countywide strategy, addressing the broadband connectivity needs of residents, businesses, and anchor institutions.

The Broadband Strategic Plan empowers County jurisdictions to actively participate in funding programs, enhancing the County's ability to attract strategic broadband investments.

This strategic approach contributes to achieving universal broadband access, positioning the County to capitalize on federal and state funding opportunities, many of which necessitate the presence of broadband strategic plans.

The Broadband Strategic Plan includes the characterization of the broadband environment in the County, addressed in Sections 2 to 4, and the development of network solutions and the associated implementation strategy to improve broadband access and adoption in Sections 5 to 7. The outcomes of the Plan will contribute to bridge the digital divide, creating a more connected, competitive, and equitable County for all residents and businesses.

The balance of this Section provides an overview of the project scope and methodology, the socioeconomic and demographic profile of the County, and a brief analysis of broadband benefits.

1.1 Project Scope & Methodology

This section outlines the scope and methodology applied for the development of the Countywide Broadband Strategic Plan. This methodology encompasses three stages as captured in Figure 1.

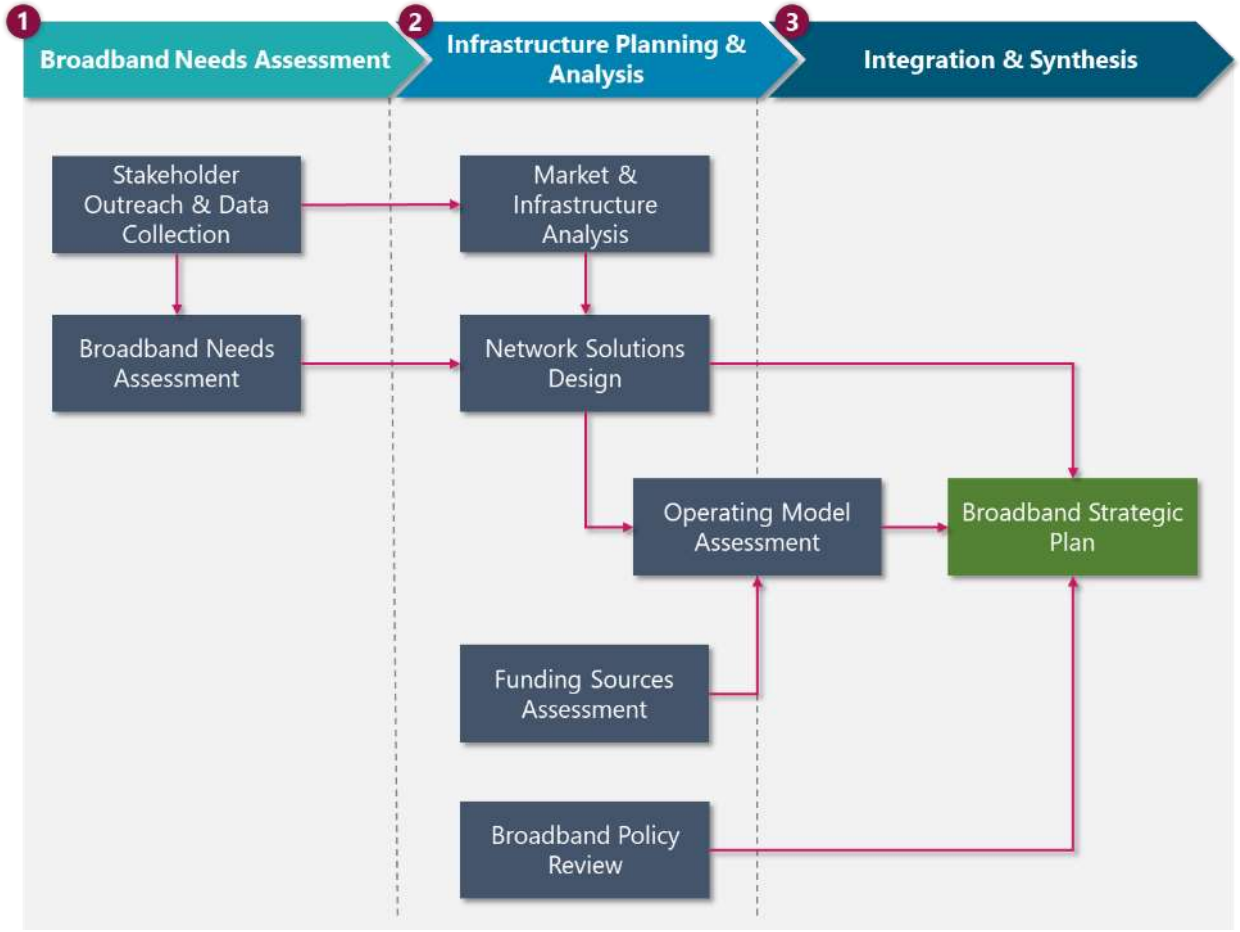


Figure 1. Project Scope and Methodology.

Stage 1: Broadband Needs Assessment

The initial stage is focused on stakeholder engagement, data collection and the identification of broadband needs and challenges. The associated tasks are set forth below:

- **Stakeholder Outreach & Data Collection.** Community outreach is done through a Needs Assessment Survey and a Speed Test Program. Key stakeholders from local governments, community-based organizations (CBOs) and anchor institutions are engaged in 1:1 meetings to capture their points of view, experience, and knowledge regarding the broadband needs in their communities. In parallel, data collection from public sources is performed including data from the Federal Communications Commission (FCC), the California Public Utilities Commission (CPUC), and the Census Bureau, among others. Finally, data from local agencies, including data on existing infrastructure, connectivity needs, and construction projects, is gathered through a data collection guide.
- **Broadband Needs Assessment.** Available data is analyzed to characterize broadband needs of the different sectors (i.e., residential, business, government and anchor institutions) regarding

availability, affordability, performance and digital inclusion. This includes Geographic Information System (GIS) processing of broadband deployment and speed test data, analysis of survey responses, characterization of challenges and opportunities from stakeholder engagement, and the development of the demand and gap analysis.

Stage 2: Infrastructure Planning & Assessment

Stage 2 focuses on the analysis of existing infrastructure, service offerings, and broadband policies, in order to identify attractive areas for deployment, develop network solutions, and provide policy recommendations for local governments in the County:

- **Market & Infrastructure Analysis.** Characterization of the broadband market utilizing data from the FCC, CPUC, speed tests, and the information collected in Stage 1, providing a comprehensive overview of the existing broadband service offerings, and identifying areas without competition. In addition, existing infrastructure is analyzed and documented through a broadband asset inventory. The outcomes of this task are crucial for the development of network solutions.
- **Network Solutions Design.** This task includes the identification of areas that are attractive for broadband deployment based on demographic and market characteristics, including areas suitable for fiber and Fixed Wireless Access (FWA) solutions. For each of these areas, referred to as "broadband opportunity zones" fiber-to-the-premises (FTTP) or FWA conceptual designs are developed along with the associated cost estimates that are a primary input for the assessment of operating models.
- **Funding Sources Assessment.** Evaluation of eligibility criteria, requirements, and timeframes of federal and state funding programs for broadband infrastructure. This assessment seeks to determine the eligibility and likelihood of securing broadband infrastructure funding from state and federal programs for broadband infrastructure deployment for each of the identified broadband opportunity zones.
- **Operating Model Assessment.** Assessment of various operating / business models to find the most feasible path for implementation of each broadband opportunity zone. This includes the evaluation of ongoing initiatives and potential partners, and a financial analysis to identify requirements for sustainability.
- **Broadband Policy Review:** Building on the California Local Permitting Playbook and the National Telecommunications and Information Administration's (NTIA) broadband policies and mechanisms, this component undertakes a comprehensive review of local broadband policies from local jurisdictions, providing recommendations to ensure that municipalities create a broadband friendly environment that contributes to extend and improve broadband infrastructure.

Stage 3: Integration & Synthesis: Broadband Strategic Plan

In Stage 3 findings from the previous phases are analyzed and consolidated into the Broadband Strategic Plan presented herein, including the development of recommendations and integration into a coherent strategy that serves as a roadmap for improved broadband access and digital inclusion that contributes to achieve digital equity within the County.

1.2 County Socioeconomic & Demographic Profile

Before addressing specific broadband benefits, it is important to review the socioeconomic and demographic profile of Monterey County. This provides the necessary context to accurately assess the potential impact of broadband.

Monterey County is a rural community in California, home to approximately 434,000 residents and encompassing the cities Carmel-by-the-Sea, Del Rey Oaks, Gonzales, Greenfield, King City, Marina, Monterey, Pacific Grove, Salinas, Sand City, Seaside, and Soledad. The County has a much higher population compared to its neighboring counties, San Benito, and San Luis Obispo. San Benito is home to about 65,000 while San Luis Obispo has a population of around 283,000 residents. The County's population is projected to experience a growth rate of 0.5% per year over the next decade. Latino community represents 60 percent of the population in the County.

Educational attainment in the county varies, with about 50 percent of adults completing high school but not pursuing further education. In contrast, only 25 percent of adults have obtained a graduate or professional degree. In terms of income, Monterey County has a median household income of $ $90,987 and a per-capita personal income of $33,786 in 2021. The poverty rate in the County is over the national average, with 13.4 percent of households falling below the federal poverty line.

There are approximately 202,833 employed residents in Monterey County. The labor force participation rate for Monterey County is around 71%, which is higher compared to neighboring San Benito County with a rate of 66% and lower compared to San Luis Obispo County with a rate of 83%. In terms of unemployment rates, Monterey County has a rate of 4.4%, while San Benito County has a rate of 4.2%, and San Luis Obispo County has the lowest rate at 2.7%.

As shown in Table 1, out of the 202,833 employees working within the County, the public business sector employs 33,902 individuals, while the private sector employs 168,931 individuals. Beyond the public sector, Agriculture, Tourism (specifically Accommodation and Food Services), Health Care and Retail are prominent sectors in Monterey County. These industries play a vital role in driving the County's economy and providing employment opportunities for its residents. Therefore, the benefit analysis for businesses in Section 4 focuses on these sectors.

Monterey County hosts a variety of employers that contribute to the local workforce. These key entities vary in size and industry, providing job opportunities for residents throughout the region. Some of the largest employers in the County include well-known businesses like Pebble Beach Resorts, Salinas Valley Memorial Hospital, Azcona Harvesting Inc in Greenfield, and Premium Packing Inc in Prunedale. Collectively, these businesses employ thousands of individuals and play a crucial role in sustaining the local economy.

1.3 Broadband Benefits

Broadband refers to high-speed internet access, meaning that it provides significantly higher speeds than those available through "dial-up" services[4], and allows users to reliably access today's internet services such as e-Learning, remote work, telehealth, video streaming, and gaming. Broadband access can be provided through various technologies, including FTTP, cable, Digital Subscriber Line (DSL), FWA and Satellite. These broadband technologies are described in Annex A.

With broadband, residents gain access to an extensive array of educational, cultural, and informational resources that enrich their lives and expand their horizons. Whether it be engaging in immersive online learning, connecting with loved ones through seamless video communication, or accessing critical healthcare services remotely, broadband empowers residents to thrive in an increasingly interconnected world. Moreover, for individuals with disabilities, broadband becomes a lifeline, enabling assistive technologies, fostering inclusivity, and facilitating independent living, thereby bridging the digital divide, and fostering a more equitable society.

Broadband is essential for businesses and anchor institutions, enabling enhanced productivity and innovation. With high-speed internet access, businesses can leverage digital tools, expand their market reach, and drive economic growth. Anchor institutions like public safety, schools, and government agencies rely on broadband for vital services, communication, and community development.

As part of the countywide Broadband Strategic Plan presented herein, an analysis of broadband benefits was developed to identify the expected benefits that County stakeholders can accrue provided broadband access and adoption is improved throughout the County. Figure 2 summarizes these benefits by stakeholder sector.

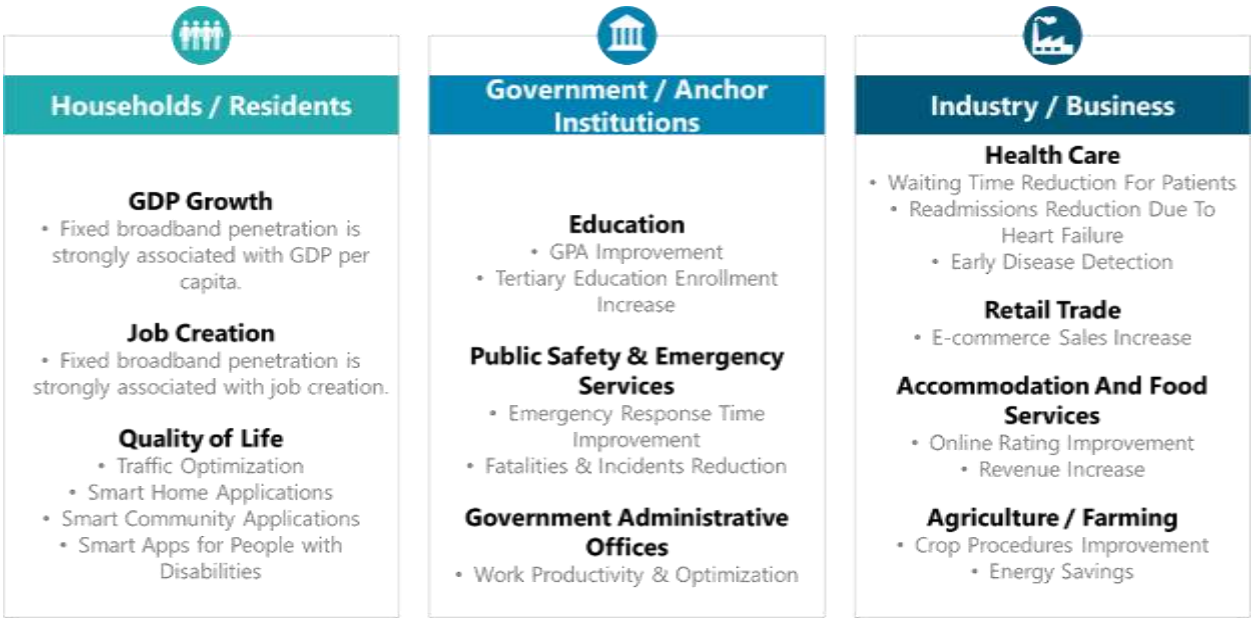

Figure 2. Broadband Benefits Overview.

Benefits for Residents

- ***Gross Domestic Product (GDP) Growth:*** It is estimated that a 10 percent point increase in fixed broadband adoption results in a GDP increase up to 1.5 percent points. Given that Monterey County currently has a broadband adoption rate of 90 percent, there is still potential for further growth. For example, if the County were to achieve a 98[5] percent adoption rate, this would translate into a potential increase of up to 1.2 percent in the County GDP.
- ***Employment Growth*:** By leveraging the power of broadband, individuals can expand their access to a diverse array of employment opportunities, including remote work options. In a hypothetical scenario where Monterey County's broadband adoption rate increases from 92 to 98 percent, the number of unemployed residents (17,400 residents) could be reduced by up to 28%.
- ***Traffic Optimization:*** According to Comprehensive Economic Development Strategy (CEDS) report, a primary concern for the County is the increase in traffic congestion, since during peak morning hours on a typical weekday, California 156 has significant commuter and tourist traffic into Monterey. In the context of Monterey County, the number of employees who can effectively work from home is primarily concentrated in tech companies and related fields. Promoting telework for the 14,900 employees that work in the tech industry could reduce the number of commuters, which would result in traffic congestion reduction and improved air quality[6].
- ***Smart Home Applications:*** Broadband is the essential backbone that fuels the capabilities and functionality of smart home applications that have the potential to enhance the quality of life in various aspects including energy consumption optimization, security, lighting, control and management of smart devices, and entertainment.

[5] California Advanced Services Fund (CASF) broadband adoption and access goal.

[6] The Urban Mobility Report

- ***Smart Applications for People with Disabilities*:** Broadband access is crucial for people with disabilities as it enables them to access telehealth services and contributes to fostering social inclusion through accessible communication technologies. These applications would impact 36,900 people under the age of 65 who live with a disability within the County, according to the U.S Census Bureau.
- ***Smart Community Applications*:** These applications have the potential to enhance the quality of life in various aspects including public Wi-Fi, security, lighting, emergency alerts, and control and management of public transportation.

Benefits for Local Governments and Anchor Institutions

- ***Education:*** According to the Monterey CEDS, the primary educational concern in the County revolves around the lower levels of educational attainment among its residents. It is noted that around 50 percent of adults in the County have completed high school but have not pursued any further formal education, while only 25 percent of adults in the county have attained a graduate or professional degree. Therefore, ensuring broadband access for scholars may play a crucial role in improving academic achievements and enrollment into tertiary education for the 73,640 K-12 students in the County.
- ***Public Safety & Emergency Services*:** A study conducted by the McKinsey Global Institute[7] has demonstrated that the utilization of smart technologies has the potential to reduce emergency response times by 20 to 35 percent. It highlighted the potential of deploying Early Warning Public Alert Systems and Smart Security Systems in reducing fatalities, specifically wildfires, by an estimated 8 to 10 percent. In an effort to deter criminal activity, Monterey County has implemented surveillance cameras with Automated License Plate Reader (ALPR) technology in various public locations. The installation of surveillance cameras serves as a proactive measure to enhance public safety and combat crime in the community.
- ***Government Administrative Services*:** Around 8% of County residents do not have access to the benefits of e-government due to limited broadband connectivity. Broadband would enable these residents to access government information, e-government services, and resources from their homes. The need for physical visits to local offices is reduced, saving time and paperwork. Another benefit is the online payment system, allowing residents to pay bills, fees, and taxes electronically.

Benefits for Industries and Businesses

- ***Healthcare:*** The County is served by four hospitals, where healthcare represents one of the largest workforces in the county, employing over 18,200 individuals. By embracing telehealth and ensuring that residents have access to broadband, hospitals enhance their ability to provide services to people who are not located near the facility. A study conducted by the FCC[8] found that improvement of broadband access to 80-100 percent would reduce diabetes prevalence by 8.5 percent. Therefore, continuous growth in broadband adoption can contribute to changing the trend in the County where 50,300 people live with diabetes.
- ***Agriculture & Farming*:** This sector represents a total of 310 companies and 56,000 employees. Smart Agriculture technologies fueled by broadband for data transmission and processing have the

[7] Smart cities: Digital solutions for a more livable future

[8] Broadband Connectivity: A "Super" Determinant Of Health

potential to increase crop yield by 13 percent[9] and achieve energy savings of up to 8 percent for row crop farmers.

- ***Tourism (Accommodation & Food Services)*:** A key benefit to this sector, integrated by 1,374 companies in Monterey, is that broadband infrastructure enables hotels and restaurants to offer high-speed internet access to their guests, enhancing their overall experience. In fact, a study conducted by the University of Las Palmas in Spain[10] has demonstrated that Wi-Fi access improves online ratings which in consequence increases revenues. The County is planning a tourism initiative to attract visitors to the Regional Wine Corridor. To make the County a desirable destination, widespread broadband access is essential. Broadband connectivity is also crucial for promoting tourist attractions to remote vacation planners and allowing visitors to share their experiences on social media.
- ***Retail Trade*:** For this industry, broadband connectivity would be a critical enabler, facilitating the adoption and implementation of e-commerce for the 2,448 companies dedicated to retail, collectively employing approximately 16,787 people. An equity analyst covering the U.S. internet industry expects e-commerce to reach 27% of retail sales by 2026. This projection suggests that there is a possibility for e-commerce sales in the County to reach $1.5 billion by 2026.

In summary, access to affordable, reliable, high-speed broadband has the power of changing lives, boosting economic development, improving quality of life, and contributing to solving today's social problems. Areas without broadband are at risk of being left behind in terms of education, job opportunities, business growth, healthcare, and full participation in the digital society and economy, impeding progress, equity, and economic development for individuals, institutions, and businesses.

It is therefore crucial to address this issue to achieve digital equity, "a condition in which all individuals and communities have the information technology capacity needed for full participation in our society, democracy, and economy"[11]. The Monterey County Broadband Strategic Plan aims to contribute toward this goal.

2 Needs Assessment

2.1 Broadband Availability

This section analyzes the gaps in broadband service availability in Monterey County, identifying the unserved and underserved areas through inspection of data from the FCC, the CPUC, and speed test data obtained through the speed test program implemented by the County. Unserved and underserved locations are defined as follows:

- **Unserved.** Locations without access to broadband services with speeds of at least 25 Mbps download and 3 Mbps upload.
- **Underserved.** Locations with access to broadband services with speeds equal to or higher than 25/3 Mbps but lower than 100 /20 Mbps.

These definitions align with FCC and CPUC and are directly tied to eligibility criteria in various federal and state broadband funding programs.

Unserved and underserved areas are further analyzed with respect to low-income and disadvantaged communities to identify the areas with the highest need and opportunity for funding.

2.1.1 Unserved and Underserved Area Identification

2.1.1.1 FCC Broadband Data

The FCC, through its Broadband Data Collection (BDC) program requires Internet Service Providers (ISPs) to report, for each serviceable location, information on the technologies available and the maximum advertised download and upload speeds. Serviceable locations across the United States are established through the FCC's Serviceable Locations Fabric, including approximately 120 million locations.

Monterey County obtained access to the FCC Broadband Data Collection dataset in June 2023 to support this project. Table 2 provides the counts and percent of unserved and underserved locations according to the FCC data. As shown, unincorporated areas outside of large communities have the highest

percentages of unserved and underserved locations. In fact, 2,720 out of the 3,436 unserved locations (79%) in the County are located there. In contrast, the rest of the communities reported less than 5% of unserved and underserved locations.

Table 2. Unserved/Underserved Serviceable Locations considering wireline and wireless connectivity.

Community	Total Serviceable Locations	Unserved (<25/3)	Underserved (25/3 to 100/20)	Served (100/20 to 1000 / 500)	1G Served (> 1G / 500 Mbps)

King City	2,775	21 | 0.8%	0 | 0.0%	2,561 | 92.3%	193 | 7.0%
Other Areas in Monterey County	36,449	2,720 | 7.5%	809 | 2.2%	26,759 | 73.4%	6,161 | 16.9%
Total	**111,175**	**3,436 | 3.1%**	**812 | 0.7%**	**81,054 | 72.9%**	**25,873 | 23.3%**

Table 2 also highlights "1G Served" locations, which are those with access to services with speeds equal to or higher than 1 Gbps / 500 Mbps. This is particularly relevant as on July 15, 2022, the FCC launched a "Notice of Inquiry"[12] that proposes to set a national goal of 1 Gbps / 500 Mbps for the future.

Access to 1 Gbps services provides seamless downloads and faster uploads, enables simultaneous use of bandwidth intensive applications, and prepares residents for a connected future.

As shown, 23% of the serviceable locations in the County have access to 1 Gbps services, in contrast to the 73% which are served but do not have access to these speeds.

The heatmaps in Figure 3 to Figure 5 capture the geographic distribution of unserved locations, showing the percentage of unserved locations by census block. Highlights are captured below:

- The cities of Salinas, Monterey, Pacific Grove, Sand City, Carmel by the Sea, Gonzales, and King City appear to be well served with only a few locations unserved or underserved.

[12] https://docs.fcc.gov/public/attachments/DOC-385322A1.pdf

- Marina, Seaside, and Greenfield also have relatively good broadband coverage, but there is still room for improvement as they have less than 30% of locations served with 1Gbps. These cities have the potential for further growth by focusing on meeting the threshold of (> 1G / 500 Mbps).
- In the northern zone (Figure 3) of the County, most census blocks seem to be served. However, there are scattered census blocks in areas such as Prunedale where more than 40% of locations lack access to reliable broadband services.
- The central zone (Figure 5) of the county, particularly the city of Soledad and Pinnacles National Park, has a significant number of census blocks with over 80% of locations lacking broadband service.
- The southern region (Figure 6) of the County presents the greatest challenge, with the majority of census blocks having over 80% of locations without broadband service. This area requires significant efforts to improve broadband coverage.

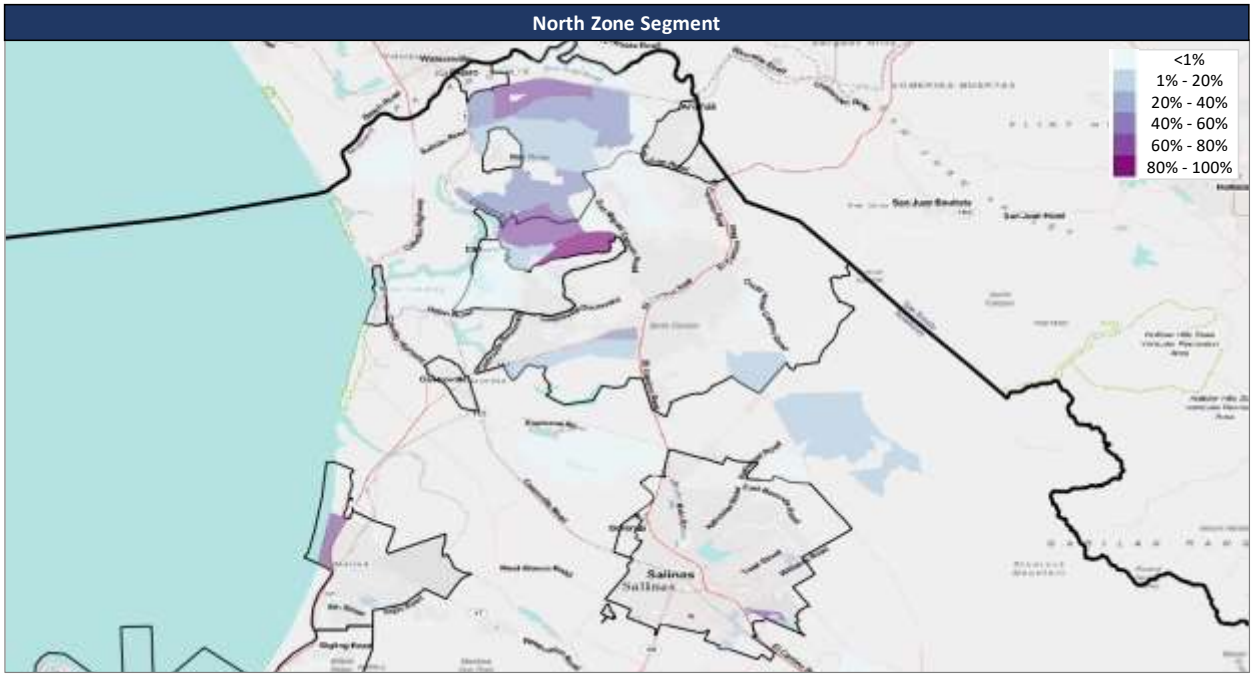

Figure 3. FCC Unserved serviceable locations by census block – North zone area

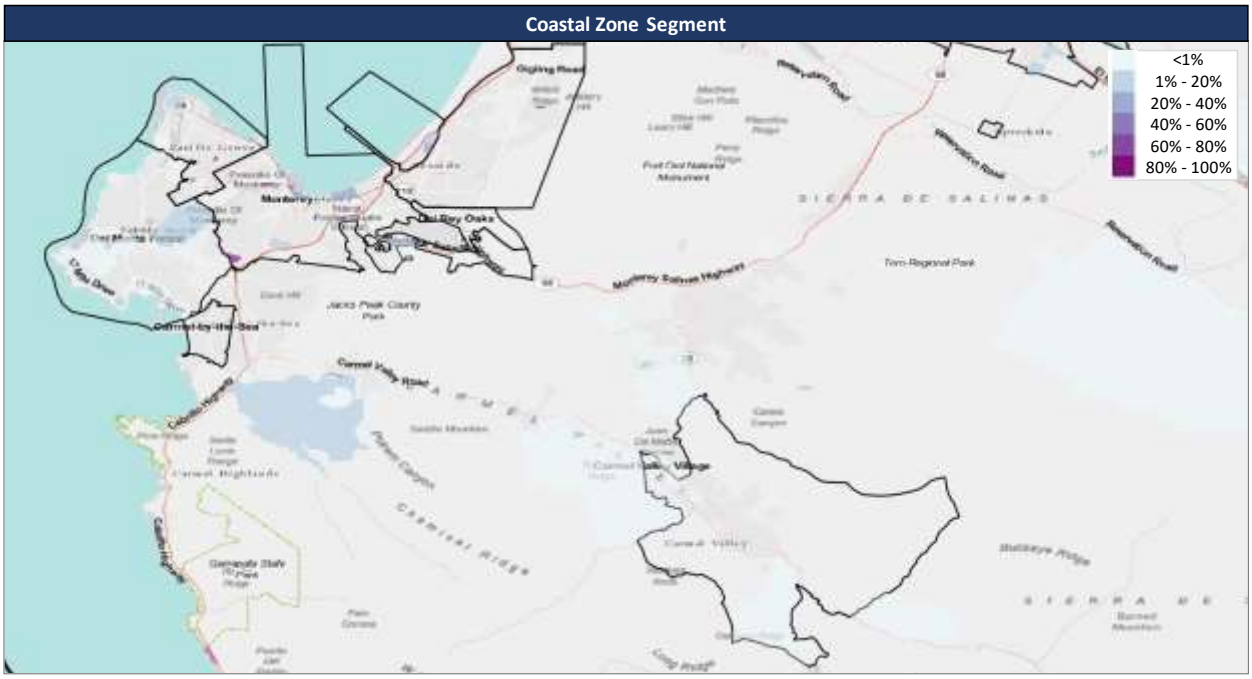

Figure 4. FCC Unserved serviceable locations by census block – Coastal zone area

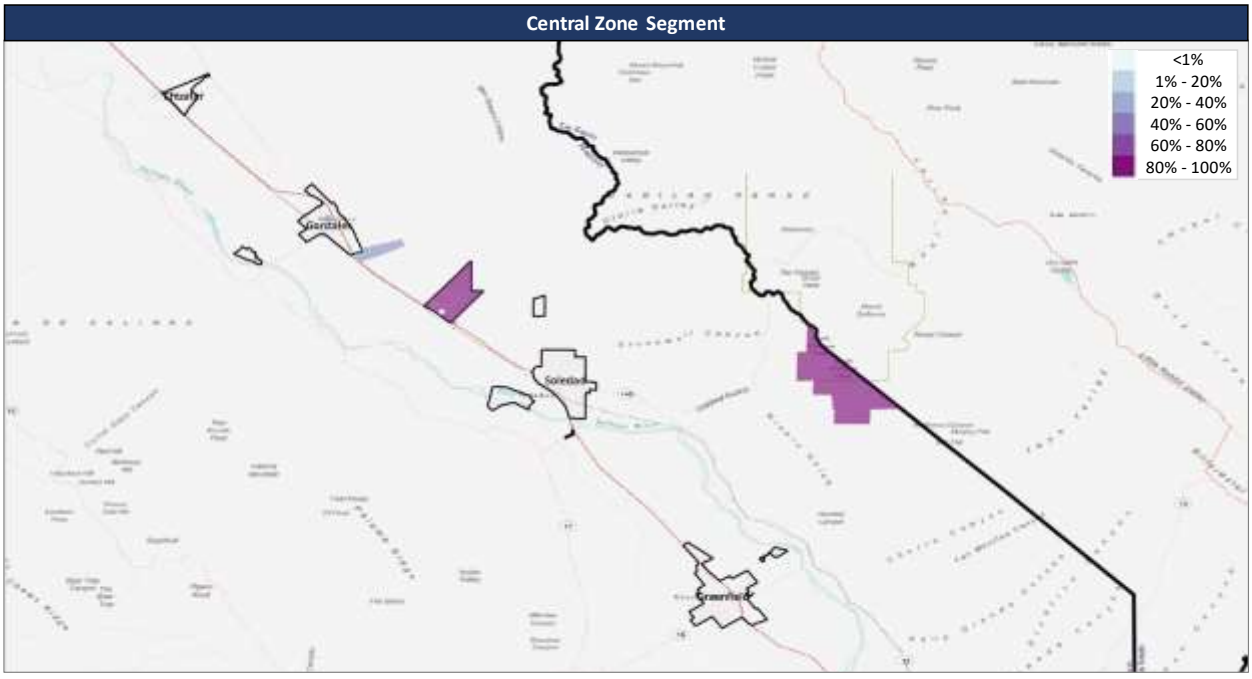

Figure 5. FCC Unserved serviceable locations by census block – Central zone area

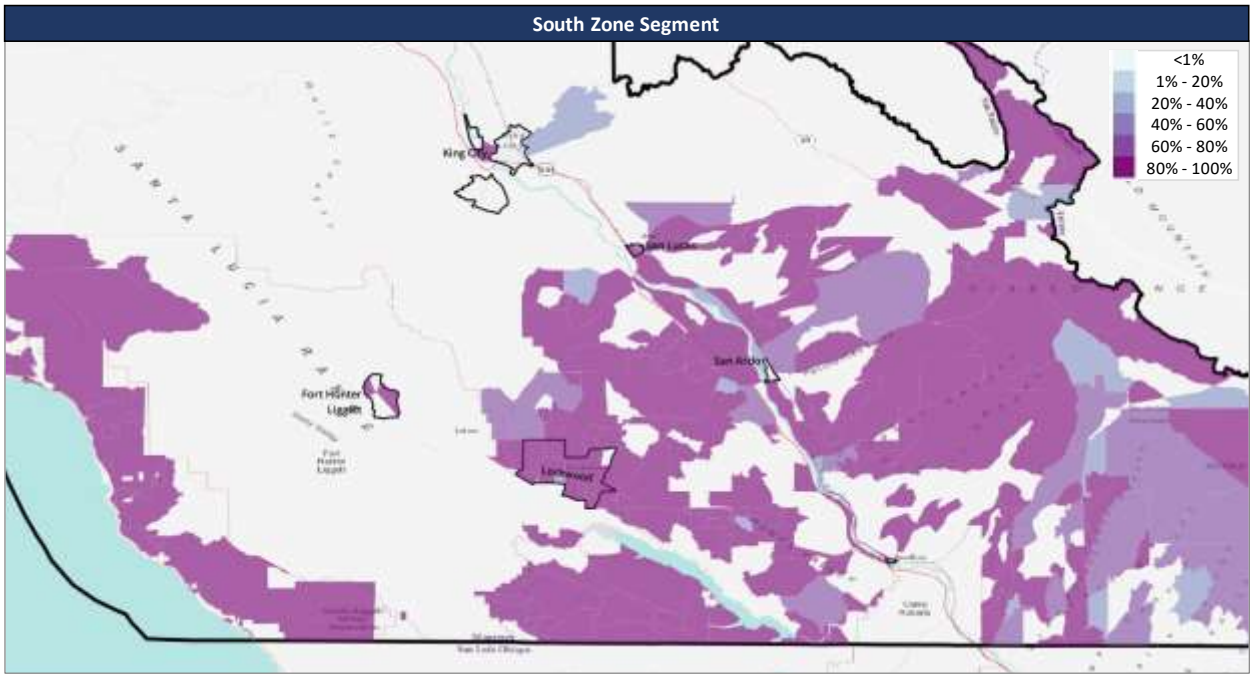

Figure 6. FCC Unserved serviceable locations by census block – South zone area

The same analysis for underserved locations is presented in Figure 7 to Figure 10. As noted, the underserved census blocks are primarily located in north Prunedale, Pacific Grove in the Coastal Zone, and the southeast area. It is also important to note that the underserved locations are less frequent than unserved. This is because most providers that are able to provide 25/3 Mbps services are also providing services above 100/20 Mbps.

2.1.1.2 CPUC Broadband Data

The CPUC is responsible for the regulation of telecommunications services in the state of California. In parallel with the FCC, the CPUC collects broadband data from ISPs in California to develop its California Interactive Broadband Map[13]. In addition, the CPUC has also developed the Federal Funding Account (FFA) Public Map[14] to support the analysis and development of applications for the FFA program. For both maps, CPUC provides an associated dataset that includes information on unserved / eligible locations, households, population, income, and socioeconomic indicators at the census block level.

The analysis presented herein uses the latest versions of the California Broadband Map Dataset, published in April 2023, and the Federal Funding Account Public Map Census Block Data published in May 2023.

Since CPUC data does not consider underserved connectivity; locations are characterized as either served or unserved, based on a 25/3 connectivity threshold. Table 3 shows counts of unserved locations for each city in Monterey County and unincorporated areas according to the Federal Funding Account Public Map data.

Total	**130,122**	**13,795**	**11%**

Note 1. The percentage of unserved households is an approximation based on the unserved locations, which may include commercial locations.

Map views of the unserved locations from the Federal Funding Account Public Map are shown in Figure 11 to Figure 14.

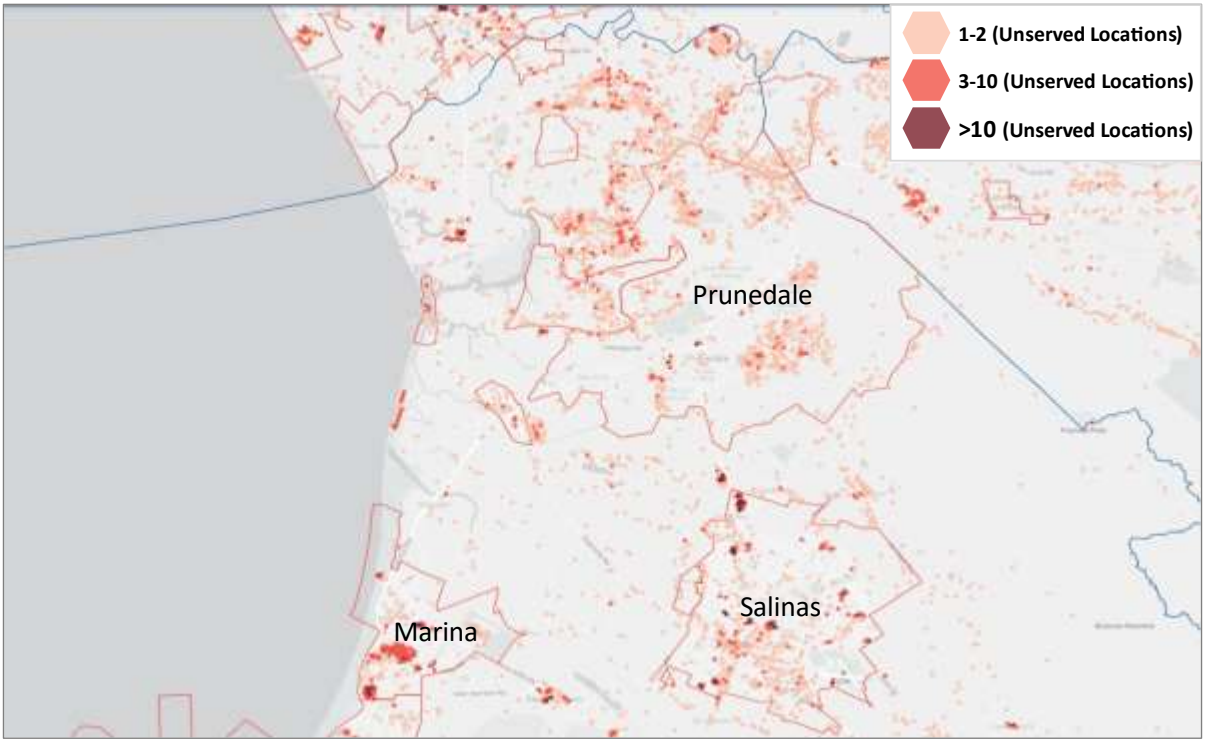

Figure 11. Unserved locations from Federal Funding Account Public Map – North Area.

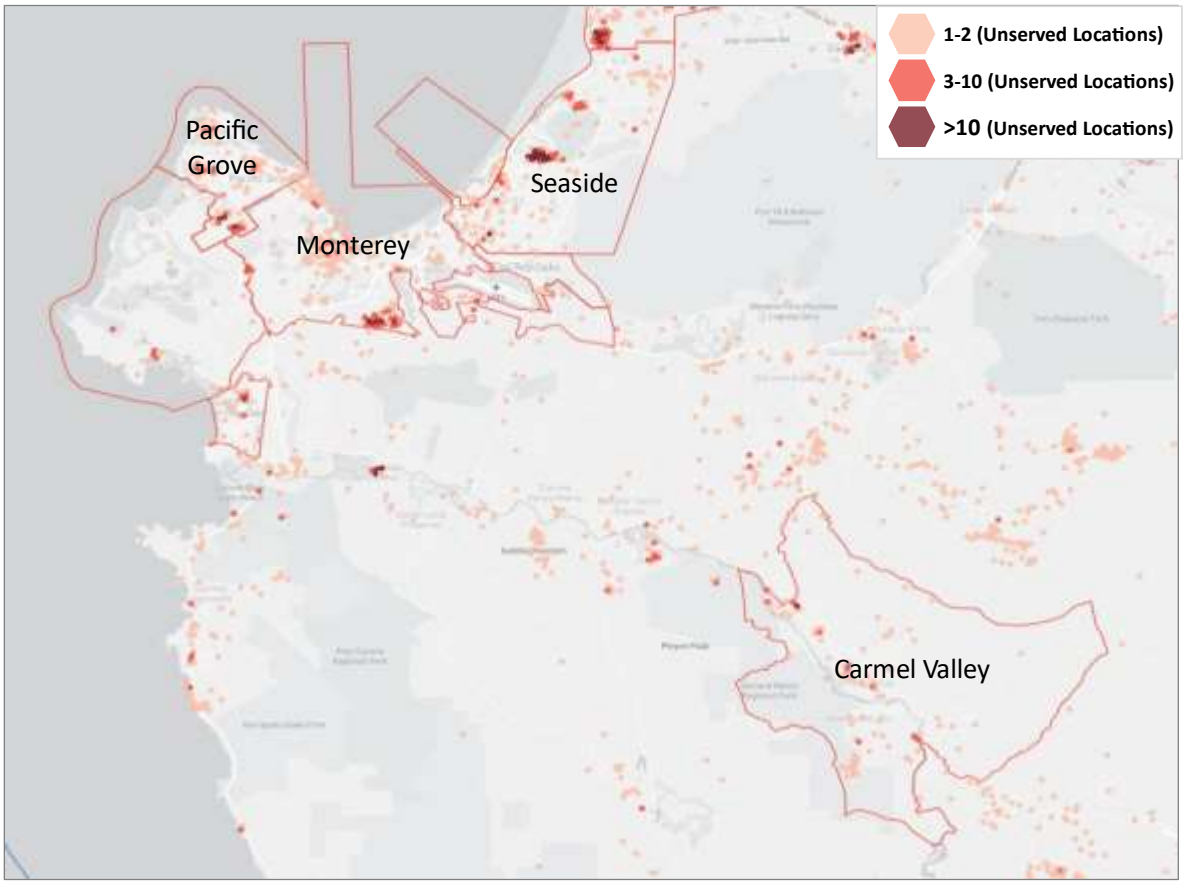

Figure 12. Unserved locations from Federal Funding Account Public Map – Coastal Area.

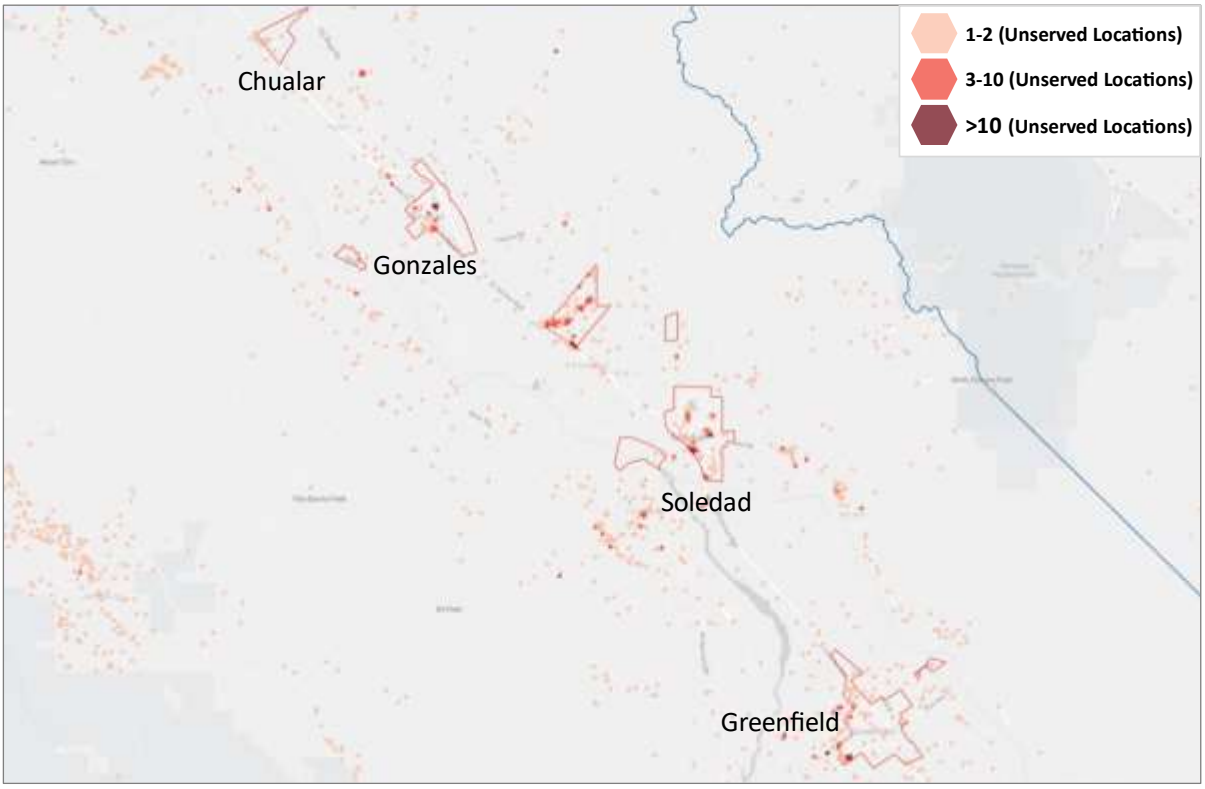

Figure 13. Unserved locations from Federal Funding Account Public Map – Central Area.

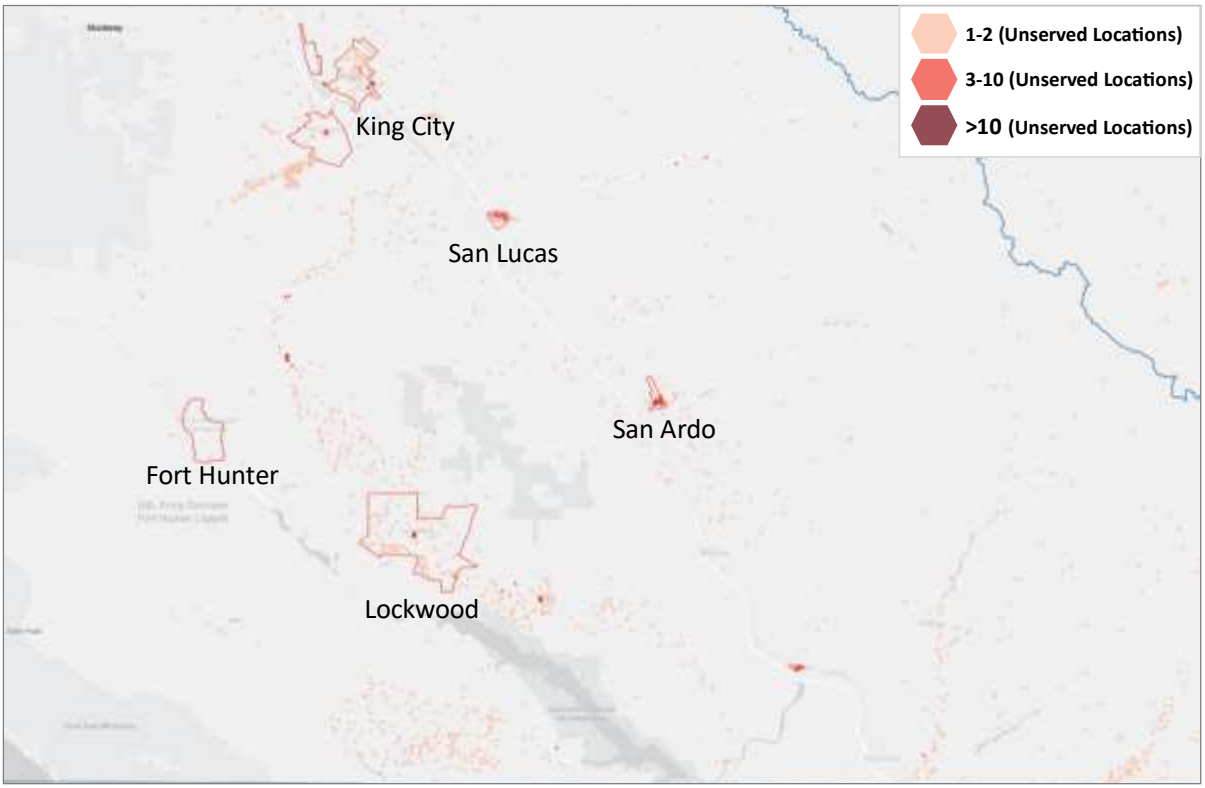

Figure 14. Unserved locations from Federal Funding Account Public Map – South Area.

Through visual inspection of these figures, it is noted that there is a match between CPUC and FCC in the North, Southwest, and the Coastal Zones of Monterey, including areas like Pacific Grove and Pfeiffer Big Sur Park. However, discrepancies can be seen in cities like Salinas, Greenfield, and King City. This means that the Broadband strategy needs to focus on the worst case to ensure that all the communities are served. Furthermore, there is a need for further collaboration and communication between stakeholders, including government entities, ISPs, and community organizations, to ensure accurate and up-to-date information on broadband coverage and availability. Stakeholders need to work together to address the discrepancies and gaps in data.

2.1.1.3 Speed Test Data

Speed test data can be used as a tool to verify and compare the information provided by the FCC, and CPUC. Through it, the communities can gain insight into the broadband service performance. Speed test data from GeoPartners Ltd tools from September 2022 through June 2023 was analyzed to enrich the evaluation of broadband availability and quality of service.

The dataset contains 191 speed tests within the County distributed across 123 locations in 138 census blocks (2% of total). Table 4 indicates that 29% of the tested locations fall below the unserved threshold, with approximately 54% below the underserved threshold. Also, it is important to note that there are no measurements with speeds higher than 1000/500.

Figure 15 and Figure 16 provide GIS views that visualize these results.

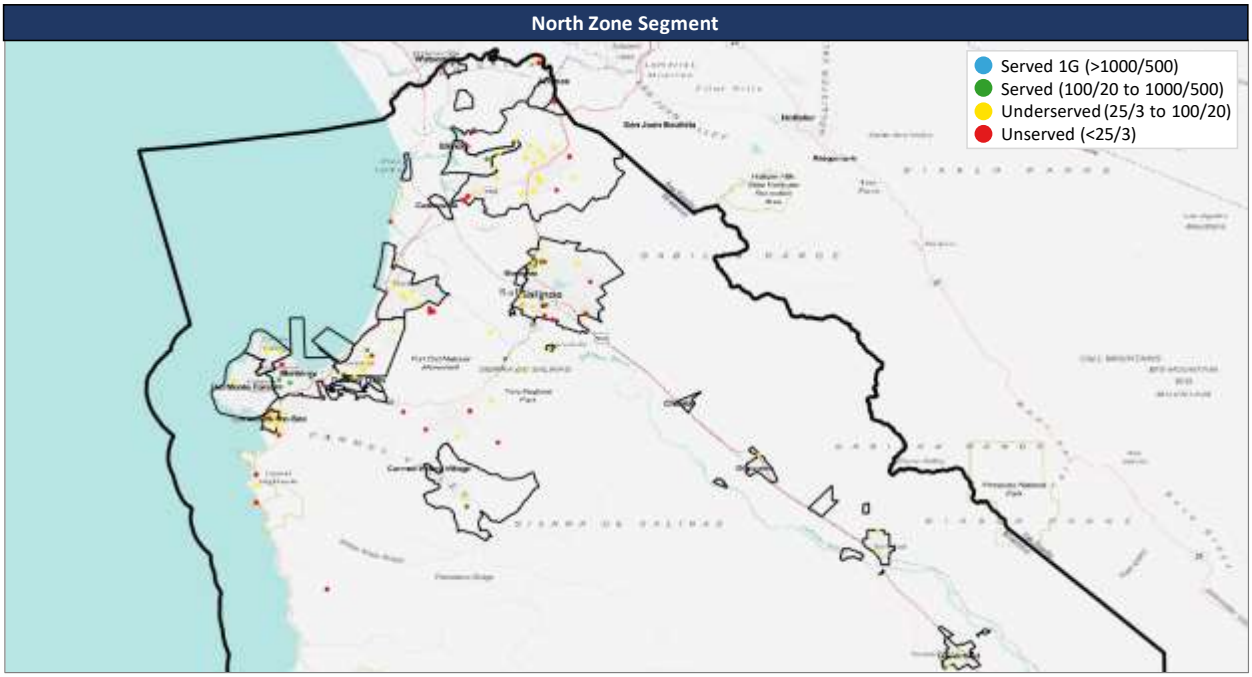

Figure 15. Speed test results – North area.

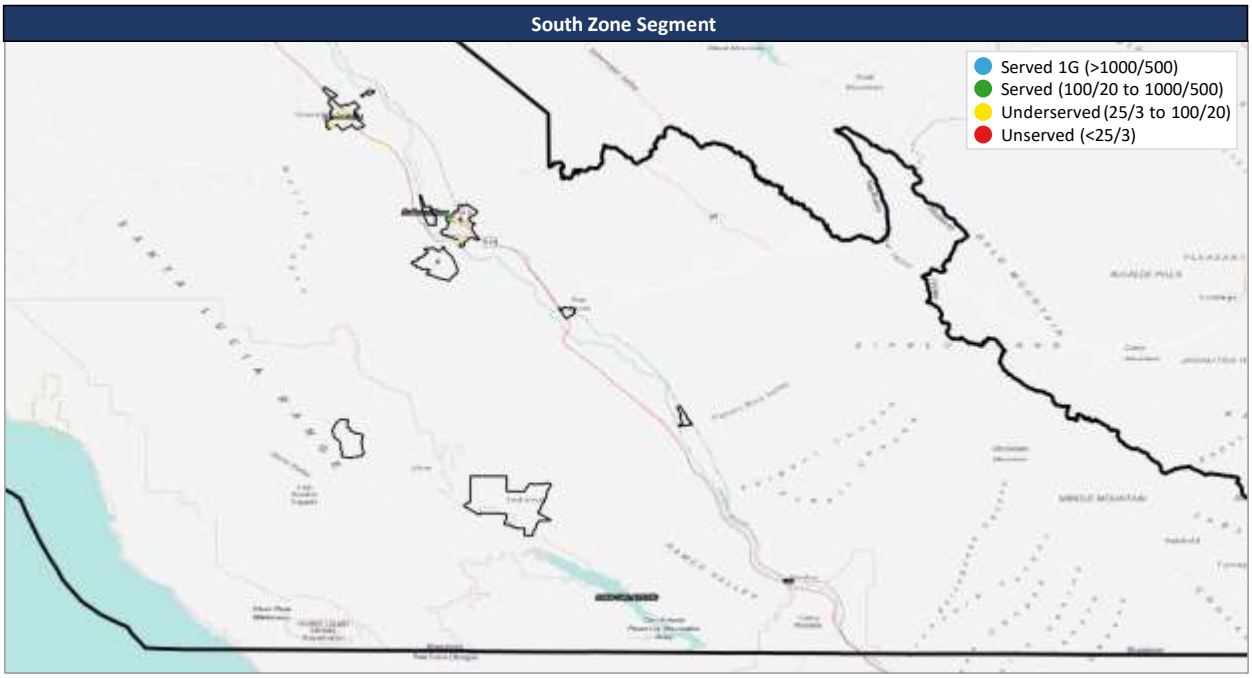

Figure 16. Speed test results – South area.

Most of the speed test measurements are located in the Cities of Salinas, Marina, Seaside, Monterey, and Pacific Grove. For the rest of the communities, a larger sample is required to provide relevant insights into the current broadband performance. In any case, the data is useful to contrast FCC and CPUC data.

The available speed test data shows discrepancies mainly with FCC data since it suggests that there is a higher concentration of unserved and underserved areas within the Cities. In general, unserved locations from CPUC match with the speed test data.

2.1.2 Low-Income and Disadvantaged Communities

Local jurisdictions and funding programs, consider low-income areas and disadvantaged communities as a priority target for broadband deployment projects and funding opportunities since these areas commonly deal with lack of access to affordable broadband services or adequate broadband infrastructure.

The CPUC Federal Funding Account Public Map provides data that captures the location of low-income and disadvantaged communities based on the definitions for this funding program:

- **Low -income areas are** those where the median household income is less than 80 percent of county or state median income, according to the California Department of Finance's 5-year estimates based on the 2016-2020 American Community Survey[15].

[15] https://dof.ca.gov/reports/demographic-reports/american-community-survey/

- **Disadvantaged communities are** those that meet the California Environmental Protection Agency (CalEPA) designation of disadvantaged communities[16]. These are communities that fit under any of the following criteria: (1) census tracts receiving the highest 25 percent of overall scores in CalEnviroScreen 4.0; (2) census tracts lacking overall scores in CalEnviroScreen 4.0 due to data gaps, but receiving the highest 5 percent of CalEnviroScreen 4.0 cumulative pollution burden scores; (3) census tracts identified in the 2017 Disadvantaged Communities (DAC) designation as disadvantaged, regardless of their scores in CalEnviroScreen 4.0; (4) and areas under the control of federally recognized Tribes.

Table 5 captures the number and percent of unserved locations in low-income areas as there are no areas designated as DACs in Monterey County.

As shown in the table below, ~36% of the unserved locations fall within a low-income area. The cities with the highest percentage of unserved locations in low-income areas are Sand city, Gonzales and Marina which shows that there is low interest from ISPs to serve these areas.

As depicted in the figures above, there are three prominent zones (South Salinas, Marina, and the Pajaro River Mouth area) where unserved locations overlap with low-income areas and/or disadvantaged communities. Additionally, it is worth mentioning that a significant portion of the central region, encompassing cities such as Gonzales, Soledad, Greenfield, and King City, are classified as low-income areas which represents an opportunity to apply for FFA funding.

2.1.3 Businesses and Anchor Institutions

Businesses, and anchor institutions without adequate broadband connectivity face important challenges in their daily operation and are limited on their productivity, efficiency, and overall impact in the market and the community. This section characterizes the status and needs for businesses and anchor institutions within the County regarding broadband availability by analyzing FCC and CPUC data, results from the Business Needs Assessment survey, and insights from meetings with key stakeholders from these two sectors.

Table 6 summarizes the served status of business serviceable locations according to the FCC National Broadband Map dataset. As shown, only in the cities of Salinas, Gonzales and Soledad, more than 70% of business locations are 1G served. Gonzales City in particular, has a privileged position for business connectivity, since 97% of the businesses are 1G served.

There is a clear opportunity to improve business broadband services towards gigabit speeds in Marina, Carmel, Del Rey Oaks, Sand City, Seaside, Greenfield, and King City as more than 80% of businesses are served with speeds less than 1000 / 500.

Access to 1 Gbps services is relevant because it directly impacts the productivity and efficiency of small and medium businesses, supporting multiple users and fostering innovation and economic development.

However, there are still unserved and underserved areas, primarily in the unincorporated areas outside of the main communities which have 9.5% of unserved and 3% of underserved business locations.

Results from the Business Needs Assessment survey is in line with the above, as all the respondents reported having internet access in their businesses. Nevertheless, as shown in Figure 21, 71% of the respondents mentioned that they find the service expensive or very expensive.

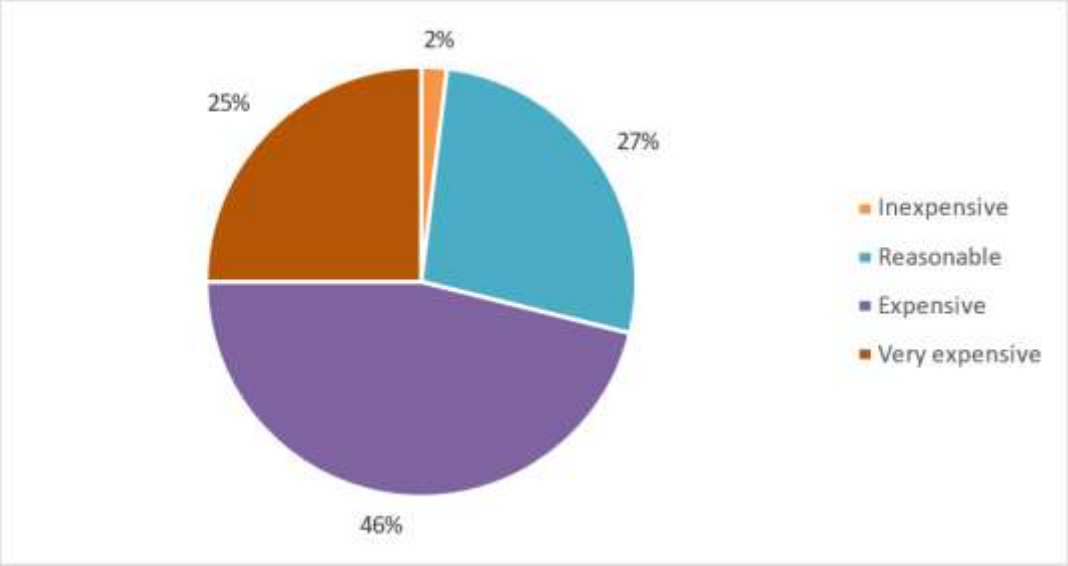

Figure 21. Business Survey: Internet cost

The access technology for those with internet access in their businesses is distributed according to the chart in Figure 22 which shows that the prevailing technologies are fiber and FWA with each technology accounting 50%.

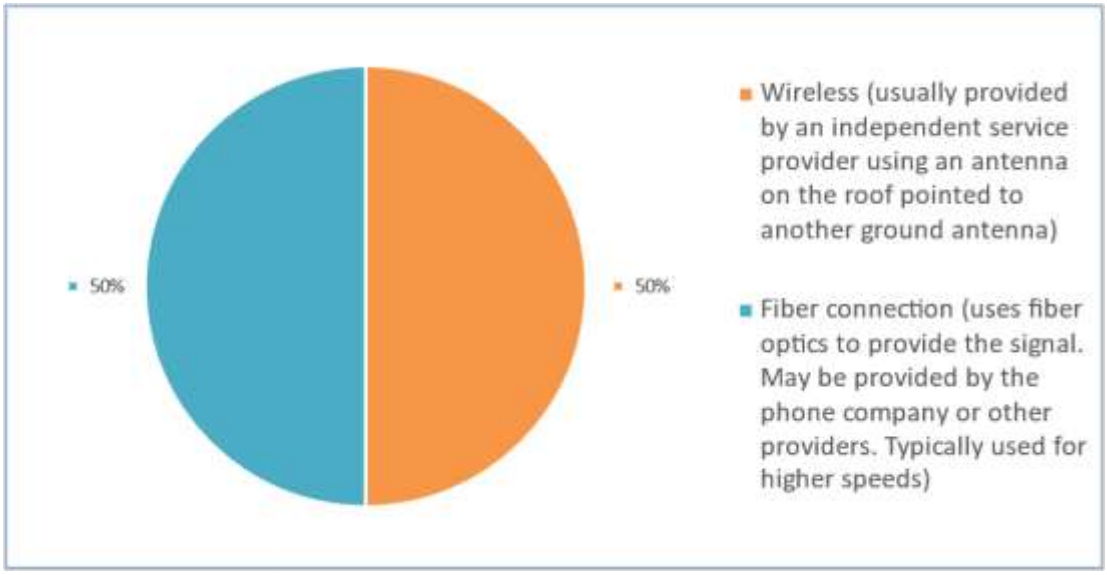

Figure 22. Business Survey: Internet connection technology for businesses.

The majority of business owners convene that their business has an important dependence on the internet. In fact, 100% of the respondents asserted that they cannot run their business without Internet connection, as shown in Figure 23.

Furthermore, Figure 24 shows that business owners consider that having access to Gigabit internet service would have a positive impact on their business, mainly by improving their efficiency with 50% of the respondents selecting this option.

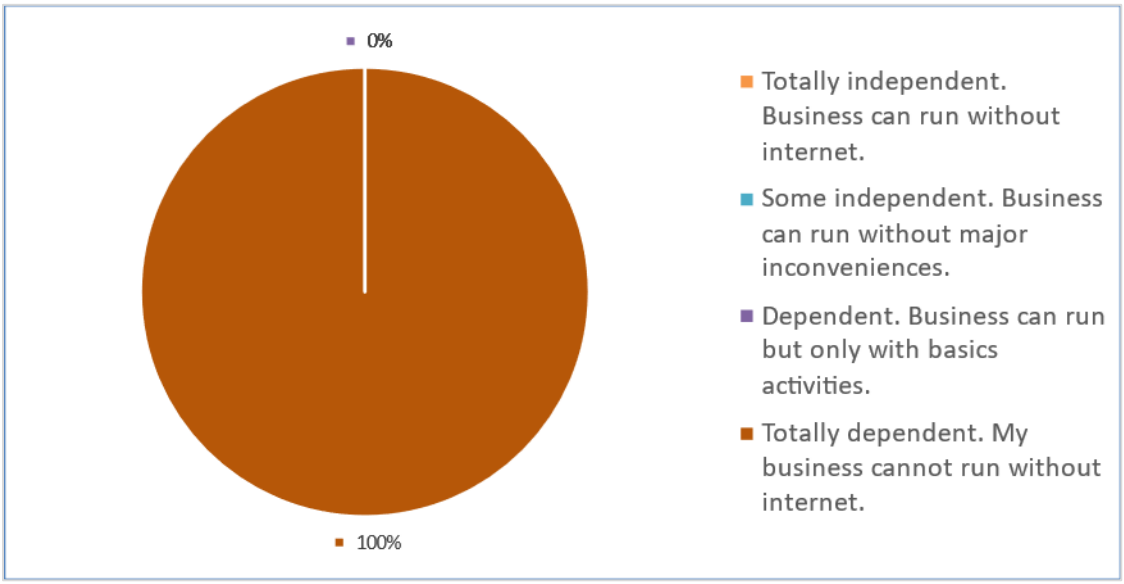

Figure 23. Internet connection dependency according to survey respondents

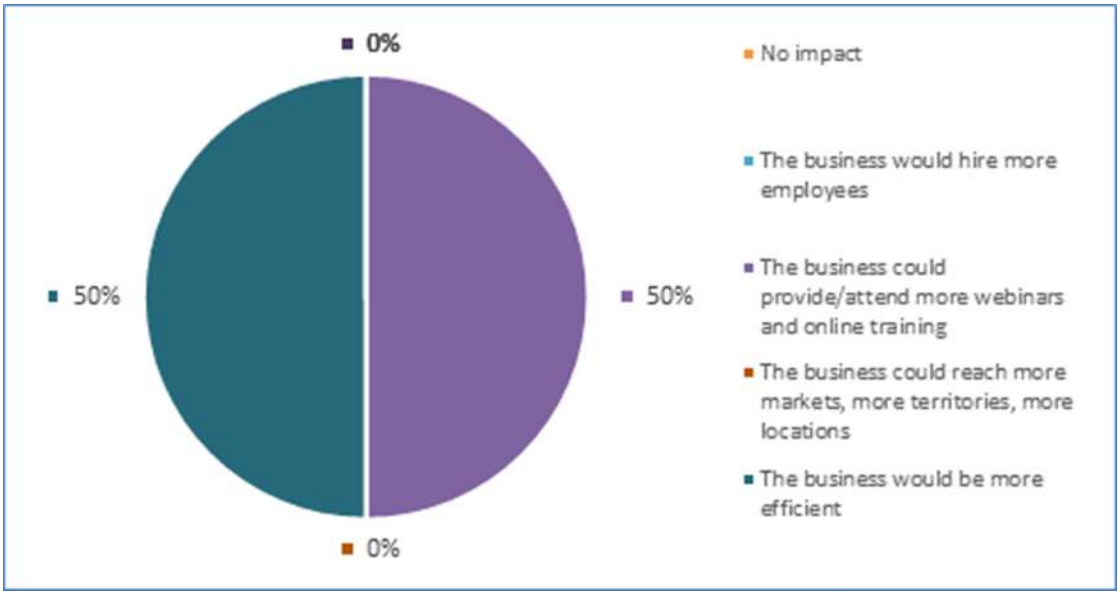

Figure 24. Impact of Gigabit internet service on businesses according to survey respondents

In the case of anchor institutions, the main input for the analysis is the CPUC California Broadband Map dataset. Additionally, data provided by local governments during the data collection process was incorporated to enrich the analysis. Table 7 presents the results of this analysis.

Table 7. Served status of anchor institutions within the County.

As shown, 6.7% of the anchor institutions are classified as unserved or underserved. Moreover, 10% of them are in unincorporated areas outside of the main communities.

Figure 25 to Figure 28 show a map view of the connectivity status of known anchor institutions. These views help to further identify the cities of Carmel and Sand City as targets to improve anchor institution connectivity through 1 Gbps or higher speeds.

Del Rey Oaks City has a privileged position regarding anchor institution connectivity since 100% of their anchor institutions have access to 1 Gbps service.

Around one third of the total anchor institutions are classified as 1G Served, meaning that there are still two thirds that can be upgraded to 1 Gbps service.

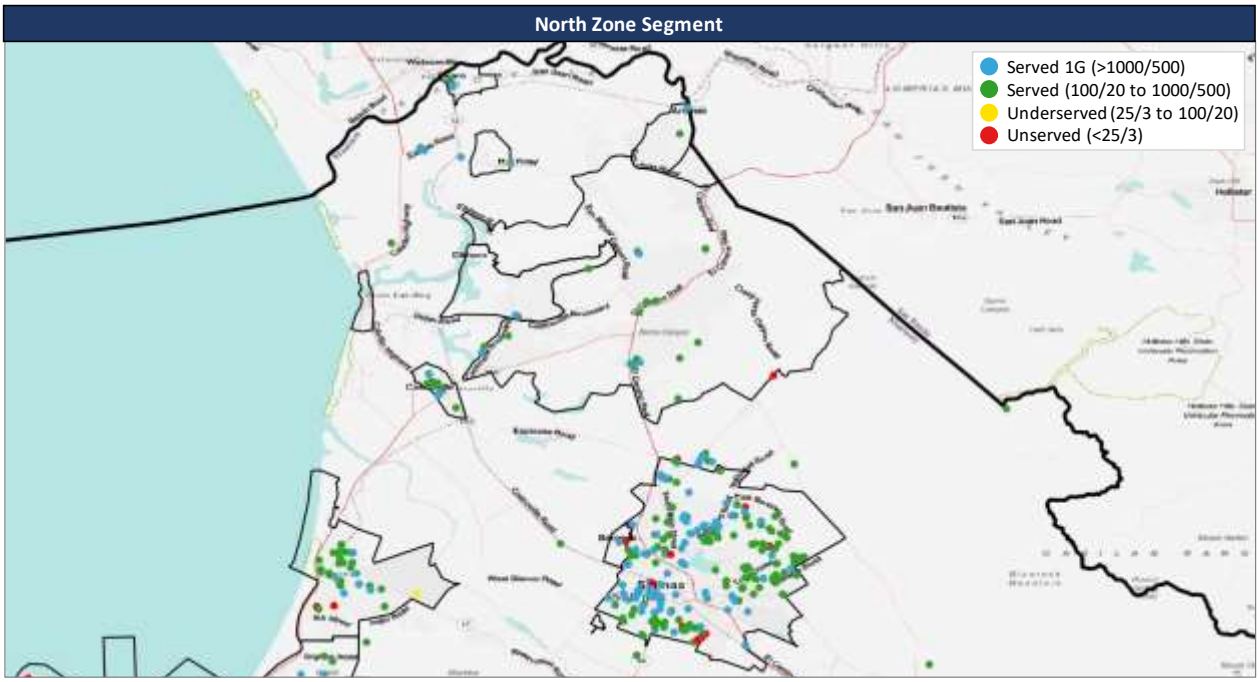

Figure 25. Connectivity status of anchor institutions – North area.

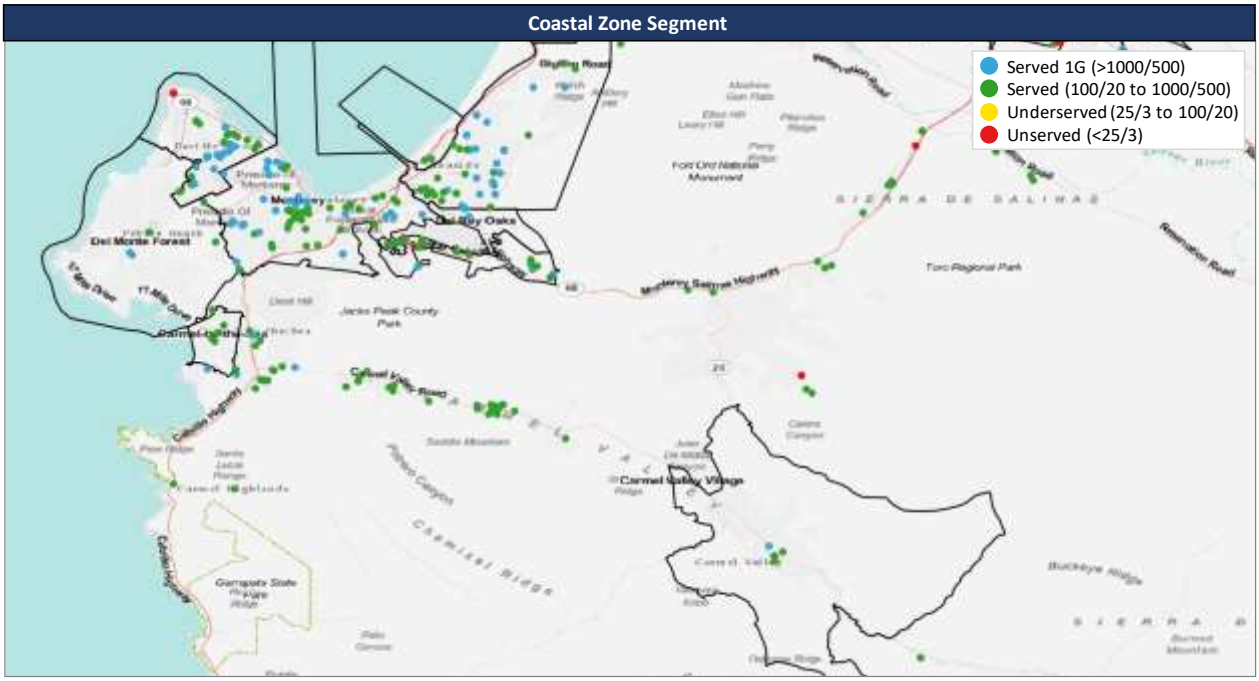

Figure 26. Connectivity status of anchor institutions – Coastal area.

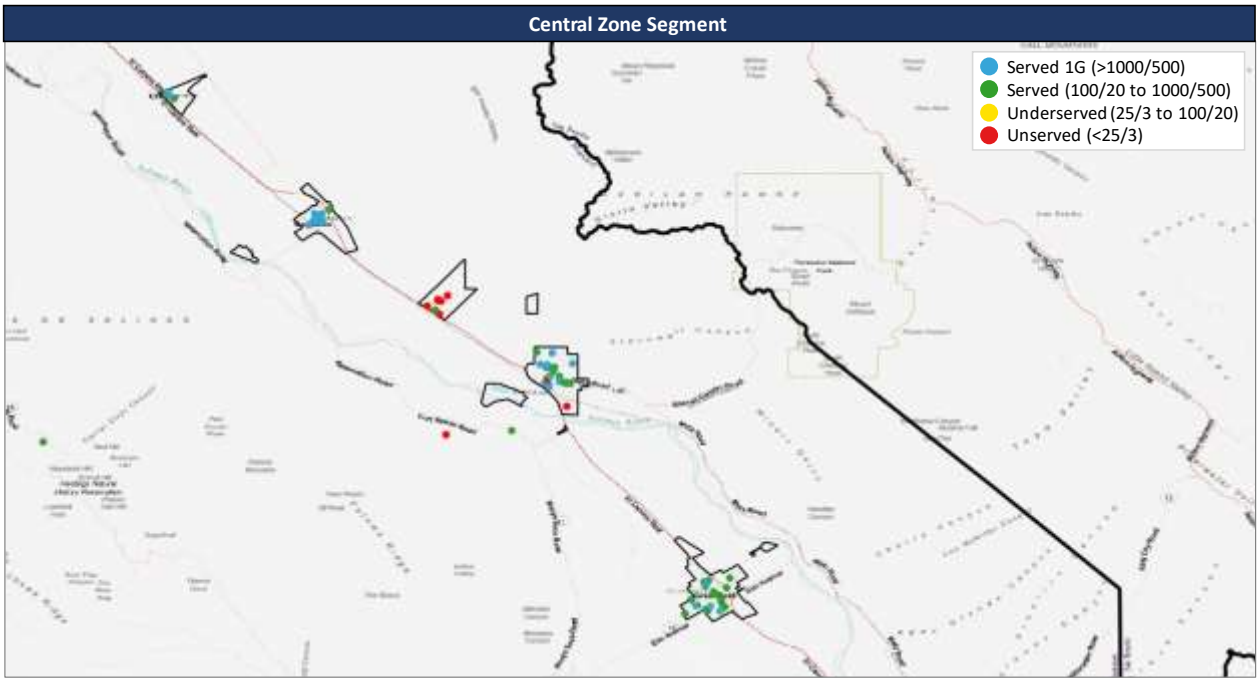

Figure 27. Connectivity status of anchor institutions – Central area.

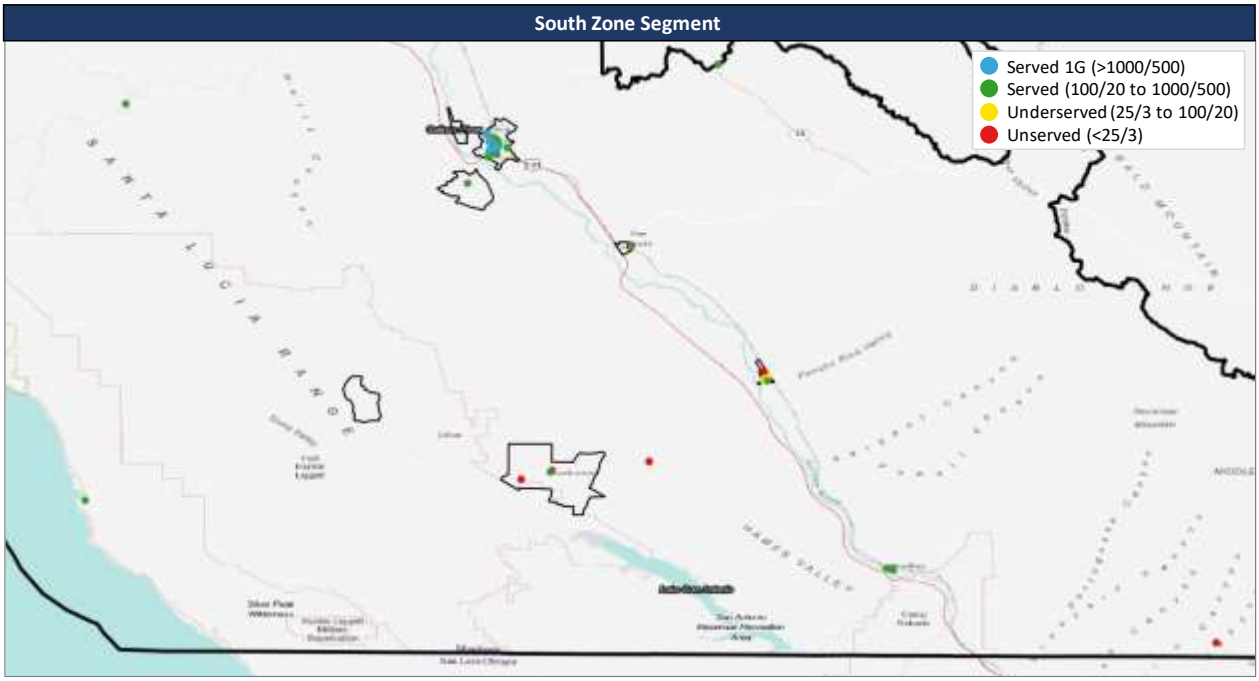

Figure 28. Connectivity status of anchor institutions – South area.

During multiple meetings with key stakeholders in the County, a significant concern that emerged was the limited availability in the southern region. This observation aligns with the findings of the Unserved and Underserved Area Identification analysis conducted in section 2.1.1.

In addition to the lack of access in the southern region, stakeholders have emphasized the significance of affordable broadband access in libraries. They recognize that libraries can serve as strategic anchor institutions in closing the connectivity gap.

Summary: *Monterey County has a low level of serviceable locations classified as unserved or underserved. Unserved locations are located mainly in unincorporated areas of the County outside the largest communities. This situation was confirmed for all scenarios: residential, business and anchor institutions.*

The majority of the serviceable locations in the County are classified as served (>100/20). However, there is still a significant need for 1 Gbps broadband. This is confirmed by speed test data that shows no measurements higher than 1000/500. Importantly, a larger sample of speed tests would be desirable to draw more accurate conclusions.

In light of the discrepancies between the CPUC and the FFA datasets, it is important to consider both sources to provide a more comprehensive picture of broadband needs.

2.2 Service Performance

In addition to identifying unserved and underserved areas, it is important to understand the overall performance of broadband services within the County and how the quality of these services is perceived by the users that do have access to broadband.

Download and upload speeds which have been addressed in Section 2.1.1 are the primary performance components. However, other metrics are also relevant, including latency and reliability:

Latency

Latency is defined as the time it takes for a data packet to travel across a network from one point on the network to another. For example, from a smartphone connected to the broadband router to a video streaming server in a data center. It is usually measured as the round-trip delay.

High latency values impact the quality of internet services in general, but particularly those that have an interactive component, such as voice calls, video conference, or online gaming. For this reason, the California Advanced Services Fund (CASF) Broadband Infrastructure Grant and the Federal Funding Account Grant programs establish a maximum round-trip ping time of 50 milliseconds.

While the latest Measuring Broadband America Fixed Broadband Report[17] by the FCC reports median latencies between 7 ms and 25 ms, the results from the Speed Test program in Monterey County show an average latency of 19 ms that varies between 0.66 and 288 ms. The average latency value is acceptable in comparison to the 50 ms limit established by the CPUC. However, there are values that surpass this limit, potentially indicating areas or periods with high latency.

[17] Twelfth Measuring Broadband America Fixed Broadband Report

Reliability

Reliability can be viewed as the capacity of the service to operate as expected without disruptions. Reliability is key to enabling a high-quality user experience and to promote the use of digital services. A broadband service with frequent outages translates into deep dissatisfaction and user frustration as they cannot trust that they will be able to access their services and applications. Lack of reliability puts at risk many end user use cases, such as telehealth, online banking, and business conferences among others.

When asked about their service features, the respondents expressed that reliability was most important to them, being this option had the highest number of respondents. Business respondents have a preference for reliability over speed, as shown in Figure 29 and Figure 30.

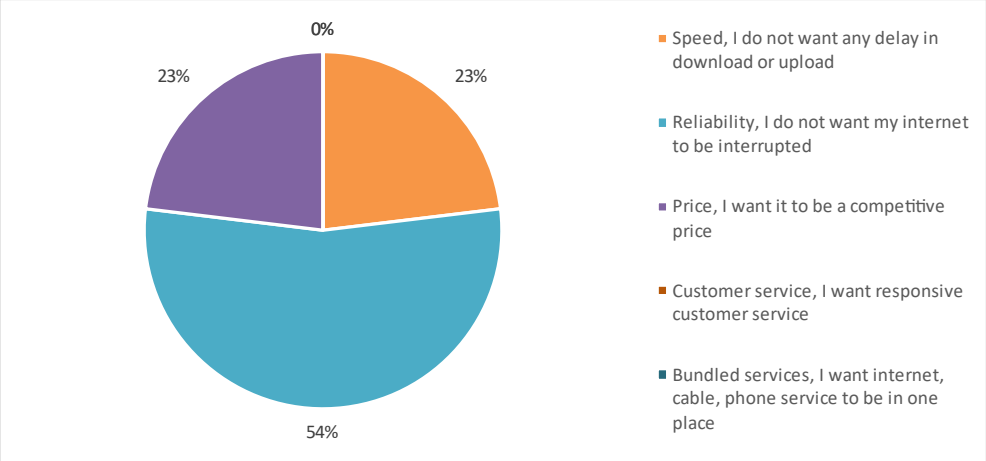

Figure 29. Internet connection reliability perceived by residential respondents.

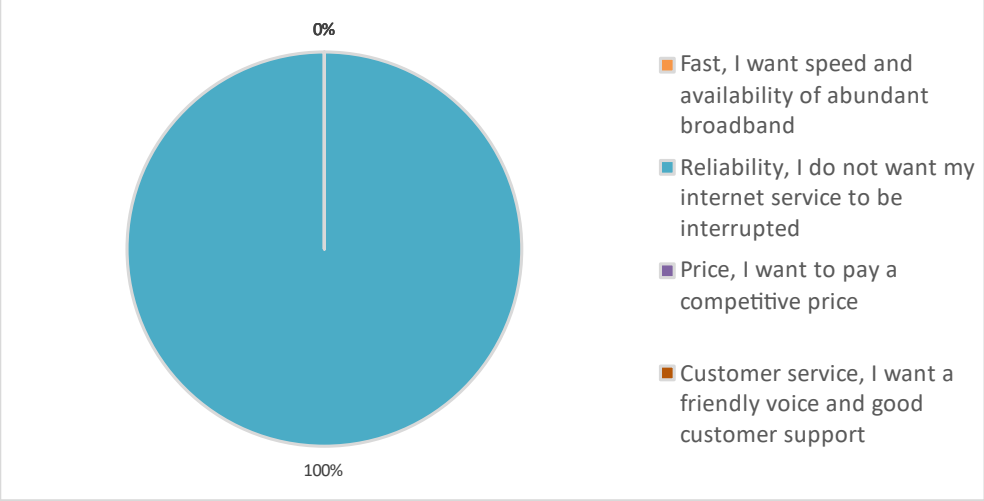

Figure 30. Internet connection reliability perceived by business respondents.

Beyond these metrics, the Needs Assessment Survey provides important insights regarding the perception of broadband services within the County. In this case, 69% of the residential respondents consider that the performance of their service meets their needs (absolutely or for most tasks) and only 27% claim that their performance only meets their requirements for simple tasks or not at all, as shown in Figure 31. Results from the business survey depicted in Figure 32 are similar as 50% of respondents

consider that the performance of their services meets their expectations while 50% think that their service is suitable only for simple tasks.

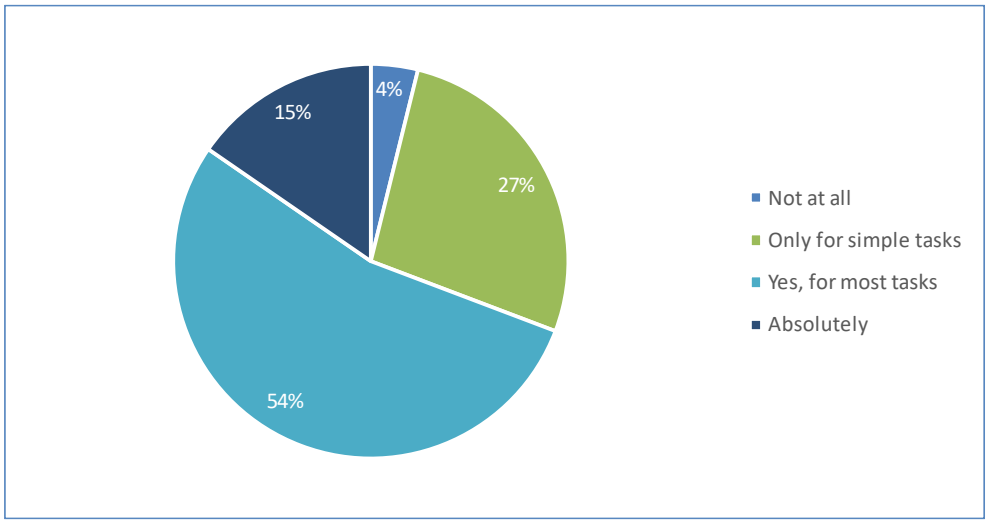

Figure 31. Overall internet service performance satisfaction – residential respondents

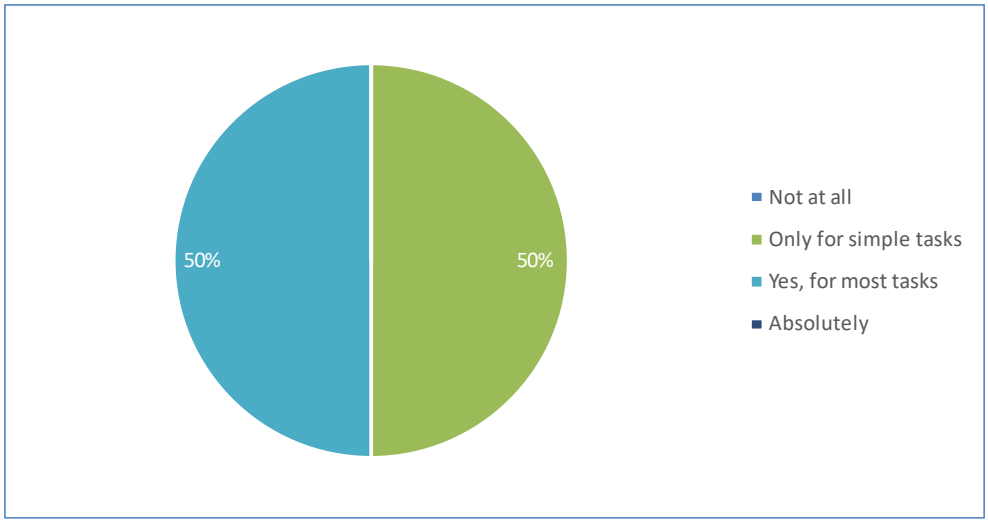

Figure 32. Overall internet service performance satisfaction – business respondents

Through the residential survey, interesting insights about telehealth and learning/remote work were also identified. As illustrated in Figure 33Figure 32, 34% of the respondents do not do telehealth, while 42% would like to have a better connection to leverage telehealth. Furthermore, 18% report that their providers experienced some kind of issue that made it harder for them, evidencing the need for better broadband service in the healthcare sector.

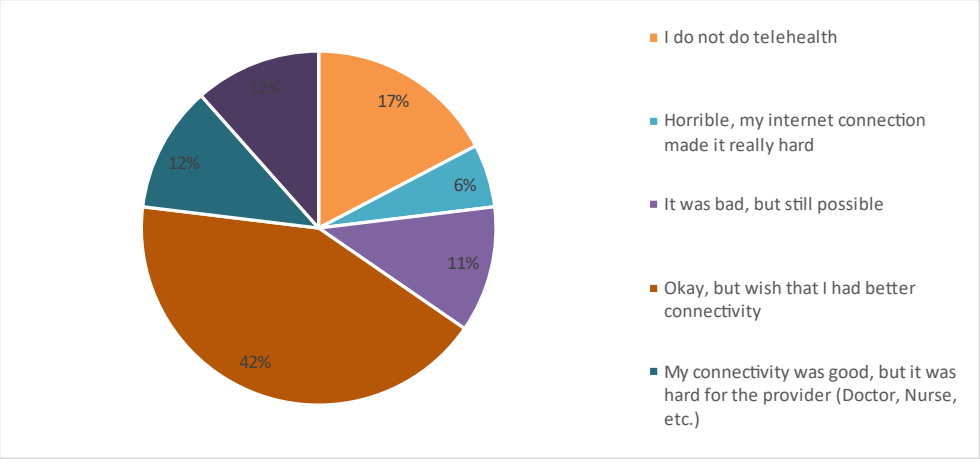

Figure 33. Telehealth experience - residential respondents

Regarding remote learning/work, answers captured in Figure 34 show that only 17% of respondents report their connection as bad or awful in contrast with 44% who report a good or a very good experience. However, 39% would like to have better connectivity.

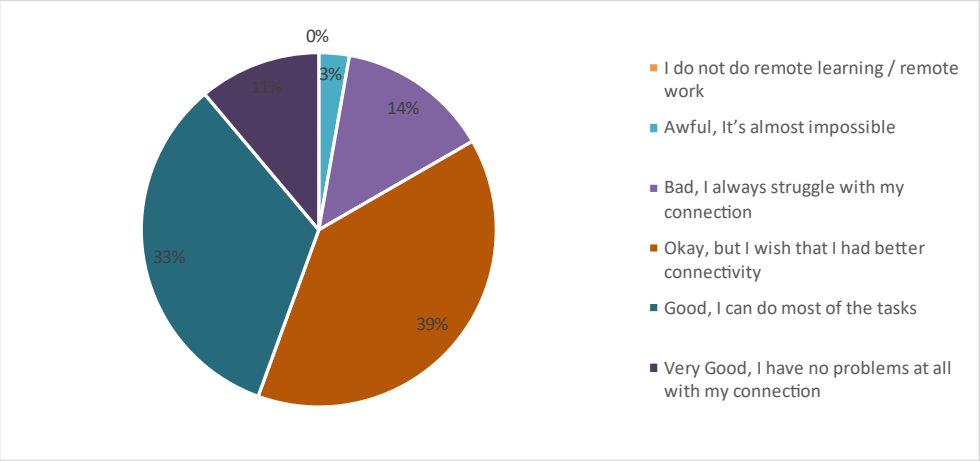

Figure 34. Remote learning / Remote work experience - residential respondents

Despite most of the residential respondents describe as good or very good their service to support telehealth or remote work/learning, there is an important amount who would like to have a better connection. These results are consistent with the service availability analysis, which identified the County as a target for 1G service upgrade.

2.3 Digital Equity

Digital equity is the principle of ensuring that every person has equal access to technology, internet connectivity, and digital skills. It recognizes that today, these resources are essential for full participation in education, employment, and civic life.

Achieving digital equity requires addressing the barriers that contribute to the digital divide, such as limited access to affordable broadband, lack of digital literacy, and disparities in device ownership.

Broadband low adoption rates and lack of access directly impacts quality of life and limits economic, educational, and healthcare opportunities. For that reason, in the 21st century, digital equity is cataloged as a human right. Understanding of the barriers that cause the digital divide helps to implement and develop the right strategies to achieve digital equity.

This section characterizes the status of digital equity regarding three main aspects: broadband affordability, device availability, and digital literacy. Barriers and challenges are identified for each of these aspects based on interviews with key community stakeholders, responses to the Needs Assessment survey, and public data.

2.3.1 Broadband Affordability

Through the Needs Assessment survey was established that 71% of the residential respondents consider that their internet service is expensive or too expensive. Of those, 18% are older than 55 years and 38% are older than 65. Regarding connectivity at home, the survey revealed that only 7% do not have Internet at home. 51% of them claim a lack of providers in their neighborhoods and 25% consider the service too expensive.

The FCC's Affordable Connectivity Program (ACP) aims at improving affordability of broadband services through a $30 subsidy and up to $75 subsidy in Tribal Lands. According to the ACP enrollment tracker from the California Emerging Technology Fund (CETF)[18], there are 61,142 households Monterey County that are eligible for this benefit.

even though the survey revealed that 45% of the respondents are aware of the program. Importantly, 16% of respondents affirm not being eligible for the program or having been rejected for some reason as shown Figure 35.

Regarding the National School Lunch Program, Figure 36 shows that 24% of the respondents do not know if they qualify to receive the program benefits.

As a highlight, the respondents who answered that they are eligible for ACP or National School Lunch Program are mostly women.

[18] California Affordable Connectivity Program Enrollment Tracker (accessed March 2023)

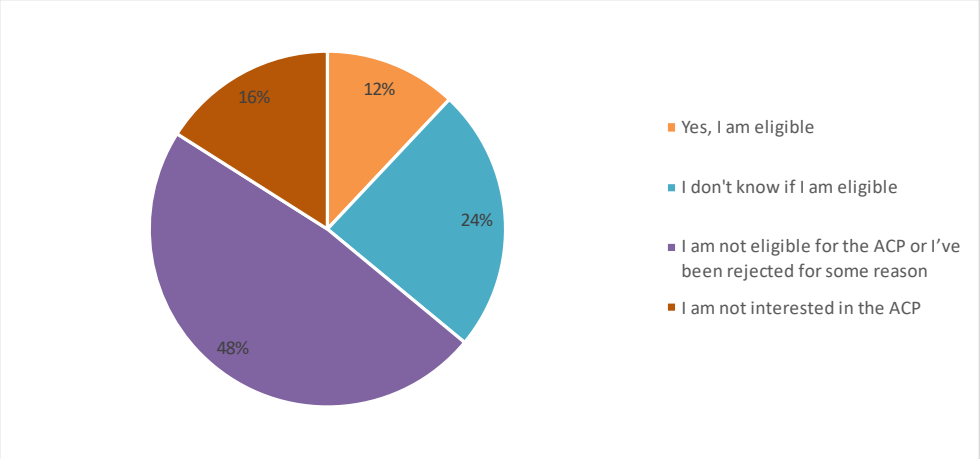

Figure 35. ACP Eligibility awareness

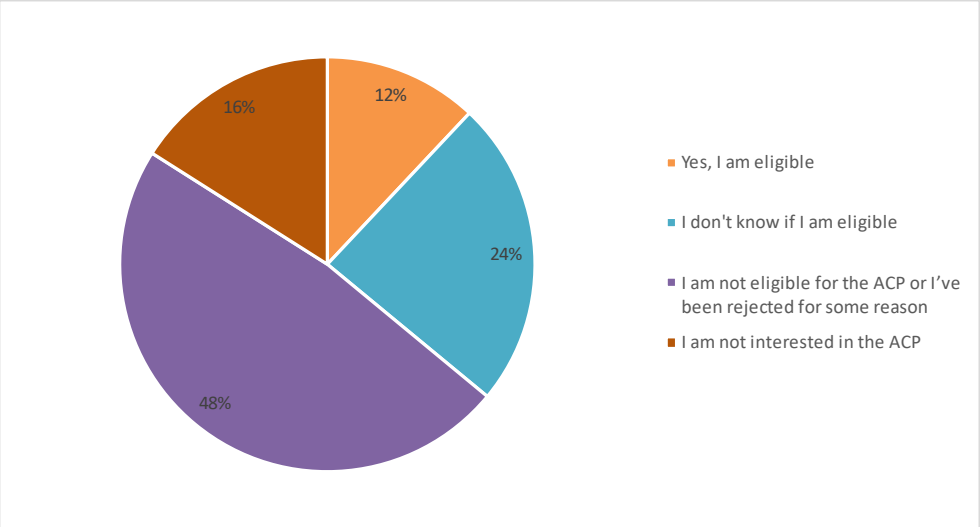

Figure 36. National School Lunch Program Eligibility awareness

The Needs Assessment survey revealed a clear concern regarding the high cost of the internet services. Programs like ACP can help to make access to a high-speed connection more affordable. However, its adoption rate is low (28%), which implies a need to develop strategies and outreach programs to boost enrollment.

As shown in Figure 37, even though 25% of the respondents consider the internet service expensive, only 7% of the respondents do not have internet access at home. The main reasons for not having internet access at home are the high cost of the service and the lack of ISP in their nearby areas.

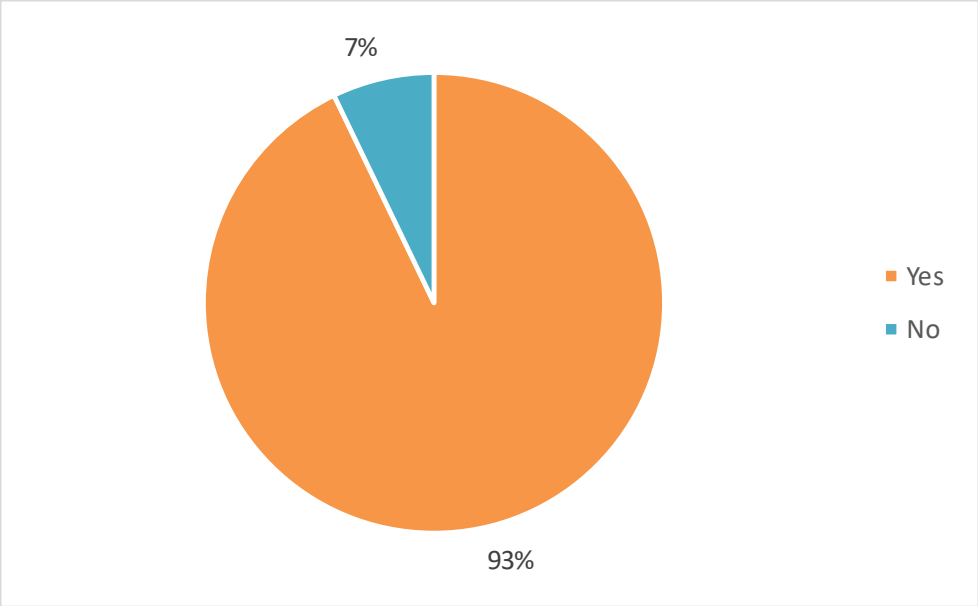

Figure 37. Internet Access at Home

In conclusion, most of the respondents (93%) in Monterey County can afford an internet connection at home. However, this does not mean that all of them have access which meets their expectations or exceeds the 1G service.

2.3.2 Device Availability

Having internet-connected devices at home is essential to make use of broadband services[19]. According to the US Census[20], the percentage of households with at least one computer is 92% for Monterey County.

This data is in alignment with the results from the Needs Assessment Survey, which are depicted in Figure 38. As shown, smartphones and laptops are owned by more than 89% of respondents. In contrast, medical devices and Gaming consoles have the lowest percentages. Furthermore, the Needs Assessment Survey revealed that only 0.3% of the respondents do not own any internet-connected devices.

Importantly, 32% of aging respondents above 55 years old have at least one computer at home and 34% of them have a Smartphone. In contrast, younger respondents between 13 to 54 years old, for which 91% own a laptop or desktop and 89% have a Smartphone.

[19] Smartphones are not considered to be adequate devices for fully accessing the internet.

[20] U.S. Census Bureau, American Community Survey (ACS) and Puerto Rico Community Survey (PRCS), 5-Year Estimates.

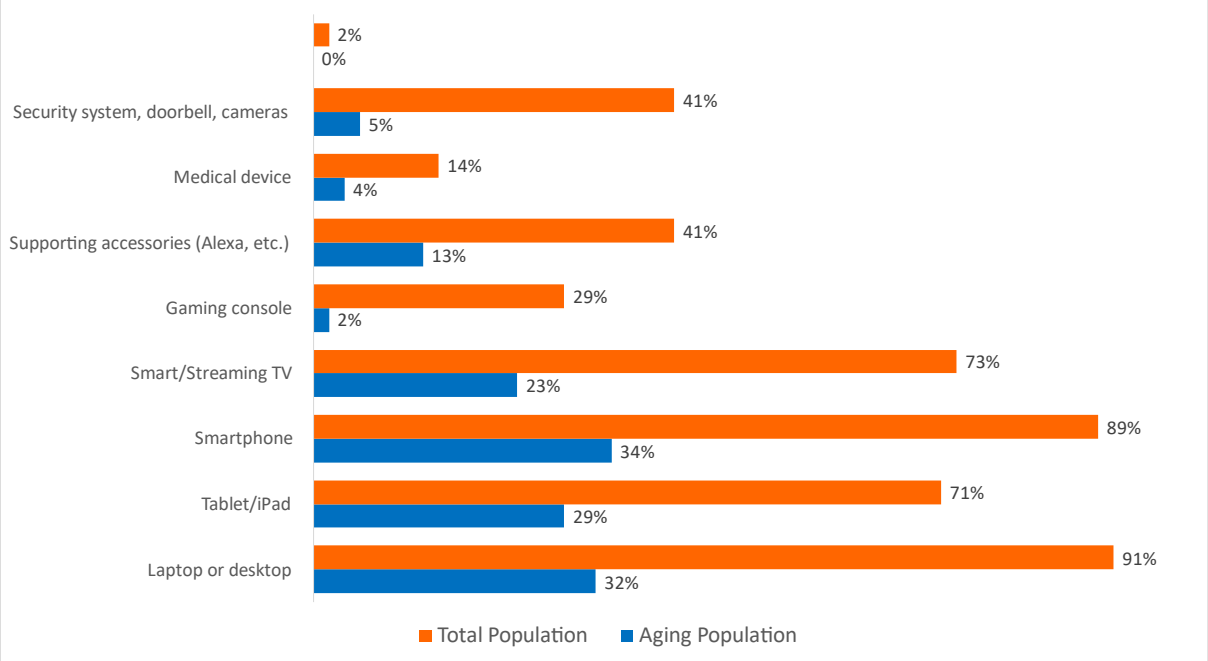

Figure 38. Device availability - Monterey County

Based on the above, it can be concluded that there are important barriers for aging population regarding devices within the County. The existing gap could be closed through programs such as the ACP, which provides one-time discount of up to $100 for a laptop, tablet, or desktop computer.

2.3.3 Digital Literacy

Figure 39 summarizes the digital skills of the respondents to the Needs Assessment Survey. Fundamental internet tasks have the higher levels, including email communication (93%), finding places (91%), and electronic banking (80%).

On the other hand, eCommerce has one of the lowest percentages (52%). Increasing this percentage may represent an opportunity for the Monterey residents to use the internet as a tool to support any type of business, improving Digital Equity.

The survey reveals a significant difference in Digital Literacy between the Aging population and the Total population. Population segments reported not to have the same Digital Skills. The most notable difference was in the percentage of Aging people with Finding Places ability (30%), which was lower than the percentage of the total population (91%).

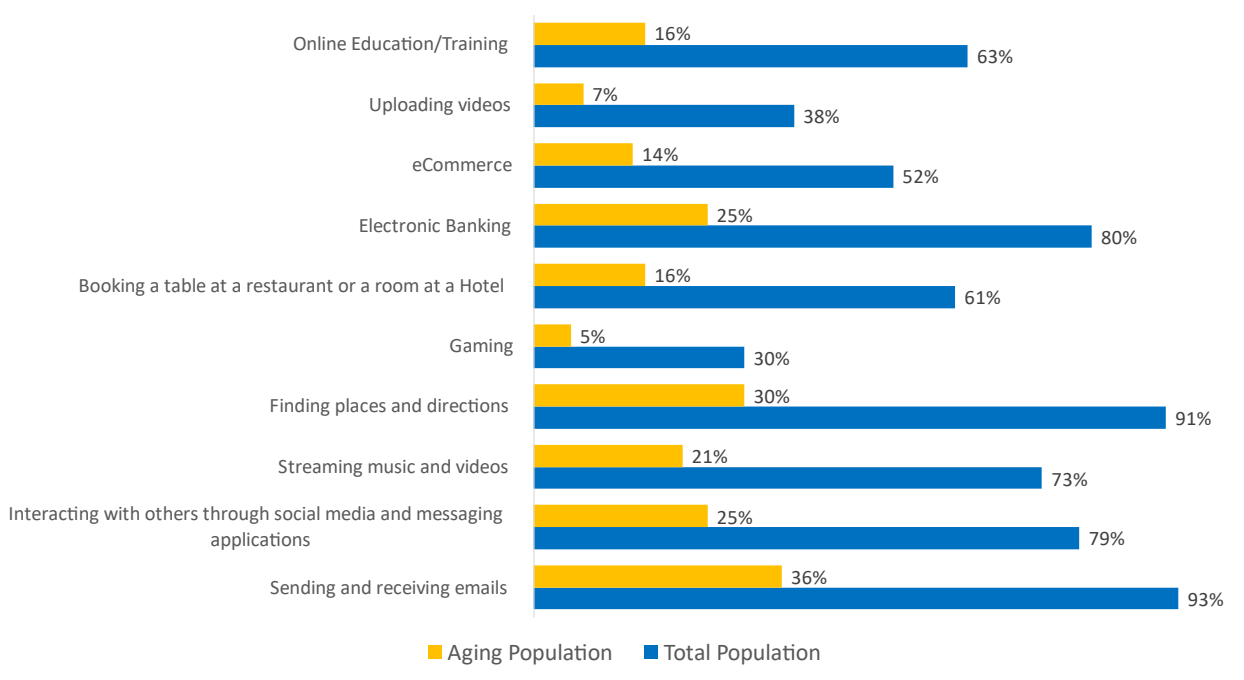

Figure 39. Digital Skills

To broadly enhance digital literacy across the county, the library network would benefit from an increased number of staff members or specially trained volunteers solely dedicated to serving as digital navigators and providing digital literacy training. This would enable them to effectively educate individuals on how to navigate the digital landscape. Additionally, it is crucial to ensure that these resources are available in multiple languages to cater to the diverse linguistic needs of the community. By expanding the library network's capacity in terms of staff and resources, they can play a vital role in equipping individuals with the necessary skills to bridge the digital divide.

2.4 Key Takeaways

- Approximately 97% of Monterey County locations are served, according to FCC data, and 99% of these have access to speeds exceeding 100/20 Mbps. A significant 76.7% of locations in Monterey County lack access to 1G/500 Mbps service, even in well-served areas like Marina, Salinas, Carmel by the Sea, Monterey, Sand City, Seaside, Gonzales, Soledad, Greenfield, and King City.
- In unincorporated areas, 79% of unserved locations exist, with over half of these (51%) located in the remote regions of South County.
- Satisfaction with service performance is low, with only: only 25% are satisfied. Meanwhile, a significant 71% reported issues with telehealth and 38% with remote learning. On the positive side, the average latency of 19ms is below the 50ms CPUC limit, although 6% experienced latency beyond this, impacting time-critical applications.
- A quarter of users (25%) consider their internet connection unreliable, while half (50%) prioritize reliability as the most crucial service characteristic.

Figure 40 and Figure 41 provide a graphical view of the main findings from the needs assessment.

3 Market Analysis

This section characterizes the broadband market in the County, by assessing the current broadband service providers and their offerings, along with their market presence. This enables a deep understanding of the broadband landscape in the County that is necessary to develop effective solutions to address identified gaps.

3.1 Broadband Service Offerings

Broadband service offerings in Monterey County were analyzed in two steps. First, broadband service providers were identified through inspection of the FCC National Broadband Map, desktop research, and results from the speed test program. Then, for each service provider, further research was conducted, including official provider websites and online tools based on provider and user-reported data.

The main aspects analyzed for each provider were available service offerings, broadband technology, speeds, monthly price, and service area. Table 8 summarizes the findings of the analysis for residential services.

Table 8. Residential Broadband Service Offerings.

		Up to 300/10	$50.00	
Note: Single quantity service speed refers to the download speed.				

According to Table 8, Salinas, Monterey, Pacific Grove, Marina, Seaside, and Sand City are the cities with the highest number of ISPs. There are several wireless providers in the County, from small providers like RazzoLink to mobile operators offering FWA service like T-Mobile and AT&T. FWA is the most common technology implemented by broadband providers, with six wireless providers in the County. However, only one of them provides services above 100/20 Mbps, and none of the wireless providers offers services above 1 Gbps.

The majority of the wireline providers in the County offer 100/20 and 1000/500 services and have coverage in most of the cities. AT&T, the main incumbent, provides services in all the cities.

In terms of pricing, Comcast offers services equal or higher to 100/20 for a price below the average price in California of $34.66 [21]per month. The cheapest 100 Mbps service is offered by Comcast for $25.00 per month. In contrast, wireless providers have higher prices and lower speeds mainly due to technology limitations and the cost of operation in remote areas. For example, Surfnet offers a 10/3 service for $55.96.

In the case of business service offerings, the results are captured in Table 9.

Note 1: Single quantity service speed refers to the download speed. Note 2: Type of service is either High Speed Internet (HSI), which is a best-effort offering, or Direct Internet Access (DIA) which accounts for a enterprise based service with a tight service level agreement (SLA).				

The Cities of Salinas, Monterey, Pacific Grove, Marina, Seaside, and Sand City have a rich offering of business services. However, service offerings for the rest of the County are limited. Business plans above 1 Gbps are only offered by wireline providers with prices above the average for HSI, which is $150 per month. In addition, wireless providers offer plans with limited speeds and higher prices.

3.2 Service Provider Choice

Another important metric to characterize the broadband market is the number and type of available service providers by census block, particularly those with fiber service offerings, since this is an indicator of the level of competition.

According to the Benton Institute for Broadband & Society, a served area with limited provider options typically result in higher prices and limited choices for end users.

The FCC National Broadband Map Dataset was used to perform this analysis, considering providers that offer services with speeds of at least 100 Mbps download, 20 Mbps upload. The results in Table 10 show that 34% of the Census blocks in Monterey County are not served by any ISP. The Cities of Marina, Monterey Sand City, and the unincorporated areas reported the highest percentage of census blocks without ISPs providing services above 100/20. There are several census blocks in the southern, central, coastal, and unincorporated areas with limited ISP coverage or only one ISP serving the area. These results indicate that there is a significant gap in terms of broadband market competition in the County.

Figure 42 to Figure 45 provide a geographical view of the number of fiber service providers available throughout the County. Where no fiber provider is available, the census block is colored based on the technology available: cable, copper, or Fixed Wireless Access.

As shown, FWA, cable, and copper are the prevailing technologies. However, fiber coverage is relatively limited, with only 20% of the census blocks (1,468 blocks) being served with fiber.

The areas with two or more providers are primarily located in Salinas, Monterey, and Pacific Grove. These cities have a significant amount of fiber coverage, providing residents with multiple options for broadband service.

On the other hand, unincorporated areas in the County have the highest number of census blocks served by FWA. Additionally, there are several blocks located in unincorporated areas without a single ISP. The southern part of the County is particularly affected, with virtually no ISPs available in those areas.

The results above are complemented with Speed Test data. As shown in Table 11,Figure 34, and Figure 35, Charter Communications and Comcast (Xfinity) are the predominant service provider in the County with 60% of the measurements.

Additionally, the Needs Assessment Survey respondents confirm this trend with 13% of respondents being served by Charter and 27% by Comcast.

Monterey County has a limited choice of broadband services outside the cities, and to some extent within the cities too. This results in several areas with a de facto monopoly that impacts the community as they are at risk of getting subpar service, high prices, and insufficient investment from broadband providers.

3.3 Key Takeaways

- Monterey County's broadband market presents a diverse landscape, with various service providers offering both wireline and wireless solutions. The County's analysis of residential broadband service offerings reveals that wireline providers include AT&T, Charter Communications (Spectrum), and Comcast (Xfinity). These providers offer a range of competitive services, spanning from 100/20 to 1000/500 Mbps, at relatively affordable monthly rates. Comcast, in particular, stands out for its pricing, with services above 100/20 Mbps available at prices below the California average.
- Wireless broadband providers in Monterey County boasts a variety of providers, including AT&T, Razzolink, Surfnet Communications, Cruzio Internet, T-Mobile, and Verizon. Despite the choice, these providers often struggle with higher prices and lower speeds due to the challenges of offering wireless services in remote areas. Surfnet Communications, for example, provides a 10/3 service for $55.96, highlighting the price limitations in these regions.
- When examining business service offerings, a slightly different picture emerges. Providers like AT&T, Charter Communications, and Comcast offer HSI and DIA services with speeds ranging from 100 Mbps to 5000 Mbps. These high-speed business plans come at a cost, with prices exceeding the average HSI pricing of $150 per month.

4 Broadband Asset Inventory

An up-to-date and reliable Asset Inventory provides a holistic view of the existing infrastructure and allows the identification of potential infrastructure that can be leveraged for broadband deployment, lowering the cost to expand broadband to unserved and underserved areas.

An Asset Inventory GIS Package which is a compendium of files documenting the broadband assets across the County, was developed by collecting data from public data sources and from local agencies through the Data Collection Guide, including County staff from the Information Technology (IT), Public Works, Administrative Services and Planning Departments.

An overview of the existing and planned infrastructure documented in the inventory is provided below:

4.1 Public Buildings & Facilities

In Monterey County, there are 113 facilities controlled by local governments, as shown in Figure 36 and Figure 37. There are 833 anchor institutions distributed across the County, 607 in the cities and 226 in unincorporated areas, including schools, healthcare facilities, and public safety facilities, among others.

Even when these assets are considered as “broadband serviceable locations”, they also can host network equipment, reducing the need for communication central offices and remote huts.

Table 12. Facilities connectivity status

Community	Total County-owned Facilities	On-Net Facilities	Off-Net Facilities
Marina	7	7	0
Salinas	33	33	0
Carmel-by-the-Sea	1	1	0
Del Rey Oaks	1	1	0
Monterey	6	6	0
Pacific Grove	2	2	0
Sand City	1	1	0
Seaside	9	8	1
Gonzales	2	2	0
Soledad	3	3	0
Greenfield	2	2	0
King City	6	6	0
Other Areas in Monterey County	40	32	5
Total	**113**	**104 | 92%**	**6 | 5%**

Table 12 summarizes the connectivity status of these facilities. Facilities and anchor institutions connected to the city private fiber network are classified as On-Net. Otherwise, they are considered as Off-Net. Salinas City has the highest rate of On-Net facilities, which is expected since it owns a large fiber network. The data reveals that the majority of the facilities are already on-net, meaning they are connected to the City or County network infrastructure. These on-net facilities can serve as Points of Presence (PoPs) to extend connectivity to areas that have connectivity needs.

4.2 Fiber & Conduit Infrastructure

The data described in this section was provided by Monterey County during the Data Collection process.

Monterey County-owned fiber infrastructure

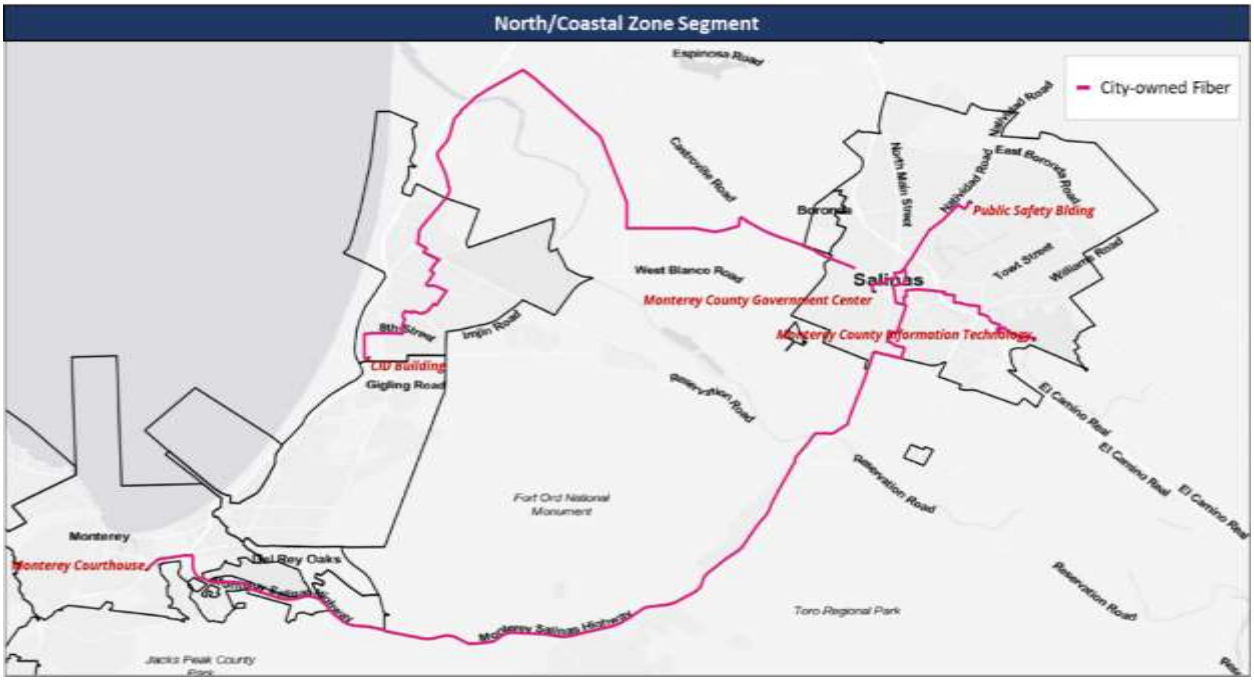

Figure 50. City-owned Fiber

As shown in Figure 50, the fiber is utilized to establish connectivity between facilities located in Marina, Monterey, and Salinas. It is worth noting that the fiber infrastructure is primarily utilized by the public safety and justice departments, highlighting its importance in supporting critical operations and communication within these sectors.

Figure 51 shows the existing County-owned fiber infrastructure, including poles (106), splices cases (69), manholes (54) and laterals primarily located in the cities of Monterey, Marina, and Salinas. This infrastructure can serve as a foundation for laying fiber optic cables and expanding broadband connectivity throughout the County.

shows the existing fiber routes owned by the County which adds up to 44 miles of fiber. The fiber infrastructure is primarily used to connect five key facilities: the Criminal Investigation Command in Marina, the Monterey Courthouse in Monterey city, the County Government Center, County Information Technology, and Public Safety Building in Salinas.

Figure 51 shows the existing County-owned fiber infrastructure, including poles (106), splices cases (69), manholes (54) and laterals primarily located in the cities of Monterey, Marina, and Salinas. This infrastructure can serve as a foundation for laying fiber optic cables and expanding broadband connectivity throughout the County.

Figure 51. Existing Fiber Infrastructure

By leveraging the existing utility infrastructure, broadband providers can reduce the cost and time required for deployment, enabling faster and more efficient broadband expansion.

It is crucial to emphasize the need for completing an inventory of existing fiber infrastructure, as answers from multiple cities were not received to complete the present report. In addition, The County representatives have confirmed that there aren't any projects for the deployment of new city-owned fiber infrastructure.

4.2.1 California Middle Mile

The California Middle Mile Broadband Initiative (MMBI) also known as GoldenStateNet[22] (GSN) is the middle mile open-access network consisting of 10,000 route miles that is a central component of SB-156, currently under construction with a $3.87 billion budget allocated for the buildout.

This middle mile network will ensure better and more connectivity throughout the State of California and improve the economics of last mile networks, particularly in rural areas.

On the 21st of July, California Department of Technology (CDT) announced a two-phase approach for the construction of the MMBI, with Phase 1 consisting of 8,300 miles and Phase 2 of 1,700 miles of middle mile fiber. The main distinction between the two phases is that Phase 1 has already been funded while funding for Phase 2 has not. Figure 52 shows the fiber route for the two phases within Monterey County, which comprises a total of 181 miles, 153 in Phase 1 and 28 in Phase 2. In Phase 1, the route follows the existing railroad that extends from Watsonville in Santa Cruz County to San Luis Obispo County. This route crosses several cities in Monterey County, including Salinas, Gonzales, Soledad, Greenfield, and King City. Additionally, Phase 1 offers two distinct routes into San Benito County. The first route involves following the existing railroad from Pajaro to Aromas in the northern area of the County, while the second route follows Spence Rd and Old Stage Rd near Salinas.

[22] https://goldenstatenet.org/ (accessed March 2023)

Phase 2 extends the Middle Mile network, connecting to Phase 1 in Castroville. From there, it follows Cabrillo Hwy, enabling access to the coastal zone, which includes cities such as Marina, Seaside, Sand City, Del Rey Oaks, Monterey, and Pacific Grove. Additionally, under Phase 2, a branch is proposed to connect the Monterey Regional Airport via Monterey-Salinas Hwy.

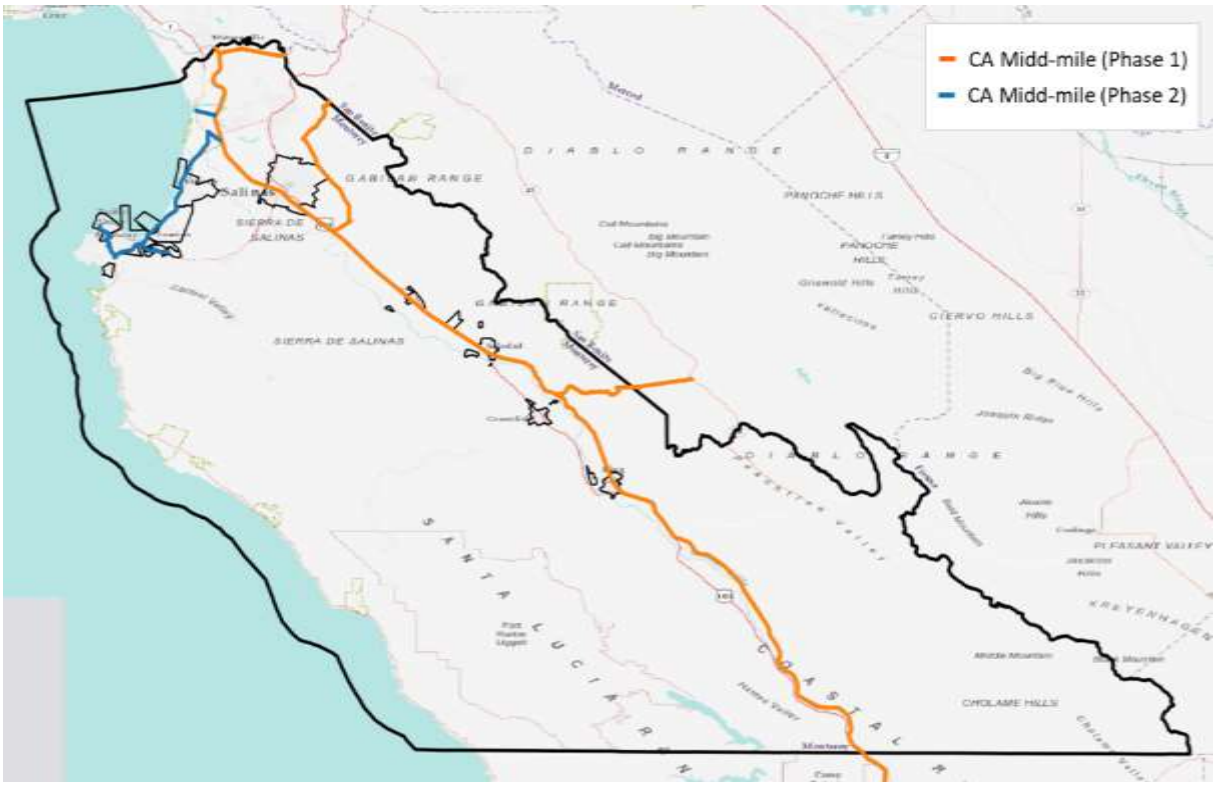

Figure 52. California MMBI July 21st Phased Approach.

On September 15th, CDT announced the commitment to build the full 10,000 miles on the MMBI design and the elimination of the phased approach. The middle mile construction commenced in October 2022 in the San Diego area and there is a statutory requirement to complete the entire network by end of December 2026.

While CDT has deprecated the notion of phases for the buildout of the California MMBI, the terms Phase 1 and Phase 2 CDT route are used throughout this report to distinguish the portion of the MMBI that has already been funded (Phase 1) from that one that has not (Phase 2).

GoldenStateNet could be key to simplify and speed up the development of last-mile access for Monterey County. However, this will depend on the timing of its construction and the establishment of potential synergies with ISP partners and other initiatives within the County.

4.3 Capital Improvement Program Projects

The Five-Year Capital Improvement Plan (CIP) is focused on identifying facilities and infrastructure improvements. Monterey County has a total of 19 CIP infrastructure projects. Infrastructure projects can be leveraged for broadband deployments, particularly those that involve road construction, street major repairs, and pipeline maintenance, replacement, or deployment.

Roads or street infrastructure projects provide an opportunity to deploy fiber conduit alongside the major arterials and corridors. By integrating fiber optic cables or conduits during the construction phase, the business case for broadband deployment is greatly improved. Bridge replacements projects should also be leveraged for fiber or conduit deployment.

Table 14 contains examples of CIP projects with potential to include fiber lines or conduits.

5 Analysis of Network Solutions

The broadband landscape in Monterey County has been meticulously characterized in Sections 2 through 4, delving into aspects such as broadband service availability, performance, affordability, digital literacy, and service offerings, identifying needs, opportunities, and assets.

This section represents an inflection point as Sections 5 to 7 encompass the development of solutions and strategies to address the identified needs and opportunities, according to the process illustrated in Figure 54. The previous sections focus on data compilation and analysis, while Sections 5 to 7 leverage this compiled data to craft a broadband strategy.

Figure 54. Countywide Broadband Strategy Stepwise Process.

- **Identify Broadband Opportunity Zones.** Identification of areas that represent opportunities for broadband deployment due to existing need or lack of competition, based on location density,

existing service level and potential revenues. This includes areas suitable for fiber and FWA networks.

- **Develop Conceptual Designs.** Creation of a fiber or FWA conceptual design for each broadband opportunity zone, leveraging existing infrastructure and the California MMBI whenever possible. Based on conceptual designs, cost estimates are obtained and provided as input for the financial analysis.
- **Assess Operating Models.** Operating models are evaluated for each opportunity zone based on the assessment of available funding sources, financial viability, and potential partners to arrive at a recommended scenario and strategy.

Section 5 covers the first two steps of the process above, including the identification of fiber and FWA broadband opportunity zones and the development of conceptual designs and associated cost estimates. Section 6 addresses the assessment of operating models. Lastly, Section 7 integrates the implementation strategy and recommendations into a coherent action plan to achieve the objectives set forth as part of this project.

5.1 Broadband Opportunity Zones

The analysis in the previous sections revealed that 3.1% of locations in Monterey County are unserved according to FCC data and 12.4% according to CPUC data. The majority of unserved locations are in isolated areas outside of the incorporated communities. Furthermore, in areas that are served (> 100/20), there is limited access to 1 Gbps / 500 Mbps services as only 23.3% of locations in the County are 1G served. In addition, there is a limited choice of broadband services throughout the County, resulting in several areas with a de facto monopoly.

To address the identified issues, the concept of Broadband Opportunity Zones is introduced. Broadband Opportunity Zones are those areas that are attractive for broadband deployment. These areas contain sufficient density to ensure cost-effective deployment and a market environment lacking intense competition often referred to as a "virtual monopoly." These conditions will attract new fiber-based or FWA-based entrants, reducing the amount of unserved and underserved locations in the County and increasing access to 1G services and market competition.

Broadband opportunity zones are identified through clustering algorithms and GIS analysis. First, Fiber Opportunity Zones are defined algorithmically based on the following criteria:

a) Maximum of 1 fiber ISP with service area < 60%
b) Location density > 500 locations per square mile

For each fiber opportunity zone, the potential revenue is estimated based on the number of unserved, underserved, served, and 1G served locations using FCC data.

FWA opportunity zones are determined for the remaining areas, according to the following criteria:

a) Unserved and underserved locations with fiber availability < 60%
b) Location density > 40 locations per square mile

For each FWA opportunity zone, the potential revenue is estimated based on the number of unserved and underserved locations.

52 fiber opportunity zones and 12 FWA opportunity zones were identified based on the process above. Table 15 and Table 16 capture the main attributes for fiber and FWA opportunity zones, respectively.

Findings regarding the fiber opportunity zones are set forth below:

- For most of the fiber opportunity zones, fiber service offerings are available in less than 20% of the serviceable locations, with only seven of them above this threshold, confirming the opportunity for a new fiber entrant.
- In general, the percentage of unserved locations is low, which means that the main problem in the opportunity zone is market competition and lack of 1G services.
- The cities that are part of the South Salinas Valley Broadband Authority (SSVBA[23]), i.e., Salinas, Soledad, Gonzales, King City and Greenfield, are included as fiber opportunity zones. In addition, the cities of Pacific Grove, Marina, and Carmel by the Sea are also considered.
- While approximately one half of the fiber opportunity zones present a location density higher than 1,000 locations per square mile, most of the broadband opportunity zones have an addressable market of less than 1,000 locations, representing a potential challenge as ISPs are

[23] SSVBA will deploy open-access municipal broadband across Soledad, Gonzales, Greenfield, King City, and unincorporated D3 Monterey County.

usually interested in larger markets. This can be addressed through engagement and negotiations with ISPs where the municipality offers a friendly environment for deployment.

In the case of FWA opportunity zones the following observations can be made:

- In contrast to the fiber opportunity zones, FWA opportunity zones have in general a higher percentage of unserved locations.
- The addressable market for 10 of the 12 FWA opportunity zones (83%) consists of less than 300 locations. The FWA solution can address these areas in a cost-effective manner.
- The location density threshold was relaxed for some opportunity zones in order to capture as many unserved locations as possible, resulting in 8 zones below the 40 locations / sq mile.

Figure 55 to Figure 61 show map views of the identified opportunity zones.

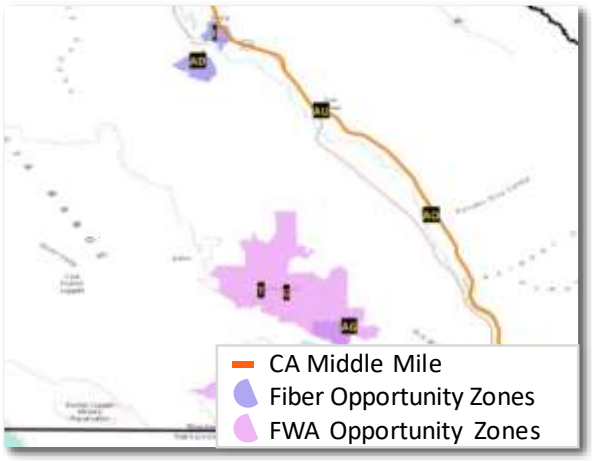

Figure 60. Broadband Opportunity Zones -- Central Zone

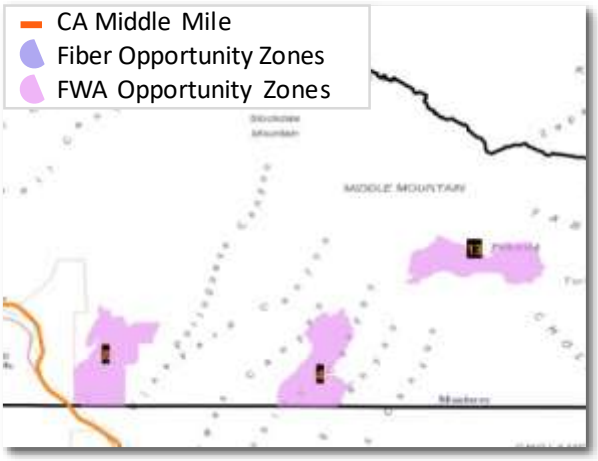

Figure 61. Broadband Opportunity Zones --Southern Zone 2

As depicted in the figures above, the Northern Zone, Coastal Zone, Regional Park Zone, and Central Zone host the majority of Fiber Opportunity Zones. Importantly, most of the fiber opportunity zones are in close proximity to the California MMBI, enabling last-mile providers to enter the market without investing in middle mile infrastructure.

In contrast, FWA opportunity zones are concentrated in remote areas of the County characterized by mountainous and challenging terrain which represents a bigger challenge.

5.2 Conceptual Designs & Cost Estimates

Once the broadband opportunity zones have been identified, it is necessary to develop conceptual network designs and derive the associated cost estimates for each opportunity zone. Cost estimates are provided as inputs for the financial analysis and the assessment of the implementation strategy. The process, assumptions, and outcomes of the development of fiber and FWA conceptual designs and cost estimates are the subject of this section while Section **Error! Reference source not found.** addresses the implementation strategy and the associated financial analysis.

It is important to note that the conceptual designs and associated cost estimates presented herein have inherent limitations as they are developed as "generic" designs that consider a greenfield deployment and the use of the California MMBI for middle mile connectivity. This means that the cost estimate for an ISP operating in the area may be lower as they can leverage its existing last-mile and middle mile infrastructure.

5.2.1 Fiber Opportunity Zones

Conceptual designs for fiber opportunity zones are based on XGS Passive Optical Network (PON) technology. XGS-PON offers a symmetric line rate of ~10 Gbps which is shared among multiple users through optical splitters. This technology ensures symmetrical download and upload speeds of at least 1 Gbps per subscriber. The associated network architecture is illustrated in Figure 62. Further details of this technology can be found in Annex A.

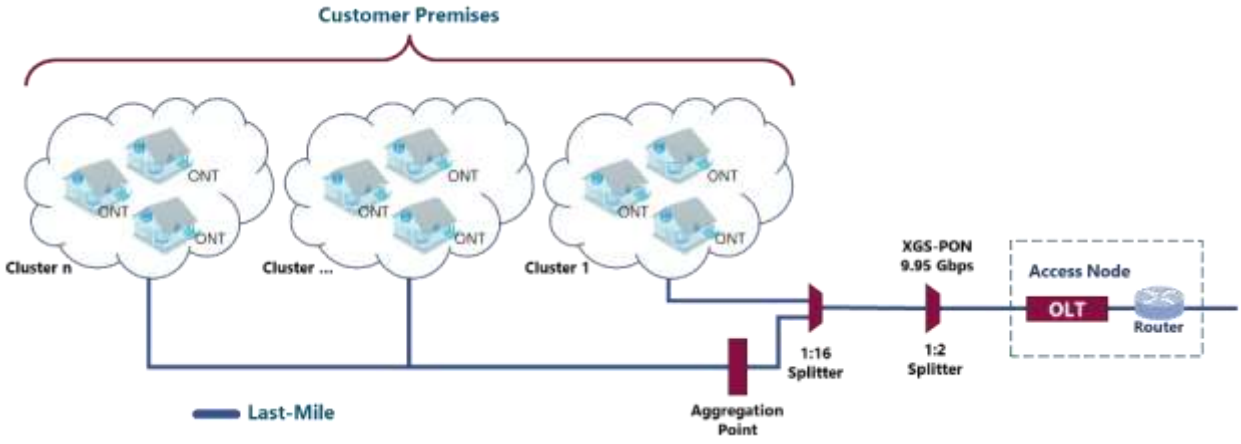

Figure 62. FTTP Network Architecture is based on XGS-PON.

Figure 63 captures the process to develop fiber conceptual designs.

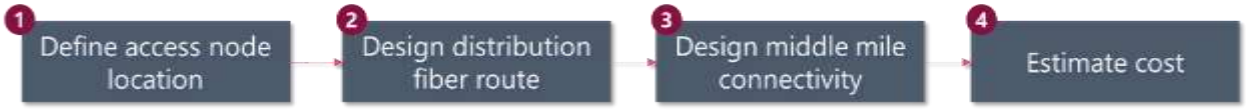

Figure 63. Fiber conceptual design process.

As shown, the first step of the process is defining the location of the access node. This is the facility where network equipment is installed, including the Optical Line Terminal (OLT) which is the piece of equipment that connects directly to the customer premises and aggregates traffic from subscribers. The access node location is selected from existing facilities owned by the local government or anchor institutions to ensure that the maximum distance between any given subscriber and the OLT is below 12 miles.

Then, the distribution fiber route is designed based on existing roads and ensuring that fiber drops are no longer than 650 ft. For middle mile connectivity, a fiber connection is considered between the OLT and the California MMBI or, if available, existing middle mile infrastructure owned by the local governments. Figure 64 shows a sample fiber design corresponding to Salinas opportunity zone.

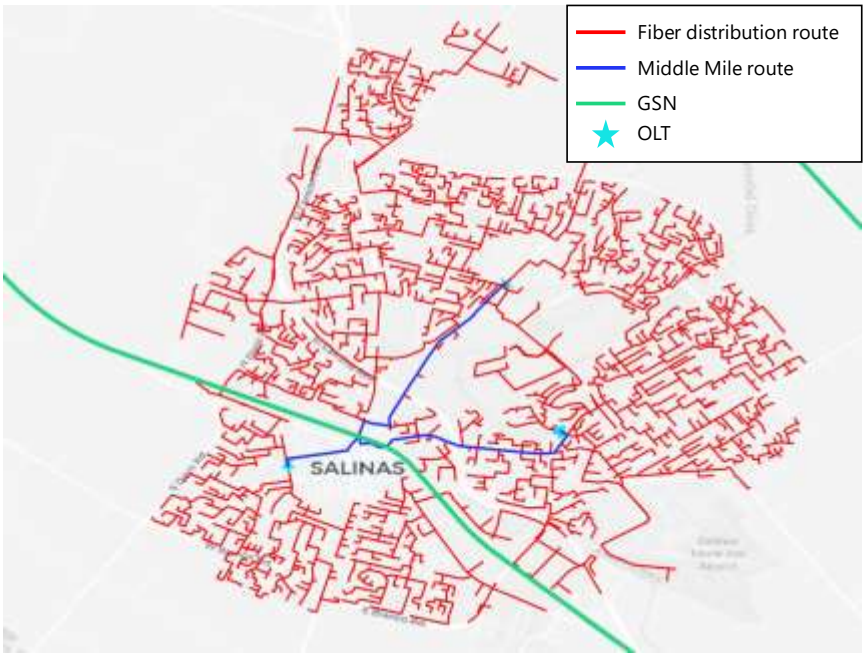

Figure 64. Fiber Design for the Salinas Opportunity Zone.

Finally, the cost to deploy each opportunity zone is estimated including pre-construction engineering and permitting, fiber construction, network equipment, and middle mile connection costs. These cost estimates assume prevailing wages and that, on average, fiber infrastructure will be 70% underground and 30% overhead.

The cost analysis for fiber deployment in Monterey County's opportunity zones reveals a substantial financial commitment, with an average cost of approximately $3,700 per location. The total projected cost for implementing fiber infrastructure across all the zones is estimated at a significant $325,316,635 underscoring the scale of investment required.

Table 17 captures the key cost drivers and estimates for the fiber opportunity zones. It highlights that 83% of the overall estimated costs are allocated to the construction of distribution routes,

encompassing both underground and aerial deployment. This underscores the pivotal role of robust infrastructure development in achieving widespread broadband access. As a complex and special case within the opportunity zones, Salinas alone embodies a significant portion of these costs.

5.2.2 FWA Opportunity Zones

In the case of FWA opportunity zones, the conceptual design considers the use of 5G base stations using Citizens Broadband Radio Service (CBRS) 3.5 GHz spectrum. The Radio Access Network (RAN) sites are

located on rooftops or towers that will cover the surrounding locations. The associated network architecture is shown in Figure 65.

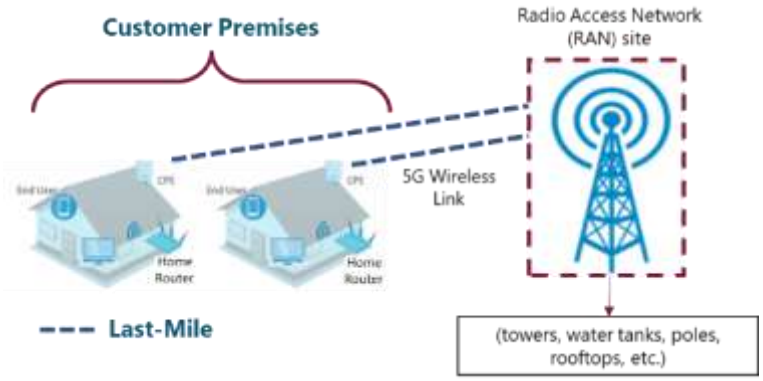

Figure 65. FWA Network Architecture.

The process to develop the conceptual design for each of the FWA opportunity zones is illustrated in Figure 66.

Figure 66. FWA conceptual design process.

First, the number of RAN sites required is obtained based on the expected number of subscribers in the opportunity zone, and the capacity of the standard site configuration. The standard site configuration consists of three sectors, each one implemented through a 40 W 64T64R 5G radio. Through this configuration it is possible to serve 180 locations with 100 Mbps symmetric speeds or 300 locations with 100 Mbps downstream and 20 Mbps upstream. The 100/20 service is considered in cases where the deployment of a second site can be avoided by using this configuration.

For each site, a location is selected considering rooftops of local government facilities, existing towers, or the deployment of a new tower where existing infrastructure is not available or suitable. Coverage plots are generated are analyzed for the selected site. This can include several iterations to select the site that ensures adequate coverage of the FWA opportunity zone. Then, middle mile connectivity is designed considering a fiber connection to the California MMBI or a microwave link to a connected location.

Finally, the cost for each FWA opportunity zone is estimated, including site / tower construction, network equipment, customer installations, and middle mile connection costs.

The cost analysis for the Fixed Wireless Access (FWA) opportunity zones provides essential insights into the financial implications of extending broadband infrastructure within these areas their main components are captured in Table 18. Notably, the cost per location for FWA deployment is estimated at approximately $11,482. When considering the total cost for implementing FWA infrastructure across all opportunity zones, which amounts to $70,639,599, we gain a comprehensive view of the significant financial commitment entailed in bridging the digital divide. It is important to highlight that the high cost of middle-mile routes is concentrated in the opportunity zones located in remote areas of the coastal and southern regions of the County, emphasizing the unique challenges and expenses associated with these zones.

6 Implementation Strategy

6.1 Operating Models & Assessment Methodology

The identification of broadband opportunity zones and the development of conceptual designs and cost estimates in Section 5 constitutes the answer to "what" is needed in Monterey County to expand and improve broadband infrastructure. Section 6 seeks to find the "how" to implement these solutions from a financial and operational point of view.

The assessment of various operating / business models is required to find the most feasible path for implementation of each broadband opportunity zone. By assessing these options, tailored strategies can be defined to attract partners or enhance the chances of getting funds.

The operating models considered for evaluation throughout this Section are summarized in Figure 67 and described below.

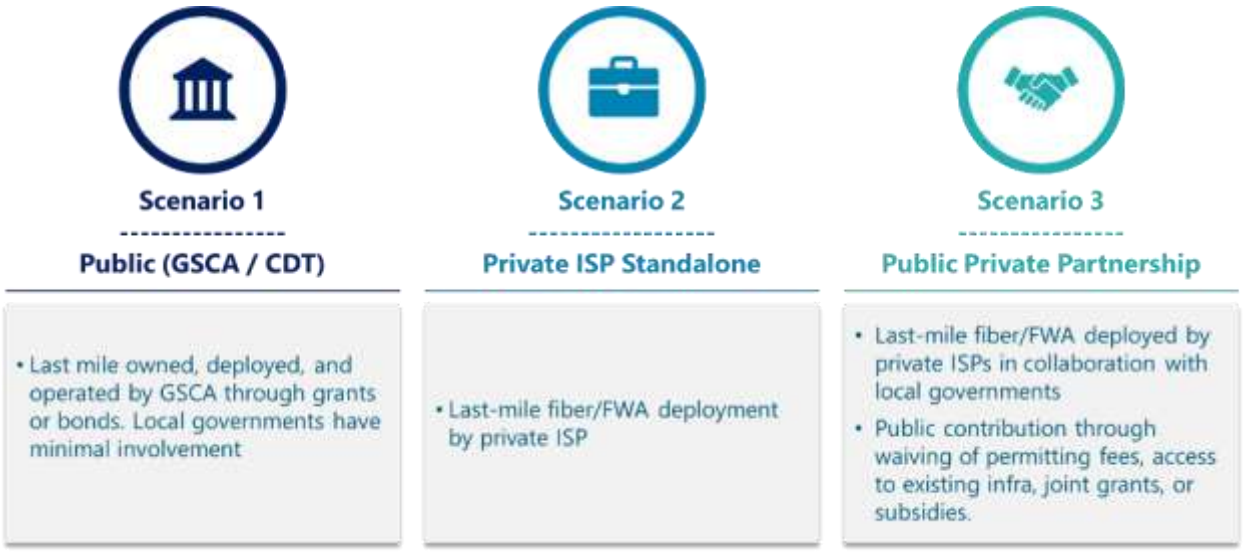

Figure 67. Operating Models

Public (GSCA / CDT)

The last-mile network is owned, deployed, and operated by Golden State Connect Authority (GSCA)[24], a joint powers authority of 39 member counties, including Monterey County. GSCA is actively involved in last-mile deployments to increase access to reliable, affordable high-speed internet for all rural Californians. Local governments are expected to provide a location and real estate for telecom huts, a single Point of Contact (PoC) for permitting, and support to verify feasibility and identify potential issues with the projected deployments.

Under this model, the main source of funding will come from federal and state grants. However, bonds can also be considered for high-density areas with lack of competition.

Middle mile connectivity is provided by CDT via the California MMBI. Where the MMBI is not present, joint grants between CDT and GSCA can be leveraged to deploy this infrastructure.

In general, this model is well suited for opportunity zones with a high location density, that are grant eligible and are in close proximity to the California MMBI fiber route.

Private ISP Standalone

A private ISP owns, deploys, and operates the last-mile network, potentially leveraging its existing infrastructure. Middle mile connectivity can be based on ISP infrastructure, or it can leverage the California MMBI network. Funding can come from the ISP financing sources or from federal and state grants, but in this case, grants do not consider collaboration with local governments.

This model is applicable to opportunity zones with a positive business case for the private ISP with or without grants.

Public Private Partnership

The last-mile network is deployed by a private ISP in collaboration with local governments and commonly operated by the private ISP. The level of collaboration from the local government can vary

[24] https://goldenstateconnect.org/

from simple inducements such as waiving of permitting fees and granting free access to public infrastructure to partnering for grants or providing direct funding for joint deployments.

This model usually requires funding from federal and state grants in addition to private funds. Opportunity zones in remote areas with challenging business cases are most likely to use this model.

Sections 6.2 to 6.5 focus on the assessment of operating models for the opportunity zones and the identification of the recommended scenarios according to the process depicted in **Error! Reference source not found.**.

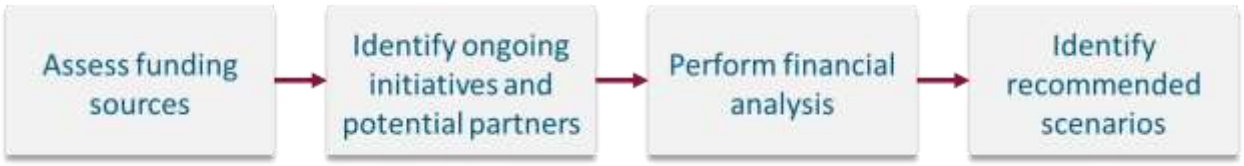

Figure 68. Operating Model Assessment Process.

Finally, Section 6.6 presents an analysis of broadband policies from local jurisdictions in the County and provides recommendations to implement broadband-friendly policies that contribute to incentivize broadband investment and streamline deployments.

6.2 Funding Sources Analysis

Identifying public funding sources is crucial to enable the deployment of broadband infrastructure in challenging areas. These projects require extensive capital investment making it difficult to ensure a sustainable business case without additional funding.

Multiple programs related to broadband have been created by state and federal entities in response to the urgent need to close the digital divide. Most of these programs can be traced back to the following legislation:

1. **Senate Bill 156:** Governor Newsom signed Senate Bill 156 (SB-156) that allocates $6 billion for expanding broadband infrastructure and access in California. Most relevant programs emerging from this senate bill focus on deploying Middle-mile and Last-mile networks across the state.
2. **Bipartisan Infrastructure Law:** In November 2021, President Joe Biden signed the Infrastructure Investment and Jobs Act (IIJA) or Bipartisan Infrastructure Law (BIL) to support internet expansion, access, and use nationwide. The BIL provides a total of $65 billion for the following areas:
    - Planning activities and studies for the development of Internet expansion projects.
    - Network infrastructure deployment for high-speed Internet Activities to increase Internet access and meaningful use of high-speed internet.
    - This includes digital literacy, skills training, telehealth, and remote learning.

    Of particular importance is the Broadband Equity, Adoption, and Deployment (BEAD) Program emanates from the BIL providing an overall $42 billion for infrastructure deployment for the

states and US territories. In June, California[25] was announced to receive $1.8 million of BEAD funds that will be shared among broadband projects in the state.

Figure 69 displays a map with federal and state funding programs that emanate from the legislation above, including broadband infrastructure and digital equity programs.

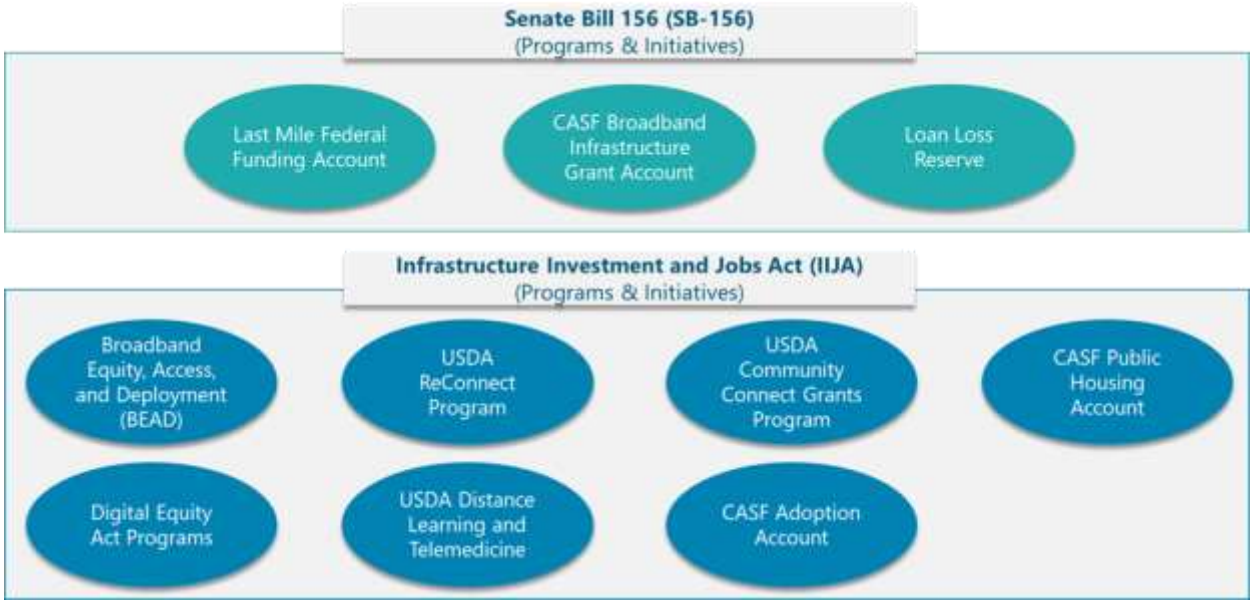

Figure 69. Federal and state broadband funding programs.

Each program targets slightly different objectives and incorporates different eligibility criteria, requirements, and timelines. Table 19 provides a high-level overview that serves as a reference to evaluate the suitability of these programs for the identified broadband opportunity zones.

For each broadband opportunity zone, eligibility and likelihood of broadband infrastructure programs were evaluated, identifying the potential funding sources that can be considered for each opportunity zone. The detailed results of this evaluation are captured in Annex C and Table 20 summarizes eligibility and number of opportunity zones per funding program in Monterey County.

Table 20. Funding Program Eligibility Summary.

Technology	FFA	CASF	ReConnect	BEAD	EDA	Not Eligible

FWA	0	11	1	0	0	0

Notably, not all the identified opportunity zones within Monterey County are eligible for grant funding. It's essential to recognize that certain zones may face eligibility challenges due to low location density or a lack of unserved/underserved serviceable locations, which could limit their chances of receiving grants.

The total grant funding required to fully address the connectivity gaps in these opportunity zones is estimated at $116.5 million. However, the availability of funding is a significant challenge, with grant pools being limited. For instance, the 2023 FFA grant program allocates only $10.4 million for Monterey County, which falls far short of the estimated costs within the SSVBA area, totaling approximately $29 million. This highlights the pressing need for strategic allocation of available funds to maximize impact.

The County has applied for last-mile FFA funding for the cities and low-income and disadvantaged unserved communities within the SSVBA area. In total, there are 12 opportunity zones that should be considered as candidates for applying for this funding.

Within Monterey County, several active CASF applications demonstrate ongoing efforts to enhance broadband access. LCB Communication has applied for a CASF Grant to build a hybrid network capable of delivering high-speed services to both fiber and wireless subscribers. Cruzio is seeking a CASF Grant to deploy high-speed connectivity to numerous previously underserved locations in several counties. Surfnet Communications has applied for a CASF Grant to provide broadband access to eligible locations

across multiple counties. As these applications progress, they contribute to the broader initiative of improving connectivity in the region.

6.3 Ongoing initiatives and potential partners

The broadband environment is continuously changing. Therefore, the implementation strategy for broadband opportunity zones must take into account ongoing broadband projects and infrastructure initiatives within the broadband opportunity zones or in close proximity. Awareness of the ongoing initiatives is crucial to identify partners, optimize resources and infrastructure from public agencies, avoid duplication of funds and streamline deployment.

Ongoing initiatives that are relevant include, but are not limited, to the following:

- **Pending or awarded grants**: Grant applications for the deployment of broadband infrastructure in the County, whether they have been awarded or awaiting a decision from the funding agency. This includes grant applications submitted to CPUC, FCC, USDA, and others under various programs.
- **ISP Projects**: Known plans or initiatives from the ISPs to deploy or expand broadband infrastructure based on discussions and agreements between local jurisdictions and the ISP.
- **Public Broadband Infrastructure Plans**: Projects from the local governments that involve the deployment or expansion of broadband infrastructure including conduit and /or fiber.

In addition, CIP Projects from the Cities and the County that involve road construction or major reparations and pipeline replacement or deployment can be leveraged to deploy broadband infrastructure. These projects may represent an important cost reduction and simplification of broadband permitting.

Table 21 presents the ongoing initiatives identified within the County:

Table 21. On-going Initiatives

Initiative Name	Description	Related Opportunity Zones
SSVBA	The South Salinas Valley Broadband Authority (SSVBA) is a five-municipality JPA that was formed in May of 2022. The goal of the SSVBA is to deploy open-access municipal broadband across Soledad, Gonzales, Greenfield, King City, and unincorporated D3 Monterey County.	10 (FTTH) | 7 (FWA)
Crown Castle Leasing	To connect the south side of the county, the SSVBA proposes the lease of strands (4 or more) on the existing portion of the Connected Central Coast fiber route from the City of Santa Cruz to Soledad.	13 (FTTH) | 3 (FWA)
Underline	Underline has active agreements with the City of Salinas to deploy an Open Access Network and Small Cells at various city locations	1 (FTTH)
Kimler-Horn	Kimley-Horn has an active agreement with the City of Salinas to develop the City Broadband Strategic Plan	1 (FTTH)

	and to design the Alisal Neighborhood Broadband Fiber Network	
Garlic-LCB	LCB Communication requests a CASF Grant to build a hybrid network (Fiber/FWA). LCB's Hybrid network will be capable of providing up to 5Gbps symmetrical service to fiber subscribers and up to 600Mbps down by 100Mbps up to wireless subscribers.	3 (FTTH) | 1 (FWA)
Cruzio Internet	LCB Internet request a CASF Grant to deploy multi-hundred Mbps last mile connectivity to 2565 unserved locations in San Mateo, Santa Cruz, Santa Clara, and Monterey Counties that are currently able to receive less than 25 Mbps download and 3 Mbps upload. There are 1125 serviceable anchor institutions within the project area.	7 (FTTH) | 2 (FWA)
Surfnet Communications	Surfnet Communications request a CASF Grant to provide high-speed, low cost, and reliable broadband to 542 eligible locations distributed into Monterey, Santa Cruz, San Luis Obispo, and Santa Clara Counties.	1 (FWA)
GSCA - FFA Application (See Note 1)	GSCA will deploy and operate an open access, last mile, municipal, fiber network in low-income areas within the SSVBA region. GSCA has requested $17 million to cover 749 unserved locations and plans to interconnect its last-mile network with the CA Middle Mile network.	5 (FTTH)
AT&T - FFA Application (See Note 1)	AT&T is requesting $37 million to deploy a 10Gbps FTTH Network, covering 5,752 unserved locations. Their aim is to encompass the cities of Carmel by the Sea, Del Rey Oaks, Seaside, Marina, Sand City, Monterey, Salinas, Greenfield, Gonzales, King City, Pacific Grove, and unincorporated areas in the northern, coastal, and southern zones of the County. AT&T does not intend to interconnect its last-mile network with the CA Middle Mile.	45 (FTTH)
Comcast - FFA Application (See Note 1)	Comcast will build a fiber network capable of symmetrical service of at least 1 gigabit, serving unserved and underserved communities in the Project Area. This Project will provide service for approximately 542 unserved locations. Comcast will leverage compatible and available facilities to support the Project, relying on existing utility poles in rights-of-way for aerial installation where attachments are permitted by the pole owner. Open access requirements do not apply because Comcast only seeks FFA funds for last mile infrastructure and does not intend to interconnect with the open access statewide Middle Mile Network.	8 (FTTH)

LCB - FFA Application (See Note 1)	LCB Communications LLC (LCB) is proposing to build a hybrid network consisting of Middle-Mile and Last Mile fiber and fixed Wireless. To complete this project, it is essential that LCB build middle mile infrastructure. LCB is looking to serve 580 households with Fiber to the Home (FTTH). LCB will also run Fiber to the Premise (FTTP) to 2 Anchor institutions and 3 businesses.	1 (FTTH) | 1 (FWA)
Surfnet - FFA Application (See Note 1)	The project will interconnect with middle-mile infrastructure. Internet backhaul will be achieved through existing network or new carrier connections, using an "active" headend for service distribution. Cabinets, either existing or new, will house backhaul routers. The project utilizes Passive Optical Networking (PON), a power-efficient technology with minimal visual impact due to its small 1/2" cables. PON can deliver up to 10Gbps speeds.	1 (FTTH)
Note 1: The areas comprising active FFA projects are shown in Figure 70.		

AT&T brings good news for the County. As previously mentioned in Section 3, AT&T, as the incumbent provider, still offers DSL services in most of their locations. Now, AT&T is requesting $37 million to deploy a 10Gbps FTTH Network.

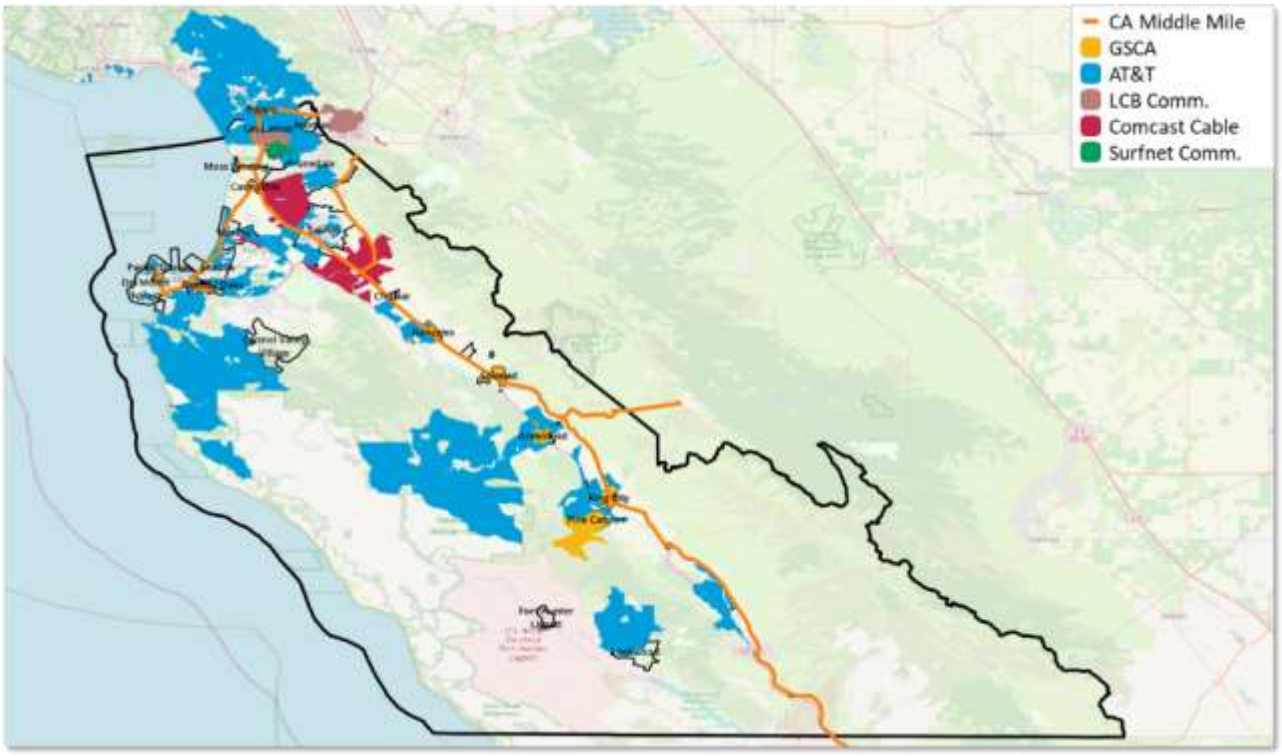

Figure 70. FFA Projects Mapping

Implementation of broadband projects in the target opportunity zones requires the identification of the right partners and these ongoing initiatives are an indication of potential partners. For example, the Golden State Connect Authority (GSCA), GSCA will use Last-Mile FFA grants to serve all the low-income and disadvantaged communities within the SSVBA area. They could potentially partner for 9 Fiber opportunity zones, potentially covering 510 unserved locations.

Potential partners for each broadband opportunity zone were identified based on the following:

1) If there is an ongoing initiative within the opportunity zone, the entity that leads that ongoing initiative is selected as the main partner.
2) GSCA is considered a potential partner for opportunity zones that are proximal to the California MMBI network, are grant eligible, and have a high location density (> 700 locations per square mile).
3) Where #1 and #2 above are not applicable, ISPs are considered as potential partners based on their existing level of service and technology within or near to the opportunity zone. ISPs with existing fiber last-mile service in nearby areas are ranked first, then ISPs serving the broadband opportunity zone with DSL or cable technologies.

The potential partners for each opportunity zone are presented in Table 22. AT&T, GSCA, Cruzio and T-Mobile are the key potential partners with the most substantial impact on addressing opportunity zones.

- **Cruzio Internet:** Cruzio is actively involved in providing last-mile connectivity in multiple areas in the northern zone of the County. They might serve as a partner for 7 Fiber opportunity zones and 1 FWA Opportunity zone.

- **AT&T Inc:** AT&T operates infrastructure including fiber, FWA, and copper across various areas of the County. They could be considered a potential partner, especially in areas where middle-mile infrastructure is not yet established, and the construction costs for fiber are prohibitively high.
- **T-Mobile:** T-Mobile plays a crucial role in providing Fixed Wireless Access (FWA) services in the mountainous and challenging zones located in the southern and coastal regions of Monterey County

6.4 Financial Modeling

A high-level financial model was developed to assess the business case for each broadband opportunity zone. The model allows switching between operating models and adjusting grant amounts. Based on demographics from each opportunity zone and the operating model under analysis, a pro forma and summary metrics are generated.

This high-level financial model provides a 10-year view based on Earnings Before Interest and Taxes (EBIT), considering the following assumptions:

- Hurdle rate of 12%
- Revenue model based on residential and business services considering take-rate forecasts captured in Table 23 with a three-year ramp-up period.

Table 23. Residential and Business Broadband Service Take Rate.

	Unserved	Underserved	Served	1G Served
Residential take rate (steady state)	90%	40%	30%	21%
Business take rate (steady state)	97%	30%	21%	12%

- Incremental operating costs alone are considered based on the assumption that the public or private provider deploying the network will have ongoing operations in the region. Costs are adjusted according to the selected operating model.
- Capex is based on the cost estimates from Section 5.2.

Figure 71 shows a sample output of the financial model for the Soledad opportunity zone, under the Public (GSCA/CDT) operating model.

	Year 1	Year 2	Year 3	Year 10

Figure 71. Soledad Opportunity Zone Financial Pro Forma.

The financial model was leveraged to iterate through various scenarios for each opportunity zone considering the potential partners identified in Section 6.3. This results in the selection of the preferred model and partner for implementation. Details of the selected model are included in the Opportunity Zone Summary in Annex C, while the recommended scenarios are discussed in the following section.

6.5 Recommended Scenarios

Based on the analysis of funding sources, the assessment of ongoing initiatives and potential partners, and the associated financial modeling addressed in Sections 6.2 to 6.4, the optimal operating model for each of the 64 broadband opportunity zones in Monterey County was identified.

Table 24 summarizes the results by operating model. As shown, the Fiber Public Private Partnership (PPP) operating model is recommended for most fiber opportunity zones, encompassing 34 opportunity zones and 64,000 locations of which 500 are unserved. The GSCA model follows with 17 opportunity zones and 22,700 locations of which 616 are unserved.

In the case of FWA opportunity zones the FWA PPP model is predominant with 4 opportunity zones and 3,500 total locations. These results emphasize the importance of the collaboration of private ISPs and municipalities to expand broadband infrastructure in Monterey County.

Table 24. Recommended Scenarios Summary

Operating Models	Opportunity Zones	Unserved and Underserved Locations (FCC)	Unserved Locations (CPUC)	Total Locations	Key Success Factor
GSCA	17	616	1,475	22,709 | 20.4%	FFA award to GSCA
Fiber ISP Standalone	1	0	580	171 | 0.2%	ISP Engagement & Grant Funding
FWA ISP Standalone	8	2,126	2,306	2,606 | 2.3%	ISP Engagement & Grant Funding
Fiber PPP	34	513	3,426	64,147 | 57.7%	ISP Inducements, GSN extensions
FWA PPP	4	137	102	3,546 | 3.2%	ISP Inducements, GSN extensions
Total	**64**	**3,392**	**7,889**	**93,179 | 83.8%**	

The Key Success Factor column in Table 24 identifies the enabler(s) for deployment, indicating that this is the main aspect that should be addressed by municipalities and local stakeholders to trigger or accelerate deployments in the broadband opportunity zones.

In the case of the GSCA operating model, the key success factor is securing FFA grants, although other grants can also be considered. GSCA in collaboration with SSVBA has submitted FFA applications for the cities of Soledad, Gonzales, Greenfield, and King City along with other communities within the SSVBA target area.

For Fiber/FWA ISP Standalone models the primary key success factor is engagement with the potential ISP partners to make them turn their attention to these areas. In addition, obtaining grant funding is also an important enabler which will improve the business case for the ISPs. Potential funding can come from BEAD or CASF programs, and in the case of FWA ReConnect and Community Connect programs can also be considered.

Finally, the implementation of opportunity zones under the Fiber/FWA PPP models requires inducements for ISPs to ensure sustainability of the business case for the ISP partner, and in a number of cases, the buildout of extensions to the California MMBI network to provide robust middle mile connectivity.

Once the operating models have been identified, broadband opportunity zones under each model were further categorized based on their feasibility and timeframe for implementation according to the framework in Table 25.

Table 25. Broadband Opportunity Zone Implementation Categories

	Phase 1 (2023-2024)	Phase 2 (2025-2026)	Long-Term (post-2026)
GSCA	• High density (>700 locs/sq mi) • GSN proximity (< 1 mile and CDT Phase 1) • FFA eligible/Within SSVBA Area	• High density (> 700 locs / sq mile) • GSN proximity (< 10 miles) • Grant eligible	• Heavy Middle Mile investment • Within SSVBA Area

Fiber ISP Standalone	• Positive biz case with or without grants • Net Present Value (NPV) > $1M w/Grant	• Positive biz case with NPV > $100k with or without grants • Grant lower than $5 M	• Biz case barely positive (< $100k) with or without grants
FWA ISP Standalone	• Pending CASF application • Positive business case (NPV > $100k)	• < 100 locations • Breakeven biz case with or without grants (NPV < $100k)	N/A
Fiber PPP	• Negative business case (low subsidy) • Marginal biz case that requires subsidies lower than $1,000,000, characterized by high density and existence of virtual monopolies. OR ongoing PPP implementation	• Negative business case (medium subsidy) • Negative business case without grants that requires grant higher than $5,000,000 or is not grant eligible and requires other forms of public subsidies.	• Significant middle mile investment required
FWA PPP	• Ongoing Public Private Partnership	• <100 locations • Grant eligible • Negative biz case	• Significantly away from the GSN, requiring heavy middle mile investment

The resulting categorization of fiber and FWA opportunity zones is displayed in Figure 72 and Figure 73, respectively.

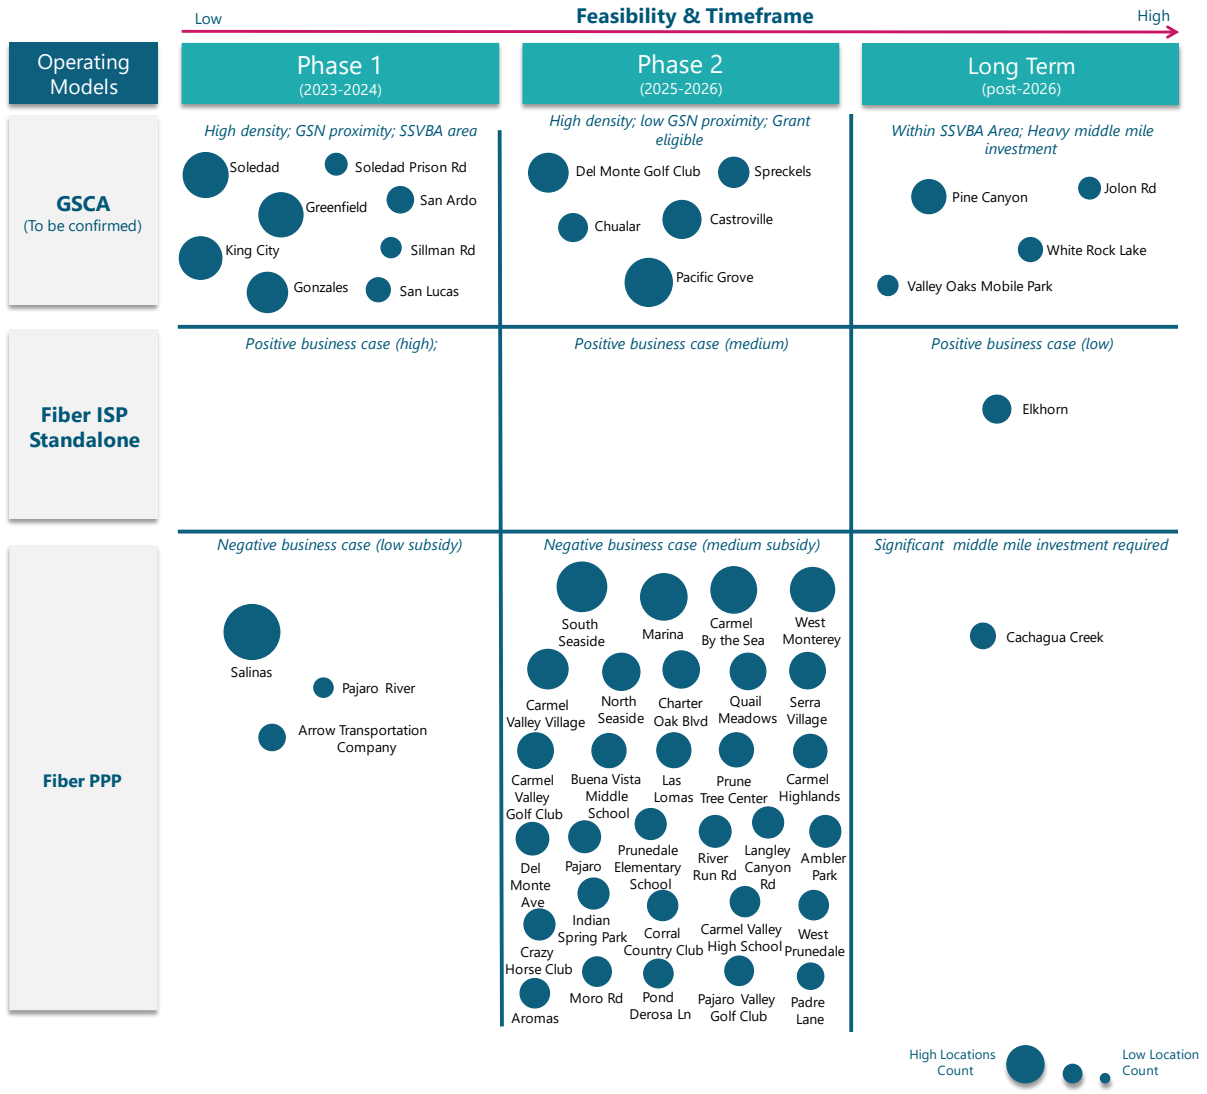

Figure 72. Fiber Opportunity Zones Characterization

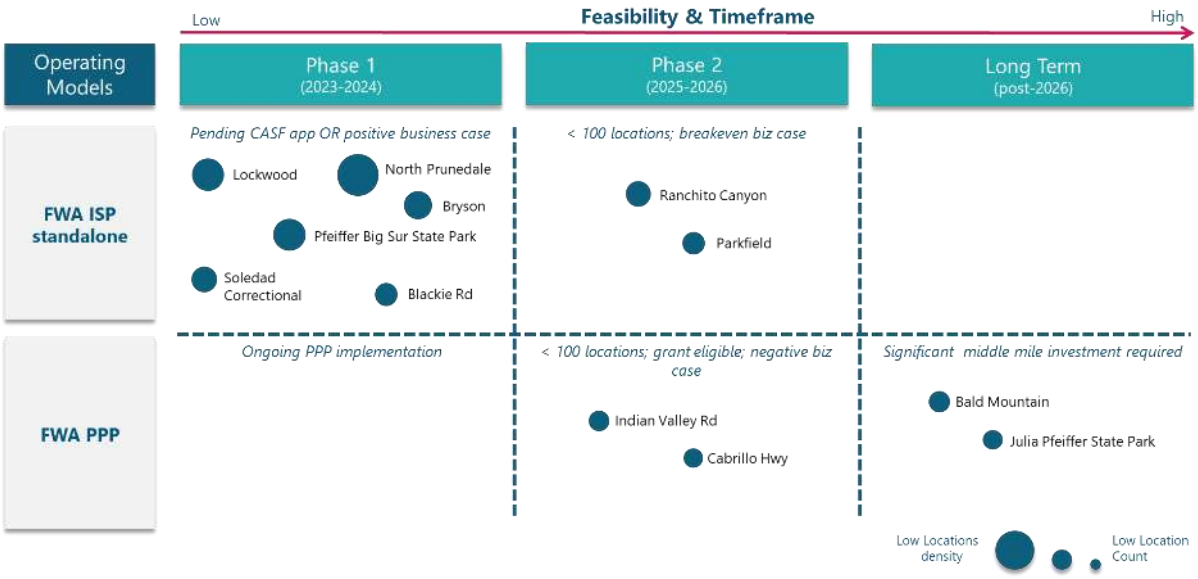

Figure 73. FWA Opportunity Zones Characterization.

Based on the analysis of the above categorization, the following observations can be made:

- **GSCA Phase 1:** In this category, there are 8 opportunity zones, collectively serving 12,170 srviceable locations. These zones are primarily eligible for Last-mile FFA grants, making them promising candidates for broadband expansion. They are characterized by their high density, proximity to the GSN, and location within the SSVBA area. The operating model of choice is Public GSCA, suggesting that these zones are ready for significant broadband infrastructure development.
- **GSCA Phase 2 & Long Term:** This category encompasses a diverse set of 9 opportunity zones, collectively catering to 10,539 serviceable locations. The eligibility for grants extends to CASF, BEAD, and FFA. Some of these zones fall within the SSVBA area, while others require heavy middle mile investments. This diversity implies the need for tailored strategies. The complexity of this category requires a more flexible approach to broadband deployment.
- **Fiber ISP Standalone**: This category poses a distinct challenge as it involves high investments, which is why there is only one opportunity zone within this category – Elkhorn. Elkhorn focuses on last-mile fiber deployment by a private ISP, making it a unique case within Monterey County. Considering the active CASF application in proximity by Garlic-LCB, they may serve as a potential partner for this endeavor. The high investment requirements contribute to the scarcity of opportunity zones in this standalone fiber category, emphasizing the need for careful planning and resource allocation.
- **Fiber PPP Phase 1 and Phase 2:** The majority of the broadband opportunity zones, 34 of them, are designated under the Fiber PPP model. These zones require different levels of subsidies and/or middle mile investments to ensure sustainability of the associated business case. Several opportunity zones under this model are situated near the coastal area, encompassing key cities such as Seaside, Marina, Carmel by the Sea, and Monterey. These opportunity zones have great potential, but their realization hinges on the completion of Phase 2 of the California MMBI network that will connect the city of Salinas to the Monterey Coastal zone.

- **FWA ISP Standalone:** Within this category, we find a set of two opportunity zones, which together have the capacity to address the connectivity needs of 136 currently unserved locations, covering 100% of these areas. Grant eligibility extends to CASF, BEAD, and ReConnect, further enhancing the potential for these zones. Both zones have a positive business case. In both cases, T-Mobile emerges as the promising partner to extend broadband services to these zones.
- **FWA and Fiber PPP:** This category comprises 4 opportunity zones, serving 137 locations. Eligibility for grants encompasses CASF and BEAD. For instance, Pfeiffer Big Sur State Park, a remote opportunity zone located within the coastal zone of Big Sur, this opportunity zone faces unique challenges. With a combination of mountainous and coastal terrain, it currently relies on FWA and satellite technologies for service. This zone is part of a chain of broadband opportunity zones, including Julia Pfeiffer State Park and Cabrillo Hwy, offering a chance for broadband expansion.

The details for each opportunity zone are provided in Annex C. This Annex is intended to create awareness among local stakeholders of the status of the individual opportunity zones and to convey the recommended strategy for broadband infrastructure deployment.

6.5.1 Key Takeaways

The recommended scenarios for the 64 broadband opportunity zones seek to improve the County's broadband access and market competition by increasing the number of 1G served locations and eliminating the number of unserved locations. Figure 74 provides a comparison between current broadband service availability and the target state. As shown, the target state takes unserved locations to 0% (currently at 3.1%) and increases 1G served locations from 23.3% to 84.3%.

	Current	Target
1G Served	25,873 (23.3%)	93,688 (84.3%)
Served	81,054 (72.9%)	16,633 (14.9%)
Underserved	812 (0.7%)	854 (0.76%)
Unserved	3,436 (3.1%)	0 (0%)
	111,175	

Figure 74. Current and Target Broadband Availability.

Highlights from the recommendations to achieve the target state are set forth below:

1) **Total Grant Amount:** The total grant funding required to implement the target opportunity zones is $117.5 M. This financial support is required for 52 Fiber and 12 FWA opportunity zones. It is important to note that this amount exceeds the expected funding in the next couple of years, therefore, careful prioritization of areas must be made, and additional funding approaches should be explored, such as municipal bonds, special taxes, and leveraging of CIP projects to reduce the cost of broadband deployment.
2) **Existing Infrastructure Solutions**: Thirteen broadband opportunity zones are proposed to utilize the California MMBI network for middle mile connectivity. Additionally, three projects will capitalize on the County's existing Fiber Infrastructure. This approach helps minimize costs and improve deployment efficiency.
3) **Middle Mile Investment**: In specific regions like Salinas Valley, Cachagua Valley, and Carmel Valley, additional investment in middle mile infrastructure is required. This investment is crucial to enable last-mile broadband projects in these areas.
4) **Satellite Connectivity:** Satellite is the recommended solution for 790 unserved locations in remote and challenging areas that are not part of a broadband opportunity zone. Satellite offerings with speeds exceeding 25/3 Mbps are available in the County with prices ranging from $50 to $125 per month.

6.6 Broadband Policy Review & Recommendations

Broadband policies are used to regulate the construction and leasing of telecommunications infrastructure. The evaluation of these policies is critical to assess the level of "readiness" or "friendliness" to attract broadband investments.

Broadband readiness is a critical aspect in today's environment as broadband needs throughout the country are exploding and service providers will look to prioritize investments based on attractive markets that can be deployed efficiently.

The California Local Permitting Playbook[26] and NTIA's Best Practices[27] establish guidelines to incentivize and streamline the deployment of broadband infrastructure. These guidelines were integrated into the evaluation framework presented in Figure 75.

Category	Assessment Criteria

Construction standards	• Construction standards for aerial and underground fiber network and conduit deployment available online. Standards should include
	  • Right-of-way diagrams
	  • Typical location of utilities
	  • Utility trench construction and pavement restoration guidelines

Permitting process Documentation	• Special permit dedicated for Telecommunications projects (e.g., fiber deployment, tower construction, network upgrades). • Complete permitting process and manual available online.
Differentiation between major and minor broadband projects	• Methodology to classify projects between major and minor broadband permits. • Identification between projects on public and private property.
Batch permitting process	• Single permit request for a project that would otherwise require multiple permit applications.
Leasing of public assets	• Mechanisms and fees for the leasing of public assets (e.g., fiber or conduit, exiting utilities). • Impartial leasing mechanisms open to all providers. • Public infrastructure inventory available for ISPs, subcontractors and privet users.
New Assets Policies	• Policies for the installation of new infrastructure (e.g., fiber conduit) during major city/town/highway renovations. • Policies for the construction of additional pathways and cable pathways during new construction or major building renovations. • "Dig Once" policy of new underground fiber deployments.

Public GIS datasets	• Organized geographic database with government owned infrastructure.
	  • Underground / Aerial fiber distribution and available conduits
	  • Manholes and handholes
	  • Tower and poles
	  • Water underground infrastructure
	• Geographic data base publicly available online.

Broadband policies established by the County of Monterey and the cities of Salinas, and King[28] were evaluated based on this framework. Key findings and recommendations resulting from this assessment are captured below:

Key Findings:

- **Construction Standards:**
  - Construction standards for aerial and underground fiber network and conduit deployment are accessible online for the City of Salinas and King City, but not for the County.
  - Salinas City has relatively more accessible and updated standards, but it still lacks specific timelines.
  - King City has dated standards and an unclear permitting process.
  - Monterey County lacks modern construction standards, making it challenging for broadband deployment projects. All areas need improvements in transparency, standards accessibility, and clarity in permitting processes.
- **Permitting Process Documentation:**
  - The link to the permitting manual for the County is not working. The main permitting page provides general instructions and resources only.
  - Online documentation for Salinas City only includes checklists.
  - King City lacks online permitting resources.
- **Differentiation between Major and Minor Broadband Projects:**
  - There is no clear methodology to classify broadband projects between major and minor permits in any of the local jurisdictions being evaluated.
- **Batch Permitting Process:**
  - Salinas City and King City have a permitting process that allows a single permit request for projects that would otherwise require multiple permit applications. This has not been implemented by the County of Monterey.
- **Leasing of Public Assets:**
  - The County of Monterey defines mechanisms and fees for the leasing of public assets.
  - Salinas City has not published mechanisms and fees for the leasing of public assets.
  - For King City leasing mechanisms are available online, specifically Facility Rentals. Leasing mechanisms are open to all providers and are impartial.
- **New Assets Policies:**
  - In long-term plans but not yet a policy in place, the County considers a "Dig Once" policy for new underground fiber deployments.

[28] Only the cities that responded to the Data Collection requests were included as part of this evaluation.

- Salinas City has policies in place to require the installation of additional cable pathways inside new construction or major building renovations.
- Salinas City has implemented a "Dig Once" policy for new underground fiber deployments under the Salinas Municipal Code and encroachment permit checklist.
- King City does not have policies or plans in place for new assets policies, such as those related to conduit installation, additional pathways, or a "Dig Once" policy.

- **Public GIS Datasets:**
  - The County maintains organized geographic databases with government-owned infrastructure, including County-owned buildings, on-net locations, poles, manholes, laterals, hubs, and fiber rings. This database is not available online; it needs to be requested from the IT department.
  - Salinas City and King City also have certain geographic data available but not in online format, often in Portable Document Format (PDF) format.
  - None of the local jurisdictions under evaluation provides GIS data including all the datasets considered within the evaluation framework.

Recommendations:

1) The County of Monterey should develop and update construction standards for aerial and underground fiber network and conduit deployment. Once ready, these documents should be uploaded and made accessible online. This will ensure transparency, adherence to industry best practices, and ease of use for both government and private entities involved in broadband deployment.
2) Salinas City should restore and maintain its permitting manual online, including detailed end-to-end deployment permitting processes, requirements, application forms, construction standards, workflows, and fee lists. This will provide clarity and contribute to streamlining the permitting process for broadband projects.
3) All the local jurisdictions under this evaluation (Monterey County, Salinas City, and King City) should consider implementing a methodology to classify broadband projects between major and minor permits. This differentiation will avoid unnecessary delays for simple permits and enable Public Works departments to focus on major projects.
4) Salinas City and King City should implement batch permitting processes that allow a single permit request for projects that would otherwise require multiple permit applications. This approach streamlines the process and reduces administrative burdens for applicants.
5) Each municipality, including the County of Monterey, Salinas City, and King City, should prioritize the conversion of government-owned infrastructure GIS datasets into an accessible online format. This effort should include data on buildings, poles, manholes, hubs, and fiber rings. By making these datasets available online, the municipalities can significantly improve the transparency and accessibility of critical infrastructure information, benefiting ISPs, subcontractors, and private users involved in broadband expansion projects.

Figure 76 summarizes the assessment of broadband policies and the associated recommendations.

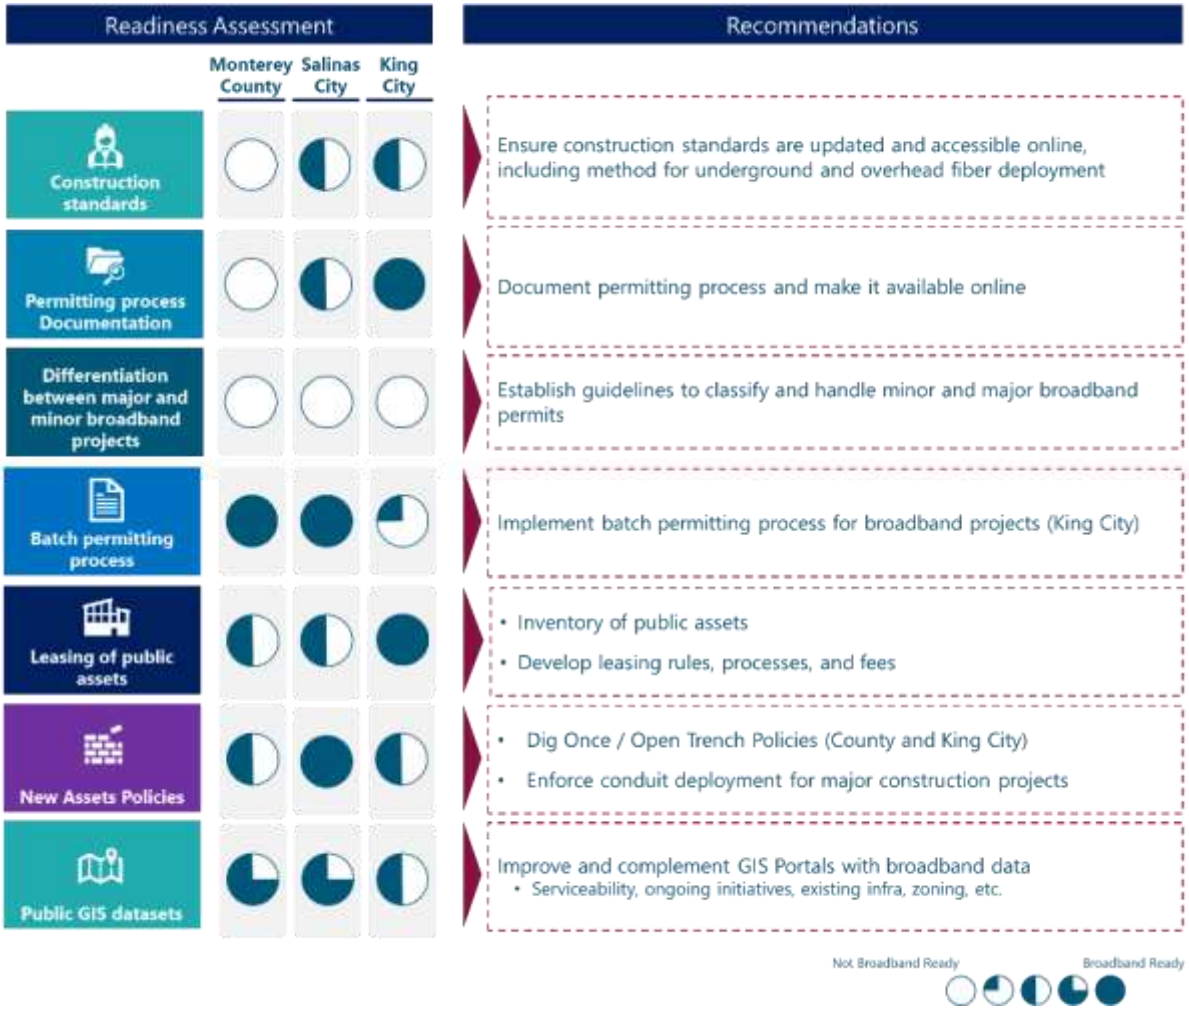

Figure 76. Broadband Policy Review Summary.

7 Action Plan

The findings and recommendations captured throughout the analysis presented herein are integrated into an action plan.

The action plan strives not only to address the connectivity gap in unserved and underserved areas but to improve and extend the existing broadband infrastructure and service offerings through extensive deployment of fiber, contributing to digital equity and preparing Monterey County to accrue economic and social broadband benefits in today's connected world.

The foundation of the Action Plan comprises the three strategic pillars displayed in Figure 77.

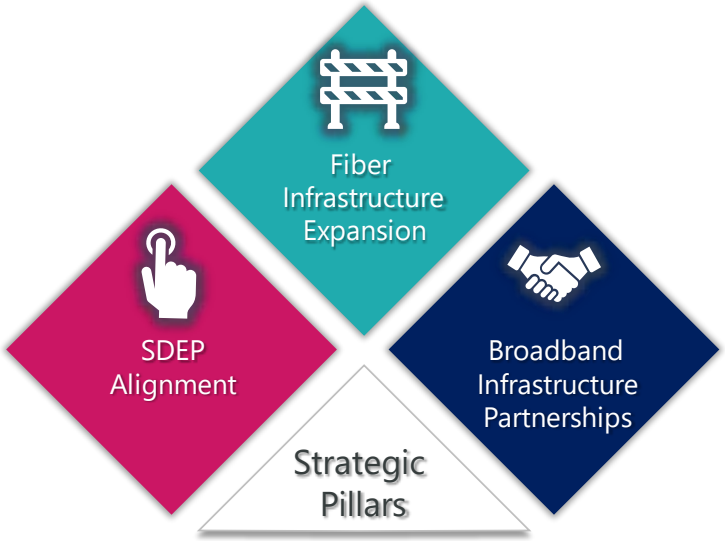

Figure 77. Strategic Pillars.

- **Fiber Infrastructure Expansion.** Extending fiber across the entire County is of paramount importance. Fiber is the backbone of modern connectivity, delivering not just speed, but also reliability, stability, and the capacity to support the growing demands of education, business, healthcare, and daily life.

  The fact that 77% of Monterey County locations lack access to 1G/500 Mbps service evidences the need to improve and extend the outside plant infrastructure in the County through extensive deployment of middle mile and last mile fiber infrastructure.

- **Broadband Infrastructure Partnerships**. The assessment of operating models and recommended scenarios for the target broadband opportunity zones points out that collaboration between private ISPs and public agencies is required. Private ISPs are under stress to compete in various markets and make profitable investments across the country. Areas that offer a positive business case and a broadband friendly environment will be prioritized.

  Conversely, municipalities lack the resources and staff to operate broadband networks, but they have the ability to improve the ISP business case through various inducements and to streamline broadband deployment through friendly policies. Therefore, building partnerships for the deployment of broadband infrastructure is a crucial element of the overall strategy and action plan.

- **Statewide Digital Equity Plan (SDEP) Alignment.** The SDEP being developed by CDT is the first step toward securing funding for the State from the NTIA Digital Equity Capacity Grant and Digital Equity Competitive Grant. The SDEP outlines the path to achieving digital equity for all Californians and it provides a clear roadmap for addressing the diverse needs of the communities and ensuring that equitable broadband access becomes a reality. Aligning County's strategy with the SDEP facilitates coordination with state-level initiatives and access to funding opportunities for local agencies.

Based on these strategic pillars, three workstreams have been defined to accomplish the goals and objectives of the Broadband Strategic Plan: 1) Broadband Infrastructure, 2) Broadband Policies, 3) Digital Inclusion. Figure 78 captures this workstreams and the main tasks that comprise the action plan.

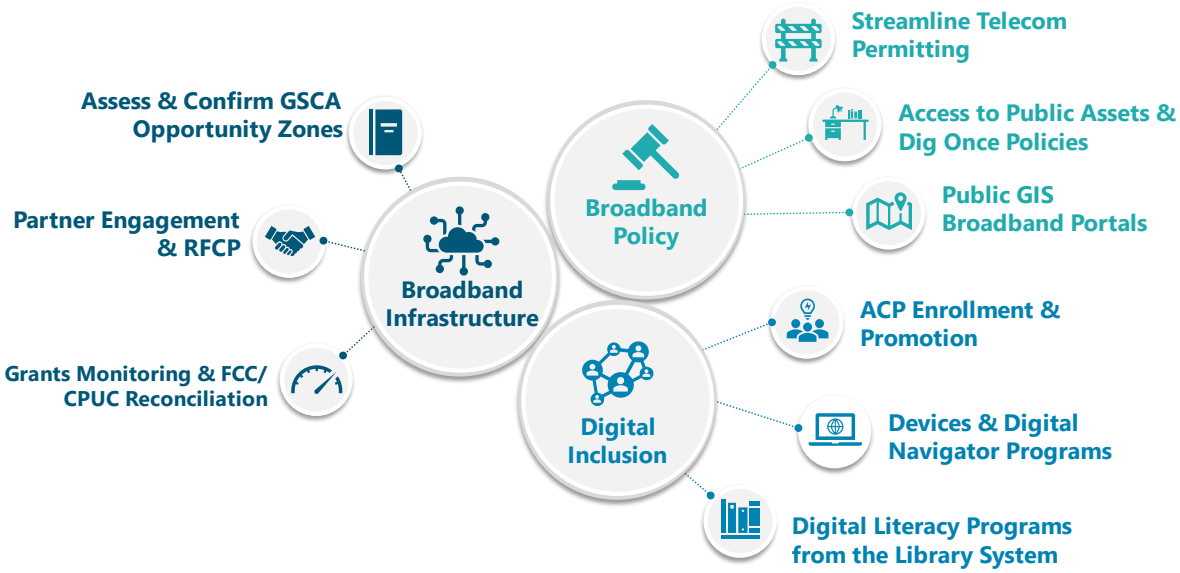

Figure 78. High Level Action Plan.

7.1 Broadband Infrastructure:

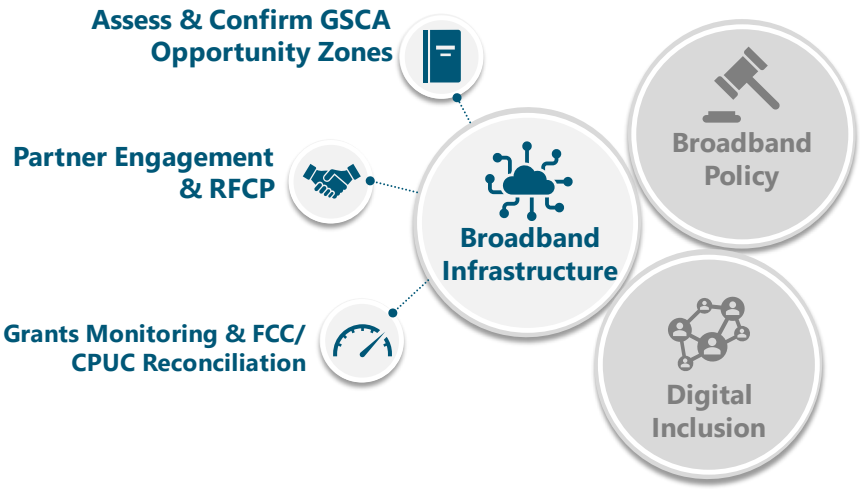

Figure 79. Broadband Infrastructure Workstream.

This workstream captures the activities related to the deployment of broadband infrastructure.

- **Assess & Confirm GSCA Opportunity Zones**: GSCA has already applied for FFA Grant funding in the SSVBA area. In addition, discussion, and confirmation of GSCA's plans for other opportunity zones under Phase 2 or long-term is important to make any course corrections for the opportunity zones that are left out.
- **Partner Engagement & Request for Concept Proposals (RFCP)**: Local jurisdictions must engage with the identified partners to review and discuss their points of view regarding the opportunity zones under the Private ISP standalone and PPP scenarios. Depending on the response from potential partners, an RFCP should be issued to trigger formal conversations and negotiations with interested stakeholders to deploy these opportunity zones.
- **Grant Monitoring & FCC/CPUC Reconciliation:** This includes regular monitoring of Broadband Infrastructure funding programs and the progress of those projects that have been funded in order to provide the required support to applicants within the County. It is also recommended to pursue challenge mechanisms at both the CPUC and FCC levels to ensure funding aligns with precise and accurate data and reduce the discrepancies between the two data sources.

7.2 Broadband Policies:

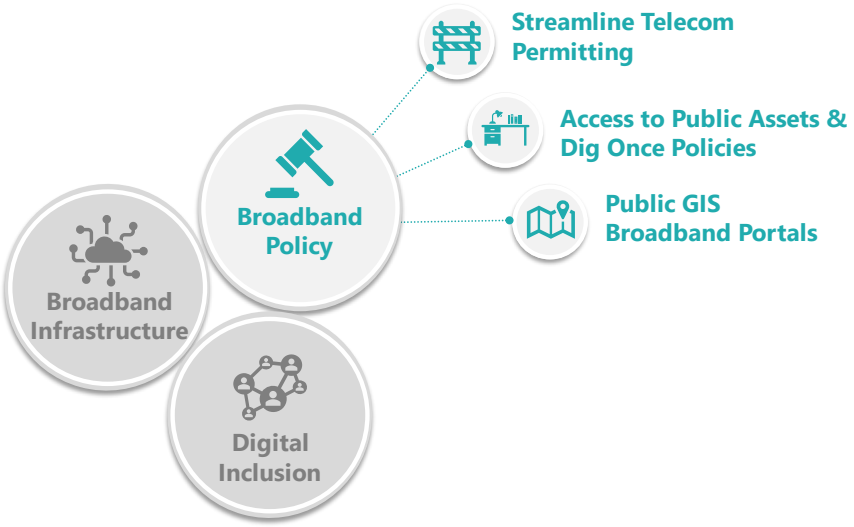

Figure 80. Action Plan -- Broadband Policies

Activities under this workstream are oriented toward creating a more broadband friendly environment that accelerates and attracts broadband infrastructure deployment projects. These activities are further described below:

- **Streamline Telecom Permitting:** The County should consider streamlining its permitting process for telecom projects by implementing the recommendations in Section 6.6. This includes simplifying application processes, expediting approval timelines and enabling batch permitting. A more efficient permitting system would encourage and facilitate the rapid deployment of broadband infrastructure while ensuring that all regulatory requirements are met.
- **Access to Public Assets & Dig Once Policies:** To promote cost-effective broadband deployment, local jurisdiction in the County should adopt policies that facilitate access to public assets and encourage "Dig Once" practices. By doing so, the County can minimize broadband buildout costs, reduce disruptions caused by frequent digging, and enhance overall efficiency in deploying broadband infrastructure. This approach also supports the coordinated placement of telecommunications conduits during public works projects, significantly reducing future deployment costs and disruptions.
- **Public GIS Broadband Portals:** Local jurisdictions should establish and/or update public GIS broadband portals. These portals should provide detailed data on broadband serviceability, ongoing initiatives, existing infrastructure, broadband opportunity zones, and other broadband-related data. Such publicly available resources enhance transparency and empower stakeholders, including local communities, businesses, and service providers, to make informed decisions about broadband planning and expansion.

7.3 Digital Inclusion

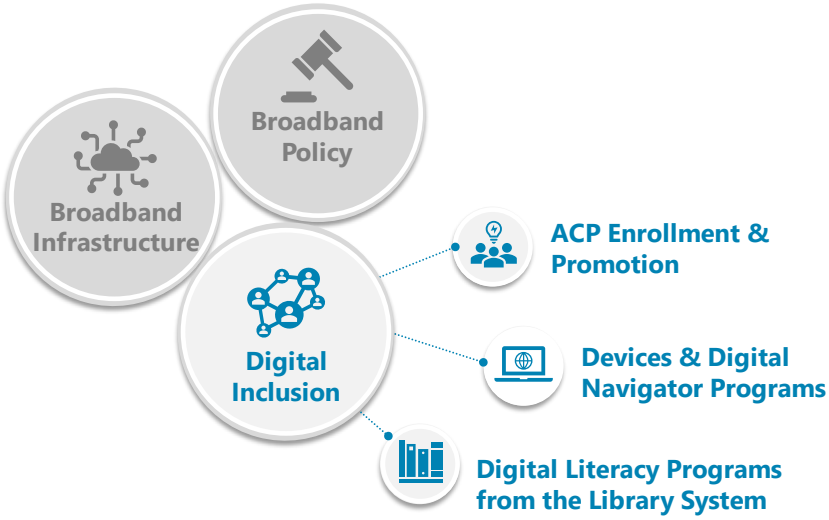

Figure 81. Action Plan -- Digital Inclusion

The plan for Digital Inclusion is centered around coordination and support of existing programs, prioritizing those that address devices and skills gaps. The most efficient and effective way to close the digital divide is through coalition building amongst public sector agencies, community-based organizations, education, and private sector stakeholders. The benefit of the coalition is the ability to fully identify and assess the gaps between available programs and those in the community who will benefit from affordable access programs, devices, and necessary training to achieve digital literacy and is in alignment with California's Broadband for All initiative.

- **ACP Enrollment & Promotion:** To foster digital inclusion, the County should intensify its efforts to promote enrollment in the ACP. The ACP serves as a vital resource for financially disadvantaged residents, providing them with affordable access to the internet. Collaborating with local partners and community organizations to create targeted awareness campaigns is crucial. These campaigns should not only inform eligible residents about the ACP but also emphasize its potential to improve their lives through affordable connectivity.
- **Devices & Digital Navigator Programs:** To address the digital divide, the County should consider implementing initiatives to provide computers and hotspots to underserved communities. In addition to distributing devices, organizing computer literacy workshops and digital navigator programs can empower residents to effectively use digital tools and the internet. Collaborating with trusted partners, such as Loaves Fishes and Computers and Monterey County's Alliance on Aging, can help in reaching out to senior citizens and other vulnerable populations who may benefit from these resources. An excellent example of this type of partnership was the 2023 agreement between Hartnell College and Loaves Fishes and Computers that focused on providing basic digital literacy skills, career exploration and digital safety tools and resources. This approach is crucial in ensuring that all residents have access to essential devices and the knowledge needed to navigate the digital landscape effectively.
- **Digital Literacy Programs from Library System:** Recognizing the critical role that libraries play in promoting digital literacy, the County should allocate additional resources to enhance the library network's capacity for providing digital literacy training. This includes expanding the library staff to accommodate the growing demand for digital literacy programs. Moreover, it's essential to

ensure that these programs are accessible to all residents, including those with diverse language needs. Developing multilingual resources and offering a variety of digital literacy workshops can make these programs more inclusive and tailored to the community's diverse needs.

Appendix A – Broadband Technical Briefing

Broadband Concept and Architecture

Broadband refers to telecommunications technologies that provide high-speed internet connections to end users including households, businesses, and anchor institutions.

Broadband connectivity provides users with access to advanced digital services such as telehealth, e-learning, remote working, videoconferencing, interactive gaming, and pervasive video monitoring. The FCC has defined the minimum download speeds required for adequate performance of typical online activities, which are displayed in Table 26.

Table 26. FCC's Broadband Speed Guide

Activity	Minimum download speeds (Mbps)
General Browsing and Email	1
Voice over Internet Protocol (VoIP) Calls	Less than 0.5
E-learning	5 - 25
Telecommuting	5 - 25
File Downloading	10
Social Media	1
Streaming High Definition (HD) Video	5 - 8
Streaming Ultra HD 4K Video	25
Standard Personal Video Call (e.g., Skype)	1
HD Personal Video Call (e.g., Skype)	1.5
HD Video Teleconferencing	6

It is noteworthy that the available connection bandwidth for a broadband connection is distributed among all services that are simultaneously being utilized. Therefore, a broadband connection must have sufficient bandwidth to accommodate a range of services at the same time.

ISPs are the companies that provide broadband connectivity to the global Internet network. To acquire the services of an ISP, a physical link must be established between the customer premise and the ISP's Point-of-Presence (PoP).

The broadband network is subdivided into distinct segments, each of which manages a larger number of connections and data volumes. These segments are referred to as the "last mile/access network", "middle mile", and "backbone" or "first mile". Figure 82 displays these network segments.

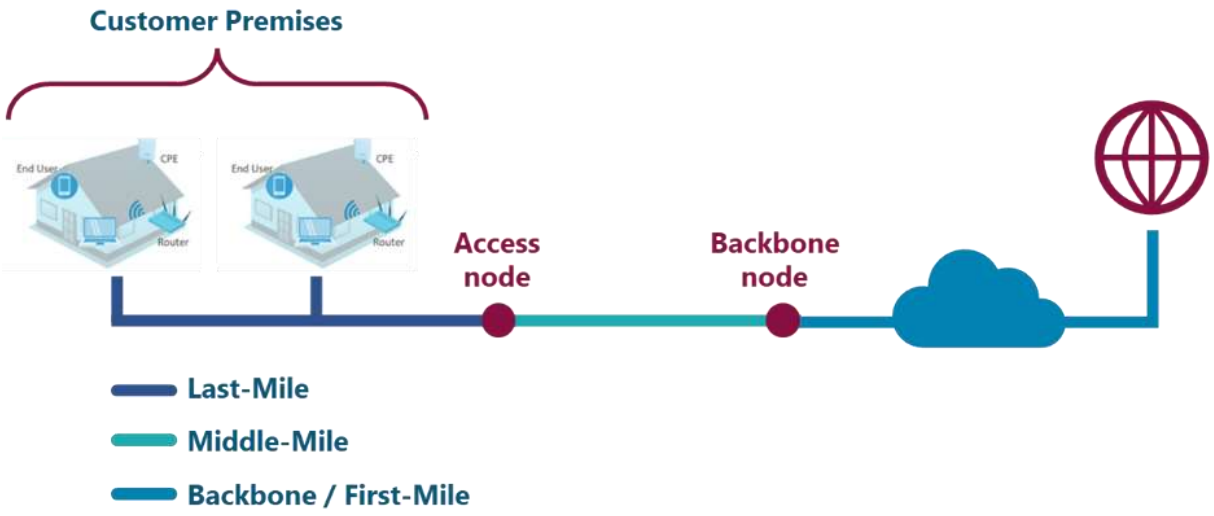

Figure 82. High-level broadband network architecture.

Customer Premises

A "customer premise" refers to a specific location where users access and utilize the internet. This may include residential homes, businesses, enterprises, or community anchor institutions. Premises are also referred to as "broadband serviceable locations".

The internet connection provided by the ISP is terminated at a device known as the Customer Premises Equipment (CPE). The CPE facilitates local connections for users to access the internet, usually with a network cable or Wi-Fi connection.

Last Mile

The last mile segment of the network is situated in closest proximity to the customer and is responsible for establishing connections between individual customer premises and an access node. Each access node consolidates connections from numerous customer premises.

In comparison to other segments of the network, the last mile segment offers the lowest bandwidth. Nonetheless, it has sufficient capacity to accommodate the bandwidth requirements of a specific number of customers. The cost of the last mile segment can be quite significant and is subject to variations based on the density of households in the area.

The selection of a particular technology for the implementation of the last mile segment will depend on several factors, including bandwidth requirements, economic considerations, and geodemographic conditions. Some of the currently available technologies for implementation of this segment include:

- Digital Subscriber Line (DSL)
- Data Over Cable Service Interface Specifications (DOCSIS)
- Fiber-to-the-Home (FTTH)
- Fixed Wireless Access (FWA)
- Satellite

Middle Mile

The Middle Mile segment of the network encompasses the connections established between each access node and an aggregation node. The primary function of each aggregation node is to group the connections of multiple neighborhoods or small towns. It serves as an intermediate layer between the last mile segment which connects customer premises to access nodes and the backbone segment which carries traffic between aggregation nodes and the internet.

Typically, fiber optic technology is used to implement the middle mile segment due to its high bandwidth capacity. However, there are cases where deploying fiber infrastructure is not a viable option and wireless microwave links may be utilized as a more cost-effective alternative. For example, this may be the case when an access node is in a remote area or when the cost of fiber construction is prohibitively expensive due to the nature of the terrain.

Backbone

The backbone segment refers to a high-capacity network that provides interconnections between various ISP's PoPs and to local and remote data centers. The primary function of the backbone is to aggregate traffic from several large geographic regions, such as medium to large cities or major towns. As a result, the backbone links require a much higher bandwidth capacity than middle mile links since they transport a massive amount of data.

Given the bandwidth requirements of the backbone segment, it can only be effectively implemented using fiber optic technology, which provides the necessary high-speed data transmission capacity. The backbone segment plays a crucial role in the broadband infrastructure as it enables efficient transport of data over long distances, facilitating the interconnection between global internet networks.

Broadband Technologies

Although fiber optic technologies are widely used in the middle mile and backbone segments of broadband networks, a variety of broadband technologies are available for implementation in the last mile / access network segment. Thus, it is crucial to evaluate each technology and its characteristics, such as reliability, cost, reach, and bandwidth. The following section describes the most relevant technologies.

Digital Subscriber Line

DSL technology provides broadband services over existing telephone copper lines. A DSL modem serves as the CPE and the access node is implemented through a DSL Access Multiplexer (DSLAM) which is typically located at the local telephony exchange building.

DSL speeds are dependent on the distance between the customer location and the access node, with speeds ranging from a few hundred Mbps at distances less than 300 feet to 20-30 Mbps at distances greater than 0.5 miles. Longer distances, beyond several miles, may impede the use of this technology in the last mile section of the network.

Broadband networks that use existing copper wires usually require low investment as they reuse existing infrastructure. However, these infrastructures are old and prone to failure, especially in long cable runs.

Figure 83 below depicts the high-level architecture for DSL technology.

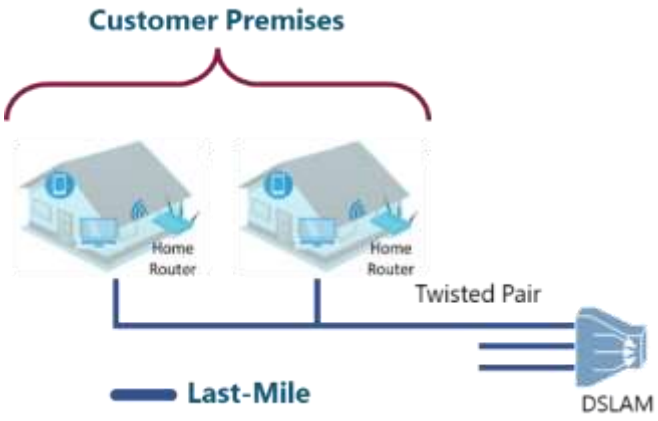

Figure 83. DSL high-level architecture

Data Over Cable Service Interface Specifications

DOCSIS technology allows cable providers to offer high-speed internet service to their customers over their existing coaxial cable infrastructure, which was originally designed for delivering cable TV signals. With DOCSIS, cable providers can leverage the existing network infrastructure to deliver internet speeds that can rival those of traditional DSL or some fiber-optic connections.

In the DOCSIS architecture the CPE is referred to as cable modem, and the access node as the Cable Modem Termination System (CMTS).

As in the case of twisted pairs, coaxial cables have a low cost and deployment effort since most of the cabling infrastructure is already in place and minimum upgrades (like user equipment and intermediate amplifiers) are required.

DOCSIS enables data speeds up to 1 Gbps and more with a maximum distance of 5 miles and good cable conditions. With this technology, the coaxial cable is shared with various subscribers, and so is the bandwidth, which is distributed between the subscribers making simultaneous use of the network. Figure 84 shows the associated architecture.

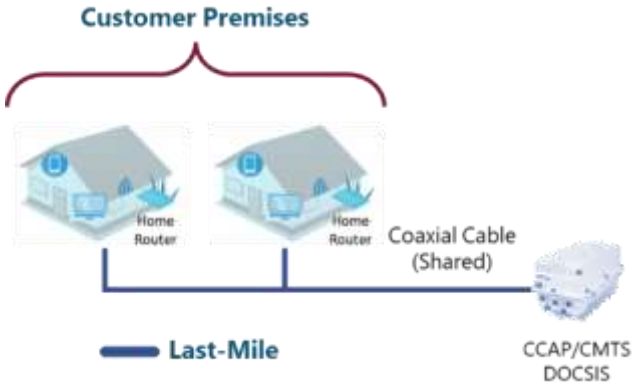

Figure 84. DOCSIS high-level architecture

Fiber-to-the Home

FTTH is a type of access network that employs fiber optic cables to connect many individual subscribers to the access node. Typically, FTTH is implemented through a PON where the fiber cable emerging from the access node is "split" to reach multiple subscribers who will share the available bandwidth. The CPE in this architecture is referred to as an Optical Network Terminal (ONT), while the access node is known as an OLT.

Fiber optic cables are very thin cables (the size of a human hair) made of glass that transport data in the form of light pulses, which are immune to electric or magnetic interference. Fiber optic systems enable bandwidths from hundreds of Mbps to hundreds or even thousands of Gbps and transmission over long distances. Importantly, distance and speed will depend on the transmission technology being used, that can be upgraded without modifying the fiber infrastructure. Thus, fiber installed today can achieve higher bandwidths by upgrading the equipment, ensuring a future-proof network.

One popular FTTH standards is XGS-PON. XGS-PON is a 10-Gigabit-capable symmetric optical network that can deliver downstream and upstream line rates of 9.95328 Gbit/s per OLT optical port, shared by up to 64, 128, or 256 subscribers through fiber “splits”. Additionally, an XGS-PON network supports a physical distance of up to 12.4 miles between OLT at the access node and ONTs at customer locations.

The costs associated with fiber networks are typically the highest when they require the construction of new infrastructure. Although the initial cost might seem high, the deployment of fiber provides robust future-proof networks with high reliability and extremely high bandwidth.

Deployments of FTTH can achieve symmetrical connections at the customer premises of up to 1000 Mbps downlink and 1000 Mbps uplink. Moreover, FTTH can be deployed by leveraging existing civil infrastructures such as electric poles and utility holes, which significantly reduces the capital expenditure (CAPEX).

The high-level architecture of a FTTH access network is presented in Figure 85 below.

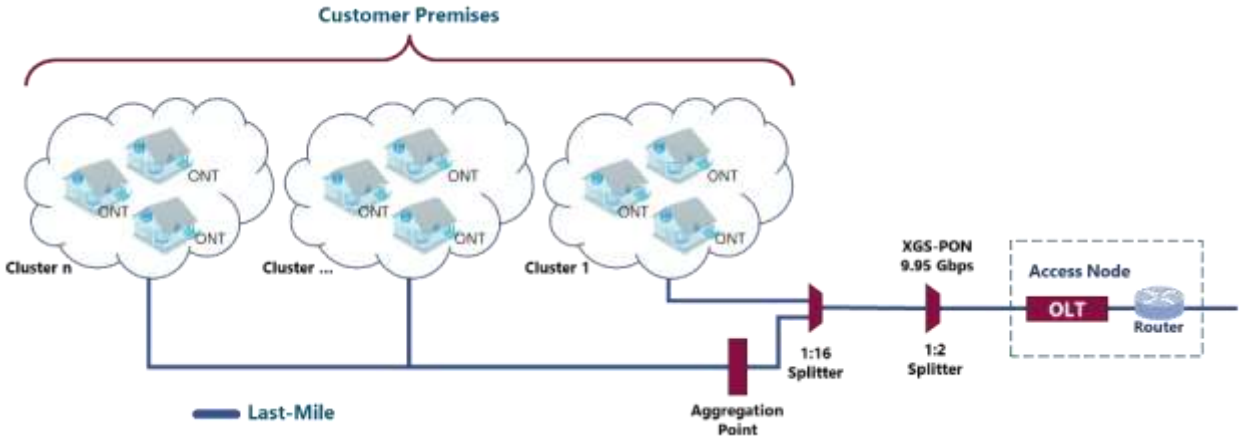

Figure 85. FTTH high-level architecture

Fixed Wireless Access

FWA technology distributes broadband services to customer premises via wireless signals. Various techniques can be utilized to implement FWA, including Time-Division Multiple Access (TDMA), and more recently, 4G and 5G technologies. FWA services are typically provided by ISP or Mobile Network Operators (MNOs).

More recently, the FCC has reallocated the use of 3.5GHz spectrum known as CBRS spectrum for use by private and public entities under various licensing regimes. This is an increasingly viable solution for rural communities.

In FWA, wireless signals are transmitted from antennas positioned atop high towers or buildings and received using CPEs located outside the customer's building.

The bandwidth capacity of FWA depends on the wireless technology being used. For instance, 4G technology can meet 25 Mbps/3 Mbps per subscriber, while 5G technology can provide services of 100 Mbps/20 Mbps or higher. Wireless propagation can be affected by weather conditions, which can interfere or attenuate the signal.

FWA is commonly considered a suitable alternative to FTTH when fiber deployment is too costly or when there are geographic constraints such as challenging terrain.

Figure 86 illustrates the high-level architecture for FWA technology.

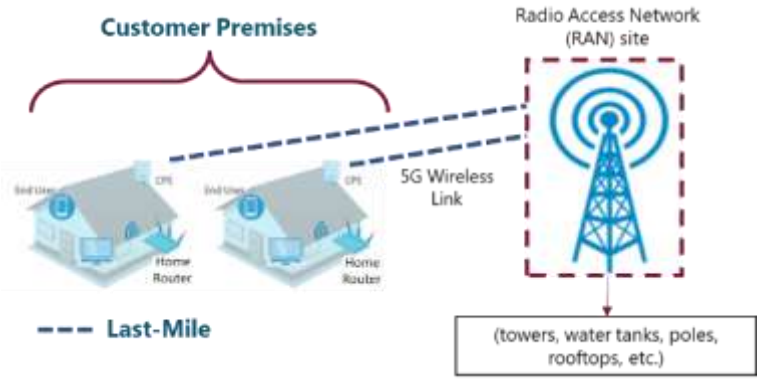

Figure 86. FWA high-level architecture

Satellite

Satellite broadband is an alternative wireless technology that enables high-speed bi-directional internet connections through communications satellites. The quality, speed, and cost of satellite connections vary depending on the type of satellites and their orbits. Low Earth Orbit (LEO) satellites, situated between 200 and 2,000 kilometers above the earth, provide high speeds at reasonable costs by using a constellation of satellites which is constantly changing in the sky. Geostationary satellites in contrast are positioned at altitudes of about 36,000 km which allows them to maintain the same position with respect to the Earth surface.

In satellite broadband, the CPE consists of a Very Small Aperture Terminal (VSAT) equipped with a flat (LEO) or parabolic (geostationary) antenna to establish a connection with the satellite, and a home router. The satellite relays the connection to the satellite hub, which links directly to a backbone node or ISP PoP.

Satellite links are sensitive to weather conditions, as it can affect the signal attenuation between the VSAT terminal and the satellites. This is especially important in the case of geostationary satellites due to the much longer link length.

Satellite systems are typically used in remote areas where neither fiber nor microwave links are viable, such as ranches, farms, or isolated homes. Costs associated with satellite services can be high, and the typical speeds offered are in the range of 25/3 Mbps for typical LEO systems.

The high-level network architecture for Satellite technology is captured in Figure 87.

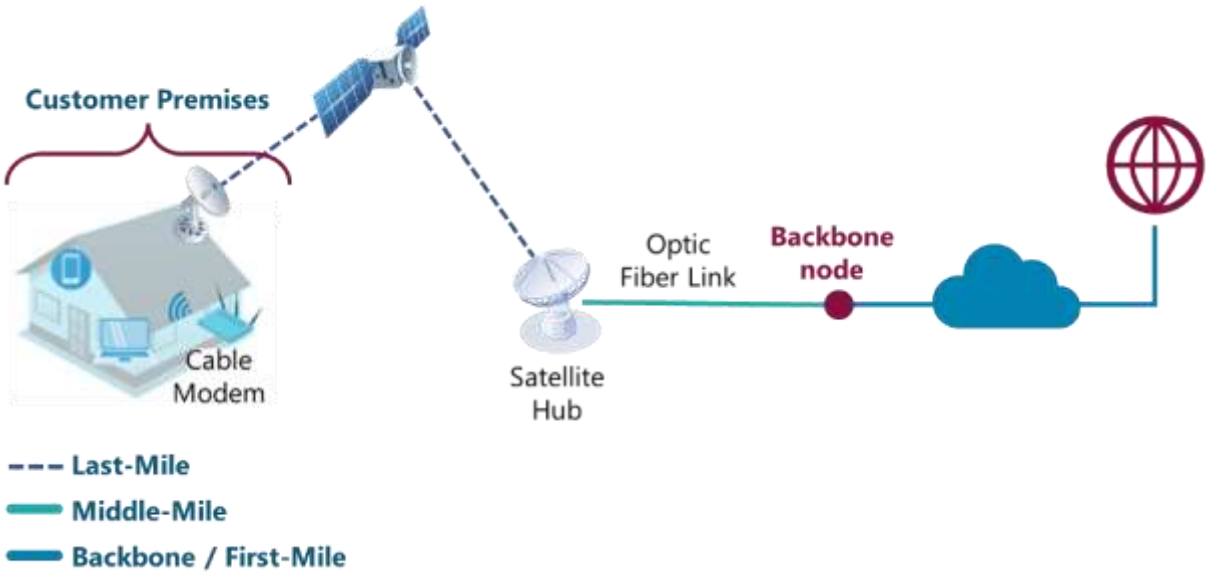

Figure 87. Satellite system high-level architecture

As a summary, Table 27 provides a comparison of the last-mile technologies described in this section.

Table 27. Last-Mile technology comparison

Last Mile Technology	Cost	Speeds	Reliability	Deployment Complexity
DSL	Low	• Low speeds • Decreases with the length of the copper line	High	Low
DOCSIS	Low	• Medium to high speeds • Decreases with the number simultaneous users	High	Low
FTTH	High	• Extremely high speeds/bandwidth • Easily upgraded to achieve faster speeds	High	High
FWA	Medium-high	• High speeds. • Signal strength decreases with distance, reducing data speed	High	Medium
Satellite	High (operating cost)	• Medium speeds • Regular user experience due to high signal delay	Low to medium	Low (considering satellites are in place)

Appendix B – Broadband Demand Analysis

The current and forecasted bandwidth demand by market segment has been characterized through a broadband demand analysis. The market segments included in the analysis are residential, business, and anchor institutions and local government.

The analysis starts by estimating demand on a per-subscriber basis. Then, based on penetration forecasts, the aggregated bandwidth requirements for the cities of Carmel, Del Rey Oaks, Gonzales, Greenfield, King City, Marina, Monterey, Pacific Grove, Salinas Sand City, Seaside, Soledad, the unincorporated areas, and the overall County are obtained with a five-year view.

Per Subscriber Demand Characterization

Residential users

The bandwidth required by residential users is directly proportional to the number of inhabitants (household size) and internet devices per household. The calculation of the required bandwidth assumes the worst scenario. That is, every person and every device are online at the same time.

Each household member is assumed to require a bandwidth of 25 Mbps. This accounts for the activities that have the highest bandwidth demand and, in general, are executed one at a time for each user. These activities are remote working, e-learning, and high-definition video steaming. All of them require 25 Mbps of bandwidth according to the FCC[29].

In addition to the bandwidth required by each household member, *Table 28* displays the typical bandwidth requirements by device category, and the average number of devices per household. The average number and type of devices for each household is estimated based on the results from the Needs Assessment Survey.

Table 28. Internet device categories and bandwidth requirements

Device Category	Bandwidth per Category (Mbps)	# Devices per Category
Smart/Streaming TV	25	1
Gaming console	10	0.3
Smartphones	10	1 per household inhabitant
Medical Device	10	0.096
Security system, doorbell, cameras	10	0.46

[29] Broadband Speed Guide

Table 29 displays the average household size for Monterey cities and unincorporated areas and their corresponding residential bandwidth.

Table 29. Monterey areas average household size and required residential bandwidth.

County Areas	Average Household Size*	Residential Bandwidth (Mbps)
Carmel-by-the-Sea	2.00	103.60
Del Rey Oaks	3.00	138.60
Gonzales	3.76	165.20
Greenfield	4.58	193.90
King City	4.15	178.85
Marina	2.72	128.80
Monterey	2.14	108.50
Pacific Grove	2.21	110.95
Salinas	3.76	165.20
Sand City	1.98	102.90
Seaside	3.05	140.35
Soledad	4.53	192.15
Unincorporated Areas	3.04	140.00

A key takeaway from this analysis is that residential broadband service offerings at Monterey must be at least 200 Mbps (downlink) to guarantee acceptable internet performance at home.

Business Users

The required bandwidth for business can be estimated based on the number of employees. Average bandwidth requirements for various business sizes are listed in Table 30

Table 30. Business Size categories and bandwidth requirements.

Business Size Category (# of employees)	Bandwidth per Category (Mbps)
1 – 9	100
10 – 49	300
50 – 99	1000 (1 Gbps)
> 100	10,000 (10 Gbps)

These ranges are used as the base of the aggregated demand analysis for the business segment.

Anchor Institutions and Government Facilities

Finally, all anchor institutions are assumed to require 1 Gbps bandwidth.

Monterey County Aggregated Demand

The aggregated bandwidth for the next five years is forecasted for each segment.

Residential Segment

For the residential segment, forecasting is based on the expected broadband adoption rate (the percentage of potential residential customers / households that will subscribe to a broadband service). According to the California Broadband for All Action Plan[30], the maximum adoption rate in California is 97% and it corresponds to households with an income higher than $100,000 a year. For this analysis, it is assumed that the County will be able to achieve this adoption rate in Year 5. Therefore, penetration values for Year 1-4 are interpolated based on current adoption rate and the expected penetration in Year 5.

Subscriber forecast is then obtained by multiplying the number of households by the adoption rate, resulting in the numbers presented in Table 31.

Table 31. Monterey Residential Subscriber 5-year forecast.

Aggregated residential demand is then obtained as the product of the residential subscriber bandwidth (Table 29) and the number of subscribers for each year (Table 31). Table 32 presents the results.

Business Segment

In the case of business users, fixed broadband adoption is assumed to be 99% starting on Year 1. However, a constant annual bandwidth growth of 23% is assumed for the 5-year forecast. Table 33 shows the number of businesses in each Monterey City and unincorporated areas[31] and their required bandwidth on Year 1 based on previous assumptions. Table 34 summarizes the aggregated demand for the business segment by applying the 23% growth factor and an oversubscription factor of 5.

Figure depicts the contribution of each market segment to the overall Monterey aggregated demand.

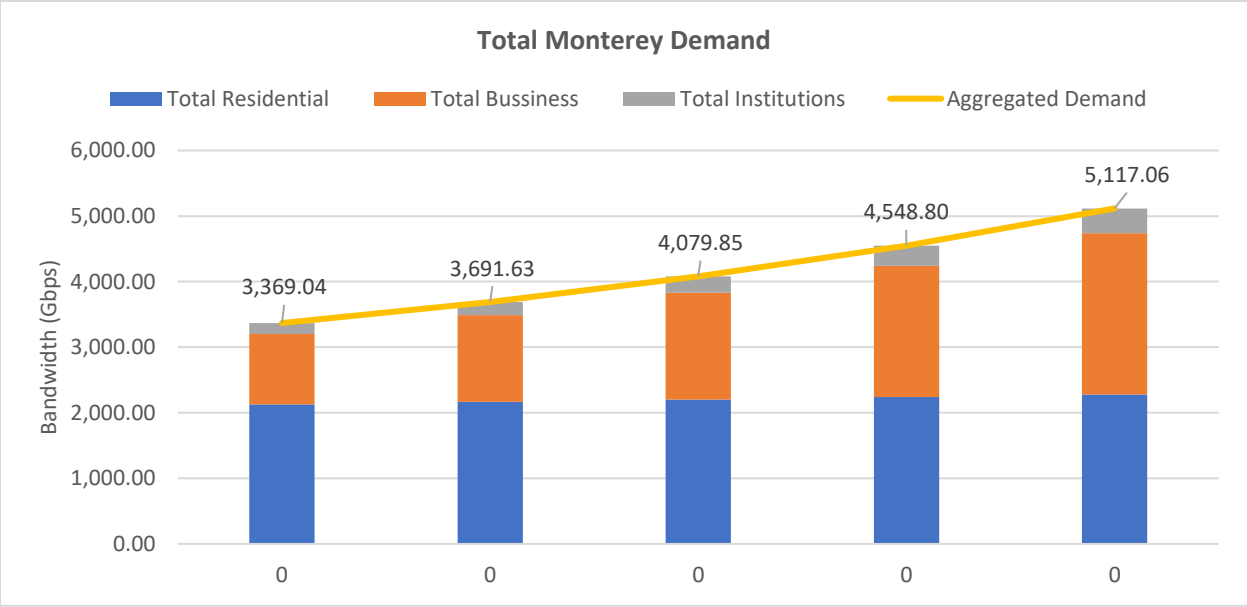

Figure 88. Monterey Aggregated Demand by Segment.

The following conclusions and takeaways can be obtained as a result of the Broadband Demand Analysis:

- The residential service offering in Monterey County should be at least 200 Mbps (downlink) in all cities and unincorporated areas.
- Middle mile networks in the County should offer an aggregated capacity of 6 Gbps, allowing adequate bandwidth for the cities: 1.2 Tbps for Marina and Salinas, 750 Gbps for the coastal cities of Monterey, Pacific Grove, Sand City, Seaside, Carmel by the Sea, and Del Rey Oaks, 230 Gbps for Gonzales, Greenfield, and Soledad, 1.2 Tbps for King City, and 1.1 Tbps for the unincorporated areas of the County.

Aggregated Monterey Demand will scale beyond 5.1 Tbps in a 5-year period. However, this capacity will be distributed among various ISPs.

Appendix C – Opportunity Zones Summary

Fiber Opportunity Zones

Pacific Grove [Cluster ID: A]

Indicators of Need

	Total Locations	Unserved / Underserved
FCC:	6,757	44
CPUC:	6,501	146

Fiber Availability [%]	Location Density [locations/sq mile]
57%	1,331

Grant Eligibility
CASF | BEAD

Target Area

Existing Broadband Infrastructure & Ongoing Initiatives

Existing Infrastructure	NA
On-going Initiatives	NA
Distance to CMMBI [miles]	0.0

Recommended Solution & Financial Metrics

Operating Model	GSCA
Primary Partner	GSCA
Alternative Partner	AT&T
Grant(s)	CASF
Timeframe	Phase 2

Total CAPEX	$	16,970,479.80
Grant Amount	$	5,086,800.00
Year-10 Revenue	$	1,029,684.00
NPV	$	-8,097,305.39

KEY SUCESS FACTORS

To ensure a positive business case is dependent on securing grant funding of at least $8 million
The feasibility of broadband expansion relies on the successful implementation and expansion of the California Middle Mile network.

West Monterey [Cluster ID: B]

Indicators of Need

	Total Locations	Unserved / Underserved
FCC:	3,449	12
CPUC:	3,438	111

Year-10 Revenue	$	1,867,680.00
NPV	$	-12,761,224.83

KEY SUCESS FACTORS

The proposed model assumes the expansion of the existing AT&T or Comcast network, which could reduce capital expenditure (Capex).
Consider FFA grants as inducements for the unserved and potential permit streamlining.

Charter Oak Blvd [Cluster ID: D]

Indicators of Need

	Total Locations	Unserved / Underserved
FCC:	922	0

Grant Amount	$	-
Year-10 Revenue	$	213,900.00
NPV	$	-3,069,992.60

KEY SUCESS FACTORS

Successful inclusion of the Opportunity Zone within the Cruzio CASF Application.
Collaborate closely with Cruzio to understand the exact expansion requirements and potential investment commitments.
Work with local regulatory authorities to streamline the permitting process.
Evaluate the practicality and benefits of micro-trenching for the expansion in this area.

Castroville [Cluster ID: E]

Indicators of Need

Appendix D – Smart Community Applications

Smart community applications are implemented through Internet of Things (IoT) devices and technologies which leverage broadband infrastructure and services to transmit and process data, enabling remote control through computing platforms. Smart Community applications aim to enhance quality of life and well-being of residents and visitors, improving public services, such as security, education, transportation, energy, and environmental management.

The scope of work of the Broadband Strategic Plan as defined in GSFA's RFP includes the analysis of potential Smart Community applications. These applications are required to maximize the benefits of expanded broadband access from a public sector point of view.

This section seeks to identify relevant Smart Community applications that can be expanded or implemented by local jurisdictions within the County, providing an overview of the technical architecture, ongoing implementation, infrastructure requirements and implementation requirements.

There is a wide variety of Smart Community applications currently in the market and in order to understand those that would be more impactful and viable, inputs from local jurisdictions and residents were obtained through the Data Collection process and the Needs Assessment Survey with respect to the applications listed in Figure 89.

Figure 89. Smart Community applications summary.

Outcomes of the Data Collection from County and City staff point to the following applications as the most relevant based on status of current implementations or level of interest reported:

- **Public Wi-Fi:** The County is actively collaborating with broadband providers, county libraries, and local government to prioritize the development and expansion of digital and Wi-Fi hotspots.

- **Smart Public Transportation:** Monterey-Salinas Transit (MST) is introducing a groundbreaking contactless payment system on its buses.
- **EV Charging Stations:** There is an ongoing project to install EV charging stations at various County facilities.
- **Smart Surveillance:** The County is planning to Install new security camera system in the interior and exterior of the Monterey County Youth Center.

In the case of the Needs Assessment Survey, respondents were asked to establish the level of importance of each application. The applications with the highest percentage of respondents that consider them "very important" are listed in Table 39.

Table 39. Survey respondents' perception of Smart Community applications.

Smart Community Application	% of respondents that find the application as very important
Public Wi-Fi	71%
Emergency Alert Enhancement	67%
Zero Emissions Vehicle Charging Stations	45%
Smart surveillance	41%
Smart Public Transportation	38%

Considering the inputs above, the main applications that the County should consider for implementation (or expansion) are Public Wi-Fi, Smart Public Transportation, EV Charging Stations and Smart Surveillance. These applications are further analyzed in the following sections.

Public Wi-Fi

The Public Wi-Fi application provides free Wi-Fi access in public areas, allowing people free internet access. The application is composed by Wi-Fi access points distributed across the service area and connected to the City Network as shown in Figure 90. Locations where Public Wi-Fi can be deployed are open public venues (e.g., parks), libraries, schools, and shopping malls. Each location where Public Wi-Fi is to be deployed should provide up to 2.5 Gbps bandwidth to each access point to support 280 simultaneous connected devices.

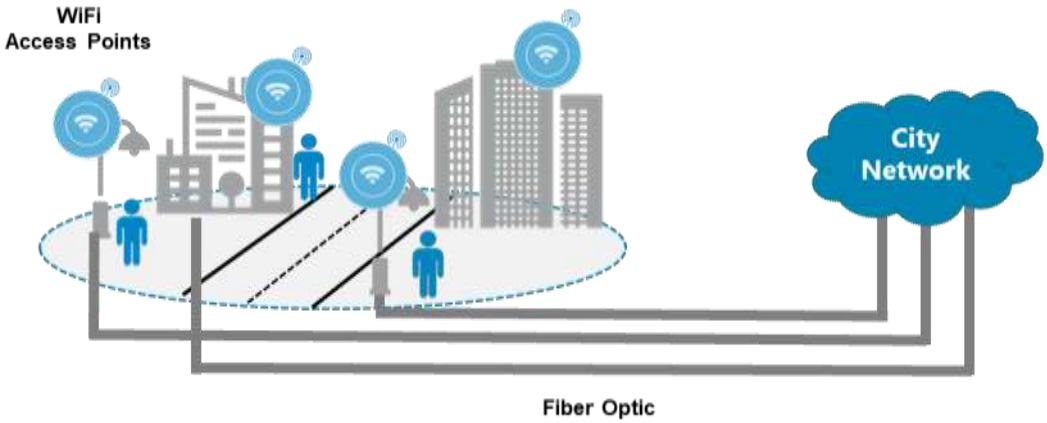

Figure 90. High-level architecture of the Public Wi-Fi application

The identification and preparation of assets and infrastructure (e.g., lampposts) for the installation of access points is a key step prior to the implementation of the Public Wi-Fi application. The city /

municipality should also define an operating model such as a partnership with mobile operators for the Wi-Fi network. Finally, the implementation of security protocols is also key for user and city protection.

Smart Public Transportation

Smart Public Transportation refers to a set of applications aimed at enhancing and optimizing public transportation services. This technology leverages various data sources, including sensors, Global Positioning System (GPS), and real-time data, to improve the efficiency, safety, and accessibility of public transportation networks. It encompasses features such as real-time tracking of vehicles, predictive maintenance for transit fleets, dynamic routing for buses and trains, and the integration of electronic payment systems, making commuting more convenient for passengers and improving the overall quality of public transportation services.

The high-level architecture for this application is shown in Figure 91. Key elements from the architecture are GPS tracking devices, sensor systems, passenger information systems, and electronic payment solutions which are located in buses, public transportation hubs, and bus stops to guarantee its optimum operation.

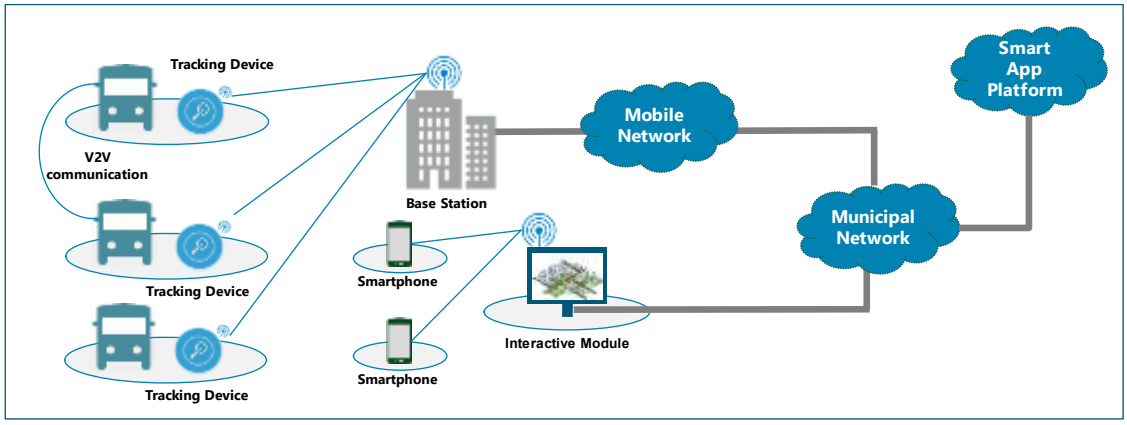

Figure 91. High-level architecture of the Smart Public Transportation application.

Additionally, Smart Public Transportation solutions often include applications for emergency alerts and crisis management to ensure the safety and well-being of commuters in various situations. Overall, Smart Public Transportation seeks to create a seamless and intelligent public transit experience that benefits both passengers and transportation authorities.

For instance, Monterey-Salinas Transit (MST) leveraging broadband connectivity has enabled the implementation of innovative solutions to enhance public transportation services. MST is revolutionizing its bus services by implementing a contactless payment system, demonstrating the County's dedication to enhancing the convenience and accessibility of public transportation. This forward-looking application qualifies for potential consideration under the SMART Grant program administered by the US Department of Transportation.

Zero Emissions Vehicle (ZEV) Charging Infrastructure

A ZEV Charging Infrastructure comprises 1) a mobile application that helps users to find, access, and use zero-emission vehicle (ZEV) charging stations and 2) ZEV charging stations to charge the battery of electric or hybrid vehicles. The charging stations can be installed together with Smart Grid systems. The high-level architecture for this application is shown in Figure 92.

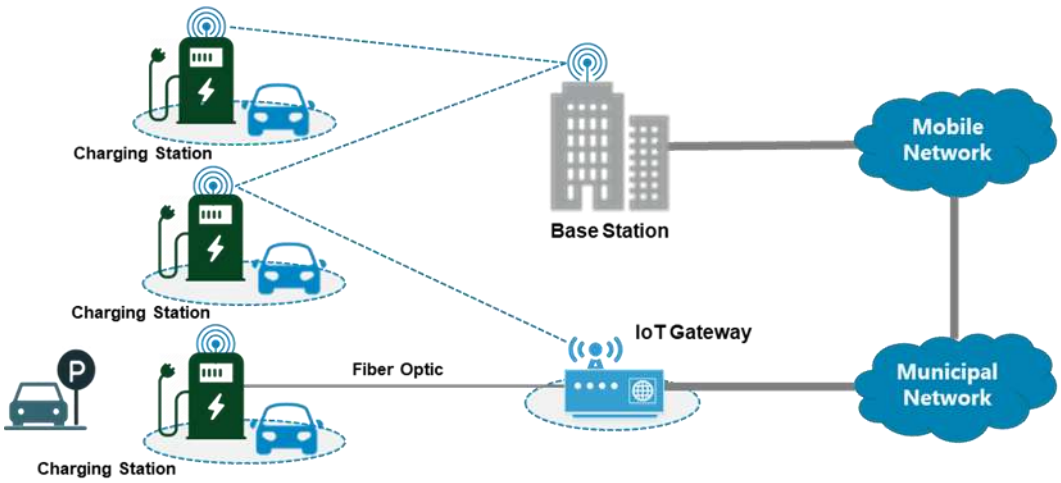

Figure 92. High-level architecture of the ZEV Charging Infrastructure

By using ZEV Charging Infrastructure, users can enjoy affordability, and reliability when charging their ZEVs. It also boosts their confidence in buying ZEVs, which helps the environment by cutting down greenhouse gas emissions and air pollution from transportation.

Importantly, this application can be considered for a Strengthening Mobility and Revolutionizing Transportation (SMART) Grant from the US Department of Transportation.

Smart Surveillance

This smart application is focused on monitoring public areas through automatic video analysis. Smart surveillance systems can perform various tasks, such as detecting and tracking objects, recognizing faces and gestures, identifying actions and behaviors to alert authorities when something unusual or suspicious happens. Smart surveillance helps authorities to react faster to potential threats and reduce the emergency response time. In fact, 24/7 surveillance video monitoring has been proven to reduce criminality.

Smart surveillance can be implemented on public roads and streets and public places like parks, libraries, and government buildings. Its implementation requires installing cameras at adequate observation points, locations for edge infrastructure, and a dedicated monitoring center. The high-level architecture of this application is shown in Figure 93.

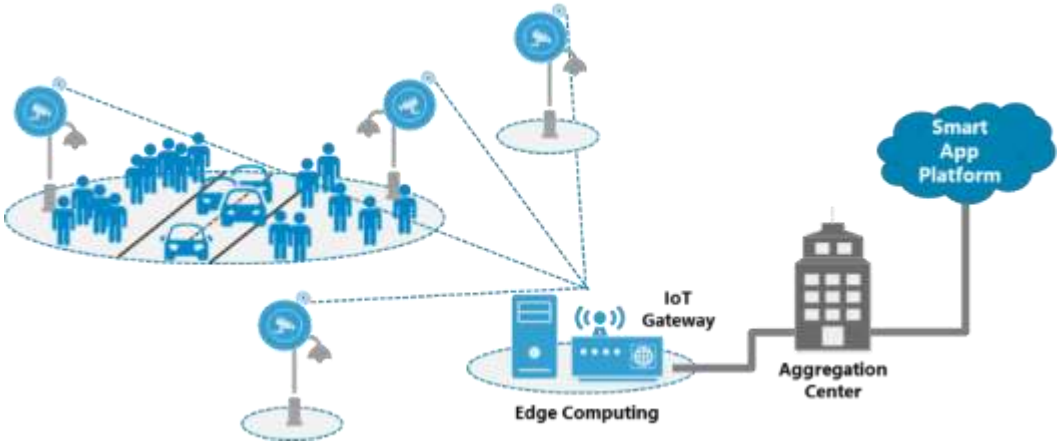

Figure 93. High-level architecture of Smart Surveillance

As mentioned in Section 1.3, Smart Surveillance could reduce 30% to 40% [33]criminal incidents such as assault, robbery, burglary and auto theft. Also, the Emergency Service Response Times could be reduced by 20% to 35%.[34]

GOLDEN STATE CONNECT AUTHORITY OBJECTIVE

- Proposes to own & operate fiber infrastructure.
- Fiber infrastructure is provider agnostic.
- GSCA's operational partner is UTOPIA Fiber.
- FFA application guidelines prioritize fiber projects.
- Projects will be construction ready (formal plans & list of permits/easements provided).
- Project planning & technical documentation funded by Local Area Technical Assistance (LATA) grant awarded to county and five south county cities in 2022.

BROADBAND PROJECTS & GSCA FFA APPLICATION AREAS

CITY OF SALINAS BROADBAND PLANNING

- Underline is the provider contracted to expand broadband services in Salinas.
- City received LATA grant for broadband expansion planning.
- City is currently working with Kimley Horn & Associates & Underline to develop broadband strategic plan.
- County staff will continue to maintain communications with the city designees.

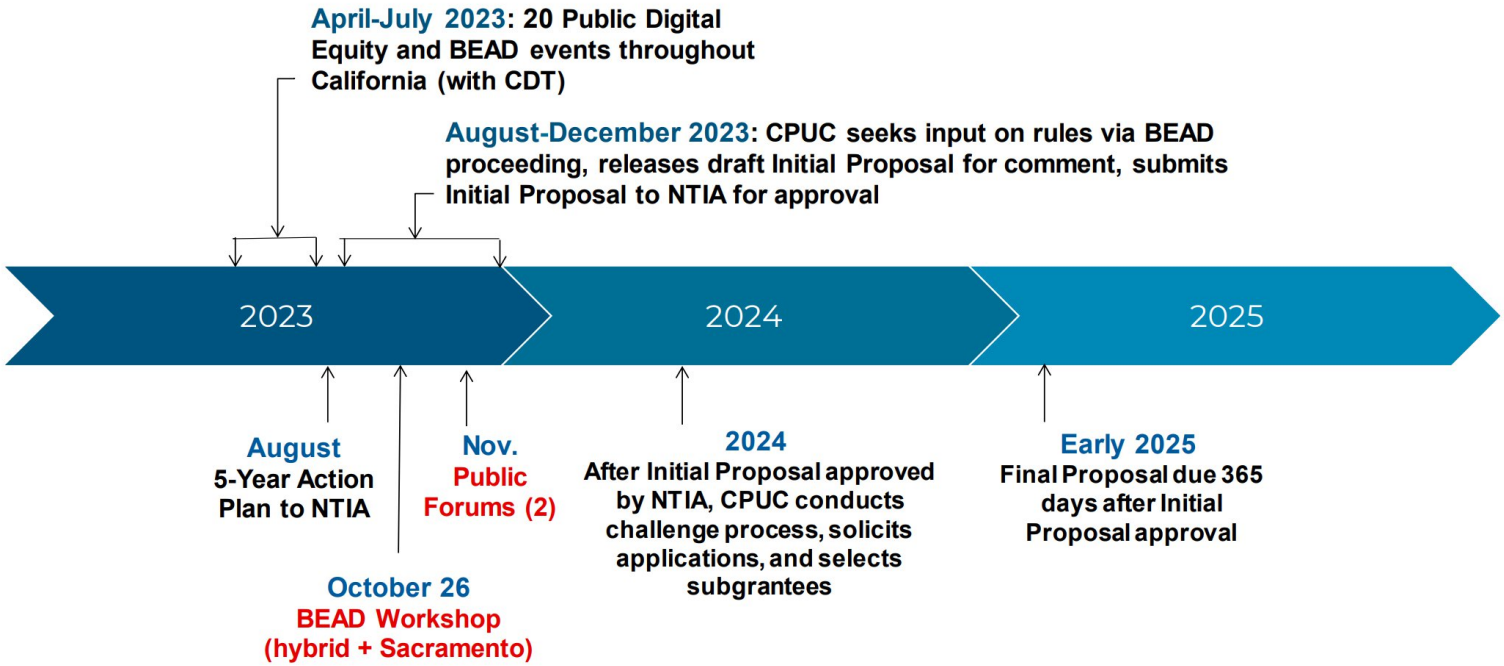
INFRASTRUCTURE INVESTMENT & JOBS ACT (IIJA)

Broadband Equity, Access and Deployment (BEAD)

$42.45 Billion

IIJA → NTIA → State → CPUC → County

- CA is currently in the planning phase through outreach and workshops. BEAD funding is intended to expand high-speed internet access by funding planning, infrastructure deployment, and adoption programs. Funds will be allocated to states once plan is submitted to NTIA.
- FCC Map will be utilized.
- Initial allocation based upon unserved locations (fabric challenge).
- State Deadline for Initial Proposal to NTIA: December 2023



Digital Equity Planning, Capacity and Competitive Grants AB2750

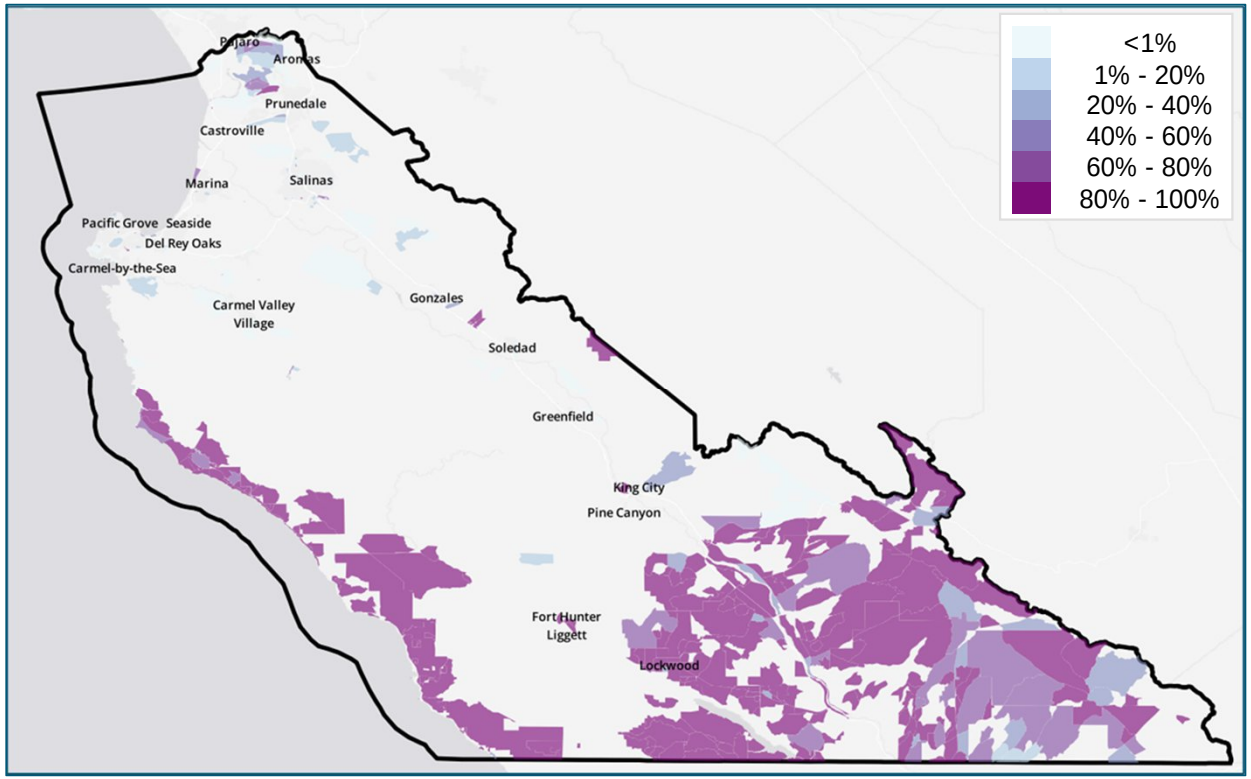
2. FCC/CPUC Maps – Service Availability & Key Takeaways
3. Digital Equity Insights
4. Network Solutions & Scenarios Analysis
5. Recommended Scenarios & Key Takeaways
6. Broadband Policy Review
7. Action Plan

Project Scope & Timeline

- This RCRC-funded project seeks to prepare the County for a broadband future via a countywide strategy and plan.
- Data collected will support the County and other jurisdictions to continue to plan and apply for broadband funding

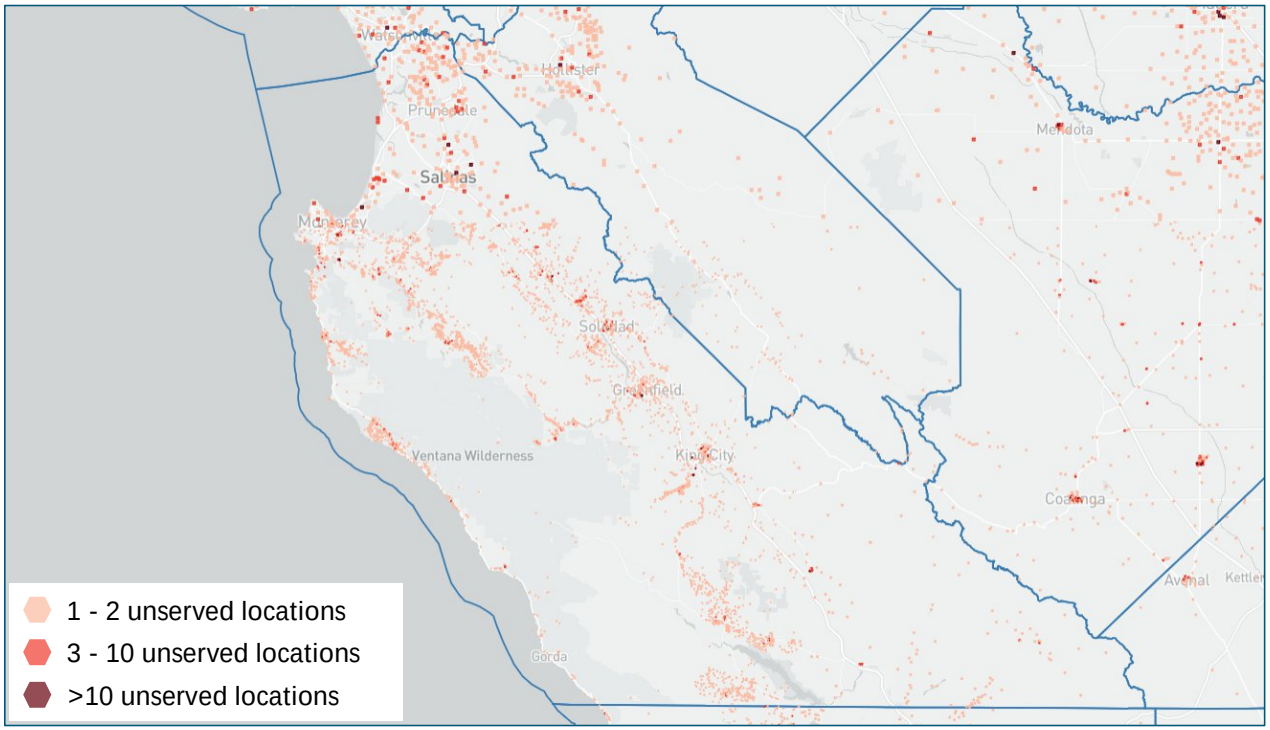


Broadband Service Status: FCC Data

Serviceable Location Status in Monterey

1G Served Locations* (> 1000/500)	25,873 | (23.3%)
Served Locations (100/20 to 1000/500)	81,054 | (72.9%)
Underserved Locations (25/3 to 100/20)	812 | (0.7%)
Unserved Locations (< 25/3)	3,436 | (3.1%)
	111,175

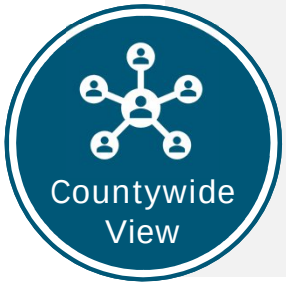
Unserved Locations of Monterey exist mainly in the unincorporated areas (Census Block Level)



*On July 15, 2022 the FCC launched a "Notice of Inquiry" that proposes to set a separate national goal of 1 Gigabit per second (Gbps)/500 Mbps for the future

TeleworX

Broadband Service Status: CPUC Data



Unserved locations according to the CPUC FFA Public Map are captured below

Served Locations	97,380 | (87.6%)
Unserved Locations	13,795 | (12.4%)

**For Monterey County, the CPUC FFA public map has significant variations with the FCC Broadband Map Dataset*

Monterey Service Availability: Key Takeaways

- ~97% of Monterey locations are considered served according to FCC (88% according to CPUC)
- Of those served, 99% have access to speeds higher than 100/20 Mbps (FCC data)

- 79% of unserved locations are in unincorporated areas
- 51% of the unincorporated unserved locations are in remote areas of Monterey County (South County)

- 76.7% of Monterey County locations lack access to 1G/500 Mbps service, leaving much work to be done
- Marina, Salinas, Carmel by the Sea, Monterey, Sand City, Seaside, Gonzales, Soledad, Greenfield, and King City are "well served" (>100/20) but lack 1G/500 Mbps service.

Digital Equity Insights

Digital Equity key learnings and insights are summarized below

	Digital Equity Barriers	Digital Equity Programs
Affordability	• 47% of households (61,142) are eligible for the ACP. • Only 30.2% of those eligible (18,481) are enrolled. • October 30, 2023, data	• County and partners continue to promote ACP enrollment.
Availability	• Largest need for broadband infrastructure in South County. • Satellite service is ineffective and unstable	• The Loaves, Fishes and Computers Program • Distributes computers, hotspots and holds computer literacy workshops and digital navigator programs. • Alliance on Aging as a partner to distribute digital literacy and ACP information. • Workforce development program is reaching important populations.
Skills	• Aging population is digitally isolated • Senior centers require digital navigators. • North Star Online Services (NSOS) provides digital tools and training; limited staff impedes new user onboarding	
Devices and Applications	• Have limited access to facilities and public computers • Preference for in-person services (health, governmental, retail) among aging population	• Library network could use more staff to provide digital literacy training; needs multi-lingual resources.

Network Solutions & Scenario Analysis

Towards a Countywide Broadband Strategy

Identify Broadband Opportunity Zones

- Identify areas of need matched with revenue opportunities for ISP investment or PPP
- Establish the potential solution (Fiber or FWA) for each area based on size, density and existing competition

Develop Conceptual Designs

- Fiber and FWA conceptual design
- Leverage GSN and existing municipal infrastructure
- Cost estimate

Assess Operating Models

- Identify ongoing initiatives
- Assess Funding Sources
- High level business case
- Identify potential partners
- Match broadband projects with Operating Models

Recommended Scenarios: Key Takeaways

- The proposed scenarios for the 64 broadband opportunity zones reduce unserved locations and increase 1G service from 23% to 84%
- Satellite is required for ~ 790 unserved locations

	Current	Target
1G Served	25,873 (23.3%)	93,688 (84.3%)
Served	81,054 (72.9%)	16,633 (14.9%)
Underserved	812 (0.7%)	854 (0.76%)
Unserved	3,436 (3.1%)	0 (0%)
	111,175	

Total Grants amount

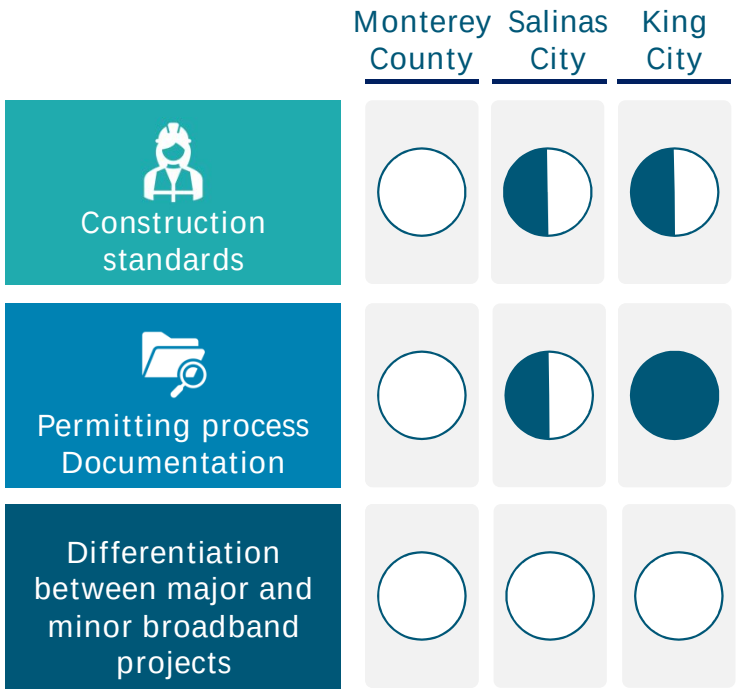
- $100M+ total grants to enable 52 Fiber and 12 FWA projects.

Existing Infra

- 13 Projects to use the California MMBI (GSN)
- 3 Projects to leverage the existing County Fiber Infra

Middle Mile

- Additional investment in middle mile is required to enable projects located in Salinas Valley, Cachagua Valley and Carmel Valley.



Satellite

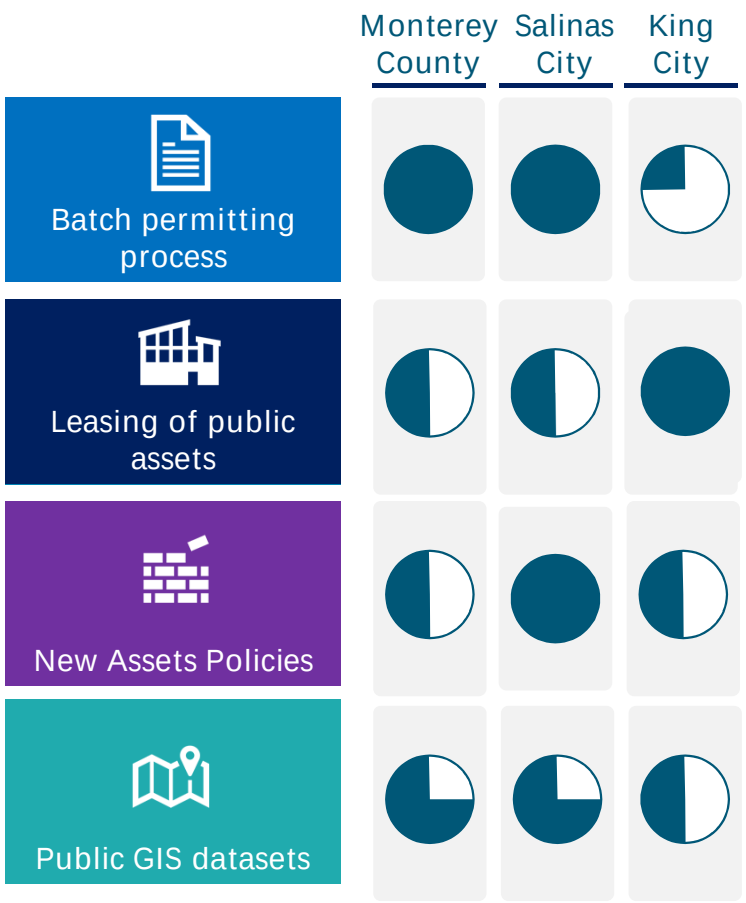
- Satellite as the solution for 790 unserved locations
- Service > 25/3 Mbps @ $50 to $125 (ACP eligible)

Broadband Policies

Broadband readiness for the County and the Cities that responded to the Data Collection request was performed based on the California Local Permitting Playbook and NTIA best practices

Readiness Assessment

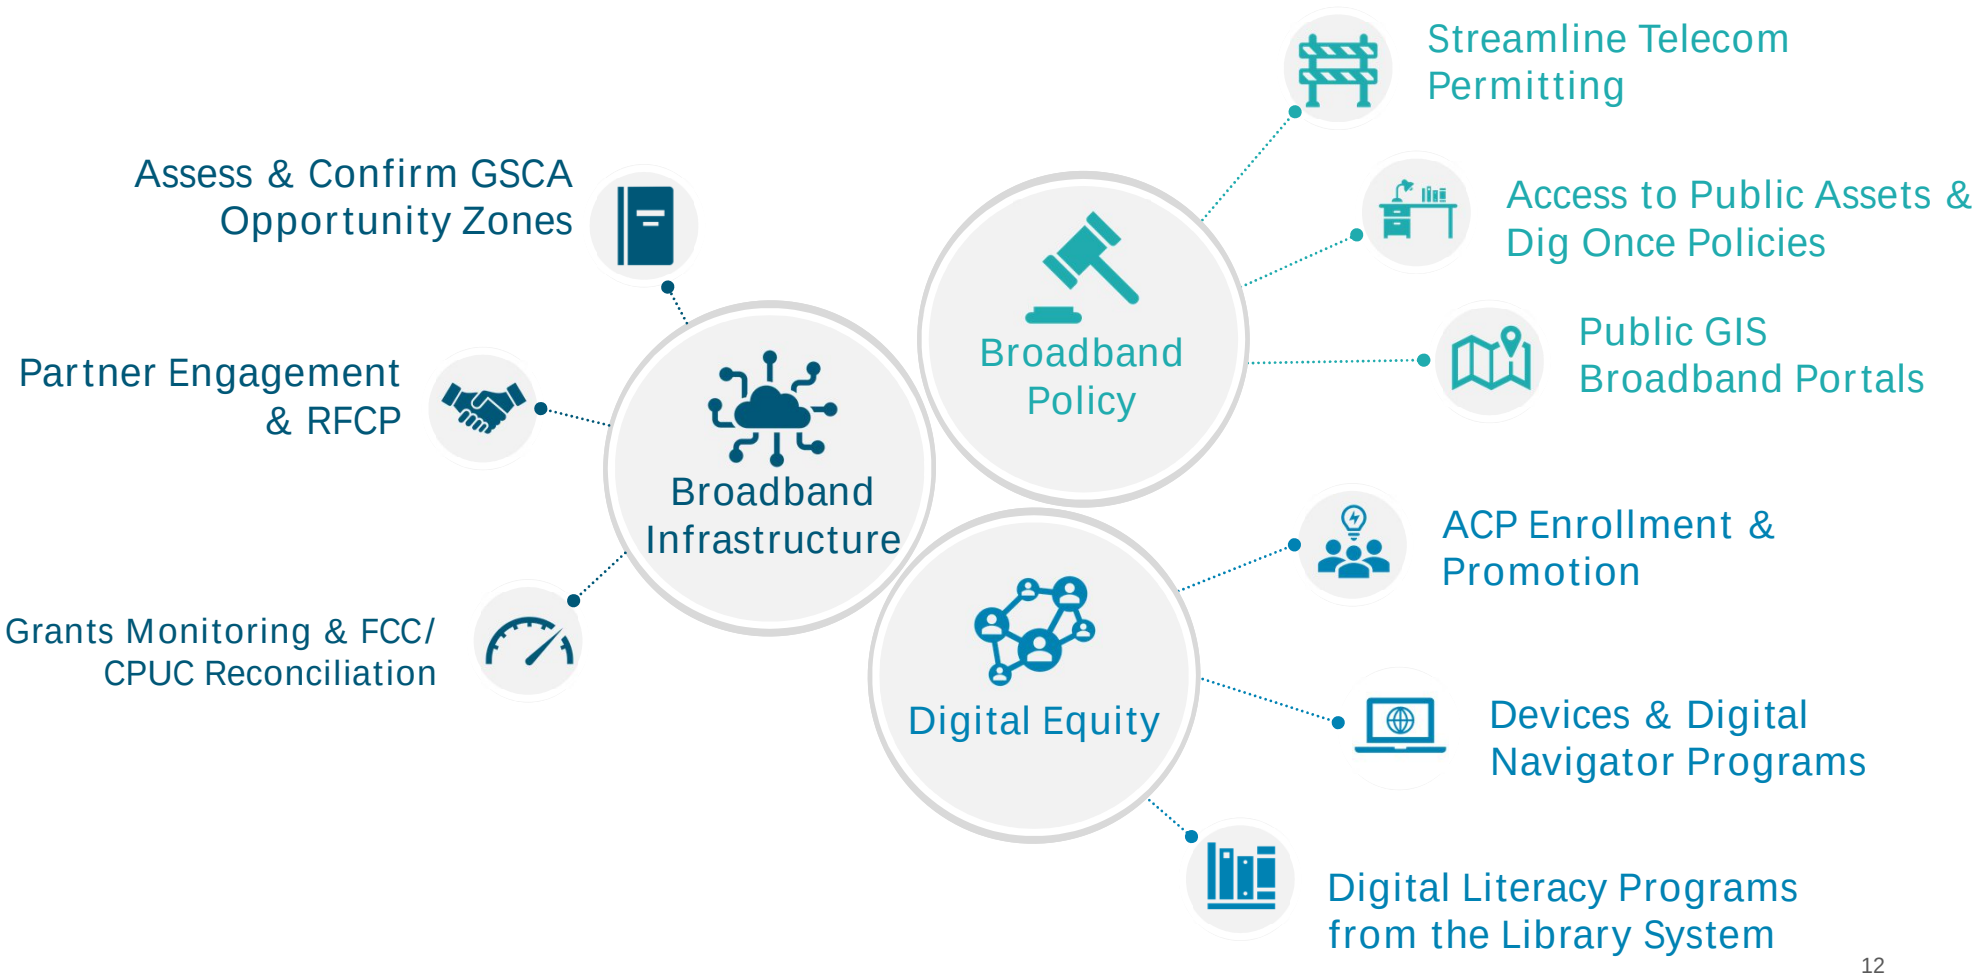
Not Broadband Ready — Broadband Ready



Recommendations

- Ensure construction standards are updated and accessible online, including method for underground and overhead fiber deployment
- Document permitting process and make it available online
- Establish guidelines to classify and handle minor and major broadband permits

Broadband Policies

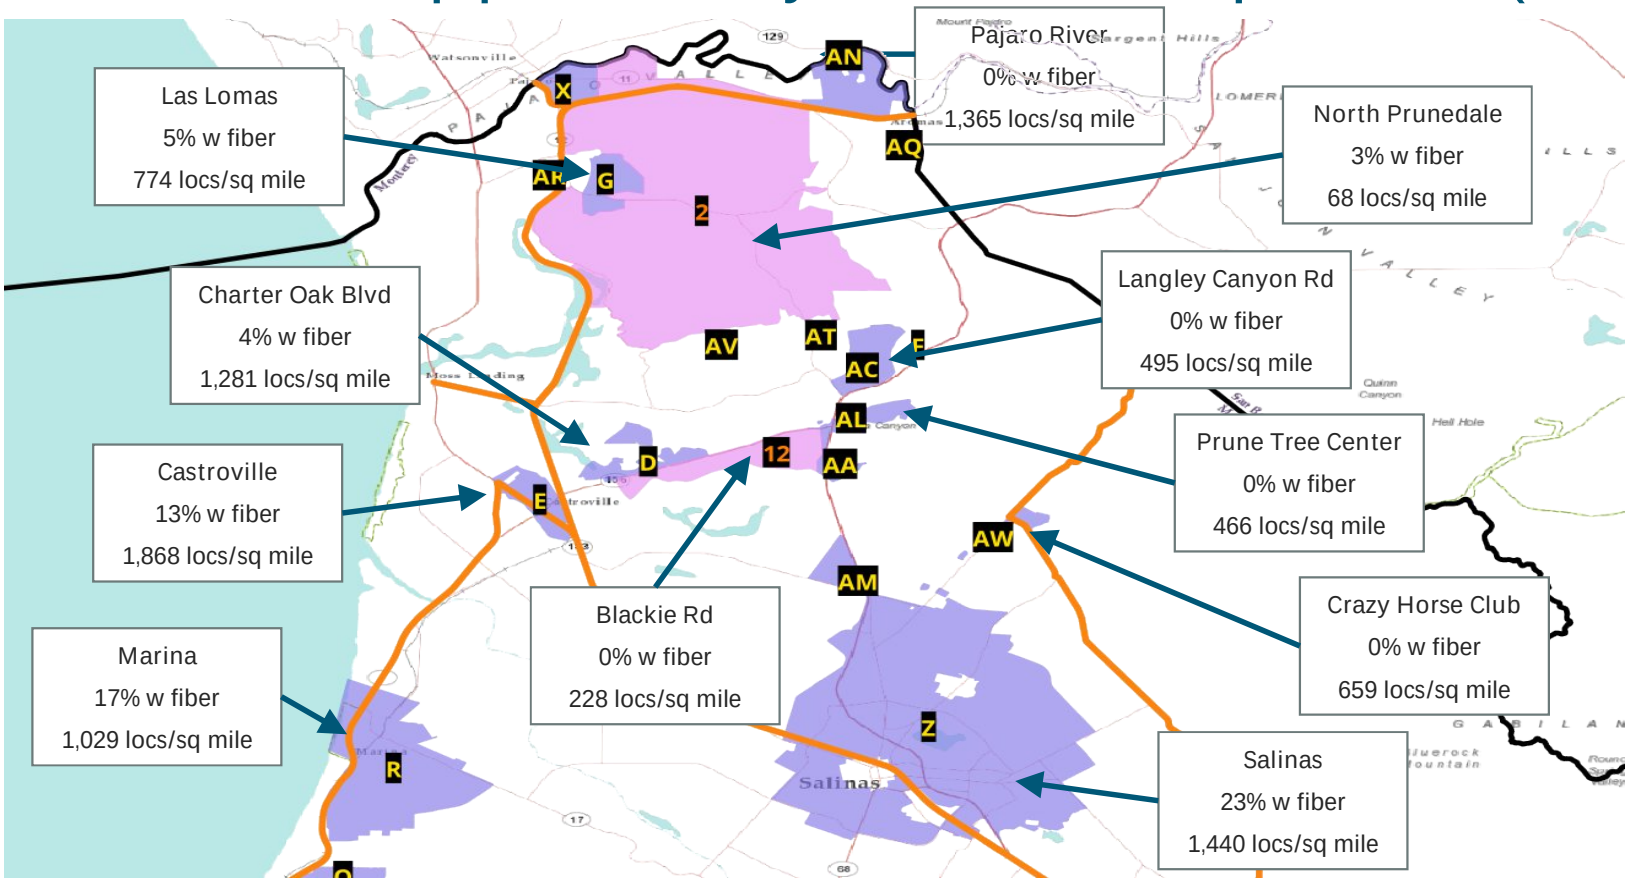


Readiness Assessment

Recommendations

- Implement batch permitting process for broadband projects (King City)
- Inventory of public assets
- Develop leasing rules, processes, and fees
- Dig Once / Open Trench Policies (County and King City)
- Enforce conduit deployment for major construction projects
- Improve and complement GIS Portals with broadband data
  - Serviceability, ongoing initiatives, existing infra, zoning, etc.

Action Plan



Assess & Confirm GSCA Opportunity Zones
Partner Engagement & RFCP
Grants Monitoring & FCC/ CPUC Reconciliation
Broadband Infrastructure
Broadband Policy
Digital Equity
Streamline Telecom Permitting
Access to Public Assets & Dig Once Policies
Public GIS Broadband Portals

1	2016.02	4/12/16	Adams	HCD	County Counsel	Blitch/Spencer	5/10/16	Short Term Rental (STR) Ordinance a) Prioritize completion of the STR rental ordinance by scheduling a final meeting of the STR Working Group; and b) Present a complete STR Ordinance to the Planning Commission; c) County Counsel respond to the Board re. County not engage in code violation citations while the STR ordinance is being developed.	Staff presented the draft vacation rental ordinances to the Board on November 17, 2020, and May 2021 for direction. Based on Board direction, the necessary environmental review will be conducted. Upon completion of the environmental review, the Planning Commission would consider a recommendation to the Board on the environmental documentation and draft ordinance. Referral modified on August 24, 2021 (as part of Board's annual evaluation of referrals) requesting that HCD provide a proposal to address implementation of enforcement at this time, as well as anticipated funding sources for those costs. On October 5, 2021, the Board directed HCD to developed a pilot program to enforce STRs in District 5. On December 8, 2021, staff provided a presentation to the Board on its proposed proactive enforcement and was directed to proceed by returning in January/February 2022 for Board action on staff resources, funding, and a draft ordinance increasing fines for unauthorize STRs. The Budget Committee considered staff resources on January 26, 2022 and subsequently, on March 1, 2022, the Board approved three new staff positions including two Code Compliance Inspector II positions and an Office Assistant position. A Notice of Preparation has been distributed indicating that an EIR is being prepared. A public consultation and scoping meeting were held on September 6 and 19, 2022, respectively. An initial study has been completed concluding that an EIR is warranted related to the draft ordinances. The Board approved a contract with Ascent Environmental for the EIR on December 6, 2022. Under contract with the County, Ascent Environmental, Inc. has begun drafting the EIR. HCD plans to publish the EIR in December of 2023 and publish the Final EIR in March 2024. The Planning Commission and Board will consider the ordinance after the Final EIR is published.	Pending
2	2017.18	9/19/17	Board	CAO		Bokanovich	10/24/17	Request a presentation to the Board of Supervisors with options for commissioner compensation that supports our ability to recruit a diverse and representative pool of commissioners.	The item was presented to the Board on 10/2/2018. The Board directed that HR: 1) convene a committee of Department Heads that manage significant boards and commissions to develop a Commissioner Recruitment Strategy; 2) ask departments to provide information related to the diversity of their current volunteer Commissioner's and committee members; and 3) work with County Counsel and Auditor to determine what would be involved/required to actively implement reimbursement to these volunteers, with budget/cost implications. Referral modified on August 24, 2021 (as part of Board's annual evaluation of referrals) to include: A) an assessment on how commissions are being utilized; how well they are serving in their advisory function to the Board; staffing levels of various committees, and, how that may or may not contribute to their functioning; and, B) referring the referral to the Board of Supervisors - Human Resources Committee to engage in discussion and bring back recommendations to the full Board. This item was discussed with the Human Resources Committee in late January 2022. The referral has been reassigned to the County Administrative Office for response. Additional time is needed for information gathering. Staff anticipates a further response to the Board in September 2023.	Pending
3	2017.20	11/19/19	Alejo	PWFP		Ishii	1/28/20	Lease agreement between the City of Salinas and the County of Monterey regarding County's parcel adjacent 855 East Laurel Drive in Salinas for the implementation of a BMX Bike Track, new Skate Park, and sidewalk on East Laurel Drive in Salinas.	An initial referral was initiated on September 15, 2017. On September 1, 2017, Supervisor Alejo held a meeting with the City of Salinas, County RMA staff, and a BMX bike park and skate park engineers/designers to review the property. County Staff conferred with City Staff relative to the City's update of their Parks Master Plan. RMA has also been coordinating with City staff regarding sidewalks on County-owned lands along East Laurel Drive adjacent to this property (between Sanborn Road and Constitution Boulevard). The referral was closed on May 7, 2019 for staff to pursue efforts for a Shelter at 855 E. Laurel. RMA is preparing to bring a master planning effort for use of County lands, specifically lands at Natividad/Laurel in Salinas. This matter is reinstated for reconsideration. Public comment on this item was received on January 14, 2020. Item was pulled from the June 16, 2020, Board meeting agenda and is on hold pending identification of funding. Staff to consult with requesting Supervisor prior to resubmitting item to the Board. PWFP staff continues to work with our state legislative consultants to identify potential grant opportunities. At the September 14, 2021 Board Meeting, the Board provided direction to PWFP staff to apply for Prop 68 grant funding. On January 20, 2022, the County submitted a $3 million application to the Prop 68 Regional Park Program. Project implementation is pending notification of a grant award. On August 24th, the County was notified that its project applications were not selected for grant funding - the process was highly competitive and oversubscribed. Staff will continue to find new opportunities to raise fund to build the project. Staff continues to seek grant opportunities and/or partnerships to fund raise and build the project. Staff received noticed from the Salinas Regional Soccer complex that they would be proceeding with the design and placement of the skate/bike park within their complex and would include it as part of their operations.	**Postponed**
4	2018.15	6/5/18	Church	HCD		Spencer	7/17/18	Consider zoning changes to prohibit drilling for oil & gas north of King City	Present options for initiating amendments to County zoning to prohibit new oil and gas exploration in Monterey County except in the southern Salinas Valley, generally south of King City and east of the Santa Lucia range, so that it meets all legal requirements. RMA prepared options for consideration by the Planning Commission at a workshop held on 7/11/18. Referral postponed until Measure Z litigation is concluded. **Modified to include Supervisor Church as the sole referring supervisor for the referral.**	**Modified**
5	2018.28	12/4/2018	Phillips	HCD		Spencer	12/11/2018	Affordable Housing in the Coastal Zone	Amend County LCP to be consistent with the Coastal Act regarding affordable housing, authorize staff to investigate processes and provide language revision recommendations to the Local Coastal Plan. A presentation was provided to the Board on January 15, 2019. HCD plans to couple this work with the 6th Housing Element to be completed by December 2023. In the interim, staff considers the integration of affordable housing policies in the coastal zones when the opportunities exist (e.g., update to the Big Sur Land Use Plan) Staff anticipates coordinating meetings with coastal commission staff in 2023 with a report out to the Board of Supervisors in 2024.	Pending

6	2019.08	9/10/2019	Alejo	PWFP/IGLA		Ishii/Chiulos	12/10/2019	State Funding for the Historic Old Monterey County Jail	A presentation of options for the disposition of the Old Jail was provided on September 10, 2019. The Board identified specific options and authorized Supervisor Alejo to pursue state funding match ($10M) in the 2020 State Budget, which will be determined by June 2020. Meanwhile, RMA has coordinated with City staff on their Lincoln Avenue Corridor Master Plan efforts that includes an option for potential reuse of the old jail site. Due to the pandemic the Legislature did not entertain specific budget requests, such as that for the Old Jail. On Oct. 18, 2021, the County met with Assemblymember Rivas who indicated he would submit a $15 million 2022 State Budget request for the project. Discussions on this request are ongoing with the County's State Legislative delegation. On February 11, 2022, the Board held a Legislative Workshop and identified this request as a County priority. No funding for the project was included in the FY 22-23 State Budget. Staff has updated the funding request to $17.25 million to reflect project cost escalation. Staff continues to seek opportunities to fund the project. Ongoing updates are being provided to the Legislative Committee.	**Postponed**
7	2020.12	3/3/2020	Church & Adams	CAO/PWFP		Vega/Ishii	4/7/2020	Consider funding options to increase the Pavement Condition Index of County roads to at least a "Fair" standard over the next ten years.	Staff has been performing research on funding options with the assistance of a financial consultant. A report was presented to the Capital Improvement Committee (CIC) meeting on September 13, 2021. Staff provided a status update to the Board on February 8, 2022. Staff is proceeding with Board direction and coordinating with financial advisors and the Budget team to finalize details of the proposed bond approach. The Debt Advisory Committee considered the program on November 21, 2022 and the Budget Committee considered the program on November 30, 2022. Review by the Capital Improvement Committee is planned for February 8, 2023, with a report to the Board planned for March 7, 2023. A final check in with the CIC is planned for March 6, with a report to the Board on March 28, 2023. Staff will present to the Budget Committee in September 2023 and the Board in October 2023 with a recommendation to request support to issue debt to move forward with road improvement projects. The analysis of the Bond Program is still underway. Staff is looking to update some of the initial program assumptions and Program Project cost estimate. Staff is preparing to go Board with the final recommendation.	Pending
8	2020.22	7/7/2020	Church	CAO		Bokanovich	7/28/2020	Referral Process Amendment	This referral requests that the process be amended to have Board approval for a referral as part of an agenda item showing the purpose of the referral, costs, time, challenges, and details of the project. Exceptions may be made for urgent matters. The Board approved an Amended Board Referral Process on April 27, 2021. The Board will conduct a review of the amended referral process, along with the evalution of outstanding referrals, on an annual basis. The referral has been reassigned to the County Administrative Office for response. Staff will provide a report to the Board in October 2023.	Pending
9	2020.27	12/8/2020	Lopez-Alejo	COB		Ralph		Address the need for translation services	This referral seeks to support access to live translation services and translate recorded minutes of Board of Supervisor meetings. Staff provided a report to the Board on December 14, 2021. Staff will provide a report to the Board in July 2022. The referral is close to completion. Staff will provide an update to the referring Supervisors. Staff is working with ITD on how to implement the Spanish webinar portion.	Pending
10	2021.05	3/2/2021	Alejo	PWFP		Ishii	6/1/2021	Monterey County COVID-19 Victims Memorial	This referral seeks to create a permanent memorial with the names of all COVID-19 victims of Monterey County on the Monterey County Government Campus at 168 West Alisal Street. A presentation was provided to the Board on March 22, 2022. Staff was directed to seek potential match from partners and return to the Board in 45 days for further direction. Staff has been seeking potential partners and will be reporting back. The Board approved a revised concept at its June 22, 2022 meeting. Staff is coordinating with the Budget Office to establish fund to receive donations, and staff is seeking potentioal donors. On September 13, 2022 the Board of Supervisors approved staff's request to enter into a capital campaign with Monterey County Community Foundation to raise funds to complete the project. Staff provded an update to the Board on June 13, 2023. Staff provided a status update at the June 13 BOS. Funding efforts are at 44% overall project cost. Funding raising efforts have raised enough money to develop plans for permit. Staff initiated a draw from the Community Foundation fund to begin drawings for permit.	Pending
11	2021.09	5/25/2021	Church/Askew	CAO		Bokanovich		Review of Board Committee Responsibilities	This referral seeks to clarify the purpose and responsibilities of each Board of Supervisors committees to improve staff workflow and Board decision making ability. A preliminary analysis was approved by the Board on June 15, 2021. Staff will be submitting a response to this referral for Board consideration in May 2022. The referral has been reassigned to the County Administrative Office for response. Board is scheduled to conduct its 2nd annual evaluation of pending referrals on March 28, 2023. To avoid future delays, all annual evaluations will be scheduled to occur the first month of each calendar year. Board review of the referral procedures is anticipated to occur in October, in conjunction with other Board policies.	Pending
12	2021.18	9/28/2021	Adams	WRA		Azhderian		Board Workshop to Review Regional Water Issues and Potential Solutions	This referral seeks to initiate a comprehensive discussion on regional scale water issues and potential solutions in Monterey County. This referral is for the Board of Supervisors of the MCWRA to hold a special joint meeting with the MCWRA Board of Directors, the SVBGSA Board of Directors, and the Marina Coast Water District GSA Board for the water agencies' leadership to provide a comprehensive overview of regional projects under consideration by the MCWRA, SVBGSA and MCWD GSA. Elected officials, local agencies, water purveyors, industry representatives, landowners and other stakeholders that may have some oversight or authority, or potential interest in participating in regional solutions should be invited. A preliminary analysis was provided to the Board on November 2, 2021. A workshop was held for the Board on March 15, 2022 at 1:30pm. The 2nd Board Workshop will be held on September 20, 2022. The 3rd and final Board Workshop will be held on December 6, 2022. Staff were directed to continue to pursue a collaborative approach with the stakeholders to formulate regional water collaborative. Water Resources Agency Staff will be coordinating this effort with the Salinas Valley GSA, and return to the Board with recommendations. The SVBGSA was recently awarded a facilitating support services grant from the Department of Water Resources providing one year of facilitation services at no local cost. In coordination with the SVBGSA and Monterey One Water (MW1), the scope of services includes a facilitated series of workshops with MW1, SVBGA, and MCWRA to begin with the fact finding, and then to a solutions focused problem-solving approach to delivering the maximum amount of recycled water to MW1 customers including CSIP, CalAm, and Marina Coast Water District, critical to local water supplies and seawater intrusion mitigation. 13	2021.25	11/16/2021	Askew	~~PWFP~~ HCD			~~Ishii~~ Spencer		East Garrison Street Renaming		This referral seeks to identify the process and funding for the renaming of certain streets in East Garrison and revise the naming approval process. A preliminary response was provided to the Board on January 11, 2022. Staff will report back to the Board on May 3, 2022. Staff presented to the Board at the May 3, 2022 Board Meeting, and received direction from the Board. HCD has been directed to engage with the public and determine interest in changing the street names within East Garrison. HCD attended the East Garrison CSD (EGCSD) meeting on May 11, 2022, to present the matter. Based on public comment, they will be presenting a follow-up item to EGCSD at one of their next meetings. Adopted FY22-23 Budget includes $40,000 for street renaming. HCD to prepare draft program for Board consideration. HCD staff has developed a draft program. The program will likely be presented to the Board for consideration in the Fall of 2023.	Pending
14	2021.28	12/7/2021	Alejo/Lopez	WRA			Azhderian		Water Storage Infrastructure and Maintenance State Budget Request		This referral requests that Monterey County Water Resources Agency partner with our state legislative delegation to make a $300 million budget request in the 2022 legislative session for the water storage infrastructure & maintenance projects at Lakes San Antonio and Nacimiento. When the referral was introduced it was amended to include an additional $12 million State Budget request for the San Lucas Clean Drinking Water Project. A preliminary response was provided to the Board on January 11, 2022. These projects have been designated as priority projects of the Board for the 2022 Legislative Program. The County has made a $312 million State Budget request for these projects. Discussions on this request are ongoing with the County's State Legislative delegation. On February 11, 2022, the Board held a Legislative Workshop and identified these State Budget requests as County priorities. Ongoing updates will be provided to the Legislative Committee.	Pending
15	2021.29	12/7/2021	Adams	PWFP			Ishii		Increased Fines for Big Sur Roadside Camping Prohibition		This referral seeks to increase the administrative citation and fine amounts for citations issued under Monterey County Code Section 14.18.020.A. This is a follow-up to Board Referral No. 2019.16 (Big Sur Roadside Camping Prohibition Enforcement). A preliminary response was provided to the Board on January 11, 2022. The Ordinance increasing the existing fine amount to $1,000 was adopted by the BOS at its July 26, 2022 meeting. New signage to indicate the increased fine amount has been installed on all existing camping prohibition signs. Staff continues coordination with the Big Sur Byways Organization and District 5 on installation of additional new signs. Staff continues to coordinate with Caltrans and Coastal Commission on getting the necessary approval/permits to install along SR 1.	Pending
16	2022.02	1/11/2022	Askew	CAO			Chiulos/Bokanovich		Sheriff Oversight Board Formation		This referral seeks to explore formation of a Sheriff Oversight Board. Assembly Bill 1185 authorized counties to establish a sheriff oversight board to assist the board of supervisors to fulfill its duties related supervising the official conduct of all county officers, including the sheriff. An oversight board would consist of civilian residents appointed by the board of supervisors. Formation of the oversight board can be accomplished by action of the board of supervisors or through a vote of county residents. This referral requests the Board of Supervisor form such an oversight board and that staff return with a report that includes bylaws, formation resolution, and an outline of administrative capacity needed to support the oversight board. A preliminary response was provided to the Board on March 22, 2022; at which time, the Board took action to defer the item until after the new Sheriff is elected and the Board has had an opportunity to establish a relationship. An Ad Hoc Committee has been established by the Board to study the various options concerning oversight of the Office of the Sheriff, pursuant to Assembly Bill 1185.	**Postponed**
17	2022.04	2/1/2022	Church/Lopez	~~PWFP~~ HCD			~~Ishii~~ Spencer		Revisit Rossi Road Extension Plan		This referral seeks to revisit the Rossi Road extension plan and explore solutions to alleviate traffic congestion and improve traffic circulation in the Boronda area as a result of the population and business growth and the relocation of the SVSWA transfer station and Republic Services' yard. A preliminary response was provided to the Board on March 8, 2022. A Town Hall was conducted on July 27, 2022. A working group has been started, and next steps and roles are being established. CEQA and funding are also being researched and discussed. HCD staff is preparing a draft MOU with the City of Salinas. The draft MOU will be present to the Board in the Fall of 2023.	Pending
18	2022.11	3/1/2022	Alejo	Health			Jimenez/Eckert		Mental Health Services Act (MHSA) Reserve Funds Expenditure Plan & Oversight		This referral requests that the Monterey County Behavioral Health Department provide a comprehensive presentation on how Mental Health Services Act funding is being used in our county, what other potential eligible services could be provided under the act, and to devise an updated expenditure plan to utilize the record reserve funds of $55,380,337 towards providing critical needed services to eligible residents. The referral further requests that the Board of Supervisors receive an annual report on the expenditures and effectiveness of all its programs. A preliminary response was provided to the Board on March 22, 2022. The Board directed that the matter be referred to the Budget Committee for further consideration. An initial comprehensive report was provided to the Budget Committee on April 25, 2022. The Budget Committee directed that the report be expanded to include outcomes and effectiveness, and be referred to the Board of Supervisors for further consideration. Staff provided an updated response to the Board of Supervisors on June 21, 2022 and were directed to present further updates to the Budget Committee. Staff provided an update at the Budget Committee on July 27, 2022 and returned with an update on our future fund balance assumptions and innovation projects on January 19, 2023 as directed. Staff, as part of its presentation to the Board of Supervisors on its Department's FY 2023-24 Budget Request on April 4, 2023, included a summary of the MHSA Fund. On May 23, 2023, staff presented to the Board of Supervisors a more comprehensive update on MHSA year end estimate, projected expenditures for FY 2024, budgeted capital, and innovation projects. Staff will return to the Board with an update in the Fall 2024.	Pending
19	2022.14	4/19/2022	Lopez	PWFP			Ishii		Harkins Road		This referral requests that staff investigate the possibility of changing Harkins Road into a one-way street. Staff presented the Preliminary Analysis Report at the May 17, 2022 Board Meeting. PWFP engaged consultant support to evaluate a potential one-way concept for Harkins Road, and a community meeting was held in Spreckels on December 5, 2022 to get feedback. Staff provided a verbal update to the referring Supervisor in January and a report to the Board is planned for the ~~February 28, 2023~~ March 7, 2022 Board meeting. With the Board Report seeking approval for the Harkins/Hunter project, staff is presenting our recommendation for the Harkins Road next week. The one-way option of Harkins is not being recommended at this time. Staff is recommends upgrading signage and constructing improvements to the Harkins/Hunter intersection instead.	Pending

22	2022.22	9/27/2022	Alejo	PWFP		Ishii/Lerable	Vega	East Salinas District 1 Office/**District 1 Carryover Office Budget Funding For Planned East Salinas Office**	This referral requests that staff search and open a District Office for District 1 in East Salinas 93905 to provide greater office access to constituents in this area of Salinas with the greatest need. A preliminary response was presented to the Board on October 25, 2022. A site has been identified and staff is coordinating with the landlord on ADA upgrades prior to executing the lease. **Modfied by the referring Supervisor on May 18, 2023 to include that any leftover District 1 office budget funding for 2022-23 be carried over into the next fiscal for the specific purpose of paying and offsetting any costs in opening the D1 office in East Salinas.** Real Property continues to keep an active search open for available office space within District 1 and provide occasional update to Supervisor Alejo of staffs efforts. Currently there are no opportunities available that meet the Supervisor's requirements.	**Modified**
23	2022.23	11/22/2022	Church	PWFP/CAO		Ishii/Vega		Long-Range Funding Source for Pajaro Park	This referral requests a long-range funding source for Pajaro Park to ensure long-term park access to residents of the Pajaro Valley which will enhance the overall health and well-being of residents of this disadvantaged community who need it the most. On January 17, 2023, the Board approved moving forward with a one-time funding request of $35,000 for Pajaro/Sunny Mesa Community Services District to maintain Pajaro Park for FY23. Staff will provide information to the Budget Committee in February 2023 and Board in early March to finalize the funding request. Staff will return to the Board in April 2023 for additional referral response regarding a long-term funding source for the park. Staff currently advising PSMCSD staff regarding research of local/community funding sources. Parks staff followed up with PSMCSD and no further work has been done on their part to secure long-range funding. Parks staff provided suggestions for community organizations and individuals that should be contacted.	Pending

25	2023.04	2/14/2023	Alejo	Social Services		Medina		Storm Recovery Rent-Subsidy Program for Farmers	The purpose of this referral is to reestablish a temporary rent-subsidy program to assist agricultural workers who were impacted by the storm & flood damage to 20,000 acres of farmland in Monterey County. A preliminary response was provided to the Board on March 7, 2023. Staff will provide an update to the Board on ~~April 18, 2023~~ April 25, 2023. On April 25, 2023, the Board of Supervisors approved the Department of Social Services (DSS) to execute contracts with Catholic Charities and the United Way for the Storm Recovery Subsidy Program for low income households impacted by the weather disaster events. This program developed from the original referral for the Rent Subsidy Program for Farm Workers. The Board Order and Resolution giving DSS the authority to execute the contracts were completed on May 10, 2023, and the contracts with both agencies were then signed and fully executed. The United Way then executed sub agreements with and transferred funds to Door to Hope and Community Bridges to administer the program to eligible households. The United Way and Catholic Charities worked together to develop a barrier free process for distribution of these funds, and to work collaboratively so as to maintain consistency between agencies and not allow duplication. Catholic Charities has since completed over 360 household assessments, and are focused on distributing funds to approved persons, and indicate they are on track to expend all of their funds. Likewise, the United Way partner agencies have approved over 70 households for payments and are in the process of disbursing the funds and continuing to assess additional households. The Board Order stated "if funds are still in existence when it terminates this will come back to the Board for further discussions." The United Way and Catholic Charities have until June 30, 2023 to expend the funds from County's Contingency fund, and October 31, 2023, to expend the funds from the Burial Assistance program. If funds are projected to be still in existence as of October 31, 2023, this referral can be brought back to the Board for further discussion at that time.	Pending

Board of Supervisors
Chambers
168 W. Alisal St., 1st Floor
Salinas, CA 93901

January 09, 2024

Introduced: 11/17/2023
Version: 1

Current Status: Passed
Matter Type: BoS Agreement

Authorize the Chief Executive Officer for Natividad Medical Center (NMC) or his designee to execute amendment No. 3 to the agreement (A-15698) with AE & Associates, LLC for coding, audits, onsite training, and remote coding support services, extending the agreement an additional one (1) year period (August 1, 2024 through July 31, 2025) for a revised full agreement term of August 1, 2019 through July 31, 2025), and adding $400,000 for a revised total agreement amount not to exceed $689,616.

RECOMMENDATION:

It is recommended the Board of Supervisors:

Authorize the Chief Executive Officer for Natividad Medical Center (NMC) or his designee to execute amendment No. 3 to the agreement (A-15698) with AE & Associates, LLC for coding, audits, onsite training, and remote coding support services, extending the agreement an additional one (1) year period (August 1, 2024 through July 31, 2025) for a revised full agreement term of August 1, 2019 through July 31, 2025), and adding $400,000 for a revised total agreement amount not to exceed $689,616.

SUMMARY/DISCUSSION:

In addition to the increase with audit reviews to ensure that all regulatory and coding assignments are accurate, we have a need for additional services such as Trauma Registry services and Family Practice Clinical coding which requires specialized state knowledge and expertise when appending service codes.

The service that AE & Associates, LLC provides to Natividad Medical Center ensures that the submission for reimbursement is accurate and the data submission to public entities meets the state standards and requirements. The appending of medical codes is based on the treatment and services provided to the patient. Patients are able to obtain resources and apply for other services to sustain their daily living.

Lastly, the difficulty with recruitment of qualified licensed coders in the various categories of coding complication, ongoing updates, third party reviews to ensure transparency has made it challenging for NMC.

OTHER AGENCY INVOLVEMENT:

The Office of County Counsel has reviewed and approved this amendment No. 3 as to form, and the Auditor-Controller has reviewed and approved as to payment provisions. The amendment No. 3 has also been reviewed and approved by NMC's Finance Committee and by its Board of Trustees on November 9, 2023.

FINANCING:

The cost for this amendment No. 3 is $400,000 of which $200,000 is included in the FY 2023-24 Adopted Budget. Amounts for remaining years of the agreement will be included in those budgets as appropriate.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

Natividad Medical Center has employed licensed coders and is a resident within Monterey County. They are dedicated and well versed in their profession of expertise.

Natividad MEDICAL CENTER

County of Monterey Agreement for Services
(Not to Exceed $100,000)

This Agreement (hereinafter "Agreement") is made by and between the County of Monterey, a political subdivision of the State of California, on behalf of Natividad Medical Center, an acute care hospital (hereinafter, "NMC"), and AE & Associates, LLC hereinafter "CONTRACTOR (collectively, the County and CONTRACTOR are referred to as the "Parties.").

In consideration of the mutual covenants and conditions set forth in this Agreement, the parties agree as follows:

GENERAL DESCRIPTION OF SERVICES TO BE PROVIDED; NMC hereby engages CONTRACTOR to perform, and CONTRACTOR hereby agrees to perform, the services described in Exhibit A in conformity with the terms of the Agreement. The services are generally described as follows: ICD-9 and ICD-10 Coding, Audits, On site training and remote coding support services.

PAYMENTS BY NMC; NMC shall pay the CONTRACTOR in accordance with the payment provisions set forth in Exhibit A, subject to the limitations set forth in this Agreement. The total amount payable by NMC to CONTRACTOR under this Agreement shall not exceed the sum of $100,000.

TERM OF AGREEMENT; the term of this Agreement is from August 1, 2019 through July 31, 2022 unless sooner terminated pursuant to the terms of this Agreement. This Agreement is of no force or effect until signed by both CONTRACTOR and NMC and with NMC signing last and CONTRACTOR may not commence work before NMC signs this Agreement.

NMC reserves the right to cancel this Agreement, or any extension of this Agreement, without cause, with a thirty day (30) written notice, or with cause immediately.

SCOPE OF SERVICES AND ADDITIONAL PROVISIONS/EXHIBITS; the following attached exhibits are incorporated herein by reference and constitute a part of this Agreement:

Exhibit A: Scope of Services/Payment Provisions

Exhibit B: Business Associate Agreement

1. PERFORMANCE STANDARDS:

1.1. CONTRACTOR warrants that CONTRACTOR and Contractor's agents, employees, and subcontractors performing services under this Agreement are specially trained, experienced, competent, and appropriately licensed to perform the work and deliver the services required under this Agreement and are not employees of NMC, or immediate family of an employee of NMC.

1.2. CONTRACTOR, its agents, employees, and subcontractors shall perform all work in a safe and skillful manner and in compliance with all applicable laws and regulations. All work performed under this Agreement that is required by law to be performed or supervised by licensed personnel shall be performed in accordance with such licensing requirements.

1.3. CONTRACTOR shall furnish, at its own expense, all materials, equipment, and personnel necessary to carry out the terms of this Agreement, except as otherwise specified in this Agreement.

CONTRACTOR shall not use NMC premises, property (including equipment, instruments, or supplies) or personnel for any purpose other than in the performance of its obligations under this Agreement.

2. PAYMENT CONDITIONS:

2.1. Prices shall remain firm for the initial term of the Agreement and, thereafter, may be adjusted annually as provided herein. NMC (Monterey County) does not guarantee any minimum or maximum amount of dollars to be spent under this Agreement.

2.2. Negotiations for rate changes shall be commenced, by CONTRACTOR, a minimum of ninety days (90) prior to the expiration of the Agreement. Rate changes are not binding unless mutually agreed upon in writing by the County (NMC) and the CONTRACTOR.

2.3. CONTRACTOR shall submit to the Contract Administrator an invoice on a form acceptable to NMC. If not otherwise specified, the CONTRACTOR may submit such invoice periodically or at the completion of services, but in any event, not later than 30 days after completion of services. The invoice shall set forth the amounts claimed by CONTRACTOR for the previous period, together with an itemized basis for Administrator or his or her designee shall certify the invoice, either in the requested amount or in such other amount as NMC approves in conformity with this Agreement, and shall promptly submit such invoice to the County Auditor-Controller for payment. The County Auditor-Controller shall pay the amount certified within 30 days of receiving the certified invoice.

2.4. CONTRACTOR shall not receive reimbursement for travel expenses unless set forth in this Agreement.

3. TERMINATION:

3.1. During the term of this Agreement, NMC may terminate the Agreement for any reason by giving written notice of termination to the CONTRACTOR at least thirty (30) days prior to the effective date of termination. Such notice shall set forth the effective date of termination. In the event of such termination, the amount payable under this Agreement shall be reduced in proportion to the services provided prior to the date of termination.

3.2. NMC may cancel and terminate this Agreement for good cause effective immediately upon written notice to Contractor. "Good cause" includes the failure of CONTRACTOR to perform the required services at the time and in the manner provided under this Agreement. If NMC terminates this Agreement for good cause, NMC may be relieved of the payment of any consideration to Contractor, and NMC may proceed with the work in any manner, which NMC deems proper. The cost to NMC shall be deducted from any sum due the CONTRACTOR under this Agreement.

4. INDEMNIFICATION:

4.1. CONTRACTOR shall indemnify, defend, and hold harmless NMC (hereinafter "County"), its officers, agents and employees from any claim, liability, loss injury or damage arising out of, or in connection with, performance of this Agreement by Contractor and/or its agents, employees or sub-contractors, excepting only loss, injury or damage caused by the negligence or willful misconduct of personnel employed by the County. It is the intent of the parties to this Agreement to provide the broadest possible coverage for the County. The CONTRACTOR shall reimburse the County for all costs, attorneys' fees, expenses and liabilities incurred with respect to any litigation in which the CONTRACTOR is obligated to indemnify, defend and hold harmless the County under this Agreement.

5. **INSURANCE:**

5.1. Evidence of Coverage:

Prior to commencement of this Agreement, the CONTRACTOR shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the CONTRACTOR upon request shall provide a certified copy of the policy or policies.

This verification of coverage shall be sent to NMC's Contracts/Purchasing Department, unless otherwise directed. The CONTRACTOR shall not receive a "Notice to Proceed" with the work under this Agreement until it has obtained all insurance required and NMC has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the Contractor.

5.2. Qualifying Insurers: All coverage's except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A-VII, according to the current Best's Key Rating Guide or a company of equal financial stability that is approved by NMC's Contracts/Purchasing Director.

5.3. Insurance Coverage Requirements: Without limiting Contractor's duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

5.4. Commercial General Liability Insurance, including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than $1,000,000 per occurrence.

(Note: any proposed modifications to these general liability insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

☐ Exemption/Modification (Justification attached; subject to approval)

5.5. Business Automobile Liability Insurance, ~~covering all motor vehicles, including owned, leased~~, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than $500,000 per occurrence.

(Note: any proposed modifications to these general liability insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

☐ Exemption/Modification (Justification attached; subject to approval)

5.6. Workers' Compensation Insurance, If CONTRACTOR employs other in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's Liability limits not less than $1,000,000 each person, $1,000,000 each accident and $1,000,000 each disease.

(Note: any proposed modifications to these general liability insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

☐ Exemption/Modification (Justification attached; subject to approval)

5.7. Professional Liability Insurance, if required for the professional services being provided, (e.g., those persons authorized by a license to engage in a business or profession regulated by the California Business and Professions Code), in the amount of not less than $1,000,000 per claim and $2,000,000 in the aggregate, to cover liability for malpractice or errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three years following the expiration or earlier termination of this Agreement.

(Note: any proposed modifications to these general liability insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

☐ Exemption/Modification (Justification attached; subject to approval)

6. Other Insurance Requirements:

6.1. All insurance required by this Agreement shall be with a company acceptable to NMC and issued and executed by an admitted insurer authorized to transact insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date CONTRACTOR completes its performance of services under this Agreement.

6.2. Each liability policy shall provide that NMC shall be given notice in writing at least thirty days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for CONTRACTOR and additional insured with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

6.3. **Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds** with respect to liability arising out of the Contractor's work, including ongoing and completed operations, **and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the Contractor's insurance.**

6.4. Prior to the execution of this Agreement by NMC, CONTRACTOR shall file certificates of insurance with NMC's Contracts/Purchasing Department, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no

way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

6.5. CONTRACTOR shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by NMC, annual certificates to NMC's Contracts/Purchasing Department. If the certificate is not received by the expiration date, NMC shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this Agreement, which entitles NMC, at its sole discretion, to terminate the Agreement immediately.

7. RECORDS AND CONFIDENTIALITY:

7.1. Confidentiality: CONTRACTOR and its officers, employees, agents and subcontractors shall comply with any and all federal, state, and local laws, which provide for the confidentiality of records and other information. CONTRACTOR shall not disclose any confidential records or other confidential information received from NMC or prepared in connection with the performance of this Agreement, unless NMC specifically permits CONTRACTOR to disclose such records or information. CONTRACTOR shall promptly transmit to NMC any and all requests for disclosure of any such confidential records or information. CONTRACTOR shall not use any confidential information gained by CONTRACTOR in the performance of this Agreement except for the sole purpose of carrying out Contractor's obligations under this Agreement.

7.2. NMC Records. When this Agreement expires or terminates, CONTRACTOR shall return to NMC any NMC records which CONTRACTOR used or received from NMC to perform services under this Agreement.

7.3. Maintenance of Records: CONTRACTOR shall prepare, maintain, and preserve all reports and records that may be required by federal state, and County rules and regulations related to services performed under this Agreement. CONTRACTOR shall maintain such records for a period of at least three years after receipt of final payment under this Agreement. If any litigation, claim, negotiation, audit exception, or other action relating to this Agreement is pending at the end of the three year period, then CONTRACTOR shall retain said records until such action is resolved.

7.4. Access to and Audit of Records: NMC shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the CONTRACTOR and its subcontractors related to services provided under this Agreement. Pursuant to Government Code section 8546.7, if this Agreement involves the expenditure of public funds in excess or $10,000, the parties to this Agreement may be subject, at the request of NMC or as part of any audit of NMC, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three years after final payment under the Agreement.

8. Royalties and Inventions: NMC shall have a royalty-free, exclusive and irrevocable license to reproduce, publish, and use, and authorize other to do so, all original computer programs, writings, sound recordings, pictorial reproductions, drawings, and other works of similar nature produced in the course of or under this Agreement. CONTRACTOR shall not publish any such material without the prior written approval of NMC.

9. Non-Discrimination: During the performance of this Agreement, Contractor, and its subcontractors, shall not unlawfully discriminate against any person because of race, religious creed, color, sex, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age (over 40), or sexual orientation, either in Contractor's employment practices or in the furnishing of services to recipients. CONTRACTOR shall ensure that the evaluation and treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. CONTRACTOR and any subcontractor shall, in the performance of this Agreement, full comply with all

federal, state, and local laws and regulations which prohibit discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be prohibited discrimination.

10. Compliance with Terms of State or Federal Grant: If this Agreement has been or will be funded with monies received by NMC pursuant to a contract with the state or federal government in which NMC is the grantee, CONTRACTOR will comply with all the provisions of said contract, and said provisions shall be deemed a part of this Agreement, as though fully set forth herein. Upon request, NMC will deliver a copy of said contract to Contractor, at no cost to Contractor.

11. Independent Contractor: In the performance of work, duties, and obligations under this Agreement, CONTRACTOR is at all times acting and performing as an independent CONTRACTOR and not as an employee of NMC. No offer or obligation of permanent employment with NMC or particular County department or agency is intended in any manner, and CONTRACTOR shall not become entitled by virtue of this Agreement to receive from NMC any form of employee benefits including but not limited to sick leave, vacation, retirement benefits, workers' compensation coverage, insurance or disability benefits. CONTRACTOR shall be solely liable for and obligated to pay directly all applicable taxes, including federal and state income taxes and social security, arising out of Contractor's performance of this Agreement. In connection therewith, CONTRACTOR shall defend, indemnify, and hold NMC and the County of Monterey harmless from any and all liability, which NMC may incur because of Contractor's failure to pay such taxes.

12. Notices: Notices required under this Agreement shall be delivered personally or by first-class, postage per-paid mail to NMC and Contractor's contract administrators at the addresses listed below.

MISCELLANEOUS PROVISIONS:

13.1 Conflict of Interest. CONTRACTOR represents that it presently has no interest and agrees not to acquire any interest during the term of this Agreement, which would directly, or indirectly conflict in any manner or to any degree with the full and complete performance of the professional services required to be rendered under this Agreement.

13.2 Amendment. This Agreement may be amended or modified only by an instrument in writing signed by NMC and the Contractor.

13.3 Waiver. Any waiver of any terms and conditions of this Agreement must be in writing and signed by NMC and the Contractor. A waiver of any of the terms and conditions of this Agreement shall not be construed as a waiver of any other terms or conditions in this Agreement.

13.4 Contractor. The term "Contractor" as used in this Agreement includes Contractor's officers, agents, and employees acting on Contractor's behalf in the performance of this Agreement.

13.5 Disputes. CONTRACTOR shall continue to perform under this Agreement during any dispute.

13.6 Assignment and Subcontracting. The CONTRACTOR shall not assign, sell, or otherwise transfer its interest or obligations in this Agreement without the prior written consent of NMC. None of the services covered by this Agreement shall be subcontracted without the prior written approval of NMC. Notwithstanding any such subcontract, CONTRACTOR shall continue to be liable for the performance of all requirements of this Agreement.

13.7 Successors and Assigns. This Agreement and the rights, privileges, duties, and obligations of NMC and CONTRACTOR under this Agreement, to the extent assignable or delegable, shall be binding upon and inure to the benefit of the parties and their respective successors, permitted assigns, and heirs.

13.8 Compliance with Applicable Law. The parties shall comply with all applicable federal, state, and local laws and regulations in performing this Agreement.

13.9 Headings. The headings are for convenience only and shall not be used to interpret the terms of this Agreement.

13.10 Time is of the Essence. Time is of the essence in each and all of the provisions of this Agreement.

13.11 Governing Law. This Agreement shall be governed by and interpreted under the laws of the State of California.

13.12 Non-exclusive Agreement. This Agreement is non-exclusive and both NMC and CONTRACTOR expressly reserve the right to contract with other entities for the same or similar services.

13.13 Construction of Agreement. NMC and CONTRACTOR agree that each party has fully participated in the review and revision of this Agreement and that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Agreement or any amendment to this Agreement.

13.14 Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same Agreement.

13.15 Integration. This Agreement, including the exhibits, represents the entire Agreement between NMC and the CONTRACTOR with respect to the subject matter of this Agreement and shall supersede all prior negotiations. Representations, or agreements, either written or oral, between NMC and CONTRACTOR as of the effective date of this Agreement, which is the date that NMC signs the Agreement.

13.16 Interpretation of Conflicting Provisions. In the event of any conflict or inconsistency between the provisions of this Agreement and the Provisions of any exhibit or other attachment to this Agreement, the provisions of this Agreement shall prevail and control.

BUSINESS ASSOCIATE AGREEMENT

This Business Associate Agreement ("BAA") effective August 1, 2019 ("Effective Date"), is entered into by and among between the County of Monterey, a political subdivision of the State of California, on behalf of Natividad Medical Center ("Covered Entity") and AE & Associates, LLC ("Business Associate") (each a "Party" and collectively the "Parties").

RECITALS

A. WHEREAS, Business Associate provides certain Services for Covered Entity that involve the Use and Disclosure of Protected Health Information ("PHI") that is created, received, transmitted, or maintained by Business Associate for or on behalf of Covered Entity.

B. WHEREAS, The Parties are committed to complying with the Health Insurance Portability and Accountability Act of 1996 ("HIPAA), as amended by the Health Information Technology for Economic and Clinical Health Act (the "HITECH Act"), and their implementing regulations, including the Standards for the Privacy of Individually Identifiable Health Information, 45 C.F.R. Part 160 and Part 164, Subparts A and E (the "Privacy Rule"), the Breach Notification Standards, 45 C.F.R. Part 160 and 164 subparts A and D (the "Breach Notification Rule"), and the Security Standards, 45 C.F.R. Part 160 and Part 164, Subpart C (the "Security Rule"), (collectively "HIPAA"), all as amended from time to time.

C. WHEREAS, The Parties are also committed to complying with the California Confidentiality Laws (defined below).

D. WHEREAS, To the extent that Business Associate is performing activities in connection with covered accounts for or on behalf of Covered Entity, the Parties are also committed to complying with applicable requirements of the Red Flag Rules issued pursuant to the Fair and Accurate Credit Transactions Act of 2003 ("Red Flag Rules").

E. WHEREAS, The Privacy and Security Rules require Covered Entity and Business Associate to enter into a business associate agreement that meets certain requirements with respect to the Use and Disclosure of PHI. This BAA, sets forth the terms and conditions pursuant to which PHI, and, when applicable, Electronic Protected Health Information ("EPHI") shall be handled, in accordance with such requirement.

NOW THEREFORE, in consideration of the mutual promises below and the exchange of information pursuant to this BAA, the Parties agree as follows:

AGREEMENT

1. DEFINITIONS

1.1 All capitalized terms used in this BAA but not otherwise defined shall have the meaning set forth in the Privacy Rule, the Breach Notification Rule, or the Security Rule.

(a) "Breach" shall have the same meaning as "breach" as defined in 45 C.F.R. § 164.402 and shall mean the access, acquisition, Use, or Disclosure of PHI in a manner not permitted under the Privacy Rule that compromises the privacy or security of the PHI; the term "Breach" as used in this BAA shall also mean the unlawful or unauthorized access to, Use or Disclosure of a patient's "medical information" as defined under Cal. Civil Code § 56.05(j), for which notification is required pursuant to Cal. Health & Safety Code 1280.15, or a "breach of the security of the system" under Cal. Civil Code §1798.29.

(b) "California Confidentiality Laws" shall mean the applicable laws of the State of California governing the confidentiality of PHI or Personal Information, including, but not limited to, the California Confidentiality of Medical Information Act (Cal. Civil Code §56, et seq.), the patient access law (Cal. Health & Safety Code §123100 et seq.), the HIV test result confidentiality law (Cal. Health & Safety Code §120975, et seq.), the Lanterman-Petris-Short Act (Cal. Welf. & Inst. Code §5328, et seq.), and the medical identity theft law (Cal. Civil Code 1798.29).

(c) "Protected Health Information" or "PHI" shall mean any information, whether oral or recorded in any form or medium: (i) that relates to the past, present or future physical or mental condition of an individual; the provision of health care to an individual or the past, present or future payment for the provision of health care to an individual; (ii) that identifies the individual or with respect to which there is a reasonable basis to believe the information that can be used to identify the individuals, and (iii) is provided by Covered Entity to Business Associate or created, maintained, received, or transmitted by Business Associate on Covered Entity's behalf. **PHI includes EPHI**.

(d) "Services" shall mean the services for or functions on behalf of Covered Entity performed by Business Associate pursuant to a Services Agreement between Covered Entity and Business Associate to which this BAA applies.

2. PERMITTED USES AND DISCLOSURES OF PHI

Unless otherwise limited herein, Business Associate may:

(a) Use or Disclose PHI to perform Services for, or on behalf of, Covered Entity, provided that such Use or Disclosure would not violate the Privacy or Security Rules, this BAA, or California Confidentiality Laws;

(b) Use or Disclose PHI for the purposes authorized by this BAA or as otherwise Required by Law;

(c) Use PHI to provide Data Aggregation Services for the Health Care Operations of Covered Entity, if required by the Services Agreement and as permitted by 45 C.F.R. § 164.504(e)(2)(i)(B);

(d) Use PHI if necessary for the proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate as permitted by 45 C.F.R. § 164.504(e)(4)(i);

(e) Disclose PHI for the proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate as permitted under 45 C.F.R. § 164.504(e)(4)(ii), provided that Disclosures are Required by Law, or Business Associate obtains reasonable assurances from the person to whom the information is Disclosed that it will remain confidential and be Used or further Disclosed only as Required by Law or for the purpose for which it was Disclosed to the person, and that such person will notify the Business Associate of any instances of which such person is aware that the confidentiality of the information has been breached;

(f) Use PHI to report violations of law to appropriate Federal and state authorities, consistent with 45 C.F.R. § 164.502(j)(1); and

(g) De-identify any PHI obtained by Business Associate under this BAA in accordance with 45 C.F.R. § 164.514 and Use or Disclose such de-identified information only as required to provide Services pursuant to the a Services Agreement between the Parties, or with the prior written approval of Covered Entity.

3. RESPONSIBILITIES OF THE PARTIES WITH RESPECT TO PHI

3.1. Responsibilities of Business Associate. With regard to its Use and/or Disclosure of PHI, Business Associate shall:

(a) Notify the Privacy Officer of Covered Entity, in writing, of: (i) any Use and/or Disclosure of the PHI that is not permitted or required by this BAA; (ii) any Security Incident of which Business Associate becomes aware; and (iii) any suspected Breach. Such notice shall be provided within five (5) business days of Business Associate's discovery of such unauthorized access, acquisition, Use and/or Disclosure. Notwithstanding the foregoing, the Parties acknowledge the ongoing existence and occurrence of attempted but ineffective Security Incidents that are trivial in nature, such as pings and other broadcast service attacks, and unsuccessful log-in attempts. The Parties acknowledge and agree that this Section 3.1(a) constitutes notice by Business Associate to Covered Entity of such ineffective Security Incidents and no additional notification to Covered Entity of such ineffective Security Incidents is required, provided that no such Security Incident results in a Breach. A ransomware attack shall not be considered an ineffective Security Incident and shall be reported to Covered Entity, irrespective of whether such Security Incident results in a Breach. Business Associate shall investigate each Security Incident or unauthorized access, acquisition, Use, or Disclosure of PHI, or suspected Breach that it discovers and shall provide a summary of its investigation to Covered Entity, upon request. If Business Associate or Covered Entity determines that such Security Incident or unauthorized access, acquisition, Use, or Disclosure, or suspected Breach constitutes a Breach, then Business Associate shall comply with the requirements of Section 3.1(a)(i) below;

(i) Business Associate shall provide a supplemental written report in accordance with 45 C.F.R. § 164.410(c), which shall include, to the extent possible, the identification of each individual whose PHI has been, or is reasonably believed by the Business Associate to have been, accessed, acquired, Used or Disclosed during the Breach, to Covered Entity without unreasonable delay, but no later than five (5) business days after discovery of the Breach;

(ii) Covered Entity shall have sole control over the timing and method of providing notification of such Breach to the affected individual(s), the appropriate government agencies, and, if applicable, the media. Business Associate shall assist with the implementation of any decisions by Covered Entity to notify individuals or potentially impacted individuals;

(b) In consultation with the Covered Entity, Business Associate shall mitigate, to the extent practicable, any harmful effect that is known to the Business Associate of such improper access, acquisition, Use, or Disclosure, Security Incident, or Breach. Business Associate shall take prompt corrective action, including any action required by applicable State or federal laws and regulations relating to such Security Incident or non-permitted access, acquisition, Use, or Disclosure. Business Associate shall reimburse Covered Entity for its reasonable costs and expenses in providing any required notification to affected individuals, appropriate government agencies, and, if necessary the media, including, but not limited to, any administrative costs associated with providing notice, printing and mailing costs, public relations costs, attorney fees, and costs of mitigating the harm (which may include the costs of obtaining up to one year of credit monitoring services and identity theft insurance) for affected individuals whose PHI or Personal Information has or may have been compromised as a result of the Breach;

(c) Implement appropriate administrative, physical, and technical safeguards and comply with the Security Rule to prevent Use and/or Disclosure of EPHI other than as provided for by this BAA;

(d) Obtain and maintain a written agreement with each of its Subcontractors that creates, maintains, receives, Uses, transmits or has access to PHI that requires such Subcontractors to adhere to the substantially the same restrictions and conditions with respect to PHI that apply to Business Associate pursuant to this BAA;

(e) Make available all internal practices, records, books, agreements, policies and procedures and PHI relating to the Use and/or Disclosure of PHI received from, created, maintained, or transmitted by Business Associate on behalf of Covered Entity to the Secretary of the Department of Health and Human Services ("Secretary") in a time and manner designated by the Secretary for purposes of determining Covered Entity's or Business Associate's compliance with the Privacy Rule. In addition, Business Associate shall promptly make available to Covered Entity such books, records, or other information relating to the Use and Disclosure of PHI for purposes of determining whether Business Associate has complied with this BAA or maintains adequate security safeguards, upon reasonable request by Covered Entity;

(f) Document Disclosures of PHI and information related to such Disclosure and, within thirty (30) days of receiving a written request from Covered Entity, provide to Covered Entity such information as is requested by Covered Entity to permit Covered Entity to respond to a request by an individual for an accounting of the Disclosures of the individual's PHI in accordance with 45 C.F.R. § 164.528. At a minimum, the Business Associate shall provide the Covered Entity with the following information: (i) the date of the Disclosure; (ii) the name of the entity or person who received the PHI, and if known, the address of such entity or person; (iii) a brief description of the PHI Disclosed; and (iv) a brief statement of the purpose of such Disclosure which includes an explanation of the basis for such Disclosure. In the event the request for an accounting is delivered directly to the Business Associate, the Business Associate shall, within ten (10) days, forward such request to the Covered Entity. The Business Associate shall implement an appropriate recordkeeping process to enable it to comply with the requirements of this Section;

(g) Subject to Section 4.4 below, return to Covered Entity within thirty (30) days of the termination of this BAA, the PHI in its possession and retain no copies, including backup copies;

(h) Disclose to its Subcontractors or other third parties, and request from Covered Entity, only the minimum PHI necessary to perform or fulfill a specific function required or permitted hereunder;

(i) If all or any portion of the PHI is maintained in a Designated Record Set:

(i) Upon ten (10) days' prior written request from Covered Entity, provide access to the PHI to Covered Entity to meet a request by an individual under 45 C.F.R. § 164.524. Business Associate shall notify Covered Entity within ten (10) days of its receipt of a request for access to PHI from an Individual; and

(ii) Upon ten (10) days' prior written request from Covered Entity, make any amendment(s) to the PHI that Covered Entity directs pursuant to 45 C.F.R. § 164.526. Business Associate shall notify Covered Entity within ten (10) days of its receipt of a request for amendment of PHI from an Individual;

(j) If applicable, maintain policies and procedures to detect and prevent identity theft in connection with the provision of the Services, to the extent required to comply with the Red Flag Rules;

(k) To the extent that Business Associate carries out one or more of Covered Entity's obligations under the Privacy Rule, Business Associate shall comply with the requirements of the Privacy Rule that apply to Covered Entity in the performance of such obligations;

(l) Unless prohibited by law, notify the Covered Entity within five (5) days of the Business Associate's receipt of any request or subpoena for PHI. To the extent

that the Covered Entity decides to assume responsibility for challenging the validity of such request, the Business Associate shall cooperate fully with the Covered Entity in such challenge; and

(m) Maintain policies and procedures materially in accordance with State Confidentiality Laws and industry standards designed to ensure the security and integrity of the Covered Entity's data and protect against threats or hazards to such security.

3.2 Business Associate Acknowledgment.

(a) Business Associate acknowledges that, as between the Business Associate and the Covered Entity, all PHI shall be and remain the sole property of the Covered Entity.

(b) Business Associate further acknowledges that it is obligated by law to comply, and represents and warrants that it shall comply, with HIPAA and the HITECH Act. Business Associate shall comply with all California Confidentiality Laws, to the extent that such state laws are not preempted by HIPAA or the HITECH Act.

(c) Business Associate further acknowledges that uses and disclosures of protected health information must be consistent with NMC's privacy practices, as stated in NMC's Notice of Privacy Practices. The current Notice of Privacy Practices can be retrieved online at: http://www.natividad.com/quality-and-safety/patient-privacy . Business Associate agrees to review the NMC Notice of Privacy Practices at this URL at least once annually while doing business with NMC to ensure it remains updated on any changes to the Notice of Privacy Practices NMC may make.

3.3 Responsibilities of Covered Entity. Covered Entity shall, with respect to Business Associate:

(a) Provide Business Associate a copy of Covered Entity's notice of privacy practices ("Notice") currently in use;

(b) Notify Business Associate of any changes to the Notice that Covered Entity provides to individuals pursuant to 45 C.F.R. § 164.520, to the extent that such changes may affect Business Associate's Use or Disclosure of PHI;

(c) Notify Business Associate of any changes in, or withdrawal of, the consent or authorization of an individual regarding the Use or Disclosure of PHI provided to Covered Entity pursuant to 45 C.F.R. § 164.506 or § 164.508, to the extent that such changes may affect Business Associate's Use or Disclosure of PHI; and

(d) Notify Business Associate of any restrictions on Use and/or Disclosure of PHI as provided for in 45 C.F.R. § 164.522 agreed to by Covered Entity, to the extent that such restriction may affect Business Associate's Use or Disclosure of PHI.

4. TERM AND TERMINATION

4.1 **Term**. This BAA shall become effective on the Effective Date and shall continue in effect unless terminated as provided in this Section 4. Certain provisions and requirements of this BAA shall survive its expiration or other termination as set forth in Section 5 herein.

4.2 **Termination**. If Covered Entity determines in good faith that Business Associate has breached a material term of this BAA, Covered Entity may either: (i) immediately terminate this BAA and any underlying Services Agreement; or (ii) terminate this BAA and any underlying Services Agreement within thirty (30) days of Business Associate's receipt of written notice of such breach, if the breach is not cured to the satisfaction of Covered Entity.

4.3 **Automatic Termination**. This BAA shall automatically terminate without any further action of the Parties upon the termination or expiration of Business Associate's provision of Services to Covered Entity.

4.4 **Effect of Termination**. Upon termination or expiration of this BAA for any reason, Business Associate shall return all PHI pursuant to 45 C.F.R. § 164.504(e)(2)(ii)(J) if, and to the extent that, it is feasible to do so. Prior to returning the PHI, Business Associate shall recover any PHI in the possession of its Subcontractors. To the extent it is not feasible for Business Associate to return or destroy any portion of the PHI, Business Associate shall provide Covered Entity with a statement that Business Associate has determined that it is infeasible to return or destroy all or some portion of the PHI in its possession or in possession of its Subcontractors. In such event, Business Associate shall: (i) retain only that PHI which is necessary for Business Associate to continue its proper management and administration or carry out its legal responsibilities; (ii) return to Covered Entity the remaining PHI that the Business Associate maintains in any form; (iii) continue to extend the protections of this BAA to the PHI for as long as Business Associate retains PHI; (iv) limit further Uses and Disclosures of such PHI to those purposes that make the return or destruction of the PHI not feasible and subject to the same conditions as set out in Section 2 above, which applied prior to termination; and (vi) return to Covered Entity the PHI retained by Business Associate when it is no longer needed by Business Associate for its proper management and administration or to carry out its legal responsibilities.

5. MISCELLANEOUS

5.1 **Survival**. The respective rights and obligations of Business Associate and Covered Entity under the provisions of Sections 2.1, 4.4, 5.7, 5.8, 5.11, and 5.12 shall survive termination of this BAA until such time as the PHI is returned to Covered Entity or destroyed. In addition, Section 3.1(i) shall survive termination of this BAA, provided that Covered Entity determines that the PHI being retained pursuant to Section 4.4 constitutes a Designated Record Set.

5.2 **Amendments; Waiver**. This BAA may not be modified or amended, except in a writing duly signed by authorized representatives of the Parties. To the extent that any relevant provision of HIPAA, the HITECH Act, or California Confidentiality

Laws is materially amended in a manner that changes the obligations of the Parties, the Parties agree to negotiate in good faith appropriate amendment(s) to this BAA to give effect to the revised obligations. Further, no provision of this BAA shall be waived, except in a writing duly signed by authorized representatives of the Parties. A waiver with respect to one event shall not be construed as continuing, or as a bar to or waiver of any right or remedy as to subsequent events.

5.3 No Third Party Beneficiaries. Nothing express or implied in this BAA is intended to confer, nor shall anything herein confer, upon any person other than the Parties and the respective successors or assigns of the Parties, any rights, remedies, obligations, or liabilities whatsoever.

5.4 Notices. Any notices to be given hereunder to a Party shall be made via U.S. Mail or express courier to such Party's address given below, and/or via facsimile to the facsimile telephone numbers listed below.

If to Business Associate, to:

1441 Constitution Blvd.
Salinas, CA 93906
Phone: 831-755-4111
Fax: 831-755-6254

Each Party named above may change its address and that of its representative for notice by the giving of notice thereof in the manner hereinabove provided. Such notice is effective upon receipt of notice, but receipt is deemed to occur on next business day if notice is sent by FedEx or other overnight delivery service.

5.5 Counterparts; Facsimiles. This BAA may be executed in any number of counterparts, each of which shall be deemed an original. Facsimile copies hereof shall be deemed to be originals.

5.6 Relationship of Parties. Notwithstanding anything to the contrary in the Services Agreement, Business Associate is an independent contractor and not an agent of Covered Entity under this BAA. Business Associate has the sole right and obligation to supervise, manage, contract, direct, procure, perform, or cause to be performed all Business Associate obligations under this BAA.

5.7 **Choice of Law; Interpretation**. This BAA shall be governed by the laws of the State of California. Any ambiguities in this BAA shall be resolved in a manner that allows Covered Entity and Business Associate to comply with the Privacy Rule, the Security Rule, and the California Confidentiality Laws.

5.8 **Indemnification**. Business Associate shall indemnify, defend, and hold harmless the County of Monterey (the "County"), its officers, agents, and employees from any claim, liability, loss, injury, cost, expense, penalty or damage, including costs incurred by the County with respect to any investigation, enforcement proceeding, or third party action, arising out of, or in connection with, a violation of this BAA or a Breach that is attributable to an act or omission of Business Associate and/or its agents, members, employees, or Subcontractors, excepting only loss, injury, cost, expense, penalty or damage caused by the negligence or willful misconduct of personnel employed by the County. It is the intent of the Parties to provide the broadest possible indemnification for the County. This provision is in addition to, and independent of, any indemnification provision in any related or other agreement between the Parties.

5.9 **Applicability of Terms.** This BAA applies to all present and future Service Agreements and Business Associate relationships, written or unwritten, formal or informal, in which Business Associate creates, receives, transmits, or maintains any PHI for or on behalf of Covered Entity in any form whatsoever. This BAA shall automatically be incorporated in all subsequent agreements between Business Associate and Covered Entity involving the Use or Disclosure of PHI whether or not specifically referenced therein. In the event of any conflict or inconsistency between a provision of this BAA and a provision of any other agreement between Business Associate and Covered Entity, the provision of this BAA shall control unless the provision in such other agreement establishes additional rights for Business Associate or additional duties for or restrictions on Business Associate with respect to PHI, in which case the provision of such other agreement will control.

5.10 **Insurance**. In addition to any general and/or professional liability insurance required of Business Associate, Business Associate agrees to obtain and maintain, at its sole expense, liability insurance on an occurrence basis, covering any and all claims, liabilities, demands, damages, losses, costs and expenses arising from a breach of the obligations of Business Associate, its officers, employees, agents and Subcontractors under this BAA. Such insurance coverage will be maintained for the term of this BAA, and a copy of such policy or a certificate evidencing the policy shall be provided to Covered Entity at Covered Entity's request.

5.11 **Legal Actions**. Promptly, but no later than five (5) business days after notice thereof, Business Associate shall advise Covered Entity of any actual or potential action, proceeding, regulatory or governmental orders or actions, or any material threat thereof that becomes known to it that may affect the interests of Covered Entity or jeopardize this BAA, and of any facts and circumstances that may be pertinent to the prosecution or defense of any such actual or potential legal action or proceeding, except to the extent prohibited by law.

5.12 **Audit or Investigations**. Promptly, but no later than five (5) calendar days after notice thereof, Business Associate shall advise Covered Entity of any audit, compliant review, or complaint investigation by the Secretary or other state or federal agency related to compliance with HIPAA, the HITECH Act, or the California Confidentiality Laws.

IN WITNESS WHEREOF, each of the undersigned has caused this BAA to be duly executed in its name and on its behalf as of the Effective Date.

a. Authorize the Chief Executive Officer for Natividad Medical Center (NMC) or his designee to execute a Student Placement Agreement with Arcadia University for rotations of Arcadia University's Doctor of Physical Therapy Program students at NMC, with an agreement term of January 15, 2024 through January 14, 2027.
b. Approve the NMC Chief Executive Officer's recommendation to accept non-standard indemnification and insurance provisions within the agreement.

RECOMMENDATION:

It is recommended the Board of Supervisors:

a. Authorize the Chief Executive Officer for Natividad Medical Center (NMC) or his designee to execute a Student Placement Agreement with Arcadia University for rotations of Arcadia University's Doctor of Physical Therapy Program students at NMC, with an agreement term of January 15, 2024 through January 14, 2027.
b. Approve the NMC Chief Executive Officer's recommendation to accept non-standard indemnification and insurance provisions within the agreement.

SUMMARY/DISCUSSION:

NMC strives to offer the highest quality care and best outcomes to patients and their families. At the same time, the organization promotes professional development and continuous skill acquisition among staff for the betterment of the community. One way we achieve this at NMC is to support clinical affiliation agreements with colleges and universities for specific clinical programs the suit the needs of the organization and the community. NMC would like to establish an affiliation with Arcadia University for its Doctor of Physical Therapy Program.
This program can benefit NMC in its efforts for talent acquisition following completion of clinical rotations to help fill vacant positions for Physical Therapists and other related professions.

OTHER AGENCY INVOLVEMENT:

The Office of County Counsel has reviewed and approved this agreement as to legal form, and the Auditor-Controller has reviewed and approved as to payment provisions.

FINANCING:

There is no cost associated with this agreement.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

NMC is dedicated to providing the people of Monterey County the best possible care to each patient. As a teaching hospital, it is essential to support professional development and upward career mobility through partnership with colleges and universities from across the country. Supporting the clinical affiliation with Arcadia University may lead to a stronger workforce which strengthens economic development and growth opportunities within Monterey County. Arcadia University's Doctor of Physical Therapy Program can yield qualified professional Physical Therapists (PT), thereby strengthening the pool of medical professionals in the area, and further enhancing healthcare opportunities for Monterey County residents.

STUDENT PLACEMENT AGREEMENT
BETWEEN
COUNTY OF MONTEREY, ON BEHALF OF NATIVIDAD MEDICAL CENTER
AND
ARCADIA UNIVERSITY

THIS AGREEMENT is made and entered into this 15 day of January, 2024 between Arcadia University ("Institution") and the County of Monterey, on behalf of Natividad Medical Center (hereinafter "COUNTY").

A. Institution is committed to service in the community and applied learning experiences for students. This is accomplished both through field education and service learning requirement. Field education and service learning involve the completion of internship or externship assignments in the local community that tie meaningful learning experiences directly to course content. Through reflective activities, service, and field seminars, students enhance their understanding of course content, sense of civic responsibility, self-awareness, professional development and commitment to the community.

B. The mission of COUNTY is to excel at providing quality services for the benefit of all Monterey County residents while developing, maintaining and enhancing the resources of the region.

C. COUNTY and Institution recognize the opportunity for meaningful learning experiences for Institution, COUNTY and students. Institution supports the goals and objectives of the COUNTY program in which students will participate.

D. Health services provided and administered by COUNTY are governed by but not limited to: Health Insurance Portability and Accountability Act of 1996, 45 C.F.R. Part 160 and Part 164 as amended by the Health Information Technology for Economic and Clinical Health Act and its implementing regulations; California Confidentiality of Medical Information Act, Ca. Civil Code §§ 56 et seq.; Lanterman-Petris-Short Act [Welfare and Institutions Code Section 5000 et seq.]; California Code of Regulations, Title 22, § 51009; Confidential Nature of Records; Welfare and Institutions Code section 14100.2 and 42 Code of Federal Regulations section 431.300 et.seq.

The parties agree as follows:

I. INSTITUTION'S RESPONSIBILITIES

A. Student Profile. Institution shall make available to COUNTY a field application student profile which shall include the student's name, address, telephone number, and other pertinent information. COUNTY shall review student applications and select students for internship with COUNTY. Each student shall be responsible for submitting his or her student profile before the Program training period begins. COUNTY shall regard this information as confidential and shall use the information only to identify each student.

B. Schedule of Assignments. Institution shall notify COUNTY designated staff of student assignment, including the name of the student, level of academic preparation, and length and dates of proposed experience. The maximum number of students shall be mutually agreed by the parties. The starting date and length of each Program training period shall be mutually agreed by the parties.

C. Program Coordinator. Institution shall designate a point of contact to coordinate with COUNTY's designee in planning the Program to be provided to students.

D. Records. Institution shall maintain all personnel records for its staff and all academic records for its students. COUNTY will ensure any records kept for student performance are sent to the Institution as proof of student accomplishments.

E. Student Qualifications: Institution shall provide appropriate health and safety training to all students on a regular basis, in accordance with prevailing Federal and State laws and regulations. Institution shall require that each student designated by Institution for clinical and/or practicum experience under this Agreement shall meet the minimum qualifications for a student in the designated Program. Additionally, Institution shall ensure that: (i) all students have documented training to meet OSHA Regulations on occupational Exposure to Blood-borne Pathogens prior to the beginning of the internship experience; and (ii) each student assigned to COUNTY meet the COUNTY's requirements, see Exhibit A. Where Institution maintains any and all records of such testing, such records shall be made available to COUNTY upon request.

F. Health Insurance. Institution shall ensure each student has his or her own health insurance if not provided by the Institution.

G. Student Responsibilities. Institution shall notify students in the program that they are responsible for:

1) Complying with COUNTY's clinical and administrative policies, procedures, rules and regulations, as outlined in Exhibit A of this Agreement.

2) Arranging for his/her own transportation and living arrangements.

3) Assuming responsibility for personal illnesses, necessary immunizations, tuberculin tests, annual health examinations and other requirements as identified by COUNTY; refer to Exhibit A for COUNTY training requirements.

4) Maintaining the confidentiality of patient information.

a) No student shall have access to or have the right to receive any medical record, except when necessary in the regular course of the practicum experience. The discussion, transmission, or narration in any form by students of any individually identifiable patient information, medical or otherwise, obtained in the course of the program is forbidden except as a necessary part of the practical experience.

b) Neither the Institution nor its employees or agents shall be granted access to individually identifiable information unless the patient has first given consent using a form approved by COUNTY that complies with applicable state and federal law as defined in Recital D of this Agreement and its implementing regulations.

c) COUNTY shall reasonably assist student in obtaining patient consent in appropriate circumstances when applicable. In the absence of consent, students shall use de-identified information only in any discussions about the clinical experience with Institution, its employees, or agents.

5) Complying with COUNTY's dress code and wearing name badges identifying themselves as Student Intern, if specified by COUNTY.

6) Insurance requirements. See Section V.

H. Field Experience Plan. Institution shall assist in establishing a plan/learning agreement for the field experience by mutual agreement between COUNTY's representative and the Institution's Field Faculty representative and the student.

I. Field Conference. Institution may facilitate periodic conferences between appropriate representatives of the Field Faculty and COUNTY to evaluate the field experience program provided under this Agreement.

J. Grading and Discipline. Institution will retain ultimate responsibility for the education of its students, maintain all education records, and have the final responsibility for grading students. Institution shall have full responsibility for conducting any student disciplinary proceedings in accordance with its own rules and regulations.

II. COUNTY RESPONSIBILITIES

A. Field Experience. At COUNTY's discretion, COUNTY shall accept from Institution the student and shall provide the student with a supervised field experience.

B. COUNTY Designee. COUNTY shall designate a member of its staff to participate with Institution's designee in planning, implementing, and coordinating the Program. COUNTY shall notify the Institution in advance of any change in COUNTY's personnel appointments that may affect the student field program.

C. Access to Facilities. COUNTY shall permit students enrolled in the Program access to COUNTY facilities as appropriate and necessary for their Program, provided that the students' presence shall not interfere with COUNTY's activities. COUNTY shall provide appropriate security and personal safety measures for the students and faculty.

D. Records and Evaluations. COUNTY shall maintain complete records and reports on student's performance and provide an evaluation to Institution on forms the Institution shall provide.

E. Withdrawal of Students. COUNTY shall have the right to immediately terminate a student's placement/assignment if student who, in the judgment of COUNTY, is not participating satisfactorily or refuses to follow the COUNTY's administrative policies, procedures, rules and regulations, including but not limited to inappropriate behavior, dress and/or hygiene. COUNTY shall immediately notify the student and the Institution by telephone or in person. The student and representative(s) of the Institution may meet with COUNTY to determine whether the student will be reinstated in the internship assignment at COUNTY, and if so, upon terms and conditions determined by COUNTY to be appropriate.

F. Emergency Health Care/First Aid. COUNTY agrees to comply with applicable state and federal workplace safety laws and regulations. COUNTY shall, on any day when a student is receiving training at its facilities, ensure student has access to emergency health care or first aid for accidents occurring in its facilities at Institution and/or student expense.

G. COUNTY's Confidentiality Policies. As trainees, students shall be considered members of COUNTY's "workforce," as that term is defined by the HIPAA regulations at 45 C.F.R. § 160.103, and shall be subject to COUNTY's lawful policies respecting confidentiality of medical information (as defined in Recital D). If Institution suspects a breach of any of these lawful policies, Institution must notify COUNTY immediately. Notwithstanding any provision of this Agreement to the contrary, in the event of a breach of this Section, the County of Monterey shall have the right to seek direct damages from the Institution.

H. FERPA. To the extent COUNTY generates or maintains educational records related to the participating student, COUNTY agrees to comply with the Family Educational Rights and Privacy Act ("FERPA"), to the same extent as such laws and regulations apply to Institution and shall limit access to only those employees or agents with a need to know. For the purposes of this Agreement, pursuant to FERPA, Institution hereby designates COUNTY as Institution official with a legitimate educational interest in the educational records of the participating student(s) to the extent that access to the Institution's records is required by COUNTY to carry out the program.

I. Responsibility for patient care. COUNTY will retain full authority and responsibility for patient care and quality standards and will maintain a level of care which meets generally accepted standards conducive to satisfactory instruction. While in COUNTY's facilities, students will have the status of students; are not to replace The COUNTY staff; and are not to render unsupervised patient care and/or services. All services rendered by students must have educational value and meet the goals of the clinical education program. COUNTY and its staff will provide such supervision of the educational and clinical activities as is reasonable and appropriate to the circumstances and to the student's level of training.

K. COUNTY will resolve any situation in favor of its patients' welfare and restrict a student to the role of observer when a problem may exist until the incident can be resolved by the

staff in charge of the student or the student is removed. COUNTY will notify the Institution's course director if such an action is required.

K. COUNTY will provide written notification to Institution promptly if a claim arises involving a student.

III. NON-DISCRIMINATION

The parties agree that all students receiving field education training pursuant to this Agreement shall be selected without discrimination on account of race, color, religion, national origin, ancestry, disability, marital status, gender, gender identity, sexual orientation, age or veteran status.

IV. STATUS OF STUDENTS

Institution represents that the students enrolled in the Program are in attendance for educational purposes, and such students are not considered employees of Institution or of the COUNTY for any purpose, including, but not limited to, payroll taxes, withholdings, compensation for services, welfare and pension benefits, or workers' compensation insurance. Students are considered members of COUNTY's "workforce" for purposes of Recital D compliance and COUNTY policies and procedures. If the student is a paid employee of COUNTY, the student will be covered under COUNTY's insurance policies, including Workers' Compensation, to the extent available to other employees.

V. INSURANCE

The Institution and COUNTY mutually agree that each shall provide and maintain commercial general liability insurance acceptable to both parties in the minimum amounts of $1,000,000 per occurrence and $3,000,000 in annual aggregate. Each shall be responsible for providing the other with a Certificate of Insurance evidencing the required coverage prior to execution of this agreement.

The parties shall each further secure and maintain at all times during the term of this Agreement, at their respective sole expense, professional liability insurance covering themselves and their respective employees. Such coverage provided by the Institution and COUNTY may be afforded via commercial insurance, self-insurance, a captive, or some combination thereof at limits of at least $1,000,000 per claim or occurrence and $3,000,000 in the aggregate.

The Institution shall maintain or shall cause each student to maintain professional liability, public liability and property damage insurance in the amount of $1,000,000 for any single occurrence and a minimum of $3,000,000 in the aggregate during the trainee's supervised field experience. The Institution shall furnish proof of such insurance coverage prior to execution of this agreement.

In addition, Institution shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

Business automobile liability insurance, covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than $1,000,000 per occurrence.

Student Automobile liability insurance, students who drive to/from any clinical work location, must provide proof of valid California driver's license for in-state students or other valid state driver's license for out-of-state students and proof of insurance.

Workers' Compensation Insurance, if Institution employs others in the performance of this Agreement, in accordance with the law of the State of Pennsylvania.

Except for ten (10) days' notice of non-payment, the Institution and COUNTY will require thirty (30) days written notice if the policy is canceled, non-renewed, or coverage/limits that are reduced or materially altered.

VI. INDEMNIFICATION.

Each party shall indemnify, defend, and hold harmless the other party, its officers, agents, employees, or subcontractors from any claim, liability, loss, injury or damage arising out of, or in connection with, performance of this Agreement. The Institution shall reimburse COUNTY for all costs actually incurred, reasonable attorneys' fees, expenses and liabilities incurred with respect to any litigation in which the Institution is obligated to indemnify, defend and hold harmless COUNTY under this Agreement.

VII. TERM AND TERMINATION

A. Term. This Agreement shall be effective as of the date first written above and shall remain in effect until January 14, 2027.

B. Renewal. This Agreement may be renewed by mutual agreement.

C. Termination. This Agreement may be terminated at any time by the written agreement or upon thirty (90) days' advance written notice by one party to the other.

VIII. GENERAL PROVISIONS

A. Amendments. In order to ensure compliance with HIPAA, the following provisions of this Agreement shall not be subject to amendment by any means during the term of this Agreement or any extensions: Section I, Paragraph E, subdivisions 4.a), 4.b), and 4.c); Section I, Paragraph H, to the extent it provides that students are members of COUNTY's "workforce" for purposes of HIPAA; Section II, Paragraph E; and Section IV. This Agreement may otherwise be amended at any time by mutual agreement of the parties without additional

consideration, provided that before any amendment shall take effect, it shall be reduced to writing and signed by the duly authorized representatives of the parties.

B. Assignment. Neither party shall voluntarily or by operation of law, assign or otherwise transfer this Agreement without the other party's prior written consent. Any purported assignment in violation of this paragraph shall be void.

C. Attorney's Fees. In the event that any action is brought by either party to enforce or interpret the terms of this Agreement, each party shall bear its own attorney's fees and costs.

D. Captions. Captions and headings in this Agreement are solely for the convenience of the parties, are not a part of this Agreement, and shall not be used to interpret or determine the validity of this Agreement or any of its provisions.

E. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all such counterparts together shall constitute one and the same instrument.

F. Entire Agreement. This Agreement is the entire agreement between the parties. No other agreements, oral or written, have been entered into with respect to the subject matter of this Agreement. This Agreement may be modified only by subsequent written amendments properly executed by the parties.

G. Governing Law. The validity, interpretation, and performance of this Agreement shall be governed by and construed in accordance with the laws of the State of California.

I. Notices. Notices required under this Agreement shall be in writing and deemed to have been duly given when sent to the parties by certified or registered mail, return receipt requested, postage prepaid, at the addresses set forth below.

a. Authorize the Chief Executive Officer for Natividad Medical Center (NMC) or his designee to execute Amendment No. 1 to the Student Placement Agreement with Boise State University for rotations of Boise State University's Acute Care Nurse Practitioner Program students at NMC, with no change to the agreement term of March 1, 2023 through February 28, 2026.
b. Approve the NMC's Chief Executive Officer's recommendation to accept non-standard indemnification and insurance provisions within the agreement, and to include "Certification" provision (Idaho Code Section 67-2359) which addresses Institution's compliance with pertaining law of its home state of Idaho.

RECOMMENDATION:

It is recommended the Board of Supervisors:

a. Authorize the Chief Executive Officer for Natividad Medical Center (NMC) or his designee to execute Amendment No. 1 to the Student Placement Agreement with Boise State University for rotations of Boise State University's Acute Care Nurse Practitioner Program students at NMC, with no change to the agreement term of March 1, 2023 through February 28, 2026.
b. Approve the NMC's Chief Executive Officer's recommendation to accept non-standard indemnification and insurance provisions within the agreement, and to include "Certification" provision (Idaho Code Section 67-2359) which addresses Institution's compliance with pertaining law of its home state of Idaho.

SUMMARY/DISCUSSION:

NMC strives to offer the highest quality care and best outcomes to patients and their families. At same time, the organization promotes professional development and continuous skill acquisition among staff for the betterment of the community. One way we achieve this at NMC is to support clinical affiliation agreements with colleges and universities for specific clinical programs that suit the needs of the organization and the community. NMC would like to initiate an affiliation agreement with Boise State University for the Acute Care Nurse Practitioner Program. This program can benefit NMC in terms of talent acquisition following completion of clinical rotation to help fill vacant positions for Nurse Practitioners and other advance practice roles.

OTHER AGENCY INVOLVEMENT:

The Office of County Counsel has reviewed and approved this Amendment No. 1 as to form, and the Auditor-Controller has reviewed and approved as to payment provisions.

FINANCING:

There is no cost associated with this Student Placement Agreement.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

NMC is dedicated to the people of Monterey County to provide the best possible care to each patient. As a teaching hospital, it is essential to support professional development and upward career mobility through partnership with colleges and universities. Supporting the clinical affiliation with Boise State University may lead to a stronger workforce which strengthens economic development and growth opportunities within Monterey County. The Nurse Practitioner Program at Boise State University can yield qualified professional Acute Care Nurse Practitioners (NP), thereby strengthening the pool of medical professionals in the area, and further enhancing healthcare opportunities for Monterey County residents.

First Amendment to Student Placement Agreement
Between County of Monterey, on behalf of Natividad Medical Center
and Boise State University by and through its College of Health Sciences

The First Amendment amends that certain Student Placement Agreement between County of Monterey, on behalf of Natividad Medical Center and Boise State University entered into the 1st day of March, 2023 ("the Agreement"), as follows:

1. Section V INSURANCE is deleted and replaced with the following:

A. The County shall provide and maintain commercial general liability insurance in the minimum amount of $1,000,000 per occurrence and $3,000,000 general aggregate. County shall provide Institution with a Certificate of Insurance evidencing the required coverage prior to execution of this Agreement.

County shall further secure and maintain at all times during the term of this Agreement, at its sole expense, professional liability insurance covering County and its respective employees. Such coverage provided by County may be afforded via commercial insurance, self-insurance, a captive, or some combination thereof at limits of at least $1,000,000 per claim or occurrence and $3,000,000 in the aggregate.

B. Institution is a "governmental entity," as defined under the Idaho Tort Claims Act, specifically, Idaho Code section 6-902, as well as a "public employer," as defined under the Idaho Worker's Compensation law, specifically, Idaho Code section 72-205. As such, Institution shall maintain, at all times applicable hereto, comprehensive liability coverage in such amounts as are prescribed by Idaho Code section 6-924 (not less than $500,000). Institution's liability coverage shall cover the actions of Institution and its employees, agents, students, and faculty while acting in the course and scope of employment or as students of Institution in performing actions related to their Academic Practicums. Institution's liability coverage obligations shall be administered by the Administrator of the Division of Insurance Management in the Department of Administration for the State of Idaho, and may be covered, in whole or in part, by the State of Idaho's Retained Risk Account, as provided under Idaho Code Section 6-919. In addition to the foregoing, Institution shall maintain, in the amount of $1,000,000 per occurrence and $5,000,000 in the aggregate, professional liability insurance for itself and those students participating in the Student Affiliation Program. Institution does not provide worker's compensation coverage for students and staff placed at the County. Institution shall provide County with a Certificate of Insurance evidencing the coverage prior to execution of this Agreement.

2. Section VI INDEMNIFICATION is deleted and replaced with the following:

Each party to this Agreement shall be responsible for claims and damages to persons or property resulting from acts or omissions on the part of itself, its employees, or its officers. Neither party assumes any responsibility to the other party for the consequences of any act or omission of any person, firm or corporation not a party to this Agreement. Neither party to this Agreement shall be considered the agent of the other party.

3. Section VIII GENERAL PROVISIONS is amended to add the following sections:

I. Certification. Institution is prohibited by state law from entering into certain contractual agreements. County hereby certifies that pursuant to Idaho Code Section 67-2359, it is not currently owned or operated by the People's Republic of China and will not for the duration of the Agreement be owned or operated by the People's Republic of China. The terms in this section defined in Idaho Code 67-2359 shall have the meanings defined therein.

All other terms and conditions remain as set forth in the Agreement.

This First Amendment is executed as of the date of the last party to sign below.

STUDENT PLACEMENT AGREEMENT
BETWEEN
COUNTY OF MONTEREY, ON BEHALF OF NATIVIDAD MEDICAL CENTER
AND
BOISE STATE UNIVERSITY

THIS AGREEMENT is made and entered into this **1 day of March, 2023** between **Boise State University** ("Institution") and the County of Monterey, on behalf of Natividad Medical Center (hereinafter "COUNTY").

A. Institution is committed to service in the community and applied learning experiences for students. This is accomplished both through field education and service learning requirement. Field education and service learning involve the completion of internship or externship assignments in the local community that tie meaningful learning experiences directly to course content. Through reflective activities, service, and field seminars, students enhance their understanding of course content, sense of civic responsibility, self-awareness, professional development and commitment to the community.

B. The mission of COUNTY is to excel at providing quality services for the benefit of all Monterey County residents while developing, maintaining and enhancing the resources of the region.

C. COUNTY and Institution recognize the opportunity for meaningful learning experiences for Institution, COUNTY and students. Institution supports the goals and objectives of the COUNTY program in which students will participate.

D. Health services provided and administered by COUNTY are governed by but not limited to: Health Insurance Portability and Accountability Act of 1996, 45 C.F.R. Part 160 and Part 164 as amended by the Health Information Technology for Economic and Clinical Health Act and its implementing regulations; California Confidentiality of Medical Information Act, Ca. Civil Code §§ 56 et seq.; Lanterman-Petris-Short Act [Welfare and Institutions Code Section 5000 et seq.]; California Code of Regulations, Title 22, § 51009; Confidential Nature of Records; Welfare and Institutions Code section 14100.2 and 42 Code of Federal Regulations section 431.300 et.seq.

The parties agree as follows:

I. INSTITUTION'S RESPONSIBILITIES

A. Student Profile. Institution shall make available to COUNTY a field application student profile which shall include the student's name, address, telephone number, other pertinent information. COUNTY shall review student applications and select students for internship with COUNTY. Each student shall be responsible for submitting his or her student

DocuSign Envelope ID: 59ED32C2-F808-426E-9AC9-1DC9AE6E4F10

profile before the Program training period begins. COUNTY shall regard this information as confidential and shall use the information only to identify each student.

B. Schedule of Assignments. Institution shall notify COUNTY designated staff of student assignment, including the name of the student, level of academic preparation, and length and dates of proposed experience. The maximum number of students shall be mutually agreed by the parties. The starting date and length of each Program training period shall be mutually agreed by the parties.

C. Program Coordinator. Institution shall designate a point of contact to coordinate with COUNTY's designee in planning the Program to be provided to students.

D. Records. Institution shall maintain all personnel records for its staff and all academic records for its students. COUNTY will ensure any records kept for student performance are sent to the Institution as proof of student accomplishments.

E. Student Qualifications: Institution shall provide appropriate health and safety training to all students on a regular basis, in accordance with prevailing Federal and State laws and regulations. Institution shall require that each student designated by Institution for clinical and/or practicum experience under this Agreement shall meet the minimum qualifications for a student in the designated Program. Additionally, Institution shall ensure that: (i) all students have documented training to meet OSHA Regulations on occupational Exposure to Blood-borne Pathogens prior to the beginning of the internship experience; and (ii) each student assigned to COUNTY meet the COUNTY's requirements, see Exhibit A. Where Institution maintains any and all records of such testing, such records shall be made available to COUNTY upon request.

F. Health Insurance. Institution shall ensure each student has his or her own health insurance if not provided by the Institution.

G. Student Responsibilities. Institution shall notify students in the program that they are responsible for:

1) Complying with COUNTY's clinical and administrative policies, procedures, rules and regulations, as outlined in Exhibit A of this Agreement.

2) Arranging for his/her own transportation and living arrangements.

3) Assuming responsibility for personal illnesses, necessary immunizations, tuberculin tests, annual health examinations and other requirements as identified by COUNTY; refer to Exhibit A for COUNTY training requirements.

4) Maintaining the confidentiality of patient information.

a) No student shall have access to or have the right to receive any medical record, except when necessary in the regular course of the practicum

DocuSign Envelope ID: 59ED32C2-F808-426E-9AC9-1DC9AE6E4F10

experience. The discussion, transmission, or narration in any form by students of any individually identifiable patient information, medical or otherwise, obtained in the course of the program is forbidden except as a necessary part of the practical experience.

b) Neither the Institution nor its employees or agents shall be granted access to individually identifiable information unless the patient has first given consent using a form approved by COUNTY that complies with applicable state and federal law as defined in Recital D of this Agreement and its implementing regulations.

c) COUNTY shall reasonably assist student in obtaining patient consent in appropriate circumstances when applicable. In the absence of consent, students shall use de-identified information only in any discussions about the clinical experience with Institution, its employees, or agents.

5) Complying with COUNTY's dress code and wearing name badges identifying themselves as Student Intern, if specified by COUNTY.

6) Insurance requirements. See Section V.

H. Field Experience Plan. Institution shall assist in establishing a plan/learning agreement for the field experience by mutual agreement between COUNTY's representative and the Institution's Field Faculty representative and the student.

I. Field Conference. Institution may facilitate periodic conferences between appropriate representatives of the Field Faculty and COUNTY to evaluate the field experience program provided under this Agreement.

II. COUNTY RESPONSIBILITIES

A. Field Experience. At COUNTY's discretion, COUNTY shall accept from Institution the student and shall provide the student with a supervised field experience.

B. COUNTY Designee. COUNTY shall designate a member of its staff to participate with Institution's designee in planning, implementing, and coordinating the Program. COUNTY shall notify the Institution in advance of any change in COUNTY's personnel appointments that may affect the student field program.

C. Access to Facilities. COUNTY shall permit students enrolled in the Program access to COUNTY facilities as appropriate and necessary for their Program, provided that the students' presence shall not interfere with COUNTY's activities.

DocuSign Envelope ID: 59ED32C2-F808-426E-9AC9-1DC9AE6E4F10

D. Records and Evaluations. COUNTY shall maintain complete records and reports on student's performance and provide an evaluation to Institution on forms the Institution shall provide.

E. Withdrawal of Students. COUNTY shall have the right to immediately terminate a student's placement/assignment if student who, in the judgment of COUNTY, is not participating satisfactorily or refuses to follow the COUNTY's administrative policies, procedures, rules and regulations, including but not limited to inappropriate behavior, dress and/or hygiene. COUNTY shall immediately notify the student and the Institution by telephone or in person. The student and representative(s) of the Institution may meet with COUNTY to determine whether the student will be reinstated in the internship assignment at COUNTY, and if so, upon terms and conditions determined by COUNTY to be appropriate.

F. Emergency Health Care/First Aid. COUNTY shall, on any day when a student is receiving training at its facilities, ensure student has access to emergency health care or first aid for accidents occurring in its facilities at Institution and/or student expense.

G. COUNTY's Confidentiality Policies. As trainees, students shall be considered members of COUNTY's "workforce," as that term is defined by the HIPAA regulations at 45 C.F.R. § 160.103, and shall be subject to COUNTY's policies respecting confidentiality of medical information (as defined in Recital D). If Institution suspects a breach of any of these policies, Institution must notify COUNTY immediately. Notwithstanding any provision of this Agreement to the contrary, in the event of a breach of this Section, the County of Monterey shall have the right to seek direct damages from the Institution.

III. AFFIRMATIVE ACTION AND NON-DISCRIMINATION

The parties agree that all students receiving field education training pursuant to this Agreement shall be selected without discrimination on account of race, color, religion, national origin, ancestry, disability, marital status, gender, gender identity, sexual orientation, age or veteran status.

IV. STATUS OF STUDENTS

Institution represents that the students enrolled in the Program are in attendance for educational purposes, and such students are not considered employees of Institution or of the COUNTY for any purpose, including, but not limited to, payroll taxes, withholdings, compensation for services, welfare and pension benefits, or workers' compensation insurance. Students are considered members of COUNTY's "workforce" for purposes of Recital D compliance and COUNTY policies and procedures. If the student is a paid employee of COUNTY, the student will be covered under COUNTY's insurance policies, including Workers' Compensation, to the extent available to other employees.

V. INSURANCE

DocuSign Envelope ID: 59ED32C2-F808-426E-9AC9-1DC9AE6E4F10

The Institution and COUNTY mutually agree that each shall provide and maintain commercial general liability insurance acceptable to both parties in the minimum amounts of $1,000,000 per occurrence and $3,000,000 general aggregate. Each shall be responsible for providing the other with a Certificate of Insurance evidencing the required coverage prior to execution of this agreement.

The parties shall each further secure and maintain at all times during the term of this Agreement, at their respective sole expense, professional liability insurance covering themselves and their respective employees. Such coverage provided by the Institution and COUNTY may be afforded via commercial insurance, self-insurance, a captive, or some combination thereof at limits of at least $1,000,000 per claim or occurrence and $3,000,000 in the aggregate.

The Institution shall maintain or shall cause each student to maintain professional liability, public liability and property damage insurance in the amount of $1,000,000 for any single occurrence and a minimum of $3,000,000 in the aggregate during the trainee's supervised field experience. The Institution shall furnish proof of such insurance coverage prior to execution of this agreement.

In addition, Institution shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

Business automobile liability insurance, covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than $1,000,000 per occurrence.

The Institution shall provide commercial general liability and automobile liability Endorsement(s) naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the Institution's work, including ongoing and completed operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by COUNTY and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the Institution's insurance.

Student Automobile liability insurance, students who drive to/from any clinical work location, must provide proof of valid California driver's license for in-state students or other valid state driver's license for out-of-state students and proof of insurance.

Workers' Compensation Insurance, if Institution employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's Liability limits not less than $1,000,000 each person, $1,000,000 each accident and $1,000,000 each disease.

DocuSign Envelope ID: 59ED32C2-F808-426E-9AC9-1DC9AE6E4F10

Except for ten (10) days' notice of non-payment, the Institution and COUNTY will require thirty (30) days written notice if the policy is canceled, non-renewed, or coverage/limits that are reduced or materially altered.

VI. INDEMNIFICATION.

The Institution shall indemnify, defend, and hold harmless the County of Monterey (hereinafter "COUNTY"), its officers, agents, employees, or subcontractors from any claim, liability, loss, injury or damage arising out of, or in connection with, performance of this Agreement by Institution and/or its officers, agents, employees, students, or subcontractors, excepting only loss, injury or damage caused by the negligence or willful misconduct of COUNTY and/or its officers, agents, employees and subcontractors. It is the intent of the parties to this Agreement to provide the broadest possible coverage for COUNTY. The Institution shall reimburse COUNTY for all costs, attorneys' fees, expenses and liabilities incurred with respect to any litigation in which the Institution is obligated to indemnify, defend and hold harmless COUNTY under this Agreement.

VII. TERM AND TERMINATION

A. Term. This Agreement shall be effective as of the date first written above and shall remain in effect until **February 28, 2026**.

B. Renewal. This Agreement may be renewed by mutual agreement.

C. Termination. This Agreement may be terminated at any time by the written agreement or upon thirty (30) days' advance written notice by one party to the other.

VIII. GENERAL PROVISIONS

A. Amendments. In order to ensure compliance with HIPAA, the following provisions of this Agreement shall not be subject to amendment by any means during the term of this Agreement or any extensions: Section I, Paragraph E, subdivisions 4.a), 4.b), and 4.c); Section I, Paragraph H, to the extent it provides that students are members of COUNTY's "workforce" for purposes of HIPAA; Section II, Paragraph E; and Section IV. This Agreement may otherwise be amended at any time by mutual agreement of the parties without additional consideration, provided that before any amendment shall take effect, it shall be reduced to writing and signed by the parties.

B. Assignment. Neither party shall voluntarily or by operation of law, assign or otherwise transfer this Agreement without the other party's prior written consent. Any purported assignment in violation of this paragraph shall be void.

C. Attorney's Fees. In the event that any action is brought by either party to enforce or interpret the terms of this Agreement, each party shall bear its own attorney's fees and costs.

DocuSign Envelope ID: 59ED32C2-F808-426E-9AC9-1DC9AE6E4F10

D. Captions. Captions and headings in this Agreement are solely for the convenience of the parties, are not a part of this Agreement, and shall not be used to interpret or determine the validity of this Agreement or any of its provisions.

E. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all such counterparts together shall constitute one and the same instrument.

F. Entire Agreement. This Agreement is the entire agreement between the parties. No other agreements, oral or written, have been entered into with respect to the subject matter of this Agreement.

G. Governing Law. The validity, interpretation, and performance of this Agreement shall be governed by and construed in accordance with the laws of the State of California.

H. Notices. Notices required under this Agreement shall be sent to the parties by certified or registered mail, return receipt requested, postage prepaid, at the addresses set forth below.

Adopt Resolution to:
a. Amend Personnel Policies and Practices Resolution No. 98-394 Appendix A to adjust the salary ranges of the Pharmacy Technician and Senior Pharmacy Technician classifications as indicated in Attachment A effective January 13, 2024; and
b. Direct the Human Resources Department to implement the changes in the Advantage Human Resources Management System.

..Report

RECOMMENDATION:

It is recommended that the Board of Supervisors consider adopting a Resolution to:

a. Amend Personnel Policies and Practices Resolution No. 98-394 Appendix A to adjust the salary ranges of the Pharmacy Technician and Senior Pharmacy Technician classifications as indicated in Attachment A effective January 13, 2024; and
b. Direct the Human Resources Department to implement the changes in the Advantage Human Resources Management System.

SUMMARY/DISCUSSION:

A base wage compensation study of the Pharmacy Technician classification series was requested by Natividad Medical Center (NMC) administrative staff. The reasons cited for the request were recruitment difficulties and to check for salary alignment with the County's comparable agencies identified in the County's Compensation Philosophy updated in January 2023.

The base wage analysis of the County's comparable agencies found that based on the duties performed, the Pharmacy Technician classification was matched to five (5) of the six (6) hospital comparable agencies: Alameda Health System, Contra Costa Regional Medical Center, Salinas Valley Health, San Mateo Medical Center, and Santa Clara Valley Medical Center. After a thorough review and analysis of available data, no comparable matches were identified at Hazel Hawkins. The Pharmacy Technician classification is approximately 10.78% below the salary mean of the comparable agency's classifications.

To promote the County as the employer of choice, the goal is to provide labor market competitive wages by setting base wages within five percent (5% = - 4.495% with rounding) of the average of the agencies identified. The County's philosophy is to maintain a competitive compensation package that attracts and retains the highest quality candidates and employees to serve the community while maintaining sound fiscal standards.

Therefore, in accordance with the County's Compensation Philosophy, the base wage salary of the Pharmacy Technician classification would need to be increased by approximately 10.78% at top step in order to align with the labor market average. Furthermore, the base salary of the Senior Pharmacy Technician classification would need to be increased by approximately 10.78% at top step in order to maintain the current spread of the series.

OTHER AGENCY INVOLVEMENT:
The Human Resources Department concurs with the recommendations. Service Employees International Union (SEIU) Local 521 has been notified of the recommendations.

FINANCING:
The salary and benefits increased costs for the current positions (14.4 FTE filled, 1.7 vacant) budgeted for the remainder of Fiscal Year 2023-24 is approximately $64,267 and then $112,230 annually thereafter. The funding for personnel costs is provided by NMC's enterprise fund comprised of patient services revenues received from commercial insurance, state, and federal government agencies. This action does not impact the General Fund.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
The proposed recommended actions address the Board of Supervisors Administration Strategic Initiative. The actions demonstrate the County's commitment to meeting the Board's initiatives in recruiting, retaining, and attracting a diverse, talented workforce that supports the mission of Monterey County.

Adopt Resolution to:
a. Amend Personnel Policies and Practices Resolution No. 98-394 Appendices A and B to retitle the classification of Quality/Compliance Administrator to Hospital Quality Director and adjust the salary range as indicated in Attachment A effective January 13, 2024; and
b. Direct the Human Resources Department to implement the changes in the Advantage Human Resources Management System.

RECOMMENDATION:

It is recommended that the Board of Supervisors consider adopting a Resolution to:

a. Amend Personnel Policies and Practices Resolution No. 98-394 Appendices A and B to retitle the classification of Quality/Compliance Administrator to Hospital Quality Director and adjust the salary range as indicated in Attachment A effective January 13, 2024; and
b. Direct the Human Resources Department to implement the changes in the Advantage Human Resources Management System.

SUMMARY/DISCUSSION:

A base wage compensation study of the Quality/Compliance Administrator classification was requested by Natividad Medical Center (NMC) administrative staff. The reasons cited for the request were recruitment difficulties and to check for salary alignment with the hospital comparable agencies identified in the County's Compensation Philosophy updated in January 2023.

The base wage analysis of the County's hospital comparable agencies found that based on the duties performed, the Quality/Compliance Administrator classification was matched to two (2) of the six (6) hospital comparable agencies: Alameda Health System and Contra Costa Regional Medical Center. After a thorough review and analysis of available data, no comparable matches were identified at Hazel Hawkins, Salinas Valley Health, Santa Clara Valley Medical Center and San Mateo Medical Center. In accordance with the compensation philosophy as it applies to hospital specific classifications, since there were only two classification matches from the comparable agencies, the maximum average salary of the Bay Area Region of the Allied for Health compensation report was included in the calculation of the market based average salary to establish the third match. The Quality/Compliance Administrator classification is approximately 13.21% below the salary mean of the comparable agency's classifications.

To promote the County as the employer of choice, the goal is to provide labor market competitive

wages by setting base wages within five percent (5% = - 4.495% with rounding) of the average of the agencies identified. The County's philosophy is to maintain a competitive compensation package that attracts and retains the highest quality candidates and employees to serve the community while maintaining sound fiscal standards.

Therefore, in accordance with the County's Compensation Philosophy, the base wage salary of the Quality/Compliance Administrator classification would need to be adjusted by approximately 13.21% at top step in order to align with the labor market average.
It is further recommended that the classification be retitled from Quality/Compliance Administrator to Hospital Quality Director to be more reflective of the various functions of quality that fall under the oversight of this position.

OTHER AGENCY INVOLVEMENT:
The Human Resources Department concurs with the recommendations. County Employee Management Association (CEMA) has been notified of the recommendations.

FINANCING:
The salary and benefits increased costs for the current positions (1.0 FTE filled) budgeted for the remainder of Fiscal Year 2023-24 is approximately $5,267 and then $10,534 annually thereafter. The funding for personnel costs is provided by NMC's enterprise fund comprised of patient services revenues received from commercial insurance, state, and federal government agencies. This action does not impact the General Fund.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
The proposed recommended actions address the Board of Supervisors Administration Strategic Initiative. c. Direct the Human Resources Department to implement the changes in the Advantage Human Resources Management System.

RECOMMENDATION:
It is recommended that the Board of Supervisors consider adopting a Resolution to:

Adopt Resolution to:
a. Amend Personnel Policies and Practices Resolution (PPPR) No. 98-394 Appendices A and B to create the classifications of Certified Sterile Processing Technician and Senior Certified Sterile Processing Technician with the salary ranges as indicated in Attachment A effective January 13, 2024;

c. Direct the Human Resources Department to implement the changes in the Advantage Human Resources Management System.

SUMMARY/DISCUSSION:
Natividad Medical Center (NMC) completed a classification and base wage compensation study of the Central Sterile Technician classification series that is responsible for cleaning, sterilizing, storing and distributing supplies and equipment used for patient care throughout the hospital. The objective of the study was to determine if there was enough market data available to support the creation of a certified version of the classification with a unique salary range, and if not, to recommend base wage salary changes to the existing non-certified classification aligned with available market data.

The classification study found that sufficient market data was available to support the creation of Central Sterile Technician classifications that possess and maintain either Certified Sterile Processing and Distribution Technician certification from the Certification Board for Sterile Processing and Distribution or Certified Registered Central Service Technician certification from the Healthcare Sterile Processing Association. As such, it is determined that there is a need to create the new classifications of Certified Sterile Processing Technician and Senior Certified Sterile Processing Technician. Approval was sought for a Garza Consent Decree waiver and temporarily granted with stipulations from the Civil Rights Office (CRO) to create these classifications and require certifications that are the hospital industry standard at our comparable agencies. NMC will monitor the effects of the creation of and subsequent hiring into these classifications on the diversity of the department and report as required on an annual basis to the CRO.

To establish the salaries for the new classification, NMC completed a base wage compensation study and found that the job duties, responsibilities and certifications of the Certified Sterile Processing Technician position were matched to three (3) of the six (6) hospital comparable agencies: Hazel Hawkins Hospital, Santa Clara Valley Medical Center and San Mateo Medical Center. After a thorough review and analysis of available data, no comparable matches were identified at Contra Costa Medical Center, Alameda Health System and Salinas Valley Health. The base wage compensation survey mean at top monthly step is approximately $6,106.

The County Compensation Philosophy requires a minimum of three (3) benchmark classification matches with our comparable agencies in order to provide sufficient data for analyzing and determining a base wage comparison. As a result, there is sufficient data to help support creating the new journey level classification of Certified Sterile Processing Technician with a top monthly salary of approximately $6,106. Furthermore, it is recommended that a lead level classification of Senior Certified Sterile Processing Technician also be created with a salary set using the existing spread between the non-certified journey- and lead-level classifications which is currently 15% or a top monthly salary of approximately $7,021.

NMC is seeking consideration from the Board of Supervisors to adopt a Resolution to create the new classifications of Certified Sterile Processing Technician and Senior Certified Sterile Processing Technician with the respective salaries and reallocate seven (7) filled Central Sterile Technician positions to seven (7) Certified Sterile Processing Technician positions and one (1) filled Senior Central Sterile Technician position to one (1) Senior Certified Sterile Processing Technician position.

OTHER AGENCY INVOLVEMENT:
The Monterey County Human Resources Department, and Monterey County Office of County Counsel have reviewed this recommendation. In addition, the Service Employees International Union (SEIU) Local 521 has been provided notice of these recommendations.

FINANCING:
The salary and benefits increased costs for the current positions (6.8 FTE filled) budgeted for the remainder of Fiscal Year 2023-24 is approximately $13,450 or $24,978 annually. The funding for personnel costs is provided by NMC’s enterprise fund comprised of patient services revenues

received from commercial insurance, state, and federal government agencies. This action does not impact the General Fund.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
The proposed recommended actions address the Board of Supervisors Administration Strategic Initiative. The actions demonstrate the County's commitment to meeting the Board's initiatives in recruiting, retaining, and attracting a diverse, talented workforce that supports the mission of Monterey County.

a. Ratify the execution by the Director of Health Services or designee of a Vendor Acknowledgement of Terms and Conditions (“Acknowledgement 1") and an updated Vendor Acknowledgement of Terms and Conditions (“Acknowledgement 2”) authorizing the participation by the County of Monterey in the Technical Assistance Marketplace (“TA Marketplace”) of the California Department of Health Care Services (“DHCS”) California Advancing and Innovating Medi-Cal (“CalAIM”) Initiative, enabling the County of Monterey Health Department ("CMHD") to provide CalAIM TA Marketplace services to DHCS-approved community-based organizations, government agencies, and other entities for a retroactive term of March 15, 2023, through June 30, 2027; and
b. Approve Director of Health Services’ recommendation to accept non-standard provisions in Acknowledgements 1 and 2.

RECOMMENDATION:
It is recommended that the County of Monterey Board of Supervisors:
a. Ratify the execution by the Director of Health Services or designee of a Vendor Acknowledgement of Terms and Conditions (“Acknowledgement 1") and an updated Vendor Acknowledgement of Terms and Conditions (“Acknowledgement 2”) authorizing the participation by the County of Monterey in the Technical Assistance Marketplace (“TA Marketplace”) of the California Department of Health Care Services (“DHCS”) California Advancing and Innovating Medi-Cal (“CalAIM”) Initiative, enabling the County of Monterey Health Department ("CMHD") to provide CalAIM TA Marketplace services to DHCS-approved community-based organizations, government agencies, and other entities for a retroactive term of March 15, 2023, through June 30, 2027; and
b. Approve Director of Health Services’ recommendation to accept non-standard provisions in Acknowledgements 1 and 2.

SUMMARY/DISCUSSION:
County of Monterey Health Department (CMHD) has been approved by the California Department of Health Care Services (DHCS) to serve as a Technical Assistance (TA) Marketplace Vendor under the CalAIM, California Providing Access and Transforming Health (PATH) Initiative. CMHD's Planning, Evaluation, and Policy (PEP) unit will provide TA services to DHCS-approved recipients, including community-based organizations, government agencies, and other entities providing CalAIM Enhanced Care Management (ECM) and Community Supports (CS) services to individuals receiving Medi-Cal. The TA services being offered will include Engaging in CalAIM, Promoting Health Equity, Supporting Cross-Sector Partnerships and Workforce Development.

DHCS has designated the Public Consulting Group, LCC (PCG) as a third-party administrator (TPA) to administer the TA Marketplace Program and communicate with CMHD regarding program administration. DHCS will provide funding to the TA Marketplace TPA for distribution to CMHD with a retroactive start date of March 15, 2023, through June 30, 2027.

The TPA will administer the TA Marketplace website and the application process for qualified recipients. Once a recipient receives DHCS approval for services, the recipient will select a TA Marketplace service provider, such as the CMHD PEP unit. The recipient will then select for the TA projects to be "Off the Shelf" or "Hands-on."

"Off the Shelf" TA projects are ready to go TA projects packaged for convenient, efficient delivery. Off the Shelf projects will typically be more standardized resources like trainings, well-defined program models or data tools, or best practices guides that are relevant in a variety of settings with little to no customization. CMHD PEP unit will develop Off the Shelf TA projects on an ongoing basis based on the trending demand. Off the Shelf TA projects will vary in cost from $3,000-$15,000 depending on amount of work hours and level of required staff expertise.

"Hands-On" TA projects are customized TA projects tailored to the unique needs of the TA recipient. Hands-on projects will require CMHD PEP staff to work with the TA recipients to develop a unique scope of work (SOW) and budget to describe the project and corresponding deliverables. Hands On TA projects will vary in cost based on project type and amount of work hours. CMHD 2022-23 fee schedule will apply with adjustments based on annual assessment.

RESEARCH, EVALUATION, INFORMATION TECHNOLOGY FEE:

CATEGORY/SERVICE DESCRIPTION	*FEE*	*PER*

CMHD PEP will submit completed Hands-on projects SOW with budget to DHCS through the TPA for approval, and changes to the SOW may only be made through a written amendment approved by all parties.

CMHD PEP will be compensated pursuant to the budget and payment terms contained in each DHCS-approved SOW. DHCS, through the TPA, will compensate CMHD PEP via direct deposit provided all agreed-upon information forms and documentation are provided.

OTHER AGENCY INVOLVEMENT:
The Office of the County Counsel and the Auditor-Controller have reviewed and approved this Agreement as to legal form and fiscal provisions, respectively.

FINANCING:
There will be no impact to the General Fund from approval of this item. The associated appropriations and revenues are included in the Health Administration (001-4000-8438-HEA014) Fiscal Year (FY) 2022-23 Adopted Budget and in the FY 2023-24 Requested Budget.

Introduced: 12/11/2023
Version: 1

Current Status: Agenda Ready
Matter Type: General Agenda Item

a. Ratify the execution by the Director of Health Services or designee of a Vendor Acknowledgement of Terms and Conditions (“Acknowledgement 1") and an updated Vendor Acknowledgement of Terms and Conditions (“Acknowledgement 2”) authorizing the participation by the County of Monterey in the Technical Assistance Marketplace (“TA Marketplace”) of the California Department of Health Care Services (“DHCS”) California Advancing and Innovating Medi-Cal (“CalAIM”) Initiative, enabling the County of Monterey Health Department ("CMHD") to provide CalAIM TA Marketplace services to DHCS-approved community-based organizations, government agencies, and other entities for a retroactive term of March 15, 2023, through June 30, 2027; and
b. Approve Director of Health Services’ recommendation to accept non-standard provisions in Acknowledgements 1 and 2.

RECOMMENDATION:
It is recommended that the County of Monterey Board of Supervisors:
a. Ratify the execution by the Director of Health Services or designee of a Vendor Acknowledgement of Terms and Conditions (“Acknowledgement 1") and an updated Vendor Acknowledgement of Terms and Conditions (“Acknowledgement 2”) authorizing the participation by the County of Monterey in the Technical Assistance Marketplace (“TA Marketplace”) of the California Department of Health Care Services (“DHCS”) California Advancing and Innovating Medi-Cal (“CalAIM”) Initiative, enabling the County of Monterey Health Department ("CMHD") to provide CalAIM TA Marketplace services to DHCS-approved community-based organizations, government agencies, and other entities for a retroactive term of March 15, 2023, through June 30, 2027; and
b. Approve Director of Health Services’ recommendation to accept non-standard provisions in Acknowledgements 1 and 2.

SUMMARY/DISCUSSION:
County of Monterey Health Department (CMHD) has been approved by the California Department of Health Care Services (DHCS) to serve as a Technical Assistance (TA) Marketplace Vendor under the CalAIM, California Providing Access and Transforming Health (PATH) Initiative. CMHD's Planning, Evaluation, and Policy (PEP) unit will provide TA services to DHCS-approved recipients, including community-based organizations, government agencies, and other entities providing CalAIM Enhanced Care Management (ECM) and Community Supports (CS) services to individuals receiving Medi-Cal. The TA services being offered will include Engaging in CalAIM, Promoting Health Equity, Supporting Cross-Sector Partnerships and Workforce Development.

DocuSign Envelope ID: 8B6209CC-A5A5-4349-8952-EEBB0E8E8336

DHCS has designated the Public Consulting Group, LCC (PCG) as a third-party administrator (TPA) to administer the TA Marketplace Program and communicate with CMHD regarding program administration. DHCS will provide funding to the TA Marketplace TPA for distribution to CMHD with a retroactive start date of March 15, 2023, through June 30, 2027.

The TPA will administer the TA Marketplace website and the application process for qualified recipients. Once a recipient receives DHCS approval for services, the recipient will select a TA Marketplace service provider, such as the CMHD PEP unit. The recipient will then select for the TA projects to be "Off the Shelf" or "Hands-on."

"Off the Shelf" TA projects are ready to go TA projects packaged for convenient, efficient delivery. Off the Shelf projects will typically be more standardized resources like trainings, well-defined program models or data tools, or best practices guides that are relevant in a variety of settings with little to no customization. CMHD PEP unit will develop Off the Shelf TA projects on an ongoing basis based on the trending demand. Off the Shelf TA projects will vary in cost from $3,000-$15,000 depending on amount of work hours and level of required staff expertise.

"Hands-On" TA projects are customized TA projects tailored to the unique needs of the TA recipient. Hands-on projects will require CMHD PEP staff to work with the TA recipients to develop a unique scope of work (SOW) and budget to describe the project and corresponding deliverables. Hands On TA projects will vary in cost based on project type and amount of work hours. CMHD 2022-23 fee schedule will apply with adjustments based on annual assessment.

California Providing Access and Transforming Health (PATH)
Technical Assistance Marketplace Program

TA Vendor
Acknowledgement of TA Marketplace Terms and Conditions

As an express condition of participating in the Technical Assistance Marketplace ("TA Marketplace") Program funded by the California Department of Health Care Services ("DHCS") as part of the California Providing Access and Transforming Health ("PATH") Initiative, County of Monterey, Monterey Co. Health Dept ("Applicant"), whose business address is 1270 Natividad Rd. Salinas, Ca. 93906 and whose Federal Tax Identification number is 94-6000524, hereby warrants and guarantees that it will comply with all applicable federal, state, and local laws and regulations, as well as with as the following terms and conditions:

I. **Eligibility.** Compensation through the DHCS' TA Marketplace Program is available for the provision of technical assistance for entities providing Enhanced Care Management ("ECM") and Community Supports. Qualified applicants include city, county, and other government agencies; county and community-based providers, including, but not limited to, public hospitals, community-based organizations, and Medi-Cal Tribal and the Designees of Indian Health Programs contracted with or that intend to contract as ECM or Community Supports providers; and other entities as approved by DHCS. In order to offer services through the TA Marketplace Program, eligible applicants must:

a. Demonstrate experience providing the types of services/offerings the applicant is being contracted to provide, to one or more of the entity types eligible to receive technical assistance through the TA Marketplace;
b. Maintain business licensing or accreditation that meets industry standards, if required;
c. Maintain a physical presence in California or be capable of providing all services virtually;
d. Demonstrate cultural competency and non-discriminatory practices;
e. Commit to participation in any required onboarding/training activities;
f. Comply with all reporting and oversight requirements;
g. Demonstrate substantial capacity to serve multiple organizations at the same time, and/or the ability to scale their business as needed to accommodate TA Marketplace demand;
h. Provide rates for TA services to DHCS in advance, which shall be subject to approval; and
i. Provide customer references that would confirm excellent service was provided through performance rating upon reference check.

II. **Role of Third-Party Administrator.** DHCS has designated Public Consulting Group LLC ("PCG") as third-party administrator ("TPA"), to administer the TA Marketplace Program and to communicate with Applicant with respect to program administration. Applicant understands that the TPA is acting solely as a third-party administrator on behalf of DHCS and is not liable or responsible for DHCS decisions, payment delays, or actions.

III. **No Liability of DHCS or TPA**. Neither DHCS not the TPA shall be liable to Applicant for any incidental, indirect, special, punitive, or consequential damages, including, but not limited to,

DocuSign Envelope ID: 425B7173-17B3-4EE2-8DEE-A7BAFE27D1A9

such damages arising from any type or manner of commercial, business, or financial loss, even if PCG or DHCS had actual or constructive knowledge of the possibility of such damages and regardless of whether such damages were foreseeable. Applicant hereby releases and holds harmless DHCS, the TPA, and their respective officers, agents, employees, representatives, and/or designees from and against any and all liability, actions, claims, demands, or suits, and all related costs, attorney fees, and expenses arising out of, or relating to the PATH TA Marketplace Program.

IV. **No Guarantee of TA Marketplace Selection.** Applicant understands that inclusion in the TA Marketplace does not guarantee that Applicant will be selected to provide services by any customer. Neither DHCS nor the TPA guarantee any minimum amount work or compensation to Applicant.

V. **Statement of Work.** If approved to enter the TA Marketplace and selected by one or more customers, Applicant will collaborate with each customer to develop a Statement of Work ("SOW") substantially in the form attached hereto as Attachment A that details the services that Applicant will perform and the budget for the project. Once Applicant and the customer have agreed upon and each signed the proposed SOW, Applicant must submit the SOW to DHCS, through the TPA. Services may begin only after Applicant has received DHCS approval of the SOW, as communicated through the TPA. Changes to the services may only be made through a written amendment to the SOW, approved by Applicant, the customer, and DHCS, as communicated through the TPA.

VI. **Key Personnel.** All key personnel that Applicant will assign to a customer's project should be identified in the relevant SOW. In the event that key personnel identified in an SOW become unavailable for assignment or are unable to commit the level of effort anticipated without substantial deviation (more than ten (10) percent of the agreed upon level of effort), Applicant shall immediately provide written notification to DHCS, through their TPA Contact Person listed in Section X, item (g) below. The written notification should provide a minimum of ten (10) days advance notice of the proposed change in key personnel staffing and a plan for replacing the named key personnel, including the name and background of the proposed substitution, in sufficient detail so as to permit DHCS to evaluate the impact of the change or reduction in the work. No diversion or reduction in level of effort of key personnel shall be made by Applicant without prior written consent of DHCS, through the TPA. Such consent shall be given in a timely fashion and not be unreasonably withheld. Approved changes to key personnel will be documented in a formal amendment to the SOW, signed by all parties.

VII. **Use of PATH Funding.**

a. Statement of Work. Applicant shall use the compensation it receives from DHCS exclusively to implement the project(s) outlined in approved SOWs, and for no other purpose.

b. PATH Guidance and Conditions. In using DHCS funds, Applicant must follow all terms, conditions, and guidelines provided in the Technical Assistance Marketplace Program guidance, found at www.ca-path.com, and in these Terms and Conditions, as well as all federal, state, and local rules, guidelines, and regulations, including but not limited to, health and safety guidelines.

VIII. **Compensation Amount and Method of Payment.**

DocuSign Envelope ID: 425B7173-17B3-4EE2-8DEE-A7BAFE27D1A9

a. Compensation Amount. Applicant will be paid pursuant to the budget and payment terms contained in each approved SOW.

b. Method of Payment. DHCS, through the TPA, shall pay Applicant via direct deposit into Applicant's chosen account, provided Applicant has provided all required information, forms, and documentation required to facilitate payment.

c. Reliance on Provided Information. DHCS and the TPA are entitled to rely on the accuracy and completeness of information provided by Applicant in the disbursement of funds.

IX. Term. If approved to offer services through the TA Marketplace, Applicant agrees to offer services through June 30, 2027, unless Applicant's participation in the TA Marketplace Program is terminated earlier pursuant to Section IX below or extended by DHCS.

X. Reporting Requirements. Applicant shall periodically provide written and oral reports to the TPA Contact Person, including regular reporting on progress towards achieving TA project milestones, barriers to TA project completion, identified successes and challenges in pursuing TA project(s); lessons learned and best practices identified in pursuing TA project(s); results from any TA customer surveys assessing satisfaction; summary of complaints/grievances received related to the TA Marketplace initiative; and other metrics as defined, including a description of the average weekly hours worked by Applicant in the furtherance of TA project(s). If Applicant fails to submit any report within thirty (30) calendar days of the request, DHCS may terminate Applicant's participation in the TA Marketplace Program.

XI. Additional DHCS Terms and Conditions.

a. Funding received through the TA Marketplace Program will not duplicate or supplant funds received through other programs or initiatives or by other federal, state, or local funding sources.

b. DHCS may, in its reasonable discretion, modify payment dates or amounts and will notify Applicant of any such changes in writing.

c. Applicant may neither assign nor subcontract its obligations under any SOW to any other entity without the prior written consent of DHCS. If a subcontractor is approved by DHCS, Applicant will submit its Subcontractor Agreement outlining the scope of work and terms with the preapproved entity to DHCS for review and approval prior to execution and to the commencement of any subcontracted work.

d. Applicant may be subject to audit or inquiry with respect to the receipt and use of DHCS funds at any time. Applicant must respond to inquiries, communications, and reasonable requests for additional information or documentation from DHCS or the TPA within one (1) business day of receipt and must provide any requested information within five (5) business days, unless an alternative timeline is approved by DHCS.

e. Applicant must alert DHCS and the TPA within twenty-four (24) hours if circumstances prevent it from carrying out any of the activities described in an approved SOW. In such cases, Applicant may be required to return unused funds to DHCS.

DocuSign Envelope ID: 425B7173-17B3-4EE2-8DEE-A7BAFE27D1A9

f. Applicant's authorized representative for the purposes of communications related to the TA Marketplace Program is:

[Name_____] Patricia Alcocer
[Contact Info_____] 831.320.3098 / 831.595.4435 alcocerp@co.monterey.ca.us

DHCS and the TPA may rely on the authority of the above-named individual to speak and act on behalf of Applicant. Applicant shall notify DHCS and the TPA in writing within twenty-four (24) hours of any change to the above-named authorized representative.

g. The TPA's contact person for all inquiries and notices related the TA Marketplace Program is:

Meghan Cox
ta-marketplace@ca-path.com

h. Applicant will retain all records and documentation related to the receipt and use of DHCS funds, including all documentation used to support and detail expenditures, for no less than three (3) years beyond the date of final payment and will make such records available for complete inspection by DHCS upon request.

i. Applicant guarantees that its use or creation of any intellectual property under any SOW does not infringe upon the intellectual property rights of any third party and shall indemnify, defend, and hold DHCS, PCG, and TA Marketplace customers harmless from all claims, losses, expenses, fees (including attorney's fees), costs, and judgments that may be asserted as a result of any breach by Applicant of this guarantee.

j. DHCS reserves the right to receive, use, and reproduce all reports and data produced, delivered, or generated by or about Applicant and its activities pursuant to the TA Marketplace Program and may authorize others to do so without limitation, except as restricted by applicable law.

k. Applicant shall facilitate the performance of employee criminal and credit background checks and drug and alcohol tests at its expense if reasonably requested by DHCS.

l. Applicant will not discriminate against any person because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status.

XII. Termination. Applicant may be terminated from the TA Marketplace Program in any of the following circumstances:

a. If Applicant fails to perform any one or more of the requirements set forth in these Terms and Conditions;

b. If DHCS receives a complaint from a customer regarding services provided by the Applicant;

DocuSign Envelope ID: 425B7173-17B3-4EE2-8DEE-A7BAFE27D1A9

c. If either Applicant or all of Applicant's customer(s) cease to be eligible for CA PATH funding or services;

d. If any of the information provided by Applicant to DHCS or to the TPA is untruthful, incomplete, or inaccurate;

e. Upon Applicant's debarment or suspension by competent authority;

f. Upon Applicant's indictment in any criminal proceeding;

g. If Applicant is reasonably suspected of fraud, forgery, embezzlement, theft, or any other misuse of public funds;

h. If DHCS does not receive or maintain sufficient funds to administer the program;

i. If any restriction, limitation, or condition is enacted by Congress or by any other governing body or agency that impedes the funding or administration of the TA Marketplace Program;

j. For any other purpose deemed necessary or advisable by DHCS; or

k. Upon mutual written consent of both DHCS and Applicant.

In the case of early termination, Applicant may be subject to audit, recoupment by DHCS of unused or misused funds, and/or preclusion from receiving additional funding, dependent upon the circumstances of the termination.

IN WITNESS THEREOF, APPLICANT has executed this Acknowledgment as of the date set forth below.

California Providing Access and Transforming Health (PATH)
Technical Assistance Marketplace Program

TA Vendor
Acknowledgement of TA Marketplace Terms and Conditions

As an express condition of participating in the Technical Assistance Marketplace ("TA Marketplace") Program funded by the California Department of Health Care Services ("DHCS") as part of the California Providing Access and Transforming Health ("PATH") Initiative, County of Monterey, Monterey Co. Health Dept. ("Vendor Applicant"), whose business address is 1270 Natividad Rd., Salinas, CA. 93906 and whose Federal Tax Identification number is 94-6000524, hereby warrants and guarantees that it will comply with all applicable federal, state, and local laws and regulations, as well as with as the following terms and conditions:

I. Eligibility. Compensation through the DHCS' TA Marketplace Program is available for the provision of technical assistance for entities providing Enhanced Care Management ("ECM") and Community Supports. Qualified applicants include city, county, and other government agencies; county and community-based providers, including, but not limited to, public hospitals, community-based organizations, and Medi-Cal Tribal and the Designees of Indian Health Programs contracted with or that intend to contract as ECM or Community Supports providers; and other entities as approved by DHCS. In order to offer services through the TA Marketplace Program, eligible applicants must:

a. Demonstrate experience providing the types of services/offerings the applicant is being contracted to provide, to one or more of the entity types eligible to receive technical assistance through the TA Marketplace;
b. Maintain business licensing or accreditation that meets industry standards, if required;

such damages arising from any type or manner of commercial, business, or financial loss, even if PCG or DHCS had actual or constructive knowledge of the possibility of such damages and regardless of whether such damages were foreseeable. Applicant hereby releases and holds harmless DHCS, the TPA, and their respective officers, agents, employees, representatives, and/or designees from and against any and all liability, actions, claims, demands, or suits, and all related costs, attorney fees, and expenses arising out of, or relating to the PATH TA Marketplace Program.

IV. No Guarantee of TA Marketplace Selection. Applicant understands that inclusion in the TA Marketplace does not guarantee that Applicant will be selected to provide services by any customer. Neither DHCS nor the TPA guarantee any minimum amount work or compensation to Applicant.

V. Statement of Work. If approved to enter the TA Marketplace and selected by one or more customers, Applicant will collaborate with each customer to develop a Statement of Work ("SOW") substantially in the form attached hereto as Attachment A that details the services that Applicant will perform and the budget for the project. Once Applicant and the customer have agreed upon and each signed the proposed SOW, Applicant must submit the SOW to DHCS, through the TPA. Services may begin only after Applicant has received DHCS approval of the SOW, as communicated through the TPA. Changes to the services may only be made through a written amendment to the SOW, approved by Applicant, the customer, and DHCS, as communicated through the TPA.

VI. Key Personnel. All key personnel that Applicant will assign to a customer's project should be identified in the relevant SOW. In the event that key personnel identified in an SOW become unavailable for assignment or are unable to commit the level of effort anticipated without substantial deviation (more than ten (10) percent of the agreed upon level of effort), Applicant shall immediately provide written notification to DHCS, through their TPA Contact Person listed in Section X, item (g) below. The written notification should provide a minimum of ten (10) days advance notice of the proposed change in key personnel staffing and a plan for replacing the named key personnel, including the name and background of the proposed substitution, in sufficient detail so as to permit DHCS to evaluate the impact of the change or reduction in the work. No diversion or reduction in level of effort of key personnel shall be made by Applicant without prior written consent of DHCS, through the TPA. Such consent shall be given in a timely fashion and not be unreasonably withheld. Approved changes to key personnel will be documented in a formal amendment to the SOW, signed by all parties.

VII. Use of PATH Funding.

a. Statement of Work. Applicant shall use the compensation it receives from DHCS exclusively to implement the project(s) outlined in approved SOWs, and for no other purpose.

b. PATH Guidance and Conditions. In using DHCS funds, Applicant must follow all terms, conditions, and guidelines provided in the Technical Assistance Marketplace Program guidance, found at www.ca-path.com, and in these Terms and Conditions, as well as all federal, state, and local rules, guidelines, and regulations, including but not limited to, health and safety guidelines.

VIII. Compensation Amount and Method of Payment.

DocuSign Envelope ID: 330E54A8-7C09-46C4-A2D6-E145FE399832

a. Compensation Amount. Applicant will be paid pursuant to the budget and payment terms contained in each approved SOW.

b. Method of Payment. DHCS, through the TPA, shall pay Applicant via direct deposit into Applicant's chosen account, provided Applicant has provided all required information, forms, and documentation required to facilitate payment.

c. Reliance on Provided Information. DHCS and the TPA are entitled to rely on the accuracy and completeness of information provided by Applicant in the disbursement of funds.

IX. Term. If approved to offer services through the TA Marketplace, Applicant agrees to offer services through June 30, 2027, unless Applicant's participation in the TA Marketplace Program is terminated earlier pursuant to Section IX below or extended by DHCS.

X. Intellectual Property Rights

a. Ownership

i. Except where DHCS has agreed in a signed writing to accept a license, DHCS shall be and remain, without additional compensation, the sole owner of any and all rights, title and interest in all Intellectual Property, from the moment of creation, whether or not jointly conceived, that are made, conceived, derived from, or reduced to practice by Applicant or DHCS and which result directly or indirectly from this Agreement.

ii. For the purposes of this Agreement, Intellectual Property means recognized protectable rights and interest such as: patents, (whether or not issued) copyrights, trademarks, service marks, applications for any of the foregoing, inventions, trade secrets, trade dress, logos, insignia, color combinations, slogans, moral rights, right of publicity, author's rights, contract and licensing rights, works, mask works, industrial design rights, rights of priority, know how, design flows, methodologies, devices, business processes, developments, innovations, good will and all other legal rights protecting intangible proprietary information as may exist now and/or here after come into existence, and all renewals and extensions, regardless of whether those rights arise under the laws of the United States, or any other state, country or jurisdiction.

1. For the purposes of the definition of Intellectual Property, "works" means all literary works, writings and printed matter including the medium by which they are recorded or reproduced, photographs, art work, pictorial and graphic representations and works of a similar nature, film, motion pictures, digital images, animation cells, and other audiovisual works including positives and negatives thereof, sound recordings, tapes, educational materials, interactive videos and any other materials or products created, produced, conceptualized and fixed in a tangible medium of expression. It includes preliminary and final products and any materials and information developed for the purposes of producing those final products. Works does not include articles submitted to peer review or reference journals or independent research projects.

DocuSign Envelope ID: 330E54A8-7C09-46C4-A2D6-E145FE399832

iii. In the performance of this Agreement, Applicant will exercise and utilize certain of its Intellectual Property in existence prior to the effective date of this Agreement. In addition, under this Agreement, Applicant may access and utilize certain of DHCS' Intellectual Property in existence prior to the effective date of this Agreement. Except as otherwise set forth herein, Applicant shall not use any of DHCS' Intellectual Property now existing or hereafter existing for any purposes without the prior written permission of DHCS. Except as otherwise set forth herein, neither the Applicant nor DHCS shall give any ownership interest in or rights to its Intellectual Property to the other Party. If during the term of this Agreement, Applicant accesses any third-party Intellectual Property that is licensed to DHCS, Applicant agrees to abide by all license and confidentiality restrictions applicable to DHCS in the third-party's license agreement.

iv. Applicant agrees to cooperate with DHCS in establishing or maintaining DHCS' exclusive rights in the Intellectual Property, and in assuring DHCS' sole rights against third parties with respect to the Intellectual Property. If the Applicant enters into any agreements or subcontracts with other parties in order to perform this Agreement, Applicant shall require the terms of the Agreement(s) to include all Intellectual Property provisions. Such terms must include, but are not limited to, the subcontractor assigning and agreeing to assign to DHCS all rights, title and interest in Intellectual Property made, conceived, derived from, or reduced to practice by the subcontractor, Applicant or DHCS and which result directly or indirectly from this Agreement or any subcontract.

v. Applicant further agrees to assist and cooperate with DHCS in all reasonable respects, and execute all documents and, subject to reasonable availability, give testimony and take all further acts reasonably necessary to acquire, transfer, maintain, and enforce DHCS' Intellectual Property rights and interests.

b. Applicant guarantees that its use or creation of any intellectual property under any SOW does not infringe upon the intellectual property rights of any third party and Applicant will indemnify, defend, and hold DHCS, PCG, and TA Marketplace customers harmless from all claims, losses, expenses, fees (including attorney's fees), costs, and judgments that may be asserted as a result of any breach by Applicant of this guarantee. Retained Rights / License Rights

i. Specifically as applied to these terms and conditions, except for Intellectual Property made, conceived, derived from, or reduced to practice by Applicant or DHCS and which result directly or indirectly from this Agreement, Applicant shall retain title to all of its Intellectual Property and enhancements to its Intellectual Property to the extent such Intellectual Property was or is in existence prior to the effective date of this Agreement. Applicant hereby grants to DHCS, without additional compensation, a permanent, non-exclusive, royalty free, paid-up, worldwide, irrevocable, perpetual, non-terminable license to use and copy, reproduce, manufacture, sell, offer to sell, import, export, modify, publicly and privately display/perform, distribute, and dispose Applicant's Intellectual Property with the right to sublicense through multiple layers, for any purpose whatsoever, to the extent it is incorporated in the Intellectual Property resulting from this Agreement, unless Applicant assigns all rights, title and interest in the Intellectual Property as set forth herein. DHCS reserves the right to receive, use, and reproduce all reports and data produced, delivered, or generated by or about

DocuSign Envelope ID: 330E54A8-7C09-46C4-A2D6-E145FE399832

Applicant and its activities pursuant to the TA Marketplace Program and may authorize others to do so without limitation, except as restricted by applicable law.

ii. Nothing in this provision shall restrict, limit, or otherwise prevent Applicant from using any ideas, concepts, know-how, methodology or techniques related to its performance under this Agreement, provided that Applicant's use does not infringe the patent, copyright, trademark rights, license or other Intellectual Property rights of DHCS or third party, or result in a breach or default of any provisions of this Exhibit or result in a breach of any provisions of law relating to confidentiality.

c. Copyright

i. Applicant agrees that for purposes of copyright law, all works [as defined in Section XI, subsection (ii)(1) above] of authorship made by or on behalf of Applicant in connection with Applicant's performance of this Agreement shall be deemed "works made for hire." Applicant further agrees that the work of each person utilized by Applicant in connection with the performance of this Agreement will be a "work made for hire," whether that person is an employee of Applicant or that person has entered into an agreement with Applicant to perform the work. Applicant shall enter into a written agreement with any such person that: (i) all work performed for Applicant shall be deemed a "work made for hire" under the Copyright Act and (ii) that person shall assign all right, title, and interest to DHCS to any work product made, conceived, derived from, or reduced to practice by Applicant or DHCS and which result directly or indirectly from this Agreement.

ii. All materials, including, but not limited to, visual works or text, reproduced or distributed pursuant to this Agreement that include Intellectual Property made, conceived, derived from, or reduced to practice by Applicant or DHCS and which result directly or indirectly from this Agreement, shall include DHCS' notice of copyright, which shall read in 3mm or larger typeface: "© [Enter Current Year e.g., 2010, etc.], California Department of Health Care Services. This material may not be reproduced or disseminated without prior written permission from the California Department of Health Care Services." This notice should be placed prominently on the materials and set apart from other matter on the page where it appears. Audio productions shall contain a similar audio notice of copyright.

d. Patent Rights

i. With respect to inventions made by Applicant in the performance of this Agreement, which did not result from research and development specifically included in the Agreement's scope of work, Applicant hereby grants to DHCS a license, as described under Section XI, subsection (b) above, for devices or material incorporating, or made through the use of such inventions. If such inventions result from research and development work specifically included within the Agreement's scope of work, then Applicant agrees to assign to DHCS, without additional compensation, all its right, title and interest in and to such

DocuSign Envelope ID: 330E54A8-7C09-46C4-A2D6-E145FE399832

inventions and to assist DHCS in securing United States and foreign patents with respect thereto.

XI. Federal Contract Funds

(Applicable only to that portion of an agreement funded in part or whole with federal funds.)

a. It is mutually understood between the parties that this Agreement may have been written before ascertaining the availability of congressional appropriation of funds, for the mutual benefit of both parties, in order to avoid program and fiscal delays which would occur if the Agreement were executed after that determination was made.

b. This agreement is valid and enforceable only if sufficient funds are made available to the State by the United States Government for the fiscal years covered by the term of this Agreement. In addition, this Agreement is subject to any additional restrictions, limitations, or conditions enacted by the Congress or any statute enacted by the Congress which may affect the provisions, terms or funding of this Agreement in any manner.

c. It is mutually agreed that if the Congress does not appropriate sufficient funds for the program, this Agreement shall be amended to reflect any reduction in funds.

d. DHCS has the option to invalidate or cancel the Agreement with 30-days advance written notice or to amend the Agreement to reflect any reduction in funds.

e. In any agreement funded in whole or in part by the federal government, DHCS may acquire and maintain the Intellectual Property rights, title, and ownership, which results directly or indirectly from the Agreement; except as provided in 37 Code of Federal Regulations part 401.14; however, the federal government shall have a non-exclusive, nontransferable, irrevocable, paid-up license throughout the world to use, duplicate, or dispose of such Intellectual Property throughout the world in any manner for governmental purposes and to have and permit others to do so.

XII. Reporting Requirements.

Applicant shall periodically provide written and oral reports to the TPA Contact Person, including regular reporting on progress towards achieving TA project milestones, barriers to TA project completion, identified successes and challenges in pursuing TA project(s); lessons learned and best practices identified in pursuing TA project(s); results from any TA customer surveys assessing satisfaction; summary of complaints/grievances received related to the TA Marketplace initiative; and other metrics as defined, including a description of the average weekly hours worked by Applicant in the furtherance of TA project(s). If Applicant fails to submit any report within thirty (30) calendar days of the request, DHCS may terminate Applicant's participation in the TA Marketplace Program.

XIII. Additional DHCS Terms and Conditions.

a. Funding received through the TA Marketplace Program will not duplicate or supplant funds received through other programs or initiatives or by other federal, state, or local funding sources.

b. DHCS may, in its reasonable discretion, modify payment dates or amounts and will notify Applicant of any such changes in writing.

DocuSign Envelope ID: 330E54A8-7C09-46C4-A2D6-E145FE399832

c. Applicant may neither assign nor subcontract its obligations under any SOW to any other entity without the prior written consent of DHCS. If a subcontractor is approved by DHCS, Applicant will submit its Subcontractor Agreement outlining the scope of work and terms with the preapproved entity to DHCS for review and approval prior to execution and to the commencement of any subcontracted work.

d. Applicant may be subject to audit or inquiry with respect to the receipt and use of DHCS funds at any time. Applicant must respond to inquiries, communications, and reasonable requests for additional information or documentation from DHCS or the TPA within one (1) business day of receipt and must provide any requested information within five (5) business days, unless an alternative timeline is approved by DHCS.

e. Applicant must alert DHCS and the TPA within twenty-four (24) hours if circumstances prevent it from carrying out any of the activities described in an approved SOW. In such cases, Applicant may be required to return unused funds to DHCS.

f. Applicant's authorized representative for the purposes of communications related to the TA Marketplace Program is:

[Name Patricia Alcocer]
[Contact Info 831.320.3098 \ 831.595.4435] alcocerp@co.monterey.ca.us

DHCS and the TPA may rely on the authority of the above-named individual to speak and act on behalf of Applicant. Applicant shall notify DHCS and the TPA in writing within twenty-four (24) hours of any change to the above-named authorized representative.

g. The TPA's contact person for all inquiries and notices related the TA Marketplace Program is:

Meghan Cox
ta-marketplace@ca-path.com

h. Applicant will retain all records and documentation related to the receipt and use of DHCS funds, including all documentation used to support and detail expenditures, for no less than three (3) years beyond the date of final payment and will make such records available for complete inspection by DHCS upon request.

i. Applicant shall facilitate the performance of employee criminal and credit background checks and drug and alcohol tests at its expense if reasonably requested by DHCS.

j. Applicant will not discriminate against any person because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status.

XIV. Termination. Applicant may be terminated from the TA Marketplace Program in any of the following circumstances:

a. If Applicant fails to perform any one or more of the requirements set forth in these Terms and Conditions;

DocuSign Envelope ID: 330E54A8-7C09-46C4-A2D6-E145FE399832

b. If DHCS receives a complaint from a customer regarding services provided by the Applicant;

c. If either Applicant or all of Applicant's customer(s) cease to be eligible for CA PATH funding or services;

d. If any of the information provided by Applicant to DHCS or to the TPA is untruthful, incomplete, or inaccurate;

e. Upon Applicant's debarment or suspension by competent authority;

f. Upon Applicant's indictment in any criminal proceeding;

g. If Applicant is reasonably suspected of fraud, forgery, embezzlement, theft, or any other misuse of public funds;

h. If DHCS does not receive or maintain sufficient funds to administer the program;

i. If any restriction, limitation, or condition is enacted by Congress or by any other governing body or agency that impedes the funding or administration of the TA Marketplace Program;

j. For any other purpose deemed necessary or advisable by DHCS; or

k. Upon mutual written consent of both DHCS and Applicant.

In the case of early termination, Applicant may be subject to audit, recoupment by DHCS of unused or misused funds, and/or preclusion from receiving additional funding, dependent upon the circumstances of the termination.

IN WITNESS THEREOF, APPLICANT has executed this Acknowledgment as of the date set forth below.

a. Authorize the Director of Health Services or designee to execute Amendment No. 3, effective upon execution, to a Platform License Agreement, No. A-14686, between the County of Monterey and Conduent Health Communities Corporation (CHCC), adding a Data Usage Agreement; and
b. Approve and authorize the Health Director Services or designee to approve up to three (3) future Amendments that do not exceed 10% ($7,000) of the original Platform License Agreement amount, do not significantly alter the scope of services, and do not exceed a revised maximum amount of $187,000.

RECOMMENDATION:
It is recommended that the County of Monterey Board of Supervisors:
a. Authorize the Director of Health Services or designee to execute Amendment No. 3, effective upon execution, to a Platform License Agreement, No. A-14686, between the County of Monterey and Conduent Health Communities Corporation (CHCC), adding a Data Usage Agreement; and
b. Approve and authorize the Health Director Services or designee to approve up to three (3) future Amendments that do not exceed 10% ($7,000) of the original Platform License Agreement amount, do not significantly alter the scope of services, and do not exceed a revised maximum amount of $187,000.

SUMMARY/DISCUSSION:
Conduent Healthy Communities Corporation (CHCC) hosts a Standalone Platform (CHCC Platform) which is a customizable website template system that collects and reports de-identified population health data from multiple sources.

The customization and use of CHCC Platform enables the county and community partners to develop focused strategies, implement programs, and monitor outcomes using the data while maintaining national health accreditation. It will also enable the community to access the information which improves transparency and helps to visually draw associations between social, environmental, and behavioral factors that impact health.

The execution of Amendment No, 3 will enable MCHD to include a Data Use Agreement for non-public patient level data, Health and Safety Code Section 128766, for the provision of CHCC to utilize the data collected by County from California Department of Health Care Access and Information (HCAI) limited patient-data sets to include additional data analytics deidentified hospitalization, emergency room, and mental health data to the existing platform license, and continue to provide tools and templates for data visualization and mapping that will be publicly accessible through June 23, 2025.

No installation of software locally for MCHD staff is required for data upload, use, or customization of the website. MCHD Staff will utilize the data and website template to provide publicly accessible information on: <https://www.datasharemontereycounty.org/>.

This work supports the Monterey County Health Department 2018-2024 Strategic Plan Goals: 1. Empower the community to improve health; and 2. Enhance community health and safety through prevention. It also supports one of the ten essential public health services, specifically: 9. Evaluate effectiveness, accessibility, and quality of personal and population-based health services.

OTHER AGENCY INVOLVEMENT:
The Offices of the County Counsel and Auditor-Controller have reviewed and approved this Data Usage Agreement as to form and fiscal provisions, respectively.

FINANCING:
Funding for this agreement is included in the Health Department's (HEA014-8438) FY 2023-24 Adopted Budget and provision for it will be made in the Department's Requested Budget for the years out.

AMENDMENT NO. 3 TO PLATFORM LICENSE AGREEMENTBETWEEN
COUNTY OF MONTEREY &
CONDUENT HEALTHY COMMUNITIES CORPORATION

THIS AMENDMENT NO. 3 ("Amendment 3"), effective December 11, 2023 (the "Amendment 3 Effective Date"), to the Platform License Agreement No. A-14686 ("AGREEMENT"), for provision of customization, maintenance/support, and training for the Healthy Communities Institute Platform System, is made between the County of Monterey, a political subdivision of the State of California (hereinafter referred to as "Client" or "County"), for services at Monterey County Health Department, and Conduent Healthy Communities Corporation (hereinafter referred to as "CHCC") with respect to the following:

WHEREAS, on April 15, 2020, County and CHCC entered into an AGREEMENT in the amount of $70,000 for the term April 15, 2020, through April 14, 2023;

WHEREAS, on May 27, 2021, County and CHCC executed Amendment No. 1 to the AGREEMENT to include additional data analytics of deidentified hospitalization, emergency room, and mental health data to the existing platform license, extend the term of the AGREEMENT through June 23, 2025, increase the total maximum amount of the AGREEMENT by $100,000, and to replace Exhibit A: Statement of Work for the CHCC Platform;

WHEREAS, on September 1, 2022, County and CHCC executed Amendment No. 2 to the AGREEMENT to add Claritas Consumer Expenditures data analytics to the CHCC Platform, increase the maximum amount of the AGREEMENT by $10,000, and replace Exhibit A Statement of Work for CHCC Platform; and

WHEREAS, the County and CHCC wish to further amend the AGREEMENT to include a Data Use Agreement pursuant to Health and Safety Code Section 128766, to authorize CHCC to utilize data collected by County from California Department of Health Care Access and Information (HCAI).

NOW THEREFORE, the County and CHCC hereby agree to amend the AGREEMENT in the following manner:

1. **EXHIBIT C – Data Use Agreement for Non-public Patient Level Data, Health pursuant to Safety Code Section 128766** is hereby added to the AGREEMENT, as attached to this Amendment 3.

2. Except as provided herein, all remaining terms, conditions and provisions of the AGREEMENT are unchanged and unaffected by this Amendment 3 and shall continue in full force and effect as set forth in the AGREEMENT.

3. A copy of this Amendment 3 shall be attached to the original AGREEMENT.

EXHIBIT C

DATA USE AGREEMENT FOR NONPUBLIC PATIENT LEVEL DATA – HEALTHAND SAFETY CODE SECTION 128766
BY AND BETWEEN COUNTY OF MONTEREY, FOR SERVICES AT MONTEREY COUNTY HEALTH DEAPRTMENT AND CONDUENT HEALTHCOMMUNITIES CORPORATION

The Department of Health Care Access and Information ("HCAI") is required to protect patient privacy as stated in Section 128766 of the Health and Safety Code. Any Data disclosures pursuant to this Agreement are required to be consistent with the standards and limitations applicable to limited data sets in Code of Federal Regulations, title 45, section 164.514. Any hospital or health department that receives data shall not disclose that data to any person or entity, except as required or permitted by law. In no case shall a hospital, health department, contractor, or subcontractor reidentify or attempt to reidentify any data received.

This Data Use Agreement ("DUA") is by and between County of *Monterey, on behalf of the Monterey County Health Department ("County") and Conduent Healthy Communities Corporation,* hereinafter referred to as "CHCC".

The nonpublic patient level data provided by HCAI via the County under this Agreement pursuant to Health and Safety Code section 128766 is described in CHCC's Limited Data Request ("Data Request"), for the project titled "Disease Surveillance for Program Evaluation" and is hereinafter termed "Data" and is identified in the Limited Data Request form attached hereto as Attachment 1, and incorporated therein. Per this DUA, the CHCC shall not release, share, or further distribute any Data it receives from HCAI via the County (including any Data containing complete or partial individual patient records).

CHCC acknowledges and agrees that the nonpublic patient level data is subject to relevant state and federal privacy and security laws with which CHCC must comply.

The parties mutually agree that HCAI retains all ownership rights to the Data, and that CHCC does not obtain any right, title, or interest in any of the Data.

CHCC will only use or disclose the Data for the specific limited purposes and in the ways described in the Data Request. CHCC is bound by all statements made in the Data Request. Only those persons/entities identified in the Data Request are permitted to access, receive, or use the Data.

As the recipient of the Data, CHCC agrees that it will:

1. Only use or disclose the Data as stated in its Data Request, or as required by law (e.g., by court order or search warrant).

2. If CHCC wants to add a use, disclosure, or persons/entities to use/receive the Data, CHCC will submit a revised Data Request to County stating and describing the new use/disclosure and identifying any new persons/entities to receive or use the Data.

3. Use appropriate safeguards to prevent unauthorized use or disclosure of the Data including taking measures commensurate with HCAI's requirements documents in the document titled "Required Practices for Safeguarding Access to Confidential Data" and attached hereto as Attachment 2 and incorporated therein.

4. Notify HCAI via the County promptly, but in no event later than three (3) business days from the discovery of a security breach impacting the Data, or of any use or disclosure of the Data not stated in its Data Request.

5. Be responsible for costs incurred by HCAI (data owner), as defined herein, due to any security

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

incident resulting from CHCC's failure to perform or negligent acts of its personnel, and resulting in an unauthorized disclosure, release, access, review, or destruction, or loss, theft, or misuseof an information asset. If the County determines that notice to the individuals whose data has been lost or breached is appropriate, CHCC will bear the reasonable costs associated with the notice. These costs include, but are not limited to reasonable, staff time, material costs, postage, media announcements, and other identifiable costs associated with the breach or loss of data, as mutually agreed to by the parties.

6. County and CHCC to have in place a Business Associate Agreement that meets the requirements of the Code of Federal Regulations, title 45, Part 160 and Part 164.

7. Provide HCAI, via the County, with copies of fully executed data sharing agreements, for any person or entity, other than a member of CHCC's workforce, that will access PHI received by CHCC, including but not limited to CHCC's contractors, subcontractors, or partners. Those agreements shall reference this Agreement between the County and CHCC.

8. Ensure that all its contractors, subcontractors, or partners to whom CHCC provides any of the Data received from HCAI via the County, agree to in writing to comply with all terms of this DUA, including providing proof of destruction of the Data upon completion of the purpose specified in the approved request.

9. Not re-identify or attempt to re-identify the individuals to whom the Data pertains and not to contact any specific individual whose record is included in the Data.

10. Retain the Data for no more than ten (10) years, or as may be mandated by law, from the effective date of this DUA ("retention period"). Should CHCC need additional time beyond retention period, CHCC will need to request an extension from HCAI via the County and provide a justification in writing. CHCC will notify HCAI via the County within 30 days of the completion of the purpose specified in the approved request if the purpose is completed before the retention period. Within 30 days of such notice or the end of the retention period, whichever occurs sooner, CHCC, and any of its Business Associates, contractors, subcontractors, or partners must destroy the Data and send written certification of the destruction to HCAI via the County.

11. CHCC and its Business Associates, contractors, subcontractors, or partners shall not use or retain the Data or any parts thereof, after the initial retention period or agreed upon extended retention period.

12. Present in aggregate form, in which there is no reasonable basis to believe that Data can be used to identify an individual, the final report findings, listing, or publication derived fromthe Data in any manner (e.g., via email, website, manuscript, table, chart, study, report, etc.).

13. CHCC must follow the California Health and Human Services Agency Data De- Identification Guidelines (DDG), incorporated as Attachment 3 to this DUA to determine whether aggregate Data is sufficiently de-identified for reporting and may not report aggregated data if CHCC did not follow the DDG.

14. Any violation of this DUA by CHCC will be subject to appropriate legal action by the State of California. CHCC agrees to indemnify, defend, and hold harmless HCAI and the County from all third-party claims and losses directly resulting from CHCC's breach of a material obligation of this DUA.

15. CHCC acknowledges that criminal penalties under the Data Practices Act (California Civil Code section 1798.56) may apply if it is determined that CHCC willfully requested or obtained the Data under false pretenses.

16. Further, CHCC agrees that any material violations of the terms of this DUA or any of the laws and regulations governing the use of the Data may result in permanent or temporary denial of access to HCAI data for CHCC or any of CHCC's contractors, subcontractors, partners, or other Business Associates.

The undersigned individual hereby attests that they are authorized to enter into this DUA onbehalf of that

Limited Data Request

Request number - CS0002451

HCAI offers several types of non-public data to licensed California Hospitals and California Local Health Departments. Eligible hospitals and local health departments may request Limited Model Data Sets for Patient Discharge Data, including Inpatient (PDD), Emergency Department (EDD), and Ambulatory Surgery Center (ASD). They may also order Patient Origin/Market Share data (PO/MS), created to assist hospitals and communities facing tremendous budgetary pressures, which makes the need to understand key operating performance issues critical. In addition, there are also Prevention Quality Indicators, a set of measures that can be used with hospital inpatient discharge data to identify quality of care for "ambulatory care sensitive conditions. This is data standardized for the Agency for Healthcare Research and Quality (AHRQ PQI.)

The Limited Data Set includes Inpatient (PDD), Emergency Department (EDD) and Ambulatory Surgery (AS) files. The contents of these files, including descriptions of the variables that they contain, are described in the Non-Public Data Documentation. A cross-referenced list of variables across multiple years is contained in the Master Variable Grid.

All documentation linked on this request form can also be found on the Limited Data Request Landing Page.

§128766 of the Health and Safety Code gives HCAI the legal authority to disclose patient-level data to hospitals, Tribal Epidemiology Centers, local health departments and local health officers, and certain federal agencies conducting a statutorily authorized activity. The law provides that the disclosure be consistent with limited data set standards and limitations under 45 CFR §164.514. Any hospital that receives data under §128766 shall not disclose the data to any person or entity except as required or permitted by the HIPAA medical privacy regulations. The hospital and its contractor(s) are prohibited from re-identifying or attempting to re-identify any information received pursuant to §128766. This form must be completed if you are requesting access to a limited data set from HCAI.

Contractors Using Data

Conduent Healthy Communities Corporation (Conduent HCC) - Norwin Espiritu - Director of Research - 100 Campus Drive, Suite 200, Florham Park, NJ 07932 - 510-314-8300 - norwin.espiritu@conduent.com - Inpatient and Emergency Department datasets for CY2014-2022

Contractor Data Security

Conduent Healthy Communities Corporation (Conduent HCC) - All hospital utilization data will be stored on a virtual Windows Server 2016 server hosted by a HIPAA-compliant Amazon Web Service instance. Secure data will reside on an encrypted volume attached to the virtualserver. Our secure data directories of our virtual server are explicitly excluded from our cloud backupsolutions. No off-site backups of the data exist, and the virtual server is not cloned. Copies of patient health datasets will NOT be kept on any portable devices such as external hard drives, USB memory sticks, phones, or laptops under any circumstances. - SAS v9.4software is used to access raw data and calculate statistics from the data - The server can only be accessed by VPN and by specific users (Conduent HCC Research Analysts and IT Staff) with permission to access the secured data. The VPN and server are password-protected. - Access to the computer is logged and available in an audit trail. - Conduent Healthy Communities Corporation employees work remotely and would access the data from the privacy of their homes. Conduent HCC staff are to prevent anyone not authorized to view patient data sets from viewing their workstation. All employee workstations have password controls and automatic logouts after inactivity. - Data is stored electronically on an encrypted Elastic Block Storage volume - All communications between the user and server occur over encrypted channels - Norwin Espiritu, Director of Research Margaret Mysz, Research Associate Cushanta Horton, Research Associate Richard Barnatia, Research Analyst Tim McLaughlin, Senior IT Architect - They are full-time employees of the contractor. Those with a research role are responsible for coordinating, handling, or analyzing patient datasets. Researchers will deliver analysis results to Monterey County Health based on contractual agreements and scope of work. IT personnel are responsible for permitting or restricting access to the virtual server, and for maintaining the server and its software

Requested Data and Data Products

Indicate the database(s) and/or product(s) and year(s) of data you are requesting

Please Note: *Non-patient level data products developed using Limited Data Set confidential data are also available. Although these products are not patient level data, they are not de-identified and the requester must agree to treat the information they contain as Protected Health Information (PHI).*

OSPHD patient counts aggregated to the ZIP code level may be layered with Monterey County ZIP attributes, generally available through US Census, such as education, income, age, and gender.

Linked patient-level information
☐ Describe the method for linking patient-level data across years/datasets

What final product(s) will be developed from this project?
Please Note: *Patient-level data cannot be contained in any product that is distributed beyond the requestor.*
Community Health Assessments, health briefs, internal reports for Health Officer or Director data requests, and public-facing data reports on Monterey County Data Share Platform (powered by Conduent LLC). For data shared with the contractor (Conduent), rates will be calculated for the following causes: asthma, community-acquired pneumonia, heart failure, hypertension, COPD, dehydration, diabetes, hepatitis, hip fractures, immunization-preventable pneumonia and influenza, urinary tract infections, unintentional falls, alcohol use, substance use, intentional self-harm, and mental health. Rates for additional causes may be calculated dependent upon the benefit to Monterey County Health and its partners

Describe how you will treat small cells to avoid identifying individuals
Our policy is to aggregate data by year, demographic strata (i.e. age groups), and /or geographic region to increase cell size. When this method is not possible or does not adequately address the small cell the data is excluded from reporting. For data utilized by the contractor, three calendar years of data will be combined to calculate values for 3-year aggregate periods at the county level–with subpopulation rates by age group, gender, and race/ethnicity–and at the ZIP code level (with no subpopulation rates). All rates will be age-adjusted, except for the age group-specific rates that will be unadjusted. Population estimates from Claritas Pop-Facts® Demographics are used for all population denominators. County rates will be suppressed and not displayed if there are fewer than 12 cases for any of the above-listed causes of hospitalizations or ER visits. Subpopulation rates and ZIP codes rates will be suppressed and not displayed if the denominator population is less than 300 or if there are fewer than 12 cases for any of the above-listed causes of hospitalizations or ER visits. Additionally, rates by race/ethnicity for indicators specific to adolescents will be suppressed if the denominator population is 20,000 or less. Case counts for any geographic level will not be displayed or provided.

Data Security
Requesting Department
See the Appendix Security Guidelines Recommended Practices for Safeguarding Access to Confidential Data. These guidelines are an example of the information needed in the security sections below. Please be very specific about the data security.

Describe the security measures under which you propose to use, maintain, and store the requested data. Address each of the main categories below.

System on which the data will reside (Standalone computer, host-based, networked, etc.)
Data will be processed on two different computers, which are both networked within Monterey County Health Department requiring VPN and user specific permissions over encrypted channels. Conduent HCC will store data virtual server hosted by HIPAA-compliant Amazon Web Services., which is only accessible by VPN and by specific user permissions over encrypted channels

Hardware/Software (Antivirus, anti-spyware, firewall, etc.) on department systems
The County of Monterey network security currently includes Windows Defender (with automatic security updates), Splunk, and carbon Black to monitor and audit potential malicious activity on the network and Microsoft product security. Microsoft antivirus, anti-spyware, and firewall software are installed and used on Conduent's AWS server

Access Controls (password requirements and safeguards, VPN use, WiFi use, file sharing, logs, etc.)
Access is restricted to authorized users only. The computers are password protected with a password of at least fifteen characters in length and contain at least one alphanumeric character and one symbol. Log-in as requires two-factor authentication to verify access to authorized users. Files are only shared with authorized users with appropriate access. Authorized user includes Contractor- Conduent HCC. On the contractor's end,all hospital utilization data will be stored on a virtual server hosted by HIPAA-compliant Amazon WebServices. The server can only be accessed by VPN and by specific users (Conduent HCC Research Analysts and IT Staff) with permission to access the secured data. The VPN and server are password-protected. All communications between the user and server occur over encrypted channels. Access to the computer is logged and available in an audit trail. Conduent staff can only use work-issued computers to access the server.

Physical Environment (monitor position, printer location, screen saver, etc.)
For LHD, The two computers are in separate locked offices. The offices are located in a restricted, non-public area that can only be entered with an electronic pass and door key. Visitor access is monitored. The monitors are positioned away from the door entry and are only accessible via password for log-in entry. Monitors are locked when not in use and screen savers are automatically triggered when no activity is detected after 5 minutes. To bypass the screen savers for access a password must be entered. . Remote staff with specific privileges to the data would access the data from the privacy of their homes through a VPN with multifactor authentication processes in place. County staff are to prevent any unauthorized viewers and uses of the data from their workstation, even when working remotely. All remote staff are equipped with privacy screens for their computers, which are to be facing away from windows or anyone passing by the work station at home. Computers are set to lock within 5 minutes of inactivity but employees are also advised to lock computers before walking away. For Conduent HCC, access is limited only to specific users in a restricted environment, and access to the computer is logged and available in an audit trail. Conduent Healthy Communities Corporation employees who work remotely and would access the data from the privacy of their homes. Conduent HCC staff are to prevent anyone not authorized to view patient data sets from viewing their workstation. All employee workstations have password controls and automatic logouts after inactivity.

Data Storage (e.g. removable media storage, hard drive encryption, backups of data, etc.)
For LHD, Data is not stored on local hard drives. Network files are restricted to authorized users only. Data cannot be removed or downloaded from a local hard drive onto an external, removal media storage. Backups of the data are only available on a secured SQL server which is limited to authorized users only. Copies of patient health datasets will NOT be kept on any portable devices such as external hard drives, USB memory sticks, phones, or laptops under any circumstances. For the Contractor, data is stored electronically on an encrypted Elastic Block Storage volume. All communications between the user and server occur over encrypted channels. Secure data will reside on an encrypted volume attached to the virtual server. The secure data directories of our virtual server are explicitly excluded from the cloud backup solutions. No off-site backups of the data exist, and the virtual server is not cloned. Copies of patient health datasets will NOT be kept on any portable devices such as external hard drives, USB memory sticks, phones, or laptops under any circumstances.

Encryption used on data storage drives
Monterey County Policy requires that all mobile devices that store protected information are encrypted. All protected data transmission is encrypted and supported by policies/procedures. Conduent HHC requires data to be stored electronically on an encrypted Elastic Block Storage volume and for all communications between the user and server to occur over encrypted channels.

Additional Notes
Please provide any additional notes you may have

DATA USE AGREEMENT FOR NONPUBLIC PATIENT LEVEL DATA – HEALTH AND SAFETY CODE SECTION 128766

The Department of Health Care Access and Information (HCAI) is required to protect patient privacy as stated in Section 128766 of the Health and Safety Code. Any data disclosures pursuant to this Agreement are required to be consistent with the standards and limitations applicable to limited data sets in Code of Federal Regulations, title 45, section 164.514. Any hospital or health department that receives data shall not disclose that data to any person or entity, except as required or permitted by law. In no case shall a hospital, health department, contractor, or subcontractor reidentify or attempt to reidentify any data received.

This Agreement is by and between HCAI and *County of Monterey Health Department,* hereinafter termed "Requestor."
The nonpublic patient level data provided by HCAI under this Agreement pursuant to Health and Safety Code section 128766 is described in Requestor's Limited Data Request, (Data Request), including any identified attachments, Request No. **CS0002451**, dated *2023-10-10*, for the project titled "Disease Surveillance for Program Evaluation" and is hereinafter termed "Data." This Data Request is hereby incorporated by reference into this Agreement. This Agreement supersedes all prior data use agreements between Requestor and HCAI and Requestor and the Office of Statewide Health Planning and Development (OSHPD), HCAI's predecessor.

Per this Agreement, the Requestor shall not release, share, or further distribute any Data it receives from HCAI (including any Data containing complete or partial individual patient records).

The Requestor acknowledges and agrees that the nonpublic patient level data is subject to relevant state and federal privacy and security laws with which Requestor must comply.

The parties mutually agree that HCAI retains all ownership rights to the Data, and that the Requestor does not obtain any right, title, or interest in any of the Data.

Requestor will only use or disclose the Data for the specific limited purposes and in the ways described in its approved request. Requestor is bound by all statements made in the approved request. Only those persons/entities identified in the request are permitted to access, receive, or use the Data.

As the recipient of the Data, Requestor agrees that it will:

1. Only use or disclose the Data as stated in its Data Request, or as required by law (e.g., by court order or search warrant);

    - If Requestor wants to add a use, disclosure, or persons/entities to use/receive the Data, Requestor will submit a revised Data Request stating and describing the new use/disclosure and identifying any new persons/entities to receive or use the Data;

2. Use appropriate safeguards to prevent unauthorized use or disclosure of the Data including taking measures commensurate with HCAI's "*Recommended Practices for Safeguarding Access to Confidential Data*" incorporated by reference into this Agreement;

3. Notify HCAI immediately (no later than 24 hours) of the discovery of a security breach impacting the Data, or of any use or disclosure of the Data not stated in its Data Request;

4. Be responsible for all costs incurred by HCAI (data owner) due to any security incident resulting from the Requestor's failure to perform or negligent acts of its personnel, and resulting in an unauthorized disclosure, release, access, review, or destruction, or loss, theft, or misuse of an information asset. If the contractor experiences a loss or breach of data, the Requestor shall immediately report the loss or breach to the data owner. If the data owner determines that notice to the individuals whose data has been lost or breached is appropriate, the Requestor will bear any, and all costs associated with the notice or any mitigation selected by the data owner. These costs include, but are not limited to, staff time, material costs, postage, media announcements, and other identifiable costs associated with the breach or loss of data;

5. Provide HCAI with a Business Associate Agreement that meets the requirements of the Code of Federal Regulations, title 45, Part 160 and Part 164, for any person or entity, other than a member of the Requestor's workforce, that will access PHI received by Requestor, including but not limited to Requestor's contractors, subcontractors, or partners;

6. Provide HCAI with copies of fully executed data sharing agreements, for any person or entity, other than a member of the Requestor's workforce, that will access PHI received by Requestor, including but not limited to Requestor's contractors, subcontractors, or partners. Those agreements shall reference this Agreement between the Requestor and HCAI;

7. Ensure that all of its contractors, subcontractors, or partners to whom Requestor provides any of the Data received from HCAI, agree in writing to comply with all terms of this Agreement, including providing proof to the Requestor of destruction of the Data upon completion of the purpose specified in the approved request or at the end of the retention period, whichever occurs first;

8. Not re-identify or attempt to re-identify the individuals to whom the Data pertains and not to contact any specific individual whose record is included in the Data;

9. Retain the Data for no more than ten years from year Data was collected (e.g., data collected in 2013, reported in 2014, shall be destroyed at the end of 2023) or pursuant to retention periods specifically authorized in the Data Request. Requestor will notify HCAI within 30 days of the completion of the purpose specified in the approved request if the purpose is completed before the end of the retention period. Within 30 days of such notice or the end of the retention period, whichever occurs first, Requestor, and any of its Business Associates, contractors, subcontractors, or partners shall destroy the Data and send written certification of the destruction to HCAI. Requestor and its Business Associates, contractors, subcontractors, or partners shall not use or retain Data or any parts thereof, after the retention period and all data not specifically identified in the Data Request, including data obtained through prior data requests submitted to HCAI and/or OSHPD, shall be destroyed immediately. By signing this agreement, Requestor attests that Requestor is in full compliance with the data destruction requirements as stated in this Agreement.

10. Present in aggregate form, in which there is no reasonable basis to believe that data can be used to identify an individual, the final report findings, listing, or publication derived from the Data in any manner (e.g., via email, website, manuscript, table, chart, study, report, etc.).

    - Requestor must follow the California Health and Human Services Agency Data De-Identification Guidelines (DDG) to determine whether aggregate data is sufficiently

de-identified for reporting and may not report aggregated data if User did not follow the DDG;

11. Termination for Cause. Upon HCAI's knowledge of a material breach or violation of this Agreement by Requestor, HCAI may provide an opportunity for Requestor to cure the breach or end the violation and may terminate this Agreement if Requestor does not cure the breach or end the violation within the time specified by HCAI. HCAI may terminate this Agreement immediately if Requestor has breached a material term and HCAI determines, in its sole discretion, that cure is not possible or available under the circumstances. Upon termination of this Agreement, Requestor must destroy all the Data provided under this Agreement. The provisions of this Agreement governing the privacy and security of the Data shall remain in effect until all the Data is destroyed and HCAI receives a certificate of destruction from Requestor.

Any violation of this Agreement by Requestor will be subject to appropriate legal action by the State of California. Requestor agrees to indemnify, defend, and hold harmless HCAI from any and all claims and losses accruing to any person, organization, or other legal entity resulting from its violation of this Agreement.

Requestor acknowledges that criminal penalties under the Data Practices Act (California Civil Code section 1798.56) may apply if it is determined that any person willfully requested or obtained the Data under false pretenses.

Further, the Requestor agrees that any material violations of the terms of this Agreement or any of the laws and regulations governing the use of the Data may result in permanent or temporary denial of access to HCAI data for Requestor or any of Requestor's contractors, subcontractors, partners, or other Business Associates.

The undersigned individual hereby attests that they are authorized to enter into this Agreement on behalf of that Requestor and agrees to all the terms specified herein.

Required Practices for Safeguarding Access to Confidential Data

The Department of Health Care Access and Information (HCAI) has additional requirements to the CPHS requirements. These requirements apply to all researchers, their contractors, and subcontractors.

If the researcher demonstrates that he or she is unable to comply with any of the requirements below, the researcher may request an exception from these requirements. An exception will only be granted if the researcher can demonstrate that adequate alternative measures have been taken to minimize risks to justify the exception.

General Safeguards

1. The researcher must provide a plan sufficient to protect personal information from improper use and disclosures, including sufficient administrative, physical, and technical safeguards to protect personal information from reasonable anticipated threats to the security or confidentiality of the information.
2. The researcher must provide sufficient written assurances that the personal information will not be reused or disclosed to any other person or entity, or used in any manner, not approved in the research protocol, except as required by law or for authorized oversight of the research project.
3. The researcher must provide a sufficient plan to destroy or return all personal information as soon as it is no longer needed for the research project, unless the researcher has demonstrated an ongoing need for the personal information for the research project and has provided a long-term plan sufficient to protect the confidentiality of that information.
4. Researchers must state whether data/samples will be destroyed or returned as soon as it is no longer needed for the research.
5. Researchers must provide proof of destruction to HCAI certifying data has been destroyed or returned.

Administrative Safeguards

1. All research staff with access to data shall have training on Privacy and Data Security. Research teams shall hold any confidentiality statements related to general use, security, and privacy for the full term of the research project.
2. Researchers should have proper vetting either through reference checks or background checks for any person who has access to data.
3. Researchers should ensure that data will not be provided to any unauthorized person or reused for any other purposes other than what is originally approved.
4. Researchers shall take appropriate precautions to ensure that data cannot be used to personally identify individuals.
5. Researchers must request an alternative to SSN for unique identifiers.
6. All data requested shall only be the minimum data needed to complete the study.
7. Access to the data will be limited to those performing the research.
8. HCAI requires that no cell (and no statistic based on a cell of) 11 or less may be used reporting aggregate data.

Physical Safeguards

1. Researchers must describe how facilities which store data in paper or electronic form, have controlled access procedures, and 24-hour guard or monitored alarm.
2. Researchers should indicate whether identifiers will be stored separately from analysis data.

Technical Safeguards

1. Researchers must describe how all computers that contain data will have full disc encryption that uses FIPS 140-2 certified products.

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

2. All data on removable media devices (e.g. USB thumb drives, CD/DVD, smartphones, backup tapes) will be encrypted with software which is a FIPS 140-2 certified product.
3. Researchers should indicate how all workstations, laptops and other systems that process and/or store data have security patches applied in a reasonable time frame (include the frequency).
4. Researchers must explain how all transmissions of electronic data outside the secure internal network (e.g., emails, website access, and file transfer) are encrypted using software which is a FIPS 140-2 certified.
5. Researchers must describe how all password controls are in place to protect data stored on workstations, laptops, servers, and removable media and should follow a minimum of 14 characters with at least one capital letter, one small letter, one number and one special character.
6. Researchers must provide what security antivirus controls are in place by product name and current version.
7. Researchers must describe methods of secure wiping, degaussing, or physical destruction to be used when disposing of electronic data in accordance with NIST Guidelines for Media Sanitization NIST Special Publication 800-88 Revision 1.
8. HCAI provided data is not allowed to be published or accessible to the Internet.

1) Purpose

The California Health and Human Services Agency (CHHS) Data De-identification Guidelines (DDG) describes a procedure to be used by departments and offices in the CHHS to assess data for public release. As part of the document, specific actions that may be taken for each step in the procedure are described. These steps are intended to assist departments in assuring that data is de-identified for purposes of public releasethat meet the requirements of the California Information Practices Act[1] (IPA) and the Health Insurance Portability and Accountability Act[2] (HIPAA) to prevent the disclosure ofpersonal information.
Additionally, the DDG support CHHS governance goals to reduce inconsistency of practices across departments, align standards used across departments, facilitate therelease of useful data to the public, promote transparency of state government, and support other CHHS initiatives, such as the CHHS Open Data Portal.

2) Background

CHHS implemented an agency-wide governance structure in October, 2014. The governance structure acts both in a decision-making and advisory capacity to Agency leadership and its departments and offices. Implementation of the governance framework supports information technology (IT) initiatives that are more tightly aligned with meeting business objectives, enhanced project prioritization and improved strategicIT investment decisions. The Executive Sponsor is the Undersecretary of CHHS. The Advisory Council consists of representatives of senior leadership from departments andoffices in the Agency. There are five subcommittees that report to the Advisory Council,which include the Portfolio, Procurement, Infrastructure, Risk Management and Data Subcommittees. The Data De-identification Workgroup was convened by the Data Subcommittee with representation from all departments and offices in CHHS.
CHHS is engaged in improving transparency and public reporting through the Open Data Portal. As described in the CHHS Open Data Portal Handbook, not all data is suitable for use on the open data portal. Data is Publishable State Data if it meets one of the following criteria: (1) data that are public by law such as via the Public Records Act[3] (PRA) or (2) the data are not prohibited from being released by any laws, regulations, policies, rules, rights, court order, or any other restriction. Data shall not be

released if it is restricted due to the HIPAA, state or federal law. Data tables may fallinto one of three categories:[4]

- Level One: Data tables that can be released to the public and published withoutrestriction;
- Level Two: Data tables that have some level of restriction or sensitivity but currently can be made available to interested parties with a signed data useagreement; or
- Level Three: Level three data are restricted due to HIPAA, state or federal law.These data will NOT be accessible through the CHHS Open Data Portal.

Data can change from being Level 3 to Level 1 if appropriate de-identification processesare employed. The CHHS DDG described in this document will support departments and offices in the evaluation of data to determine whether it has been adequately de- identified so that it can be considered Level 1.

3) Scope

Data de-identification practices will be implemented by each department and office (further referred to as department) in the agency. This DDG is the default policy for CHHS departments. If a CHHS department wants to create a department DDG, it musthave appropriate references to departmental processes and the department must file acopy of their DDG with the Office of the Agency Information Officer (OAIO). For example, the Legal Review process and the Departmental Release Procedures for De- Identified Data require additional information to describe these steps within each department. Additionally, a department with programs not covered by HIPAA will not require specific HIPAA references. A department must request DDG consultation from the CHHS peer review team (PRT), described in Section 8: DDG Governance prior to implementation. The PRT is available to review the department's documentation to ensure it is consistent with the principles of the CHHS DDG and meets requirements ofthe California IPA.

The CHHS DDG is focused on the assessment of aggregate or summary data for purposes of de-identification and public release. Aggregate data means collective datathat relates to a group or category of services or individuals. The aggregate data may be shown in table form as counts, percentages, rates, averages, or other statistical groupings.

Departments are sometimes asked to release record level data. Record level datarefers to information that is specific to a person or entity. For example, a record forJane Doe may include demographics and case information specific to Jane Doe.

However, summary data would include information from Jane Doe combined, or summarized, with data from other individuals. If record level data is to be publicly released, it must be assessed to ensure it is de-identified and does not include PersonalInformation (PI)[5] or Protected Health Information (PHI).[6] Although the DDG is focused on summarized data, it can be used to assist with review of individual or record level data. The record level data should be assessed both for uniqueness of the records andfor the possibility that the data can be used in conjunction with other information available to the requester to identify individuals in the data. Record level data inherentlyhas higher risk than summarized data, even after personal identifiers are removed.

Therefore, record level data for public release should be assessed on a case by casebasis.

CHHS collects, manages and disseminates a wide range of data. The focus for the DDG is on data that includes personal characteristics of individuals who have a legal right to privacy. Personal characteristics include but are not limited to age, race, sex, and residence and other identifiers specified in the IPA and HIPAA and listed in Figure

1. These guidelines will focus on the assessment of personal characteristics that are included in various data sets or tables to assess risk for identification of the individualsto which they pertain.

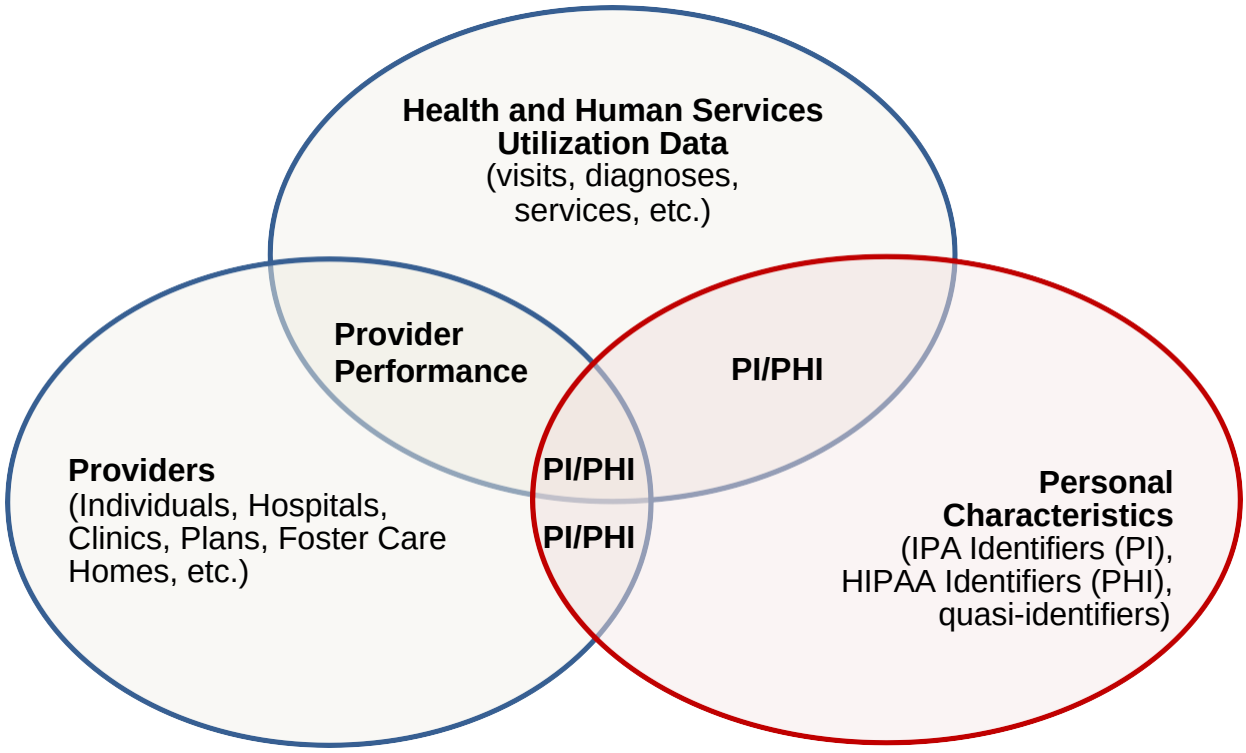
Assessing the risk of an unauthorized disclosure that violates an individual's right to privacy and/or confidentiality, as provided by statute, may be achieved by associatingpersonal characteristics with a person's identity or attributes. When these characteristics can successfully confirm an individual's identity in a publicly released data set, then release of this data results in disclosure of personal information.
Less obvious qualities in data sets and elements that may be used to identify individualsor groups can present uniqueness in data. Individual uniqueness in the released data and in the population is a quality that helps distinguish one person from another and is directly related to re-identification of individuals in aggregate data. Disclosure risk becomes a concern when released data reveal characteristics that are unique in both the released data and in the underlying population. The risk of re-identifying an individual or group of individuals increases when unique or rare characteristics are "highly visible", or are readily accessible by the general public without any special or privileged knowledge. Unique or rare personal characteristics (e.g., height above 7 feet)or information that isolate individuals to small demographic subgroups (e.g., American Indian Tribal membership) increase the likelihood that someone can correctly attribute information in the released data to an individual or group of individuals.[9]

Assessment of variables and their uniqueness

There are a number of variables that are unique to individuals that have been identifiedin various laws and are considered identifiers (PI/PHI). There are two primary laws thatdescribe identifiers, shown in Figure 1, in California: the IPA and the federal HIPAA. Other variables that are commonly used to publish information to the public have been called quasi-identifiers because while they are not unique by themselves, they can become unique in the right combination. The variables shown in the Publication Scoring Criteria in Figure 6 can be considered quasi-identifiers and will be discussed further in Sections 4 and 6.

Assessment of risk in the context of maximizing the usefulness of the information presented



The removal of PI and PHI from datasets is often considered straight-forward, because as soon as data is aggregated or summarized the majority of the data fields defined as identifiers in the IPA and HIPAA are removed. However, various characteristics of individuals may remain that alone or in combination could contribute to identifying individuals. These characteristics have been described as quasi-identifiers. Figure 2 helps demonstrate the quasi-identifier concept. For instance, there is interest in reporting about providers, where providers may be individuals, clinics, group homes, or other entities. Each of these providers has a publicly available address and has publicly

[9] Introduction to Statistical Disclosure Control, Temple et al. 2014

available characteristics. While patients may come to a provider from anywhere, they typically will visit providers within a certain distance of their residence. Thus, by publiclypublishing details on providers, data miners with malicious intent would have a targetedgeography that lists locality information, types of services offered and received, and demographic information about patients. To expand on this example, data that states a provider saw two patients with heart disease does not indicate who had the heart disease nor does it reveal the identity of the two patients amongst the thousands of patients that provider sees. However, datasets that display a provider within a given region with two Black or African American female patients under age 10 with heart disease may release enough personal characteristics about the patients to successfullyreveal their identity. These compounding patient details released about providers that give geography information (address), health condition (heart disease), and person- based characteristics (quasi-identifiers) of the patients puts the dataset in the overlapping area of the diagram of Figure 2. This overlap, consequently, highlights potential risks associated with seemingly innocent summary data.

4) Statistical De-identification

The DDG describes a procedure, the Data Assessment for Public Release Procedure shown in Figure 5, to be used by departments in the CHHS to assess data for public release. This section, section 4, describes specific actions that may be taken for each step in the procedure with additional supporting information being described in sections5, 6 and 7. These steps are intended to assist departments in assuring that data is de- identified for purposes of public release that meet the requirements of the California IPAto prevent the disclosure of personal information.
The Data Assessment for Public Release Procedure includes the following steps:

1. Review the data to determine if it includes personal characteristics, directly orindirectly, that can be tied back to an individual;
2. If there is concern for personal characteristics, then assess the data for smallnumerators or denominators;
3. If there is concern for small numerators or denominators, assess potential risk ofdata release;
4. If there is potential risk identified, assess the need to apply statistical maskingmethods to de-identify the data;
5. Following statistical de-identification, the data release is reviewed by legal if indicated in departmental procedures; and,
6. After statistical de-identification, the data is reviewed and approved for releasebased on program and policy criteria pursuant to departmental procedures.

The steps above are represented in a step-wise process shown in Figure 5. Each stepis described in further detail in section 4.1 through 4.6.
Data summaries that originate from data which includes personal identifiers must be de-identified before release to the public. Additionally, data summaries about conditions experienced by individuals must be adequately de-identified to prevent re-identification of individuals represented by the summarized data. Various statistical methods are available to statistically de-identify data.
Summarized data may be reviewed in the context of the numerator and the denominatorfor the given presentation. The numerator represents the number of events being reported while the denominator represents the population from which the numerator is taken. For example, if it is reported that there are 50 cases of diabetes in California then the numerator would be the number of cases (50) and the denominator would be the number of people in California that could have diabetes (more than 38 million people since diabetes can occur at any age or sex). While the numerator is relatively

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

straight-forward to identify, the denominator can be difficult. Data summaries are frequently presented in tables in which numerators and denominators may be identified.
The numerator is typically the value in each table cell. However, the denominator canbe difficult to identify given the various ways in which tables are prepared. Two examples of tables, Figure 3 and Figure 4, show the numerators and denominators insample tables.

Figure 3 shows an example table with the numerator and the denominator highlighted. The Cells in the table are the boxes with values in them, as opposed to the row and column headings. The row headings are 2012 and 2011. The column headings are Year, # of Medi-Cal Members in Fee For Service (in thousands) and Number of Medi- Cal Members in Managed Care (in thousands). In Figure 3, “2,775” is the value in a table cell and represents a numerator. The sum of the row for year 2012 (2,775 + 4,853 = 7,628) represents a denominator. In this context, the denominator may represent rowtotals, column totals or the total occurrences in the data set released. Data in Figure 3 comes from the “Trend in Medi-Cal Program Enrollment by Managed Care Status - for Fiscal Year 2004-2012, 2004-07 - 2012-07.” [10]
Figure 4 shows another type of table that contains rates. In this case, the numerator isthe number of Salmonella cases for a sample of California Local Health Jurisdictions in2014. The table also includes the rate of Salmonella for these jurisdictions. In order to calculate the rate, the population size of each jurisdiction is required, but is not shown directly in this table. The population denominator is an important element for data de- identification.

4.1 Personal Characteristics of Individuals

As described in Section 3 and Figure 2, personal characteristics of individuals introducethe most significant risk with respect to identifying individuals in a data set. The following are examples of personal characteristics.

- Identifiers as defined in CA IPA
- Identifiers as defined in HIPAA
- Demographics typically reported in census and other reporting
  - Race
  - Ethnicity
  - Language Spoken
  - Sex
  - Age
  - Socio-economic status as percent of poverty

Personal characteristics are those characteristics that are distinctive to a person and may be used to describe that person. Personal characteristics include a broader set of information than those data elements that may be specifically defined as identifiers (such as, driver license, address, birth date, etc.). Personal characteristics may also beinferred from characteristics related to provider or utilization data. For example, if presented with information about a provider that only sees women, it can be inferred that the clients are women even if that is not specifically stated in the data presentation.

4.2 Numerator – Denominator Condition

The Numerator – Denominator Condition represents a combination of both the Numerator Condition and Denominator Condition and for which both conditions must bemet or else a more detailed assessment is required. This may be considered as an initial screening of a data set.
Numerator – number of events with the characteristics of the given row and columnDenominator – the population from which the events arise.
The Numerator Condition sets a lower limit for the cell size of cells displayed in a table.The DDG has set this limit as any value representing aggregated or summarized records which are derived from less than 11 individuals (clients). Of note, values of zero (0) are typically shown since a non-event cannot be identified.
The Denominator Condition sets a minimum value for the denominator. The DDG hasidentified the lower limit for the denominator to be a minimum value of 20,000.
Since this is a Numerator – Denominator Condition, both the minimum cell size for thenumerator and denominator must be met. If these conditions are met, the table can move to Step 5 for consideration for release to the public. If either the numerator of denominator condition is not met, then the review of the data must proceed to Step 3.

4.3 Assess Potential Risk

This step requires the use of a documented method to assess the risk that small numerators or small denominators may result in conditions that put individuals at risk ofbeing re-identified.
Assessment of potential risk for a given data set must take into account a range of contributing considerations. This includes understanding particular characteristics of a given data set that is being released. For example, if the potential values for a specificpersonal characteristic, such as race, results in many small numbers in data set A but does not in data set B, then the risk may be low for data set B and high for data A if thegroupings of the personal characteristics include the same categories. For this reason, each department or program may set different values for risk based on the underlying distribution of these variables in the data sets of interest.

There are many methods used to assess potential risk. Many of the methods that are inuse throughout the country are described in the various references provided in Section 15. While each department will document the method(s) chosen for use, the followingdescription of the Publication Scoring Criteria is provided as an example and may be adopted by departments as a method to assess potential risk.

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

Publication Scoring Criteria: Example of tool to assess potential risk

The Publication Scoring Criteria is used to identify the presence of small values that areconsidered sensitive in order to facilitate the assessment of potential risk. The Publication Scoring Criteria combines a number of conditions that increase the risk of agiven data table and allows the department to evaluate those risks in combination with each other. The variables included in the Publication Scoring Criteria are those variables routinely used to publish data but are not all inclusive.

A variable is a symbol representing an unknown numerical or categorical value in an equation or table. A given variable may have different ranges assigned to it. Rangesassigned to the variable may be defined many ways which may increase or decreasethe risk of identification of an individual represented in the table. This is seen in the Publication Scoring Criteria in that ranges for variables which will produce smaller groupings have a higher score.

The Publication Scoring Criteria in Figure 6 quantifies with a score two identification risks: size of potential population and variable specificity. The Publication Scoring Criteria is used to assess the need to perform statistical masking as a result of a smallnumerator, small denominator, or both. The Publication Scoring Criteria takes into account both variables associated with numerators, such as Events, and with denominators, such as Geography.

This method requires a score less than or equal to 12 for the data table to be releasedwithout additional masking of the data. Any score over 12 will require the use of statistical masking methods described in section 4.4 or documentation regarding the specific characteristics of the data set that mitigate the risk.

When identifying the score for each variable, use the highest scoring criteria. For example if a table had age groups of 0 to 11 years, 12 to 14 years, and 15 to 18 years then the score for the “age range” variable would be +5 because the smallest age rangeis 12 to 14, which is an age range of three years.

If a variable has greater granularity than the score listed, use the highest score listed. For example, if the variable “Time” has a frequency of “weekly” then the score would be +5 which is the maximum score associated with the most granular level (monthly) of thevariable in the Publication Scoring Criteria.

In addition to assessing the granularity of each variable, the interaction of the variablesis also important. As discussed later in section 6.4, decreasing the granularity or the number of variables are both techniques for increasing the values for the numerators. The final criteria in Figure 6 is that for Variable Interactions. This provides for a subtraction of points if the only variables presented are the events (numerator), time and geography and an addition of points for including more variables in a given presentation. With respect to the subtraction of points, the score is based on the minimum value for the Events variable. For example, if the smallest value for the Events is 5 or more, then the score would be -5. However, if the smallest value for theEvents is 2, then the score would be 0. This is discussed in more detail in Section 6.2. In assessing risk, the scoring can be part of the justification to release or not release data but should not by itself be an absolute gateway to the release data. The review must take into account additional considerations including those that are discussed inthis document in addition to the scoring.

4.4 Statistical Masking

If Step 3 determined that the data set has a risk that small numerators or small denominators may result in conditions that put individuals at risk of being re-identified, then the data set must be assessed to determine the need for statistical masking of those small values and complimentary values. In performing the statistical masking, thedata producer must consider what level of analysis may be sacrificed in order to produce a table with lower risk. Initial considerations for statistical masking are described below. For additional methods related to statistical masking, please see Section 6.4.

Reduce Table Dimensions

If there are more dimensions present in the table than necessary for the vast majority ofanalysis, the data producer should consider reducing the number of dimensions in a single table and produce multiple tables each with a subset of the dimensions in the table that resulted in small cells. For example, if there are six dimensions of interest for study, but a table that crosses all six dimensions produces a large number of small cells, the data producer could consider producing several tables each of which crosses four dimensions. This is especially effective if there are very few analytic questions requiring a cross section of all six variables.

Reduce Granularity of Variable(s), aka Recoding or Aggregation

An alternative approach to addressing small cells in a table is to reduce the number of levels of a particular dimension. This is especially useful for dimensions with a large number of levels that can be easily aggregated to fewer levels and maintain much of their utility. Geographic variables such as state or county can often be recoded into regional variables that still serve the analytic needs of the data user. It is also the only table restructuring option for tables with only two or three dimensions which have limitedopportunities for table dimension reduction.

It should be noted that these actions can be used alone or in tandem to reduce, orcompletely eliminate, small cells within a table.

Cell Suppression and Complementary Cell Suppression

There will be cases where not all small cells can be eliminated by reducing granularity of dimensions or the number of dimensions present in a table. In these cases it will be necessary to suppress small cells and perform complementary suppression to ensure that precise values of small cells cannot be calculated using the values of unsuppressedcells and marginal values. In the simplest case this means ensuring that each column and row of a two dimensional table has at least two suppressions. This ensures that the precise values of the suppressed cells cannot be calculated. Complementarysuppressions are often selected using one of the methods listed below.

1. The ‘analytically least interesting’ level of a particular dimension. This is often,‘other’, or ‘I don’t know’.
2. The smallest cell available for complementary suppression. This is based on minimizing the ‘information loss’.
3. The cell most similar to the cell needing complementary suppression, such as adjacent age groups. This can produce complementary suppression that may beeasier to interpret.

4.5 Legal Review

Necessity of criteria for this step will be determined by each department. This may vary depending on the purpose of the release and whether or not the department orprogram is a HIPAA covered entity or not. See Section 7 for further discussion.

4.6 Departmental Release Procedure for De-identified Data

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

After completion of the statistical de-identification process, each department will specify the additional review steps necessary for public release of various data products. Products may include but are not limited to reports, presentation, tables,PRA responses, media responses and legislative responses. See Section 7 for further discussion.

5) Types of Reporting

CHHS programs develop a wide range of information based on different types of data. This is reflected in the various categories shown on the entry page for the CHHS OpenData Portal, which include:

- Diseases and Conditions
- Facilities and Services
- Healthcare
- Workforce
- Environmental
- Demographics
- Resources

Various types of reporting may or may not have a connection to personal characteristicsthat would create potential risk of identifying individuals.

5.1 Variables

The following list of variables is important to consider when preparing data for release.

Personal characteristics	Event characteristics
Age	Number of events
Sex	Location of event
Race	Time period of event
Ethnicity	Provider of event
Language Spoken	
Location of Residence	
Education Status	
Financial Status	

As stated previously, variables that are personal characteristics may be used to determine a person's identity or attributes. When these characteristics are used to confirm the identity of an individual in a publicly released data set, then a disclosure of an individual's information has occurred. Individual uniqueness in the released data and in the population is a quality that helps distinguish one person from another and is directly related to re-identification of individuals in aggregate data. Disclosure risk is a concern when released data reveal characteristics that are unique in both the released data and in the underlying population. The risk of re-identifying an individual or group ofindividuals increases when unique or rare characteristics are "highly visible", or otherwise available without any special or privileged knowledge. Unique or rare personal characteristics (e.g., height above 7 feet) or information that isolate individualsto small demographic subgroups (e.g., American Indian Tribal membership) increase the likelihood that someone can correctly attribute information in the released data to anindividual or group of individuals.

Variables that are event characteristics are often associated with publicly availableinformation.

Therefore, increased risk occurs when personal characteristics are combined with enough granularity with event characteristics. One could argue that if no more than twopersonal characteristics are combined with event characteristics then the risk will be lowindependent of the granularity of the variables. This hypothesis will need to be tested using various population frequencies to quantify the uniqueness of the combination of variables both the in the potential data to be released as well as in the underlying population.

5.2 Survey Data

Survey data, often collected for research purposes, are collected differently than administrative data and these differences should be considered in decisions aboutsecurity, confidentiality and data release.

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

Administrative data sources (non-survey data) such as: vital statistics (e.g. births and deaths), healthcare administrative data (e.g. Medi-Cal utilization; hospital discharges), reportable disease surveillance data (e.g. measles cases) contain data for all persons inthe population with the specific characteristic or other data elements of interest. Most ofthe discussions in this document pertain to these types of data.

On the other hand, surveys (e.g. the California Health Interview Study) are designed totake a sample of the population, and collect data on characteristics of persons in the sample, with the intent of generalizing to gain knowledge suggestive of the whole population.

The sampling methodology developed for any given survey is generally developed to maximize the sample size with the available resources while making the sample as un- biased (representative) as possible. These sampling procedures that are a fundamentalpart of surveys generally change the key considerations for protection of security and confidentiality. In particular, the main “population denominator” for strict confidentially considerations remains the whole target population, not the sampled population. But, if persons have special or external knowledge of the sampled populations (e.g. that a family member participated in the survey), further considerations may be required.

Also, it is in the context of surveys that issues of statistical reliability often arise—whichare distinct from confidentially issues, but often arise in related discussions.

Of particular note, small numbers (e.g. less than 11) of individuals reported in surveys do not generally lead to the same security/confidentiality concern as in population-wide data, and as such should be treated differently than is described within the Publication Scoring Criteria and elsewhere. In this case a level of de-identification occurs based onthe sampling methodology itself.

5.3 Budgets and Fiscal Estimates

Budget reporting may include both actuals and projected amounts. Projected amounts,although developed with models that are based on the historical actuals, reflect activities that have not yet occurred and, therefore, do not require an assessment for de-identification. Actual amounts do need to be assessed for de-identification. When the budgets reflect caseloads, but do not include personal characteristics of the individuals in the caseloads, then the budgets are reflecting data in the Providers and Health and Service Utilization Data circles of the Figure 2 Venn Diagram and do not need further assessment. However, if the actual amounts report caseloads based on personal characteristics, such as age, sex, race or ethnicity, then the budget reporting needs to be assessed for de-identification.

5.4 Facilities, Service Locations and Providers

Many CHHS programs oversee, license, accredit or certify various businesses, providers, facilities and service locations. As such, the programs report on various metrics, including characteristics of the entity and the services provided by the entity.

- Characteristics of the entity are typically public information, such as location, type ofservice provided, type of license and the license status.
- Services provided by the entity will typically need to be assessed to see if thereporting includes personal characteristics about the individuals receiving theservices. Several examples are shown below.

a) Reporting number of cases of mental illness treated by each facility – if the facility is a general acute care facility then the reporting of the number of casesdoes not tell you about the individuals receiving the services.

b) Reporting number of cases of mental illness treated by each facility – if the facility is a children’s hospital then the reporting of the number of cases does tellyou about the individuals receiving the services.

c) Reporting number of psychotropic medications prescribed by a general psychiatrist does not tell you about the patients receiving the medications.

d) Reporting number of psychotropic medications prescribed by a general psychiatrist to include the number of medications prescribed by the age group, sex or race/ethnicity of the patients receiving the medications does tell you aboutthe patients receiving the medications.

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

In (a) and (c) above, assessment for de-identification is not necessary as there areno characteristics about the individuals receiving the services. However, in (b) and
(d) above, the inclusion of personal characteristics which may be quasi-identifiers, especially when combined with the geographical information about the provider, does require an assessment for de-identification.

5.5 Mandated Reporting

CHHS programs are required to provide public reporting based on federal and Californiastatute and regulations, court orders, and stipulated judgments, as well as by various funders. Although reporting may be mandated, unless the law expressly requires reporting of personal characteristics, publicly reported data must still be de-identified to protect against the release of identifying or personal information which may violate federal or state law.

6) Justification of Thresholds Identified

6.1 Establishing Minimum Numerator and Denominator

The DDG workgroup reviewed the published literature including information from other states and from the federal government. There was a great deal of variation inthe numerical values chosen for the Numerator Condition. While the Centers for Disease Control and Prevention (CDC) WONDER database suppresses cells with numerators less than 10, the National Environmental Public Health Tracking Network suppresses cells that are greater than 0 but less than 6. Examples range from 3 to 40 with many being 10 to 15. The Centers for Medicare and Medicaid Services (CMS) uses a small cell policy of suppressing values derived from fewer than 11 individuals. As stated in a 2014 publication associated with a data release of Medicare Provider Data, "to protect the privacy of Medicare beneficiaries, any aggregated records which are derived from 10 or fewer beneficiaries are excluded from the Physician and Other Supplier PUF [public use file]."[11] Of note, CMS only uses a Numerator Condition.

Just as there is no consistent value for the Numerator Condition, neither is there aconsistent value for the Denominator Condition. Some examples include:

- National Center for Health Statistics (public micro-data) – 250,000
- National Environmental Health Tracking Network – 100,000
- Maine Integrated Youth Health Survey – 5,000

In establishing a minimum denominator to protect confidentiality, the DDG workgroup began by looking at the risk associated with providing geography associated with record level data. As noted in the "Guidance Regarding Methods forDe-identification of Protected HIPAA Privacy Rule", published November, 2012 by the U.S. Department of Health & Human Services, Office for Civil Rights there is varying risk based on the level of zip code and how the zip code is combined with other variables. It has been estimated that the combination of a patient's Date of Birth, Sex, and 5-Digit ZIP Code is unique for over 50% of residents in the United States.[12,13] This means that over half of U.S. residents could be uniquely described just with these three data elements. In contrast, it has been estimated that the combination of Year of Birth, Sex, and 3-Digit ZIP Code is unique for approximately 0.04% of residents in the United States.

[13] See L. Sweeney. K-anonymity: a model for protecting privacy. *International Journal of Uncertainty, Fuzziness, and Knowledge-Based Systems*. 2002; 10(5): 557-570.

14 For this reason, the HIPAA Safe Harbor rule specifies that the 3-Digit ZIP Code can be provided at the record level if the 3- Digit ZIP Code has a minimum of 20,000 people. By aggregating data for a given 3- Digit ZIP Code, the potential for identifying a unique individual is less than 0.04%.

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

By combining with the Numerator Condition, the risk becomes less than 0.04% because there will be a minimum of 11 individuals with a particular age and sex forthe 3-Digit ZIP Code. Additionally, most tables will provide additional levels of aggregation further reducing risk. This reduction of risk is discussed further with respect to the Publication Scoring Criteria.

A minimum denominator of 20,000 was chosen as part of the numerator-denominator condition to leverage the risk assessment cited above.

The Numerator-Denominator Condition serves as an initial screening to assesspotential risk for a data set. If this condition is met, additional analysis is not necessary. If the condition is not met, then the analysis proceeds to Step 3.

6.2 Assessing Potential Risk – Publication Scoring Criteria

The Publication Scoring Criteria is provided as an example of a method that meets the requirements of Step 3 in the Data Assessment for Public Release Procedure. Itis a tool to assess and quantify potential risk for re-identification of de-identified databased on two identification risks: size of potential population and variable specificity.The Publication Scoring Criteria is used to assess the need to suppress small cells as a result of a small numerator, small denominator, or both small numerator and small denominator where a small numerator is less than 11 and a small denominatoris less than 20,001. That is why the Publication Scoring Criteria takes into account both numerator (e.g., Events) and denominator (e.g., Geography) variables.

The Publication Scoring Criteria is based on a framework that has been in use by the Illinois Department of Public Health, Illinois Center for Health Statistics. Variousother methods have been used to assess risk and the presence of sensitive or smallcells. Public health has a long history of public provision of data and many methodshave been used. Further discussion of other methods used to assess tables for sensitive or small cells is found in Section 6.3.

This section provides a more detailed review of the criteria that make up thePublication Scoring Criteria.

Events

Variable	Characteristics	Score
Events	1000+ events in a specified population	+2
	100-999 events	+3
	11-99 events	+5
	<11 events	+7

The Events score represents a score for the numerator. The Events category will bescored based on the smallest cell size in the table.

The lowest value for the Events variable (<11 events) which has the highest score(+7) was chosen to be consistent with the Numerator Condition. The Publication Scoring Criteria is used when the Numerator-Denominator Condition is not met.

Therefore, when the Numerator Condition is not met with respect to the Eventsvariable, a high score is given.

Sex

Variable	Characteristics	Score
Sex	Male or Female	+1

Sex is commonly represented as two categories: male and female. Because the number of categories is small, just knowing a person's reported sex is not enough topose a risk of identifying that person. The score of +1 reflects that inclusion of the variable in a table introduces increased specificity; however, that it only has two potential values gives it a low risk.

In cases where an additional stratification of other/unknown is used for sex, the reviewer will need to assess potential for increased risk based on the inclusion of theadditional stratification.

Although the variable "Sex" is often called "Gender", it should not be confused with the variables "sexual orientation" and "gender identity." According to definitions fromthe American Psychological Association, "Sexual orientation refers to the sex of those to whom one is sexually and romantically attracted" and "Gender identity refers to "one's sense of oneself as male, female, or transgender."[15]

Variable	Characteristics	Score
Age Range	>10-year age range	+2
	6-10 year age range	+3
	3-5 year age range	+5
	1-2 year age range	+7

Age ranges receive a higher score for smaller ranges of years due to the increasedrisk for identification. Of note, the HIPAA Safe Harbor method specifically identifies the following as an identifier: "All elements of dates (except year) for dates that are directly related to anindividual, including birth date, admission date, discharge date, death date, and all ages over 89 and all elements of dates (including year) indicative of such age, except that such ages and elements may be aggregated into a single category of age 90 or older." Although dates are included in the Safe Harbor list, age (<90 yearsold) is not. The risk score to age ranges reflects the two components of the scoring criteria: size of the potential population and the variable specificity.

Race Group and Ethnicity

Race Group	White, Asian, Black or African American	+2
	White, Asian, Black or African American, American Indian or Alaska Native, NativeHawaiian or Other Pacific Islander, Mixed	+3
	Detailed Race	+4
Ethnicity	Hispanic or Latino - yes or no	+2
	Detailed ethnicity	+4
Race/Ethnicity Combined	This applies when race and ethnicity arecollected in a single data field	
	White, Asian, Black or African American,Hispanic or Latino	+2
	White, Asian, Black or African American, Hispanic or Latino, American Indian or AlaskaNative, Native Hawaiian or Other Pacific Islander, Mixed	+3
	Detailed Race/Ethnicity	+4

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

Race and Ethnicity are collected in a number of different ways on the different stateand federal data collection tools. At the federal level, starting in 1997, Office of Management and Budget required federal agencies to use a minimum of five race categories:

- White,
- Black or African American,
- American Indian or Alaska Native,
- Asian, and
- Native Hawaiian or Other Pacific Islander.

Ethnicity asks individuals if they are Hispanic or Latino. Additional specificity forEthnicity may be requested.

The California population in general is approximately:[16]

- 40% White
- 13% Asian
- 6% Black or African American
- <1% American Indian
- <1% Native Hawaiian and other Pacific Islander
- 37% Hispanic or Latino

Based on these percentages, Race Group at the level of White, Asian and Black or African American is given a score of +2 because the Asian and Black or African American groups are relatively small. If the reporting is for the OMB standard categories, White, Asian, Black or African American, American Indian or Alaska Native,Native Hawaiian or Other Pacific Islander, and Mixed, then the score is +3. If more specificity is requested for Race Groups the score is +4 because the other groups are much smaller at less than 1% of the overall population. Similarly, for the Hispanic or Latino Ethnicity the score is a +2 for a yes or no answer, whereas more detailed ethnicity results in a higher score of +4.

For Race/Ethnicity Combined fields, the scoring is +2 for the groups White, Asian, Black or African American, Hispanic or Latino. The score is +3 for the OMB standard categories with Hispanic or Latino, White, Asian, Black or African American, AmericanIndian or Alaska Native, Native Hawaiian or Other Pacific Islander, and Mixed. The score is +4 for more detailed categories.

Race and Ethnicity demographics may vary significantly based on geography as wellas based on particular conditions. So although the scoring criteria presents a guideline for assessing risk, the population frequencies for the specific geography and/or condition should also be taken into account. Appendix C provides the countyspecific demographics produced by Department of Finance for reference.

Three scenarios are presented to help demonstrate how to use the three race groupand ethnicity scoring criteria.

First Scenario – Complete Cross-Tabulation between Race and EthnicityConsider this table:

	Hispanic	Non-Hispanic	
Black	50	250	300
White	200	1000	1200
Asian	5	95	100
	255	1345	1600

This is the most granular you can get, so you would add both the Race and Ethnicityscore to the overall total for your scoring metric (i.e. greatest risk for re- identification). Note that you can replace “Ethnicity” with “Sex” and the principle still applies—you have a cross-tabulated table of Race and Sex.
Second Scenario – Race and Ethnicity merged into exclusive categories.

Usually the algorithm is that Ethnicity trumps Race when categorizing. This results ina Hispanic category, with the other categories effectively becoming “Non-Hispanic Race.” So the above table would become:

- Black 250
- White 1000
- Asian 95
- Hispanic 255

This is when you would use the combined Race/Ethnicity score in the guidelines foryour scoring metric.
Third Scenario – No Interaction between Race and EthnicityIf you did this, the above table would become:

- Black 300
- White 1200
- Asian 100
- Hispanic 255

Note that this is the only scenario where you can’t add up all the categories to get a total population. Also you would need to run the scoring metric separately for your Race-only and Ethnicity-only datasets. Like the First Scenario, you can replace Ethnicity with Sex and it still makes sense—you now have two tables, one displayingRace and the other Sex, with no interaction between the two—which lessens the Small Cell Size problem.

Language Spoken

Variable	**Characteristics**	**Score**
Language Spoken	English, Spanish, Other Language	+2
	Detailed Language	+4

Language spoken is captured in a variety of data systems to support individuals in receiving services in the language they speak. The following table is taken from the report: Medi-Cal Beneficiaries by Primary Language Report of October, 2010.[17] Thisfrequency distribution was used to determine the groupings for the scoring above.

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

Language Spoken	Count of Medi-Cal Members	Percent of Count
Total	**7,835,022**	**100.00**

Spanish	2,840,758	36.26
Vietnamese	141,289	1.80
Cantonese	85,750	1.09
Armenian	65,096	0.83
Russian	41,252	0.53
Tagalog	39,361	0.50
Mandarin	35,330	0.45
Hmong	33,594	0.43
Korean	27,814	0.35

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

Language Spoken	Count of Medi-Cal Members	Percent of Count
Samoan	1,306	0.02
Japanese	1,215	0.02
French	653	0.01
Turkish	376	0.00
Hebrew	367	0.00
Polish	275	0.00
Italian	252	0.00
Other and unspecified	287,201	3.67

Based on the above numbers, the majority of individuals speak English or Spanish.Therefore if the table includes “English”, “Spanish”, and “Other Language” as the categories for “Language Spoken”, then the score is +2 which is comparable to reporting Hispanic or Latino Ethnicity as a “Yes or No”.

As noted for Race and Ethnicity demographics, language spoken demographics mayvary significantly based on geography as well as based on particular conditions. So although the scoring criteria presents a guideline for assessing risk, the population frequencies for the specific geography and/or condition should also be taken into account.

If more specificity for Language Spoken is being requested with respect to reportingon the other languages in the table above, the request will need to be reviewed on acase by case basis. The additional review is necessary given the variability of language spoken by different populations or geographies and the consideration for potential increased risk of identification.

Time – Reporting Period

Variable	Characteristics	Score
Time – Reporting Period	5 years aggregated	-5
	2-4 years aggregated	-3
	1 year (e.g., 2001)	0
	Bi-Annual	+3
	Quarterly	+4
	Monthly	+5

Many reports are published based on the calendar year. However, the combinationof years of data is an excellent way to provide increased aggregation in a way that allows for more specificity elsewhere, such as county identifiers. Inversely, the smaller the time period in the data, the closer the time period comes to approximating a date. Thus monthly reported data has a high score of +5.

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

Of note, the HIPAA Safe Harbor method list includes “All elements of dates (except year) for dates that are directly related to an individual, including birth date, admission date, discharge date, death date, and all ages over 89 and all elements ofdates (including year) indicative of such age, except that such ages and elements may be aggregated into a single category of age 90 or older.” This is a potential identifier when in combination with other information. This potential as an identifier influences the higher scores in the Publication Scoring Criteria as the time period foraggregation gets smaller.

The “0” value for this variable is set at one year as this is the criteria for Safe Harborunder the HIPAA de-identification standard.

Geography

Variable	**Characteristics**	**Score**
Residence Geography*	State or geography with population >2,000,000	-5
	Population 1,000,001 - 2,000,000	-3
	Population 560,001 - 1,000,000	-1
	Population 250,000 - 560,000	0
	Population 100,000 - 250,000	+1
	Population 50,001 - 100,000	+3
	Population 20,001 - 50,000	+4
	Population ≤ 20,000	+5
Service Geography*	State or geography with population >2,000,000	-5
	Population 1,000,001 - 2,000,000	-4
	Population 560,001 - 1,000,000	-3
	Population 250,000 - 560,000	-1
	Population of reporting region 20,001 - 250,000	0
	Population of reporting region ≤20,000	+1
	Address (Street and ZIP)	+3

* If the geography of the reporting is based on the residence of the individual, use the“Residence Geography”. If the geography of the reporting is based on the location of service, use the “Service Geography”.

The Geography score, while it may or may not represent the denominator of the table, does provide a reference to the base population about which the reporting isoccurring. This will often be reflected in the title of the table if a statewide table.

Otherwise the geography may be represented in the rows or columns. There are two different scoring sets based on whether the geography reporting is based on theresidence of the individual to which the information applies or to the service location.

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

The scores are higher for geography related to residence address because so muchinformation is publicly available about individuals and their address of residence.

For large populations greater than 560,000, which is equivalent to the size of a state,there is a negative score because the size of the denominator masks the individual. The number 560,000 was chosen as a cut-off because this is the size of the smalleststate (Wyoming). We chose to use the cut-off at the smallest state's population because state level reporting is not listed as one of the 18 identifiers the HIPAA Safe Harbor method.

The scores for the service geography are lower because clients can generally comefrom diverse locations for services. Although people often seek services or have health conditions close to their homes, they may also travel extensive distances.

Reviewers do need to make sure that there are not constraints associated with services that would mean the service geography and resident geography are the same. For example, if a program publishes service utilization by county and the county services can only be used by county residents, then the service utilization bycounty is also the county of residence. Scoring should be based on the criteria thatresults in the highest score and thus the highest risk.

Service Geography includes a level of detail that is identified as "Address (Street and ZIP)." This deals with reporting by provider (hospital, clinic, provider office, etc.)Provider addresses are public information and are public at the street address level.A given provider will tend to have a standard catchment area or the geographic boundaries from which most patients come from. This information is published by Office of Statewide Health Planning and Development (OSHPD) [18] for hospitals.

While this addresses where most patients or clients come from, patients or clientsmay also come from outside the catchment area. For that reason this does not score as high as the more detailed geography under Residence Geography.

Variable Interactions

Variable	Characteristics	Score
Variable Interactions	Only Events (minimum of 5), Time, and Geography(Residence or Service)	-5
	Only Events (minimum of 3), Time, and Geography(Residence or Service)	-3

	Events, Time, and Geography (Residence or Service) + 1 variable	+1
	Events, Time, and Geography (Residence or Service) + 2 variables	+2
	Events, Time, and Geography (Residence or Service) + 3 variables	+4

This criteria specifically addresses the interaction of the variables in a given datapresentation and requires the analyst to identify dependent as opposed to independent variables. This criteria is used with respect to dependent variables.This is demonstrated in the two tables below.

Illustration A: Dependent Variables

In this example the Event (counts of Disease A) is shown for Males who are also 0-17 years old or Males who are also 18-25 years old. In this case Sex and Age are dependent because the stratification for each variable is stacked. This commonly occurs in pivot tables.

Counts of disease A byyear	Males and 0-17 years old	Males and 18-25 years old	Females and 0-17 years old	Females and 18-25 yearsold
Year 1	6	10	5	8
Year 2	8	14	3	20

Illustration B: Independent Variables

In this example the Event (counts of Disease A) is for Males or Females which is shown side by side to a table with ages 0-17 years old or 18-25 years old. In this case Sex and Age are independent because the stratification for each variable is notstacked. Although the two variables Sex and Age are shown in the same table, theyare presented independently of each other. While you can compile the data in Example B from Example A, the reverse is not true.

Counts of disease A by year	Males	Females	0-17 years old	18-25 yearsold
Year 1	16	13	11	18
Year 2	22	23	11	34

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

This criteria is structured to have less impact if personal characteristics outside of time and geography are excluded and more impact if multiple personal characteristics are included. This provides for a subtraction of points if the only variables presented are the events (numerator), time and geography and an additionof points for including more variables in a given presentation. With respect to the subtraction of points, the score is based on the minimum value for the Events variable. For example, if the smallest value for the Events is 5 or more, then the score would be -5. However, if the smallest value for the Events is 2, then the scorewould be 0.

The minimum value for Events of 3 *(Only Events (minimum of 3), Time, and Geography (Residence or Service))* is used as a threshold to address concern for pre-existing knowledge by users about individuals. For example, if an entity knowswho one person is with disease A and the count for Events is "1" or "2", then the entity could identify the person they know of or the person they know of plus information about the other person. The use of a minimum of 3 does not protect against two entities colluding to determine a third person.[19] For this reason, the threshold of 5 for Events is also given. The threshold of 5 is frequently used in public health reporting regarding various events.

In contrast, if additional demographic variables are added, then the risk increases significantly. For example, for Events, Time and Geography (Residence or Service)with three additional variables, a table would show how many individuals are femaleby age group by race for a given time period and geography. This allows for a moredetailed comparison to census data and assessment of the number of individuals with a particular set of characteristics.[20] For this reason, additional points are addedbecause of the inclusion of multiple dependent variables.

Other Variables

Variables other than those specified in the Publication Scoring Criteria can be released only after an additional review by the department's Statistical Expert on a case by case basis. A guideline that can be considered in performing this review isthe following scoring.

Variable	Characteristics	Score
Other Variables	<5 groups or categories	+3
	5-9 groups	+5
	10+ groups	+7

Considerations include not just the number of groups, but also the characteristics ofthe variables. Consider whether the variable represents an aggregation (DiagnosisRelated Groups) or a specific item (ICD-10 Code). Also consider the availability of the variable to the public when also associated with other information, in particular with variables that may be personal characteristics.

6.3 Assessing Potential Risk – Alternate Methods

As noted in Section 6.2, the Publication Scoring Criteria is based on a framework that has been in use by the Illinois Department of Public Health, Illinois Center for Health Statistics. Various other methods have been used to assess risk and the presence of sensitive or small cells. Public health has a long history of public provision of data and many methods have been used. Some of those methods arehighlighted here.

- Ohio Department of Health published a Data Methodology Standards for Public Health Practice.[21] This method is framed around the concept that a Disclosure Limitation Standard for tabulations of confidential Ohio Departmentof Health data shall be suppressed when the table denominator value minus the table numerator value is less than 10.
- Washington State Department of Health published Guidelines for Working with Small Numbers[22] that highlights many topics covered in the CHHS DDGbut also discusses the use of relative standard error (RSE) to assess reliability of data in addition to steps to take protect confidentiality.
- Colorado Department of Public Health and Environment published Guidelinesfor Working with Small Numbers[23] which also addresses many of the same topics.

The size of numerators and denominators vary in each of the documents abovealthough the principles are consistent.

6.4 Statistical Masking

Statistical masking provides an extensive set of tools that can be used to mitigate potential risk in a given data presentation. As discussed in Section 4.4, the data releaser will assess the need for statistical masking when the assessment in Step 3identified potential risk. Each department will document statistical masking processes that are routinely used in data preparation for public release.

As discussed in section 4.4, initial methods to address sensitive or small cells, aswell as complimentary cells include the following:

- Reduce Table Dimensions
- Reduce Granularity of Variable(s), aka Recoding or Aggregation
- Cell Suppression and Complementary Cell Suppression

Small cell sizes are typically encountered when one of the following conditions ismet.

a) Multiple variables. This most often occurs in a pivot table presentation or a query interface where a user may have occurrences of disease X, stratified bycounty, stratified by sex, stratified by race and ethnicity.

b) Granular variables. The more granular the variable the smaller the potential numerator and denominator. This most commonly occurs with shortening thetime period of reporting (weekly) or making the geography more specific (zip code or census tract). However, it can also occur when there are many categories for a variable. An example of this is aid codes in Medi-Cal where there are almost 200 aid codes.

c) Rare events. Examples include diseases such as hemophilia. Examples of incidents may result from mass trauma events such as a plane crash or multi-car accident.

In each of these cases, statistical masking may be addressed in a number of ways.For this reason, it is important to keep in mind the purpose for the reporting so thatthe method chosen for masking can still maximize the usefulness of the data provided. Choices for each condition are highlighted below.

a) Multiple variables. Options include separating the table into multiple tables that limit the number of variables included in each table; decreasing the granularity of the variables included in the table; or suppressing the small cellwith an indicator that it is less than 11.

b) Granular variables. A common approach to this situation would be to decrease the granularity of the variables although suppressing the small cellwith an indicator that it is less than 11 is also an option.

c) Rare events. In these cases it becomes very challenging to suppress the value in a way that it will not be able to be used with other public informationto identify individuals. Additionally, with rare events, there is more significance in the variance of small numbers.

In addition to small cells, complementary cells must also be suppressed. Complementary cells are those which must be suppressed to prevent someone frombeing able to calculate the suppressed cell based on row or column totals in combination with other data in that row or column.

Suppressing small cell values and complimentary cells can be done in two ways.

1) Use a symbol to indicate the cell has been suppressed. Identify any other cells (complimentary cells) that can be used to calculate the small cell anduse a symbol to indicate the cell has been suppressed.

2) Use a symbol to indicate the cell has been suppressed or leave the cell blankand remove the value from all pertinent row and column totals so that the cell cannot be calculated. This negates the need for evaluation of complementarycells. This method must be used with great caution because the totals may actually be published in other non-related tables. For this reason the methodis not recommended.

When suppressing values, the following footnote to indicate the suppression isrecommended:

“Values are not shown to protect confidentiality of the individuals summarizedin the data.”

In addition to the above, there are a number of other methods that may be used forStatistical Masking. Methods discussed in the “Statistical Policy Working Paper 22(Second version, 2005), Report on Statistical Disclosure Limitation Methodology” include the following for tables of counts or frequencies and for magnitude data.[24]

7) Approval Processes

After completion of the statistical de-identification process, each department will specifythe additional review steps necessary for public release. This may vary depending on the purpose of the release and whether or not the department/program is a HIPAA covered entity.

Recognizing that some data analyses may be published as independent tables while other analyses will be part of larger reports, the final review of all data analyses must follow the department or office procedures for document review in addition to review procedures identified for the implementation of the DDG. The expectation is that the review of data for de-identification will fit into other routine review processes. Reviews outside the DDG portion may vary depending on whether data is being released for a PRA request, to the media, to the legislature, by the program as part of routine reporting, or for other reasons.

Departments and offices may consider the following components for reviews related todata that has been de-identified.

- Statistical Review to Assess De-identification

(for HIPAA entities this may be an Expert Determination Review)

- Legal Review
- Departmental Release Procedures

Statistical Review to Assess De-identification (Steps 1, 2, 3 & 4)

The department or office may designate individuals within the department to provide a statistical review of data products before they are released to ensure the data has beende-identified with methods that are consistent with these guidelines.

For HIPAA covered entities, this will be performed by individuals who are considered experts for the purpose of performing expert determinations in compliance with the HIPAA Privacy Rule, and who meet the Rule's implementation specifications: "A person with appropriate knowledge of and experience with generally accepted statistical and scientific principles and methods for rendering information not individually identifiable" [45 CFR Section 164.514(b)(1)] This expert determination review, according to the regulation's requirements, will be performed by:

"(1) A person with appropriate knowledge of and experience with generallyaccepted statistical and scientific principles and methods for rendering information not individually identifiable:

(i) Applying such principles and methods, determines that the risk is verysmall that the information could be used, alone or in combination with

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

other reasonably available information, by an anticipated recipient toidentify an individual who is a subject of the information; and

(ii) Documents the methods and results of the analysis that justify suchdetermination"[25]

When an expert determination review is requested, the Expert Determination Review must include a document that includes the expert's determination that "the risk is very small that the information could be used, alone or in combination with other reasonablyavailable information, by an anticipated recipient to identify an individual who is a subject of the information," attests that the requirements of 45 CFR section 164.514 (b)(1)(i) and (ii) have been met, and includes (or attaches) the documentation requiredby 45 CFR section 164.514(b)(1)(ii). This document must be signed by the expert.

These guidelines provide a starting point for expert determination review; however, the facts of each case chosen for expert determination review must be analyzed on an individual, case-by-case basis by the expert. If followed, the Guidelines may be referenced as part of the documentation used to support the expert determination. The documentation should also include a general description of the principles, methods, andanalyses used, as well as an explanation of the analysis that justifies the expert determination.

The expert determination review may use the Expert Determination Template in Appendix A. The Expert Determination Template includes a confirmation that "the riskis very small that the information could be used, alone or in combination with other reasonably available information, by an anticipated recipient to identify an individual who is a subject of the information."

If methods that have been used to de-identify the data are not described in the Guidelines, then the Expert will need to provide additional documentation that explainsthe statistical and scientific principles and methods used and the results of the additional analysis.

Legal Review (Step 5)

Step 5 in the Data Assessment for Public Release Process provides for a legal review within the department. This may vary depending on the purpose of the release and whether or not the department or program is a HIPAA covered entity or not. This reviewmay assess the data to be released for risk to the Department, and for potential implications on litigation, statutory or regulatory conditions on data release, and other legal considerations that may impact release. Legal Services may review the expert determination documentation to ensure compliance with the HIPAA Privacy Rule as applicable.

Departmental Release Procedures (Step 6)

---

[25] 45 CFR section 164.514 (b)

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

Step 6 in the Data Assessment for Public Release Process provides for departmental release procedures for de-identified data. After completion of the statistical de- identification process, each department will specify the additional review steps necessary for public release of various data products. Products may include but are not limited to reports, presentation, tables, PRA responses, media responses and legislative responses.

Potential reviews include Public Affairs. Public Affairs is often designated to receive all publications, brochures, or pamphlets intended for public distribution to be printed or reproduced to review the material to determine if it requires Agency Approval or Governor's Office approval. Public Affairs may also be designated to review content toassess the data table for compliance with the Americans with Disabilities Act of 1990[26] (ADA).

Departments may also consider processes for quality assurance reviews: The may apply to data products being added to the web sites to ensure that they have had appropriate reviews and de-identification steps. It may also include reviews of updatedreports. Many reports maintain the same variables and formats but have updated numbers/information on a periodic basis (monthly, quarterly, annually). For these reports, departments may consider a centralized review to ensure data products are consistent with previously reviewed reports and have not had changes that would change the previous assessment.

8) DDG Governance

Governance for DDG will be provided by the Data Subcommittee with support from theRisk Management Subcommittee. The Subcommittees are part of the CHHS governance structure as described in the CHHS Information Strategic Plan.[27] Governance for the CHHS DDG will provide the following support for departments andoffices.

- Maintain the CHHS DDG, which will include updates and revisions to thedocument as well as annual reviews for currency.
- Coordinate integration of the CHHS DDG into the Statewide Health InformationPolicy Manual (SHIPM), Section 2.5.0 De-identification[28] and the CHHS Open Data Handbook.
- Convene a Peer Review Team (PRT).
- Provide for escalation of issues that cannot be resolved by the PRT.

The CHHS PRT will include no more than two representatives from each department oroffice. Membership of the PRT is expected to include individuals with the following background and experience.

- Knowledge of and experience with generally accepted statistical and scientificprinciples and methods for rendering information not individually identifiable.
- Knowledge of and experience with legal principles associated with data de-identification in compliance with California IPA and HIPAA.

The PRT will have the following responsibilities:

- Provide review and consultation regarding a department's DDG to ensure it is consistent with the CHHS DDG. This may be particularly useful if a department incorporates methods for de-identification in the department's DDG that have notalready been documented in the CHHS DDG.
- Provide for escalation and review of data de-identification questions or issuesthat a department is not comfortable resolving independently.
- Develop training tools to be used by departments when developing and implementing department specific DDGs based on the content of the CHHSDDG.

The PRT will not review all disclosures or data released by each department.

9) Publicly Available Data

A critical step in reviewing data for public release is the consideration of what other datamay be publicly available that could be used in combination with the newly released data to identify the individuals represented in the data. This section will highlight some specific data sets that are publicly available that may be used in combination with CHHS data that would contribute to potential increased risk.

Common kinds of data with personal information include: real estate records, individual licensing databases (MD, RN, contractors, lawyers, etc.), marriage records, news (and other) media reports, commercially available databases (data brokers, marketing), courtdocuments, etc.

Vital Records Data

Another common data set for programs to be aware of are the publicly available electronic birth and death indices from Vital Records, as specified in Health and SafetyCode section 102230(b).
The following are provided in the birth record indices:

- First, middle, and last name
- Sex
- Date of birth
- Place of birth

The following are provided in the death record indices:

- First, middle, and last name
- Sex
- Date of birth
- Place of birth
- Date of death
- Place of death
- Father's last name

Other potential sources of publicly available data to consider are informational certifiedcopies of birth and death certificates. In California, anyone can obtain an informational certified copy of birth and death certificates, which are clearly marked as un-authorizedcopies that cannot be used to verify identity. In reality, it is difficult to use these as a dataset for the following reasons:

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

- Certified copies of birth and death certificates must be obtained on an individualbasis, and you must be able to identify the record. In other words, an individual cannot simply ask for a stack of certificates for purposes of creating a dataset.

- Certified copies are issued on specialized banknote paper, not in electronicformat, which creates a problem of scale when trying to create a dataset.

- There is a $25 fee for each certified copy of a birth certificate and $21 for a certified copy of a death certificate, which also creates a problem of scale whentrying to create a dataset.

- Certified copies are meant for individual use. A request for a large amount of certificates may generate an investigation among vital records staff as to why somany certificates were requested at once.

CHHS Open Data Portal

As additional data sets are added to the Open Data Portal, programs need to take that information into account when considering potential risk for any given data set. The CHHS Open Data Workgroup will be providing easier access to both lists of data currently on the portal as well as data sets planned for addition to the porta. While significant with over 100 data sets, this is not exhaustive because of the PRA, which allows for an extremely broad amount of information to be released in a sporadic way. So some specificity can occur but not completely. CHHS departments have a duty of due diligence in the de-identification process regarding consideration of published identifiable data, published de-identified data and the soon to be published de-identifieddata.

Listed below are individual records or documents that the Department of Rehabilitationhave available to the public:

- Fair Hearing Decisions include appellant's initials and possibly other information,depending on issue appellant presents for hearing, such as sex, disability, employment, education, vocational rehabilitation services, etc.; and

- Monthly Operating Reports and information therefrom includes names of licensees and financial information regarding the operation of the licensees' operation of vending facilities in the Business Enterprises Program for the Blind.To be eligible for this program, the individuals must be legally blind.

Public Census and Demographic Information

The Demographic Research Unit (DRU) of the California Department of Finance is designated as the single official source of demographic data for state planning and budgeting.[29] The DRU produces the following products which serve as the basis for understanding the population characteristics and distributions that frequently make up the denominators in the review of data sets.

[29] http://www.dof.ca.gov/research/demographic/dru/index.php

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

- Estimates - Official population estimates of the state, counties and cities produced by the Demographic Research Unit for state planning and budgeting.

- Projections - Forecasts of population, births and public school enrollment at thestate and county level produced by the Demographic Research Unit.

- State Census Data Center - Demographic, social, economic, migration, and housing data from the decennial censuses, the American Community Survey, theCurrent Population Survey, and other special and periodic surveys.

Commonly Shared Information

With the growth of social media, people frequently share information through tools suchas Facebook, Linked In, and Tweets. While it would be impossible to take into accountall information that people make public about themselves, there is an expectation that acertain amount of information is likely to be in the public domain based on information individuals frequently provide about themselves. Examples of such information include wedding dates, birth dates, education (high school, college) and professional certifications.

Geographic Information

Geographic information is particularly suited to being combined with other geographic information given the relatively standardized was data is coded (latitude, longitude, county, etc.) With the use of mapping tools, various information can be combined in a way that is called a “mash up.” “A mashup, in web development, is a web page, or web application, that uses content from more than one source to create a single new service displayed in a single graphical interface. For example, you could combine the addresses and photographs of your library branches with a Google map to create a mapmashup.[1] The term implies easy, fast integration, frequently using open application programming interfaces (open API) and data sources to produce enriched results that were not necessarily the original reason for producing the raw source data.”[30]

10) Development Process

The CHHS Data Subcommittee requested the convening of the CHHS Data De-Identification Workgroup to develop the DDG.

The DDG Workgroup began with an orientation to the topic of data de-identification and presentations by the DHCS, OSHPD and California Department of Public Health (CDPH) regarding current practices and activities related to data de-identification. The DDG Workgroup used the Public Aggregate Reporting for DHCS Business Reports (PAR-DBR) as a starting point for initial drafts. The PAR-DBR had been developed between April and August, 2014 through a workgroup processes within DHCS with inputand presentations from OSHPD, CDPH, and University of California, Los Angeles California Health Interview Survey. The PAR-DBR served as a basis for this document,including the literature review conducted as part of the development of the PAR-DBR.

The development process was designed to include an updated literature review, case examples and broad discussion among CHHS programs. Publishing data publicly is always a balance between the protection of confidentiality and the usability of the data.

The project timeline for the CHHS DDG Workgroup is below:

3/15/15 Planning Meeting Part 1 – Participants included DHCS, CDPH,OSHPD, OHII
3/20/15 Planning Meeting Part 2 – Participants included DHCS, CDPH,OSHPD, OHII
4/7/15 Present Objectives for the project and use the DHCS PAR-DBR as anexample
4/23/15 Presentations from OSHPD and CDPH regarding current processesand approach to small cell sizes
5/5/15 Discuss concept of uniqueness as a way to measure risk for re- identification and gather input from Departments/Offices regardingDDG variables and topics

11) Legal Framework

The overarching legal framework for the CHHS Data De-identification Guidelines is the California Information Practices Act, California Civil Code 1798 et seq., which was established in 1977 and applies to all state government entities. The IPA includes requirements for the collection, maintenance, and dissemination of any information thatidentifies or describes an individual. The IPA and other California statutes limit the disclosure of personal information, consistent with the California Constitutional right to privacy. However, state agencies are generally permitted (and sometimes required under the California Public Records Act and other laws) to disclose data that have beende-identified. Summarized or aggregated data may still be identifiable; the DDG provides Guidelines for assessing whether data have been de-identified.

While most state agencies are covered by the IPA, some are also covered by or impacted by HIPAA. Unlike the IPA, which applies to all personal information, HIPAAonly applies to certain health or healthcare-related information. HIPAA requirements apply in combination with IPA requirements.

“Personal Information” is defined by the California Civil Code section 1798.3(a) as “anyinformation that is maintained by an agency that identifies or describes an individual, including, but not limited to,

- his or her name,
- social security number,
- physical description,
- home address,
- home telephone number,
- education,
- financial matters, and
- medical or employment history.
- It includes statements made by, or attributed to, the individual.”

Under Section 1798.24 of the IPA, “An agency shall not disclose any personal information in a manner that would link the information disclosed to the individual towhom it pertains,” unless it is disclosed as described in Section 1798.24.

Senate Bill 13 updated the IPA, effective January 1, 2006, to require Committee for the Protection of Human Subjects (CPHS) review and approval before personal information(linkable to any individual) that is held by any state agency or department can be released for research purposes. CPHS does not delegate reviews for compliance with the IPA to other institutional review boards. (http://www.oshpd.ca.gov/Boards/CPHS/)

Data De-identification

While the IPA does not include specific de-identification methods or criteria, the basic concept of statistical de-identification has no different meaning, and the basic standardof protection of identifiable data is no different for IPA covered PI than for HIPAA covered PHI.
The California Office of Health Information Integrity (CalOHII) is authorized by state statute to coordinate and monitor HIPAA compliance by all California State entities within the executive branch of government covered or impacted by HIPAA. The 2014 assessment that was revised July 2015, identified programs and departments in CHHS

that are considered covered entities under HIPAA as a Health Care Provider, Health Care Plan, Health Care Clearinghouse, Hybrid Entity or Business Associate. Detail isprovided in Appendix B. One difference between CA IPA and HIPAA is the documentation requirement in HIPAA for data de-identified using the Expert Determination method. Each of the following departments will need to identify which programs within the department are impacted by HIPAA as part of the department specific DDG.

- Department of Aging
- Department of Developmental Services
- Department of Health Care Services

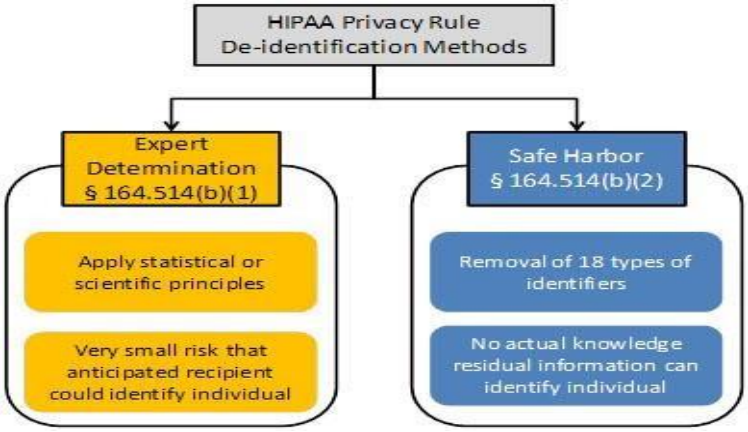
For programs and departments that are covered by HIPAA, de-identification must meetthe HIPAA standard. The DDG serves as a tool to make and document an expert determination consistent with the HIPAA standard. The following comes from federal guidance for HIPAA that provides more detail regarding Safe Harbor and Expert Determination under the HIPAA standard.

The HIPAA Standard[31] for de-identification of protected health information (PHI)[32] states "Health information that does not identify an individual and with respect to which there isno reasonable basis to believe that the information can be used to identify an individual is not individually identifiable health information." If the data are de-identified, and it is not reasonably likely that the data could be re-identified, the Privacy Rule no longer restricts the use or disclosure of the de-identified data.

The following is quoted from the "Guidance Regarding Methods for De-identification ofProtected Health Information in Accordance with the Health Insurance Portability and Accountability Act (HIPAA) Privacy Rule", published November, 2012 by the U.S. Department of Health & Human Services, Office for Civil Rights:(http://www.hhs.gov/ocr/privacy/hipaa/understanding/coveredentities/De-identification/guidance.html) (Formatting of text may be different than the original document.) The HIPAA De-identification Standard.

31 The Standard is found in the HIPAA Privacy Rule, 45 CFR section 164.514(a).



32 "PHI" is defined as information which relates to the individual's past, present, or future physical or mental health or condition, the provision of health care to the individual, or the past, present, or future payment for the provision of health care to the individual, and that identifies the individual, or for whichthere is a reasonable basis to believe can be used to identify the individual. (45 CFR section 160.103)

Section 164.514(a) of the HIPAA Privacy Rule (45 CFR) provides the standard for de-identification of protected health information. Under this standard, health information is not individually identifiable if it does not identify an individual and if the covered entity has no reasonable basis to believe it can be used to identify an individual.

> § 164.514 Other requirements relating to uses and disclosures of protected health information.
>
> (a) *Standard: de-identification of protected health information.* Health information that does not identify an individual and with respect to which there is no reasonable basis to believe that the information can be used to identify an individual is not individually identifiable health information.

Sections 164.514(b) and(c) of the Privacy Rule contain the implementation specifications that a covered entity must follow to meet the de-identification standard. As summarized in Figure 1, the Privacy Rule provides two methods bywhich health information can be designated as de-identified.
Figure 1. Two methods to achieve de-identification in accordance with the HIPAAPrivacy Rule.

The first is the "Expert Determination" method:

> (b) *Implementation specifications: requirements for de-identification of protected health information*. A covered entity may determine that health information is not individually identifiable health information only if:

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

(1) A person with appropriate knowledge of and experience with generally accepted statistical and scientific principles and methods for rendering information not individually identifiable:

(i) Applying such principles and methods, determines that the risk is very small that the information could be used, alone or in combination with other reasonably available information, by an anticipated recipient to identify an individual who is a subject of the information; and

(ii) Documents the methods and results of the analysis that justify such determination; or

The second is the "Safe Harbor" method:

(2)(i) The following identifiers of the individual or of relatives, employers, orhousehold members of the individual, are removed:

(A) Names

(B) All geographic subdivisions smaller than a state, including street address, city, county, precinct, ZIP code, and their equivalent geocodes, except for the initial threedigits of the ZIP code if, according to the current publicly available data from the Bureau of the Census:

(1) The geographic unit formed by combining all ZIP codes with the same threeinitial digits contains more than 20,000 people; and

(2) The initial three digits of a ZIP code for all such geographic units containing20,000 or fewer people is changed to 000

(C) All elements of dates (except year) for dates that are directly related to an individual, including birth date, admission date, discharge date, death date, and allages over 89 and all elements of dates (including year) indicative of such age, except that such ages and elements may be aggregated into a single category of age 90 or older

(D) Telephone numbers

(E) Fax numbers

(F) Email addresses

(G) Social security numbers

(H) Medical record numbers

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

(I) Health plan beneficiary numbers

(J) Account numbers

(K) Certificate/license numbers

(L) Vehicle identifiers and serial numbers, including license plate numbers

(M) Device identifiers and serial numbers

(N) Web Universal Resource Locators (URLs)

(O) Internet Protocol (IP) addresses

(P) Biometric identifiers, including finger and voice prints

(Q) Full-face photographs and any comparable images

(R) Any other unique identifying number, characteristic, or code, except as permittedby paragraph (c) of this section [Paragraph (c) is presented below in the section “Re-identification”]; and

(ii) The covered entity does not have actual knowledge that the information could beused alone or in combination with other information to identify an individual who is asubject of the information.

Satisfying either method would demonstrate that a covered entity has met the standard in §164.514(a) above. De-identified health information created following these methods is no longer protected by the Privacy Rule because it does not fall within the definition of PHI. Of course, de-identification leads to information loss which may limit the usefulness of the resulting health information in certain circumstances. As described in the forthcoming sections, covered entities may wishto select de-identification strategies that minimize such loss.

Re-identification

The implementation specifications further provide direction with respect to re- identification, specifically the assignment of a unique code to the set of de-identifiedhealth information to permit re-identification by the covered entity.

> (c) *Implementation specifications: re-identification*. A covered entity may assign a code or other means of record identification to allow information de-identified under this section to be re-identified by the covered entity, provided that:

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

(1) *Derivation.* The code or other means of record identification is not derived from or related to information about the individual and is not otherwise capable of being translated so as to identify the individual; and

(2) *Security.* The covered entity does not use or disclose the code or other means of record identification for any other purpose, and does not disclose the mechanism for re-identification.

If a covered entity or business associate successfully undertook an effort to identifythe subject of de-identified information it maintained, the health information now related to a specific individual would again be protected by the Privacy Rule, as it would meet the definition of PHI. Disclosure of a code or other means of record identification designed to enable coded or otherwise de-identified information to bere-identified is also considered a disclosure of PHI.

13) Definitions

Aggregate – formed or calculated by the combination of many separate units or items(Oxford Dictionary).
De-identified – generally defined under the HIPAA Privacy Rule (45 CFR section 164.514) as information (1) that does not identify the individual and (2) for which there isno reasonable basis to believe the individual can be identified from it.

Denominator – the portion of the overall population being referenced in a table or afigure representing the total population in terms of which statistical values are expressed (Oxford Dictionary).

Numerator – the number of specific cases as identified by the variable from a given population or the number above the line in a common fraction showing how many of theparts indicated by the denominator are taken (Oxford Dictionary).

Protected Health Information – information which relates to the individual's past, present, or future physical or mental health or condition, the provision of health care tothe individual, or the past, present, or future payment for the provision of health care tothe individual, and that identifies the individual, or for which there is a reasonable basisto believe can be used to identify the individual (HIPAA, 45 CFR section 160.103).

Personal Information – includes information that is maintained by an agency which identifies or describes an individual, including his or her name, social security number,physical description, home address, home telephone number, education, financial matters, email address and medical or employment history. It includes statements made by, or attributed to, the individual (California Civil Code section 1798.3).

Publishable State Data – Data is Publishable State Data if it meets one of the followingcriteria: (1) data that are public by law such as via the PRA or (2) the data are not prohibited from being released by any laws, regulations, policies, rules, rights, court order, or any other restriction. Data shall not be released if it is highly restricted due to the Health Insurance Portability and Accountability Act (HIPAA), state or federal law (such data are defined as Level 3 later in this handbook).[33]

Re-Identified – matching de-identified, or anonymized, personal information back to theindividual.

15) Appendix A: Expert Determination Template

HIPAA covered entities in CHHS must de-identify data in compliance with the HIPAA standard. Under the HIPAA standard, either Safe Harbor or Expert Determination mustbe used. If Expert Determination is used then the documentation of the review is essential. The following may serve as a template for this documentation with the reference to the CHHS DDG to support the analysis documented.

Documentation of Expert Determination TemplateName of Report:

Reason for Data Release:

Identify why the data release does not meet Safe Harbor. For example:

The request does not meet the Safe Harbor standard because it includes counts by county (geographic area smaller than the state) or counts by month (which does not meet the criteria for dates). Therefore, the steps in the CHHS DDG are being used toassess the tables.

EXHIBIT A-2

Conduent Healthy Communities Corporation (CHCC) will make available to Monterey County Health Department ("Client") a version of the CHCC Standalone Platform ("CHCC Platform") as follows:

A. CHCC Platform Features

The CHCC Platform will be configured for Client and include the following features:

1. **Data and Analysis Features**

- Community Dashboard – Data dashboard that houses all of the indicators on Client's site. Search and filter by geography, topic and subpopulation groups (race/ethnicity, age, and gender) when available. Client can add local data into the Community Dashboard (see "Section 4-Customization Tools & Options").
    - Core List: One hundred (100)+ health and quality of life indicators as available from public, online state or national data sources and dependent upon statistical validity for a geography. Core indicator list is subject to change from time to time depending upon data availability and strategy.
- Demographics – US Census Bureau QuickFacts Profile for Monterey County
- Bundled Hospitalization and Emergency Data* – 53 Indicators. Includes:
    - Potentially-Preventable Cause Indicators; modeled on AHRQ guidelines
      --Hospitalization Rates (19 Indicators)
      --ER Rates (18 Indicators)
    - Behavioral Health Indicators; modeled on AHRQ guidelines
      --Hospitalization Rates (8 Indicators)
      --ER Rates (8 Indicators)
- Claritas Consumer Expenditures – Sixteen (16) indicators of per household health and health-related expenditures. Single year estimates provided at the state, county, zip code, and census tract levels. The Claritas Consumer Expenditures data will be added to the platform within one week of full execution of this Amendment 2.
- SocioNeeds Index Suite – Provides analytics around social determinants of health to advance equitable outcomes. Each index summarizes multiple health and socioeconomic indicators for counties, zip codes, and census tracts into one validated composite score to help identify areas for action.
    - Healthy Equity Index – A measure of socioeconomic need correlated with preventable hospitalizations and poor health outcomes.
    - Food Insecurity Index – A measure of food access that is correlated with social and economic hardship.
    - Mental Health Index – A measure of social determinants and health factors correlated with self-reported poor mental health.
- Data Scoring Tool – Rank indicators on the CHCC Community Dashboard according to a systematic summary of comparisons, grouping indicators into topic areas for a higher level ranking of community health needs. Reports are downloaded from the administrative system at the county level.

DocuSign Envelope ID: 7E25ACE8-A0F5-4878-952C-14DB10309E6D

- GIS Maps – Quickly visualize health and quality of life indicators within your community; GIS Maps display indicators available for standard geographies (county, zip code and census tract).
- Data Extracts – Provides the site administrator with tools to download the indicators into an Excel spreadsheet for import into other applications.

2. **Evaluation and Tracking Tools**
   - Healthy People 2030 Tracker – CHCC maintained progress tracker for key Healthy People 2030 targets
   - Local Progress Trackers – Allows site administrator to create a curated list of indicators to quickly identify and track progress on local initiatives.
   - Locally Added Targets – Client can add local targets to CHCC-maintained and locally-maintained indicators using the self-service tool.

3. **Resource Features**
   - Promising Practices – Database of two thousand (2,000)+ health and quality of life programs and policies from across the country classified by effectiveness
   - Resource Library – Central repository for local resources, including reports, community health assessments, community profiles, two-one-one (2-1-1) resources (when available, single county systems only) and other local content. Content must be uploaded and maintained by client.
   - Funding Opportunities – CHCC-maintained collection of national grants and funding opportunities.
   - CHNA Guide – Interactive, step-by-step guide designed to assist organizations in assessing community health needs and designing strategies and programs to address prioritized needs
   - Location Report Builder – Quickly create location-specific summary reports that can be linked as pages on the platform, exported as PDFs, and shared with others.
   - Topic Centers – Topic index pages that bring together all the resources in the site on a particular topic area.

4. **Customization Tools and Options**
   - Standalone Website Branding – Client can select the website name, URL, color palette and fonts. CHCC will work with Client to design the banner.
   - Navigation Menu – Client can customize website navigation. Includes ability to link to platform features provided by CHCC as well as custom pages created by client.
   - Tiles – CHCC's custom content management system. Allows client to easily create and administer pages without having to know HTML. Client can select from more than 15 unique tile options to highlight CHCC's core tools (indicators, maps, related content, etc.) as well as locally maintained content (client pictures, videos, health improvement plans, resources, etc.). Client can stack and assemble tiles to create custom pages.
   - Homepage – Homepage designed using Tiles (CHCC's custom content management system); includes ability to customize homepage content such as images, text, tools and sponsor logos.
   - Custom Web Pages – Allows site administrator to create unlimited custom web pages using Tiles (CHCC's custom content management system); system does not require HTML knowledge.

- Stories – Site administrator can create a cohesive narrative by combining data visualizations, text, and images. The Stories module is organized by chapters, pages, and items.
- Locally Maintained Indicators – Client can add local data into the Community Dashboard using the self-service tool. Please note the anticipated time to setup and maintain will vary depending on data complexity, quantity, and user capacity. CHCC provides training and guidance to support local content addition.
- Language Translation – Automated translation of website for 40+ languages supported by Google

B. CHCC Services

The CHCC Platform comes with the following services:

1. **Account Manager Training and Support Services***

   CHCC and your Account Manager provide the following services to assist in maintenance of the CHCC Platform Client will have direct phone and email access to a dedicated account manager for the duration of the agreement.

   - Quarterly Meetings – Regularly scheduled, quarterly check-in meetings after site launch. Topics may include indicator updates, product updates, upcoming webinars, or discussions designed to understand and help support client's goals and objectives.
   - Help Center – 24/7 access to an online client Help Center with step-by-step written instructions, training videos and client examples.

   *Account Manager support services are conducted via phone/webinar; however, client may receive one to two (1-2) site visits at client's expense. In-person meetings can be arranged to provide on-site training, conduct a kickoff meeting, lead a site orientation, launch a site or attend/conduct another meeting as specified by the client.

2. **CHCC Peer Network**

   The CHCC Peer Network consists of hospitals, health departments and community coalitions licensing the CHCC Platform and provides access to the following benefits:

   - Community Resources – 24/7 access to a variety of examples from CHCC clients, including client success stories, sample CHNA reports /implementation strategies and approaches for marketing your CHCC Platform to your community.
   - Webinars – Access to on-demand and live webinars led by public health professionals at CHCC in conjunction with the CHCC Peer Network. Webinars highlight new product features, client success stories and trending population health topics.
   - Newsletter – Subscription to client email communications featuring indicator updates, product updates, webinar announcements, client success stories, CHCC news and more.
   - Client Meetings – Invitation to national or regional meetings.

BUSINESS ASSOCIATE AGREEMENT

This Business Associate Agreement ("BAA") effective September 1, 2022 ("Effective Date"), is entered into by and among between the County of Monterey, a political subdivision of the State of California, on behalf of the Health Department ("Covered Entity") and Conduent Healthy Communities Corporation ("Business Associate") (each a "Party" and collectively the "Parties").

RECITALS

A. WHEREAS, Business Associate provides certain services for Covered Entity that may involve the Use and Disclosure of Protected Health Information ("PHI") that is created, received, transmitted, or maintained by Business Associate for or on behalf of Covered Entity.

B. WHEREAS, the Parties are committed to complying with the Health Insurance Portability and Accountability Act of 1996, as amended by the Health Information Technology for Economic and Clinical Health Act (the "HITECH Act"), and their implementing regulations, including the Standards for the Privacy of Individually Identifiable Health Information, 45 C.F.R. Part 160 and Part 164, subparts A and E (the "Privacy Rule"), the Breach Notification Standards, 45 C.F.R. Part 160 and 164 subparts A and D (the "Breach Notification Rule"), and the Security Standards for the Protection of Electronic Protected Health Information, 45 C.F.R. Part 160 and Part 164, subparts A and C (the "Security Rule") (collectively "HIPAA"), all as amended from time to time.

C. WHEREAS, the Parties are also committed to complying with the California Confidentiality Laws (defined below).

D. WHEREAS, the Privacy and Security Rules require Covered Entity and Business Associate to enter into a business associate agreement that meets certain requirements with respect to the Use and Disclosure of PHI. This BAA sets forth the terms and conditions pursuant to which PHI, and, when applicable, Electronic Protected Health Information ("EPHI") shall be handled, in accordance with such requirements.

NOW THEREFORE, in consideration of the mutual promises below and the exchange of information pursuant to this BAA, the Parties agree as follows:

AGREEMENT

1. DEFINITIONS

All capitalized terms used in this BAA but not otherwise defined shall have the meaning set forth in HIPAA.

DocuSign Envelope ID: 7E25ACE8-A0F5-4878-952C-14DB10309E6D

(a) "Breach" shall have the same meaning as "breach" as defined in 45 C.F.R. § 164.402; however, the term "Breach" as used in this BAA shall also mean the unlawful or unauthorized access to, Use or Disclosure of a patient's "medical information" as defined under Cal. Civil Code § 56.05(j), for which notification is required pursuant to Cal. Health & Safety Code 1280.15, or a "breach of the security of the system" under Cal. Civil Code § 1798.29.

(b) "California Confidentiality Laws" shall mean the applicable laws of the State of California governing the confidentiality, privacy, or security of PHI or other personally identifiable information (PII), including, but not limited to, the California Confidentiality of Medical Information Act (Cal. Civil Code § 56 *et seq.*), the patient access law (Cal. Health & Safety Code § 123100 *et seq.*), the HIV test result confidentiality law (Cal. Health & Safety Code § 120975 *et seq.*), the Lanterman-Petris-Short Act (Cal. Welf. & Inst. Code § 5328 *et seq.*), and California's data breach law (Cal. Civil Code § 1798.29).

(c) "Protected Health Information" or "PHI" shall mean any information, whether oral or recorded in any form or medium: (i) that relates to the past, present or future physical or mental condition of an individual; the provision of health care to an individual or the past, present or future payment for the provision of health care to an individual; (ii) that identifies the individual or with respect to which there is a reasonable basis to believe the information that can be used to identify the individual, and (iii) is provided by Covered Entity to Business Associate or created, maintained, received, or transmitted by Business Associate on Covered Entity's behalf. PHI, when used in this BAA, includes EPHI.

(d) "Services" shall mean the services for or functions performed by Business Associate on behalf of Covered Entity pursuant to that certain Platform License Agreement dated April 15, 2020, as amended (the "Services Agreement") between Covered Entity and Business Associate to which this BAA applies.

2. PERMITTED USES AND DISCLOSURES OF PHI

Unless otherwise limited herein, Business Associate may:

(a) Use or Disclose PHI to perform Services for, or on behalf of, Covered Entity, provided that such Use or Disclosure would not violate the Privacy or Security Rules, this BAA, or California Confidentiality Laws if done by Covered Entity;

(b) Use PHI to provide Data Aggregation Services for the Health Care Operations of Covered Entity, if required by the Services Agreement and as permitted by 45 C.F.R. § 164.504(e)(2)(i)(B);

(c) Use PHI if necessary for the proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate as permitted by 45 C.F.R. § 164.504(e)(4)(i);

DocuSign Envelope ID: 7E25ACE8-A0F5-4878-952C-14DB10309E6D

(d) Disclose PHI for the proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate as permitted under 45 C.F.R. § 164.504(e)(4)(ii), provided that Disclosures are Required by Law, or Business Associate obtains reasonable assurances from the person to whom the information is Disclosed that it will remain confidential and be Used or further Disclosed only as Required by Law or for the purpose for which it was Disclosed to the person, and that such person will notify the Business Associate of any instances of which such person is aware that the confidentiality of the information has been breached; and

(e) Use PHI to report violations of law to appropriate Federal and state authorities, consistent with 45 C.F.R. § 164.502(j)(1).

3. RESPONSIBILITIES OF THE PARTIES WITH RESPECT TO PHI

3.1. Responsibilities of Business Associate. Business Associate shall:

(a) Notify the Privacy Officer of Covered Entity, in writing, of: (i) any Use and/or Disclosure of the PHI that is not permitted by this BAA; (ii) any Security Incident of which Business Associate becomes aware; and (iii) any Breach. Such notice shall be provided within ten (10) business days of Business Associate's discovery of such unauthorized access, acquisition, Use and/or Disclosure, Security Incident, or suspected Breach. Notwithstanding the foregoing, the Parties acknowledge the ongoing existence and occurrence of attempted but ineffective Security Incidents that are trivial in nature, such as pings and other broadcast service attacks, and unsuccessful log-in attempts. The Parties acknowledge and agree that this Section 3.1(a) constitutes notice by Business Associate to Covered Entity of such ineffective Security Incidents and no additional notification to Covered Entity of such ineffective Security Incidents is required, provided that no such Security Incident results in unauthorized access, acquisition, Use or Disclosure of PHI. For the avoidance of doubt, a ransomware attack shall not be considered an ineffective Security Incident and shall be reported to Covered Entity, irrespective of whether such Security Incident results in a Breach. Business Associate shall investigate each Security Incident or unauthorized access, acquisition, Use, or Disclosure of PHI, or Breach that it discovers and shall provide a summary of its investigation to Covered Entity, upon request.

(i) If Business Associate or Covered Entity determines that such Security Incident or unauthorized access, acquisition, Use, or Disclosure, constitutes a Breach, then Business Associate shall provide a supplemental written report in accordance with 45 C.F.R. § 164.410(c), which shall include, to the extent possible, the identification of each individual whose PHI has been, or is reasonably believed by the Business Associate to have been, accessed, acquired, Used or Disclosed during the Breach, to Covered Entity without unreasonable delay, but no later than fifteen (15) business days after discovery of the Breach;

(ii) Business Associate shall promptly mitigate, to the extent practicable, any harmful effect that is known to the Business Associate of such improper access, acquisition, Use, or Disclosure, Security Incident, or Breach;

DocuSign Envelope ID: 7E25ACE8-A0F5-4878-952C-14DB10309E6D

(iii) Covered Entity shall have sole control over the timing and method of providing notification of such Breach to the affected individual(s), the appropriate government agencies, and other persons required by law to be notified. Business Associate shall assist with any notifications, as requested by Covered Entity. Business Associate shall take prompt corrective action, including any action required by applicable State or federal laws and regulations relating to such Security Incident or non-permitted access, acquisition, Use, or Disclosure;

(b) Implement appropriate administrative, physical, and technical safeguards and comply with the Security Rule and industry best practices to prevent Use and/or Disclosure of EPHI other than as provided for by this BAA;

(c) Obtain and maintain a written agreement with each of its Subcontractors that creates, receives, maintains, or transmits PHI that requires each such Subcontractor to adhere to restrictions and conditions that are at least as restrictive as those that apply to Business Associate pursuant to this BAA;

(d) Make available all internal practices, records, books, agreements, policies and procedures and PHI relating to the Use and/or Disclosure of PHI received from, created, maintained, or transmitted by Business Associate on behalf of Covered Entity to the Secretary of the Department of Health and Human Services ("Secretary") in a time and manner designated by the Secretary for purposes of determining Covered Entity's or Business Associate's compliance with HIPAA. Business Associate shall promptly notify Covered Entity of any such requests by the Secretary and, upon Covered Entity's request, provide Covered Entity with any copies of documents Business Associate provided to the Secretary if legally permitted to do so;

(e) Document Disclosures of PHI and information related to such Disclosure and, within twenty (20) days of receiving a written request from Covered Entity, provide to Covered Entity such information as is requested by Covered Entity to permit Covered Entity to respond to a request by an individual for an accounting of the Disclosures of the individual's PHI in accordance with 45 C.F.R. § 164.528 and the HITECH Act. At a minimum, the Business Associate shall provide Covered Entity with the following information: (i) the date of the Disclosure; (ii) the name of the entity or person who received the PHI, and if known, the address of such entity or person; (iii) a brief description of the PHI Disclosed; and (iv) a brief statement of the purpose of such Disclosure which includes an explanation of the basis for such Disclosure. In the event the request for an accounting is delivered directly to the Business Associate, the Business Associate shall, within ten (10) days, forward such request to Covered Entity. The Business Associate shall implement an appropriate recordkeeping process to enable it to comply with the requirements of this Section;

(f) Subject to Section 4.4 below, return to Covered Entity in a mutually agreeable format and medium, or destroy, within thirty (30) days of the termination of this BAA, the PHI in its possession and retain no copies, including backup copies;

DocuSign Envelope ID: 7E25ACE8-A0F5-4878-952C-14DB10309E6D

(g) Use, Disclose to its Subcontractors or other third parties, and request from Covered Entity, only the minimum PHI necessary to perform or fulfill a specific function required or permitted hereunder;

(h) If all or any portion of the PHI is maintained in a Designated Record Set:

(i) Upon ten (10) business days' prior written request from Covered Entity, provide access to the PHI to Covered Entity, or to the individual, if so directed by Covered Entity, to meet a request by an individual under 45 C.F.R. § 164.524 or California Confidentiality Laws. Business Associate shall notify Covered Entity within five (5) business days of its receipt of a request for access to PHI from an individual; and

(ii) Upon ten (10) business days' prior written request from Covered Entity, make any amendment(s) to the PHI that Covered Entity directs pursuant to 45 C.F.R. § 164.526. Business Associate shall notify Covered Entity within five (5) business days of its receipt of a request for amendment of PHI from an individual;

(i) To the extent that Business Associate carries out one or more of Covered Entity's obligations under the Privacy Rule, Business Associate shall comply with the requirements of the Privacy Rule that apply to Covered Entity in the performance of such obligations;

(j) Unless prohibited by law, notify Covered Entity as soon as possible and in no case later than five (5) business days after the Business Associate's receipt of any request or subpoena for PHI. To the extent that Covered Entity decides to assume responsibility for challenging the validity of such request, the Business Associate shall reasonably cooperate with Covered Entity in such challenge; and

(k) Maintain policies and procedures materially in accordance with HIPAA and California Confidentiality Laws and industry standards designed to ensure the confidentiality, availability, and integrity of Covered Entity's data and protect against threats or vulnerabilities to such data.

3.2 <u>Business Associate Acknowledgment</u>.

(a) Business Associate acknowledges that, as between the Business Associate and Covered Entity, all PHI shall be and remain the sole property of Covered Entity.

(b) Business Associate is not permitted to Use PHI to create de-identified information except as approved in writing by Covered Entity.

DocuSign Envelope ID: 7E25ACE8-A0F5-4878-952C-14DB10309E6D

(c) Business Associate further acknowledges that it is obligated by law to comply, and represents and warrants that it shall comply, with HIPAA. Business Associate shall comply with all California Confidentiality Laws, to the extent that such state laws are not preempted by HIPAA.

(d) Business Associate further acknowledges that Uses and Disclosures of PHI must be consistent with Covered Entity's privacy practices, as stated in Covered Entity's Notice of Privacy Practices. Covered Entity agrees to provide Business Associate with a copy of the notice of privacy practices required by 45 C.F.R. Section 164.502 that is currently in use and to inform Business Associate of any changes to the notice.

3.3 Responsibilities of Covered Entity.

(a) Covered Entity shall notify Business Associate of any (i) changes in, or withdrawal of, the authorization of an individual regarding the Use or Disclosure of PHI provided to Covered Entity pursuant to 45 C.F.R.§ 164.508, to the extent that such changes may affect Business Associate's Use or Disclosure of PHI; or (ii) restrictions on Use and/or Disclosure of PHI as provided for in 45 C.F.R. § 164.522 agreed to by Covered Entity, to the extent that such restriction may affect Business Associate's Use or Disclosure of PHI.

(b) Covered Entity shall obtain from individuals any applicable consents, authorizations and other permissions necessary or required by law for Covered Entity and Business Associate to fulfill their obligations under this BAA and the Services Agreement. Covered Entity shall not require Business Associate to use or disclosure PHI in any manner that would not be permissible under HIPAA.

(c) Covered Entity agrees to limit disclosure of PHI to Business Associate to only the minimum necessary for Business Associate to accomplish the intended purpose of the use, disclosure or request as required to perform the services described in the Services Agreement.

4. TERM AND TERMINATION

4.1 Term. This BAA shall become effective on the Effective Date and shall continue in effect until all of the PHI provided by Covered Entity to Business Associate, or created or received by Business Associate on behalf of Covered Entity, is destroyed or returned to Covered Entity, or if it is infeasible to return or destroy PHI, protections are extended to such PHI, in accordance with the termination provisions in Section 4.4. Certain provisions and requirements of this BAA shall survive its expiration or other termination as set forth in Section 5 herein.

4.2 Termination. Either Party may terminate this BAA if the other Party ("breaching Party") has breached any material provision of this BAA and, upon written notice from the non-breaching Party specifying the material breach, fails to cure the breach within thirty (30) days after receipt of the notice. If the material breach is not cured within that period, the non-breaching Party may exercise the right to terminate this BAA by providing the breaching Party written notice of termination. Any such termination will be

DocuSign Envelope ID: 7E25ACE8-A0F5-4878-952C-14DB10309E6D

effective immediately or at such other date specified in the non-breaching Party's notice of termination. If the non-breaching Party determines that termination of this BAA is not feasible, the non-breaching Party may report such breach to the U.S. Department of Health and Human Services.

4.3 Automatic Termination. This BAA shall automatically terminate without any further action of the Parties upon the termination or expiration of the Services Agreements between Covered Entity and Business Associate that would necessitate having this BAA in place.

4.4 Effect of Termination. Upon termination or expiration of this BAA for any reason, Business Associate shall return or destroy all PHI pursuant to 45 C.F.R. § 164.504(e)(2)(ii)(J) if, and to the extent that, it is feasible to do so. Prior to returning or destroying the PHI, Business Associate shall recover any PHI in the possession of its Subcontractors. Business Associate shall certify in writing that all PHI has been returned or securely destroyed, and no copies retained, upon Covered Entity's written request. To the extent it is not feasible for Business Associate to return or destroy any portion of the PHI, Business Associate shall notify Covered Entity in writing of the condition that makes return or destruction infeasible. If Covered Entity agrees that return or destruction of the PHI is infeasible, as determined in its sole discretion, Business Associate shall: (i) retain only that PHI which is infeasible to return or destroy; (ii) return to Covered Entity the remaining PHI that the Business Associate maintains in any form; (iii) continue to extend the protections of this BAA to the PHI for as long as Business Associate retains PHI; (iv) limit further Uses and Disclosures of such PHI to those purposes that make the return or destruction of the PHI not feasible and subject to the same conditions as set out in Sections 2 and 3 above, which applied prior to termination; and (v) return to Covered Entity the PHI retained by Business Associate when such return is no longer infeasible.

5. MISCELLANEOUS

5.1 Survival. The obligations of Business Associate under the provisions of Sections 3.1, 3.2, and 4.4 and Article 5 shall survive termination of this BAA until such time as all PHI is returned to Covered Entity or destroyed.

5.2 Amendments; Waiver. This BAA may not be modified or amended, except in a writing duly signed by authorized representatives of the Parties. To the extent that any relevant provision of HIPAA or California Confidentiality Laws is materially amended in a manner that changes the obligations of the Parties, the Parties agree to negotiate in good faith appropriate amendment(s) to this BAA to give effect to the revised obligations. Further, no provision of this BAA shall be waived, except in a writing duly signed by authorized representatives of the Parties. A waiver with respect to one event shall not be construed as continuing, or as a bar to or waiver of any right or remedy as to subsequent events.

5.3 No Third Party Beneficiaries. Nothing express or implied in this BAA is intended to confer, nor shall anything herein confer, upon any person other than the Parties and the respective successors or assigns of the Parties, any rights, remedies, obligations, or liabilities whatsoever.

DocuSign Envelope ID: 7E25ACE8-A0F5-4878-952C-14DB10309E6D

5.4 **Notices**. Any notices to be given hereunder to a Party shall be made via U.S. Mail or express courier to such Party's address given below, and/or via facsimile or email to the facsimile telephone numbers or email addresses listed below.

If to Business Associate, to:

Each Party named above may change its address and that of its representative for notice by the giving of notice thereof in the manner hereinabove provided. Such notice is effective upon receipt of notice, but receipt is deemed to occur on next business day if notice is sent by FedEx or other overnight delivery service.

5.5 **Counterparts; Facsimiles**. This BAA may be executed in any number of counterparts, each of which shall be deemed an original. Facsimile and electronic copies hereof shall be deemed to be originals.

5.6 **Relationship of Parties**. Notwithstanding anything to the contrary in the Services Agreement, Business Associate is an independent contractor and not an agent of Covered Entity under this BAA. Business Associate has the sole right and obligation to supervise, manage, contract, direct, procure, perform, or cause to be performed all Business Associate obligations under this BAA.

5.7 **Choice of Law; Interpretation**. This BAA shall be governed by the laws of the jurisdiction designated in the Services Agreement.

5.8 **Intentionally Omitted.**

DocuSign Envelope ID: 7E25ACE8-A0F5-4878-952C-14DB10309E6D

5.9 Intentionally Omitted.

5.10 Insurance. In addition to any general and/or professional liability insurance required of Business Associate under the Services Agreement, Business Associate agrees to obtain and maintain, at its sole expense, liability insurance on an occurrence basis (professional liability on a claims made form), covering any and all claims, liabilities, demands, damages, losses, costs expenses, fines, and compliance costs arising from a breach of the obligations of Business Associate, its officers, employees, agents and Subcontractors under this BAA. Without limiting the foregoing, at a minimum, Business Associate's required insurance under this Section shall include cyber liability insurance covering breach notification expenses, network security and privacy liability, with limits of not less than $10,000,000 per claim and in the aggregate. Such insurance coverage will be maintained for the term of this BAA, and a copy of such policy or a certificate evidencing the policy shall be provided to Covered Entity at Covered Entity's request.

5.11 Legal Actions. Promptly, but no later than five (5) business days after notice thereof, Business Associate shall advise Covered Entity of any actual action, proceeding, regulatory or governmental orders or actions, that will adversely impact Business Associate's ability to comply with the terms of this BAA. This includes, without limitation, any allegation that Business Associate has violated federal or state laws.

5.12 Audit or Investigations. Promptly, but no later than five (5) calendar days after notice thereof, Business Associate shall advise Covered Entity of any audit, compliance review, or complaint investigation by the Secretary or other state or federal agency related to compliance with HIPAA or the California Confidentiality Laws and this BAA or the Services Agreement.

5.13 Intentionally Omitted.

5.14 No Offshore Work. In performing the Services for, or on behalf of, Covered Entity, Business Associate shall not, and shall not permit any of its Subcontractors, to transmit or make available any PHI to any entity or individual outside the United States without the prior written consent of Covered Entity.

5.15 Information Blocking Rules. Business Associate shall not take any action, or refuse to take any action, with regard to Covered Entity's electronic health information that would result in "information blocking" as prohibited by 42 U.S.C. § 300jj-52 and 45 C.F.R. Part 171 (collectively, "Information Blocking Rules"). Business Associate and Covered Entity shall cooperate in good faith to ensure Covered Entity's electronic health information is accessed, exchanged, and used in compliance with the Information Blocking Rules.

DocuSign Envelope ID: 7E25ACE8-A0F5-4878-952C-14DB10309E6D

IN WITNESS WHEREOF, each of the undersigned has caused this BAA to be duly executed in its name and on its behalf as of the Effective Date.

Exhibit A-1

Statement of Work for CHCC Platform

Conduent Healthy Communities Corporation (CHCC) will make available to Monterey County Health Department ("Client") a version of the CHCC Standalone Platform ("CHCC Platform") as follows:

A. CHCC Features

The CHCC Platform will be configured for Client and include the following features:

1. **Data and Analysis Features**

- Community Dashboard – Data dashboard that houses all of the indicators on Client's site. Search and filter by geography, topic and subpopulation groups (race/ethnicity, age, and gender) when available. Client may opt to add local data into the Community Dashboard (see "Section 4-Customization Tools & Options").
    - Core List: One hundred (100)+ health and quality of life indicators as available from public, online state or national data sources and dependent upon statistical validity for a geography. Core indicator list is subject to change from time to time depending upon data availability and strategy.
- Demographics – US Census Bureau QuickFacts Profile for Monterey
- Socio-Needs Index – A measure of socioeconomic need correlated with preventable hospitalizations and poor health outcomes; counties and zip codes within your selected area are given an Index Value based on a national distribution and then mapped relative to your area to show degrees of socioeconomic need within your community.
- Data Scoring Tool – Rank indicators on the CHCC Community Dashboard according to a systematic summary of comparisons, grouping indicators into topic areas for a higher level ranking of community health needs. Reports are downloaded from the administrative system at the county level.
- GIS Maps – Quickly visualize health and quality of life indicators within your community; GIS Maps display indicators available for standard geographies (county, zip code and census tract).
- Data Extracts – Provides the local administrator with tools to download the indicators into an Excel spreadsheet for import into other applications.

2. **Evaluation and Tracking Tools**

- Healthy People 2020 Tracker – CHCC-maintained progress tracker for key Healthy People 2020 targets
- Local Progress Trackers – Allows local administrator to create a curated list of indicators to quickly identify and track progress on local initiatives.
- Locally Added Targets - Client can add local targets to CHCC-maintained and locally-maintained indicators using the self-service tool.

DocuSign Envelope ID: E5550F9A-F980-401D-94E6-72CA153AB98D

3. **Resource Features**

- Promising Practices – Database of two thousand (2,000)+ health and quality of life programs and policies from across the country classified by effectiveness
- Resource Library – Central repository for local resources, including reports, community health assessments, community profiles, two hundred eleven (211) resources (when available, single county systems only) and other local content. Content must be uploaded and maintained by Client.
- Funding Opportunities – CHCC-maintained collection of national grants and funding opportunities.
- CHNA Guide – Interactive, step-by-step guide designed to assist organizations in assessing community health needs and designing strategies and programs to address prioritized needs
- Report Assistant – Quickly create content summary reports that can be exported and shared with others. These reports can be emailed or saved as a PDF.
- Topic Centers – Topic index pages that bring together all the resources in the site on a particular topic area.

4. **Customization Tools and Options**

- Standalone Website Branding – Client can select the website name, URL, color palette and fonts. CHC will work with Client to design the banner
- Navigation Menu – Client can customize website navigation. Includes ability to link to platform features provided by CHCC as well as custom pages created by client.
- Tiles – CHCC's custom content management system. Allows client to easily create and administer pages without having to know HTML. Client can select from more than fifteen (15) unique tile options to highlight CHCC's core tools (indicators, maps, related content, etc.) as well as locally maintained content (client pictures, videos, health improvement plans, resources, etc.). Client can stack and assemble tiles to create custom pages.
- Homepage – Homepage designed using Tiles (CHCC's custom content management system); includes ability to customize homepage content such as images, text, tools and sponsor logos.
- Custom Web Pages – Allows local administrator to create unlimited custom web pages using Tiles (CHCC's custom content management system); system does not require HTML knowledge.
- Locally Maintained Indicators – Client can add local data into the Community Dashboard using the self-service tool. Please note the anticipated time to setup and maintain will vary depending on data complexity, quantity, and user capacity. CHCC provides training and guidance to support local content addition.
- Language Translation – Automated translation of website for forty (40)+ languages supported by Google

DocuSign Envelope ID: E5550F9A-F980-401D-94E6-72CA153AB98D

B. CHCC Services

The CHCC Platform comes with the following services:

1. **Account Manager Training and Support Services***

   CHCC and your Account Manager will provide the services listed below to assist in implementation and maintenance of the CHCC Platform. Client will have direct phone and email access to a dedicated account manager for the duration of the agreement.

   - Orientation Call – An initial phone call to meet your Account Manager, review timeline and discuss next steps.
   - Kickoff Meeting (optional) – An initial project kickoff meeting to introduce the platform and the implementation process.
   - Branding Meeting – A webinar with a small group of key decision-makers. Includes overview of the branding process, review of client examples and key decisions that client must make to establish the brand and style of their CHCC Platform.
   - Local Administrator Training – Personalized webinar trainings on website features and system administration. Webinar trainings are tailored to client needs and may include overall approach / process for adding local indicators, how to use the system's dashboards / data analysis tools and how to upload and create content such as priority pages or reports.
   - Site Orientation – A meeting to introduce your custom-designed CHCC Platform. Includes overview of site features and topics aligned with client's goals and objectives. Participants include key decision-makers and (optionally) partners, stakeholders and other end users.
   - Quarterly Meetings – Regularly scheduled, quarterly check-in meetings after site launch. Topics may include indicator updates, product updates, upcoming webinars, or discussions designed to understand and help support client's goals and objectives.
   - Help Center – 24/7 access to an online client Help Center with step-by-step written instructions, training videos and client examples.

   *Account Manager support services are conducted via phone/webinar; however, client may receive one to two (1-2) site visits at client's expense. In-person meetings can be arranged to provide on-site training, conduct a kickoff meeting, lead a site orientation, launch a site or attend/conduct another meeting as specified by the client.

2. **CHCC Peer Network**

   The CHCC Peer Network consists of hospitals, health departments and community coalitions licensing the CHCC Platform and provides access to the following benefits:

   - Community Resources – 24/7 access to a variety of examples from CHCC clients, including client success stories, sample CHNA reports / implementation strategies and approaches for marketing your CHCC Platform to your community
   - Webinars – Access to on-demand and live webinars led by public health professionals at CHCC in conjunction with the CHCC Peer Network. Webinars highlight new product features, client success stories and trending population health topics.

DocuSign Envelope ID: E5550F9A-F980-401D-94E6-72CA153AB98D

- Newsletter – Subscription to client email communications featuring indicator updates, product updates, webinar announcements, client success stories, CHCC news and more.
- Client Meetings – Invitation to national or regional meetings.

This License Agreement ("Agreement") is made and entered into as of **April 15, 2020** (the "Effective Date") by and between Conduent Healthy Communities Corporation ("CHCC"), a California Corporation with its principal place of business located at 100 Campus Drive, Suite 200, Florham Park, New Jersey 07932 and County of Monterey ("Client" or "County"), a political subdivision of the State of California,, with its principal place of business located at 1270 Natividad Road, Salinas, California 93906.

1. Customization of Healthy Communities Institute Platform System; Support Services. In consideration for Client's payment of the fees set forth in the Statement of Work for CHCC Platform and related services described herein, attached as Exhibit B hereto ("Statement of Work"), CHCC will use all reasonable business efforts to customize its CHCC Standalone Platform website template system ("CHCC Platform") and provide implementation, training, and maintenance support services for the CHCC Platform as described in the Statement of Work within the time frames estimated in the Statement of Work. CHCC will host, operate and maintain its CHCC Platform implementation on servers operated by or for CHCC.

2. Limited Warranty; Disclaimer. Client acknowledges that (i) CHCC's products and services, including the CHCC Platform and supporting services provided hereunder, are not a substitute for legal advice in meeting federal, state, or local regulations, and (ii) CHCC does not warrant that its products or services, including the CHCC Platform and supporting services provided hereunder, meet local, state or federal regulatory requirements for conducting community health needs assessments or providing health information to communities. CHCC warrants that it will perform all services in a professional manner consistent with industry standards by trained and skilled personnel CHCC does not make any express or implied warranties in connection with this Agreement, the CHCC Platform or any supporting services or deliverables provided to Client hereunder except those specifically set forth herein.

3. Payment. Client agrees to pay to CHCC the fees as set forth in the Statement of Work. After the Initial Term (hereinafter defined) , CHCC may increase its fees for products and services, including the CHCC Platform and supporting services subject to mutual written agreement for any Renewal Term (hereinafter defined) on a prospective basis, from time to time during the Renewal Term of this Agreement, if the price changes are consistent with CHCC's broad price policy changes. The County Auditor-Controller shall pay the amount of the invoice except for any amount disputed in good faith within 30 days of the date of receipt by the County-Auditor-Controller of the certified invoice. In the event that any undisputed amount due to CHCC hereunder is not paid within 30 days of the County's receipt of the certified invoice, without waiving any claim or right against Client and without liability whatsoever to Client, CHCC reserves the right to suspend or terminate Client's access to the CHCC Platform and the performance of any services provided hereunder. The amounts payable to CHCC set hereunder are exclusive of any sales or use or other taxes or governmental charges. Client shall be responsible for payment of all such taxes or charges except for any taxes based solely on CHCC's net income. If Client is required to pay any taxes based on this Section 3, Client shall pay such taxes with no reduction or offset in the amounts payable to CHCC hereunder.

4. Term; Termination. This Agreement is effective upon the Effective Date. Following the completion of the site implementation, the term of this Agreement shall continue for a period of three years ("the "Initial Term"). After the Initial Term, the term of this Agreement shall continue at the option of Client to extend the Agreement for up to two (2) additional one (1)-year extensions ("a Renewal Term") under mutually agreed pricing terms for each Renewal Term. CHCC or Client may terminate this Agreement upon thirty (30) days' prior written notice of the other's material breach and failure to substantially cure the breach within thirty (30) days of receipt of the notice of breach. CHCC or Client may terminate this Agreement for convenience upon thirty (30-) calendar days' prior written notice to the other party. Upon expiration or termination of this Agreement, all licenses granted by CHCC to Client hereunder shall terminate. Client shall promptly cease use of and delete or return any electronic information associated

with the CHCC Platform and associated intellectual property. If CHCC terminates this Agreement for convenience or the Agreement is terminated due to CHCC's breach as provided above, it shall refund to Client the undisputed, unearned prorated portion of the Annual License Fee (as defined in Exhibit A) paid for the then-current annual licensing period. If Client terminates this Agreement for convenience, Client will pay to CHCC any undisputed, unpaid portion of the Setup Fee (as defined in Exhibit A) and any undisputed, unpaid portion of the Annual License Fees accrued through the effective date of termination .

5. Limitation of Liability. Subject to any limitation under California law and except for any actions for intellectual property infringement or breach of confidentiality obligations: (i) CHCC shall not be liable to Client for any indirect, incidental, special, consequential, exemplary or punitive damages, losses, or expenses, including but not limited to lost profits, lost revenue, and lost opportunity, even if either party has been advised of the possibility of such damages, losses, or expenses or such damages, losses, or expenses were reasonably foreseeable; and (ii) CHCC's total, maximum, aggregate liability to Client whether in contract, tort (including negligence), products liability, strict liability, or otherwise, shall not exceed the lesser of $100,000 or the total payments received by CHCC . Subject to any limitation under California law and except for any actions for intellectual property infringement or breach of confidentiality obligations: (i) Client shall not be liable to CHCC for any indirect, incidental, special, consequential, exemplary or punitive damages, losses, or expenses, including but not limited to lost profits, lost revenue, and lost opportunity, even if either party has been advised of the possibility of such damages, losses, or expenses or such damages, losses, or expenses were reasonably foreseeable, and (ii) Client's total, maximum, aggregate liability to CHCC whether in contract, tort (including negligence), products liability, strict liability, or otherwise, shall not exceed the lesser of $100,000 or the total payments received by CHCC.

6. Intellectual Property. **Licenses**: While this Agreement is in effect and in consideration for Client's payment of the fees set forth in the Statement of Work, CHCC grants to Client a non-exclusive, non-transferable, non-sublicenseable, license to (a) access and remotely interact with the CHCC Platform and allow users of its CHCC Platform implementation's website ("Users") such access and interaction; (b) use CHCC's trademarks to the limited extent as stated below; (c) access CHCC Platform utilization data; and (d) access error corrections to the CHCC Platform, including fixes to problems in software but excluding additional options, enhancements, and/or new features. Client grants to CHCC a worldwide, non-exclusive, royalty-free license to use, reproduce, distribute, perform and display any and all content it provides to CHCC in connection with the CHCC Platform. **Trademarks**: CHCC and Client each grant to the other a limited, non-exclusive, non-sublicenseable, worldwide license to use the other's trademarks, trade names, copyrights and logos and trade dress (collectively, "Trademarks") only as necessary to fulfill each party's obligations under this Agreement during its term. CHCC and Client each agree that the quality of its manner of use of the other's Trademarks shall be high. CHCC and Client may each terminate the other's license to use its Trademarks if it determines that the other's use of such Trademarks tarnishes, blurs or dilutes the quality or good will associated with such Trademarks and such problem is not cured within ten (10) days of notice thereof. Each party agrees not to contest the other party's ownership of its Trademarks, not to disparage or call into question the validity, value or ownership thereof, and not to use any of the other party's Trademarks in any manner so as to create a combined trademark. Except as expressly granted in this Agreement, no other rights or licenses or uses whatsoever in or to the CHCC Platform or CHCC's Trademarks are granted to Client. CHCC is, and at all times shall remain, the sole and exclusive owner of all right, title and interest, throughout the world (including all intellectual property and other proprietary rights), in and to the original and copies of the CHCC Platform and any associated and derivative intellectual property, all website usage statistics (system utilization data), all new features and enhancements to the CHCC Platform, and any deliverables and supporting services provided by CHCC under this Agreement. **Protections**: CHCC and Client shall cooperate to police and protect the CHCC Platform and its associated intellectual property. Client shall promptly notify CHCC in writing of any unauthorized use, infringement, misappropriation, dilution or other violation of

DocuSign Envelope ID: E96FBD7C-BAEF-44A2-98C9-90540DA25C0D

the CHCC Platform and its associated intellectual property ("Violations") of which it becomes aware and CHCC shall have the primary right, but not the obligation, to bring and control any suits against any such Violations and retain the entirety of any award arising from such suit. Client shall have no claim of any kind against CHCC based on or arising out of CHCC's handling of or decisions regarding Violations or any such suit or suits. **Notices and Attributions**: Client shall accurately produce and reproduce all CHCC intellectual property notices on all copies Client produces or reproduces of the CHCC Platform and associated data, screens, and software, and shall not remove any CHCC intellectual property notices from any materials. Any website through which a user interacts with the CHCC Platform shall have, at a minimum, attribution to CHCC for creating and operating the website and service, including a "Powered by Healthy Communities Network" clickable link in the navigation header of all pages, CHCC copyright notices on all pages, and appropriate credit for the system and links back to CHCC in any "about us" section.

7. Confidential Information: During the term of this Agreement and for a period of two (2) years thereafter, each of CHCC and Client will keep in confidence and not disclose or disseminate, or permit anyone working under its direction to disclose or disseminate, the existence, source, content or substance of any of the other's Confidential Information to any other person. "Confidential Information" is all nonpublic information concerning the business, technology, internal structure and strategies of either CHCC or Client disclosed to the other orally, or in tangible form, and is either marked as "confidential" or identified as "confidential" prior to disclosure. Employees and independent contractors of one party will be given access to the Confidential Information of the other party only on a need-to-know basis. Client agrees that the trade secrets and know-how included in the CHCC Platform and associated intellectual property shall be treated as Confidential Information regardless of whether such trade secrets and know-how are marked, stamped or otherwise identified as confidential. Information shall not be deemed Confidential Information if it is (i) now generally known or available or which, hereafter through no act or failure to act on the part of CHCC or Client as the receiving party ("Recipient"), becomes generally known or available; (ii) rightfully known to Recipient at the time of receiving such information; (iii) furnished to Recipient by a third party without restriction on disclosure and without Recipient having actual notice or reason to know that the third party lacks authority to so furnish the information; (iv) independently developed by Recipient; or (v) required to be disclosed by law or by a government entity, provided however that Recipient, before making a use or compelled disclosure of Confidential Information, shall give ten (10) business days' prior written notice to the owner of the Confidential Information stating the intended use or disclosure to be made and citing the applicable sub-section of (i) - (v) above allegedly giving it the right or obligation to do so.

8. Security: Without limiting the generality of this Section 7 (Confidentiality), CHCC will take all commercially reasonable measures to secure and defend its location and equipment against "hackers" and others who may seek, without authorization, to modify or access CHCC systems or the information found therein. CHCC will periodically test its systems for potential areas where security could be breached in accordance with its usual internal practices. CHCC represents and warrants that at all times during the term of the Agreement it will comply, at its sole expense, with all applicable state and federal data privacy and data security, laws, rules, and regulations, as well as with standard industry practices with respect to the obligations of CHCC under this Agreement. On reasonable advance written request from Client, and not more than once per calendar year, CHCC will provide reasonable documentation substantiating CHCC's compliance with this section.

9. User Relations. Client will either incorporate CHCC's terms of use into its terms of use, as will be displayed on Client's website, or allow CHCC to maintain a terms of use link and document on the CHCC Platform implementation's website for Client. Client's Users must agree to the terms of use or will not be allowed to use the CHCC Platform implementation's website. Client's staff shall have first line responsibility for dealing with User support inquiries in a commercially reasonable manner agreed to by CHCC. CHCC will provide second tier support directly to Client through Web, email and telephone

support during normal business hours (9AM to 5PM Pacific Time) with an initial response within one business day that includes an estimated time for final resolution. Client will designate and CHCC will train one support person who will be Client's interface with CHCC on support matters.

10. Indemnity.

Each of CHCC and Client (the "Indemnifying Party") shall indemnify the other (the "Indemnified Party") against any and all claims, losses, costs and expenses, including reasonable attorneys' fees, which the Indemnified Party may incur as a result of claims in any form by third parties arising from: (a) the Indemnifying Party's gross negligence or willful misconduct in the performance of its obligations under this Agreement, or (b) the Indemnifying Party's content or trademarks or associated intellectual property. The foregoing obligations are conditioned on the Indemnified Party: (i) giving the Indemnifying Party notice of the relevant claim, (ii) cooperating with the Indemnifying Party, at the Indemnifying Party's expense, in the defense of such claim, and (iii) giving the Indemnifying Party the right to control the defense and settlement of any such claim, except that the Indemnifying Party shall not enter into any settlement that affects the Indemnified Party's rights or interest without the Indemnified Party's prior written approval. The Indemnified Party shall have the right to participate in the defense at its expense. Notwithstanding the foregoing, CHCC assumes no liability for any claims arising from the following: (i) the combination of the CHCC Platform and associated intellectual property or use with other hardware, software or other items not provided by CHCC; (ii) the modification of the CHCC Platform or any part thereof by Client; (iii) use of the CHCC Platform for a purpose or in a manner for which it was not designed, or (iv) Client's specifications or designs. Client shall indemnify and hold harmless CHCC from and against any claims arising out of such exclusions (i)-(iv). This Section 10 states Client's sole and exclusive remedy and CHCC's entire liability for any alleged infringement of a third party's intellectual property right.

11. General Provisions. **Governing Law**: This Agreement shall be governed by and construed in accordance with the laws of the State of California without regard to the conflict-of-laws rules of the State of California. **Severability, Headings**: If any provision herein is held to be invalid or unenforceable for any reason, the remaining provisions will continue in full force and effect without being impaired or invalidated in any way. Headings are for reference purposes only and in no way define, limit, construe or describe the scope or extent of such section. **No Hire.** Without the prior written consent of CHCC until twelve (12) months after the date the CHCC personnel were last involved in any activity related to the Agreement, Client agrees to refrain from employing, as a result of direct solicitation, or directly or indirectly soliciting the employment/engagement of CHCC's employees, agents, and subcontractors who have worked on the Agreement ("Personnel"). If Client is interested in hiring one or more of CHCC's Personnel, such interest will be discussed first with CHCC prior to discussing such an offer with the Personnel. **Force Majeure**: If performance of a party's obligations is interfered with by any condition beyond such party's reasonable control, the affected party shall be excused from performance to the extent of such condition. The operation of CHCC's servers and the provision of the CHCC Platform and supporting services hereunder may be interfered with by numerous factors outside of CHCC's control. CHCC does not guarantee continuous, uninterrupted or secure provision of the CHCC Platform and supporting services, and Client acknowledges that the CHCC Platform and supporting services may be unavailable for sustained periods of time. Should the CHCC Platform and supporting services be unavailable to Client and Users due to force majeure for more than 10 days, and if CHCC does not restore service within 30 days thereafter, Client may terminate this Agreement and be entitled to a refund of the unearned prorated portion of the Annual License Fee paid for the then-current annual licensing period. **Independent Contractors:** CHCC and Client are independent contractors, and no agency, partnership, joint venture, employee-employer or franchiser-franchisee relationship is intended or created hereunder. **Notice:** Any notices hereunder shall be given to the appropriate party at the address specified herein or at such other address, as the party shall specify in writing. Notice shall be deemed given: upon personal delivery; if sent by fax, upon confirmation of receipt; or if sent by certified mail, postage prepaid, three (3) days after the date of mailing. **Assignment:** This Agreement may not

be assigned by either party without the express written consent of the other party. Notwithstanding the foregoing, CHCC may assign this Agreement and the provision of services hereunder, together with the rights and ownership of the CHCC Platform and associated intellectual property, to another party so long as such assignment is to an authorized partner of CHCC that agrees to be bound by the terms and conditions of this Agreement. This Agreement shall inure to the benefit of and be binding on the parties hereto and their respective successors and assigns (if assignment is properly made pursuant to this Agreement). **Non-compete and Exclusivity:** During the term of this Agreement (including any renewal period(s) hereof), Client agrees that it will not develop, nor embed, link, co-brand or promote on its CHCC Platform implementation's website, any tools, products or services provided internally or by a third party, that are substantially competitive with or similar to CHCC's tools, products or services without giving to CHCC 90 days' prior written notice, which notice shall provide to CHCC the option of terminating this Agreement for Client's material breach. **Entire Agreement; Waiver:** This Agreement (including Exhibit A attached hereto) sets forth the entire agreement of the parties and supersedes any and all oral or written agreements or understandings between them, as to the subject matter of this Agreement. It may be changed only in a writing signed by both parties. The waiver of a breach of any provision of this Agreement will not operate or be interpreted as a waiver of any other or subsequent breach. **Survival:** Sections 4 ("Termination"), 5. ("Limitation of Liability") 6 ("Intellectual Property"), 10 ("Indemnity"), and 11 ("General Provisions") shall survive any expiration or termination of this Agreement. **Authority to Bind:** Each signatory represents that he/she is fully authorized to enter into the terms and conditions of this Agreement and to legally bind the party on whose behalf the signature is proffered.

12. Notices: Notices required under this Agreement shall be delivered personally or by first-class, postage pre-paid mail to the County and CHCC's contract administrators at the addresses listed below:

Exhibit A

Statement of Work for CHCC Platform

Conduent Healthy Communities Corporation (CHCC) will make available to Monterey County Health Department ("Client") a version of the CHCC Standalone Platform ("CHCC Platform") as follows:

A. CHCC Features

The CHCC Platform will be configured for Client and include the following features:

1. **Data and Analysis Features**

   - Community Dashboard – Data dashboard that houses all of the indicators on Client's site. Search and filter by geography, topic and subpopulation groups (race/ethnicity, age, and gender) when available. Client may opt to add local data into the Community Dashboard (see "Section 4-Customization Tools & Options").
     - Core List: One hundred (100)+ health and quality of life indicators as available from public, online state or national data sources and dependent upon statistical validity for a geography. Core indicator list is subject to change from time to time depending upon data availability and strategy.
   - Demographics – US Census Bureau QuickFacts Profile for Monterey
   - Socio-Needs Index – A measure of socioeconomic need correlated with preventable hospitalizations and poor health outcomes; counties and zip codes within your selected area are given an Index Value based on a national distribution and then mapped relative to your area to show degrees of socioeconomic need within your community.
   - Data Scoring Tool – Rank indicators on the CHCC Community Dashboard according to a systematic summary of comparisons, grouping indicators into topic areas for a higher level ranking of community health needs. Reports are downloaded from the administrative system at the county level.
   - GIS Maps – Quickly visualize health and quality of life indicators within your community; GIS Maps display indicators available for standard geographies (county, zip code and census tract).
   - Data Extracts – Provides the local administrator with tools to download the indicators into an Excel spreadsheet for import into other applications.

2. **Evaluation and Tracking Tools**

   - Healthy People 2020 Tracker – CHCC-maintained progress tracker for key Healthy People 2020 targets
   - Local Progress Trackers – Allows local administrator to create a curated list of indicators to quickly identify and track progress on local initiatives.
   - Locally Added Targets - Client can add local targets to CHCC-maintained and locally-maintained indicators using the self-service tool.

DocuSign Envelope ID: D8483B1A-C20C-489F-85D8-2BD28B99D166

3. **Resource Features**

- Promising Practices – Database of two thousand (2,000)+ health and quality of life programs and policies from across the country classified by effectiveness
- Resource Library – Central repository for local resources, including reports, community health assessments, community profiles, two hundred eleven (211) resources (when available, single county systems only) and other local content. Content must be uploaded and maintained by Client.
- Funding Opportunities – CHCC-maintained collection of national grants and funding opportunities.
- CHNA Guide – Interactive, step-by-step guide designed to assist organizations in assessing community health needs and designing strategies and programs to address prioritized needs
- Report Assistant – Quickly create content summary reports that can be exported and shared with others. These reports can be emailed or saved as a PDF.
- Topic Centers – Topic index pages that bring together all the resources in the site on a particular topic area.

4. **Customization Tools and Options**

- Standalone Website Branding – Client can select the website name, URL, color palette and fonts. CHC will work with Client to design the banner
- Navigation Menu – Client can customize website navigation. Includes ability to link to platform features provided by CHCC as well as custom pages created by client.
- Tiles – CHCC's custom content management system. Allows client to easily create and administer pages without having to know HTML. Client can select from more than fifteen (15) unique tile options to highlight CHCC's core tools (indicators, maps, related content, etc.) as well as locally maintained content (client pictures, videos, health improvement plans, resources, etc.). Client can stack and assemble tiles to create custom pages.
- Homepage – Homepage designed using Tiles (CHCC's custom content management system); includes ability to customize homepage content such as images, text, tools and sponsor logos.
- Custom Web Pages – Allows local administrator to create unlimited custom web pages using Tiles (CHCC's custom content management system); system does not require HTML knowledge.
- Locally Maintained Indicators – Client can add local data into the Community Dashboard using the self-service tool. Please note the anticipated time to setup and maintain will vary depending on data complexity, quantity, and user capacity. CHCC provides training and guidance to support local content addition.
- Language Translation – Automated translation of website for forty (40)+ languages supported by Google

B. CHCC Services

The CHCC Platform comes with the following services:

1. **Account Manager Training and Support Services***

   CHCC and your Account Manager will provide the services listed below to assist in implementation and maintenance of the CHCC Platform. Client will have direct phone and email access to a dedicated account manager for the duration of the agreement.

   - Orientation Call – An initial phone call to meet your Account Manager, review timeline and discuss next steps.
   - Kickoff Meeting (optional) – An initial project kickoff meeting to introduce the platform and the implementation process.
   - Branding Meeting – A webinar with a small group of key decision-makers. Includes overview of the branding process, review of client examples and key decisions that client must make to establish the brand and style of their CHCC Platform.
   - Local Administrator Training – Personalized webinar trainings on website features and system administration. Webinar trainings are tailored to client needs and may include overall approach / process for adding local indicators, how to use the system's dashboards / data analysis tools and how to upload and create content such as priority pages or reports.
   - Site Orientation – A meeting to introduce your custom-designed CHCC Platform. Includes overview of site features and topics aligned with client's goals and objectives. Participants include key decision-makers and (optionally) partners, stakeholders and other end users.
   - Quarterly Meetings – Regularly scheduled, quarterly check-in meetings after site launch. Topics may include indicator updates, product updates, upcoming webinars, or discussions designed to understand and help support client's goals and objectives.
   - Help Center – 24/7 access to an online client Help Center with step-by-step written instructions, training videos and client examples.

   *Account Manager support services are conducted via phone/webinar; however, client may receive one to two (1-2) site visits at client's expense. In-person meetings can be arranged to provide on-site training, conduct a kickoff meeting, lead a site orientation, launch a site or attend/conduct another meeting as specified by the client.

2. **CHCC Peer Network**

   The CHCC Peer Network consists of hospitals, health departments and community coalitions licensing the CHCC Platform and provides access to the following benefits:

   - Community Resources – 24/7 access to a variety of examples from CHCC clients, including client success stories, sample CHNA reports / implementation strategies and approaches for marketing your CHCC Platform to your community
   - Webinars – Access to on-demand and live webinars led by public health professionals at CHCC in conjunction with the CHCC Peer Network. Webinars highlight new product features, client success stories and trending population health topics.

Introduced: 12/12/2023 **Current Status:** Passed

Version: 1 **Matter Type:** BoS Agreement

a. Approve and authorize the Director of Health Services or designee to execute a non-standard Agreement with the County of Santa Barbara to provide water testing and laboratory analysis upon execution through June 30, 2024, for a total agreement amount of $5,000; and
b. Approve non-standard provisions in the Agreement as recommended by the Director of Health Services or designee; and
c. Approve and authorize the Director of Health Services or designee to sign up to three future amendments where the amendments do not exceed 10% ($500) of the original contract amount and does not significantly change the scope of work, with a total not to exceed a maximum of $5,500.

RECOMMENDATION:

It is recommended that the County of Monterey Board of Supervisors:

a. Approve and authorize the Director of Health Services or designee to execute a non-standard Agreement with the County of Santa Barbara to provide water testing and laboratory analysis upon execution through June 30, 2024, for a total agreement amount of $5,000; and
b. Approve non-standard provisions in the Agreement as recommended by the Director of Health Services or designee; and
c. Approve and authorize the Director of Health Services or designee to sign up to three future amendments where the amendments do not exceed 10% ($500) of the original contract amount and does not significantly change the scope of work, with a total not to exceed a maximum of $5,500.

SUMMARY DISCUSSION:

The County of Monterey Health Department, Public Health Bureau, Consolidated Environmental Laboratory requests approval of an Agreement with the County of Santa Barbara to provide fee-based *E. coli*, coliform, and *Legionella* testing services. The Consolidated Environmental Laboratory is an Environmental Lab Accreditation Program (ELAP)-certified laboratory that routinely analyzes drinking water for bacterial and chemical contaminants. The Consolidated Environmental Laboratory also conducts tests on samples derived from the environment for the purpose of assuring safe food, drinking water, reclaimed water, storm water run-off, and irrigation water. The Consolidated Environmental Laboratory is one of only two local health department laboratories in California certified by the Center for Disease Control and Preventions Environmental Legionella Isolation Techniques Evaluation (ELITE) program.

This work supports the County of Monterey Health Department 2018-2024 Strategic Plan Goals: 2.

Enhance public health and safety through prevention, and 3. Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports two of the ten essential public health services, specifically: 2. Investigate, diagnose, and address health problems and hazards affecting the population, 4. Strengthen, support, and mobilize communities and partnerships to improve health.

OTHER AGENCY INVOLVEMENT:
The Office of the County Counsel has reviewed and approved this Agreement as to legal form. Auditor-Controller has reviewed and approved this Agreement as to fiscal provisions.

FINANCING:
There is no cost to the County for this agreement. The Health Department collects water testing fees from the County of Santa Barbara based on a Board of Supervisors approved fee schedule.

Scope of Services

Monterey County Health Department Consolidated Chemistry Laboratory (MCHDCL) shall provide services and staff, and otherwise do all things necessary for or incidental to the performance of work, as set forth below:

1. Environmental Laboratory testing/analysis services listed below as requested by the County of Santa Barbara:
   a. Total Coliforms and E. coli
   b. Legionella Testing
2. Laboratory methods used:
   a. CDC Legionella pneumophila culture method
   b. MCPHL lab developed PCR method
   c. Legiolert (IDEXX)
3. Sample equipment delivery methods: MCHDCL will ship sample bottles, swabs and cooler if needed. These items can also be picked up at the lab by a Santa Barbara County Public Health Department (SBCPHD) courier or SBCPHD staff.
4. Sample delivery methods: SBCPHD will ship samples to the MCHDCL in a cooler on ice overnight using FedEx or another overnight carrier. These items can also be picked up at the laboratory by a SBCPHD courier or SBCPHD staff.
5. Expected sample turnaround times is approximately 3 weeks, dependent upon sample quality, and number of samples submitted per sampling event. Samples are processed immediately; however, Legionella are slow growing on culture. PCR results are considered preliminary and may be available sooner until confirmation by a culture is available.
6. Preliminary and final laboratory results are submitted by MCHDCL to SBCPHD by email once completed. The laboratory can also notify SBCPHD by phone if requested.
7. Fiscal Year 2023/2024 rates: $138 per sample.

STANDARD TERMS & CONDITIONS FOR INDEPENDENT CONTRACTORS

THESE TERMS & CONDITIONS ("Terms and Conditions") are entered into by and between the County of Santa Barbara, a political subdivision of the State of California ("COUNTY") and the party identified as "Vendor" on the COUNTY Purchase Order ("Purchase Order") issued by COUNTY's Procurement Services Division and to which these Terms and Conditions are attached ("CONTRACTOR" and, together with COUNTY, collectively, the "Parties" and each individually a "Party"), effective as of the date of CONTRACTOR's signature on or other acceptance of the Purchase Order (defined below). **CONTRACTOR's signature on or other acceptance of the COUNTY Purchase Order issued by COUNTY's Procurement Services Division to which these Terms and Conditions are attached ("Purchase Order") means CONTRACTOR has read, accepted, and agreed to these Terms and Conditions.** These Terms and Conditions, together with the Purchase Order, including all attachments and exhibits hereto and thereto, collectively, shall be referred to in these Terms and Conditions as the "Contract" or the "Contract Documents," and each such document comprising the Contract shall individually be referred to as a "Contract Document". For the avoidance of doubt, the Contract and the Contract Documents include the Description of Services (defined below) and the Indemnification and Insurance Requirements (defined below).

1. **SCOPE OF SERVICES / COMPENSATION.** CONTRACTOR agrees to provide to COUNTY the services ("Services") and deliverables ("Deliverables"), and COUNTY agrees to pay CONTRACTOR, as set forth in the Description of Services attached to the Purchase Order and incorporated herein by reference ("Description of Services"). This Contract shall be administered by the COUNTY's Procurement Services Division, and payment hereunder shall be subject to satisfactory performance of the Services and delivery of the Deliverables in accordance with the terms and conditions of the Contract as determined by the Director of COUNTY's General Services Department, or such Director's designee ("Designee"). CONTRACTOR will be entitled to reimbursement for only those expenses specifically identified in the Description of Services.

2. **STATUS AS INDEPENDENT CONTRACTOR.** CONTRACTOR shall perform all of the Services under this Contract as an independent contractor, and not as COUNTY's employee. CONTRACTOR understands and acknowledges that CONTRACTOR will not be entitled to any of the benefits of a COUNTY employee, including but not limited to vacation, sick leave, administrative leave, health insurance, disability insurance, retirement, unemployment insurance, workers' compensation and protection of tenure. CONTRACTOR warrants that CONTRACTOR is authorized by law to perform all work contemplated in this Contract, and CONTRACTOR agrees to submit, upon request, verification of licensure or registration, or other applicable evidence of such official authorization.

3. **BILLING & PAYMENT.** CONTRACTOR shall submit invoice(s) for the Services to the COUNTY at the COUNTY's address set forth on the Purchase Order, in accordance with the invoicing procedures set forth in the Purchase Order or the Description of Services. Unless otherwise specified in the Contract, COUNTY will pay CONTRACTOR within thirty (30) days from COUNTY's receipt of invoice.

4. **TAXES.** COUNTY will not be responsible for paying any taxes on CONTRACTOR's behalf, and should COUNTY be required to do so by state, federal, or local taxing agencies, CONTRACTOR agrees to promptly reimburse COUNTY for the full value of such taxes paid, plus all interest and penalties assessed in connection therewith. Such taxes include, but are not limited to, the following: FICA (Social Security), unemployment insurance contributions, income tax, disability insurance, and workers' compensation insurance. Notwithstanding the foregoing, if CONTRACTOR is using a non-California address or a California P.O. Box address for conducting its business with COUNTY, CONTRACTOR shall be subject to required nonresident withholding for Services that CONTRACTOR provides in California for COUNTY, unless CONTRACTOR is a government entity or CONTRACTOR provides COUNTY with a California withholding form that shows CONTRACTOR is exempt from withholding.

5. **CONFLICT OF INTEREST.** CONTRACTOR covenants that CONTRACTOR presently has no employment or interest, and CONTRACTOR shall not acquire any employment or interest, direct or indirect, which would conflict in any manner or degree with the performance of Services required to be performed under this Contract. CONTRACTOR further covenants that in the performance of this Contract, CONTRACTOR will not employ any person or subcontractor having any such conflict interest. CONTRACTOR shall promptly disclose to COUNTY, in writing, any potential conflict of interest.

6. **OWNERSHIP AND INTELLECTUAL PROPERTY.**

   A. CONTRACTOR and its licensors are, and shall remain, the sole and exclusive owners of all right, title and interest in and to all documents, data, know-how, methodologies, software and other materials, including computer programs, reports and specifications, provided by or used by CONTRACTOR in connection with performing the Services to the extent developed or acquired by CONTRACTOR prior to the commencement or independently of this Contract (collectively, the "Pre-Existing Materials"), including all intellectual property rights therein.

   B. Except as provided in Subsection A of this Section 6, above, COUNTY shall own all Deliverables provided to COUNTY in connection with the Services. CONTRACTOR hereby grants to COUNTY a fully-paid, perpetual license to copy, adapt, perform, display, publish, disclose, distribute, create derivative works from, and otherwise use, in whole or in part, all Pre-Existing Materials incorporated into any of the Services or Deliverables, and all other reports, data, documents and other materials comprising, and necessary for COUNTY's continued use of, the Services and Deliverables, whether or not performance under this Contract is completed or terminated prior to completion ("License"). CONTRACTOR agrees to take such actions and execute and deliver such documents as may be needed to validate, protect and confirm the rights provided by this Section 6.B. In addition to and without limiting the provisions of the Indemnification and Insurance Requirements (defined below), CONTRACTOR warrants that none of the Deliverables, Services, or any other items provided by or on behalf of CONTRACTOR under this Contract shall infringe upon any intellectual property or proprietary rights of any third party. CONTRACTOR at its own expense shall defend, indemnify, and hold harmless COUNTY against all claims that any of the Deliverables, Services, or any other items provided by or on behalf of CONTRACTOR under this Contract infringe upon intellectual or other proprietary rights of a third party, and CONTRACTOR shall pay any damages, costs, settlement amounts, and fees (including attorneys' fees) that may be incurred by COUNTY in connection with any such claims.

C. This Section 6 shall survive the expiration or termination of this Contract.

7. **COUNTY PROPERTY.** COUNTY's property, documents, data, and information (collectively, "COUNTY Property") provided for CONTRACTOR's use or otherwise made available to CONTRACTOR or to which CONTRACTOR or any of CONTRACTOR's employees, affiliates, or subcontractors has access in connection with the Services, shall remain COUNTY's property, and CONTRACTOR shall return and destroy all copies of any and all COUNTY Property at the direction of COUNTY. CONTRACTOR may use COUNTY Property only to the extent necessary to provide the Services. CONTRACTOR shall not disseminate or disclose any COUNTY Property, without COUNTY's prior written consent in each instance. All non-public, confidential or proprietary information of COUNTY (collectively, "Confidential Information") disclosed, or made available to, or otherwise accessed by or on behalf of CONTRACTOR, whether disclosed orally or disclosed or accessed in written, electronic or other form or media, and whether or not marked, designated or otherwise identified as "confidential," in connection with the provision of the Services and this CONTRACT is confidential, and shall not be disclosed or copied by CONTRACTOR without the prior written consent of COUNTY in each instance. Confidential Information does not include information that is in the public domain or rightfully obtained by CONTRACTOR on a non-confidential basis from a third party. CONTRACTOR may use Confidential Information only to the extent necessary to provide the Services. This Section 7 shall survive the expiration or termination of this Contract.

8. **RECORDS, AUDIT, AND REVIEW.** CONTRACTOR must keep such business records pursuant to this Contract as would be kept by a reasonably prudent practitioner of CONTRACTOR's profession, and will maintain those records for at least four (4) years following the termination of this Contract. All accounting records must be kept in accordance with generally accepted accounting practices. COUNTY will have the right to audit and review all such documents and records at any time during CONTRACTOR's regular business hours or upon reasonable notice. In addition, if this Contract exceeds ten thousand dollars ($10,000.00), CONTRACTOR shall be subject to the examination and audit of the California State Auditor, at the request of the COUNTY or as part of any audit of the COUNTY, for a period of three (3) years after final payment under the Contract (Cal. Govt. Code Section 8546.7). CONTRACTOR shall participate in any audits and reviews, whether by COUNTY or the State, at no charge to COUNTY.

9. **INSURANCE AND INDEMNIFICATION.** CONTRACTOR agrees to and shall at all times during the term of the Contract fully comply with the Indemnification and Insurance Requirements attached to the Purchase Order and incorporated herein by reference ("Indemnification and Insurance Requirements"). The indemnification provisions set forth in the Indemnification and Insurance Requirements shall survive the expiration or termination of the Contract.

10. **NONDISCRIMINATION.** The County's Unlawful Discrimination Ordinance (Article XIII of Chapter 2 of the Santa Barbara County Code) applies to this Contract and is incorporated into the Contract by this reference with the same force and effect as if the ordinance were specifically set out herein, and CONTRACTOR agrees to comply with such ordinance.

11. **NONEXCLUSIVE AGREEMENT.** CONTRACTOR understands that this is not an exclusive Contract, and that COUNTY has the right to negotiate with and enter into contracts with others providing the same or similar services as those CONTRACTOR provides.

12. **NON-ASSIGNMENT; PERMITTED SUBCONTRACTOR(S).** CONTRACTOR shall not assign, delegate, subcontract, or otherwise transfer, by operation of law or otherwise, this Contract or any of CONTRACTOR's rights or obligations under this Contract without COUNTY's prior written consent in each instance, and any attempt to so assign or so transfer without such consent shall be void and without legal effect and shall constitute grounds for immediate termination of this Contract by COUNTY. CONTRACTOR shall not enter into agreements with or otherwise engage any person or entity, including all subcontractors and affiliates of CONTRACTOR, other than CONTRACTOR's employees, to provide any Services to Customer without the prior written consent of COUNTY in each instance (each such approved subcontractor or other third party, a "Permitted Subcontractor"). COUNTY's consent with respect to a Permitted Subcontractor shall not relieve CONTRACTOR of any of its obligations under the CONTRACT, and CONTRACTOR shall remain fully responsible for the performance of each such Permitted Subcontractor and its employees and for their compliance with all of the terms and conditions of this Contract as if they were CONTRACTOR's own employees. CONTRACTOR shall ensure that all persons, whether employees, agents, subcontractors, or anyone acting for or on behalf of CONTRACTOR, are properly licensed, certified and accredited as required by applicable law and are suitably skilled, experienced and qualified to perform the Services. CONTRACTOR shall require each Permitted Subcontractor to be bound in writing by the confidentiality and intellectual property assignment and license provisions of these Terms and Conditions. Nothing contained in this Contract shall create any contractual relationship between COUNTY and any subcontractor or supplier of CONTRACTOR.

13. **TERMINATION.**

A. By COUNTY. COUNTY may, by written notice to CONTRACTOR, terminate this Contract in whole or in part at any time, whether for COUNTY's convenience, for non-appropriation of funds, or because of the failure of CONTRACTOR to fulfill the obligations herein.

1. **For Convenience**. COUNTY may terminate this Contract in whole or in part upon thirty (30) days' written notice. During such thirty (30) day period, CONTRACTOR shall, as directed by COUNTY, wind down and cease the performance of Services as quickly and efficiently as reasonably possible, without performing unnecessary Services or activities and by minimizing negative effects on COUNTY from such winding down and cessation of Services.

2. **For Non-appropriation of Funds**. Notwithstanding any other provision of this Contract, in the event that no funds or insufficient funds are appropriated or budgeted by federal, state or COUNTY governments, or funds are not otherwise available for payments in the fiscal year(s) covered by the term of this Contract, then COUNTY will notify CONTRACTOR of such occurrence and COUNTY may terminate or suspend this Contract in whole or in part, with or without a prior notice period. Subsequent to termination of this Contract under this provision, COUNTY shall have no obligation to make payments with regard to the remainder of the term of the Contract.
3. **For Cause**. Should CONTRACTOR default in the performance of this Contract or materially breach any of its provisions, COUNTY may, at COUNTY's sole option, terminate or suspend this Contract in whole or in part immediately upon written notice to CONTRACTOR. Upon receipt of such termination or suspension notice, CONTRACTOR shall immediately discontinue all Services (unless such notice directs otherwise) and notify COUNTY as to the status of its CONTRACTOR's performance of

CONTRACTOR's obligations under this Contract. The date of termination shall be the date such notice is received by CONTRACTOR, unless such notice directs otherwise.

B. By CONTRACTOR. Should COUNTY fail to pay CONTRACTOR all or any part of the payment set forth in the Description of Services, CONTRACTOR may, at CONTRACTOR's option terminate this Contract if such failure is not remedied by COUNTY within thirty (30) days of written notice to COUNTY of such late payment.

C. Upon termination, CONTRACTOR shall deliver to COUNTY all COUNTY Property and all Deliverables, whether completed or in process, except such items as COUNTY may, by written permission, permit CONTRACTOR to retain. Notwithstanding any other payment provision of this Contract, COUNTY shall pay CONTRACTOR for satisfactory Services performed prior to the date of such termination in a prorated amount of the compensation due hereunder, less payments, if any, previously made by COUNTY to CONTRACTOR. In no event shall CONTRACTOR be paid an amount in excess of the full price under this Contract, nor for profit on unperformed portions of Services. CONTRACTOR shall furnish to COUNTY such financial information as in the judgment of COUNTY is necessary to determine the reasonable value of the Services rendered by CONTRACTOR. In the event of a dispute as to the reasonable value of the Services rendered by CONTRACTOR, the decision of COUNTY shall be final. The foregoing is cumulative and shall not affect any right or remedy which COUNTY may have in law or equity.

14. **NOTICE.** *From CONTRACTOR:* CONTRACTOR must send or deliver any required notice to the Designee at the addresses specified for COUNTY set forth in the Purchase Order. *From COUNTY:* Designee must send or deliver any required notice to CONTRACTOR at the address set forth in the first paragraph of these Terms and Conditions, above. Notices sent under this section shall be given to their respective parties in writing, by personal delivery, email, or facsimile, or with postage mailed by US Postal Service first-class, receipt of which is unacknowledged, shall be deemed effective three days from date of mailing. Other notices shall be deemed effective upon delivery by hand, proof of delivery by nationally recognized overnight carrier, or written acknowledgement of receipt, whichever is earlier.

15. **ENTIRE AGREEMENT AND AMENDMENT.** This Contract contains the entire understanding and agreement of the Parties with respect to the subject matter hereof and supersedes all prior or contemporaneous understandings, agreements, negotiations, representations and warranties, and communications, both written and oral, and there have been no promises, representations, agreements, warranties or undertakings by any of the Parties, either oral or written, of any character or nature hereafter binding except as set forth herein. This Contract may be altered, amended or modified only by an instrument in writing (duly executed by Designee and/or COUNTY's Chief Procurement Officer or designee) and by no other means. Each Party waives their future right to claim, contest or assert that this Contract was modified, canceled, superseded, or changed by any oral agreements, course of conduct, waiver or estoppel. This Contract expressly conditions CONTRACTOR's acceptance on CONTRACTOR's agreement to these Terms and Conditions. These Terms and Conditions shall control and prevail over any terms and conditions contained in any other documentation, and expressly exclude all of CONTRACTOR's general terms and conditions, if any, and any other document issued by CONTRACTOR in connection with the Contract unless such document is duly executed by COUNTY.

16. **COMPLIANCE WITH LAW.** CONTRACTOR shall, at its sole cost and expense, comply with all applicable County, State, and Federal statutes, ordinances, and regulations in effect during the Term of this Contract. The judgment of any court of competent jurisdiction, or the admission of CONTRACTOR in any action or proceeding against CONTRACTOR, whether COUNTY is a party thereto or not, that CONTRACTOR has violated any such ordinance or statute, shall be conclusive of that fact as between CONTRACTOR and COUNTY. Before the date on which the Services are to start, CONTRACTOR shall obtain and, at all times during the term of this Contract, maintain, all necessary licenses, permits, and consents applicable to the provision of the Services. CONTRACTOR shall comply with all rules, regulations and policies of COUNTY, including security procedures concerning systems and data and remote access thereto, building security procedures, including, but not limited to, the restriction of access by CONTRACTOR to certain areas of COUNTY premises or systems for security reasons, and general health and safety practices and procedures.

17. **CALIFORNIA LAW.** This Contract is governed by the laws of the State of California. Any litigation regarding this Contract or its contents must be filed in the County of Santa Barbara, if in state court, or in the federal district court nearest to Santa Barbara County, if in federal court.

18. **ORDER OF PRECEDENCE.** Any ambiguity, conflict, or inconsistency between the documents comprising this Contract shall be resolved according to the following order of precedence: (1) the Indemnification and Insurance Requirements; (2) these Terms and Conditions; (3) the Purchase Order; (4) the Description of Services, (5) any other Contract Documents comprising the Contract (a) as attachments to the Purchase Order, or (b) duly executed by both of the Parties after CONTRACTOR's acceptance of the Purchase Order.

19. **DEBARMENT AND SUSPENSION.** CONTRACTOR certifies to COUNTY that none of CONTRACOR and CONTRACTOR's employees and principals are debarred, suspended, or otherwise excluded from or ineligible for, participation in federal, state, or county government contracts. CONTRACTOR shall not contract with any subcontractor that is so debarred or suspended.

20. **NO PUBLICITY OR ENDORSEMENT.** CONTRACTOR shall not use COUNTY's name or logo or any variation of such name or logo in any publicity, advertising or promotional materials. CONTRACTOR shall not use COUNTY's name or logo in any manner that would give the appearance that COUNTY is endorsing CONTRACTOR. CONTRACTOR shall not in any way contract on behalf of or in the name of COUNTY. CONTRACTOR shall not release any informational pamphlets, notices, press releases, research reports, or similar public notices or statements regarding COUNTY or its projects, without the prior written consent of COUNTY in each instance.

21. **SEVERABILITY.** If any one or more of the provisions contained herein shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such provision or provisions shall be deemed severable from the remaining provisions hereof, and such invalidity, illegality or unenforceability shall not affect any other provision hereof, and this Contract shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

22. **REMEDIES NOT EXCLUSIVE.** No remedy herein conferred upon or reserved to COUNTY is intended to be exclusive of any other remedy or remedies, and each and every such remedy, to the extent permitted by law, shall be cumulative and in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or otherwise.

23. **SURVIVAL.** All provisions of this Contract which by their nature are intended to survive the termination or expiration of this Contract shall survive such termination or expiration.

24. **NO WAIVER.** No delay or omission of COUNTY to exercise any right or power arising upon the occurrence of any event of default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Contract to COUNTY shall be exercised from time to time and as often as may be deemed expedient in the sole discretion of COUNTY.

25. **SUCCESSORS AND ASSIGNS.** These Terms and Conditions shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns in accordance with these Terms and Conditions.

26. **EXECUTION IN COUNTERPARTS; AUTHORITY.** The Contract and these Terms and Conditions may be executed in counterparts and each shall be deemed an original, and all shall constitute the same instrument. Each of the Parties represents and warrants that such Party's respective signatories to the Contract have the power and authority to enter into this Contract in the capacities set forth in the Purchase Order, and such Party has fully complied with all formal requirements necessary for such Party to enter into this Contract and for this Contract to be legally binding on such Party. CONTRACTOR hereby certifies and warrants that entering into this Contract shall not cause CONTRACTOR to breach the terms or conditions of any other contract or agreement to which CONTRACTOR is a party or which is otherwise binding on CONTRACTOR.

EXHIBIT C

Indemnification and Insurance Requirements
(For Service Contracts Not Requiring Professional Liability Insurance)

INDEMNIFICATION

CONTRACTOR agrees to indemnify, defend (with counsel reasonably approved by COUNTY) and hold harmless COUNTY and its officers, officials, employees, agents and volunteers from and against any and all claims, actions, losses, damages, judgments and/or liabilities arising out of this Agreement from any cause whatsoever, including the acts, errors or omissions of any person or entity and for any costs or expenses (including but not limited to attorneys' fees) incurred by COUNTY on account of any claim except where such indemnification is prohibited by law. CONTRACTOR'S indemnification obligation applies to COUNTY'S active as well as passive negligence but does not apply to COUNTY'S sole negligence or willful misconduct.

NOTIFICATION OF ACCIDENTS AND SURVIVAL OF INDEMNIFICATION PROVISIONS

CONTRACTOR shall notify COUNTY immediately in the event of any accident or injury arising out of or in connection with this Agreement. The indemnification provisions in this Agreement shall survive any expiration or termination of this Agreement.

INSURANCE

CONTRACTOR shall procure and maintain for the duration of this Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder and the results of that work by the CONTRACTOR, its agents, representatives, employees or subcontractors.

A. Minimum Scope of Insurance
Coverage shall be at least as broad as:

1. **Commercial General Liability (CGL):** Insurance Services Office (ISO) Form CG 00 01 covering CGL on an "occurrence" basis, including products-completed operations, personal & advertising injury, with limits no less than $2,000,000 per occurrence and $4,000,000 in the aggregate.
2. **Automobile Liability**: Insurance Services Office Form Number CA 0001 covering, Code 1 (any auto), or if CONTRACTOR has no owned autos, Code 8 (hired) and 9 (non-owned), with limit no less than $1,000,000 per accident for bodily injury and property damage.
3. **Workers' Compensation**: Insurance as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than $1,000,000 per accident for bodily injury or disease. ***(Not required if CONTRACTOR provides written verification that it has no employees)***

If the CONTRACTOR maintains higher limits than the minimums shown above, the COUNTY requires and shall be entitled to coverage for the higher limits maintained by the CONTRACTOR. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the COUNTY.

B. Other Insurance Provisions

The insurance policies are to contain, or be endorsed to contain, the following provisions:

1. **Additional Insured** – COUNTY, its officers, officials, employees, agents and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the CONTRACTOR including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the CONTRACTOR'S insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; **and** CG 20 37 if a later edition is used).
2. **Primary Coverage** – For any claims related to this Agreement, the CONTRACTOR'S insurance coverage shall be primary insurance as respects the COUNTY, its officers, officials, employees, agents and volunteers. Any insurance or self-insurance maintained by the COUNTY, its officers, officials, employees, agents or volunteers shall be excess of the CONTRACTOR'S insurance and shall not contribute with it.
3. **Notice of Cancellation** – Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the COUNTY.
4. **Waiver of Subrogation Rights** – CONTRACTOR hereby grants to COUNTY a waiver of any right to subrogation which any insurer of said CONTRACTOR may acquire against the COUNTY by virtue of the payment of any loss under such insurance. CONTRACTOR agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this provision applies regardless of whether or not the COUNTY has received a waiver of subrogation endorsement from the insurer.
5. **Deductibles and Self-Insured Retention** – Any deductibles or self-insured retentions must be declared to and approved by the COUNTY. The COUNTY may require the CONTRACTOR to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.
6. **Acceptability of Insurers** – Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum A.M. Best's Insurance Guide rating of "A- VII".
7. **Verification of Coverage** – CONTRACTOR shall furnish the COUNTY with proof of insurance, original certificates and amendatory endorsements as required by this Agreement. The proof of insurance, certificates and endorsements are to be received and approved by the COUNTY before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the CONTRACTOR'S obligation to provide them. The CONTRACTOR shall furnish evidence of renewal of coverage throughout the term of the Agreement. The COUNTY reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.
8. **Failure to Procure Coverage** – In the event that any policy of insurance required under this Agreement does not comply with the requirements, is not procured, or is canceled and not replaced, COUNTY has the right but not the obligation or duty to terminate the Agreement. Maintenance of required insurance coverage is a material element of the Agreement and failure to maintain or renew such coverage or to

provide evidence of renewal may be treated by COUNTY as a material breach of contract.

9. **Subcontractors** – CONTRACTOR shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and CONTRACTOR shall ensure that COUNTY is an additional insured on insurance required from subcontractors.

10. **Special Risks or Circumstances** – COUNTY reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement. CONTRACTOR agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of COUNTY to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of COUNTY.

Current Status: Passed
Matter Type: BoS Agreement

a. Approve and authorize the Director of Health Services or designee to execute a non-standard Amendment No. 1 with Steris Corporation for the purchase of preventative maintenance for existing laboratory equipment LAB 110/250 VAC/Grav BC SD Electric, extending the term an additional year, effective January 1, 2021, through June 30, 2024, and increase the contract amount for a total amount of $58,111; and
b. Approve and authorize the Director of Health Services or designee to sign up to three future amendments where the combined amendments do not exceed 10% ($5,812) of the original amount and does not significantly change the scope of work, total not to exceed a maximum of $63,923.

RECOMMENDATION:
It is recommended that the County of Monterey Board of Supervisors:

a. Approve and authorize the Director of Health Services or designee to execute a non-standard Amendment No. 1 with Steris Corporation for the purchase of preventative maintenance for existing laboratory equipment LAB 110/250 VAC/Grav BC SD Electric, extending the term an additional year, effective January 1, 2021, through June 30, 2024, and increase the contract amount for a total amount of $58,111; and
b. Approve and authorize the Director of Health Services or designee to sign up to three future amendments where the combined amendments do not exceed 10% ($5,812) of the original amount and does not significantly change the scope of work, total not to exceed a maximum of $63,923.

SUMMARY DISCUSSION:
The Health Department's Public Health Laboratory (PHL) is responsible for providing testing services to identify microorganisms that cause disease including bacteria, fungi, viruses, and parasites. The PHL is a Laboratory Response Network (LRN) and California SARS-CoV-2 Whole Genome Sequencing Initiative called COVIDNet. The PHL provides testing with associated whole genome sequencing for communicable disease surveillance purposes, surge events and other public health emergencies. The PHL also serves as a reference laboratory for local hospitals and health care agencies, particularly with respect to identifying *Mycobacterium*, *Coccidioides*, and *Legionella* species.

The PHL seeks approval to amend an agreement with Steris Corporation for preventative maintenance services of laboratory equipment. Properly functioning instruments are critical to keep laboratory personnel and the public safe from biological hazards, lengthen the life of equipment, reduce contamination, and ensure accurate laboratory results.

This work supports the Monterey County Health Department 2018-2024 Strategic Plan Goals, specifically: 2. Enhance public health and safety through prevention; and 3. Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports three of the ten essential public health services, specifically: 1. Assess and monitor population health status, factors that influence health, and community needs and assets; 2. Investigate, diagnose, and address health problems and hazards affecting the population; and 9. Improve and innovate public health functions through ongoing evaluation, research, and continuous quality improvement.

OTHER AGENCY INVOLVEMENT:
The Office of the County Counsel has reviewed and approved this Amendment as to legal form. Auditor-Controller has reviewed and approved this Amendment as to fiscal provisions.

FINANCING:
This agreement is funded 77% with Public Health Lab fee revenue and 23% Health Realignment. There are sufficient appropriations for this agreement in the Health Department Public Health Bureau's FY 2023-24 Adopted Budget 001-4000-HEA003.

AMENDMENT No. 1 TO AGREEMENT BY AND BETWEEN COUNTY OF MONTEREY and Steris Corporation

THIS AMENDMENT No. 1 is made to the AGREEMENT, No. A-15384 by and between **Steris Corporation,** hereinafter "CONTRACTOR", and the County of Monterey, a political subdivision of the State of California, hereinafter referred to as "County".

WHEREAS, on June 30, 2021, the County and CONTRACTOR entered into Agreement in the amount of $51,515.28 for the term of January 1, 2021, through December 31, 2023, for the provision of laboratory equipment inspection and maintenance services; and

WHEREAS, the County and CONTRACTOR wish to amend the Agreement term for one additional year through June 30, 2024, to allow services to continue and increase funds by $6,595.12 for a new Agreement amount not to exceed $58,110.40 and replacing Exhibit A due to the extension of laboratory equipment inspection and maintenance services in the Scope of Work.

NOW THEREFORE, the County and CONTRACTOR hereby agree to amend the AGREEMENT in the following manner:

1. **Section 2.0 "PAYMENTS BY THE COUNTY**" shall be amended by removing "The total amount payable by County to CONTRACTOR under this Agreement shall not exceed the sum of $51,515.28." and replacing it with "The total amount payable by County to CONTRACTOR under this AGREEMENT shall not exceed $58,110.40."

2. **Section 3.0 "TERM OF AGREEMENT"** shall be amended by removing, "The term of this Agreement is from January 1, 2021, to December 31, 2023, unless sooner terminated pursuant to the terms of this Agreement. This Agreement is of no force or effect until signed by both CONTRACTOR and County with County signing last, and **CONTRACTOR may not commence work before County signs this Agreement."** and replacing it with "The term of this Agreement is January 1, 2021, to **June 30, 2024**, unless sooner terminated pursuant to the terms of this Agreement. This Agreement is of no force or effect until signed by both CONTRACTOR and County with County signing last, and **CONTRACTOR may not commence work before County signs this Agreement."**

3. **EXHIBIT A** – Scope of Services shall be amended for the extension of laboratory equipment inspection and maintenance services. Exhibit A is deleted and replaced in its entirety and attached hereto as EXHIBIT A-1. All references in the Agreement to EXHIBIT A shall be construed to refer to EXHIBIT A-1.

4. Except as provided herein, all remaining terms, conditions, and provisions of the AGREEMENT are unchanged and unaffected by this AMENDMENT and shall continue in full force and effect as set forth in the AGREEMENT.

DocuSign Envelope ID: EDD61466-64BA-4615-B0A0-0055A882AE0C

5. A copy of the AMENDMENT shall be attached to the original AGREEMENT executed by the County on June 30, 2021.

EXHIBIT A-1
SCOPE OF SERVICES/PAYMENT PROVISIONS

County of Monterey
And
Steris Corporation, Inc.

This Exhibit A shall be incorporated by reference as part of Agreement attached hereto governing work to be performed under the attached referenced Agreement, the nature of the working relationship between the **County of Monterey**, a political subdivision of the State of California (hereinafter referred to as "COUNTY") and **Steris Corporation**, (hereinafter referred to as CONTRACTOR) and specific obligations of the CONTRACTOR.

A. Scope of Services

CONTRACTOR will provide NIST (National Institute of Standards and Technology) traceable on-site calibration of process measuring equipment used in manufacturing and manufacturing-support environments. The calibration services do not include any repairs or maintenance service that is discovered during the course of the calibration services.

A.1 The services for equipment will be performed Monday through Friday, 8:00 A.M. to 5:00 P.M., local time, excluding federal holidays ("normal working hours"). Any service not performed during Normal Working Hours shall be billed at the then current applicable rate as set forth: Overtime Coverage Options: Overtime coverage, unless included as part of a Service Option and indicated on the Equipment List, will be charged at prevailing rates for any service performed outside Normal Working Hours.

The Equipment List indicates the frequency of the calibration services that is included in the Services as defined below:

Exclusions -The Services do not include the following:
(i) Equipment overhauls, welding, rebuilds, upgrades and/or relocations, door assemblies, light cameras, surgical monitors or recorders not purchased from STERIS, generators, water tanks, reservoirs, surgical table shrouds, SYSTEM 1e trays and monochrome display. For life sciences COUNTY, all pumps, transducers, or components with a sales price greater than $5,000.
(ii) Consumable and expendable items including, but not limited to, filters, cleaning agents, biological and chemical indicators, recording charts, paper, ink pens, ribbons, pen arms, surgical lamps, light handles, batteries, and all hydraulic oils.
(iii) Surgical table accessories, hand controls, arm boards, x-ray tops, table pads
(iv) Visits made at COUNTY's request to perform services on equipment which was not available or which could not be located;
(v) Services requested by COUNTY due to failure of defective accessory items;
(vi) Services or parts requested by anyone other than STERIS, unless authorized in writing by STERIS;
(vii) Parts, manuals and/or labor found necessary to bring equipment up to normal operating condition during the Pre-PM Inspection, provided that if COUNTY does not wish to bring the

DocuSign Envelope ID: EDD61466-64BA-4615-B0A0-0055A882AE0C

equipment up to normal operating condition, STERIS will delete the equipment from the equipment list;

(viii)Repairs resulting from operator error, misuse, abuse, improper operation or installation, defective accessories, being dropped, fire, loss, theft, utility failure, negligence by any party or other acts beyond the reasonable control of STERIS, or where STERIS determines that in fact no repair is actually required;

(ix) Parts or labor required for recall or safety-oriented modifications to non-STERIS equipment;

(x) Any repairs which are estimated by STERIS to cost in excess of 50% of the unit's current value (STERIS will provide COUNTY with a written estimate in such cases);

(xi) Services performed outside of normal working hours, unless work outside normal working hours is provided for in the equipment list; and

(xii) Service lines, shut off valves, disconnect switches or other components not a part of the equipment unless otherwise specified.

(xiii) Any parts for equipment that is not designated as parts inclusive on the equipment list; and

(xiv) Unless the 1st Year Preventive Maintenance Option listed on Attachment A is selected by the COUNTY, preventive maintenance during the warranty period for capital equipment is not covered by this Agreement and is available through a separate agreement with STERIS.

(xv) All oil changes in excess of the quantity of (2) for all V-PRO units with a standard maintenance agreement are billable events to be charged at then current parts and labor rates. Oil changes above the standard quantity of (2) may be included in the maintenance agreement for an additional fee.

(xvi) STERIS's obligation to provide the Services will be relieved during the term if access to parts are no longer available to support product or the product is obsolete from a parts and labor coverage level. COUNTY will be given the option to reduce the coverage to labor only for the remainder of the term.

A.2 Additions or Deletions of Equipment:

(a)Additions or deletions of equipment to or from the equipment list may be made, subject to both the inspection contemplated by Section 6(b) below and to the advance written agreement of both STERIS and COUNTY. Deletions may be made only where equipment has been taken out of service. If COUNTY elects to keep an item of equipment in service after STERIS has determined that the item can no longer be effectively or safely maintained, COUNTY will assume full responsibility for that decision and will defend and indemnify STERIS for any claims or liability arising from the condition or use of that item including any personal injuries to or death of any employees of COUNTY or STERIS.

(b) Prior to the addition of any equipment to the equipment list, an amendment would be done with mutually agreed upon terms, a Pre-PM inspection may be required to verify that the equipment is operating in accordance with the manufacturer's original equipment specifications (the "Pre-PM Inspection"). The Pre-PM Inspection will be at COUNTY's expense and included in the costs of the Amendment to the current Agreement.

(c)If ProConnect Remote Monitoring is included in this agreement, it will be enabled on any equipment added to the agreement that is capable of supporting this feature. Remote monitoring will be enabled as part of the next scheduled service visit, where applicable.

A.3 9. COUNTY's Responsibilities:

(a) Access to Equipment - COUNTY shall provide STERIS's personnel with free and safe access to the equipment on each date that service calls are made pursuant to this Agreement and shall assist STERIS's representative in any reasonable manner (including the provision of appropriate

DocuSign Envelope ID: EDD61466-64BA-4615-B0A0-0055A882AE0C

services such as electrical power, water, etc.) in said representative's performance of the Services. COUNTY will make all Equipment available for the Services as scheduled. STERIS will not be responsible for providing the services for equipment that is not made available. COUNTY shall be responsible for paying any and all fees or costs associated with security or other facility access requirements. STERIS shall only provide information that it deems reasonable and appropriate to secure access to the facility.

(b) INTENTIONALLY OMITTED

(c) Employee Training - COUNTY acknowledges that it is the responsibility of COUNTY for ensuring that all personnel permitted to operate the equipment will be adequately trained and supervised and that the equipment will be operated in compliance with the manufacturer's instructions and all applicable laws, rules, regulations and/or standards.

(d) INTENTIONALLY OMITTED

(e)Unauthorized Repair Personnel - COUNTY will permit only STERIS representatives, or any other party acting on behalf of STERIS, to make repairs or to replace parts of the Equipment.

(f) INTETIONALLY OMITTED

(g) Hazard Communication - COUNTY will provide STERIS with information as to all known hazards or hazardous materials which STERIS's personnel may encounter when working on Equipment and in the environments within which Equipment is located.

B. PAYMENT PROVISIONS

B.1 COMPENSATION/ PAYMENT

County shall pay an amount not to exceed **$58,110.40** for the performance of all things necessary for or incidental to the performance of work as set forth in the Scope of Work. CONTRACTOR'S compensation for services rendered shall be based on the following rates or in accordance with the following terms:

COUNTY OF MONTEREY STANDARD AGREEMENT

This **Agreement** is made by and between the County of Monterey, a political subdivision of the State of California (hereinafter "County") and:
Steris Corporation ,
(hereinafter "CONTRACTOR").

In consideration of the mutual covenants and conditions set forth in this Agreement, the parties agree as follows:

1.0 GENERAL DESCRIPTION:

The County hereby engages CONTRACTOR to perform, and CONTRACTOR hereby agrees to perform, the services described in **Exhibit A** in conformity with the terms of this Agreement. The goods and/or services are generally described as follows:

Provide:

Laboratory equipment inspection/maintenance.

2.0 PAYMENT PROVISIONS:

County shall pay the CONTRACTOR in accordance with the payment provisions set forth in **Exhibit A**, subject to the limitations set forth in this Agreement. The total amount payable by County to CONTRACTOR under this Agreement shall not exceed the sum of:$ 51,515.28

3.0 TERM OF AGREEMENT:

3.01 The term of this Agreement is from January1, 2021 **to** December 31,2023, unless sooner terminated pursuant to the terms of this Agreement. This Agreement is of no force or effect until signed by both CONTRACTOR and County and with County signing last, and **CONTRACTOR may not commence work before County signs this Agreement.**

3.02 The County reserves the right to cancel this Agreement, or any extension of this Agreement, without cause, with a thirty day (30) written notice, or with cause immediately.

4.0 SCOPE OF SERVICES AND ADDITIONAL PROVISIONS:

The following attached exhibits are incorporated herein by reference and constitute a part of this Agreement:

Exhibit A Scope of Services/Payment Provisions
Exhibit B Other: Addendum No. 1
Exhibit C : Vendor Service Coverage

DocuSign Envelope ID: 537CD1BE-8373-49D8-966D-B97034499DB9

5.0 PERFORMANCE STANDARDS:

5.01 CONTRACTOR warrants that CONTRACTOR and CONTRACTOR's agents, employees, and subcontractors performing services under this Agreement are specially trained, experienced, competent, and appropriately licensed to perform the work and deliver the services required under this Agreement and are not employees of the County, or immediate family of an employee of the County.

5.02 CONTRACTOR, its agents, employees, and subcontractors shall perform all work in a safe and skillful manner and in compliance with all applicable laws and regulations. All work performed under this Agreement that is required by law to be performed or supervised by licensed personnel shall be performed in accordance with such licensing requirements.

5.03 CONTRACTOR shall furnish, at its own expense, all materials, equipment, and personnel necessary to carry out the terms of this Agreement, except as otherwise specified in this Agreement. CONTRACTOR shall not use County premises, property (including equipment, instruments, or supplies) or personnel for any purpose other than in the performance of its obligations under this Agreement.

6.0 PAYMENT CONDITIONS:

6.01 Prices shall remain firm for the initial term of the Agreement and, thereafter, may be adjusted annually as provided in this paragraph. The County does not guarantee any minimum or maximum amount of dollars to be spent under this Agreement.

6.02 Negotiations for rate changes shall be commenced, by CONTRACTOR, a minimum of ninety days (90) prior to the expiration of the Agreement. Rate changes are not binding unless mutually agreed upon in writing by the County and the CONTRACTOR.

6.03 Invoice amounts shall be billed directly to the ordering department.

6.04 CONTRACTOR shall submit such invoice periodically or at the completion of services, but in any event, not later than 30 days after completion of services. The invoice shall set forth the amounts claimed by CONTRACTOR for the previous period, together with an itemized basis for the amounts claimed, and such other information pertinent to the invoice. The County shall certify the invoice, either in the requested amount or in such other amount as the County approves in conformity with this Agreement and shall promptly submit such invoice to the County Auditor-Controller for payment. The County Auditor-Controller shall pay the amount certified within 30 days of receiving the certified invoice.

7.0 TERMINATION:

7.01 During the term of this Agreement, the County may terminate the Agreement for any reason by giving written notice of termination to the CONTRACTOR at least thirty (30) days prior to the effective date of termination. Such notice shall set forth the effective date of termination. In the event of such termination, the amount payable under this Agreement shall be reduced in proportion to the services provided prior to the date of termination.

DocuSign Envelope ID: 537CD1BE-8373-49D8-966D-B97034499DB9

7.02 The County may cancel and terminate this Agreement for good cause effective immediately upon written notice to CONTRACTOR. "Good cause" includes the failure of CONTRACTOR to perform the required services at the time and in the manner provided under this Agreement. If County terminates this Agreement for good cause, the County may be relieved of the payment of any consideration to CONTRACTOR, and the County may proceed with the work in any manner, which County deems proper. The cost to the County shall be deducted from any sum due the CONTRACTOR under this Agreement.

7.03 The County's payments to CONTRACTOR under this Agreement are funded by local, state and federal governments. If funds from local, state and federal sources are not obtained and continued at a level sufficient to allow for the County's purchase of the indicated quantity of services, then the County may give written notice of this fact to CONTRACTOR, and the obligations of the parties under this Agreement shall terminate immediately, or on such date thereafter, as the County may specify in its notice, unless in the meanwhile the parties enter into a written amendment modifying this Agreement.

8.0 INDEMNIFICATION:

CONTRACTOR shall indemnify, defend, and hold harmless the County, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with the CONTRACTOR's performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of the County. "CONTRACTOR's performance" includes CONTRACTOR's action or inaction and the action or inaction of CONTRACTOR's officers, employees, agents and subcontractors.

9.0 INSURANCE REQUIREMENTS:

DS

Contractor

DS

County

9.01 **Evidence of Coverage:** ~~Prior to commencement of this Agreement, the Contractor shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor upon request shall provide a certified copy of the policy or policies.~~

This verification of coverage shall be sent to the County's Contracts/Purchasing Department, unless otherwise directed. The Contractor shall not receive a "Notice to Proceed" with the work under this Agreement until it has obtained all insurance required and the County has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the Contractor.

9.02 **Qualifying Insurers:** All coverage's, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A- VII, according to

DocuSign Envelope ID: 537CD1BE-8373-49D8-966D-B97034499DB9

the current Best's Key Rating Guide or a company of equal financial stability that is approved by the County's Purchasing Manager.

9.03 **Insurance Coverage Requirements:** Without limiting CONTRACTOR's duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

Commercial General Liability Insurance: including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than $1,000,000 per occurrence.
(Note: any proposed modifications to these general liability insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Requestor must check the appropriate Automobile Insurance Threshold:
Requestor must check the appropriate box.

☑ **Agreement Under $100,000 Business Automobile Liability Insurance**: covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than $500,000 per occurrence.

☐ **Agreement Over $100,000 Business Automobile Liability Insurance**: covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than $1,000,000 per occurrence.

(Note: any proposed modifications to these auto insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Workers' Compensation Insurance: if CONTRACTOR employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's Liability limits not less than $1,000,000 each person, $1,000,000 each accident and $1,000,000 each disease.
(Note: any proposed modifications to these workers' compensation insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Professional Liability Insurance: if required for the professional services being provided, (e.g., those persons authorized by a license to engage in a business or profession regulated by the California Business and Professions Code), in the amount of not less than $1,000,000 per claim and $2,000,000 in the aggregate, to cover liability for malpractice or

DocuSign Envelope ID: 537CD1BE-8373-49D8-966D-B97034499DB9

errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three years following the expiration or earlier termination of this Agreement.

(Note: any proposed modifications to these insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

9.04 **Other Requirements:**

~~All insurance required by this Agreement shall be with a company acceptable to the County and issued and executed by an admitted insurer authorized to transact Insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date CONTRACTOR completes its performance of services under this Agreement.~~

~~Each liability policy shall provide that the County shall be given notice in writing at least thirty days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor and additional insureds with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.~~

DS
Contractor
DS
County

~~Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds~~ ~~with respect to liability arising out of the CONTRACTOR'S work, including ongoing and completed operations,~~ **~~and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the CONTRACTOR'S insurance.~~** ~~The required endorsement form for Commercial General Liability Additional Insured is ISO Form CG 20 10 11 85 or CG 20 10 10 01 in tandem with CG 20 37 10 01 (2000). The required endorsement form for Automobile Additional Insured endorsement is ISO Form CA 20 48 02 99.~~

~~Prior to the execution of this Agreement by the County, CONTRACTOR shall file certificates of insurance with the County's contract administrator and County's Contracts/Purchasing Division, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.~~

DocuSign Envelope ID: 537CD1BE-8373-49D8-966D-B97034499DB9

CONTRACTOR shall always during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this Agreement, which entitles County, at its sole discretion, to terminate this Agreement immediately.

10.0 RECORDS AND CONFIDENTIALITY:

10.1 **Confidentiality:** CONTRACTOR and its officers, employees, agents, and subcontractors shall comply with any and all federal, state, and local laws, which provide for the confidentiality of records and other information. CONTRACTOR shall not disclose any confidential records or other confidential information received from the County or prepared in connection with the performance of this Agreement, unless County specifically permits CONTRACTOR to disclose such records or information. CONTRACTOR shall promptly transmit to County any and all requests for disclosure of any such confidential records or information. CONTRACTOR shall not use any confidential information gained by CONTRACTOR in the performance of this Agreement except for the sole purpose of carrying out CONTRACTOR's obligations under this Agreement.

10.2 **County Records:** When this Agreement expires or terminates, CONTRACTOR shall return to County any County records which CONTRACTOR used or received from County to perform services under this Agreement.

10.3 **Maintenance of Records:** CONTRACTOR shall prepare, maintain, and preserve all reports and records that may be required by federal, state, and County rules and regulations related to services performed under this Agreement. CONTRACTOR shall maintain such records for a period of at least three years after receipt of final payment under this Agreement. If any litigation, claim, negotiation, audit exception, or other action relating to this Agreement is pending at the end of the three-year period, then CONTRACTOR shall retain said records until such action is resolved.

10.4 **Access to and Audit of Records:** The County shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the CONTRACTOR and its subcontractors related to services provided under this Agreement. Pursuant to Government Code section 8546.7, if this Agreement involves the expenditure of public funds in excess of $10,000, the parties to this Agreement may be subject, at the request of the County or as part of any audit of the County, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three years after final payment under the Agreement.

10.5 **Royalties and Inventions:** County shall have a royalty-free, exclusive and irrevocable license to reproduce, publish, and use, and authorize others to do so, all original computer programs, writings, sound recordings, pictorial reproductions, drawings, and other works of similar nature produced in the course of or under this Agreement. CONTRACTOR shall not publish any such material without the prior written approval of County.

DocuSign Envelope ID: 537CD1BE-8373-49D8-966D-B97034499DB9

11.0 NON-DISCRIMINATION:

11.01 During the performance of this Agreement, CONTRACTOR, and its subcontractors, shall not unlawfully discriminate against any person because of race, religious creed, color, sex, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age (over 40), or sexual orientation, either in CONTRACTOR's employment practices or in the furnishing of services to recipients. CONTRACTOR shall ensure that the evaluation and treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. CONTRACTOR and any subcontractor shall, in the performance of this Agreement, fully comply with all federal, state, and local laws and regulations which prohibit discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be prohibited discrimination.

12.0 COMPLIANCE WITH TERMS OF STATE OR FEDERAL GRANTS:

If this Agreement has been or will be funded with monies received by the County pursuant to a contract with the state or federal government in which the County is the grantee, CONTRACTOR will comply with all the provisions of said contract, to the extent applicable to CONTRACTOR as a subgrantee under said contract, and said provisions shall be deemed a part of this Agreement, as though fully set forth herein. Upon request, County will deliver a copy of said contract to CONTRACTOR, at no cost to CONTRACTOR.

13.0 INDEPENDENT CONTRACTOR:

In the performance of work, duties, and obligations under this Agreement, CONTRACTOR is always acting and performing as an independent contractor and not as an employee of the County. No offer or obligation of permanent employment with the County or County department or agency is intended in any manner, and CONTRACTOR shall not become entitled by virtue of this Agreement to receive from County any form of employee benefits including but not limited to sick leave, vacation, retirement benefits, workers' compensation coverage, insurance or disability benefits. CONTRACTOR shall be solely liable for and obligated to pay directly all applicable taxes, including federal and state income taxes and social security, arising out of CONTRACTOR's performance of this Agreement. In connection therewith, CONTRACTOR shall defend, indemnify, and hold County harmless from any and all liability which County may incur because of CONTRACTOR's failure to pay such taxes.

15.0 MISCELLANEOUS PROVISIONS.

15.01 **Conflict of Interest:** CONTRACTOR represents that it presently has no interest and agrees not to acquire any interest during the term of this Agreement, which would directly, or indirectly conflict in any manner or to any degree with the full and complete performance of the services required to be rendered under this Agreement.

15.02 **Amendment:** This Agreement may be amended or modified only by an instrument in writing signed by the County and the CONTRACTOR.

15.03 **Waiver:** Any waiver of any terms and conditions of this Agreement must be in writing and signed by the County and the CONTRACTOR. A waiver of any of the terms and conditions of this Agreement shall not be construed as a waiver of any other terms or conditions in this Agreement.

15.04 **Contractor:** The term "CONTRACTOR" as used in this Agreement includes CONTRACTOR's officers, agents, and employees acting on CONTRACTOR's behalf in the performance of this Agreement.

15.05 **Disputes:** CONTRACTOR shall continue to perform under this Agreement during any dispute.

15.06 **Assignment and Subcontracting:** The CONTRACTOR shall not assign, sell, or otherwise transfer its interest or obligations in this Agreement without the prior written consent of the County. None of the services covered by this Agreement shall be subcontracted without the prior written approval of the County. Notwithstanding any such subcontract, CONTRACTOR shall continue to be liable for the performance of all requirements of this Agreement.

DocuSign Envelope ID: 537CD1BE-8373-49D8-966D-B97034499DB9

15.07 **Successors and Assigns:** This Agreement and the rights, privileges, duties, and obligations of the County and CONTRACTOR under this Agreement, to the extent assignable or delegable, shall be binding upon and inure to the benefit of the parties and their respective successors, permitted assigns, and heirs.

15.08 **Compliance with Applicable Law:** The parties shall comply with all applicable federal, state, and local laws and regulations in performing this Agreement.

15.09 **Headings:** The headings are for convenience only and shall not be used to interpret the terms of this Agreement.

15.10 **Time is of the Essence:** Time is of the essence in each and all of the provisions of this Agreement.

15.11 **Governing Law:** This Agreement shall be governed by and interpreted under the laws of the State of California; venue shall be Monterey County.

15.12 **Non-exclusive Agreement:** This Agreement is non-exclusive and both County and CONTRACTOR expressly reserve the right to contract with other entities for the same or similar services.

15.13 **Construction of Agreement:** The County and CONTRACTOR agree that each party has fully participated in the review and revision of this Agreement and that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Agreement or any amendment to this Agreement.

15.14 **Counterparts:** This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same Agreement.

15.15 **Authority:** Any individual executing this Agreement on behalf of the County or the CONTRACTOR represents and warrants hereby that he or she has the requisite authority to enter into this Agreement on behalf of such party and bind the party to the terms and conditions of this Agreement.

15.16 **Integration:** This Agreement, including the exhibits, represent the entire Agreement between the County and the CONTRACTOR with respect to the subject matter of this Agreement and shall supersede all prior negotiations, representations, or agreements, either written or oral, between the County and the CONTRACTOR as of the effective date of this Agreement, which is the date that the County signs the Agreement.

15.17 **Interpretation of Conflicting Provisions:** In the event of any conflict or inconsistency between the provisions of this Agreement and the Provisions of any exhibit or other attachment to this Agreement, the provisions of this Agreement shall prevail and control.

(xvi)STERIS's obligation to provide the Services will be relieved during the term if access to parts are no longer available to support product or the product is
obsolete from a Parts and Labor coverage level. Subscriber will be given the option to reduce the coverage to Labor Only for the remainder of the term.

C. Additions or Deletions of Equipment:
(a)Additions or deletions of Equipment to or from the Equipment List may be made, subject to both the inspection contemplated by Section 6(b) below and to the advance written agreement of both STERIS and Subscriber. Deletions may be made only where Equipment has been taken out of service. If Subscriber elects to keep an item of Equipment in service after STERIS has determined that the item can no longer be effectively or safely maintained, Subscriber will assume full responsibility for that decision and will defend and indemnify STERIS for any claims or liability arising from the condition or use of that item including any personal injuries to or death of any employees of Subscriber or STERIS.
(b) Prior to the addition of any equipment to the Equipment List, an Amendment would be done with mutually agreed upon terms, a Pre-PM inspection may be required to verify that the equipment is operating in accordance with the manufacturer's original equipment specifications (the "Pre-PM Inspection"). The Pre-PM Inspection will be at County's expense and included in the costs of the Amendment to the current Agreement.
(c)If ProConnect Remote Monitoring is included in this agreement, it will be enabled on any equipment added to the agreement that is capable of supporting this feature. Remote monitoring will be enabled as part of the next scheduled service visit, where applicable.

D. 9. Subscriber's Responsibilities:
(a) Access to Equipment - Subscriber shall provide STERIS's personnel with free and safe access to the Equipment on each date that service calls are made pursuant to this Agreement and shall assist STERIS's representative in any reasonable manner (including the provision of appropriate services such as electrical power, water, etc.) in said representative's performance of the Services. Subscriber will make all Equipment available for the Services as scheduled. STERIS will not be responsible for providing the Services for Equipment that is not made available. Subscriber shall be responsible for paying any and all fees or costs associated with security or other facility access

ADDENDUM NO. 1

TO AGREEMENT BY AND BETWEEN COUNTY OF MONTEREY AND STERIS

This Addendum No. 1 ("Addendum #1") amends, modifies, and supplements the County of Monterey Agreement by and between the COUNTY OF MONTEREY, a political subdivision of the State of California (hereinafter "County") and STERIS CORPORATION (hereinafter "CONTRACTOR"). This Addendum No. 1 has the full force and effect as if set forth within the Agreement, and is incorporated by reference and made a part of the Agreement. Notwithstanding the provision of Section 15.17 of the Agreement, to the extent that any of the terms or conditions contained in this Addendum No. 1 may contradict or conflict with any of the terms and conditions of the Agreement, it is expressly understood and agreed that the terms and conditions of this Addendum No. 1 shall take precedence and supersede the Agreement.

NOW, THEREFORE, County and CONTRACTOR agree that the Agreement terms and conditions shall be amended, modified, and supplemented as follows:

1. **Replacing Section 9.01 Evidence of Coverage**

Prior to commencement of this Agreement, the Contractor shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. The certificate shall include additional insured endorsements of CG2010 0704, CG2037 0704 and 87950 0914.

2. **Replacing Other Requirements 9.04**

All insurance required by this Agreement shall be with a company acceptable to the County and issued and executed by an admitted insurer or an approved surplus lines insurer authorized to transact Insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date CONTRACTOR completes its performance of services under this Agreement.

General Liability, Auto Liability and Workers' Compensation policy shall provide that the County shall be given notice in writing at least thirty days in advance of cancellation. Each policy shall provide coverage for Contractor and additional insureds with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the CONTRACTOR's work, including ongoing and completed operations, per blanket CG2010 0704 and CG2037 0704

DocuSign Envelope ID: 537CD1BE-8373-49D8-966D-B97034499DB9

endorsements **and shall further provide that such insurance is primary insurance to any insurance or self-insured maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the CONTRACTOR's insurance.** The required endorsement from for Automobile Additional Insured endorsement is 87950 0914.

Prior to the execution of this Agreement by the County, CONTRACTOR shall file certificates of insurance with the County's contract administrator and County's Contracts/Purchasing Division, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any substantial change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

IN WITNESS WHEREOF, the parties hereto have executed this Addendum No. 1, by the authority as follows:

Matter Type: BoS Agreement

a. Authorize the Director of Health Services or designee to execute the Student Placement Agreement ("Agreement") with the Center for Employment Training ("CET") for the placement of nursing students within the Health Department to complete internship/externship assignments as part of their respective field of education and service-learning requirements, for a term of January 9, 2024, to June 30, 2028; and
b. Approve the recommendation of the Director of Health Services or designee to accept nonstandard indemnification provisions in the Agreement.

RECOMMENDATION:

It is recommended that the Board of Supervisors:
a. Authorize the Director of Health Services or designee to execute the Student Placement Agreement ("Agreement") with the Center for Employment Training ("CET") for the placement of nursing students within the Health Department to complete internship/externship assignments as part of their respective field of education and service-learning requirements, for a term of January 9, 2024, to June 30, 2028; and
b. Approve the recommendation of the Director of Health Services or designee to accept nonstandard indemnification provisions in the Agreement.

SUMMARY DISCUSSION:

The Health Department's Clinic Services Bureau (Health Department) operates ten community clinic sites designated as Federally Qualified Health Center (FQHC), which provide preventive, primary, and specialty medical care services. The Health Department has the ability to provide a learning environment in the clinic for students who require practical field experience education, while also increasing potential to attract future job candidates to the Health Department workforce.

This Agreement with Center for Employment Training (CET) is based on the Board-approved Student Placement Agreement template that was approved by the Board on May 4, 2021, and provides the County of Monterey with standards of policy, procedures, and best practices for student placement. Although the Health Department is requesting modifications to the institution's indemnification provisions to this Agreement, it continues to be the goal of the Health Department to use the template pre-approved by the Monterey County Board of Supervisors for each participating university and/or college to help streamline administrative processing and reduce timeline for execution.

While this work is not directly in support of a Health Department strategic initiative, it is in support of

one or more of the ten essential public health services, specifically: 4. Mobilize community partnerships and action to identify and solve health problems; and 8. Assure competent public and personal health care workforce.

OTHER AGENCY INVOLVEMENT:
The Office of County Counsel has reviewed the Agreement as to form. Risk Management has reviewed as to risk provisions.

FINANCING:
There are no fiscal provisions included in this Agreement.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
Check the related Board of Supervisors Strategic Initiatives:

☐ Economic Development:
- Through collaboration, strengthen economic development to ensure a diversified and healthy economy.

☐ Administration:
- Promote an organization that practices efficient and effective resource management and is recognized for responsiveness, strong customer orientation, accountability, and transparency.

☒ Health & Human Services:
- Improve health and quality of life through County supported policies, programs, and services; promoting access to equitable opportunities for healthy choices and healthy environments in collaboration with communities.

☐ Infrastructure:
- Plan and develop a sustainable, physical infrastructure that improves the quality of life for County residents and supports economic development results.

☐ Public Safety:
- Create a safe environment for people to achieve their potential, leading businesses, and communities to thrive and grow by reducing violent crimes as well as crimes in general.

STUDENT PLACEMENT AGREEMENT
BETWEEN
THE COUNTY OF MONTEREY, BY AND THROUGH
THE COUNTY OF MONTEREY HEALTH DEPARTMENT,
AND
CENTER FOR EMPLOYMENT TRAINING

THIS AGREEMENT is made and entered into this **9th** day of **January, 2024** between **Center for Employment Training - Salinas** ("Institution") and the County of Monterey, on behalf of Monterey County Department of Health ("COUNTY").

A. Institution is committed to service in the community and applied learning experiences for students. This is accomplished both through field education and service-learning requirement. Field education and service learning involve the completion of internship or externship assignments in the local community that tie meaningful learning experiences directly to course content. Through reflective activities, service, and field seminars, students enhance their understanding of course content, sense of civic responsibility, self-awareness, professional development, and commitment to the community.

B. The mission of the COUNTY is to excel at providing quality services for the benefit of all Monterey County residents while developing, maintaining and enhancing the resources of the region.

C. COUNTY and Institution recognize the opportunity for meaningful learning experiences for Institution, COUNTY, and students. Institution supports the goals and objectives of the COUNTY program in which students will participate.

D. Health services provided and administered by the COUNTY are governed by but not limited to: Health Insurance Portability and Accountability Act of 1996, 45 C.F.R. Part 160 and Part 164 as amended by the Health Information Technology for Economic and Clinical Health Act and its implementing regulations; California Confidentiality of Medical Information Act, Ca. Civil Code §§ 56 et seq.; Lanterman-Petris-Short Act [Welfare and Institutions Code Section 5000 et seq.]; California Code of Regulations, Title 22, § 51009; Confidential Nature of Records; Welfare and Institutions Code section 14100.2 and 42 Code of Federal Regulations section 431.300 et.seq.

The parties agree as follows:

I. INSTITUTION'S RESPONSIBILITIES

A. Student Profile. Institution shall make available to COUNTY a field application student profile which shall include the student's name, address, telephone number, other pertinent information. The COUNTY shall review student applications and select students for internship with the COUNTY. Each student shall be responsible for submitting his or her

DocuSign Envelope ID: 75B366C9-0EBF-4826-A656-DA364B167E36

student profile before the Program training period begins. COUNTY shall regard this information as confidential and shall use the information only to identify each student.

B. Schedule of Assignments. Institution shall notify COUNTY designated staff of student assignment, including the name of the student, level of academic preparation, and length and dates of proposed experience. The maximum number of students shall be mutually agreed by the parties. The starting date and length of each Program training period shall be mutually agreed by the parties.

C. Program Coordinator. Institution shall designate a point of contact to coordinate with COUNTY's designee in planning the Program to be provided to students.

D. Records. Institution shall maintain all personnel records for its staff and all academic records for its students. COUNTY will ensure any records kept for student performance are sent to the Institution as proof of student accomplishments.

E. Student Qualifications: Institution shall provide appropriate health and safety training to all students on a regular basis, in accordance with prevailing Federal and State laws and regulations. Institution shall require that each student designated by Institution for clinical and/or practicum experience under this Agreement shall meet the minimum qualifications for a student in the designated Program. Additionally, Institution shall ensure that: (i) all students have documented training to meet OSHA Regulations on occupational Exposure to Blood-borne Pathogens prior to the beginning of the internship experience; and (ii) each student assigned to the COUNTY meet the COUNTY's requirements, see Exhibit A. Where Institution maintains any and all records of such testing, such records shall be made available to COUNTY upon request.

F. Health Insurance. Institution shall ensure each student has his or her own health insurance if not provided by the Institution.

G. Student Responsibilities. Institution shall notify students in the program that they are responsible for:

1) Complying with COUNTY's clinical and administrative policies, procedures, rules, and regulations, as outlined in Exhibit A of this Agreement.

2) Arranging for his/her own transportation and living arrangements.

3) Assuming responsibility for personal illnesses, necessary immunizations, tuberculin tests, annual health examinations and other requirements as identified by the COUNTY; refer to Exhibit A for COUNTY training requirements.

4) Maintaining the confidentiality of patient information.

a) No student shall have access to or have the right to receive any medical record, except when necessary in the regular course of the practicum

DocuSign Envelope ID: 75B366C9-0EBF-4826-A656-DA364B167E36

experience. The discussion, transmission, or narration in any form by students of any individually identifiable patient information, medical or otherwise, obtained in the course of the program is forbidden except as a necessary part of the practical experience.

b) Neither the Institution nor its employees or agents shall be granted access to individually identifiable information unless the patient has first given consent using a form approved by COUNTY that complies with applicable state and federal law as defined in Recital D of this Agreement and its implementing regulations.

c) COUNTY shall reasonably assist student in obtaining patient consent in appropriate circumstances when applicable. In the absence of consent, students shall use de-identified information only in any discussions about the clinical experience with Institution, its employees, or agents.

5) Complying with COUNTY's dress code and wearing name badges identifying themselves as Student Intern, if specified by COUNTY.

6) Students should be informed and aware of the hazards currently known to be associated with the novel coronavirus referred to as "COVID-19." Students acknowledge and agree to follow all current County health and safety requirements as may be required by local, state and/or federal laws, including the use of Personal Protective Equipment.

7) Insurance requirements. See Section V.

H. Field Experience Plan. Institution shall assist in establishing a plan/learning agreement for the field experience by mutual agreement between the COUNTY's representative and the Institution's Field Faculty representative and the student.

I. Field Conference. Institution may facilitate periodic conferences between appropriate representatives of the Field Faculty and COUNTY to evaluate the field experience program provided under this Agreement.

II. COUNTY RESPONSIBILITIES

A. Field Experience. At the COUNTY's discretion, COUNTY shall accept from Institution the student and shall provide the student with a supervised field experience.

B. COUNTY Designee. COUNTY shall designate a member of its staff to participate with Institution's designee in planning, implementing, and coordinating the Program. COUNTY shall notify the Institution in advance of any change in the COUNTY's personnel appointments that may affect the student field program.

DocuSign Envelope ID: 75B366C9-0EBF-4826-A656-DA364B167E36

C. Access to Facilities. COUNTY shall permit students enrolled in the Program access to COUNTY facilities as appropriate and necessary for their Program, provided that the students' presence shall not interfere with COUNTY's activities.

D. Records and Evaluations. COUNTY shall maintain complete records and reports on student's performance and provide an evaluation to Institution on forms the Institution shall provide.

E. Withdrawal of Students. COUNTY shall have the right to immediately terminate a student's placement/assignment if student who, in the judgment of the COUNTY, is not participating satisfactorily or refuses to follow the COUNTY's administrative policies, procedures, rules and regulations, including but not limited to inappropriate behavior, dress and/or hygiene, and non-compliance with the use of Personal Protective Equipment, as may be required by health and safety protocols. COUNTY shall immediately notify the student and the Institution by telephone or in person. The student and representative(s) of the Institution may meet the COUNTY to determine whether the student will be reinstated in the internship assignment at the COUNTY, and if so, upon terms and conditions determined by COUNTY to be appropriate.

F. Emergency Health Care/First Aid. COUNTY shall, on any day when a student is receiving training at its facilities, ensure student has access to emergency health care or first aid for accidents occurring in its facilities at Institution and/or student expense.

G. COUNTY's Confidentiality Policies. As trainees, students shall be considered members of COUNTY's "workforce," as that term is defined by the HIPAA regulations at 45 C.F.R. § 160.103, and shall be subject to COUNTY's policies respecting confidentiality of medical information (as defined in Recital D). If Institution suspects a breach of any of these policies, Institution must notify the COUNTY Privacy Officer immediately. Notwithstanding any provision of this Agreement to the contrary, in the event of a breach of this Section, the County of Monterey shall have the right to seek direct damages from the Institution.

III. AFFIRMATIVE ACTION AND NON-DISCRIMINATION

The parties agree that all students receiving field education training pursuant to this Agreement shall be selected without discrimination on account of race, color, religion, national origin, ancestry, disability, marital status, gender, gender identity, sexual orientation, age or veteran status.

IV. STATUS OF STUDENTS

Institution represents that the students enrolled in the Program are in attendance for educational purposes, and such students are not considered employees of Institution or of the COUNTY for any purpose, including, but not limited to, payroll taxes, withholdings, compensation for services, welfare and pension benefits, or workers' compensation insurance. Students are considered members of COUNTY's "workforce" for purposes of Recital D compliance and COUNTY policies and procedures. If the student is a paid employee of the

DocuSign Envelope ID: 75B366C9-0EBF-4826-A656-DA364B167E36

COUNTY, the student will be covered under the COUNTY's insurance policies, including Workers' Compensation, to the extent available to other employees.

V. INSURANCE

The Institution and COUNTY mutually agree that each shall provide and maintain commercial general liability insurance acceptable to both parties in the minimum amounts of $1,000,000 per occurrence and $3,000,000 general aggregate. Each shall be responsible for providing the other with a Certificate of Insurance evidencing the required coverage prior to execution of this agreement.

The parties shall each further secure and maintain at all times during the term of this Agreement, at their respective sole expense, professional liability insurance covering themselves and their respective employees. Such coverage provided by the Institution and COUNTY may be afforded via commercial insurance, self-insurance, a captive, or some combination thereof at limits of at least $1,000,000 per claim or occurrence and $3,000,000 in the aggregate.

The Institution shall maintain or shall cause each student to maintain professional liability, public liability, and property damage insurance in the amount of $1,000,000 for any single occurrence and a minimum of $3,000,000 in the aggregate during the trainee's supervised field experience. The Institution shall furnish proof of such insurance coverage prior to execution of this agreement.

In addition, Institution shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

Business automobile liability insurance, covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than $1,000,000 per occurrence.

The Institution shall provide commercial general liability and automobile liability Endorsement(s) naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the Institution's work, including ongoing and completed operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the COUNTY and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the Institution's insurance.

Student Automobile liability insurance, students who drive to/from any clinical work location, must provide proof of valid California driver's license for in-state students or other valid state driver's license for out-of-state students and proof of insurance.

Workers' Compensation Insurance, if Institution employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's

DocuSign Envelope ID: 75B366C9-0EBF-4826-A656-DA364B167E36

Liability limits not less than $1,000,000 each person, $1,000,000 each accident and $1,000,000 each disease.

Except for ten (10) days' notice of non-payment, the Institution and the COUNTY will require thirty (30) days written notice if the policy is canceled, non-renewed, or coverage/limits that are reduced or materially altered.

VI. INDEMNIFICATION.

A. The Institution shall indemnify, defend, and hold harmless the County of Monterey (hereinafter "COUNTY"), its officers, agents, employees, or subcontractors from any claim, liability, loss, injury or damage arising out of, or in connection with, performance of this Agreement by Institution and/or its officers, agents, employees, students, or subcontractors, excepting only loss, injury or damage caused by the negligence or willful misconduct of the COUNTY and/or its officers, agents, employees and subcontractors. It is the intent of the parties to this Agreement to provide the broadest possible coverage for the COUNTY. The Institution shall reimburse the COUNTY for all costs, attorneys' fees, expenses, and liabilities incurred with respect to any litigation in which the Institution is obligated to indemnify, defend and hold harmless the COUNTY under this Agreement.

B. The County shall indemnify, defend, and hold harmless Center for Employment Training (hereinafter "Institution"), its officers, agents, employees, students, or subcontractors from any claim, liability, loss, injury, or damage arising out of, or in connection with, performance of this Agreement by County and/or its officers, agents, employees, or subcontractors, excepting only loss, injury or damage caused by the negligence or willful misconduct of the INSTITUTION and/or its officers, agents, employees, students, and subcontractors. It is the intent of the parties to this Agreement to provide the broadest possible coverage for the INSTITUTION. The COUNTY shall reimburse the INSTITUTION for all costs, attorneys' fees, expenses, and liabilities incurred with respect to any litigation in which the County is obligated to indemnify, defend and hold harmless the INSTITUTION under this Agreement.

VII. TERM AND TERMINATION

A. Term. This Agreement shall be effective as of the date first written above and shall remain in effect until **June 30, 2028.**

B. Renewal. This Agreement may be renewed by mutual agreement.

C. Termination. This Agreement may be terminated at any time by the written agreement or upon thirty (30) days' advance written notice by one party to the other.

VIII. GENERAL PROVISIONS

DocuSign Envelope ID: 75B366C9-0EBF-4826-A656-DA364B167E36

A. Amendments. In order to ensure compliance with HIPAA, the following provisions of this Agreement shall not be subject to amendment by any means during the term of this Agreement or any extensions: Section I, Paragraph G, subdivisions 4.a), 4.b), and 4.c); Section II, Paragraph G, to the extent it provides that students are members of COUNTY's "workforce" for purposes of HIPAA; Section II, Paragraph E; and Section IV. This Agreement may otherwise be amended at any time by mutual agreement of the parties without additional consideration, provided that before any amendment shall take effect, it shall be reduced to writing and signed by the parties.

B. Assignment. Neither party shall voluntarily or by operation of law, assign or otherwise transfer this Agreement without the other party's prior written consent. Any purported assignment in violation of this paragraph shall be void.

C. Attorney's Fees. In the event that any action is brought by either party to enforce or interpret the terms of this Agreement, each party shall bear its own attorney's fees and costs.

D. Captions. Captions and headings in this Agreement are solely for the convenience of the parties, are not a part of this Agreement, and shall not be used to interpret or determine the validity of this Agreement or any of its provisions.

E. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all such counterparts together shall constitute one and the same instrument.

F. Entire Agreement. This Agreement is the entire agreement between the parties. No other agreements, oral or written, have been entered into with respect to the subject matter of this Agreement.

G. Governing Law. The validity, interpretation, and performance of this Agreement shall be governed by and construed in accordance with the laws of the State of California.

H. Notices. Notices required under this Agreement shall be sent to the parties by certified or registered mail, return receipt requested, postage prepaid, at the addresses set forth below.

Current Status: Passed
Matter Type: BoS Agreement

a. Ratify the execution by the Director of Health Services, of Amendment No. 1 to the Agreement with Arbor Environmental, LLC., ("Arbor") for professional consulting services related to qualitative respirator fit testing, modifying the automobile insurance provisions, with no change to term October 10, 2022 to October 9, 2024 or Agreement amount of $32,500; and
b. Approve the recommendation of Director of Health Services to accept non-standard provisions related to automobile insurance in Amendment No. 1.

RECOMMENDATION:
It is recommended that the Board of Supervisors:
a. Ratify the execution by the Director of Health Services, of Amendment No. 1 to the Agreement with Arbor Environmental, LLC., ("Arbor") for professional consulting services related to qualitative respirator fit testing, modifying the automobile insurance provisions, with no change to term October 10, 2022 to October 9, 2024 or Agreement amount of $32,500; and
b. Approve the recommendation of Director of Health Services to accept non-standard provisions related to automobile insurance in Amendment No. 1.

SUMMARY/DISCUSSION:
The County of Monterey Health Department Clinic Services Bureau ("Clinic Services") operates ten community clinic sites designated as Federally Qualified Health Centers (FQHCs) which provide preventive, primary, and specialty medical care services.

On October 7, 2022, Clinic Services entered into an agreement with Arbor Environmental, LLC ("Arbor") for the term October 10, 2022 to October 9, 2024, in the amount of $32,500. The agreement provides professional consulting services related to qualitative respirator fit testing (fit testing).

California Title 22 and the Occupational Safety and Health Administration (OSHA) require all clinic staff complete fit testing annually. Fit testing was last conducted in December 2022 and Clinic Services staff are due to complete fit testing in December 2023 to maintain Title 22 and OSHA compliance.

Arbor has requested waiver of the automobile liability requirements for remainder of term of agreement. For the December 2023 fit testing, Arbor will send technicians to the County of Monterey via airplane and Uber/Lyft rides rather than using company or personal vehicles.

Approval of the Board of Supervisors was delayed due to negotiations of non-standard contract terms

and Clinic Services requested execution of the Amendment by the Director of Health Services, to avoid delayed fit testing which would jeopardize Clinic Services' Title 22 and OSHA compliance.

This work supports the Monterey County Health Department 2018-2024 Strategic Plan Initiatives: 4.) Engage MCHD workforce and improve operational functions to meet current and developing population health needs. It also supports one or more of the ten essential public health services, specifically: 6.) enforce laws and regulations that protect health and ensure public safety; and 8.) assure competent public and personal health care workforce.

OTHER AGENCY INVOLVMENT:
County Counsel has reviewed as to legal form. Auditor-Controller has reviewed as to fiscal provisions.

FINANCING:
Sufficient appropriations are available in the FY 2023-2024 Adopted Budget for Clinic Services Bureau, Health Department (4000-HEA007) and there is no financial impact to the General Fund resulting from approval of this Amendment No. 1.

COUNTY OF MONTEREY STANDARD AGREEMENT

This **Agreement** is made by and between the County of Monterey, a political subdivision of the State of California (hereinafter "County") and:

Arbor Environmental, LLC,

(hereinafter "CONTRACTOR").

In consideration of the mutual covenants and conditions set forth in this Agreement, the parties agree as follows:

1.0 GENERAL DESCRIPTION:

The County hereby engages CONTRACTOR to perform, and CONTRACTOR hereby agrees to perform, the services described in **Exhibit A** in conformity with the terms of this Agreement. The goods and/or services are generally described as follows:

Provide: Professional consulting services related to qualitative respirator fit testing.

2.0 PAYMENT PROVISIONS:

County shall pay the CONTRACTOR in accordance with the payment provisions set forth in **Exhibit A**, subject to the limitations set forth in this Agreement. The total amount payable by County to CONTRACTOR under this Agreement shall not exceed the sum of: $ 32,500

3.0 TERM OF AGREEMENT:

3.01 The term of this Agreement is from October 10, 2022 **to** October 9, 2024, unless sooner terminated pursuant to the terms of this Agreement. This Agreement is of no force or effect until signed by both CONTRACTOR and County and with County signing last, and **CONTRACTOR may not commence work before County signs this Agreement**.

3.02 The County reserves the right to cancel this Agreement, or any extension of this Agreement, without cause, with a thirty day (30) written notice, or with cause immediately.

4.0 SCOPE OF SERVICES AND ADDITIONAL PROVISIONS:

The following attached exhibits are incorporated herein by reference and constitute a part of this Agreement:

Exhibit A Scope of Services/Payment Provisions

Exhibit B Other:

DocuSign Envelope ID: 2BEA78D2-C269-4606-889D-9FD00732E725

5.0 PERFORMANCE STANDARDS:

5.01 CONTRACTOR warrants that CONTRACTOR and CONTRACTOR's agents, employees, and subcontractors performing services under this Agreement are specially trained, experienced, competent, and appropriately licensed to perform the work and deliver the services required under this Agreement and are not employees of the County, or immediate family of an employee of the County.

5.02 CONTRACTOR, its agents, employees, and subcontractors shall perform all work in a safe and skillful manner and in compliance with all applicable laws and regulations. All work performed under this Agreement that is required by law to be performed or supervised by licensed personnel shall be performed in accordance with such licensing requirements.

5.03 CONTRACTOR shall furnish, at its own expense, all materials, equipment, and personnel necessary to carry out the terms of this Agreement, except as otherwise specified in this Agreement. CONTRACTOR shall not use County premises, property (including equipment, instruments, or supplies) or personnel for any purpose other than in the performance of its obligations under this Agreement.

6.0 PAYMENT CONDITIONS:

6.01 Prices shall remain firm for the initial term of the Agreement and, thereafter, may be adjusted annually as provided in this paragraph. The County does not guarantee any minimum or maximum amount of dollars to be spent under this Agreement.

6.02 Negotiations for rate changes shall be commenced, by CONTRACTOR, a minimum of ninety days (90) prior to the expiration of the Agreement. Rate changes are not binding unless mutually agreed upon in writing by the County and the CONTRACTOR.

6.03 Invoice amounts shall be billed directly to the ordering department.

6.04 CONTRACTOR shall submit such invoice periodically or at the completion of services, but in any event, not later than 30 days after completion of services. The invoice shall set forth the amounts claimed by CONTRACTOR for the previous period, together with an itemized basis for the amounts claimed, and such other information pertinent to the invoice. The County shall certify the invoice, either in the requested amount or in such other amount as the County approves in conformity with this Agreement and shall promptly submit such invoice to the County Auditor-Controller for payment. The County Auditor-Controller shall pay the amount certified within 30 days of receiving the certified invoice.

7.0 TERMINATION:

7.01 During the term of this Agreement, the County may terminate the Agreement for any reason by giving written notice of termination to the CONTRACTOR at least thirty (30) days prior to the effective date of termination. Such notice shall set forth the effective date of termination. In the event of such termination, the amount payable under this Agreement shall be reduced in proportion to the services provided prior to the date of termination.

DocuSign Envelope ID: 2BEA78D2-C269-4606-889D-9FD00732E725

7.02 The County may cancel and terminate this Agreement for good cause effective immediately upon written notice to CONTRACTOR. "Good cause" includes the failure of CONTRACTOR to perform the required services at the time and in the manner provided under this Agreement. If County terminates this Agreement for good cause, the County may be relieved of the payment of any consideration to CONTRACTOR, and the County may proceed with the work in any manner, which County deems proper. The cost to the County shall be deducted from any sum due the CONTRACTOR under this Agreement.

7.03 The County's payments to CONTRACTOR under this Agreement are funded by local, state and federal governments. If funds from local, state and federal sources are not obtained and continued at a level sufficient to allow for the County's purchase of the indicated quantity of services, then the County may give written notice of this fact to CONTRACTOR, and the obligations of the parties under this Agreement shall terminate immediately, or on such date thereafter, as the County may specify in its notice, unless in the meanwhile the parties enter into a written amendment modifying this Agreement.

8.0 INDEMNIFICATION:

CONTRACTOR shall indemnify, defend, and hold harmless the County, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with the CONTRACTOR's performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of the County. "CONTRACTOR's performance" includes CONTRACTOR's action or inaction and the action or inaction of CONTRACTOR's officers, employees, agents and subcontractors.

9.0 INSURANCE REQUIREMENTS:

9.01 **Evidence of Coverage:** Prior to commencement of this Agreement, the Contractor shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor upon request shall provide a certified copy of the policy or policies.

This verification of coverage shall be sent to the County's Contracts/Purchasing Department, unless otherwise directed. The Contractor shall not receive a "Notice to Proceed" with the work under this Agreement until it has obtained all insurance required and the County has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the Contractor.

9.02 **Qualifying Insurers:** All coverage's, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A- VII, according to the current Best's Key Rating Guide or a company of equal financial stability that is approved by the County's Purchasing Manager.

☐ **Agreement Over $100,000 Business Automobile Liability Insurance**: covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit or Bodily Injury and Property Damage of not less than $1,000,000 per occurrence.

(Note: any proposed modifications to these auto insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Workers' Compensation Insurance: if CONTRACTOR employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's Liability limits not less than $1,000,000 each person, $1,000,000 each accident and $1,000,000 each disease.
(Note: any proposed modifications to these workers' compensation insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Professional Liability Insurance: if required for the professional services being provided, (e.g., those persons authorized by a license to engage in a business or profession regulated by the California Business and Professions Code), in the amount of not less than $1,000,000 per claim and $2,000,000 in the aggregate, to cover liability for malpractice or errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail

DocuSign Envelope ID: 2BEA78D2-C269-4606-889D-9FD00732E725

coverage shall continue for at least three years following the expiration or earlier termination of this Agreement.

(Note: any proposed modifications to these insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

9.04 Other Requirements:

All insurance required by this Agreement shall be with a company acceptable to the County and issued and executed by an admitted insurer authorized to transact Insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the County shall be given notice in writing at least thirty days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor and additional insureds with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the CONTRACTOR'S work, including ongoing and completed operations, **and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the CONTRACTOR'S insurance.** The required endorsement form for Commercial General Liability Additional Insured is ISO Form CG 20 10 11-85 or CG 20 10 10 01 in tandem with CG 20 37 10 01 (2000). The required endorsement form for Automobile Additional Insured endorsement is ISO Form CA 20 48 02 99.

Prior to the execution of this Agreement by the County, CONTRACTOR shall file certificates of insurance with the County's contract administrator and County's Contracts/Purchasing Division, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect. CONTRACTOR shall always during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of

DocuSign Envelope ID: 2BEA78D2-C269-4606-889D-9FD00732E725

this Agreement, which entitles County, at its sole discretion, to terminate this Agreement immediately.

10.0 RECORDS AND CONFIDENTIALITY:

10.1 **Confidentiality:** CONTRACTOR and its officers, employees, agents, and subcontractors shall comply with any and all federal, state, and local laws, which provide for the confidentiality of records and other information. CONTRACTOR shall not disclose any confidential records or other confidential information received from the County or prepared in connection with the performance of this Agreement, unless County specifically permits CONTRACTOR to disclose such records or information. CONTRACTOR shall promptly transmit to County any and all requests for disclosure of any such confidential records or information. CONTRACTOR shall not use any confidential information gained by CONTRACTOR in the performance of this Agreement except for the sole purpose of carrying out CONTRACTOR's obligations under this Agreement.

10.2 **County Records:** When this Agreement expires or terminates, CONTRACTOR shall return to County any County records which CONTRACTOR used or received from County to perform services under this Agreement.

10.3 **Maintenance of Records:** CONTRACTOR shall prepare, maintain, and preserve all reports and records that may be required by federal, state, and County rules and regulations related to services performed under this Agreement. CONTRACTOR shall maintain such records for a period of at least three years after receipt of final payment under this Agreement. If any litigation, claim, negotiation, audit exception, or other action relating to this Agreement is pending at the end of the three-year period, then CONTRACTOR shall retain said records until such action is resolved.

10.4 **Access to and Audit of Records:** The County shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the CONTRACTOR and its subcontractors related to services provided under this Agreement. Pursuant to Government Code section 8546.7, if this Agreement involves the expenditure of public funds in excess of $10,000, the parties to this Agreement may be subject, at the request of the County or as part of any audit of the County, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three years after final payment under the Agreement.

10.5 **Royalties and Inventions:** County shall have a royalty-free, exclusive and irrevocable license to reproduce, publish, and use, and authorize others to do so, all original computer programs, writings, sound recordings, pictorial reproductions, drawings, and other works of similar nature produced in the course of or under this Agreement. CONTRACTOR shall not publish any such material without the prior written approval of County.

11.0 NON-DISCRIMINATION:

11.1 During the performance of this Agreement, CONTRACTOR, and its subcontractors, shall not unlawfully discriminate against any person because of race, religious creed, color, sex, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age (over 40), sexual orientation, or any other characteristic set forth in California Government code § 12940(a), either in CONTRACTOR's employment practices or in the furnishing of services to recipients. CONTRACTOR shall ensure that the evaluation and

DocuSign Envelope ID: 2BEA78D2-C269-4606-889D-9FD00732E725

treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. CONTRACTOR and any subcontractor shall, in the performance of this Agreement, fully comply with all federal, state, and local laws and regulations which prohibit discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be prohibited discrimination.

12.0 COMPLIANCE WITH TERMS OF STATE OR FEDERAL GRANTS:

If this Agreement has been or will be funded with monies received by the County pursuant to a contract with the state or federal government in which the County is the grantee, CONTRACTOR will comply with all the provisions of said contract, to the extent applicable to CONTRACTOR as a subgrantee under said contract, and said provisions shall be deemed a part of this Agreement, as though fully set forth herein. Upon request, County will deliver a copy of said contract to CONTRACTOR, at no cost to CONTRACTOR.

13.0 COMPLIANCE WITH APPLICABLE LAWS:

13.1 CONTRACTOR shall keep itself informed of and in compliance with all federal, state, and local laws, ordinances, regulations, and orders, including but not limited to all state and federal tax laws that may affect in any manner the Project or the performance of the Services or those engaged to perform Services under this AGREEMENT as well as any privacy laws including, if applicable, HIPAA. CONTRACTOR shall procure all permits and licenses, pay all charges and fees, and give all notices require by law in the performance of the Services.

13.2 CONTRACTOR shall report immediately to County's Contracts/Purchasing Officer, in writing, any discrepancy or inconsistency it discovers in the laws, ordinances, regulations, orders, and/or guidelines in relation to the Project of the performance of the Services.

13.3 All documentation prepared by CONTRACTOR shall provide for a completed project that conforms to all applicable codes, rules, regulations, and guidelines that are in force at the time such documentation is prepared.

14.0 INDEPENDENT CONTRACTOR:

In the performance of work, duties, and obligations under this Agreement, CONTRACTOR is always acting and performing as an independent contractor and not as an employee of the County. No offer or obligation of permanent employment with the County or County department or agency is intended in any manner, and CONTRACTOR shall not become entitled by virtue of this Agreement to receive from County any form of employee benefits including but not limited to sick leave, vacation, retirement benefits, workers' compensation coverage, insurance or disability benefits. CONTRACTOR shall be solely liable for and obligated to pay directly all applicable taxes, including federal and state income taxes and social security, arising out of CONTRACTOR's performance of this Agreement. In connection therewith, CONTRACTOR shall defend, indemnify, and hold County harmless from any and all liability which County may incur because of CONTRACTOR's failure to pay such taxes.

16.0 MISCELLANEOUS PROVISIONS.

16.01 **Conflict of Interest:** CONTRACTOR represents that it presently has no interest and agrees not to acquire any interest during the term of this Agreement, which would directly, or indirectly conflict in any manner or to any degree with the full and complete performance of the services required to be rendered under this Agreement.

16.02 **Amendment:** This Agreement may be amended or modified only by an instrument in writing signed by the County and the CONTRACTOR.

16.03 **Waiver:** Any waiver of any terms and conditions of this Agreement must be in writing and signed by the County and the CONTRACTOR. A waiver of any of the terms and conditions of this Agreement shall not be construed as a waiver of any other terms or conditions in this Agreement.

16.04 **Contractor:** The term "CONTRACTOR" as used in this Agreement includes CONTRACTOR's officers, agents, and employees acting on CONTRACTOR's behalf in the performance of this Agreement.

16.05 **Disputes:** CONTRACTOR shall continue to perform under this Agreement during any dispute.

16.06 **Assignment and Subcontracting:** The CONTRACTOR shall not assign, sell, or otherwise transfer its interest or obligations in this Agreement without the prior written consent of the County. None of the services covered by this Agreement shall be subcontracted without the prior written approval of the County. Notwithstanding any such subcontract, CONTRACTOR shall continue to be liable for the performance of all requirements of this Agreement.

16.07 **Successors and Assigns:** This Agreement and the rights, privileges, duties, and obligations of the County and CONTRACTOR under this Agreement, to the extent assignable or delegable, shall be binding upon and inure to the benefit of the parties and their respective successors, permitted assigns, and heirs.

16.08 **Headings:** The headings are for convenience only and shall not be used to interpret the terms of this Agreement.

16.09 **Time is of the Essence:** Time is of the essence in each and all of the provisions of this Agreement.

16.10 **Governing Law:** This Agreement shall be governed by and interpreted under the laws of the State of California; venue shall be Monterey County.

16.11 **Non-exclusive Agreement:** This Agreement is non-exclusive and both County and CONTRACTOR expressly reserve the right to contract with other entities for the same or similar services.

16.12 **Construction of Agreement:** The County and CONTRACTOR agree that each party has fully participated in the review and revision of this Agreement and that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Agreement or any amendment to this Agreement.

16.13 **Counterparts:** This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same Agreement.

16.14 **Authority:** Any individual executing this Agreement on behalf of the County or the CONTRACTOR represents and warrants hereby that he or she has the requisite authority to enter into this Agreement on behalf of such party and bind the party to the terms and conditions of this Agreement.

16.15 **Integration:** This Agreement, including the exhibits, represent the entire Agreement between the County and the CONTRACTOR with respect to the subject matter of this Agreement and shall supersede all prior negotiations, representations, or agreements, either written or oral, between the County and the CONTRACTOR as of the effective date of this Agreement, which is the date that the County signs the Agreement.

16.16 **Interpretation of Conflicting Provisions:** In the event of any conflict or inconsistency between the provisions of this Agreement and the Provisions of any exhibit or other attachment to this Agreement, the provisions of this Agreement shall prevail and control.

17.0 CONSENT TO USE OF ELECTRONIC SIGNATURES.

17.1 The parties to this Agreement consent to the use of electronic signatures via DocuSign to execute this Agreement. The parties understand and agree that the legality of electronic signatures is governed by state and federal law, 15 U.S.C. Section 7001 et seq.; California Government Code Section 16.5; and, California Civil Code Section 1633.1 *et. seq.* Pursuant to said state and federal law as may be amended from time to time, the parties to this Agreement hereby authenticate and execute this Agreement, and any and all Exhibits to this

EXHIBIT A

To Agreement by and between
The County of Monterey, on behalf of the Monterey County Health Department
AND
Arbor Environmental, LLC hereinafter referred to as "CONTRACTOR"

Scope of Services / Payment Provisions

A. GENERAL SCOPE OF SERVICES

CONTRACTOR shall provide professional consulting services related to qualitative respirator fit testing. Fit testing will be conducted in accordance with current OSHA-accepted fit testing procedures as outlined in the Code of Federal Regulations Section 1910.134.

CONTRACTOR shall:

1. Conduct medical evaluations compliant with OSHA requirements stating that employees must have medical approval to wear respirators prior to participating in fit testing.
2. Provide general awareness training on respirators including proper fit, limitations of use, protection factors, and proper storage.
3. Provide qualitative fit testing in compliance with applicable federal, state and local requirements.
4. Provide all fit testing materials with the exception of respirators.
5. Provide one (1) qualified respirator fit testing field technician to complete the work set forth in the Scope of Services.

COUNTY shall:

1. Provide an adequate number of respirator models and sizes to ensure a correct fit for all employees being tested by CONTRACTOR.
2. Provide an indoor location at each site to conduct fit testing. The location must include a table and an electrical outlet (110 volts).
3. Schedule employees for fit testing during the scheduled appointments.
4. Provide completed medical evaluation forms for each employee prior to scheduled fit testing.

A.1. ON-SITE FIT TESTING / INSTRUCTION

1. CONTRACTOR shall conduct on-site fit testing during mutually agreeable scheduled appointments.
2. On-site fit testing may be conducted at various County premises including, but not limited to:

3. CONTRACTOR shall provide a medical evaluation form which must be completed for each employee ahead of scheduled fit testing.
4. County employees must have medical approval to wear respirators prior to participating in fit testing to ensure compliance with NFPA 1500, NFPA 1404, ANSI Z88.5, ANSI Z88.2-1992, OSHA CFR 1910.134, and CCR Title 8 Sec.5144.
5. County employees must not have facial hair that interferes with the seal of the respirator.

A.2. FIT TESTING RESULT REPORT AND DOCUMENTATION

1. CONTRACTOR shall provide to County a complete report documenting the results of each employee fit test and electronic documentation upon request.
2. CONTRACTOR shall provide laminated wallet-size fit test record cards for each employee documenting the date of fit test, make and model of approved respirator, and expiration of fit test certification.

DocuSign Envelope ID: 2BEA78D2-C269-4606-889D-9FD00732E725

B. PAYMENT PROVISIONS / COMPENSATION

County shall pay an amount not to exceed **$32,500** for the performance of all things necessary for or incidental to the performance of work as set forth in the Scope of Services. CONTRACTOR'S compensation for services rendered shall be based on the following rates or in accordance with the following terms:

ESTIMATED ANNUAL RATES

Description	Price
Qualitative Fit Tests	$40.00 Per Employee
Onsite Location Change Fee	$100 Per Location
Annual Administration and Equipment Fees (to include administrative costs and all equipment, materials documentation and OSHA-Compliant Medical Evaluation)	$3,250
Total Project Estimate for 305 Fit Tests at up to 8 Locations	**$16,250**

There shall be no travel reimbursement allowed during this Agreement.

There is a minimum charge of $1,500 for up to 8-hours of onsite testing. Up to 80 qualitative fit tests can be completed in 8 hours.

CONTRACTOR shall conduct additional fit tests during the scheduled appointment times at the above quoted rate.

CONTRACTOR shall bill $15 per medical evaluation for any completed through the online system that are not associated with a completed fit test. This includes staff that complete the medical evaluation and do not show up for testing or are unable to test due to facial hair or other factors outside of CONTRACTOR's control.

County agrees to provide CONTRACTOR five (5) business days advance notice of cancellation or changes to the original test date at no cost to County. Cancellations made less than five (5) business days of original test date will be charged a cancellation fee of 50% of the estimated rate for cancelled scheduled appointments. Cancellation upon arrival will result in 100% cancellation fee of the estimated rate for cancelled scheduled appointments.

C. CONTRACTORS BILLING PROCEDURES

DocuSign Envelope ID: 2BEA78D2-C269-4606-889D-9FD00732E725

CONTRACTOR warrants that the cost charged for services under the terms of this contract are not in excess of those charged any other client for the same services performed by the same individuals.

Payment may be based upon satisfactory acceptance of each deliverable, payment after completion of each major part of the Agreement, payment at conclusion of the Agreement, etc.

CONTRACTOR shall include on all Invoices:

1. Fit Testing Date,
2. Fit Testing Location
3. Employee Roster

CONTRACTOR shall submit invoices to the following mail or e-mail address listed below periodically or at the completion of services, as applicable, with signatures along with supporting documentation, as may be required by the COUNTY to the following:

CS_Finance@co.monterey.ca.us	Monterey County Health Department Health Business Services - Accounting 1441 Schilling Place South Building – First Floor Salinas, CA 93901

CONTRACTOR shall submit invoice monthly, but in any event, not later than thirty (30) days after completion of services. The invoice shall set forth the amounts claimed by CONTRACTOR for the previous period, together with an itemized basis for the amounts claimed, and such other information pertinent to the invoice. The County shall certify the invoice, either in the requested amount or in such other amount as the County approves in conformity with this Agreement and shall promptly submit such invoice to the County Auditor-Controller for payment. The County Auditor-Controller shall pay the amount certified within thirty (30) days of receiving the certified invoice.

County may, in its sole discretion, terminate the contract or withhold payments claimed by CONTRACTOR for services rendered if CONTRACTOR fails to satisfactorily comply with any term or condition of this Agreement.

No payments in advance or in anticipation of services or supplies to be provided under this Agreement shall be made by County.

County shall not pay any claims for payment for services submitted more than twelve (12) months after the calendar month in which the services were completed.

DocuSign Envelope ID: 2BEA78D2-C269-4606-889D-9FD00732E725

c. Approve and authorize the Director of Health Services or designee to sign up to three future amendments where the combined amendments do not exceed 10% ($2,640) of the original amount and does not significantly change the scope, total not to exceed a maximum of $29,043.

SUMMARY DISCUSSION:
The County of Monterey Health Department, Public Health Bureau, Consolidated Environmental Laboratory is an Environmental Lab Accreditation Program (ELAP)-certified laboratory that routinely analyzes drinking water for bacterial and chemical contaminants. The Consolidated Environmental Laboratory also conducts tests on samples derived from the environment for the purpose of assuring safe food, drinking water, reclaimed water, storm water run-off, and irrigation water.

The Consolidated Environmental Laboratory seeks approval to enter into an Agreement with Thermo Electon N. America, LLC, to provide ongoing preventative maintenance for their separately purchased iCAP RQplus instrument. The iCAP RQplus is a trace element analyzer used to test environmental samples. Preventative maintained is important to reduce repair costs, ensure accuracy of test results, lengthen the life of the instrument, and comply with certification requirements.

This work supports the County of Monterey Health Department 2018-2024 Strategic Plan Goals: 2. Enhance public health and safety through prevention, and 3. Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services.

It also supports two of the ten essential public health services, specifically: 2. Investigate, diagnose, and address health problems and hazards affecting the population, 4. Strengthen, support, and mobilize communities and partnerships to improve health.

OTHER AGENCY INVOLVEMENT:
The Office of the County Counsel has reviewed and approved this Agreement as to legal form. Auditor-Controller has reviewed and approved this Agreement as to fiscal provisions.

FINANCING:
This agreement is funded 77% with Public Health Lab fee revenue and 23% Health Realignment. There are sufficient appropriations in the Health Department's (001-4000-8124-HEA003) FY 2023-24 Adopted Budget and will be included in future years' Requested Budgets.

COUNTY OF MONTEREY STANDARD AGREEMENT

This **Agreement** is made by and between the County of Monterey, a political subdivision of the State of California (hereinafter "County") and:

Thermo Electron North America, LLC,

(hereinafter "CONTRACTOR").

In consideration of the mutual covenants and conditions set forth in this Agreement, the parties agree as follows:

1.0 GENERAL DESCRIPTION:

The County hereby engages CONTRACTOR to perform, and CONTRACTOR hereby agrees to perform, the services described in **Exhibit A** in conformity with the terms of this Agreement. The goods and/or services are generally described as follows:

Provide: Three (3) year preventative maintenance plan for existing BRE731355 ICAP PRO XP DUO instrument with serial #ICAPPR060033.

2.0 PAYMENT PROVISIONS:

County shall pay the CONTRACTOR in accordance with the payment provisions set forth in **Exhibit A**, subject to the limitations set forth in this Agreement. The total amount payable by County to CONTRACTOR under this Agreement shall not exceed the sum of: $ 26,403.00

3.0 TERM OF AGREEMENT:

3.01 The term of this Agreement is from January 19, 2024 **to** January 18, 2027, unless sooner terminated pursuant to the terms of this Agreement. This Agreement is of no force or effect until signed by both CONTRACTOR and County and with County signing last, and **CONTRACTOR may not commence work before County signs this Agreement**.

3.02 The County reserves the right to cancel this Agreement, or any extension of this Agreement, without cause, with a thirty day (30) written notice, or with cause immediately.

4.0 SCOPE OF SERVICES AND ADDITIONAL PROVISIONS:

The following attached exhibits are incorporated herein by reference and constitute a part of this Agreement:

Exhibit A Scope of Services/Payment Provisions

Exhibit B Other:

DocuSign Envelope ID: F96951E8-FB94-405A-9B9B-1BF4B027E081

5.0 PERFORMANCE STANDARDS:

5.01 CONTRACTOR warrants that CONTRACTOR and CONTRACTOR's agents, employees, and subcontractors performing services under this Agreement are specially trained, experienced, competent, and appropriately licensed to perform the work and deliver the services required under this Agreement and are not employees of the County, or immediate family of an employee of the County.

5.02 CONTRACTOR, its agents, employees, and subcontractors shall perform all work in a safe and skillful manner and in compliance with all applicable laws and regulations. All work performed under this Agreement that is required by law to be performed or supervised by licensed personnel shall be performed in accordance with such licensing requirements.

5.03 CONTRACTOR shall furnish, at its own expense, all materials, equipment, and personnel necessary to carry out the terms of this Agreement, except as otherwise specified in this Agreement. CONTRACTOR shall not use County premises, property (including equipment, instruments, or supplies) or personnel for any purpose other than in the performance of its obligations under this Agreement.

6.0 PAYMENT CONDITIONS:

6.01 Prices shall remain firm for the initial term of the Agreement and, thereafter, may be adjusted annually as provided in this paragraph. The County does not guarantee any minimum or maximum amount of dollars to be spent under this Agreement.

6.02 Negotiations for rate changes shall be commenced, by CONTRACTOR, a minimum of ninety days (90) prior to the expiration of the Agreement. Rate changes are not binding unless mutually agreed upon in writing by the County and the CONTRACTOR.

6.03 Invoice amounts shall be billed directly to the ordering department.

6.04 CONTRACTOR shall submit such invoice periodically or at the completion of services, but in any event, not later than 30 days after completion of services. The invoice shall set forth the amounts claimed by CONTRACTOR for the previous period, together with an itemized basis for the amounts claimed, and such other information pertinent to the invoice. The County shall certify the invoice, either in the requested amount or in such other amount as the County approves in conformity with this Agreement and shall promptly submit such invoice to the County Auditor-Controller for payment. The County Auditor-Controller shall pay the amount certified within 30 days of receiving the certified invoice.

7.0 TERMINATION:

7.01 During the term of this Agreement, the County may terminate the Agreement for any reason by giving written notice of termination to the CONTRACTOR at least thirty (30) days prior to the effective date of termination. Such notice shall set forth the effective date of termination. In the event of such termination, the amount payable under this Agreement shall be reduced in proportion to the services provided prior to the date of termination.

ADDENDUM TO TERMS
BETWEEN
Thermo Electron North America LLC ("Seller")
AND
County of Monterey ("Buyer")

Agreement No. 00588984

This Addendum to Buyer's "Standard Agreement" (hereinafter referred to as the "Terms") is made and entered into on August 18, 2023 (the "Effective Date") by and between Buyer and Seller. Buyer and Seller may be referred to individually as a "Party" or collectively as the "Parties" herein.

NOW, THEREFORE, the Parties agree as follows:

1. **Section 8 "Indemnification**" is deleted in its entirety and replaced as follows:

"By Seller. Seller will indemnify, defend and save Buyer, its officers, directors, and employees from and against any and all damages, liabilities, actions, causes of action, suits, claims, demands, losses, costs and expenses (including without limitation reasonable attorneys' fees) ("Indemnified Items") asserted by another party against Buyer for (i) bodily injury to or death of persons or damage to tangible property to the extent caused by the negligence or willful misconduct of Seller, its employees, agents or representatives or contractors in connection with the performance of services under this Agreement; and (ii) claims that a Product infringes any U.S. patent, copyright or trade secret; provided, however, Seller's liability under this Section does not extend to any such Indemnified Items caused by either (iii) the gross negligence or willful misconduct of Buyer, its employees, agents or representatives or contractors, (iv) by any third party, (v) use of a Product in combination with equipment or software not supplied by Seller where the Product alone would not be infringing, (vi) Seller's compliance with Buyer's designs, specifications or instructions, (vii) use of the Product in an application or environment for which it was not designed, or (viii) modifications of the Product by anyone other than Seller without Seller's prior written approval. Buyer will promptly notify Seller in writing of any claim covered by Seller's indemnification obligations hereunder. Seller may assume exclusive control of the defense of such claim or, at the option of the Seller, to settle the same. Buyer agrees to cooperate reasonably with Seller in connection with the performance by Seller of its obligations in this Section.

Notwithstanding the above, Seller's infringement related indemnification obligations shall be extinguished and relieved if Seller, at its discretion and at its own expense (a) procures for Buyer the right, at no additional expense to Buyer, to continue using the Product; (b) replaces or modifies the Product so that it becomes non-infringing, provided the modification or replacement does not adversely affect the specifications of the Product; or (c) in the event (a) and (b) are not practical, refund to Buyer the amortized amounts paid by Buyer with respect thereto, based on a five (5) year amortization schedule. THE FOREGOING INDEMNIFICATION PROVISION STATES SELLER'S ENTIRE LIABILITY TO BUYER FOR, AND BUYER'S SOLE AND EXCLUSIVE REMEMDY IN RESPECT OF, THE CLAIMS DESCRIBED HEREIN.

2. Section 9 "Insurance" is deleted in its entirety and replaced with the following:

" For the term of a support plan and/or for the provision of on-site Services purchased hereunder, as applicable, Seller agrees to maintain and carry liability insurance in amounts set forth below with insurance companies rated A- or better by "BEST" rating services. Insurance includes (a) commercial general liability insurance for a limit of US$2,000,000 (two million) for each occurrence and US$4,000,000 (four million) in the aggregate, (b) Statutory workers' compensation and employer's

DocuSign Envelope ID: CDCA0F7E-B378-4090-8CB7-A1F8BCB2410D

liability insurance for a limit of US$1,000,000 (one million), (c) Automobile liability of US$2,000,000 (two million) and (d) Umbrella coverage of US$5,000,000 (five million). Upon request from Buyer related to applicable Services, Seller will provide to Buyer a certificate of insurance using the standard ACORD form to evidence the insurance coverage required herein."

3. Section 14.01 "Independent Contractor" is modified to remove this sentence:

"In connection therewith, Contractor shall defend, indemnify, and hold County harmless from and any and all liability which County may incur because of Contractor's failure to pay such taxes."

4. Section 16.06 "Assignment and Subcontracting" and Section 16.07 "Successors and Assigns" are deleted in their entirety and replaced with the following:

"This Agreement may not be assigned or transferred without each Party's prior written consent, which consent shall not be unreasonably withheld. Subject to each Party's approval this Agreement will be binding upon and inure to the benefit of, and be enforceable by, each Party and its successors and assigns. Notwithstanding anything to the contrary, each Party has the right to disclose the terms and conditions of this Agreement to the extent necessary to establish rights or enforce obligations under this Agreement."

Sections to be added

5. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED HEREIN, THE LIABILITY OF EITHER PARTY UNDER THESE TERMS AND CONDITIONS (WHETHER BY REASON OF BREACH OF CONTRACT, TORT, INDEMNIFICATION, OR OTHERWISE, BUT EXCLUDING LIABILITY OF SELLER FOR BREACH OF WARRANTY (THE SOLE REMEDY FOR WHICH IS PROVIDED UNDER THE PRODUCT AND SERVICES WARRANTIES HEREIN) SHALL NOT EXCEED AN AMOUNT EQUAL TO THE LESSER OF (A) THE TOTAL PURCHASE PRICE THERETOFORE PAID BY BUYER TO SELLER WITH RESPECT TO THE PRODUCT(S) OR SERVICES GIVING RISE TO SUCH LIABILITY OR (B) ONE MILLION DOLLARS ($1,000,000), PROVIDED HOWEVER, THAT THE FOREGOING LIMITATION DOES NOT APPLY TO LIABILITY FOR INFRINGEMENT OR MISAPPROPRIATION OF SELLER'S INTELLECTUAL PROPERTY. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED HEREIN, IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR ANY INDIRECT, SPECIAL, CONSEQUENTIAL, OR INCIDENTAL DAMAGES (INCLUDING WITHOUT LIMITATION DAMAGES FOR LOSS OF USE OF FACILITIES OR EQUIPMENT, LOSS OF REVENUE, LOSS OF DATA, LOSS OF PROFITS OR LOSS OF GOODWILL), REGARDLESS OF WHETHER IT (a) HAS BEEN INFORMED OF THE POSSIBILITY OF SUCH DAMAGES OR (b) IS NEGLIGENT.

6. Seller's sole obligation with respect to the Services is to provide the quoted Services in a workmanlike manner and if Buyer provides notice of defect in Service within ninety (90) days of completion of such Services, Seller will, at its sole option, either reperform the Services without charge to Buyer or grant Buyer a credit for the amount paid by Buyer with respect to such Service. Seller warrants that the Products will operate or perform substantially in conformance with Seller's published specifications and be free from defects in material and workmanship, when subjected to normal, proper and intended usage by properly trained personnel, for the period of time set forth in the Product documentation, published specifications or package inserts (the "Warranty Period"). If a Warranty Period is not specified in Seller's Product documentation, published specifications, or package inserts, the Warranty Period for new instruments is twelve (12) months from the date of shipment to Buyer; and for all other Products is ninety (90) days from the date of shipment. During the Warranty Period, Seller agrees to repair or replace, at Seller's option, defective Products so as to cause the same to operate in substantial conformance with Seller's published specifications; provided that Buyer (a) promptly notifies Seller in writing upon the discovery of any covered defect in the Products, including the Product model and serial number (if applicable) and details of the warranty claim; and (b) after Seller's review, Seller will provide Buyer with an RMA number and services data, which may include biohazard decontamination procedures and other Product-specific handling instructions. Then, if applicable, Buyer may return the defective Products to Seller with all costs prepaid by Buyer. Replacement parts may be new or refurbished, at the election of Seller. All replaced parts shall become the property of Seller. Shipment to Buyer of repaired or replacement Products will be made in accordance with

DocuSign Envelope ID: CDCA0F7E-B378-4090-8CB7-A1F8BCB2410D

the delivery terms of this Agreement. Except for new consumable items manufactured and sold by Seller, this warranty expressly excludes all other consumable parts or components (e.g., bulbs, belts, cartridges, etc.) in the Products. If Seller elects to repair defective medical device instruments, Seller may, in its sole discretion, provide a replacement loaner instrument to Buyer as necessary for use while the instruments are being repaired.
Notwithstanding the foregoing, Products supplied by Seller that are obtained by Seller from an original manufacturer or third party supplier are not warranted by Seller; but Seller agrees to assign to Buyer any warranty rights in such Product that Seller may have from the original manufacturer or third party supplier, to the extent such assignment is allowed by such original manufacturer or third party supplier.

In no event shall Seller have any obligation to make repairs, replacements or corrections under the Warranty, in whole or in part, as the result of or with respect to: (a) use of the Products in a manner for which they were not designed; (b) improper storage and handling of the Products; (c) use of the Products in combination with equipment or software not supplied by Seller (d) shipping damage incurred en route to Buyer's site or because of moving equipment, in which case Seller will promptly provide a cost estimate for technical support to the consignee for filing claims to carriers for shipping damage; (e) flood, lightning, earthquake, tornado, hurricane or fire, bombing, armed conflict, malicious mischief, sabotage or other natural or man-made disasters; (f) normal wear and tear, physical abuse, misuse, sprinkler damage, electrical surge or abnormal power variation; (g) repairs, maintenance, or modifications made by anyone other than Seller trained personnel or without Seller's supervision and/or approval; (h) relocation and reinstallation of equipment; although upon request Seller will supervise the removing, crating, relocation and reinstallation of the Products at Seller's current Services rates; (i) maintenance or replacement of media (i.e., floppy disks, plotter supplies, etc.) whatever the reason for loss, failure or damage; (j) beta-site support; (k) operator training; or (l) repairing Product malfunctions if the fault is not with the equipment. If Seller determines that Products for which Buyer requested warranty services are not covered by this warranty, Buyer will pay or reimburse Seller for all costs of investigating and responding to such request at Seller's then prevailing time and materials rates. If Seller provides Services or replacement parts that are not covered by this warranty, Buyer shall pay Seller therefor at Seller's then prevailing time and materials rates.

ANY INSTALLATION, MAINTENANCE, REPAIR, SERVICE, RELOCATION OR ALTERATION TO OR OF, OR OTHER TAMPERING WITH, THE PRODUCTS PERFORMED BY ANY PERSON OR ENTITY OTHER THAN SELLER WITHOUT SELLER'S PRIOR WRITTEN APPROVAL, OR ANY USE OF REPLACEMENT PARTS NOT SUPPLIED BY SELLER, SHALL IMMEDIATELY VOID AND CANCEL ALL WARRANTIES WITH RESPECT TO THE AFFECTED PRODUCTS AND/OR SERVICES. THE OBLIGATIONS CREATED BY THIS WARRANTY STATEMENT FOR SELLER TO REPAIR OR REPLACE A DEFECTIVE PRODUCT OR TO REPERFORM OR CREDIT THE PRICE OF DEFECTIVE SERVICES SHALL BE THE SOLE REMEDY OF BUYER FOR SUCH DEFECTIVE PRODUCTS OR SERVICES UNDER THIS AGREEMENT. EXCEPT AS EXPRESSLY PROVIDED IN THIS WARRANTY STATEMENT, SELLER DISCLAIMS ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, ORAL OR WRITTEN, WITH RESPECT TO THE PRODUCTS, INCLUDING WITHOUT LIMITATION ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR ANY PARTICULAR PURPOSE, OR NONINFRINGEMENT. SELLER DOES NOT WARRANT THAT THE PRODUCTS OR SERVICES ARE ERROR-FREE OR WILL ACCOMPLISH ANY PARTICULAR RESULT.

7. Seller retains all rights in, title to and ownership of (i) any and all software provided to Buyer under this Agreement, which is licensed, not sold, to Buyer, solely for the purposes of Buyer's use and operation of the Products; and (ii) all services deliverables provided by Seller under this Agreement, whether related to Products or otherwise.

8. Buyer acknowledges that each Product and any related services, software and technology, including technical information supplied by Seller or contained in documents (collectively "Items"), may be subject to export controls of the U.S. government and/or other governments. Such export controls may include, but are not limited to, the Export Administration Regulations of the U.S. Department of Commerce (the "EAR"), which may restrict or require licenses for the export of Items from the U.S. and their re-export from other countries and all other applicable laws, regulations, laws, treaties, and agreements relating to the export, re-export, and import of any Item. Buyer shall not export, re-export, distribute or supply any Item, directly or indirectly, to (i) any country, person or entity, in each case, without first obtaining from the U.S. government and/or other appropriate government agency any license required to do so lawfully; (ii) any person or organization in Cuba, Iran, North Korea, Sudan, Syria, or other country then the subject of a U.S. embargo, or any person or entity considered a part of the government of any such country; or (iii) any person or entity

DocuSign Envelope ID: CDCA0F7E-B378-4090-8CB7-A1F8BCB2410D

who is involved in improper development or use of nuclear weapons, or of chemical/biological weapons (CBW) or missiles, or in terrorist activities. Buyer shall cooperate fully with Seller in any official or unofficial audit or inspection related to applicable export or import control laws or regulations, and shall indemnify and hold Seller harmless from, or in connection with, any violation of this Section by Buyer or its employees, consultants, agents and/or representatives.

*****

This Addendum and the Terms together form an agreement ("Agreement") between Buyer and Seller. The Agreement constitutes the entire understanding between the Buyer and Seller and shall not be amended, altered or changed except by a written agreement signed by the Parties hereto. In the event of a conflict between this Addendum and the Terms, the terms of this Addendum shall prevail. Any additional or conflicting terms and conditions to those in the Agreement, either written or verbal, are of no force and effect upon the Parties.

The Parties agree that this Agreement shall apply to all purchase orders issued by Buyer until July 31, 2026, whether or not such terms are included with or incorporated by reference in such orders.

IN WITNESS WHEREOF, the Parties have caused this Addendum to be duly executed on the date last signed by the Parties herein below.

Approve and authorize the Director of Health Services or their designee to execute an Amendment No. 1 to three-year Mental Health Services Agreement A-15377 with the Community Hospital of the Monterey Peninsula (CHOMP) for the addition of Crisis Stabilization Unit (CSU) services, adding $1,542,860 to FY 2023-24 for a new maximum County obligation of $1,878,380 retroactive to July 1, 2023, for the same full term of July 1, 2021 through June 30, 2024.

SUMMARY/DISCUSSION

On June 30, 2021 the County entered into a three-year Mental Health Services Agreement No. A-15377 with the Community Hospital of the Monterey Peninsula (CHOMP) in the amount of $335,520 for the term of July 1, 2021 to June 30, 2024 for the provision of mental health services for Monterey County adult residents with severe psychiatric disabilities in a Hospital Inpatient and Day Treatment Intensive Services model on an Inpatient Fee-for-Service Medi-Cal program.

This Amendment No. 1 to that Agreement continues the provisions for Hospital Inpatient and Day Treatment Intensive Services, however, also adds needed Crisis Stabilization Unit (CSU) services to that Agreement, effective in the third year and retroactive to July 1, 2023, coinciding with the opening of a new CSU facility at CHOMP. This Amendment to Agreement A-15377 increases the total COUNTY obligation by $1,542,860 for FY 2023-24 for a revised total contract amount of $1,878,380.

The goal of the CSU is to treat and stabilize patients seen at the Emergency Department, who are likely to reconstitute and be appropriate for discharge within 24 hours, in a more therapeutic location to support medication adjustments and psychiatric support services outside of the Emergency

Department. An initial psychiatric diagnostic assessment will be conducted, followed by treatment with a period of observation, staff-patient engagement, clinical reassessment, and concurrent resource/disposition planning.

This Amended Agreement contains the County's standard 30-day "no cause" provision (Section IV, B) and an additional defunding provision (Section IV, D), which provides the County the ability to amend or terminate the Agreement in the event of a reduction and/or termination of funding.

This work supports the following Monterey County Health Department 2018-2024 strategic plan goal: 3) Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports one of the ten essential public health services, specifically: 7) Link people to needed personal health services and assure the provisions of health care when otherwise unavailable.

OTHER AGENCY INVOLVEMENT:
The Office of the County Counsel and Auditor-Controller have reviewed and approved this Agreement as to form and fiscal provisions, respectively.

FINANCING:
This Agreement is funded by 1991 and 2011 Realignment revenues. The funds for this Amended Agreement ($1,657,520) are included in the Health Department's Behavioral Health (HEA012, Unit 8410) Fiscal Year 2023-24 Adopted Budget.

AMENDMENT NO. 1 TO MENTAL HEALTH SERVICES AGREEMENT A-15377
BY AND BETWEEN
COUNTY OF MONTEREY AND COMMUNITY HOSPITAL OF THE MONTEREY PENINSULA

THIS AMENDMENT NO. 1 is made to AGREEMENT A-15377 for the provision of mental health services to adults with severe psychiatric disabilities in a Hospital Inpatient and Day Treatment Intensive Services model, to include Crisis Stabilization Unit (CSU) Services for Adults and Children, by and between the **COMMUNITY HOSPITAL OF THE MONTEREY PENINSULA,** hereinafter "CONTRACTOR," and the County of Monterey, a political subdivision of the State of California, hereinafter referred to as "COUNTY."

WHEREAS, the COUNTY entered into a Mental Health Services Agreement No. A-15377 with the Community Hospital of the Monterey Peninsula in the amount of $335,520 for the term of July 1, 2021 to June 30, 2024 for the provision of mental health services for Monterey County adult residents with severe psychiatric disabilities in a Hospital Inpatient and Day Treatment Intensive Services model on an Inpatient Fee-for-Service Medi-Cal program; and

WHEREAS, the COUNTY and CONTRACTOR hereby request to amend the Mental Health Services Agreement No. A-15377 with revised EXHIBIT A-1 Program Description and revised EXHIBIT B-1 Payment and Billing Provisions, to outline new services and increase the total COUNTY obligation by $1,542,860 for FY 2023-24 to fund the addition of new Crisis Stabilization Unit services retroactive to July 1, 2023, thereby increasing the total amount of the Agreement by 460%, for a revised total contract amount of $1,878,380 for the same full term of FY 2021-22 through FY 2023-24.

NOW THEREFORE, the County and CONTRACTOR hereby agree to amend the AGREEMENT as follows:

1. EXHIBIT A-1 PROGRAM DESCRIPTION replaces EXHIBIT A. All references in the Agreement to EXHIBIT A shall be construed to refer to EXHIBIT A-1.

2. EXHIBIT B-1 PAYMENT AND BILLING PROVISIONS replaces EXHIBIT B. All references in the Agreement to EXHIBIT B shall be construed to refer to EXHIBIT B-1.

3. EXHIBIT H-1 BEHAVIORAL HEALTH COST REIMBURSEMENT INVOICE FORM is added to this Amendment to facilitate invoicing and payment for new CSU services effective FY 2023-24.

4. Except as provided herein, all remaining terms, conditions and provisions of the AGREEMENT are unchanged and unaffected by this AMENDMENT and shall continue in full force and effect as set forth in the AGREEMENT.

5. This Amendment is effective July 1, 2023.

EXHIBIT B-1: PAYMENT AND BILLING PROVISIONS

PROGRAM 1 – Medi-Cal Fee-for-Service Program

I. PAYMENT TYPE

Negotiated Rate (NR) up to the maximum contract amount.

The following program services will be paid in arrears, not to exceed the negotiated rates for an estimated contract maximum of **$335,520.**

II. PAYMENT CONDITIONS

A. All payments shall comply with Federal and State regulatory requirements, including but not limited to the Treatment Authorization Request (TAR) process as regulated by the California Code of Regulations, Title IX. The process specified below shall not be construed to replace or supersede regulatory requirements regarding the TAR process.

B. In order to receive any payment under this Agreement, CONTRACTOR shall submit a Treatment Authorization Request (TAR) and the appropriate clinical records to COUNTY within fourteen (14) days of the Medi-Cal beneficiary's discharge from the hospital.

C. In the event that a patient does not reveal his Medi-Cal eligibility or subsequently becomes eligible for Medi-Cal after discharge, the hospital will submit a TAR within sixty (60) calendar days of discovering the patient's Medi-Cal eligibility. The TAR packet shall have documentation indicating when and how the patient's Medi-Cal eligibility was discovered and verified. The COUNTY reserves the right to deny a request if it is not supported by documentation clearly indicating when and how the patient's eligibility was discovered and verified.

D. COUNTY shall approve or deny the TAR within fourteen (14) days of receipt of the TAR and clinical records (Approved as Requested or Approved as Modified). In the event that a TAR is denied or if a modification by CONTRACTOR is needed, COUNTY will return the TAR to CONTRACTOR with an explanation of the reason for the denial, or modification needed.

E. COUNTY shall forward the original approved TAR to the State fiscal intermediary and return a copy of the approved TAR to CONTRACTOR.

F. Upon receipt of the copy of the approved TAR, CONTRACTOR shall submit a claim for payment to the State fiscal intermediary.

G. In the case of a denied or returned for modification TAR, CONTRACTOR has the option of filing a first level appeal with COUNTY.

DocuSign Envelope ID: 88521002-5611-49E8-BECB-F4804A757E3B

H. If COUNTY denies the appeal, CONTRACTOR may file a second level appeal with the State Department of Mental Health.

I. For an approved TAR, CONTRACTOR will receive payment directly from the State fiscal intermediary.

III. PAYMENT RATE

A. CONTRACTOR shall be reimbursed the following inpatient bed day rates at a negotiated rate based on the Medi-Cal Psychiatric Inpatient Hospital Services Regional Average Negotiated Rates for the period July 1, 2021 to June 30, 2024 as follows:

PROGRAM 2 – Crisis Stabilization Unit

I. PAYMENT TYPE

Negotiated Rate (NR) up to the maximum contract amount.

The following program services will be paid in arrears, not to exceed the negotiated rates for an estimated contract maximum of **$1,542,860.**

II. PAYMENT AUTHORIZATION FOR SERVICES

The COUNTY'S commitment to authorize reimbursement to the CONTRACTOR for services as set forth in this Exhibit B-1 is contingent upon COUNTY authorized admission and service, and CONTRACTOR'S commitment to provide care and services in accordance with the terms of this Agreement.

III. PAYMENT RATE

A. CONTRACTOR shall be reimbursed the Crisis Stabilization Unit hourly negotiated rate of **$134.63**. Such rate shall be inclusive of the facility and professional component for Crisis Stabilization Unit services, billable under code S9484. The division of the Total Estimated County obligation for Crisis Stabilization Unit (CSU) services between Adults and Child/Youth, shown below, does not preclude a greater amount being reimbursed for either category as long as the Total County Maximum Obligation as shown in Section V Subsection B below is not exceeded.

	Total UOS:	11460			
TOTAL ESTIMATED COUNTY OBLIGATION:					**$1,542,860**

IV. PAYMENT CONDITIONS

A. In order to receive any payment under this Agreement, CONTRACTOR shall submit reports and claims in such form as General Ledger, Payroll Report and other accounting documents as needed, and as may be required by the County of Monterey Department of Health, Behavioral Health Bureau. Specifically, CONTRACTOR shall submit its claims on Behavioral Health Cost Reimbursement Invoice Form provided as Exhibit H-1 to this Agreement (Exhibit G being previously designated to the original Agreement for "Requirements for 5150 Designation"), along with backup documentation, on a monthly basis, to COUNTY so as to reach the Behavioral Health Bureau no later than the thirtieth (30^{th}) day of the month following the month of service. See Section III, above, for payment amount information to be reimbursed each fiscal year period of this Agreement. The amount requested for reimbursement shall be in accordance with the approved budget and shall not exceed the actual net costs incurred for services provided under this Agreement.

In addition to Exhibit H-1 Behavioral Health Cost Reimbursement Invoice Form, CONTRACTOR shall provide the following information as backup/supporting documentation:

- CMS-1500 / HCFA-1500 claim form, or equivalent; and
- Additional Client Care Documentation as specified by Monterey County Quality Improvement, or equivalent documentation to provide identical information, as negotiated by CONTRACTOR and COUNTY.

CONTRACTOR is not required to obtain prior authorization, or to submit a Treatment Authorization request (TAR) as a condition of reimbursement for Crisis Stabilization Unit services under this Agreement.

CONTRACTOR shall submit via email a monthly claim using Exhibit H-1, Behavioral Health Cost Reimbursement Invoice Form in Excel format with electronic signature along with supporting documentations, as may be required by the COUNTY for services rendered to:

MCHDBHFinance@co.monterey.ca.us

DocuSign Envelope ID: 88521002-5611-49E8-BECB-F4804A757E3B

B. CONTRACTOR shall submit all claims for reimbursement under this Agreement within thirty (30) calendar days after the termination or end date of this Agreement. All claims not submitted after thirty (30) calendar days following the termination or end date of this Agreement shall not be subject to reimbursement by the COUNTY. Any claim(s) submitted for services that preceded thirty (30) calendar days prior to the termination or end date of this Agreement may be disallowed, except to the extent that such failure was through no fault of CONTRACTOR. ~~Any "obligations incurred" included in claims for reimbursements and paid by the COUNTY which remain unpaid by the CONTRACTOR after thirty (30) calendar days following the termination or end date of this Agreement shall be disallowed, except to the extent that such failure was through no fault of CONTRACTOR under audit by the COUNTY.~~

C. If CONTRACTOR fails to submit claim(s) for services provided under the terms of this Agreement as described above, the COUNTY may, at its sole discretion, deny payment for that month of service and disallow the claim.

D. COUNTY shall review and certify CONTRACTOR'S claim either in the requested amount or in such other amount as COUNTY approves in conformity with this Agreement, and shall then submit such certified claim to the COUNTY Auditor within five (5) calendar days. The COUNTY Auditor-Controller shall pay the amount certified within thirty (30) calendar days of receiving the certified invoice.

E. To the extent that the COUNTY determines CONTRACTOR has improperly claimed services, COUNTY may disallow payment of said services and require CONTRACTOR to resubmit said claim of services for payment, or COUNTY may make corrective accounting transactions. Notwithstanding anything to the contrary, CONTRACTOR shall have sixty (60) days from the date of its receipt of a fully executed copy of this Amendment No. 1 to A-15377 to submit claims to COUNTY for services provided from July 1, 2023 through the end of the month preceding the date on which the fully executed Amendment No. 1 to A-15377 is delivered to CONTRACTOR via email.

F. If COUNTY certifies payment at a lesser amount than the amount requested COUNTY shall immediately notify the CONTRACTOR in writing of such certification and shall specify the reason for it. If the CONTRACTOR desires to contest the certification, the CONTRACTOR must submit a written notice of protest to the COUNTY within twenty (20) calendar days after the CONTRACTOR'S receipt of the COUNTY notice. The parties shall thereafter promptly meet to review the dispute and resolve it on a mutually acceptable basis. No court action may be taken on such a dispute until the parties have met and attempted to resolve the dispute in person.

V. MAXIMUM OBLIGATION OF COUNTY – PROGRAMS 1 AND 2

A. Subject to the limitations set forth herein, COUNTY shall pay to CONTRACTOR during the term of this Agreement a maximum amount of **$1,878,380** for services rendered under this Agreement, under both the Medi-Cal Fee-for-Service and Crisis Stabilization Unit Programs described in Exhibit A-1. The not to exceed limits included

DocuSign Envelope ID: 88521002-5611-49E8-BECB-F4804A757E3B

under Section I. Payment Type for Program 1 and Program 2 do not preclude a greater amount from being reimbursed for either program as long as the Total County Maximum Obligation as shown in Section V Subsection B below is not exceeded.

B. Maximum Annual Liability:

FISCAL YEAR LIABILITY	AMOUNT
July 1, 2021 to June 30, 2022	$110,430
July 1, 2022 to June 30, 2023	$110,430
July 1, 2023 to June 30, 2024	$1,657,520
TOTAL COUNTY MAXIMUM OBLIGATION:	**$1,878,380**

C. The rate set forth in this Agreement shall be payment in full for services rendered under this Agreement, subject to third party liability and beneficiary (recipient of services) share of costs for specialty mental health services.

D. If, as to the date of signing this Agreement, CONTRACTOR has already received payment from COUNTY for services rendered under this Agreement, such amount shall be deemed to have been paid out under this Agreement and shall be counted towards COUNTY'S maximum liability under this Agreement.

E. If for any reason this Agreement is canceled, COUNTY'S maximum liability shall be the total utilization to the date of cancellation not to exceed the maximum amount listed above.

F. As an exception to Section D. above with respect to the Survival of Obligations after Termination, COUNTY, any payer, and CONTRACTOR shall continue to remain obligated under this Agreement with regard to payment for services required to be rendered after termination.

VI. LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS

A. This Agreement shall be subject to any restrictions, limitations, or conditions imposed by State which may in any way affect the provisions or funding of this Agreement, including, but not limited to, those contained in State's Budget Act.

B. This Agreement shall also be subject to any additional restrictions, limitations, or conditions imposed by the Federal government which may in any way affect the provisions or funding of this Agreement.

C. In the event that the COUNTY'S Board of Supervisors adopts, in any fiscal year, a COUNTY Budget which provides for reductions in COUNTY Agreements, the COUNTY reserves the right to unilaterally reduce its payment obligation under this Agreement to implement such Board reductions for that fiscal year and any subsequent fiscal year during

DocuSign Envelope ID: 88521002-5611-49E8-BECB-F4804A757E3B

the term of this Agreement, correspondingly. The COUNTY'S notice to the CONTRACTOR regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such action.

D. Notwithstanding any other provision of this Agreement, COUNTY shall not be obligated for CONTRACTOR'S performance hereunder or by any provision of this Agreement during any of COUNTY'S current or future fiscal year(s) unless and until COUNTY'S Board of Supervisors appropriates funds for this Agreement in COUNTY'S Budget for each such fiscal year. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. COUNTY shall notify CONTRACTOR of any such non-appropriation of funds at the earliest possible date and the services to be provided by the CONTRACTOR under this Agreement shall also be reduced or terminated.

VII. AUTHORITY TO ACT FOR THE COUNTY

The Director of the Health Department of the County of Monterey may designate one or more persons within the County of Monterey for the purposes of acting on his/her behalf to implement the provisions of this Agreement. Therefore, the term "Director" in all cases shall mean "Director or his/her designee."

COUNTY OF MONTEREY
MENTAL HEALTH SERVICES AGREEMENT

Contract Number: _____

COUNTY Department Contract Representative:

Elsa M. Jimenez, Director of Health
1270 Natividad Road, Salinas, CA 93906

THIS CONTRACT is made and entered into by and between the **COUNTY OF MONTEREY**, a political subdivision of the State of California (hereinafter "COUNTY") and **COMMUNITY HOSPITAL OF THE MONTEREY PENINSULA** (hereinafter "CONTRACTOR").

RECITALS

WHEREAS, COUNTY desires to enter into an Agreement whereby CONTRACTOR shall provide community mental health services in accordance with the requirements of the Bronzan-McCorquodale Act (California Welfare and Institutions Code § 5600, et seq.), Part 2.5 of Division 5 of the California Welfare & Institutions Code, and Titles 9 and 22 of the California Code of Regulations; and

WHEREAS, CONTRACTOR is able to furnish such services under the terms and conditions of this Agreement and in accordance with applicable law, including all Federal, State of California (State), and local laws, regulations, rules, and guidelines pertaining to the provision of mental health services.

NOW, THEREFORE, IT IS HEREBY AGREED AS FOLLOWS:

I. SERVICES TO BE PROVIDED

CONTRACTOR shall provide the services set forth in this Agreement, including the program services detailed in Exhibit A, to the recipient population and to the COUNTY, in compliance with the terms of this Agreement. These services can be summarized as follows: Hospital Inpatient and Day Treatment Intensive Services on an Inpatient Fee-for-Service Medi-Cal program.

II. EXHIBITS

The following exhibits are attached to this Agreement and incorporated herein by reference:

EXHIBIT A: PROGRAM DESCRIPTION – Medi-Cal Fee for Service Program
EXHIBIT B: PAYMENT AND BILLING PROVISIONS – Medi-Cal Fee for Service Program
EXHIBIT C: CONFIDENTIALITY OF PATIENT INFORMATION
EXHIBIT D: ASSURANCE OF COMPLIANCE WITH SECTION 504 OF THE REHABILITATION ACT OF 1973, AS AMENDED

EXHIBIT F: BUSINESS ASSOCIATE AGREEMENT
EXHIBIT G: REQUIREMENTS FOR 5150 DESIGNATION

III. PAYMENT BY COUNTY

A. The COUNTY shall pay CONTRACTOR in arrears, as applicable, for eligible services provided under this Agreement and in accordance with the terms and conditions set forth in Exhibit B. Payments are made at applicable rates up to the amounts identified for each Funded Program as shown in Exhibit B and as otherwise may be limited under this Agreement and the attachments thereto. If CONTRACTOR is paid at Provisional Rates or at Cash Flow Advances, COUNTY payments are provisional, until the completion of all settlement activities and audits, as such payments are subject to future Federal, State and/or COUNTY adjustments. For the purposes of this Agreement, a "Funded Program" is a set of services paid through a particular funding source identified in Exhibit H, Budget and Expenditure Report, if made part of this Agreement.

B. CONTRACTOR shall hold harmless the State and any recipients of services in the event COUNTY does not reimburse CONTRACTOR for services performed under this Agreement.

IV. TERM AND TERMINATION

A. Term. This Agreement shall be effective **July 1, 2021** and shall remain in effect until **June 30, 2024**.

B. Termination without Cause. Either party may terminate this Agreement at any time without cause by serving thirty (30) calendar days' advance written notice upon the other party. The notice shall state the effective date of the termination.

C. Termination with Cause. COUNTY, in its sole and absolute discretion, may terminate this Agreement immediately upon the occurrence of any of the following events:

1. CONTRACTOR'S failure to comply with COUNTY'S Utilization Review procedures;

2. CONTRACTOR'S failure to abide by Grievance decisions;

3. CONTRACTOR'S failure to meet COUNTY qualification criteria;

4. CONTRACTOR'S failure to submit Annual Reports, Provider's Certification, and accompanying audited financial statement, CONTRACTOR'S Year-End Cost Report Settlement and/or other supporting documents in accordance with the terms of a written notice from COUNTY to CONTRACTOR, and/or, if made part of this Agreement, Exhibit I;

5. CONTRACTOR is unable or reasonably expected to be unable to provide the Services for any reason for a period in excess of thirty (30) consecutive days or sixty (60) days in the aggregate over any three (3) month period.

DocuSign Envelope ID: 67F76C58-A188-4E63-886E-FACFF2088EBA

6. CONTRACTOR'S performance of this Agreement poses an imminent danger to the health and safety of any individual client of COUNTY;

7. CONTRACTOR loses its licensure or certification;

8. CONTRACTOR is suspended, excluded or otherwise becomes ineligible to participate in the Medicare, Medi-Cal, or any other government-sponsored health program;

9. Breach by CONTRACTOR of any confidentiality obligation;

10. Breach by CONTRACTOR of the Health Insurance Portability and Accountability Act (HIPAA) and Protected Health Information (PHI);

11. CONTRACTOR makes an assignment for the benefit of creditors, admits in writing the inability to pay its debts as they mature, applies to any court for the appointment of a trustee or receiver over its assets, or upon commencement of any voluntary or involuntary proceedings under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution liquidation or other similar law or any jurisdiction;

12. The insurance required to be maintained by CONTRACTOR under this Agreement is terminated, reduced below the minimum coverage requirements set forth in this Agreement, not renewed or cancelled (whether by action of the insurance company or CONTRACTOR) for any reason, and CONTRACTOR has not obtained replacement coverage as required by this Agreement by the effective date of such termination, reduction, non-renewal or cancellation;

13. CONTRACTOR is rendered unable to comply with the terms of this Agreement for any reason; or

14. COUNTY determines that CONTRACTOR is in violation or breach of any provision of this Agreement or violation of Federal, State or local laws, and thirty (30) calendar days have passed since written notice of the violation or breach has been given by COUNTY, without remedy thereof by CONTRACTOR to the satisfaction of COUNTY.

D. Termination or Amendment in Response to Reduction of Government Funding. Notwithstanding any other provision of this Agreement, if Federal, State or local government terminates or reduces its funding to the COUNTY for services that are to be provided under this Agreement, COUNTY, in its sole and absolute discretion after consultation with the CONTRACTOR, may elect to terminate this Agreement by
giving written notice of termination to CONTRACTOR effective immediately or on such other date as COUNTY specifies in the notice. Alternatively, COUNTY and CONTRACTOR may mutually agree to amend the Agreement in response to a reduction in Federal, State or local funding.

E. Survival of Obligations after Termination. Termination of this Agreement shall be effected by notice of termination to CONTRACTOR specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. Upon termination of this Agreement, COUNTY shall no longer refer clients to the CONTRACTOR

DocuSign Envelope ID: 67F76C58-A188-4E63-886E-FACFF2088EBA

under this Agreement, and the rights and duties of the parties shall be terminated, except that the following obligations shall survive termination:

1. CONTRACTOR shall, pursuant to this Agreement and upon approval of the Behavioral Health Director, continue treatment of clients who are receiving care from CONTRACTOR until completion of treatment or until continuation of the client's care by another provider can be arranged by COUNTY;

2. COUNTY shall arrange for such transfer of treatment no later than sixty (60) calendar days after Agreement termination if the client's treatment is not by then completed;

3. COUNTY, any payer, and CONTRACTOR shall continue to remain obligated under this Agreement with regard to payment for services rendered prior to termination or required to be rendered after termination;

4. Upon termination or expiration of this Agreement, CONTRACTOR shall continue to remain obligated with respect to any confidentiality obligation as described in Section VIII and in accordance with Exhibit C to this Agreement, HIPAA and PHI in accordance with Exhibit F to this Agreement, indemnification described in Section XI to this Agreement, professional liability insurance described in Section XII to this Agreement, annual reports and cost report settlement described in Section XIV and in accordance with Exhibit I to this Agreement, and access to and audit of records described in Section XV to this Agreement, and in accordance with all applicable laws; and

5. CONTRACTOR shall not do anything or cause any other person to do anything that interferes with COUNTY'S efforts to engage any other person or entity for the provision of the services set forth in this Agreement, or interfere in any way with any relationship between COUNTY and any other person or entity who may be engaged to provide the services to COUNTY.

V. COMPLIANCE WITH APPLICABLE LAWS AND TERMS OF FEDERAL, STATE AND/OR LOCAL STATUTES AND FEDERAL AND/OR STATE GRANTS

A. Compliance with Laws. In providing services and meeting requirements for payment reimbursement for mental health treatment services under this Agreement, CONTRACTOR shall comply with all applicable Federal, State, and local laws,
regulations, rules, and guidelines, including, but not limited to, Title XIX of the Social Security Act, California Welfare and Institutions Code, Divisions 5, 6, and 9; California Code of Regulations, Titles 9 and 22; any Short-Doyle and Short-Doyle/Medi-Cal policies as identified in the State Letters, Office of Management and Budget (OMB) Circular Nos. A-122 and 133, the Cost Reporting/Data Collection (CR/DC) Manual, and the Mental Health policies issued by the County of Monterey.

B. Compliance with Terms of Federal and/or State Grants. If this Agreement is funded with monies received by the COUNTY pursuant to contract(s) with the Federal and/or State government in which the COUNTY is the grantee, CONTRACTOR shall comply with all provisions of said contract(s), to the extent applicable to CONTRACTOR as a sub-grantee under said contract(s), and said provisions shall be deemed a part of this Agreement as if fully

DocuSign Envelope ID: 67F76C58-A188-4E63-886E-FACFF2088EBA

set forth herein. Upon request, COUNTY shall deliver a copy of said contract(s) to CONTRACTOR at no cost to CONTRACTOR.

VI. CONTRACT MONITORING AND QUALITY CONTROL

A. The Federal, State and COUNTY shall have the right to inspect and evaluate the quality, appropriateness and timelines of services performed under this Agreement.

B. The Behavioral Health Director shall assign a Contract Monitor to ensure compliance with the terms and conditions of this Agreement. The Contract Monitor and CONTRACTOR shall meet at intervals deemed appropriate by COUNTY. In addition, the Contract Monitor shall review at regular intervals all statistical reports, financial records, clinical records, and other documents concerning services provided under this Agreement. In addition, CONTRACTOR shall at all times cooperate with the COUNTY'S Quality Improvement ("QI") Plan.

C. CONTRACTOR shall conduct reviews at regular intervals of the quality and utilization of services for all recipients of service under this Agreement. CONTRACTOR shall furnish all required data and reports in compliance with State Client and Service Information System ("CSI"). Units of time reporting, as stipulated in the Cost Reporting/Data Collection ("CR/DC") manual, are subject to special review and audit.

D. If CONTRACTOR is an in-patient facility, CONTRACTOR shall submit its patient admissions and length of stay requests for utilization review through existing hospital systems or professional standards review organizations.

VII. LICENSURE, CERTIFICATION AND STAFFING REQUIREMENTS

A. Licensure and Certification. CONTRACTOR shall furnish qualified professional personnel as prescribed by Title 9 of the California Code of Regulations, the California Business and Professions Code, the California Welfare and Institutions Code, and all other applicable laws for the type of services rendered under this Agreement. All personnel providing services pursuant to this Agreement shall be fully licensed in accordance with all applicable law and shall remain in good professional standing throughout the entire duration of this Agreement. CONTRACTOR shall comply with all COUNTY and State certification and licensing requirements and shall ensure that all services delivered by staff are within their scope of licensure and practice.

B. Medi-Cal Certification. If CONTRACTOR is an organizational provider of Medi-Cal specialty mental health services, CONTRACTOR shall maintain certification during the term of this Agreement. This includes meeting all staffing and facility standards required for organizational providers of Medi-Cal specialty mental health services which are claimed and notifying COUNTY'S Contract Monitor in writing of anticipated changes in service locations at least sixty (60) days prior to such change.

C. Staff Training and Supervision. CONTRACTOR shall ensure that all personnel, including any subcontractor(s) performing services under this Agreement, receive appropriate training

DocuSign Envelope ID: 67F76C58-A188-4E63-886E-FACFF2088EBA

and supervision. CONTRACTOR shall also maintain appropriate levels of staffing at all times when performing services under this Agreement.

D. Exclusion from Participation in Federal Health Care Program or State Equivalent.

1. CONTRACTOR shall not employ or contract with providers or other individuals and entities excluded from participation in Federal health care programs under either Section 1128 or 1128A of the Social Security Act. Federal Financial Participation (FFP) is not available for providers excluded by Medicare, Medicaid, or the State Children's Insurance Program, except for emergency services.

2. CONTRACTOR shall not employ or contract with services to be provided under the terms of this Agreement by any officer, employee, subcontractor, agent or any other individual or entity that is on the List of Excluded Individuals/Entities maintained by the U.S. Department of Health and Human Services, Office of the Inspector General ("OIG") or the California State Medi-Cal Suspended and Ineligible Provider List ("S&I") maintained by the California Department of Health Care Services (DHCS).

a. CONTRACTOR shall be responsible to determine on a monthly basis whether any of its officers, employees, subcontractors, agents, or other individuals or entities are on either or both excluded lists of OIG and S&I and shall immediately notify the COUNTY upon discovery that any of its officers, employees, subcontractors, agents, or other individuals or entities appears on either or both excluded lists.

b. The OIG list is currently found at the following web address: http://exclusions.oig.hhs.gov. The S&I list is currently found at the following web address: http://www.medi-cal.ca.gov/references.asp.

VIII. PATIENT RIGHTS

A. CONTRACTOR shall comply with all applicable patients' rights laws including, but not limited to, the requirements set forth in California Welfare and Institutions Code, Division 5, Part 1, sections 5325, et seq., and California Code of Regulations, Title 9, Division 1, Chapter 4, Article 6 (sections 860, et seq.).

B. As a condition of reimbursement under this Agreement, CONTRACTOR shall ensure that all recipients of services under this Agreement shall receive the same level of services as other patients served by CONTRACTOR. CONTRACTOR shall ensure that recipients of services under this Agreement are not discriminated against in any manner including, but not limited to, admissions practices, evaluation, treatment, access to programs and or activities, placement in special wings or rooms, and the provision of special or separate meals. CONTRACTOR shall comply with Assurance of Compliance requirements as set forth in Exhibit D and incorporated by reference as if fully set forth herein.

IX. MAINTENANCE AND CONFIDENTIALITY OF PATIENT INFORMATION

A. CONTRACTOR shall maintain clinical records for each recipient of service in

DocuSign Envelope ID: 67F76C58-A188-4E63-886E-FACFF2088EBA

compliance with all Federal and State requirements. Such records shall include a description of all services provided by the CONTRACTOR in sufficient detail to make possible an evaluation of services, and all data necessary to prepare reports to the State, including treatment plans, records of client interviews, and progress notes.

B. CONTRACTOR shall retain clinical records for a minimum of seven (7) years and, in the case of minors, for at least one (1) year after the minor has reached the age of majority, but for a period of no less than seven (7) years. Clinical records shall be the property of the COUNTY and maintained by the CONTRACTOR in accordance with Federal, State and COUNTY standards.

C. CONTRACTOR shall comply with the Confidentiality of Patient Information requirements set forth in Exhibit C and incorporated by reference as if fully set forth herein.

X. REPORTS OF DEATH, INJURY, DAMAGE, OR ABUSE

A. Reports of Death, Injury, or Damage. If death, serious personal injury, or substantial property damage occur in connection with the performance of this Agreement, CONTRACTOR shall immediately notify the Behavioral Health Director by telephone. In addition, CONTRACTOR shall promptly submit to COUNTY a written report including: (1) the name and address of the injured/deceased person; (2) the time and location of the incident; (3) the names and addresses of CONTRACTOR'S employees or agents who were involved with the incident; (4) the names of COUNTY employees, if any, involved with the incident; and (5) a detailed description of the incident.

B. Child Abuse Reporting. CONTRACTOR shall ensure that all known or suspected instances of child abuse or neglect are promptly reported to proper authorities as required by the Child Abuse and Neglect Reporting Act, California Penal Code sections 11164, et seq. CONTRACTOR shall require all of its employees, consultants, and agents performing services under this Agreement who are mandated reporters under the Act to sign statements indicating that they know of and shall comply with the Act's reporting requirements.

C. Elder Abuse Reporting. CONTRACTOR shall ensure that all known or suspected instances of abuse or neglect of elderly people 65 years of age or older and dependent adults age 18 or older are promptly reported to proper authorities as required by the Elder Abuse and Dependent Adult Protection Act (California Welfare and Institutions Code, sections 15600 Code, et seq.). CONTRACTOR shall require all of its employees, consultants, and agents performing services under this Agreement who are mandated reporters under the Act to sign statements indicating that they know of and shall comply with the Act's reporting requirements.

XI. INDEMNIFICATION

CONTRACTOR shall indemnify, defend, and hold harmless the COUNTY, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies, in connection with the performance of this Agreement, and

DocuSign Envelope ID: 67F76C58-A188-4E63-886E-FACFF2088EBA

from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with the CONTRACTOR'S performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of the COUNTY. "CONTRACTOR'S performance" includes CONTRACTOR'S action or inaction and the action or inaction of CONTRACTOR'S officers, employees, agents and subcontractors.

XII. INSURANCE

A. Evidence of Coverage. Prior to commencement of this Agreement, the CONTRACTOR shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the CONTRACTOR upon request shall provide a certified copy of the policy or policies.

This verification of coverage shall be sent to the COUNTY'S Contracts/Purchasing Office, unless otherwise directed. The CONTRACTOR shall not receive approval for services for work under this Agreement until all insurance has been obtained as required and approved by the COUNTY. This approval of insurance shall neither relieve nor decrease the liability of the CONTRACTOR.

B. Qualifying Insurers. All coverage, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A- VII, according to the current Best's Key Rating Guide or a company of equal financial stability that is approved by the COUNTY'S Contracts/Purchasing Officer.

C. Insurance Coverage Requirements. Without limiting CONTRACTOR'S duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

1. Commercial general liability insurance, including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broadform Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than $1,000,000 per occurrence.

2. Business automobile liability insurance, covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than $1,000,000 per occurrence if maximum estimated reimbursement obligation by COUNTY to CONTRACTOR under this Agreement is over $100,000 or of not less than $500,000 per occurrence if maximum estimated reimbursement obligation by COUNTY to CONTRACTOR under this Agreement is $100,000 and less.

3. Workers Compensation Insurance, if CONTRACTOR employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's liability limits not less than $1,000,000 each person, $1,000,000 each accident and $1,000,000 each disease.

DocuSign Envelope ID: 67F76C58-A188-4E63-886E-FACFF2088EBA

4. Professional Liability Insurance, if required for the professional service being provided, (e.g., those persons authorized by a license to engage in business or profession regulated by the California Business and Professional Code), in the amount of not less than $1,000,000 per claim and $2,000,000 in the aggregate, to cover liability for malpractice or errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three (3) years following the expiration or earlier termination of this Agreement.

D. Other Insurance Requirements. All insurance required by this Agreement shall be with a company acceptable to the COUNTY and issued and executed by an admitted insurer authorized to transact insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three (3) years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the COUNTY shall be given notice in writing at least thirty (30) calendar days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for CONTRACTOR and additional insured with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insured with respect to liability arising out of the CONTRACTOR'S work, including ongoing and complete operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the COUNTY and that the insurance of the Additional Insured shall not be called upon to contribute to a loss covered by the CONTRACTOR'S insurance.

Prior to the execution of this Agreement by the COUNTY, CONTRACTOR shall file certificates of insurance with the COUNTY'S contract administrator and the COUNTY'S Contracts/Purchasing Office, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five (5) calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

CONTRACTOR shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by COUNTY, annual certificates to COUNTY'S Contract Administrator and COUNTY'S Contracts/Purchasing Office. If the certificate is not received by the expiration date, CONTRACTOR shall have five (5) calendar days to send the certificate, evidencing no lapse

DocuSign Envelope ID: 67F76C58-A188-4E63-886E-FACFF2088EBA

in coverage during the interim. Failure by CONTRACTOR to maintain such insurance coverage is a breach of this Agreement, which entitles COUNTY, at its sole and absolute discretion, to (1) immediately disallow claim(s) for payment and/or withhold payment(s) by COUNTY to CONTRACTOR, pursuant to Section III (A), for services rendered on or after the effective date of termination, reduction, non-renewal, or cancellation of the insurance coverage maintained by CONTRACTOR, and/or (2) terminate this Agreement pursuant to Section IV.

XIII. BUDGET AND EXPENDITURE REPORT

A. CONTRACTOR shall submit, as requested by the COUNTY, the Budget and Expenditure Report provided as Exhibit H, if made part of this Agreement, identifying CONTRACTOR'S allowable costs and program revenues. COUNTY shall identify program revenues for COUNTY funds, and CONTRACTOR shall identify allowable costs and other program revenues as defined in Exhibit B, Section VI, paragraph B of this Agreement, if applicable. The budget shall be the basis for payment reimbursements, cost settlement activities, and audits.

B. CONTRACTOR shall submit an electronic copy of the Six-(6) Month and the Year-to-Date Budget and Expenditure report by February 15 and by the date specified by the COUNTY, respectively, to the COUNTY using Exhibit H as the template format. The report shall include data related to the actual costs incurred, revenues earned, and the number of actual clients served by each funded program.

XIV. PREPARATION OF ANNUAL REPORT(S) AND CONTRACTOR'S YEAR-END COST REPORT SETTLEMENT

A. Annual Report(s) and CONTRACTOR'S Year-End Cost Report Settlement. CONTRACTOR shall submit by COUNTY'S required deadlines the following, as it pertains to this Agreement:

1. State Cost Report.
2. Annual Mental Health Services Act (MHSA) Revenue and Expenditure Reports.
3. Annual Report(s), as applicable and required by the COUNTY.
4. CONTRACTOR'S Year-End Cost Report Settlement in accordance with the terms and conditions set forth in Exhibit I, if made part of this Agreement.

Such Annual Reports, numbered (1) through (3) above, and such cost report settlement, numbered (4) above, shall be prepared in accordance with generally accepted accounting principles and Federal, State and COUNTY reimbursement requirements using forms, templates and instructions provided by the COUNTY.

B. Preparation and Submission of Annual Report(s) and CONTRACTOR'S Year-End Cost Report Settlement in Response to Termination or Cancellation of Agreement. If this Agreement is terminated or canceled prior to June 30th of any fiscal year, CONTRACTOR shall prepare and submit to COUNTY an Annual Report(s) and CONTRACTOR'S Year-End Cost Report Settlement with the COUNTY for services/activities rendered during the fiscal year(s) for which the CONTRACTOR'S applicable Report(s) is (are) outstanding and shall adhere to the terms and conditions set forth in Exhibit I, if made part of this Agreement. If

DocuSign Envelope ID: 67F76C58-A188-4E63-886E-FACFF2088EBA

Exhibit I is not a part of this Agreement, CONTRACTOR shall prepare and submit to COUNTY a cost report and any applicable reports as requested by the COUNTY.

C. Non-submission of Annual Report(s) and CONTRACTOR'S Year-End Cost Report Settlement. Failure to submit the Annual Report(s) and/or the CONTRACTOR'S Year-End Cost Report Settlement, described in Section XIV (A), within thirty (30) calendar days after COUNTY'S applicable due date(s) is a breach of this Agreement, which entitles COUNTY, in its sole and absolute discretion, to (1) disallow claim(s) for payment for services/activities rendered during the fiscal year(s) for which the CONTRACTOR'S applicable Report(s) is (are) outstanding, (2) withhold payment(s) for reimbursements payable pursuant to Section III (A) to CONTRACTOR for the current fiscal year by COUNTY to CONTRACTOR, and/or (3) terminate this Agreement pursuant to Section IV. CONTRACTOR shall comply with Annual Report(s) and CONTRACTOR'S Year-End Cost Report Settlement requirements as set forth in Exhibit I, if Exhibit I is made part of this Agreement.

D. Cost Report Training. CONTRACTOR shall attend a one-time mandatory cost report training provided by the COUNTY. COUNTY shall provide further training as needed and as required in accordance with changes in the State cost report requirements. CONTRACTOR shall adhere to cost report training requirements and shall comply in accordance with Exhibit I, Section III, if made part of this Agreement.

XV. ACCESS TO AND AUDIT OF RECORDS

A. Right to Inspect Records. At any time during the term of this Agreement or after the expiration or termination of this Agreement, in accordance with Federal and State laws including, but not limited to the California Welfare and Institutions Code (WIC) Sections 14170 et seq., the COUNTY or its representative, Federal or State governments may conduct an audit, review or other monitoring procedures of the CONTRACTOR regarding the services/activities provided under this Agreement. The COUNTY or its representative, Federal or State governments shall have the right to inspect any and all books, records, and facilities maintained by CONTRACTOR during normal business hours and without advance notice to evaluate the use of funds and the cost, quality, appropriateness, and timeliness of services.

B. Maintenance of Records. CONTRACTOR shall maintain any and all records documenting all services set forth under this Agreement for a period of seven (7) years from the end of the fiscal year in which such services were provided or until three (3) years after final resolution of any audits, CONTRACTOR'S Year-End Cost Report Settlement, State Cost Report Settlement, or appeals, whichever occurs later. CONTRACTOR shall maintain such records in a form comporting with generally accepted accounting and auditing standards and all applicable laws.

C. Overpayment. If the results of any audit, CONTRACTOR'S Year-End Cost Report Settlement, or State Cost Report Settlement shows that the funds paid to CONTRACTOR under this Agreement exceeded the amount due, then CONTRACTOR shall pay the excess amount to COUNTY in cash not later than thirty (30) calendar days after the COUNTY notifies the CONTRACTOR of such overpayment; or, at COUNTY'S election, COUNTY may recover the excess or any portion of it by offsets made by COUNTY against any

DocuSign Envelope ID: 67F76C58-A188-4E63-886E-FACFF2088EBA

payment(s) owed to CONTRACTOR under this or any other Agreement or as set forth in Exhibit I, if made part of this Agreement.

D. Responsibility for Audit and/or Cost Report Settlement Exceptions. Any and all audit and/or Cost Report Settlement exceptions by COUNTY or any Federal or State agency resulting from an audit and/or Cost Report Settlement of CONTRACTOR'S performance of this Agreement, or actions by CONTRACTOR, its officers, agents, and employees shall be the sole responsibility of the CONTRACTOR.

E. Availability of Records for Grievances and Complaints by Recipients of Service. CONTRACTOR shall ensure the availability of records for the prompt handling of grievances or complaints filed by recipients of services. Release of records shall be subject to the confidentiality provisions set forth in this Agreement.

F. Reports. CONTRACTOR shall prepare any reports and furnish all information required for reports to be prepared by the COUNTY as may be required by the State of California or applicable law.

XVI. NON-DISCRIMINATION

A. Non-discrimination. During the performance of this Agreement, CONTRACTOR shall not unlawfully discriminate against any person because of race, religion, color, sex, national origin, ancestry, mental or physical handicap, medical condition, marital status, age (over 40), or sexual orientation, either in CONTRACTOR'S employment practices or in the furnishing of services to recipients. CONTRACTOR shall insure that the evaluation and treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be unlawful discrimination. In addition, CONTRACTOR'S facility access for the disabled shall comply with § 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 794).

B. Discrimination defined. The term "discrimination," as used in this Agreement, is the same term that is used in Monterey County Code, Chapter 2.80 ("Procedures for Investigation and Resolution of Discrimination Complaints"); it means the illegal denial of equal employment opportunity, harassment (including sexual harassment and violent harassment), disparate treatment, favoritism, subjection to unfair or unequal working conditions, and/or discriminatory practice by any Monterey County official, employee or agent, due to an individual's race, color, ethnic group, sex, national origin, ancestry, religious creed, sexual orientation, age, veteran's status, cancer-related medical condition, physical handicap (including AIDS) or disability. The term also includes any act of retaliation.

C. Application of Monterey County Code Chapter 2.80. The provisions of Monterey County Code Chapter 2.80 apply to activities conducted pursuant to this Agreement. CONTRACTOR and its officers and employees, in their actions under this Agreement, are agents of the COUNTY within the meaning of Chapter 2.80 and are responsible for ensuring that their workplace and the services that they provide are free from discrimination, as required by Chapter 2.80. Complaints of discrimination made by recipients of services

DocuSign Envelope ID: 67F76C58-A188-4E63-886E-FACFF2088EBA

against CONTRACTOR may be pursued by using the procedures established by or pursuant to Chapter 2.80. CONTRACTOR shall establish and follow its own written procedures for prompt and fair investigation and resolution of discrimination complaints made against CONTRACTOR by its own employees and agents or recipients of services pursuant to this Agreement, and CONTRACTOR shall provide a copy of such procedures to COUNTY on demand by COUNTY.

D. Compliance with Applicable Law. During the performance of this Agreement, CONTRACTOR shall comply with all applicable Federal, State and local laws and regulations which prohibit discrimination including, but not limited to, the following:
   1. California Code of Regulations, Title 9, §§ 526, 527;
   2. California Fair Employment and Housing Act, (Govt. Code § 12900, et seq.), and the administrative regulations issued thereunder, Cal. Code of Regulations, Title 2, § 7285, et seq.;
   3. California Government Code, sections 11135-11139.5 (Title 2, Div. 3, Part 1, Chap. 1, Art. 9.5) and any applicable administrative rules and regulations issued under these sections;
   4. Federal Civil Rights Acts of 1964 and 1991 (see especially Title VI, 42 U.S.C. § 2000(d), et seq.), as amended, and all administrative rules and regulations issued thereunder (see especially 45 C.F.R. Parts 80);
   5. Sections 503 and 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §§ 793 and 794); all requirements imposed by the applicable HHS regulations (45 C.F.R. Part 84); and all guidelines and interpretations issued pursuant thereto;
   6. Americans with Disabilities Act of 1990, 42 U.S.C. §12101, et seq., and 47 U.S.C. §§ 225 and 611, and any Federal regulations issued pursuant thereto (see 24 C.F.R. Chapter 1; 28 C.F.R. Parts 35 and 36; 29 C.F.R. Parts 1602, 1627, and 1630; and 36 C.F.R. Part 1191);
   7. Unruh Civil Rights Act, Cal. Civil Code § 51, et seq.
   8. California Government Code section 12900 (A-F) and California Code of Regulations, Title 2, Division 4, Chapter 5.

   In addition, the applicable regulations of the California Fair Employment and Housing Commission implementing Government Code § 12990 as set forth in Chapter 5, Division 4 of Title 2 of the California Code of Regulations are incorporated into this Agreement by reference and made a part hereof as if set forth in full.

E. Written Assurance. Upon request by COUNTY, CONTRACTOR shall give any written assurances of compliance with the Civil Rights Acts of 1964 and 1991, the Rehabilitation Act of 1973, as amended, and the Americans with Disabilities Act of 1990, as may be required by the Federal government in connection with this Agreement, pursuant to 45 C.F.R. sec. 80.4 or C.F.R. § 84.5 or other applicable Federal or State regulations.

F. Written Statement of Non-discrimination Policies. CONTRACTOR shall maintain a written statement of its non-discrimination policies and procedures. Such statement shall be consistent with the terms of this Agreement and shall be available to CONTRACTOR'S employees, recipients of services, and members of the public upon request.

DocuSign Envelope ID: 67F76C58-A188-4E63-886E-FACFF2088EBA

G. Notice to Labor Unions. CONTRACTOR shall give written notice of its obligations under this section to labor organizations with which it has a collective bargaining or other agreement.

H. Access to Records by Government Agencies. CONTRACTOR shall permit access by COUNTY and by representatives of the State Department of Fair Employment and Housing and any Federal or State agency providing funds for this contract upon reasonable notice at any time during normal business hours, but in no case less than 24 hours' notice, to such of its books, records, accounts, facilities, and other sources of information as the inspecting party may deem appropriate to ascertain compliance with these nondiscrimination provisions.

I. Binding on Subcontractors. The provisions above shall also apply to all of CONTRACTOR'S subcontractors who provide services pursuant to this Agreement. CONTRACTOR shall include the non-discrimination and compliance provisions set forth above in all its subcontracts to perform work or provide services under this Agreement.

XVII. CULTURAL COMPETENCY AND LINGUISTIC ACCESSIBILITY

A. CONTRACTOR shall provide services in a culturally competent manner to assure access to services by all eligible individuals as required by State regulations and policies, other applicable laws, and in accordance with Exhibit E of this Agreement. Cultural competency is defined as a congruent set of practice skills, behaviors, attitudes, and policies that enable staff to work effectively in providing contractual services under this Agreement in cross-cultural situations. Specifically, CONTRACTOR'S provision of services shall acknowledge the importance of culture, adapt services to meet culturally unique needs, and promote congruent skills, behaviors, attitudes, and policies enabling all persons providing services to function effectively in cross-cultural situations.

B. CONTRACTOR shall provide linguistically accessible services to assure access to services by all eligible individuals as required by State regulations and policies and other applicable laws. Specifically, CONTRACTOR shall provide services to eligible individuals in their primary language through linguistically proficient staff or interpreters. Family members, friends, or neighbors may be used as interpreters only in emergency situations.

C. For the purposes of this Section, "access" is defined as the availability of medically necessary mental health services in a manner that promotes and provides the opportunity for services and facilitates their use.

XVIII. DRUG FREE WORKPLACE

CONTRACTOR shall submit to the COUNTY evidence of compliance with the California Drug-Free Workplace Act of 1990, California Government Code sections 8350, et seq., to provide a drug-free workplace by doing all of the following:

A. Publishing a Statement notifying employees that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited in the person's or organization's workplace and specifying the actions that shall be taken against employees for violations of the prohibitions.

DocuSign Envelope ID: 67F76C58-A188-4E63-886E-FACFF2088EBA

B. Establishing a drug-free awareness program to inform employees about all of the following:

1. The dangers of drug abuse in the workplace;
2. The person's or organization's policy of maintaining a drug-free workplace;
3. Any available drug counseling, rehabilitation, and employees assistance programs;
4. The penalties that may be imposed upon employees for drug abuse violations;
5. Requiring that each employee engaged in the performance of the Agreement or grant is given a copy of the company's drug-free policy statement and that, as a condition of employment on the contract or grant, the employee agrees to abide by the terms of the statement.

XIX. INDEPENDENT CONTRACTOR

In the performance of work, duties, and obligations under this Agreement, CONTRACTOR is at all times acting and performing as an independent contractor and not as an employee of the COUNTY. No offer or obligation of permanent employment with the COUNTY or particular COUNTY department or agency is intended in any manner, and CONTRACTOR shall not become entitled by virtue of this Agreement to receive from COUNTY any form of employee benefits including, but not limited to sick leave, vacation, or retirement benefits, workers' compensation coverage, insurance, disability benefits, or social security benefits, or unemployment compensation or insurance. CONTRACTOR shall be solely liable for and obligated to pay directly all applicable taxes including, but not limited to, Federal and State income taxes and Social Security, arising out of CONTRACTOR'S compensation for performance of this Agreement. In connection therewith, CONTRACTOR shall defend, indemnify, and hold the COUNTY harmless from any and all liability COUNTY may incur because of CONTRACTOR'S failure to pay such taxes when due.

XX. SUBCONTRACTING

CONTRACTOR may not subcontract any services under this Agreement without COUNTY'S prior written authorization. At any time, COUNTY may require a complete listing of all subcontractors employed by the CONTRACTOR for the purpose of fulfilling its obligations under the terms of this Agreement. CONTRACTOR shall be legally responsible for subcontractors' compliance with the terms and conditions of this Agreement and with applicable law. All subcontracts shall be in writing and shall comply with all Federal, State, and local laws, regulations, rules, and guidelines. In addition, CONTRACTOR shall be legally responsible to COUNTY for the acts and omissions of any subcontractor(s) and persons either directly or indirectly employed by subcontractor(s).

XXI. GENERAL PROVISIONS

A. Amendment. This Agreement may be amended or modified only by an instrument in writing signed by all the parties hereto.

B. Assignment and Subcontracting. The CONTRACTOR shall not assign, sell, or otherwise transfer its interest or obligations in this Agreement, either in whole or in part, without the prior written consent of the COUNTY. None of the services covered by this Agreement shall

DocuSign Envelope ID: 67F76C58-A188-4E63-886E-FACFF2088EBA

be subcontracted without the prior written approval of the COUNTY. Any assignment without such consent shall automatically terminate this Agreement. Notwithstanding any such subcontract, CONTRACTOR shall continue to be liable for the performance of all requirements of this Agreement.

C. Authority. Any individual executing this Agreement on behalf of an entity represents and warrants hereby that he or she has the requisite authority to enter into this Agreement on behalf of such entity and bind the entity to the terms and conditions of the same.

D. Compliance with Applicable Law. The parties shall comply with all applicable Federal, State, and local laws and regulations in performing this Agreement.

E. Conflict of Interest. CONTRACTOR represents that it presently has no interest and agrees not to acquire any interest during the term of this Agreement, which would directly or indirectly conflict in any manner or to any degree with the full and complete performance of the professional services required to be rendered under this Agreement.

F. Construction of Agreement. The parties agree that each party has fully participated in the review and revision of this Agreement and that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Agreement or any amendment hereto.

G. Contractor. The term "CONTRACTOR" as used in this Agreement includes CONTRACTOR'S officers, agents, and employees acting on CONTRACTOR'S behalf in the performance of this Agreement.

H. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same Agreement.

I. Disputes. CONTRACTOR shall continue to perform under this Agreement during any dispute.

J. Governing Law. This Agreement shall be governed by and interpreted under the laws of the State of California.

K. Headings. The section and paragraph headings are for convenience only and shall not be used to interpret the terms of this Agreement.

L. Integration. This Agreement, including the exhibits hereto, shall represent the entire Agreement between the parties with respect to the subject matter hereof and shall supersede all prior negotiations, representations, and/or agreements, either written or oral, between the parties as of the effective date hereof.

M. Non-exclusive Agreement. This Agreement is non-exclusive and both parties expressly reserve the right to contract with other entities for the same or similar services.

N. Severability. In the event of changes in law that effect the provisions of this Agreement, the parties agree to amend the affected provisions to conform to the changes in the law retroactive

DocuSign Envelope ID: 67F76C58-A188-4E63-886E-FACFF2088EBA

to the effective date of such changes in law. The parties further agree that the terms of this Agreement are severable and, in the event of changes in law as described above, the unaffected provisions and obligations of this Agreement shall remain in full force and effect.

O. Successors and Assigns. This Agreement and the rights, privileges, duties, and obligations of the COUNTY and CONTRACTOR under this Agreement, to the extent assignable or delegable, shall be binding upon and insure to the benefit of the parties and their respective successors, permitted assigns, and heirs.

P. Time is of the essence. Time is of the essence in each and all of the provisions of this Agreement.

Q. Waiver. Any waiver of any terms and conditions of this Agreement must be in writing and signed by the parties hereto. A waiver of any of the terms and conditions of this Agreement shall not be construed as a waiver of any other terms or conditions in this Agreement.

XXII. NOTICES AND DESIGNATED LIAISONS

Notices to the parties in connection with this Agreement may be given personally or may be delivered by certified mail, return receipt requested, addressed to:

EXHIBIT B: PAYMENT AND BILLING PROVISIONS – Medi-Cal Fee for Service Program

I. PAYMENT TYPE

Payment is based on the contract Negotiated Rate (NR)

II. PAYMENT CONDITIONS

A. All payments shall comply with Federal and State regulatory requirements, including but not limited to the Treatment Authorization Request (TAR) process as regulated by the California Code of Regulations, Title IX. The process specified below shall not be construed to replace or supersede regulatory requirements regarding the TAR process.

B. In order to receive any payment under this Agreement, CONTRACTOR shall submit a Treatment Authorization Request (TAR) and the appropriate clinical records to COUNTY within fourteen (14) days of the Medi-Cal beneficiary's discharge from the hospital.

C. In the event that a patient does not reveal his Medi-Cal eligibility or subsequently becomes eligible for Medi-Cal after discharge, the hospital will submit a TAR within sixty (60) calendar days of discovering the patient's Medi-Cal eligibility. The TAR packet shall have documentation indicating when and how the patient's Medi-Cal eligibility was discovered and verified. The COUNTY reserves the right to deny a request if it is not supported by documentation clearly indicating when and how the patient's eligibility was discovered and verified.

D. COUNTY shall approve or deny the TAR within fourteen (14) days of receipt of the TAR and clinical records (Approved as Requested or Approved as Modified). In the event that a TAR is denied or if a modification by CONTRACTOR is needed, COUNTY will return the TAR to CONTRACTOR with an explanation of the reason for the denial, or modification needed.

E. COUNTY shall forward the original approved TAR to the State fiscal intermediary and return a copy of the approved TAR to CONTRACTOR.

F. Upon receipt of the copy of the approved TAR, CONTRACTOR shall submit a claim for payment to the State fiscal intermediary.

G. In the case of a denied or returned for modification TAR, CONTRACTOR has the option of filing a first level appeal with COUNTY.

H. If COUNTY denies the appeal, CONTRACTOR may file a second level appeal with the State Department of Mental Health.

I. For an approved TAR, CONTRACTOR will receive payment directly from the State fiscal intermediary.

IV. MAXIMUM OBLIGATION OF COUNTY:

A. Subject to the limitations set forth herein, COUNTY shall pay to CONTRACTOR during the term of this Agreement a maximum amount of **$335,520** for services rendered under this Agreement.

B. Maximum Annual Liability:

FISCAL YEAR LIABILITY	AMOUNT
July 1, 2021 to June 30, 2022	$110,430
July 1, 2022 to June 30, 2023	$110,430
July 1, 2023 to June 30, 2024	$114,660
TOTAL COUNTY MAXIMUM OBLIGATION:	**$335,520**

C. The rate set forth in this Agreement shall be payment in full for services rendered under this Agreement, subject to third party liability and beneficiary (recipient of services) share of costs for specialty mental health services.

D. If, as to the date of signing this Agreement, CONTRACTOR has already received payment from COUNTY for services rendered under this Agreement, such amount shall be deemed to have been paid out under this Agreement and shall be counted towards COUNTY'S maximum liability under this Agreement.

E. If for any reason this Agreement is canceled, COUNTY'S maximum liability shall be the total utilization to the date of cancellation not to exceed the maximum amount listed above.

F. As an exception to Section D. above with respect to the Survival of Obligations after Termination, COUNTY, any payer, and CONTRACTOR shall continue to remain obligated under this Agreement with regard to payment for services required to be rendered after termination.

V. LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS

A. This Agreement shall be subject to any restrictions, limitations, or conditions imposed by State which may in any way affect the provisions or funding of this Agreement, including, but not limited to, those contained in State's Budget Act.

B. This Agreement shall also be subject to any additional restrictions, limitations, or conditions imposed by the Federal government which may in any way affect the provisions or funding of this Agreement.

C. In the event that the COUNTY'S Board of Supervisors adopts, in any fiscal year, a COUNTY Budget which provides for reductions in COUNTY Agreements, the COUNTY reserves the right to unilaterally reduce its payment obligation under this Agreement to implement such Board reductions for that fiscal year and any subsequent fiscal year during the term of this

DocuSign Envelope ID: 67F76C58-A188-4E63-886E-FACFF2088EBA

Agreement, correspondingly. The COUNTY'S notice to the CONTRACTOR regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such action.

D. Notwithstanding any other provision of this Agreement, COUNTY shall not be obligated for CONTRACTOR'S performance hereunder or by any provision of this Agreement during any of COUNTY'S current or future fiscal year(s) unless and until COUNTY'S Board of Supervisors appropriates funds for this Agreement in COUNTY'S Budget for each such fiscal year. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. COUNTY shall notify CONTRACTOR of any such non-appropriation of funds at the earliest possible date and the services to be provided by the CONTRACTOR under this Agreement shall also be reduced or terminated.

VI. AUTHORITY TO ACT FOR THE COUNTY

The Director of the Health Department of the County of Monterey may designate one or more persons within the County of Monterey for the purposes of acting on his/her behalf to implement the provisions of this Agreement. Therefore, the term "Director" in all cases shall mean "Director or his/her designee."

EXHIBIT C: CONFIDENTIALITY OF PATIENT INFORMATION

Confidentiality of Patient Information and Records. All patient information and records are confidential. CONTRACTOR shall maintain the confidentiality of all patient records, including billings and computerized records, in accordance with all state and federal law relating to confidentiality of patient records and patient information, including but not limited to: Welfare and Institutions Code sections 5328, *et seq*., 14100.2, and 10850, *et seq*; Title 45 Code of Federal Regulations section 205.50, and Title 42, CFR, section 431.300 et seq.

"Patient information" or "confidential information" includes any patient/recipient of services identifying information including, but not limited to: name, identifying numbers, symbol, fingerprint, photograph or voice print. In addition, "patient information" or "confidential information" includes all information CONTRACTOR has obtained about a patient/recipient of services whether or not a documentary record of such information exists.

Use and Disclosure of Patient Information. Confidential information gained by CONTRACTOR from access to records and from contact with patients/recipients of service and complainants shall be used by CONTRACTOR only in connection with its performance under this Agreement. CONTRACTOR shall not disclose patient records or information, including the identities of patients/recipients of service, without proper consent to such disclosure or a court order requiring disclosure. In addition, CONTRACTOR shall obtain COUNTY"S authorization to such disclosure prior to any release of confidential information. The COUNTY, through the Behavioral Health Director, shall have access to such confidential information.

Penalty for Unauthorized Disclosure. CONTRACTOR understands that disclosure of patient information in violation of law may subject the party releasing the information to a minimum of $10,000 in civil damages, as set forth in Welfare and Institutions Code Section 5330.

Duty to Warn. CONTRACTOR understands that persons providing services under this Agreement may, in certain situations involving a patient or recipient of services who is a danger to himself or others, have a duty to warn third parties of such danger and should consult supervisory staff and/or legal counsel about such duty to warn as appropriate.

Dissemination of these Confidentiality Provisions. CONTRACTOR shall inform all its officers, employees, agents, and subcontractors providing services hereunder of these provisions.

By my signature below, as the authorized representative of the CONTRACTOR named below, I certify acceptance and understanding for myself and the CONTRACTOR of the above confidentiality provisions.

EXHIBIT E: ASSURANCE OF COMPLIANCE WITH MONTEREY COUNTY'S CULTURAL COMPETENCY POLICY

In a culturally competent system, each provider organization shows respect for and responds to individual differences and special needs. Services are provided in the appropriate cultural context and without discrimination related to race, national origin, income level, religion, gender, sexual orientation, age, or physical disability, to name a few. Culturally competent caregivers are aware of the impact of their own culture on their relationships with consumers/families and know about and respect cultural and ethnic differences. They adapt their skills to meet each individual's/family's values and customs. Cultural competence is a developmental and dynamic process – one that occurs over time.

Organizations in a Culturally Competent Service System Promote:

Quality Improvement

- Continuous evaluation and quality improvement
- Supporting evidence-based, promising, community defined, and emerging practices that are congruent with ethnic/racial/linguistic group belief systems, cultural values and help-seeking behaviors.

Collaboration

- Collaborating with Behavioral Health and other community programs
- Resolving barriers to partnerships with other service providers

Access

- Providing new services to unserved and underserved children, youth, adults and/or older adults
- Reducing disparities in access to, and retention in, care as identified in the Mental Health Services Act Plan
- Ensuring representation of mental health services consumers, family members of a mental health services consumer, and/or representatives from unserved communities on their advisory/governance body or committee for development of service delivery and evaluation (with a minimum target of 40%).
- Developing recruitment, hiring, and retention plans that are reflective of the population focus, communities' ethnic, racial, and linguistic populations.

Cultural Competent Services:

- Are available, accessible and welcoming to all clients regardless of race, ethnicity, language, age, and sexual orientation.
- Provide a physical environment that is friendly, respectful and inclusive of all cultures.
- Provide information, resources and reading materials in multilingual formats.
- Promote and foment culturally accepted social interactions, respect and healthy behaviors within the family constellation and service delivery system.
- Provide options for services, which are consistent with the client's beliefs, values, healing traditions, including individual preferences for alternative, spiritual and/or holistic approaches to health.
- Offer services in unserved and underserved communities.
- Have services available in the evening and on weekends to ensure maximum accessibility.

DocuSign Envelope ID: 67F76C58-A188-4E63-886E-FACFF2088EBA

- Offer services in Spanish and other necessary languages (such as Tagalog, Vietnamese, Oaxacan, Triqui and other languages spoken of Monterey County residents).

Definitions for Cultural Competency

"Cultural Competence" is defined as a set of congruent practice skills, knowledge, behaviors, attitudes, and policies that come together in a system, agency, or among consumer providers, family members, and professionals that enables that system, agency, or those professionals and consumers, and family member providers to work effectively in cross-cultural situations.

(Adapted from Cross, et al., 1989; cited in DMH Information Notice No.02-03).

"Cultural Competence" is a means to eliminating cultural, racial and ethnic disparities. Cultural Competence enhances the ability of the whole system to incorporate the languages, cultures, beliefs and practices of its clients into the service. In this way all clients benefit from services that address their needs from the foundation of their own culture. Strategies for elimination of these disparities must be developed and implemented. Cultural Competence must be supported at all levels of the system.

(CMHDA Framework for Eliminating Cultural, Linguistic, Racial and Ethnic Behavioral Health Disparities)

[Cultural Competency] A set of congruent behaviors, attitudes, and policies that come together in a system, agency or amongst professionals and consumers and enables that system, agency or those professionals and consumers to work effectively in cross-cultural situations.

(Cross, Bazron, Dennis & Issacs, 1989)

The ability to work effectively with culturally diverse clients and communities.

(Randall David, 1994)

CONTRACTOR hereby agrees that it will comply with the principles and guidelines set forth in Monterey County's Health Department – Behavioral Health's Cultural Competency Policy (as outlined above), and will:

1. Develop organizational capacity to provide services in a culturally and linguistically competent manner. This may include: hiring staff with the linguistic capabilities needed to meet the diverse language needs in Monterey County (for example, Spanish, Tagalog, Vietnamese, Oaxacan, Triqui, American Sign Language (ASL), Middle Eastern languages); providing staff with training in cultural competency; making services accessible at locations and times that minimize access barriers, and ensuring that staff have an open, welcoming and positive attitude and feel comfortable working with diverse cultures.

2. Create a physical environment that ensures people of all cultures, ages and sexual orientation feel welcome and cared for. This may include: decorating waiting and treatment areas with pictures that reflect the diverse cultures of Monterey County; providing reading materials, resources and magazines in varied languages, at appropriate reading levels and suitable for different age groups, including children and youth; consideration of cultural differences and preferences when offering refreshments; ensuring that any pictures, symbols or materials on display are not unintentionally disrespectful to another culture.
3. Provide a services delivery environment that ensures people of all cultures, ages and sexual orientation feel welcome and cared for. This may include: respect for individual preferences for

DocuSign Envelope ID: 67F76C58-A188-4E63-886E-FACFF2088EBA

alternative, spiritual and/or holistic approaches to health; a reception staff that is competent in the different languages spoken by consumers/families; staff that is knowledgeable of cultural and ethnic differences and needs, and is able and willing to respond an appropriate and respectful manner.

4. Support the county's goal to reduce disparities to care by increasing access and retention while decreasing barriers to services by unserved and underserved communities.

5. Include the voice of multi-cultural youth, client and family members, including: monolingual and bilingual clients and family members and representatives from unserved and underserved communities, in the advisory/governance body or committee for development of service delivery, planning and evaluation (County Goal: 40%).

6. Participate in outcome evaluation activities aimed at assessing individual organizations as well as countywide cultural competency in providing mental health services.

7. As requested, meet with the Monterey County Health Department - Behavioral Health Director or designee to monitor progress and outcomes of the project.

8. Ensure that 100% of staff, over a 3 year period, participate in cultural competency training including, but not limited to, those offered by Monterey County Behavioral Health.

Dissemination of these Provisions. CONTRACTOR shall inform all its officers, employees, agents, and subcontractors providing services hereunder of these provisions.

By my signature below, as the authorized representative of the CONTRACTOR named below, I certify acceptance and understanding for myself and the CONTRACTOR of the above provisions.

EXHIBIT F: BUSINESS ASSOCIATE AGREEMENT

This Business Associate Agreement ("Agreement"), effective **July 1, 2021** ("Effective Date"), is entered into by and among the County of Monterey, a political subdivision of the State of California, on behalf of the Health Department ("Covered Entity") and **Community Hospital of the Monterey Peninsula** ("Business Associate") (each a "Party" and collectively the "Parties").

Business Associate provides certain services for Covered Entity ("Services") that involve the use and disclosure of Protected Health Information that is created or received by Business Associate from or on behalf of Covered Entity ("PHI"). The Parties are committed to complying with the Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. Part 160 and Part 164, Subparts A and E as amended from time to time (the "Privacy Rule"), and with the Security Standards, 45 C.F.R. Part 160 and Part 164, Subpart C as amended from time to time (the "Security Rule"), under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), as amended by the Health Information Technology for Economic and Clinical Health Act and its implementing regulations ("HITECH"). Business Associate acknowledges that, pursuant to HITECH, 45 C.F.R. §§ 164.308 (administrative safeguards), 164.310 (physical safeguards), 164.312 (technical safeguards), 164.316 (policies and procedures and documentation requirements) and 164.502 *et. seq.* apply to Business Associate in the same manner that such sections apply to Covered Entity. The additional requirements of Title XIII of HITECH contained in Public Law 111-005 that relate to privacy and security and that are made applicable with respect to covered entities shall also be applicable to Business Associate. The Parties are also committed to complying with the California Confidentiality of Medical Information Act, Ca. Civil Code §§ 56 *et seq.* ("CMIA"), where applicable. Business Associate acknowledges that the CMIA prohibits Business Associate from further disclosing the PHI it receives from Covered Entity where such disclosure would be violative of the CMIA. The Parties are also committed to complying with applicable requirements of the Red Flag Rules issued pursuant to the Fair and Accurate Credit Transactions Act of 2003 ("Red Flag Rules"). This Agreement sets forth the terms and conditions pursuant to which PHI, and, when applicable, Electronic Protected Health Information ("EPHI"), shall be handled. The Parties further acknowledge that state statutes or other laws or precedents may impose data breach notification or information security obligations, and it is their further intention that each shall comply with such laws as well as HITECH and HIPAA in the collection, handling, storage, and disclosure of personal data of patients or other personal identifying information exchanged or stored in connection with their relationship.

The Parties agree as follows:

1. Definitions

All capitalized terms used in this Agreement but not otherwise defined shall have the meaning set forth in the Privacy Rule, Security Rule and HITECH.

2. Permitted Uses And Disclosures Of PHI

2.1 Unless otherwise limited herein, Business Associate may:

(a) use or disclose PHI to perform functions, activities or Services for, or on behalf of, Covered Entity as requested by Covered Entity from time to time, provided that such use or disclosure would not violate the Privacy or Security Rules or the standards for Business Associate Agreements set forth in 45 C.F.R. § 164.504(e), exceed the minimum necessary to accomplish the intended purpose of such use or disclosure, violate the additional requirements of HITECH contained in Public Law 111-005 that relate to privacy and security, or violate the CMIA;

DocuSign Envelope ID: 67F76C58-A188-4E63-886E-FACFF2088EBA

(b) disclose PHI for the purposes authorized by this Agreement only: (i) to its employees, subcontractors and agents; (ii) as directed by this Agreement; or (iii) as otherwise permitted by the terms of this Agreement;

(c) use PHI in its possession to provide Data Aggregation Services to Covered Entity as permitted by 45 C.F.R. § 164.504(e)(2)(i)(B);

(d) use PHI in its possession for proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate as permitted by 45 C.F.R. § 164.504(e)(4)(i);

(e) disclose the PHI in its possession to third parties for the proper management and administration of Business Associate to the extent and in the manner permitted under 45 C.F.R. § 164.504(e)(4)(ii); provided that disclosures are Required by Law , or Business Associate obtains reasonable assurances from the persons to whom the information is disclosed that it will remain confidential and used or further disclosed only as Required by Law or for the purpose for which it was disclosed to the person, and the person notifies the Business Associate of any instances of which it is aware in which the confidentiality of the information has been breached;

(f) use PHI to report violations of law to appropriate Federal and state authorities, consistent with 45 C.F.R. § 164.502(j)(1);

(g) de-identify any PHI obtained by Business Associate under this Agreement for further use or disclosure only to the extent such de-identification is pursuant to this Agreement, and use such de-identified data in accordance with 45 C.F.R. § 164.502(d)(1).

3. Responsibilities Of The Parties With Respect To PHI

3.1 Responsibilities of Business Associate. With regard to its use and/or disclosure of PHI, Business Associate shall:

(a) use and/or disclose the PHI only as permitted or required by this Agreement or as otherwise Required by Law;

(b) report to the privacy officer of Covered Entity, in writing, (i) any use and/or disclosure of the PHI that is not permitted or required by this Agreement of which Business Associate becomes aware, and (ii) any Breach of unsecured PHI as specified by HITECH, within two (2) days of Business Associate's determination of the occurrence of such unauthorized use and/or disclosure. In such event, the Business Associate shall, in consultation with the Covered Entity, mitigate, to the extent practicable, any harmful effect that is known to the Business Associate of such improper use or disclosure. The notification of any Breach of unsecured PHI shall include, to the extent possible, the identification of each individual whose unsecured PHI has been, or is reasonably believed by the Business Associate to have been, accessed, acquired, used or disclosed during the Breach.

(c) use commercially reasonable safeguards to maintain the security of the PHI and to prevent use and/or disclosure of such PHI other than as provided herein;

(d) obtain and maintain an agreement with all of its subcontractors and agents that receive, use, or have access to, PHI pursuant to which agreement such subcontractors and agents agree to adhere to the same restrictions and conditions on the use and/or disclosure of PHI that apply to Business Associate pursuant to this Agreement;

DocuSign Envelope ID: 67F76C58-A188-4E63-886E-FACFF2088EBA

(e) make available all internal practices, records, books, agreements, policies and procedures and PHI relating to the use and/or disclosure of PHI to the Secretary for purposes of determining Covered Entity or Business Associate's compliance with the Privacy Rule;

(f) document disclosures of PHI and information related to such disclosure and, within ten (10) days of receiving a written request from Covered Entity, provide to Covered Entity such information as is requested by Covered Entity to permit Covered Entity to respond to a request by an individual for an accounting of the disclosures of the individual's PHI in accordance with 45 C.F.R. § 164.528, as well as provide an accounting of disclosures, as required by HITECH, directly to an individual provided that the individual has made a request directly to Business Associate for such an accounting. At a minimum, the Business Associate shall provide the Covered Entity with the following information: (i) the date of the disclosure, (ii) the name of the entity or person who received the PHI, and if known, the address of such entity or person; (iii) a brief description of the PHI disclosed; and (iv) a brief statement of the purpose of such disclosure which includes an explanation of the basis for such disclosure. In the event the request for an accounting is delivered directly to the Business Associate, the Business Associate shall, within two (2) days, forward such request to the Covered Entity. The Business Associate shall implement an appropriate recordkeeping process to enable it to comply with the requirements of this Section;

(g) subject to Section 4.4 below, return to Covered Entity within twenty-one (21) days of the termination of this Agreement, the PHI in its possession and retain no copies, including backup copies;

(h) disclose to its subcontractors, agents or other third parties, and request from Covered Entity, only the minimum PHI necessary to perform or fulfill a specific function required or permitted hereunder;

(i) if all or any portion of the PHI is maintained in a Designated Record Set:

(i) upon ten (10) days' prior written request from Covered Entity, provide access to the PHI in a Designated Record Set to Covered Entity or, as directed by Covered Entity, the individual to whom such PHI relates or his or her authorized representative to meet a request by such individual under 45 C.F.R. § 164.524; and

(ii) upon ten (10) days' prior written request from Covered Entity, make any amendment(s) to the PHI that Covered Entity directs pursuant to 45 C.F.R. § 164.526;

(j) maintain policies and procedures to detect and prevent identity theft in connection with the provision of the Services, to the extent required to comply with the Red Flag Rules;

(k) notify the Covered Entity within five (5) days of the Business Associate's receipt of any request or subpoena for PHI. To the extent that the Covered Entity decides to assume responsibility for challenging the validity of such request, the Business Associate shall cooperate fully with the Covered Entity in such challenge;

(l) maintain a formal security program materially in accordance with all applicable data security and privacy laws and industry standards designed to ensure the security and integrity of the Covered Entity's data and protect against threats or hazards to such security

The Business Associate acknowledges that, as between the Business Associate and the Covered Entity, all PHI shall be and remain the sole property of the Covered Entity.

DocuSign Envelope ID: 67F76C58-A188-4E63-886E-FACFF2088EBA

3.2 Additional Responsibilities of Business Associate with Respect to EPHI. In the event that Business Associate has access to EPHI, in addition to the other requirements set forth in this Agreement relating to PHI, Business Associate shall:

(a) implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of EPHI that Business Associate creates, receives, maintains, or transmits on behalf of Covered Entity as required by 45 C.F.R. Part 164, Subpart C;

(b) ensure that any subcontractor or agent to whom Business Associate provides any EPHI agrees in writing to implement reasonable and appropriate safeguards to protect such EPHI; and

(c) report to the privacy officer of Covered Entity, in writing, any Security Incident involving EPHI of which Business Associate becomes aware within two (2) days of Business Associate's discovery of such Security Incident. For purposes of this Section, a Security Incident shall mean (consistent with the definition set forth at 45 C.F.R. § 164.304), the attempted or successful unauthorized access, use, disclosure, modification, or destruction of information or interference with systems operations in an information system. In such event, the Business Associate shall, in consultation with the Covered Entity, mitigate, to the extent practicable, any harmful effect that is known to the Business Associate of such improper use or disclosure.

3.3 Responsibilities of Covered Entity. Covered Entity shall, with respect to Business Associate:

(a) provide Business Associate a copy of Covered Entity's notice of privacy practices ("Notice") currently in use;

(b) notify Business Associate of any limitations in the Notice pursuant to 45 C.F.R. § 164.520, to the extent that such limitations may affect Business Associate's use or disclosure of PHI;

(c) notify Business Associate of any changes to the Notice that Covered Entity provides to individuals pursuant to 45 C.F.R. § 164.520, to the extent that such changes may affect Business Associate's use or disclosure of PHI;

(d) notify Business Associate of any changes in, or withdrawal of, the consent or authorization of an individual regarding the use or disclosure of PHI provided to Covered Entity pursuant to 45 C.F.R. § 164.506 or § 164.508, to the extent that such changes may affect Business Associate's use or disclosure of PHI; and

(e) notify Business Associate, in writing and in a timely manner, of any restrictions on use and/or disclosure of PHI as provided for in 45 C.F.R. § 164.522 agreed to by Covered Entity, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

4. Terms And Termination

4.1 Term. This Agreement shall become effective on the Effective Date and shall continue in effect unless terminated as provided in this Article 4. Certain provisions and requirements of this Agreement shall survive its expiration or other termination as set forth in Section 5.1 herein.

4.2 Termination. Either Covered Entity or Business Associate may terminate this Agreement and any related agreements if the terminating Party determines in good faith that the terminated Party has breached a material term of this Agreement; provided, however, that no Party may terminate this Agreement if the breaching Party cures such breach to the reasonable satisfaction of the terminating Party within thirty (30) days after the breaching Party's receipt of written notice of such breach.

DocuSign Envelope ID: 67F76C58-A188-4E63-886E-FACFF2088EBA

4.3 Automatic Termination. This Agreement shall automatically terminate without any further action of the Parties upon the termination or expiration of Business Associate's provision of Services to Covered Entity.

4.4 Effect of Termination. Upon termination or expiration of this Agreement for any reason, Business Associate shall return all PHI pursuant to 45 C.F.R. § 164.504(e)(2)(ii)(I) if, and to the extent that, it is feasible to do so. Prior to doing so, Business Associate shall recover any PHI in the possession of its subcontractors or agents. To the extent it is not feasible for Business Associate to return or destroy any portion of the PHI, Business Associate shall provide Covered Entity a statement that Business Associate has determined that it is infeasible to return or destroy all or some portion of the PHI in its possession or in possession of its subcontractors or agents. Business Associate shall extend any and all protections, limitations and restrictions contained in this Agreement to any PHI retained after the termination of this Agreement until such time as the PHI is returned to Covered Entity or destroyed.

5. Miscellaneous

5.1 Survival. The respective rights and obligations of Business Associate and Covered Entity under the provisions of Sections 4.4, 5.1, 5.6, and 5.7, and Section 2.1 (solely with respect to PHI that Business Associate retains in accordance with Section 4.4 because it is not feasible to return or destroy such PHI), shall survive termination of this Agreement until such time as the PHI is returned to Covered Entity or destroyed. In addition, Section 3.1(i) shall survive termination of this Agreement, provided that Covered Entity determines that the PHI being retained pursuant to Section 4.4 constitutes a Designated Record Set.

5.2 Amendments; Waiver. This Agreement may not be modified or amended, except in a writing duly signed by authorized representatives of the Parties. To the extent that any relevant provision of the HIPAA, HITECH or Red Flag Rules is materially amended in a manner that changes the obligations of Business Associates or Covered Entities, the Parties agree to negotiate in good faith appropriate amendment(s) to this Agreement to give effect to the revised obligations. Further, no provision of this Agreement shall be waived, except in a writing duly signed by authorized representatives of the Parties. A waiver with respect to one event shall not be construed as continuing, or as a bar to or waiver of any right or remedy as to subsequent events.

5.3 No Third Party Beneficiaries. Nothing express or implied in this Agreement is intended to confer, nor shall anything herein confer, upon any person other than the Parties and the respective successors or assigns of the Parties, any rights, remedies, obligations, or liabilities whatsoever.

5.4 Notices. Any notices to be given hereunder to a Party shall be made via U.S. Mail or express courier to such Party's address given below, and/or via facsimile to the facsimile telephone numbers listed below.

If to Business Associate, to:
Steven Packer, MD
President/CEO
Community Hospital of the Monterey Peninsula
P.O. BOX HH

Each Party named above may change its address and that of its representative for notice by the giving of notice thereof in the manner hereinabove provided. Such notice is effective upon receipt of notice, but receipt is deemed to occur on next business day if notice is sent by FedEx or other overnight delivery service.

5.5 Counterparts; Facsimiles. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original. Facsimile copies hereof shall be deemed to be originals.

5.6 Choice of Law; Interpretation. This Agreement shall be governed by the laws of the State of California; as provided, however, that any ambiguities in this Agreement shall be resolved in a manner that allows Business Associate to comply with the Privacy Rule, and, if applicable, the Security Rule and the CMIA.

5.7 Indemnification. Contractor shall indemnify, defend, and hold harmless the County of Monterey (hereinafter County), its officers, agents, and employees from any claim, liability, loss, injury, cost, expense, penalty or damage, including the County's reasonable cost of providing notification of and of mitigating any acquisition, access, use or disclosure of PHI in a manner not permitted by this BAA, arising out of, or in connection with, performance of this BAA by Contractor and/or its agents, members, employees, or sub-contractors, excepting only loss, injury, cost, expense, penalty or damage caused by the negligence or willful misconduct of personnel employed by the County. It is the intent of the parties to this BAA to provide the broadest possible indemnification for the County. Contractor shall reimburse the County for all costs, attorneys' fees, expenses, and liabilities incurred by the County with respect to any investigation, enforcement proceeding or litigation in which Contractor is obligated to indemnify, defend, and hold harmless the County under this BAA. This provision is in addition to and independent of any indemnification provision in any related or other agreement between the Covered Entity and the Business Associate.

IN WITNESS WHEREOF, each of the undersigned has caused this Agreement to be duly executed in its name and on its behalf as of the Effective Date.

EXHIBIT G: REQUIREMENTS FOR 5150 DESIGNATION

In order to receive and maintain designation by the Monterey County Board of Supervisors as a facility for 72 hour treatment and evaluation under Welfare and Institutions Code Section 5150, CONTRACTOR shall ensure that the operation of its facility for Section 5150 patients complies with the conditions set forth below. These conditions may be amended by COUNTY upon giving at least 60 days advance notice in writing CONTRACTOR. The conditions are as follows:

1) CONTRACTOR shall submit to the County Behavioral Health Director a description of psychiatric programs available at the LPS designated hospital. It is the designated hospital's responsibility to update this description of services whenever appropriate.

2) CONTRACTOR and all persons staffing the facility shall adhere to the requirements of the LPS Act including furnishing required reports to the County Behavioral Health Director.

3) CONTRACTOR and all persons staffing the facility shall adhere to the patients' rights requirements of the LPS Act.

4) CONTRACTOR shall reimburse COUNTY for all costs incurred by COUNTY in providing patients' rights services for private patients.

5) CONTRACTOR shall reimburse COUNTY for all costs incurred by COUNTY on account of CONTRACTOR's private patients as follows:

   a) In connection with certification review hearings at the administrative level, including but not limited to hearing officer costs and patients' rights advocate costs;

   b) In connection with court hearings, including, but not limited to, attorney's fees and costs;

   c) COUNTY shall send to CONTRACTOR within ten (10) working days following the service month being reported a report which details the aforementioned costs incurred by the COUNTY. The report shall include the patient's name; dates of service; time spent by the Advocate or Counsel; associated dollar amount;

   d) The charge rates are:

ADVOCATE:	$82.11 Per hour (fully loaded hourly rate)
HEARING OFFICERS:	$120.00 Per hearing
DEPUTY COUNTY COUNSEL:	$220.00 Per hour (fully loaded hourly rate)
SR. DEPUTY COUNTY COUNSEL:	$250.00 Per hour (fully loaded hourly rate)

   e) Charges shall be deducted from the CONTRACTOR'S monthly claim for service;

   f) Any disputed payments shall be handled in accordance with Section XXV, par. 9.

DocuSign Envelope ID: 67F76C58-A188-4E63-886E-FACFF2088EBA

6) The facility shall have the capacity to ensure that patients are assessed and treated for medical problems.

7) A facility may transfer a patient for valid clinical reasons if another facility agrees to accept the patient. The requesting facility will be responsible to pay for the transportation.

8) CONTRACTOR shall inform the County Behavioral Health Director of any serious incidents involving an involuntary patient.

9) The facility shall accept and treat patients based on bed vacancy rather than the patients' third party payor source.

10) The facility staff will not be authorized to initiate LPS Conservatorships and will refer all patients they consider in need of conservatorship to the Behavioral Health Division's Medical Director for evaluation.

11) The facility and treatment program will be reviewed on an annual basis by the County Health Department's Behavioral Health Division.

12) All facility staff with 5150 privileges will be annually designated by the Behavioral Health Director and will be required to have appropriate training if deemed necessary by the Behavioral Health Director.

Introduced: 12/19/2023 **Current Status:** Passed

Version: 1 **Matter Type:** BoS Agreement

a. Approve and authorize the Director of Health Services or designee to execute a non-standard agreement with Thermo Electron N. America, LLC, for the purchase of new laboratory equipment and two years of preventative maintenance, effective upon execution, to January 31, 2027, for a total agreement amount of $170,523; and
b. Approve a non-standard agreement as recommended by the Director of Health Services; and
c. Approve and authorize the Director of Health Services or designee to sign up to three future amendments where the combined amendments do not exceed 10% ($17,052) of the original amount and does not significantly change the scope of work, total not to exceed a maximum of $187,575.

RECOMMENDATION:
It is recommended that the County of Monterey Board of Supervisors:
a. Approve and authorize the Director of Health Services or designee to execute a non-standard agreement with Thermo Electron N. America, LLC, for the purchase of new laboratory equipment and two years of preventative maintenance, effective upon execution, to January 31, 2027, for a total agreement amount of $170,523; and
b. Approve a non-standard agreement as recommended by the Director of Health Services; and
c. Approve and authorize the Director of Health Services or designee to sign up to three future amendments where the combined amendments do not exceed 10% ($17,052) of the original amount and does not significantly change the scope of work, total not to exceed a maximum of $187,575.

SUMMARY DISCUSSION:
The County of Monterey Health Department, Public Health Bureau, Consolidated Environmental Laboratory is an Environmental Lab Accreditation Program (ELAP)-certified laboratory that routinely analyzes drinking water for bacterial and chemical contaminants. The Consolidated Environmental Laboratory also conducts tests on samples derived from the environment for the purpose of assuring safe food, drinking water, reclaimed water, storm water run-off, and irrigation water.

The Consolidated Environmental Laboratory seeks approval to enter into an agreement with Thermo Electron North America, LLC, to purchase, install, and maintain an iCAP RQplus argon gas dilution mass spectrometer. The iCAP RQplus is a trace element analyzer. It will improve laboratory efficiency by providing higher throughput, streamlining analysis in one piece of equipment, and increasing detection sensitivity.

This work supports the County of Monterey Health Department 2018-2024 Strategic Plan Goals: 2.

Enhance public health and safety through prevention, and 3. Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports two of the ten essential public health services, specifically: 2. Investigate, diagnose, and address health problems and hazards affecting the population, 4. Strengthen, support, and mobilize communities and partnerships to improve health.

OTHER AGENCY INVOLVEMENT:
The Office of the County Counsel has reviewed and approved this Agreement as to legal form. Auditor-Controller has reviewed and approved this Agreement as to fiscal provisions.

FINANCING:
Appropriations for this Agreement are included in the Health Department's (HEA003-8124) FY 2023-24 Adopted Budget. The agreement is funded 49% by California Department of Public Health (CDPH) Epidemiology and Laboratory Capacity (ELC) Public Health Lab (PHL) grant funds for FY2023-2024 and 51% through Public Health Realignment. FY2024-2027 costs will be funded 100% through Public Health Realignment.

COUNTY OF MONTEREY STANDARD AGREEMENT

This **Agreement** is made by and between the County of Monterey, a political subdivision of the State of California (hereinafter "County") and:

Thermo Electron North America, LLC,

(hereinafter "CONTRACTOR").

In consideration of the mutual covenants and conditions set forth in this Agreement, the parties agree as follows:

1.0 GENERAL DESCRIPTION:

The County hereby engages CONTRACTOR to perform, and CONTRACTOR hereby agrees to perform, the services described in **Exhibit A** in conformity with the terms of this Agreement. The goods and/or services are generally described as follows:

Provide: Lab equipment and installation of a iCAP RQplus (C1, iMR) AGD with a two (2) year preventative maintenance plan.

2.0 PAYMENT PROVISIONS:

County shall pay the CONTRACTOR in accordance with the payment provisions set forth in **Exhibit A**, subject to the limitations set forth in this Agreement. The total amount payable by County to CONTRACTOR under this Agreement shall not exceed the sum of: $ 170,522.40

3.0 TERM OF AGREEMENT:

3.01 The term of this Agreement is from upon execution **to** January 31, 2027, unless sooner terminated pursuant to the terms of this Agreement. This Agreement is of no force or effect until signed by both CONTRACTOR and County and with County signing last, and **CONTRACTOR may not commence work before County signs this Agreement**.

3.02 The County reserves the right to cancel this Agreement, or any extension of this Agreement, without cause, with a thirty day (30) written notice, or with cause immediately.

4.0 SCOPE OF SERVICES AND ADDITIONAL PROVISIONS:

The following attached exhibits are incorporated herein by reference and constitute a part of this Agreement:

Exhibit A Scope of Services/Payment Provisions

Exhibit B Other:

DocuSign Envelope ID: 4D92BFFE-C8A2-4CAD-B6E9-A2C0A911878E

5.0 PERFORMANCE STANDARDS:

5.01 CONTRACTOR warrants that CONTRACTOR and CONTRACTOR's agents, employees, and subcontractors performing services under this Agreement are specially trained, experienced, competent, and appropriately licensed to perform the work and deliver the services required under this Agreement and are not employees of the County, or immediate family of an employee of the County.

5.02 CONTRACTOR, its agents, employees, and subcontractors shall perform all work in a safe and skillful manner and in compliance with all applicable laws and regulations. All work performed under this Agreement that is required by law to be performed or supervised by licensed personnel shall be performed in accordance with such licensing requirements.

5.03 CONTRACTOR shall furnish, at its own expense, all materials, equipment, and personnel necessary to carry out the terms of this Agreement, except as otherwise specified in this Agreement. CONTRACTOR shall not use County premises, property (including equipment, instruments, or supplies) or personnel for any purpose other than in the performance of its obligations under this Agreement.

6.0 PAYMENT CONDITIONS:

6.01 Prices shall remain firm for the initial term of the Agreement and, thereafter, may be adjusted annually as provided in this paragraph. The County does not guarantee any minimum or maximum amount of dollars to be spent under this Agreement.

6.02 Negotiations for rate changes shall be commenced, by CONTRACTOR, a minimum of ninety days (90) prior to the expiration of the Agreement. Rate changes are not binding unless mutually agreed upon in writing by the County and the CONTRACTOR.

6.03 Invoice amounts shall be billed directly to the ordering department.

6.04 CONTRACTOR shall submit such invoice periodically or at the completion of services, but in any event, not later than 30 days after completion of services. The invoice shall set forth the amounts claimed by CONTRACTOR for the previous period, together with an itemized basis for the amounts claimed, and such other information pertinent to the invoice. The County shall certify the invoice, either in the requested amount or in such other amount as the County approves in conformity with this Agreement and shall promptly submit such invoice to the County Auditor-Controller for payment. The County Auditor-Controller shall pay the amount certified within 30 days of receiving the certified invoice.

7.0 TERMINATION:

7.01 During the term of this Agreement, the County may terminate the Agreement for any reason by giving written notice of termination to the CONTRACTOR at least thirty (30) days prior to the effective date of termination. Such notice shall set forth the effective date of termination. In the event of such termination, the amount payable under this Agreement shall be reduced in proportion to the services provided prior to the date of termination.

1.8	**C0202-99-00182 PV PDU 2xL6-20R,2x6-20R,4x5-15R, NOT EU** The PDU module for the Powervar UPS systems acts as a "powerstrip" with numerous plug receptacles. The L14-30R (receptacle on UPS) mates with the L14-30P (Plug on PDU) 10' long power cord. The unique thing about this plug/receptacle combination is that it contains two hot legs, a neutral and a ground, so it's a four conductor set up ("14"), allowing both 115 and 230 VAC to be distributed. The "30" stands for the current rating of the device. These receptacles allow the user to plug in all the power cords that belong to their LCMS/ICP-MS system in one place and keep them protected from power surges and from short power failures "brown-outs" of the mains power to the building. The PDU can supply both 125V and 230V depending on the plugs being used. As a rule, any outlet that is a Nema 5-XX will provide 125 V output, while any Nema 6-XX will provide 230V output. Each PDU can be matched up with any of the LSMS Powervar Security Plus II UPS systems. The differences in the 3 PDUs that are offered relate to the different receptacles that each of our MS systems require. This PDU works in conjunction with any LSMS Powervar UPS system. It is designed for use with the Exploris (all), ID-X, IQ-X,Fusion, Fortis, Fortis Plus, Quantis, and Endura MS systems as well as iCAP Q/Qnova Series. It contains the following receptacles: • 4 x 5-15R rated at 15A (120V) • 2 x 6-20R rated at 20A (230V) • 2 x L6-20R rated at 20A (230V)	$ 1,190.00	1	$ 1,190.00
1.9	**C0012-01-00080 POWERVAR POWER CONDITIONER 5.0kVA, RoHS** 5.0 kVA Single-Phase Power Conditioners (PC) can be used with various instruments and accessories. Power Conditioners are used for applications that require large power loads or applications with dual-voltage requirements. To accommodate the different plugs from the various instruments and accessories, a separate PDU (Power Distribution Unit) must also be ordered. The following LC MS and ICP-MS systems can be used with 5.0 kVA Power Conditioner:Exploris 120 & 240, ID-X, IQ-X, Fusion, Fortis, Quantis, Endura, Quantiva, Quantum, Altis, Fusion Lumos, Eclipse, and Q Exactive series as well as iCAP Q/Qnova Series. All Plus versions of the instruments above can also be used with this Power Conditioner system. There is no need to add the N2 Generator to the Power Conditioner since there is no conductive connection point to the LCMS System. N2 generators will require the addition of a Peak Boost (P/N 222-294100) from 208V to 230V. Other instruments and accessories can also be added if one does not exceed the power requirements of the Power Conditioner and that one has the needed receptacles to plug these instruments and accessories into the Power Conditioner either directly or through a PDU. Specs: This UPS comes with a 6 foot power cord ending in a L6-30P. The Power Conditioner requires an input voltage of 208V connected to a 30-40A breaker. The back of the Power Conditioner has various receptacles that can be used to plug in other devices. The receptacles included in this model are: 4x 5-15R and a L14-30R. The L14-30R is the receptacle that is used to plug the PDU into the Power Conditioner. Dims: 10.00" x 12.47" x 18.00" (inches)	$ 4,550.00	1	$ 4,550.00

ADDENDUM TO TERMS
BETWEEN
Thermo Electron North America LLC ("Seller")
AND
County of Monterey ("Buyer")

Agreement No. 00588984

This Addendum to Buyer's "Standard Agreement" (hereinafter referred to as the "Terms") is made and entered into on August 18, 2023 (the "Effective Date") by and between Buyer and Seller. Buyer and Seller may be referred to individually as a "Party" or collectively as the "Parties" herein.

NOW, THEREFORE, the Parties agree as follows:

1. **Section 8 "Indemnification**" is deleted in its entirety and replaced as follows:

"By Seller. Seller will indemnify, defend and save Buyer, its officers, directors, and employees from and against any and all damages, liabilities, actions, causes of action, suits, claims, demands, losses, costs and expenses (including without limitation reasonable attorneys' fees) ("Indemnified Items") asserted by another party against Buyer for (i) bodily injury to or death of persons or damage to tangible property to the extent caused by the negligence or willful misconduct of Seller, its employees, agents or representatives or contractors in connection with the performance of services under this Agreement; and (ii) claims that a Product infringes any U.S. patent, copyright or trade secret; provided, however, Seller's liability under this Section does not extend to any such Indemnified Items caused by either (iii) the gross negligence or willful misconduct of Buyer, its employees, agents or representatives or contractors, (iv) by any third party, (v) use of a Product in combination with equipment or software not supplied by Seller where the Product alone would not be infringing, (vi) Seller's compliance with Buyer's designs, specifications or instructions, (vii) use of the Product in an application or environment for which it was not designed, or (viii) modifications of the Product by anyone other than Seller without Seller's prior written approval. Buyer will promptly notify Seller in writing of any claim covered by Seller's indemnification obligations hereunder. Seller may assume exclusive control of the defense of such claim or, at the option of the Seller, to settle the same. Buyer agrees to cooperate reasonably with Seller in connection with the performance by Seller of its obligations in this Section.

Notwithstanding the above, Seller's infringement related indemnification obligations shall be extinguished and relieved if Seller, at its discretion and at its own expense (a) procures for Buyer the right, at no additional expense to Buyer, to continue using the Product; (b) replaces or modifies the Product so that it becomes non-infringing, provided the modification or replacement does not adversely affect the specifications of the Product; or (c) in the event (a) and (b) are not practical, refund to Buyer the amortized amounts paid by Buyer with respect thereto, based on a five (5) year amortization schedule. THE FOREGOING INDEMNIFICATION PROVISION STATES SELLER'S ENTIRE LIABILITY TO BUYER FOR, AND BUYER'S SOLE AND EXCLUSIVE REMEMDY IN RESPECT OF, THE CLAIMS DESCRIBED HEREIN.

2. Section 9 "Insurance" is deleted in its entirety and replaced with the following:

" For the term of a support plan and/or for the provision of on-site Services purchased hereunder, as applicable, Seller agrees to maintain and carry liability insurance in amounts set forth below with insurance companies rated A- or better by "BEST" rating services. Insurance includes (a) commercial general liability insurance for a limit of US$2,000,000 (two million) for each occurrence and US$4,000,000 (four million) in the aggregate, (b) Statutory workers' compensation and employer's

DocuSign Envelope ID: 4D92BFFE-C8A2-4CAD-B6E9-A2C0A911878E

liability insurance for a limit of US$1,000,000 (one million), (c) Automobile liability of US$2,000,000 (two million) and (d) Umbrella coverage of US$5,000,000 (five million). Upon request from Buyer related to applicable Services, Seller will provide to Buyer a certificate of insurance using the standard ACORD form to evidence the insurance coverage required herein."

3. Section 14.01 "Independent Contractor" is modified to remove this sentence:

"In connection therewith, Contractor shall defend, indemnify, and hold County harmless from and any and all liability which County may incur because of Contractor's failure to pay such taxes."

4. Section 16.06 "Assignment and Subcontracting" and Section 16.07 "Successors and Assigns" are deleted in their entirety and replaced with the following:

"This Agreement may not be assigned or transferred without each Party's prior written consent, which consent shall not be unreasonably withheld. Subject to each Party's approval this Agreement will be binding upon and inure to the benefit of, and be enforceable by, each Party and its successors and assigns. Notwithstanding anything to the contrary, each Party has the right to disclose the terms and conditions of this Agreement to the extent necessary to establish rights or enforce obligations under this Agreement."

Sections to be added

5. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED HEREIN, THE LIABILITY OF EITHER PARTY UNDER THESE TERMS AND CONDITIONS (WHETHER BY REASON OF BREACH OF CONTRACT, TORT, INDEMNIFICATION, OR OTHERWISE, BUT EXCLUDING LIABILITY OF SELLER FOR BREACH OF WARRANTY (THE SOLE REMEDY FOR WHICH IS PROVIDED UNDER THE PRODUCT AND SERVICES WARRANTIES HEREIN) SHALL NOT EXCEED AN AMOUNT EQUAL TO THE LESSER OF (A) THE TOTAL PURCHASE PRICE THERETOFORE PAID BY BUYER TO SELLER WITH RESPECT TO THE PRODUCT(S) OR SERVICES GIVING RISE TO SUCH LIABILITY OR (B) ONE MILLION DOLLARS ($1,000,000), PROVIDED HOWEVER, THAT THE FOREGOING LIMITATION DOES NOT APPLY TO LIABILITY FOR INFRINGEMENT OR MISAPPROPRIATION OF SELLER'S INTELLECTUAL PROPERTY. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED HEREIN, IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR ANY INDIRECT, SPECIAL, CONSEQUENTIAL, OR INCIDENTAL DAMAGES (INCLUDING WITHOUT LIMITATION DAMAGES FOR LOSS OF USE OF FACILITIES OR EQUIPMENT, LOSS OF REVENUE, LOSS OF DATA, LOSS OF PROFITS OR LOSS OF GOODWILL), REGARDLESS OF WHETHER IT (a) HAS BEEN INFORMED OF THE POSSIBILITY OF SUCH DAMAGES OR (b) IS NEGLIGENT.

6. Seller's sole obligation with respect to the Services is to provide the quoted Services in a workmanlike manner and if Buyer provides notice of defect in Service within ninety (90) days of completion of such Services, Seller will, at its sole option, either reperform the Services without charge to Buyer or grant Buyer a credit for the amount paid by Buyer with respect to such Service. Seller warrants that the Products will operate or perform substantially in conformance with Seller's published specifications and be free from defects in material and workmanship, when subjected to normal, proper and intended usage by properly trained personnel, for the period of time set forth in the Product documentation, published specifications or package inserts (the "Warranty Period"). If a Warranty Period is not specified in Seller's Product documentation, published specifications, or package inserts, the Warranty Period for new instruments is twelve (12) months from the date of shipment to Buyer; and for all other Products is ninety (90) days from the date of shipment. During the Warranty Period, Seller agrees to repair or replace, at Seller's option, defective Products so as to cause the same to operate in substantial conformance with Seller's published specifications; provided that Buyer (a) promptly notifies Seller in writing upon the discovery of any covered defect in the Products, including the Product model and serial number (if applicable) and details of the warranty claim; and (b) after Seller's review, Seller will provide Buyer with an RMA number and services data, which may include biohazard decontamination procedures and other Product-specific handling instructions. Then, if applicable, Buyer may return the defective Products to Seller with all costs prepaid by Buyer. Replacement parts may be new or refurbished, at the election of Seller. All replaced parts shall become the property of Seller. Shipment to Buyer of repaired or replacement Products will be made in accordance with

DocuSign Envelope ID: 4D92BFFE-C8A2-4CAD-B6E9-A2C0A911878E

the delivery terms of this Agreement. Except for new consumable items manufactured and sold by Seller, this warranty expressly excludes all other consumable parts or components (e.g., bulbs, belts, cartridges, etc.) in the Products. If Seller elects to repair defective medical device instruments, Seller may, in its sole discretion, provide a replacement loaner instrument to Buyer as necessary for use while the instruments are being repaired.
Notwithstanding the foregoing, Products supplied by Seller that are obtained by Seller from an original manufacturer or third party supplier are not warranted by Seller; but Seller agrees to assign to Buyer any warranty rights in such Product that Seller may have from the original manufacturer or third party supplier, to the extent such assignment is allowed by such original manufacturer or third party supplier.

In no event shall Seller have any obligation to make repairs, replacements or corrections under the Warranty, in whole or in part, as the result of or with respect to: (a) use of the Products in a manner for which they were not designed; (b) improper storage and handling of the Products; (c) use of the Products in combination with equipment or software not supplied by Seller (d) shipping damage incurred en route to Buyer's site or because of moving equipment, in which case Seller will promptly provide a cost estimate for technical support to the consignee for filing claims to carriers for shipping damage; (e) flood, lightning, earthquake, tornado, hurricane or fire, bombing, armed conflict, malicious mischief, sabotage or other natural or man-made disasters; (f) normal wear and tear, physical abuse, misuse, sprinkler damage, electrical surge or abnormal power variation; (g) repairs, maintenance, or modifications made by anyone other than Seller trained personnel or without Seller's supervision and/or approval; (h) relocation and reinstallation of equipment; although upon request Seller will supervise the removing, crating, relocation and reinstallation of the Products at Seller's current Services rates; (i) maintenance or replacement of media (i.e., floppy disks, plotter supplies, etc.) whatever the reason for loss, failure or damage; (j) beta-site support; (k) operator training; or (l) repairing Product malfunctions if the fault is not with the equipment. If Seller determines that Products for which Buyer requested warranty services are not covered by this warranty, Buyer will pay or reimburse Seller for all costs of investigating and responding to such request at Seller's then prevailing time and materials rates. If Seller provides Services or replacement parts that are not covered by this warranty, Buyer shall pay Seller therefor at Seller's then prevailing time and materials rates.

ANY INSTALLATION, MAINTENANCE, REPAIR, SERVICE, RELOCATION OR ALTERATION TO OR OF, OR OTHER TAMPERING WITH, THE PRODUCTS PERFORMED BY ANY PERSON OR ENTITY OTHER THAN SELLER WITHOUT SELLER'S PRIOR WRITTEN APPROVAL, OR ANY USE OF REPLACEMENT PARTS NOT SUPPLIED BY SELLER, SHALL IMMEDIATELY VOID AND CANCEL ALL WARRANTIES WITH RESPECT TO THE AFFECTED PRODUCTS AND/OR SERVICES. THE OBLIGATIONS CREATED BY THIS WARRANTY STATEMENT FOR SELLER TO REPAIR OR REPLACE A DEFECTIVE PRODUCT OR TO REPERFORM OR CREDIT THE PRICE OF DEFECTIVE SERVICES SHALL BE THE SOLE REMEDY OF BUYER FOR SUCH DEFECTIVE PRODUCTS OR SERVICES UNDER THIS AGREEMENT. EXCEPT AS EXPRESSLY PROVIDED IN THIS WARRANTY STATEMENT, SELLER DISCLAIMS ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, ORAL OR WRITTEN, WITH RESPECT TO THE PRODUCTS, INCLUDING WITHOUT LIMITATION ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR ANY PARTICULAR PURPOSE, OR NONINFRINGEMENT. SELLER DOES NOT WARRANT THAT THE PRODUCTS OR SERVICES ARE ERROR-FREE OR WILL ACCOMPLISH ANY PARTICULAR RESULT.

7. Seller retains all rights in, title to and ownership of (i) any and all software provided to Buyer under this Agreement, which is licensed, not sold, to Buyer, solely for the purposes of Buyer's use and operation of the Products; and (ii) all services deliverables provided by Seller under this Agreement, whether related to Products or otherwise.

8. Buyer acknowledges that each Product and any related services, software and technology, including technical information supplied by Seller or contained in documents (collectively "Items"), may be subject to export controls of the U.S. government and/or other governments. Such export controls may include, but are not limited to, the Export Administration Regulations of the U.S. Department of Commerce (the "EAR"), which may restrict or require licenses for the export of Items from the U.S. and their re-export from other countries and all other applicable laws, regulations, laws, treaties, and agreements relating to the export, re-export, and import of any Item. Buyer shall not export, re-export, distribute or supply any Item, directly or indirectly, to (i) any country, person or entity, in each case, without first obtaining from the U.S. government and/or other appropriate government agency any license required to do so lawfully; (ii) any person or organization in Cuba, Iran, North Korea, Sudan, Syria, or other country then the subject of a U.S. embargo, or any person or entity considered a part of the government of any such country; or (iii) any person or entity

DocuSign Envelope ID: 4D92BFFE-C8A2-4CAD-B6E9-A2C0A911878E

who is involved in improper development or use of nuclear weapons, or of chemical/biological weapons (CBW) or missiles, or in terrorist activities. Buyer shall cooperate fully with Seller in any official or unofficial audit or inspection related to applicable export or import control laws or regulations, and shall indemnify and hold Seller harmless from, or in connection with, any violation of this Section by Buyer or its employees, consultants, agents and/or representatives.

*****

This Addendum and the Terms together form an agreement ("Agreement") between Buyer and Seller. The Agreement constitutes the entire understanding between the Buyer and Seller and shall not be amended, altered or changed except by a written agreement signed by the Parties hereto. In the event of a conflict between this Addendum and the Terms, the terms of this Addendum shall prevail. Any additional or conflicting terms and conditions to those in the Agreement, either written or verbal, are of no force and effect upon the Parties.

The Parties agree that this Agreement shall apply to all purchase orders issued by Buyer until July 31, 2026, whether or not such terms are included with or incorporated by reference in such orders.

IN WITNESS WHEREOF, the Parties have caused this Addendum to be duly executed on the date last signed by the Parties herein below.

Approve and authorize the Director of Health Services or designee to execute Amendment No. 4 to Mental Health Services Agreement A-15506 between The County of Monterey and Partners for Peace for the provision of new and additional prevention and early intervention outreach and engagement services, retroactive to January 1, 2024, which adds $358,195 in FY 2023-2024 and $357,678 in FY 2024-25, for a new total Agreement amount not to exceed $1,603,871 for a term of July 1, 2021 through June 30, 2025.

RECOMMENDATION:

It is recommended that the Board of Supervisors:
Approve and authorize the Director of Health Services or designee to execute Amendment No. 4 to Mental Health Services Agreement A-15506 between The County of Monterey and Partners for Peace for the provision of new and additional prevention and early intervention outreach and engagement services, retroactive to January 1, 2024, which adds $358,195 in FY 2023-2024 and $357,678 in FY 2024-25, for a new total Agreement amount not to exceed $1,603,871 for a term of July 1, 2021 through June 30, 2025.

SUMMARY/DISCUSSION

As part of the County of Monterey Health Department, Behavioral Health Bureau's Access and Mental Health Services Act (MHSA) outreach, engagement and mental health programs the County currently has Agreement A-15506 with Partners for Peace to meet goals and objectives outlined in the County's MHSA Plan. Since MHSA revenues are higher than budgeted and this agency has the capacity to increase services delivered to the community, approval for amending Agreement to increase budget amount for Program 2: Interconnected Systems Framework is being sought.

Additionally, On May 25, 2023, the County of Monterey Behavioral Health Bureau received approval from the Mental Health Services Oversight and Accountability Commission (MHSOAC) for the "Rainbow Connections" MHSA Innovation Program. This Innovation Program aims to improve the mental health outcomes and functioning of LGBTQ youth and their families by promoting interagency communication and collaboration across youth-serving systems, and through building capacity among youth-serving adults to identify and respond affirmatively to the needs of LGTBQ youth up to age 24. Multiple vendors will assist the County in the implementation and evaluation of the Rainbow Connections Innovation Program. Partners for Peace will maintain an important role in this project by providing school and community outreach, parent and family supports, and facilitating referrals for mental health services for LGBTQ youth and their families.

This agreement is late in being presented to your Board due to ongoing negotiations with a separate vendor and agreement that will operate in conjunction with this agreement.

This work supports the Monterey County Health Department 2018-2024 Strategic Plan Goal(s): 3) Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports one of the ten essential public health services, specifically: 7) Link people to needed personal health services and assure the provision of health care when otherwise unavailable.

OTHER AGENCY INVOLVEMENT

County Counsel and Auditor-Controller have reviewed and approved as to legal form and fiscal provisions respectively.

FINANCING

This Amendment No. 4 is funded by MHSA PEI and INN funds. The added funds in the amount of $358,195 in FY 2023-2024 are included in the Health Department's Behavioral Health (HEA012, Unit 8410) FY 2023-24 Adopted Budget, and the added funds in the amount of $357,678 in FY 2024-25 will be included in the Health Department's Behavioral Health (HEA012, Unit 8410) FY 2024-25 Requested Budget.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

☐ Economic Development:

- Through collaboration, strengthen economic development to ensure a diversified and healthy economy.

☐ Administration:

- Promote an organization that practices efficient and effective resource management and is recognized for responsiveness, strong customer orientation, accountability and transparency.

☒ Health & Human Services:

- Improve health and quality of life through County supported policies, programs, and services; promoting access to equitable opportunities for healthy choices and healthy environments in collaboration with communities.

☐ Infrastructure:

- Plan and develop a sustainable, physical infrastructure that improves the quality of life for County residents and supports economic development results.

☐ Public Safety:

- Create a safe environment for people to achieve their potential, leading businesses and communities to thrive and grow by reducing violent crimes as well as crimes in general.

RECOMMENDATION:

It is recommended that the Board of Supervisors:
Approve and authorize the Director of Health Services or designee to execute Amendment No. 4 to Mental Health Services Agreement A-15506 between The County of Monterey and Partners for Peace for the provision of new and additional prevention and early intervention outreach and engagement services, retroactive to January 1, 2024, which adds $358,195 in FY 2023-2024 and $357,678 in FY 2024-25, for a new total Agreement amount not to exceed $1,603,871 for a term of July 1, 2021 through June 30, 2025.

SUMMARY/DISCUSSION

As part of the County of Monterey Health Department, Behavioral Health Bureau's Access and Mental Health Services Act (MHSA) outreach, engagement and mental health programs the County currently has Agreement A-15506 with Partners for Peace to meet goals and objectives outlined in the County's MHSA Plan. Since MHSA revenues are higher than budgeted and this agency has the capacity to increase services delivered to the community, approval for amending Agreement to increase budget amount for Program 2: Interconnected Systems Framework is being sought.

Additionally, On May 25, 2023, the County of Monterey Behavioral Health Bureau received approval from the Mental Health Services Oversight and Accountability Commission (MHSOAC) for the "Rainbow Connections" MHSA Innovation Program. This Innovation Program aims to improve the mental health outcomes and functioning of LGBTQ youth and their families by promoting interagency communication and collaboration across youth-serving systems, and through building capacity among youth-serving adults to identify and respond affirmatively to the needs of LGTBQ youth up to age 24. Multiple vendors will assist the County in the implementation and evaluation of the Rainbow Connections Innovation Program. Partners for Peace will maintain an important role in this project by providing school and community outreach, parent and family supports, and facilitating referrals for mental health services for LGBTQ youth and their families.

This agreement is late in being presented to your Board due to ongoing negotiations with a separate vendor and agreement that will operate in conjunction with this agreement.

This work supports the Monterey County Health Department 2018-2024 Strategic Plan Goal(s): 3) Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports one of the ten essential public health services, specifically: 7) Link people to needed personal health services and assure the provision of health care when otherwise unavailable.

OTHER AGENCY INVOLVEMENT

County Counsel and Auditor-Controller have reviewed and approved as to legal form and fiscal provisions respectively.

FINANCING

This Amendment No. 4 is funded by MHSA PEI and INN funds. The added funds in the amount of $358,195 in FY 2023-2024 are included in the Health Department's Behavioral Health (HEA012, Unit 8410) FY 2023-24 Adopted Budget, and the added funds in the amount of $357,678 in FY 2024-25 will be included in the Health Department's Behavioral Health (HEA012, Unit 8410) FY 2024-25 Requested Budget.

III. PROGRAM NARRATIVE(S) AND SERVICE DESCRIPTION

A. Program Description

Partners For Peace ("P4P") has been building strong families for a peaceful community for 25 years. P4P provides a continuum of prevention to intervention services for parents, families, and youth. Using an evidence-based/informed family skills training program and parenting training for high-risk (adjudicated, court referred, expelled) youth and their parents, P4P seeks to improve social competencies, parenting skills and the parent-child relationship. The classes deliver the message that we want families to teach their kids their family values. Parents tend to parent the way their parents parented them. Our parents did not have to deal with sexting, violent streaming video, bullying via social media, etc. Partners For Peace delivers three culturally relevant parenting classes that encourage parents/caregivers and youth to consistently pick up 21st century tools for 21st century youth behaviors. All family programs have their foundation in the five protective factors: parental resilience, social connections, concrete support in times of need, knowledge of parenting and child development and social and emotional competence of children.

Love is instinctual, skills are not. P4P's programs have consistently reduced recidivism rates and increased school success. Research shows that protective parenting improves family relationships and decreases family conflict, contributing to lower levels of substance use. Parents want to protect their children, but it is challenging. Youth need skills to help them resist the peer pressure that leads to risky behaviors. The need to invest in parent education now is greater than ever to ensure both the quality and sustainability of programming and the safety and well-being of children and families.

B. Prevention Services to be Provided

1. Strengthening Families Program for Parents and Caregivers and youth ages 10-16 ("SFP") consists of one (1) Orientation followed by a seven (7) 2-hour class series.

2. Loving Solutions a prevention model for parents of youth 5 to 10 years of age and is a curriculum that focusses on healthy eating and sleeping, positive discipline, school success and communication and bonding. This program contains resources for parents with children diagnosed with ADD/ADHD.

3. Parent Project® for parents and caregivers with youth ages 11-17, addresses challenging and destructive behaviors, e.g., gangs/gang adjacent activity, drug, vaping and alcohol use, runaways, cutting, violence in the community or home, or chronic truancy. The Parent Project consists of one (1) Orientation followed by ten (10) 2-hour classes and the formation of family support groups that continue after the parents have graduated from the class.

Number of Individuals to Be Served in Culturally Relevant Family Education Programs:
Fiscal Year 2021-2022: Parents/Caregivers and Youth (5-17 years of age) total of 640
Fiscal Year 2022-2023: Parents/Caregivers and Youth (5-17 years of age) total of 760
Fiscal Year 2023-2024: Parents/Caregivers and Youth (5-17 years of age) total of 760

In FY 22/23, a Systems Navigator will be hired to perform the following duties:
Outreach, meeting with family school liaisons, one-to-one makeup of missed classes to increase graduation rates, and providing parents/caregivers with links to community wrap around services (mental health, food, shelter, clothing, drug, and alcohol intervention, etc. The families served by this position will have participated in or graduated from classes.

Number of Families Served:
Fiscal Year 2022-2023: 250
Fiscal Year 2023-2024: 300

C. Program Goals & Activities

(1) Goal: Increase access and involvement in psychosocial and emotional development programs that enable children/youth and parents/caregivers to interact with others in healthy and wholesome ways; promote meaningful parental and community involvement and enhance awareness/understanding of importance of socio-emotional development. Continue to serve families through a prevention/intervention family education continuum delivered via Zoom and in-person when it is safe to do so.

Activities: Identify Facilitators, dates and time, insurance needs, market classes through existing and new partners, delivery of classes, perform fidelity checks, evaluate the class data, provide on-going parent/caregiver support groups, and provide a visible

DocuSign Envelope ID: 3E4FB541-CBCA-4B89-A55C-95AD82637A8B

community presence to educate community partners and the broader community about the importance of family education. Request for referrals to other services from parents/caregivers are processed to ensure that families receive the needed wrap-around services to support their healthy, thriving families.

(2) Goal: On-going training for 30 Facilitators on the topics of effective Zoom presentations, delivery of classes online while maintaining course fidelity, mindfulness workshops and community resources.

Activities: Set-up, market, deliver and evaluate the Facilitator workshops. During intake process and classes, family needs are identified and referred to needed services.

(3) Goal: Maintain a well-qualified staff to deliver and evaluate the parent education class series with fidelity.

Activities: Staff receive on-going training, feedback, and evaluation. The P4P Board of Directors annually evaluates the Strategic Plan and the work of the Executive Director.
Activities**:** Part-Time Systems Navigator: Recruitment and retention of parents/caregivers enrolled in family education classes.

D**.** Program Objectives

Building a multiple-program spectrum of services requires greater communication, coordination and connectivity with the community, the clients, and the staff (especially the facilitators). Measuring progress, producing media updates, ensuring integration of program fidelity, supporting each participant with the resources needed to achieve healthy behavior, enhancing the quality of facilitators is vital to program effectiveness.

Objective 1: Increase the number of families served in Monterey County by 20% (as compared to 2019 data), through the delivery of prevention/intervention family education programs that positively impact youth in Monterey County.

- Youth will report increased communication and bonding with their families.
- 100% of the parents/caregivers would recommend the classes to other families.
- 75% will report a decrease in negative youth behaviors.
- Using a scale of 1 = No Knowledge to 5= Good As It Can Be, parents will average "4" for "I feel confident in my efforts to help my child"; "I am consistent with the consequences"; "I acknowledge and praise my child's effort"

DocuSign Envelope ID: 3E4FB541-CBCA-4B89-A55C-95AD82637A8B

Objective 2: Provide certificated training for ten (10) new Parent Project Facilitators to expand the footprint of the organization throughout Monterey County.

- Set up/recruit training class. Deliver training, provide coaching/training as co-Facilitator through one class series before assuming responsibilities of being solo-Facilitator.

Objective 3: Staff/Facilitator support: Provide staff salaries/stipends and on-going education to support staff/Facilitators in their work and retain a well-qualified staff for delivery of programs. Delivery of 30 class series in Year One (10 months) and 38 class series in Year Two (12 months). Classes will be advertised via print copy, community meetings, speaking engagements and through social media platforms**.**

- Well-qualified staff will provide ongoing enrichment opportunities and fidelity to 30 Facilitators. Two (2) Facilitators are currently Youth Mental Health First Aid Facilitators and will provide that opportunity to Facilitators in 2022.
- The class database to include attendance, registration and pre/post surveys will be well maintained and available for evaluation reports.
- 38 class series per year will be delivered throughout Monterey County both online and in-person to meet the geographical needs of the County.

E. Expected Outcomes:

Goal #1 Outcomes: Families will report increased communication, bonding, increased school success and a decrease in difficult or challenging behaviors.
Goal #2 Outcomes: Facilitators have the training they need to meet the needs of families during the pandemic and beyond. Wrap-around services for basic needs and family needs are continually shared with the families served.
Goal 3: Outcomes: P4P continues to provide staff and Facilitators that are well-qualified to deliver programs with fidelity.

F. Service Delivery Site(s) and Hours of Operation

1. Site(s): P4P will identify sites quarterly throughout Monterey County to deliver the family education programs. Salinas and South County will have priority when determining class in-person locations. The UCLA Center for Health Policy Research identified East Salinas and South County as having 61% who feel safe in their neighborhoods compared with 82% for the entire county and 88% for the state). Online classes will be available to parents/caregivers throughout Monterey County.

2. Hours of Operation: Office Hours: 9:00 AM – 5:00 PM, Monday – Friday. Course delivery hours are seven (7) to ten (10) consecutive weeks, with two (2) to three (3) online or in-person class orientations prior to delivery of the curriculum to manage the registration process, identify course expectations, parent/caregiver needs (transportation, technology, literacy level) and class delivery information (including Zoom orientation if needed for online classes).

DocuSign Envelope ID: 3E4FB541-CBCA-4B89-A55C-95AD82637A8B

The courses are generally from 6:00/6:30 PM – 8:00/8:30 PM. A few Loving Solutions class series are delivered at the school in the morning hours.

IV. PROGRAM ELIGIBILITY

A. Population/Catchment Area to Be Served: Families throughout Monterey County. Classes are delivered in English and Spanish. Adult parents/caregivers and their children ages 5-17 will receive services.
B. Legal Status: Voluntary

V. MEETINGS/COMMUNICATIONS

CONTRACTOR will meet regularly with the designated Monterey County Behavioral Health (MCBH) Deputy Director or Services Manager ("Contract Monitor") to monitor progress on consumer and program outcomes; oversee contract implementation; and evaluate contract usage, effectiveness, issues, and recommendations.

VI. REPORTING REQUIREMENTS

Monterey County Behavioral Health shall provide to CONTRACTOR the reporting requirements and instructions as required by the State Mental Health Services Oversight and Accountability Commission, the Department of Health Care Services and COUNTY. CONTRACTOR shall submit reports, consisting of participant demographic data for each service provided, as well as the program outcomes as required by the Prevention and Early Intervention (PEI) regulations. II. PROGRAM GOAL

To provide parents/caregivers of a child presenting with challenging or destructive behaviors leading to academic and school discipline problems, with supports, interventions, and parenting strategies that directly address the mental health needs of the child.

III. PROGRAM NARRATIVE

In 2021 the COUNTY was awarded a 4-year Mental Health Student Services Act (MHSSA) grant through the Mental Health Services Oversight and Accountability Commission to provide mental health support services in Monterey County public schools. COUNTY allocated MHSSA grants funds to provide mental health support services within school by expanding parenting training and education to students and their parents/caregivers as part of the Interconnected Systems Framework (ISF) and Positive Behavior Interventions and Supports (PBIS). PBIS is defined as a systems approach for establishing the social culture and individual behavior supports needed for schools to achieve both social and academic success for all students while preventing problem behaviors. The ISF aims to build upon Positive Behavioral Interventions and Supports and school mental health and integrate both systems into one comprehensive model that can be implemented in a multi-tier framework. Multi-tiered systems of support align with the public health model of universal promotion and prevention, secondary early intervention, and tertiary treatment. When implemented with fidelity, the ISF increases collaboration, efficiency and communication between the education and mental health systems.

IV. SERVICE DESCRIPTION

1. CONTRACTOR shall provide the following parenting courses to students and/or parent/caregiver at the following participating school districts: Alisal Union, Gonzales Union, King City Union, Salinas City Elementary, Salinas Union, San Antonio Union, and Soledad Unified.

DocuSign Envelope ID: 3E4FB541-CBCA-4B89-A55C-95AD82637A8B

a. Parent Project Senior, Changing Destructive Adolescent Behavior Workshops*

A 10-week course, 1 time per week, for parents/caregivers of youth 11-18 years of age only. The program demonstrates tools to positively change destructive youth behavior, substance abuse, gang adjacent activity, truancy, or violence.

b. Parent Project Junior, Loving Solutions Workshops* (for elementary school sites only)

A 10-week course offered to parents of children with Attention Deficit Hyperactivity Disorder and/or difficult or challenging behaviors. Using activity-based instruction, support groups and curriculum, this course addresses behaviors such as poor school attendance and performance, truancy, media influences, bullying and violence. The curriculum teaches concrete prevention, identification, and intervention strategies for parents with children up to 11 years old. A total of 10-25 adults may be enrolled in the workshop.

c. Familia Adalante**

A 12-week evidence-based, family development model for Hispanic-identifying children ages 10 to 14 who have exhibited early signs of behavioral or emotional challenges. Specifically, youth who are experiencing behavioral problems in their school setting, such as disruptive behavior or poor impulse control; emotional concerns, including withdrawal, shyness, and anxiety; or some degree of academic difficulty not due to a learning disability or lack of English language proficiency. The 12-week program provides psychoeducation in a group format with the goal of assisting families in identifying stressors and risk factors, strengthening family and community ties, and reducing overall levels of stress and risky behavior in youth. Youth and caregivers participate in concurrent classes once a week for 12 weeks with children meeting separately from their caregivers to provide age appropriate and safe spaces for both groups. The program focuses on educating high-risk Latino youth and their caregivers in family and peer communication, substance abuse and HIV prevention, perceptions of harm around engaging in risky behaviors, and positive school bonding.

2. CONTRACTOR shall facilitate parenting courses in both Spanish and English.

3. CONTRACTOR shall provide Parent Project, Loving Solutions and Familia Adalante facilitator training. CONTRACTOR shall identify staff to become a facilitator to increase capacity to provide more parenting classes.

4. CONTRACTOR shall secure space for parenting classes and provide instructional materials. Workshops and facilitator trainings will be delivered at the school site or community-based organization, either in-person or virtually at varying times, depending on each school district's need.

DocuSign Envelope ID: 3E4FB541-CBCA-4B89-A55C-95AD82637A8B

5. The number of parenting workshops, intervention program cycles and facilitator trainings funded through this contract will be based on each participating school district's needs. CONTRACTOR will report the number of parenting workshops, intervention program cycles and facilitator trainings administered at each MHSSA school district/site.

6. CONTRACTOR shall administer pre and post surveys for workshop, intervention programs and facilitator trainings.

7. CONRACTOR shall attend ISF team meetings to coordinate needed parent courses identified by the ISF team for each participating school district.

8. CONTRACTOR shall regularly attend MHSSA Grant Sub-committee meetings to engage in planning and provide input and feedback on all activities for all grant-related activities.

9. CONTRACTOR shall conduct follow up services for parent workshop participants in need of additional behavioral health services and support with referral to the County Behavioral Health Access program or community-based organization.

10. CONTRACTOR shall support the ISF Implementation Plan and comply with all provisions of the Mental Health Student Services Act Grant Program.

V. PROGRAM ELIGIBLITY

Participation in workshops will be by referral from the district parent/community liaison, administrator, school personnel, and PBIS Tier 2/3 teams at the MHSSA school site.

VI. MEETING COMMUNICATIONS

CONTRACTOR will meet regularly with the designated Monterey County Behavioral Health (MCBH) Deputy Director or designee to review contract implementation; contract usage; and to provide a program status including, but not limited to, grant reporting requirements, hiring, and any other relevant issues.

VI. REPORTING REQUIREMENTS

Monterey County Behavioral Health shall provide to CONTRACTOR the reporting requirements and instructions as required by the State Mental Health Services Oversight and Accountability Commission and COUNTY. Reports shall be in compliance with grant reporting requirements and standard funding restrictions set forth in the MHSSA grant. Reports shall be submitted on a monthly basis no later than thirty (30) days following the end of each quarter to MCBH's designated Contract Monitor.

DocuSign Envelope ID: 3E4FB541-CBCA-4B89-A55C-95AD82637A8B

Additionally, monthly reports shall include the following data:

- List of personnel at service locations/points of access (e.g., school sites). Access point location and addresses must be identified.
- List of workshops and facilitator trainings provided per school district and community settings and indicated if facilitated in-person or virtually.
- Number of students and parents/caregivers participants and demographic data for each workshop or facilitator training
- Referral source of each participant
- Outcomes data on quarterly on pre and post surveys.

II. PROGRAM GOALS

The goal of this program is to build capacity for parents, caregivers and families with LGBTQ youth to understand and affirmatively respond to the complex issues that LGBTQ youth experience, and to provide culturally responsive services and supports for families of LGBTQ youth. The intended results are to increase family functioning and connectedness, reduce risk and achieve positive mental health outcomes of LGTBQ youth, and promote interagency collaboration for linkage and referrals that will establish an LGBTQ Network of Affirming Care in Monterey County.

III. PROGRAM NARRATIVE

On June 27, 2023, the COUNTY was approved for the Mental Health Services Act (MHSA) Innovation Plan titled "Rainbow Connections". The Rainbow Connections

DocuSign Envelope ID: 3E4FB541-CBCA-4B89-A55C-95AD82637A8B

Innovation Plan has the goal of increasing access to serves for unserved and underserved populations (i.e. LGBTQ youth and their families) and promoting interagency collaboration to result in improved outcomes. Partners for Peace was selected to be one of several participating vendors to support the Rainbow Connections Innovation Plan based on their connection to the parent/caregiver communities across Monterey County, their experience, and concurrent agreement with County of Monterey Behavioral Health Bureau, to implement parenting classes and school-based supports through the School Climate Transformation Grant and Mental Health Student Services Act (MHSSA) as part of Integrated Systems Framework (ISF) implementation.

As a participating vendor in the Rainbow Connections Innovation Plan, Partners for Peace will provide a Family Support Partner (FSP) to serve parents, caregivers and family members of LGBTQ youth in Monterey County. The FSP is to be a peer specialist with shared lived experience who provides culturally responsive education, guidance and support in Family Acceptance Project (FAP) for parents, families and caregivers who are raising a LGBTQ / gender diverse child. The FSP will be bilingual in Spanish and have knowledge and experience in providing support for families with LGBTQ / gender diverse children who experience emotional, behavioral, mental health, developmental or other health challenges. Their role is to increase family acceptance through offering culturally responsive individual and group support, help them to engage, advocate for, and actively participate in obtaining services and care and make informed decisions to reduce their LGBTQ child's risk of mental health problems and to increase well-being and family connectedness. Additionally, the role of the FSP will be to engage the communities of Monterey County in increasing awareness of the importance of family acceptance for LGBTQ youth through outreach efforts and distribution of FAP informational materials.

IV. SERVICE DESCRIPTION

1. CONTRACTOR shall provide 1.0 FTE FSP staff position. The role and responsibilities of the FSP include, but are not limited to:

    a. Using personal and professional life experience to provide consultation and coaching to increase awareness and improve parent/caregiver-professional partnerships and maximize parent/caregiver voice, choice, and involvement to decrease risk of mental health problems, increase well-being and connect LGBTQ youth and families to appropriate services, using principles of FAP family support practice and competencies.

    b. Participate in Family Acceptance Project (FAP) training and coaching to learn about FAP's family support model to be implemented in Monterey county through the Rainbow Connections project.

DocuSign Envelope ID: 3E4FB541-CBCA-4B89-A55C-95AD82637A8B

c. Provide FAP family support strategies to parents, caregivers and family members to decrease rejecting behaviors and increase family support, particularly in the context of the family's cultural and religious backgrounds.

d. Utilize the evidence-based resources that FAP has developed to help families learn to support and affirm their LGBTQ child.

e. Provide individual peer support to diverse parents, caregivers and other family members as needed.

f. Assist parents and caregivers to access appropriate services and care for their LGBTQ child, both locally and online.

g. Assist parents and caregivers to address and/or navigate institutional barriers to meet the mental health and medical needs of LGBTQ youth, address problems such as bullying, and advocate for their LGBTQ child's needs.

h. Work collaboratively with the FAP to develop content for family support groups for parents and caregivers with LGBTQ children and youth, in English and Spanish.

i. Facilitate support groups for parents and caregivers with LGBTQ children and youth, in English and Spanish.

j. Distribute FAP Healthy Futures posters in English and Spanish in school and community settings.

k. Participate in community outreach events and on radio to share information on FAP and the Rainbow Connections program and increase program access and visibility.

l. Provide presentations on supports available through Rainbow Connections to community stakeholders to increase awareness and engagement in supporting LGBTQ+ youth and their families.

m. Participate on the Rainbow Connections Service Strategy Committee to inform decision making and to ensure that all collaborative partners involved in the project are implementing training, services and supports as outlined in the project and in accordance with the agreed budget.

n. Include information on FAP and Rainbow Connections program on Partners for Peace website.

2. CONTRACTOR shall assist COUNTY in meeting the following service goals:

    a. Provide FAP materials and include FAP Healthy Futures posters in parenting classes provided through Partners for Peace to 250 parent/caregivers in FY2023/24 and 300 parents/caregivers in FY2024/25.

    b. Provide FAP centered group consultation and support to 10 parent/caregivers in FY2023/24 and 20 parents/caregivers in FY2024/25.

    c. Provide FAP centered individualized services and supports to 10 parent/caregivers in FY2023/24 and 25 parents/caregivers in FY2024/25.

3. CONTRACTOR shall participate as part of the Executive Sponsors planning group. Participants in this group are persons holding executive decision-making authority among participating organizations. This group will convene on an ad hoc basis, while also being continuously informed and engaged on the progress and evaluation made with Rainbow Connections activities. This group will also be kept informed of actions and direction offered by the Rainbow Connections Service Strategy Committee and Rainbow Connections Advisory Group. The function of the Executive sponsors is then to fulfill administrative duties to support or sustain the LGBTQ Network of Affirming care over the term of this Innovation Plan, and ideally beyond.

4. CONTRACTOR shall participate on the Rainbow Connections Service Strategy Committee, which serves as the main oversight body for Rainbow Connections for the purposes of guiding the mission and objectives of this project. Members of the committee include key project staff. This committee will meet monthly to ensure that all collaborative partners involved in the project are implementing training, services and supports as outlined in the project and in accordance with the agreed budget.

V. PROGRAM ELIGIBLITY

The primary population of focus to be served and benefit through this project are LGBTQ Youth up to age 24 and their families. Participation in FSP-provided trainings and consultation will be by referral from the district parent/community liaison, administrator, school personnel, and PBIS Tier 1/2/3 teams.

VI. MEETING COMMUNICATIONS

CONTRACTOR will meet regularly with the designated Monterey County Behavioral Health (MCBH) Deputy Director or designee to review contract implementation; contract usage; and to provide a program status including, but not limited to, grant reporting requirements, hiring, and any other relevant issues.

DocuSign Envelope ID: 3E4FB541-CBCA-4B89-A55C-95AD82637A8B

VII. REPORTING REQUIREMENTS

Monterey County Behavioral Health shall provide to CONTRACTOR the reporting requirements and instructions for submission procedure or format of reporting as required by the State Mental Health Services Oversight and Accountability Commission (MHSOAC) and COUNTY. Reports shall be in compliance with MHSA regulations and formats defined by COUNTY. Reports shall be submitted on a quarterly basis, no later than thirty (30) days following the end of each month, to MCBH's designated Contract Monitor.

Additionally, quarterly reports shall include, but not be limited to, the following data:

- Activities and engagements associated with FAP
- Description of trainings, group consultations and individual consultations provide by FSP.
- Number and demographics of individuals receiving training from FSP
- Number and demographics of individuals receiving group consultation from FSP
- Number and demographics of individuals receiving individual consultation from FSP
- Activities and engagements associated with other Rainbow Connections vendors
- Number and type of Rainbow Connections service referrals provided to participants
- Number of FAP Healthy Futures posters distributed in school and community settings, including participants in parenting classes provided by Partners for Peace (Strengthening Families, Loving Solutions, Parent Project and Familia Adelante)

III. PAYMENT CONDITIONS

A. In order to receive any payment under this Agreement, CONTRACTOR shall submit reports and claims in such form as General Ledger, Payroll Report and other accounting documents as needed, and as may be required by the County of Monterey Department of Health, Behavioral Health Bureau. Specifically, CONTRACTOR shall submit its

DocuSign Envelope ID: 3E4FB541-CBCA-4B89-A55C-95AD82637A8B

claims on Cost Reimbursement Invoice Form provided as Exhibit G, to this Agreement, along with backup documentation, on a monthly basis, to COUNTY so as to reach the Behavioral Health Bureau no later than the thirtieth (30th) day of the month following the month of service. See Section III, above, for payment amount information to be reimbursed each fiscal year period of this Agreement. The amount requested for reimbursement shall be in accordance with the approved budget and shall not exceed the actual net costs incurred for services provided under this Agreement.

CONTRACTOR shall submit via email a monthly claim using Exhibit G, Cost Reimbursement Invoice Form in Excel format with electronic signature along with supporting documentations, as may be required by the COUNTY for services rendered to: MCHDBHFinance@co.monterey.ca.us

B. CONTRACTOR shall submit all claims for reimbursement under this Agreement within thirty (30) calendar days after the termination or end date of this Agreement. All claims not submitted after thirty (30) calendar days following the termination or end date of this Agreement shall not be subject to reimbursement by the COUNTY. Any claim(s) submitted for services that preceded thirty (30) calendar days prior to the termination or end date of this Agreement may be disallowed, except to the extent that such failure was through no fault of CONTRACTOR. Any "obligations incurred" included in claims for reimbursements and paid by the COUNTY which remain unpaid by the CONTRACTOR after thirty (30) calendar days following the termination or end date of this Agreement shall be disallowed, except to the extent that such failure was through no fault of CONTRACTOR under audit by the COUNTY.

C. If CONTRACTOR fails to submit claim(s) for services provided under the terms of this Agreement as described above, the COUNTY may, at its sole discretion, deny payment for that month of service and disallow the claim.

D. COUNTY shall review and certify CONTRACTOR'S claim either in the requested amount or in such other amount as COUNTY approves in conformity with this Agreement, and shall then submit such certified claim to the COUNTY Auditor. The County Auditor-Controller shall pay the amount certified within thirty (30) calendar days of receiving the certified invoice.

E. To the extent that the COUNTY determines CONTRACTOR has improperly claimed services, COUNTY may disallow payment of said services and require CONTRACTOR to resubmit said claim of services for payment, or COUNTY may make corrective accounting transactions.

DocuSign Envelope ID: 3E4FB541-CBCA-4B89-A55C-95AD82637A8B

F. If COUNTY certifies payment at a lesser amount than the amount requested COUNTY shall immediately notify the CONTRACTOR in writing of such certification and shall specify the reason for it. If the CONTRACTOR desires to contest the certification, the CONTRACTOR must submit a written notice of protest to the COUNTY within twenty (20) calendar days after the CONTRACTOR'S receipt of the COUNTY notice. The parties shall thereafter promptly meet to review the dispute and resolve it on a mutually acceptable basis. No court action may be taken on such a dispute until the parties have met and attempted to resolve the dispute in person.

IV. MAXIMUM OBLIGATION OF COUNTY

A. Subject to the limitations set forth herein, COUNTY shall pay to CONTRACTOR during the term of this Agreement a maximum amount of **$1,603,871** for services rendered under this Agreement.

B. Maximum Annual Liability:

FISCAL YEAR LIABILITY	AMOUNT
FY 2021 - 2022	$133,750
FY 2022 - 2023	$251,416
FY 2023 - 2024	$609,611
FY 2024 – 2025	$609,094
TOTAL MAXIMUM LIABILITY	**$1,603,871**

C. If, as of the date of signing this Agreement, CONTRACTOR has already received payment from COUNTY for services rendered under this Agreement, such amount shall be deemed to have been paid out under this Agreement and shall be counted towards COUNTY'S maximum liability under this Agreement.

D. If for any reason this Agreement is canceled, COUNTY'S maximum liability shall be the total utilization to the date of cancellation not to exceed the maximum amount listed above.

E. As an exception to Section D. above with respect to the Survival of Obligations after Termination, COUNTY, any payer, and CONTRACTOR shall continue to remain obligated under this Agreement with regard to payment for services required to be rendered after termination.

VI. BILLING AND PAYMENT LIMITATIONS

Adjustment of Claims Based on Other Data and Information: The COUNTY shall have the right to adjust claims based upon data and information that may include, but are not limited to, COUNTY'S claims processing information system reports, remittance advices, and billing system data.

DocuSign Envelope ID: 3E4FB541-CBCA-4B89-A55C-95AD82637A8B

VII. LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS

A. This Agreement shall be subject to any restrictions, limitations, or conditions imposed by State which may in any way affect the provisions or funding of this Agreement, including, but not limited to, those contained in State's Budget Act.

B. This Agreement shall also be subject to any additional restrictions, limitations, or conditions imposed by the Federal government which may in any way affect the provisions or funding of this Agreement.

C. In the event that the COUNTY'S Board of Supervisors adopts, in any fiscal year, a COUNTY Budget which provides for reductions in COUNTY Agreements, the COUNTY reserves the right to unilaterally reduce its payment obligation under this Agreement to implement such Board reductions for that fiscal year and any subsequent fiscal year during the term of this Agreement, correspondingly. The COUNTY'S notice to the CONTRACTOR regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such action.

D. Notwithstanding any other provision of this Agreement, COUNTY shall not be obligated for CONTRACTOR'S performance hereunder or by any provision of this Agreement during any of COUNTY'S current or future fiscal year(s) unless and until COUNTY'S Board of Supervisors appropriates funds for this Agreement in COUNTY'S Budget for each such fiscal year. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. COUNTY shall notify CONTRACTOR of any such non-appropriation of funds at the earliest possible date and the services to be provided by the CONTRACTOR under this Agreement shall also be reduced or terminated.

VIII. AUTHORITY TO ACT FOR THE COUNTY

The Director of the Health Department of the County of Monterey may designate one or more persons within the County of Monterey for the purposes of acting on his/her behalf to implement the provisions of this Agreement. Therefore, the term "Director" in all cases shall mean "Director or his/her designee."

II. INCORPORATION STATUS

501(c) 3

III. PROGRAM NARRATIVE(S) AND SERVICE DESCRIPTION

A. Program Description

Partners For Peace ("P4P") has been building strong families for a peaceful community for 25 years. P4P provides a continuum of prevention to intervention services for parents, families, and youth. Using an evidence-based/informed family skills training program and parenting training for high-risk (adjudicated, court referred, expelled) youth and their parents, P4P seeks to improve social competencies, parenting skills and the parent-child relationship. The classes deliver the message that we want families to teach their kids their family values. Parents tend to parent the way their parents parented them. Our parents did not have to deal with sexting, violent streaming video, bullying via social media, etc. Partners For Peace delivers three culturally relevant parenting classes that encourage parents/caregivers and youth to consistently pick up 21st century tools for 21st century youth behaviors. All family programs have their foundation in the five protective factors: parental resilience, social connections, concrete support in times of need, knowledge of parenting and child development and social and emotional competence of children.

Love is instinctual, skills are not. P4P's programs have consistently reduced recidivism rates and increased school success. Research shows that protective parenting improves family relationships and decreases family conflict, contributing to lower levels of substance use. Parents want to protect their children, but it is challenging. Youth need skills to help them resist the peer pressure that leads to risky behaviors. The need to invest in parent education now is greater than ever to ensure both the quality and sustainability of programming and the safety and well-being of children and families.

B. Prevention Services to be Provided

DocuSign Envelope ID: 017A86AD-FCF7-4D22-AFA0-335E875BFB42

1. Strengthening Families Program for Parents and Caregivers and youth ages 10-16 ("SFP") consists of one (1) Orientation followed by a seven (7) 2-hour class series.

2. Loving Solutions a prevention model for parents of youth 5 to 10 years of age and is a curriculum that focusses on healthy eating and sleeping, positive discipline, school success and communication and bonding. This program contains resources for parents with children diagnosed with ADD/ADHD.

3. Parent Project® for parents and caregivers with youth ages 11-17, addresses challenging and destructive behaviors, e.g., gangs/gang adjacent activity, drug, vaping and alcohol use, runaways, cutting, violence in the community or home, or chronic truancy. The Parent Project consists of one (1) Orientation followed by ten (10) 2-hour classes and the formation of family support groups that continue after the parents have graduated from the class.

Number of Individuals to Be Served in Culturally Relevant Family Education Programs:
Fiscal Year 2021-2022: Parents/Caregivers and Youth (5-17 years of age) total of 640
Fiscal Year 2022-2023: Parents/Caregivers and Youth (5-17 years of age) total of 760
Fiscal Year 2023-2024: Parents/Caregivers and Youth (5-17 years of age) total of 760
Fiscal Year 2024-2025: Parents/Caregivers and Youth (5-17 years of age) total of 760

In FY 22/23, a Systems Navigator will be hired to perform the following duties:
Outreach, meeting with family school liaisons, one-to-one makeup of missed classes to increase graduation rates, and providing parents/caregivers with links to community wrap around services (mental health, food, shelter, clothing, drug, and alcohol intervention, etc. The families served by this position will have participated in or graduated from classes.

Number of Families Served:
Fiscal Year 2022-2023: 250
Fiscal Year 2023-2024: 300
Fiscal Year 2024-2025: 300

C. Program Goals & Activities

(1) Goal: Increase access and involvement in psychosocial and emotional development programs that enable children/youth and parents/caregivers to interact with others in healthy and wholesome ways; promote meaningful parental and community involvement and enhance awareness/understanding of importance of socio-emotional development. Continue to serve families through a prevention/intervention family education continuum delivered via Zoom and in-person when it is safe to do so.

Activities: Identify Facilitators, dates and time, insurance needs, market classes through existing and new partners, delivery of classes, perform fidelity checks, evaluate the class data, provide on-going parent/caregiver support groups, and provide a visible community presence to educate community partners and the broader community about

DocuSign Envelope ID: 017A86AD-FCF7-4D22-AFA0-335E875BFB42

the importance of family education. Request for referrals to other services from parents/caregivers are processed to ensure that families receive the needed wrap-around services to support their healthy, thriving families.

(2) Goal: On-going training for 30 Facilitators on the topics of effective Zoom presentations, delivery of classes online while maintaining course fidelity, mindfulness workshops and community resources.

Activities: Set-up, market, deliver and evaluate the Facilitator workshops. During intake process and classes, family needs are identified and referred to needed services.

(3) Goal: Maintain a well-qualified staff to deliver and evaluate the parent education class series with fidelity.

Activities: Staff receive on-going training, feedback, and evaluation. The P4P Board of Directors annually evaluates the Strategic Plan and the work of the Executive Director.
Activities: Part-Time Systems Navigator: Recruitment and retention of parents/caregivers enrolled in family education classes.

D. Program Objectives

Building a multiple-program spectrum of services requires greater communication, coordination and connectivity with the community, the clients, and the staff (especially the facilitators). Measuring progress, producing media updates, ensuring integration of program fidelity, supporting each participant with the resources needed to achieve healthy behavior, enhancing the quality of facilitators is vital to program effectiveness.

Objective 1: Increase the number of families served in Monterey County by 20% (as compared to 2019 data), through the delivery of prevention/intervention family education programs that positively impact youth in Monterey County.

- Youth will report increased communication and bonding with their families.
- 100% of the parents/caregivers would recommend the classes to other families.
- 75% will report a decrease in negative youth behaviors.
- Using a scale of 1 = No Knowledge to 5= Good As It Can Be, parents will average "4" for "I feel confident in my efforts to help my child"; "I am consistent with the consequences"; "I acknowledge and praise my child's effort"

DocuSign Envelope ID: 017A86AD-FCF7-4D22-AFA0-335E875BFB42

Objective 2: Provide certificated training for ten (10) new Parent Project Facilitators to expand the footprint of the organization throughout Monterey County.

- Set up/recruit training class. Deliver training, provide coaching/training as co-Facilitator through one class series before assuming responsibilities of being solo-Facilitator.

Objective 3: Staff/Facilitator support: Provide staff salaries/stipends and on-going education to support staff/Facilitators in their work and retain a well-qualified staff for delivery of programs. Delivery of 30 class series in Year One (10 months) and 38 class series in Year Two (12 months). Classes will be advertised via print copy, community meetings, speaking engagements and through social media platforms.

- Well-qualified staff will provide ongoing enrichment opportunities and fidelity to 30 Facilitators. Two (2) Facilitators are currently Youth Mental Health First Aid Facilitators and will provide that opportunity to Facilitators in 2022.
- The class database to include attendance, registration and pre/post surveys will be well maintained and available for evaluation reports.
- 38 class series per year will be delivered throughout Monterey County both online and in-person to meet the geographical needs of the County.

E. Expected Outcomes:

Goal #1 Outcomes: Families will report increased communication, bonding, increased school success and a decrease in difficult or challenging behaviors.

Goal #2 Outcomes: Facilitators have the training they need to meet the needs of families during the pandemic and beyond. Wrap-around services for basic needs and family needs are continually shared with the families served.

Goal 3: Outcomes: P4P continues to provide staff and Facilitators that are well-qualified to deliver programs with fidelity.

F. Service Delivery Site(s) and Hours of Operation

1. Site(s): P4P will identify sites quarterly throughout Monterey County to deliver the family education programs. Salinas and South County will have priority when determining class in-person locations. The UCLA Center for Health Policy Research identified East Salinas and South County as having 61% who feel safe in their neighborhoods compared with 82% for the entire county and 88% for the state). Online classes will be available to parents/caregivers throughout Monterey County.

2. Hours of Operation: Office Hours: 9:00 AM – 5:00 PM, Monday – Friday. Course delivery hours are seven (7) to ten (10) consecutive weeks, with two (2) to three (3) online or in-person class orientations prior to delivery of the curriculum to manage the registration process, identify course expectations, parent/caregiver needs (transportation, technology, literacy level) and class delivery information (including Zoom orientation if needed for online classes). The courses are generally from 6:00/6:30 PM – 8:00/8:30 PM. A few Loving Solutions class series are delivered at the school in the morning hours.

Office Telephone: (831) 754-3888
Vicki Law, Executive Director (831) 726-6459
Incorporation status: 501(c) 3

II. PROGRAM GOAL

To provide parents/caregivers of a child presenting with challenging or destructive behaviors leading to academic and school discipline problems, with supports, interventions, and parenting strategies that directly address the mental health needs of the child.

III. PROGRAM NARRATIVE

In 2021 the COUNTY was awarded a 4-year Mental Health Student Services Act (MHSSA) grant through the Mental Health Services Oversight and Accountability Commission to provide mental health support services in Monterey County public schools. COUNTY allocated MHSSA grants funds to provide mental health support services within school by expanding parenting training and education to students and their parents/caregivers as part of the Interconnected Systems Framework (ISF) and Positive Behavior Interventions and Supports (PBIS). PBIS is defined as a systems approach for establishing the social culture and individual behavior supports needed for schools to achieve both social and academic success for all students while preventing problem behaviors. The ISF aims to build upon Positive Behavioral Interventions and Supports and school mental health and integrate both systems into one comprehensive model that can be implemented in a multi-tier framework. Multi-tiered systems of support align with the public health model of universal promotion and prevention, secondary early intervention, and tertiary treatment. When implemented with fidelity, the ISF increases collaboration, efficiency and communication between the education and mental health systems.

IV. SERVICE DESCRIPTION

1. CONTRACTOR shall provide the following parenting courses to students and/or parent/caregiver at the following participating school districts: Alisal Union, Gonzales Union, King City Union, Salinas City Elementary, Salinas Union, San Antonio Union, and Soledad Unified.

    a. Parent Project Senior, Changing Destructive Adolescent Behavior Workshops

DocuSign Envelope ID: 017A86AD-FCF7-4D22-AFA0-335E875BFB42

A 10-week course, 1 time per week, for parents/caregivers of youth 11-18 years of age only. The program demonstrates tools to positively change destructive youth behavior, substance abuse, gang adjacent activity, truancy, or violence.

b. **Parent Project Junior, Loving Solutions Workshops** (for elementary school sites only)
A 10-week course offered to parents of children with Attention Deficit Hyperactivity Disorder and/or difficult or challenging behaviors. Using activity-based instruction, support groups and curriculum, this course addresses behaviors such as poor school attendance and performance, truancy, media influences, bullying and violence. The curriculum teaches concrete prevention, identification, and intervention strategies for parents with children up to 11 years old. A total of 10-25 adults may be enrolled in the workshop.

2. CONTRACTOR shall facilitate parenting courses in both Spanish and English.

3. CONTRACTOR shall provide Parent Project and Loving Solutions facilitator training. CONTRACTOR shall identify staff to become a facilitator to increase capacity to provide more parenting classes.

4. CONTRACTOR shall secure space for parenting classes and provide instructional materials. Workshops and facilitator trainings will be delivered at the school site or community-based organization, either in-person or virtually at varying times, depending on each school district's need.

5. The number of parenting workshops and facilitator trainings funded through this contract will be based on each participating school district's needs. CONTRACTOR will report the number of parenting workshops and facilitator trainings administered at each school district/site.

6. CONTRACTOR shall administer pre and post surveys for workshop and facilitator

7. CONRACTOR shall attend monthly ISF team meetings to coordinate needed parent courses identified by the ISF team for each participating school district.

8. CONTRACTOR shall regularly attend Triage Grant Sub-committee meetings to engage in planning and provide input and feedback on all activities for all grant-related activities.

9. CONTRACTOR shall conduct follow up services for parent workshop participants in need of additional behavioral health services and support with referral to the County Behavioral Health Access program or community-based organization.

10. CONTRACTOR shall support the ISF Implementation Plan and comply with all provisions of the Mental Health Student Services Grant Program.

V. PROGRAM ELIGIBLITY

DocuSign Envelope ID: 017A86AD-FCF7-4D22-AFA0-335E875BFB42

Participation in workshops will be by referral from the district parent/community liaison, administrator, school personnel, and PBIS Tier 2/3 teams.

VI. MEETING COMMUNICATIONS

CONTRACTOR will meet regularly with the designated Monterey County Behavioral Health (MCBH) Deputy Director or designee to review contract implementation; contract usage; and to provide a program status including, but not limited to, grant reporting requirements, hiring, and any other relevant issues.

VI. REPORTING REQUIREMENTS

Monterey County Behavioral Health shall provide to CONTRACTOR the reporting requirements and instructions as required by the State Mental Health Services Oversight and Accountability Commission and COUNTY. Reports shall be in compliance with grant reporting requirements and standard funding restrictions set forth in the MHSSA grant. Reports shall be submitted on a monthly basis no later than thirty (30) days following the end of each quarter to MCBH's designated Contract Monitor.

Additionally, monthly reports shall include the following data:

- List of personnel at service locations/points of access (e.g., school sites). Access point location and addresses must be identified.
- List of workshops and facilitator trainings provided per school district and indicated if facilitated in-person or virtually.
- Number of students and parents/caregivers participants and demographic data for each workshop or facilitator training.
- Referral source of each participant

III. PAYMENT CONDITIONS

A. In order to receive any payment under this Agreement, CONTRACTOR shall submit reports and claims in such form as General Ledger, Payroll Report and other accounting documents as needed, and as may be required by the County of Monterey Department of Health, Behavioral Health Bureau. Specifically, CONTRACTOR shall submit its claims on Cost Reimbursement Invoice Form provided as Exhibit G, to this Agreement, along with backup documentation, on a monthly basis, to COUNTY so as to reach the Behavioral Health Bureau no later than the thirtieth (30th) day of the month following the month of service. See Section III, above, for payment amount information to be reimbursed each fiscal year period of this Agreement. The amount requested for reimbursement shall be in accordance with the approved budget and shall not exceed the actual net costs incurred for services provided under this Agreement.

CONTRACTOR shall submit via email a monthly claim using Exhibit G, Cost Reimbursement Invoice Form in Excel format with electronic signature along with supporting documentations, as may be required by the COUNTY for services rendered to: MCHDBHFinance@co.monterey.ca.us

B. CONTRACTOR shall submit all claims for reimbursement under this Agreement within thirty (30) calendar days after the termination or end date of this Agreement. All claims not submitted after thirty (30) calendar days following the termination or end date of this Agreement shall not be subject to reimbursement by the COUNTY. Any claim(s) submitted for services that preceded thirty (30) calendar days prior to the termination or end date of this Agreement may be disallowed, except to the extent that such failure was through no fault of CONTRACTOR. Any "obligations incurred" included in claims for reimbursements and paid by the COUNTY which remain unpaid by the CONTRACTOR after thirty (30) calendar days following the termination or end date of this Agreement shall be disallowed, except to the extent that such failure was through no fault of CONTRACTOR under audit by the COUNTY.

C. If CONTRACTOR fails to submit claim(s) for services provided under the terms of this Agreement as described above, the COUNTY may, at its sole discretion, deny payment for that month of service and disallow the claim.

D. COUNTY shall review and certify CONTRACTOR'S claim either in the requested amount or in such other amount as COUNTY approves in conformity with this Agreement, and shall then submit such certified claim to the COUNTY Auditor. The County Auditor-Controller shall pay the amount certified within thirty (30) calendar days of receiving the certified invoice.

E. To the extent that the COUNTY determines CONTRACTOR has improperly claimed services, COUNTY may disallow payment of said services and require CONTRACTOR to resubmit said claim of services for payment, or COUNTY may make corrective accounting transactions.

DocuSign Envelope ID: 017A86AD-FCF7-4D22-AFA0-335E875BFB42

F. If COUNTY certifies payment at a lesser amount than the amount requested COUNTY shall immediately notify the CONTRACTOR in writing of such certification and shall specify the reason for it. If the CONTRACTOR desires to contest the certification, the CONTRACTOR must submit a written notice of protest to the COUNTY within twenty (20) calendar days after the CONTRACTOR'S receipt of the COUNTY notice. The parties shall thereafter promptly meet to review the dispute and resolve it on a mutually acceptable basis. No court action may be taken on such a dispute until the parties have met and attempted to resolve the dispute in person.

IV. MAXIMUM OBLIGATION OF COUNTY

A. Subject to the limitations set forth herein, COUNTY shall pay to CONTRACTOR during the term of this Agreement a maximum amount of **$887,998** for services rendered under this Agreement.

B. Maximum Annual Liability:

FISCAL YEAR LIABILITY	AMOUNT
FY 2021 - 2022	$133,750
FY 2022 - 2023	$251,416
FY 2023 - 2024	$251,416
FY 2024 - 2025	$251,416
TOTAL MAXIMUM LIABILITY	**$887,998**

C. If, as of the date of signing this Agreement, CONTRACTOR has already received payment from COUNTY for services rendered under this Agreement, such amount shall be deemed to have been paid out under this Agreement and shall be counted towards COUNTY'S maximum liability under this Agreement.

D. If for any reason this Agreement is canceled, COUNTY'S maximum liability shall be the total utilization to the date of cancellation not to exceed the maximum amount listed above.

E. As an exception to Section D. above with respect to the Survival of Obligations after Termination, COUNTY, any payer, and CONTRACTOR shall continue to remain obligated under this Agreement with regard to payment for services required to be rendered after termination.

VI. BILLING AND PAYMENT LIMITATIONS

Adjustment of Claims Based on Other Data and Information: The COUNTY shall have the right to adjust claims based upon data and information that may include, but are not limited to, COUNTY'S claims processing information system reports, remittance advices, and billing system data.

DocuSign Envelope ID: 017A86AD-FCF7-4D22-AFA0-335E875BFB42

VII. LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS

A. This Agreement shall be subject to any restrictions, limitations, or conditions imposed by State which may in any way affect the provisions or funding of this Agreement, including, but not limited to, those contained in State's Budget Act.

B. This Agreement shall also be subject to any additional restrictions, limitations, or conditions imposed by the Federal government which may in any way affect the provisions or funding of this Agreement.

C. In the event that the COUNTY'S Board of Supervisors adopts, in any fiscal year, a COUNTY Budget which provides for reductions in COUNTY Agreements, the COUNTY reserves the right to unilaterally reduce its payment obligation under this Agreement to implement such Board reductions for that fiscal year and any subsequent fiscal year during the term of this Agreement, correspondingly. The COUNTY'S notice to the CONTRACTOR regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such action.

D. Notwithstanding any other provision of this Agreement, COUNTY shall not be obligated for CONTRACTOR'S performance hereunder or by any provision of this Agreement during any of COUNTY'S current or future fiscal year(s) unless and until COUNTY'S Board of Supervisors appropriates funds for this Agreement in COUNTY'S Budget for each such fiscal year. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. COUNTY shall notify CONTRACTOR of any such non-appropriation of funds at the earliest possible date and the services to be provided by the CONTRACTOR under this Agreement shall also be reduced or terminated.

VIII. AUTHORITY TO ACT FOR THE COUNTY

The Director of the Health Department of the County of Monterey may designate one or more persons within the County of Monterey for the purposes of acting on his/her behalf to implement the provisions of this Agreement. Therefore, the term "Director" in all cases shall mean "Director or his/her designee."

III. PROGRAM NARRATIVE(S) AND SERVICE DESCRIPTION

A. Program Description

Partners For Peace ("P4P") has been building strong families for a peaceful community for 25 years. P4P provides a continuum of prevention to intervention services for parents, families, and youth. Using an evidence-based/informed family skills training program and parenting training for high-risk (adjudicated, court referred, expelled) youth and their parents, P4P seeks to improve social competencies, parenting skills and the parent-child relationship. The classes deliver the message that we want families to teach their kids their family values. Parents tend to parent the way their parents parented them. Our parents did not have to deal with sexting, violent streaming video, bullying via social media, etc. Partners For Peace delivers three culturally relevant parenting classes that encourage parents/caregivers and youth to consistently pick up 21st century tools for 21st century youth behaviors. All family programs have their foundation in the five protective factors: parental resilience, social connections, concrete support in times of need, knowledge of parenting and child development and social and emotional competence of children.

Love is instinctual, skills are not. P4P's programs have consistently reduced recidivism rates and increased school success. Research shows that protective parenting improves family relationships and decreases family conflict, contributing to lower levels of substance use. Parents want to protect their children, but it is challenging. Youth need skills to help them resist the peer pressure that leads to risky behaviors. The need to invest in parent education now is greater than ever to ensure both the quality and sustainability of programming and the safety and well-being of children and families.

B. Prevention Services to be Provided

1. Strengthening Families Program for Parents and Caregivers and youth ages 10-16 ("SFP") consists of one (1) Orientation followed by a seven (7) 2-hour class series.

2. Loving Solutions a prevention model for parents of youth 5 to 10 years of age and is a curriculum that focusses on healthy eating and sleeping, positive discipline, school success and communication and bonding. This program contains resources for parents with children diagnosed with ADD/ADHD.

3. Parent Project® for parents and caregivers with youth ages 11-17, addresses challenging and destructive behaviors, e.g., gangs/gang adjacent activity, drug, vaping and alcohol use, runaways, cutting, violence in the community or home, or chronic truancy. The Parent Project consists of one (1) Orientation followed by ten (10) 2-hour classes and the formation of family support groups that continue after the parents have graduated from the class.

Number of Individuals to Be Served in Culturally Relevant Family Education Programs:
Fiscal Year 2021-2022: Parents/Caregivers and Youth (5-17 years of age) total of 640
Fiscal Year 2022-2023: Parents/Caregivers and Youth (5-17 years of age) total of 760
Fiscal Year 2023-2024: Parents/Caregivers and Youth (5-17 years of age) total of 760
Fiscal Year 2024-2025: Parents/Caregivers and Youth (5-17 years of age) total of 760

In FY 22/23, a Systems Navigator will be hired to perform the following duties:
Outreach, meeting with family school liaisons, one-to-one makeup of missed classes to increase graduation rates, and providing parents/caregivers with links to community wrap around services (mental health, food, shelter, clothing, drug, and alcohol intervention, etc. The families served by this position will have participated in or graduated from classes.

Number of Families Served:
Fiscal Year 2022-2023: 250
Fiscal Year 2023-2024: 300
Fiscal Year 2024-2025: 300

C. Program Goals & Activities

(1) Goal: Increase access and involvement in psychosocial and emotional development programs that enable children/youth and parents/caregivers to interact with others in healthy and wholesome ways; promote meaningful parental and community involvement and enhance awareness/understanding of importance of socio-emotional development. Continue to serve families through a prevention/intervention family education continuum delivered via Zoom and in-person when it is safe to do so.

DocuSign Envelope ID: 155C020F-C2B6-431E-B410-0BBA8BB81030

Activities: Identify Facilitators, dates and time, insurance needs, market classes through existing and new partners, delivery of classes, perform fidelity checks, evaluate the class data, provide on-going parent/caregiver support groups, and provide a visible community presence to educate community partners and the broader community about the importance of family education. Request for referrals to other services from parents/caregivers are processed to ensure that families receive the needed wrap-around services to support their healthy, thriving families.

(2) Goal: On-going training for 30 Facilitators on the topics of effective Zoom presentations, delivery of classes online while maintaining course fidelity, mindfulness workshops and community resources.

Activities: Set-up, market, deliver and evaluate the Facilitator workshops. During intake process and classes, family needs are identified and referred to needed services.

(3) Goal: Maintain a well-qualified staff to deliver and evaluate the parent education class series with fidelity.

Activities: Staff receive on-going training, feedback, and evaluation. The P4P Board of Directors annually evaluates the Strategic Plan and the work of the Executive Director.
Activities**:** Part-Time Systems Navigator: Recruitment and retention of parents/caregivers enrolled in family education classes.

D**.** Program Objectives

Building a multiple-program spectrum of services requires greater communication, coordination and connectivity with the community, the clients, and the staff (especially the facilitators). Measuring progress, producing media updates, ensuring integration of program fidelity, supporting each participant with the resources needed to achieve healthy behavior, enhancing the quality of facilitators is vital to program effectiveness.

Objective 1: Increase the number of families served in Monterey County by 20% (as compared to 2019 data), through the delivery of prevention/intervention family education programs that positively impact youth in Monterey County.

- Youth will report increased communication and bonding with their families.
- 100% of the parents/caregivers would recommend the classes to other families.
- 75% will report a decrease in negative youth behaviors.
- Using a scale of 1 = No Knowledge to 5= Good As It Can Be, parents will average "4" for "I feel confident in my efforts to help my child"; "I am consistent with the consequences"; "I acknowledge and praise my child's effort"

DocuSign Envelope ID: 155C020F-C2B6-431E-B410-0BBA8BB81030

Objective 2: Provide certificated training for ten (10) new Parent Project Facilitators to expand the footprint of the organization throughout Monterey County.

- Set up/recruit training class. Deliver training, provide coaching/training as co-Facilitator through one class series before assuming responsibilities of being solo-Facilitator.

Objective 3: Staff/Facilitator support: Provide staff salaries/stipends and on-going education to support staff/Facilitators in their work and retain a well-qualified staff for delivery of programs. Delivery of 30 class series in Year One (10 months) and 38 class series in Year Two (12 months). Classes will be advertised via print copy, community meetings, speaking engagements and through social media platforms**.**

- Well-qualified staff will provide ongoing enrichment opportunities and fidelity to 30 Facilitators. Two (2) Facilitators are currently Youth Mental Health First Aid Facilitators and will provide that opportunity to Facilitators in 2022.
- The class database to include attendance, registration and pre/post surveys will be well maintained and available for evaluation reports.
- 38 class series per year will be delivered throughout Monterey County both online and in-person to meet the geographical needs of the County.

E. Expected Outcomes:

Goal #1 Outcomes: Families will report increased communication, bonding, increased school success and a decrease in difficult or challenging behaviors.

Goal #2 Outcomes: Facilitators have the training they need to meet the needs of families during the pandemic and beyond. Wrap-around services for basic needs and family needs are continually shared with the families served.

Goal 3: Outcomes: P4P continues to provide staff and Facilitators that are well-qualified to deliver programs with fidelity.

F. Service Delivery Site(s) and Hours of Operation

1. Site(s): P4P will identify sites quarterly throughout Monterey County to deliver the family education programs. Salinas and South County will have priority when determining class in-person locations. The UCLA Center for Health Policy Research identified East Salinas and South County as having 61% who feel safe in their neighborhoods compared with 82% for the entire county and 88% for the state). Online classes will be available to parents/caregivers throughout Monterey County.

2. Hours of Operation: Office Hours: 9:00 AM – 5:00 PM, Monday – Friday. Course delivery hours are seven (7) to ten (10) consecutive weeks, with two (2) to three (3) online or in-person class orientations prior to delivery of the curriculum to manage the registration process, identify course expectations, parent/caregiver needs (transportation, technology, literacy level) and class delivery information (including Zoom orientation if needed for online classes).

DocuSign Envelope ID: 155C020F-C2B6-431E-B410-0BBA8BB81030

The courses are generally from 6:00/6:30 PM – 8:00/8:30 PM. A few Loving Solutions class series are delivered at the school in the morning hours.

IV. PROGRAM ELIGIBILITY

A. Population/Catchment Area to Be Served: Families throughout Monterey County. Classes are delivered in English and Spanish. Adult parents/caregivers and their children ages 5-17 will receive services.
B. Legal Status: Voluntary

PROGRAM 2: INTERCONNECTED SYSTEMS FRAMEWORK (ISF)

Effective February 1, 2022 – June 30, 2025

I. IDENTIFICATION OF PROVIDER

Partners For Peace
855 East Laurel Drive, Bldg. H, Salinas, CA 93905
Office Telephone: (831) 754-3888
Vicki Law, Executive Director (831) 726-6459
Incorporation status: 501(c) 3

II. PROGRAM GOAL

To provide parents/caregivers of a child presenting with challenging or destructive behaviors leading to academic and school discipline problems, with supports, interventions, and parenting strategies that directly address the mental health needs of the child.

III. PROGRAM NARRATIVE

In 2021 the COUNTY was awarded a 4-year Mental Health Student Services Act (MHSSA) grant through the Mental Health Services Oversight and Accountability Commission to provide mental health support services in Monterey County public schools. COUNTY allocated MHSSA grants funds to provide mental health support services within school by expanding parenting training and education to students and their parents/caregivers as part of the Interconnected Systems Framework (ISF) and Positive Behavior Interventions and Supports (PBIS). PBIS is defined as a systems approach for establishing the social culture and individual behavior supports needed for schools to achieve both social and academic success for all students while preventing problem behaviors. The ISF aims to build upon Positive Behavioral Interventions and Supports and school mental health and integrate both systems into one comprehensive model that can be implemented in a multi-tier framework. Multi-tiered systems of support align with the public health model of universal promotion and prevention, secondary early intervention, and tertiary treatment. When implemented with fidelity, the ISF increases collaboration, efficiency and communication between the education and mental health systems.

IV. SERVICE DESCRIPTION

1. CONTRACTOR shall provide the following parenting courses to students and/or parent/caregiver at the following participating school districts: Alisal Union, Gonzales Union, King City Union, Salinas City Elementary, Salinas Union, San Antonio Union, and Soledad Unified.

    a. Parent Project Senior, Changing Destructive Adolescent Behavior Workshops

DocuSign Envelope ID: 155C020F-C2B6-431E-B410-0BBA8BB81030

A 10-week course, 1 time per week, for parents/caregivers of youth 11-18 years of age only. The program demonstrates tools to positively change destructive youth behavior, substance abuse, gang adjacent activity, truancy, or violence.

b. Parent Project Junior, Loving Solutions Workshops (for elementary school sites only)
A 10-week course offered to parents of children with Attention Deficit Hyperactivity Disorder and/or difficult or challenging behaviors. Using activity-based instruction, support groups and curriculum, this course addresses behaviors such as poor school attendance and performance, truancy, media influences, bullying and violence. The curriculum teaches concrete prevention, identification, and intervention strategies for parents with children up to 11 years old. A total of 10-25 adults may be enrolled in the workshop.

2. CONTRACTOR shall facilitate parenting courses in both Spanish and English.

3. CONTRACTOR shall provide Parent Project and Loving Solutions facilitator training. CONTRACTOR shall identify staff to become a facilitator to increase capacity to provide more parenting classes.

4. CONTRACTOR shall secure space for parenting classes and provide instructional materials. Workshops and facilitator trainings will be delivered at the school site or community-based organization, either in-person or virtually at varying times, depending on each school district's need.

5. The number of parenting workshops and facilitator trainings funded through this contract will be based on each participating school district's needs. CONTRACTOR will report the number of parenting workshops and facilitator trainings administered at each school district/site.

6. CONTRACTOR shall administer pre and post surveys for workshop and facilitator

7. CONRACTOR shall attend monthly ISF team meetings to coordinate needed parent courses identified by the ISF team for each participating school district.

8. CONTRACTOR shall regularly attend Triage Grant Sub-committee meetings to engage in planning and provide input and feedback on all activities for all grant-related activities.

9. CONTRACTOR shall conduct follow up services for parent workshop participants in need of additional behavioral health services and support with referral to the County Behavioral Health Access program or community-based organization.

10. CONTRACTOR shall support the ISF Implementation Plan and comply with all provisions of the Mental Health Student Services Grant Program.

DocuSign Envelope ID: 155C020F-C2B6-431E-B410-0BBA8BB81030

V. PROGRAM ELIGIBLITY

III. PAYMENT CONDITIONS

A. In order to receive any payment under this Agreement, CONTRACTOR shall submit reports and claims in such form as General Ledger, Payroll Report and other accounting documents as needed, and as may be required by the County of Monterey Department of Health, Behavioral Health Bureau. Specifically, CONTRACTOR shall submit its claims on Cost Reimbursement Invoice Form provided as Exhibit G, to this Agreement, along with backup documentation, on a quarterly basis, to COUNTY so as to reach the Behavioral Health Bureau no later than the thirtieth (30th) day of the month following the month of service. See Section III, above, for payment amount information to be reimbursed each fiscal year period of this Agreement. The amount requested for reimbursement shall be in accordance with the approved budget and shall not exceed the actual net costs incurred for services provided under this Agreement.

CONTRACTOR shall submit via email a quarterly claim using Exhibit G, Cost Reimbursement Invoice Form in Excel format with electronic signature along with supporting documentations, as may be required by the COUNTY for services rendered to: MCHDBHFinance@co.monterey.ca.us

B. CONTRACTOR shall submit all claims for reimbursement under this Agreement within thirty (30) calendar days after the termination or end date of this Agreement. All claims not submitted after thirty (30) calendar days following the termination or end date of this Agreement shall not be subject to reimbursement by the COUNTY. Any claim(s) submitted for services that preceded thirty (30) calendar days prior to the termination or end date of this Agreement may be disallowed, except to the extent that such failure was through no fault of CONTRACTOR. Any "obligations incurred" included in claims for reimbursements and paid by the COUNTY which remain unpaid by the CONTRACTOR after thirty (30) calendar days following the termination or end date of this Agreement shall be disallowed, except to the extent that such failure was through no fault of CONTRACTOR under audit by the COUNTY.

DocuSign Envelope ID: 155C020F-C2B6-431E-B410-0BBA8BB81030

C. If CONTRACTOR fails to submit claim(s) for services provided under the terms of this Agreement as described above, the COUNTY may, at its sole discretion, deny payment for that month of service and disallow the claim.

D. COUNTY shall review and certify CONTRACTOR'S claim either in the requested amount or in such other amount as COUNTY approves in conformity with this Agreement, and shall then submit such certified claim to the COUNTY Auditor. The County Auditor-Controller shall pay the amount certified within thirty (30) calendar days of receiving the certified invoice.

E. To the extent that the COUNTY determines CONTRACTOR has improperly claimed services, COUNTY may disallow payment of said services and require CONTRACTOR to resubmit said claim of services for payment, or COUNTY may make corrective accounting transactions.

F. If COUNTY certifies payment at a lesser amount than the amount requested COUNTY shall immediately notify the CONTRACTOR in writing of such certification and shall specify the reason for it. If the CONTRACTOR desires to contest the certification, the CONTRACTOR must submit a written notice of protest to the COUNTY within twenty (20) calendar days after the CONTRACTOR'S receipt of the COUNTY notice. The parties shall thereafter promptly meet to review the dispute and resolve it on a mutually acceptable basis. No court action may be taken on such a dispute until the parties have met and attempted to resolve the dispute in person.

IV. MAXIMUM OBLIGATION OF COUNTY

A. Subject to the limitations set forth herein, COUNTY shall pay to CONTRACTOR during the term of this Agreement a maximum amount of **$887,998** for services rendered under this Agreement.

B. Maximum Annual Liability:

FISCAL YEAR LIABILITY	AMOUNT
FY 2021 - 2022	$133,750
FY 2022 - 2023	$251,416
FY 2023 - 2024	$251,416
FY 2024 - 2025	$251,416
TOTAL MAXIMUM LIABILITY	**$887,998**

C. If, as of the date of signing this Agreement, CONTRACTOR has already received payment from COUNTY for services rendered under this Agreement, such amount shall be deemed to have been paid out under this Agreement and shall be counted towards COUNTY'S maximum liability under this Agreement.

DocuSign Envelope ID: 155C020F-C2B6-431E-B410-0BBA8BB81030

D. If for any reason this Agreement is canceled, COUNTY'S maximum liability shall be the total utilization to the date of cancellation not to exceed the maximum amount listed above.

E. As an exception to Section D. above with respect to the Survival of Obligations after Termination, COUNTY, any payer, and CONTRACTOR shall continue to remain obligated under this Agreement with regard to payment for services required to be rendered after termination.

VI. BILLING AND PAYMENT LIMITATIONS

Adjustment of Claims Based on Other Data and Information: The COUNTY shall have the right to adjust claims based upon data and information that may include, but are not limited to, COUNTY'S claims processing information system reports, remittance advices, and billing system data.

VII. LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS

A. This Agreement shall be subject to any restrictions, limitations, or conditions imposed by State which may in any way affect the provisions or funding of this Agreement, including, but not limited to, those contained in State's Budget Act.

B. This Agreement shall also be subject to any additional restrictions, limitations, or conditions imposed by the Federal government which may in any way affect the provisions or funding of this Agreement.

C. In the event that the COUNTY'S Board of Supervisors adopts, in any fiscal year, a COUNTY Budget which provides for reductions in COUNTY Agreements, the COUNTY reserves the right to unilaterally reduce its payment obligation under this Agreement to implement such Board reductions for that fiscal year and any subsequent fiscal year during the term of this Agreement, correspondingly. The COUNTY'S notice to the CONTRACTOR regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such action.

D. Notwithstanding any other provision of this Agreement, COUNTY shall not be obligated for CONTRACTOR'S performance hereunder or by any provision of this Agreement during any of COUNTY'S current or future fiscal year(s) unless and until COUNTY'S Board of Supervisors appropriates funds for this Agreement in COUNTY'S Budget for each such fiscal year. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. COUNTY shall notify CONTRACTOR of any such non-appropriation of funds at the earliest possible date and the services to be provided by the CONTRACTOR under this Agreement shall also be reduced or terminated.

III. PROGRAM NARRATIVE(S) AND SERVICE DESCRIPTION

A. Program Description

Partners For Peace ("P4P") has been building strong families for a peaceful community for 25 years. P4P provides a continuum of prevention to intervention services for parents, families, and youth. Using an evidence-based/informed family skills training program and parenting training for high-risk (adjudicated, court referred, expelled) youth and their parents, P4P seeks to improve social competencies, parenting skills and the parent-child relationship. The classes deliver the message that we want families to teach their kids their family values. Parents tend to parent the way their parents parented them. Our parents did not have to deal with sexting, violent streaming video, bullying via social media, etc. Partners For Peace delivers three culturally relevant parenting classes that encourage parents/caregivers and youth to consistently pick up 21st century tools for 21st century youth behaviors. All family programs have their foundation in the five protective factors: parental resilience, social connections, concrete support in times of need, knowledge of parenting and child development and social and emotional competence of children.

Love is instinctual, skills are not. P4P's programs have consistently reduced recidivism rates and increased school success. The funds in this Agreement will support program and marketing materials, four full-time staff and stipends to our Independent Contractor Facilitators in the delivery of quarterly classes in English and Spanish.

P4P is woven into the strategic plan, developed by the Community Alliance for Safety and Peace and by STRYVE, the CDC grant to the Monterey County Health Department to reduce family violence through prevention strategies.

B. Prevention Services to be Provided

(1) Strengthening Families Program for Parents and Caregivers and youth ages 10-16 ("SFP") consists of one (1) Orientation followed by a seven (7) 2-hour class series. Research shows that protective parenting improves family relationships and decreases family conflict, contributing to lower levels of substance use; these skills and tools are delivered through SFP. Youth violence, disconnected families, gang violence and poor social-emotional child/family skills need to be addressed to decrease crime and a poor sense of safety in Monterey County. A research study conducted by the Partnerships in Prevention Science Institute found a return of $9.60 for every dollar spent implementing the Strengthening Families Program.

(2) Loving Solutions a prevention model for parents of youth 5 to 10 years of age and is a curriculum that focusses on healthy eating and sleeping, positive discipline, school success and communication and bonding. This program contains resources for parents with children diagnosed with ADD/ADHD. Loving Solutions is a best practice model for the prevention of juvenile delinquency. The class, for parents of the five to ten-year-old, increases protective factors identified by research to prevent youth violence: parent-family connectedness, parent-youth time together, structure and rules at home and ability of parent-youth to communicate and to discuss problems together. Parents want to protect their children, but it is challenging. Youth need skills to help them resist the peer pressure that leads to risky behaviors. The need to invest in parent education now is greater than ever to ensure both the quality and sustainability of programming and the safety and well-being of children and families. The curriculum was co-authored by Dr. Roger H. Morgan and has a strong underpinning of best practices for family/parent/youth mental health.

(3) Parent Project® for parents and caregivers with youth ages 11-17, addresses challenging and destructive behaviors, e.g., gangs/gang adjacent activity, drug, vaping and alcohol use, runaways, cutting, violence in the community or home, or chronic truancy. This course increases positive parent/caregiver communication and bonding and provides parents with an action plan to increase positive behaviors. The Parent Project consists of one (1) Orientation followed by ten (10) 2-hour classes and the formation of family support groups that continue after the parents have graduated from the class. The curriculum was co-authored by Dr. Roger H. Morgan and has a strong underpinning of best practices for family, parent and youth mental health. The 10-week class series culminates in a parent led support group that meets after graduation to provide on-going emotional support as parents continue the process of change at home. Throughout the class series parents practice the group roles of Group Facilitator, Group Timekeeper, Group Reporter and Group Cheerleaders to lay the foundation for future parent-led support group meetings.

Number of Individuals to Be Served: Parents/Caregivers and Youth (5-17 years of age)
Year One: 640; Year Two: 760

DocuSign Envelope ID: F4764B35-E345-49C7-B704-BBCE83690BB4

C. Program Goals & Activities

(1) Goal: Increase access and involvement in psychosocial and emotional development programs that enable children/youth and parents/caregivers to interact with others in healthy and wholesome ways; promote meaningful parental and community involvement and enhance awareness/understanding of importance of socio-emotional development. Continue to serve families through a prevention/intervention family education continuum delivered via Zoom and in-person when it is safe to do so.

Activities: Identify Facilitators, dates and time, insurance needs, market classes through existing and new partners, delivery of classes, perform fidelity checks, evaluate the class data, provide on-going parent/caregiver support groups, and provide a visible community presence to educate community partners and the broader community about the importance of family education. Request for referrals to other services from parents/caregivers are processed to ensure that families receive the needed wrap-around services to support their healthy, thriving families.

(2) Goal: On-going training for 30 Facilitators on the topics of effective Zoom presentations, delivery of classes online while maintaining course fidelity, mindfulness workshops and community resources.

Activities: Set-up, market, deliver and evaluate the Facilitator workshops. During intake process and classes, family needs are identified and referred to needed services.

(3) Goal: Maintain a well-qualified staff to deliver and evaluate the parent education class series with fidelity.

Activities: Staff receive on-going training, feedback, and evaluation. The P4P Board of Directors annually evaluates the Strategic Plan and the work of the Executive Director.

D. Program Objectives

Building a multiple-program spectrum of services requires greater communication, coordination and connectivity with the community, the clients, and the staff (especially the facilitators). Measuring progress, producing media updates, ensuring integration of program fidelity, supporting each participant with the resources needed to achieve healthy behavior, enhancing the quality of facilitators is vital to program effectiveness.

Objective 1: Increase the number of families served in Monterey County by 20% (as compared to 2019 data), through the delivery of prevention/intervention family education programs that positively impact youth in Monterey County.

- Youth will report increased communication and bonding with their families.
- 100% of the parents/caregivers would recommend the classes to other families.

- 75% will report a decrease in negative youth behaviors.
- Using a scale of 1 = No Knowledge to 5= Good As It Can Be, parents will average "4" for "I feel confident in my efforts to help my child"; "I am consistent with the consequences"; "I acknowledge and praise my child's effort"

Objective 2: Provide certificated training for ten (10) new Parent Project Facilitators to expand the footprint of the organization throughout Monterey County.

- Set up/recruit training class. Deliver training, provide coaching/training as co-Facilitator through one class series before assuming responsibilities of being solo-Facilitator.

Objective 3: Staff/Facilitator support: Provide staff salaries/stipends and on-going education to support staff/Facilitators in their work and retain a well-qualified staff for delivery of programs. Delivery of 30 class series in Year One (10 months) and 38 class series in Year Two (12 months). Classes will be advertised via print copy, community meetings, speaking engagements and through social media platforms**.**

- Well-qualified staff will provide ongoing enrichment opportunities and fidelity to 30 Facilitators. Two (2) Facilitators are currently Youth Mental Health First Aid Facilitators and will provide that opportunity to Facilitators in 2022.
- The class database to include attendance, registration and pre/post surveys will be well maintained and available for evaluation reports.
- 38 class series per year will be delivered throughout Monterey County both online and in-person to meet the geographical needs of the County.

E. Expected Outcomes:

Goal #1 Outcomes: Families will report increased communication, bonding, increased school success and a decrease in difficult or challenging behaviors.

Goal #2 Outcomes: Facilitators have the training they need to meet the needs of families during the pandemic and beyond. Wrap-around services for basic needs and family needs are continually shared with the families served.

Goal 3: Outcomes: P4P continues to provide staff and Facilitators that are well-qualified to deliver programs with fidelity.

F. Service Delivery Site(s) and Hours of Operation

1. Site(s): P4P will identify sites quarterly throughout Monterey County to deliver the family education programs. Salinas and South County will have priority when determining class in-person locations. The UCLA Center for Health Policy Research identified East Salinas and South County as having 61% who feel safe in their neighborhoods compared with 82% for the entire county and 88% for the state). Online classes will be available to parents/caregivers throughout Monterey County.

2. Hours of Operation: Office Hours: 9:00 AM – 5:00 PM, Monday – Friday. Course delivery hours are seven (7) to ten (10) consecutive weeks, with two (2)

DocuSign Envelope ID: F4764B35-E345-49C7-B704-BBCE83690BB4

to three (3) online or in-person class orientations prior to delivery of the curriculum to manage the registration process, identify course expectations, parent/caregiver needs (transportation, technology, literacy level) and class delivery information (including Zoom orientation if needed for online classes). The courses are generally from 6:00/6:30 PM – 8:00/8:30 PM. A few Loving Solutions class series are delivered at the school in the morning hours.

IV. PROGRAM ELIGIBILITY

A. Population/Catchment Area to Be Served: Families throughout Monterey County. Classes are delivered in English and Spanish. Adult parents/caregivers and their children ages 5-17 will receive services.
B. Legal Status: Voluntary

V. MEETINGS/COMMUNICATIONS

CONTRACTOR will meet regularly with the designated Monterey County Behavioral Health (MCBH) Deputy Director or Services Manager ("Contract Monitor") to monitor progress on consumer and program outcomes; oversee contract implementation; and evaluate contract usage, effectiveness, issues, and recommendations.

VI. REPORTING REQUIREMENTS

Monterey County Behavioral Health shall provide to CONTRACTOR the reporting requirements and instructions as required by the State Mental Health Services Oversight and Accountability Commission, the Department of Health Care Services and COUNTY. CONTRACTOR shall submit reports, consisting of participant demographic data for each service provided, as well as the program outcomes as required by the Prevention and Early Intervention (PEI) regulations. Reports shall be submitted on a quarterly basis no later than thirty (30) days following the end of each quarter to MCBH's designated Contract Monitor and to EvalCorp via this email address: mcbh-eval@evalcorp.com.

PROGRAM 2: INTERCONNECTED SYSTEMS FRAMEWORK (ISF)

Effective February 1, 2022 – June 30, 2025

I. IDENTIFICATION OF PROVIDER

Partners For Peace
855 East Laurel Drive, Bldg. H, Salinas, CA 93905
Office Telephone: (831) 754-3888
Vicki Law, Executive Director (831) 726-6459
Incorporation status: 501(c) 3

II. PROGRAM GOAL

To provide parents/caregivers of a child presenting with challenging or destructive behaviors leading to academic and school discipline problems, with supports, interventions, and parenting strategies that directly address the mental health needs of the child.

III. PROGRAM NARRATIVE

In 2021 the COUNTY was awarded a 4-year Mental Health Student Services Act (MHSSA) grant through the Mental Health Services Oversight and Accountability Commission to provide mental health support services in Monterey County public schools. COUNTY allocated MHSSA grants funds to provide mental health support services within school by expanding parenting training and education to students and their parents/caregivers as part of the Interconnected Systems Framework (ISF) and Positive Behavior Interventions and Supports (PBIS). PBIS is defined as a systems approach for establishing the social culture and individual behavior supports needed for schools to achieve both social and academic success for all students while preventing problem behaviors. The ISF aims to build upon Positive Behavioral Interventions and Supports and school mental health and integrate both systems into one comprehensive model that can be implemented in a multi-tier framework. Multi-tiered systems of support align with the public health model of universal promotion and prevention, secondary early intervention, and tertiary treatment. When implemented with fidelity, the ISF increases collaboration, efficiency and communication between the education and mental health systems.

IV. SERVICE DESCRIPTION

1. CONTRACTOR shall provide the following parenting courses to students and/or parent/caregiver at the following participating school districts: Alisal Union, Gonzales Union, King City Union, Salinas City Elementary, Salinas Union, San Antonio Union, and Soledad Unified.

    a. Parent Project Senior, Changing Destructive Adolescent Behavior Workshops

DocuSign Envelope ID: F4764B35-E345-49C7-B704-BBCE83690BB4

A 10-week course, 1 time per week, for parents/caregivers of youth 11-18 years of age only. The program demonstrates tools to positively change destructive youth behavior, substance abuse, gang adjacent activity, truancy, or violence.

b. Parent Project Junior, Loving Solutions Workshops (for elementary school sites only)
A 10-week course offered to parents of children with Attention Deficit Hyperactivity Disorder and/or difficult or challenging behaviors. Using activity-based instruction, support groups and curriculum, this course addresses behaviors such as poor school attendance and performance, truancy, media influences, bullying and violence. The curriculum teaches concrete prevention, identification, and intervention strategies for parents with children up to 11 years old. A total of 10-25 adults may be enrolled in the workshop.

2. CONTRACTOR shall facilitate parenting courses in both Spanish and English.

3. CONTRACTOR shall provide Parent Project and Loving Solutions facilitator training. CONTRACTOR shall identify staff to become a facilitator to increase capacity to provide more parenting classes.

4. CONTRACTOR shall secure space for parenting classes and provide instructional materials. Workshops and facilitator trainings will be delivered at the school site or community-based organization, either in-person or virtually at varying times, depending on each school district's need.

5. The number of parenting workshops and facilitator trainings funded through this contract will be based on each participating school district's needs. CONTRACTOR will report the number of parenting workshops and facilitator trainings administered at each school district/site.

6. CONTRACTOR shall administer pre and post surveys for workshop and facilitator

7. CONRACTOR shall attend monthly ISF team meetings to coordinate needed parent courses identified by the ISF team for each participating school district.

8. CONTRACTOR shall regularly attend Triage Grant Sub-committee meetings to engage in planning and provide input and feedback on all activities for all grant-related activities.

9. CONTRACTOR shall conduct follow up services for parent workshop participants in need of additional behavioral health services and support with referral to the County Behavioral Health Access program or community-based organization.

10. CONTRACTOR shall support the ISF Implementation Plan and comply with all provisions of the Mental Health Student Services Grant Program.

DocuSign Envelope ID: F4764B35-E345-49C7-B704-BBCE83690BB4

V. PROGRAM ELIGIBLITY

Participation in workshops will be by referral from the district parent/community liaison, administrator, school personnel, and PBIS Tier 2/3 teams.

VI. MEETING COMMUNICATIONS

CONTRACTOR will meet regularly with the designated Monterey County Behavioral Health (MCBH) Deputy Director or designee to review contract implementation; contract usage; and to provide a program status including, but not limited to, grant reporting requirements, hiring, and any other relevant issues.

VI. REPORTING REQUIREMENTS

Monterey County Behavioral Health shall provide to CONTRACTOR the reporting requirements and instructions as required by the State Mental Health Services Oversight and Accountability Commission and COUNTY. Reports shall be in compliance with grant reporting requirements and standard funding restrictions set forth in the MHSSA grant. Reports shall be submitted on a quarterly basis no later than thirty (30) days following the end of each quarter to MCBH's designated Contract Monitor.

Additionally, quarterly reports shall include the following data:

- List of personnel at service locations/points of access (e.g., school sites). Access point location and addresses must be identified.
- List of workshops and facilitator trainings provided per school district and indicated if facilitated in-person or virtually.
- Number of students and parents/caregivers participants and demographic data for each workshop or facilitator training.
- Referral source of each participant
- Outcomes data on quarterly on pre and post surveys.

III. PAYMENT CONDITIONS

A. In order to receive any payment under this Agreement, CONTRACTOR shall submit reports and claims in such form as General Ledger, Payroll Report and other accounting documents as needed, and as may be required by the County of Monterey Department of Health, Behavioral Health Bureau. Specifically, CONTRACTOR shall submit its claims on Cost Reimbursement Invoice Form provided as Exhibit G, to this Agreement, along with backup documentation, on a quarterly basis, to COUNTY so as to reach the Behavioral Health Bureau no later than the thirtieth (30th) day of the month following the month of service. See Section III, above, for payment amount information to be reimbursed each fiscal year period of this Agreement. The amount requested for reimbursement shall be in accordance with the approved budget and shall not exceed the actual net costs incurred for services provided under this Agreement.

   CONTRACTOR shall submit via email a quarterly claim using Exhibit G, Cost Reimbursement Invoice Form in Excel format with electronic signature along with supporting documentations, as may be required by the COUNTY for services rendered to: MCHDBHFinance@co.monterey.ca.us

B. CONTRACTOR shall submit all claims for reimbursement under this Agreement within thirty (30) calendar days after the termination or end date of this Agreement. All claims not submitted after thirty (30) calendar days following the termination or end date of this Agreement shall not be subject to reimbursement by the COUNTY. Any claim(s) submitted for services that preceded thirty (30) calendar days prior to the termination or end date of this Agreement may be disallowed, except to the extent that such failure was through no fault of CONTRACTOR. Any "obligations incurred" included in claims for reimbursements and paid by the COUNTY which remain unpaid by the CONTRACTOR after thirty (30) calendar days following the termination or end date of this Agreement shall be disallowed, except to the extent that such failure was through no fault of CONTRACTOR under audit by the COUNTY.

C. If CONTRACTOR fails to submit claim(s) for services provided under the terms of this Agreement as described above, the COUNTY may, at its sole discretion, deny payment for that month of service and disallow the claim.

D. COUNTY shall review and certify CONTRACTOR'S claim either in the requested amount or in such other amount as COUNTY approves in conformity with this Agreement, and shall then submit such certified claim to the COUNTY Auditor. The County Auditor-Controller shall pay the amount certified within thirty (30) calendar days of receiving the certified invoice.

E. To the extent that the COUNTY determines CONTRACTOR has improperly claimed services, COUNTY may disallow payment of said services and require CONTRACTOR to resubmit said claim of services for payment, or COUNTY may make corrective accounting transactions.

DocuSign Envelope ID: F4764B35-E345-49C7-B704-BBCE83690BB4

F. If COUNTY certifies payment at a lesser amount than the amount requested COUNTY shall immediately notify the CONTRACTOR in writing of such certification and shall specify the reason for it. If the CONTRACTOR desires to contest the certification, the CONTRACTOR must submit a written notice of protest to the COUNTY within twenty (20) calendar days after the CONTRACTOR'S receipt of the COUNTY notice. The parties shall thereafter promptly meet to review the dispute and resolve it on a mutually acceptable basis. No court action may be taken on such a dispute until the parties have met and attempted to resolve the dispute in person.

IV. MAXIMUM OBLIGATION OF COUNTY

A. Subject to the limitations set forth herein, COUNTY shall pay to CONTRACTOR during the term of this Agreement a maximum amount of **$371,998** for services rendered under this Agreement.

B. Maximum Annual Liability:

FISCAL YEAR LIABILITY	AMOUNT
FY 2021 - 2022	$133,750
FY 2022 - 2023	$159,416
FY 2023 - 2024	$39,416
FY 2024 - 2025	$39,416
TOTAL MAXIMUM LIABILITY	**$371,998**

C. If, as of the date of signing this Agreement, CONTRACTOR has already received payment from COUNTY for services rendered under this Agreement, such amount shall be deemed to have been paid out under this Agreement and shall be counted towards COUNTY'S maximum liability under this Agreement.

D. If for any reason this Agreement is canceled, COUNTY'S maximum liability shall be the total utilization to the date of cancellation not to exceed the maximum amount listed above.

E. As an exception to Section D. above with respect to the Survival of Obligations after Termination, COUNTY, any payer, and CONTRACTOR shall continue to remain obligated under this Agreement with regard to payment for services required to be rendered after termination.

VI. BILLING AND PAYMENT LIMITATIONS

Adjustment of Claims Based on Other Data and Information: The COUNTY shall have the right to adjust claims based upon data and information that may include, but are not limited to, COUNTY'S claims processing information system reports, remittance advices, and billing system data.

DocuSign Envelope ID: F4764B35-E345-49C7-B704-BBCE83690BB4

VII. LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS

A. This Agreement shall be subject to any restrictions, limitations, or conditions imposed by State which may in any way affect the provisions or funding of this Agreement, including, but not limited to, those contained in State's Budget Act.

B. This Agreement shall also be subject to any additional restrictions, limitations, or conditions imposed by the Federal government which may in any way affect the provisions or funding of this Agreement.

C. In the event that the COUNTY'S Board of Supervisors adopts, in any fiscal year, a COUNTY Budget which provides for reductions in COUNTY Agreements, the COUNTY reserves the right to unilaterally reduce its payment obligation under this Agreement to implement such Board reductions for that fiscal year and any subsequent fiscal year during the term of this Agreement, correspondingly. The COUNTY'S notice to the CONTRACTOR regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such action.

D. Notwithstanding any other provision of this Agreement, COUNTY shall not be obligated for CONTRACTOR'S performance hereunder or by any provision of this Agreement during any of COUNTY'S current or future fiscal year(s) unless and until COUNTY'S Board of Supervisors appropriates funds for this Agreement in COUNTY'S Budget for each such fiscal year. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. COUNTY shall notify CONTRACTOR of any such non-appropriation of funds at the earliest possible date and the services to be provided by the CONTRACTOR under this Agreement shall also be reduced or terminated.

VIII. AUTHORITY TO ACT FOR THE COUNTY

The Director of the Health Department of the County of Monterey may designate one or more persons within the County of Monterey for the purposes of acting on his/her behalf to implement the provisions of this Agreement. Therefore, the term "Director" in all cases shall mean "Director or his/her designee."

COUNTY OF MONTEREY
MENTAL HEALTH SERVICES AGREEMENT

Contract Number: _____

COUNTY Department Contract Representative:

Elsa M. Jimenez, Director of Health
1270 Natividad Road, Salinas, CA 93906

THIS CONTRACT is made and entered into by and between the **COUNTY OF MONTEREY**, a political subdivision of the State of California (hereinafter "COUNTY") and **PARTNERS FOR PEACE** (hereinafter "CONTRACTOR").

RECITALS

WHEREAS, COUNTY desires to enter into an Agreement whereby CONTRACTOR shall provide community mental health services in accordance with the requirements of the Bronzan-McCorquodale Act (California Welfare and Institutions Code § 5600, et seq.), Part 2.5 of Division 5 of the California Welfare & Institutions Code, and Titles 9 and 22 of the California Code of Regulations; and

WHEREAS, CONTRACTOR is able to furnish such services under the terms and conditions of this Agreement and in accordance with applicable law, including all Federal, State of California (State), and local laws, regulations, rules, and guidelines pertaining to the provision of mental health services.

NOW, THEREFORE, IT IS HEREBY AGREED AS FOLLOWS:

I. SERVICES TO BE PROVIDED

CONTRACTOR shall provide the services set forth in this Agreement, including the program services detailed in Exhibit A, to the recipient population and to the COUNTY, in compliance with the terms of this Agreement. These services can be summarized as follows: Culturally Relevant Parenting Classes.

II. EXHIBITS

The following exhibits are attached to this Agreement and incorporated herein by reference:

EXHIBIT A: PROGRAM DESCRIPTION
EXHIBIT B: PAYMENT AND BILLING PROVISIONS
EXHIBIT C: CONFIDENTIALITY OF PATIENT INFORMATION
EXHIBIT D: ASSURANCE OF COMPLIANCE WITH SECTION 504 OF THE REHABILITATION ACT OF 1973, AS AMENDED

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

EXHIBIT E: ASSURANCE OF COMPLIANCE WITH MONTEREY COUNTY CULTURAL COMPETENCY POLICY
EXHIBIT F: BUSINESS ASSOCIATE AGREEMENT
EXHIBIT G: COST REIMBURSEMENT INVOICE FORM
EXHIBIT H: BUDGET AND EXPENDITURE REPORT
EXHIBIT I: ANNUAL REPORT(S), COST REPORT SETTLEMENT AND AUDIT

III. PAYMENT BY COUNTY

A. The COUNTY shall pay CONTRACTOR in arrears, as applicable, for eligible services provided under this Agreement and in accordance with the terms and conditions set forth in Exhibit B. Payments are made at applicable rates up to the amounts identified for each Funded Program as shown in Exhibit B and as otherwise may be limited under this Agreement and the attachments thereto. If CONTRACTOR is paid at Provisional Rates or at Cash Flow Advances, COUNTY payments are provisional, until the completion of all settlement activities and audits, as such payments are subject to future Federal, State and/or COUNTY adjustments. For the purposes of this Agreement, a "Funded Program" is a set of services paid through a particular funding source identified in Exhibit H, Budget and Expenditure Report, if made part of this Agreement.

B. CONTRACTOR shall hold harmless the State and any recipients of services in the event COUNTY does not reimburse CONTRACTOR for services performed under this Agreement.

IV. TERM AND TERMINATION

A. Term. This Agreement shall be effective **September 1, 2021** and shall remain in effect until **June 30, 2023**.

B. Termination without Cause. Either party may terminate this Agreement at any time without cause by serving thirty (30) calendar days' advance written notice upon the other party. The notice shall state the effective date of the termination.

C. Termination with Cause. COUNTY, in its sole and absolute discretion, may terminate this Agreement immediately upon the occurrence of any of the following events:
1. CONTRACTOR'S failure to comply with COUNTY'S Utilization Review procedures;

2. CONTRACTOR'S failure to abide by Grievance decisions;

3. CONTRACTOR'S failure to meet COUNTY qualification criteria;

4. CONTRACTOR'S failure to submit Annual Reports, Provider's Certification, and accompanying audited financial statement, CONTRACTOR'S Year-End Cost

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

Report Settlement and/or other supporting documents in accordance with the terms of a written notice from COUNTY to CONTRACTOR, and/or, if made part of this Agreement, Exhibit I;

5. CONTRACTOR is unable or reasonably expected to be unable to provide the Services for any reason for a period in excess of thirty (30) consecutive days or sixty (60) days in the aggregate over any three (3) month period.

6. CONTRACTOR'S performance of this Agreement poses an imminent danger to the health and safety of any individual client of COUNTY;

7. CONTRACTOR loses its licensure or certification;

8. CONTRACTOR is suspended, excluded or otherwise becomes ineligible to participate in the Medicare, Medi-Cal, or any other government-sponsored health program;

9. Breach by CONTRACTOR of any confidentiality obligation;

10. Breach by CONTRACTOR of the Health Insurance Portability and Accountability Act (HIPAA) and Protected Health Information (PHI);

11. CONTRACTOR makes an assignment for the benefit of creditors, admits in writing the inability to pay its debts as they mature, applies to any court for the appointment of a trustee or receiver over its assets, or upon commencement of any voluntary or involuntary proceedings under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution liquidation or other similar law or any jurisdiction;

12. The insurance required to be maintained by CONTRACTOR under this Agreement is terminated, reduced below the minimum coverage requirements set forth in this Agreement, not renewed or cancelled (whether by action of the insurance company or CONTRACTOR) for any reason, and CONTRACTOR has not obtained replacement coverage as required by this Agreement by the effective date of such termination, reduction, non-renewal or cancellation;

13. CONTRACTOR is rendered unable to comply with the terms of this Agreement for any reason; or

14. COUNTY determines that CONTRACTOR is in violation or breach of any provision of this Agreement or violation of Federal, State or local laws, and thirty (30) calendar days have passed since written notice of the violation or breach has been given by COUNTY, without remedy thereof by CONTRACTOR to the satisfaction of COUNTY.

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

D. Termination or Amendment in Response to Reduction of Government Funding. Notwithstanding any other provision of this Agreement, if Federal, State or local government terminates or reduces its funding to the COUNTY for services that are to be provided under this Agreement, COUNTY, in its sole and absolute discretion after consultation with the CONTRACTOR, may elect to terminate this Agreement by giving written notice of termination to CONTRACTOR effective immediately or on such other date as COUNTY specifies in the notice. Alternatively, COUNTY and CONTRACTOR may mutually agree to amend the Agreement in response to a reduction in Federal, State or local funding.

E. Survival of Obligations after Termination. Termination of this Agreement shall be effected by notice of termination to CONTRACTOR specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. Upon termination of this Agreement, COUNTY shall no longer refer clients to the CONTRACTOR under this Agreement, and the rights and duties of the parties shall be terminated, except that the following obligations shall survive termination:

1. CONTRACTOR shall, pursuant to this Agreement and upon approval of the Behavioral Health Director, continue treatment of clients who are receiving care from CONTRACTOR until completion of treatment or until continuation of the client's care by another provider can be arranged by COUNTY;

2. COUNTY shall arrange for such transfer of treatment no later than sixty (60) calendar days after Agreement termination if the client's treatment is not by then completed;

3. COUNTY, any payer, and CONTRACTOR shall continue to remain obligated under this Agreement with regard to payment for services rendered prior to termination or required to be rendered after termination;

4. Upon termination or expiration of this Agreement, CONTRACTOR shall continue to remain obligated with respect to any confidentiality obligation as described in Section VIII and in accordance with Exhibit C to this Agreement, HIPAA and PHI in accordance with Exhibit F to this Agreement, indemnification described in Section XI to this Agreement, professional liability insurance described in Section XII to this Agreement, annual reports and cost report settlement described in Section XIV and in accordance with Exhibit I to this Agreement, and access to and audit of records described in Section XV to this Agreement, and in accordance with all applicable laws; and

5. CONTRACTOR shall not do anything or cause any other person to do anything that interferes with COUNTY'S efforts to engage any other person or entity for the provision of the services set forth in this Agreement, or interfere in any way

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

with any relationship between COUNTY and any other person or entity who may be engaged to provide the services to COUNTY.

V. COMPLIANCE WITH APPLICABLE LAWS AND TERMS OF FEDERAL, STATE AND/OR LOCAL STATUTES AND FEDERAL AND/OR STATE GRANTS

A. Compliance with Laws. In providing services and meeting requirements for payment reimbursement for mental health treatment services under this Agreement, CONTRACTOR shall comply with all applicable Federal, State, and local laws, regulations, rules, and guidelines, including, but not limited to, Title XIX of the Social Security Act, California Welfare and Institutions Code, Divisions 5, 6, and 9; California Code of Regulations, Titles 9 and 22; any Short-Doyle and Short-Doyle/Medi-Cal policies as identified in the State Letters, Office of Management and Budget (OMB) Circular Nos. A-122 and 133, the Cost Reporting/Data Collection (CR/DC) Manual, and the Mental Health policies issued by the County of Monterey.

B. Compliance with Terms of Federal and/or State Grants. If this Agreement is funded with monies received by the COUNTY pursuant to contract(s) with the Federal and/or State government in which the COUNTY is the grantee, CONTRACTOR shall comply with all provisions of said contract(s), to the extent applicable to CONTRACTOR as a sub-grantee under said contract(s), and said provisions shall be deemed a part of this Agreement as if fully set forth herein. Upon request, COUNTY shall deliver a copy of said contract(s) to CONTRACTOR at no cost to CONTRACTOR.

VI. CONTRACT MONITORING AND QUALITY CONTROL

A. The Federal, State and COUNTY shall have the right to inspect and evaluate the quality, appropriateness and timelines of services performed under this Agreement.

B. The Behavioral Health Director shall assign a Contract Monitor to ensure compliance with the terms and conditions of this Agreement. The Contract Monitor and CONTRACTOR shall meet at intervals deemed appropriate by COUNTY. In addition, the Contract Monitor shall review at regular intervals all statistical reports, financial records, clinical records, and other documents concerning services provided under this Agreement. In addition, CONTRACTOR shall at all times cooperate with the COUNTY'S Quality Improvement ("QI") Plan.

C. CONTRACTOR shall conduct reviews at regular intervals of the quality and utilization of services for all recipients of service under this Agreement. CONTRACTOR shall furnish all required data and reports in compliance with State Client and Service Information System ("CSI"). Units of time reporting, as stipulated in the Cost Reporting/Data Collection ("CR/DC") manual, are subject to special review and audit.

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

D. If CONTRACTOR is an in-patient facility, CONTRACTOR shall submit its patient admissions and length of stay requests for utilization review through existing hospital systems or professional standards review organizations.

VII. LICENSURE, CERTIFICATION AND STAFFING REQUIREMENTS

A. Licensure and Certification. CONTRACTOR shall furnish qualified professional personnel as prescribed by Title 9 of the California Code of Regulations, the California Business and Professions Code, the California Welfare and Institutions Code, and all other applicable laws for the type of services rendered under this Agreement. All personnel providing services pursuant to this Agreement shall be fully licensed in accordance with all applicable law and shall remain in good professional standing throughout the entire duration of this Agreement. CONTRACTOR shall comply with all COUNTY and State certification and licensing requirements and shall ensure that all services delivered by staff are within their scope of licensure and practice.

B. Medi-Cal Certification. If CONTRACTOR is an organizational provider of Medi-Cal specialty mental health services, CONTRACTOR shall maintain certification during the term of this Agreement. This includes meeting all staffing and facility standards required for organizational providers of Medi-Cal specialty mental health services which are claimed and notifying COUNTY'S Contract Monitor in writing of anticipated changes in service locations at least sixty (60) days prior to such change.

C. Staff Training and Supervision. CONTRACTOR shall ensure that all personnel, including any subcontractor(s) performing services under this Agreement, receive appropriate training and supervision. CONTRACTOR shall also maintain appropriate levels of staffing at all times when performing services under this Agreement.

D. Exclusion from Participation in Federal Health Care Program or State Equivalent.

1. CONTRACTOR shall not employ or contract with providers or other individuals and entities excluded from participation in Federal health care programs under either Section 1128 or 1128A of the Social Security Act. Federal Financial Participation (FFP) is not available for providers excluded by Medicare, Medicaid, or the State Children's Insurance Program, except for emergency services.

2. CONTRACTOR shall not employ or contract with services to be provided under the terms of this Agreement by any officer, employee, subcontractor, agent or any other individual or entity that is on the List of Excluded Individuals/Entities maintained by the U.S. Department of Health and Human Services, Office of the Inspector General ("OIG") or the California State Medi-Cal Suspended and

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

Ineligible Provider List ("S&I") maintained by the California Department of Health Care Services (DHCS).

a. CONTRACTOR shall be responsible to determine on a monthly basis whether any of its officers, employees, subcontractors, agents, or other individuals or entities are on either or both excluded lists of OIG and S&I and shall immediately notify the COUNTY upon discovery that any of its officers, employees, subcontractors, agents, or other individuals or entities appears on either or both excluded lists.

b. The OIG list is currently found at the following web address: http://exclusions.oig.hhs.gov. The S&I list is currently found at the following web address: http://www.medi-cal.ca.gov/references.asp.

VIII. MAINTENANCE AND CONFIDENTIALITY OF PATIENT INFORMATION

A. CONTRACTOR shall maintain clinical records for each recipient of service in compliance with all Federal and State requirements. Such records shall include a description of all services provided by the CONTRACTOR in sufficient detail to make possible an evaluation of services, and all data necessary to prepare reports to the State, including treatment plans, records of client interviews, and progress notes.

B. CONTRACTOR shall retain clinical records for a minimum of seven (7) years and, in the case of minors, for at least one (1) year after the minor has reached the age of majority, but for a period of no less than seven (7) years. Clinical records shall be the property of the COUNTY and maintained by the CONTRACTOR in accordance with Federal, State and COUNTY standards.

C. CONTRACTOR shall comply with the Confidentiality of Patient Information requirements set forth in Exhibit C and incorporated by reference as if fully set forth herein.

IX. PATIENT RIGHTS

A. CONTRACTOR shall comply with all applicable patients' rights laws including, but not limited to, the requirements set forth in California Welfare and Institutions Code, Division 5, Part 1, sections 5325, et seq., and California Code of Regulations, Title 9, Division 1, Chapter 4, Article 6 (sections 860, et seq.).

B. As a condition of reimbursement under this Agreement, CONTRACTOR shall ensure that all recipients of services under this Agreement shall receive the same level of services as other patients served by CONTRACTOR. CONTRACTOR shall ensure that recipients of services under this Agreement are not discriminated against in any manner including, but not limited to, admissions practices, evaluation, treatment, access to programs and or activities, placement in special wings or rooms, and the

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

provision of special or separate meals. CONTRACTOR shall comply with Assurance of Compliance requirements as set forth in Exhibit D and incorporated by reference as if fully set forth herein.

X. REPORTS OF DEATH, INJURY, DAMAGE, OR ABUSE

A. Reports of Death, Injury, or Damage. If death, serious personal injury, or substantial property damage occur in connection with the performance of this Agreement, CONTRACTOR shall immediately notify the Behavioral Health Director by telephone. In addition, CONTRACTOR shall promptly submit to COUNTY a written report including: (1) the name and address of the injured/deceased person; (2) the time and location of the incident; (3) the names and addresses of CONTRACTOR'S employees or agents who were involved with the incident; (4) the names of COUNTY employees, if any, involved with the incident; and (5) a detailed description of the incident.

B. Child Abuse Reporting. CONTRACTOR shall ensure that all known or suspected instances of child abuse or neglect are promptly reported to proper authorities as required by the Child Abuse and Neglect Reporting Act, California Penal Code sections 11164, et seq. CONTRACTOR shall require all of its employees, consultants, and agents performing services under this Agreement who are mandated reporters under the Act to sign statements indicating that they know of and shall comply with the Act's reporting requirements.

C. Elder Abuse Reporting. CONTRACTOR shall ensure that all known or suspected instances of abuse or neglect of elderly people 65 years of age or older and dependent adults age 18 or older are promptly reported to proper authorities as required by the Elder Abuse and Dependent Adult Protection Act (California Welfare and Institutions Code, sections 15600 Code, et seq.). CONTRACTOR shall require all of its employees, consultants, and agents performing services under this Agreement who are mandated reporters under the Act to sign statements indicating that they know of and shall comply with the Act's reporting requirements.

XI. INDEMNIFICATION

CONTRACTOR shall indemnify, defend, and hold harmless the COUNTY, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies, in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with the CONTRACTOR'S performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of the COUNTY. "CONTRACTOR'S

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

performance" includes CONTRACTOR'S action or inaction and the action or inaction of CONTRACTOR'S officers, employees, agents and subcontractors.

XII. INSURANCE

A. Evidence of Coverage. Prior to commencement of this Agreement, the CONTRACTOR shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the CONTRACTOR upon request shall provide a certified copy of the policy or policies.

This verification of coverage shall be sent to the COUNTY'S Contracts/Purchasing Office, unless otherwise directed. The CONTRACTOR shall not receive approval for services for work under this Agreement until all insurance has been obtained as required and approved by the COUNTY. This approval of insurance shall neither relieve nor decrease the liability of the CONTACTOR.

B. Qualifying Insurers. All coverage, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A- VII, according to the current Best's Key Rating Guide or a company of equal financial stability that is approved by the COUNTY'S Contracts/Purchasing Officer.

C. Insurance Coverage Requirements. Without limiting CONTRACTOR'S duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

1. Commercial general liability insurance, including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broadform Property Damage, Independent Contactors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than $1,000,000 per occurrence.

2. Business automobile liability insurance, covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than $1,000,000 per occurrence if maximum estimated reimbursement obligation by COUNTY to CONTRACTOR under this Agreement is over $100,000 or of not less than $500,000 per occurrence if maximum estimated reimbursement obligation by COUNTY to CONTRACTOR under this Agreement is $100,000 and less.

3. Workers Compensation Insurance, if CONTRACTOR employs others in the performance of this Agreement, in accordance with California Labor Code section

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

3700 and with Employer's liability limits not less than $1,000,000 each person, $1,000,000 each accident and $1,000,000 each disease.

4. Professional Liability Insurance, if required for the professional service being provided, (e.g., those persons authorized by a license to engage in business or profession regulated by the California Business and Professional Code), in the amount of not less than $1,000,000 per claim and $2,000,000 in the aggregate, to cover liability for malpractice or errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three (3) years following the expiration or earlier termination of this Agreement.

D. Other Insurance Requirements, All insurance required by this Agreement shall be with a company acceptable to the COUNTY and issued and executed by an admitted insurer authorized to transact insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three (3) years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the COUNTY shall be given notice in writing at least thirty (30) calendar days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for CONTRACTOR and additional insured with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insured with respect to liability arising out of the CONTRACTOR'S work, including ongoing and complete operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the COUNTY and that the insurance of the Additional Insured shall not be called upon to contribute to a loss covered by the CONTRACTOR'S insurance.

Prior to the execution of this Agreement by the COUNTY, CONTRACTOR shall file certificates of insurance with the COUNTY'S contract administrator and the COUNTY'S Contracts/Purchasing Office, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five (5) calendar days after any

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

CONTRACTOR shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by COUNTY, annual certificates to COUNTY'S Contract Administrator and COUNTY'S Contracts/Purchasing Office. If the certificate is not received by the expiration date, CONTRACTOR shall have five (5) calendar days to send the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance coverage is a breach of this Agreement, which entitles COUNTY, at its sole and absolute discretion, to (1) immediately disallow claim(s) for payment and/or withhold payment(s) by COUNTY to CONTRACTOR, pursuant to Section III (A), for services rendered on or after the effective date of termination, reduction, non-renewal, or cancellation of the insurance coverage maintained by CONTRACTOR, and/or (2) terminate this Agreement pursuant to Section IV.

XIII. BUDGET AND EXPENDITURE REPORT

A. CONTRACTOR shall submit, as requested by the COUNTY, the Budget and Expenditure Report provided as Exhibit H, if made part of this Agreement, identifying CONTRACTOR'S allowable costs and program revenues. COUNTY shall identify program revenues for COUNTY funds, and CONTRACTOR shall identify allowable costs and other program revenues as defined in Exhibit B, Section VI, paragraph B of this Agreement, if applicable. The budget shall be the basis for payment reimbursements, cost settlement activities, and audits.

B. CONTRACTOR shall submit an electronic copy of the Six-(6) Month and the Year-to-Date Budget and Expenditure report by February 15 and by the date specified by the COUNTY, respectively, to the COUNTY using Exhibit H as the template format. The report shall include data related to the actual costs incurred, revenues earned, and the number of actual clients served by each funded program.

XIV. PREPARATION OF ANNUAL REPORT(S) AND CONTRACTOR'S YEAR-END COST REPORT SETTLEMENT

A. Annual Report(s) and CONTRACTOR'S Year-End Cost Report Settlement. CONTRACTOR shall submit by COUNTY'S required deadlines the following, as it pertains to this Agreement:

1. State Cost Report.
2. Annual Mental Health Services Act (MHSA) Revenue and Expenditure Reports.
3. Annual Report(s), as applicable and required by the COUNTY.

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

4. CONTRACTOR'S Year-End Cost Report Settlement in accordance with the terms and conditions set forth in Exhibit I, if made part of this Agreement.

Such Annual Reports, numbered (1) through (3) above, and such cost report settlement, numbered (4) above, shall be prepared in accordance with generally accepted accounting principles and Federal, State and COUNTY reimbursement requirements using forms, templates and instructions provided by the COUNTY.

B. Preparation and Submission of Annual Report(s) and CONTRACTOR'S Year-End Cost Report Settlement in Response to Termination or Cancellation of Agreement. If this Agreement is terminated or canceled prior to June 30th of any fiscal year, CONTRACTOR shall prepare and submit to COUNTY an Annual Report(s) and CONTRACTOR'S Year-End Cost Report Settlement with the COUNTY for services/activities rendered during the fiscal year(s) for which the CONTRACTOR'S applicable Report(s) is (are) outstanding and shall adhere to the terms and conditions set forth in Exhibit I, if made part of this Agreement. If Exhibit I is not a part of this Agreement, CONTRACTOR shall prepare and submit to COUNTY a cost report and any applicable reports as requested by the COUNTY.

C. Non-submission of Annual Report(s) and CONTRACTOR'S Year-End Cost Report Settlement. Failure to submit the Annual Report(s) and/or the CONTRACTOR'S Year-End Cost Report Settlement, described in Section XIV (A), within thirty (30) calendar days after COUNTY'S applicable due date(s) is a breach of this Agreement, which entitles COUNTY, in its sole and absolute discretion, to (1) disallow claim(s) for payment for services/activities rendered during the fiscal year(s) for which the CONTRACTOR'S applicable Report(s) is (are) outstanding, (2) withhold payment(s) for reimbursements payable pursuant to Section III (A) to CONTRACTOR for the current fiscal year by COUNTY to CONTRACTOR, and/or (3) terminate this Agreement pursuant to Section IV. CONTRACTOR shall comply with Annual Report(s) and CONTRACTOR'S Year-End Cost Report Settlement requirements as set forth in Exhibit I, if Exhibit I is made part of this Agreement.

D. Cost Report Training. CONTRACTOR shall attend a one-time mandatory cost report training provided by the COUNTY. COUNTY shall provide further training as needed and as required in accordance with changes in the State cost report requirements. CONTRACTOR shall adhere to cost report training requirements and shall comply in accordance with Exhibit I, Section III, if made part of this Agreement.

XV. ACCESS TO AND AUDIT OF RECORDS

A. Right to Inspect Records. At any time during the term of this Agreement or after the expiration or termination of this Agreement, in accordance with Federal and State laws including, but not limited to the California Welfare and Institutions Code (WIC) Sections 14170 et seq., the COUNTY or its representative, Federal or State

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

governments may conduct an audit, review or other monitoring procedures of the CONTRACTOR regarding the services/activities provided under this Agreement. The COUNTY or its representative, Federal or State governments shall have the right to inspect any and all books, records, and facilities maintained by CONTRACTOR during normal business hours and without advance notice to evaluate the use of funds and the cost, quality, appropriateness, and timeliness of services.

B. Maintenance of Records. CONTRACTOR shall maintain any and all records documenting all services set forth under this Agreement for a period of seven (7) years from the end of the fiscal year in which such services were provided or until three (3) years after final resolution of any audits, CONTRACTOR'S Year-End Cost Report Settlement, State Cost Report Settlement, or appeals, whichever occurs later. CONTRACTOR shall maintain such records in a form comporting with generally accepted accounting and auditing standards and all applicable laws.

C. Overpayment. If the results of any audit, CONTRACTOR'S Year-End Cost Report Settlement, or State Cost Report Settlement shows that the funds paid to CONTRACTOR under this Agreement exceeded the amount due, then CONTRACTOR shall pay the excess amount to COUNTY in cash not later than thirty (30) calendar days after the COUNTY notifies the CONTRACTOR of such overpayment; or, at COUNTY'S election, COUNTY may recover the excess or any portion of it by offsets made by COUNTY against any payment(s) owed to CONTRACTOR under this or any other Agreement or as set forth in Exhibit I, if made part of this Agreement.

D. Responsibility for Audit and/or Cost Report Settlement Exceptions. Any and all audit and/or Cost Report Settlement exceptions by COUNTY or any Federal or State agency resulting from an audit and/or Cost Report Settlement of CONTRACTOR'S performance of this Agreement, or actions by CONTRACTOR, its officers, agents, and employees shall be the sole responsibility of the CONTRACTOR.

E. Availability of Records for Grievances and Complaints by Recipients of Service. CONTRACTOR shall ensure the availability of records for the prompt handling of grievances or complaints filed by recipients of services. Release of records shall be subject to the confidentiality provisions set forth in this Agreement.

F. Reports. CONTRACTOR shall prepare any reports and furnish all information required for reports to be prepared by the COUNTY as may be required by the State of California or applicable law.

XVI. NON-DISCRIMINATION

A. Non-discrimination. During the performance of this Agreement, CONTRACTOR shall not unlawfully discriminate against any person because of race, religion, color, sex, national origin, ancestry, mental or physical handicap, medical condition, marital

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

status, age (over 40), or sexual orientation, either in CONTRACTOR'S employment practices or in the furnishing of services to recipients. CONTRACTOR shall insure that the evaluation and treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be unlawful discrimination. In addition, CONTRACTOR'S facility access for the disabled shall comply with § 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 794).

B. Discrimination defined. The term "discrimination," as used in this Agreement, is the same term that is used in Monterey County Code, Chapter 2.80 ("Procedures for Investigation and Resolution of Discrimination Complaints"); it means the illegal denial of equal employment opportunity, harassment (including sexual harassment and violent harassment), disparate treatment, favoritism, subjection to unfair or unequal working conditions, and/or discriminatory practice by any Monterey County official, employee or agent, due to an individual's race, color, ethnic group, sex, national origin, ancestry, religious creed, sexual orientation, age, veteran's status, cancer-related medical condition, physical handicap (including AIDS) or disability. The term also includes any act of retaliation.

C. Application of Monterey County Code Chapter 2.80. The provisions of Monterey County Code Chapter 2.80 apply to activities conducted pursuant to this Agreement. CONTRACTOR and its officers and employees, in their actions under this Agreement, are agents of the COUNTY within the meaning of Chapter 2.80 and are responsible for ensuring that their workplace and the services that they provide are free from discrimination, as required by Chapter 2.80. Complaints of discrimination made by recipients of services against CONTRACTOR may be pursued by using the procedures established by or pursuant to Chapter 2.80. CONTRACTOR shall establish and follow its own written procedures for prompt and fair investigation and resolution of discrimination complaints made against CONTRACTOR by its own employees and agents or recipients of services pursuant to this Agreement, and CONTRACTOR shall provide a copy of such procedures to COUNTY on demand by COUNTY.

D. Compliance with Applicable Law. During the performance of this Agreement, CONTRACTOR shall comply with all applicable Federal, State and local laws and regulations which prohibit discrimination including, but not limited to, the following:

1. California Code of Regulations, Title 9, §§ 526, 527;
2. California Fair Employment and Housing Act, (Govt. Code § 12900, et seq.), and the administrative regulations issued thereunder, Cal. Code of Regulations, Title 2, § 7285, et seq.;
3. California Government Code, sections 11135-11139.5 (Title 2, Div. 3, Part 1, Chap. 1, Art. 9.5) and any applicable administrative rules and regulations issued under these sections;

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

4. Federal Civil Rights Acts of 1964 and 1991 (see especially Title VI, 42 U.S.C. § 2000(d), et seq.), as amended, and all administrative rules and regulations issued thereunder (see especially 45 C.F.R. Parts 80);
5. Sections 503 and 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §§ 793 and 794); all requirements imposed by the applicable HHS regulations (45 C.F.R. Part 84); and all guidelines and interpretations issued pursuant thereto;
6. Americans with Disabilities Act of 1990, 42 U.S.C. §12101, et seq., and 47 U.S.C. §§ 225 and 611, and any Federal regulations issued pursuant thereto (see 24 C.F.R. Chapter 1; 28 C.F.R. Parts 35 and 36; 29 C.F.R. Parts 1602, 1627, and 1630; and 36 C.F.R. Part 1191);
7. Unruh Civil Rights Act, Cal. Civil Code § 51, et seq.
8. California Government Code section 12900 (A-F) and California Code of Regulations, Title 2, Division 4, Chapter 5.

In addition, the applicable regulations of the California Fair Employment and Housing Commission implementing Government Code § 12990 as set forth in Chapter 5, Division 4 of Title 2 of the California Code of Regulations are incorporated into this Agreement by reference and made a part hereof as if set forth in full.

E. Written Assurance. Upon request by COUNTY, CONTRACTOR shall give any written assurances of compliance with the Civil Rights Acts of 1964 and 1991, the Rehabilitation Act of 1973, as amended, and the Americans with Disabilities Act of 1990, as may be required by the Federal government in connection with this Agreement, pursuant to 45 C.F.R. sec. 80.4 or C.F.R. § 84.5 or other applicable Federal or State regulations.

F. Written Statement of Non-discrimination Policies. CONTRACTOR shall maintain a written statement of its non-discrimination policies and procedures. Such statement shall be consistent with the terms of this Agreement and shall be available to CONTRACTOR'S employees, recipients of services, and members of the public upon request.

G. Notice to Labor Unions. CONTRACTOR shall give written notice of its obligations under this section to labor organizations with which it has a collective bargaining or other agreement.

H. Access to Records by Government Agencies. CONTRACTOR shall permit access by COUNTY and by representatives of the State Department of Fair Employment and Housing and any Federal or State agency providing funds for this contract upon reasonable notice at any time during normal business hours, but in no case less than 24 hours' notice, to such of its books, records, accounts, facilities, and other sources of information as the inspecting party may deem appropriate to ascertain compliance with these nondiscrimination provisions.

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

I. Binding on Subcontractors. The provisions above shall also apply to all of CONTRACTOR'S subcontractors who provide services pursuant to this Agreement. CONTRACTOR shall include the non-discrimination and compliance provisions set forth above in all its subcontracts to perform work or provide services under this Agreement.

XVII. CULTURAL COMPETENCY AND LINGUISTIC ACCESSIBILITY

A. CONTRACTOR shall provide services in a culturally competent manner to assure access to services by all eligible individuals as required by State regulations and policies, other applicable laws, and in accordance with Exhibit E of this Agreement. Cultural competency is defined as a congruent set of practice skills, behaviors, attitudes, and policies that enable staff to work effectively in providing contractual services under this Agreement in cross-cultural situations. Specifically, CONTRACTOR'S provision of services shall acknowledge the importance of culture, adapt services to meet culturally unique needs, and promote congruent skills, behaviors, attitudes, and policies enabling all persons providing services to function effectively in cross-cultural situations.

B. CONTRACTOR shall provide linguistically accessible services to assure access to services by all eligible individuals as required by State regulations and policies and other applicable laws. Specifically, CONTRACTOR shall provide services to eligible individuals in their primary language through linguistically proficient staff or interpreters. Family members, friends, or neighbors may be used as interpreters only in emergency situations.

C. For the purposes of this Section, "access" is defined as the availability of medically necessary mental health services in a manner that promotes and provides the opportunity for services and facilitates their use.

XVIII. DRUG FREE WORKPLACE

CONTRACTOR shall submit to the COUNTY evidence of compliance with the California Drug-Free Workplace Act of 1990, California Government Code sections 8350, et seq., to provide a drug-free workplace by doing all of the following:

A. Publishing a Statement notifying employees that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited in the person's or organization's workplace and specifying the actions that shall be taken against employees for violations of the prohibitions.

B. Establishing a drug-free awareness program to inform employees about all of the following:

1. The dangers of drug abuse in the workplace;

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

2. The person's or organization's policy of maintaining a drug-free workplace;
3. Any available drug counseling, rehabilitation, and employees assistance programs;
4. The penalties that may be imposed upon employees for drug abuse violations;
5. Requiring that each employee engaged in the performance of the Agreement or grant is given a copy of the company's drug-free policy statement and that, as a condition of employment on the contract or grant, the employee agrees to abide by the terms of the statement.

XIX. INDEPENDENT CONTRACTOR

In the performance of work, duties, and obligations under this Agreement, CONTRACTOR is at all times acting and performing as an independent contractor and not as an employee of the COUNTY. No offer or obligation of permanent employment with the COUNTY or particular COUNTY department or agency is intended in any manner, and CONTRACTOR shall not become entitled by virtue of this Agreement to receive from COUNTY any form of employee benefits including, but not limited to sick leave, vacation, or retirement benefits, workers' compensation coverage, insurance, disability benefits, or social security benefits, or unemployment compensation or insurance. CONTRACTOR shall be solely liable for and obligated to pay directly all applicable taxes including, but not limited to, Federal and State income taxes and Social Security, arising out of CONTRACTOR'S compensation for performance of this Agreement. In connection therewith, CONTRACTOR shall defend, indemnify, and hold the COUNTY harmless from any and all liability COUNTY may incur because of CONTRACTOR'S failure to pay such taxes when due.

XX. SUBCONTRACTING

CONTRACTOR may not subcontract any services under this Agreement without COUNTY'S prior written authorization. At any time, COUNTY may require a complete listing of all subcontractors employed by the CONTRACTOR for the purpose of fulfilling its obligations under the terms of this Agreement. CONTRACTOR shall be legally responsible for subcontractors' compliance with the terms and conditions of this Agreement and with applicable law. All subcontracts shall be in writing and shall comply with all Federal, State, and local laws, regulations, rules, and guidelines. In addition, CONTRACTOR shall be legally responsible to COUNTY for the acts and omissions of any subcontractor(s) and persons either directly or indirectly employed by subcontractor(s).

XXI. GENERAL PROVISIONS

A. Amendment. This Agreement may be amended or modified only by an instrument in writing signed by all the parties hereto.

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

B. Assignment and Subcontracting. The CONTRACTOR shall not assign, sell, or otherwise transfer its interest or obligations in this Agreement, either in whole or in part, without the prior written consent of the COUNTY. None of the services covered by this Agreement shall be subcontracted without the prior written approval of the COUNTY. Any assignment without such consent shall automatically terminate this Agreement. Notwithstanding any such subcontract, CONTRACTOR shall continue to be liable for the performance of all requirements of this Agreement.

C. Authority. Any individual executing this Agreement on behalf of an entity represents and warrants hereby that he or she has the requisite authority to enter into this Agreement on behalf of such entity and bind the entity to the terms and conditions of the same.

D. Compliance with Applicable Law. The parties shall comply with all applicable Federal, State, and local laws and regulations in performing this Agreement.

E. Conflict of Interest. CONTRACTOR represents that it presently has no interest and agrees not to acquire any interest during the term of this Agreement, which would directly or indirectly conflict in any manner or to any degree with the full and complete performance of the professional services required to be rendered under this Agreement.

F. Construction of Agreement. The parties agree that each party has fully participated in the review and revision of this Agreement and that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Agreement or any amendment hereto.

G. Contractor. The term "CONTRACTOR" as used in this Agreement includes CONTRACTOR'S officers, agents, and employees acting on CONTRACTOR'S behalf in the performance of this Agreement.

H. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same Agreement.

I. Disputes. CONTRACTOR shall continue to perform under this Agreement during any dispute.

J. Governing Law. This Agreement shall be governed by and interpreted under the laws of the State of California.

K. Headings. The section and paragraph headings are for convenience only and shall not be used to interpret the terms of this Agreement.

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

L. Integration. This Agreement, including the exhibits hereto, shall represent the entire Agreement between the parties with respect to the subject matter hereof and shall supersede all prior negotiations, representations, and/or agreements, either written or oral, between the parties as of the effective date hereof.

M. Non-exclusive Agreement. This Agreement is non-exclusive and both parties expressly reserve the right to contract with other entities for the same or similar services.

N. Severability. In the event of changes in law that effect the provisions of this Agreement, the parties agree to amend the affected provisions to conform to the changes in the law retroactive to the effective date of such changes in law. The parties further agree that the terms of this Agreement are severable and, in the event of changes in law as described above, the unaffected provisions and obligations of this Agreement shall remain in full force and effect.

O. Successors and Assigns. This Agreement and the rights, privileges, duties, and obligations of the COUNTY and CONTRACTOR under this Agreement, to the extent assignable or delegable, shall be binding upon and insure to the benefit of the parties and their respective successors, permitted assigns, and heirs.

P. Time is of the essence. Time is of the essence in each and all of the provisions of this Agreement.

Q. Waiver. Any waiver of any terms and conditions of this Agreement must be in writing and signed by the parties hereto. A waiver of any of the terms and conditions of this Agreement shall not be construed as a waiver of any other terms or conditions in this Agreement.

XXII. NOTICES AND DESIGNATED LIAISONS

III. PROGRAM NARRATIVE(S) AND SERVICE DESCRIPTION

A. Program Description

Partners For Peace ("P4P") has been building strong families for a peaceful community for 25 years. P4P provides a continuum of prevention to intervention services for parents, families, and youth. Using an evidence-based/informed family skills training program and parenting training for high-risk (adjudicated, court referred, expelled) youth and their parents, P4P seeks to improve social competencies, parenting skills and the parent-child relationship. The classes deliver the message that we want families to teach their kids their family values. Parents tend to parent the way their parents parented them. Our parents did not have to deal with sexting, violent streaming video, bullying via social media, etc. Partners For Peace delivers three culturally relevant parenting classes that encourage parents/caregivers and youth to consistently pick up 21st century tools for 21st century youth behaviors. All family programs have their foundation in the five protective factors: parental resilience, social connections, concrete support in times of need, knowledge of parenting and child development and social and emotional competence of children.

Love is instinctual, skills are not. P4P's programs have consistently reduced recidivism rates and increased school success. The funds in this Agreement will support program and marketing materials, four full-time staff and stipends to our Independent Contractor Facilitators in the delivery of quarterly classes in English and Spanish.

P4P is woven into the strategic plan, developed by the Community Alliance for Safety and Peace and by STRYVE, the CDC grant to the Monterey County Health Department to reduce family violence through prevention strategies.

B. Prevention Services to be Provided

(1) Strengthening Families Program for Parents and Caregivers and youth ages 10-16 ("SFP") consists of one (1) Orientation followed by a seven (7) 2-hour class series. Research shows that protective parenting improves family relationships and decreases family conflict, contributing to lower levels of substance use; these skills and tools are delivered through SFP. Youth violence, disconnected families, gang violence and poor social-emotional child/family skills need to be addressed to decrease crime and a poor sense of safety in Monterey County. A research study conducted by the Partnerships in Prevention Science Institute found a return of $9.60 for every dollar spent implementing the Strengthening Families Program.

(2) Loving Solutions a prevention model for parents of youth 5 to 10 years of age and is a curriculum that focusses on healthy eating and sleeping, positive discipline, school success and communication and bonding. This program contains resources for parents with children diagnosed with ADD/ADHD. Loving Solutions is a best practice model for the prevention of juvenile delinquency. The class, for parents of the five to ten-year-old, increases protective factors identified by research to prevent youth violence: parent-family connectedness, parent-youth time together, structure and rules at home and ability of parent-youth to communicate and to discuss problems together. Parents want to protect their children, but it is challenging. Youth need skills to help them resist the peer pressure that leads to risky behaviors. The need to invest in parent education now is greater than ever to ensure both the quality and sustainability of programming and the safety and well-being of children and families. The curriculum was co-authored by Dr. Roger H. Morgan and has a strong underpinning of best practices for family/parent/youth mental health.

(3) Parent Project® for parents and caregivers with youth ages 11-17, addresses challenging and destructive behaviors, e.g., gangs/gang adjacent activity, drug, vaping and alcohol use, runaways, cutting, violence in the community or home, or chronic truancy. This course increases positive parent/caregiver communication and bonding and provides parents with an action plan to increase positive behaviors. The Parent Project consists of one (1) Orientation followed by ten (10) 2-hour classes and the formation of family support groups that continue after the parents have graduated from the class. The curriculum was co-authored by Dr. Roger H. Morgan and has a strong underpinning of best practices for family, parent and youth mental health. The 10-week class series culminates in a parent led support group that meets after graduation to provide on-going emotional support as parents continue the process of change at home. Throughout the class series parents practice the group roles of Group Facilitator, Group Timekeeper, Group Reporter and Group Cheerleaders to lay the foundation for future parent-led support group meetings.

Number of Individuals to Be Served: Parents/Caregivers and Youth (5-17 years of age) Year One: 640; Year Two: 760

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

C. Program Goals & Activities

(1) Goal: Increase access and involvement in psychosocial and emotional development programs that enable children/youth and parents/caregivers to interact with others in healthy and wholesome ways; promote meaningful parental and community involvement and enhance awareness/understanding of importance of socio-emotional development. Continue to serve families through a prevention/intervention family education continuum delivered via Zoom and in-person when it is safe to do so.

Activities: Identify Facilitators, dates and time, insurance needs, market classes through existing and new partners, delivery of classes, perform fidelity checks, evaluate the class data, provide on-going parent/caregiver support groups, and provide a visible community presence to educate community partners and the broader community about the importance of family education. Request for referrals to other services from parents/caregivers are processed to ensure that families receive the needed wrap-around services to support their healthy, thriving families.

(2) Goal: On-going training for 30 Facilitators on the topics of effective Zoom presentations, delivery of classes online while maintaining course fidelity, mindfulness workshops and community resources.

Activities: Set-up, market, deliver and evaluate the Facilitator workshops. During intake process and classes, family needs are identified and referred to needed services.

(3) Goal: Maintain a well-qualified staff to deliver and evaluate the parent education class series with fidelity.

Activities: Staff receive on-going training, feedback, and evaluation. The P4P Board of Directors annually evaluates the Strategic Plan and the work of the Executive Director.

D. Program Objectives

Building a multiple-program spectrum of services requires greater communication, coordination and connectivity with the community, the clients, and the staff (especially the facilitators). Measuring progress, producing media updates, ensuring integration of program fidelity, supporting each participant with the resources needed to achieve healthy behavior, enhancing the quality of facilitators is vital to program effectiveness.

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

Objective 1: Increase the number of families served in Monterey County by 20% (as compared to 2019 data), through the delivery of prevention/intervention family education programs that positively impact youth in Monterey County.

- Youth will report increased communication and bonding with their families.
- 100% of the parents/caregivers would recommend the classes to other families.
- 75% will report a decrease in negative youth behaviors.
- Using a scale of 1 = No Knowledge to 5= Good As It Can Be, parents will average "4" for "I feel confident in my efforts to help my child"; "I am consistent with the consequences"; "I acknowledge and praise my child's effort"

Objective 2: Provide certificated training for ten (10) new Parent Project Facilitators to expand the footprint of the organization throughout Monterey County.

- Set up/recruit training class. Deliver training, provide coaching/training as co-Facilitator through one class series before assuming responsibilities of being solo-Facilitator.

Objective 3: Staff/Facilitator support: Provide staff salaries/stipends and on-going education to support staff/Facilitators in their work and retain a well-qualified staff for delivery of programs. Delivery of 30 class series in Year One (10 months) and 38 class series in Year Two (12 months). Classes will be advertised via print copy, community meetings, speaking engagements and through social media platforms**.**

- Well-qualified staff will provide ongoing enrichment opportunities and fidelity to 30 Facilitators. Two (2) Facilitators are currently Youth Mental Health First Aid Facilitators and will provide that opportunity to Facilitators in 2022.
- The class database to include attendance, registration and pre/post surveys will be well maintained and available for evaluation reports.
- 38 class series per year will be delivered throughout Monterey County both online and in-person to meet the geographical needs of the County.

E. Expected Outcomes:

Goal #1 Outcomes: Families will report increased communication, bonding, increased school success and a decrease in difficult or challenging behaviors.

Goal #2 Outcomes: Facilitators have the training they need to meet the needs of families during the pandemic and beyond. Wrap-around services for basic needs and family needs are continually shared with the families served.

Goal 3: Outcomes: P4P continues to provide staff and Facilitators that are well-qualified to deliver programs with fidelity.

F. Service Delivery Site(s) and Hours of Operation

1. Site(s): P4P will identify sites quarterly throughout Monterey County to deliver the family education programs. Salinas and South County will have priority when determining class in-person locations. The UCLA Center for Health Policy Research identified East Salinas and South County as having 61% who feel safe

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

in their neighborhoods compared with 82% for the entire county and 88% for the state). Online classes will be available to parents/caregivers throughout Monterey County.

2. Hours of Operation: Office Hours: 9:00 AM – 5:00 PM, Monday – Friday. Course delivery hours are seven (7) to ten (10) consecutive weeks, with two (2) to three (3) online or in-person class orientations prior to delivery of the curriculum to manage the registration process, identify course expectations, parent/caregiver needs (transportation, technology, literacy level) and class delivery information (including Zoom orientation if needed for online classes). The courses are generally from 6:00/6:30 PM – 8:00/8:30 PM. A few Loving Solutions class series are delivered at the school in the morning hours.

IV. PROGRAM ELIGIBILITY

A. Population/Catchment Area to Be Served: Families throughout Monterey County. Classes are delivered in English and Spanish. Adult parents/caregivers and their children ages 5-17 will receive services.

B. Legal Status: Voluntary

V. MEETINGS/COMMUNICATIONS

CONTRACTOR will meet regularly with the designated Monterey County Behavioral Health (MCBH) Deputy Director or Services Manager ("Contract Monitor") to monitor progress on consumer and program outcomes; oversee contract implementation; and evaluate contract usage, effectiveness, issues, and recommendations.

VI. REPORTING REQUIREMENTS

Monterey County Behavioral Health shall provide to CONTRACTOR the reporting requirements and instructions as required by the State Mental Health Services Oversight and Accountability Commission, the Department of Health Care Services and COUNTY. II. PAYMENT CONDITIONS

A. In order to receive any payment under this Agreement, CONTRACTOR shall submit reports and claims in such form as General Ledger, Payroll Report and other accounting documents as needed, and as may be required by the County of Monterey Department of Health, Behavioral Health Bureau. Specifically, CONTRACTOR shall submit its claims on Cost Reimbursement Invoice Form provided as Exhibit G, to this Agreement, along with backup documentation, on a monthly basis, to COUNTY so as to reach the Behavioral Health Bureau no later than the thirtieth (30th) day of the month following the month of service. See Section III, above, for payment amount information to be reimbursed each fiscal year period of this Agreement. The amount requested for reimbursement shall be in accordance with the approved budget and shall not exceed the actual net costs incurred for services provided under this Agreement.

CONTRACTOR shall submit via email a monthly claim using Exhibit G, Cost Reimbursement Invoice Form in Excel format with electronic signature along with supporting documentations, as may be required by the COUNTY for services rendered to: MCHDBHFinance@co.monterey.ca.us

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

B. CONTRACTOR shall submit all claims for reimbursement under this Agreement within thirty (30) calendar days after the termination or end date of this Agreement. All claims not submitted after thirty (30) calendar days following the termination or end date of this Agreement shall not be subject to reimbursement by the COUNTY. Any claim(s) submitted for services that preceded thirty (30) calendar days prior to the termination or end date of this Agreement may be disallowed, except to the extent that such failure was through no fault of CONTRACTOR. Any "obligations incurred" included in claims for reimbursements and paid by the COUNTY which remain unpaid by the CONTRACTOR after thirty (30) calendar days following the termination or end date of this Agreement shall be disallowed, except to the extent that such failure was through no fault of CONTRACTOR under audit by the COUNTY.

C. If CONTRACTOR fails to submit claim(s) for services provided under the terms of this Agreement as described above, the COUNTY may, at its sole discretion, deny payment for that month of service and disallow the claim.

D. COUNTY shall review and certify CONTRACTOR'S claim either in the requested amount or in such other amount as COUNTY approves in conformity with this Agreement, and shall then submit such certified claim to the COUNTY Auditor. The County Auditor-Controller shall pay the amount certified within thirty (30) calendar days of receiving the certified invoice.

E. To the extent that the COUNTY determines CONTRACTOR has improperly claimed services, COUNTY may disallow payment of said services and require CONTRACTOR to resubmit said claim of services for payment, or COUNTY may make corrective accounting transactions.

F. If COUNTY certifies payment at a lesser amount than the amount requested COUNTY shall immediately notify the CONTRACTOR in writing of such certification and shall specify the reason for it. If the CONTRACTOR desires to contest the certification, the CONTRACTOR must submit a written notice of protest to the COUNTY within twenty (20) calendar days after the CONTRACTOR'S receipt of the COUNTY notice. The parties shall thereafter promptly meet to review the dispute and resolve it on a mutually acceptable basis. No court action may be taken on such a dispute until the parties have met and attempted to resolve the dispute in person.

III. MAXIMUM OBLIGATION OF COUNTY

A. Subject to the limitations set forth herein, COUNTY shall pay to CONTRACTOR during the term of this Agreement a maximum amount of $240,000 for services rendered under this Agreement.

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

B. Maximum Annual Liability:

FISCAL YEAR LIABILITY	AMOUNT
September 1, 2021 – June 30, 2022	$120,000
July 1, 2022 – June 30, 2023	$120,000
TOTAL MAXIMUM LIABILITY	**$ 240,000**

C. If, as of the date of signing this Agreement, CONTRACTOR has already received payment from COUNTY for services rendered under this Agreement, such amount shall be deemed to have been paid out under this Agreement and shall be counted towards COUNTY'S maximum liability under this Agreement.

D. If for any reason this Agreement is canceled, COUNTY'S maximum liability shall be the total utilization to the date of cancellation not to exceed the maximum amount listed above.

E. As an exception to Section D. above with respect to the Survival of Obligations after Termination, COUNTY, any payer, and CONTRACTOR shall continue to remain obligated under this Agreement with regard to payment for services required to be rendered after termination.

VI. BILLING AND PAYMENT LIMITATIONS

Adjustment of Claims Based on Other Data and Information: The COUNTY shall have the right to adjust claims based upon data and information that may include, but are not limited to, COUNTY'S claims processing information system reports, remittance advices, and billing system data.

VII. LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS

A. This Agreement shall be subject to any restrictions, limitations, or conditions imposed by State which may in any way affect the provisions or funding of this Agreement, including, but not limited to, those contained in State's Budget Act.

B. This Agreement shall also be subject to any additional restrictions, limitations, or conditions imposed by the Federal government which may in any way affect the provisions or funding of this Agreement.

C. In the event that the COUNTY'S Board of Supervisors adopts, in any fiscal year, a COUNTY Budget which provides for reductions in COUNTY

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

Agreements, the COUNTY reserves the right to unilaterally reduce its payment obligation under this Agreement to implement such Board reductions for that fiscal year and any subsequent fiscal year during the term of this Agreement, correspondingly. The COUNTY'S notice to the CONTRACTOR regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such action.

D. Notwithstanding any other provision of this Agreement, COUNTY shall not be obligated for CONTRACTOR'S performance hereunder or by any provision of this Agreement during any of COUNTY'S current or future fiscal year(s) unless and until COUNTY'S Board of Supervisors appropriates funds for this Agreement in COUNTY'S Budget for each such fiscal year. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. COUNTY shall notify CONTRACTOR of any such non-appropriation of funds at the earliest possible date and the services to be provided by the CONTRACTOR under this Agreement shall also be reduced or terminated.

VIII. AUTHORITY TO ACT FOR THE COUNTY

The Director of the Health Department of the County of Monterey may designate one or more persons within the County of Monterey for the purposes of acting on his/her behalf to implement the provisions of this Agreement. Therefore, the term "Director" in all cases shall mean "Director or his/her designee."

EXHIBIT C:
CONFIDENTIALITY OF PATIENT INFORMATION

Confidentiality of Patient Information and Records. All patient information and records are confidential. CONTRACTOR shall maintain the confidentiality of all patient records, including billings and computerized records, in accordance with all state and federal law relating to confidentiality of patient records and patient information, including but not limited to: Welfare and Institutions Code sections 5328, *et seq*., 14100.2, and 10850, *et seq*; Title 45 Code of Federal Regulations section 205.50, and Title 42, CFR, section 431.300 et seq.

"Patient information" or "confidential information" includes any patient/recipient of services identifying information including, but not limited to: name, identifying numbers, symbol, fingerprint, photograph or voice print. In addition, "patient information" or "confidential information" includes all information CONTRACTOR has obtained about a patient/recipient of services whether or not a documentary record of such information exists.

Use and Disclosure of Patient Information. Confidential information gained by CONTRACTOR from access to records and from contact with patients/recipients of service and complainants shall be used by CONTRACTOR only in connection with its performance under this Agreement. CONTRACTOR shall not disclose patient records or information, including the identities of patients/recipients of service, without proper consent to such disclosure or a court order requiring disclosure. In addition, CONTRACTOR shall obtain COUNTY's authorization to such disclosure prior to any release of confidential information. The COUNTY, through the Behavioral Health Director, shall have access to such confidential information.

Penalty for Unauthorized Disclosure. CONTRACTOR understands that disclosure of patient information in violation of law may subject the party releasing the information to a minimum of $10,000 in civil damages, as set forth in Welfare and Institutions Code Section 5330.

Duty to Warn. CONTRACTOR understands that persons providing services under this Agreement may, in certain situations involving a patient or recipient of services who is a danger to himself or others, have a duty to warn third parties of such danger and should consult supervisory staff and/or legal counsel about such duty to warn as appropriate.

Dissemination of these Confidentiality Provisions. CONTRACTOR shall inform all its officers, employees, agents, and subcontractors providing services hereunder of these provisions.

By my signature below, as the authorized representative of the CONTRACTOR named below, I certify acceptance and understanding for myself and the CONTRACTOR of the above confidentiality provisions.

EXHIBIT E:
ASSURANCE OF COMPLIANCE WITH MONTEREY COUNTY'S CULTURAL COMPETENCY POLICY

In a culturally competent system, each provider organization shows respect for and responds to individual differences and special needs. Services are provided in the appropriate cultural context and without discrimination related to race, national origin, income level, religion, gender, sexual orientation, age, or physical disability, to name a few. Culturally competent caregivers are aware of the impact of their own culture on their relationships with consumers/families and know about and respect cultural and ethnic differences. They adapt their skills to meet each individual's/family's values and customs. Cultural competence is a developmental and dynamic process – one that occurs over time.

Organizations in a Culturally Competent Service System Promote:

Quality Improvement
- Continuous evaluation and quality improvement
- Supporting evidence-based, promising, community defined, and emerging practices that are congruent with ethnic/racial/linguistic group belief systems, cultural values and help-seeking behaviors.

Collaboration
- Collaborating with Behavioral Health and other community programs
- Resolving barriers to partnerships with other service providers

Access
- Providing new services to unserved and underserved children, youth, adults and/or older adults
- Reducing disparities in access to, and retention in, care as identified in the Mental Health Services Act Plan
- Ensuring representation of mental health services consumers, family members of a mental health services consumer, and/or representatives from unserved communities on their advisory/governance body or committee for development of service delivery and evaluation (with a minimum target of 40%).
- Developing recruitment, hiring, and retention plans that are reflective of the population focus, communities' ethnic, racial, and linguistic populations.

Cultural Competent Services:

- Are available, accessible and welcoming to all clients regardless of race, ethnicity, language, age, and sexual orientation.
- Provide a physical environment that is friendly, respectful and inclusive of all cultures.
- Provide information, resources and reading materials in multilingual formats.
- Promote and foment culturally accepted social interactions, respect and healthy behaviors within the family constellation and service delivery system.

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

- Provide options for services, which are consistent with the client's beliefs, values, healing traditions, including individual preferences for alternative, spiritual and/or holistic approaches to health.
- Offer services in unserved and underserved communities.
- Have services available in the evening and on weekends to ensure maximum accessibility.
- Offer services in Spanish and other necessary languages (such as Tagalog, Vietnamese, Oaxacan, Trique and other languages spoken of Monterey County residents).

Definitions for Cultural Competency

"Cultural Competence" is defined as a set of congruent practice skills, knowledge, behaviors, attitudes, and policies that come together in a system, agency, or among consumer providers, family members, and professionals that enables that system, agency, or those professionals and consumers, and family member providers to work effectively in cross-cultural situations.
(Adapted from Cross, et al., 1989; cited in DMH Information Notice No.02-03).

"Cultural Competence" is a means to eliminating cultural, racial and ethnic disparities. Cultural Competence enhances the ability of the whole system to incorporate the languages, cultures, beliefs and practices of its clients into the service. In this way all clients benefit from services that address their needs from the foundation of their own culture. Strategies for elimination of these disparities must be developed and implemented. Cultural Competence must be supported at all levels of the system.
(CMHDA Framework for Eliminating Cultural, Linguistic, Racial and Ethnic Behavioral Health Disparities)

[Cultural Competency] A set of congruent behaviors, attitudes, and policies that come together in a system, agency or amongst professionals and consumers and enables that system, agency or those professionals and consumers to work effectively in cross-cultural situations.
(Cross, Bazron, Dennis & Issacs, 1989)

The ability to work effectively with culturally diverse clients and communities.
(Randall David, 1994)

CONTRACTOR hereby agrees that it will comply with the principles and guidelines set forth in Monterey County's Health Department – Behavioral Health's Cultural Competency Policy (as outlined above), and will:

1. Develop organizational capacity to provide services in a culturally and linguistically competent manner. This may include: hiring staff with the linguistic capabilities needed to meet the diverse language needs in Monterey County (for example, Spanish, Tagalog, Vietnamese, Oaxacan, Trique, American Sign Language (ASL), Middle Eastern languages); providing staff with training in cultural competency; making services accessible at locations and times that minimize access barriers, and ensuring that staff have an open, welcoming and positive attitude and feel comfortable working with diverse cultures.

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

2. Create a physical environment that ensures people of all cultures, ages and sexual orientation feel welcome and cared for. This may include: decorating waiting and treatment areas with pictures that reflect the diverse cultures of Monterey County; providing reading materials, resources and magazines in varied languages, at appropriate reading levels and suitable for different age groups, including children and youth; consideration of cultural differences and preferences when offering refreshments; ensuring that any pictures, symbols or materials on display are not unintentionally disrespectful to another culture.

3. Provide a services delivery environment that ensures people of all cultures, ages and sexual orientation feel welcome and cared for. This may include: respect for individual preferences for alternative, spiritual and/or holistic approaches to health; a reception staff that is competent in the different languages spoken by consumers/families; staff that is knowledgeable of cultural and ethnic differences and needs, and is able and willing to respond an appropriate and respectful manner.

4. Support the county's goal to reduce disparities to care by increasing access and retention while decreasing barriers to services by unserved and underserved communities.

5. Include the voice of multi-cultural youth, client and family members, including: monolingual and bilingual clients and family members and representatives from unserved and underserved communities, in the advisory/governance body or committee for development of service delivery, planning and evaluation (County Goal: 40%).

6. Participate in outcome evaluation activities aimed at assessing individual organizations as well as countywide cultural competency in providing mental health services.

7. As requested, meet with the Monterey County Health Department - Behavioral Health Director or designee to monitor progress and outcomes of the project.

8. Ensure that 100% of staff, over a 3 year period, participate in cultural competency training including, but not limited to, those offered by Monterey County Behavioral Health.

Dissemination of these Provisions. CONTRACTOR shall inform all its officers, employees, agents, and subcontractors providing services hereunder of these provisions.

By my signature below, as the authorized representative of the CONTRACTOR named below, I certify acceptance and understanding for myself and the CONTRACTOR of the above provisions.

BUSINESS ASSOCIATE AGREEMENT

This Business Associate Agreement ("BAA") effective September 1, 2021, 20__ ("Effective Date"), is entered into by and among between the County of Monterey, a political subdivision of the State of California, on behalf of the Health Department ("Covered Entity") and Partners for Peace ("Business Associate") (each a "Party" and collectively the "Parties").

RECITALS

A. WHEREAS, Business Associate provides certain services for Covered Entity that involve the Use and Disclosure of Protected Health Information ("PHI") that is created, received, transmitted, or maintained by Business Associate for or on behalf of Covered Entity.

B. WHEREAS, the Parties are committed to complying with the Health Insurance Portability and Accountability Act of 1996, as amended by the Health Information Technology for Economic and Clinical Health Act (the "HITECH Act"), and their implementing regulations, including the Standards for the Privacy of Individually Identifiable Health Information, 45 C.F.R. Part 160 and Part 164, subparts A and E (the "Privacy Rule"), the Breach Notification Standards, 45 C.F.R. Part 160 and 164 subparts A and D (the "Breach Notification Rule"), and the Security Standards for the Protection of Electronic Protected Health Information, 45 C.F.R. Part 160 and Part 164, subparts A and C (the "Security Rule") (collectively "HIPAA"), all as amended from time to time.

C. WHEREAS, the Parties are also committed to complying with the California Confidentiality Laws (defined below).

D. WHEREAS, to the extent that Business Associate is performing activities in connection with covered accounts for or on behalf of Covered Entity, the Parties are also committed to complying with applicable requirements of the Red Flag Rules issued pursuant to the Fair and Accurate Credit Transactions Act of 2003 ("Red Flag Rules").

E. WHEREAS, the Privacy and Security Rules require Covered Entity and Business Associate to enter into a business associate agreement that meets certain requirements with respect to the Use and Disclosure of PHI. This BAA sets forth the terms and conditions pursuant to which PHI, and, when applicable, Electronic Protected Health Information ("EPHI") shall be handled, in accordance with such requirements.

NOW THEREFORE, in consideration of the mutual promises below and the exchange of information pursuant to this BAA, the Parties agree as follows:

AGREEMENT

1. DEFINITIONS

All capitalized terms used in this BAA but not otherwise defined shall have the meaning set forth in HIPAA.

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

(a) "Breach" shall have the same meaning as "breach" as defined in 45 C.F.R. § 164.402; however, the term "Breach" as used in this BAA shall also mean the unlawful or unauthorized access to, Use or Disclosure of a patient's "medical information" as defined under Cal. Civil Code § 56.05(j), for which notification is required pursuant to Cal. Health & Safety Code 1280.15, or a "breach of the security of the system" under Cal. Civil Code § 1798.29.

(b) "California Confidentiality Laws" shall mean the applicable laws of the State of California governing the confidentiality, privacy, or security of PHI or other personally identifiable information (PII), including, but not limited to, the California Confidentiality of Medical Information Act (Cal. Civil Code § 56 *et seq.*), the patient access law (Cal. Health & Safety Code § 123100 *et seq.*), the HIV test result confidentiality law (Cal. Health & Safety Code § 120975 *et seq.*), the Lanterman-Petris-Short Act (Cal. Welf. & Inst. Code § 5328 *et seq.*), and California's data breach law (Cal. Civil Code § 1798.29).

(c) "Protected Health Information" or "PHI" shall mean any information, whether oral or recorded in any form or medium: (i) that relates to the past, present or future physical or mental condition of an individual; the provision of health care to an individual or the past, present or future payment for the provision of health care to an individual; (ii) that identifies the individual or with respect to which there is a reasonable basis to believe the information that can be used to identify the individual, and (iii) is provided by Covered Entity to Business Associate or created, maintained, received, or transmitted by Business Associate on Covered Entity's behalf. PHI, when used in this BAA, includes EPHI.

(d) "Services" shall mean the services for or functions performed by Business Associate on behalf of Covered Entity pursuant to an underlying services agreement "(Services Agreement") between Covered Entity and Business Associate to which this BAA applies.

2. PERMITTED USES AND DISCLOSURES OF PHI

Unless otherwise limited herein, Business Associate may:

(a) Use or Disclose PHI to perform Services for, or on behalf of, Covered Entity, provided that such Use or Disclosure would not violate the Privacy or Security Rules, this BAA, or California Confidentiality Laws if done by Covered Entity;

(b) Use PHI to provide Data Aggregation Services for the Health Care Operations of Covered Entity, if required by the Services Agreement and as permitted by 45 C.F.R. § 164.504(e)(2)(i)(B);

(c) Use PHI if necessary for the proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate as permitted by 45 C.F.R. § 164.504(e)(4)(i);

(d) Disclose PHI for the proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate as

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

permitted under 45 C.F.R. § 164.504(e)(4)(ii), provided that Disclosures are Required by Law, or Business Associate obtains reasonable assurances from the person to whom the information is Disclosed that it will remain confidential and be Used or further Disclosed only as Required by Law or for the purpose for which it was Disclosed to the person, and that such person will notify the Business Associate of any instances of which such person is aware that the confidentiality of the information has been breached; and

(e) Use PHI to report violations of law to appropriate Federal and state authorities, consistent with 45 C.F.R. § 164.502(j)(1).

3. RESPONSIBILITIES OF THE PARTIES WITH RESPECT TO PHI

3.1. Responsibilities of Business Associate. Business Associate shall:

(a) Notify the Privacy Officer of Covered Entity, in writing, of: (i) any Use and/or Disclosure of the PHI that is not permitted by this BAA; (ii) any Security Incident of which Business Associate becomes aware; and (iii) any suspected Breach. Such notice shall be provided within five (5) business days of Business Associate's discovery of such unauthorized access, acquisition, Use and/or Disclosure, Security Incident, or suspected Breach. Notwithstanding the foregoing, the Parties acknowledge the ongoing existence and occurrence of attempted but ineffective Security Incidents that are trivial in nature, such as pings and other broadcast service attacks, and unsuccessful log-in attempts. The Parties acknowledge and agree that this Section 3.1(a) constitutes notice by Business Associate to Covered Entity of such ineffective Security Incidents and no additional notification to Covered Entity of such ineffective Security Incidents is required, provided that no such Security Incident results in unauthorized access, acquisition, Use or Disclosure of PHI. For the avoidance of doubt, a ransomware attack shall not be considered an ineffective Security Incident and shall be reported to Covered Entity, irrespective of whether such Security Incident results in a Breach. Business Associate shall investigate each Security Incident or unauthorized access, acquisition, Use, or Disclosure of PHI, or suspected Breach that it discovers and shall provide a summary of its investigation to Covered Entity, upon request.

(i) If Business Associate or Covered Entity determines that such Security Incident or unauthorized access, acquisition, Use, or Disclosure, or suspected Breach constitutes a Breach, then Business Associate shall provide a supplemental written report in accordance with 45 C.F.R. § 164.410(c), which shall include, to the extent possible, the identification of each individual whose PHI has been, or is reasonably believed by the Business Associate to have been, accessed, acquired, Used or Disclosed during the Breach, to Covered Entity without unreasonable delay, but no later than five (5) business days after discovery of the Breach;

(ii) In consultation with Covered Entity, Business Associate shall promptly mitigate, to the extent practicable, any harmful effect that is known to the Business Associate of such improper access, acquisition, Use, or Disclosure, Security Incident, or Breach;

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

(iii) Covered Entity shall have sole control over the timing and method of providing notification of such Breach to the affected individual(s), the appropriate government agencies, and other persons required by law to be notified. Business Associate shall assist with any notifications, as requested by Covered Entity. Business Associate shall take prompt corrective action, including any action required by applicable State or federal laws and regulations relating to such Security Incident or non-permitted access, acquisition, Use, or Disclosure. Business Associate shall reimburse Covered Entity for its reasonable costs and expenses in providing notification to affected individuals, appropriate government agencies, and any other persons required by law to be notified (e.g., without limitation, the media or consumer reporting agencies), including, but not limited to, any administrative costs associated with providing notice, printing and mailing costs, public relations costs, attorney fees, and costs of mitigating the harm (which may include the costs of obtaining up to one (1) year of credit monitoring services and identity theft insurance) for affected individuals whose PHI or other PII has or may have been compromised as a result of the Breach;

(b) Implement appropriate administrative, physical, and technical safeguards and comply with the Security Rule and industry best practices to prevent Use and/or Disclosure of EPHI other than as provided for by this BAA;

(c) Obtain and maintain a written agreement with each of its Subcontractors that creates, receives, maintains, or transmits PHI that requires each such Subcontractor to adhere to restrictions and conditions that are at least as restrictive as those that apply to Business Associate pursuant to this BAA. Upon request, Business Associate shall provide Covered Entity with copies of its written agreements with such Subcontractors;

(d) Make available all internal practices, records, books, agreements, policies and procedures and PHI relating to the Use and/or Disclosure of PHI received from, created, maintained, or transmitted by Business Associate on behalf of Covered Entity to the Secretary of the Department of Health and Human Services ("Secretary") in a time and manner designated by the Secretary for purposes of determining Covered Entity's or Business Associate's compliance with HIPAA. Business Associate shall immediately notify Covered Entity of any such requests by the Secretary and, upon Covered Entity's request, provide Covered Entity with any copies of documents Business Associate provided to the Secretary. In addition, Business Associate shall promptly make available to Covered Entity such practices, records, books, agreements, policies and procedures relating to the Use and Disclosure of PHI for purposes of determining whether Business Associate has complied with this BAA or maintains adequate security safeguards, upon reasonable request by Covered Entity. The fact that Covered Entity has the right to inspect, inspects, or fails to inspect Business Associate's internal practices, records, books, agreements, policies and procedures does not relieve Business Associate of its responsibility to comply with this BAA, regardless of whether Covered Entity detects or fails to detect a violation by Business Associate, nor does it constitute Covered Entity's acceptance of such practices or waiver of Covered Entity's rights under this BAA;

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

(e) Document Disclosures of PHI and information related to such Disclosure and, within twenty (20) days of receiving a written request from Covered Entity, provide to Covered Entity such information as is requested by Covered Entity to permit Covered Entity to respond to a request by an individual for an accounting of the Disclosures of the individual's PHI in accordance with 45 C.F.R. § 164.528 and the HITECH Act. At a minimum, the Business Associate shall provide Covered Entity with the following information: (i) the date of the Disclosure; (ii) the name of the entity or person who received the PHI, and if known, the address of such entity or person; (iii) a brief description of the PHI Disclosed; and (iv) a brief statement of the purpose of such Disclosure which includes an explanation of the basis for such Disclosure. In the event the request for an accounting is delivered directly to the Business Associate, the Business Associate shall, within ten (10) days, forward such request to Covered Entity. The Business Associate shall implement an appropriate recordkeeping process to enable it to comply with the requirements of this Section;

(f) Subject to Section 4.4 below, return to Covered Entity in a mutually agreeable format and medium, or destroy, within thirty (30) days of the termination of this BAA, the PHI in its possession and retain no copies, including backup copies;

(g) Use, Disclose to its Subcontractors or other third parties, and request from Covered Entity, only the minimum PHI necessary to perform or fulfill a specific function required or permitted hereunder;

(h) If all or any portion of the PHI is maintained in a Designated Record Set:

(i) Upon ten (10) days' prior written request from Covered Entity, provide access to the PHI to Covered Entity, or to the individual, if so directed by Covered Entity, to meet a request by an individual under 45 C.F.R. § 164.524 or California Confidentiality Laws. Business Associate shall notify Covered Entity within five (5) days of its receipt of a request for access to PHI from an individual; and

(ii) Upon ten (10) days' prior written request from Covered Entity, make any amendment(s) to the PHI that Covered Entity directs pursuant to 45 C.F.R. § 164.526. Business Associate shall notify Covered Entity within five (5) days of its receipt of a request for amendment of PHI from an individual;

(i) If applicable, maintain policies and procedures to detect and prevent identity theft in connection with the provision of the Services, to the extent required to comply with the Red Flag Rules;

(j) To the extent that Business Associate carries out one or more of Covered Entity's obligations under the Privacy Rule, Business Associate shall comply with the requirements of the Privacy Rule that apply to Covered Entity in the performance of such obligations;

(k) Unless prohibited by law, notify Covered Entity as soon as possible and in no case later than five (5) days after the Business Associate's receipt of any request

or subpoena for PHI. To the extent that Covered Entity decides to assume responsibility for challenging the validity of such request, the Business Associate shall cooperate fully with Covered Entity in such challenge; and

(l) Maintain policies and procedures materially in accordance with HIPAA and California Confidentiality Laws and industry standards designed to ensure the confidentiality, availability, and integrity of Covered Entity's data and protect against threats or vulnerabilities to such data.

3.2 Business Associate Acknowledgment.

(a) Business Associate acknowledges that, as between the Business Associate and Covered Entity, all PHI shall be and remain the sole property of Covered Entity.

(b) Business Associate is not permitted to Use PHI to create de-identified information except as approved in writing by Covered Entity.

(c) Business Associate further acknowledges that it is obligated by law to comply, and represents and warrants that it shall comply, with HIPAA. Business Associate shall comply with all California Confidentiality Laws, to the extent that such state laws are not preempted by HIPAA.

(d) Business Associate further acknowledges that Uses and Disclosures of PHI must be consistent with Covered Entity's privacy practices, as stated in Covered Entity's Notice of Privacy Practices. The current Notice of Privacy Practices can be retrieved online from the Covered Entity's webpage. Business Associate agrees to review the Notice of Privacy Practices at this URL at least once annually while doing business with Covered Entity to ensure it remains updated on any changes to the Notice of Privacy Practices Covered Entity may make.

3.3 Responsibilities of Covered Entity. Covered Entity shall notify Business Associate of any (i) changes in, or withdrawal of, the authorization of an individual regarding the Use or Disclosure of PHI provided to Covered Entity pursuant to 45 C.F.R. § 164.508, to the extent that such changes may affect Business Associate's Use or Disclosure of PHI; or (ii) restrictions on Use and/or Disclosure of PHI as provided for in 45 C.F.R. § 164.522 agreed to by Covered Entity, to the extent that such restriction may affect Business Associate's Use or Disclosure of PHI.

4. TERM AND TERMINATION

4.1 Term. This BAA shall become effective on the Effective Date and shall continue in effect until all of the PHI provided by Covered Entity to Business Associate, or created or received by Business Associate on behalf of Covered Entity, is destroyed or returned to Covered Entity, or if it is infeasible to return or destroy PHI, protections are extended to such PHI, in accordance with the termination provisions in Section 4.4. Certain provisions and requirements of this BAA shall survive its expiration or other termination as set forth in Section 5 herein.

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

4.2 Termination. If Covered Entity determines in good faith that Business Associate has breached a material term of this BAA, Covered Entity may either: (i) immediately terminate this BAA and any underlying Services Agreement without penalty; or (ii) terminate this BAA and any underlying Services Agreement within thirty (30) days of Business Associate's receipt of written notice of such breach, if the breach is not cured to the satisfaction of Covered Entity.

4.3 Automatic Termination. This BAA shall automatically terminate without any further action of the Parties upon the termination or expiration of all Services Agreements between Covered Entity and Business Associate that would necessitate having this BAA in place.

4.4 Effect of Termination. Upon termination or expiration of this BAA for any reason, Business Associate shall return or destroy all PHI pursuant to 45 C.F.R. § 164.504(e)(2)(ii)(J) if, and to the extent that, it is feasible to do so. Prior to returning or destroying the PHI, Business Associate shall recover any PHI in the possession of its Subcontractors. Business Associate shall certify in writing that all PHI has been returned or securely destroyed, and no copies retained, upon Covered Entity's request. To the extent it is not feasible for Business Associate to return or destroy any portion of the PHI, Business Associate shall notify Covered Entity in writing of the condition that makes return or destruction infeasible. If Covered Entity agrees that return or destruction of the PHI is infeasible, as determined in its sole discretion, Business Associate shall: (i) retain only that PHI which is infeasible to return or destroy; (ii) return to Covered Entity the remaining PHI that the Business Associate maintains in any form; (iii) continue to extend the protections of this BAA to the PHI for as long as Business Associate retains PHI; (iv) limit further Uses and Disclosures of such PHI to those purposes that make the return or destruction of the PHI not feasible and subject to the same conditions as set out in Sections 2 and 3 above, which applied prior to termination; and (v) return to Covered Entity the PHI retained by Business Associate when such return is no longer infeasible.

5. MISCELLANEOUS

5.1 Survival. The obligations of Business Associate under the provisions of Sections 3.1, 3.2, and 4.4 and Article 5 shall survive termination of this BAA until such time as all PHI is returned to Covered Entity or destroyed.

5.2 Amendments; Waiver. This BAA may not be modified or amended, except in a writing duly signed by authorized representatives of the Parties. To the extent that any relevant provision of HIPAA or California Confidentiality Laws is materially amended in a manner that changes the obligations of the Parties, the Parties agree to negotiate in good faith appropriate amendment(s) to this BAA to give effect to the revised obligations. Further, no provision of this BAA shall be waived, except in a writing duly signed by authorized representatives of the Parties. A waiver with respect to one event shall not be construed as continuing, or as a bar to or waiver of any right or remedy as to subsequent events.

Each Party named above may change its address and that of its representative for notice by the giving of notice thereof in the manner hereinabove provided. Such notice is effective upon receipt of notice, but receipt is deemed to occur on next business day if notice is sent by FedEx or other overnight delivery service.

5.5 **Counterparts; Facsimiles**. This BAA may be executed in any number of counterparts, each of which shall be deemed an original. Facsimile and electronic copies hereof shall be deemed to be originals.

5.6 **Relationship of Parties**. Notwithstanding anything to the contrary in the Services Agreement, Business Associate is an independent contractor and not an agent of Covered Entity under this BAA. Business Associate has the sole right and obligation to supervise, manage, contract, direct, procure, perform, or cause to be performed all Business Associate obligations under this BAA.

5.7 **Choice of Law; Interpretation**. This BAA shall be governed by the laws of the State of California. Any ambiguities in this BAA shall be resolved in a manner that allows Covered Entity and Business Associate to comply with HIPAA and the California Confidentiality Laws.

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

5.8 Indemnification. Business Associate shall indemnify, defend, and hold harmless the County of Monterey (the "County"), its officers, agents, and employees from any claim, liability, loss, injury, cost, expense, penalty or damage, including costs incurred by the County with respect to any investigation, enforcement proceeding, or third party action, arising out of, or in connection with, a violation of this BAA, HIPAA or California Confidentiality Laws, or a Breach that is attributable to an act or omission of Business Associate and/or its agents, members, employees, or Subcontractors, excepting only loss, injury, cost, expense, penalty or damage caused by the negligence or willful misconduct of personnel employed by the County. It is the intent of the Parties to provide the broadest possible indemnification for the County. This provision is in addition to, and independent of, any indemnification provision in any Services Agreement between the Parties.

5.9 Applicability of Terms. This BAA applies to all present and future Services Agreements and business associate relationships, written or unwritten, formal or informal, in which Business Associate creates, receives, transmits, or maintains any PHI for or on behalf of Covered Entity in any form whatsoever. This BAA shall automatically be incorporated in all subsequent agreements between Business Associate and Covered Entity involving the Use or Disclosure of PHI whether or not specifically referenced therein. In the event of any conflict or inconsistency between a provision of this BAA and a provision of any other agreement between Business Associate and Covered Entity, the provision of this BAA shall control unless the provision in such other agreement establishes additional rights for Business Associate or additional duties for or restrictions on Business Associate with respect to PHI, in which case the provision of such other agreement will control.

5.10 Insurance. In addition to any general and/or professional liability insurance required of Business Associate under the Services Agreement, Business Associate agrees to obtain and maintain, at its sole expense, liability insurance on an occurrence basis, covering any and all claims, liabilities, demands, damages, losses, costs expenses, fines, and compliance costs arising from a breach of the obligations of Business Associate, its officers, employees, agents and Subcontractors under this BAA. Without limiting the foregoing, at a minimum, Business Associate's required insurance under this Section shall include cyber liability insurance covering breach notification expenses, network security and privacy liability, with limits of not less than $10,000,000 per claim and in the aggregate. Such insurance coverage will be maintained for the term of this BAA, and a copy of such policy or a certificate evidencing the policy shall be provided to Covered Entity at Covered Entity's request.

5.11 Legal Actions. Promptly, but no later than five (5) calendar days after notice thereof, Business Associate shall advise Covered Entity of any actual or potential action, proceeding, regulatory or governmental orders or actions, or any material threat thereof that becomes known to it that may affect the interests of Covered Entity or jeopardize this BAA, and of any facts and circumstances that may be pertinent to the prosecution or defense of any such actual or potential legal action or proceeding, except to the extent prohibited by law. This includes, without limitation, any allegation that Business Associate has violated HIPAA or other federal or state privacy or security laws.

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

5.12 **Audit or Investigations**. Promptly, but no later than five (5) calendar days after notice thereof, Business Associate shall advise Covered Entity of any audit, compliance review, or complaint investigation by the Secretary or other state or federal agency related to compliance with HIPAA or the California Confidentiality Laws.

5.13 **Assistance in Litigation or Administrative Proceedings**. Business Associate shall make itself, and any Subcontractors, employees, or agents assisting Business Associate in the performance of its obligations under any Services Agreements, available to Covered Entity, at no cost to Covered Entity, to testify in any claim commenced against Covered Entity, its directors, officers, employees, successors, and assigns based upon claimed violation by Business Associate or its agents or subcontractors of HIPAA or other applicable law, except where Business Associate or its Subcontractor, employee, or agent is a named adverse party.

5.14 **No Offshore Work**. In performing the Services for, or on behalf of, Covered Entity, Business Associate shall not, and shall not permit any of its Subcontractors, to transmit or make available any PHI to any entity or individual outside the United States without the prior written consent of Covered Entity.

5.15 **Information Blocking Rules**. Business Associate shall not take any action, or refuse to take any action, with regard to Covered Entity's electronic health information that would result in "information blocking" as prohibited by 42 U.S.C. § 300jj-52 and 45 C.F.R. Part 171 (collectively, "Information Blocking Rules"). Business Associate and Covered Entity shall cooperate in good faith to ensure Covered Entity's electronic health information is accessed, exchanged, and used in compliance with the Information Blocking Rules.

IN WITNESS WHEREOF, each of the undersigned has caused this BAA to be duly executed in its name and on its behalf as of the Effective Date.

EXHIBIT I:
ANNUAL REPORT(S), COST REPORT SETTLEMENT, AND AUDIT

I. ANNUAL REPORT(S)

A. For each fiscal year or portion thereof that this Agreement is in effect, CONTRACTOR shall provide COUNTY with accurate and complete Annual Report(s) known as the State Cost Report, the Annual Mental Health Services Act (MHSA) Revenue and Expenditure Reports, and the Annual Report(s), as applicable and required by the COUNTY (numbered (1)-(3) in Section XIV (A) in electronic forms and hard copies along with duly signed Provider's Certification and copy of audited financial statement and/or other supporting documents that the COUNTY may require, by the due date specified in this Exhibit I, Section I., Paragraph C.

B. An accurate and complete State Cost Report and/or Annual MHSA Revenue and Expenditure Report shall be defined as Annual Report(s) which is (are) completed to the best of the ability of CONTRACTOR on such forms or in such formats as specified by the COUNTY and consistent with such instructions as the COUNTY may issue and are based on the best available data and based on the CONTRACTOR'S Financial Summary applicable to the fiscal year. Further, CONTRACTOR shall certify under penalty of perjury that the CONTRACTOR has not violated any of the provisions of Section 1090 through 1096 of the Government Code and with respect to MHSA funding; is in compliance with California Code of Regulations, Title 9, Division 1, Chapter 14, Article 4, Section 3410, Non-Supplant and Article 5, Section 3500, non-Supplant Certification and Reports; that the amount for which reimbursement is claimed in the Annual Report(s) is in accordance with Chapter 3, Part 2. Division 5 of the Welfare and Institutions Code; and WIC Section 5891 and that to the best of the CONTRACTOR'S knowledge and belief the information on Annual Report(s) is (are) in all respects, correct, and in accordance with the law.

C. The Annual Report(s) shall be due on September 15th for the fiscal year ending on the previous June 30th or seventy-five (75) days following the expiration or termination date of this Agreement, or forty-five (45) days after the COUNTY transmits the cost report template electronically to the CONTRACTOR, whichever occurs later. Should the due date fall on a weekend, such report(s) shall be due on the following business day.

1. Failure to submit the Annual Report(s) within thirty (30) calendar days after the due date specified in this Exhibit I, Section I, Subsection (C) is a breach of this Agreement. In addition to, and without limiting, any other remedy available to the COUNTY for such breach, COUNTY may undertake any or all of the following to remedy such breach:

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

a. COUNTY, in its sole and absolute discretion, may disallow claim(s) for payment for services/activities rendered during the fiscal year(s) for which the CONTRACTOR'S Annual Report(s) is (are) outstanding or withhold payment(s) for reimbursements payable pursuant to Section III (A) to CONTRACTOR for the current fiscal year by COUNTY to CONTRACTOR until the Annual Report(s) is (are) submitted. If COUNTY exercises its discretion to disallow claim(s) or withhold payment(s), COUNTY shall give CONTRACTOR written notice, during the thirty (30) calendar days after the due date specified in this Exhibit I, Section I, Subsection (C), of its intention to disallow claim(s) or withhold payment(s) as of the date specified in the notice, including the reason(s) for its intended action. Thereafter, CONTRACTOR, within the time specified in the notice, shall submit the Annual Report(s) to avoid disallowance of claims or withholding of payments.

b. In such instance that CONTRACTOR does not submit the Annual Report(s) by thirty (30) calendar days after the applicable due date specified in this Exhibit I, Section I, Subsection (C), COUNTY, in its sole and absolute discretion, may deem as due and owing to COUNTY by CONTRACTOR all amounts paid pursuant to Section III (A) by COUNTY to CONTRACTOR for services/activities for the fiscal year(s) for which the Annual Report(s) is (are) outstanding. CONTRACTOR shall pay COUNTY according to the method described in this Exhibit I, Section IV (Method of Payments for Amounts Due to COUNTY). Such payments shall be submitted to the persons at the address identified in the COUNTY invoice.

D. The Annual Report(s) shall be prepared by the CONTRACTOR in accordance with the instructions, rules, policies and procedures established by the Federal governments, State and COUNTY.

II. COST REPORT SETTLEMENT

A. CONTRACTOR shall submit the CONTRACTOR'S Year-End Cost Report Settlement with the COUNTY based on the Annual Report(s) submitted pursuant to this Exhibit I of this Agreement, for the fiscal year(s) for which the CONTRACTOR'S Year-End Cost Report Settlement is (are) outstanding.

1. Failure to submit the CONTRACTOR'S Year-End Cost Report Settlement within thirty (30) calendar days after the due date specified by written notice of the COUNTY is a breach of this Agreement. In addition to, and without limiting, any other remedy available to the COUNTY for such breach, COUNTY may undertake any or all of the following to remedy such breach:

a. COUNTY, in its sole and absolute discretion, may disallow claim(s) for payment for services/activities rendered during the fiscal year(s) for which the CONTRACTOR'S Year-End Cost Report Settlement is outstanding or withhold payment(s) for reimbursements payable pursuant to Section III (A)

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

to CONTRACTOR for the current fiscal year by COUNTY to CONTRACTOR until the CONTRACTOR'S Year-End Cost Report Settlement is submitted. If COUNTY exercises its discretion to disallow claim(s) or withhold payment(s), COUNTY shall give CONTRACTOR written notice, during the thirty (30) calendar days after the due date specified by the COUNTY, of its intention to disallow claim(s) or withhold payment(s) as of the date specified in the notice, including the reason(s) for its intended action. Thereafter, CONTRACTOR, within the time specified in the notice, shall submit the CONTRACTOR'S Year-End Cost Report Settlement to avoid disallowance of claim(s) or withholding of payment(s).

b. In such instance that CONTRACTOR does not submit the CONTRACTOR'S Year-End Cost Report Settlement by thirty (30) calendar days after the applicable due date specified by written notice of the COUNTY, COUNTY, in its sole and absolute discretion, may deem as due and owing to COUNTY by CONTRACTOR all amounts paid pursuant to Section III (A) by COUNTY to CONTRACTOR for services/activities for the fiscal year(s) for which the CONTRACTOR'S Year-End Cost Report Settlement is outstanding. CONTRACTOR shall pay COUNTY according to the method described in this Exhibit I, Section IV (Method of Payments for Amounts Due to COUNTY). Such payments shall be submitted to the persons at the address identified in the COUNTY invoice.

B. All payments made to the CONTRACTOR and the actual Federal Financial Participation (FFP) revenue generated by the CONTRACTOR shall be reconciled with CONTRACTOR'S Year-End Cost Report Settlement and/or State Cost Report Settlement. CONTRACTOR'S Year-End Cost Report Settlement shall be based upon the allowable costs as stipulated in Exhibit B, Section VI, Subsection B, less any deductible revenues collected by CONTRACTOR from other payor sources. FFP revenue shall be based upon the FFP claimed by the CONTRACTOR in accordance to the provision of Exhibit B and the reconciled amount of FFP as reflected in the State Cost Report Settlement. Such settlement shall be subject to the terms and conditions of this Agreement and all other applicable Federal, State and local statutes, regulations, policies, procedures and/or other requirements. In addition, audit procedures may be performed by the COUNTY in accordance with the Generally Accepted Accounting Principles and Generally Accepted Auditing Standards.

C. COUNTY shall issue its findings regarding CONTRACTOR'S Year-End Cost Report Settlement and/or State Cost Report Settlement ("COUNTY'S Findings") at any time after the COUNTY received the calculation of the cost settlement from the CONTRACTOR and/or COUNTY completed the State Cost Settlement process.

1. As part of its cost report settlement, COUNTY shall identify any amounts due to CONTRACTOR by the COUNTY or due from the CONTRACTOR to the COUNTY.

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

2. Upon issuance of the COUNTY'S Findings, CONTRACTOR may, within thirty (30) calendar days, submit a written request to the COUNTY for review of the Findings.

    a. Upon receipt by COUNTY of the CONTRACTOR'S written request, the COUNTY shall, within thirty (30) calendar days, meet with the CONTRACTOR to review the COUNTY'S Findings and to consider any documentation or information presented by the CONTRACTOR. CONTRACTOR may waive such meeting and elect to proceed based on written submission at its sole discretion.

    b. Within thirty (30) calendar days of the meeting specified in Subsection C., 2., a. above, or if no meeting is requested, within thirty (30) calendar days of the issuance of the COUNTY'S Findings, COUNTY shall issue a final cost report settlement finding to the CONTRACTOR including confirming or adjusting any amounts due to CONTRACTOR by the COUNTY or due from CONTRACTOR to the COUNTY.

3. In the event that the COUNTY'S Findings indicates that the CONTRACTOR is due payment from the COUNTY, COUNTY shall make payment to CONTRACTOR within thirty (30) calendar days following the expiration of the date to request a review as specified in Paragraph C., 2. above or issuance of the COUNTY'S Findings as specified in Paragraph C., 2., b. above, whichever is later.

4. In the event that the COUNTY'S Findings indicates that the CONTRACTOR owes payments to the COUNTY, CONTRACTOR shall make payment to the COUNTY within thirty (30) calendar days following the expiration of the date to request a review as specified in Paragraph C., 2. above or issuance of the COUNTY'S Findings as specified in Paragraph C., 2. b. above, whichever is later. Said payment shall be submitted to the person and at the address identified in the COUNTY invoice.

5. Regardless of any other provision of this Section II, reimbursement to CONTRACTOR shall not exceed the Maximum Contract Amount and shall not exceed the Maximum Program Amount for each Funded Program, as identified in Exhibit B.

III. COST REPORT TRAINING

CONTRACTOR shall attend a one-time mandatory cost report training provided by the COUNTY. COUNTY shall provide further cost report training as needed and/or as required according to changes in the State cost report requirements. Failure by the CONTRACTOR to attend the one-time mandatory cost report training, and subsequent training(s), as needed and requested by the COUNTY, may result in disallowance of any claims for payment. If CONTRACTOR continues to neglect attendance to scheduled

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

training(s), claims for payment shall be disallowed due to delayed training completion or non-compliance.

IV. AUDIT(S) AND AUDIT APPEALS

A. At any time during the term of this Agreement or after the expiration or termination of this Agreement, in accordance with Federal and State law including but not limited to the California Welfare and Institutions Code (WIC) Sections 14170 et seq., authorized representatives from the Federal governments, State or COUNTY may conduct an audit of CONTRACTOR regarding the services/activities provided under the fiscal year(s) for which the audit is outstanding. In addition, contract compliance audits or reviews may be conducted by the Monterey County's Auditor-Controller's Office or designated representative. Furthermore, the California State Controller Office performs audits of the mandated cost claims for the seriously emotionally disturbed pupils for the Out-of-State Mental Health Services Program and Handicapped and Disabled Students Programs. The Centers for Medicare and Medicaid Services (CMS) also perform audits of the Certified Public Expenditure (CPE) processes, negotiated rate audit information, and other issues.

B. Settlement of audit findings shall be conducted according to the auditing party's procedures in place at the time of the audit.

C. In the case of a Federal Government or State audit, COUNTY may perform a post-audit based on Federal or State audit findings. Such post-audit shall take place when the Federal Government or State initiates its settlement action, which customarily is after the issuance of the audit report by the Federal Government or State and before the Federal Government or State's audit appeal process.

1. If the Federal Government or State stays its collection of any amounts due or payable because of the audit findings, COUNTY shall also stay its settlement of the same amounts due or payable until the responsible auditing party initiates its settlement action with COUNTY.

2. COUNTY shall follow all applicable Federal, State and local laws, regulations manuals, guidelines and directives in recovering from CONTRACTOR any amount due to the COUNTY.

3. COUNTY shall issue an invoice to CONTRACTOR for any amount due to the COUNTY no later than ninety (90) calendar days after the Federal or State issues its audit settlement letter to the COUNTY. CONTRACTOR shall make payment to the COUNTY in accordance with the terms of Section IV (Method of Payments for Amounts Due to COUNTY) of this Exhibit I. Said payment shall be submitted to the person and at the address identified in the COUNTY invoice.

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

D. CONTRACTOR may appeal any such audit findings in accordance with the audit appeal process established by the party performing the audit.

1. For Federal audit exceptions, Federal audit appeal processes shall be followed.

2. CONTRACTOR may appeal the State audit findings in conformance with provisions of Sections 51016 et seq. of Title 22 of the California Code of Regulations. Such appeals must be filed through COUNTY. COUNTY shall notify CONTRACTOR of State appeal deadlines after COUNTY'S receipt from State of the audit report.

3. If at any time the Appeal process results in a revision to the audit findings, and the Federal Government or State recalculates the final settlement with COUNTY, COUNTY may perform a post-audit based on the Federal or State revised findings after the Federal Government or State has issued its revised settlement with the COUNTY, based on such re-computed final settlement.

    a. If the re-computed final settlement results in amounts due to CONTRACTOR by the COUNTY, COUNTY shall make such payments to CONTRACTOR within thirty (30) calendar days of issuing the revised settlement amount to the CONTRACTOR.
    b. If the re-computed final settlement results in amounts due from CONTRACTOR to the COUNTY, CONTRACTOR shall make payment to the COUNTY within thirty (30) days that the COUNTY issues its invoice to the CONTRACTOR.

E. Not withstanding any other provisions of this Agreement, if CONTRACTOR appeals any audit report, the appeal shall not prevent the COUNTY from recovering from CONTRACTOR any amount owed by CONTRACTOR that the Federal Government or State has recovered from COUNTY.

F. Should the auditing party be the COUNTY, CONTRACTOR shall have thirty (30) calendar days from the date of the audit report with in which to file an appeal with COUNTY. The letter providing the CONTRACTOR with notice of the audit findings shall indicate the person(s) and address to which the appeal should be directed. COUNTY shall consider all information provided by CONTRACTOR with its appeal, and shall issue its decision on the appeal after such consideration. Such decision is final. COUNTY shall issue an invoice for any amount due COUNTY fifteen (15) calendar days after COUNTY has notified CONTRACTOR of the COUNTY'S audit appeal findings. CONTRACTOR shall make payment to the COUNTY in accordance with the terms of Section IV (Method of Payments for Amounts Due to COUNTY) of this Exhibit I. Said payment shall be submitted to the person and at the address identified in the COUNTY invoice.

IV. METHOD OF PAYMENTS FOR AMOUNTS DUE TO COUNTY

DocuSign Envelope ID: C3BBF817-5B45-446C-964D-C003BD2EB6EB

A. Within ten (10) business days after written notification by COUNTY to CONTRACTOR of any amount due by CONTRACTOR to COUNTY, CONTRACTOR shall notify COUNTY as to which of the following five (5) payment options CONTRACTOR requests be used as the method by which such amount shall be recovered by COUNTY.

   Any such amount shall be:

   1. paid in one cash payment by CONTRACTOR to COUNTY;
   2. deducted from future claims over a period not to exceed six (6) months;
   3. deducted from any amounts due from COUNTY to CONTRACTOR whether under this Agreement or otherwise;
   4. paid by cash payment(s) by CONTRACTOR to COUNTY over a period not to exceed six (6) months; or
   5. a combination of any or all of the above.

B. If CONTRACTOR does not so notify COUNTY within such ten (10) days, or if CONTRACTOR fails to make payment of any such amount to COUNTY as required, then Director, in his sole discretion, shall determine which of the above five (5) payment options shall be used by COUNTY for recovery of such amount from CONTRACTOR.

Salinas, CA 93901

January 09, 2024

Introduced: 12/19/2023
Version: 1

Current Status: Passed
Matter Type: BoS Agreement

Approve and authorize the Director of Health Services or designee to execute a new Standard Agreement between the County of Monterey and The University Corporation, San Francisco State, DBA Family Acceptance Project for the provision of culturally attuned trainings, consultation, and material supports to fulfill the approved "Rainbow Connections" Mental Health Services Act (MHSA) Innovations project, for a maximum County obligation of $549,125 for the retroactive term of January 1, 2024 through June 30, 2025.

RECOMMENDATION:

It is recommended that the Board of Supervisors:
Approve and authorize the Director of Health Services or designee to execute a new Standard Agreement between the County of Monterey and The University Corporation, San Francisco State, DBA Family Acceptance Project for the provision of culturally attuned trainings, consultation, and material supports to fulfill the approved "Rainbow Connections" Mental Health Services Act (MHSA) Innovations project, for a maximum County obligation of $549,125 for the retroactive term of January 1, 2024 through June 30, 2025.

SUMMARY/DISCUSSION

On May 25, 2023, the County of Monterey Behavioral Health Bureau received approval from the Mental Health Services Oversight and Accountability Commission (MHSOAC) for the "Rainbow Connections" MHSA Innovation Plan. This Innovation Plan aims to improve the mental health outcomes and functioning of LGBTQ youth and their families by promoting interagency communication and collaboration across youth-serving systems, and through building capacity among youth-serving adults to identify and respond affirmatively to the needs of LGTBQ youth up to age 24. Multiple vendors will assist the County in the implementation and evaluation of the Rainbow Connections Innovation Plan. The University Corporation, San Francisco State, DBA Family Acceptance Project will maintain an important role in this project by providing their pioneering and patented LGBTQ-related trainings, subject matter expertise and educational materials to other partnering agencies and community stakeholders.

This work supports the Monterey County Health Department 2018-2024 Strategic Plan Goal(s): 3) Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports one of the ten essential public health services, specifically: 7) Link people to needed personal health services and assure the provision of health care when otherwise unavailable.

This agreement is late in being presented to your Board due to a delay by vendor negotiations on

scope and payment provisions, in conjunction with the operational need for this vendor to initiate work in alignment with a partner agency and the school calendar.

OTHER AGENCY INVOLVEMENT:
The Office of the County Counsel and Auditor-Controller have reviewed and approved this Agreement as to form and fiscal provisions, respectively.

FINANCING:
This Agreement is 100% funded by MHSA Innovation Funds. The funds for this Agreement for FY2023-24 ($307,050) are included in the Health Department's Behavioral Health (HEA012, Unit 8410) Fiscal Year 2023-24 Adopted Budget. The funds for this Agreement for FY 2024-25 ($242,075) will be included in the Health Department's Behavioral Health (HEA012, Unit 8410) FY 2024-25 Requested Budget.

COUNTY OF MONTEREY STANDARD AGREEMENT

This **Agreement** is made by and between the County of Monterey, a political subdivision of the State of California (hereinafter "County") and:

The University Corporation, San Francisco State (dba Family Acceptance Project),

(hereinafter "CONTRACTOR").

In consideration of the mutual covenants and conditions set forth in this Agreement, the parties agree as follows:

1.0 GENERAL DESCRIPTION:

The County hereby engages CONTRACTOR to perform, and CONTRACTOR hereby agrees to perform, the services described in **Exhibit A** in conformity with the terms of this Agreement. The goods and/or services are generally described as follows:

Provide: Culturally attuned trainings, consultation and material supports for the "Rainbow Connections" Mental Health Services Act Innovation Project

2.0 PAYMENT PROVISIONS:

County shall pay the CONTRACTOR in accordance with the payment provisions set forth in **Exhibit A**, subject to the limitations set forth in this Agreement. The total amount payable by County to CONTRACTOR under this Agreement shall not exceed the sum of: $549,125

3.0 TERM OF AGREEMENT:

3.01 The term of this Agreement is from January 1, 2024 **to** June 30, 2025, unless sooner terminated pursuant to the terms of this Agreement. This Agreement is of no force or effect until signed by both CONTRACTOR and County and with County signing last, and **CONTRACTOR may not commence work before County signs this Agreement**.

3.02 The County reserves the right to cancel this Agreement, or any extension of this Agreement, without cause, with a thirty day (30) written notice, or with cause immediately.

4.0 SCOPE OF SERVICES AND ADDITIONAL PROVISIONS:

The following attached exhibits are incorporated herein by reference and constitute a part of this Agreement:

Exhibit A Scope of Services/Payment Provisions

Exhibit B Other: EXHIBIT B: ASSURANCE OF COMPLIANCE WITH MONTEREY COUNTY'S CULTURAL COMPETENCY POLICY
EXHIBIT C: BUSINESS ASSOCIATE AGREEMENT
EXHIBIT D: COST REIMBURSMENT FORM

DocuSign Envelope ID: 845EEDF2-B74A-4B0B-81E8-AABD2188BF69

5.0 PERFORMANCE STANDARDS:

5.01 CONTRACTOR warrants that CONTRACTOR and CONTRACTOR's agents, employees, and subcontractors performing services under this Agreement are specially trained, experienced, competent, and appropriately licensed to perform the work and deliver the services required under this Agreement and are not employees of the County, or immediate family of an employee of the County.

5.02 CONTRACTOR, its agents, employees, and subcontractors shall perform all work in a safe and skillful manner and in compliance with all applicable laws and regulations. All work performed under this Agreement that is required by law to be performed or supervised by licensed personnel shall be performed in accordance with such licensing requirements.

5.03 CONTRACTOR shall furnish, at its own expense, all materials, equipment, and personnel necessary to carry out the terms of this Agreement, except as otherwise specified in this Agreement. CONTRACTOR shall not use County premises, property (including equipment, instruments, or supplies) or personnel for any purpose other than in the performance of its obligations under this Agreement.

6.0 PAYMENT CONDITIONS:

6.01 Prices shall remain firm for the initial term of the Agreement and, thereafter, may be adjusted annually as provided in this paragraph. The County does not guarantee any minimum or maximum amount of dollars to be spent under this Agreement.

6.02 Negotiations for rate changes shall be commenced, by CONTRACTOR, a minimum of ninety days (90) prior to the expiration of the Agreement. Rate changes are not binding unless mutually agreed upon in writing by the County and the CONTRACTOR.

6.03 Invoice amounts shall be billed directly to the ordering department.

6.04 CONTRACTOR shall submit such invoice periodically or at the completion of services, but in any event, not later than 30 days after completion of services. The invoice shall set forth the amounts claimed by CONTRACTOR for the previous period, together with an itemized basis for the amounts claimed, and such other information pertinent to the invoice. The County shall certify the invoice, either in the requested amount or in such other amount as the County approves in conformity with this Agreement and shall promptly submit such invoice to the County Auditor-Controller for payment. The County Auditor-Controller shall pay the amount certified within 30 days of receiving the certified invoice.

7.0 TERMINATION:

7.01 During the term of this Agreement, the County may terminate the Agreement for any reason by giving written notice of termination to the CONTRACTOR at least thirty (30) days prior to the effective date of termination. Such notice shall set forth the effective date of termination. In the event of such termination, the amount payable under this Agreement shall be reduced in proportion to the services provided prior to the date of termination.
