5.3 User registration and login to identify members uniquely to apply certain customer or customer group.

CONTRACTOR shall establish membership system to identify customers based on items

DocuSign Envelope ID: 7DE38054-9907-4467-A405-FAC3CA781330

purchased through the system (ie: tickets to specific membership events or donation items). CONTRACTOR shall program a custom discount that provides ticket discounts to members based on County specifications.

6.0 Seating Management

6.1 Graphical display of assigned seating venue

The Tix platform shall provide graphical display of reserved seating maps. Customers and County users shall be able to view the overall layout of the venue and all seats within each seating section.

6.2 County control over pricing and availability

County shall have full control over pricing and availability of all event seating on an event-by- event basis. County shall also have the ability to view assigned seating configurations, view/modifyhold status, view/modify sales, and view blocked seats.

7.0 Account Management

7.1 Unlimited number of secure, unique user accounts

The Tix platform shall support an unlimited number of secure, unique user accounts.

7.2 Account management permissions .

Each program and function in the Tix platform shall have separate user permissions. County authorized users with access to the User Management program shall be able to enable/disable access and functions on a user-by-user basis. The Tix platform shall provide user templates with user-defined permissions to allow County tocreate and assign and restrict County user permissions.

8.0 Ticket Printing

8.1 The Tix platform shall support batch ticket printing for unprinted orders, available tickets, tickets on hold, and orders set to specific delivery methods (will call, first class mail, etc.). The Tix platform shall allow printing and re-printing of ticket orders and printing and re-printing of individual tickets.

8.2 The Tix platform shall support E-Ticket printing by customers and or support tickets to be displayed on customer's mobile devices. The Tix platform shall support a wide range of thermal ticket printers including HTML and FGL printers.

9.0 Ticket Validation and Access Control

9.1 The Tix platform shall include secure, unique barcodes on all tickets generated through the system and provide TixScan, barcode scanning app to County which can be downloaded onto any smartphone to track and allow scanning, the exit, and re-entry of patrons. The Tix platform shall also support the use of wired USB barcode scanners**.**

10.0 Access to Web-based Reports

10.1 Online, real-time reporting

The Tix platform shall include an online, real-time reporting database accessible to the

DocuSign Envelope ID: 7DE38054-9907-4467-A405-FAC3CA781330

County. Reports shall include but are not limited to net sales, daily sales, sales by County user, payment details, customer-based reports, event sales lists, and seat assignments.

11.0 Refunds and Exchanges

Database County authorized users shall have the ability to search customer profiles based on last name, email address, phone number, order number, and billing address. County authorized users can reprint tickets, cancel and modify orders, to process exchanges or partial order refunds. All credit card refunds must be processed directly through County payment gateway. The Tix platform can be configured to automatically issue a refund to a customer's credit card upon order cancellation or modification if desired by County.

12.0 Customer Profile Management

12.1 Creation of user accounts

The Tix platforms shall allow customers and authorized County personnel to create user accounts that include customer name, billing address, email address, and phone number. County personnel shall have the ability to add customer notes and customer classifications accessible within specific customer-based reports. Custom data fields are not supported at this time.

13.0 Ticketing System Accessibility

13.1 Custom-branded mobile-friendly ticketing portal.

CONTRACTOR shall provide a web based online ticket sales page and Ticket Sales programs accessible through a mobile interface. The online ticket sales page shall be branded to match the branding and design of the County website.

14.0 Email Marketing

14.1 Automated email reminders, upcoming events, and marketing content based on a customer's opt-in status..

The Tix platform shall support automated pre and post event emails, reminder emails, and marketing emails based on customer opt-in status. County shall have ability to add emails to marketing campaigns or send standalone emails and have marketing performance tracked through the system. County shall have the ability to build customer email lists based on purchase history, customer classification, subscription/membership status, and geographic location.

15.0 Website Design

15.1 Ticketing portal design

CONTRACTOR will collaborate with the County to design the online ticket sales page. The County retains the right to require the CONTRACTOR to make any updates and changes to the web portal design and functionality at any time during the duration of the AGREEMENT although the basic functionality and checkout flow cannot be changed.

16.0 Convenience Fees

16.1 Convenience Fees Any such convenience fees charged to the customer shall be

DocuSign Envelope ID: 7DE38054-9907-4467-A405-FAC3CA781330

revenue fully owned and managed by the County to be used at its discretion**.**

17.0 Delivery Options

17.1 Ticket delivery options

Tix supports multiple delivery options such as First Class Mail, Will Call, Walkup, and E-Ticket/Print atHome. Additional custom delivery options can be added.

18.0 Credit Card Processing and Payment Gateways

18.1 County shall maintain an active credit card merchant account to process credit cards transactions through the Tix platform or through a payment gateway established by the County. County shall process credit cards through a payment gateway compatible with the Tix platform which interfaces with the following payment gateways:

▪ Authorize.net ▪ Bambora ▪ BluePay ▪ CashNet ▪ Converge ▪ CyberSource ▪ eProcessing Network ▪ FastTransact ▪ Forte Payment Gateway ▪ iATS ▪ iTransact	▪ Network Merchants ▪ Merchant eSolutions ▪ Merchant Partners ▪ Orbital ▪ PayConex ▪ Payeezy ▪ PayPal Business ▪ PayPal Payments Pro ▪ PayPal PayFlow Pro ▪ Paytrace ▪ PayConex (Bluefin)	▪ Payscape ▪ PlugNPay ▪ SafeSave ▪ Sage Payments ▪ SecurePay ▪ Square ▪ Stripe ▪ TouchNet ▪ Transaction Express ▪ USA ePay ▪ Worldpay

18.2 County shall have the right to approve or disapprove any and all proposed payment gateways.

If County approves a gateway not included on the list above, CONTRACTOR must verify the chosen gateway is compatible with the Tix platform and build a new integration to ensure functionality.

18.3 All proposed payment gateways must meet Government Code Section 53635.2 and must be a FDIC Insured Financial Institution.

19.0 Business and Technical Support

19.1 Business and technical/emergency support hours

CONTRACTOR shall be available during regular business hours 8:00am – 6:00pm Pacific Standard Time Monday-Friday for customer and technical support. Off-hours technical support shall be available outside of regular business hours, every day throughout the year.

19.2 Technical and emergency support

Contractor shall have staff available to provide technical support available 24 hours per day throughout the year via phone and email. All proposed hardware shall be supported, and

DocuSign Envelope ID: 7DE38054-9907-4467-A405-FAC3CA781330

warrantied by CONTRACTOR.

20.0 System Availability and Reliability Guarantee

CONTRACTOR guarantees 99.9% system uptime. The County shall document cases of system downtime and allow CONTRACTOR to remedy the cases of system failure. County will allow the CONTRACTOR to remedy the cases of system failure, County reserves the right to terminate the Agreement for cause as where the 99.9% system uptime guarantee was not upheld.

21.0 Customer privacy

CONTRACTOR and COUNTY acknowledge the obligation to protect customers' right to privacy. Except pursuant to court order or otherwise required under judicial or regulatory proceedings, neither CONTRACTOR or COUNTY shall disclose any personally identifiable customer information to any third party

22.0 Payment Card Industry (PCI) compliance

CONTRACTOR shall maintain PCI compliance and provide certificates to County.

B. PAYMENT PROVISIONS

1.0 COMPENSATION/PAYMENT

1.1 All fees that COUNTY shall be obligated to pay to CONTRACTOR in consideration for COUNTY'S use of the Tix System pursuant to this Agreement shall be as set forth in Exhibit A.

1.2 County has sole discretion to add all, some or none of the fees specified in Exhibit Bto the price or fees charged to customers for the associated Ticket or Other Item.

1.3 CONTRACTOR shall provide County with a detailed invoice for services each week in which ticket sales occurred. County agrees to pay CONTRACTOR within 30 days from receipt of approved invoice by the Auditor-Controller's office. County does not horror late fees.

1.4 County and CONTRACTOR agree that the CONTRACTOR fees specified in Exhibit A apply regardless of whether the orders for Tickets and Other Items are subsequently cancelled and/or refunded.

1.5 In the event that any sales, use or other taxes are assessed upon the sale of Event Tickets and/or Other Items, the COUNTY shall be responsible to pay any such taxes, if applicable, directly to the appropriate taxing authorities, and shall hold CONTRACTOR harmless from and against such taxes.

County shall pay an amount not to exceed **$140,000**, for the performance of all things necessary for or incidental to the performance of work as set forth in the Scope of Services. CONTRACTOR's compensation for services rendered shall be based according to Exhibit A.

DocuSign Envelope ID: 7DE38054-9907-4467-A405-FAC3CA781330

EXHIBIT A - SCOPE OF SERVICES/PAYMENT PROVISIONS

CONTRACTOR warrants that the cost charged for services under the terms of this Agreement are not in excess of those charged to any other client for the same services performed by the same individuals.

2.0 CONTRACTOR'S BILLING PROCEDURES

Invoices under this Agreement shall be submitted monthly and promptly, and in accordance with Paragraph 6, "Payment Conditions", of the Agreement. All invoices shall reference the Multiyear Agreement (MYA) number, services (*Web Based Ticketing Services (RFP #10794)*), and associated Delivery Order number, and an original hardcopy shall be sent to the following address or via email to PWFP-Finance-AP@co.monterey.ca.us:

County of Monterey
Department of Public Works, Facilities, & Parks (PWFP) – Finance Division
1441 Schilling Place, South 2nd Floor
Salinas, California 93901-4527

Any questions pertaining to invoices under this Agreement shall be directed to PWFP Finance Division at (831) 755-4800 or via email to: PWFP-Finance-AP@co.monterey.ca.us

County may, in its sole discretion, terminate the Agreement or withhold payments claimed by CONTRACTOR for services rendered if CONTRACTOR fails to satisfactorily comply with any term or condition of this Agreement.

No payments in advance or in anticipation of services or supplies to be provided under this Agreement shall be made by County.

County shall not pay any claims for payment for services submitted more than twelve (12) months after the calendar month in which the services were completed.

DocuSign Envelope ID: 7DE38054-9907-4467-A405-FAC3CA781330

EXHIBIT A - SCOPE OF SERVICES/PAYMENT PROVISIONS

Per Ticket Fees

Tix utilizes a per-ticket fee model for pricing. Our fees are as follows:

Tix Per-Ticket Fees Type	Online[1]	Tix Call Center[2]	Box Office[3]
Ticket – Priced at $0.00 (free/complimentary)	$1.00	$3.50	$0.00
Ticket – Priced from $0.01 to $9.99	$1.00	$3.50	$0.25
Ticket – Priced $10.00 and up	$1.50	$3.50	$0.25
Other Item[4] – Priced at $0.00 (free/complimentary)	$1.00	$3.50	$0.00
Other Item[4] – priced from $0.01 to $9.99	$1.00	$3.50	$0.25
Other Item[4] – Priced $10.00 and up	$1.50	$3.50	$0.25
Tix Ticket Printing and Mailing[5] – Fee Per Order	$3.00	$3.00	$3.00

[1]**Online –** Applies to orders entered into the Tix System by the Customer (web site orders).

[2]**Tix Call Center –** Applies to orders entered into the Tix System by the Tix Call Center. Use of the Tix Call Center is optional and only available upon request by the Client.

[3]**Box Office –** Applies to orders that are entered into the Tix System by the Client (phone, mail, walkup sales).

[4]**Other Item –** Applies to the sale of items other than Tickets that are sold through the Tix system. This may include Donations, Memberships, Merchandise, etc.

[5]**Tix Ticket Printing and Mailing –** Applies to orders in which Tix is printing and mailing Tickets to Customers via First Class mail. This fee only applies once per order and not per Ticket. The use of Tix printing and mailing services are optional and only available upon request by the Client.

Credit Card Processing Fees

Tix does not charge credit card processing fees to organizations using their own merchant account; all credit card processing fees, including merchant and gateway fees, are paid to their merchant account and gateway providers directly.

Tix charges an additional 5% of the ticket price for credit card sales when using the Tix merchant account for credit card processing.

C. IMPLEMENTATION

Implementation Plan

A typical implementation can be completed in 2 to 4 weeks, although whenever possible our goal is to meet or exceed our client's timeline. The actual implementation schedule may vary due to project environment and requirements. The following is a standard project implementation timeline:

	Activity	Start Date	Target Completion Date	Activity Owner	Comments
1.0	**Planning**				
1.1	Schedule introductory meeting between County personnel and Tix implementation team	Upon contract award	One week from contract award	Tix	
1.2	Give system overview/walkthrough to County project personnel.		One week from contract award	Tix	
1.3	Finalize required hardware		One week from contract award	County	
1.4	Finalize default user permissions for system administrator		One week from contract award	County	
1.5	Finalize the list of seating charts that will need to be programmed		One week from contract award	County	Additional charts will be programmed as needed.
1.6	System "go-live" date is agreed upon		One week from contract award	Tix/ County	
2.0	**Implementation**				
2.1	Create Tix account for County		No later than 2 weeks from contract award	Tix	
2.2	Create box office user accounts for all County administrators		No later than 2 weeks from contract award	Tix	Start date is contingent on Tix getting a list of all user accounts that need to be created.
2.3	Create customer-facing ticket sales page for County		No later than 2 weeks from contract award	Tix	County will be provided with a customer-facing ticket sales page that is designed to incorporate County's site look and feel.
2.4	Create ticket formats for box office ticket printing		No later than 2 weeks from contract award	Tix	

DocuSign Envelope ID: 7DE38054-9907-4467-A405-FAC3CA781330

EXHIBIT A - SCOPE OF SERVICES/PAYMENT PROVISIONS

2.5	Program reserved seating charts for each venue with reserved seating		No later than 2 weeks from contract award	Tix	
2.6	Configure payment processing		No later than 2 weeks from contract award	Tix	
2.7	Required hardware is procured		No later than 2 weeks from contract award	Tix	Completion date may change depending on hardware availability from manufacturers.
3.0	**User Training**				
3.1	Schedule "train the trainer" session for primary point of contact(s) at County.		No later than 2 weeks from contract award	Tix	
3.2	System training		No later than 3 weeks from contract award	Tix/ County	Training to be done via webex meeting.
4.0	**Hardware Configuration**				
4.1	Box office hardware is installed	TBD	TBD	County	Completion date will depend on hardware availability from manufacturers.
4.2	Box office hardware is tested	TBD	TBD	Tix/ County	Completion date will depend on hardware availability from manufacturers.
5.0	**System Launch**				
5.1	Online ticket purchasing is tested	TBD	TBD upon contract award	Tix/ County	This can be done in a password-protected environment
5.2	Online ticket purchasing goes live	TBD	TBD upon contract award	Tix/ County	
5.3	Box office ticket sales goes live	TBD	TBD upon contract award	Tix/ County

EXHIBIT B – INCORPORATION OF RFP #10749, ADDENDUMS NO. 1 AND NO. 2 TO RFP #10749 AND PROPOSAL DOCUMENTS

The County invited submittals to Request for Proposals (RFP) through RFP #10749, to provide web-based ticketing system for Weather Tech Laguna Seca Raceway in Monterey County, California. Tix, Inc., a California Corporation submitted a responsive and responsible proposal to perform the services listed in RFQ #10749. County selected Tix, Inc., a California Corporation to provide web-based ticketing system for Weather Tech Laguna Seca Raceway.

RFP #10749, including Addendums No. 1 and No. 2 to RFP #10749,, and the proposal submitted by Tix, Inc., a California Corporation is hereby incorporated into this Agreement by this reference.

DocuSign Envelope ID: 7DE38054-9907-4467-A405-FAC3CA781330

16.17 Disclaimers, Limitations

16.17.1 To the maximum extent allowed by law, and except as expressly stated herein, CONTRACTOR waives and disclaims all warranties, whether oral or written, express or implied, or arising out of usage of trade or course of dealing, including without limitation the warranties of merchantability, fitness for a particular purpose, and non-infringement. County acknowledges that use of the Tix system may not be uninterrupted or error free. The remedies set forth herein will be the sole and exclusive remedies of County.

16.17.2 In no event shall CONTRACTOR or County, or their affiliates have any liability to the other or their affiliates or any third party, for any incidental, consequential, special or punitive damages, including without limitation, damages for loss of profits or use, business interruption, or loss of good- will, irrespective of whether CONTRACTOR or County has advance notice of the possibility of such damages.

16.18 Intellectual Property

16.18.1 COUNTY hereby acknowledges and agrees that all content. methodology, concepts, software, technology, systems and procedures comprising or incorporated in the Tix System are the sole and exclusive property of CONTRACTOR and are protected by applicable law, including copyright, trademark, patent, trade secret, industrial design, and other proprietary rights law. COUNTY may not copy reproduce, modify, distribute, reverse engineer, or use for its own account except as expressly authorizedby this Agreement, the Tix System, or allow others, including but not limited to County's employees, partners, subsidiaries, and/or consultants to do so.

16.19 Force Majeure

16.19.1 COUNTY and CONTRACTOR shall be relieved of their obligation to the other if unable to perform the terms and conditions of this Agreement by virtue of governmental regulations or order, or by strike or war (declared or undeclared), pandemic or other health emergency, or other calamity such as fire, earthquake, hurricane, flooding, or similar acts of God, or because of other similar or dissimilar cause or causes beyond their control.

16.19.2 CONTRACTOR acknowledges notice that County may terminate this Agreement at any time if the Laguna Seca Recreation Area and facilities are required by County's grantor of the property hereunder, the United States of America, for the national defense.

AMENDMENT NO. 1
TO STANDARD AGREEMENT
BETWEEN
COUNTY OF MONTEREY
AND
TIX, INC.

THIS AMENDMENT NO. 1 (Amendment) is made to the Standard Agreement between the County of Monterey, a political subdivision of the State of California ("County") and Tix, Inc. (hereinafter, "Contractor") (collectively, the "Parties") and effective as of the last date opposite the respective signatures below.

WHEREAS, the Parties entered into a **Standard Agreement** on February 14, 2022 (the "Agreement") to allow Contractor to provide web based ticket system for WeatherTech® Raceway at Laguna Seca (the "Services"); and

WHEREAS, the Parties wish to amend the Agreement to extend the Agreement Term and increase the not to exceed sum; and

NOW, THEREFORE, the Parties agree to amend the Agreement as follows:

1. Section 2.0, "Payment Provisions" is deleted in its entirety and replaced with:
"County shall pay the Contractor in accordance with the payment provisions set for in Exhibit A, subject to the limitations set forth in this Agreement. The total amount payable by County to Contractor under this Agreement shall not exceed the sum of $225,000."

2. Section 3.0 "Term of Agreement, subsection 3.01" is deleted in its entirety and replaced with:
"The term of this Agreement is from January 1, 2022 to December 31, 2024, unless sooner terminated pursuant to the terms of this Agreement. This Agreement is of no force or effect until signed by both Contractor and County with the County signing last, and Contractor may not commence work before County signs this Agreement."

3. Except as provided herein, all remaining terms, conditions and provisions of the Agreement are unchanged and unaffected by this Amendment No. 1 and shall continue in full force and effect as set forth in the Agreement.

4. This Amendment No. 1 shall be attached to the Agreement and incorporated therein as if fully set forth in the Agreement.

INTENTIONALLY LEFT BLANK

Note: Amounts have been rounded to the nearest dollar

Introduced: 12/18/2023 **Current Status:** Passed

Version: 1 **Matter Type:** BoS Agreement

a. Approve Amendment No. 1 to Standard Agreement No. A-15190, Multi-Year Agreement #3200*5629, with SCA of CA, LLC to provide National Pollutant Discharge Elimination System (NPDES), on-call and emergency street sweeping services, Request for Proposals #10784; extend the expiration date for one additional year through March 31, 2025, for a revised term of April 1, 2021 to March 31, 2025, with the option to extend the term for one additional 1-year period, and increase the not to exceed maximum by $184,414 to a total amount of $569,514; and
b. Authorize the Contracts & Purchasing Officer or their designee to execute Amendment No. 1 to Standard Agreement No. A-15190 and future amendments to the Agreement where the amendments do not significantly alter the scope of work or increase the approved Agreement amount.

RECOMMENDATION:

It is recommended that the Board of Supervisors:
a. Approve Amendment No. 1 to Standard Agreement No. A-15190, Multi-Year Agreement #3200*5629, with SCA of CA, LLC to provide National Pollutant Discharge Elimination System (NPDES), on-call and emergency street sweeping services, Request for Proposals #10784; extend the expiration date for one additional year through March 31, 2025, for a revised term of April 1, 2021 to March 31, 2025, with the option to extend the term for one additional 1-year period, and increase the not to exceed maximum by $184,414 to a total amount of $569,514; and
b. Authorize the Contracts & Purchasing Officer or their designee to execute Amendment No. 1 to Standard Agreement No. A-15190 and future amendments to the Agreement where the amendments do not significantly alter the scope of work or increase the approved Agreement amount.

SUMMARY:

The recommended actions would allow for the approval of Amendment No. 1 (Attachment A) to Standard Agreement (SA) No. A-15190 with SCA of CA, LLC (SCA) in the amount of $184,414 to provide services for street sweeping of public roads and streets within the unincorporated areas of the County of Monterey and are a part of the State-mandated National Pollutant Discharge Elimination System (NPDES) Stormwater Phase II Municipal General Permit which requires the roads and streets to be swept twice a year. Included in the $184,414 amount is $16,765 as a contingency for on-call and emergency sweeping services as needed.

DISCUSSION:

In April 2021, SCA (formerly Contract Sweeping Services, LLC) was selected as the most qualified bidder, for their expertise and capabilities necessary to provide NPDES, on-call and emergency street sweeping services solicited under a competitive selection process in accordance with County policies and State laws as set forth under RFP #10784.

PWFP has identified a need to extend the term and increase the amount of the SA to continue to provide required State-mandated NPDES Stormwater Permit, on-call and emergency street sweeping services for the public roads and streets within the unincorporated areas of Monterey County. PWFP staff recommends that the County of Monterey Board of Supervisors approve the proposed Amendment No. 1 (Attachment A) to the SA with SCA to continue to allow for required scheduled street sweeping services. Amendment No. 1 will extend the expiration date for one additional year through March 31, 2025, for a revised term of April 1, 2021 to March 31, 2025, with the option to extend the term for one additional 1-year period and increase the not to exceed amount of $385,100 by $184,414 for a total amount not to exceed $569,514.

Attachments B, C and D, provided for reference, respectively include an Assignment and Assumption of Contract to SA No. A-15190, the SA, and a summary of the SA and its annual expenditures and balance to date.

OTHER AGENCY INVOLVEMENT:
The Office of the County Counsel and the Auditor-Controller's Office have reviewed and approved Amendment No. 1 as to form, and fiscal provisions, respectively.

FINANCING:
Costs associated with Amendment No. 1 are anticipated to be incurred over the next two (2) fiscal years (FY) 2023-24 and FY 2024-25, through March 31, 2025. The annual cost for NPDES is $66,119.25. The Adopted Budget for FY 2023-24 includes sufficient appropriations in the Road Fund 002, Appropriation Unit PFP004, to cover costs related to Amendment No. 1. The amount required for FY 2024-25 will be included in that FY's Recommended Budget.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
The recommended action supports the Board of Supervisors' Strategic Initiatives for Health & Human Services and Infrastructure. The NPDES Stormwater Permit requires the County to sweep roads within designated urbanized areas twice annually, once in the Spring and once in the Fall, and is intended to reduce pollution entering storm drain systems.

Matter Type: BoS Agreement

a. Approve Amendment No. 1 to Standard Agreement No. A-15190, Multi-Year Agreement #3200*5629, with SCA of CA, LLC to provide National Pollutant Discharge Elimination System (NPDES), on-call and emergency street sweeping services, Request for Proposals #10784; extend the expiration date for one additional year through March 31, 2025, for a revised term of April 1, 2021 to March 31, 2025, with the option to extend the term for one additional 1-year period, and increase the not to exceed maximum by $184,414 to a total amount of $569,514; and
b. Authorize the Contracts & Purchasing Officer or their designee to execute Amendment No. 1 to Standard Agreement No. A-15190 and future amendments to the Agreement where the amendments do not significantly alter the scope of work or increase the approved Agreement amount.

RECOMMENDATION:
It is recommended that the Board of Supervisors:
a. Approve Amendment No. 1 to Standard Agreement No. A-15190, Multi-Year Agreement #3200*5629, with SCA of CA, LLC to provide National Pollutant Discharge Elimination System (NPDES), on-call and emergency street sweeping services, Request for Proposals #10784; extend the expiration date for one additional year through March 31, 2025, for a revised term of April 1, 2021 to March 31, 2025, with the option to extend the term for one additional 1-year period, and increase the not to exceed maximum by $184,414 to a total amount of $569,514; and
b. Authorize the Contracts & Purchasing Officer or their designee to execute Amendment No. 1 to Standard Agreement No. A-15190 and future amendments to the Agreement where the amendments do not significantly alter the scope of work or increase the approved Agreement amount.

SUMMARY:
The recommended actions would allow for the approval of Amendment No. 1 (Attachment A) to Standard Agreement (SA) No. A-15190 with SCA of CA, LLC (SCA) in the amount of $184,414 to provide services for street sweeping of public roads and streets within the unincorporated areas of the County of Monterey and are a part of the State-mandated National Pollutant Discharge Elimination System (NPDES) Stormwater Phase II Municipal General Permit which requires the roads and streets to be swept twice a year. Included in the $184,414 amount is $16,765 as a contingency for on-call and emergency sweeping services as needed.

DISCUSSION:
In April 2021, SCA (formerly Contract Sweeping Services, LLC) was selected as the most qualified bidder, for their expertise and capabilities necessary to provide NPDES, on-call and

emergency street sweeping services solicited under a competitive selection process in accordance with County policies and State laws as set forth under RFP #10784.

PWFP has identified a need to extend the term and increase the amount of the SA to continue to provide required State-mandated NPDES Stormwater Permit, on-call and emergency street sweeping services for the public roads and streets within the unincorporated areas of Monterey County. PWFP staff recommends that the County of Monterey Board of Supervisors approve the proposed Amendment No. 1 (Attachment A) to the SA with SCA to continue to allow for required scheduled street sweeping services. Amendment No. 1 will extend the expiration date for one additional year through March 31, 2025, for a revised term of April 1, 2021 to March 31, 2025, with the option to extend the term for one additional 1-year period and increase the not to exceed amount of $385,100 by $184,414 for a total amount not to exceed $569,514.

Attachments B, C and D, provided for reference, respectively include an Assignment and Assumption of Contract to SA No. A-15190, the SA, and a summary of the SA and its annual expenditures and balance to date.

OTHER AGENCY INVOLVEMENT:
The Office of the County Counsel and the Auditor-Controller's Office have reviewed and approved Amendment No. 1 as to form, and fiscal provisions, respectively.

FINANCING:
Costs associated with Amendment No. 1 are anticipated to be incurred over the next two (2) fiscal years (FY) 2023-24 and FY 2024-25, through March 31, 2025. The annual cost for NPDES is $66,119.25. The Adopted Budget for FY 2023-24 includes sufficient appropriations in the Road Fund 002, Appropriation Unit PFP004, to cover costs related to Amendment No. 1. The amount required for FY 2024-25 will be included in that FY's Recommended Budget.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
The recommended action supports the Board of Supervisors' Strategic Initiatives for Health & Human Services and Infrastructure. The NPDES Stormwater Permit requires the County to sweep roads within designated urbanized areas twice annually, once in the Spring and once in the Fall, and is intended to reduce pollution entering storm drain systems.

AMENDMENT NO. 1
TO STANDARD AGREEMENT
BETWEEN COUNTY OF MONTEREY AND
SCA OF CA, LLC

THIS AMENDMENT NO. 1 to Standard Agreement No. A-15190 between the County of Monterey, a political subdivision of the State of California (hereinafter, "County") and SCA of CA, LLC (hereinafter, "CONTRACTOR") is hereby entered into between the County and the CONTRACTOR (collectively, the "Parties") and effective as of the last date opposite the respective signatures below.

WHEREAS, CONTRACTOR entered into Standard Agreement No. A-15190 with County on April 21, 2021 (hereinafter, "Agreement") to provide street sweeping services (hereinafter, "services") as outlined in Request for Proposals (RFP) #10784 through March 31, 2024 for an amount not to exceed $385,100.16; and

WHEREAS, on February 23, 2022, Contract Sweeping Services, LLC and CONTRACTOR entered into an "Asset Purchase and Sale Agreement" which assigned Contract Sweeping Services, LLC's rights, title and interest in the April 1, 2021 Agreement between Contract Sweeping Services, LLC and County to CONTRACTOR; and

WHEREAS, on May 23, 2022 an "Assignment and Assumption of Contract" with an effective date retroactive to February 23, 2022 was executed by Contract Sweeping Services, LLC and CONTRACTOR to authorize the assignment of the April 1, 2021 Agreement from Contract Sweeping Services, LLC to CONTRACTOR pursuant to Section 15.06, Assignment and Subcontracting, of said April 1, 2021 Agreement; and

WHEREAS, provisions of the Agreement require an update; and

WHEREAS, the County has a continued need for services; and

WHEREAS, the Parties negotiated a new Pricing Schedule effective April 1, 2021 through the end of the initial term of the Agreement, requiring revision to the CONTRACTOR's National Pollutant Discharge Elimination System (NPDES) Street Sweeping Pricing Schedule table in paragraph B.1 of Section B, Payment Provisions within Exhibit A – Scope of Services/Payment Provisions of the Agreement; and

WHEREAS, the CONTRACTOR's NPDES Street Sweeping Pricing Schedule table in paragraph B.1 of Section B, Payment Provisions within Exhibit A – Scope of Services/Payment Provisions of the Agreement requires an update retroactive and effective April 1, 2021, in accordance with "Exhibit A-1 - Revised NPDES Street Sweeping Pricing Schedule", which is attached and incorporated by this reference; and

WHEREAS, the Parties agree that the Revised NPDES Street Sweeping Pricing Schedule in Exhibit A-1 of the Agreement remains valid through March 31, 2025; and

DocuSign Envelope ID: 340F9C53-FF5E-405A-99AA-583753694346

WHEREAS, additional time and funding are necessary to allow CONTRACTOR to continue to provide the services required by the County; and

WHEREAS, the Parties wish to amend the Agreement to update provisions, to update the NPDES Street Sweeping Pricing Schedule retroactive and effective April 1, 2021, to extend the term for one (1) additional year to March 31, 2025, and to increase the amount by $184,413.59 for a total amount not to exceed $569,513.75 to allow CONTRACTOR to continue to provide services identified in the Agreement and as amended by this Amendment No. 1.

NOW, THEREFORE, the Parties agree to amend the Agreement as follows:

1. Amend Paragraph 2.0, "Payment Provisions", to read as follows:

   County shall pay the CONTRACTOR in accordance with the payment provisions set forth in **Exhibits A and A-1**, subject to the limitations set forth in this Agreement. The total amount payable by County to CONTRACTOR under this Agreement shall not exceed the sum of $569,513.75.

2. Amend the first sentence of Section 3.01 of Paragraph 3.0, "Term of Agreement", to read as follows:

   The term of this Agreement is from April 1, 2021 to March 31, 2025, unless sooner terminated pursuant to the terms of this Agreement.

3. Amend Paragraph 4.0, "Scope of Services and Additional Provisions", to add "Exhibit A-1, Revised NPDES Street Sweeping Pricing Schedule", retroactive and effective April 1, 2021.

4. Amend Section 11.01 of Paragraph 11.0, "Non-Discrimination", to read as follows:

   During the performance of this Agreement, CONTRACTOR, and its subcontractors, shall not unlawfully discriminate against any person because of race, religious creed, color, sex, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age (over 40), sexual orientation, or any other characteristic set forth in California Government code §12940(a), either in CONTRACTOR's employment practices or in the furnishing of services to recipients. CONTRACTOR shall ensure that the evaluation and treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. CONTRACTOR and any subcontractor shall, in the performance of this Agreement, fully comply with all federal, state, and local laws and regulations which prohibit discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be prohibited discrimination.

5. Amend Paragraph 14.0, "Notices", to read as follows:

   Notices required under this Agreement shall be delivered personally or by first-class, postage pre-paid mail to the County and CONTRACTOR's contract administrators at the address listed below:

DocuSign Envelope ID: 340F9C53-FF5E-405A-99AA-583753694346

FOR COUNTY:	FOR CONTRACTOR:
Michael P. Trapani	Erin Boyts Quinn
Associate Water Resources Hydrologist	Secretary, Vice President
1441 Schilling Place, South 2nd Floor	4141 Rockside Road, Suite 100
Salinas, California 93901-4527	Cleveland, Ohio 44131
(831) 784-5983	(216) 777-2750

6. Amend Agreement to revise Paragraph 16.0, "Signature Page", to Paragraph 18.0, "Signature Page".

7. Amend Agreement to add Paragraph 16.0, "Compliance with Applicable Laws", as follows:

16.01 CONTRACTOR shall keep itself informed of and in compliance with all federal, state and local laws, ordinances, regulations, and orders including but not limited to all state and federal tax laws that may affect in any manner the Project or the performance of the Services or those engaged to perform Services under this Agreement as well as any privacy laws including, if applicable, Health Insurance Portability and Accountability Act (HIPAA). CONTRACTOR shall procure all permits and licenses, pay all charges and fees, and give all notices required by law in the performance of the Services.

16.02 CONTRACTOR shall report immediately to County's Contracts/Purchasing Officer, in writing, any discrepancy or inconsistency it discovers in the laws, ordinances, regulations, orders, and/or guidelines in relation to the Project of the performance of the Services.

16.03 All documentation prepared by CONTRACTOR shall provide for a completed project that conforms to all applicable codes, rules, regulations, and guidelines that are in force at the time such documentation is prepared.

8. Amend Agreement to add Paragraph 17.0, "Consent to Use of Electronic Signatures", as follows:

17.01 The parties to this Agreement consent to the use of electronic signatures via DocuSign to execute this Agreement. The parties understand and agree that the legality of electronic signatures is governed by state and federal law, 15 U.S.C. Section 7001 et seq.; California Government Code Section 16.5; and, California Civil Code Section 1633.1 *et seq.* Pursuant to said state and federal law as may be amended from time to time, the parties to this Agreement hereby authenticate and execute this Agreement, and any and all Exhibits to this Agreement, with their respective electronic signatures, including any and all scanned signatures in portable document format (PDF).

17.02 Counterparts. The parties to this Agreement understand and agree that this Agreement can be executed in two (2) or more counterparts and transmitted electronically via facsimile transmission or by delivery of a scanned counterpart in PDF via email transmittal.

DocuSign Envelope ID: 340F9C53-FF5E-405A-99AA-583753694346

17.03 Form: Delivery by E-Mail or Facsimile. Executed counterparts of this Agreement may be delivered by facsimile transmission or by delivery of a scanned counterpart in PDF by e-mail transmittal, in either case with delivery confirmed. On such confirmed delivery, the signatures in the facsimile or PDF data file shall be deemed to have the same force and effect as if the manually signed counterpart or counterparts had been delivered to the other party in person.

9. Amend the second paragraph of paragraph A.2.a. of Exhibit A – Scope of Services/Payment Provisions of Agreement, to read as follows:

Reports shall be submitted electronically and in Portable Document Format (PDF) on the first week of each month to:

County of Monterey
Department of Public Works, Facilities and Parks
Michael P. Trapani, Associate Water Resources Hydrologist
Email: trapanimp@co.monterey.ca.us
Phone: (831) 784-5983

Failure to provide reports may result in deduction and forfeit of One Hundred Dollars ($100.00) from payments due to CONTRACTOR for every day of the month the report is not received.

10. In all places within the Agreement, any reference to Public Works, Facilities, & Parks or Public Works, Parks, & Facilities is hereby replaced with Department of Public Works, Facilities and Parks.

11. In all places within the Agreement, any reference to County's email address of RMA-Finance-AP@co.monterey.ca.us for invoicing, is hereby replaced with PWFP-Finance-AP@co.monterey.ca.us.

12. In all places within the Agreement, any reference to the Agreement's Multi-Year Agreement (MYA) number is deemed to be MYA 3200*5629.

13. In all places within the Agreement, any reference to Public Works, Facilities, & Parks or Public Works, Parks, & Facilities is hereby replaced with Department of Public Works, Facilities and Parks.

14. All other terms and conditions of the Agreement, including all Exhibits thereto, remain unchanged and in full force.

15. This Amendment No. 1 shall be attached to the Agreement and incorporated therein as if fully set forth in the Agreement.

16. The recitals to this Amendment No. 1 are incorporated into the Agreement and this Amendment No. 1.

DocuSign Envelope ID: 340F9C53-FF5E-405A-99AA-583753694346

IN WITNESS WHEREOF, the Parties hereto have executed this Amendment No. 1 to the Agreement which shall be effective as of the last date opposite the respective signatures below.

ASSIGNMENT AND ASSUMPTION OF CONTRACT

THIS ASSIGNMENT AND ASSUMPTION OF CONTRACT **("Assignment')** is entered into and effective retroactively as of February 23, 2022, by and between Contract Sweeping Services, LLC (dba Sweeping Corporation of America), a California limited liability company **("Assignor")**, and SCA of CA, LLC, a Delaware limited liability company **("Assignee")**.

Recitals

A. Assignor is the Contractor under that certain Standard Agreement to Provide National Pollutant Discharge Elimination System (NPDES) On-Call and Emergency Street Sweeping Services for Public Roads and Streets within the Unincorporated Areas of Monterey County, Request for Proposals #10784, dated April 1, 2021, (the **"Service Contract'**), by and between Assignor, as Contractor, and the County of Monterey ("County"), which Service Contract engages Assignor to provide NPDES on-call and emergency street sweeping services for the period April 1, 2021to March 31, 2024.

B. Assignee (as Buyer) and Assignor (as Seller) have entered into that certain Asset Purchase and Sale Agreement, dated as of February 23, 2022, (the **"Purchase Agreement'**) pursuant to which Assignor is selling and assigning, and Assignee is purchasing, certain assets of Assignor, including all right, title and interest of Assignor under the Service Contract.

C. Pursuant to Paragraph 15.06, Assignment and Subcontracting, of the Service Contract, Assignor is required to give notification to the County and request County's prior written consent in the event that Assignor desires to assign the Service Contract.

D. Subject to the terms and conditions set forth herein, Assignor desires to assign to Assignee all of Assignor's rights, duties, obligations and interest in and to the Service Contract and Assignee desires to accept and assume such rights, duties, obligations and interest from Assignor.

Agreement

NOW, THEREFORE, in consideration of the foregoing recitals, and the covenants, agreements and indemnities set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. Assignment. Assignor hereby assigns to Assignee all of its rights, duties, obligations, title and interest in and to the Service Contract, effective as of the Closing Date as defined in the Purchase Agreement (the **"Closing Date"**). Assignor shall notify the County of the actual Closing Date under the Purchase Agreement promptly after it is determined.

2. Acceptance and Assumption of Assignment. By the execution hereof, Assignee, hereby accepts and assumes, from and after the Closing Date, all of Assignor's rights, duties, obligations and interest in, to and under the Service Contract and shall perform and be bound by

DocuSign Envelope ID: B67E66D3-E31C-4A88-914D-A2A784877A9F

all of the terms, covenants and conditions of Assignor under the Service Contract, to the same extent as though Assignee was the original signatory under the Service Contract.

3. Representation and Warranties of Assignor. Assignor warrants and represents that as of the Closing Date:

a. There are no assignments of or agreements to assign the Service Contract to any other party; and

b. The Service Contract is in full force and effect and there exists no defaults on the part of Assignor or the County thereunder.

4. Indemnification. Assignee does hereby agree to indemnify, defend and hold harmless Assignor and its directors, shareholders, officers and employees and each of their respective successors and assigns from and against any claims, damages, losses, costs, expenses or other liabilities based upon or arising out of any breach or alleged breach of the Service Contract or out of any other events or incidents connected with the Service Contract occurring or alleged to have occurred from and after the Closing Date. Assignor does hereby agree to indemnify, defend and hold harmless Assignee and its directors, shareholders, officers and employees and each of their respective successors and assigns from and against any claims, damages, losses, costs, expenses or other liabilities, based upon or arising out of any breach or alleged breach of the Service Contract or out of any events or incidents connected with the Service Contract occurring or alleged to have occurred prior to the Closing Date.

5. Notice. All notices, requests, demands, consents, and other communications which are required or may be given under this Assignment (collectively, the **"Notices"**) shall be in writing and shall be given either (a) by personal delivery with a receipted copy of such delivery; (b) by certified or registered United States mail, return receipt requested, postage prepaid; or (c) by an overnight nationally recognized courier, to the addresses set below each Party's signature to this Assignment or to such other address of which written notice in accordance with this Section 5 shall have been provided to the other Party hereto. Notices may only be given in the manner hereinabove described in this Section 5 and shall be deemed received upon receipt or refusal thereof if by personal delivery; three (3) days after deposit in the US mail, or the next business day after deposit with a nationally recognized overnight courier.

6. Authority. Each party hereto represents and warrants that: (a) he or she has full right, power and capacity to execute and deliver this Assignment and by his or her signature shall create a valid and binding obligation of the entity for which such party is signing, enforceable in accordance with its terms; and (b) his or her execution and delivery of this Assignment and the performance of its obligations hereunder will not result in any default under any other agreement, instrument or obligation to which it is a party. Each person executing this Assignment on behalf of a party that is an entity hereunder represents and warrants that he or she is duly authorized to execute and deliver this Assignment on behalf of such party in accordance with the articles or certificate of incorporation or formation, bylaws, limited liability company agreement, partnership agreement or other governing document of such party.

DocuSign Envelope ID: B67E66D3-E31C-4A88-914D-A2A784877A9F

7. Integration Clause; Severability; No Amendment. This Assignment, including the Exhibits attached hereto, sets forth all the agreements between the parties hereto with respect to the subject matter hereof, and there are no other agreements either oral or written other than as set forth in this Assignment. If any term or provision of this Assignment, or the application thereof, shall be invalid or unenforceable, such provision shall be deemed severed from this Assignment and the remainder of this Assignment, shall not be affected thereby, and each term and provision of this Assignment shall be valid and be enforced to the fullest extent permitted by law. This Assignment may only be modified, or a term thereof waived, by a writing signed by an authorized officer of the parties hereto expressly setting forth such modification or waiver.

8. No Waiver. Any failure by either party hereto to comply with any obligation, agreement, covenant, or condition set forth in this Assignment may be expressly waived in writing by the other party hereto. However, any waiver, or failure to insist upon strict compliance with any obligation, agreement, covenant, or condition, shall not operate as a continuing waiver thereof.

9. Governing Law: Consent to Jurisdiction; Enforcement. This Assignment shall be construed and interpreted, and all disputes, claims, and questions arising hereunder shall be determined, in accordance with the laws of the State of California. The parties hereto agree that any legal action or proceeding brought by either party hereto and arising from or in connection with this Assignment or any breach hereunder shall be brought in the California Superior Court for the County of Monterey. In the event that any action is initiated to interpret or enforce any of the terms of this Assignment or to enforce any judgment, the prevailing party shall be entitled to receive from the other party, in addition to damages and injunctive or other relief, reasonable attorney's fees, costs, and expenses incurred in connection therewith.

10. Binding Effect. This Assignment shall be binding on and inure to the benefit of the parties hereto and their respective successors in interest and assigns, except as provided in this Assignment.

11. Time. Time is of the essence of this Assignment and each and every provision hereof. Any extension of time granted for the performance of any duty under this Assignment shall not be considered an extension of time for the performance of any other duty under this Assignment.

12. Counterparts. This Assignment may be executed in any number of counterparts, all such counterparts shall be deemed to constitute one and the same instrument, and each of such counterparts shall be deemed an original hereof.

13. No Party Deemed Drafter. All parties to this Assignment have been represented by legal counsel in the negotiation and preparation of this Assignment. Accordingly, this Assignment has been drafted on the basis of the parties' mutual contributions of language and the Assignment is not to be construed against any party as being the drafter of this Assignment.

14. Exhibits. Any exhibit attached hereto shall be deemed to have been incorporated herein by reference, with the same force and effect as if fully set forth in the body hereof.

DocuSign Envelope ID: B67E66D3-E31C-4A88-914D-A2A784877A9F

IN WITNESS WHEREOF, the parties hereto have executed this Assignment to be effective as of the Closing Date.

Board Order

A motion was made by Supervisor Mary L. Adams, seconded by Supervisor Luis A. Alejo to:

Agreement No.: A-15190
a. Approve Standard Agreement with Contract Sweeping Services, LLC to provide on-call and emergency street sweeping services for public roads and streets within the unincorporated areas of Monterey County pursuant to Request for Proposals (RFP) #10784, in a total amount not to exceed $385,100, for a term of three (3) years beginning April 1, 2021 to March 31, 2024, with the option to extend the Agreement for two (2) additional one (1) year period(s); and
b. Authorize the Contracts/Purchasing Officer or Contracts/Purchasing Supervisor to execute the Standard Agreement and future amendments to the Agreement where the amendments do not increase the approved Agreement amount.

PASSED AND ADOPTED on this 20th day of April 2021, by roll call vote:

AYES: Supervisors Alejo, Phillips, Lopez, Askew and Adams
NOES: None
ABSENT: None
(Government Code 54953)

I, Valerie Ralph, Clerk of the Board of Supervisors of the County of Monterey, State of California, hereby certify that the foregoing is a true copy of an original order of said Board of Supervisors duly made and entered in the minutes thereof of Minute Book 82 for the meeting April 20, 2021.

Dated: April 28, 2021
File ID: A 21-083
Agenda Item No.: 72

Valerie Ralph, Clerk of the Board of Supervisors
County of Monterey, State of California

COUNTY OF MONTEREY STANDARD AGREEMENT

This **Agreement** is made by and between the County of Monterey, a political subdivision of the State of California (hereinafter "County") and:
Contract Sweeping Services, LLC ,
(hereinafter "CONTRACTOR").

In consideration of the mutual covenants and conditions set forth in this Agreement, the parties agree as follows:

1.0 GENERAL DESCRIPTION:

The County hereby engages CONTRACTOR to perform, and CONTRACTOR hereby agrees to perform, the services described in **Exhibit A** in conformity with the terms of this Agreement. The goods and/or services are generally described as follows:

Provide:

Street sweeping services as outlined in Request For Proposal (RFP) #10784

2.0 PAYMENT PROVISIONS:

County shall pay the CONTRACTOR in accordance with the payment provisions set forth in **Exhibit A**, subject to the limitations set forth in this Agreement. The total amount payable by County to CONTRACTOR under this Agreement shall not exceed the sum of: $ 385,100.16

3.0 TERM OF AGREEMENT:

3.01 The term of this Agreement is from April 1, 2021 **to** March 31, 2024, unless sooner terminated pursuant to the terms of this Agreement. This Agreement is of no force or effect until signed by both CONTRACTOR and County and with County signing last, and **CONTRACTOR may not commence work before County signs this Agreement**.

3.02 The County reserves the right to cancel this Agreement, or any extension of this Agreement, without cause, with a thirty day (30) written notice, or with cause immediately.

4.0 SCOPE OF SERVICES AND ADDITIONAL PROVISIONS:

The following attached exhibits are incorporated herein by reference and constitute a part of this Agreement:

Exhibit A Scope of Services/Payment Provisions
Exhibit B Other: Incorporation of RFP #10784, Addendum No. 1, Addendum No. 2, and Proposal Documents

DocuSign Envelope ID: F82B6FDE-EECE-459B-99FA-2F1DC01872CB

5.0 PERFORMANCE STANDARDS:

5.01 CONTRACTOR warrants that CONTRACTOR and CONTRACTOR's agents, employees, and subcontractors performing services under this Agreement are specially trained, experienced, competent, and appropriately licensed to perform the work and deliver the services required under this Agreement and are not employees of the County, or immediate family of an employee of the County.

5.02 CONTRACTOR, its agents, employees, and subcontractors shall perform all work in a safe and skillful manner and in compliance with all applicable laws and regulations. All work performed under this Agreement that is required by law to be performed or supervised by licensed personnel shall be performed in accordance with such licensing requirements.

5.03 CONTRACTOR shall furnish, at its own expense, all materials, equipment, and personnel necessary to carry out the terms of this Agreement, except as otherwise specified in this Agreement. CONTRACTOR shall not use County premises, property (including equipment, instruments, or supplies) or personnel for any purpose other than in the performance of its obligations under this Agreement.

6.0 PAYMENT CONDITIONS:

6.01 Prices shall remain firm for the initial term of the Agreement and, thereafter, may be adjusted annually as provided in this paragraph. The County does not guarantee any minimum or maximum amount of dollars to be spent under this Agreement.

6.02 Negotiations for rate changes shall be commenced, by CONTRACTOR, a minimum of ninety days (90) prior to the expiration of the Agreement. Rate changes are not binding unless mutually agreed upon in writing by the County and the CONTRACTOR.

6.03 Invoice amounts shall be billed directly to the ordering department.

6.04 CONTRACTOR shall submit such invoice periodically or at the completion of services, but in any event, not later than 30 days after completion of services. The invoice shall set forth the amounts claimed by CONTRACTOR for the previous period, together with an itemized basis for the amounts claimed, and such other information pertinent to the invoice. The County shall certify the invoice, either in the requested amount or in such other amount as the County approves in conformity with this Agreement and shall promptly submit such invoice to the County Auditor-Controller for payment. The County Auditor-Controller shall pay the amount certified within 30 days of receiving the certified invoice.

7.0 TERMINATION:

7.01 During the term of this Agreement, the County may terminate the Agreement for any reason by giving written notice of termination to the CONTRACTOR at least thirty (30) days prior to the effective date of termination. Such notice shall set forth the effective date of termination. In the event of such termination, the amount payable under this Agreement shall be reduced in proportion to the services provided prior to the date of termination.

DocuSign Envelope ID: F82B6FDE-EECE-459B-99FA-2F1DC01872CB

7.02 The County may cancel and terminate this Agreement for good cause effective immediately upon written notice to CONTRACTOR. "Good cause" includes the failure of CONTRACTOR to perform the required services at the time and in the manner provided under this Agreement. If County terminates this Agreement for good cause, the County may be relieved of the payment of any consideration to CONTRACTOR, and the County may proceed with the work in any manner, which County deems proper. The cost to the County shall be deducted from any sum due the CONTRACTOR under this Agreement.

7.03 The County's payments to CONTRACTOR under this Agreement are funded by local, state and federal governments. If funds from local, state and federal sources are not obtained and continued at a level sufficient to allow for the County's purchase of the indicated quantity of services, then the County may give written notice of this fact to CONTRACTOR, and the obligations of the parties under this Agreement shall terminate immediately, or on such date thereafter, as the County may specify in its notice, unless in the meanwhile the parties enter into a written amendment modifying this Agreement.

8.0 INDEMNIFICATION:

CONTRACTOR shall indemnify, defend, and hold harmless the County, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with the CONTRACTOR's performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of the County. "CONTRACTOR's performance" includes CONTRACTOR's action or inaction and the action or inaction of CONTRACTOR's officers, employees, agents and subcontractors.

9.0 INSURANCE REQUIREMENTS:

9.01 **Evidence of Coverage:** Prior to commencement of this Agreement, the Contractor shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor upon request shall provide a certified copy of the policy or policies.

This verification of coverage shall be sent to the County's Contracts/Purchasing Department, unless otherwise directed. The Contractor shall not receive a "Notice to Proceed" with the work under this Agreement until it has obtained all insurance required and the County has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the Contractor.

9.02 **Qualifying Insurers:** All coverage's, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A- VII, according to

DocuSign Envelope ID: F82B6FDE-EECE-459B-99FA-2F1DC01872CB

the current Best's Key Rating Guide or a company of equal financial stability that is approved by the County's Purchasing Manager.

9.03 **Insurance Coverage Requirements:** Without limiting CONTRACTOR's duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

Commercial General Liability Insurance: including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than $1,000,000 per occurrence.
(Note: any proposed modifications to these general liability insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Requestor must check the appropriate Automobile Insurance Threshold:
Requestor must check the appropriate box.

☐ **Agreement Under $100,000 Business Automobile Liability Insurance**: covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than $500,000 per occurrence.

☑ **Agreement Over $100,000 Business Automobile Liability Insurance**: covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than $1,000,000 per occurrence.

(Note: any proposed modifications to these auto insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Workers' Compensation Insurance: if CONTRACTOR employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's Liability limits not less than $1,000,000 each person, $1,000,000 each accident and $1,000,000 each disease.
(Note: any proposed modifications to these workers' compensation insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Professional Liability Insurance: if required for the professional services being provided, (e.g., those persons authorized by a license to engage in a business or profession regulated by the California Business and Professions Code), in the amount of not less than $1,000,000 per claim and $2,000,000 in the aggregate, to cover liability for malpractice or

DocuSign Envelope ID: F82B6FDE-EECE-459B-99FA-2F1DC01872CB

errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three years following the expiration or earlier termination of this Agreement.

(Note: any proposed modifications to these insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

9.04 **Other Requirements:**

All insurance required by this Agreement shall be with a company acceptable to the County and issued and executed by an admitted insurer authorized to transact Insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the County shall be given notice in writing at least thirty days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor and additional insureds with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the CONTRACTOR'S work, including ongoing and completed operations, **and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the CONTRACTOR'S insurance.** The required endorsement form for Commercial General Liability Additional Insured is ISO Form CG 20 10 11-85 or CG 20 10 10 01 in tandem with CG 20 37 10 01 (2000). The required endorsement form for Automobile Additional Insured endorsement is ISO Form CA 20 48 02 99.

Prior to the execution of this Agreement by the County, CONTRACTOR shall file certificates of insurance with the County's contract administrator and County's Contracts/Purchasing Division, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

DocuSign Envelope ID: F82B6FDE-EECE-459B-99FA-2F1DC01872CB

CONTRACTOR shall always during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this Agreement, which entitles County, at its sole discretion, to terminate this Agreement immediately.

10.0 RECORDS AND CONFIDENTIALITY:

10.1 **Confidentiality:** CONTRACTOR and its officers, employees, agents, and subcontractors shall comply with any and all federal, state, and local laws, which provide for the confidentiality of records and other information. CONTRACTOR shall not disclose any confidential records or other confidential information received from the County or prepared in connection with the performance of this Agreement, unless County specifically permits CONTRACTOR to disclose such records or information. CONTRACTOR shall promptly transmit to County any and all requests for disclosure of any such confidential records or information. CONTRACTOR shall not use any confidential information gained by CONTRACTOR in the performance of this Agreement except for the sole purpose of carrying out CONTRACTOR's obligations under this Agreement.

10.2 **County Records:** When this Agreement expires or terminates, CONTRACTOR shall return to County any County records which CONTRACTOR used or received from County to perform services under this Agreement.

10.3 **Maintenance of Records:** CONTRACTOR shall prepare, maintain, and preserve all reports and records that may be required by federal, state, and County rules and regulations related to services performed under this Agreement. CONTRACTOR shall maintain such records for a period of at least three years after receipt of final payment under this Agreement. If any litigation, claim, negotiation, audit exception, or other action relating to this Agreement is pending at the end of the three-year period, then CONTRACTOR shall retain said records until such action is resolved.

10.4 **Access to and Audit of Records:** The County shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the CONTRACTOR and its subcontractors related to services provided under this Agreement. Pursuant to Government Code section 8546.7, if this Agreement involves the expenditure of public funds in excess of $10,000, the parties to this Agreement may be subject, at the request of the County or as part of any audit of the County, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three years after final payment under the Agreement.

10.5 **Royalties and Inventions:** County shall have a royalty-free, exclusive and irrevocable license to reproduce, publish, and use, and authorize others to do so, all original computer programs, writings, sound recordings, pictorial reproductions, drawings, and other works of similar nature produced in the course of or under this Agreement. CONTRACTOR shall not publish any such material without the prior written approval of County.

DocuSign Envelope ID: F82B6FDE-EECE-459B-99FA-2F1DC01872CB

11.0 NON-DISCRIMINATION:

11.01 During the performance of this Agreement, CONTRACTOR, and its subcontractors, shall not unlawfully discriminate against any person because of race, religious creed, color, sex, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age (over 40), or sexual orientation, either in CONTRACTOR's employment practices or in the furnishing of services to recipients. CONTRACTOR shall ensure that the evaluation and treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. CONTRACTOR and any subcontractor shall, in the performance of this Agreement, fully comply with all federal, state, and local laws and regulations which prohibit discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be prohibited discrimination.

12.0 COMPLIANCE WITH TERMS OF STATE OR FEDERAL GRANTS:

If this Agreement has been or will be funded with monies received by the County pursuant to a contract with the state or federal government in which the County is the grantee, CONTRACTOR will comply with all the provisions of said contract, to the extent applicable to CONTRACTOR as a subgrantee under said contract, and said provisions shall be deemed a part of this Agreement, as though fully set forth herein. Upon request, County will deliver a copy of said contract to CONTRACTOR, at no cost to CONTRACTOR.

13.0 INDEPENDENT CONTRACTOR:

In the performance of work, duties, and obligations under this Agreement, CONTRACTOR is always acting and performing as an independent contractor and not as an employee of the County. No offer or obligation of permanent employment with the County or County department or agency is intended in any manner, and CONTRACTOR shall not become entitled by virtue of this Agreement to receive from County any form of employee benefits including but not limited to sick leave, vacation, retirement benefits, workers' compensation coverage, insurance or disability benefits. CONTRACTOR shall be solely liable for and obligated to pay directly all applicable taxes, including federal and state income taxes and social security, arising out of CONTRACTOR's performance of this Agreement. In connection therewith, CONTRACTOR shall defend, indemnify, and hold County harmless from any and all liability which County may incur because of CONTRACTOR's failure to pay such taxes.

DocuSign Envelope ID: F82B6FDE-EECE-459B-99FA-2F1DC01872CB

14.0 NOTICES:

Notices required under this Agreement shall be delivered personally or by first-class, postage pre-paid mail to the County and CONTRACTOR'S contract administrators at the addresses listed below:

15.0 MISCELLANEOUS PROVISIONS.

15.01 **Conflict of Interest:** CONTRACTOR represents that it presently has no interest and agrees not to acquire any interest during the term of this Agreement, which would directly, or indirectly conflict in any manner or to any degree with the full and complete performance of the services required to be rendered under this Agreement.

15.02 **Amendment:** This Agreement may be amended or modified only by an instrument in writing signed by the County and the CONTRACTOR.

15.03 **Waiver:** Any waiver of any terms and conditions of this Agreement must be in writing and signed by the County and the CONTRACTOR. A waiver of any of the terms and conditions of this Agreement shall not be construed as a waiver of any other terms or conditions in this Agreement.

15.04 **Contractor:** The term "CONTRACTOR" as used in this Agreement includes CONTRACTOR's officers, agents, and employees acting on CONTRACTOR's behalf in the performance of this Agreement.

15.05 **Disputes:** CONTRACTOR shall continue to perform under this Agreement during any dispute.

15.06 **Assignment and Subcontracting:** The CONTRACTOR shall not assign, sell, or otherwise transfer its interest or obligations in this Agreement without the prior written consent of the County. None of the services covered by this Agreement shall be subcontracted without the prior written approval of the County. Notwithstanding any such subcontract, CONTRACTOR shall continue to be liable for the performance of all requirements of this Agreement.

DocuSign Envelope ID: F82B6FDE-EECE-459B-99FA-2F1DC01872CB

15.07 **Successors and Assigns:** This Agreement and the rights, privileges, duties, and obligations of the County and CONTRACTOR under this Agreement, to the extent assignable or delegable, shall be binding upon and inure to the benefit of the parties and their respective successors, permitted assigns, and heirs.

15.08 **Compliance with Applicable Law:** The parties shall comply with all applicable federal, state, and local laws and regulations in performing this Agreement.

15.09 **Headings:** The headings are for convenience only and shall not be used to interpret the terms of this Agreement.

15.10 **Time is of the Essence:** Time is of the essence in each and all of the provisions of this Agreement.

15.11 **Governing Law:** This Agreement shall be governed by and interpreted under the laws of the State of California; venue shall be Monterey County.

15.12 **Non-exclusive Agreement:** This Agreement is non-exclusive and both County and CONTRACTOR expressly reserve the right to contract with other entities for the same or similar services.

15.13 **Construction of Agreement:** The County and CONTRACTOR agree that each party has fully participated in the review and revision of this Agreement and that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Agreement or any amendment to this Agreement.

15.14 **Counterparts:** This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same Agreement.

15.15 **Authority:** Any individual executing this Agreement on behalf of the County or the CONTRACTOR represents and warrants hereby that he or she has the requisite authority to enter into this Agreement on behalf of such party and bind the party to the terms and conditions of this Agreement.

15.16 **Integration:** This Agreement, including the exhibits, represent the entire Agreement between the County and the CONTRACTOR with respect to the subject matter of this Agreement and shall supersede all prior negotiations, representations, or agreements, either written or oral, between the County and the CONTRACTOR as of the effective date of this Agreement, which is the date that the County signs the Agreement.

15.17 **Interpretation of Conflicting Provisions:** In the event of any conflict or inconsistency between the provisions of this Agreement and the Provisions of any exhibit or other attachment to this Agreement, the provisions of this Agreement shall prevail and control.

EXHIBIT A - SCOPE OF SERVICES/PAYMENT PROVISIONS

To Agreement by and between
County of Monterey, hereinafter referred to as "County"
and
Contract Sweeping Services, LLC, hereinafter referred to as "CONTRACTOR"

A. SCOPE OF SERVICES

A.1 CONTRACTOR shall provide services and staff, and otherwise do all things necessary for or incidental to the performance of work, as set forth below:

a. **CONTRACTOR's Minimum Work Performance Percentage:** CONTRACTOR shall perform with his own organization AGREEMENT work amounting to not less than fifty percent (50%) of the original total AGREEMENT price. CONTRACTOR shall not assign, subcontract, sell, or otherwise transfer its interest or obligations in this AGREEMENT without the prior written consent of County.

b. CONTRACTOR shall furnish, at CONTRACTOR's expense, all necessary equipment, supervision, labor, materials, tools, water, debris disposal and incidentals necessary to complete the services to the satisfaction of the County. The work has been divided into two work classifications:

- **NPDES Phase II Roads/Street Classification (Required Street Sweeping Services) –** shall be swept twice per year, once in the fall before the first rain of the year, and once in the spring after the last rain of the year. Work to be done consists of cleaning/sweeping roadways within the County's NPDES Phase II road system as listed in Attachment A, NPDES Phase II Road Listing & Maps.
- **On-Call & Emergency Street Sweeping (General Street Sweeping)** – shall provide on-call and emergency street sweeping services for various County roads and streets as requested by County of Monterey's Department of Public Works, Facilities, and Parks (PWFP).

The sweeping operation shall consist of removing all dirt, mud, silt, sand, paper, rocks, leaves, cans, glass, sediment, and other debris. Unforeseen conditions, such as weather, illicit discharge, can bring unusual amounts of debris to these facilities. Removal of all debris is the responsibility of CONTRACTOR. These conditions include but are not limited to leaves, heavy silt, sand or other types of large debris.

Attachments to and incorporated into this Scope of Services and Specifications include: Inventory listing and distance categories, including centerline miles and curb miles, and provide for cleaning and sweeping of all paved surfaces (asphalt concrete and concrete) as 1) identified and requested

DocuSign Envelope ID: F82B6FDE-EECE-459B-99FA-2F1DC01872CB

by PWFP; and/or 2) within the areas described in Attachment A, NPDES Phase II Road Listing & Maps.

CONTRACTOR shall comply with all Federal, State, County and local regulations. County shall not be responsible or liable for any equipment or possessions that are lost, stolen, or damaged. Scheduling of work shall be authorized and directed by County

c. SCHEDULE

Cleaning/sweeping services shall be performed based on the following schedule:

On-Call & Emergency Street Sweeping (General Street Sweeping):

1. As requested by County of Monterey's PWFP
2. CONTRACTOR shall at the minimum be mobilized and on-site no more than two (2) hours upon being contacted by County, unless otherwise instructed by County.
3. County shall provide scope details to CONTRACTOR for on-call and emergency street sweeping request(s).

NPDES Phase II Roads/Street Classification (Required Street Sweeping Services):

1. Monday through Friday inclusive, (five [5] days per week).
2. Service shall be completed as per schedule herein (see Section e. below).
3. Cleaning/sweeping shall be accomplished on a weekday only (Monday through Friday), except when a major holiday falls on same (see Section g. below). CONTRACTOR shall complete all sweeping per schedule.
4. CONTRACTOR shall not sweep during the peak hours of 7am – 9am and 4pm – 6pm.
5. Attachment B is the current Special Events List. CONTRACTOR shall not sweep in these areas during events. CONTRACTOR can obtain a current events schedule and shall coordinate with the County's Housing and Community Development Department, Permit Center, (831) 755–4800 located at 1441 Schilling Place, South 2nd Floor, Salinas, CA 93901-4527 in case of an event (i.e., Concourse de Elegance, Laguna Seca Recreation Area events.) To view the Monterey County Special Events Calendar and other resources visit their website at: https://www.co.monterey.ca.us/government/departments-i-z/resource-management-agency-rma/special-events.

MECHANICAL FAILURES OR PERSONNEL PROBLEMS ARE NOT ACCEPTABLE REASONS FOR CONTRACTOR'S FAILURE TO COMPLY.

DocuSign Envelope ID: F82B6FDE-EECE-459B-99FA-2F1DC01872CB

If necessary, CONTRACTOR shall supply backup equipment and/or personnel from either CONTRACTOR's resources or from another CONTRACTOR at no additional cost to County.

d. PAYMENT BASED ON UNIT PRICE-PER DISTANCE SWEPT

Compensation for NPDES Phase II Classification, on-call and emergency street sweeping services shall be based on unit price per mile swept which shall include all cleaning/sweeping costs, hourly charges, administrative costs, disposal costs, reporting costs, public or other required notification costs, and signage fees as outlined in the AGREEMENT price. If other sweeping locations are added (see Section i. below), pricing will be based on the unit cost per mile outlined in the AGREEMNT price.

On-Call & Emergency Street Sweeping will be scheduled on an "as needed" basis by PWFP.

Roads and streets in the NPDES Phase II Classification shall be swept on a regular schedule, semi-annually.

e. REGULAR SCHEDULING

Within ten (10) calendar days after effective date of the AGREEMENT, CONTRACTOR shall submit a detailed list of scheduled roads indicating calendar days to be swept within the NPDES Phase II Classification. County Inspector shall approve schedule prior to implementation. The Sweeping Schedule shall incorporate the avoidance of County events and Community Garbage Pick-Up Schedules that may impact County roads.

Sweeping shall take place during September 1st-30th and May 1st-31st of each year. Fall sweeping needs to take place before the first storm of the year and Spring sweeping needs to take place after the last storm of the year, which has been traditionally done in September and May. CONTRACTOR may propose a schedule that satisfies timing required by the NPDES Permit. Cleaning/sweeping frequency/schedule may be changed upon written approval from the Director of PWFP or his designee to add or delete a sweep due to excessive amounts of rainfall, debris, farming operations, storm damage or other causes.

f. TRAVEL TIME

All costs for travel time between parcels and/or to and from refuse disposal sites shall be included in the unit price and no additional travel compensation shall be allowed, therefore.

g. HOLIDAY/INCLEMENT WEATHER MAKE-UP

When the holiday falls on a scheduled sweep day, CONTRACTOR shall sweep the next business day. When CONTRACTOR is unable to sweep due

DocuSign Envelope ID: F82B6FDE-EECE-459B-99FA-2F1DC01872CB

to inclement weather, CONTRACTOR shall sweep the next clear business day.

h. LOCATION OF WORK

Work locations for this AGREEMENT will include various County roads and streets. This AGREEMENT does not include work on any interstate freeway or highway, State highway, State maintained highway, or private road or street in Monterey County.

i. INVENTORY

See Attachment A for a detailed list of roads to be to be swept. At any time, County may choose to add other sweeping locations.

j. DISPOSAL

CONTRACTOR shall dispose of all refuse and debris collected during cleaning/sweeping operations, by hauling to a legally established landfill for disposal of solid waste. The cost for disposal of all refuse and debris, including dump fees, shall be included in the AGREEMENT price. NO "on road" storage or dumping shall be permitted.

k. SWEEPING REQUIREMENTS

Sweeping areas shall include all curb lines along both sides of the roadways, or to the edge of the pavement where no curbs exist, along all curbs on raised medians, over all portions of painted medians and all intersection cross gutters. CONTRACTOR shall be responsible for the seven-foot (7') strip (sweeper width) along all curbs and raised medians. At all times, sweeping shall be accomplished in the same direction as traffic flow. CONTRACTOR shall make every reasonable effort to minimize streaks left by sweepers. CONTRACTOR shall make every reasonable effort to minimize traffic delays and impacts to the motoring public.

CONTRACTOR shall be aware of traffic counter(s) laid on street pavement and avoid damages by making the necessary adjustments to equipment to prevent damage to the traffic counter(s), such as but not limited to, lifting the mechanical broom (brushes) while sweeping. During sweeping activity, CONTRACTOR shall be responsible for replacement of any damaged traffic counters, including expenses on daily data and hourly labor loss.

CONTRACTOR shall provide at random BEFORE and AFTER pictures on assigned area(s) to be swept and provide these pictures (via email) to the designated County Inspector. Pictures shall be labeled with street name and date of sweeping activity.

l. EQUIPMENT

1. SWEEPER TYPES

DocuSign Envelope ID: F82B6FDE-EECE-459B-99FA-2F1DC01872CB

All sweeping equipment, as well as disposal trucks and skid loaders shall be equipped with adequate warning devices and lights for safe operation and must meet all vehicle operating requirements of the State of California Department of Motor Vehicles (CA DMV), California Manual on Uniform Traffic Control Devices (MUTCD), California Occupational Safety and Health (CAL-OSHA) regulations and all other applicable codes required in the State of California.

All equipment shall be adequately maintained both mechanically, visually, and shall be fully operational during all sweeping operations. All units shall be clearly and prominently marked with CONTRACTOR's name and unit number. All units shall have a radio, phone or communication equipment for contact with CONTRACTOR's main office.

Equipment lists shall be updated and submitted annually or at County Inspector's request prior to authorization to proceed with any scheduled sweeping.

2. WARNING DEVICES
While sweeping, vehicles shall be equipped with top-mounted warning lights (rotating, osculating or flashing beacon) visible for 360 degree or comparable traffic safety lights and meet all vehicle operating requirements of the California Department of Motor Vehicles (CA DMV), California Manual on Uniform Traffic Control Devices (CA MUTCD), and California Department of Industrial Relations Division of Occupational Safety and Health (Cal/OSHA) regulations, and all other applicable codes required in the State of California.

3. BRUSH/BROOM REPLACEMENT
Worn brushes and brooms shall be replaced and adjusted to ensure maximum efficiency.

- Six (6) inches on the gutter brushes;
- As required on trash direction brush; and
- Six (6) inches on the main broom.

This shall be the minimum criteria and final determination shall be on the effectiveness of all brushes and brooms.

4. NUMBER OF SWEEPERS
CONTRACTOR shall utilize appropriate number of sweepers to complete the sweeping requirements within the allotted time frame specified in the schedule**.**

DocuSign Envelope ID: F82B6FDE-EECE-459B-99FA-2F1DC01872CB

m. PERFORMANCE

Primary objectives of the street sweeping program are:
CONTRACTOR shall comply with specific requirements of the NPDES. CONTRACTOR shall immediately notify County Inspector of any pollution discharge entering into storm drains as a result of CONTRACTOR's performance. Failure to comply with notification to the County Inspector may be considered a cause for termination pursuant to Section 7.0 of this AGREEMENT and/or criminal charges against CONTRACTOR. CONTRACTOR must establish and adhere to a regular schedule of performance. CONTRACTOR must maintain gutter flow lines free of debris for free flow of water. Sweeping shall normally consist of a single pass over an area. CONTRACTOR shall make as many additional passes or such extra effort as may be required to adequately clean the street. Obstructions such as accumulations of silt, compacted dirt, leaves and similar debris will be removed unless removal of such obstruction cannot be accomplished without damage to equipment, inflicting personal injury or if removal is clearly beyond the capabilities of the specified equipment. Obstructions such as small tree limbs and rocks shall be removed from the sweeping path and hauled away by CONTRACTOR. Larger obstructions such as impaired vertical and/or horizontal clearance by tree limbs, fallen tree limb equipment or materials, and/or other similar items shall be reported per "Notification of Obstruction", resulting in deficient performance beyond CONTRACTOR's control. Inspections, spot checks and responses to complaints shall be performed on a regular basis. County Inspector shall decide upon the adequacy of sweeping.

In the event CONTRACTOR's performance results in a sweep which is determined to be unsatisfactory by the County Inspector, CONTRACTOR shall re-sweep the area determined to be unsatisfactory by County Inspector, at CONTRACTOR's expense, within twenty-four (24) hours after notification of County Inspector's determination.

County reserves right to withhold payment for missed, incomplete or unsatisfactory sweeping performance.

n. DEFICIENT PERFORMANCE

Liquidated damages shall be applied to deficient performance and/or late completion. The Parties hereto understand and agree that it is impracticable or extremely difficult to determine actual damages County shall sustain by reason of delay in performance. Therefore, Three Hundred Dollars ($300.00) shall be deducted and withheld from payments due or to become due to CONTRACTOR for each calendar day work is incomplete beyond the scheduled day. CONTRACTOR shall be granted an extension of time and shall not be assessed liquidated damages for delays caused by acts of God. The provisions shall apply to submittal of the cleaning/sweeping schedule and

DocuSign Envelope ID: F82B6FDE-EECE-459B-99FA-2F1DC01872CB

to performance according to that schedule. Repeated instances of failure to perform shall result in cancellation of the AGREEMENT.

NPDES fines accessed to County shall be paid by CONTRACTOR in the event CONTRACTOR does not complete all of the cleaning/sweeping scheduled in this AGREEMENT

o. NOTIFICATION OF SWEEPING OBSTRUCTIONS

CONTRACTOR shall notify the County Inspector of any obstruction and/or reason why cleaning/sweeping could not be performed for a specific area. The initial report shall be made verbally within twenty-four (24) hours, followed by a written report within seven (7) days. The County shall take appropriate action to mitigate the obstruction.

p. CHANGES IN AREAS SERVICED

Changes in the areas serviced may be necessary during the term of this AGREEMENT. Changes in the AGREEMENT requirements and corresponding changes in compensation may be implemented upon mutual agreement between County and CONTRACTOR. These changes will be processed by the County via written amendment to the AGREEMENT.

q. GENERAL REQUIREMENTS

1. COOPERATION AND COLLATERAL WORK
   CONTRACTOR shall submit working hours and schedule.
   CONTRACTOR shall endeavor to coordinate all cleaning/sweeping operations between the hours indicated unless otherwise approved by the County Inspector. In those instances where operations would interfere with CONTRACTOR's work, CONTRACTOR shall submit to County's Inspector a written request stating days, times and operations which should be suspended or conducted at a different time of the day. No additional compensation or adjustment of the allotted working days shall be granted for compliance with these requirements.

2. DUST CONTROL
   CONTRACTOR shall use all reasonable methods to minimize dust emissions during the performance of this AGREEMENT.
   CONTRACTOR shall not create dust in such a quantity as to violate Air Quality Regulations. Dust shall be controlled in such a way as to not generate public complaints.

3. PARKING CONTROL
   It has been anticipated that parked cars may be a problem during the course of the work to be performed. Therefore, CONTRACTOR is required to post, maintain, and subsequently remove, temporary signs along parking areas where work is to be performed with no less than

DocuSign Envelope ID: F82B6FDE-EECE-459B-99FA-2F1DC01872CB

twenty-four (24) hours prior to the start of said work. CONTRACTOR shall provide a sample sign to County.

CONTRACTOR will be responsible for replacing any signs which are damaged or removed in order to maintain notice to the public

4. PROTECTION AND RESTORATION OF EXISTING FACILITIES
CONTRACTOR shall protect all furnishings and improvements from damage by its operations. All damage shall be repaired or replaced, at the option of County, at CONTRACTOR's expense within three (3) days after notification of such damage by County Inspector. Repairs and/or replacements shall be equal to original in all aspects.

5. SAFETY
CONTRACTOR agrees to perform all work outlined in this AGREEMENT in such a manner as to meet all accepted standards for safe practices during operations and to maintain safe conditions or premises and ways at all times, including but not limited to, providing and requiring personnel to wear personal protective equipment (PPE), safely storing equipment, machines and materials. This includes compliance with local, County, and State laws or regulations or other legal requirements and terms of applicable OSHA and CAL-OSHA Safety Orders at all times so as to protect all persons, including County and CONTRACTOR's employees and/or agents/invitees against injury or damage to property.

6. SOUND CONTROL
CONTRACTOR shall comply with all County and local sound control and noise level rules, regulations, and ordinances which apply to any work performed pursuant to the AGREEMENT and shall make every effort to control any undue noise resulting from its operation.

7. WATER
CONTRACTOR shall furnish all water required for performance of this work, shall make all arrangements for obtaining all water with the governing water district, and shall comply with all requirements set forth by the governing water district.

8. NPDES REQUIREMENTS
The State Water Board has issued permits which govern storm water and non-storm water discharges resulting from areas owned and operated by the County and incorporated cities of the County (collectively referred to as Permittees). Copies of the permits are available for review. In order to comply with permit requirements, Permittees have developed a Monterey Regional Storm Water Management Program (MRSWMP) which contains Model Maintenance Procedures with Best Management Practices (BMP)

DocuSign Envelope ID: F82B6FDE-EECE-459B-99FA-2F1DC01872CB

that parties conducting municipal activities must adhere to. BMP's applicable to street sweeping consist of: 1) street sweeping scheduled two (2) times per year; 2) street sweeping will be disposed of at the landfills and not left in piles along roads; 3) equipment will be maintained and cleaned with drainage to a sanitary sewer, and; 4) print ads and website information will also be used to notify residents of the street sweeping schedules. These Model Maintenance Procedures apply to any party conducting municipal activities and contain pollution prevention and source control techniques to minimize the impact of those activities upon dry weather urban runoff, storm water runoff, and receiving water quality. Work performed under this AGREEMENT shall conform to permit requirements, MRSWMP, and Model Maintenance Procedures. CONTRACTOR shall fully understand Model Maintenance Procedures applicable to activities that are being conducted under this AGREEMENT prior to conducting them and maintain copies of Model Maintenance Procedures throughout the AGREEMENT duration. The applicable Model Maintenance Procedures can be obtained by submitting a request to the County Inspector.

9. WORKSITE LIMITS
   All operations shall be restricted to County right-of-way. CONTRACTOR shall not enter any adjacent property for the purpose of conducting operations required under this AGREEMENT unless the CONTRACTOR has obtained written permission from the affected property owner.

r. PERSONNEL

1. BACKGROUND/SECURITY
   All CONTRACTOR personnel engaged in performance of this work shall be employees of CONTRACTOR and as such shall be warranted to possess sufficient experience and security records to perform this work. CONTRACTOR shall conduct a thorough background investigation of each CONTRACTOR employee providing services under this AGREEMENT, including but not limited to, investigation of employment, driving and police records and shall maintain copy of these records.

2. SUPERVISION
   CONTRACTOR shall provide a supervisor or foreman/forewoman who communicates effectively in both written and verbal English and who shall be present at all times during the AGREEMENT operations. Any order or communication given to said supervisor or foreman/forewoman shall be deemed as delivered to CONTRACTOR.

DocuSign Envelope ID: F82B6FDE-EECE-459B-99FA-2F1DC01872CB

3. IDENTIFICATION
   CONTRACTOR shall provide uniforms and name badges displaying company name for all field personnel which shall be worn at all times during performance of the work.

4. CONDUCT
   No CONTRACTOR personnel shall be employed on any work under these specifications that is found to be incompetent, disorderly, troublesome, intemperate or otherwise objectionable. Any CONTRACTOR personnel who fails or refuses to perform the work properly and acceptably, as determined by the County Inspector, shall be discharged immediately and not be re-employed on the work to be performed pursuant to this AGREEMENT. CONTRACTOR shall effectuate removal of requested CONTRACTOR personnel within three (3) business days of notice of County Inspector's determination.

5. SWEEPING OPERATORS
   CONTRACTOR shall provide adequately trained operators to minimize disruption of service. CONTRACTOR is responsible for ensuring that any and all new sweeping operators will be adequately trained in their area by CONTRACTOR supervisor or foreman/forewoman.

CONTRACTOR'S PERSONNEL PROBLEMS ARE NOT ACCEPTABLE REASONS FOR FAILURE TO COMPLY WITH SWEEPING SCHEDULE.

A.2 CONTRACTOR shall submit reports as follows:

a. **NPDES Phase II Roads/Street Classification (Required Street Sweeping Services):** For the FALL SWEEPING activities and for the SPRING SWEEPING activities. Reports shall be submitted within (1) one week after each week of sweeping, and prior to submitting invoice for payment. Content of the report shall include at minimum, tonnage of debris removed, landfill scale receipts, miles of road swept, road/street name and limits, date of work, Supervisorial District, and random before and after photos representative of the work performed. Other works/tasks performed under On-Call, submit reports at the request of the County. See Attachment C for format of sample report.

   Reports shall be submitted electronically and in Portable Document Format (PDF) on the first week of each month to:

Public Works
Barney Guzman, Assistant Engineer
Email: guzmanb@co.monterey.ca.us

DocuSign Envelope ID: F82B6FDE-EECE-459B-99FA-2F1DC01872CB

Phone: (831)755-8964

Failure to provide reports may result in deduction and forfeit of One Hundred Dollars ($100.00) from payments due to CONTRACTOR for every day of the month the report is not received.

b. **On-Call & Emergency Street Sweeping (General Street Sweeping):** At the request of the County, shall submit reports for works/tasks performed under On-Call or Emergency Services. Content of the report shall include at minimum, tonnage of debris removed, landfill scape receipts, miles of road swept, road/street name and limits, date of work, Supervisorial District, and random before and after photos representative of the work performed.

B. PAYMENT PROVISIONS

B.1 COMPENSATION/ PAYMENT

County shall pay an amount not to exceed $385,100.00, for the performance of all things necessary for or incidental to the performance of work as set forth in the Scope of Services, including scheduled, on-call and emergency services. CONTRACTOR'S compensation for services rendered shall be based on the following rates or in accordance with the following terms:

NPDES Street Sweeping Pricing Schedule:

SUPERVISORY DISTRICTS	Quantity (Miles)			Unit Cost (per mile) for Each Year			
	Fall	***Spring***	***Total (A)***	***2021 (B)***	***2022 (C)***	***2023 (D)***	***TOTAL AMOUNT***
Example: District x	*25.5*	*25.5*	*51.0*	*$15.00*	*$16.50*	*$17.25*	*$2,486.25*
District 2	***145.1***	***145.1***	***290.4***	***$81.50***	***$83.95***	***$86.46***	***$73,154.66***
District 3	***7.3***	***7.3***	***14.6***	***$81.50***	***$83.95***	***$86.46***	***$3,677.89***
District 4	***11.3***	***11.3***	***22.6***	***$81.50***	***$83.95***	***$86.46***	***$5,693.17***
District 5	***124.2***	***124.2***	***248.4***	***$81.50***	***$83.95***	***$86.46***	***$62,574.44***
Other Areas as Assigned by County	N/A	N/A	N/A	***$81.50***	***$83.95***	***$86.46***	N/A

Note: All applicable taxes are to be included in the unit cost.

DocuSign Envelope ID: F82B6FDE-EECE-459B-99FA-2F1DC01872CB

On-Call & Emergency Services Pricing Schedule:

Task	Unit Cost (per mile) for Each Year (See Note 1)		
	2021	***2022***	***2023***
Non-Emergency Street Sweeping	***$100***	***$103***	***$106.09***
Emergency Street Sweeping	***$105***	***$108.15***	***$111.40***

Note: All applicable taxes are to be included in the unit cost.

The above schedule is inclusive of travel costs to the locations specified in Attachment A. Any additional locations/miles added that are indicated above will not be charged extra travel fees, but instead will be charged a standard $35/curb-mile for any additional curb miles swept.

No travel reimbursement shall be allowed during this AGREEMENT.

Under California Labor Code sections 1720 et seq., a contract for some or all of the work contemplated by this RFP may be considered a public work. If applicable, CONTRACTOR shall comply with provisions of the Labor Code (sections 1720 et seq.) governing public works, including payment of prevailing wages, payroll records, and employment of apprentices. Copies of the determination of the general prevailing rate of per diem wages are available to interested parties at:
http://www.dir.ca.gov/public-works/prevailing-wage.html

CONTRACTOR warrants that the cost charged for services under the terms of this AGREEMENT are not in excess of those charged to any other client for the same services performed by the same individuals.

B.2 CONTRACTOR'S BILLING PROCEDURES

CONTRACTOR shall submit invoices to County for **NPDES Phase II Roads/Street Classification (Required Street Sweeping Services)** as follows:

1. FALL SWEEPING: First invoice will be submitted upon completion of fifty percent (50%) of the scheduled work. The second invoice shall be submitted upon one hundred percent (100%) completion of the scheduled work for the remaining fifty percent (50%) of the total pricing outlined in the AGREEMENT price.
2. SPRING SWEEPING: First invoice will be submitted upon completion of fifty percent (50%) of the scheduled work, and the second invoice shall be submitted upon one hundred percent (100%) completion of the scheduled work for the remaining fifty percent (50%) of the total pricing outlined in the AGREEMENT price.

Other invoices under this AGREEMENT shall be submitted monthly and promptly, and in accordance with Paragraph 6, "Payment Conditions", of the Agreement.

DocuSign Envelope ID: F82B6FDE-EECE-459B-99FA-2F1DC01872CB

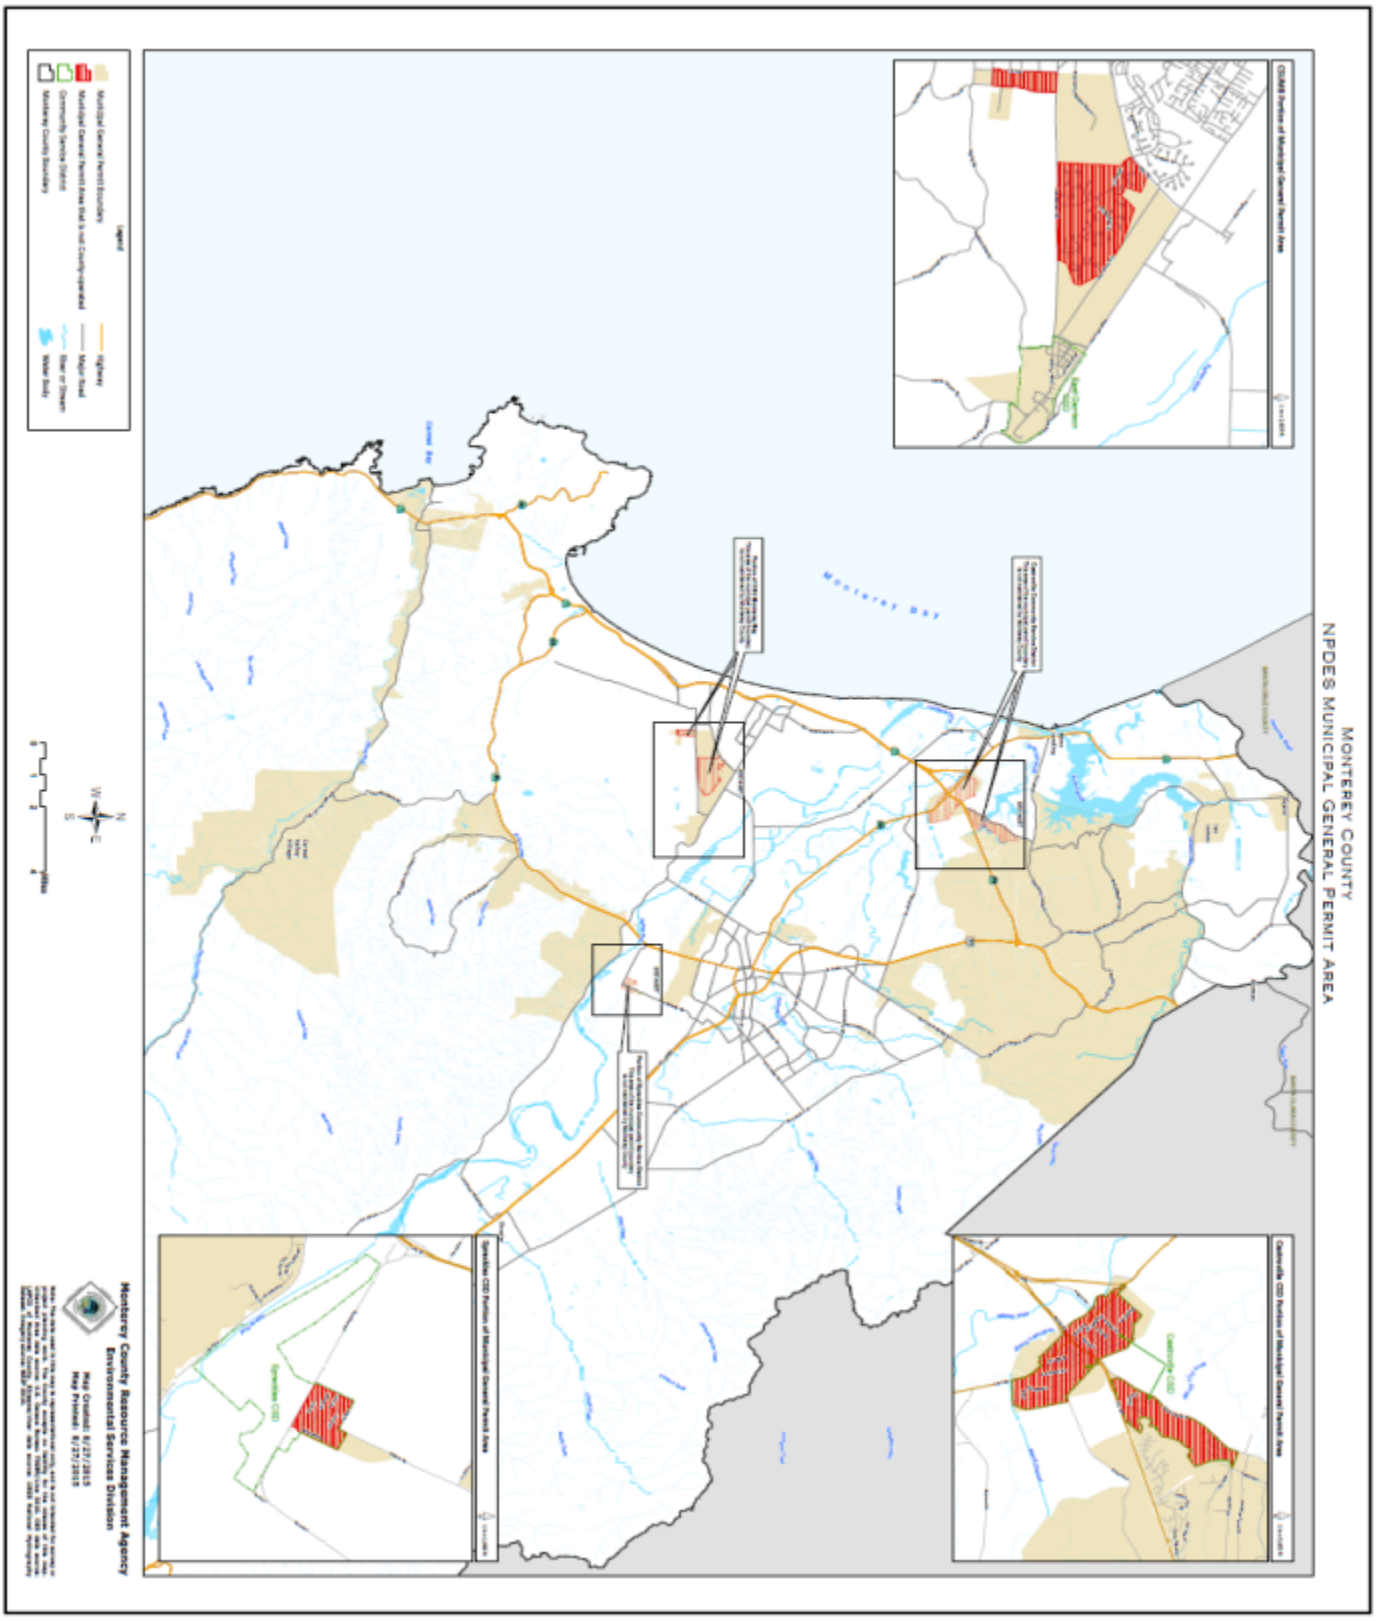
EXHIBIT A - SCOPE OF SERVICES/PAYMENT PROVISIONS

All invoices shall reference the Multiyear Agreement (MYA) number, Project name, and/or services, and associated Delivery Order number, and an original hardcopy shall be sent to the following address or via email to RMA-Finance-AP@co.monterey.ca.us:

County of Monterey
Public Works, Facilities, & Parks – Finance Division
1441 Schilling Place, South 2nd Floor
Salinas, California 93901-4527

Any questions pertaining to invoices under this AGREEMENT shall be directed to the RMA Finance Division at (831) 755-4800 or via email to: RMA-Finance-AP@co.monterey.ca.us.

County may, in its sole discretion, terminate the AGREEMENT or withhold payments claimed by CONTRACTOR for services rendered if CONTRACTOR fails to satisfactorily comply with any term or condition of this AGREEMENT.



No payments in advance or in anticipation of services or supplies to be provided under this AGREEMENT shall be made by County.

County shall not pay any claims for payment for services submitted more than twelve (12) months after the calendar month in which the services were completed.

DISALLOWED COSTS: CONTRACTOR is responsible for any audit exceptions or disallowed costs incurred by its own organization or that of its subcontractors.

AMENDMENT NO. 1
TO STANDARD AGREEMENT
BETWEEN COUNTY OF MONTEREY AND
SCA OF CA, LLC

THIS AMENDMENT NO. 1 to Standard Agreement No. A-15190 between the County of Monterey, a political subdivision of the State of California (hereinafter, "County") and SCA of CA, LLC (hereinafter, "CONTRACTOR") is hereby entered into between the County and the CONTRACTOR (collectively, the "Parties") and effective as of the last date opposite the respective signatures below.

WHEREAS, CONTRACTOR entered into Standard Agreement No. A-15190 with County on April 21, 2021 (hereinafter, "Agreement") to provide street sweeping services (hereinafter, "services") as outlined in Request for Proposals (RFP) #10784 through March 31, 2024 for an amount not to exceed $385,100.16; and

WHEREAS, on February 23, 2022, Contract Sweeping Services, LLC and CONTRACTOR entered into an "Asset Purchase and Sale Agreement" which assigned Contract Sweeping Services, LLC's rights, title and interest in the April 1, 2021 Agreement between Contract Sweeping Services, LLC and County to CONTRACTOR; and

WHEREAS, on May 23, 2022 an "Assignment and Assumption of Contract" with an effective date retroactive to February 23, 2022 was executed by Contract Sweeping Services, LLC and CONTRACTOR to authorize the assignment of the April 1, 2021 Agreement from Contract Sweeping Services, LLC to CONTRACTOR pursuant to Section 15.06, Assignment and Subcontracting, of said April 1, 2021 Agreement; and

WHEREAS, provisions of the Agreement require an update; and

WHEREAS, the County has a continued need for services; and

WHEREAS, the Parties negotiated a new Pricing Schedule effective April 1, 2021 through the end of the initial term of the Agreement, requiring revision to the CONTRACTOR's National Pollutant Discharge Elimination System (NPDES) Street Sweeping Pricing Schedule table in paragraph B.1 of Section B, Payment Provisions within Exhibit A – Scope of Services/Payment Provisions of the Agreement; and

WHEREAS, the CONTRACTOR's NPDES Street Sweeping Pricing Schedule table in paragraph B.1 of Section B, Payment Provisions within Exhibit A – Scope of Services/Payment Provisions of the Agreement requires an update retroactive and effective April 1, 2021, in accordance with "Exhibit A-1 - Revised NPDES Street Sweeping Pricing Schedule", which is attached and incorporated by this reference; and

WHEREAS, the Parties agree that the Revised NPDES Street Sweeping Pricing Schedule in Exhibit A-1 of the Agreement remains valid through March 31, 2025; and

DocuSign Envelope ID: 340F9C53-FF5E-405A-99AA-583753694346

WHEREAS, additional time and funding are necessary to allow CONTRACTOR to continue to provide the services required by the County; and

WHEREAS, the Parties wish to amend the Agreement to update provisions, to update the NPDES Street Sweeping Pricing Schedule retroactive and effective April 1, 2021, to extend the term for one (1) additional year to March 31, 2025, and to increase the amount by $184,413.59 for a total amount not to exceed $569,513.75 to allow CONTRACTOR to continue to provide services identified in the Agreement and as amended by this Amendment No. 1.

NOW, THEREFORE, the Parties agree to amend the Agreement as follows:

1. Amend Paragraph 2.0, "Payment Provisions", to read as follows:

   County shall pay the CONTRACTOR in accordance with the payment provisions set forth in **Exhibits A and A-1**, subject to the limitations set forth in this Agreement. The total amount payable by County to CONTRACTOR under this Agreement shall not exceed the sum of $569,513.75.

2. Amend the first sentence of Section 3.01 of Paragraph 3.0, "Term of Agreement", to read as follows:

   The term of this Agreement is from April 1, 2021 to March 31, 2025, unless sooner terminated pursuant to the terms of this Agreement.

3. Amend Paragraph 4.0, "Scope of Services and Additional Provisions", to add "Exhibit A-1, Revised NPDES Street Sweeping Pricing Schedule", retroactive and effective April 1, 2021.

4. Amend Section 11.01 of Paragraph 11.0, "Non-Discrimination", to read as follows:

   During the performance of this Agreement, CONTRACTOR, and its subcontractors, shall not unlawfully discriminate against any person because of race, religious creed, color, sex, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age (over 40), sexual orientation, or any other characteristic set forth in California Government code §12940(a), either in CONTRACTOR's employment practices or in the furnishing of services to recipients. CONTRACTOR shall ensure that the evaluation and treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. CONTRACTOR and any subcontractor shall, in the performance of this Agreement, fully comply with all federal, state, and local laws and regulations which prohibit discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be prohibited discrimination.

5. Amend Paragraph 14.0, "Notices", to read as follows:

   Notices required under this Agreement shall be delivered personally or by first-class, postage pre-paid mail to the County and CONTRACTOR's contract administrators at the address listed below:

DocuSign Envelope ID: 340F9C53-FF5E-405A-99AA-583753694346

FOR COUNTY:	FOR CONTRACTOR:
Michael P. Trapani	Erin Boyts Quinn
Associate Water Resources Hydrologist	Secretary, Vice President
1441 Schilling Place, South 2nd Floor	4141 Rockside Road, Suite 100
Salinas, California 93901-4527	Cleveland, Ohio 44131
(831) 784-5983	(216) 777-2750

6. Amend Agreement to revise Paragraph 16.0, "Signature Page", to Paragraph 18.0, "Signature Page".

7. Amend Agreement to add Paragraph 16.0, "Compliance with Applicable Laws", as follows:

16.01 CONTRACTOR shall keep itself informed of and in compliance with all federal, state and local laws, ordinances, regulations, and orders including but not limited to all state and federal tax laws that may affect in any manner the Project or the performance of the Services or those engaged to perform Services under this Agreement as well as any privacy laws including, if applicable, Health Insurance Portability and Accountability Act (HIPAA). CONTRACTOR shall procure all permits and licenses, pay all charges and fees, and give all notices required by law in the performance of the Services.

16.02 CONTRACTOR shall report immediately to County's Contracts/Purchasing Officer, in writing, any discrepancy or inconsistency it discovers in the laws, ordinances, regulations, orders, and/or guidelines in relation to the Project of the performance of the Services.

16.03 All documentation prepared by CONTRACTOR shall provide for a completed project that conforms to all applicable codes, rules, regulations, and guidelines that are in force at the time such documentation is prepared.

8. Amend Agreement to add Paragraph 17.0, "Consent to Use of Electronic Signatures", as follows:

17.01 The parties to this Agreement consent to the use of electronic signatures via DocuSign to execute this Agreement. The parties understand and agree that the legality of electronic signatures is governed by state and federal law, 15 U.S.C. Section 7001 et seq.; California Government Code Section 16.5; and, California Civil Code Section 1633.1 *et seq.* Pursuant to said state and federal law as may be amended from time to time, the parties to this Agreement hereby authenticate and execute this Agreement, and any and all Exhibits to this Agreement, with their respective electronic signatures, including any and all scanned signatures in portable document format (PDF).

17.02 Counterparts. The parties to this Agreement understand and agree that this Agreement can be executed in two (2) or more counterparts and transmitted electronically via facsimile transmission or by delivery of a scanned counterpart in PDF via email transmittal.

DocuSign Envelope ID: 340F9C53-FF5E-405A-99AA-583753694346

17.03 Form: Delivery by E-Mail or Facsimile. Executed counterparts of this Agreement may be delivered by facsimile transmission or by delivery of a scanned counterpart in PDF by e-mail transmittal, in either case with delivery confirmed. On such confirmed delivery, the signatures in the facsimile or PDF data file shall be deemed to have the same force and effect as if the manually signed counterpart or counterparts had been delivered to the other party in person.

9. Amend the second paragraph of paragraph A.2.a. of Exhibit A – Scope of Services/Payment Provisions of Agreement, to read as follows:

Reports shall be submitted electronically and in Portable Document Format (PDF) on the first week of each month to:

County of Monterey
Department of Public Works, Facilities and Parks
Michael P. Trapani, Associate Water Resources Hydrologist
Email: trapanimp@co.monterey.ca.us
Phone: (831) 784-5983

Failure to provide reports may result in deduction and forfeit of One Hundred Dollars ($100.00) from payments due to CONTRACTOR for every day of the month the report is not received.

10. In all places within the Agreement, any reference to Public Works, Facilities, & Parks or Public Works, Parks, & Facilities is hereby replaced with Department of Public Works, Facilities and Parks.

11. In all places within the Agreement, any reference to County's email address of RMA-Finance-AP@co.monterey.ca.us for invoicing, is hereby replaced with PWFP-Finance-AP@co.monterey.ca.us.

12. In all places within the Agreement, any reference to the Agreement's Multi-Year Agreement (MYA) number is deemed to be MYA 3200*5629.

13. In all places within the Agreement, any reference to Public Works, Facilities, & Parks or Public Works, Parks, & Facilities is hereby replaced with Department of Public Works, Facilities and Parks.

14. All other terms and conditions of the Agreement, including all Exhibits thereto, remain unchanged and in full force.

15. This Amendment No. 1 shall be attached to the Agreement and incorporated therein as if fully set forth in the Agreement.

16. The recitals to this Amendment No. 1 are incorporated into the Agreement and this Amendment No. 1.

DocuSign Envelope ID: 340F9C53-FF5E-405A-99AA-583753694346

IN WITNESS WHEREOF, the Parties hereto have executed this Amendment No. 1 to the Agreement which shall be effective as of the last date opposite the respective signatures below.

Board Report

Legistar File Number: A 23-572

Item No.

Board of Supervisors
Chambers
168 W. Alisal St., 1st Floor
Salinas, CA 93901

January 09, 2024

Introduced: 12/15/2023
Version: 1

Current Status: Agenda Ready
Matter Type: BoS Agreement

Approve and authorize the Monterey County Laguna Seca Representative to execute Amendment No. 1 to the Standard Agreement between Tix, Inc. and the County of Monterey to provide a web-based ticket system for WeatherTech® Raceway at Laguna Seca, extending the term through December 31, 2024, for a revised term of January 1, 2022, through December 31, 2024 and increasing the amount not to exceed by $85,000 with an amended not to exceed total of $225,000.

RECOMMENDATION:
It is recommended that the Board of Supervisors approve and authorize the Monterey County Laguna Seca Representative to execute Amendment No. 1 to the Standard Agreement between Tix, Inc. and the County of Monterey to provide a web-based ticket system for WeatherTech® Raceway at Laguna Seca, extending the term through December 31, 2024, for a revised term of January 1, 2022 through December 31, 2024 and increasing the amount not to exceed by $85,000 with an amended not to exceed total of $225,000.

SUMMARY/DISCUSSION:
Tix, Inc. (Tix) was awarded a contract effective January 1, 2022, to provide an online and box office ticketing solution that provides WeatherTech® Raceway at Laguna Seca (WRLS) with an easy-to-use ticket sales program including marketing tools to promote future growth. Tix services have allowed the facility to offer online ticket sales and tracking for events at WRLS, and their customer service has been excellent. Both the County and Tix would like to continue the business relationship. All current services provided by Tix will continue with no price increase.

Staff requests the Board of Supervisors to approve and authorize the Monterey County Laguna Seca Representative to execute the proposed Amendment No. 1 to extend the Agreement Term through December 31, 2024, for a revised term of January 1, 2022, through December 31, 2024, and increasing the not to exceed sum by $85,000 with an amended not to exceed total of $225,000.

OTHER AGENCY INVOLVEMENT:
The Office of County Counsel and Auditor-Controller's Office reviewed and approved the proposed Agreement as to form and fiscal provisions, respectively.

FINANCING:
The amended cost of the contracted services provided by Tix, Inc. is not to exceed $225,000.00 for the duration of the Agreement. The rest of the fees for the services to be incurred for the remainder of the term is part of the Fiscal Year 2023-2024 adopted budget in Fund 453, Unit 8579, Appropriation Unit PFP067, and will be included in the upcoming budget for Fiscal Year 2024-2025 for Laguna

Board of Supervisors
Chambers
168 W. Alisal St., 1st Floor
Salinas, CA 93901

January 09, 2024

Introduced: 12/13/2023
Version: 1

Current Status: Agenda Ready
Matter Type: BoS Agreement

Approve and authorize the Monterey County Laguna Seca Representative to execute Amendment No. 1 to the Standard Agreement between NorCal Rental Group LLC dba Cresco Equipment Rentals and the County of Monterey for Golf Cart Rentals and Service for WeatherTech® Raceway at Laguna Seca, extending the term through December 31, 2024, for a revised term of April 1, 2023 through December 31, 2024; and increasing the amount not to exceed by $160,000 with an amended not to exceed total of $325,000.

RECOMMENDATION:
It is recommended that the Board of Supervisors:
Approve and authorize the Monterey County Laguna Seca Representative to execute Amendment No. 1 to the Standard Agreement between NorCal Rental Group LLC dba Cresco Equipment Rentals and the County of Monterey for Golf Cart Rentals and Service for WeatherTech® Raceway at Laguna Seca, extending the term through December 31, 2024, for a revised term of April 1, 2023 through December 31, 2024; and increasing the amount not to exceed by $160,000 with an amended not to exceed total of $325,000.

SUMMARY:
Founded in 1984 in Martinez, CA, NorCal Rental Group LLC dba Cresco Equipment Rentals (Cresco) delivers a comprehensive inventory of rentals and a knowledgeable staff properly trained in equipment maintenance and safety protocols. Currently, Cresco has 19 locations throughout Northern California.

The County executed a Standard Agreement (Agreement) with Cresco for the provision of golf cart rentals and service during events at WeatherTech® Raceway at Laguna Seca (WRLS) on April 17, 2023 (Attachment A). Cresco has provided services to WRLS since 2022. Cresco also provides onsite staff for any mechanical service needs that may arise during the rental period and will continue to supply and bill third-party customers for requested services during any event within the Laguna Seca Recreation Area facility during the term of this Agreement. Cresco will be 100% responsible for managing all third-party rentals and will obtain proof of insurance documentation on each third-party renter. The proposed Amendment No. 1 will extend the Agreement through December 31, 2024, and increase the not to exceed sum to $325,000.

Staff requests the Board of Supervisors to approve and authorize the Monterey County Laguna Seca Representative to execute the proposed Amendment No. 1 to the Agreement with Cresco, extending the Term from April 1, 2023, through December 31, 2024, and increase the not to exceed sum by $160,000 for a revised not to exceed sum of $325,000.

DocuSign Envelope ID: 7D0C8B56-4D42-4EFA-B650-714CEB1CC87E

OTHER AGENCY INVOLVEMENT:
The Office of County Counsel and Auditor-Controller's Office reviewed and approved the proposed Agreement as to form and fiscal provisions, respectively.

FINANCING:
The amended cost of the contracted services provided by Cresco is not to exceed $325,000.00 for the extended duration of the Agreement. There are sufficient appropriations available in the PWFP Adopted Budget in Fiscal Year 2023-2024 (Fund 453, Unit 8579, Appropriation Unit PFP067) to cover the additional fees for FY2024. The balance is to be included in the upcoming budget for Fiscal Year 2024-2025 for Laguna Seca Recreation Area.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
The recommended action supports the Board of Supervisors Strategic Initiatives for Administration and Public Safety by providing necessary transportation carts for both administrative and emergency personnel during events where the carts provide ease of access and mobility around the facility.

Current Status: Public Works, Facilities & Parks - Consent

Version: 1

Matter Type: BoS Agreement

a. Approve and authorize the Contracts/Purchasing Officer or designee to execute Amendment No. 2 to the Standard Agreement with San Miguel Garbage Co., Inc. to provide solid waste containers and solid waste and recycling collection services at Lake Nacimiento Resort, extending the term through February 25, 2029, for a revised term of February 26, 2019, to February 25, 2029; and increasing the amount not to exceed by $467,788 with an amended not to exceed total of $885,357; and,
b. Approve and authorize the County Purchasing Officer or designee to execute up to three future amendments to the Agreement where the total amendments do not exceed 10% ($88,535) of the Agreement's not to exceed sum for an aggregate total not to exceed of $973,893 and does not significantly change the scope of work, subject to County Counsel approval.

RECOMMENDATION:

It is recommended that the Board of Supervisors:
a. Approve and authorize the Contracts/Purchasing Officer or designee to execute Amendment No. 2 to the Standard Agreement with San Miguel Garbage Co., Inc. to provide solid waste containers and solid waste and recycling collection services at Lake Nacimiento Resort, extending the term through February 25, 2029, for a revised term of February 26, 2019, to February 25, 2029; and increasing the amount not to exceed by $467,788 with an amended not to exceed total of $885,357; and,
b. Approve and authorize the County Purchasing Officer or designee to execute up to three future amendments to the Agreement where the total amendments do not exceed 10% ($88,535) of the Agreement's not to exceed sum for an aggregate total not to exceed of $973,893 and does not significantly change the scope of work, subject to County Counsel approval.

SUMMARY/DISCUSSION:

San Miguel Garbage Co., Inc. (San Miguel) is a solid waste/refuse removal and recycling contractor that has provided services in San Luis Obispo County for over fifty (50) years. It is a family owned and operated business offering a variety of state-of-the-art services including automated waste and recycling collection, green waste recycling programs, transfer and materials recovery, and storage box rentals.

The County executed a Standard Agreement (Agreement) with San Miguel for solid waste and recycling collection services at Lake Nacimiento Resort on March 1, 2019 (Attachment A) and Amendment No. 1 to increase the not to exceed amount on January 4, 2023 (Attachment B). County continues to need the services of San Miguel. Staff confirmed San Miguel remains the only provider serving the geographical area at Lake Nacimiento and there is no alternative service for refuse removal. The proposed Amendment No. 2 will extend the Agreement through February 25, 2029,

DocuSign Envelope ID: 03A91E33-4B32-472A-8DD7-B51696FE8CCC

and increase the not to exceed sum to $885,357 (Attachment C).

Staff requests the Board of Supervisors approve and authorize the Contracts/Purchasing Officer or designee to execute the proposed Amendment No. 2 to the Standard Agreement with San Miguel, extending the term from February 26, 2019 through February 25, 2029, and increase the not to exceed amount to $885,357; and approve and authorize the County Purchasing Officer or designee to execute up to three future amendments to the Agreement where the total amendments do not exceed 10% ($88,535) of the Agreement's not to exceed sum for an aggregate total of $973,893.

OTHER AGENCY INVOLVEMENT:
The Offices of the County Counsel and Auditor-Controller have reviewed and approved Amendment No. 2 as to form and legality and fiscal provisions, respectively.

FINANCING:
The amended total not to exceed amount of the Standard Agreement between the County and San Miguel Garbage Co., Inc. is $885,357, after considering total increase of $467,788 proposed on Amendment No. 2 for the extended agreement term.

There are sufficient appropriations available in the PWFP Adopted Budget in Fiscal Year (FY) 2024 for Lake Nacimiento Resort (Fund 452, Department 3200, Unit 8565, Appropriations Unit PFP060) to cover the additional fees for FY 2024. The proposed not to exceed amount of $467,788 is intended to allow services to continue in future fiscal years.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
The recommended action supports the Board of Supervisors' Strategic Initiatives as indicated below. Providing solid waste containers, and collection of solid waste and recycling generated from camping and use of the property is a required service.

EVENT AGREEMENT

This Event Agreement between Ferrari North America, Inc., owner and operator of the Ferrari Challenge Series, to include Corse Clienti, (the "Series") with its principal place of business located at 250 Sylvan Ave., Englewood Cliffs, NJ 07632 and the County of Monterey (the "Promoter") with its principal place of business at 168 W. Alisal St., 3rd Floor, Salinas, CA 93901 is entered and is effective as of July 27, 2023. Series and Promoter may be referred to herein as "party", or collectively as the "parties."

RECITALS

WHEREAS Series is wanting to conduct a Sports Car Type Road Racing Event at WeatherTech Raceway Laguna Seca (the “Facility”) and

WHEREAS Promoter owns and/or controls the Facility and wishes to have Series conduct a road racing event (the “Event”), at the Facility.

WHEREAS Series is willing to conduct the Event in accordance with the terms and conditions of this Event Agreement along with the exhibits as set forth below and constituting the Agreement.

NOW, THEREFORE, Series and Promoter, in consideration of the mutual promises set forth below and for other good and valuable consideration the receipt and adequacy of which is hereby acknowledged, and intending to be legally bound, agree as follows:

AGREEMENT

1. The Agreement. The Agreement shall consist of this Event Agreement and the following exhibits as though such exhibits were set herein in their entirety:

1. Exhibit A: Event Summary
2. Exhibit B: Series Obligations
3. Exhibit C: Sponsorship Obligations
4. Exhibit D: Promoter Obligations
5. Exhibit E: Advertising and Use of Registered Trademarks
6. Exhibit F: Insurance and Indemnification
7. Exhibit G: Approved Caterers
8. Exhibit H: Agreement Fee Breakdown

2. Obligations of the Parties. The parties agree to be bound by the obligations and responsibilities as set forth in this Agreement.

DocuSign Envelope ID: 1BB931FE-3EF1-4961-BE40-E191D6EC443E

3. Designation of Promoter Agent. In its discretion, the Promoter may designate an agent to act on behalf of the Promoter with respect to the obligations and responsibilities set forth in this Agreement.

1. Despite any election to designate an agent, the Promoter remains responsible for all final decisions, rights, and obligations under this Agreement.

2. The Promoter, in its sole discretion, may revoke any agency designation or replace its agent upon 60 days' notice as provided for herein.

4. Events of Default. For purposes of this Agreement, the following constitutes a "Default":

4.01 Failure of either party to abide by the terms and conditions of this Agreement.

2. Failure of either party to take such actions, or refrain from taking actions, as may reasonably be requested by the other party in accordance with this Agreement.

3. Any act, omission or condition expressly described in this Agreement as giving either party the right to terminate this Agreement or the sanction granted by this Agreement.

4. A change, material or otherwise, in the ownership, control or management of either party, unless otherwise expressly permitted by this Agreement or consented to in writing between the parties.

5. A statement by either party that it is not or will not be able to pay its debts as they become due; an application or agreement by either party for the appointment of a receiver or trustee in liquidation; a general assignment by either party for the benefit of creditors; the filing by either party of a voluntary petition in bankruptcy or a petition seeking reorganization or an arrangement of creditors under any bankruptcy law; the filing by another person or entity of a petition under any bankruptcy law that makes either party, or the adjudication of either party, a bankrupt under any bankruptcy law.

5. Termination

1. Notice of Termination by either party is effective as of the date the notice is received. Series may not cancel Event inside of 90-days prior to the event. Termination inside of 90-days will result in a loss of the full base Event fee unless cancelation is due to local, county, and/or state health official directives due to ongoing global health concerns. If Series cancels the event of their own volition within the 90-day period and without Promoter requirement, the Promoter will retain the full base Event fee paid to date.

2. Default Caused by Promoter: If there is a Default caused by Promoter, at its option Series may, by written notice to Promoter:

i) Terminate this Agreement or the sanction granted by this Agreement.

DocuSign Envelope ID: 1BB931FE-3EF1-4961-BE40-E191D6EC443E

ii) Require that the Promoter to hold harmless the Series, its Board, officers, agents, and employees from any loss resulting from Promoter's Default.

5.03 Default Caused by Series: If there is a Default caused by Series, at its option Promoter may, by written notice to Series:

i) Terminate this Agreement and withhold from any payments due under this Agreement.

ii) Require that the Series to hold harmless the Promoter, its Board, officers, agents, and employees from any loss resulting from Series' Default.

5.04 Promoter's Rights and Remedies Upon Termination:

i) Upon Termination, Series shall promptly comply with all monetary obligations that have accrued as of the effective date of termination.

ii) All other terms and conditions of this Agreement shall survive such termination.

iii) Nothing in this Article shall be construed to limit Promoter's other rights or remedies.

6. Indemnification.

1. Promoter shall indemnify and hold Series harmless from any and all claims, allegations, demands, obligations, suits, actions, causes of action, proceedings, damages, and costs of any nature arising out of the negligent or improper act(s) of Promoter, the Event or this Agreement, except to the extent that such claim, allegation, demand, obligation, suit, action, cause of action, proceeding, right, damage or cost arises out of the negligent or improper act(s) of Series.

2. Series shall indemnify and hold Promoter, its board, officers, agents, and employees harmless from any and all claims, allegations, demands, obligations, suits, actions, causes of action, proceedings, rights, damages, and costs of any nature arising out of the negligent or improper act(s) of Series, except to the extent such claim, allegation, demand, obligation, suit, action, cause of action, proceeding, right, damage or cost arises out of the negligent or improper act(s) of Promoter.

7. Notice. Unless otherwise permitted herein, notice required by the Agreement shall be given by overnight mail or other express service, postage prepaid, addressed as follows:

1. TO SERIES: Matthew Dusenberry, Series Manager, Ferrari North America, 250 Sylvan Ave., Englewood Cliffs, NJ 07632 with a copy to Gianfranco G Mitrione, Vice-President and General Counsel at the same address.

2. TO PROMOTER: Any notice required to be sent to the Promoter shall be addressed to the Promoter's agent as designated in Exhibit A with a copy to the Promoter

DocuSign Envelope ID: 1BB931FE-3EF1-4961-BE40-E191D6EC443E

addressed to County of Monterey, Ryan Bell, Parks Administrative Operations Manager (Laguna Seca), 1441 Schilling Place, 2nd Floor, Salinas, CA 93901.

i) Promoter Agent: John Narigi, President/GM, Laguna Seca Recreation Area, 1021 Monterey Salinas Highway, Salinas, CA 93908

7.03 Either party may change the person(s) or locations to which notice must be given pursuant to this Section, by providing written notice to the other party in accordance herewith.

8. Entire Agreement. This Agreement constitutes the entire agreement between Series and Promoter. All previous communications and negotiations between Series and Promoter, whether oral or written, not contained herein are hereby withdrawn and void.

9. Amendments. This Agreement may not be amended or modified except in writing and signed by both parties.

10. Assignment; No Joint Venture and Related Matters. A party may not assign its rights or delegate its obligations under this Agreement without the prior written consent of the other party, except as otherwise expressly permitted by this Agreement. The rights and obligations contained in this Agreement shall bind and inure to the benefit of the parties and their respective successors and permitted assigns. Nothing in this Agreement will be construed to place Series in the relationship of a partner or joint venture with Promoter. Neither party may or has power to obligate or bind the other party in any manner other than as expressly provided for in this Agreement.

11. Construction of Agreement. The Promoter and Series agree that each party has fully participated in the review and revision of this Agreement and that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Agreement or any amendment to this Agreement.

12. Authority. Any individual executing this Agreement on behalf of the Promoter or the Series represents and warrants hereby that he or she has the requisite authority to enter into this Agreement on behalf of such party and bind the party to the terms and conditions of this Agreement.

13. Governing Law, Jurisdiction and Related Matters. This Agreement shall be governed by and construed according to the laws of the State of California applicable to agreements made and to be performed therein (without giving effect to the conflict of law provisions of such jurisdiction). With respect to any litigation, dispute(s) and/or claims between the parties regarding the Event and/or this Agreement, venue shall lie solely in Monterey County, CA, and all parties hereto consent to service of process by, and the personal and subject matter jurisdiction of, the California Superior Courts in and for Monterey County, California.

14. Force Majeure. Neither party shall be liable to the other for delay in the performance of this Agreement, or for any delay, shortening or cancellation of any race event ("Altered Event"), or for any damages suffered by such other party, to the extent any delay, Altered

DocuSign Envelope ID: 1BB931FE-3EF1-4961-BE40-E191D6EC443E

Event or nonperformance is due to causes beyond the control of the first party, including but not limited to, acts of God, war, terrorism, civil strife, conditions of serious threat to health or safety, rain, fire, strikes, boycotts or similar refusal to participate (included by Event participants), inclement or severe weather (including lightning strikes), power outages, pandemic or inability to obtain necessary labor or materials. In the event of Force Majeure, Series shall receive full compensation of fees paid, minus net reasonably incurred and verified hard costs of fulfillment at the date of the Altered Event.

DocuSign Envelope ID: 1BB931FE-3EF1-4961-BE40-E191D6EC443E

IN WITNESS WHEREOF, this Agreement has been read and signed by the duly authorized representative of each party, on the dates set forth below.

Exhibit B

SERIES OBLIGATIONS

Series shall be responsible for the following:

1. Overall Fee for Event. $473,975

2. Revenue:

    1. Promoter has the right for sponsorship sales providing there are no direct conflicts with Series sponsors, to be mutually agreed upon. Current lists to be provided to each party no later than January 1, 2024.

    2. Promoter has the right to execute and retain all car corral and parking sales. With free parking already included to Ferrari for participants, staff, hospitality guests, Ferrari car corrals. No other car brand may have a car corral.

    3. Promoter shall receive 100% proceeds from all general public ticket sales.

    4. Series shall retain twelve (12) Campsites (designated by Promoter), with full hook-ups for internal use. Promoter shall have access to all remaining camping sites and camping areas for individual Camping Revenue. Promoter shall retain ALL revenue from camping.

    5. Promoter retains the right to source and contract food and beverage vendors for the event. Promoter will allow year-round food and beverage sponsors (with event footprint assets) their agreed upon footprints within the Event. Promoter will keep 100% of the revenue from all food and beverage Vendors, including Bear & Flag. All equipment needs for Vendor use, including tent, shall be at the expense of the Promoter.

    6. Series will be required to purchase beverages through Promoter's preferred beverage partner for resale. Series will keep 100% of revenue generated through non-alcohol beverage sales during the event. Promoter retains 100% of all alcohol sold during event to general admission ticket holders. All equipment needs for Vendor use, including tent, shall be at the expense of the Promoter.

3. Conduct and Control Over Event. Series shall conduct the Event, through its officials and personnel, in accordance with this Agreement. Series shall have sole control over the conduct of the on-track activities of the Event. Series will work together with Promoter on guidance and recommendations on paddock design and set-up. Series is responsible for the Paddock layout and design. Promoter to provide generic AutoCAD file for Series creation of Paddock layout and design.

4. Participant Accident Insurance. Series is responsible for providing participant accident coverage for all Series sanctioned activity, including but not limited to all on-track

DocuSign Envelope ID: 1BB931FE-3EF1-4961-BE40-E191D6EC443E

participants, officials, course marshals and all Series credentialed personnel. This proof of coverage needs to be received by the Promoter no later than March 31, 2024.

5. Fire and Medical Equipment and Personnel. Series shall be responsible for all costs associated with medical and fire personnel, equipment and services, including without limitation, and at Series expense, cleanup crews, towing and flatbed wreckers, for fire protection and on-site medical services for competitors, officials, the public and others in connection with the Event during the regularly scheduled hours as included in the overall Fee – if overtime takes place, Series is responsible for additional fees. Promoter shall make advance arrangements with local hospitals and physicians for the prompt, efficient and appropriate treatment of any and all injuries occurring during the event. For purposes of clarity throughout this Agreement, the reference to required Promoter supplied assets, personnel, equipment and resources shall be understood to be "minimums", and this shall be especially true with respect to medical, ambulance, safety and fire suppression matters at the Track.

1. For the Track and Related Areas: There shall be a minimum of two (2) properly trained corner workers per flagging station, with a full complement of road racing flags, a fully charged 10lb multi-purpose fire extinguisher, and radio with closed ear headsets for direct communication with race control, at each such station.

2. For Fire and Rescue: There shall be a minimum of two (2) fire-rescue vehicles with suitable fire extinguishing equipment and properly trained crews. There shall be at least one extraction/cutting tool to be located on one of the trucks.

3. Recovery Vehicles: Minimum of two (2) roll back vehicle recovery trucks and one conventional tow (lift) truck required.

4. For Ambulance Resources: A minimum of two (2) properly staffed ALS-1 or ALS-2 (the highest level available, full life support, per state requirements) ambulances dedicated exclusively to the racetrack activities.

5. Spectator Ambulance:
   i) Promoter to provide one (1) properly staffed ALS-1 or ALS-2 (the highest level available, full life support, per state requirements) ambulance for spectator area assignment during Event days (Friday through Sunday) at the expense of the Promoter.

5.06 Emergency Dispatch Personnel:
   i) Promoter shall have present during the Event a paddock ambulance dispatch person to respond to any incidents within the paddock or facility. This person shall have a detailed familiarity with the facility, the track and track operations.

   ii) Series shall provide an emergency vehicle dispatch person for all on-track ambulances, rescue and safety crews.

DocuSign Envelope ID: 1BB931FE-3EF1-4961-BE40-E191D6EC443E

7. Security for Pit, Paddock and Garage Areas: Promoter shall furnish adequate volunteer security personnel and equipment in the pit, garage/paddock and adjoining areas. Promoter shall limit access to the pit area before, during and after the Event solely to authorized individuals and equipment. Promoter is solely responsible and liable for the actions of security personnel, provided.

8. Security for Hospitality: Specific areas to be utilized by Series or their guests that require security, Series would provide at Series expense.

6. Awards. Series shall be responsible for paying all purse awards. Series is responsible for podium, podium activities, champagne, and any other costs associated to award presentations.

7. Timing and Scoring. Series shall provide and be responsible for all timing and scoring requirements.

8. Radio Transmissions. Series will provide Promoter a list of all radio frequencies to be used by teams, officials, and other Series personnel for the Event two weeks prior to the Event. Series understands that if such reported radio frequencies are not legal or conflict with any licensed frequencies in Monterey County, Series will require their participants to change to a legal, licensed frequency prior to arriving at the track.

9. Trophies. Series shall be responsible for all trophies and prizes.

10. Series Operations.
    1. Series is required to manage its own operations.

    2. Series is required to perform all technical and safety inspections.

    3. Series shall provide a race steward and a pit lane steward as well as race officials who will be in charge while on-track activities are taking place.

    4. Series is required to perform registration and related administrative functions for all employees and participants/entrants

    5. Registration will be located at Series chosen location at Series cost.

11. Track Announcer and P.A. System: Series shall provide an announcer for all on-track activity and podium and be responsible for the cost of the P.A. system to be used for the event as included in the overall fee. P.A. System available to operate Friday, Saturday, and Sunday and live commentary to be provided by Series Saturday and Sunday.

12. Additional Signage: Series shall have the opportunity to sell additional signage and sponsor-related entitlements beyond items listed in Exhibit C.

13. Entry fees: Series shall retain all participant and crew entry revenue as outlined in Exhibit "A".

DocuSign Envelope ID: 1BB931FE-3EF1-4961-BE40-E191D6EC443E

14. Contractors and Suppliers: Series is required to use track approved contractors, caterers, vendors, and suppliers. A flat $5,000 administrative fee is to be charge by Promoter for utilizing all caterers, contractors, vendors and suppliers. If Series determine they wish to secure their own caterer a $15,000 buyout fee will be assessed to the Series at Series expense.

15. Event related equipment rentals: Series shall cover the costs of all equipment and order through track approved equipment partners, including but not limited to generators, electrical hook-ups, I.T. requirements, tents, tables, chairs and any associated permits as included in the overall fee.

End Exhibit B

DocuSign Envelope ID: 1BB931FE-3EF1-4961-BE40-E191D6EC443E

EXHIBIT C

SPONSORSHIP OBLIGATIONS

The parties shall have the following rights and obligations with respect to sponsorships:

1. Promoter will provide an inventory of available signage for the series to sell and utilize – included below. Series is required to use the authorized track signage provider for all signage and installation.

- Two 7'x42'Turn 2 Hairpin Billboard signs
- Two (2) 12'x72' Turn 3 Billboards
- Tire Bridge structure
- Catch-Fence Billboards
  - Turn 2, Turn 3, Turn 4, Turn 5, Turn 8, Turn 9, Turn 10,
- Two (2) 8'x100' Turn 7 "wire bridge" Billboards
- Two hundred (200) 30"x12' trackside concrete or tire barrier signs
- Four (4) 12'x24' Corkscrew Billboards
- Unlimited Trackside A-Frames

*Any future developed signage locations or unique opportunities to be discussed in advance for inclusion. At time of agreement, WeatherTech and Mission Foods signage must remain in current location.

1. Series is responsible for all costs associated with Series related signage, including design, production, installation, and removal. If required, reinstallation of Promoter's established signage.

2. Promoter shall provide Series with a track-approved and insured signage installation vendor to negotiate rates and services with. Series is responsible for all associated costs.

2. Promoter Sponsors and Signage: Series understand that Promoter retains signage locations throughout the Track and Facility for year-round sponsors, and retains the right to those locations and branding, regardless of possible conflict with Series sponsors ("Promoter Sponsors").

2.01 Notwithstanding anything in this agreement to the contrary, Promoter shall retain the right to display on-track branding of WeatherTech Raceway Laguna Seca's Official Sponsors, including WeatherTech and Mission Foods, as they remain in a year-round placement.

3. Vendors: Series shall have the opportunity to sell exhibit and product vendors. Vendors must comply with California codes and provide a resale license.

End Exhibit C

DocuSign Envelope ID: 1BB931FE-3EF1-4961-BE40-E191D6EC443E

EXHIBIT D

PROMOTER OBLIGATIONS

Promoter shall be responsible for the following:

1. Control and Maintenance of the Facility. Promoter represents and warrants that, in connection with the Event, it currently has and will maintain sole control of the Facility, and that it has and will maintain full authority to permit the Event to be conducted at the Facility in a timely manner. Promoter shall maintain the Facility in good repair at all times applicable to the Event, ready for use. Promoter shall be responsible for the safety of such persons while on the Facility. Promoter warrants that the Facility is and will remain in a condition suitable for the Event, as accepted on the effective date of this Agreement or such other approval date as the parties may agree upon in writing.

2. Compliance with Laws. Series and Promoter shall comply with all local, state and federal laws and regulations applicable to the organization, promotion and occurrence of the Event, and Promoter shall obtain in a timely manner all necessary licenses, permits or other governmental approvals required for the Event. Promoter shall be solely responsible for compliance with any and all federal, state or other tax information, reporting and withholding obligations (including, but not limited to, Federal Form 1099) with amounts payable with respect to the Event and the competitors therein. Series required to follow all health protocols and guidelines mandated by State and County for general public safety.

3. Control of and Responsibility for the Public. Promoter is solely responsible and liable for the safety of the public during the Event. Promoter shall furnish adequate facilities, personnel (including security personnel), equipment and services for accommodating and controlling the public during the Event. In connection with these responsibilities, Promoter shall ensure that the movement of the public through the paddock and related areas shall be carefully configured so as to safeguard the public while not interfering with the Event, or the activities of the Event competitors and participants.

4. Business Responsibilities Relating to Promotion: Promoter shall perform all obligations imposed on it by this Agreement, including all obligations to provide cooperation, tickets, passes, services, support equipment and the like at its own expense, without contribution by Series unless otherwise expressly stated in this Agreement and/or in any subsequent letter agreement or exhibit appended hereto. Promoter assumes and will perform all of its business responsibilities in connection with this Agreement and the promotion of the Event, in a first-class manner.

5. Event Insurance: Promoter shall obtain and maintain public liability insurance for the Event for (i) spectator injury and property damage and (ii) participant legal, pit, track, product liability and medical malpractice, with a minimum combined single limit equal to but not less than $10,000,000.00 per occurrence. (To be confirmed based on 2024 Promoter requirements).

DocuSign Envelope ID: 1BB931FE-3EF1-4961-BE40-E191D6EC443E

6. Miscellaneous Promoter Rights and Obligations:

1. Provide adequate parking areas (which have been commonly and previously used to host this and other events of comparable size) and parking passes/permits. For the foregoing purposes, three (3) weeks in advance of the Event, Promoter shall furnish Series with accurate plans, engineering and scale drawings, maps, dimensions and the like for said paddock, garage, pit, parking and related areas. In all areas allocated to Series for the conduct of the Event such as, by way of example but not limitation, the paddock, garage, pit stalls and related areas.

2. Honor the series credentials.

3. Provide suitable public address system with two (2) wireless microphones for the purpose of making competitor announcements throughout the garage, pit and paddock areas. Series responsible for cost to operate system through track approved public address operator

4. Provide suitable staff or volunteer personnel to secure the pits as designated by Series, and the garage/paddock area on a continuous, 24-hour/day basis beginning the first day the Facility is open to Series personnel or competitors and ending on Sunday evening of the event.

5. Ensure that the pit lane shall be properly marked and painted in a manner acceptable to Series for its anticipated entrants.

6. Promoter shall work and coordinate with Series in arrangements and activities which will enhance the Event and further the interests of the Series through activities such as: adequate track time for VIP pace car rides; VIP access to the starter-stand throughout the Event weekend; and the like.

7. Promoter shall market and promote the event as a small event similar to other events on the season schedule to include but not limited to:

   i) Being added to the Season Schedule and all associated marketing material

   ii) Included on WRLS website as an Official Event including ticket sales page

   iii) Promoted similar to other events on the Season Schedule through all channels

   iv) Will produce and coordinate official press release, social media posts, and incorporate the event into regularly scheduled marketing plans developed for the year.

6.08 Provide a meeting room or covered space for drivers' meetings with a minimum capacity of 100 chairs and additional standing room, determined location is the Newman Building – 4-Bay.

DocuSign Envelope ID: 1BB931FE-3EF1-4961-BE40-E191D6EC443E

6.09 Sanitation Services: Trash and sanitation service to be handled by Promoter at Promoter expense.

End Exhibit D

DocuSign Envelope ID: 1BB931FE-3EF1-4961-BE40-E191D6EC443E

EXHIBIT E

ADVERTISING AND USE OF REGISTERED MARK

1. Cross Trademark Licenses:

1.01 Grant of License by Series. Series hereby grants to Promoter a non-transferable, non-exclusive, royalty-free license to use, strictly in accordance with the terms and conditions of this Agreement, the Series Marks in connection with the publicity, promotion, merchandising and advertising of the Event, and only upon the prior written approval of Series, which shall not be unreasonably withheld. This license shall terminate upon the expiration or termination of this agreement.

i) Terms and Conditions of Use. Promoter shall display the Series Mark in all publicity, advertising and promotion relating to the Event, and only upon the prior written approval of Series, which shall not be unreasonably withheld

ii) Indemnity. Series hereby agrees to indemnify Promoter from any claims or loss arising out of Promoter's use of the Series Marks or Official Logos in strict accordance with the terms and conditions of this Agreement.

1.02 Grant of License by Promoter. Promoter hereby grants to Series a non-transferable, non-exclusive, royalty-free license to use, strictly in accordance with the terms and conditions of this Agreement, Promoter's marks in connection with publicity, promotion and advertising of the Event. Any use of the Promoter's marks must be approved by Promoter, such approval not being reasonably withheld. This license shall terminate upon the expiration or termination of this Agreement. Guidelines for use shall be provided by the Promoter.

i) Terms and Conditions of Use. Series shall have the right to use and sublicense Promotor's marks in connection with publicity, promotion or advertising of the Event, however, the Series shall not, without the prior written consent of Promoter, use or sublicense the use of Promoter's marks on the branding of any retail package product, unless otherwise expressly permitted in this Agreement. Any use of Promoter's marks must be pre-authorized by Promoter.

ii) Limited Authorization. This license does not authorize Series to use Promoter's marks in its corporate business or firm name and title nor to use or permit the use of Promoter's marks other than in accordance with the terms and conditions of this Agreement.

iii) Indemnity. Promoter hereby agrees to indemnify Series from any claims or loss arising out of Series use of Promoter's marks in strict accordance with the terms and conditions of this Agreement.

DocuSign Envelope ID: 1BB931FE-3EF1-4961-BE40-E191D6EC443E

1.03 Misrepresentations. Neither Promoter nor Series shall make any misrepresentations in connection with publicizing, promoting or advertising the Event.

1.04 Series shall refer to the raceway as WeatherTech Raceway Laguna Seca at all times.

End Exhibit E

DocuSign Envelope ID: 1BB931FE-3EF1-4961-BE40-E191D6EC443E

EXHIBIT F

INSURANCE AND INDEMNIFICATION

INSURANCE REQUIREMENTS: Series, at its own expense, shall provide Primary Insurance Coverage for the Event as follows:

1. EVENT GENERAL LIABILITY MINIMUM COVERAGE REQUIREMENTS: (To be confirmed based on 2024 Promoter requirements).

Coverage:	Minimum Required Limit:
Bodily Injury and Property Damage Liability	$10,000,000 Each Occurrence Limit (including Contractual Liability, written and oral)
Damage to Rented Premises (or Fire Legal)	$300,000 per occurrence
Medical Expense	None
Personal and Advertising Injury Liability	$10,000,000 per occurrence
General Aggregate Limit (Including Spectators)	None (Per Event is acceptable) (No Annual Agg)
Products-Completed Operations Aggregate	$10,000,000
Legal Liability to Participants	$20,000,000 per occurrence (No Annual Agg) (Including Participant to Participant coverage)
Official Vehicle Property Damage	$100,000 per occurrence
Racing Errors and Omissions Coverage	$100,000 per occurrence (No Annual Agg)
Liquor Liability	$10,000,000 per occurrence (Host at Minimum)
Medical Professional Liability	$10,000,000 per occurrence (Excess Acceptable)
Directors', Officers' & Stewards' Errors and Omissions	$100,000 Minimum Age of Participant Must State the minimum age permitted

i. Series' General Liability coverage is to be shown as Primary on the Certificate. The Certificate must state: "This insurance is primary and non-contributory to any other insurance available to the additional insureds."

ii. Coverage must waive subrogation as respects the additional insureds.

iii. Series shall provide to Promoter a certificate of insurance evidencing the required coverages no later than forty-five (45) days prior to the Event to be insured. Upon Promoter's request Series shall provide full copies of all applicable insurance policies.

DocuSign Envelope ID: 1BB931FE-3EF1-4961-BE40-E191D6EC443E

iv. General Liability and Umbrella policies need to be placed with a carrier at least A Rated by A.M. Best.

v. The policy shall designate as "additional insureds" the: (1) County of Monterey, its officers, agents, and employees; (2) A&D Narigi Consulting LLC, its officers, directors, agents and employees, and (3) those entities and names listed in Exhibit F-1, if any.

vi. The certificate of insurance and policy agreement should list any deductibles Series might be responsible to pay or reimburse.

vii. If a satisfactory certificate is not received by a date forty-five (45) days prior to the scheduled commencement of the Event to be insured, Promoter shall have the right, but not the obligation, to cause the Event to be insured for liability under the current Promoter Insurance Plan. Certificates evidencing such coverage and a billing for the appropriate premium charge therefore shall be sent to the Event organizers/promoters. In case the premium charge is unpaid by a date fourteen (14) days prior to the scheduled commencement of the event, Promoter may cause the Event to be cancelled.

2. PARTICIPANT ACCIDENT COVERAGES: Series shall be responsible for providing accident coverage for its participants including officials, workers, and volunteers.

3. REPRESENTATIONS AND WARRANTIES:

a. Series represents and warrants to Promoter that it has the full right and authority to enter into this Agreement, perform its obligations under this Agreement, grant all of the rights granted by it under this Agreement, and that the execution and delivery of this Agreement by Series has been duly authorized. This Section 3.a shall survive expiration or termination of this Agreement.

b. Promoter represents and warrants to Series that it has the full right and authority to enter into this Agreement, perform its obligations under this Agreement, grant all of the rights granted by it under this Agreement, and that the execution and delivery of this Agreement by Promoter has been duly authorized. The Promoter does further represent and warrant to Series that the Track is fit, and operational for the purposes of this Agreement. This Section 3.b shall survive expiration or termination of this Agreement.

County of Monterey

Board Report

Legistar File Number: A 23-563

Item No.

Board of Supervisors
Chambers
168 W. Alisal St., 1st Floor
Salinas, CA 93901

January 09, 2024

Introduced: 12/5/2023
Version: 1

Current Status: Agenda Ready
Matter Type: BoS Agreement

Approve and authorize the Monterey County Laguna Seca Representative to execute an Event Agreement between Ferrari North America, Inc., and the County of Monterey for the right to conduct a sports car type road racing event at WeatherTech® Raceway at Laguna Seca in calendar year 2024 event season.

RECOMMENDATION:
It is recommended that the Board of Supervisors:
Approve and authorize the Monterey County Laguna Seca Representative to execute an Event Agreement between Ferrari North America, Inc., and the County of Monterey for the right to conduct a sports car type road racing event at WeatherTech® Raceway at Laguna Seca in calendar year 2024 event season.

SUMMARY/DISCUSSION:
Ferrari North America, Inc. ("Ferrari North America") wishes to enter into a one-year Event Agreement to conduct Ferrari Racing Days, a sports car type road racing event, at WeatherTech® Raceway at Laguna Seca on May 17-19, 2024.

This single-marque series attracts Ferrari fans and owners alike. Since 1993 this famous single automaker and their championship racing events has placed unique cars and very special customers on the most beautiful racetracks in the world.

This is the only Ferrari Challenge round on the West Coast and gives Ferrari enthusiasts the opportunity to see the latest offerings from the Italian manufacturer along with world-class racing. Ferrari Racing Days can be enjoyed by all and feature exciting race action, a paddock full of beautiful cars, and fan activities over the course of the weekend.

Ferrari Racing Days is a comeback event to the WeatherTech® Raceway at Laguna Seca racing season schedule, with their last event held in 2019.

OTHER AGENCY INVOLVEMENT:
The Office of County Counsel and Auditor-Controller's Office reviewed and approved the proposed Agreement as to form and fiscal provisions, respectively. The office of Risk Management reviewed and approved the insurance coverage and limits.

DocuSign Envelope ID: 31298620-B71A-4638-84E0-C35CB81C2BFB

FINANCING:
This is a revenue generating event with agreed Sponsorship fees of $473,975 to be paid by Ferrari North America in two equal installments prior to the Event date. The County will also receive all ticket sales and camping sales revenue. This agreement is anticipated to be included in the agreements to be assigned and assumed by Friends of Laguna Seca, whose Concession Agreement with the County was recently approved by the Board, upon completion of various transition requirements.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
The recommended action supports the Board of Supervisors Strategic Initiatives for Economic Development and Administration.

3. Increase appropriations by $503,067 in General Fund, Fund 001, Facility Services Appropriation Unit PFP054, financed by a transfer in from Fund 478-BIR, Appropriation Unit CAO047. (4/5ths vote required).
b. Authorize and direct the Auditor-Controller to transfer $5,368,280 from Fund 478-BIR, Appropriation Unit CAO047 to Capital Projects, Fund 404, Appropriation Unit PFP057 ($4,865,213) and General Fund, Fund 001, Facility Services Appropriation Unit PFP054 ($503,067). (4/5ths vote required).

SUMMARY:
Public Works, Facilities and Parks (PWFP) is the lead for managing the County's Capital Projects and Facilities Maintenance budgets. Often annual Capital Project Funds and Facility budgets require a *true-up* to adjust appropriations for estimates made during budget development in March. This year, the March 2023 storms caused project delays impacting projected budget estimates, and delays with receiving equipment ordered have caused projects to roll into the next fiscal year. The *true-up* does not increase a project's overall budget (revenue or expenditures).

The Capital Projects, Fund 404, is used to account for financial resources and expenditures used for the construction of Board-approved capital facility projects over $1 million. PWFP identified seventeen (17) capital projects that need appropriation modifications totaling $9,523,444. Federal Aid Reimbursements, Building Improvement and Replacement (Fund 478-BIR) Unrestricted Net Position and Capital Projects (Fund 404) Unassigned Fund Balance are the financing sources for the requested appropriation increases.

In Fiscal Year (FY) 2022-2023, $903,000 was allocated from Fund 478-BIR for unscheduled maintenance projects in General Fund - Facility Services. At the end of FY 2022-23, there was $503,067 remaining with several projects in process not yet finalized by June 30, 2023. PWFP requests to use the entire $503,067 remaining allocation for six (6) rollover projects. Building Improvement and Replacement Fund Unrestricted Net Position is the funding source for the unscheduled maintenance allocation. PWFP anticipates bringing forward the Schilling Place Emergency Generator project, which was not completed in FY 2022-23, once the budget estimate is finalized.

DocuSign Envelope ID: 626B8E33-C10F-4AC2-B9CE-7AE122133DEF

Attachment A provides an overview of the FY 2023-24 Adopted Budgets for Fund 404 Capital Projects and General Fund - Facility Services and the proposed appropriation modifications necessary to complete the projects.

OTHER AGENCY INVOLVEMENT:
This report was reviewed by the County Administrative Office Budget & Analysis Division. This item went to and was supported by the Budget Committee at their October 25, 2023 meeting.

FINANCING:
If approved, the recommended action will modify the FY 2023-24 Adopted Budget, increasing Fund 404, Appropriation Unit PFP057, appropriations by $9,523,444, financed by the Unassigned Fund Balance $3,836,297, Fund 478-BIR Unrestricted Net Position $4,865,213 and Federal Aid Reimbursement $821,934; and General Fund 001, Appropriation Unit PFP054, appropriations by $503,067 financed by Fund 478-BIR Unrestricted Net Position. Approval of the recommendation will not modify overall approved project budgets or require any additional funding from the General Fund. This request will only increase appropriations and revenues to align fiscal year expenditures incurred and revenues earned.

Matter Type: BoS Agreement

a. Approve and authorize the Contracts/Purchasing Officer or designee to execute Amendment No. 3 to Standard Agreement No. A-14567 between the County of Monterey and A & B Fire Protection and Safety, Inc., for fire sprinkler suppression system services including annual inspections, testing, maintenance services and on-call repairs, to renew and amend the agreement to add an additional one (1) year from December 1, 2023 to December 1, 2024, for a new term of December 2, 2019 through December 1, 2024 and increase the not to exceed amount by $100,000, for a total not to exceed amount of $615,310; and
b. Authorize the Contracts/Purchasing Officer or designee to execute, subject to prior review and approval as to form by the Office of the County Counsel-Risk Management, up to two (2) additional amendments to this Agreement, each extending the term by one year, with no increase in the not to exceed amount.

RECOMMENDATION:

a. Approve and authorize the Contracts/Purchasing Officer or designee to execute Amendment No. 3 to Standard Agreement No. A-14567 between the County of Monterey and A & B Fire Protection and Safety, Inc., for fire sprinkler suppression system services including annual inspections, testing, maintenance services and on-call repairs, to renew and amend the agreement to add an additional one (1) year from December 1, 2023 to December 1, 2024, for a new term of December 2, 2019 through December 1, 2024 and increase the not to exceed amount by $100,000, for a total not to exceed amount of $615,310; and
b. Authorize the Contracts/Purchasing Officer or designee to execute, subject to prior review and approval as to form by the Office of the County Counsel-Risk Management, up to two (2) additional amendments to this Agreement, each extending the term by one year, with no increase in the not to exceed amount.

SUMMARY/ DISCUSSION

Keeping fire suppression systems in good working order and performing all required inspections is critical to public and staff safety in County owned buildings and facilities. Under this Agreement, A & B Fire provides specialized fire pump testing and calibration, water system pressure analysis, 24/7 on-call emergency service, maintenance and repairs and other services as needed by the County.

The Agreement for fire sprinkler suppression system services was awarded in December 2019 after a competitive solicitation process. The Agreement was subsequently amended to extend the term through December 1, 2023 and increase the not exceed amount to $615,310. The proposed amendments would allow staff to maintain required fire suppression services and ensure staff and

DocuSign Envelope ID: 7C3BDF37-6DF9-4B84-9657-B97B69E3F802

public safety for the next several years. The not to exceed amount is increased to cover potential emergency repairs and reduce the need for Emergency Purchase Orders. Regular inspection services are not expected to use the entire Not to Exceed amount.

OTHER AGENCY INVOLVEMENT:
The Office of the County Counsel has reviewed and approved Amendment No. 3 as to form. The Auditor-Controller's Office has reviewed proposed Amendment No. 3 as to fiscal provisions.

FINANCING:
There is no minimum guaranteed work under this Agreement. Funding for individual work orders is verified within the approved budget allocations prior to commencement of work.

For Public Works, Facilities and Parks, funding is held within the approved budget allocations for General Fund, 001 Facility Services Appropriation Unit PFP054. The proposed not to exceed amount of $615,310 for Agreement No. A-14567 is intended to allow services to continue in future fiscal years.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
The Board's approval of Amendment No. 3 will allow the County to continue to meet safety standards for County owned buildings and facilities. The recommended actions support the Board of Supervisor's Strategic Initiatives for Infrastructure and Public Safety and will enable the safe operations of County owned buildings and facilities.

PROCLAMATION OF A LOCAL EMERGENCY BY COUNTY ADMINISTRATIVE OFFICER

In the Matter of Proclaiming the Existence of a Local Emergency within the County of Monterey)
)

WHEREAS, the California Emergency Services Act (Government Code, section 8630, *et seq*.) establishes procedures for proclaiming emergencies and responding promptly to the needs that arise during emergencies; and

WHEREAS, Monterey County Code, section 2.68.060 and California Government Code, section 8630(c) empower the County Administrative Officer, or designee, to proclaim the existence of a local emergency when the County is affected by or likely to be affected by a public calamity, if the Board of Supervisors is not in session; and

WHEREAS, the Administrative Officer of the County of Monterey and ex officio County Administrator of the Monterey County Water Resources Agency, did proclaim the existence of a local emergency within the County on December 27, 2023 and does hereby find as follows:

- Coastal flood and high surf hazards threaten residents, property, critical infrastructure, and transportation systems in the County of Monterey; and
- Conditions of extreme peril to the safety of person and property arose within the area of the Carmel Lagoon in the County of Monterey caused by tidal action, river flow and flooding commencing during the early morning of December 28, 2023;
  - County Public Works crews have prepared for this event by taking protective measures;
  - Water has risen to a level that threatens the flooding of homes and residences in low lying areas near the Carmel Lagoon;
  - Flooding and coastal hazards may inundate potable water delivery systems, sewer collection systems, and other utility systems in the area; and
  - Conditions of peril exist to the safety and wellbeing of the residents living around the Carmel Lagoon as well as other nearby areas. Immediate action is necessary to address these public health and safety issues; and
- Sandbar management activities are required at the Salinas River Lagoon Mouth by Monterey County Water Resources Agency staff. From modeling results performed by the National Weather Service California-Nevada River Forecast Center, this action is necessary effective approximately January 4, 2024, due to late December 2023 storm events causing surges and high-water levels in the Salinas River Lagoon and forecasted early January 2024 storms expected to exacerbate these conditions. These conditions could lead to possible loss of life and property in areas near and adjacent to the Salinas Lagoon. Forecasted conditions may result in the following:
  - Inundation of residences, including Twin Bridges Cabin Association, Monterey Dunes Colony and Lagoon residences;
  - Loss of safe ingress and egress, including emergency service access;
  - Inundation of agricultural fields;
  - Erosion and excessive transport of sediment; and
- The foregoing conditions are or are likely to be beyond the control of the services, personnel, equipment, and facilities of the County of Monterey and the Monterey County Water Resources Agency requiring the combined forces of other political subdivisions to combat; and
- That this emergency does not permit a delay resulting from a competitive solicitation to let contracts for bids, and immediate action is necessary to respond to the emergency, and

DocuSign Envelope ID: 57758661-CD63-46AC-9DE8-7083ACEC69CD

WHEREAS, the Board of Supervisors is not in session as of the date of this proclamation; and

WHEREAS, the aforesaid conditions of extreme peril warrant and necessitate the proclamation of the existence of a local emergency and immediate action is necessary to mitigate public calamity and the other effects of local emergency.

NOW, THEREFORE, IT IS PROCLAIMED, as defined in California Government Code, section 8558(c) and Public Contract Code, section 1102 that a local emergency now exists throughout the County of Monterey:

That during the existence of said local emergency the powers, functions, and duties of the County Administrative Officer and the Emergency Organization of this County (Department of Emergency Management) shall be those prescribed by State law and the ordinances, resolutions, and approved plans of the County of Monterey in order to mitigate the effects of said local emergency; and

During the existence of said local emergency the powers, functions, and duties of the County Administrative Officer, or designee, the Sheriff's Office, Department of Public Works, Facilities, and Parks, Department of Housing and Community Development, and the Emergency Organization of the County of Monterey shall be those prescribed by State law and the ordinances, resolutions, and approved plans of the County of Monterey in order to mitigate the effects of the local emergency; and

Pursuant to Public Contract Code, sections 20134, 20395, and 22050, the Public Works Director and the General Manager of the Water Resources Agency, or their designees, are hereby authorized to engage independent contractors to complete all necessary work to mitigate the effects of said local emergency. Contracts for this work may be executed without prior Board approval of the plans, specifications, and working details, without giving notice for bids to let contracts.

SIGNED AND SUBSCRIBED at Salinas, California this 3rd day of January 2024.

Item No.

Board of Supervisors
Chambers
168 W. Alisal St., 1st Floor
Salinas, CA 93901

January 09, 2024

Introduced: 1/4/2024
Version: 1

Current Status: Agenda Ready
Matter Type: BoS Resolution

Adopt a resolution to ratify the Proclamation of Local Emergency issued by the County Administrative Officer on January 3, 2024, related to the Winter Storm Event that started on December 27, 2023, causing damage to public infrastructure and private property throughout Monterey County including the Monterey Peninsula, Carmel River, Carmel River Lagoon, Salinas River and Salinas River Lagoon, thereby causing conditions of extreme peril to the safety of persons and property nearby. (4/5ths vote required).

RECOMMENDATION:
It is recommended that the Board of Supervisors:
Adopt a resolution to ratify the Proclamation of Local Emergency issued by the County Administrative Officer on January 3, 2024, related to the Winter Storm Event that started on December 27, 2023, causing damage to public infrastructure and private property throughout Monterey County including the Monterey Peninsula, Carmel River, Carmel River Lagoon, Salinas River and Salinas River Lagoon, thereby causing conditions of extreme peril to the safety of persons and property nearby. (4/5ths vote required).

SUMMARY/DISCUSSION:
Pursuant to California Government Code Section 8630(a) the County Administrative Officer may proclaim the existence of a local emergency when the County is affected by or likely to be affected by a public calamity. The Government Code requires that an emergency proclamation be ratified by the Board of Supervisors within 7 days of its issuance, and be reviewed at least once every 60 days until the emergency is terminated.

Beginning December 27, 2023, heavy rainfall, coastal flooding, and high surf hazards threatened residents, property, critical infrastructure, and transportation systems in the County of Monterey and political subdivisions. Conditions of extreme peril to the safety of person and property arose within the area of the Carmel Lagoon in the County of Monterey caused by tidal action, river flow and flooding commencing during the early morning of December 28, 2023. Conditions of peril exist to the safety and wellbeing of the residents living around the Carmel Lagoon as well as other nearby areas.

Additionally, sandbar management activities were required at the Salinas River Lagoon Mouth by Monterey County Water Resources Agency staff to protect public health and safety. From modeling results performed by the National Weather Service California-Nevada River Forecast Center, this action was necessary effective approximately January 4, 2024, due to the above motioned storm event that caused storm surges and high- water levels in the Salinas River Lagoon and forecasted early

DocuSign Envelope ID: B59AD957-43A4-4C5A-B161-08DDBEC9C78F

January 2024 storms expected to exacerbate these conditions. These conditions could lead to possible loss of life and property in areas near and adjacent to the Salinas Lagoon. Forecasted conditions may result in the following:

- Inundation of residences, including Twin Bridges Cabin Association, Monterey Dunes Colony, and Lagoon residences; and
- Loss of safe ingress and egress, including emergency service access; and
- Inundation of agricultural fields; and
- Erosion and excessive transport of sediment; and

The foregoing conditions are or are likely to be beyond the control of the services, personnel, equipment, and facilities of the County of Monterey and the Monterey County Water Resources Agency and requiring the combined forces of other political subdivisions to combat.

The aforesaid conditions of extreme peril necessitated the proclamation of a local emergency on December 27, 2023, which was signed into effect by the County Administrator's Office on January 4, 2024. Ratification and approval of this Proclamation of Local Emergency will provide Board confirmation of, and agreement with, the Proclamation made by the County Administrative Officer. This emergency proclamation shall expire sixty days after issuance unless confirmed and extended by the governing body of the County of Monterey.

OTHER AGENCY INVOLVEMENT:
Numerous County departments and other agencies have participated in the response to the emergency including the Department of Emergency Management, Sheriff' Office, County Administrative Office, Public Works, Facilities, and Parks Department, County Counsel, NOAA-National Marine Fisheries Service, US Fish and Wildlife Services, CA Dept of Fish and Wildlife, California Coastal Commission, and the Monterey County Water Resources Agency.

FINANCING:
Financial impact to the General Fund currently is unknown.

B: Draft Resolution Ratifying the Proclamation of a Local Emergency

DocuSign Envelope ID: AE1CEF05-2308-4447-8176-85DABDE96174

Introduced: 12/14/2023 **Current Status:** Agenda Ready
Version: 1 **Matter Type:** BoS Resolution

a. Adopt a resolution to authorize the Auditor-Controller to amend the Fiscal Year 2023-24 Adopted Budget for the County Administrative Office Intergovernmental and Legislative Affairs (IGLA) -Homeless Services (001-1050-CAO004-8054) to increase appropriations and estimated revenues by $4,500,000, financed by grant revenues from the California Interagency Council on Homelessness (4/5th vote required).
b. Authorize the County Administrative Officer or designee, to execute non-standard service agreements, as necessary, and upon approval by the Board of Supervisors, to effectuate the purchase of modular units to operate a low-barrier non-congregate shelter in Watsonville, California in partnership with Santa Cruz County, in an amount not to exceed the grant award of $7,986,354.

RECOMMENDATION

a. Adopt a resolution to authorize the Auditor-Controller to amend the Fiscal Year 2023-24 Adopted Budget for the County Administrative Office Intergovernmental and Legislative Affairs (IGLA) -Homeless Services (001-1050-CAO004-8054) to increase appropriations and estimated revenues by $4,500,000, financed by grant revenues from the California Interagency Council on Homelessness (4/5th vote required).
b. Authorize the County Administrative Officer or designee, to execute non-standard service agreements, as necessary, and upon approval by the Board of Supervisors, to effectuate the purchase of modular units to operate a low-barrier non-congregate shelter in Watsonville, California in partnership with Santa Cruz County, in an amount not to exceed the grant award of $7,986,354.

SUMMARY/DISCUSSION

Under the authority of Chapter 7 of Part 1 of Division 31 of the California Health and Safety Code (sections 50250 et seq.), the Encampment Resolution Funding (ERF) Program was established to increase collaboration between the California Interagency Council on Homelessness (CAL ICH), local jurisdictions, and continuums of care (CoC's) to accomplish the following:

- Assist local jurisdictions in ensuring the wellness and safety of people experiencing homelessness in encampments, including their immediate physical and mental wellness and safety needs arising from unsheltered homelessness and their longer-term needs addressed through a path to safe and stable housing.
- Provide encampment resolution grants to local jurisdictions and CoCs to support

DocuSign Envelope ID: AE1CEF05-2308-4447-8176-85DABDE96174

innovative and replicable efforts to resolve critical encampment concerns and to support individuals to access safe and stable housing, using the Housing First approach.

- Encourage a data-informed, coordinated approach to address unsheltered homelessness at encampments by establishing, through the encampment resolution grants, effective, scalable, and replicable demonstration projects.

On February 14, 2023, the County of Monterey Board of Supervisors approved the submission of the ERF proposal in the amount of $7,986,354.26 and authorized the County Administrative Officer or designee to execute necessary documents to accept the funds, if awarded (Attachment A). On June 14, 2023, the County of Monterey was provided notice of the ERF award for the total amount requested and the executed agreement with the State was finalized on August 7, 2023 (Attachment B). The funds were received by the County on September 8, 2023.

In preparation for the receipt of the award, the Counties of Monterey and Santa Cruz partnered on an Encampment Resolution Funding project proposal to serve people living along the Pajaro River. This collaborative proposal includes the development of 34 modular units, dining room, outdoor seating area, offices, showers, and restrooms, 2 years of operations, and 5% administrative costs for the County of Monterey. This project will be located at Westview Presbyterian Church, 118 1st St, Watsonville, CA 95076. The modular units will be purchased by the County of Monterey from Dignity Moves, a private company, and transferred for a nominal fee to the County of Santa Cruz at the conclusion of the grant period in 2026.

Santa Cruz and Monterey Counties will partner to operate the shelter, and contract with a private service provider to operate the facility. Roles and responsibilities of both counties will be substantiated via Memorandum of Understanding (MOU).

OTHER AGENCY INVOLVEMENT:
The County of Monterey will enter into an MOU with the County of Santa Cruz to establish and operate a low barrier navigation center program at 118 1st St., Watsonville, CA 95076. Additional collaboration may involve the Pajaro Flood Management Agency, CSUMB's Community Health Engagement, and the Sheriff's Office to determine eligibility and process referrals. The office of the County Counsel has reviewed and approved this report. On November 29, 2023, the Budget Committee provided it's support of the recommended actions.

FINANCING
The increase of appropriations by $4,500,000 to the County Administrative Office Intergovernmental and Legislative Affairs (IGLA) -Homeless Services (001-1050-CAO004-8054) is fully financed by the California Interagency Council on Homelessness (CAL ICH) and will include 5% administrative fees. The remaining grant funds will be fully expended no later than June 30, 2026. Upon conclusion of the Encampment Resolution Funding grant period, the County of Santa Cruz will work with the service provider to identify ongoing sustainable funds. The estimated budget for the ERF award is provided in the estimated cost analysis (Attachment C).

Matter Type: BoS Agreement

Approve and authorize the County Administrative Officer or her designee to execute a Memorandum of Agreement between the County of Monterey and the Community Hospital of the Monterey Peninsula, Inc. (“CHOMP”), for the purpose of demonstrating CHOMP’s eligibility to participate in the federal drug discount 340B Program and pursuant to which CHOMP commits to provide health care services to low-income individuals who are not entitled to Medicare or Medi-Cal benefits at no reimbursement or considerably less than full reimbursement from these patients, for a term retroactive to January 1, 2024 until terminated by either Party upon not less than sixty (60) days prior written notice.

RECOMMENDATION:

It is recommended that the Board of Supervisors:
Approve and authorize the County Administrative Officer or her designee to execute a Memorandum of Agreement between the County of Monterey and the Community Hospital of the Monterey Peninsula, Inc. (“CHOMP”), for the purpose of demonstrating CHOMP’s eligibility to participate in the federal drug discount 340B Program and pursuant to which CHOMP commits to provide health care services to low-income individuals who are not entitled to Medicare or Medi-Cal benefits at no reimbursement or considerably less than full reimbursement from these patients, for a term retroactive to January 1, 2024 until terminated by either Party upon not less than sixty (60) days prior written notice.

SUMMARY

Community Hospital of the Monterey Peninsula, Inc. is a California nonprofit public benefit corporation ("CHOMP") that provides a disproportionate share of healthcare services to the Medicare/Medi-Cal population in addition to supporting many programs that benefit the indigent, uninsured, or underinsured population in Monterey County, California.
Section 340B of the Public Health Services Act, enacted in 1992, entitles certain safety-net hospitals and clinics, referred to as “covered entities,” to purchase outpatient drugs at discounted prices from drug manufacturers. Companion legislation that amended Section 1927 of the Social Security Act requires drug manufacturers to enter into a Pharmaceutical Pricing Agreement (PPA) with the U.S. Department of Health & Human Services (HHS) to provide outpatient drugs at or below a statutorily defined ceiling price as a condition of the manufacturers’ drugs being reimbursable under the Medicaid

DocuSign Envelope ID: 238B10DF-675E-408A-B59A-3F1D738ABE67

program and Medicare Part B.
Together, these two pieces of legislation launched a federal program known today as the "340B program." The 340B program is administered by the Office of Pharmacy Affairs (OPA), which is a division of the Health Resources and Services Administration (HRSA) of HHS. The intent of the 340B program is to allow covered entities serving vulnerable populations to stretch scarce federal resources as far as possible, reaching more eligible patients and providing more comprehensive care.

DISCUSSION
CHOMP desires to participate in the drug discount program established under the "340B Program. In order to participate in the 340B Program, CHOMP, as a private, nonprofit hospital, must enter into an agreement with a state or local government pursuant to which CHOMP commits to provide health care services to low-income individuals who are not entitled to Medicare or Medi-Cal benefits at no reimbursement or considerably less than full reimbursement from these patients. A written contract must exist between the hospital and state or local government to demonstrate the hospital's eligibility for the 340B Program. The written contract must be current, signed by authorized representatives of the hospital and the state or local government, and specify the hospital's obligation to provide health care services to low-income individuals.
During the term of the proposed Memorandum of Agreement, CHOMP agrees to continue its historical commitment to the provision of health care to indigent, uninsured, and underinsured residents of Monterey County, California. In 2022, this commitment totaled $8,470,000.00 of charity care provided to uninsured patients. In 2023, this commitment totaled over $11,133,000. Pursuant to this commitment, it is CHOMP's intention to provide a minimum of $10,000,000 of charity care each year. CHOMP further assures that all patients will receive necessary care, as required by law, in its Emergency Departments, regardless of ability to pay. Under the terms of the proposed Memorandum of Agreement, the County agrees to accept CHOMP's commitments on behalf of the citizens of Monterey County, California.

OTHER AGENCY INVOLVEMENT:
The Office of the County Counsel and Auditor-Controller have reviewed and approved this Agreement as to form and fiscal provisions, respectively.

FINANCING:
There is no cost associated with this Agreement.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
Improve health and quality of life through County supported policies, programs, and services; promoting access to equitable opportunities for healthy choices and healthy environments in collaboration with communities.

Current Status: Agenda Ready
Matter Type: BoS Resolution

a. Adopt a resolution in support of Measure N, the Pajaro Valley Health Care District Bond, on the March 2024 ballot.

RECOMMENDATION:
It is recommended that the Board of Supervisors adopt a resolution in support of Measure N, the Pajaro Valley Health Care District Bond, on the March 2024 ballot.

SUMMARY:
Measure N, the Pajaro Valley Health Care District Bond, will appear on the March 5, 2024 ballot. If passed, Measure N will raise $116 million to renovate, modernize, and expand healthcare services and equipment at Watsonville Community Hospital and continue to improve healthcare access and equity throughout the Pajaro Valley, southern Santa Cruz County, northern Monterey County and the Central Coast. If Measure N fails, Watsonville Community Hospital's long-term sustainability is uncertain. Closure of Watsonville Community Hospital would likely cause the collapse of Santa Cruz County's healthcare system, adversely impact Monterey County's healthcare system, and have negative impacts on thousands of central coast residents, businesses, and institutions. All funds raised through Measure N can only be invested into the physical improvement and expansion of Watsonville Community Hospital and will have several layers of community oversight to ensure that they are being spent as intended. The County of Monterey Board of Supervisors is committed to the health and well-being of our region's healthcare systems and has played a key role in returning Watsonville Community Hospital back to local, community ownership to preserve healthcare access and promote health equity.

DISCUSSION:
In 2022, Watsonville Community Hospital, which has served the community since 1895, nearly closed following a bankruptcy proceeding brought by the previous for-profit hospital owners. With the help of the State, our County, local leaders, and the community. The Pajaro Valley Health Care District assumed ownership of the hospital in September 2022 and is implementing a turnaround plan to put the hospital on a path toward financial sustainability. Recently, the district adopted a balanced budget for the upcoming year.
However, more remains to be done to ensure our community has access to affordable, high-quality healthcare. Watsonville Community Hospital needs assistance to upgrade and renovate facilities, improve emergency room services, and continue to improve the financial health of the hospital and the wellness of our neighbors.
The Pajaro Valley Health Care District placed Measure N on the March 5, 2024 ballot.

DocuSign Envelope ID: 3ED61682-F8BB-4D02-B616-5E0E54D0101C

Measure N would generate $116 million in bonds at a rate of $24 per $100,000 of annual assessed (not market) value, or approximately $2 a month. The funds would be used to:

- Expand and renovate the emergency room, increasing the number of beds from 12 to 22, to provide better emergency care and shorter wait times.
- Upgrade imaging systems including X-rays, MRI, and CT scanners.
- Purchase the hospital property, ensuring local control and saving $3 million a year in rent payments, which could then be used to support nurses, doctors, and better healthcare.
- Repair, replace, or upgrade aging and deteriorated roofs, writing, plumbing, heating, ventilation, and air conditioning systems.
- Modernize the hospital to provide additional local healthcare services.

Measure N is a proactive step toward fortifying Watsonville Community Hospital that supports the community's long-held vision of building a thriving local healthcare provider whose influence on our community's wellness extends far beyond the walls of the facility and can address various health inequities in South Santa Cruz County and North Monterey County and improve health outcomes. Measure N would equip the hospital to meet the evolving needs of our growing and aging population and fortify the Pajaro Valley Health Care District's standing as a transformative and dynamic public entity that can positively impact the region.

OTHER AGENCY INVOLVEMENT:
The County Administrative Office prepared this report. Information was obtained from the Santa Cruz County Elections Department, Monterey County Elections Department, and the County of Santa Cruz.

FINANCING:
Approval of this recommendation will have no impact on the general fund.

Board of Supervisors
Chambers
168 W. Alisal St., 1st Floor
Salinas, CA 93901

January 09, 2024

Introduced: 12/19/2023
Version: 1

Current Status: Agenda Ready
Matter Type: BoS Resolution

Adopt a Resolution to:
a. Amend Personnel Policies and Practices Resolution (PPPR) No. 98-394 Appendix A to correct the base wage salary range of the Auditor-Controller Analyst I-II classification series as indicated in Attachment A, effective December 2, 2023;
b. Direct the County Administrative Office, Auditor-Controller, and the Human Resources Department to implement the changes in the Advantage Human Resources Management (HRM) System.

RECOMMENDATION:
It is recommended that the Board of Supervisors consider adopting a Resolution to:
a. Amend Personnel Policies and Practices Resolution (PPPR) No. 98-394 Appendix A to correct the base wage salary range of the Auditor-Controller Analyst I-II classification series as indicated in Attachment A, effective December 2, 2023;
d. Direct the County Administrative Office, Auditor-Controller, and the Human Resources Department to implement the changes in the Advantage Human Resources Management (HRM) System.

SUMMARY/DISCUSSION:
The Human Resources Department completed a base wage compensation study on the Auditor-Controller Analyst classification series.

The adjustment to the base wage salary was originally brought to the Board of Supervisors for review and consideration on November 28, 2023, with an effective date of December 2, 2023. However, it was brought to the Human Resources Department's attention that the base wage salary range tables were incorrect. Therefore, we are bringing this item back before the Board of Supervisors for consideration to approve the correct base wage salary range tables with the same effective date of December 2, 2023.

FINANCING:
The financing was presented to the Board of Supervisors in the original report on November 28, 2023.

BOARD OF SUPERVISORS' STRATEGIC INITIATIVES:
The proposed recommended actions address the Board of Supervisors Administration Strategic Initiative. The actions demonstrate the County's commitment to meeting the Board's initiatives in recruiting, retaining, and attracting a diverse, talented workforce that supports the mission of Monterey

Matter Type: General Agenda Item

a. Adopt a resolution authorizing County Administrative staff to partner with Pacific Gas and Electric to conduct research and analysis regarding strategies for community energy efficiency and electrification projects; and
b. Authorize the County Administrative Officer, or designee, to execute Pacific Gas and Electric's Non-Disclosure Agreement that will provide staff with confidential energy infrastructure data; and,
c. Authorize the County Administrative Officer, or designee, to execute any documents necessary to implement this partnership.

RECOMMENDATION:
It is recommended that the Board of Supervisors:

a. Adopt a resolution authorizing County Administrative staff to partner with Pacific Gas and Electric to conduct research and analysis regarding strategies for community energy efficiency and electrification projects; and
b. Authorize the County Administrative Officer, or designee, to execute Pacific Gas and Electric's Non-Disclosure Agreement that will provide staff with confidential energy infrastructure data; and,
c. Authorize the County Administrative Officer, or designee, to execute any documents necessary to implement this partnership.

SUMMARY:
Staff recommend that the Board authorize signing the attached Non-Disclosure Agreement with Pacific Gas and Electric (PG&E) to increase the data accessible to staff for strategic planning for greenhouse gas reductions in the built environment through energy efficiency and electrification programming. A non-disclosure agreement is necessary to partner with PG&E to provide this information, which includes detailed maps of energy infrastructure and energy consumption data in PG&E's service area.

DISCUSSION:
Staff recommend that the Board authorize signing the attached Non-Disclosure Agreement with Pacific Gas and Electric (PG&E) to increase the data accessible to staff for strategic planning for greenhouse gas reductions in the built environment through energy efficiency and electrification programming. A non-disclosure agreement is necessary to partner with PG&E to provide this information, which includes detailed maps of energy infrastructure and energy consumption data in PG&E's service area.

This data will enhance the analytical options available to staff in the effort to prepare the upcoming Community Climate and Adaption Plan. By providing a greater level of detail in data, staff aim to evaluate building decarbonization strategies that better fit the needs and physical infrastructure of the County.

Matter Type: General Agenda Item

Authorize the County Contracts/Purchasing Officer or designee to execute an Agreement for the Comprehensive Economic Development Strategy (CEDS) Year 2 Annual Update Standard Agreement for National Council for Community Development Inc. 'Grow America' to perform all tasks necessary to conduct an annual CEDS update for the County of Monterey (County), for the period of six (6) months, for the term of January 9, 2024, through June 30, 2024, in the amount not to exceed $75,000.

RECOMMENDATION:

It is recommended that the Board of Supervisors authorize the County Contracts/Purchasing Officer or the designee to execute an Agreement for the Comprehensive Economic Development Strategy (CEDS) Year 2 Annual Update Standard Agreement for National Council for Community Development Inc. 'Grow America' to perform all tasks necessary to conduct an annual CEDS update for the County of Monterey (County), for the period of six (6) months, for the term of January 9, 2024, through June 30, 2024, in the amount not to exceed $75,000.

SUMMARY/DISCUSSION

In June 2021, the County contracted with National Development Council (Grow America Inc.) to update the five (5) year Comprehensive Economic Development Strategy (CEDS) for U.S. Department of Commerce Economic Development Administration (EDA) acceptance. The update engaged many new stakeholders to an economic development strategy but was limited in developing more detailed strategies and projects. The CEDS was adopted by the Board of Supervisors (Board) and ratified by every jurisdiction in the County, a rare achievement. In establishing yearly updates, the County can engage stakeholders in further detailing those priority strategies and using the work for EDA funding applications as well as California economic development resources.

On October 25, 2022, the Board approved an agreement between the County and Grow America Inc. to perform all tasks necessary to conduct the first annual CEDS update for the County of Monterey.

Work on the Year 1 Update began in the fall of 2022 with the establishment of the County's new Economic Development Committee, which comprises members from the public, private, and nonprofit sectors as well as representatives from target industries. In collaboration with the County, Grow America and CVL Economics identified additional stakeholders to interview over the course of the project to gain broader insights into challenges, needs, and priorities across multiple economic

DocuSign Envelope ID: 19EE0E20-0236-47FA-B1C7-5BE828259731

dimensions. The County also convened four focus groups on topics warranting deeper discussion: Technology and Innovation, Workforce Development, Tourism & Hospitality, and Agriculture. These conversations helped refine the nature of the quantitative analysis and look to indicators that best reflected on-the-ground realities. To that end, the data analysis approach for the Year 1 Update was designed to be more targeted (as opposed to comprehensive) compared to the CEDS; rather than updating every chart from 2021, an emphasis was placed on identifying data points and trends that could most effectively and concisely capture the economic arc of the County in the wake of the pandemic.

Work on the Year 2 Update is anticipated to begin in January of 2024. The County will be collaborating with Grow America and CVL Economics to complete the Year 2 CEDS Annual Update. The Year 1 Update report had three (3) core components: summary of economic conditions, target sector analysis, and spotlight on areas of interest. A Year 2 Update would use the same framework and present the most recently available data for each indicator. Outreach would include the facilitation of up to three focus groups to solicit input on two target sectors and one spotlight section.

The ARPA CEDS Annual Update Agreement/Scope of Services provide the detailed services, programs, and performance measures.

OTHER AGENCY INVOLVEMENT:
The Office of County Counsel has approved the Agreements as to form.

FINANCING:
Funds for the ARPA Economic Recovery Agreements, in the cumulative amount of $75,000, have been included in the FY 2023-24 Adopted Budget, Fund 001, Department 1050, Unit 8514.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
The American Rescue Plan Act funding for a Comprehensive Economic Development Strategy (CEDS) update will provide economic opportunities that support the Board approved strategic initiatives.

January 09, 2024

Introduced: 12/12/2023
Version: 1

Current Status: Agenda Ready
Matter Type: BoS Resolution

Adopt a Resolution to:
a. Amend Personnel Policies and Practices Resolution (PPPR) No. 98-394 Appendices A and B to create the classifications of Community Engagement Program Manager and Legislative Program Manager with the salary range as indicated in Attachment A effective January 13, 2024;
b. Amend FY 2023-24 County Administrative Office Adopted Budget (Fund 001-Dept. 1050-Unit 8440-Appropriation Unit CAO004) to reallocate one (1) vacant 1.0 FTE Management Analyst III to one (1) 1.0 FTE Community Engagement Program Manager as indicated in Attachment A effective January 13, 2024;
c. Amend FY 2023-24 County Administrative Office Adopted Budget (Fund 001-Dept. 1050-Unit 8054-Appropriation Unit CAO004) to reallocate and approve the reclassification of one (1) 1.0 FTE Management Analyst III to one (1) 1.0 FTE Legislative Program Manager as indicated in Attachment A effective January 13, 2024;
d. Direct the County Administrative Office and the Auditor-Controller to incorporate the approved position changes in the FY 2023-24 Adopted Budget and the Human Resources Department to implement the changes in the Advantage Human Resources Management (HRM) System.

RECOMMENDATION:
It is recommended that the Board of Supervisors consider adopting a Resolution to:
a. Amend Personnel Policies and Practices Resolution (PPPR) No. 98-394 Appendixes A and B to create the classifications of Community Engagement Program Manager and Legislative Program Manager with the salary range as indicated in Attachment A effective January 13, 2024;
b. Amend FY 2023-24 County Administrative Office Adopted Budget (Fund 001-Dept. 1050-Unit 8440-Appropriation Unit CAO004) to reallocate one (1) vacant 1.0 FTE Management Analyst III to one (1) 1.0 FTE Community Engagement Program Manager as indicated in Attachment A effective January 13, 2024;
c. Amend FY 2023-24 County Administrative Office Adopted Budget (Fund 001-Dept. 1050-Unit 8054-Appropriation Unit CAO004) to reallocate and approve the reclassification of one (1) 1.0 FTE Management Analyst III to one (1) 1.0 FTE Legislative Program Manager as indicated in Attachment A effective January 13, 2024;
d. Direct the County Administrative Office and the Auditor-Controller to incorporate the approved position changes in the FY 2023-24 Adopted Budget and the Human Resources Department to implement the changes in the Advantage Human Resources Management (HRM) System.

DocuSign Envelope ID: 69577A03-7ED8-4D41-AFF4-8185673B512C

SUMMARY/DISCUSSION:
The County Administrative Office requested that the Human Resources Department study two Management Analyst III positions assigned to the Intergovernmental and Legislative Affairs (IGLA) Division. One position oversees the County's Community Engagement program, while the other position oversees the County's Legislative Program. The objective of the studies was to determine if the Management Analyst III positions, based on assigned duties and responsibilities, were appropriately classified.

The classification studies found the following:

- **Legislative Program:** The incumbent's role in providing legislative program management oversight and responsibility has expanded over the past several years. The incumbent is responsible for managing a highly complex and political program area and providing oversight and direction to state and federal legislative consultants.
- **Community Engagement Program:** The responsibilities of the Community Engagement Program have significantly changed creating a need for the County to provide a higher-level delivery of community engagement services. This requires an advanced level of expertise in gathering complex data, and recommending policies and procedures that promote local government initiatives.

Both classification studies determined that the assigned duties were not consistent with the current classification of either Management Analyst III position. Furthermore, no existing classifications were determined to be appropriate for either position's scope of work. As a result, the classification analysis found the duties would be more accurately reflected in new classifications titled Community Engagement Program Manager and Legislative Program Manager.

To establish salaries for these new classifications, the Human Resources Department completed a base wage compensation study of our ten (10) market comparable agencies; however, not enough matches were found. One (1) match was found in San Mateo for the Community Engagement Program Manager, and two (2) matches were found for the Legislative Program Manager. The County Compensation Philosophy requires a minimum of three (3) benchmark classification matches with comparable agencies to provide sufficient data for analyzing and determining a base wage comparison. The County Compensation Philosophy further states that in the absence of sufficient external data comparisons, the County will use internal comparisons to set base wages for classifications. The internal comparison analysis of the duties, scope of work, complexity, and consequence of error of similarly situated classifications in Monterey County, resulted in similarities being identified between the work of the Sustainability Program Manager, County Homeless Services Director, and the Cannabis Program Manager as they relate to the assigned scope of work, complexity, and consequence of error.

In accordance with the County's Compensation Philosophy, the County of Monterey is committed to providing its employees with competitive compensation in order to attract and retain the highest quality employees to serve the community. Therefore, the Human Resources Department recommends that the Board of Supervisors support the recommended actions to ensure that the future incumbents are compensated commensurate to their positions. Therefore, it is recommended that the salaries of these

DocuSign Envelope ID: 69577A03-7ED8-4D41-AFF4-8185673B512C

new classifications be set at approximately $12,459 per month at top step.

OTHER AGENCY INVOLVEMENT:
The Board of Supervisors Budget Committee and County Administrative Office have reviewed and concur with the recommendations. In addition, the County Employee Management Association (CEMA) has been provided notice of these recommendations.

FINANCING:
The estimated annual impact to the County Administrative Office for the reallocation to a Community Engagement Program Manager is $37,722 per year and $22,004 for the remainder of FY 2023-24. The estimated annual impact to the County Administrative Office for the reclassification and reallocation to a Legislative Program Manager is $37,722 per year and $22,004 for the remainder of FY 2023-24. The total annual cost is $75,444.03, and the prorated cost for FY 2023-24 is $44,008.

The Department will work to manage the increase within its FY 2023-24 adopted budget and will provide a report to the Board of Supervisors when the mid-year estimate and forecast are presented if it is experiencing budgetary challenges resulting from this cost increase.

BOARD OF SUPERVISORS' STRATEGIC INITIATIVES:
The proposed recommended actions address the Board of Supervisors Administration Strategic Initiative. The actions demonstrate the County's commitment to meeting the Board's initiatives in recruiting, retaining, and attracting a diverse, talented workforce that supports the mission of Monterey County.

Matter Type: BoS Resolution

Adopt a resolution to authorize the Auditor-Controller to amend the Fiscal Year 2023-24 Adopted Budget for the County Administrative Office Intergovernmental and Legislative Affairs (IGLA) -Homeless Services (001-1050-CAO004-8054) to increase appropriations and estimated revenues by $100,000, financed by grant revenues from the California Department of State Hospitals (4/5th vote required).

RECOMMENDATION

It is recommended that the Board of Supervisors adopt a resolution to authorize the Auditor-Controller to amend the Fiscal Year 2023-24 Adopted Budget for the County Administrative Office Intergovernmental and Legislative Affairs (IGLA) -Homeless Services (001-1050-CAO004-8054) to increase appropriations and estimated revenues by $100,000, financed by grant revenues from the California Department of State Hospitals (4/5th vote required).

SUMMARY/DISCUSSION

On July 11, 2023, the Board of Supervisors accepted grant funding from the Department of State Hospitals (DHS) with a timeframe of July 1, 2023, to June 30, 2028, to facilitate a collaborative community stakeholder workgroup focused on developing and implementing local solutions that target the reduction of the number of individuals with serious mental illness arrested and incarcerated for behavior connected to their illness (Attachment A). Local solutions may include, but not be limited to, planning for care court, coordinating treatment, discussing housing options, planning for rearrest and/or reentry into diversion programs. The workgroup shall also focus on targeting the reduction of Felony Incompetent to Stand Trial (FIST) commitments overall within the county.

The total amount of the funding will be $500,000, with $100,000 being paid each year for five (5) years and will be used for planning and the implementation of the community identified goals of the Stepping Up Initiative resolution passed by the Board of Supervisors on April 30, 2019 (Attachment B).

DocuSign Envelope ID: 279B0242-D097-4961-BDC2-4CD5CA72A0BD

OTHER AGENCY INVOLVEMENT:
Monterey County Behavioral Health Bureau, Probation, Superior Court of CA, the Coalition of Homeless Services Providers, Sheriff's Office, and District Attorney's Office. The Office of the County Counsel has reviewed and approved this report. On August 30, 2023, the Budget Committee provided it's support of the recommended action.

FINANCING
There are no impacts on the General Fund. The total cost of the program is $500,000 within a five-year span and will be covered entirely by grant revenues from the DHS. The recommended action will increase Fiscal Year 2023-24 appropriations and estimated revenues in the County Administration Office by $100,000 to cover year one of the five-year grant term.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
The purpose of this grant is to increase stakeholder collaboration to reduce recidivism of people with mental illness and aligns with the Health and Human Services Strategic Initiative.

Black Hills Information Security Approach

Monterey County recognizes the need to identify vulnerabilities and associated risk within their organization to improve the security of their IT infrastructure.

Security should augment and strengthen your organization. Some penetration testing firms mistakenly believe that security is the sole business goal for a company or institution. At Black Hills Information Security (BHIS), we understand that your organization is looking for security solutions that drive business and institutional value, among many other considerations. We strive to provide our customers with the answer to one critical question: What actions can be taken to truly improve your organization and make its staff and security architecture better while allowing your organization to perform its other core business functions?

How does our company differentiate itself from others?
Below are several reasons why BHIS stands above and apart from other security consulting companies.

Community Involvement

Due to our commitment to strengthening the entire security community, BHIS strongly believes in giving back to that community. The members of BHIS are part of Paul's Security Weekly (formerly called "PaulDotCom" Security Weekly), the world's largest technical security podcast. We also believe in the power of open-source. We contribute to and are founders of many different open-source projects, such as Recon-ng, Pushpin, the Active Defense Harbinger Distribution, and the Penetration Testing Execution Standard. We have also presented at SANS, Defcon, Black Hat, DerbyCon, and HTCIA, as well as for the FBI, NSA, and DoD. BHIS believes that the landscape for security professionals today requires us to be more patient, persistent, and adaptable than attackers, and that education is the key to instilling these characteristics industry wide.

Non-Traditional Defensive Research

One situation is becoming increasingly evident: Attackers have an advantage on us. Why? Mainly because mainstream defensive tools and techniques are so transparent. Traditional AV vendors and Firewall/IDS vendors encompass 80% or more of most organizations' entire defensive strategy. Without question, a targeted attacker will go through the effort to acquire these same tools and bypass these technologies. This is why BHIS does not simply recommend the same easily bypassed technologies that other penetration testers often propose.

At BHIS, we are on the cutting edge of active defense technologies. In fact, we founded and maintain the only active defense security distribution framework on the internet. The Active Defense Harbinger Distribution is a DARPA-funded project created by BHIS which strives to be an incubator for new defensive ideas and technologies. The mindset of this project fuels everything we do at BHIS.

Meaningful Reports

Human Narratives, Not Just Tool Output

BHIS strives to provide reports to our customers that truly reveal the vulnerable attack surface of your organization, as well as detailing meaningful, real-world mitigations. BHIS does not copy and paste vulnerability scanning results into our reports. Rather, you will find a full narrative that navigates you through the assessment. Our findings write-ups are based on our security consulting experience across many industries and are tailored to your organization's specific situation. Our customers can run many of these tools on their own, yet there is little to no added value in a testing company charging exorbitant amounts of money for a report generated from a free or low-cost tool. Value from a test derives from what

DocuSign Envelope ID: A5D41F5C-2E34-4698-BDAD-17B3A45B6359

is found beyond the scanning results via the experience of the tester. This experience and insight are integrated into every report that BHIS delivers.

Knowledge Transfer
BHIS was founded on world-class training. To date, we have trained over 20,000 information security professionals. Because of our teaching experience, we have a strong philosophical approach built on not just providing a report but detailing our tactics to ensure our customers understand how a given attack was executed and the impact on the customer environment. From web attacks, to AV bypass, to internal pivoting, BHIS works to ensure your employees can recreate what we have done in the penetration test. This focus is reflected in our reports, as our aim is to support strong security teams who can navigate your organization's defensive efforts confidently.

When we complete testing, we promise the following:

1. You will get a report that was generated by a real human being who was active in the testing of your organization. Actual thoughts about your organization and your needs will go into the report. We will never be satisfied by simply clicking "Generate Report" from a tool.
2. Your team will not only know what we found, but they will know how we found it. This approach is important because improving technology is relatively minor compared to improving the capabilities and understanding of your people. We strive to provide knowledge transfer so your team can approach the ever-changing threat landscape with a *methodology* and not just a checklist.
3. As part of this contract, all BHIS customers will gain access to an online Antisyphon Cyber Range for up to five (5) people from their team. This environment contains over 50 different challenges ranging from network, active directory and host-based threat hunting, web application attacks and security, operating system security, and forensics. This proposal item is available upon request for up to one year after contract start.

DocuSign Envelope ID: A5D41F5C-2E34-4698-BDAD-17B3A45B6359

Scope Offered by Black Hills Information Security

External and Internal Network Penetration Test

Description

When performing scanning activities over the past years, we have noticed that automated tools are often finding fewer and fewer critical vulnerabilities. While this trend is a good thing, we are also discovering many organizations are vulnerable due to Low or even Informational findings. This is one of the major differentiators for Black Hills Information Security (BHIS). We look at scanning and exploitation as more of an endeavor of learning about your environment, the same way a targeted attacker would. We do not simply run a scanner, look for criticals, and then search tools like Core Impact and Metasploit for an exploit. We use our scanning information to try to understand your network and the individual roles of the computers that comprise it. We want to understand how these points of technology support the overall organizational objectives. With this approach, we find far more vulnerabilities than what is reported by a simple scan.

During the assessment and penetration testing phases, we will perform port scans, vulnerability scans, and testing for all computers, devices, databases, and networking equipment on in-scope networks. We will validate the scans to weed out false positives by manually verifying a subset of results within particular vulnerability classes. However, the true value of a penetration tester over a scanner is going the extra mile of looking at vulnerabilities (including the Low and Informational findings) as well as manually probing the in-scope networks and looking for additional methods of entry or compromise not flagged by a scanner.

Testing is typically performed remotely from BHIS systems connected to the Monterey County network. Several options are available from which BHIS can perform remote, internal network testing – minimizing setup time for your team and eliminating the travel costs of on-site testing.

Black Hills Information Security will use specialized techniques (if applicable) such as document metadata analysis, custom password dictionaries, and other proprietary methods. Remediation guidance will be provided for each vulnerability documented in the report, as well as strategic recommendations for improving the security of the organization as a whole.

Targets

- Up to
  - External (Public) Live Systems:
    - < 175 Live IPs
  - Internal (Private) Live Systems:
    - < 6000 Workstations < 350 Servers <10,000 Network Devices

This scope item will be completed remotely.

Objectives

- Provide a profile of the organization and threat modeling available to potential attackers
- Identify systems and key assets exposed to attackers
- Enumeration of vulnerabilities present on systems
- Provide recommendations for protecting key company assets
- Identify areas where sensitive information is exposed
- Provide evidence of the effectiveness of current defensive mechanisms and attack detection methodologies
- Provide an in-depth understanding of discovered vulnerabilities and repercussions, via exploit attempts, where applicable

DocuSign Envelope ID: A5D41F5C-2E34-4698-BDAD-17B3A45B6359

- Provide recommendations for remediation of the identified practices and/or exposures based on the above testing

For web applications, please note that in-depth testing is best serviced by a dedicated BHIS Web Application Penetration Test that follows an industry-standard methodology, such as the one compiled by the Open Web Application Security Project (OWASP). However, as part of a network level assessment, a limited scan with the following high-level goals may be performed from a network perspective:

- Provide recommendations for mitigating select exposures in web applications
- Provide limited inventory of select vulnerabilities in the organization's web applications that may expose users to malicious exploits
- Provide high-level understanding and verification, via exploit attempts, of select vulnerabilities in the organization's web applications

Methodology

Assessment and testing focus on identifying key assets and targeting them to harvest information, just as an attacker would on the inside of the network. These tests will include:

- **In-Depth Company Profiling and Threat Modeling** – One of the values provided by testing is an understanding of what information can be gathered about your organization from open sources and, more importantly, what attackers can do with it. We will use various tools and resources to collect public information about your organization and couple it with custom threat modeling to perform targeted attacks and report on them.

- **Host Discovery and Service Identification** – BHIS identifies hosts using several network scanning techniques. By employing different techniques, we can quickly obtain a list of assets, and enumerate the services on them.

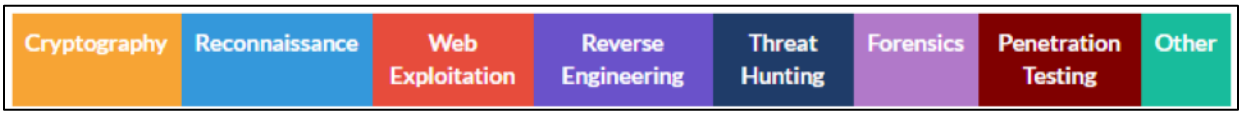
- **Vulnerability Discovery** - To further identify risk, a vulnerability scan is specifically tuned for the environment and then executed. This scan can be run across the network and is used as a baseline for exploitation. Internal testing also provides for the opportunity to run authenticated scans, which means the scanner will need user-level authentication to the targeted systems, which allows the scanner to compare the host's configuration to compliance and various industry standards.

BHIS Background with Network Assessments and Penetration Tests

The staff at BHIS hold multiple certifications in the area of network assessment and network penetration testing. However, certifications often don't tell the whole story.

We also teach network penetration testing for the SANS Institute and offer multiple free webcasts on the topic.

The link below highlights just a few webcasts we have offered in the area of vulnerability assessments and network penetration testing:
http://www.blackhillsinfosec.com/?page_id=4424



DocuSign Envelope ID: A5D41F5C-2E34-4698-BDAD-17B3A45B6359

Antisyphon Cyber Range

As part of this contract, all Black Hills Information Security (BHIS) customers will gain access to an online cyber range for up to five (5) people from their team. This environment contains over 100 different challenges ranging from network, active directory and host-based threat hunting, web application attacks and security, operating system security, and forensics. This proposal item is available upon request for up to one year after contract start.

Challenges

After registration is complete and you've successfully logged into the Antisyphon Cyber Range Scoreboard, you will gain access to the Antisyphon Cyber Range challenges.

Antisyphon Cyber Range Challenge Types

There are seven (7) different challenge types:

1. Cryptography
2. Reconnaissance
3. Web Exploitation
4. Reverse Engineering
5. Forensics
6. Penetration Testing
7. Other

Many of these challenges have hints to help people through them.

The goal of any contract with BHIS is to help wholly strengthen our customers' teams. We fundamentally believe that training should be part of any contract we sign. Because of this, we make this cyber range available to all our customers.

ACE-T™ stands for "Antisyphon Cyber Education Testing." Individuals can get ACE-T™ certified by completing challenges in the Antisyphon Cyber Range, which contains a variety of challenges related to cryptography, forensics, penetration testing, reconnaissance, reverse engineering, and web exploitation. The Cyber Range currently has ten levels of ACE- T™ certification for users to work through.

ACE-T™ certification allows users to demonstrate their infosec expertise to colleagues, management, and HR personnel alike. Users also have the ability to share their ACE-T™ certification level with others by having them look up their name at the following URL: https://lookup.hackhills.com/.

DocuSign Envelope ID: A5D41F5C-2E34-4698-BDAD-17B3A45B6359

Deliverables

Black Hills Information Security to Monterey County

- Schedule and coordination
  - Establishment of test dates
  - Project plan
  - Selection of tester(s)
- Rules of Engagement call
  - Review of scope
  - Communication Protocol
  - Confirmation of penetration testing start dates and times
- Report detailed testing results, as described in the Report Format section below:
  - First copy will be considered "draft pending customer comments/input"
  - The first copy will be issued no later than 10 business days from the completion of work. Monterey County then has 10 business days to review the report, add comments, and request changes. BHIS then has 5 business days to issue a response and deliver the final report.
  - If no comments/input are received, the "Draft" will be considered "Final"
  - BHIS will invoice upon report delivery.
- General recommendations for improvement of organizational security
  - Monterey County's questions will be answered for 90 days following completion of work. BHIS cannot guarantee tester's continued availability after this point.

Black Hills Information Security (BHIS) will compile each phase of the security assessment into a report containing the following:

- **Executive Summary** – A highlight of the major problems found and high-level recommendations that address the specific issues, tailored for an executive-level audience. An overall risk analysis rating relative to the discovered findings will also be assigned and described in this section.
- **Methodology** – A complete description of all testing performed, including instructions for recreating the test scenarios so that the organization can re-test after mitigating controls have been implemented (as available).
- **Findings** – A complete description of each major vulnerability found, including details on how it was exploited and what information or level of access was obtained as a result. This section will also contain:
  - ***Discussion*** – A description of how the documented vulnerability could affect the organization if an attacker exploited it
  - ***Recommendations*** – A detailed description of how to fix the vulnerability (as available), including command and configuration examples. Also included are any organizational improvements to policy and/or processes that will help remediate the vulnerability
  - ***Resources*** – Links to information about the vulnerabilities that were found and remediation guides (as available)
- **Supporting Data Archive** – An archive of all tool output and vulnerability scan reports. The archive will also include:
  - Listing of all open ports and likely services based upon fingerprinting and analysis techniques
- **Results of Any Specific Testing (as applicable)**
  - For example, password cracking, wireless assessments, social engineering, and port scanning will be included. Each vulnerability or exposure will be documented in the format described above.

DocuSign Envelope ID: A5D41F5C-2E34-4698-BDAD-17B3A45B6359

Monterey County to Black Hills Information Security

- Signed agreement (see separate MSA)
- BHIS strongly suggests testing occur on non-production systems and databases (for web application penetration testing). When needed, we can accommodate two phase engagements, where testing occurs on non-production assets with some issues validated later on production.
- Authentication credentials for the web application(s) to be tested
- Remote access via VPN or other compatible remote access method
- Scoping document with scope authorization. Generated with project management team following award of proposal.
- BHIS will need access to customers testing environment for the 2 weeks of the reporting period
- Primary Project Contact and Primary Technical Contact information:

Primary Project	Primary Technical (if different)
Name: Dan Kern	Name:
Title:	Title:
Email:	Email:

Please note, the project management team will generate a scoping checklist in conjunction with the BHIS customer during meetings, following the signing of the statement of work. Below is a breakdown of some of the items typically covered in the scope checklist.

- Targets or technical points of focus
- Primary and backup points of contact
- Notification procedures for critical findings
- Authorized testing timeframes
- Notification procedures and protocols for customer points of contact
- Meetings, notifications, and contact frequency and format
- Sensitive and/or prohibited ranges and systems
- Customer guidance to testers
- Etc.

DocuSign Envelope ID: A5D41F5C-2E34-4698-BDAD-17B3A45B6359

Project Timing

Timing

Please note that the timing of this project will be determined following signature of proposal/statement of work. The schedule will be generated by the BHIS project team, following coordination with Monterey County regarding deadlines, tester availability, and customer enterprise environmental factors (e.g., remote access, test string availability, blackout dates, support personnel etc.). No guarantees on schedule can be made that are not identified in this section.

BHIS has not preplanned this work.

Work that has not been preplanned may take six to twelve (6-12) or more weeks to commence, starting from the date of a signed proposal/statement of work. This estimate is based on current workloads, resources, and projections.

Cancellation or rescheduling of work without 4 (four) weeks prior notice will incur an additional charge. The following schedule may be enforced if BHIS is not able to reschedule work to avoid idling a tester.

- Less than 4 weeks' notice incurs an additional 20% charge
- Less than 2 weeks' notice incurs an additional 50% charge
- Day of start or within testing time frame incurs an additional 100% charge

BHIS will make a reasonable effort to reschedule work for testers and avoid the additional charge. Additional charge shall be assessed only on the portion of a test that is delayed or cancelled.

The table below is listed for planning and estimation purposes. This reflects time on keyboard or on-site actively engaged in the testing methodology. It does not include planning, coordination, set up, reporting or debriefing the customer. As all BHIS engagements are timebound, proper guidance from Monterey County will result in optimal coverage within the time constraints.

Service Options	Estimated Active Tester Time for Planning Purposes
External Network Penetration Test <175 Live IPs	4 days
Internal Network Penetration Test <6000 Workstations <350 Servers < 10,000 Network Devices	7 days
Antisyphon Cyber Range	Within a Year

DocuSign Envelope ID: A5D41F5C-2E34-4698-BDAD-17B3A45B6359

Fees

Quote

The following fixed fee(s) for service below is/are good for 45 days from issuance.

Fee(s) include(s) project setup, coordination, test preparation, standard report production, report review, report editing, and comment resolution. Any work beyond this description and the work described in each section above should be discussed with the BHIS team prior to signing of this proposal. All line items are timebound.

Remote Testing Options	Estimated Active Tester Time for Planning Purposes	USD
External Network Penetration Test <175 Live IPs	4 days	$14,080
Internal Network Penetration Test <6000 Workstations <350 Servers < 10,000 Network Devices	7 days	$23,680
Subtotal		**$37,760**
Onsite Testing		
NA	NA	NA
Subtotal		**NA**
Assessment Total (not including any applicable travel expenses)		**$37,760**

Included Services	USD
Antisyphon Cyber Range ($1,800 Value)	Included

There is no decrease in cost if customer chooses not to select the included service. The included service is available upon customer request.

NOTE: Daytime/business hours testing is assumed. Daytime/business hours are defined as 8am ET to 6pm PST, Monday through Friday. Automated scanning may be run off-hours but not penetration testing.

Remediation validation (remediation check of reported findings) can be added as an option as one day blocks of $2,500. Remediation validation must be completed within 30-60 days from the Initial Report. Ongoing remediation validations are limited to one validation. Remediation validations cannot be performed on Pivot, Red Team, Physical, and Wireless tests.

Client is invoiced per the MSA or monthly for work completed over an extended period of time.

The above statement of work is hereby accepted and will be executed in accordance with the signed Master Service Agreement on file. In consideration of the mutual promises herein contained and other good and valuable consideration (the receipt of which is hereby acknowledged), authorized representatives of the parties have signed this Agreement as of the Effective Date.

Appendix A: About Black Hills Information Security

Black Hills Information Security is a leader in the information security industry. We are part of the most popular weekly security podcast on the topic, provide monthly webcasts on late-breaking computer attack vectors, and frequently speak at internationally recognized conferences in addition to teaching for the SANS Institute.

John Strand, GCIH, GCFW, CISSP
John is the Owner of Black Hills Information Security (BHIS) and has both consulted and taught hundreds of organizations in the areas of security, regulatory compliance, and penetration testing. John is also an instructor and course author of BlackHat's "Active Defense, Offensive Countermeasures, and Hacking Back" and the SANS Institute's "Hacker Tools, Techniques, Exploits and Incident Handling" classes. John is co-author of the" Offensive Countermeasures: The Art of Active Defense" book and is a contributor to the industry shaping Penetration Testing Execution Standard and CIS Critical Security Controls frameworks. He leads the Hunt Teaming, Command & Control (C2)/Data Exfiltration and Pivot testing development at BHIS. He is a dynamic speaker at IANS symposiums and other conferences worldwide. In his spare time, he co-hosts the Hack Naked TV and Security Weekly podcasts.

Ethan Robish, GCIH, GREM
Before becoming the second full-time employee at BHIS, Ethan interned with BHIS for 4 years while he obtained a B.Sc. in Computer Science and a minor in Mathematics at South Dakota School of Mines & Technology. During that time Ethan implemented defensive security solutions for the Exchange Online security team as an intern at Microsoft and obtained his GIAC Certified Incident Handler certification from the SANS Institute. Ethan is the project lead of the Active Defense Harbinger Distribution.

Joff Thyer, GXPN, GWAPT, GPEN
Joff has over 25 years of experience in the IT industry in roles such as enterprise network architect, network security defender, penetration tester, and malware researcher. He has experience with intrusion detection and prevention systems, penetration testing, engineering network infrastructure defense, and software development in multiple programming languages.

Joff has taught "Automating Information Security with Python" at the SANS institute and developed/taught information security classes "Enterprise Attack Emulation/C2 Channels", "Regular Expressions", and a beginner "Introduction to Python" course for AntiSyphon training. Joff is also a faculty member with the IANS research group in Boston, MA.

Joff holds a B.Sc. in Mathematics, an M.Sc. in Computer Science, and holds the GIAC certifications GPEN, GPYC, GWAPT, and GXPN. He helps lead technology development, assumed compromise testing, and malware research techniques at BHIS. In his free time, Joff enjoys woodworking and being a musician.

Beau Bullock, OSCP, OSWP, GCIH, GCFA, GSEC, GPEN, GXPN
Prior to joining BHIS, Beau's primary role has been implementing security controls to protect information and network assets. He has held information security positions in the financial and health industries. Beau has experience with all aspects of enterprise network security including penetration testing, vulnerability analysis, data loss prevention, wireless security, firewall management, and employee security training. In his spare time, he hosts the Hack Naked TV information security webcast and presents at conferences. Beau holds a B.S. in Information Technology.

Brian Fehrman GXPN, OSCP
Brian Fehrman has been with Black Hills Information Security as a penetration tester and security analyst since 2015, but he has been interested in security since his family got their very first computer. Brian has a passion for learning; he spent eight and a half years as a full-time student prior to his career. In this time, he obtained a BS in Computer Science, an MS in Mechanical Engineering, and an MS in Computational Sciences and Robotics. Beyond that, he is a GIAC certified Exploit Researcher and Advanced Penetration Tester (GXPN), an Offensive Security Certified Professional (OSCP), and he will

DocuSign Envelope ID: A5D41F5C-2E34-4698-BDAD-17B3A45B6359

begin working towards a PhD in Cyber Operations in the Fall of 2019. Brian's love of learning is evident in his work too, as one of his favorite aspects of his job is the continuous new challenges that push him to improve his skills. He enjoys being able to protect his customers from "the real bad guys" and his favorite aspects of security include internal-network pivot tests, red teaming, and hardware hacking.

David Fletcher, GSE, GSEC, GCIA, GCIH, GCFA, GAWN, GISP, GLEG, GCPM, GWAPT, GPEN, GXPN
David Fletcher has been working for Black Hills Information Security as a penetration tester and security analyst since 2015. He has spent most of his career working for the US Air Force and engaged in a variety of disciplines within the IT industry including boundary defense, web and application development, system administration, and offensive cyber research. David approaches penetration testing with a creative mind, treating each test as a puzzle and always exploring new methods of exploitation. He holds a BS in Electrical Engineering and an MS in Information Security Engineering from the SANS Technology Institute. Outside of work, David enjoys playing the guitar, hunting, and fishing.

Brian "BB" King, GXPN, CEPT, CISSP, GCIH, GCIA
BB has been a Security Consultant at BHIS since 2015 and a penetration tester since 2008. In previous corporate security roles, he developed application security testing and reporting standards, worked with development teams to improve coding practices, and with new penetration testers to help them gain proficiency and understanding. At BHIS, he specializes in web applications and web APIs, and sees developers and QA engineers as partners in the never-ending quest to make security part of the development lifecycle instead of just a checkpoint near the end. He teaches penetration testing and reporting classes with Antisyphon Training and at local security conferences whenever he can.

Derek Banks, CISSP, GCFA, GNFA, GCIA, GCIH, GMOB, GPEN, GSEC Gold (Ret.)
Derek has been a Security Analyst for Black Hills Information Security since 2014 and has been in the IT industry for his entire career. He has experience in forensics, incident response, creating custom host and network-based monitoring solutions, penetration testing, vulnerability analysis, and threat modeling. Derek has a BS in Computer Information Systems and a MS in Data Science. Derek enjoys spending time with his family, staying physically fit, outdoor activities, and playing the guitar.

Sally Vandeven, GIAC (GSE, GCIH, GPEN, GWAPT, GCIA, GNFA, GCFE, GCFA, GREM, GSEC, GCPM, GCWP), CISSP, CCE, GAWN
Sally Vandeven has been a security analyst and penetration tester for Black Hills Information Security since 2015. She also currently works as a faculty research advisor for the SANS Technology Institute graduate program. Prior to joining the team at BHIS, Sally worked as an application developer, Linux system administrator, and a mom, which she describes as the best job in the world. Sally has a talent for physical security tests, but she also enjoys internal pivot tests, cracking passwords, and finding new and unique ways to approach her work. Sally has many hobbies outside of work, her top three are hiking, biking and juggling.

Rick Wisser, GCIH
Rick has over 15 years of experience in networking, system infrastructure, and deployment. His past experience includes working in an information systems capacity, engineering, and engineer management. Rick served in the Air Force and his career has involved medical systems, aerospace/defense, telephone, storage devises, radio frequency, wireless communications and other specific proprietary computing systems.

C. J. Cox, CISSP, QSA, GSNA
C. J. has over 25 years of experience in information technology and security in both government and industry. He has worked in in roles to include help desk, system administration, classroom teaching, network operations Information System, Security Officer, Information System Security Manager, Information System Security Engineer, and technology management.

Jordan Drysdale, GCIH, GPYC, CCNP, VCP, HP MASE, FCNSP

DocuSign Envelope ID: A5D41F5C-2E34-4698-BDAD-17B3A45B6359

Jordan Drysdale has been with the Black Hills Information Security family since 2016. He is a security analyst, penetration tester, and member of the systems administration team. Jordan came to BHIS with a very strong background, including many years of work in networking tech support and systems engineering. Throughout the years with BHIS, Jordan has fostered growth initiatives, developed training courses, and shared knowledge with anyone willing. Jordan now serves as part of the quality control team and serves as one of BHIS's external and internal network testing leads.

Craig Vincent, OSCP (retired), OSWP (retired), GWAPT
Craig Vincent is a security analyst and penetration tester and has been with Black Hills Information Security since early 2018. He has a background in software development, red teaming, and systems engineering with a B.S. in Computer Science and a B.S. in Computer Security from Fairmont State University. He has the OSCP, OSWP, CEH, and Security+ certifications. When on an engagement, Craig has the keen ability to find a couple of seemingly minor vulnerabilities that he can exploit together for a more interesting result...the "popping of boxes.

Kent Ickler, GCIH, MCSE, MM
Kent Ickler has nearly 20 years of experience working in the Information Technology fields. He has a Masters in Management with undergraduate studies in Network Design and Management. He has extensive background in telecommunications, Financial Services, Higher Education Management and SMB industries. His background in Business Management provides a thorough understanding of how Business Operations are supported by Information Technology and how the complex and critical nature of Information Security can make or break business in today's environment.

Bryan Strand, GHIC, GCCC
While Bryan's focus at Black Hills Information Security is currently the Manger of Business Capture, he has a growing passion for strengthening defenses through the CIS 20 Critical Controls. He has earned his GIAC Certified Incident Handling Certification and GIAC Critical Security Controls Certification.

Justin Angel, OSCP, OSCE
Justin is a technical resource with a passion for network-based offensive security. He developed a foundation for InfoSec while pursuing his Bachelors Degree in Information Security and Assurance at Kennesaw State University, where he graduated Magna Cum Laude in December of 2013. Certification programs, such as the Offensive Security Certified Professional (OSCP) and Offensive Security Certified Expert (OSCE), later allowed him to obtain a practical skill set that now enables him to creatively identify and exploit vulnerabilities pursuant to achieving threat objectives during engagements.

Michael Allen, OSCE, MLSE, CISSP, OSCP, SEPP
Michael Allen is a Senior Security Analyst and Red Team Practice Lead who joined the team at Black Hills Information Security (BHIS) in 2019. Having started hacking and picking locks at an early age, Michael has since turned "doing things he's not supposed to do and going places where he's not supposed to be" into an impactful career. He has a multitude of infosec certifications and his “think like a criminal” mindset on security assessments brings incredible value to the clients he serves. Pentesting isn't just a job for Michael; it's a way of life, in which he brings fun, creativity, and passion to every hack, breach, and bypass he attempts.

Dale Hobbs, GSEC, GCIA, GCIH, GPEN, GCCC, GDAT, CRTP
Dale has over 22 years of experience in networking, system administration, and security operations and engineering. His past experience includes heading up the infosec team for a large North American Retail company where he built their security program from the ground up. Dale holds the GSEC, GCIA, GCIH, GPEN, GCCC, GDAT certifications and is an active member of the SANS Advisory board.

Mike Felch
Mike is a red team lead and security researcher at Black Hills Information Security along with being an active instructor and course creator for offensive security training curriculum. Prior to joining BHIS, he was Vice President of Security Research for an infosec startup leading technical teams and exploiting

DocuSign Envelope ID: A5D41F5C-2E34-4698-BDAD-17B3A45B6359

hardware. Throughout his career, he's held roles as a software engineer, pentester, and system administrator. Mike is a divergent thinker who enjoys cognitive challenges and understands the power of collaboration. He's actively involved in the infosec community as a public speaker and regularly open sources red team tools and security research.

Corey Ham, OSCP
Corey is a security analyst at BHIS, specializing in penetration testing and red teaming. He has over 8 years of experience in offensive security consulting focused around adversary simulation engagements and TTP development. Corey has been a speaker at various conferences, including defcon red team village and source zero con. He has published and contributes to open source projects focused primarily around OSINT. Outside of security, his technical interests include infrastructure and development, and his personal hobbies include the outdoors and cars. Corey graduated with a BS in computer networking from Baldwin Wallace University in Berea, OH.

Tim Fowler, OSCE, OSCP, OSWP, CISSP
Tim Fowler has been working for Black Hills Information Security as a penetration tester since 2021. Prior working for BHIS, he worked in the financial sector as a cyber security research scientist and red teamer, as well as managed all cyber range operation for a financial institution. Prior to that he worked as a security consultant, performing penetration testing, policy review, and incident response. Tim is active in the information security industry and as contributed by giving talks at various conference's, developed a wireless penetration testing training course and served as a mentor for a collegiate cybersecurity program. Outside of work, Tim enjoys spending time with his family, working in his woodshop, tinkering with his CNC machines, and training for long course triathlon's.

Ben Burkhart, OSCP, ESCP. ESCPPT, Sec+
Ben Burkhart is a security analyst and penetration tester at Black Hills Information Security with experience focusing on enterprise Windows Active Directory networks and internal penetration assessments. Ben has also worked to help organizations bolster their security incident detection and response capabilities by performing adversarial threat emulation activities. Ben has led and delivered internal, external and application penetration assessments as well as incident response, assumed breach and cloud security audits for organizations of varying size and industry, including Fortune 25 companies. Ben has a non-traditional background, including a lifetime of tinkering with technology and a storied career bartending in Chicago. When he's not working, Ben enjoys running, video games, and caring for a retired racing greyhound named Louise.

Ralph May, OSCP
Ralph May is a penetration tester and security analyst for Black Hills Information Security. Ralph joined the BHIS team in 2020. Before joining BHIS, Ralph works for a competing firm as a penetration tester for the last five years. Ralph has delivered on a diverse set of engagements to included advanced adversary simulations, physical engagements, and advanced hybrid cloud penetration tests. Ralph is extremely active in the security community, speaking at multiple conferences and contributing to numerous open-source security tools. Ralph is a US Army veteran, having worked directly under the United States Special Operations Command as a soldier and civilian on many different information security challenges and treat actor simulations.

Kevin Klingbile, GIAC (GSE, GMOB, GCCC, GMON, GCLD, GDAT, GCDA, GPEN, GBFA, GWAPT, GCFE, GNFA, GSEC, GCIH, GCWN, GCIA, GNSA), CISSP P
Kevin has over 18 years experience working in the Information Technology field. Prior to joining the team at BHIS, Kevin worked in energy utilities, telecommunications, and healthcare industries. He has held positions from helpdesk to network engineer, systems admin, and security analyst. Kevin is a contributor to the IT security community as an advisor on the CIS top 20 controls panel. He also teaches security courses at Western Dakota Tech as an adjunct professor. He holds an MBA in Information Technology Management and a BS in Information Technology.

Ashley Knowles

DocuSign Envelope ID: A5D41F5C-2E34-4698-BDAD-17B3A45B6359

Ashley has over a decade of experience in Cyber Security. She has spent her career working as a penetration tester providing internal and external network penetration tests, web application, social engineering, WiFi and physical assessments. Ashley also spent three years leading an internal red team and developing custom red team tooling. Ashley holds a B.S. in Information Science and Technology and is currently studying for a M.S in Cybersecurity at DePaul University.

Luke Baggett, GSEC, GPEN, GCIH, GCIA, GCFE, GXPN
Luke Baggett is a security analyst for Black Hills Information Security. Before joining BHIS, he worked in roles involving network security monitoring and systems administration. Luke holds a BS in Computer Science from the Georgia Institute of Technology and multiple certifications from the SANS Institute.

Sean Verity, GXPN, GPEN, GAWN, CISSP
Sean Verity began working for Black Hills Information Security (BHIS) in March of 2022 as a security analyst and penetration tester. Prior to working at BHIS, Sean built a comprehensive ethical hacking program for one of the largest federal credit unions in the United States (US). Sean is also a US Marine Corps (USMC) veteran. During his time in the USMC, Sean discovered his calling when he learned that there was a profession that would allow him to hack (legally, of course). Sean is excited to be on a team with like-minded individuals and to participate in passing on knowledge. Outside of work, Sean enjoys laughing at his wife's jokes, hunting, gardening, and working out.

Joseph Kingstone, OSCP, OSWP, CISSP, CRTO, CRTP, MCSA, eCPTX, eCPPT, eWAPT, PNPT
Joseph has been in I.T. since 2014 and in Cyber Security since 2015. Joseph has held roles from Tier 1 Help Desk/System Administrator to Senior Operator on Red Team engagements. His favorite part of working at BHIS is collaboration among a large group of talented testers and helping customers understand, plan, and fix vulnerabilities. Outside of work Joseph enjoys tinkering with cars, exploring the planets with a telescope, and helping fellow veterans break into CyberSecurity.

Gabriel Prud'homme, OSEP, OSCP, PACES, CRTE, CRTP, CRTO, CARTP
Gabriel Prud'homme joined Black Hills Information Security (BHIS) in 2022 as a full-time Penetration Tester / Security Analyst. Gabriel previously worked in the IT field for 15 years before transitioning to security as a pentester for a large telecommunication company where he delivered internal, external, social engineering, and wifi security assessments for various industries. His curiosity and passion have driven him to acquire several certifications over the years. He is honored to be part of the BHIS team for their "doing the right thing and doing it right" philosophy. During his free time, he enjoys "taking the time" with his family, backpacking, and scuba diving.

Melissa Bruno
Melissa Bruno began working for BHIS as a Security Analyst in March of 2017. Her focus is on penetration tests for web applications, external networks, and internal networks. Melissa has a bachelor of science degree in computer information systems with a concentration in information security, and prior to joining BHIS she worked on securing systems and programming security tools as a Security Engineer. She describes testing at BHIS as being akin to "going on a treasure hunt every day." Outside of work she is an avid reader of sci-fi and fantasy novels, as well as technical books that help hone her skills.

Daniel Pizarro, PNPT, eCPPT, eWPTX, eWPT, eJPT, OSWP, OSCP, PenTest+, CySA+, Security+
Daniel Pizarro is a Security Analyst and Penetration Tester at Black Hills Information Security (BHIS). Before joining the BHIS team, Daniel developed open-source security tools, worked as a penetration tester, participated in bug bounty programs, and worked as a cyber security instructor. His responsibilities at BHIS include web application and external penetration testing, as well as internal infrastructure testing.

Alyssa Snow
Alyssa Snow joined Black Hills Information Security as a security analyst in the Spring of 2022. Alyssa holds a BS in Computer Science. She began her career building automated security solutions as an application security intern. Previously, Alyssa worked on an internal offensive security team at a software company. Alyssa chose to work at BHIS because of the team full of inspiring people who are passionate

DocuSign Envelope ID: A5D41F5C-2E34-4698-BDAD-17B3A45B6359

about security and educating the community. Outside of work Alyssa enjoys spending time outdoors with her loved ones.

John Malone, eJPT
John Malone has a background in management consulting and physical security, and recently began working with Black Hills Information Security. He holds an Associates of Science degree in Computer Networking and a graduate-level education in Organizational Psychology. John's experience ranges from contracting as a security officer up to holding a leadership position as an account manager for a Fortune 500 client, where he had full ownership of the organization's Midwest physical security operation. He has experience in physical penetration tests, along with some webapp, internal, and wireless network tests. Outside of work, John enjoys competing in CTF events, creative writing, and spending time with his family.

Steve Borosh, OSCP
Steve Borosh is a proud U.S. Army Infantry veteran and security consultant at Black Hills Information Security. Steve has extensive experience as a penetration tester, red team operator, and instructor since 2014. Steve has instructed courses on penetration testing and red teaming for the public, private, and federal law enforcement sectors. Steve also has experience teaching and speaking at conferences such as Blackhat, various BSides events, Gartner, and others. Steve maintains a blog and GitHub repository to share knowledge and open-source offensive tools with the community. Steve earned a B.S. in Computer and Information Science from ECPI University.

Jack Hyland
Jack Hyland started interning with Black Hills Information Security in 2021 while finishing up his bachelor's and master's in cyber-security. Throughout his college career, he worked for a research lab dedicated to studying deep-learning attacks and defenses against popular privacy technologies such as Tor. While working for the lab, his peer-reviewed research was published and presented at an international conference. Jack enjoys participating in CTFs and cyber-security competitions to stay active in the community and was a finalist at the 2022 Collegiate Penetration Testing Competition. He now works as a full-time tester for Black Hills Information Security and specializes in web-application penetration tests. Outside of work, he enjoys rock climbing, snowboarding, and homebrewing IPAs.

Troy Wojewoda, GSE, GRID, GNFA, GCFA, GCIH, GCIA, GREM, GAWN, GSEC, GSEC Gold, CISSP
Troy is a security analyst and penetration tester at Black Hills Information Security. Prior to joining BHIS, Troy has held roles in application and system administration, host and network intrusion detection, wireless security, penetration testing, digital forensics, malware analysis, threat hunting and incident response. In addition to earning several professional certifications, Troy has a BS in Computer Engineering and Computer Science. Troy enjoys writing custom tools and developing novel techniques for testing the security posture of an organization. Away from work, Troy enjoys spending time with his family, camping/hiking in the mountains, homebrewing, woodworking and coaching children in STEM programs.

Hal Denton, Network+, Security+, CEH, GREM, GPEN, GCFA, GNFA, CISSP
Hal Denton joined the Black Hills Information Security (BHIS) team in December 2021. In his role as a Security Analyst, he works DFIR engagements/development, as well as hunting and threat detection creation. Hal started his career over 20 years ago, moving through different roles such as help desk, system admin, security engineer, incident response, digital forensics, malware analysis, threat hunting, threat intel, research, and SOC lead. Hal says, “I love the fact BHIS is trying to provide an easier on-ramp for the next generation of security professionals… to be a part of the family was a no-brainer.” Outside of work, Hal enjoys spending quality time with his family, disconnecting from technology by going backpacking through the woods, and a variety of hobbies such as 3D printing, home improvement, and gardening.

Bradley Konsela
Bradley is a Linux enthusiast, hacker, and musician. He has an academic background in computer science and a professional background in IT and supercomputing cluster system administration. He

DocuSign Envelope ID: A5D41F5C-2E34-4698-BDAD-17B3A45B6359

joined the BHIS team in 2019. When he isn't testing, he can often be found tinkering with Linux, building and playing synthesizers, and rock climbing with friends.

Chris Traynor, GSEC, GCIH, GWAPT, GPEN
Chris joined Black Hills Information Security (BHIS) in July 2022 as a Penetration Tester, where he is responsible for Pen Testing web apps, APIs, and networks. Chris has over 15 years of experience in Web/Mobile App development, QA Automation, and Penetration Testing. He is also a TA for SEC504, SEC542, SEC560, & SEC580 with the SANS Institute where he is working on becoming an instructor. Chris is an active member of the GIAC Advisory Board, InfraGard, and The Open Organization Of Lockpickers (TOOOL).

Jason Mehlenbacher
Jason Mehlenbacher joined the Black Hills Information Security (BHIS) team in January 2022. As a Penetration Tester, he performs security testing for customers and provides detailed reports of the findings. Previously, Jason worked at Comerica Bank as technical lead for a networking/security team, and before that, he was an IT specialist for the Air Force. Jason was drawn to work at BHIS because of the people and environment; he values the knowledge-sharing community. When he's not working, Jason can be found spending time outdoors, riding his motorcycle, and gaming.

Isaac Burton
Isaac is a penetration tester at Black Hills with 7 years of work experience in various fields including infrastructure, supercomputing, cybersecurity course development, tool creation and ethical hacking. He is proficient in JavaScript, Python and C programming, and specializes in web application and API testing. Isaac enjoys a challenge and is constantly searching for new learning opportunities. Outside of work, he enjoys hardware hacking, video games, going to the gym, and working on his Jeep.

Fernando Panizza, OSCP, OSWE, CRTO
Fernando has been a Penetration Tester at BHIS since March 2022, he has over 8 years of experience in information technology and over 5 in information security working with government and financial organizations. Prior to joining BHIS, Fernando was a security consultant performing penetration testing and incident response. Outside of work he enjoys security challenges, music, video games and martial arts.

Terry Reece, GCFA
Terry is a penetration tester at Black Hills Information Security with 25 years of experience in a broad range of fields within information security. His past experiences include providing incident response and penetration testing services across a wide variety of industries including healthcare, government, retail, non-profit, and financial. Outside of work, Terry enjoys fishing, playing guitar, and spending time with his family.

Phil Miller, OSCP
Phil Miller joined the team at Black Hills Information Security (BHIS) in the spring of 2022 as a Penetration Tester working on web application, external, and internal network testing. Prior to this role, he was an information security associate for an e-commerce B2B company. Phil chose BHIS because of the "the amazing content and fantastic quality of work that they deliver, and it's an awesome group of talented individuals." He loves being on a team with folks who are also passionate about their work. Outside of work, he enjoys the arts (drumming & music, drawing & painting), as well as sports (golfing, bowling, and basketball).

Serena DiPenti
Serena DiPenti joined Black Hills Information Security (BHIS) in April 2022, after previously working as a network engineer at Cisco. As a Security Analyst and Content Creator, she communicates pentester concepts through content. Serena chose to join BHIS because she wanted to be a part of a company that fosters community. She values the flexibility to create what she wants and the opportunity to collaborate with incredibly intelligent people. Outside of work, she can be found biking, creating on TikTok, and trying new hobbies.

DocuSign Envelope ID: A5D41F5C-2E34-4698-BDAD-17B3A45B6359

Cameron Cartier
Cameron Cartier joined Black Hills Information Security in 2023 as a Penetration Tester. In this role, she hacks things, teaches things, and researches things of all sorts. Cameron loves the friendly collaborative environment; she gets to do cool things with cool people and get paid for it. She is a graduate student researching privacy enhancing technologies. Outside of work, Cameron enjoys jiu-jitsu, gardening, hanging with friends, and adventuring in the mountains.

Kaitlyn Wimberley
Kaitlyn Wimberley joined BHIS in March of 2022 as a SOC Security Analyst. Kaitlyn obtained her Master of Science in Cyber Security from New York University in 2021 with high honors. While at NYU, she worked as a teaching assistant in NYU's Offensive Security course, and served as president of the OSIRIS security lab. Kaitlyn has also earned the Pentest+ and BTL1 certifications. In her spare time, Kaitlyn enjoys the usual things (games, music, and reading), attempting to keep plants alive, and going on adventures with her family.

Kiersten Gross
Kiersten is a security analyst and SOC member. Prior to joining BHIS, he worked as a shop-hand. Kiersten has a BS in Software Development and an MS in Cybersecurity. Away from work, Kiersten enjoys spending time in the mountains with his family.

Dave Hoff
Dave is a Cloud Architect and Systems Administrator at Black Hills Information Security. Prior to joining BHIS, Dave worked in the higher education industry and has worked in incident response, detection engineering, SIEM design and maintenance, threat intelligence, and network security monitoring. Dave earned a BS in Information Systems and enjoys automating his work and sharing his knowledge with others. When he's not working, Dave enjoys building specialized vehicles, playing music, and camping.

Michael Getman
Michael is a SOC analyst at Black Hills Information Security. Prior to joining BHIS, Michael held roles as an enterprise technician and systems administrator. Michael ha a AAS in Network and Systems Administration.

Hayden Covington
Hayden is a security analyst at Black Hills Information Security. Prior to joining BHIS, Hayden worked in the SOC of a naval contractor as a tier 2 analyst, SOAR/SIEM engineer, and the enterprise insider threat lead. In addition, Hayden has also worked in a forensics, administrative, and project management capacity in the past. Hayden has a BS in Cybersecurity from Regent University where he served for multiple years as vice president of the university’s student activities board. With a passion for process improvement and automation, Hayden is always on the lookout for ways to optimize processes, freeing up time for more valuable tasks. Outside of work, Hayden enjoys triathlons, motorsports, and tinkering in various other hobbies.

DocuSign Envelope ID: A5D41F5C-2E34-4698-BDAD-17B3A45B6359

INFORMATION SECURITY SERVICES
MASTER SERVICE AGREEMENT

This Master Services Agreement (the "Agreement") is by and between Black Hills Information Security, LLC., a South Dakota Corporation with offices at 115 West Hudson St. Spearfish, SD 57783 ("BHIS"), and Monterey County, a local government, County entity with offices at 1590 Moffett Street Salinas, CA 93905 ("Client"), is effective the 9th day of January, 2024 (the "Effective Date"), and sets out the terms and conditions under which BHIS will provide and Client will receive Services specified in Statements of Work.

Payment Terms

1. All rates for travel and per-diem will be in accordance with GSA rates for the area and are per consultant.
2. Any travel expenses (hotel, mileage and per-diem) will be invoiced separately from the amount listed above. Full payment of expenses is due 30 days after date of invoice.
3. Client will reimburse Consultant for authorized travel expenses, including airfare, GSA rate per diem, car rental (if required), and hotel, in addition to the project fees. BHIS will not bill for travel time to and from the Client designated location(s).
4. The initial draft report will be issued no later than 10 business days from the completion of work. Client then has 10 business days to review the report, add comments, and request changes. Consultant then has 5 business days to issue a response at which time report becomes final.
5. Client will surrender payment to BHIS no later than 30 days from invoice. BHIS invoices upon final report.
6. BHIS's fees do not include sales, use, excise, occupation, privilege, and value-added or similar taxes. Client shall be responsible, on behalf of itself and its Affiliate(s), for the payment of all taxes and fees assessed or imposed on the Services provided or the amounts charged under this agreement in any country or territory in which Client receives the benefit of the Services, including any sales, use, excise, value-added, or comparable taxes, but excluding taxes for which Client has provided a valid resale or exemption certificate. Should any payments become subject to withholding tax, Client shall be responsible for payment of said taxes to the appropriate tax authority in accordance with applicable tax laws. BHIS shall not be liable for any withholding tax, penalty or interest due as a result of Client failure to pay any applicable tax.
7. Engagement timelines and investment levels assume timely participation by Client in all aspects of the project. In the event that Client delays the engagement by failure to deliver required material, communication, not scheduling or participating in required events, or otherwise extending the timeline of the engagement, BHIS reserves the right to adjust the delivery dates and the professional fee and re-invoice Client for any additional work and associated costs that result from the delay.
8. If the Client team ceases to interact with BHIS for a period of more than 90 days, the project will be deemed to be concluded, and final billing will be submitted.
9. The schedule is determined following a signed proposal or statement of work. Any change to the schedule or scope of an engagement following establishment must be mutually agreed upon in

DocuSign Envelope ID: A5D41F5C-2E34-4698-BDAD-17B3A45B6359

writing. If, in BHIS' judgment, the change requires additional work, support, and travel not included in the statement of work, BHIS reserves the right to adjust the delivery dates and the professional fee for the engagement and will re-invoice Client.
Any changes to the schedule must be agreed to by both parties.
BHIS may substitute scheduled testers at BHIS discretion to meet schedule.
Client schedule changes require four weeks of notice to avoid incurring a penalty. The following schedule may be enforced if BHIS is not able to reschedule work to avoid idling a tester.

- Less than 4 weeks' notice incurs an additional 20% charge
- Less than 2 weeks' notice incurs an additional 50% charge
- Day of start or within testing time frame incurs an additional 100% charge

BHIS will make a reasonable effort to reschedule work for testers and avoid the additional charge. Additional charge shall be assessed only on the portion of a test that is delayed or cancelled.

10. Payment shall be made by direct transfer or check. Payment by credit card is not permitted.

Audit & Penetration Test Authorization

11. **Purpose.** The purpose of this agreement is to set forth the agreement regarding consulting or network security scanning and penetration testing offered by BHIS to Client. BHIS shall utilize industry standard software to perform electronic scans of Client's networks and/or firewalls or on any system attached to the Client network(s). Measures will be taken to avoid damaging networks and systems, as well as the data contained within such networks and systems. If damages caused by BHIS were unforeseeable, BHIS will not be held responsible for the damages or any of its consequences, unless said damages were caused by gross negligence or willful misconduct of BHIS.
12. **Scope.** This agreement covers all computer and communication devices owned or operated by Client. This agreement also covers any computer and communications device that are present on Client network(s) during the assessment timeframe. BHIS will not intentionally perform Denial of Service activities without the explicit request and authorization of Client.
13. **Network Control.** If Client does not control their network and/or Internet service is provided via a second or third party, these parties are required to approve scanning in writing if scanning is to occur outside of the Client LAN. By signing this agreement, all involved parties acknowledge that they authorize BHIS to use their service networks as a gateway for the conduct of these tests during the dates and times specified.
14. **Service Degradation and/or Interruption**. Network performance and/or availability may be affected by the network scanning and/or testing. Client releases BHIS of any and all liability for damages that may arise from network availability restrictions caused by the network scanning and/or testing, unless such damages are the result of gross negligence or intentional misconduct on the part of BHIS.
15. **Client Point of Contact during the Scanning Period.** Client shall identify in writing a person to be available if the BHIS Scanning Team has questions regarding data discovered or requires assistance.
16. **Scanning Period.** Client and BHIS Scanning Team shall identify in writing the allowable dates and times for scanning to take place during a Rules of Engagement meeting prior to testing.
17. **No Guarantees.** BHIS will use reasonable care in the performance of the Services. CLIENT ACKNOWLEDGES, UNDERSTANDS AND AGREES THAT BHIS DOES NOT COVENANT, GUARANTEE OR WARRANT THAT IT WILL FIND, LOCATE, DISCOVER AND/OR REPAIR ANY OR ALL OF CLIENT'S SYSTEM'S VULNERABILITIES, OR THAT BHIS WILL BE ULTIMATELY SUCCESSFUL IN DETERMINING THE SOURCE OR FULL IMPACT OF ANY AUTHORIZED OR UNAUTHORIZED ACCESS OR SECURITY BREACH (OR ATTEMPTED

DocuSign Envelope ID: A5D41F5C-2E34-4698-BDAD-17B3A45B6359

ACCESS OR SECURITY BREACH), AND WILL NOT HOLD BHIS RESPONSIBLE THEREFOR. CLIENT AGREES NOT TO REPRESENT TO ANY THIRD PARTY THAT BHIS HAS PROVIDED ANY SUCH COVENANT, GUARANTEE OR WARRANTY. ALL DETERMINATIONS REGARDING THE CLIENT'S APPROACH TO COMPLIANCE WITH APPLICABLE LAWS AND REGULATIONS, INCLUDING HOW AND WHETHER THE SERVICES CONTRIBUTE TO SUCH APPROACH, SHALL BE MADE SOLELY BY THE CLIENT AND CLIENT SPECIFICALLY ACKNOWLEDGES THAT BHIS HAS NOT REPRESENTED, WARRANTED, OR OTHERWISE GUARANTEED PERFORMANCE OF THE SERVICES WILL RESULT IN ANY SUCH COMPLIANCE.

18. **Possible Damage or Disruption.** BHIS hereby disclaims responsibility for any and all claims of loss arising from or in connection with disruptions of and/or damage to Client's or a third party's information systems and the information and data contained therein arising from or related to the provision of the Services, including, but not limited to, denial of access to a legitimate system user, automatic shutdown of information systems caused by intrusion detection software or hardware, or failure of the information system resulting from the provision of the Services. Client shall indemnify, defend, and hold harmless BHIS from any claims related to any claims of such damage.

19. **Consents and Data.** Client is solely responsible for the content of the data contemplated to be accessed by BHIS from Client's systems under this Agreement. Client has the right to grant to BHIS, and does hereby grant to BHIS (except to the extent otherwise specified in an SOW), the right to access all such data, all such systems, and all facilities associated with such systems and data for the purpose of providing the Services. Client further acknowledges that it has the right to and does hereby authorize BHIS to conduct any forensic or other investigations, to access computers, files or other data reasonably necessary to conduct such investigations, and to view information as necessary to perform the Services. Client shall, at its own cost and expense, obtain and maintain all necessary third party consents required for BHIS to so access such systems and data. Client represents and warrants that BHIS's performance of the Services does not and will not conflict with any obligations of Client to any third party, including without limitation employees of Client. Client further represents and warrants that Client has taken and will take all necessary actions (including without limitation obtaining consents) required for Client to legally disclose all personally identifiable or equivalent data contained within the data to be accessed by BHIS as the result of BHIS's performance of the Services, and that Client shall not grant BHIS access to data and shall not disclose data to BHIS to the extent such access and disclosure is not then permitted under all applicable laws. Client shall not provide BHIS access to any data which require, pursuant to any law or regulation, protection of such data to any legally and/or regulatory specified standard of care, to include without limitation export/import restrictions. Client will also notify BHIS in advance if any data provided to it is restricted for import or export control purposes, including but not limited to the State Department Arms Control list, Munitions list, or any other export control regime. Client shall indemnify, defend, and hold harmless BHIS from any claims related to any breach by Client of any of the foregoing representations, warranties, and obligations.

20. **Legacy Data.** It is understood by Client that there is an element of risk associated with the provision of the Services relating to technical testing. This risk includes the potential that certain electronic and nonoperational data or code may remain on Client's system after the provision of Services by Consultant or its subcontractors ("Legacy Data"), and that Client or its agents may mistakenly perceive such Legacy Data to be malicious in nature and take corrective actions based on such mistaken belief. Although BHIS and its subcontractors will put forth commercially reasonable efforts to remove Legacy Data from Client's system after the provision of Services, it is understood and agreed by Client that there is no guarantee that there will be no Legacy Data left remaining on Client's system after the provision of Services, nor that Consultant or its subcontractors will remove all Legacy Data from Client's systems after the provision of Services. BHIS DOES NOT ASSUME ANY RESPONSIBILITY OR LIABILITY FOR ANY ACT OR OMISSION BY CLIENT OR ITS AGENTS ARISING FROM OR RELATING TO THE DISCOVERY OF ANY LEGACY DATA, REGARDLESS OF WHETHER SUCH LEGACY DATA

DocuSign Envelope ID: A5D41F5C-2E34-4698-BDAD-17B3A45B6359

WAS LEFT INTENTIONALLY, BY DESIGN, BY ERROR OR OTHERWISE. NOTWITHSTANDING ANYTHING HEREIN TO THE CONTRARY, CONSULTANT EXPRESSLY DISCLAIMS ALL WARRANTIES OF ANY KIND, WHETHER EXPRESS OR IMPLIED. IN PARTICULAR, BHIS MAKES NO WARRANTY THAT CLIENT'S SYSTEM WILL BE FREE OF LEGACY DATA AFTER THE PROVISION OF SERVICES. IN NO EVENT SHALL BHIS BE LIABLE TO CLIENT OR TO ANY THIRD PARTY FOR DAMAGES RESULTING FROM DISCOVERY OF LEGACY DATA AND ACTS OR OMISSIONS BASED THEREUPON.

21. **Excuse.** BHIS shall be excused from the performance of any obligation to the extent that such performance conflicts with any applicable law or regulation, including without limitation when BHIS in good faith believes that such performance is likely to so conflict.

22. **Confidential Information.** Parties below acknowledge that during the term of this Agreement each party may receive or have access to the Proprietary and Confidential information of the other party, and each party agrees that such information is a valuable asset of the other party and shall remain proprietary and confidential as to its owner. Each party agrees it will not reveal, publicly disclose, or use the other party's Proprietary or Confidential information except as necessary in performing obligations authorized in this Agreement.

23. **Intellectual Property.** All work product will contain Background IP.

    Background Intellectual Property shall mean Intellectual Property, proprietary information, or confidential know-how relevant to the project which is in the possession of a party prior to the commencement of the project or generated after commencement of the project but independent of the project.

    BHIS owns and retains all right, title and interest (including without limitation all copyrights patents, moral rights, trademark rights, and other intellectual property and industrial property rights) in, to and associated with the services ideas, inventions, techniques, improvements, discoveries, software design, software coding, charts, drawings, specifications, notebooks, tracings, photographs, reports, briefings, findings, recommendations, data and memoranda. This is not a work made-for-hire agreement.

    Works published or copyrighted during the term of the service agreement and this SOW will remain copyright of BHIS, unless explicitly agreed within a statement of work, or licensing agreement. BHIS retains all rights to work undertaken under the term of the agreement, unless published under a community license such as the Creative Commons, in which case ownership may pass to the community.

    Any Client proprietary or confidential information remains the property of the Client. No client content shall be so published without written permission.

    Client has a right to use any products related to BHIS services for internal use and will not acquire any right, title or interest in or to any methodology, format, content or technology provided by BHIS as part of the services. Client may share reports, letters of attestation and other provided derivative works with business partners and Clients and other third parties for the purpose of improving and demonstrating Client's security practices, status, and compliance.

IN WITNESS WHEREOF, and in consideration of the mutual promises herein contained and other good and valuable consideration (the receipt of which is hereby acknowledged), authorized representatives of the parties have signed this Agreement as of the Effective Date.

Monterey County	**BHIS**

DocuSign Envelope ID: 79A72B00-AF2C-4A65-9B73-6129EBEDF063

Introduced: 11/29/2023 **Current Status:** Agenda Ready

Version: 1 **Matter Type:** BoS Agreement

a. Authorize the Chief Information Officer to execute a non-Standard Agreement with Black Hills Information Security, LLC for network security evaluation for the term of January 9, 2024, through June 30, 2024, in an amount not to exceed $37,760; and
b. Authorize the Chief Information Officer or his designee to execute order forms and such documents as necessary with Black Hills Information Security, LLC; and
c. Accept non-standard contract provisions as recommended by the Chief Information Officer or his designee; and
d. Authorize the Chief Information Officer or his designee the option to execute up to two (2) future amendments to this Agreement, each extending the term by one year, where the additional costs of each Amendment do not exceed 10% ($3,776) of the original contract amount of $37,760, bringing the maximum additional compensation to $41,536 for each additional term and potential overall Agreement aggregate not to exceed amount to $120,832.

RECOMMENDATION:

It is recommended that the Board of Supervisors:
a. Authorize the Chief Information Officer to execute a non-Standard Agreement with Black Hills Information Security, LLC for network security evaluation for the term of January 9, 2024, through June 30, 2024, in an amount not to exceed $37,760; and
b. Authorize the Chief Information Officer or his designee to execute order forms and such documents as necessary with Black Hills Information Security, LLC; and
c. Accept non-standard contract provisions as recommended by the Chief Information Officer or his designee; and
d. Authorize the Chief Information Officer or his designee the option to execute up to two (2) future amendments to this Agreement, each extending the term by one year, where the additional costs of each Amendment do not exceed 10% ($3,776) of the original contract amount of $37,760, bringing the maximum additional compensation to $41,536 for each additional term and potential overall Agreement aggregate not to exceed amount to $120,832.

SUMMARY:

The Information Technology Department is vigilant in its pursuit of protecting the County's network from cyber-attacks. This agreement will assist in that mission with a penetration test. Penetration testers use the same tools, techniques, and processes as attackers to find and demonstrate the business impacts of found security weaknesses, and their testing is performed carefully so that there is no business interruption.

DISCUSSION:

DocuSign Envelope ID: 79A72B00-AF2C-4A65-9B73-6129EBEDF063

Black Hills Information Security, LLC services include threat and vulnerability assessments. Their penetration testing is designed to identify and focus an organization on key points of leverage to create the largest impact on security with the least cost and effort. They will be able to identify issues and tell the county how they found them. This approach will give the county more information to secure its environment better and is a key to lasting improvement. It addresses the county's tools and technology and improves the capabilities and understanding of its employee's cyber activities.

The Chief Information Officer recommends the approval of this non-Standard Agreement with Black Hills Information Security, LLC for network security evaluation.

OTHER AGENCY INVOLVEMENT:
County Counsel has reviewed and approved the non-Standard Agreement with Black Hills Information Security, LLC. Auditor-Controller reviewed the contract but did not agree to the non-standard payment provisions.

FINANCING:
Required funds will be included in each respective Recommended Budget for the Information Technology Department, ITD 1930, Appropriations Unit INF002.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
The Board's approval of the recommended agreement will assist in the overall security of the County's network.

County of Monterey

Board Report

Legistar File Number: 23-909

Item No.43

Board of Supervisors
Chambers
168 W. Alisal St., 1st Floor
Salinas, CA 93901

January 09, 2024

Introduced: 11/29/2023

Current Status: Criminal Justice - Consent

Version: 1

Matter Type: General Agenda Item

Adopt a resolution authorizing the County Administrative Officer or her designee to sign a Memorandum of Agreement and all related documentation on behalf of the County for the U.S. Office of Justice Planning, Edward Byrne Memorial Justice Assistance Grants (JAG) application with the City of Salinas, subject to review and approval by County Counsel.

RECOMMENDATION:
It is recommended that the Board of Supervisors:
Adopt a resolution authorizing the County Administrative Officer or her designee to sign a Memorandum of Agreement and all related documentation on behalf of the County for the U.S. Office of Justice Planning, Edward Byrne Memorial Justice Assistance Grants (JAG) application with the City of Salinas, subject to review and approval by County Counsel.

SUMMARY/DISCUSSION:
The Monterey County District Attorney's Office has the opportunity to continue to obtain direct grant funds under the U.S. Office of Justice Planning, Edward Byrne Memorial Justice Assistance Grants (JAG) FY 2023 Award Program. This would be the sixth year of applications and receipt of such funding if the MOU is approved. This is an opportunity to continue to receive funds for the purchase of new investigative safety equipment, which funding is not otherwise available in the department's budget. No matching funds are required for acceptance of this grant funding. The requested action is part of a continuing cooperative arrangement with the City of Salinas and the District Attorney's Office to secure this funding, in accordance with the requirements of the JAG grant program.

OTHER AGENCY INVOLVEMENT:
The County Administrative Office and the City of Salinas support this action and are prepared to enter into a Memorandum of Agreement.

FINANCING:
There will be no new net county cost to the County General Fund; this funding was added to the FY 2023-24 Adopted Budget. Total funding provided in the grant is $92,532, with $20,153 of those funds reserved for the Office of the District Attorney.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
Approval of this request will increase public safety throughout the county by the increased safety for the Investigators in the Office of the District Attorney.

COUNTY OF MONTEREY STANDARD AGREEMENT

This **Agreement** is made by and between the County of Monterey, a political subdivision of the State of California (hereinafter "County") and:

CPS Solutions, LLC.

(hereinafter "CONTRACTOR").

In consideration of the mutual covenants and conditions set forth in this Agreement, the parties agree as follows:

1.0 GENERAL DESCRIPTION:

See ADDENDUM
FS
CONTRACTOR

The County hereby engages CONTRACTOR to perform, and CONTRACTOR hereby agrees to perform, the services described in **Exhibit A** in conformity with the terms of this Agreement. The goods and/or services are generally described as follows:

County

Provide: 340B program audit and consulting services.

2.0 PAYMENT PROVISIONS:

See ADDENDUM
FS
CONTRACTOR

County shall pay the CONTRACTOR in accordance with the payment provisions set forth in **Exhibit A,** subject to the limitations set forth in this Agreement. The total amount payable by County to CONTRACTOR under this Agreement shall not exceed the sum of: $ 259,610.

County

3.0 TERM OF AGREEMENT:

3.01 The term of this Agreement is from February 1, 2024 **to** January 31, 2028, unless sooner terminated pursuant to the terms of this Agreement. This Agreement is of no force or effect until signed by both CONTRACTOR and County and with County signing last, and **CONTRACTOR may not commence work before County signs this Agreement**.

See ADDENDUM
FS
CONTRACTOR

3.02 The County reserves the right to cancel this Agreement, or any extension of this Agreement, without cause, with a thirty day (30) written notice, or with cause immediately.

County

4.0 SCOPE OF SERVICES AND ADDITIONAL PROVISIONS:

See ADDENDUM
FS
CONTRACTOR

The following attached exhibits are incorporated herein by reference and constitute a part of this Agreement:

Exhibit A Scope of Services/Payment Provisions

Exhibit B Other:

County

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

5.0 PERFORMANCE STANDARDS:

5.01 CONTRACTOR warrants that CONTRACTOR and CONTRACTOR's agents, employees, and subcontractors performing services under this Agreement are specially trained, experienced, competent, and appropriately licensed to perform the work and deliver the services required under this Agreement and are not employees of the County, or immediate family of an employee of the County.

5.02 CONTRACTOR, its agents, employees, and subcontractors shall perform all work in a safe and skillful manner and in compliance with all applicable laws and regulations. All work performed under this Agreement that is required by law to be performed or supervised by licensed personnel shall be performed in accordance with such licensing requirements.

5.03 CONTRACTOR shall furnish, at its own expense, all materials, equipment, and personnel necessary to carry out the terms of this Agreement, except as otherwise specified in this Agreement. CONTRACTOR shall not use County premises, property (including equipment, instruments, or supplies) or personnel for any purpose other than in the performance of its obligations under this Agreement.

6.0 PAYMENT CONDITIONS:

6.01 Prices shall remain firm for the initial term of the Agreement and, thereafter, may be adjusted annually as provided in this paragraph. The County does not guarantee any minimum or maximum amount of dollars to be spent under this Agreement.

6.02 Negotiations for rate changes shall be commenced, by CONTRACTOR, a minimum of ninety days (90) prior to the expiration of the Agreement. Rate changes are not binding unless mutually agreed upon in writing by the County and the CONTRACTOR.

6.03 Invoice amounts shall be billed directly to the ordering department.

See ADDENDUM
ES
CONTRACTOR

County

~~6.04 CONTRACTOR shall submit such invoice periodically or at the completion of services, but in any event, not later than 30 days after completion of services. The invoice shall set forth the amounts claimed by CONTRACTOR for the previous period, together with an itemized basis for the amounts claimed, and such other information pertinent to the invoice. The County shall certify the invoice, either in the requested amount or in such other amount as the County approves in conformity with this Agreement and shall promptly submit such invoice to the County Auditor-Controller for payment. The County Auditor-Controller shall pay the amount certified within 30 days of receiving the certified invoice.~~

7.0 TERMINATION:

See ADDENDUM
ES
CONTRACTOR

County

~~7.01 During the term of this Agreement, the County may terminate the Agreement for any reason by giving written notice of termination to the CONTRACTOR at least thirty (30) days prior to the effective date of termination. Such notice shall set forth the effective date of termination. In the event of such termination, the amount payable under this Agreement shall be reduced in proportion to the services provided prior to the date of termination.~~

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

7.02 The County may cancel and terminate this Agreement for good cause effective immediately upon written notice to CONTRACTOR. "Good cause" includes the failure of CONTRACTOR to perform the required services at the time and in the manner provided under this Agreement. If County terminates this Agreement for good cause, the County may be relieved of the payment of any consideration to CONTRACTOR, and the County may proceed with the work in any manner, which County deems proper. The cost to the County shall be deducted from any sum due the CONTRACTOR under this Agreement.

See ADDENDUM
FS
CONTRACTOR
County

7.03 The County's payments to CONTRACTOR under this Agreement are funded by local, state and federal governments. If funds from local, state and federal sources are not obtained and continued at a level sufficient to allow for the County's purchase of the indicated quantity of services, then the County may give written notice of this fact to CONTRACTOR, and the obligations of the parties under this Agreement shall terminate immediately, or on such date thereafter, as the County may specify in its notice, unless in the meanwhile the parties enter into a written amendment modifying this Agreement.

8.0 INDEMNIFICATION:

See ADDENDUM
FS
CONTRACTOR
County

CONTRACTOR shall indemnify, defend, and hold harmless the County, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with the CONTRACTOR's performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of the County. "CONTRACTOR's performance" includes CONTRACTOR's action or inaction and the action or inaction of CONTRACTOR's officers, employees, agents and subcontractors.

9.0 INSURANCE REQUIREMENTS:

9.01 **Evidence of Coverage:** Prior to commencement of this Agreement, the Contractor shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor upon request shall provide a certified copy of the policy or policies.

This verification of coverage shall be sent to the County's Contracts/Purchasing Department, unless otherwise directed. The Contractor shall not receive a "Notice to Proceed" with the work under this Agreement until it has obtained all insurance required and the County has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the Contractor.

9.02 **Qualifying Insurers:** All coverage's, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A- VII, according to the current Best's Key Rating Guide or a company of equal financial stability that is approved by the County's Purchasing Manager.

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

9.03 **Insurance Coverage Requirements:** Without limiting CONTRACTOR's duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

Commercial General Liability Insurance: including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than $1,000,000 per occurrence.
(Note: any proposed modifications to these general liability insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Requestor must check the appropriate Automobile Insurance Threshold:
Requestor must check the appropriate box.

☐ **Agreement Under $100,000 Business Automobile Liability Insurance:** covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than $500,000 per occurrence.

☑ **Agreement Over $100,000 Business Automobile Liability Insurance:** covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit or Bodily Injury and Property Damage of not less than $1,000,000 per occurrence.

(Note: any proposed modifications to these auto insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Workers' Compensation Insurance: if CONTRACTOR employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's Liability limits not less than $1,000,000 each person, $1,000,000 each accident and $1,000,000 each disease.
(Note: any proposed modifications to these workers' compensation insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Professional Liability Insurance: if required for the professional services being provided, (e.g., those persons authorized by a license to engage in a business or profession regulated by the California Business and Professions Code), in the amount of not less than $1,000,000 per claim and $2,000,000 in the aggregate, to cover liability for malpractice or errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

coverage shall continue for at least three years following the expiration or earlier termination of this Agreement.

(Note: any proposed modifications to these insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

9.04 **Other Requirements:**

All insurance required by this Agreement shall be with a company acceptable to the County and issued and executed by an admitted insurer authorized to transact Insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the County shall be given notice in writing at least thirty days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor and additional insureds with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the CONTRACTOR'S work, including ongoing and completed operations, **and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the CONTRACTOR'S insurance.** The required endorsement form for Commercial General Liability Additional Insured is ISO Form CG 20 10 11-85 or CG 20 10 10 01 in tandem with CG 20 37 10 01 (2000). The required endorsement form for Automobile Additional Insured endorsement is ISO Form CA 20 48 02 99.

Prior to the execution of this Agreement by the County, CONTRACTOR shall file certificates of insurance with the County's contract administrator and County's Contracts/Purchasing Division, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect. CONTRACTOR shall always during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

this Agreement, which entitles County, at its sole discretion, to terminate this Agreement immediately.

10.0 RECORDS AND CONFIDENTIALITY:

10.1 **Confidentiality:** CONTRACTOR and its officers, employees, agents, and subcontractors shall comply with any and all federal, state, and local laws, which provide for the confidentiality of records and other information. CONTRACTOR shall not disclose any confidential records or other confidential information received from the County or prepared in connection with the performance of this Agreement, unless County specifically permits CONTRACTOR to disclose such records or information. CONTRACTOR shall promptly transmit to County any and all requests for disclosure of any such confidential records or information. CONTRACTOR shall not use any confidential information gained by CONTRACTOR in the performance of this Agreement except for the sole purpose of carrying out CONTRACTOR's obligations under this Agreement.

10.2 **County Records:** When this Agreement expires or terminates, CONTRACTOR shall return to County any County records which CONTRACTOR used or received from County to perform services under this Agreement.

10.3 **Maintenance of Records:** CONTRACTOR shall prepare, maintain, and preserve all reports and records that may be required by federal, state, and County rules and regulations related to services performed under this Agreement. CONTRACTOR shall maintain such records for a period of at least three years after receipt of final payment under this Agreement. If any litigation, claim, negotiation, audit exception, or other action relating to this Agreement is pending at the end of the three-year period, then CONTRACTOR shall retain said records until such action is resolved.

10.4 **Access to and Audit of Records:** The County shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the CONTRACTOR and its subcontractors related to services provided under this Agreement. Pursuant to Government Code section 8546.7, if this Agreement involves the expenditure of public funds in excess of $10,000, the parties to this Agreement may be subject, at the request of the County or as part of any audit of the County, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three years after final payment under the Agreement.

See ADDENDUM
FS
CONTRACTOR
County

10.5 **Royalties and Inventions:** County shall have a royalty free, exclusive and irrevocable license to reproduce, publish, and use, and authorize others to do so, all original computer programs, writings, sound recordings, pictorial reproductions, drawings, and other works of similar nature produced in the course of or under this Agreement. CONTRACTOR shall not publish any such material without the prior written approval of County.

11.0 NON-DISCRIMINATION:

11.1 During the performance of this Agreement, CONTRACTOR, and its subcontractors, shall not unlawfully discriminate against any person because of race, religious creed, color, sex, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age (over 40), sexual orientation, or any other characteristic set forth in California Government code § 12940(a), either in CONTRACTOR's employment practices or in the furnishing of services to recipients. CONTRACTOR shall ensure that the evaluation and

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. CONTRACTOR and any subcontractor shall, in the performance of this Agreement, fully comply with all federal, state, and local laws and regulations which prohibit discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be prohibited discrimination.

~~12.0 COMPLIANCE WITH TERMS OF STATE OR FEDERAL GRANTS:~~

See ADDENDUM
FS
CONTRACTOR

County

~~If this Agreement has been or will be funded with monies received by the County pursuant to a contract with the state or federal government in which the County is the grantee, CONTRACTOR will comply with all the provisions of said contract, to the extent applicable to CONTRACTOR as a subgrantee under said contract, and said provisions shall be deemed a part of this Agreement, as though fully set forth herein. Upon request, County will deliver a copy of said contract to CONTRACTOR, at no cost to CONTRACTOR.~~

13.0 COMPLIANCE WITH APPLICABLE LAWS:

13.1 CONTRACTOR shall keep itself informed of and in compliance with all federal, state, and local laws, ordinances, regulations, and orders, including but not limited to all state and federal tax laws that may affect in any manner the Project or the performance of the Services or those engaged to perform Services under this AGREEMENT as well as any privacy laws including, if applicable, HIPAA. CONTRACTOR shall procure all permits and licenses, pay all charges and fees, and give all notices require by law in the performance of the Services.

See ADDENDUM
FS
CONTRACTOR

County

~~13.2 CONTRACTOR shall report immediately to County's Contracts/Purchasing Officer, in writing, any discrepancy or inconsistency it discovers in the laws, ordinances, regulations, orders, and/or guidelines in relation to the Project of the performance of the Services.~~

13.3 All documentation prepared by CONTRACTOR shall provide for a completed project that conforms to all applicable codes, rules, regulations, and guidelines that are in force at the time such documentation is prepared.

14.0 INDEPENDENT CONTRACTOR:

In the performance of work, duties, and obligations under this Agreement, CONTRACTOR is always acting and performing as an independent contractor and not as an employee of the County. No offer or obligation of permanent employment with the County or County department or agency is intended in any manner, and CONTRACTOR shall not become entitled by virtue of this Agreement to receive from County any form of employee benefits including but not limited to sick leave, vacation, retirement benefits, workers' compensation coverage, insurance or disability benefits. CONTRACTOR shall be solely liable for and obligated to pay directly all applicable taxes, including federal and state income taxes and social security, arising out of CONTRACTOR's performance of this Agreement. In connection therewith, CONTRACTOR shall defend, indemnify, and hold County harmless from any and all liability which County may incur because of CONTRACTOR's failure to pay such taxes.

16.0 MISCELLANEOUS PROVISIONS.

16.01 **Conflict of Interest:** CONTRACTOR represents that it presently has no interest and agrees not to acquire any interest during the term of this Agreement, which would directly, or indirectly conflict in any manner or to any degree with the full and complete performance of the services required to be rendered under this Agreement.

16.02 **Amendment:** This Agreement may be amended or modified only by an instrument in writing signed by the County and the CONTRACTOR.

16.03 **Waiver:** Any waiver of any terms and conditions of this Agreement must be in writing and signed by the County and the CONTRACTOR. A waiver of any of the terms and conditions of this Agreement shall not be construed as a waiver of any other terms or conditions in this Agreement.

16.04 **Contractor:** The term "CONTRACTOR" as used in this Agreement includes CONTRACTOR's officers, agents, and employees acting on CONTRACTOR's behalf in the performance of this Agreement.

16.05 **Disputes:** CONTRACTOR shall continue to perform under this Agreement during any dispute.

16.06 **Assignment and Subcontracting:** The CONTRACTOR shall not assign, sell, or otherwise transfer its interest or obligations in this Agreement without the prior written consent of the County. None of the services covered by this Agreement shall be subcontracted without the prior written approval of the County. Notwithstanding any such subcontract, CONTRACTOR shall continue to be liable for the performance of all requirements of this Agreement.

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

16.07 **Successors and Assigns:** This Agreement and the rights, privileges, duties, and obligations of the County and CONTRACTOR under this Agreement, to the extent assignable or delegable, shall be binding upon and inure to the benefit of the parties and their respective successors, permitted assigns, and heirs.

16.08 **Headings:** The headings are for convenience only and shall not be used to interpret the terms of this Agreement.

16.09 **Time is of the Essence:** Time is of the essence in each and all of the provisions of this Agreement.

See ADDENDUM
FS
CONTRACTOR

~~16.10 **Governing Law:** This Agreement shall be governed by and interpreted under the laws of the State of California; venue shall be Monterey County.~~

County

16.11 **Non-exclusive Agreement:** This Agreement is non-exclusive and both County and CONTRACTOR expressly reserve the right to contract with other entities for the same or similar services.

16.12 **Construction of Agreement:** The County and CONTRACTOR agree that each party has fully participated in the review and revision of this Agreement and that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Agreement or any amendment to this Agreement.

16.13 **Counterparts:** This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same Agreement.

16.14 **Authority:** Any individual executing this Agreement on behalf of the County or the CONTRACTOR represents and warrants hereby that he or she has the requisite authority to enter into this Agreement on behalf of such party and bind the party to the terms and conditions of this Agreement.

16.15 **Integration:** This Agreement, including the exhibits, represent the entire Agreement between the County and the CONTRACTOR with respect to the subject matter of this Agreement and shall supersede all prior negotiations, representations, or agreements, either written or oral, between the County and the CONTRACTOR as of the effective date of this Agreement, which is the date that the County signs the Agreement.

16.16 **Interpretation of Conflicting Provisions:** In the event of any conflict or inconsistency between the provisions of this Agreement and the Provisions of any exhibit or other attachment to this Agreement, the provisions of this Agreement shall prevail and control.

17.0 CONSENT TO USE OF ELECTRONIC SIGNATURES.

17.1 The parties to this Agreement consent to the use of electronic signatures via DocuSign to execute this Agreement. The parties understand and agree that the legality of electronic signatures is governed by state and federal law, 15 U.S.C. Section 7001 et seq.; California Government Code Section 16.5; and, California Civil Code Section 1633.1 *et. seq.* Pursuant to said state and federal law as may be amended from time to time, the parties to this Agreement hereby authenticate and execute this Agreement, and any and all Exhibits to this

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

Agreement, with their respective electronic signatures, including any and all scanned signatures in portable document format (PDF).

17.2 **Counterparts.**

The parties to this Agreement understand and agree that this Agreement can be executed in two (2) or more counterparts and transmitted electronically via facsimile transmission or by delivery of a scanned counterpart in portable document format (PDF) via email transmittal.

17.3 **Form: Delivery by E-Mail or Facsimile.**

Executed counterparts of this Agreement may be delivered by facsimile transmission or by delivery of a scanned counterpart in portable document format (PDF) by e-mail transmittal, in either case with delivery confirmed. On such confirmed delivery, the signatures in the facsimile or PDF data file shall be deemed to have the same force and effect as if the manually signed counterpart or counterparts had been delivered to the other party in person.

ADDENDUM 1
to County of Monterey Standard Agreement ("Agreement")
by and between CPS Solutions, LLC ("Contractor"), and County of Monterey, on behalf of its Health Department ("County")

This Addendum, dated as of the effective date of the Agreement, amends, modifies, and supplements the Agreement by and between Contractor and County. This Addendum has the full force and effect as if set forth within the Agreement. To the extent that any of the terms or conditions contained in this Addendum may contradict or conflict with any of the terms and conditions of the Agreement, it is expressly understood and agreed that the terms and conditions of this Addendum shall take precedence and supersede the attached Agreement.

NOW, THEREFORE, Contractor and County agree that the Agreement service terms and conditions shall be amended, modified, and supplemented as follows:

Under Section 1.0 GENERAL DESCRIPTION:

Section 1.0 is deleted in its entirety and replaced with the following:

"1.0 GENERAL DESCRIPTION:

The County hereby engages CONTRACTOR to perform, and CONTRACTOR hereby agrees to perform, the services described in **Section 4 .0** (and the Exhibits referenced therein) in conformity with the terms of this Agreement. The goods and/or services are generally described as follows: **Provide:** 340B program audit and consulting services."

Under Section 2.0 PAYMENT PROVISIONS:

Section 2.0 is deleted in its entirety and replaced with the following:

"2.0 PAYMENT PROVISIONS:

County shall pay the CONTRACTOR in accordance with the payment provisions set forth in **Exhibit B for the 340B Remote Monitoring Services and as set forth in Exhibit C for the 340B Continuous Readiness Services,** subject to the limitations set forth in this Agreement. The total amount payable by County to CONTRACTOR under this Agreement shall not exceed the sum of **$259,610**."

Under Section 3.0 TERM OF AGREEMENT:

Section 3.02 is deleted in its entirety in this Agreement.

Under Section 4.0 SCOPE OF SERVICES AND ADDITIONAL PROVISIONS:

Section 4.0 is deleted in its entirety and replaced with the following:

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

"4.0 SCOPE OF SERVICES AND ADDITIONAL PROVISIONS:

The following attached Addendum and exhibits are incorporated herein by reference and constitute a part of this Agreement:

Addendum 1 to Agreement

Exhibit A: Other Provisions

Exhibit B: Advisory SOW #1 (Remote 340B Monitoring)

Exhibit C: Advisory Statement of Work #2 (340B Continuous Readiness Program)

Exhibit D: 340B Covered Entities

Exhibit E: BAA"

Under Section 6.0 PAYMENT CONDITIONS:

Section 6.04 is deleted in its entirety and replaced with the following:

"6.04 CONTRACTOR shall submit such invoice periodically or at the completion of services, but in any event, not later than 60 days after completion of services. The invoice shall set forth the amounts claimed by CONTRACTOR for the previous period, together with an itemized basis for the amounts claimed, and such other information pertinent to the invoice. The County shall certify the invoice, either in the requested amount or in such other amount as the County approves in conformity with this Agreement. County shall submit each such certified invoice in such undisputed amount to the County Auditor-Controller for payment within fifteen (15) days of the County's receipt of each invoice. The County Auditor-Controller shall pay the amount certified within 30 days of receiving the certified invoice by automated clearing house transfer (e.g., ACH push) to an account designated by Contractor in writing, so that in each case, payment is received by Contractor within forty-five (45) days of the County's receipt of such invoice. If the County does not pay any invoiced amount (or portion thereof, each a "**Disputed Amount**"), then County shall within fifteen (15) days of the County's receipt of each invoice send Contractor a formal dispute notice (each a "**Dispute Notice**"), which must specify in detail the Fees, and/or other amounts that the County is disputing and the reason for each Disputed Amount (with citations to the applicable provisions of this Agreement supporting County's dispute). With respect to any such dispute, the Parties shall first attempt to resolve such dispute informally. A County executive and the lead Contractor Personnel providing Services under the SOW shall attempt in good faith to resolve the dispute. In the event they are unable to resolve a dispute within ten (10) days, then either Party may refer the dispute for resolution to such individuals' superiors upon written notice to the other Party. If any Disputed

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

Amount remans unpaid after ninety (90) days, CPS may suspend its Services under the Agreement until the dispute is resolved.

Under Section 7.0 TERMINATION:

Section 7.01 is deleted in its entirety and replaced with the following:

"During the term of this Agreement, the County may terminate this Agreement, or any extension of this Agreement, without cause, with at least ninety (90) written notice. Such notice shall set forth the effective date of termination. In the event of such termination, the amount payable under this Agreement shall be reduced in proportion to the services provided prior to the date of termination.

Section 7.02 is deleted in its entirety and replaced as follows:

"7.02. The County may cancel and terminate this Agreement for good cause effective immediately upon expiration of thirty (30) days' written notice to CONTRACTOR describing a breach of this Agreement that remains uncured upon expiration of such thirty (30)-day period. "Good cause" includes the failure of CONTRACTOR to perform the required services at the time and in the manner provided under this Agreement. If County terminates this Agreement for good cause, the County may be relieved of the payment of any consideration to CONTRACTOR, and the County may proceed with the work in any manner, which County deems proper. The cost to the County shall be deducted from any sum due the CONTRACTOR under the Agreement.

Under Section 8.0 INDEMNIFICATION:

Section 8.0 of the Agreement is deleted in its entirety and replaced with the following:

"8.0 INDEMNIFICATION:

Each Party (each the "**Indemnifying Party**") shall indemnify, defend, and hold harmless the other Party and such Party's officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with the Indemnifying Party's negligence or willful misconduct. "CONTRACTOR'S performance" includes CONTRACTOR'S action or inaction and the action or inaction of CONTRACTOR'S officers, employees, agents and subcontractors."

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

Under Section 10.0 RECORDS AND CONFIDENTIALITY:

Section 10.5 is deleted in its entirety and replaced with the following:

"**10.5 Royalties and Inventions:** County shall have during the term of this Agreement a royalty-free license to use all original computer programs, writings, sound recordings, pictorial reproductions, drawings, and other works of similar nature produced in the course of or under this Agreement."

Under Section 12.0 COMPLIANCE WITH TERMS OF STATE OR FEDERAL GRANTS:

Section 12.0 is deleted in its entirety from this Agreement.

Under Section 13.0 COMPLIANCE WITH APPLICABLE LAWS:

Section 13.2 is deleted in its entirety and replaced with the following:

"13.2 CONTRACTOR shall report immediately to County's Contracts/Purchasing Officer, in writing, any discrepancy or inconsistency it discovers in the laws, ordinances, regulations, orders, and/or guidelines in relation to the Project of the performance of the Services. County acknowledges that such report is not legal advice and will consult its own counsel regarding applicable laws."

Under Section 15.0 NOTICES:

Section 15.0 of the Agreement is deleted in its entirety and replaced with the following:

"15.0 NOTICES:

Notices required under this Agreement shall be delivered personally or by first-class, postage pre- paid mail to the County and CONTRACTOR'S contract administrators at the addresses listed below:

FOR COUNTY:	FOR CONTRACTOR:
Elsa Jimenez Director of Health	Frank Segrave Chairman and Chief Executive Officer

EXHIBIT A

OTHER PROVISIONS

DEFINITIONS. This "**Agreement**" refers to the County of Monterey Standard Agreement entered into between the County of Monterey, a political subdivision of the State of California ("**County**") and CPS Solutions, LLC ("**Contractor**"), as amended by that certain Addendum 1 to the Agreement between the Parties hereto (the "**Addendum**"). Certain capitalized terms are defined in the Agreement (including this **Exhibit A**) where they are used. Other capitalized terms are defined in Appendix 1 (Defined Terms) attached to this **Exhibit A**. Contractor and County are individually referred to herein as a "**Party**" and collectively as the "**Parties.**"

1. **SERVICES.**

1.1. **Services.** The Agreement (including this Exhibit A) contains the terms and conditions upon which County may procure services from Contractor and certain of Contractor Affiliates. Contractor, or its designated Affiliate, shall provide such services (collectively, the "**Services**") to County as the Parties may mutually agree upon from time to time in a written statement of work (each, an "**SOW**").

2. **OTHER SERVICE TERMS.**

2.1. **County Provided Systems.**

2.1.1. **County Provided Systems.** Unless otherwise agreed to in writing by the Parties, for each System that Contractor provides Contractor with access to in connection with the Services (collectively, the "**County Provided Systems**"), County hereby grants to Contractor and its Personnel, a non-exclusive, worldwide, unlimited user, royalty-free, irrevocable (during the term of the applicable SOW) license and right to access, use and interface with such County Provided Systems, solely in connection with the Services provided for in such SOW

2.2. **Required Consents.**

2.2.1. **Contractor Consents.** Contractor shall obtain all Required Consents necessary to enable Contractor, County, and their respective Personnel to access, use, and disclose the Contractor IP and Contractor Confidential Information that Contractor is required to disclose or provide to County per this Agreement. Contractor shall bear all costs, if any, of obtaining such Required Consents.

2.2.2. **County Consents.** County shall obtain all Required Consents necessary to enable Contractor, County, and their respective Personnel to access, use, disclose and interface with the County IP (including County Provided Systems), County Data (including all PHI and Personal Information) and County Confidential Information as necessary for each Party to exercise its rights and fulfill its responsibilities under this Agreement. County shall bear all costs, if any, of obtaining such Required Consents. If any individual (prior to or after the disclosure of PHI or Personal Information to Contractor) imposes restrictions on any access, disclosure or use of such individual's PHI or Personal Information (that are inconsistent with the rights granted in this Agreement), County shall promptly inform Contractor.

2.3. **PHI Storage.** Contractor shall not be obligated to maintain a designated record set containing PHI (within the meaning of HIPAA) or otherwise store PHI received from County, its Affiliates, or its/their patients in any Contractor Provided System or otherwise retain such PHI. Contractor's use of County PHI is governed by that certain Business Associate Agreement, effective as of the effective date of this Agreement, between the Parties (the "**BAA**").

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

3. INTELLECTUAL PROPERTY RIGHTS.

3.1. **County IP Rights.** Contractor acknowledges that County, its Affiliates or its/their licensors claim ownership of the County IP. Further, except as expressly otherwise stated in this Agreement: (a) this Agreement is not a license or assignment of any right, title, or interest in the County IP; (b) Contractor shall not: (i) represent, in any manner, that it has any ownership or other interest in the County IP, or (ii) use or disclose the County IP; except in connection with performing the Services, and (c) Contractor's permitted use of County IP is limited to the term of the SOW(s) for which it was provided or made available and upon termination or expiration of such SOW(s), Contractor shall promptly cease all use of such County IP.

3.2. **Contractor IP Rights.**

3.2.1. **County Acknowledgement.** County acknowledges that Contractor, its Affiliates or its/their licensors claim ownership of the Contractor IP. Further, except as expressly otherwise stated in this Agreement: (a) this Agreement is not a license or assignment of any right, title, or interest in the Contractor IP; (b) County shall not: (i) represent, in any manner, that it has any ownership or other interest in the Contractor IP, or (ii) use or disclose the Contractor IP except in connection with its receipt of the Services; and (c) County's permitted use of Contractor IP is limited to the term of the SOW(s) for which it was provided or made available and upon termination or expiration of such SOW(s), County shall promptly cease all use of such Contractor IP.

3.2.2. **License to County.** Subject only to the licenses granted in this Agreement, title to Contractor IP and Contractor Confidential Information will not be affected by this Agreement and will at all times remain with Contractor or the applicable third-party licensor. To the extent reasonably required to permit County and its Personnel to fully and completely use and receive the benefit of the Services and Work Products (during the term of the applicable SOW) and the Deliverables (during and after such term), Contractor hereby grants to County a United States-only, royalty-free (subject only to the Fees, Reimbursed Costs and other amounts due under this Agreement), multi-site, enterprise-wide, irrevocable (except as otherwise provided herein), non-exclusive right and license to copy, access, use all Contractor IP and Contractor Confidential Information incorporated in such Work Product or Deliverable solely in connection with County's use of such Work Product or Deliverable in accordance with this Agreement, to the same extent as if County were the sole owner thereof, without an obligation to account to Contractor.

3.3. **Ownership.**

3.3.1. **Work Products.** Subject only to Section 10.5 (Royalties and Inventions) in the Addendum and Section 3.3.2 (Deliverables) below, title to all Work Products will not be affected by this Agreement and will at all times remain with Contractor (or Contractor's licensor). Contractor hereby grants to County during the term of the applicable SOW a United States-only, royalty-free (subject only to the Fees, Reimbursed Costs and other amounts due under this Agreement), multi-site, enterprise-wide, revocable, non-exclusive right and license to copy, access, and use, in each case, solely in connection with the portion of County's business for which the applicable Services are being provided, all Work Products delivered to County (but only in the form delivered to County).

3.3.2. **Deliverables.** The Parties agree that: (a) any copyrightable aspects of Deliverables shall be "works made for hire" to the fullest extent permitted by Applicable Law; and (b) Contractor hereby assigns to County, upon payment in full for such Deliverable(s), Contractor's worldwide right, title, and interest in such Deliverable(s). Contractor shall promptly execute any documents that County may reasonably request from time to time to give effect to the provisions of this Section 4.3.2.

3.3.3. **Aggregation License.** County acknowledges that Contractor is capable of aggregating information from multiple clients and to use that information to improve decision guidance provided by the

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

Contractor to Contractor's clients. Therefore, notwithstanding any other provision of this Agreement, County hereby grants to Contractor an Aggregation License to all County Data, and other information (other than PHI and Personal Information) disclosed to Contractor by, or on behalf of, County in connection with the applicable SOW. If such County Data, and other information qualifies as (or Contractor modifies it to qualify as) De-Identified Non-Regulated Information; then any such De-Identified Non-Regulated Information shall be solely owned by Contractor (without any restriction).

3.3.4. **Cooperation.** To the extent that ownership of any IP or other right, title or interest in the Work Product or De-Identified Non-Regulated Information does not automatically vest in Contractor, County irrevocably assigns (and shall cause its Personnel to assign) to Contractor all right, title and interest with respect thereto, and County shall execute (and shall cause its Personnel to execute) such further assignments and other documents as Contractor may reasonably request to document Contractor's ownership.

4. REPRESENTATIONS, WARRANTIES, COVENANTS AND RETAINED RESPONSIBILITIES.

4.1. **Contractor's Additional Representations.** Contractor further represents, as of the Effective Date of this Agreement, and warrants and covenants during the term of each SOW, to County that: (a) the Services will: (1) be performed by qualified Personnel; (2) be performed in a good and workman-like manner, consistent with industry standards; provided, however, that the foregoing shall not alter any particular standard or criteria for performance expressly set forth in this Agreement; (3) conform to the provisions of this Agreement; and (4) not violate or infringe upon the IP rights of third parties, subject to County's obligation to obtain the Required Consents for County Provided Systems; and (b) to Contractor's knowledge, neither Contractor nor its Personnel performing Services under this Agreement have been excluded, nor, to Contractor's knowledge, is it about to be excluded from participation in any "Federal Healthcare Program" (as defined below). Contractor agrees to notify County within ten (10) business days of Contractor's receipt of a notice of intent to exclude or actual notice of exclusion of Contractor or any Contractor Personnel performing Services under this Agreement from any such program. The listing of Contractor or such Contractor Personnel on the Office of Inspector General's List of Excluded Individuals and Entities, the General Services Administration's System for Award Management Excluded Parties List System, any state Medicaid exclusion list, or the Office of Foreign Assets Control's (OFAC's) blocked list shall constitute "exclusion" for purposes of this Section. If Contractor is excluded from any Federal Healthcare Program, such exclusion shall be deemed a material breach of this Agreement by Contractor. For the purpose of this paragraph, the term "**Federal Healthcare Program**" means the Medicare program, the Medicaid program, TRICARE, any healthcare program of the Department of Veteran Affairs, the Maternal and Child Health Services Block Grant program, any state children's health insurance program, or any similar program. If such Contractor Personnel is excluded from such programs, Contractor will replace that person within a reasonable time.

4.2. **County's Additional Representations.** County further represents, as of the Effective Date of this Agreement, and warrants and covenants during the term of each SOW, to Contractor that: (a) County shall comply with all standards required for accreditation by the accreditation organization which accredits County (e.g., The Joint Commission), as well as all applicable state board of pharmacy standards, CMS Standards and state and/or local department of health standards pertaining to the County's operations, including any related pharmaceutical services performed by County at each of the 340B Covered Entities. County shall provide Contractor and Contractor Personnel with the administrative support that is reasonably necessary to ensure that County complies with the foregoing requirements; (b) Contractor's use of the County Provided Systems in accordance with this Agreement, will not violate any third party's IP rights; and (c) County shall provide a safe and secure working environment for each Contractor Personnel and County Personnel who is providing Services at one or more County 340B Covered Entities. In addition, for all Contractor Personnel based at one or more 340B Covered Entities, County is responsible for providing all appropriate training to such Personnel regarding safety and compliance with County's HIPAA/PHI, Personal Information and data/privacy security requirements as well as all such other training that County is required to provide to its own Personnel, in each case, in accordance with industry standards and Applicable Law.

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

4.3. **County-Retained Responsibilities.** Notwithstanding any other provision of this Agreement:

4.3.1. **Overall Responsibility.** County is ultimately responsible for the operation of each of the 340B Covered Entities, for securing, paying for and maintaining all necessary licenses for its operations, the results of its operations, and for monitoring compliance of its operations (including those supervised by Contractor). County's actions and omissions are within the sole discretion of County. This Agreement does not transfer compliance or regulatory responsibility to Contractor, and County retains sole responsibility for ensuring that County and its operations comply with all Applicable Laws (including securing all required business associate agreements). As such, Contractor, its Affiliates and their Personnel shall not be liable for actions or omission by County as a result of County accepting or rejecting any Contractor recommendation; however, subject to the foregoing and Section 4.3.3 (Policy and Procedure Manual) below, Contractor remains liable for any negligent acts or omissions or breaches of this Agreement by Contractor. County retains sole responsibility for the implementation of County's 340B Program, including its 340B Program's compliance with all Applicable Laws.

4.3.2. **Managed Operations.** Contractor will only have responsibility for the County's operations that Contractor has agreed in a SOW to manage and then only to the limited extent set forth therein. Further, County agrees that County, not Contractor, shall have sole liability for County's operations prior to the date that Contractor has taken over the management of such operations. Except as expressly set forth in this Agreement, County retains all responsibility and authority for the County operations supported by the Services, including: (a) the management of County's operations, Systems and County's Personnel; (b) County's obligations set forth herein; (c) the performance of all actions that constitute the clinical practice of medicine, including the provision of patient care and the use of Pharmaceutical Products; (d) making all decisions that require clinical judgment, including all decisions regarding the choice of which Pharmaceutical Products to provide to patients and other decisions regarding and affecting the quality, availability, accessibility and affordability of care to patients; and (e) providing all Personnel, financial support and other resources needed for County operations. For the avoidance of doubt, the Parties agree that: (x) nothing in this Agreement shall be construed to delegate to Contractor any such County-retained responsibility or any other obligation that may only be held or exercised by County under Applicable Law, and (y) the Services provided by Contractor's licensed pharmacists do not constitute the clinical practice of medicine or other clinical services.

4.3.3. **Policy and Procedure Manual.** County retains primary and ultimate responsibility for the development, implementation, approval, and ongoing updating and modification of necessary and appropriate policies and procedures manuals (including all reasonable and appropriate disaster recovery, back-up and emergency procedures) that meet the requirements of all Applicable Law for County's operations, including those operations supported by the Services (the "**Policy and Procedure Manual**" or "**PPM**"). To the extent provided for in a SOW, Contractor may provide non-legal recommendations and/or other advice to County regarding the development, implementation and/or modification of County's PPM; however, County retains primary and ultimate responsibility for its Policy and Procedure Manual. Further, County is responsible for obtaining any internal, regulatory or other external third-party approvals required for its PPM and any modifications thereto. County's Policy and Procedure Manual (in its present or revised form) shall not be deemed to be an Amendment to this Agreement and shall not alter Contractor's obligations under this Agreement. Prior to the commencement of any Services, or as promptly as practicable, County shall provide to Contractor a copy of its PPM (or portion thereof) applicable to the Services (e.g., those related to its 340B Program). Further, County shall provide Contractor with thirty (30) days' prior written notice of any proposed changes to the PPM that would have a significant impact on Contractor's provision of Services under any SOW. Contractor will promptly review the PPM and any proposed modifications thereto, as applicable, to assess their impact upon the Services under the applicable SOW, and either Party may propose an Amendment to this Agreement that addresses any changes and additional Fees or Reimbursed Costs that are appropriate given the proposed change to the PPM's impact on the Services. Notwithstanding anything to the contrary in this Agreement, Contractor will not be

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

obligated to abide by any PPM or any proposed revision thereto until Contractor has agreed in writing to accept such PPM (or change thereto) and, in each such case, Contractor may condition its acceptance upon County and Contractor having first executed a mutually acceptable Amendment.

4.3.4. **Committees**. County retains sole responsibility for the creation and management of all County committees (e.g., P&T committee) and all decisions taken by such committees. To the extent set forth in the applicable SOW, Contractor shall participate in pharmacy, therapeutics committees and/or other appropriate County committees, provided that Contractor's Personnel shall not be voting member(s) of such committees.

4.3.5. **Pricing**. County shall be solely responsible for establishing prices charged to patients or patients' payers for Pharmaceuticals Products or related services provided by County.

4.3.6. **Billing and Collections**. County shall be solely responsible, and Contractor shall have no responsibility for, County's billing and collection functions or operations, including the following: (i) contracting with third-party insurance carriers/payers; (ii) determining which patients qualify for charitable care, (iii) any uncollected amounts, overpayments, or repayments, and/or unpaid claims (e.g., collection write-offs, cash collection shortages, rejects, denials and other adjustments); or (iv) payment of expenses incurred in connection therewith.

4.3.7. **Security**. County retains sole responsibility for designing, implementing, maintaining and enhancing the methods, protocols and other measures necessary to protect the security of County Provided Systems, County's 340B Covered Entities, including any Contractor property at such 340B Covered Entities and County Confidential Information, including PHI and Personal Information of County's Personnel and County's customers.

4.3.8. **Data Integrity**. County is solely responsible for the accuracy, completeness, and appropriateness of all County Data.

4.3.9. **Operational Issues**. When Contractor is making Pharmaceutical Products purchasing recommendations under an SOW, Contractor will do so in good faith and will endeavor to only recommend changing from one product to another when such items are therapeutically equivalent or substitutable; however, County is ultimately responsible for making such clinical judgements. Except where Contractor Personnel are personally dispensing Pharmaceutical Products to a patient (in their role as a licensed pharmacist), County acknowledges and agrees that County is solely responsible for the handling, dispensing, sterilization, packaging and administering Pharmaceutical Products to patients or other third parties. Contractor, its Affiliates and their Personnel are not responsible or liable for any supply errors, missing Pharmaceutical Products or other claims, in whole or in part, resulting from: (a) any physician error (including the failure to order, if any, appropriate Pharmaceutical Products, therapy interventions, or any distribution of such Pharmaceutical Products after they have left Contractor's custody); or (b) any failure of County to have or maintain adequate policies and procedures or any failure of County Personnel to follow County's PPM. Contractor, its Affiliates and their Personnel are not responsible for any act or omission by Contractor Personnel done in compliance with the County's PPM.

4.4. **DISCLAIMERS. EXCEPT AS EXPRESSLY PROVIDED FOR IN THIS AGREEMENT, THERE ARE NO EXPRESS WARRANTIES MADE BY EITHER PARTY, AND ALL IMPLIED WARRANTIES AND COVENANTS (OTHER THAN THE DUTY OF GOOD FAITH, BUT EXPRESSLY INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT) ARE HEREBY DISCLAIMED. FURTHER ANY SYSTEMS PROVIDED BY CONTRACTOR (INCLUDING THE CONTRACTOR CONTENT THEREIN) ARE PROVIDED BY CONTRACTOR "AS IS" AND "AS AVAILABLE" AND CONTRACTOR DOES NOT REPRESENT OR WARRANT THAT SUCH SYSTEMS OR CONTRACTOR**

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

CONTENT WILL OPERATE ERROR-FREE, OR WITHOUT INTERRUPTION; NOR THAT THEY ARE SUITABLE TO OPERATE IN COMBINATION WITH ANY OTHER SYSTEMS COUNTY MAY HAVE. FURTHER, THE PARTIES AGREE THAT THEY HAVE NOT RELIED ON ANY REPRESENTATIONS NOT SET FORTH IN THIS AGREEMENT AND THAT SUCH RELIANCE WOULD NOT BE REASONABLE.

5. **LIMITATION OF LIABILITY.**

5.1. **LIMITATIONS. SUBJECT TO SECTION 5.3 (EXCLUSIONS) BELOW, NEITHER PARTY (NOR SUCH PARTY'S AFFILIATES AND THEIR RELATED PERSONS) SHALL BE LIABLE FOR ANY CONSEQUENTIAL, INDIRECT, EXEMPLARY, OR PUNITIVE DAMAGES (INCLUDING LOST PROFITS) ARISING IN CONNECTION WITH THIS AGREEMENT, INCLUDING THE BAA OR THE PERFORMANCE, OMISSION OF PERFORMANCE, OR TERMINATION HEREOF, WITHOUT REGARD TO THE NATURE OF THE CLAIM (E.G., BREACH OF CONTRACT, NEGLIGENCE, OR OTHERWISE), EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. FURTHER, THE MAXIMUM, CUMULATIVE, AND AGGREGATE LIABILITY OF EACH PARTY (TOGETHER WITH, ITS AFFILIATES AND THEIR RELATED PERSONS), IN CONNECTION WITH THIS AGREEMENT, INCLUDING THE BAA, SHALL NOT EXCEED THE GREATER OF: (A) THE AGGREGATE AMOUNT OF ALL FEES PAID BY CLIENT TO CONTRACTOR FOR ALL SERVICES UNDER THE APPLICABLE SOW DURING THE TWELVE (12) MONTH PERIOD IMMEDIATELY PRECEDING THE ACT OR OMISSION GIVING RISE TO ANY SUCH LIABILITY, AND (B) TWO MILLION DOLLARS ($2,000,000).**

5.2. **Exclusions**. The limitations and caps on liability in this Section (Limitation of Liability) shall not apply to: (a) any loss covered by insurance that a Party is required to have under this Agreement (including losses which would have been covered by such insurance, but for a Party's failure to have the required insurance coverage); (b) breaches by County of its obligations under Section (Restriction on County's Use), above; (c) amounts owed by County under this Agreement (e.g., Fees, Reimbursed Costs), and profits Contractor would have earned but for a breach of this Agreement by County, and (d) damages that cannot be disclaimed or limited as a matter of law.

6. **SURVIVAL**. Any terms of this Agreement that would, by their nature, survive the termination or expiration of this Agreement shall so survive.

7. **CHANGE ORDER PROCEDURE**. Contractor is under no obligation to provide services, expand hours of service, add Personnel, programs or other resources to County that are outside the scope of any signed SOW ("**Out of Scope**"). Either Party may request changes to an existing SOW, at any time, by providing written notice to the other Party. Absent the execution of an Amendment, the Parties shall fulfill their obligations under this Agreement without change.

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

Appendix 1

Defined Terms

"**340B Covered Entity**" or "**340B Covered Entities**" means, as applicable, one or more of County and/or a County Affiliate that is participating in County's 340B Program as identified on **Exhibit D** to the Agreement.

"**340B Program**" means County's program for participating in the pricing program authorized by the 340B Statute.

"**340B Statute**" means Section 340B of the Public Health Service Act, as amended and codified at 42 U.S.C. § 256b.

"**Affiliate**" means, with respect to each Party, any individual or entity (e.g., a corporation, LLC, etc.) that, at the applicable time, directly or indirectly controls, is controlled with or by or is under common control with a Party.

"**Aggregation License**" means a perpetual, unrestricted, worldwide, royalty-free, multi-site, enterprise-wide, irrevocable, non-exclusive right and license to Contractor, permitting Contractor to copy, use, modify, disclose and sub-license all information, ideas, data or other property subject to this license (and all IP related thereto) for purposes of Contractor's and its Affiliates' internal analysis and its/their other business purposes to the same extent as if Contractor were the sole owner thereof and without an obligation to account to County; provided that Contractor will not disclose to third parties (except Contractor Personnel acting on behalf of Contractor) information subject to an Aggregation License unless such property qualifies as De-Identified Non-Regulated Information.

"**County Data**" means any of County or its Affiliates' confidential data (including Personal Information and PHI) or other proprietary information, including Purchasing Data, that Contractor or Contractor Personnel have access to in the performance of Contractor's obligations under this Agreement (including such data of County and its Affiliates that is created, generated, collected or processed by Contractor as part of the Services), including derivatives of foregoing.

"**County IP**" means the IP (including County Provided Systems) that County or its Affiliates own or license, including derivates of the foregoing.

"**County Provided Systems**" means all County Systems that Contractor is entitled to access under this Agreement (e.g., County's electronic medical record system).

"**County Systems**" means all Systems owned, licensed or otherwise obtained by County; including all County Provided Systems and Systems that are only used internally by County Personnel (e.g., County's human resource Systems).

"**Confidential Information**" means a Party and its Affiliates' financial data, requests for proposals, project plans, IT strategies, forecasts, operational processes and procedures, business methods, Systems (including all documentation, code and specifications), products, processes, inventions, methods, trade secrets, information (including Personal Information and PHI) as to vendors, employees, patients and customers, pricing information, or other confidential data, and such other information that the Receiving Party is aware that the Disclosing Party treats as confidential or proprietary. County's "Confidential Information" includes County Data. Contractor's Confidential Information includes Contractor Content.

"**Connectivity Standards**" means all applicable standards under HIPAA and other Applicable Laws for the transmission of PHI between two (2) Systems, as they may be updated from time to time, including,

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

unless otherwise agreed to by the Parties in writing, meeting the Health Level 7 standards, including all those adopted by U.S. Department of Health and Human Services, from time to time.

"**Contract Year**" means, for each SOW, the first twelve (12) months commencing on the later of the SOW's effective date or the Go-Live Date, if any, set forth in such SOW (the "1st Contract Year") and each consecutive twelve-month period thereafter (e.g., the "2nd Contract Year", the "3rd Contract Year").

"**Contractor IP**" means (a) any pre-existing IP that Contractor or its Affiliates created, owned or licensed prior to Contractor's retention by County, (b) all Work Products and De-Identified Non-Regulated Information (c) any other IP that Contractor or its Affiliates develop without using or referencing County's IP or County's Confidential Information, (d) any IP developed by Contractor or its Affiliates in the course of providing Services to its/their other clients, and (e) any IP Contractor and its Affiliates license from a third-party.

"**Contractor Systems**" means all Systems owned, licensed or otherwise obtained by Contractor.

"**De-Identified Non-Regulated Information**" means any all information, ideas, data or other property (and all related IP) provide by or on behalf of County (other than Personal Information and PHI) from which Contractor has removed any reference to County, its vendors, and its Personnel.

"**Deliverables**" means only those materials which Contractor is obligated to create or modify under a SOW and that is identified as a "Deliverable" in a given SOW; provided that Contractor Confidential Information and Contractor IP shall never be deemed to be Deliverables.

"**Go-Live Date**" has the meaning, if any, set forth in the applicable SOW.

"**HIPAA**" means collectively, the Health Insurance Portability and Accountability Act of 1996 (Public Law 104-191 and the Health Information Technology for Economic and Clinical Health Act of 2009 (Title XIII of the American Recovery and Reinvestment Act of 2009, Public Law 111-005), and their related regulations (45 CFR Parts 160, 162, and 164)), as each are amended from time to time.

"**IP**" means any patents applications, trademarks, service marks, copyrights (and applications for each of the foregoing), tradenames, trade dress, know-how, processes, methods, designs, industrial design rights, mask works, trade secrets, moral rights, inventions and technology (whether or not patentable), Confidential Information and other proprietary information, domain names, software, databases and other collections and compilations of data, rights of publicity and privacy, and other intellectual property to which rights are conferred by contract or by any Applicable Law.

"**Medical Staff**" means County's licensed medical professionals (e.g., physicians, nurses, therapists).

"**Merchandise**" means products, other than Pharmaceutical Products, which are purchased for sale at County's 340B Covered Entities.

"**Personal Information**" means personally identifiable information and other information of individuals that is protected under Applicable Law (e.g., the California Consumer Privacy Act); but does not include PHI to the extent such information is solely protected under HIPAA.

"**Personnel**" means the directors, officers, employees, partners, agents, advisers, suppliers, independent contractors, and subcontractors of a Party and its Affiliates or of another entity, as applicable, provided that the Personnel of Contractor and its Affiliates shall not be deemed to be Personnel of County.

"**Pharmaceutical Product(s)**" means all drugs, biologics and other pharmaceuticals. all devices (e.g., nebulizers, hip replacements), durable medical equipment (e.g., walkers, canes), and supplies (e.g., syringes, intravenous tubbing) used in connection therewith or in connection with any Services that Contractor provides.

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

"**PHI**" means the "protected health information" (as that term is defined by HIPAA) but is limited to such information that Contractor creates, receives, stores, maintains, processes or transmits on behalf of County in connection with Contractor's provision of Services in accordance with this Agreement.

"**Purchasing Data**" means all purchasing information (e.g., quantities, prices, discounts) related to Pharmaceutical Products, Merchandise and other purchases made by or on behalf of County and its Affiliates.

"**Required Consents**" means any consents, HIPAA Authorizations (as defined in HIPAA) or other permissions, approvals or agreement required for a Party, its Affiliates and its/their Personnel, to (as permitted herein): receive, use, copy, modify, disclose or interface any Contractor Provided System, County Provided System, any other System, any IP, any Confidential Information, including Purchasing Data, PHI and Personal Information, or other applicable property of the other Party or its Affiliates in connection with this Agreement.

"**Shared Resources**" means Contractor Personnel that provide services, remotely and/or on site, to multiple Contractor clients.

"**System**" means any hardware, software, electronic data storage system, algorithms, voice or data circuit, telephony system (e.g., an interactive voice response unit), other network components and resources, and all other electronic or information technology systems. The term System includes pharmacy specific equipment, such as automated pill dispensers, etc.

"**Work Products**" means all ideas, concepts, works, inventions, information, data, software and other materials which Contractor delivers (or is obligated to delivered), and which is conceived, originated, prepared, and/or generated a SOW; provided that the following shall never be deemed to be Work Products (even if it is embedded therein): (a) County Provided Systems and; (b) County Confidential Information and Contractor Confidential Information, (c) Contractor IP and County IP, and (d) Personal Information and PHI of either Party's Personnel and (e) PHI of County's patients.

EXHIBIT B

ADVISORY STATEMENT OF WORK #2

Remote 340B Monitoring

1. **GENERAL.**

1.1. **Introduction.** This Advisory Statement of Work #2 (this "**SOW**") is entered into by and between the County of Monterey, a political subdivision of the State of California ("**County**"), as of February 1, 2024 but only as to the specific 340B Covered Entities set forth on **Exhibit D** to the Agreement and **CPS Solutions, LLC** ("**Contractor**") on behalf of itself and for the benefit of its Affiliates, pursuant to that certain Standard Agreement dated February 1, 2024 (as amended, the "**Agreement**") between Contractor and County. This SOW will commence upon the completion of the Services set forth in that certain SOW #1 (Continuous Readiness Program) to the Agreement (the "**SOW Effective Date**").

1.2. **Definitions.** Capitalized terms that are used herein, but not defined in this SOW or the Appendices to the SOW shall have the meaning ascribed to them in the Agreement. Terms used herein but not defined herein or elsewhere in the Agreement will have the meaning ascribed to them in the 340B Statute and related guidance issued by the Health Resources and Services Administration ("**HRSA**").

1.3. **Agreement.** This SOW is governed by the terms and conditions of the Agreement (which is incorporated herein by this reference), as modified or supplemented herein. The terms of this SOW, unless expressly contrary to the Agreement, shall be deemed to supplement (rather than replace) similar provisions in the Agreement.

1.4. **Exhibits.** This SOW incorporates by reference **Exhibit A (Other Provisions)** and **Exhibit D (340B Covered Entities)** to the Agreement.

2. **TERM OF SOW.**

The term of this SOW commences on the SOW Effective Date and shall continue for a period of three (3) years.

3. **SCOPE OF SOW.**

3.1. **Overview.** Contractor will provide advisory services on a remote (non-on site basis) to County regarding County's 340B Program implemented under the federal 340B Statute, as set forth below (the "**Project Services**"). Project Services consist of remote monitoring and self-auditing of the key components of County's 340B Program set forth below throughout each Contract Year for compliance purposes as specifically set forth below for each of the 340B Covered Entities.

3.2. **340B Covered Entities.** The Project Services are only for the County's clinic and grantee site 340B Covered Entities set forth on **Exhibit D** to the Agreement, and third party pharmacies retained by one or more of the 340B Covered Entities in connection with their 340B Program (each a "**Contract Pharmacy**"); but in the case of Contract Pharmacies only as specifically set forth in this SOW.

3.3. **340B Program Compliance.** County retains full responsibility for ensuring that County's 340B Program is complaint with County's Policy and Procedure Manual and all Applicable Laws. County agrees that Contractor shall have no liability for: (a) any failure by County to comply with the foregoing

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

requirements, nor (b) any failure by Contractor to detect such non-compliance provided that Contractor is otherwise in compliance with its obligations herein; in each such case, including any liability County may incur for amounts County may be obligated to make to a manufacturer or Medicaid due to an audit finding (e.g., by HRSA, external or internal auditors), nor any adverse consequences that may result from such non-compliance (e.g., termination of any contract pharmacies from the County's 340B Program or any termination of County's 340B Program).

4. SERVICES PROVIDED BY CONTRACTOR UNDER THIS SOW.

4.1. **Review**. Contractor's Shared Resources will perform the following tasks in connection with County's review and self-monitoring of County's 340B Program; provided that County provides Contractor with timely access to the relevant data and contracts. The Project Services will consist of:

4.1.1. **340B Covered Entities Pharmacy Transactions**. During each month of the Term, Contractor will:

a. Review thirty (30) 340B Program qualified administration/dispensations Targeted Transactions (as defined below) from each of the 340B Covered Entities per month for diversion, duplicate discount, and accuracy of accumulations; and

b. Review a random sample (approximately five (5) per clean site) of 340B Program qualified administrations to compare utilization with purchasing record.

"**Targeted Transactions**" means that Contractor selects transactions for review based on a targeted sample which is focused on testing of transactions which are most commonly identified as non-compliant by Contractor or where non-compliance may cause the need for significant manufacturer repayment. Targeted Transactions may include high-cost drugs, low-volume prescribers, drugs administered in procedural areas or clinics, "bulk" or multiple dose packages, and where Medicaid is the payer. Additional random claims may also be included.

4.1.2. **Contract Pharmacy Transactions**. During each month of the Term, Contractor will:

a. Review a total of thirty (30) 340B Program qualified dispensations Targeted Transactions from County's Contract Pharmacies (on an aggregate basis), per month for diversion, duplicate discount, and accuracy of accumulations.

b. Review at least one detailed invoice from each Contract Pharmacy to confirm dispense fees match those in the County's agreement with such Contract Pharmacy; provided that the total number of invoices reviewed per month shall not exceed ten (10).

c. If County makes the data and access to its third-party administrator(s) ("**TPA(s)**") available to Contractor on a timely basis, Contractor will review fallout data (non-qualified 340B Program claims) to confirm qualification settings/filters within County's TPA(s) are accurate.

4.1.3. **Medicaid Review**. County acknowledges that a number of its 340B Covered Entities carve-in Medicaid to its 340B Program.

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

a. During each month of the Term, Contractor will review (approximately five) County submitted Medicaid fee-for-service ("**Medicaid FFS**") claims to: (i) verify inclusion of state-required modifiers, (ii) to identify mapping errors where the description does not match the listed national drug code ("**NDC**") or the NDC is missing, and (iii) verify correct national provider identifier ("**NPI**") for Medicaid for both in-state and out-of-state claims where applicable. County acknowledges that Contractor is not responsible for verifying that the pricing submitted with such claims is compliant with Applicable Law (e.g., State Actual Acquisition Cost billing requirements

b. During each quarter of the Term, Contractor will review the HRSA Medicaid Exclusion File ("**MEF**") for listing of appropriate NPIs and MPNs carve-in/carve-out elections.

4.1.4. **Purchasing Review**.

a. During each month of the Term, Contractor will review all of County's Pharmaceutical Product purchases during the prior month for its 340B Program to identify:

(i) any non-covered outpatient drugs, including supplies and orphan drugs where applicable; and

(ii) Direct purchases (not from County's wholesaler) to confirm that such purchases have been accounted for in County's 340B Program accumulator.

b. If County provides Contractor with timely access to County's pricing reports from the 340B Office of Pharmacy Affairs Information System ("**OPAIS**") and/or HRSA's designated prime vendor (e.g., Apexus), then during each quarter of the Term, then Contractor will review a sample (5-10 Pharmaceutical Product(s) per quarter) of each of the 340B Covered Entities' Pharmaceutical Product purchases (during the prior month for its 340B Program to confirm that the purchase price for such Pharmaceutical Product does not exceed the ceiling price listed on the above pricing reports.

4.1.5. **Quarterly OPAIS review**. If County provides Contractor with timely access to County's pricing reports from OPAIS, Contractor will perform a quarterly review of OPAIS data to confirm the following information against the information provided by County for each of the 340B Covered Entities:

a. The authorizing official and primary contact
b. The Contract Pharmacy and entity-owned pharmacy shipping addresses.

4.1.6. **Accumulator**. For each 340B Covered Entity's 340B Program accumulator, Contractor will:

a. **Monthly**. Monthly review positive and negative accumulations within County's accumulator to try to identify errors in accumulations and research the source of such accumulations.

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

b. **Weekly**. Weekly review each 340B Covered Entity's charge description master to identify mapping errors where the description does not match the listed NDC or the NDC is missing.

4.1.7. **Providers.** Monthly review each 340B Covered Entity's 340B Program eligible provider list for changes, based upon updates provided by County's Medical Staff credentialing office.

4.1.8. **340B Oversight Committee Meetings.** Contractor will remotely attend quarterly meetings of County's Oversight Committee to provide updates on Contractor compliance related review findings and answer questions.

4.1.9. **340B Program Software**.

a. Join meetings/calls with County's other 340B Program related vendors, such as TPA/Split Billing Software vendor(s) as requested.

b. Manage submission of tickets to County's 340B Program software vendors and assist with management of County's relationship with its 340B Program software vendors; and

c. Generate reports, upon County's written request, from County's 340B Program software (which is a County Provided System).

4.1.10. **Other Contractor Responsibilities**. Upon request, Contractor will:

a. Provide guidance for the annual recertification process;

b. Provide guidance to County Personnel on how to develop and maintain a clinical service area crosswalk for County's 340B Program;

c. Subject to the terms and condition so the Agreement, provide guidance to County related to revisions to County's Policy and Procedure Manual;

d. In the event the County receives notice of a HRSA 340B Program audit, Contractor will provide guidance for the collection and submission of data, attend the pre-audit call with the HRSA auditor, and attend the audit remotely or onsite (with County paying for Contractor's travel expenses as Reimbursed Costs (as defined below); and

e. Provide guidance in the development of a corrective action plan, if required, following a HRSA audit.

4.2. **Review Personnel**. Contractor Services will be performed by a Contractor consultant and analyst (the "**Contractor Review Team**"). County's Personnel, including its 340B Program Personnel and other Personnel shall fully co-operate with the Contractor Review Team and assist with the Services.

4.3. **Information Exchange**.

4.3.1. County will, upon Contractor's reasonable request, provide certain documentation and data to Contractor prior to the on-site visit in order to make the visit more efficient. Contractor

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

will submit the data request to County prior to the visit. County may elect to provide additional information to Contractor in advance of the visit.

4.3.2. County shall make available to the Contractor Review Team information and documents required for Contractor to conduct the Review.

4.4. **Deliverables**. Contractor will provide to the County Personnel identified by County access to Contractor's monthly written summary for each of the 340B Covered Entities of all compliance tasks reviewed, including findings and recommendations.

5. **COUNTY RESPONSIBILITIES.**

5.1. **County Contacts**. County shall designate (and provide to Contractor with contact information for) an on-site primary contact from the following County areas:

5.1.1. 340B Team or Pharmacy Team;

5.1.2. Medical Staff Credentialing;

5.1.3. Billing Department; and

5.1.4. Information Technology.

5.2. **Information Exchange**. County shall make promptly available to the Contractor Review Team:

5.2.1. Access to the portions of County's Policy and Procedure Manual that are relevant to County's 340B Program;

5.2.2. Copies of County's agreements with all of its Contract Pharmac(ies); and

5.2.3. Any other information and documents required for Contractor to perform the Services upon Contractor's request.

5.3. **County Provided Systems**. County shall provide to Contractor (as a County Provided System) a remote access connection to all relevant County Systems via a secure remote connection (utilizing a VPN acceptable to Contractor) including County's:

5.3.1. Electronic Medical Record (read only access);

5.3.2. County's Third-Party Administrator's Systems (including access to run reports);

5.3.3. Wholesaler accounts (including access to run reports);

5.3.4. County's Pharmacy application, if applicable (if separate from EMR); and

5.3.5. Other software applications that Contractor needs to complete its Services.

5.4. **Inter-Connection**. In addition, if requested by Contractor, County shall permit, and County shall cooperate with Contractor in establishing, a network connection between County's computer Systems and Contractor's Systems that meets or exceeds the Connectivity Standards. Except for

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

Reimbursed Personnel time, each Party shall bear its owns costs and expenses in establishing and maintaining such connection.

6. **COMPENSATION**.

6.1. **Project Fee**. County shall pay Contractor the following fees for the Project Services under this SOW (each a "**Project Fee**").

Project Fee	Monthly Rate:	Annual NTE:
SOW Year 1	$6,400	$76,800.00
SOW Year 2	$6,400	$76,800.00
SOW Year 3	$6,400	$76,800.00

6.2. **Reimbursed Costs**. In addition to the Project Fee, County will reimburse Contractor for all reasonable travel and living expenses ("**Reimbursed Costs**") of the Contractor Review Team for all agreed upon travel. Contractor's travel expenses shall be subject to the County of Monterey's Travel Policy. A copy of the policy is available online at https://www.co.monterey.ca.us/home/showpublisheddocument/69364/636728660019670000. Prior to such reimbursement, Contractor must provide a detailed breakdown of the authorized expenses, identifying what was expended and when, and County must approve in writing all agreed upon travel. Travel expenses under this SOW shall not exceed $5,000.

6.3. **Project Billing.** Commencing fourteen (14) days after the SOW Effective Date, and then on the first of each calendar month thereafter during the term of the Agreement, Contractor will invoice County for one-twelfth (1/12) of the Project Fee (the Monthly Rate) for such Contract Year. In addition, Contractor will invoice County monthly for all Reimbursed Costs.

6.4. **Invoices**. Contractor shall submit invoices to the mail or e-mail address listed below (or such replacement address as County may designate in writing), along with appropriate supporting documentation of any Reimbursed Costs:

Mail delivery:
Monterey County Health Department
Clinic Services Bureau
1441 Schilling Place – 1st Floor
Salinas, CA 93901
Attn: ACCOUNTING

Email delivery:
CS_Finance@co.monterey.ca.us

County shall pay each invoice pursuant to Section 6 of the Agreement.

7. **ADDITIONAL ITEMS**.

7.1. **Out of Scope Services**. For clarity, the Parties note that the following Services are Out of Scope of this SOW:

7.1.1. Training for County Personnel;

7.1.2. Developing the meeting agenda or content for County's 340B Program Oversight Committee meetings; and

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

7.1.3. Other consulting engagements for services not covered in this SOW.

End of Exhibit B

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

EXHIBIT C

ADVISORY STATEMENT OF WORK #1

340B Continuous Readiness Program

1. **GENERAL.**

1.1. **Introduction**. This Advisory Statement of Work #1 (this "**SOW**") is entered into by and between the County of Monterey, a political subdivision of the State of California ("**County**"), on behalf of itself and for the benefit of its Affiliates, but only as to the specific 340B Covered Entities set forth on **Exhibit D** to the Agreement and CPS Solutions, LLC ("**Contractor**") on behalf of itself and for the benefit of its Affiliates, as of February 1, 2024 (the "**SOW Effective Date**"), pursuant to that certain Standard Agreement dated February 1, 2024 (the "**Agreement**") between Contractor and County.

1.2. **Definitions**. Capitalized terms that are used herein, but not defined in this SOW shall have the meaning ascribed to them in this Exhibit C or elsewhere in the Agreement. Additional capitalized terms are defined in this SOW and the Appendices to this SOW.

1.3. **Agreement**. This SOW is governed by the terms and conditions of the Agreement (which is incorporated herein by this reference), as modified or supplemented herein. The terms of this SOW, unless expressly contrary to the Agreement, shall be deemed to supplement (rather than replace) similar provisions in the Agreement.

1.4. **Exhibits**. This SOW incorporates by reference **Exhibit A (Other Provisions)** and **Exhibit D (340B Covered Entities)** to the Agreement.

2. **TERM OF SOW.**

The term of this SOW commences on the SOW Effective Date and shall continue for a period of one (1) year.

3. **SCOPE OF SOW.**

3.1. **Overview**. Contractor will provide advisory services to County regarding County's 340B Program implemented under the federal 340B Statute, as set forth below (the "**Project Services**"). Project Services includes evaluation of County's 340B Program, guidance, and ongoing support for each Covered Entity to perform routine monitoring and self-auditing of key components of County's 340B Program throughout the Contract Year.

3.2. **340B Covered Entities**. The Project Services are only for the 340B Covered Entities set forth on **Exhibit D** to the Agreement (340B Covered Entities).

4. **SERVICES PROVIDED BY CONTRACTOR UNDER THIS SOW.**

4.1. **Review**. Once per Contract Year, Contractor will conduct the assessment/review described below (the "**Review**") of the County's 340B Program for the 340B Covered Entities set forth on **Exhibit D**

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

to the Agreement. The Review will consist of Contractor assessing County's applicable processes, procedures, and Systems in the following key focus areas:

4.1.1. Evaluating accuracy of Covered Entity's and its "grantee sites'", registration in the Office of Pharmacy Affairs Information System's database;

4.1.2. Evaluating County's existing 340B Program policies and procedures, as set forth in the County's Policy and Procedure Manual;

4.1.3. Evaluating existing contract pharmacy service agreements;

4.1.4. Confirming that County maintains auditable records;

4.1.5. Evaluating an appropriate number of transactions* for each of the data elements identified below:

a. Eligible patient;
b. Eligible provider;
c. Eligible location;
d. Accuracy of accumulations; and
e. Prevention of duplicate discounts as defined by state Medicaid rules.**.

*Contractor selects transactions for auditing based on a targeted sample which is focused on testing of transactions which are most commonly identified as non-compliant by the Contractor consulting team or where non-compliance may cause the need for significant manufacturer repayment. Targeted transactions may include high-cost drugs, prescribers who write a low volume of orders or prescriptions, drugs administered in procedural areas and clinics, "bulk" or multiple dose containers, and when Medicaid is the payer. Additional random transactions are also included.

Contractor will review a random selection of fee for service Medicaid claims for inclusion of the NPI on the claim and in the Medicaid Exclusion File ("MEF**"), as well as inclusion of any state required modifiers. Contractor does not review the accuracy of the pricing submitted with fee for service Medicaid claims. Contractor also does not review Medicaid managed care claims.

While the Covered Entity may submit multiple universes of data for evaluation, Contractor selects a percentage from each of the submitted universes and combines the selected transactions into two universes; mixed use and pure use areas in one, and clinic grantee outpatient pharmacies and non-network contract pharmacies in the other.

4.1.6. Evaluating County's purchasing process for compliance and optimization opportunities including:

a. County's purchase through any group purchasing organization;

b. County's 340B Program purchases;

c. County's wholesale acquisition cost purchases (if applicable); and

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

d. County's purchases under the Federal Orphan Drug program (if applicable).

4.1.7. Evaluate processes in place to prevent diversion to ineligible patients and duplicate discounts;

4.1.8. Evaluating County's applicable processes, procedures, and Systems used for 340B Program monitoring and oversight; and

4.1.9. Evaluating County's applicable processes, procedures, and Systems used to educate County's Personnel with respect to such individual's role within the 340B Program.

4.2. **On-Going Services**. During each Contract Year, Contractor shall:

4.2.1. Answer County questions regarding the Health Resource and Services Administration ("**HRSA**") audits of County's 340B Program;

4.2.2. As part of quarterly meetings with County, respond to County's Personnel's questions and issues; which response may include providing ongoing education (e.g., information on HRSA updates), guidance and consultative services to assist the 340B Covered Entities, as they develop and implement corrective actions; and

4.2.3. In the event of a HRSA or manufacturer's audit of County's 340B Program, Contractor will, upon the Covered Entity's request:

a. Attend the HRSA welcome/pre-site visit call;

b. Answer questions regarding the HRSA data request item list;

c. Review contract pharmacy services agreements and the County's Policy and Procedure Manual;

d. Review the Covered Entity's transaction dataset prior to submission to HRSA for ineligible providers and locations (if provided in data set) and potential duplicate discounts;

e. Attend the onsite HRSA audit (or remote HRSA audit, if applicable) to provide support as requested by the Covered Entity; and

f. If the Covered Entity does not have Contractor attend the onsite audit; the Covered Entity may call a Contractor 340B team member to discuss questions that came up during the onsite audit.

4.3. **Review Personnel**. The Review will be performed by Contractor's consultant and analyst team (the "**Contractor Review Team**"). County's Personnel, including its 340B Program Personnel and other Personnel shall fully co-operate with the Contractor Review Team and assist with the Review.

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

4.4. **Information Exchange**.

4.4.1. County will, upon Contractor's reasonable request, provide certain documentation and data to Contractor prior to the on-site visit in order to make the visit more efficient. Contractor will submit the data request to County prior to the visit. County may elect to provide additional information to Contractor in advance of the visit.

4.4.2. County shall make available to Contractor's Review Team information and documents required for Contractor to conduct the Review.

4.5. **Deliverables**. Upon completion of the Review, Contractor will:

4.5.1. Compile the information from the on-site assessments/reviews with information provided by the County to develop a written action item report (the "**Report**") to County detailing findings and recommendations. The Report will incorporate recommendations for corrective actions which include best practices and changes based upon Contractor's internal templates and other precedence, to the extent applicable and available;

4.5.2. Develop a corrective action planning document to track County Personnel's progress in addressing the suggested corrective actions;

4.5.3. Deliver its Report via a secured email delivery method to the County's: (a) OPAIS 340B Authorizing Official, and (b) OPAIS 340B Point of Contact. Within ten (10) days of the SOW Effective Date, the County will provide CPS with the names and email addresses of such County Personnel and County will notify CPS in writing of any changes in such Personnel (and provide any new or revised email addresses); and

4.5.4. At the request of County, Contractor will host conference a call or web meeting within four (4) weeks of the delivery of its Report to review Contractor's findings and answer questions.

5. **COMPENSATION**.

5.1. **Project Fee**. County shall pay Contractor the following fees for the Project Services under this SOW (each a "**Project Fee**").

Project Fee	Monthly Rate:	Annual Cost:
SOW Year 1	$1,600.84	$19,210.00

5.2. **Reimbursed Costs**. In addition to the Project Fee, County will reimburse Contractor for all reasonable travel and living expenses ("**Reimbursed Costs**") of the Contractor Review Team for all agreed upon travel. Contractor's travel expenses shall be subject to the County of Monterey's Travel Policy. A copy of the policy is available online at https://www.co.monterey.ca.us/home/showpublisheddocument/69364/636728660019670000. Prior to such reimbursement, Contractor must provide a detailed breakdown of the authorized expenses, identifying what was expended and when and County must approve in writing all agreed upon travel. Travel expenses under this SOW shall not exceed $5,000.

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

5.3. **Project Billing.** Commencing fourteen (14) days after the SOW Effective Date, and then on the first of each calendar month thereafter during the term of the Agreement, Contractor will invoice County for one-twelfth (1/12) of the Project Fee (the Monthly Rate) for such Contract Year. In addition, Contractor will invoice County monthly for all Reimbursed Costs.

5.4. **Invoices.** Contractor shall submit invoices to the mail or e-mail address listed below (or such replacement address as County may designate in writing); along with appropriate supporting documentation of any Reimbursed Costs:

Mail delivery:
Monterey County Health Department
Clinic Services Bureau
1441 Schilling Place – 1st Floor
Salinas, CA 93901
Attn: ACCOUNTING

Email delivery:
CS_Finance@co.monterey.ca.us

County shall pay each invoice pursuant to Section 6 of the Agreement.

6. ADDITIONAL ITEMS.

6.1. **Out of Scope Services**. For clarity, the Parties note that the following Services are Out of Scope of this SOW:

6.1.1. Other consulting engagements for services not covered in this SOW.

Exhibit E

BUSINESS ASSOCIATE AGREEMENT

This Business Associate Agreement ("BAA") effective as of the effective date of this Agreement ("Effective Date") is entered into by and among between the County of Monterey, a political subdivision of the State of California, on behalf of the Health Department ("Covered Entity") and CPS Solutions, LLC ("Business Associate") (each a "Party" and collectively the "Parties").

RECITALS

A. WHEREAS, Business Associate provides certain services for Covered Entity that involve the "Use and Disclosure" of "Protected Health Information" ("PHI"), as such terms are defined in "HIPAA" (which is defined below) that is created, received, transmitted, or maintained by Business Associate for or on behalf of Covered Entity.

B. WHEREAS, the Parties are committed to complying with the Health Insurance Portability and Accountability Act of 1996, as amended by the Health Information Technology for Economic and Clinical Health Act (the "HITECH Act"), and their implementing regulations, including the Standards for the Privacy of Individually Identifiable Health Information, 45 C.F.R. Part 160 and Part 164, subparts A and E (the "Privacy Rule"), the Breach Notification Standards, 45 C.F.R. Part 160 and 164 subparts A and D (the "Breach Notification Rule"), and the Security Standards for the Protection of Electronic Protected Health Information, 45 C.F.R. Part 160 and Part 164, subparts A and C (the "Security Rule") (collectively "HIPAA"), all as amended from time to time.

C. WHEREAS, the Parties are also committed to complying with the California Confidentiality Laws (defined below).

D. WHEREAS, to the extent that Business Associate is performing activities in connection with covered accounts for or on behalf of Covered Entity, the Parties are also committed to complying with applicable requirements of the Red Flag Rules issued pursuant to the Fair and Accurate Credit Transactions Act of 2003 ("Red Flag Rules").

E. WHEREAS, the Privacy and Security Rules require Covered Entity and Business Associate to enter into a business associate agreement that meets certain requirements with respect to the Use and Disclosure of PHI. This BAA sets forth the terms and conditions pursuant to which PHI, and, when applicable, Electronic Protected Health Information (as such term is defined in HIPAA, "EPHI") shall be handled, in accordance with such requirements.

NOW THEREFORE, in consideration of the mutual promises below and the exchange of information pursuant to this BAA, the Parties agree as follows:

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

AGREEMENT

1. DEFINITIONS

All capitalized terms used in this BAA but not otherwise defined shall have the meaning set forth in HIPAA.

(a) "Breach" shall have the same meaning as "breach" as defined in 45 C.F.R. § 164.402; however, the term "Breach" as used in this BAA shall: (i) only apply to PHI and EPHI (as further defined below), and (ii) shall also mean the unlawful or unauthorized access to, Use or Disclosure of a patient's "medical information" as defined under Cal. Civil Code § 56.05(j), for which notification is required pursuant to Cal. Health & Safety Code 1280.15, or a "breach of the security of the system" under Cal. Civil Code § 1798.29.

(b) "California Confidentiality Laws" shall mean the applicable laws of the State of California governing the confidentiality, privacy, or security of PHI or other personally identifiable information ("PII"), including, but not limited to, the California Confidentiality of Medical Information Act (Cal. Civil Code § 56 *et seq.*), the patient access law (Cal. Health & Safety Code § 123100 *et seq.*), the HIV test result confidentiality law (Cal. Health & Safety Code § 120975 *et seq.*), the Lanterman-Petris-Short Act (Cal. Welf. & Inst. Code § 5328 *et seq.*), and California's data breach law (Cal. Civil Code § 1798.29); but only to the extent that they are not superseded by HIPAA.

(c) "Personnel" means the directors, managers, officers, employees, partners, agents, advisers, and Subcontractors of a Party, or other applicable entity, provided that the Personnel of Business Associate shall not be deemed to be Personnel of Covered Entity.

(d) "PII" for purposes of this BAA is limited to PII that is provided by Covered Entity to Business Associate or created, maintained, received, or transmitted by Business Associate on Covered Entity's behalf.

(e) "Protected Health Information" or "PHI" for purposes of this BAA is limited to PHI that is provided by Covered Entity to Business Associate or created, maintained, received, or transmitted by Business Associate on Covered Entity's behalf.

(f) "Services" shall mean the services for or functions performed by Business Associate on behalf of Covered Entity pursuant to an underlying services agreement "(Services Agreement") between Covered Entity and Business Associate to which this BAA applies.

2. PERMITTED USES AND DISCLOSURES OF PHI

Unless otherwise limited herein, Business Associate may:

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

(a) Use or Disclose PHI to perform Services for, or on behalf of, Covered Entity, provided that such Use or Disclosure would not violate the Privacy or Security Rules, this BAA, or California Confidentiality Laws if done by Covered Entity;

(b) Use PHI to provide Data Aggregation Services for the Health Care Operations of Covered Entity, if required by the Services Agreement and as permitted by 45 C.F.R. § 164.504(e)(2)(i)(B);

(c) Use PHI if necessary for the proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate as permitted by 45 C.F.R. § 164.504(e)(4)(i);

(d) Disclose PHI for the proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate as permitted under 45 C.F.R. § 164.504(e)(4)(ii), provided that Disclosures are Required by Law, or Business Associate obtains reasonable assurances from the person to whom the information is Disclosed that it will remain confidential and be Used or further Disclosed only as Required by Law or for the purpose for which it was Disclosed to the person, and that such person will notify the Business Associate of any instances of which such person is aware that the confidentiality of the information has been breached; and

(e) Use PHI to report violations of law to appropriate Federal and state authorities, consistent with 45 C.F.R. § 164.502(j)(1).

3. RESPONSIBILITIES OF THE PARTIES WITH RESPECT TO PHI

3.1. Responsibilities of Business Associate. Business Associate shall:

(a) Notify the Privacy Officer of Covered Entity, in writing, of: (i) any Use and/or Disclosure of the PHI that is not permitted by this BAA; (ii) any Security Incident regarding a system that stores or transmits PHI (including EPHI) of which Business Associate becomes aware; and (iii) any suspected Breach of the PHI (including EPHI) of which Business Associate becomes aware. Such notice shall be provided within five (5) business days of Business Associate's discovery of such unauthorized access, acquisition, Use and/or Disclosure, Security Incident, or suspected Breach. Notwithstanding the foregoing, the Parties acknowledge the ongoing existence and occurrence of attempted but ineffective Security Incidents that are trivial in nature, such as pings and other broadcast service attacks, and unsuccessful log-in attempts. The Parties acknowledge and agree that this Section 3.1(a) constitutes notice by Business Associate to Covered Entity of such ineffective Security Incidents and no additional notification to Covered Entity of such ineffective Security Incidents is required, provided that no such Security Incident results in unauthorized access, acquisition, Use or Disclosure of PHI. For the avoidance of doubt, a ransomware attack shall not be considered an ineffective Security Incident and shall be reported to Covered Entity, irrespective of whether such Security Incident results in a Breach. Business Associate shall investigate each Security Incident of any information system provided by Business Associate (or its Subcontractors) that stores or transmits PHI (each a "BA System"), or unauthorized access, acquisition, Use, or

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

Disclosure of PHI, or suspected Breach of a that it discovers and that involves Business Associates' Personnel or such BA System and shall provide a summary of such investigation to Covered Entity, upon request.

(i) If Business Associate or Covered Entity determines that such Security Incident involving a BA System or unauthorized access, acquisition, Use, or Disclosure of PHI, or suspected Breach of a BA System constitutes a Breach, then Business Associate shall provide a supplemental written report in accordance with 45 C.F.R. § 164.410(c), which shall include, to the extent possible, the identification of each individual whose PHI has been, or is reasonably believed by the Business Associate to have been, accessed, acquired, Used or Disclosed during such Breach, to Covered Entity without unreasonable delay, but no later than five (5) business days after discovery of such Breach;

(ii) In consultation with Covered Entity, Business Associate shall promptly mitigate, to the extent practicable, any harmful effect that is known to the Business Associate of such improper access, acquisition, Use, or Disclosure of PHI, or such Security Incident of a BA System, or Breach of PHI;

(iii) Unless otherwise required by any applicable laws, regulations, ordinances, or court or administrative orders or decrees of any federal, state, local or other governmental unit applicable to Business Associates' Use or Disclosure of PHI (each an "**Applicable Law**"), Covered Entity shall have sole control over the timing and method of providing notification of such Breach to the affected individual(s), the appropriate government agencies, and other persons required by Applicable Law to be notified. Business Associate shall assist with any notifications, as requested by Covered Entity. Business Associate shall take prompt corrective action, including any action required by Applicable Laws relating to such Security Incident or non-permitted access, acquisition, Use, or Disclosure. Business Associate shall reimburse Covered Entity for its reasonable costs and expenses in providing notification to affected individuals, appropriate government agencies, and any other persons required by law to be notified (e.g., without limitation, the media or consumer reporting agencies), including, but not limited to, any administrative costs associated with providing notice, printing and mailing costs, public relations costs, attorney fees, and costs of mitigating the harm (which may include the costs of obtaining up to one (1) year of credit monitoring services and identity theft insurance) for affected individuals whose PHI or other PII has or may have been compromised as a result of the Breach;

(b) Implement appropriate administrative, physical, and technical safeguards and comply with the Security Rule and industry standard practices to prevent Use and/or Disclosure of EPHI other than as provided for by this BAA;

(c) Obtain and maintain a written agreement with each of its Subcontractors that creates, receives, maintains, or transmits PHI that requires each such Subcontractor to adhere to restrictions and conditions that are at least as restrictive as those that apply to Business Associate pursuant to this BAA. Upon request, Business Associate shall provide Covered Entity with copies of its written agreements with such Subcontractors;

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

(d) At Covered Entity's sole cost and expense: (a) make available all internal practices, records, books, agreements, policies and procedures and PHI relating to the Use and/or Disclosure of PHI received from, created, maintained, or transmitted by Business Associate on behalf of Covered Entity to the Secretary of the Department of Health and Human Services ("Secretary") promptly after the Secretary's request in a time and manner designated by the Secretary for purposes of determining Covered Entity's or Business Associate's compliance with HIPAA, (b) if permitted to do so under Applicable Law, promptly notify Covered Entity of any such requests by the Secretary, and (c) upon Covered Entity's reasonable written request, promptly make available to Covered Entity such practices, records, books, agreements, policies and procedures relating to the Use and Disclosure of PHI that are reasonably required for purposes of determining whether Business Associate has complied with this BAA, including its obligations here regarding maintaining adequate security safeguards. The fact that Covered Entity has the right to inspect, inspects, or fails to inspect Business Associate's internal practices, records, books, agreements, policies and procedures does not relieve Business Associate of its responsibility to comply with this BAA, regardless of whether Covered Entity detects or fails to detect a violation by Business Associate, nor does it constitute Covered Entity's acceptance of such practices or waiver of Covered Entity's rights under this BAA;

(e) Document Disclosures of PHI and information related to such Disclosure and, within twenty (20) business days of receiving a written request from Covered Entity, provide to Covered Entity at Covered Entity's sole cost and expense such information as is requested by Covered Entity to permit Covered Entity to respond to a request by an individual for an accounting of the Disclosures of the individual's PHI in accordance with 45 C.F.R. § 164.528 and the HITECH Act. At a minimum, the Business Associate shall provide Covered Entity with the following information: (i) the date of the Disclosure; (ii) the name of the entity or person who received the PHI, and if known, the address of such entity or person; (iii) a brief description of the PHI Disclosed; and (iv) a brief statement of the purpose of such Disclosure which includes an explanation of the basis for such Disclosure. In the event the request for an accounting is delivered directly to the Business Associate, the Business Associate shall, within ten (10) business days, forward such request to Covered Entity. The Business Associate shall implement an appropriate recordkeeping process to enable it to comply with the requirements of this Section;

(f) Subject to Section 4.4 below, return to Covered Entity in a mutually agreeable format and medium, or destroy, within 90 business days of the termination of this BAA, the PHI in its possession and retain no copies, including backup copies;

(g) Use, Disclose to its Subcontractors or other third parties, and request from Covered Entity, only the minimum PHI necessary to perform or fulfill a specific function required or permitted hereunder;

(h) If all or any portion of the PHI is maintained in a Designated Record Set by Business Associate:

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

(i) Upon ten (10) days' prior written request from Covered Entity, provide access to the PHI to Covered Entity, or to the individual, if so directed by Covered Entity, to meet a request by an individual under 45 C.F.R. § 164.524 or California Confidentiality Laws. Business Associate shall notify Covered Entity within five (5) days of its receipt of a request for access to PHI from an individual; and

(ii) Upon ten (10) days' prior written request from Covered Entity, make any amendment(s) to the PHI that Covered Entity directs pursuant to 45 C.F.R. § 164.526. Business Associate shall notify Covered Entity within five (5) days of its receipt of a request for amendment of PHI from an individual.

(i) If applicable, maintain policies and procedures to detect and prevent identity theft in connection with the provision of the Services, to the extent required to comply with the Red Flag Rules;

(j) To the extent that Business Associate carries out one or more of Covered Entity's obligations under the Privacy Rule, Business Associate shall comply with the requirements of the Privacy Rule that apply to Covered Entity in the performance of such obligations;

(k) Unless prohibited by law, notify Covered Entity as soon as possible and in no case later than five (5) business days after the Business Associate's receipt of any request or subpoena for PHI. To the extent that Covered Entity decides to assume responsibility for challenging the validity of such request, the Business Associate shall cooperate fully with Covered Entity in such challenge; and

(l) Maintain policies and procedures materially in accordance with HIPAA and California Confidentiality Laws and industry standards designed to ensure the confidentiality, availability, and integrity of Covered Entity's data and protect against threats or vulnerabilities to such data.

3.2 Business Associate Acknowledgment.

(a) Business Associate acknowledges that, as between the Business Associate and Covered Entity, all PHI shall be and remain the sole property of Covered Entity.

(b) Business Associate is not permitted to Use PHI to create de-identified information except as approved in writing by Covered Entity.

(c) Business Associate further acknowledges that it is obligated by law to comply, and represents and warrants that it shall comply, with HIPAA. Business Associate shall comply with all California Confidentiality Laws that apply to the Services provided by Business Associate to Covered Entity, but only to the extent that such state laws are not preempted by HIPAA.

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

(d) Business Associate further acknowledges that Uses and Disclosures of PHI must be consistent with Covered Entity's privacy practices, as stated in Covered Entity's Notice of Privacy Practices. The current Notice of Privacy Practices can be retrieved online from the Covered Entity's webpage at https://www.co.monterey.ca.us/government/departments-a-h/health/general/privacy-and-confidentially-of-the-residents-we-serve. Covered Entity shall notify Business Associate in writing of any changes to the Notice of Privacy Practices. Any changes in the Covered Entity's privacy practices that would affect Business Associate's Services shall be treated as a request for a change order.

3.3 Responsibilities of Covered Entity. Covered Entity shall notify Business Associate of any (i) changes in, or withdrawal of, the authorization of an individual regarding the Use or Disclosure of PHI provided to Covered Entity pursuant to 45 C.F.R. § 164.508, to the extent that such changes may affect Business Associate's Use or Disclosure of PHI; or (ii) restrictions on Use and/or Disclosure of PHI as provided for in 45 C.F.R. § 164.522 agreed to by Covered Entity, to the extent that such restriction may affect Business Associate's Use or Disclosure of PHI. Notwithstanding anything to the contrary in any other agreement with the Covered Entity, Business Associate may limit its Services to the next necessary to comply with any such change in authorization regarding the Use or Disclosure of PHI.

4. TERM AND TERMINATION

4.1 Term. This BAA shall become effective on the Effective Date and shall continue in effect until all of the PHI provided by Covered Entity to Business Associate, or created or received by Business Associate on behalf of Covered Entity, is destroyed or returned to Covered Entity, or if it is infeasible to return or destroy PHI, protections are extended to such PHI, in accordance with the termination provisions in Section 4.4. Certain provisions and requirements of this BAA shall survive its expiration or other termination as set forth in Section 5 herein.

4.2 Termination. If Business Associate has breached a material term of this BAA, Covered Entity may either: (i) immediately terminate this BAA and any suspend Covered Entities provision of Services under any Services Agreement without penalty; or (ii) terminate this BAA and any underlying Services Agreement within thirty (30) days of Business Associate's receipt of written notice of such breach, if such breach is not cured within such thirty (30) day period.

4.3 Automatic Termination. This BAA shall automatically terminate without any further action of the Parties upon the termination or expiration of all Services Agreements between Covered Entity and Business Associate that would necessitate having this BAA in place.

4.4 Effect of Termination. Upon termination or expiration of this BAA for any reason, Business Associate shall return or destroy all PHI pursuant to 45 C.F.R. § 164.504(e)(2)(ii)(J) if, and to the extent that, it is feasible to do so. Prior to returning or destroying the PHI, Business Associate shall recover any PHI in the possession of its

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

Subcontractors (or shall receive a certification from its Subcontractors that such PHI has been deleted). Business Associate shall certify in writing that all PHI has been returned or securely destroyed, and no copies retained, upon Covered Entity's request. To the extent it is not feasible for Business Associate to return or destroy any portion of the PHI, Business Associate shall notify Covered Entity in writing of the condition that makes return or destruction infeasible. If the return or destruction of the PHI is infeasible, Business Associate shall: (i) retain only that PHI which is infeasible to return or destroy; (ii) return to Covered Entity the remaining PHI that the Business Associate maintains in any form; (iii) continue to extend the protections of this BAA to the PHI for as long as Business Associate retains PHI; (iv) limit further Uses and Disclosures of such PHI to those purposes that make the return or destruction of the PHI not feasible and subject to the same conditions as set out in Sections 2 and 3 above, which applied prior to termination; and (v) return to Covered Entity the PHI retained by Business Associate when such return is no longer infeasible.

5. MISCELLANEOUS

5.1 Survival. The obligations of Business Associate under the provisions of Sections 3.1, 3.2, and 4.4 and Article 5 shall survive termination of this BAA until such time as all PHI is returned to Covered Entity or destroyed.

5.2 Amendments; Waiver. This BAA may not be modified or amended, except in a writing duly signed by authorized representatives of the Parties. To the extent that any relevant provision of HIPAA or California Confidentiality Laws is materially amended in a manner that changes the obligations of the Parties, the Parties agree to negotiate in good faith appropriate amendment(s) to this BAA to give effect to the revised obligations. Further, no provision of this BAA shall be waived, except in a writing duly signed by authorized representatives of the Parties. A waiver with respect to one event shall not be construed as continuing, or as a bar to or waiver of any right or remedy as to subsequent events.

5.3 No Third Party Beneficiaries. Nothing express or implied in this BAA is intended to confer, nor shall anything herein confer, upon any person other than the Parties and the respective successors or assigns of the Parties, any rights, remedies, obligations, or liabilities whatsoever.

5.4 Notices. Any notices to be given hereunder to a Party shall be made via U.S. Mail or express courier to such Party's address given below, and/or via facsimile or email to the facsimile telephone numbers or email addresses listed below.

Each Party named above may change its address and that of its representative for notice by the giving of notice thereof in the manner hereinabove provided. Such notice is effective upon receipt of notice, but receipt is deemed to occur on next business day if notice is sent by FedEx or other overnight delivery service.

5.5 Counterparts; Facsimiles. This BAA may be executed in any number of counterparts, each of which shall be deemed an original. Facsimile and electronic copies hereof shall be deemed to be originals.

5.6 Relationship of Parties. Notwithstanding anything to the contrary in the Services Agreement, Business Associate is an independent contractor and not an agent of Covered Entity under this BAA. Business Associate has the sole right and obligation to supervise, manage, contract, direct, procure, perform, or cause to be performed all Business Associate obligations under this BAA.

5.7 Choice of Law; Interpretation. This BAA shall be governed by the laws of the State of California. Any ambiguities in this BAA shall be resolved in a manner that allows Covered Entity and Business Associate to comply with HIPAA and the California Confidentiality Laws.

5.8 Indemnification. Business Associate shall indemnify, defend, and hold harmless the County of Monterey (the "County"), its officers, agents, and employees from any claim, liability, loss, injury, cost, expense, penalty or damage, including costs incurred by the County with respect to any investigation, enforcement proceeding, or third party action, arising out of, or in connection with, a violation of this BAA, HIPAA or California Confidentiality Laws (as to PII), or a Breach of PHI that is directly attributable to an act or omission of Business Associate or its Personnel in violation of this BAA, excepting only loss, injury, cost, expense, penalty or damage caused by the negligence or willful misconduct of County (including the Covered Entity) or the County's Personnel (including those of the Covered Entity). It is the intent of the Parties to provide the broadest possible indemnification for the County that is consistent with the express provisions of this Section 5.8. This provision is in addition to, and independent of, any indemnification provision in any Services Agreement between the Parties.

5.10 Applicability of Terms. This BAA applies to all PHI (including EPHI) in connection with all present and future Services Agreements and business associate

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

relationships, written or unwritten, formal or informal, in which Business Associate creates, receives, transmits, or maintains any PHI for or on behalf of Covered Entity in any form whatsoever. This BAA shall automatically be incorporated in all subsequent agreements between Business Associate and Covered Entity involving the Use or Disclosure of PHI whether or not specifically referenced therein. In the event of any conflict or inconsistency between a provision of this BAA and a provision of any other agreement between Business Associate and Covered Entity, the provision of this BAA shall control as to PHI unless the provision in such other agreement establishes additional rights for Business Associate or additional duties for or restrictions on Business Associate with respect to PHI, in which case the provision of such other agreement will control.

5.10 Insurance. In addition to any general and/or professional liability insurance required of Business Associate under the Services Agreement, Business Associate agrees to obtain and maintain, at its sole expense, liability insurance on an occurrence basis, covering any and all claims, liabilities, demands, damages, losses, costs expenses, fines, and compliance costs arising from a breach of the obligations of Business Associate, its officers, employees, agents and Subcontractors under this BAA. Without limiting the foregoing, at a minimum, Business Associate's required insurance under this Section shall include cyber liability insurance covering breach notification expenses, network security and privacy liability, with limits of not less than $5,000,000 per claim and in the aggregate. Such insurance coverage will be maintained for the term of this BAA, and a copy of such policy or a certificate evidencing the policy shall be provided to Covered Entity at Covered Entity's request.

5.11 Legal Actions. Promptly, but no later than ten (10) business days after notice thereof, each Party shall advise the other Party of any actual or potential action, proceeding, regulatory or governmental orders or actions, or any material threat thereof that becomes known to it that alleges a Security Incident of any BA System, or unauthorized access, acquisition, Use, or Disclosure of PHI, or a suspected Breach of PHI, or a breach of this BAA, and of any facts and circumstances that may be pertinent to the prosecution or defense of any such actual or potential legal action or proceeding, except to the extent prohibited by Applicable Law. This includes, without limitation, any allegation that a Party has, in regard to PHI violated: (a) HIPAA, or (b) other Applicable Laws.

5.12 Audit or Investigations. Promptly, but no later than ten (10) business days after notice thereof, each Party shall advise the other Party of any audit, compliance review, or complaint investigation by the Secretary or other state or federal agency related to compliance by either Party with HIPAA or the California Confidentiality Laws in connection with PHI or PII; provided that the Covered Entity does not need to inform CPS of any audit, review or compliant that is unrelated to the Services CPS is providing.

5.13 Assistance in Litigation or Administrative Proceedings. Business Associate shall make itself, and any Subcontractors, employees, or agents assisting Business Associate in the performance of its obligations under any Services Agreements, available to Covered Entity, at no cost to Covered Entity, to testify against Covered Entity, its directors, officers, employees, successors, and assigns based upon claimed violation by Business Associate or its agents or subcontractors of HIPAA or other applicable law,

DocuSign Envelope ID: CAF73DA3-C8E4-48F1-9645-610205D44D6B

except where Business Associate or its Subcontractor, employee, or agent- is a named adverse party.

5.14 No Offshore Work. In performing the Services for, or on behalf of, Covered Entity, Business Associate shall not, and shall not permit any of its Subcontractors, to transmit or make available any PHI to any entity or individual outside the United States without the prior written consent of Covered Entity.

IN WITNESS WHEREOF, each of the undersigned has caused this BAA to be duly executed in its name and on its behalf as of the Effective Date.

Introduced: 12/21/2023

Current Status: Health Department - Consent

Version: 1

Matter Type: BoS Agreement

a. Approve and authorize the Director of Health Services or designee to execute an Agreement with CPS Solutions, LLC ("CPS") for 340B Program external audit and remote program monitoring services, for a term of February 1, 2024 through January 31, 2028, and a total agreement amount not to exceed $259,610; and
b. Accept the recommendation of the Director of Health Services to approve the non-standard provisions in the Agreement; and
c. Authorize the Director of Health Services or designee to execute up to three (3) future amendments to this Agreement where the total amendments do not exceed 10% ($25,961) of the agreement amount and do not significantly change the scope of work.

RECOMMENDATION:

It is recommended the Board of Supervisors:
a. Approve and authorize the Director of Health Services or designee to execute an Agreement with CPS Solutions, LLC ("CPS") for 340B Program external audit and remote program monitoring services, for a term of February 1, 2024 through January 31, 2028, and a total agreement amount not to exceed $259,610; and
b. Accept the recommendation of the Director of Health Services to approve the non-standard provisions in the Agreement; and
c. Authorize the Director of Health Services or designee to execute up to three (3) future amendments to this Agreement where the total amendments do not exceed 10% ($25,961) of the agreement amount and do not significantly change the scope of work.

SUMMARY/DISCUSSION:

The Health Department Clinic Services Bureau (Clinic Services) operates ten community clinic sites designated as Federally Qualified Health Centers (FQHCs) which provide preventive, primary, and specialty medical care services.

Clinic Services participates in the federal 340B Drug Pricing Program, which allows FQHCs to purchase eligible drugs at reduced rates for distribution to eligible patients through 340B contract pharmacy arrangements or administered to patients in clinic. Clinic Services depends on 340B savings to help increase patient access and promote health equity by reinvesting these savings into supporting the essential healthcare services that our safety net clinics provide to the underserved community.

The 340B Program is very complex and requires a deep knowledge of the program's operational and pharmacy compliance requirements, including annual certifications, program-specific billing and drug

DocuSign Envelope ID: DC75952C-AF3A-4E6A-8A67-41F6A3F2A327

purchase requirements, policy/procedure management, and the need for ongoing, monthly audits to verify compliance and avoid penalties and fees.

CPS Solutions, LLC (CPS) has been supporting health systems, including FQHCs and pharmacies since 1992 by evaluating internal programs and contract pharmacy relationships to improve overall program management and optimize 340B savings in a comprehensive and compliant manner.

Approval of this Agreement will allow CPS to deliver a mock HRSA 340B Audit, including corrective action support for any audit findings, and subsequently provide ongoing 340B Program support and education to Clinic Services' operational, clinical and contract pharmacy-related areas through a remote monitoring format.

This work supports one of the Monterey County Health Department's 2018-2024 Strategic Plan Initiative(s): 2. Enhance community health and safety through prevention. It also supports one or more of the ten essential public health services, specifically: 6. Enforce laws and regulations that protect health and ensure safety.

OTHER AGENCY INVOLVEMENT:
County Counsel has reviewed and approved this Agreement as to legal form. Auditor Controller has reviewed and approved as to fiscal provisions.

FINANCING:
Sufficient appropriations are available in the FY 2023-2024 Health Department Clinic Services Adopted Budget (001-4000-HEA007) to cover the costs of this agreement. This Agreement will be funded by revenues generated from Medi-Cal and Medicare. There is no financial impact to the General Fund resulting from approval of this Agreement.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
Check the related Board of Supervisors Strategic Initiatives:

☐ Economic Development:
- Through collaboration, strengthen economic development to ensure a diversified and healthy economy.

☐ Administration:
- Promote an organization that practices efficient and effective resource management and is recognized for responsiveness, strong customer orientation, accountability and transparency.

☒ Health & Human Services:
- Improve health and quality of life through County supported policies, programs, and services; promoting access to equitable opportunities for healthy choices and healthy environments in collaboration with communities.

☐ Infrastructure:
- Plan and develop a sustainable, physical infrastructure that improves the quality of life for County residents and supports economic development results.

☐ Public Safety:

COUNTY OF MONTEREY STANDARD AGREEMENT

This **Agreement** is made by and between the County of Monterey, a political subdivision of the State of California (hereinafter "County") and:

Community Foundation for Monterey County,

(hereinafter "CONTRACTOR").

In consideration of the mutual covenants and conditions set forth in this Agreement, the parties agree as follows:

1.0 GENERAL DESCRIPTION:

The County hereby engages CONTRACTOR to perform, and CONTRACTOR hereby agrees to perform, the services described in **Exhibit A** in conformity with the terms of this Agreement. The goods and/or services are generally described as follows:

Provide: Community outreach, engagement and education for County of Monterey Behavioral Health Bureau's Mental Health Services Act (MHSA) Innovation and Prevention and Early Intervention (PEI) programming.

2.0 PAYMENT PROVISIONS:

County shall pay the CONTRACTOR in accordance with the payment provisions set forth in **Exhibit A**, subject to the limitations set forth in this Agreement. The total amount payable by County to CONTRACTOR under this Agreement shall not exceed the sum of: $ 277,000

3.0 TERM OF AGREEMENT:

3.01 The term of this Agreement is from October 15, 2023 **to** June 30, 2024, unless sooner terminated pursuant to the terms of this Agreement. This Agreement is of no force or effect until signed by both CONTRACTOR and County and with County signing last, and **CONTRACTOR may not commence work before County signs this Agreement**.

3.02 The County reserves the right to cancel this Agreement, or any extension of this Agreement, without cause, with a thirty day (30) written notice, or with cause immediately.

4.0 SCOPE OF SERVICES AND ADDITIONAL PROVISIONS:

The following attached exhibits are incorporated herein by reference and constitute a part of this Agreement:

Exhibit A Scope of Services/Payment Provisions

Exhibit B Other: EXHIBIT B: ASSURANCE OF COMPLIANCE WITH MONTEREY COUNTY'S CULTURAL COMPETENCY POLICY
EXHIBIT C: BUSINESS ASSOCIATE AGREEMENT
EXHIBIT D: COST REIMBURSMENT FORM

DocuSign Envelope ID: EA460DE4-DB58-4E5B-9B3F-240533F334A3

5.0 PERFORMANCE STANDARDS:

5.01 CONTRACTOR warrants that CONTRACTOR and CONTRACTOR's agents, employees, and subcontractors performing services under this Agreement are specially trained, experienced, competent, and appropriately licensed to perform the work and deliver the services required under this Agreement and are not employees of the County, or immediate family of an employee of the County.

5.02 CONTRACTOR, its agents, employees, and subcontractors shall perform all work in a safe and skillful manner and in compliance with all applicable laws and regulations. All work performed under this Agreement that is required by law to be performed or supervised by licensed personnel shall be performed in accordance with such licensing requirements.

5.03 CONTRACTOR shall furnish, at its own expense, all materials, equipment, and personnel necessary to carry out the terms of this Agreement, except as otherwise specified in this Agreement. CONTRACTOR shall not use County premises, property (including equipment, instruments, or supplies) or personnel for any purpose other than in the performance of its obligations under this Agreement.

6.0 PAYMENT CONDITIONS:

6.01 Prices shall remain firm for the initial term of the Agreement and, thereafter, may be adjusted annually as provided in this paragraph. The County does not guarantee any minimum or maximum amount of dollars to be spent under this Agreement.

6.02 Negotiations for rate changes shall be commenced, by CONTRACTOR, a minimum of ninety days (90) prior to the expiration of the Agreement. Rate changes are not binding unless mutually agreed upon in writing by the County and the CONTRACTOR.

6.03 Invoice amounts shall be billed directly to the ordering department.

6.04 CONTRACTOR shall submit such invoice periodically or at the completion of services, but in any event, not later than 30 days after completion of services. The invoice shall set forth the amounts claimed by CONTRACTOR for the previous period, together with an itemized basis for the amounts claimed, and such other information pertinent to the invoice. The County shall certify the invoice, either in the requested amount or in such other amount as the County approves in conformity with this Agreement and shall promptly submit such invoice to the County Auditor-Controller for payment. The County Auditor-Controller shall pay the amount certified within 30 days of receiving the certified invoice.

7.0 TERMINATION:

7.01 During the term of this Agreement, the County may terminate the Agreement for any reason by giving written notice of termination to the CONTRACTOR at least thirty (30) days prior to the effective date of termination. Such notice shall set forth the effective date of termination. In the event of such termination, the amount payable under this Agreement shall be reduced in proportion to the services provided prior to the date of termination.

DocuSign Envelope ID: EA460DE4-DB58-4E5B-9B3F-240533F334A3

7.02 The County may cancel and terminate this Agreement for good cause effective immediately upon written notice to CONTRACTOR. "Good cause" includes the failure of CONTRACTOR to perform the required services at the time and in the manner provided under this Agreement. If County terminates this Agreement for good cause, the County may be relieved of the payment of any consideration to CONTRACTOR, and the County may proceed with the work in any manner, which County deems proper. The cost to the County shall be deducted from any sum due the CONTRACTOR under this Agreement.

7.03 The County's payments to CONTRACTOR under this Agreement are funded by local, state and federal governments. If funds from local, state and federal sources are not obtained and continued at a level sufficient to allow for the County's purchase of the indicated quantity of services, then the County may give written notice of this fact to CONTRACTOR, and the obligations of the parties under this Agreement shall terminate immediately, or on such date thereafter, as the County may specify in its notice, unless in the meanwhile the parties enter into a written amendment modifying this Agreement.

8.0 ~~INDEMNIFICATION:~~

DS DB
Contractor
DS Amy
County

~~CONTRACTOR shall indemnify, defend, and hold harmless the County, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with the CONTRACTOR's performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of the County. "CONTRACTOR's performance" includes CONTRACTOR's action or inaction and the action or inaction of CONTRACTOR's officers, employees, agents and subcontractors.~~

9.0 INSURANCE REQUIREMENTS:

9.01 **Evidence of Coverage:** Prior to commencement of this Agreement, the Contractor shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor upon request shall provide a certified copy of the policy or policies.

This verification of coverage shall be sent to the County's Contracts/Purchasing Department, unless otherwise directed. The Contractor shall not receive a "Notice to Proceed" with the work under this Agreement until it has obtained all insurance required and the County has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the Contractor.

9.02 **Qualifying Insurers:** All coverage's, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A- VII, according to the current Best's Key Rating Guide or a company of equal financial stability that is approved by the County's Purchasing Manager.

DocuSign Envelope ID: EA460DE4-DB58-4E5B-9B3F-240533F334A3

9.03 **Insurance Coverage Requirements:** Without limiting CONTRACTOR's duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

Commercial General Liability Insurance: including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than $1,000,000 per occurrence.
(Note: any proposed modifications to these general liability insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Requestor must check the appropriate Automobile Insurance Threshold:
Requestor must check the appropriate box.

☐ **Agreement Under $100,000 Business Automobile Liability Insurance**: covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than $500,000 per occurrence.

☑ **Agreement Over $100,000 Business Automobile Liability Insurance**: covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit or Bodily Injury and Property Damage of not less than $1,000,000 per occurrence.

(Note: any proposed modifications to these auto insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Workers' Compensation Insurance: if CONTRACTOR employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's Liability limits not less than $1,000,000 each person, $1,000,000 each accident and $1,000,000 each disease.
(Note: any proposed modifications to these workers' compensation insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Professional Liability Insurance: if required for the professional services being provided, (e.g., those persons authorized by a license to engage in a business or profession regulated by the California Business and Professions Code), in the amount of not less than $1,000,000 per claim and $2,000,000 in the aggregate, to cover liability for malpractice or errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail

DocuSign Envelope ID: EA460DE4-DB58-4E5B-9B3F-240533F334A3

coverage shall continue for at least three years following the expiration or earlier termination of this Agreement.

(Note: any proposed modifications to these insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

9.04 Other Requirements:

All insurance required by this Agreement shall be with a company acceptable to the County and issued and executed by an admitted insurer authorized to transact Insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the County shall be given notice in writing at least thirty days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor and additional insureds with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the CONTRACTOR'S work, including ongoing and completed operations, **and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the CONTRACTOR'S insurance.** The required endorsement form for Commercial General Liability Additional Insured is ISO Form CG 20 10 11-85 or CG 20 10 10 01 in tandem with CG 20 37 10 01 (2000). The required endorsement form for Automobile Additional Insured endorsement is ISO Form CA 20 48 02 99.

Prior to the execution of this Agreement by the County, CONTRACTOR shall file certificates of insurance with the County's contract administrator and County's Contracts/Purchasing Division, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect. CONTRACTOR shall always during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of

DocuSign Envelope ID: EA460DE4-DB58-4E5B-9B3F-240533F334A3

this Agreement, which entitles County, at its sole discretion, to terminate this Agreement immediately.

10.0 RECORDS AND CONFIDENTIALITY:

10.1 **Confidentiality:** CONTRACTOR and its officers, employees, agents, and subcontractors shall comply with any and all federal, state, and local laws, which provide for the confidentiality of records and other information. CONTRACTOR shall not disclose any confidential records or other confidential information received from the County or prepared in connection with the performance of this Agreement, unless County specifically permits CONTRACTOR to disclose such records or information. CONTRACTOR shall promptly transmit to County any and all requests for disclosure of any such confidential records or information. CONTRACTOR shall not use any confidential information gained by CONTRACTOR in the performance of this Agreement except for the sole purpose of carrying out CONTRACTOR's obligations under this Agreement.

10.2 **County Records:** When this Agreement expires or terminates, CONTRACTOR shall return to County any County records which CONTRACTOR used or received from County to perform services under this Agreement.

10.3 **Maintenance of Records:** CONTRACTOR shall prepare, maintain, and preserve all reports and records that may be required by federal, state, and County rules and regulations related to services performed under this Agreement. CONTRACTOR shall maintain such records for a period of at least three years after receipt of final payment under this Agreement. If any litigation, claim, negotiation, audit exception, or other action relating to this Agreement is pending at the end of the three-year period, then CONTRACTOR shall retain said records until such action is resolved.

10.4 **Access to and Audit of Records:** The County shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the CONTRACTOR and its subcontractors related to services provided under this Agreement. Pursuant to Government Code section 8546.7, if this Agreement involves the expenditure of public funds in excess of $10,000, the parties to this Agreement may be subject, at the request of the County or as part of any audit of the County, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three years after final payment under the Agreement.

10.5 **Royalties and Inventions:** County shall have a royalty-free, exclusive and irrevocable license to reproduce, publish, and use, and authorize others to do so, all original computer programs, writings, sound recordings, pictorial reproductions, drawings, and other works of similar nature produced in the course of or under this Agreement. CONTRACTOR shall not publish any such material without the prior written approval of County.

11.0 NON-DISCRIMINATION:

11.1 During the performance of this Agreement, CONTRACTOR, and its subcontractors, shall not unlawfully discriminate against any person because of race, religious creed, color, sex, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age (over 40), sexual orientation, or any other characteristic set forth in California Government code § 12940(a), either in CONTRACTOR's employment practices or in the furnishing of services to recipients. CONTRACTOR shall ensure that the evaluation and

DocuSign Envelope ID: EA460DE4-DB58-4E5B-9B3F-240533F334A3

treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. CONTRACTOR and any subcontractor shall, in the performance of this Agreement, fully comply with all federal, state, and local laws and regulations which prohibit discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be prohibited discrimination.

12.0 COMPLIANCE WITH TERMS OF STATE OR FEDERAL GRANTS:

If this Agreement has been or will be funded with monies received by the County pursuant to a contract with the state or federal government in which the County is the grantee, CONTRACTOR will comply with all the provisions of said contract, to the extent applicable to CONTRACTOR as a subgrantee under said contract, and said provisions shall be deemed a part of this Agreement, as though fully set forth herein. Upon request, County will deliver a copy of said contract to CONTRACTOR, at no cost to CONTRACTOR.

13.0 COMPLIANCE WITH APPLICABLE LAWS:

13.1 CONTRACTOR shall keep itself informed of and in compliance with all federal, state, and local laws, ordinances, regulations, and orders, including but not limited to all state and federal tax laws that may affect in any manner the Project or the performance of the Services or those engaged to perform Services under this AGREEMENT as well as any privacy laws including, if applicable, HIPAA. CONTRACTOR shall procure all permits and licenses, pay all charges and fees, and give all notices require by law in the performance of the Services.

13.2 CONTRACTOR shall report immediately to County's Contracts/Purchasing Officer, in writing, any discrepancy or inconsistency it discovers in the laws, ordinances, regulations, orders, and/or guidelines in relation to the Project of the performance of the Services.

13.3 All documentation prepared by CONTRACTOR shall provide for a completed project that conforms to all applicable codes, rules, regulations, and guidelines that are in force at the time such documentation is prepared.

14.0 INDEPENDENT CONTRACTOR:

In the performance of work, duties, and obligations under this Agreement, CONTRACTOR is always acting and performing as an independent contractor and not as an employee of the County. No offer or obligation of permanent employment with the County or County department or agency is intended in any manner, and CONTRACTOR shall not become entitled by virtue of this Agreement to receive from County any form of employee benefits including but not limited to sick leave, vacation, retirement benefits, workers' compensation coverage, insurance or disability benefits. CONTRACTOR shall be solely liable for and obligated to pay directly all applicable taxes, including federal and state income taxes and social security, arising out of CONTRACTOR's performance of this Agreement. In connection therewith, CONTRACTOR shall defend, indemnify, and hold County harmless from any and all liability which County may incur because of CONTRACTOR's failure to pay such taxes.

16.0 MISCELLANEOUS PROVISIONS.

16.01 **Conflict of Interest:** CONTRACTOR represents that it presently has no interest and agrees not to acquire any interest during the term of this Agreement, which would directly, or indirectly conflict in any manner or to any degree with the full and complete performance of the services required to be rendered under this Agreement.

16.02 **Amendment:** This Agreement may be amended or modified only by an instrument in writing signed by the County and the CONTRACTOR.

16.03 **Waiver:** Any waiver of any terms and conditions of this Agreement must be in writing and signed by the County and the CONTRACTOR. A waiver of any of the terms and conditions of this Agreement shall not be construed as a waiver of any other terms or conditions in this Agreement.

16.04 **Contractor:** The term "CONTRACTOR" as used in this Agreement includes CONTRACTOR's officers, agents, and employees acting on CONTRACTOR's behalf in the performance of this Agreement.

16.05 **Disputes:** CONTRACTOR shall continue to perform under this Agreement during any dispute.

16.06 **Assignment and Subcontracting:** The CONTRACTOR shall not assign, sell, or otherwise transfer its interest or obligations in this Agreement without the prior written consent of the County. None of the services covered by this Agreement shall be subcontracted without the prior written approval of the County. Notwithstanding any such subcontract, CONTRACTOR shall continue to be liable for the performance of all requirements of this Agreement.

DocuSign Envelope ID: EA460DE4-DB58-4E5B-9B3F-240533F334A3

16.07 **Successors and Assigns:** This Agreement and the rights, privileges, duties, and obligations of the County and CONTRACTOR under this Agreement, to the extent assignable or delegable, shall be binding upon and inure to the benefit of the parties and their respective successors, permitted assigns, and heirs.

16.08 **Headings:** The headings are for convenience only and shall not be used to interpret the terms of this Agreement.

16.09 **Time is of the Essence:** Time is of the essence in each and all of the provisions of this Agreement.

16.10 **Governing Law:** This Agreement shall be governed by and interpreted under the laws of the State of California; venue shall be Monterey County.

16.11 **Non-exclusive Agreement:** This Agreement is non-exclusive and both County and CONTRACTOR expressly reserve the right to contract with other entities for the same or similar services.

16.12 **Construction of Agreement:** The County and CONTRACTOR agree that each party has fully participated in the review and revision of this Agreement and that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Agreement or any amendment to this Agreement.

16.13 **Counterparts:** This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same Agreement.

16.14 **Authority:** Any individual executing this Agreement on behalf of the County or the CONTRACTOR represents and warrants hereby that he or she has the requisite authority to enter into this Agreement on behalf of such party and bind the party to the terms and conditions of this Agreement.

16.15 **Integration:** This Agreement, including the exhibits, represent the entire Agreement between the County and the CONTRACTOR with respect to the subject matter of this Agreement and shall supersede all prior negotiations, representations, or agreements, either written or oral, between the County and the CONTRACTOR as of the effective date of this Agreement, which is the date that the County signs the Agreement.

16.16 **Interpretation of Conflicting Provisions:** In the event of any conflict or inconsistency between the provisions of this Agreement and the Provisions of any exhibit or other attachment to this Agreement, the provisions of this Agreement shall prevail and control.

17.0 CONSENT TO USE OF ELECTRONIC SIGNATURES.

17.1 The parties to this Agreement consent to the use of electronic signatures via DocuSign to execute this Agreement. The parties understand and agree that the legality of electronic signatures is governed by state and federal law, 15 U.S.C. Section 7001 et seq.; California Government Code Section 16.5; and, California Civil Code Section 1633.1 *et. seq.* Pursuant to said state and federal law as may be amended from time to time, the parties to this Agreement hereby authenticate and execute this Agreement, and any and all Exhibits to this

DocuSign Envelope ID: EA460DE4-DB58-4E5B-9B3F-240533F334A3

Agreement, with their respective electronic signatures, including any and all scanned signatures in portable document format (PDF).

17.2 **Counterparts.**

The parties to this Agreement understand and agree that this Agreement can be executed in two (2) or more counterparts and transmitted electronically via facsimile transmission or by delivery of a scanned counterpart in portable document format (PDF) via email transmittal.

17.3 **Form: Delivery by E-Mail or Facsimile.**

Executed counterparts of this Agreement may be delivered by facsimile transmission or by delivery of a scanned counterpart in portable document format (PDF) by e-mail transmittal, in either case with delivery confirmed. On such confirmed delivery, the signatures in the facsimile or PDF data file shall be deemed to have the same force and effect as if the manually signed counterpart or counterparts had been delivered to the other party in person.

EXHIBIT A: SCOPE OF SERVICES / PAYMENT PROVISIONS

Agreement by and between
County of Monterey, Health Department, Behavioral Health Bureau,
Hereinafter referred to as "COUNTY"
AND
Community Foundation for Monterey County, hereinafter referred to as "CONTRACTOR"

I. PURPOSE: The purpose of the funding provided by COUNTY to CONTRACTOR is to provide fiscal support to Community Health Workers (CHWs) with the several identified Community-Based Organizations (CBOs) and work collaboratively across the participating organizations to conduct outreach, screening and education on behavioral health conditions and make connections to resources for hard-to-reach communities most disparately impacted by environmental and other conditions that negatively impact health outcomes, including behavioral health conditions. Funding will assist the CONTRACTOR with operational costs associated with the project.

A Coordination Team consisting of a representative(s) from Monterey County Health Department and Community Foundation for Monterey County will work closely together on the project coordination and implementation of the proposed strategies to ensure alignment with existing programs and services and that participating Community Based Organizations (CBO's) have supports to implement the project.

II. SCOPE OF WORK:

A. CONTRACTOR shall provide services and staff, and otherwise do all things necessary for or incidental to the performance of work, as set forth below:

1. Attend and require funded CBO's CHW Coordinators to attend the COUNTY's monthly coordination meetings. Attendance and participation in the monthly coordination meetings will ensure effective coordination of access to resources and deployment of CHW's to high impact area.

2. Provide support staff to coordinate daily functioning of Community Health Worker (CHW) program that will deploy CHWs to reach individuals and families living in regions of the County where there is disproportionate impact on mental health conditions;

3. Coordination and provision of monthly reports to County on community needs, challenges and access barriers identified by CHW partner CBOs in accessing behavioral health care;

DocuSign Envelope ID: EA460DE4-DB58-4E5B-9B3F-240533F334A3

4. Work with the Coordination Team to continue identifying and holding CHW training and continued education opportunities; and

5. When applicable based on need and outreach efforts, use the WellScreen Monterey application to help residents screen for mental health and substance use disorders, including use of web-enabled devices provided by COUNTY to assist people in using the tool. CHW's will distribute print materials provided by COUNTY(e.g., posters, brochures, and business cards with QR codes linked to website) in locations that are accessible and utilized by residents in regions of the County where there is disproportionate impact on mental health conditions. CHW's will also distribute and track web-enabled devices to appropriate locations that will garner public attention and interest to utilize the WellScreen Monterey tool.

6. CHW's will support the COUNTY's Community Program Planning Process (CPPP) for the Mental Health Services Act through outreach and engage residents to provide input and complete surveys for the CPPP.

B. REPORTING REQUIREMENTS

1. CONTRACTOR shall conduct data collection according to the evaluation plan provided by the COUNTY in accordance with the Mental Health Services Act (MHSA) Funding requirements. Provide quarterly reports in the following categories which include, but are not limited to:

    a) Number of people reached through outreach strategies

    b) Demographics of people who have 1:1 interactions with the CHW's around WellScreen, CPPP surveys and for referrals to behavioral health care

    c) Anecdotal progress reports as shared by Stories from the Field: outcomes from solutions to identified barriers and challenges

    d) Progress reports on coordination of WellScreen marketing and communication resources and supports

    e) Any other data elements the County deems necessary for the purposes of monitoring, evaluation, and compliance with the MHSA or any other relevant federal, state, or local regulations and requirements.

2. CONTRACTOR shall adhere to all applicable federal, state, and local laws and regulations concerning the protection, use, and disclosure of the data, including but not limited to, the Health Insurance Portability and

DocuSign Envelope ID: EA460DE4-DB58-4E5B-9B3F-240533F334A3

Accountability Act (HIPAA), and the standards and requirements set forth by the MHSOAC.

3. All data must be submitted in the format, timeframe, and manner prescribed by the County. CONTRACTOR is responsible for ensuring the accuracy, completeness, and timeliness of all data submitted.

4. CONTRACTOR shall promptly notify the County of any issues or delays in submitting the required data and provide a plan for timely resolution of such issues.

5. CONTRACTOR acknowledges that data submitted under this section may be used by the County for the purposes of reporting to state and federal agencies, informing public policy, improving service delivery, and promoting transparency and accountability in the provision of mental health services.

III. DESIGNATED CONTRACT MONITOR:

Lindsey O'Leary, Deputy Director
Monterey County Health Department
Behavioral Health Bureau
1270 Natividad Rd. Salinas, CA 93906
(831) 744-4302
olearylm@co.monterey.ca.us
cc: MHSA@co.monterey.ca.us

IV. PAYMENT PROVISIONS

A. COMPENSATION/PAYMENT

COUNTY shall pay an amount not to exceed **$277,000** for the performance of all things necessary for, or incidental to, the performance of work as set forth in the Scope of Work. CONTRACTOR'S shall reimbursed the following negotiated rates which are subject to all cost report conditions set forth in Exhibit A and identified in the Fee Schedule table below:

Fee Schedule

Deliverable	Payment Period	Fee
Deliverable 1: Provision of WellScreen Monterey community outreach and engagement report	Oct. 15, 2023 – Oct. 31, 2023	$40,000
Deliverable 2: Provision of WellScreen Monterey community outreach and engagement report	Nov. 1, 2023 – Nov. 30, 2023	$80,000
Deliverable 3: Provision of WellScreen Monterey community outreach and engagement report	Dec. 1, 2023 – Dec. 31, 2023	$80,000

DocuSign Envelope ID: EA460DE4-DB58-4E5B-9B3F-240533F334A3

Deliverable 4: Provision of MCBH PEI community outreach and engagement report	Jan 1, 2024 – March 31, 2024	$38,500
Deliverable 5: Provision of MCBH PEI community outreach and engagement report	April 1, 2024 – June 30, 2024	$38,500
TOTAL MAXIMUM COUNTY OBLIGATION		**$277,000**

B. There shall be no travel reimbursement allowed during this Agreement.

C. To receive any payment under this Agreement, CONTRACTOR shall submit reports and invoices in such form as may be required by the County of Monterey Behavioral Health Bureau. Specifically, CONTRACTOR shall submit its invoice on Exhibit C – Invoice Form to COUNTY to reach the Behavioral Health Bureau no later than the thirtieth (30th) day of the month following the month of service.

D. CONTRACTOR shall submit via email an Invoice using Exhibit C – Invoice Form in Excel format with electronic signature(s) along with supporting documentation, as may be required by the COUNTY for services rendered to:
MCHDBHFinance@co.monterey.ca.us
cc:MHSA@co.monterey.ca.us

V. CONTRACTOR'S BILLING PROCEDURES

A. The COUNTY shall not pay any Invoices for payment for services submitted more than twelve (12) months after the calendar month in which the services were completed.

B. COUNTY shall review and certify CONTRACTOR's Invoice either in the requested amount or in such other amount as COUNTY approves in conformity with this Agreement and shall promptly submit such Invoice to the COUNTY Auditor-Controller for payment. The COUNTY Auditor-Controller shall pay the amount certified within thirty (30) days of receiving the certified Invoice.

C. If COUNTY certifies payment at a lesser amount than the amount requested, COUNTY shall immediately notify the CONTRACTOR in writing of such certification and shall specify the reason for it. If the CONTRACTOR desires to contest the certification, the CONTRACTOR must submit a written notice of protest to the COUNTY within twenty (20) days after the CONTRACTOR's receipt of the COUNTY notice. The parties shall thereafter promptly meet to review the dispute and resolve it on a mutually acceptable basis. No court action may be taken on such a dispute until the parties have met and attempted to resolve the dispute in person.

DocuSign Envelope ID: EA460DE4-DB58-4E5B-9B3F-240533F334A3

IV. MAXIMUM OBLIGATION OF COUNTY

A. Subject to the limitations set forth herein, COUNTY shall pay to CONTRACTOR during the term of this Agreement a maximum amount not to exceed **$277,000** for services rendered under this Agreement for the period of **October 15, 2023 to June 30, 2024**

B. Maximum Liability Amount:

TERM	AMOUNT
Oct. 15, 2023 – June 30, 2024	$277,000
MAXIMUM COUNTY OBLIGATION	$277,000

C. Funding Source:

FUNDING SOURCE	TERM	AMOUNT
MHSA INN	Oct 15, 2023 – Dec. 31, 2023	$200,000
MHSA PEI	Jan. 1, 2024 – June 30, 2024	$77,000

EXHIBIT B: ASSURANCE OF COMPLIANCE WITH MONTEREY COUNTY CULTURAL COMPETENCY POLICY

In a culturally competent system, each provider organization shows respect for and responds to individual differences and special needs. Services are provided in the appropriate cultural context and without discrimination related to race, national origin, income level, religion, gender, sexual orientation, age, or physical disability, to name a few. Culturally competent caregivers are aware of the impact of their own culture on their relationships with consumers/families and know about and respect cultural and ethnic differences. They adapt their skills to meet each individual's/family's values and customs. Cultural competence is a developmental and dynamic process – one that occurs over time.

Organizations in a Culturally Competent Service System Promote:

Quality Improvement

- Continuous evaluation and quality improvement
- Supporting evidence-based, promising, community defined, and emerging practices that are congruent with ethnic/racial/linguistic group belief systems, cultural values and help-seeking behaviors.

Collaboration

- Collaborating with Behavioral Health and other community programs
- Resolving barriers to partnerships with other service providers

Access

- Providing new services to unserved and underserved children, youth, adults and/or older adults
- Reducing disparities in access to, and retention in, care as identified in the Mental Health Services Act Plan
- Ensuring representation of mental health services consumers, family members of a mental health services consumer, and/or representatives from unserved communities on their advisory/governance body or committee for development of service delivery and evaluation (with a minimum target of 40%).
- Developing recruitment, hiring, and retention plans that are reflective of the population focus, communities' ethnic, racial, and linguistic populations.

Cultural Competent Services:

- Are available, accessible and welcoming to all clients regardless of race, ethnicity, language, age, and sexual orientation.
- Provide a physical environment that is friendly, respectful and inclusive of all cultures.
- Provide information, resources and reading materials in multilingual formats.
- Promote and foment culturally accepted social interactions, respect and healthy behaviors within the family constellation and service delivery system.
- Provide options for services, which are consistent with the client's beliefs, values, healing traditions, including individual preferences for alternative, spiritual and/or holistic approaches to health.

DocuSign Envelope ID: EA460DE4-DB58-4E5B-9B3F-240533F334A3

- Offer services in unserved and underserved communities.
- Have services available in the evening and on weekends to ensure maximum accessibility.
- Offer services in Spanish and other necessary languages (such as Tagalog, Vietnamese, Oaxacan, Trique and other languages spoken of Monterey County residents).

Definitions for Cultural Competency

"Cultural Competence" is defined as a set of congruent practice skills, knowledge, behaviors, attitudes, and policies that come together in a system, agency, or among consumer providers, family members, and professionals that enables that system, agency, or those professionals and consumers, and family member providers to work effectively in cross-cultural situations.

(Adapted from Cross, et al., 1989; cited in DMH Information Notice No.02-03).

"Cultural Competence" is a means to eliminating cultural, racial and ethnic disparities. Cultural Competence enhances the ability of the whole system to incorporate the languages, cultures, beliefs and practices of its clients into the service. In this way all clients benefit from services that address their needs from the foundation of their own culture. Strategies for elimination of these disparities must be developed and implemented. Cultural Competence must be supported at all levels of the system.

(CMHDA Framework for Eliminating Cultural, Linguistic, Racial and Ethnic Behavioral Health Disparities)

[Cultural Competency] A set of congruent behaviors, attitudes, and policies that come together in a system, agency or amongst professionals and consumers and enables that system, agency or those professionals and consumers to work effectively in cross-cultural situations.

(Cross, Bazron, Dennis & Issacs, 1989)

The ability to work effectively with culturally diverse clients and communities.

(Randall David, 1994)

CONTRACTOR hereby agrees that it will comply with the principles and guidelines set forth in Monterey County's Health Department – Behavioral Health's Cultural Competency Policy (as outlined above), and will:

1. Develop organizational capacity to provide services in a culturally and linguistically competent manner. This may include: hiring staff with the linguistic capabilities needed to meet the diverse language needs in Monterey County (for example, Spanish, Tagalog, Vietnamese, Oaxacan, Trique, American Sign Language (ASL), Middle Eastern languages); providing staff with training in cultural competency; making services accessible at locations and times that minimize access barriers, and ensuring that staff have an open, welcoming and positive attitude and feel comfortable working with diverse cultures.

2. Create a physical environment that ensures people of all cultures, ages and sexual orientation feel welcome and cared for. This may include: decorating waiting and treatment areas with pictures that reflect the diverse cultures of Monterey County; providing reading materials, resources and magazines in varied languages, at appropriate

DocuSign Envelope ID: EA460DE4-DB58-4E5B-9B3F-240533F334A3

reading levels and suitable for different age groups, including children and youth; consideration of cultural differences and preferences when offering refreshments; ensuring that any pictures, symbols or materials on display are not unintentionally disrespectful to another culture.

3. Provide a services delivery environment that ensures people of all cultures, ages and sexual orientation feel welcome and cared for. This may include: respect for individual preferences for alternative, spiritual and/or holistic approaches to health; a reception staff that is competent in the different languages spoken by consumers/families; staff that is knowledgeable of cultural and ethnic differences and needs, and is able and willing to respond an appropriate and respectful manner.

4. Support the county's goal to reduce disparities to care by increasing access and retention while decreasing barriers to services by unserved and underserved communities.

5. Include the voice of multi-cultural youth, client and family members, including: monolingual and bilingual clients and family members and representatives from unserved and underserved communities, in the advisory/governance body or committee for development of service delivery, planning and evaluation (County Goal: 40%)

6. Participate in outcome evaluation activities aimed at assessing individual organizations as well as countywide cultural competency in providing mental health services.

7. As requested, meet with the Monterey County Health Department - Behavioral Health Director or designee to monitor progress and outcomes of the project.

8. Ensure that 100% of staff, over a 3 year period, participate in cultural competency training including, but not limited to, those offered by Monterey County Behavioral Health.

Dissemination of these Provisions. CONTRACTOR shall inform all its officers, employees, agents, and subcontractors providing services hereunder of these provisions.

By my signature below, as the authorized representative of the CONTRACTOR named below, I certify acceptance and understanding for myself and the CONTRACTOR of the above provisions.

EXHIBIT C: BUSINESS ASSOCIATE AGREEMENT

This Business Associate Agreement ("BAA") effective **July 1, 2023** ("Effective Date"), is entered into by and among between the County of Monterey, a political subdivision of the State of California, on behalf of the Health Department ("Covered Entity") and **Community Foundation for Monterey County** ("Business Associate") (each a "Party" and collectively the "Parties").

RECITALS

A. WHEREAS, Business Associate provides certain services for CoveredEntity that involve the Use and Disclosure of Protected Health Information ("PHI") that iscreated, received, transmitted, or maintained by Business Associate for or on behalf of Covered Entity.

B. WHEREAS, the Parties are committed to complying with the Health Insurance Portability and Accountability Act of 1996, as amended by the Health Information Technology for Economic and Clinical Health Act (the "HITECH Act"), andtheir implementing regulations, including the Standards for the Privacy of Individually Identifiable Health Information, 45 C.F.R. Part 160 and Part 164, subparts A and E (the "Privacy Rule"), the Breach Notification Standards, 45 C.F.R. Part 160 and 164 subparts A and D (the "Breach Notification Rule"), and the Security Standards for the Protection ofElectronic Protected Health Information, 45 C.F.R. Part 160 and Part 164, subparts A andC (the "Security Rule") (collectively "HIPAA"), all as amended from time to time.

C. WHEREAS, the Parties are also committed to complying with the California Confidentiality Laws (defined below).

D. WHEREAS, to the extent that Business Associate is performing activities in connection with covered accounts for or on behalf of Covered Entity, the Parties are also committed to complying with applicable requirements of the Red Flag Rules issued pursuant to the Fair and Accurate Credit Transactions Act of 2003 ("Red Flag Rules").

E. WHEREAS, the Privacy and Security Rules require Covered Entity and Business Associate to enter into a business associate agreement that meets certain requirements with respect to the Use and Disclosure of PHI. This BAA sets forth the termsand conditions pursuant to which PHI, and, when applicable, Electronic Protected Health Information ("EPHI") shall be handled, in accordance with such requirements.

NOW THEREFORE, in consideration of the mutual promises below and the exchange of information pursuant to this BAA, the Parties agree as follows:

DocuSign Envelope ID: EA460DE4-DB58-4E5B-9B3F-240533F334A3

AGREEMENT

1. DEFINITIONS

All capitalized terms used in this BAA but not otherwise defined shall have the meaning set forth in HIPAA.

(a) "Breach" shall have the same meaning as "breach" as defined in 45 C.F.R. § 164.402; however, the term "Breach" as used in this BAA shall also mean the unlawful or unauthorized access to, Use or Disclosure of a patient's "medical information"as defined under Cal. Civil Code § 56.05(j), for which notification is required pursuant to Cal. Health & Safety Code 1280.15, or a "breach of the security of the system" under Cal.Civil Code § 1798.29.

(b) "California Confidentiality Laws" shall mean the applicable laws ofthe State of California governing the confidentiality, privacy, or security of PHI or other personally identifiable information (PII), including, but not limited to, the California Confidentiality of Medical Information Act (Cal. Civil Code § 56 *et seq.*), the patient accesslaw (Cal. Health & Safety Code § 123100 *et seq.*), the HIV test result confidentiality law (Cal. Health & Safety Code § 120975 *et seq.*), the Lanterman-Petris-Short Act (Cal. Welf.& Inst. Code § 5328 *et seq.*), and California's data breach law (Cal. Civil Code § 1798.29).

(c) "Protected Health Information" or "PHI" shall mean any information, whether oral or recorded in any form or medium: (i) that relates to the past, present or future physical or mental condition of an individual; the provision of health careto an individual or the past, present or future payment for the provision of health care to anindividual; (ii) that identifies the individual or with respect to which there is a reasonable basis to believe the information that can be used to identify the individual, and (iii) is provided by Covered Entity to Business Associate or created, maintained, received, or transmitted by Business Associate on Covered Entity's behalf. PHI, when used in this BAA, includes EPHI.

(d) "Services" shall mean the services for or functions performed by Business Associate on behalf of Covered Entity pursuant to an underlying servicesagreement "(Services Agreement") between Covered Entity and Business Associate to which this BAA applies.

2. PERMITTED USES AND DISCLOSURES OF PHI

Unless otherwise limited herein, Business Associate may:

(a) Use or Disclose PHI to perform Services for, or on behalf of, Covered Entity, provided that such Use or Disclosure would not violate the Privacy or Security Rules, this BAA, or California Confidentiality Laws if done by Covered Entity;

(b) Use PHI to provide Data Aggregation Services for the Health Care

DocuSign Envelope ID: EA460DE4-DB58-4E5B-9B3F-240533F334A3

Operations of Covered Entity, if required by the Services Agreement and as permitted by 45 C.F.R. § 164.504(e)(2)(i)(B);

(c) Use PHI if necessary for the proper management and administrationof Business Associate or to carry out the legal responsibilities of Business Associate as permitted by 45 C.F.R. § 164.504(e)(4)(i);

(d) Disclose PHI for the proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate as permitted under 45 C.F.R. § 164.504(e)(4)(ii), provided that Disclosures are Required by Law, or Business Associate obtains reasonable assurances from the person to whom the information is Disclosed that it will remain confidential and be Used or further Disclosed only as Required by Law or for the purpose for which it was Disclosed to the person, and that such person will notify the Business Associate of any instances of which such personis aware that the confidentiality of the information has been breached; and

(e) Use PHI to report violations of law to appropriate Federal and stateauthorities, consistent with 45 C.F.R. § 164.502(j)(1).

3. RESPONSIBILITIES OF THE PARTIES WITH RESPECT TO PHI

3.1. Responsibilities of Business Associate. Business Associate shall:

(a) Notify the Privacy Officer of Covered Entity, in writing, of: (i) anyUse and/or Disclosure of the PHI that is not permitted by this BAA; (ii) any Security Incident of which Business Associate becomes aware; and (iii) any suspected Breach. Suchnotice shall be provided within five (5) business days of Business Associate's discovery ofsuch unauthorized access, acquisition, Use and/or Disclosure, Security Incident, or suspected Breach. Notwithstanding the foregoing, the Parties acknowledge the ongoing existence and occurrence of attempted but ineffective Security Incidents that are trivial in nature, such as pings and other broadcast service attacks, and unsuccessful log-in attempts.The Parties acknowledge and agree that this Section 3.1(a) constitutes notice by Business Associate to Covered Entity of such ineffective Security Incidents and no additional notification to Covered Entity of such ineffective Security Incidents is required, provided that no such Security Incident results in unauthorized access, acquisition, Use or Disclosure of PHI. For the avoidance of doubt, a ransomware attack shall not be considered an ineffective Security Incident and shall be reported to Covered Entity, irrespective of whether such Security Incident results in a Breach. Business Associate shall investigate each Security Incident or unauthorized access, acquisition, Use, or Disclosure of PHI, or suspected Breach that it discovers and shall provide a summary of its investigation to Covered Entity, upon request.

(i) If Business Associate or Covered Entity determines that such Security Incident or unauthorized access, acquisition, Use, or Disclosure, or suspected Breach constitutes a Breach, then Business Associate shall provide a supplemental writtenreport in accordance with 45 C.F.R. § 164.410(c), which shall include, to the extent possible, the identification of each individual whose PHI has been, or is reasonably believed by the Business

DocuSign Envelope ID: EA460DE4-DB58-4E5B-9B3F-240533F334A3

Associate to have been, accessed, acquired, Used or Disclosed during the Breach, to Covered Entity without unreasonable delay, but no later than five (5)business days after discovery of the Breach;

(ii) In consultation with Covered Entity, Business Associateshall promptly mitigate, to the extent practicable, any harmful effect that is known to the Business Associate of such improper access, acquisition, Use, or Disclosure, Security Incident, or Breach;

(iii) Covered Entity shall have sole control over the timing and method of providing notification of such Breach to the affected individual(s), the appropriate government agencies, and other persons required by law to be notified.Business Associate shall assist with any notifications, as requested by Covered Entity. Business Associate shall take prompt corrective action, including any action required by applicable State or federal laws and regulations relating to such Security Incident or non- permitted access, acquisition, Use, or Disclosure. Business Associate shall reimburse Covered Entity for its reasonable costs and expenses in providing notification to affected individuals, appropriate government agencies, and any other persons required by law to benotified (e.g., without limitation, the media or consumer reporting agencies), including, but not limited to, any administrative costs associated with providing notice, printing and mailing costs, public relations costs, attorney fees, and costs of mitigating the harm (whichmay include the costs of obtaining up to one (1) year of credit monitoring services and identity theft insurance) for affected individuals whose PHI or other PII has or may have been compromised as a result of the Breach;

(b) Implement appropriate administrative, physical, and technical safeguards and comply with the Security Rule and industry best practices to prevent Use and/or Disclosure of EPHI other than as provided for by this BAA;

(c) Obtain and maintain a written agreement with each of its Subcontractors that creates, receives, maintains, or transmits PHI that requires each such Subcontractor to adhere to restrictions and conditions that are at least as restrictive as thosethat apply to Business Associate pursuant to this BAA. Upon request, Business Associateshall provide Covered Entity with copies of its written agreements with such Subcontractors;

(d) Make available all internal practices, records, books, agreements, policies and procedures and PHI relating to the Use and/or Disclosure of PHI received from, created, maintained, or transmitted by Business Associate on behalf of Covered Entity to the Secretary of the Department of Health and Human Services ("Secretary") in a time and manner designated by the Secretary for purposes of determining Covered Entity's or Business Associate's compliance with HIPAA. Business Associate shall immediately notify Covered Entity of any such requests by the Secretary and, upon Covered Entity's request, provide Covered Entity with any copies of documents BusinessAssociate provided to the Secretary. In addition, Business Associate shall promptly makeavailable to Covered Entity such practices, records, books, agreements, policies andprocedures relating to the Use and Disclosure of PHI for purposes of determining whetherBusiness Associate has complied with this BAA or maintains adequate security safeguards,upon reasonable request by Covered Entity. The fact that Covered Entity

DocuSign Envelope ID: EA460DE4-DB58-4E5B-9B3F-240533F334A3

has the right to inspect, inspects, or fails to inspect Business Associate's internal practices, records, books,agreements, policies and procedures does not relieve Business Associate of its responsibility to comply with this BAA, regardless of whether Covered Entity detects or fails to detect a violation by Business Associate, nor does it constitute Covered Entity's acceptance of such practices or waiver of Covered Entity's rights under this BAA;

(e) Document Disclosures of PHI and information related to suchDisclosure and, within twenty (20) days of receiving a written request from Covered Entity, provide to Covered Entity such information as is requested by Covered Entity to permit Covered Entity to respond to a request by an individual for an accounting of the Disclosuresof the individual's PHI in accordance with 45 C.F.R. § 164.528 and the HITECH Act. Ata minimum, the Business Associate shall provide Covered Entity with the following information: (i) the date of the Disclosure; (ii) the name of the entity or person who received the PHI, and if known, the address of such entity or person; (iii) a brief descriptionof the PHI Disclosed; and (iv) a brief statement of the purpose of such Disclosure which includes an explanation of the basis for such Disclosure. In the event the request for an accounting is delivered directly to the Business Associate, the Business Associate shall, within ten (10) days, forward such request to Covered Entity. The Business Associate shallimplement an appropriate recordkeeping process to enable it to comply with the requirements of this Section;

(f) Subject to Section 4.4 below, return to Covered Entity in a mutually agreeable format and medium, or destroy, within thirty (30) days of the termination of thisBAA, the PHI in its possession and retain no copies, including backup copies;

(g) Use, Disclose to its Subcontractors or other third parties, and requestfrom Covered Entity, only the minimum PHI necessary to perform or fulfill a specific function required or permitted hereunder;

(h) If all or any portion of the PHI is maintained in a Designated Record Set:

(i) Upon ten (10) days' prior written request from Covered Entity, provide access to the PHI to Covered Entity, or to the individual, if so directed by Covered Entity, to meet a request by an individual under 45 C.F.R. § 164.524 or California Confidentiality Laws. Business Associate shall notify Covered Entity within five (5) daysof its receipt of a request for access to PHI from an individual; and

(ii) Upon ten (10) days' prior written request from Covered Entity, make any amendment(s) to the PHI that Covered Entity directs pursuant to 45 C.F.R. § 164.526. Business Associate shall notify Covered Entity within five (5) days ofits receipt of a request for amendment of PHI from an individual;

(i) If applicable, maintain policies and procedures to detect and prevent identity theft in connection with the provision of the Services, to the extent required to comply with the Red Flag Rules;

(j) To the extent that Business Associate carries out one or more of Covered

DocuSign Envelope ID: EA460DE4-DB58-4E5B-9B3F-240533F334A3

Entity's obligations under the Privacy Rule, Business Associate shall comply with the requirements of the Privacy Rule that apply to Covered Entity in the performance of such obligations;

(k) Unless prohibited by law, notify Covered Entity as soon as possibleand in no case later than five (5) days after the Business Associate's receipt of any request or subpoena for PHI. To the extent that Covered Entity decides to assume responsibility for challenging the validity of such request, the Business Associate shall cooperate fully with Covered Entity in such challenge; and

(l) Maintain policies and procedures materially in accordance with HIPAA and California Confidentiality Laws and industry standards designed to ensure the confidentiality, availability, and integrity of Covered Entity's data and protect against threats or vulnerabilities to such data.

3.2 Business Associate Acknowledgment.

(a) Business Associate acknowledges that, as between the Business Associate and Covered Entity, all PHI shall be and remain the sole property of Covered Entity.

(b) Business Associate is not permitted to Use PHI to create de- identified information except as approved in writing by Covered Entity.

(c) Business Associate further acknowledges that it is obligated by lawto comply, and represents and warrants that it shall comply, with HIPAA. Business Associate shall comply with all California Confidentiality Laws, to the extent that such state laws are not preempted by HIPAA.

(d) Business Associate further acknowledges that Uses and Disclosuresof PHI must be consistent with Covered Entity's privacy practices, as stated in Covered Entity's Notice of Privacy Practices. The current Notice of Privacy Practices can be retrieved online from the Covered Entity's webpage. Business Associate agrees to reviewthe Notice of Privacy Practices at this URL at least once annually while doing business with Covered Entity to ensure it remains updated on any changes to the Notice of PrivacyPractices Covered Entity may make.

3.3 Responsibilities of Covered Entity. Covered Entity shall notify Business Associate of any (i) changes in, or withdrawal of, the authorization of an individual regarding the Use or Disclosure of PHI provided to Covered Entity pursuant to 45 C.F.R. § 164.508, to the extent that such changes may affect Business Associate's Use or Disclosure of PHI; or (ii) restrictions on Use and/or Disclosure of PHI as provided for in 45 C.F.R. § 164.522 agreed to by Covered Entity, to the extent that such restriction may affect Business Associate's Use or Disclosure of PHI.

4. TERM AND TERMINATION

DocuSign Envelope ID: EA460DE4-DB58-4E5B-9B3F-240533F334A3

4.1 **Term**. This BAA shall become effective on the Effective Date and shall continue in effect until all of the PHI provided by Covered Entity to Business Associate, or created or received by Business Associate on behalf of Covered Entity, is destroyed or returned to Covered Entity, or if it is infeasible to return or destroy PHI, protections are extended to such PHI, in accordance with the termination provisions in Section 4.4. Certainprovisions and requirements of this BAA shall survive its expiration or other termination as set forth in Section 5 herein.

4.2 **Termination**. If Covered Entity determines in good faith that Business Associate has breached a material term of this BAA, Covered Entity may either: (i) immediately terminate this BAA and any underlying Services Agreement without penalty;or (ii) terminate this BAA and any underlying Services Agreement within thirty (30) daysof Business Associate's receipt of written notice of such breach, if the breach is not curedto the satisfaction of Covered Entity.

4.3 **Automatic Termination**. This BAA shall automatically terminate withoutany further action of the Parties upon the termination or expiration of all Services Agreements between Covered Entity and Business Associate that would necessitate havingthis BAA in place.

4.4 **Effect of Termination**. Upon termination or expiration of this BAA for any reason, Business Associate shall return or destroy all PHI pursuant to 45 C.F.R. § 164.504(e)(2)(ii)(J) if, and to the extent that, it is feasible to do so. Prior to returning or destroying the PHI, Business Associate shall recover any PHI in the possession of its Subcontractors. Business Associate shall certify in writing that all PHI has been returnedor securely destroyed, and no copies retained, upon Covered Entity's request. To the extentit is not feasible for Business Associate to return or destroy any portion of the PHI, BusinessAssociate shall notify Covered Entity in writing of the condition that makes return or destruction infeasible. If Covered Entity agrees that return or destruction of the PHI is infeasible, as determined in its sole discretion, Business Associate shall: (i) retain only thatPHI which is infeasible to return or destroy; (ii) return to Covered Entity the remaining PHI that the Business Associate maintains in any form; (iii) continue to extend the protections of this BAA to the PHI for as long as Business Associate retains PHI; (iv) limitfurther Uses and Disclosures of such PHI to those purposes that make the return or destruction of the PHI not feasible and subject to the same conditions as set out in Sections2 and 3 above, which applied prior to termination; and (v) return to Covered Entity the PHIretained by Business Associate when such return is no longer infeasible.

5. MISCELLANEOUS

5.1 **Survival**. The obligations of Business Associate under the provisions of Sections 3.1, 3.2, and 4.4 and Article 5 shall survive termination of this BAA until such time as all PHI is returned to Covered Entity or destroyed.

5.2 **Amendments; Waiver**. This BAA may not be modified or amended, except in a writing duly signed by authorized representatives of the Parties. To the extentthat any relevant provision of HIPAA or California Confidentiality Laws is materially amended in a manner that changes the obligations of the Parties, the Parties agree to negotiate in good faith appropriate amendment(s) to this BAA to give effect to the revisedobligations. Further, no provision of this

DocuSign Envelope ID: EA460DE4-DB58-4E5B-9B3F-240533F334A3

BAA shall be waived, except in a writing duly signed by authorized representatives of the Parties. A waiver with respect to one event shall not be construed as continuing, or as a bar to or waiver of any right or remedy as to subsequent events.

5.3 No Third Party Beneficiaries. Nothing express or implied in this BAA is intended to confer, nor shall anything herein confer, upon any person other than the Parties and the respective successors or assigns of the Parties, any rights, remedies, obligations, orliabilities whatsoever.

5.4 Notices. Any notices to be given hereunder to a Party shall be made via U.S. Mail or express courier to such Party's address given below, and/or via facsimile or email to the facsimile telephone numbers or email addresses listed below.

If to Business Associate, to:

Community Foundation for Monterey County
Attn: Dan Baldwin
2354 Garden Rd.
Monterey, CA 93940
(831) 375-9712 x115
Fax: (831) 375-4731
Email: danb@cfmco.org

If to Covered Entity, to:

County of Monterey Health Department
Attn: Compliance/Privacy Officer
1270 Natividad Road
Salinas, CA 93906
Phone: 831-755-4018
Fax: 831-755-4797
Email: sumeshwarsd@co.monterey.ca.us

Each Party named above may change its address and that of its representative by the giving of notice thereof in the manner hereinabove provided. Such notice is effective upon receipt of notice, but receipt is deemed to occur on next business day if notice is sentby FedEx or other overnight delivery service.

5.5 Counterparts; Facsimiles. This BAA may be executed in any number of counterparts, each of which shall be deemed an original. Facsimile and electronic copies hereof shall be deemed to be originals.

5.6 Relationship of Parties. Notwithstanding anything to the contrary in the Services Agreement, Business Associate is an independent contractor and not an agent of Covered Entity under this BAA. Business Associate has the sole right and obligation to supervise, manage, contract, direct, procure, perform, or cause to be performed all Business Associate obligations under this BAA.

DocuSign Envelope ID: EA460DE4-DB58-4E5B-9B3F-240533F334A3

5.7 Choice of Law; Interpretation. This BAA shall be governed by the lawsof the State of California. Any ambiguities in this BAA shall be resolved in a manner thatallows Covered Entity and Business Associate to comply with HIPAA and the California Confidentiality Laws.

5.8 Indemnification. Business Associate shall indemnify, defend, and hold harmless the County of Monterey (the "County"), its officers, agents, and employees fromany claim, liability, loss, injury, cost, expense, penalty or damage, including costs incurredby the County with respect to any investigation, enforcement proceeding, or third party action, arising out of, or in connection with, a violation of this BAA, HIPAA or CaliforniaConfidentiality Laws, or a Breach that is attributable to an act or omission of Business Associate and/or its agents, members, employees, or Subcontractors, excepting only loss, injury, cost, expense, penalty or damage caused by the negligence or willful misconduct ofpersonnel employed by the County. It is the intent of the Parties to provide the broadest possible indemnification for the County. This provision is in addition to, and independentof, any indemnification provision in any Services Agreement between the Parties.

5.9 Applicability of Terms. This BAA applies to all present and future Services Agreements and business associate relationships, written or unwritten, formal orinformal, in which Business Associate creates, receives, transmits, or maintains any PHI for or on behalf of Covered Entity in any form whatsoever. This BAA shall automaticallybe incorporated in all subsequent agreements between Business Associate and Covered Entity involving the Use or Disclosure of PHI whether or not specifically referenced therein. In the event of any conflict or inconsistency between a provision of this BAA anda provision of any other agreement between Business Associate and Covered Entity, the provision of this BAA shall control unless the provision in such other agreement establishes additional rights for Business Associate or additional duties for or restrictions on BusinessAssociate with respect to PHI, in which case the provision of such other agreement will control.

5.10 Insurance. In addition to any general and/or professional liability insurance required of Business Associate under the Services Agreement, Business Associate agrees to obtain and maintain, at its sole expense, liability insurance on an occurrence basis, covering any and all claims, liabilities, demands, damages, losses, costsexpenses, fines, and compliance costs arising from a breach of the obligations of BusinessAssociate, its officers, employees, agents and Subcontractors under this BAA. Without limiting the foregoing, at a minimum, Business Associate's required insurance under this Section shall include cyber liability insurance covering breach notification expenses, network security and privacy liability, with limits of not less than $10,000,000 per claim and in the aggregate. Such insurance coverage will be maintained for the term of this BAA,and a copy of such policy or a certificate evidencing the policy shall be provided to CoveredEntity at Covered Entity's request.

5.11 Legal Actions. Promptly, but no later than five (5) calendar days after notice thereof, Business Associate shall advise Covered Entity of any actual or potential action, proceeding, regulatory or governmental orders or actions, or any material threat thereof that

DocuSign Envelope ID: EA460DE4-DB58-4E5B-9B3F-240533F334A3

becomes known to it that may affect the interests of Covered Entity or jeopardize this BAA, and of any facts and circumstances that may be pertinent to the prosecution or defense of any such actual or potential legal action or proceeding, except to the extent prohibited by law. This includes, without limitation, any allegation that Business Associate has violated HIPAA or other federal or state privacy or security laws.

5.12 Audit or Investigations. Promptly, but no later than five (5) calendar days after notice thereof, Business Associate shall advise Covered Entity of any audit, compliance review, or complaint investigation by the Secretary or other state or federal agency related to compliance with HIPAA or the California Confidentiality Laws.

5.13 Assistance in Litigation or Administrative Proceedings. Business Associate shall make itself, and any Subcontractors, employees, or agents assisting Business Associate in the performance of its obligations under any Services Agreements, available to Covered Entity, at no cost to Covered Entity, to testify in any claim commenced against Covered Entity, its directors, officers, employees, successors, and assigns based upon claimed violation by Business Associate or its agents or subcontractors of HIPAA or other applicable law, except where Business Associate or its Subcontractor, employee, or agent is a named adverse party.

5.14 No Offshore Work. In performing the Services for, or on behalf of, Covered Entity, Business Associate shall not, and shall not permit any of its Subcontractors, to transmit or make available any PHI to any entity or individual outside the United States without the prior written consent of Covered Entity.

5.15 Information Blocking Rules. Business Associate shall not take any action, or refuse to take any action, with regard to Covered Entity's electronic health information that would result in "information blocking" as prohibited by 42 U.S.C. § 300jj-52 and 45 C.F.R. Part 171 (collectively, "Information Blocking Rules"). Business Associate and Covered Entity shall cooperate in good faith to ensure Covered Entity's electronic health information is accessed, exchanged, and used in compliance with the Information Blocking Rules.

IN WITNESS WHEREOF, each of the undersigned has caused this BAA to be duly executed in its name and on its behalf as of the Effective Date.

Board Report

Legistar File Number: A 23-583

Item No.43

Board of Supervisors
Chambers
168 W. Alisal St., 1st Floor
Salinas, CA 93901

January 09, 2024

Introduced: 12/19/2023

Current Status: Health Department - Consent

Version: 1

Matter Type: BoS Agreement

Approve and authorize the Director of Health Services or designee to execute a new Non-Standard Agreement between the County of Monterey and Community Foundation for Monterey County for the provision of community outreach, engagement and education for County of Monterey Behavioral Health Bureau's Mental Health Services Act (MHSA) Innovation and Prevention and Early Intervention (PEI) programming, for a maximum County obligation of $277,000 for the retroactive term of October 15, 2023 through June 30, 2024.

RECOMMENDATION:

It is recommended that the Board of Supervisors:
Approve and authorize the Director of Health Services or designee to execute a new Non-Standard Agreement between the County of Monterey and Community Foundation for Monterey County for the provision of community outreach, engagement and education for County of Monterey Behavioral Health Bureau's Mental Health Services Act (MHSA) Innovation and Prevention and Early Intervention (PEI) programming, for a maximum County obligation of $277,000 for the retroactive term of October 15, 2023 through June 30, 2024.

SUMMARY/DISCUSSION

On September 27, 2018, the County of Monterey Behavioral Health Bureau received approval from the Mental Health Services Oversight and Accountability Commission (MHSOAC) for the "Screening to Timely Access" MHSA Innovation Plan. This Innovation Plan aims to increase access to mental health services by underserved populations. This agreement with Community Foundation for Monterey County will leverage their Community Health Worker program to reach underserved populations throughout the county, providing access to the WellScreen Monterey mental health screening and referral tool developed as part of the "Screening to Timely Access" plan. Furthermore, this agreement will utilize associated MHSA Innovation funding that may be subject to reversion to the State if not fully expended before December 31, 2023.

Additionally, in FY 2023-24, MHSA PEI revenues are higher than budgeted and this agency has capacity to utilize MHSA PEI funding to promote and make referrals to MHSA PEI funded programming offered through the County of Monterey.

The Director of Health Services recommends the approval of this nonstandard agreement and its nonstandard terms, including the waiving of the County's standard indemnification language. The Office of County Counsel and Risk-Management do not approve the waiving of this provision; however, the Department of Health is willing to bear the potential risks.

DocuSign Envelope ID: 02825C73-02DF-491D-83F8-D237AE986FBB

This work supports the Monterey County Health Department 2018-2024 Strategic Plan Goal(s): 3) Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports one of the ten essential public health services, specifically: 7) Link people to needed personal health services and assure the provision of health care when otherwise unavailable.

This agreement is late in being presented to your Board due to the need for allocating MHSA Innovation funds for expenditure prior to December 31, 2023 to avoid reversion to the State.

OTHER AGENCY INVOLVEMENT:
The Office of the County Counsel and Auditor-Controller have reviewed and approved this Agreement as to legal form and fiscal provisions, respectively.

FINANCING:
This Agreement is funded by MHSA INN and PEI Funds. The funds for this Agreement for FY2023-24 ($277,000) are included in the Health Department's Behavioral Health (HEA012, Unit 8410) Fiscal Year 2023-24 Adopted Budget.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
Check the related Board of Supervisors Strategic Initiatives:

☐ Economic Development:
- Through collaboration, strengthen economic development to ensure a diversified and healthy economy.

☐ Administration:
- Promote an organization that practices efficient and effective resource management and is recognized for responsiveness, strong customer orientation, accountability and transparency.

☒ Health & Human Services:
- Improve health and quality of life through County supported policies, programs, and services; promoting access to equitable opportunities for healthy choices and healthy environments in collaboration with communities.

☐ Infrastructure:
- Plan and develop a sustainable, physical infrastructure that improves the quality of life for County residents and supports economic development results.

☐ Public Safety:
- Create a safe environment for people to achieve their potential, leading businesses and communities to thrive and grow by reducing violent crimes as well as crimes in general.

Version: 1

Matter Type: BoS Agreement

a. Approve and authorize the Director of Health Services or designee to execute a five-year agreement with the Epicenter to provide county-wide art as healing classes to selected at-risk high school students and to collaborate with high school wellness centers throughout Monterey County for the term upon execution through April 30, 2028, for a total Agreement amount not to exceed $410,850; and
b. Approve and authorize the Director of Health Services or designee to sign up to three future amendments where the combined amendments do not exceed 10% ($41,085) of the original amount and do not significantly change the scope of work, total not to exceed maximum of $451,935.

RECOMMENDATION:

It is recommended that the County of Monterey Board of Supervisors:
a. Approve and authorize the Director of Health Services or designee to execute a five-year agreement with the Epicenter to provide county-wide art as healing classes to selected at-risk high school students and to collaborate with high school wellness centers throughout Monterey County for the term upon execution through April 30, 2028, for a total Agreement amount not to exceed $410,850; and
b. Approve and authorize the Director of Health Services or designee to sign up to three future amendments where the combined amendments do not exceed 10% ($41,085) of the original amount and do not significantly change the scope of work, total not to exceed maximum of $451,935.

SUMMARY/DISCUSSION:

The County of Monterey Health Department Public Health Bureau's Cannabis Education Program (Cannabis Education Program) is an awardee of the Board of State and Community Corrections (BSCC) Proposition 64 Public Health and Safety Grant Program Cohort 3 funding. The project titled Monterey County Art and Education Go Together was submitted to the State in 2022 and will provide funds to enhance public health and safety efforts associated with illicit and youth cannabis use. BSCC grant funds provide capacity for the Cannabis Education Program to collaborate with Epicenter to offer at risk youth art programing, referred to as art as health classes, to heal personal and community trauma.

Epicenter is a 501c3 organization founded in 2014 by a group of young adults from the Salinas community to empower at-risk and system involved youth. Over the past eight years, Epicenter has expanded to include supportive services for LGBTQ+, foster, and unhoused youth. Services include drug and alcohol education, and food pantry and teen closet to provide food and clothing to youth in need.

DocuSign Envelope ID: DC50467F-3102-4068-9FA6-EC0842BAA6D6

The proposed art as healing classes will expand Epicenter's existing services and provide students an expressive non-verbal outlet to challenging conversations that are not limited by words as a way to describe their emotions and increase resiliency. Developing proficiency in music, arts, or dance can help promote feelings of self-efficacy and identity - both of which are indicated in the prevention of mental health and substance use disorders. According to 2021 data from the Centers for Disease Control and Prevention, more than a third (37%) of high school students reported experiencing poor mental health during the COVID-19 pandemic, and 44 percent reported feeling persistently sad or hopeless during the past year.

This agreement supports a public health prevention approach to serve at-risk high school students by offering small group art classes that create a safe space to bridge art and emotional healing. Epicenter staff will collaborate with high school wellness centers to gather referrals for youth who would benefit from small pro-social nonjudgmental group art classes. The teaching model will include art classes facilitated by Epicenter staff and a master's in social work intern reaching approximately 200-300 high school students annually (1,000 to 1,000 students over five years). Art classes will be provided throughout the County.

This work supports the County of Monterey Health Department 2018-2024 Strategic Plan Goals: 1. Empower the community to improve health; and 2. Enhance community health and safety through prevention. It also supports one of the ten essential public health services, specifically: 3. Communicate effectively to inform and educate people about health, factors that influence it, and how to improve it.

OTHER AGENCY INVOLVEMENT:
County Counsel has reviewed and approved this Agreement as to legal form. Auditor-Controller has reviewed and approved this Agreement as to fiscal provisions.

FINANCING:
This Agreement is funded 100% by the Proposition 64 grant from the State of California, Board of State and Community Corrections (BSCC). Appropriations for this Agreement are or will be included in the Health Department's budget for FY 2023-24 through FY 2027-28 (001-4000-8124-HEA003).

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
Check the related Board of Supervisors Strategic Initiatives:

☐ Economic Development:
- Through collaboration, strengthen economic development to ensure a diversified and healthy economy.

☐ Administration:
- Promote an organization that practices efficient and effective resource management and is recognized for responsiveness, strong customer orientation, accountability, and transparency.

☒ Health & Human Services:
- Improve health and quality of life through County supported policies, programs, and services, promoting access to equitable opportunities for healthy choices and healthy environments in

COUNTY OF MONTEREY STANDARD AGREEMENT

This **Agreement** is made by and between the County of Monterey, a political subdivision of the State of California (hereinafter "County") and:

The University Corporation, San Francisco State (dba Family Acceptance Project),

(hereinafter "CONTRACTOR").

In consideration of the mutual covenants and conditions set forth in this Agreement, the parties agree as follows:

1.0 GENERAL DESCRIPTION:

The County hereby engages CONTRACTOR to perform, and CONTRACTOR hereby agrees to perform, the services described in **Exhibit A** in conformity with the terms of this Agreement. The goods and/or services are generally described as follows:

Provide: Culturally attuned trainings, consultation and material supports for the "Rainbow Connections" Mental Health Services Act Innovation Project

2.0 PAYMENT PROVISIONS:

County shall pay the CONTRACTOR in accordance with the payment provisions set forth in **Exhibit A**, subject to the limitations set forth in this Agreement. The total amount payable by County to CONTRACTOR under this Agreement shall not exceed the sum of: $549,125

3.0 TERM OF AGREEMENT:

3.01 The term of this Agreement is from January 1, 2024 **to** June 30, 2025, unless sooner terminated pursuant to the terms of this Agreement. This Agreement is of no force or effect until signed by both CONTRACTOR and County and with County signing last, and **CONTRACTOR may not commence work before County signs this Agreement**.

3.02 The County reserves the right to cancel this Agreement, or any extension of this Agreement, without cause, with a thirty day (30) written notice, or with cause immediately.

4.0 SCOPE OF SERVICES AND ADDITIONAL PROVISIONS:

The following attached exhibits are incorporated herein by reference and constitute a part of this Agreement:

Exhibit A Scope of Services/Payment Provisions

Exhibit B Other: EXHIBIT B: ASSURANCE OF COMPLIANCE WITH MONTEREY COUNTY'S CULTURAL COMPETENCY POLICY
EXHIBIT C: BUSINESS ASSOCIATE AGREEMENT
EXHIBIT D: COST REIMBURSMENT FORM

DocuSign Envelope ID: 845EEDF2-B74A-4B0B-81E8-AABD2188BF69

5.0 PERFORMANCE STANDARDS:

5.01 CONTRACTOR warrants that CONTRACTOR and CONTRACTOR's agents, employees, and subcontractors performing services under this Agreement are specially trained, experienced, competent, and appropriately licensed to perform the work and deliver the services required under this Agreement and are not employees of the County, or immediate family of an employee of the County.

5.02 CONTRACTOR, its agents, employees, and subcontractors shall perform all work in a safe and skillful manner and in compliance with all applicable laws and regulations. All work performed under this Agreement that is required by law to be performed or supervised by licensed personnel shall be performed in accordance with such licensing requirements.

5.03 CONTRACTOR shall furnish, at its own expense, all materials, equipment, and personnel necessary to carry out the terms of this Agreement, except as otherwise specified in this Agreement. CONTRACTOR shall not use County premises, property (including equipment, instruments, or supplies) or personnel for any purpose other than in the performance of its obligations under this Agreement.

6.0 PAYMENT CONDITIONS:

6.01 Prices shall remain firm for the initial term of the Agreement and, thereafter, may be adjusted annually as provided in this paragraph. The County does not guarantee any minimum or maximum amount of dollars to be spent under this Agreement.

6.02 Negotiations for rate changes shall be commenced, by CONTRACTOR, a minimum of ninety days (90) prior to the expiration of the Agreement. Rate changes are not binding unless mutually agreed upon in writing by the County and the CONTRACTOR.

6.03 Invoice amounts shall be billed directly to the ordering department.

6.04 CONTRACTOR shall submit such invoice periodically or at the completion of services, but in any event, not later than 30 days after completion of services. The invoice shall set forth the amounts claimed by CONTRACTOR for the previous period, together with an itemized basis for the amounts claimed, and such other information pertinent to the invoice. The County shall certify the invoice, either in the requested amount or in such other amount as the County approves in conformity with this Agreement and shall promptly submit such invoice to the County Auditor-Controller for payment. The County Auditor-Controller shall pay the amount certified within 30 days of receiving the certified invoice.

7.0 TERMINATION:

7.01 During the term of this Agreement, the County may terminate the Agreement for any reason by giving written notice of termination to the CONTRACTOR at least thirty (30) days prior to the effective date of termination. Such notice shall set forth the effective date of termination. In the event of such termination, the amount payable under this Agreement shall be reduced in proportion to the services provided prior to the date of termination.

DocuSign Envelope ID: 845EEDF2-B74A-4B0B-81E8-AABD2188BF69

7.02 The County may cancel and terminate this Agreement for good cause effective immediately upon written notice to CONTRACTOR. "Good cause" includes the failure of CONTRACTOR to perform the required services at the time and in the manner provided under this Agreement. If County terminates this Agreement for good cause, the County may be relieved of the payment of any consideration to CONTRACTOR, and the County may proceed with the work in any manner, which County deems proper. The cost to the County shall be deducted from any sum due the CONTRACTOR under this Agreement.

7.03 The County's payments to CONTRACTOR under this Agreement are funded by local, state and federal governments. If funds from local, state and federal sources are not obtained and continued at a level sufficient to allow for the County's purchase of the indicated quantity of services, then the County may give written notice of this fact to CONTRACTOR, and the obligations of the parties under this Agreement shall terminate immediately, or on such date thereafter, as the County may specify in its notice, unless in the meanwhile the parties enter into a written amendment modifying this Agreement.

8.0 INDEMNIFICATION:

CONTRACTOR shall indemnify, defend, and hold harmless the County, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with the CONTRACTOR's performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of the County. "CONTRACTOR's performance" includes CONTRACTOR's action or inaction and the action or inaction of CONTRACTOR's officers, employees, agents and subcontractors.

9.0 INSURANCE REQUIREMENTS:

9.01 **Evidence of Coverage:** Prior to commencement of this Agreement, the Contractor shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor upon request shall provide a certified copy of the policy or policies.

This verification of coverage shall be sent to the County's Contracts/Purchasing Department, unless otherwise directed. The Contractor shall not receive a "Notice to Proceed" with the work under this Agreement until it has obtained all insurance required and the County has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the Contractor.

9.02 **Qualifying Insurers:** All coverage's, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A- VII, according to the current Best's Key Rating Guide or a company of equal financial stability that is approved by the County's Purchasing Manager.

DocuSign Envelope ID: 845EEDF2-B74A-4B0B-81E8-AABD2188BF69

9.03 **Insurance Coverage Requirements:** Without limiting CONTRACTOR's duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

Commercial General Liability Insurance: including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than $1,000,000 per occurrence.
(Note: any proposed modifications to these general liability insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Requestor must check the appropriate Automobile Insurance Threshold:
Requestor must check the appropriate box.

☐ **Agreement Under $100,000 Business Automobile Liability Insurance**: covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than $500,000 per occurrence.

☑ **Agreement Over $100,000 Business Automobile Liability Insurance**: covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit or Bodily Injury and Property Damage of not less than $1,000,000 per occurrence.

(Note: any proposed modifications to these auto insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Workers' Compensation Insurance: if CONTRACTOR employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's Liability limits not less than $1,000,000 each person, $1,000,000 each accident and $1,000,000 each disease.
(Note: any proposed modifications to these workers' compensation insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

Professional Liability Insurance: if required for the professional services being provided, (e.g., those persons authorized by a license to engage in a business or profession regulated by the California Business and Professions Code), in the amount of not less than $1,000,000 per claim and $2,000,000 in the aggregate, to cover liability for malpractice or errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail

DocuSign Envelope ID: 845EEDF2-B74A-4B0B-81E8-AABD2188BF69

coverage shall continue for at least three years following the expiration or earlier termination of this Agreement.

(Note: any proposed modifications to these insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)

9.04 Other Requirements:

All insurance required by this Agreement shall be with a company acceptable to the County and issued and executed by an admitted insurer authorized to transact Insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the County shall be given notice in writing at least thirty days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor and additional insureds with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the CONTRACTOR'S work, including ongoing and completed operations, **and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the CONTRACTOR'S insurance.** The required endorsement form for Commercial General Liability Additional Insured is ISO Form CG 20 10 11-85 or CG 20 10 10 01 in tandem with CG 20 37 10 01 (2000). The required endorsement form for Automobile Additional Insured endorsement is ISO Form CA 20 48 02 99.

Prior to the execution of this Agreement by the County, CONTRACTOR shall file certificates of insurance with the County's contract administrator and County's Contracts/Purchasing Division, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect. CONTRACTOR shall always during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of

DocuSign Envelope ID: 845EEDF2-B74A-4B0B-81E8-AABD2188BF69

this Agreement, which entitles County, at its sole discretion, to terminate this Agreement immediately.

10.0 RECORDS AND CONFIDENTIALITY:

10.1 **Confidentiality:** CONTRACTOR and its officers, employees, agents, and subcontractors shall comply with any and all federal, state, and local laws, which provide for the confidentiality of records and other information. CONTRACTOR shall not disclose any confidential records or other confidential information received from the County or prepared in connection with the performance of this Agreement, unless County specifically permits CONTRACTOR to disclose such records or information. CONTRACTOR shall promptly transmit to County any and all requests for disclosure of any such confidential records or information. CONTRACTOR shall not use any confidential information gained by CONTRACTOR in the performance of this Agreement except for the sole purpose of carrying out CONTRACTOR's obligations under this Agreement.

10.2 **County Records:** When this Agreement expires or terminates, CONTRACTOR shall return to County any County records which CONTRACTOR used or received from County to perform services under this Agreement.

10.3 **Maintenance of Records:** CONTRACTOR shall prepare, maintain, and preserve all reports and records that may be required by federal, state, and County rules and regulations related to services performed under this Agreement. CONTRACTOR shall maintain such records for a period of at least three years after receipt of final payment under this Agreement. If any litigation, claim, negotiation, audit exception, or other action relating to this Agreement is pending at the end of the three-year period, then CONTRACTOR shall retain said records until such action is resolved.

10.4 **Access to and Audit of Records:** The County shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the CONTRACTOR and its subcontractors related to services provided under this Agreement. Pursuant to Government Code section 8546.7, if this Agreement involves the expenditure of public funds in excess of $10,000, the parties to this Agreement may be subject, at the request of the County or as part of any audit of the County, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three years after final payment under the Agreement.

10.5 **Royalties and Inventions:** County shall have a royalty-free, exclusive and irrevocable license to reproduce, publish, and use, and authorize others to do so, all original computer programs, writings, sound recordings, pictorial reproductions, drawings, and other works of similar nature produced in the course of or under this Agreement. CONTRACTOR shall not publish any such material without the prior written approval of County.

11.0 NON-DISCRIMINATION:

11.1 During the performance of this Agreement, CONTRACTOR, and its subcontractors, shall not unlawfully discriminate against any person because of race, religious creed, color, sex, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age (over 40), sexual orientation, or any other characteristic set forth in California Government code § 12940(a), either in CONTRACTOR's employment practices or in the furnishing of services to recipients. CONTRACTOR shall ensure that the evaluation and

DocuSign Envelope ID: 845EEDF2-B74A-4B0B-81E8-AABD2188BF69

treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. CONTRACTOR and any subcontractor shall, in the performance of this Agreement, fully comply with all federal, state, and local laws and regulations which prohibit discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be prohibited discrimination.

12.0 COMPLIANCE WITH TERMS OF STATE OR FEDERAL GRANTS:

If this Agreement has been or will be funded with monies received by the County pursuant to a contract with the state or federal government in which the County is the grantee, CONTRACTOR will comply with all the provisions of said contract, to the extent applicable to CONTRACTOR as a subgrantee under said contract, and said provisions shall be deemed a part of this Agreement, as though fully set forth herein. Upon request, County will deliver a copy of said contract to CONTRACTOR, at no cost to CONTRACTOR.

13.0 COMPLIANCE WITH APPLICABLE LAWS:

13.1 CONTRACTOR shall keep itself informed of and in compliance with all federal, state, and local laws, ordinances, regulations, and orders, including but not limited to all state and federal tax laws that may affect in any manner the Project or the performance of the Services or those engaged to perform Services under this AGREEMENT as well as any privacy laws including, if applicable, HIPAA. CONTRACTOR shall procure all permits and licenses, pay all charges and fees, and give all notices require by law in the performance of the Services.

13.2 CONTRACTOR shall report immediately to County's Contracts/Purchasing Officer, in writing, any discrepancy or inconsistency it discovers in the laws, ordinances, regulations, orders, and/or guidelines in relation to the Project of the performance of the Services.

13.3 All documentation prepared by CONTRACTOR shall provide for a completed project that conforms to all applicable codes, rules, regulations, and guidelines that are in force at the time such documentation is prepared.

14.0 INDEPENDENT CONTRACTOR:

In the performance of work, duties, and obligations under this Agreement, CONTRACTOR is always acting and performing as an independent contractor and not as an employee of the County. No offer or obligation of permanent employment with the County or County department or agency is intended in any manner, and CONTRACTOR shall not become entitled by virtue of this Agreement to receive from County any form of employee benefits including but not limited to sick leave, vacation, retirement benefits, workers' compensation coverage, insurance or disability benefits. CONTRACTOR shall be solely liable for and obligated to pay directly all applicable taxes, including federal and state income taxes and social security, arising out of CONTRACTOR's performance of this Agreement. In connection therewith, CONTRACTOR shall defend, indemnify, and hold County harmless from any and all liability which County may incur because of CONTRACTOR's failure to pay such taxes.

DocuSign Envelope ID: 845EEDF2-B74A-4B0B-81E8-AABD2188BF69

15.0 NOTICES:

Notices required under this Agreement shall be delivered personally or by first-class, postage pre-paid mail to the County and CONTRACTOR'S contract administrators at the addresses listed below:

16.0 MISCELLANEOUS PROVISIONS.

16.01 **Conflict of Interest:** CONTRACTOR represents that it presently has no interest and agrees not to acquire any interest during the term of this Agreement, which would directly, or indirectly conflict in any manner or to any degree with the full and complete performance of the services required to be rendered under this Agreement.

16.02 **Amendment:** This Agreement may be amended or modified only by an instrument in writing signed by the County and the CONTRACTOR.

16.03 **Waiver:** Any waiver of any terms and conditions of this Agreement must be in writing and signed by the County and the CONTRACTOR. A waiver of any of the terms and conditions of this Agreement shall not be construed as a waiver of any other terms or conditions in this Agreement.

16.04 **Contractor:** The term "CONTRACTOR" as used in this Agreement includes CONTRACTOR's officers, agents, and employees acting on CONTRACTOR's behalf in the performance of this Agreement.

16.05 **Disputes:** CONTRACTOR shall continue to perform under this Agreement during any dispute.

16.06 **Assignment and Subcontracting:** The CONTRACTOR shall not assign, sell, or otherwise transfer its interest or obligations in this Agreement without the prior written consent of the County. None of the services covered by this Agreement shall be subcontracted without the prior written approval of the County. Notwithstanding any such subcontract, CONTRACTOR shall continue to be liable for the performance of all requirements of this Agreement.

DocuSign Envelope ID: 845EEDF2-B74A-4B0B-81E8-AABD2188BF69

16.07 **Successors and Assigns:** This Agreement and the rights, privileges, duties, and obligations of the County and CONTRACTOR under this Agreement, to the extent assignable or delegable, shall be binding upon and inure to the benefit of the parties and their respective successors, permitted assigns, and heirs.

16.08 **Headings:** The headings are for convenience only and shall not be used to interpret the terms of this Agreement.

16.09 **Time is of the Essence:** Time is of the essence in each and all of the provisions of this Agreement.

16.10 **Governing Law:** This Agreement shall be governed by and interpreted under the laws of the State of California; venue shall be Monterey County.

16.11 **Non-exclusive Agreement:** This Agreement is non-exclusive and both County and CONTRACTOR expressly reserve the right to contract with other entities for the same or similar services.

16.12 **Construction of Agreement:** The County and CONTRACTOR agree that each party has fully participated in the review and revision of this Agreement and that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Agreement or any amendment to this Agreement.

16.13 **Counterparts:** This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same Agreement.

16.14 **Authority:** Any individual executing this Agreement on behalf of the County or the CONTRACTOR represents and warrants hereby that he or she has the requisite authority to enter into this Agreement on behalf of such party and bind the party to the terms and conditions of this Agreement.

16.15 **Integration:** This Agreement, including the exhibits, represent the entire Agreement between the County and the CONTRACTOR with respect to the subject matter of this Agreement and shall supersede all prior negotiations, representations, or agreements, either written or oral, between the County and the CONTRACTOR as of the effective date of this Agreement, which is the date that the County signs the Agreement.

16.16 **Interpretation of Conflicting Provisions:** In the event of any conflict or inconsistency between the provisions of this Agreement and the Provisions of any exhibit or other attachment to this Agreement, the provisions of this Agreement shall prevail and control.

17.0 CONSENT TO USE OF ELECTRONIC SIGNATURES.

17.1 The parties to this Agreement consent to the use of electronic signatures via DocuSign to execute this Agreement. The parties understand and agree that the legality of electronic signatures is governed by state and federal law, 15 U.S.C. Section 7001 et seq.; California Government Code Section 16.5; and, California Civil Code Section 1633.1 *et. seq.* Pursuant to said state and federal law as may be amended from time to time, the parties to this Agreement hereby authenticate and execute this Agreement, and any and all Exhibits to this

DocuSign Envelope ID: 845EEDF2-B74A-4B0B-81E8-AABD2188BF69

Agreement, with their respective electronic signatures, including any and all scanned signatures in portable document format (PDF).

17.2 **Counterparts.**

The parties to this Agreement understand and agree that this Agreement can be executed in two (2) or more counterparts and transmitted electronically via facsimile transmission or by delivery of a scanned counterpart in portable document format (PDF) via email transmittal.

17.3 **Form: Delivery by E-Mail or Facsimile.**

Executed counterparts of this Agreement may be delivered by facsimile transmission or by delivery of a scanned counterpart in portable document format (PDF) by e-mail transmittal, in either case with delivery confirmed. On such confirmed delivery, the signatures in the facsimile or PDF data file shall be deemed to have the same force and effect as if the manually signed counterpart or counterparts had been delivered to the other party in person.

I. IDENTIFICATION OF PROVIDER

The University Corporation, San Francisco State (dba Family Acceptance Project)
Incorporation Status: Non-profit Corporation
Address: 1600 Holloway Ave., San Francisco, CA 94132
Phone Number: (415) 405-3976
Email: fap@sfsu.edu

II. PROGRAM GOALS

The goal of this program is to build capacity for parents, caregivers, families and service providers responsible for caring for LGBTQ youth, to understand and affirmatively respond to the complex issues that LGBTQ youth experience and provide culturally responsive services and supports. The intended results are to increase family functioning and connectedness, reduce risk and achieve positive mental health outcomes of LGTBQ youth, and promote interagency collaboration for linkage and referrals that will establish an LGBTQ Network of Affirming Care in Monterey County.

III. PROGRAM NARRATIVE

On June 27, 2023, the COUNTY was approved for the Mental Health Services Act (MHSA) Innovation Plan titled "Rainbow Connections". The Rainbow Connections Innovation Plan has the goal of increasing access to services for unserved and underserved populations (i.e. LGBTQ youth and their families) and promoting interagency collaboration to result in improved outcomes. The Family Acceptance Project from San Francisco State University was included in the approved funding plan to provide training and technical assistance to various stakeholders in Monterey County as a critical component in the training offerings provided in the Rainbow Connections program. Family Acceptance Project was selected to be one of several participating vendors to support the Rainbow Connections Innovation Plan based on their expertise and experience in cultivating understanding and support for LGBTQ youth and their families.

IV. SCOPE OF SERVICES AND TIMELINE

CONTRACTOR shall support Program Goals by completing the following activities and deliverables:

Table 1. Scope of Services and Timeline

Project Activity/Task/Deliverable	Anticipated Dates
Activity 1: Culturally Responsive Family / Community – Member Trainings Family Acceptance Project will provide a series of virtual trainings and offer subsequent technical assistance to support the family members, community members, and professionals who are responsible for the care of LGBTQ youth. COUNTY maintains responsibility for executing the promotions for trainings and registering participants. This training series to be provided by Family Acceptance Project includes: **a. FAP General Training for Providers, Caregivers, and Community Members**: This is a 6-hour general training of FAP information with specific content on family dynamics and culture, knowledge of sexual orientation and gender identity and reactions to their LGBTQ child and targeted psychoeducation to decrease family rejection and increase affirmation and support. **b. FAP-Trauma Focused Cognitive Behavioral Therapy (TF-CBT) Integrated Model Training for Mental Health Practitioners**: This 9-hour training for mental health professionals covers and expands upon the general FAP content with the inclusion of family and LGBTQ content within the TF-CBT model. **c. FAP School Training:** This 4-hour training is provided to school staff. The training promotes school safety, support and wellness for LGBTQ students, and importance of family acceptance. **d. LGBTQ Youth Training**: This 2-hour training is provided to youth in either community or school settings. It will share information on how family rejecting and accepting behaviors impact the youth's health risks, self-esteem, sense of the future and well-being. It also covers how parents and caregivers learn to support their LGBTQ children, with guidance on increasing family support and access to resources and connecting youth with county services. **e. FAP Training for Faith-Based Leaders**: This 2-hour training for clergy and faith-based leaders covers general FAP content with a focus on religious beliefs and values.	January 2024-June 2025
Task 1.1: Provide FAP trainings for each of the following stakeholder groups: • General Population / Community Members • Mental Health Providers • School Staff • LGBTQ Youth • Religious Leaders ***Deliverable: Facilitation of each virtual training or workshop***	January 2024 – June 2025

DocuSign Envelope ID: 845EEDF2-B74A-4B0B-81E8-AABD2188BF69

Task 1.2: Consultation and technical assistance to help training recipients and others to provide family support services across practice areas. ***Deliverable: Provision of technical assistance service hours (Hourly billing; service report to accompany invoice)***	
<u>Activity 2: Partners for Peace / Family Support Partner Training, Coaching and Consultation</u> Family Acceptance Project shall work with Partners for Peace to develop and train the Rainbow Connections Family Support position in FAP family support strategies, resources, and intervention model with diverse families, foster families and caregivers to decrease their LGBTQ children's risk and to promote their well-being. Family Acceptance Project shall also work in a variety of capacities (training, coaching, consultation, media and outreach) to support Partners for Peace staff and program facilitators, enhance existing Partners for Peace program curriculums, and assist in the development of new family support group content.	January 2024-June 2025
Task 2.1: Provide 24hours of training with the Partners for Peace Family Support Partner in Family Acceptance Project family support strategies and resources. ***Deliverable: Completed basic training of the Family Support Partner***	January 2024 – June 2024
Task 2.2: Provide 4-hour group trainings for Partners for Peace program facilitators in Family Acceptance project curriculum and resources. ***Deliverable: Completed group training of Partners for Peace program facilitators***	January 2024 – June 2025
Task 2.3: Provide technical assistance to Partners for Peace Family Support Partner and Partners for Peace program facilitators and project team, as needed, to build capacity and address and respond to challenges in working with families, promote FAP messaging and materials, do recruitment and outreach to the community about family support, including media messaging, and fulfill other implementation objectives. ***Deliverable: Provision of technical assistance service hours (Hourly billing; service report to accompany invoice)***	January 2024 – June 2025
Task 2.4: Work in collaboration with Partners for Peace to integrate key FAP research and educational content into Partners for Peace courses (i.e. Parent Project Senior, Parent Project Junior, Familia Adelante, etc.), with the goal of modifying one course per year. ***Deliverable: Integrate FAP-oriented curriculum into ~~to~~ Partners for Peace course material (Hourly billing; service report to accompany invoice)***	January 2024 – June 2025

DocuSign Envelope ID: 845EEDF2-B74A-4B0B-81E8-AABD2188BF69

Task 2.5: Work in collaboration with Partners for Peace to develop a new LGBTQ-affirming parent education and family support group. The new support group is to be piloted by the Partners for Peace Family Support Partner. Development of the support group content shall include, but not be limited to, the following components: • Group participation guidelines • Discussion prompts and resources • Facilitator instructions and tools ***Deliverable: Collaboration and material contributions for LGBTQ-affirming parent education and family support group content (Hourly billing; service report to accompany invoice)***	January 2024 – June 2025
Activity 3: Rainbow Connections Educational Materials and Outreach Support Family Acceptance Project shall produce, modify and/or supply Rainbow Connections partners with various FAP educational materials to aid in fulfilling the learning goals of the Rainbow Connections Innovation Plan.	January 2024-June 2025
Task 3.1: Supply COUNTY with FAP family education booklets. COUNTY shall cover purchase, print and shipping of materials. COUNTY shall be responsible for distribution of booklets to sites. ***Deliverable: Delivery of FAP family education booklets***	January 2024 – June 2024
Task 3.2: Produce Spanish-language voiceovers and subtitles for the FAP Latino family education video to be utilized in Rainbow Connection program activities. ***Deliverable: Completion of voiceover and subtitles for FAP Latino family education video***	January 2024 – June 2024
Activity 4: Meetings and Coordination Supports Family Acceptance Project will participate in regularly occurring and ad-hoc meetings with County staff and project partners to discuss progress and/or implementation strategy associated with all activities and tasks, and problem-solve any challenges or barriers. Includes agenda preparation and/or meeting follow-up documentation or coordination activities as needed. Associated meetings and coordination supports may include, but are not limited to: • Monthly or bi-monthly check-in meetings with County program staff • Ad-hoc meetings with County and/or Partners for Peace, and provision of written materials, to advertise and promote training events • Ad-hoc meetings with County staff and/or Partners for Peace to strategize Healthy Futures poster distribution • Monthly check-in meetings with Partners for Peace • Ad-hoc meetings with principal Innovation Plan Evaluator (Evalcorp)	January 2024-June 2025
Activity 5: Contingency Projects and Services Given the time-constrained funding source and innovative nature of the Rainbow Connections Innovation Plan, there may be urgent and unforeseen needs/opportunities to enlist Family Acceptance Project to supply additional projects	

DocuSign Envelope ID: 845EEDF2-B74A-4B0B-81E8-AABD2188BF69

and services. As such, Family Acceptance Project may be requested to implement or engage in ad hoc work to support effective and efficient implementation of the Rainbow Connections Innovation Plan. Examples of "contingency projects and services" may include, but not be limited to: • Supplying additional translation services • Supplying additional materials subject to licensing and/or printing fees • Training new Family Support Partner if/when the position is vacated • Increasing the quantity of community-member trainings to accommodate higher than anticipated demand All tasks and associated reimbursement to be completed under Activity 5 shall be agreed upon in writing by COUNTY and CONTRACTOR prior to execution. ***Deliverable: TBD completed projects and/or billable service hours, as needed***	

V. PROGRAM ELIGIBLITY

The primary population of focus to be served and benefit through this project are LGBTQ Youth up to age 24 and their families. Additionally, the capacity building efforts and referral network to be created through this program will benefit adults, caregivers, professionals, and organizations serving youth and LGBTQ youth in Monterey County.

VI. MEETING COMMUNICATIONS

CONTRACTOR will meet regularly with the designated Monterey County Behavioral Health (MCBH) Deputy Director or designee to review contract implementation; contract usage; and to provide a program status including, but not limited to, activity and task updates and discussion items, reporting requirements and any other relevant issues.

VIII. DESIGNATED CONTRACT MONITOR

Kacey Rodenbush, LMFT
Behavioral Health Services Manager II
Monterey County Health Department
Behavioral Health Bureau
1270 Natividad Rd. Salinas, CA 93906
(831) 647-7651

IX. PAYMENT PROVISIONS

A. COUNTY shall pay an amount not to exceed **$549,125** for the performance of all things necessary for, or incidental to, the performance of work as set forth in the Scope of Work.

DocuSign Envelope ID: 845EEDF2-B74A-4B0B-81E8-AABD2188BF69

CONTRACTOR shall be reimbursed for the following negotiated rates which are subject to all cost report conditions set forth in Exhibit A and identified in the Fee Schedule tables below:

Table 2. FY2023-2024 Fee Schedule

FY 2023-2024 Fee Schedule				
Deliverable	**Payment Period**	**Rate**	**Est. Quantity**	**Annual Fee**
Deliverable 1.1(a): Facilitation of each General FAP Training	January 2024 – June 2024	$7,000	2	$14,000

B. There shall be no travel reimbursement allowed during this Agreement.

C. To receive any payment under this Agreement, CONTRACTOR shall submit reports and invoices in such form as may be required by the County of Monterey Behavioral Health Bureau. Specifically, CONTRACTOR shall submit its invoice on Exhibit C – Invoice Form to COUNTY to reach the Behavioral Health Bureau no later than the thirtieth (30th) day of the month following the month of service.

D. CONTRACTOR shall submit via email an Invoice using Exhibit C – Invoice Form in Excel format with electronic signature(s) along with supporting documentation, as may be required by the COUNTY for services rendered to:

MCHDBHFinance@co.monterey.ca.us

cc: MHSA@monterey.ca.us

X. CONTRACTOR'S BILLING PROCEDURES

A. The COUNTY shall not pay any Invoices for payment for services submitted more than twelve (12) months after the calendar month in which the services were completed.

B. COUNTY shall review and certify CONTRACTOR's Invoice either in the requested amount or in such other amount as COUNTY approves in conformity with this Agreement and shall promptly submit such Invoice to the COUNTY Auditor-Controller for payment. The COUNTY Auditor-Controller shall pay the amount certified within thirty (30) days of receiving the certified Invoice.

C. If COUNTY certifies payment at a lesser amount than the amount requested, COUNTY shall immediately notify the CONTRACTOR in writing of such certification and shall specify the

DocuSign Envelope ID: 845EEDF2-B74A-4B0B-81E8-AABD2188BF69

reason for it. If the CONTRACTOR desires to contest the certification, the CONTRACTOR must submit a written notice of protest to the COUNTY within twenty (20) days after the CONTRACTOR's receipt of the COUNTY notice. The parties shall thereafter promptly meet to review the dispute and resolve it on a mutually acceptable basis. No court action may be taken on such a dispute until the parties have met and attempted to resolve the dispute in person.

MAXIMUM OBLIGATION OF COUNTY

A. Subject to the limitations set forth herein, COUNTY shall pay to CONTRACTOR during the term of this Agreement a maximum amount not to exceed **$549,125** for services rendered under this Agreement for the period of **January 1, 2024 to June, 2025**.

B. Maximum Liability Amount:

TERM	AMOUNT
January 1, 2024 – June 30, 2024	$307,050
July 1, 2024 – June 30, 2025	$242,075
MAXIMUM COUNTY OBLIGATION	$549,125

(the remainder of this page is intentionally left blank)

EXHIBIT B: ASSURANCE OF COMPLIANCE WITH MONTEREY COUNTY'S CULTURAL COMPETENCY POLICY

In a culturally competent system, each provider organization shows respect for and responds to individual differences and special needs. Services are provided in the appropriate cultural context and without discrimination related to race, national origin, income level, religion, gender, sexual orientation, age, or physical disability, to name a few. Culturally competent caregivers are aware of the impact of their own culture on their relationships with consumers/families and know about and respect cultural and ethnic differences. They adapt their skills to meet each individual's/family's values and customs. Cultural competence is a developmental and dynamic process – one that occurs over time.

Organizations in a Culturally Competent Service System Promote:

Quality Improvement

- Continuous evaluation and quality improvement
- Supporting evidence-based, promising, community defined, and emerging practices that are congruent with ethnic/racial/linguistic group belief systems, cultural values and help-seeking behaviors.

Collaboration

- Collaborating with Behavioral Health and other community programs
- Resolving barriers to partnerships with other service providers

Access

- Providing new services to unserved and underserved children, youth, adults and/or older adults
- Reducing disparities in access to, and retention in, care as identified in the Mental Health Services Act Plan
- Ensuring representation of mental health services consumers, family members of a mental health services consumer, and/or representatives from unserved communities on their advisory/governance body or committee for development of service delivery and evaluation (with a minimum target of 40%).
- Developing recruitment, hiring, and retention plans that are reflective of the population focus, communities' ethnic, racial, and linguistic populations.

Cultural Competent Services:

- Are available, accessible and welcoming to all clients regardless of race, ethnicity, language, age, and sexual orientation.
- Provide a physical environment that is friendly, respectful and inclusive of all cultures.
- Provide information, resources and reading materials in multilingual formats.

DocuSign Envelope ID: 845EEDF2-B74A-4B0B-81E8-AABD2188BF69

- Promote and foment culturally accepted social interactions, respect and healthy behaviors within the family constellation and service delivery system.
- Provide options for services, which are consistent with the client's beliefs, values, healing traditions, including individual preferences for alternative, spiritual and/or holistic approaches to health.
- Offer services in unserved and underserved communities.
- Have services available in the evening and on weekends to ensure maximum accessibility.
- Offer services in Spanish and other necessary languages (such as Tagalog, Vietnamese, Oaxacan, Trique and other languages spoken of Monterey County residents).

Definitions for Cultural Competency

"Cultural Competence" is defined as a set of congruent practice skills, knowledge, behaviors, attitudes, and policies that come together in a system, agency, or among consumer providers, family members, and professionals that enables that system, agency, or those professionals and consumers, and family member providers to work effectively in cross-cultural situations.
(Adapted from Cross, et al., 1989; cited in DMH Information Notice No.02-03).

"Cultural Competence" is a means to eliminating cultural, racial and ethnic disparities. Cultural Competence enhances the ability of the whole system to incorporate the languages, cultures, beliefs and practices of its clients into the service. In this way all clients benefit from services that address their needs from the foundation of their own culture. Strategies for elimination of these disparities must be developed and implemented. Cultural Competence must be supported at all levels of the system.
(CMHDA Framework for Eliminating Cultural, Linguistic, Racial and Ethnic Behavioral Health Disparities)

[Cultural Competency] A set of congruent behaviors, attitudes, and policies that come together in a system, agency or amongst professionals and consumers and enables that system, agency or those professionals and consumers to work effectively in cross-cultural situations.

(Cross, Bazron, Dennis & Issacs, 1989)

The ability to work effectively with culturally diverse clients and communities.

(Randall David, 1994)

CONTRACTOR hereby agrees that it will comply with the principles and guidelines set forth in Monterey County's Health Department – Behavioral Health's Cultural Competency Policy (as outlined above), and will:

DocuSign Envelope ID: 845EEDF2-B74A-4B0B-81E8-AABD2188BF69

1. Develop organizational capacity to provide services in a culturally and linguistically competent manner. This may include: hiring staff with the linguistic capabilities needed to meet the diverse language needs in Monterey County (for example, Spanish, Tagalog, Vietnamese, Oaxacan, Trique, American Sign Language (ASL), Middle Eastern languages); providing staff with training in cultural competency; making services accessible at locations and times that minimize access barriers, and ensuring that staff have an open, welcoming and positive attitude and feel comfortable working with diverse cultures.

2. Create a physical environment that ensures people of all cultures, ages and sexual orientation feel welcome and cared for. This may include: decorating waiting and treatment areas with pictures that reflect the diverse cultures of Monterey County; providing reading materials, resources and magazines in varied languages, at appropriate reading levels and suitable for different age groups, including children and youth; consideration of cultural differences and preferences when offering refreshments; ensuring that any pictures, symbols or materials on display are not unintentionally disrespectful to another culture.

3. Provide a services delivery environment that ensures people of all cultures, ages and sexual orientation feel welcome and cared for. This may include: respect for individual preferences for alternative, spiritual and/or holistic approaches to health; a reception staff that is competent in the different languages spoken by consumers/families; staff that is knowledgeable of cultural and ethnic differences and needs, and is able and willing to respond an appropriate and respectful manner.

4. Support the county's goal to reduce disparities to care by increasing access and retention while decreasing barriers to services by unserved and underserved communities.

5. Include the voice of multi-cultural youth, client and family members, including: monolingual and bilingual clients and family members and representatives from unserved and underserved communities, in the advisory/governance body or committee for development of service delivery, planning and evaluation (County Goal: 40%).

6. Participate in outcome evaluation activities aimed at assessing individual organizations as well as countywide cultural competency in providing mental health services.

7. As requested, meet with the Monterey County Health Department - Behavioral Health Director or designee to monitor progress and outcomes of the project.

8. Ensure that 100% of staff, over a 3 year period, participate in cultural competency training including, but not limited to, those offered by Monterey County Behavioral Health.

Dissemination of these Provisions. CONTRACTOR shall inform all its officers, employees, agents, and subcontractors providing services hereunder of these provisions.

DocuSign Envelope ID: 845EEDF2-B74A-4B0B-81E8-AABD2188BF69

By my signature below, as the authorized representative of the CONTRACTOR named below, I certify acceptance and understanding for myself and the CONTRACTOR of the above provisions.

EXHIBIT C: BUSINESS ASSOCIATE AGREEMENT

This Business Associate Agreement ("BAA") effective **July 1, 2023** ("Effective Date"), is entered into by and among between the County of Monterey, a political subdivision of the State of California, on behalf of the Health Department ("Covered Entity") and **The University Corporation, San Francisco State** ("Business Associate") (each a "Party" and collectively the "Parties").

RECITALS

A. WHEREAS, Business Associate provides certain services for CoveredEntity that involve the Use and Disclosure of Protected Health Information ("PHI") that iscreated, received, transmitted, or maintained by Business Associate for or on behalf of Covered Entity.

B. WHEREAS, the Parties are committed to complying with the Health Insurance Portability and Accountability Act of 1996, as amended by the Health Information Technology for Economic and Clinical Health Act (the "HITECH Act"), andtheir implementing regulations, including the Standards for the Privacy of Individually Identifiable Health Information, 45 C.F.R. Part 160 and Part 164, subparts A and E (the "Privacy Rule"), the Breach Notification Standards, 45 C.F.R. Part 160 and 164 subparts A and D (the "Breach Notification Rule"), and the Security Standards for the Protection ofElectronic Protected Health Information, 45 C.F.R. Part 160 and Part 164, subparts A andC (the "Security Rule") (collectively "HIPAA"), all as amended from time to time.

C. WHEREAS, the Parties are also committed to complying with the California Confidentiality Laws (defined below).

D. WHEREAS, to the extent that Business Associate is performing activities in connection with covered accounts for or on behalf of Covered Entity, the Parties are also committed to complying with applicable requirements of the Red Flag Rules issued pursuant to the Fair and Accurate Credit Transactions Act of 2003 ("Red Flag Rules").

E. WHEREAS, the Privacy and Security Rules require Covered Entity and Business Associate to enter into a business associate agreement that meets certain requirements with respect to the Use and Disclosure of PHI. This BAA sets forth the termsand conditions pursuant to which PHI, and, when applicable, Electronic Protected Health Information ("EPHI") shall be handled, in accordance with such requirements.

NOW THEREFORE, in consideration of the mutual promises below and the exchange of information pursuant to this BAA, the Parties agree as follows:

DocuSign Envelope ID: 845EEDF2-B74A-4B0B-81E8-AABD2188BF69

AGREEMENT

1. DEFINITIONS

All capitalized terms used in this BAA but not otherwise defined shall have the meaning set forth in HIPAA.

(a) "Breach" shall have the same meaning as "breach" as defined in 45 C.F.R. § 164.402; however, the term "Breach" as used in this BAA shall also mean the unlawful or unauthorized access to, Use or Disclosure of a patient's "medical information"as defined under Cal. Civil Code § 56.05(j), for which notification is required pursuant to Cal. Health & Safety Code 1280.15, or a "breach of the security of the system" under Cal.Civil Code § 1798.29.

(b) "California Confidentiality Laws" shall mean the applicable laws ofthe State of California governing the confidentiality, privacy, or security of PHI or other personally identifiable information (PII), including, but not limited to, the California Confidentiality of Medical Information Act (Cal. Civil Code § 56 *et seq.*), the patient accesslaw (Cal. Health & Safety Code § 123100 *et seq.*), the HIV test result confidentiality law (Cal. Health & Safety Code § 120975 *et seq.*), the Lanterman-Petris-Short Act (Cal. Welf.& Inst. Code § 5328 *et seq.*), and California's data breach law (Cal. Civil Code § 1798.29).

(c) "Protected Health Information" or "PHI" shall mean any information, whether oral or recorded in any form or medium: (i) that relates to the past, present or future physical or mental condition of an individual; the provision of health careto an individual or the past, present or future payment for the provision of health care to anindividual; (ii) that identifies the individual or with respect to which there is a reasonable basis to believe the information that can be used to identify the individual, and (iii) is provided by Covered Entity to Business Associate or created, maintained, received, or transmitted by Business Associate on Covered Entity's behalf. PHI, when used in this BAA, includes EPHI.

(d) "Services" shall mean the services for or functions performed by Business Associate on behalf of Covered Entity pursuant to an underlying servicesagreement "(Services Agreement") between Covered Entity and Business Associate to which this BAA applies.

2. PERMITTED USES AND DISCLOSURES OF PHI

Unless otherwise limited herein, Business Associate may:

(a) Use or Disclose PHI to perform Services for, or on behalf of, Covered Entity, provided that such Use or Disclosure would not violate the Privacy or Security Rules, this BAA, or California Confidentiality Laws if done by Covered Entity;

(b) Use PHI to provide Data Aggregation Services for the Health Care

DocuSign Envelope ID: 845EEDF2-B74A-4B0B-81E8-AABD2188BF69

Operations of Covered Entity, if required by the Services Agreement and as permitted by 45 C.F.R. § 164.504(e)(2)(i)(B);

(c) Use PHI if necessary for the proper management and administrationof Business Associate or to carry out the legal responsibilities of Business Associate as permitted by 45 C.F.R. § 164.504(e)(4)(i);

(d) Disclose PHI for the proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate as permitted under 45 C.F.R. § 164.504(e)(4)(ii), provided that Disclosures are Required by Law, or Business Associate obtains reasonable assurances from the person to whom the information is Disclosed that it will remain confidential and be Used or further Disclosed only as Required by Law or for the purpose for which it was Disclosed to the person, and that such person will notify the Business Associate of any instances of which such personis aware that the confidentiality of the information has been breached; and

(e) Use PHI to report violations of law to appropriate Federal and stateauthorities, consistent with 45 C.F.R. § 164.502(j)(1).

3. RESPONSIBILITIES OF THE PARTIES WITH RESPECT TO PHI

3.1. Responsibilities of Business Associate. Business Associate shall:

(a) Notify the Privacy Officer of Covered Entity, in writing, of: (i) anyUse and/or Disclosure of the PHI that is not permitted by this BAA; (ii) any Security Incident of which Business Associate becomes aware; and (iii) any suspected Breach. Suchnotice shall be provided within five (5) business days of Business Associate's discovery ofsuch unauthorized access, acquisition, Use and/or Disclosure, Security Incident, or suspected Breach. Notwithstanding the foregoing, the Parties acknowledge the ongoing existence and occurrence of attempted but ineffective Security Incidents that are trivial in nature, such as pings and other broadcast service attacks, and unsuccessful log-in attempts.The Parties acknowledge and agree that this Section 3.1(a) constitutes notice by Business Associate to Covered Entity of such ineffective Security Incidents and no additional notification to Covered Entity of such ineffective Security Incidents is required, provided that no such Security Incident results in unauthorized access, acquisition, Use or Disclosure of PHI. For the avoidance of doubt, a ransomware attack shall not be considered an ineffective Security Incident and shall be reported to Covered Entity, irrespective of whether such Security Incident results in a Breach. Business Associate shall investigate each Security Incident or unauthorized access, acquisition, Use, or Disclosure of PHI, or suspected Breach that it discovers and shall provide a summary of its investigation to Covered Entity, upon request.

(i) If Business Associate or Covered Entity determines that such Security Incident or unauthorized access, acquisition, Use, or Disclosure, or suspected Breach constitutes a Breach, then Business Associate shall provide a supplemental writtenreport in accordance with 45 C.F.R. § 164.410(c), which shall include, to the extent possible, the identification of each individual whose PHI has been, or is reasonably believed by the Business

DocuSign Envelope ID: 845EEDF2-B74A-4B0B-81E8-AABD2188BF69

Associate to have been, accessed, acquired, Used or Disclosed during the Breach, to Covered Entity without unreasonable delay, but no later than five (5)business days after discovery of the Breach;

(ii) In consultation with Covered Entity, Business Associateshall promptly mitigate, to the extent practicable, any harmful effect that is known to the Business Associate of such improper access, acquisition, Use, or Disclosure, Security Incident, or Breach;

(iii) Covered Entity shall have sole control over the timing and method of providing notification of such Breach to the affected individual(s), the appropriate government agencies, and other persons required by law to be notified.Business Associate shall assist with any notifications, as requested by Covered Entity. Business Associate shall take prompt corrective action, including any action required by applicable State or federal laws and regulations relating to such Security Incident or non- permitted access, acquisition, Use, or Disclosure. Business Associate shall reimburse Covered Entity for its reasonable costs and expenses in providing notification to affected individuals, appropriate government agencies, and any other persons required by law to benotified (e.g., without limitation, the media or consumer reporting agencies), including, but not limited to, any administrative costs associated with providing notice, printing and mailing costs, public relations costs, attorney fees, and costs of mitigating the harm (whichmay include the costs of obtaining up to one (1) year of credit monitoring services and identity theft insurance) for affected individuals whose PHI or other PII has or may have been compromised as a result of the Breach;

(b) Implement appropriate administrative, physical, and technical safeguards and comply with the Security Rule and industry best practices to prevent Use and/or Disclosure of EPHI other than as provided for by this BAA;

(c) Obtain and maintain a written agreement with each of its Subcontractors that creates, receives, maintains, or transmits PHI that requires each such Subcontractor to adhere to restrictions and conditions that are at least as restrictive as thosethat apply to Business Associate pursuant to this BAA. Upon request, Business Associateshall provide Covered Entity with copies of its written agreements with such Subcontractors;

(d) Make available all internal practices, records, books, agreements, policies and procedures and PHI relating to the Use and/or Disclosure of PHI received from, created, maintained, or transmitted by Business Associate on behalf of Covered Entity to the Secretary of the Department of Health and Human Services ("Secretary") in a time and manner designated by the Secretary for purposes of determining Covered Entity's or Business Associate's compliance with HIPAA. Business Associate shall immediately notify Covered Entity of any such requests by the Secretary and, upon Covered Entity's request, provide Covered Entity with any copies of documents BusinessAssociate provided to the Secretary. In addition, Business Associate shall promptly makeavailable to Covered Entity such practices, records, books, agreements, policies andprocedures relating to the Use and Disclosure of PHI for purposes of determining whetherBusiness Associate has complied with this BAA or maintains adequate security safeguards,upon reasonable request by Covered Entity. The fact that Covered Entity

DocuSign Envelope ID: 845EEDF2-B74A-4B0B-81E8-AABD2188BF69

has the right to inspect, inspects, or fails to inspect Business Associate's internal practices, records, books,agreements, policies and procedures does not relieve Business Associate of its responsibility to comply with this BAA, regardless of whether Covered Entity detects or fails to detect a violation by Business Associate, nor does it constitute Covered Entity's acceptance of such practices or waiver of Covered Entity's rights under this BAA;

(e) Document Disclosures of PHI and information related to suchDisclosure and, within twenty (20) days of receiving a written request from Covered Entity, provide to Covered Entity such information as is requested by Covered Entity to permit Covered Entity to respond to a request by an individual for an accounting of the Disclosuresof the individual's PHI in accordance with 45 C.F.R. § 164.528 and the HITECH Act. Ata minimum, the Business Associate shall provide Covered Entity with the following information: (i) the date of the Disclosure; (ii) the name of the entity or person who received the PHI, and if known, the address of such entity or person; (iii) a brief descriptionof the PHI Disclosed; and (iv) a brief statement of the purpose of such Disclosure which includes an explanation of the basis for such Disclosure. In the event the request for an accounting is delivered directly to the Business Associate, the Business Associate shall, within ten (10) days, forward such request to Covered Entity. The Business Associate shallimplement an appropriate recordkeeping process to enable it to comply with the requirements of this Section;

(f) Subject to Section 4.4 below, return to Covered Entity in a mutually agreeable format and medium, or destroy, within thirty (30) days of the termination of thisBAA, the PHI in its possession and retain no copies, including backup copies;

(g) Use, Disclose to its Subcontractors or other third parties, and requestfrom Covered Entity, only the minimum PHI necessary to perform or fulfill a specific function required or permitted hereunder;

(h) If all or any portion of the PHI is maintained in a Designated Record Set:

(i) Upon ten (10) days' prior written request from Covered Entity, provide access to the PHI to Covered Entity, or to the individual, if so directed by Covered Entity, to meet a request by an individual under 45 C.F.R. § 164.524 or California Confidentiality Laws. Business Associate shall notify Covered Entity within five (5) daysof its receipt of a request for access to PHI from an individual; and

(ii) Upon ten (10) days' prior written request from Covered Entity, make any amendment(s) to the PHI that Covered Entity directs pursuant to 45 C.F.R. § 164.526. Business Associate shall notify Covered Entity within five (5) days ofits receipt of a request for amendment of PHI from an individual;

(i) If applicable, maintain policies and procedures to detect and prevent identity theft in connection with the provision of the Services, to the extent required to comply with the Red Flag Rules;

(j) To the extent that Business Associate carries out one or more of Covered

DocuSign Envelope ID: 845EEDF2-B74A-4B0B-81E8-AABD2188BF69

Entity's obligations under the Privacy Rule, Business Associate shall comply with the requirements of the Privacy Rule that apply to Covered Entity in the performance of such obligations;

(k) Unless prohibited by law, notify Covered Entity as soon as possibleand in no case later than five (5) days after the Business Associate's receipt of any request or subpoena for PHI. To the extent that Covered Entity decides to assume responsibility for challenging the validity of such request, the Business Associate shall cooperate fully with Covered Entity in such challenge; and

(l) Maintain policies and procedures materially in accordance with HIPAA and California Confidentiality Laws and industry standards designed to ensure the confidentiality, availability, and integrity of Covered Entity's data and protect against threats or vulnerabilities to such data.

3.2 Business Associate Acknowledgment.

(a) Business Associate acknowledges that, as between the Business Associate and Covered Entity, all PHI shall be and remain the sole property of Covered Entity.

(b) Business Associate is not permitted to Use PHI to create de- identified information except as approved in writing by Covered Entity.

(c) Business Associate further acknowledges that it is obligated by lawto comply, and represents and warrants that it shall comply, with HIPAA. Business Associate shall comply with all California Confidentiality Laws, to the extent that such state laws are not preempted by HIPAA.

(d) Business Associate further acknowledges that Uses and Disclosuresof PHI must be consistent with Covered Entity's privacy practices, as stated in Covered Entity's Notice of Privacy Practices. The current Notice of Privacy Practices can be retrieved online from the Covered Entity's webpage. Business Associate agrees to reviewthe Notice of Privacy Practices at this URL at least once annually while doing business with Covered Entity to ensure it remains updated on any changes to the Notice of PrivacyPractices Covered Entity may make.

3.3 Responsibilities of Covered Entity. Covered Entity shall notify Business Associate of any (i) changes in, or withdrawal of, the authorization of an individual regarding the Use or Disclosure of PHI provided to Covered Entity pursuant to 45 C.F.R. § 164.508, to the extent that such changes may affect Business Associate's Use or Disclosure of PHI; or (ii) restrictions on Use and/or Disclosure of PHI as provided for in 45 C.F.R. § 164.522 agreed to by Covered Entity, to the extent that such restriction may affect Business Associate's Use or Disclosure of PHI.

4. TERM AND TERMINATION

DocuSign Envelope ID: 845EEDF2-B74A-4B0B-81E8-AABD2188BF69

4.1 **Term**. This BAA shall become effective on the Effective Date and shall continue in effect until all of the PHI provided by Covered Entity to Business Associate, or created or received by Business Associate on behalf of Covered Entity, is destroyed or returned to Covered Entity, or if it is infeasible to return or destroy PHI, protections are extended to such PHI, in accordance with the termination provisions in Section 4.4. Certainprovisions and requirements of this BAA shall survive its expiration or other termination as set forth in Section 5 herein.

4.2 **Termination**. If Covered Entity determines in good faith that Business Associate has breached a material term of this BAA, Covered Entity may either: (i) immediately terminate this BAA and any underlying Services Agreement without penalty;or (ii) terminate this BAA and any underlying Services Agreement within thirty (30) daysof Business Associate's receipt of written notice of such breach, if the breach is not curedto the satisfaction of Covered Entity.

4.3 **Automatic Termination**. This BAA shall automatically terminate withoutany further action of the Parties upon the termination or expiration of all Services Agreements between Covered Entity and Business Associate that would necessitate havingthis BAA in place.

4.4 **Effect of Termination**. Upon termination or expiration of this BAA for any reason, Business Associate shall return or destroy all PHI pursuant to 45 C.F.R. § 164.504(e)(2)(ii)(J) if, and to the extent that, it is feasible to do so. Prior to returning or destroying the PHI, Business Associate shall recover any PHI in the possession of its Subcontractors. Business Associate shall certify in writing that all PHI has been returnedor securely destroyed, and no copies retained, upon Covered Entity's request. To the extentit is not feasible for Business Associate to return or destroy any portion of the PHI, BusinessAssociate shall notify Covered Entity in writing of the condition that makes return or destruction infeasible. If Covered Entity agrees that return or destruction of the PHI is infeasible, as determined in its sole discretion, Business Associate shall: (i) retain only thatPHI which is infeasible to return or destroy; (ii) return to Covered Entity the remaining PHI that the Business Associate maintains in any form; (iii) continue to extend the protections of this BAA to the PHI for as long as Business Associate retains PHI; (iv) limitfurther Uses and Disclosures of such PHI to those purposes that make the return or destruction of the PHI not feasible and subject to the same conditions as set out in Sections2 and 3 above, which applied prior to termination; and (v) return to Covered Entity the PHIretained by Business Associate when such return is no longer infeasible.

5. MISCELLANEOUS

5.1 **Survival**. The obligations of Business Associate under the provisions of Sections 3.1, 3.2, and 4.4 and Article 5 shall survive termination of this BAA until such time as all PHI is returned to Covered Entity or destroyed.

5.2 **Amendments; Waiver**. This BAA may not be modified or amended, except in a writing duly signed by authorized representatives of the Parties. To the extentthat any relevant provision of HIPAA or California Confidentiality Laws is materially amended in a manner that changes the obligations of the Parties, the Parties agree to negotiate in good faith appropriate amendment(s) to this BAA to give effect to the revisedobligations. Further, no provision of this

DocuSign Envelope ID: 845EEDF2-B74A-4B0B-81E8-AABD2188BF69

BAA shall be waived, except in a writing duly signed by authorized representatives of the Parties. A waiver with respect to one event shall not be construed as continuing, or as a bar to or waiver of any right or remedy as to subsequent events.

5.3 No Third Party Beneficiaries. Nothing express or implied in this BAA is intended to confer, nor shall anything herein confer, upon any person other than the Parties and the respective successors or assigns of the Parties, any rights, remedies, obligations, orliabilities whatsoever.

5.4 Notices. Any notices to be given hereunder to a Party shall be made via U.S. Mail or express courier to such Party's address given below, and/or via facsimile or email to the facsimile telephone numbers or email addresses listed below.

If to Business Associate, to:

The University Corporation, San Francisco State
Attn: Jason Porth
1600 Holloway Avenue San Francisco, CA 94132
Phone: (831)728-6476
Email: president@sfsu.edu

If to Covered Entity, to:

County of Monterey Health Department
Attn: Compliance/Privacy Officer
1270 Natividad Road
Salinas, CA 93906
Phone: 831-755-4018
Fax: 831-755-4797
Email: sumeshwarsd@co.monterey.ca.us

Each Party named above may change its address and that of its representative by the giving of notice thereof in the manner hereinabove provided. Such notice is effective upon receipt of notice, but receipt is deemed to occur on next business day if notice is sentby FedEx or other overnight delivery service.

5.5 Counterparts; Facsimiles. This BAA may be executed in any number of counterparts, each of which shall be deemed an original. Facsimile and electronic copies hereof shall be deemed to be originals.

5.6 Relationship of Parties. Notwithstanding anything to the contrary in the Services Agreement, Business Associate is an independent contractor and not an agent of Covered Entity under this BAA. Business Associate has the sole right and obligation to supervise, manage, contract, direct, procure, perform, or cause to be performed all Business Associate obligations under this BAA.

DocuSign Envelope ID: 845EEDF2-B74A-4B0B-81E8-AABD2188BF69

5.7 Choice of Law; Interpretation. This BAA shall be governed by the lawsof the State of California. Any ambiguities in this BAA shall be resolved in a manner thatallows Covered Entity and Business Associate to comply with HIPAA and the California Confidentiality Laws.

5.8 Indemnification. Business Associate shall indemnify, defend, and hold harmless the County of Monterey (the "County"), its officers, agents, and employees fromany claim, liability, loss, injury, cost, expense, penalty or damage, including costs incurredby the County with respect to any investigation, enforcement proceeding, or third party action, arising out of, or in connection with, a violation of this BAA, HIPAA or CaliforniaConfidentiality Laws, or a Breach that is attributable to an act or omission of Business Associate and/or its agents, members, employees, or Subcontractors, excepting only loss, injury, cost, expense, penalty or damage caused by the negligence or willful misconduct ofpersonnel employed by the County. It is the intent of the Parties to provide the broadest possible indemnification for the County. This provision is in addition to, and independentof, any indemnification provision in any Services Agreement between the Parties.

5.9 Applicability of Terms. This BAA applies to all present and future Services Agreements and business associate relationships, written or unwritten, formal orinformal, in which Business Associate creates, receives, transmits, or maintains any PHI for or on behalf of Covered Entity in any form whatsoever. This BAA shall automaticallybe incorporated in all subsequent agreements between Business Associate and Covered Entity involving the Use or Disclosure of PHI whether or not specifically referenced therein. In the event of any conflict or inconsistency between a provision of this BAA anda provision of any other agreement between Business Associate and Covered Entity, the provision of this BAA shall control unless the provision in such other agreement establishes additional rights for Business Associate or additional duties for or restrictions on BusinessAssociate with respect to PHI, in which case the provision of such other agreement will control.

5.10 Insurance. In addition to any general and/or professional liability insurance required of Business Associate under the Services Agreement, Business Associate agrees to obtain and maintain, at its sole expense, liability insurance on an occurrence basis, covering any and all claims, liabilities, demands, damages, losses, costsexpenses, fines, and compliance costs arising from a breach of the obligations of BusinessAssociate, its officers, employees, agents and Subcontractors under this BAA. Without limiting the foregoing, at a minimum, Business Associate's required insurance under this Section shall include cyber liability insurance covering breach notification expenses, network security and privacy liability, with limits of not less than $10,000,000 per claim and in the aggregate. Such insurance coverage will be maintained for the term of this BAA,and a copy of such policy or a certificate evidencing the policy shall be provided to CoveredEntity at Covered Entity's request.

5.11 Legal Actions. Promptly, but no later than five (5) calendar days after notice thereof, Business Associate shall advise Covered Entity of any actual or potential action, proceeding, regulatory or governmental orders or actions, or any material threat thereof that becomes known to it that may affect the interests of Covered Entity or jeopardize this BAA, and

DocuSign Envelope ID: 845EEDF2-B74A-4B0B-81E8-AABD2188BF69

of any facts and circumstances that may be pertinent to the prosecution or defense of any such actual or potential legal action or proceeding, except to the extent prohibited by law. This includes, without limitation, any allegation that Business Associate has violated HIPAA or other federal or state privacy or security laws.

5.12 Audit or Investigations. Promptly, but no later than five (5) calendar days after notice thereof, Business Associate shall advise Covered Entity of any audit, compliance review, or complaint investigation by the Secretary or other state or federal agency related to compliance with HIPAA or the California Confidentiality Laws.

5.13 Assistance in Litigation or Administrative Proceedings. Business Associate shall make itself, and any Subcontractors, employees, or agents assisting Business Associate in the performance of its obligations under any Services Agreements, available to Covered Entity, at no cost to Covered Entity, to testify in any claim commenced against Covered Entity, its directors, officers, employees, successors, and assigns based upon claimed violation by Business Associate or its agents or subcontractors of HIPAA or other applicable law, except where Business Associate or its Subcontractor, employee, or agent is a named adverse party.

5.14 No Offshore Work. In performing the Services for, or on behalf of, Covered Entity, Business Associate shall not, and shall not permit any of its Subcontractors, to transmit or make available any PHI to any entity or individual outside the United States without the prior written consent of Covered Entity.

5.15 Information Blocking Rules. Business Associate shall not take any action, or refuse to take any action, with regard to Covered Entity's electronic health information that would result in "information blocking" as prohibited by 42 U.S.C. § 300jj-52 and 45 C.F.R. Part 171 (collectively, "Information Blocking Rules"). Business Associate and Covered Entity shall cooperate in good faith to ensure Covered Entity's electronic health information is accessed, exchanged, and used in compliance with the Information Blocking Rules.

IN WITNESS WHEREOF, each of the undersigned has caused this BAA to be duly executed in its name and on its behalf as of the Effective Date.

County of Monterey

Board Report

Legistar File Number: A 23-581

Item No.39

Board of Supervisors
Chambers
168 W. Alisal St., 1st Floor
Salinas, CA 93901

January 09, 2024

Introduced: 12/19/2023

Current Status: Health Department - Consent

Version: 1

Matter Type: BoS Agreement

Approve and authorize the Director of Health Services or designee to execute a new Standard Agreement between the County of Monterey and The University Corporation, San Francisco State, DBA Family Acceptance Project for the provision of culturally attuned trainings, consultation, and material supports to fulfill the approved "Rainbow Connections" Mental Health Services Act (MHSA) Innovations project, for a maximum County obligation of $549,125 for the retroactive term of January 1, 2024 through June 30, 2025.

RECOMMENDATION:

It is recommended that the Board of Supervisors:
Approve and authorize the Director of Health Services or designee to execute a new Standard Agreement between the County of Monterey and The University Corporation, San Francisco State, DBA Family Acceptance Project for the provision of culturally attuned trainings, consultation, and material supports to fulfill the approved "Rainbow Connections" Mental Health Services Act (MHSA) Innovations project, for a maximum County obligation of $549,125 for the retroactive term of January 1, 2024 through June 30, 2025.

SUMMARY/DISCUSSION

On May 25, 2023, the County of Monterey Behavioral Health Bureau received approval from the Mental Health Services Oversight and Accountability Commission (MHSOAC) for the "Rainbow Connections" MHSA Innovation Plan. This Innovation Plan aims to improve the mental health outcomes and functioning of LGBTQ youth and their families by promoting interagency communication and collaboration across youth-serving systems, and through building capacity among youth-serving adults to identify and respond affirmatively to the needs of LGTBQ youth up to age 24. Multiple vendors will assist the County in the implementation and evaluation of the Rainbow Connections Innovation Plan. The University Corporation, San Francisco State, DBA Family Acceptance Project will maintain an important role in this project by providing their pioneering and patented LGBTQ-related trainings, subject matter expertise and educational materials to other partnering agencies and community stakeholders.

This work supports the Monterey County Health Department 2018-2024 Strategic Plan Goal(s): 3) Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports one of the ten essential public health services, specifically: 7) Link people to needed personal health services and assure the provision of health care when otherwise unavailable.

DocuSign Envelope ID: 84FBEF4B-129D-4621-A4BF-1B88E358F226

This agreement is late in being presented to your Board due to a delay by vendor negotiations on scope and payment provisions, in conjunction with the operational need for this vendor to initiate work in alignment with a partner agency and the school calendar.

OTHER AGENCY INVOLVEMENT:
The Office of the County Counsel and Auditor-Controller have reviewed and approved this Agreement as to form and fiscal provisions, respectively.

FINANCING:
This Agreement is 100% funded by MHSA Innovation Funds. The funds for this Agreement for FY2023-24 ($307,050) are included in the Health Department's Behavioral Health (HEA012, Unit 8410) Fiscal Year 2023-24 Adopted Budget. The funds for this Agreement for FY 2024-25 ($242,075) will be included in the Health Department's Behavioral Health (HEA012, Unit 8410) FY 2024-25 Requested Budget.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
Check the related Board of Supervisors Strategic Initiatives:

☐ Economic Development:
- Through collaboration, strengthen economic development to ensure a diversified and healthy economy.

☐ Administration:
- Promote an organization that practices efficient and effective resource management and is recognized for responsiveness, strong customer orientation, accountability and transparency.

☒ Health & Human Services:
- Improve health and quality of life through County supported policies, programs, and services; promoting access to equitable opportunities for healthy choices and healthy environments in collaboration with communities.

☐ Infrastructure:
- Plan and develop a sustainable, physical infrastructure that improves the quality of life for County residents and supports economic development results.

☐ Public Safety:
- Create a safe environment for people to achieve their potential, leading businesses and communities to thrive and grow by reducing violent crimes as well as crimes in general.

AMENDMENT NO. 4
TO MENTAL HEALTH SERVICES AGREEMENT A-15506
BY AND BETWEEN
COUNTY OF MONTEREY AND
PARTNERS FOR PEACE

This Amendment No. 4 to Agreement A-15506 is made and entered into by and between the County of Monterey, hereinafter referred to as COUNTY, and Partners for Peace, hereinafter referred to as CONTRACTOR.

WHEREAS, on September 3, 2021, the COUNTY and CONTRACTOR entered into Agreement A-15506, Amendment No. 1 dated May 17, 2022, Amendment No. 2 dated September 16, 2022, Amendment No. 3 dated May 18, 2023; and

WHEREAS, the COUNTY and CONTRACTOR request to amend the Agreement as specified below:

1. Add $312,724 to Program 2: Interconnected Systems Framework in FYs 2023/24-204/25 to support "Familia Adalente" services.
2. Add $7,216.91 to Program 2: Interconnected Systems Framework in FYs 2023/24-204/25 to support MHSSA Conference Participation.
3. Add $395,932.80 in FYs 2023/24-2024/25 to support the new Program 3: Rainbow Connections Family Support Partner.

NOW THEREFORE, the COUNTY and CONTRACTOR hereby agree to amend the AGREEMENT in the following manner:

1. EXHIBIT A-4 PROGRAM DESCRIPTION replaces EXHIBIT A-3. All references in the Agreement to EXHIBIT A-3 shall be construed to refer to EXHIBIT A-4.

2. EXHIBIT B-4 PAYMENT PROVISIONS replaces EXHIBIT B-3. All references in the Agreement to EXHIBIT B-3 shall be construed to refer to EXHIBIT B-4.

3. EXHIBIT G-4 BEHAVIORAL HEALTH INVOICE FORM replaces EXHIBIT G-2. All references in the Agreement to EXHIBIT G-2 shall be construed to refer to EXHIBIT G-4.

4. EXHIBIT H-4 REVENUE & EXPENDITURE SUMMARY replaces EXHIBIT H-2. All references in the Agreement to EXHIBIT H-2 shall be construed to refer to EXHIBIT H-4.

5. Except as provided herein, all remaining terms, conditions and provisions of this Agreement are unchanged and unaffected by this AMENDMENT NO. 3 and shall continue in full force and effect as set forth in the Agreement.

6. This AMENDMENT NO. 4 shall be effective retroactive to January 1, 2024.

DocuSign Envelope ID: 3E4FB541-CBCA-4B89-A55C-95AD82637A8B

7. This Amendment increases the contract amount by $715,873 for a revised total agreement amount not to exceed $1,603,871.71.

8. A copy of AMENDMENT NO. 4 shall be attached to the original AGREEMENT executed by the County on September 3, 2021.

(the remainder of this page is intentionally left blank)

DocuSign Envelope ID: 3E4FB541-CBCA-4B89-A55C-95AD82637A8B

IN WITNESS WHEREOF, COUNTY and CONTRACTOR have executed this Amendment No. 4 to Agreement A-15506 as of the day and year written below.

Mailing Address: Partners For Peace, PO Box 2473, Salinas, CA 93902
Physical Office Address: 855 East Laurel Drive, Bldg. H, Salinas, CA 93905
Services will be provided at schools, faith-based buildings, and community rooms throughout Monterey County.

Office Telephone: (831) 754-3888
Vicki Law, Executive Director (831) 726-6459

II. INCORPORATION STATUS

501(c) 3

III. PROGRAM NARRATIVE(S) AND SERVICE DESCRIPTION

A. Program Description

Partners For Peace ("P4P") has been building strong families for a peaceful community for 25 years. P4P provides a continuum of prevention to intervention services for parents, families, and youth. Using an evidence-based/informed family skills training program and parenting training for high-risk (adjudicated, court referred, expelled) youth and their parents, P4P seeks to improve social competencies, parenting skills and the parent-child relationship. The classes deliver the message that we want families to teach their kids their family values. Parents tend to parent the way their parents parented them. Our parents did not have to deal with sexting, violent streaming video, bullying via social media, etc. Partners For Peace delivers three culturally relevant parenting classes that encourage parents/caregivers and youth to consistently pick up 21st century tools for 21st century youth behaviors. All family programs have their foundation in the five protective factors: parental resilience, social connections, concrete support in times of need, knowledge of parenting and child development and social and emotional competence of children.

Love is instinctual, skills are not. P4P's programs have consistently reduced recidivism rates and increased school success. Research shows that protective parenting improves family relationships and decreases family conflict, contributing to lower levels of substance use. Parents want to protect their children, but it is challenging. Youth need skills to help them resist the peer pressure that leads to risky behaviors. The need to invest in parent education now is greater than ever to ensure both the quality and sustainability of programming and the safety and well-being of children and families.

DocuSign Envelope ID: 3E4FB541-CBCA-4B89-A55C-95AD82637A8B

B. Prevention Services to be Provided

1. Strengthening Families Program for Parents and Caregivers and youth ages 10-16 ("SFP") consists of one (1) Orientation followed by a seven (7) 2-hour class series.

2. Loving Solutions a prevention model for parents of youth 5 to 10 years of age and is a curriculum that focusses on healthy eating and sleeping, positive discipline, school success and communication and bonding. This program contains resources for parents with children diagnosed with ADD/ADHD.

3. Parent Project® for parents and caregivers with youth ages 11-17, addresses challenging and destructive behaviors, e.g., gangs/gang adjacent activity, drug, vaping and alcohol use, runaways, cutting, violence in the community or home, or chronic truancy. The Parent Project consists of one (1) Orientation followed by ten (10) 2-hour classes and the formation of family support groups that continue after the parents have graduated from the class.

Number of Individuals to Be Served in Culturally Relevant Family Education Programs:
Fiscal Year 2021-2022: Parents/Caregivers and Youth (5-17 years of age) total of 640
Fiscal Year 2022-2023: Parents/Caregivers and Youth (5-17 years of age) total of 760
Fiscal Year 2023-2024: Parents/Caregivers and Youth (5-17 years of age) total of 760

In FY 22/23, a Systems Navigator will be hired to perform the following duties:
Outreach, meeting with family school liaisons, one-to-one makeup of missed classes to increase graduation rates, and providing parents/caregivers with links to community wrap around services (mental health, food, shelter, clothing, drug, and alcohol intervention, etc. The families served by this position will have participated in or graduated from classes.

Number of Families Served:
Fiscal Year 2022-2023: 250
Fiscal Year 2023-2024: 300

C. Program Goals & Activities

(1) Goal: Increase access and involvement in psychosocial and emotional development programs that enable children/youth and parents/caregivers to interact with others in healthy and wholesome ways; promote meaningful parental and community involvement and enhance awareness/understanding of importance of socio-emotional development. Continue to serve families through a prevention/intervention family education continuum delivered via Zoom and in-person when it is safe to do so.

Activities: Identify Facilitators, dates and time, insurance needs, market classes through existing and new partners, delivery of classes, perform fidelity checks, evaluate the class data, provide on-going parent/caregiver support groups, and provide a visible

DocuSign Envelope ID: 3E4FB541-CBCA-4B89-A55C-95AD82637A8B

community presence to educate community partners and the broader community about the importance of family education. Request for referrals to other services from parents/caregivers are processed to ensure that families receive the needed wrap-around services to support their healthy, thriving families.

(2) Goal: On-going training for 30 Facilitators on the topics of effective Zoom presentations, delivery of classes online while maintaining course fidelity, mindfulness workshops and community resources.

Activities: Set-up, market, deliver and evaluate the Facilitator workshops. During intake process and classes, family needs are identified and referred to needed services.

(3) Goal: Maintain a well-qualified staff to deliver and evaluate the parent education class series with fidelity.

Activities: Staff receive on-going training, feedback, and evaluation. The P4P Board of Directors annually evaluates the Strategic Plan and the work of the Executive Director.
Activities**:** Part-Time Systems Navigator: Recruitment and retention of parents/caregivers enrolled in family education classes.

D**.** Program Objectives

Building a multiple-program spectrum of services requires greater communication, coordination and connectivity with the community, the clients, and the staff (especially the facilitators). Measuring progress, producing media updates, ensuring integration of program fidelity, supporting each participant with the resources needed to achieve healthy behavior, enhancing the quality of facilitators is vital to program effectiveness.

Objective 1: Increase the number of families served in Monterey County by 20% (as compared to 2019 data), through the delivery of prevention/intervention family education programs that positively impact youth in Monterey County.

- Youth will report increased communication and bonding with their families.
- 100% of the parents/caregivers would recommend the classes to other families.
- 75% will report a decrease in negative youth behaviors.
- Using a scale of 1 = No Knowledge to 5= Good As It Can Be, parents will average "4" for "I feel confident in my efforts to help my child"; "I am consistent with the consequences"; "I acknowledge and praise my child's effort"

DocuSign Envelope ID: 3E4FB541-CBCA-4B89-A55C-95AD82637A8B

Objective 2: Provide certificated training for ten (10) new Parent Project Facilitators to expand the footprint of the organization throughout Monterey County.

- Set up/recruit training class. Deliver training, provide coaching/training as co-Facilitator through one class series before assuming responsibilities of being solo-Facilitator.

Objective 3: Staff/Facilitator support: Provide staff salaries/stipends and on-going education to support staff/Facilitators in their work and retain a well-qualified staff for delivery of programs. Delivery of 30 class series in Year One (10 months) and 38 class series in Year Two (12 months). Classes will be advertised via print copy, community meetings, speaking engagements and through social media platforms**.**

- Well-qualified staff will provide ongoing enrichment opportunities and fidelity to 30 Facilitators. Two (2) Facilitators are currently Youth Mental Health First Aid Facilitators and will provide that opportunity to Facilitators in 2022.
- The class database to include attendance, registration and pre/post surveys will be well maintained and available for evaluation reports.
- 38 class series per year will be delivered throughout Monterey County both online and in-person to meet the geographical needs of the County.

E. Expected Outcomes:

Goal #1 Outcomes: Families will report increased communication, bonding, increased school success and a decrease in difficult or challenging behaviors.
Goal #2 Outcomes: Facilitators have the training they need to meet the needs of families during the pandemic and beyond. Wrap-around services for basic needs and family needs are continually shared with the families served.
Goal 3: Outcomes: P4P continues to provide staff and Facilitators that are well-qualified to deliver programs with fidelity.

F. Service Delivery Site(s) and Hours of Operation

1. Site(s): P4P will identify sites quarterly throughout Monterey County to deliver the family education programs. Salinas and South County will have priority when determining class in-person locations. The UCLA Center for Health Policy Research identified East Salinas and South County as having 61% who feel safe in their neighborhoods compared with 82% for the entire county and 88% for the state). Online classes will be available to parents/caregivers throughout Monterey County.

2. Hours of Operation: Office Hours: 9:00 AM – 5:00 PM, Monday – Friday. Course delivery hours are seven (7) to ten (10) consecutive weeks, with two (2) to three (3) online or in-person class orientations prior to delivery of the curriculum to manage the registration process, identify course expectations, parent/caregiver needs (transportation, technology, literacy level) and class delivery information (including Zoom orientation if needed for online classes).

DocuSign Envelope ID: 3E4FB541-CBCA-4B89-A55C-95AD82637A8B

The courses are generally from 6:00/6:30 PM – 8:00/8:30 PM. A few Loving Solutions class series are delivered at the school in the morning hours.

IV. PROGRAM ELIGIBILITY

A. Population/Catchment Area to Be Served: Families throughout Monterey County. Classes are delivered in English and Spanish. Adult parents/caregivers and their children ages 5-17 will receive services.
B. Legal Status: Voluntary

V. MEETINGS/COMMUNICATIONS

CONTRACTOR will meet regularly with the designated Monterey County Behavioral Health (MCBH) Deputy Director or Services Manager ("Contract Monitor") to monitor progress on consumer and program outcomes; oversee contract implementation; and evaluate contract usage, effectiveness, issues, and recommendations.

VI. REPORTING REQUIREMENTS

Monterey County Behavioral Health shall provide to CONTRACTOR the reporting requirements and instructions as required by the State Mental Health Services Oversight and Accountability Commission, the Department of Health Care Services and COUNTY. CONTRACTOR shall submit reports, consisting of participant demographic data for each service provided, as well as the program outcomes as required by the Prevention and Early Intervention (PEI) regulations. Reports shall be submitted on a monthly basis no later than thirty (30) days following the end of each month to MCBH's designated Contract Monitor and to EvalCorp via this email address: mcbh-eval@evalcorp.com.

VII. DESIGNATED CONTRACT MONITOR

Kacey Rodenbush, LMFT
Behavioral Health Services Manager II
Monterey County Health Department
Behavioral Health Bureau
1270 Natividad Rd. Salinas, CA 93906
(831) 647-7651
RodenbushKM@co.monterey.ca.us

DocuSign Envelope ID: 3E4FB541-CBCA-4B89-A55C-95AD82637A8B

PROGRAM 2: INTERCONNECTED SYSTEMS FRAMEWORK (ISF)
Effective February 1, 2022 – June 30, 2025
****Effective January 1, 2024 – June 30, 2025***

I. IDENTIFICATION OF PROVIDER

Partners For Peace
855 East Laurel Drive, Bldg. H, Salinas, CA 93905
Office Telephone: (831) 754-3888
Vicki Law, Executive Director (831) 726-6459
Incorporation status: 501(c) 3

II. PROGRAM GOAL

To provide parents/caregivers of a child presenting with challenging or destructive behaviors leading to academic and school discipline problems, with supports, interventions, and parenting strategies that directly address the mental health needs of the child.

III. PROGRAM NARRATIVE

In 2021 the COUNTY was awarded a 4-year Mental Health Student Services Act (MHSSA) grant through the Mental Health Services Oversight and Accountability Commission to provide mental health support services in Monterey County public schools. COUNTY allocated MHSSA grants funds to provide mental health support services within school by expanding parenting training and education to students and their parents/caregivers as part of the Interconnected Systems Framework (ISF) and Positive Behavior Interventions and Supports (PBIS). PBIS is defined as a systems approach for establishing the social culture and individual behavior supports needed for schools to achieve both social and academic success for all students while preventing problem behaviors. The ISF aims to build upon Positive Behavioral Interventions and Supports and school mental health and integrate both systems into one comprehensive model that can be implemented in a multi-tier framework. Multi-tiered systems of support align with the public health model of universal promotion and prevention, secondary early intervention, and tertiary treatment. When implemented with fidelity, the ISF increases collaboration, efficiency and communication between the education and mental health systems.

IV. SERVICE DESCRIPTION

1. CONTRACTOR shall provide the following parenting courses to students and/or parent/caregiver at the following participating school districts: Alisal Union, Gonzales Union, King City Union, Salinas City Elementary, Salinas Union, San Antonio Union, and Soledad Unified.

DocuSign Envelope ID: 3E4FB541-CBCA-4B89-A55C-95AD82637A8B

a. Parent Project Senior, Changing Destructive Adolescent Behavior Workshops*

A 10-week course, 1 time per week, for parents/caregivers of youth 11-18 years of age only. The program demonstrates tools to positively change destructive youth behavior, substance abuse, gang adjacent activity, truancy, or violence.

b. Parent Project Junior, Loving Solutions Workshops* (for elementary school sites only)

A 10-week course offered to parents of children with Attention Deficit Hyperactivity Disorder and/or difficult or challenging behaviors. Using activity-based instruction, support groups and curriculum, this course addresses behaviors such as poor school attendance and performance, truancy, media influences, bullying and violence. The curriculum teaches concrete prevention, identification, and intervention strategies for parents with children up to 11 years old. A total of 10-25 adults may be enrolled in the workshop.

c. Familia Adalante**

A 12-week evidence-based, family development model for Hispanic-identifying children ages 10 to 14 who have exhibited early signs of behavioral or emotional challenges. Specifically, youth who are experiencing behavioral problems in their school setting, such as disruptive behavior or poor impulse control; emotional concerns, including withdrawal, shyness, and anxiety; or some degree of academic difficulty not due to a learning disability or lack of English language proficiency. The 12-week program provides psychoeducation in a group format with the goal of assisting families in identifying stressors and risk factors, strengthening family and community ties, and reducing overall levels of stress and risky behavior in youth. Youth and caregivers participate in concurrent classes once a week for 12 weeks with children meeting separately from their caregivers to provide age appropriate and safe spaces for both groups. The program focuses on educating high-risk Latino youth and their caregivers in family and peer communication, substance abuse and HIV prevention, perceptions of harm around engaging in risky behaviors, and positive school bonding.

2. CONTRACTOR shall facilitate parenting courses in both Spanish and English.

3. CONTRACTOR shall provide Parent Project, Loving Solutions and Familia Adalante facilitator training. CONTRACTOR shall identify staff to become a facilitator to increase capacity to provide more parenting classes.

4. CONTRACTOR shall secure space for parenting classes and provide instructional materials. Workshops and facilitator trainings will be delivered at the school site or community-based organization, either in-person or virtually at varying times, depending on each school district's need.

DocuSign Envelope ID: 3E4FB541-CBCA-4B89-A55C-95AD82637A8B

5. The number of parenting workshops, intervention program cycles and facilitator trainings funded through this contract will be based on each participating school district's needs. CONTRACTOR will report the number of parenting workshops, intervention program cycles and facilitator trainings administered at each MHSSA school district/site.

6. CONTRACTOR shall administer pre and post surveys for workshop, intervention programs and facilitator trainings.

7. CONRACTOR shall attend ISF team meetings to coordinate needed parent courses identified by the ISF team for each participating school district.

8. CONTRACTOR shall regularly attend MHSSA Grant Sub-committee meetings to engage in planning and provide input and feedback on all activities for all grant-related activities.

9. CONTRACTOR shall conduct follow up services for parent workshop participants in need of additional behavioral health services and support with referral to the County Behavioral Health Access program or community-based organization.

10. CONTRACTOR shall support the ISF Implementation Plan and comply with all provisions of the Mental Health Student Services Act Grant Program.

V. PROGRAM ELIGIBLITY

Participation in workshops will be by referral from the district parent/community liaison, administrator, school personnel, and PBIS Tier 2/3 teams at the MHSSA school site.

VI. MEETING COMMUNICATIONS

CONTRACTOR will meet regularly with the designated Monterey County Behavioral Health (MCBH) Deputy Director or designee to review contract implementation; contract usage; and to provide a program status including, but not limited to, grant reporting requirements, hiring, and any other relevant issues.

VI. REPORTING REQUIREMENTS

Monterey County Behavioral Health shall provide to CONTRACTOR the reporting requirements and instructions as required by the State Mental Health Services Oversight and Accountability Commission and COUNTY. Reports shall be in compliance with grant reporting requirements and standard funding restrictions set forth in the MHSSA grant. Reports shall be submitted on a monthly basis no later than thirty (30) days following the end of each quarter to MCBH's designated Contract Monitor.

DocuSign Envelope ID: 3E4FB541-CBCA-4B89-A55C-95AD82637A8B

Additionally, monthly reports shall include the following data:

- List of personnel at service locations/points of access (e.g., school sites). Access point location and addresses must be identified.
- List of workshops and facilitator trainings provided per school district and community settings and indicated if facilitated in-person or virtually.
- Number of students and parents/caregivers participants and demographic data for each workshop or facilitator training
- Referral source of each participant
- Outcomes data on quarterly on pre and post surveys.

VII. DESIGNATED CONTRACT MONITOR

Kacey Rodenbush, LMFT
Behavioral Health Services Manager II

Behavioral Health Bureau
1270 Natividad Rd. Salinas, CA 93906
(831) 647-7651

PROGRAM 3: Rainbow Connections Family Support Partner

***Effective January 1, 2024 – June 30, 2025*

I. IDENTIFICATION OF PROVIDER

Partners For Peace
855 East Laurel Drive, Bldg. H, Salinas, CA 93905
Office Telephone: (831) 754-3888
Vicki Law, Executive Director (831) 726-6459
Incorporation status: 501(c) 3

II. PROGRAM GOALS

The goal of this program is to build capacity for parents, caregivers and families with LGBTQ youth to understand and affirmatively respond to the complex issues that LGBTQ youth experience, and to provide culturally responsive services and supports for families of LGBTQ youth. The intended results are to increase family functioning and connectedness, reduce risk and achieve positive mental health outcomes of LGTBQ youth, and promote interagency collaboration for linkage and referrals that will establish an LGBTQ Network of Affirming Care in Monterey County.

III. PROGRAM NARRATIVE

On June 27, 2023, the COUNTY was approved for the Mental Health Services Act (MHSA) Innovation Plan titled "Rainbow Connections". The Rainbow Connections

DocuSign Envelope ID: 3E4FB541-CBCA-4B89-A55C-95AD82637A8B

Innovation Plan has the goal of increasing access to serves for unserved and underserved populations (i.e. LGBTQ youth and their families) and promoting interagency collaboration to result in improved outcomes. Partners for Peace was selected to be one of several participating vendors to support the Rainbow Connections Innovation Plan based on their connection to the parent/caregiver communities across Monterey County, their experience, and concurrent agreement with County of Monterey Behavioral Health Bureau, to implement parenting classes and school-based supports through the School Climate Transformation Grant and Mental Health Student Services Act (MHSSA) as part of Integrated Systems Framework (ISF) implementation.

As a participating vendor in the Rainbow Connections Innovation Plan, Partners for Peace will provide a Family Support Partner (FSP) to serve parents, caregivers and family members of LGBTQ youth in Monterey County. The FSP is to be a peer specialist with shared lived experience who provides culturally responsive education, guidance and support in Family Acceptance Project (FAP) for parents, families and caregivers who are raising a LGBTQ / gender diverse child. The FSP will be bilingual in Spanish and have knowledge and experience in providing support for families with LGBTQ / gender diverse children who experience emotional, behavioral, mental health, developmental or other health challenges. Their role is to increase family acceptance through offering culturally responsive individual and group support, help them to engage, advocate for, and actively participate in obtaining services and care and make informed decisions to reduce their LGBTQ child's risk of mental health problems and to increase well-being and family connectedness. Additionally, the role of the FSP will be to engage the communities of Monterey County in increasing awareness of the importance of family acceptance for LGBTQ youth through outreach efforts and distribution of FAP informational materials.

IV. SERVICE DESCRIPTION

1. CONTRACTOR shall provide 1.0 FTE FSP staff position. The role and responsibilities of the FSP include, but are not limited to:

    a. Using personal and professional life experience to provide consultation and coaching to increase awareness and improve parent/caregiver-professional partnerships and maximize parent/caregiver voice, choice, and involvement to decrease risk of mental health problems, increase well-being and connect LGBTQ youth and families to appropriate services, using principles of FAP family support practice and competencies.

    b. Participate in Family Acceptance Project (FAP) training and coaching to learn about FAP's family support model to be implemented in Monterey county through the Rainbow Connections project.

DocuSign Envelope ID: 3E4FB541-CBCA-4B89-A55C-95AD82637A8B

c. Provide FAP family support strategies to parents, caregivers and family members to decrease rejecting behaviors and increase family support, particularly in the context of the family's cultural and religious backgrounds.

d. Utilize the evidence-based resources that FAP has developed to help families learn to support and affirm their LGBTQ child.

e. Provide individual peer support to diverse parents, caregivers and other family members as needed.

f. Assist parents and caregivers to access appropriate services and care for their LGBTQ child, both locally and online.

g. Assist parents and caregivers to address and/or navigate institutional barriers to meet the mental health and medical needs of LGBTQ youth, address problems such as bullying, and advocate for their LGBTQ child's needs.

h. Work collaboratively with the FAP to develop content for family support groups for parents and caregivers with LGBTQ children and youth, in English and Spanish.

i. Facilitate support groups for parents and caregivers with LGBTQ children and youth, in English and Spanish.

j. Distribute FAP Healthy Futures posters in English and Spanish in school and community settings.

k. Participate in community outreach events and on radio to share information on FAP and the Rainbow Connections program and increase program access and visibility.

l. Provide presentations on supports available through Rainbow Connections to community stakeholders to increase awareness and engagement in supporting LGBTQ+ youth and their families.

m. Participate on the Rainbow Connections Service Strategy Committee to inform decision making and to ensure that all collaborative partners involved in the project are implementing training, services and supports as outlined in the project and in accordance with the agreed budget.

n. Include information on FAP and Rainbow Connections program on Partners for Peace website.

DocuSign Envelope ID: 3E4FB541-CBCA-4B89-A55C-95AD82637A8B

2. CONTRACTOR shall assist COUNTY in meeting the following service goals:

    a. Provide FAP materials and include FAP Healthy Futures posters in parenting classes provided through Partners for Peace to 250 parent/caregivers in FY2023/24 and 300 parents/caregivers in FY2024/25.

    b. Provide FAP centered group consultation and support to 10 parent/caregivers in FY2023/24 and 20 parents/caregivers in FY2024/25.

    c. Provide FAP centered individualized services and supports to 10 parent/caregivers in FY2023/24 and 25 parents/caregivers in FY2024/25.

3. CONTRACTOR shall participate as part of the Executive Sponsors planning group. Participants in this group are persons holding executive decision-making authority among participating organizations. This group will convene on an ad hoc basis, while also being continuously informed and engaged on the progress and evaluation made with Rainbow Connections activities. This group will also be kept informed of actions and direction offered by the Rainbow Connections Service Strategy Committee and Rainbow Connections Advisory Group. The function of the Executive sponsors is then to fulfill administrative duties to support or sustain the LGBTQ Network of Affirming care over the term of this Innovation Plan, and ideally beyond.

4. CONTRACTOR shall participate on the Rainbow Connections Service Strategy Committee, which serves as the main oversight body for Rainbow Connections for the purposes of guiding the mission and objectives of this project. Members of the committee include key project staff. This committee will meet monthly to ensure that all collaborative partners involved in the project are implementing training, services and supports as outlined in the project and in accordance with the agreed budget.

V. PROGRAM ELIGIBLITY

The primary population of focus to be served and benefit through this project are LGBTQ Youth up to age 24 and their families. Participation in FSP-provided trainings and consultation will be by referral from the district parent/community liaison, administrator, school personnel, and PBIS Tier 1/2/3 teams.

VI. MEETING COMMUNICATIONS

CONTRACTOR will meet regularly with the designated Monterey County Behavioral Health (MCBH) Deputy Director or designee to review contract implementation; contract usage; and to provide a program status including, but not limited to, grant reporting requirements, hiring, and any other relevant issues.

DocuSign Envelope ID: 3E4FB541-CBCA-4B89-A55C-95AD82637A8B

VII. REPORTING REQUIREMENTS

Monterey County Behavioral Health shall provide to CONTRACTOR the reporting requirements and instructions for submission procedure or format of reporting as required by the State Mental Health Services Oversight and Accountability Commission (MHSOAC) and COUNTY. Reports shall be in compliance with MHSA regulations and formats defined by COUNTY. Reports shall be submitted on a quarterly basis, no later than thirty (30) days following the end of each month, to MCBH's designated Contract Monitor.

Additionally, quarterly reports shall include, but not be limited to, the following data:

- Activities and engagements associated with FAP
- Description of trainings, group consultations and individual consultations provide by FSP.
- Number and demographics of individuals receiving training from FSP
- Number and demographics of individuals receiving group consultation from FSP
- Number and demographics of individuals receiving individual consultation from FSP
- Activities and engagements associated with other Rainbow Connections vendors
- Number and type of Rainbow Connections service referrals provided to participants
- Number of FAP Healthy Futures posters distributed in school and community settings, including participants in parenting classes provided by Partners for Peace (Strengthening Families, Loving Solutions, Parent Project and Familia Adelante)

VIII. DESIGNATED CONTRACT MONITOR

FY 2023-24	$17,666.66	$212,000
FY 2024-25	$17,666.66	$212,000
Total Maximum Annual Amount for FY 2022-25		**$756,000**

DocuSign Envelope ID: 3E4FB541-CBCA-4B89-A55C-95AD82637A8B

Program 2: Interconnected Systems Framework (ISF)

Fiscal Year (FY)	Monthly Invoice Amount	Total Annual Amount
FY 2021-22	-	$13,750
FY 2022-23	$3,284.66	$39,416
FY 2023-24 (7/1/2023-12/31/2023)	$3,284.66	$197,511
FY 2023-24 (1/1/2024-6/30/2024)	$29,633.84	
FY 2024-25	$16,771.83	$201,262
Total Maximum Annual Amount for FY 2022-24		**$451,939**

A. MHSSA Conference Travel:
County shall reimburse CONTRACTOR for eligible travel expenses related to professional development and conference registration at the rate set forth in the County Travel and Business Expense Reimbursement Policy. CONTRACTOR shall submit travel claims with required documentation for reimbursement according to the County Travel and Business Expense Reimbursement Policy. The total reimbursement for travel shall not exceed **$7,217**.

Program 3: Rainbow Connections Family Support Partner

Fiscal Year (FY)	Monthly Invoice Amount	Total Annual Amount
FY 2021-22	-	-
FY 2022-23	-	-
FY 2023-24 (1/1/2024-6/30/2024)	$33,350	$200,100
FY 2024-25	$16,319.33	$195,832
Total Maximum Annual Amount for FY 2022-25		**$395,932**

III. PAYMENT CONDITIONS

A. In order to receive any payment under this Agreement, CONTRACTOR shall submit reports and claims in such form as General Ledger, Payroll Report and other accounting documents as needed, and as may be required by the County of Monterey Department of Health, Behavioral Health Bureau. Specifically, CONTRACTOR shall submit its

DocuSign Envelope ID: 3E4FB541-CBCA-4B89-A55C-95AD82637A8B

claims on Cost Reimbursement Invoice Form provided as Exhibit G, to this Agreement, along with backup documentation, on a monthly basis, to COUNTY so as to reach the Behavioral Health Bureau no later than the thirtieth (30th) day of the month following the month of service. See Section III, above, for payment amount information to be reimbursed each fiscal year period of this Agreement. The amount requested for reimbursement shall be in accordance with the approved budget and shall not exceed the actual net costs incurred for services provided under this Agreement.

CONTRACTOR shall submit via email a monthly claim using Exhibit G, Cost Reimbursement Invoice Form in Excel format with electronic signature along with supporting documentations, as may be required by the COUNTY for services rendered to: MCHDBHFinance@co.monterey.ca.us

B. CONTRACTOR shall submit all claims for reimbursement under this Agreement within thirty (30) calendar days after the termination or end date of this Agreement. All claims not submitted after thirty (30) calendar days following the termination or end date of this Agreement shall not be subject to reimbursement by the COUNTY. Any claim(s) submitted for services that preceded thirty (30) calendar days prior to the termination or end date of this Agreement may be disallowed, except to the extent that such failure was through no fault of CONTRACTOR. Any "obligations incurred" included in claims for reimbursements and paid by the COUNTY which remain unpaid by the CONTRACTOR after thirty (30) calendar days following the termination or end date of this Agreement shall be disallowed, except to the extent that such failure was through no fault of CONTRACTOR under audit by the COUNTY.

C. If CONTRACTOR fails to submit claim(s) for services provided under the terms of this Agreement as described above, the COUNTY may, at its sole discretion, deny payment for that month of service and disallow the claim.

D. COUNTY shall review and certify CONTRACTOR'S claim either in the requested amount or in such other amount as COUNTY approves in conformity with this Agreement, and shall then submit such certified claim to the COUNTY Auditor. The County Auditor-Controller shall pay the amount certified within thirty (30) calendar days of receiving the certified invoice.

E. To the extent that the COUNTY determines CONTRACTOR has improperly claimed services, COUNTY may disallow payment of said services and require CONTRACTOR to resubmit said claim of services for payment, or COUNTY may make corrective accounting transactions.

DocuSign Envelope ID: 3E4FB541-CBCA-4B89-A55C-95AD82637A8B

F. If COUNTY certifies payment at a lesser amount than the amount requested COUNTY shall immediately notify the CONTRACTOR in writing of such certification and shall specify the reason for it. If the CONTRACTOR desires to contest the certification, the CONTRACTOR must submit a written notice of protest to the COUNTY within twenty (20) calendar days after the CONTRACTOR'S receipt of the COUNTY notice. The parties shall thereafter promptly meet to review the dispute and resolve it on a mutually acceptable basis. No court action may be taken on such a dispute until the parties have met and attempted to resolve the dispute in person.

IV. MAXIMUM OBLIGATION OF COUNTY

A. Subject to the limitations set forth herein, COUNTY shall pay to CONTRACTOR during the term of this Agreement a maximum amount of **$1,603,871** for services rendered under this Agreement.

B. Maximum Annual Liability:

FISCAL YEAR LIABILITY	AMOUNT
FY 2021 - 2022	$133,750
FY 2022 - 2023	$251,416
FY 2023 - 2024	$609,611
FY 2024 – 2025	$609,094
TOTAL MAXIMUM LIABILITY	**$1,603,871**

C. If, as of the date of signing this Agreement, CONTRACTOR has already received payment from COUNTY for services rendered under this Agreement, such amount shall be deemed to have been paid out under this Agreement and shall be counted towards COUNTY'S maximum liability under this Agreement.

D. If for any reason this Agreement is canceled, COUNTY'S maximum liability shall be the total utilization to the date of cancellation not to exceed the maximum amount listed above.

E. As an exception to Section D. above with respect to the Survival of Obligations after Termination, COUNTY, any payer, and CONTRACTOR shall continue to remain obligated under this Agreement with regard to payment for services required to be rendered after termination.

VI. BILLING AND PAYMENT LIMITATIONS

Adjustment of Claims Based on Other Data and Information: The COUNTY shall have the right to adjust claims based upon data and information that may include, but are not limited to, COUNTY'S claims processing information system reports, remittance advices, and billing system data.

DocuSign Envelope ID: 3E4FB541-CBCA-4B89-A55C-95AD82637A8B

VII. LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS

A. This Agreement shall be subject to any restrictions, limitations, or conditions imposed by State which may in any way affect the provisions or funding of this Agreement, including, but not limited to, those contained in State's Budget Act.

B. This Agreement shall also be subject to any additional restrictions, limitations, or conditions imposed by the Federal government which may in any way affect the provisions or funding of this Agreement.

C. In the event that the COUNTY'S Board of Supervisors adopts, in any fiscal year, a COUNTY Budget which provides for reductions in COUNTY Agreements, the COUNTY reserves the right to unilaterally reduce its payment obligation under this Agreement to implement such Board reductions for that fiscal year and any subsequent fiscal year during the term of this Agreement, correspondingly. The COUNTY'S notice to the CONTRACTOR regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such action.

D. Notwithstanding any other provision of this Agreement, COUNTY shall not be obligated for CONTRACTOR'S performance hereunder or by any provision of this Agreement during any of COUNTY'S current or future fiscal year(s) unless and until COUNTY'S Board of Supervisors appropriates funds for this Agreement in COUNTY'S Budget for each such fiscal year. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. COUNTY shall notify CONTRACTOR of any such non-appropriation of funds at the earliest possible date and the services to be provided by the CONTRACTOR under this Agreement shall also be reduced or terminated.

VIII. AUTHORITY TO ACT FOR THE COUNTY

The Director of the Health Department of the County of Monterey may designate one or more persons within the County of Monterey for the purposes of acting on his/her behalf to implement the provisions of this Agreement. Therefore, the term "Director" in all cases shall mean "Director or his/her designee."

Version: 1

Matter Type: BoS Agreement

Approve and authorize the Director of Health Services or designee to execute Amendment No. 4 to Mental Health Services Agreement A-15506 between The County of Monterey and Partners for Peace for the provision of new and additional prevention and early intervention outreach and engagement services, retroactive to January 1, 2024, which adds $358,195 in FY 2023-2024 and $357,678 in FY 2024-25, for a new total Agreement amount not to exceed $1,603,871 for a term of July 1, 2021 through June 30, 2025.

RECOMMENDATION:

It is recommended that the Board of Supervisors:
Approve and authorize the Director of Health Services or designee to execute Amendment No. 4 to Mental Health Services Agreement A-15506 between The County of Monterey and Partners for Peace for the provision of new and additional prevention and early intervention outreach and engagement services, retroactive to January 1, 2024, which adds $358,195 in FY 2023-2024 and $357,678 in FY 2024-25, for a new total Agreement amount not to exceed $1,603,871 for a term of July 1, 2021 through June 30, 2025.

SUMMARY/DISCUSSION

As part of the County of Monterey Health Department, Behavioral Health Bureau's Access and Mental Health Services Act (MHSA) outreach, engagement and mental health programs the County currently has Agreement A-15506 with Partners for Peace to meet goals and objectives outlined in the County's MHSA Plan. Since MHSA revenues are higher than budgeted and this agency has the capacity to increase services delivered to the community, approval for amending Agreement to increase budget amount for Program 2: Interconnected Systems Framework is being sought.

Additionally, On May 25, 2023, the County of Monterey Behavioral Health Bureau received approval from the Mental Health Services Oversight and Accountability Commission (MHSOAC) for the "Rainbow Connections" MHSA Innovation Program. This Innovation Program aims to improve the mental health outcomes and functioning of LGBTQ youth and their families by promoting interagency communication and collaboration across youth-serving systems, and through building capacity among youth-serving adults to identify and respond affirmatively to the needs of LGTBQ youth up to age 24. Multiple vendors will assist the County in the implementation and evaluation of the Rainbow Connections Innovation Program. Partners for Peace will maintain an important role in this project by providing school and community outreach, parent and family supports, and facilitating referrals for mental health services for LGBTQ youth and their families.

DocuSign Envelope ID: 0462BB68-EE1D-49B4-ACE8-6A9C0FF0208A

This agreement is late in being presented to your Board due to ongoing negotiations with a separate vendor and agreement that will operate in conjunction with this agreement.

This work supports the Monterey County Health Department 2018-2024 Strategic Plan Goal(s): 3) Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports one of the ten essential public health services, specifically: 7) Link people to needed personal health services and assure the provision of health care when otherwise unavailable.

OTHER AGENCY INVOLVEMENT

County Counsel and Auditor-Controller have reviewed and approved as to legal form and fiscal provisions respectively.

FINANCING

This Amendment No. 4 is funded by MHSA PEI and INN funds. The added funds in the amount of $358,195 in FY 2023-2024 are included in the Health Department's Behavioral Health (HEA012, Unit 8410) FY 2023-24 Adopted Budget, and the added funds in the amount of $357,678 in FY 2024-25 will be included in the Health Department's Behavioral Health (HEA012, Unit 8410) FY 2024-25 Requested Budget.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

☐ Economic Development:

- Through collaboration, strengthen economic development to ensure a diversified and healthy economy.

☐ Administration:

- Promote an organization that practices efficient and effective resource management and is recognized for responsiveness, strong customer orientation, accountability and transparency.

☒ Health & Human Services:

- Improve health and quality of life through County supported policies, programs, and services; promoting access to equitable opportunities for healthy choices and healthy environments in collaboration with communities.

☐ Infrastructure:

- Plan and develop a sustainable, physical infrastructure that improves the quality of life for County residents and supports economic development results.

☐ Public Safety:

- Create a safe environment for people to achieve their potential, leading businesses and communities to thrive and grow by reducing violent crimes as well as crimes in general.

ADDENDUM TO TERMS
BETWEEN
Thermo Electron North America LLC ("Seller")
AND
County of Monterey ("Buyer")

Agreement No. 00588984

This Addendum to Buyer's "Standard Agreement" (hereinafter referred to as the "Terms") is made and entered into on August 18, 2023 (the "Effective Date") by and between Buyer and Seller. Buyer and Seller may be referred to individually as a "Party" or collectively as the "Parties" herein.

NOW, THEREFORE, the Parties agree as follows:

1. **Section 8 "Indemnification**" is deleted in its entirety and replaced as follows:

"By Seller. Seller will indemnify, defend and save Buyer, its officers, directors, and employees from and against any and all damages, liabilities, actions, causes of action, suits, claims, demands, losses, costs and expenses (including without limitation reasonable attorneys' fees) ("Indemnified Items") asserted by another party against Buyer for (i) bodily injury to or death of persons or damage to tangible property to the extent caused by the negligence or willful misconduct of Seller, its employees, agents or representatives or contractors in connection with the performance of services under this Agreement; and (ii) claims that a Product infringes any U.S. patent, copyright or trade secret; provided, however, Seller's liability under this Section does not extend to any such Indemnified Items caused by either (iii) the gross negligence or willful misconduct of Buyer, its employees, agents or representatives or contractors, (iv) by any third party, (v) use of a Product in combination with equipment or software not supplied by Seller where the Product alone would not be infringing, (vi) Seller's compliance with Buyer's designs, specifications or instructions, (vii) use of the Product in an application or environment for which it was not designed, or (viii) modifications of the Product by anyone other than Seller without Seller's prior written approval. Buyer will promptly notify Seller in writing of any claim covered by Seller's indemnification obligations hereunder. Seller may assume exclusive control of the defense of such claim or, at the option of the Seller, to settle the same. Buyer agrees to cooperate reasonably with Seller in connection with the performance by Seller of its obligations in this Section.

Notwithstanding the above, Seller's infringement related indemnification obligations shall be extinguished and relieved if Seller, at its discretion and at its own expense (a) procures for Buyer the right, at no additional expense to Buyer, to continue using the Product; (b) replaces or modifies the Product so that it becomes non-infringing, provided the modification or replacement does not adversely affect the specifications of the Product; or (c) in the event (a) and (b) are not practical, refund to Buyer the amortized amounts paid by Buyer with respect thereto, based on a five (5) year amortization schedule. THE FOREGOING INDEMNIFICATION PROVISION STATES SELLER'S ENTIRE LIABILITY TO BUYER FOR, AND BUYER'S SOLE AND EXCLUSIVE REMEMDY IN RESPECT OF, THE CLAIMS DESCRIBED HEREIN.

2. Section 9 "Insurance" is deleted in its entirety and replaced with the following:

" For the term of a support plan and/or for the provision of on-site Services purchased hereunder, as applicable, Seller agrees to maintain and carry liability insurance in amounts set forth below with insurance companies rated A- or better by "BEST" rating services. Insurance includes (a) commercial general liability insurance for a limit of US$2,000,000 (two million) for each occurrence and US$4,000,000 (four million) in the aggregate, (b) Statutory workers' compensation and employer's

DocuSign Envelope ID: 4D92BFFE-C8A2-4CAD-B6E9-A2C0A911878E

liability insurance for a limit of US$1,000,000 (one million), (c) Automobile liability of US$2,000,000 (two million) and (d) Umbrella coverage of US$5,000,000 (five million). Upon request from Buyer related to applicable Services, Seller will provide to Buyer a certificate of insurance using the standard ACORD form to evidence the insurance coverage required herein."

3. Section 14.01 "Independent Contractor" is modified to remove this sentence:

"In connection therewith, Contractor shall defend, indemnify, and hold County harmless from and any and all liability which County may incur because of Contractor's failure to pay such taxes."

4. Section 16.06 "Assignment and Subcontracting" and Section 16.07 "Successors and Assigns" are deleted in their entirety and replaced with the following:

"This Agreement may not be assigned or transferred without each Party's prior written consent, which consent shall not be unreasonably withheld. Subject to each Party's approval this Agreement will be binding upon and inure to the benefit of, and be enforceable by, each Party and its successors and assigns. Notwithstanding anything to the contrary, each Party has the right to disclose the terms and conditions of this Agreement to the extent necessary to establish rights or enforce obligations under this Agreement."

Sections to be added

5. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED HEREIN, THE LIABILITY OF EITHER PARTY UNDER THESE TERMS AND CONDITIONS (WHETHER BY REASON OF BREACH OF CONTRACT, TORT, INDEMNIFICATION, OR OTHERWISE, BUT EXCLUDING LIABILITY OF SELLER FOR BREACH OF WARRANTY (THE SOLE REMEDY FOR WHICH IS PROVIDED UNDER THE PRODUCT AND SERVICES WARRANTIES HEREIN) SHALL NOT EXCEED AN AMOUNT EQUAL TO THE LESSER OF (A) THE TOTAL PURCHASE PRICE THERETOFORE PAID BY BUYER TO SELLER WITH RESPECT TO THE PRODUCT(S) OR SERVICES GIVING RISE TO SUCH LIABILITY OR (B) ONE MILLION DOLLARS ($1,000,000), PROVIDED HOWEVER, THAT THE FOREGOING LIMITATION DOES NOT APPLY TO LIABILITY FOR INFRINGEMENT OR MISAPPROPRIATION OF SELLER'S INTELLECTUAL PROPERTY. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED HEREIN, IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR ANY INDIRECT, SPECIAL, CONSEQUENTIAL, OR INCIDENTAL DAMAGES (INCLUDING WITHOUT LIMITATION DAMAGES FOR LOSS OF USE OF FACILITIES OR EQUIPMENT, LOSS OF REVENUE, LOSS OF DATA, LOSS OF PROFITS OR LOSS OF GOODWILL), REGARDLESS OF WHETHER IT (a) HAS BEEN INFORMED OF THE POSSIBILITY OF SUCH DAMAGES OR (b) IS NEGLIGENT.

6. Seller's sole obligation with respect to the Services is to provide the quoted Services in a workmanlike manner and if Buyer provides notice of defect in Service within ninety (90) days of completion of such Services, Seller will, at its sole option, either reperform the Services without charge to Buyer or grant Buyer a credit for the amount paid by Buyer with respect to such Service. Seller warrants that the Products will operate or perform substantially in conformance with Seller's published specifications and be free from defects in material and workmanship, when subjected to normal, proper and intended usage by properly trained personnel, for the period of time set forth in the Product documentation, published specifications or package inserts (the "Warranty Period"). If a Warranty Period is not specified in Seller's Product documentation, published specifications, or package inserts, the Warranty Period for new instruments is twelve (12) months from the date of shipment to Buyer; and for all other Products is ninety (90) days from the date of shipment. During the Warranty Period, Seller agrees to repair or replace, at Seller's option, defective Products so as to cause the same to operate in substantial conformance with Seller's published specifications; provided that Buyer (a) promptly notifies Seller in writing upon the discovery of any covered defect in the Products, including the Product model and serial number (if applicable) and details of the warranty claim; and (b) after Seller's review, Seller will provide Buyer with an RMA number and services data, which may include biohazard decontamination procedures and other Product-specific handling instructions. Then, if applicable, Buyer may return the defective Products to Seller with all costs prepaid by Buyer. Replacement parts may be new or refurbished, at the election of Seller. All replaced parts shall become the property of Seller. Shipment to Buyer of repaired or replacement Products will be made in accordance with

DocuSign Envelope ID: 4D92BFFE-C8A2-4CAD-B6E9-A2C0A911878E

the delivery terms of this Agreement. Except for new consumable items manufactured and sold by Seller, this warranty expressly excludes all other consumable parts or components (e.g., bulbs, belts, cartridges, etc.) in the Products. If Seller elects to repair defective medical device instruments, Seller may, in its sole discretion, provide a replacement loaner instrument to Buyer as necessary for use while the instruments are being repaired.
Notwithstanding the foregoing, Products supplied by Seller that are obtained by Seller from an original manufacturer or third party supplier are not warranted by Seller; but Seller agrees to assign to Buyer any warranty rights in such Product that Seller may have from the original manufacturer or third party supplier, to the extent such assignment is allowed by such original manufacturer or third party supplier.

In no event shall Seller have any obligation to make repairs, replacements or corrections under the Warranty, in whole or in part, as the result of or with respect to: (a) use of the Products in a manner for which they were not designed; (b) improper storage and handling of the Products; (c) use of the Products in combination with equipment or software not supplied by Seller (d) shipping damage incurred en route to Buyer's site or because of moving equipment, in which case Seller will promptly provide a cost estimate for technical support to the consignee for filing claims to carriers for shipping damage; (e) flood, lightning, earthquake, tornado, hurricane or fire, bombing, armed conflict, malicious mischief, sabotage or other natural or man-made disasters; (f) normal wear and tear, physical abuse, misuse, sprinkler damage, electrical surge or abnormal power variation; (g) repairs, maintenance, or modifications made by anyone other than Seller trained personnel or without Seller's supervision and/or approval; (h) relocation and reinstallation of equipment; although upon request Seller will supervise the removing, crating, relocation and reinstallation of the Products at Seller's current Services rates; (i) maintenance or replacement of media (i.e., floppy disks, plotter supplies, etc.) whatever the reason for loss, failure or damage; (j) beta-site support; (k) operator training; or (l) repairing Product malfunctions if the fault is not with the equipment. If Seller determines that Products for which Buyer requested warranty services are not covered by this warranty, Buyer will pay or reimburse Seller for all costs of investigating and responding to such request at Seller's then prevailing time and materials rates. If Seller provides Services or replacement parts that are not covered by this warranty, Buyer shall pay Seller therefor at Seller's then prevailing time and materials rates.

ANY INSTALLATION, MAINTENANCE, REPAIR, SERVICE, RELOCATION OR ALTERATION TO OR OF, OR OTHER TAMPERING WITH, THE PRODUCTS PERFORMED BY ANY PERSON OR ENTITY OTHER THAN SELLER WITHOUT SELLER'S PRIOR WRITTEN APPROVAL, OR ANY USE OF REPLACEMENT PARTS NOT SUPPLIED BY SELLER, SHALL IMMEDIATELY VOID AND CANCEL ALL WARRANTIES WITH RESPECT TO THE AFFECTED PRODUCTS AND/OR SERVICES. THE OBLIGATIONS CREATED BY THIS WARRANTY STATEMENT FOR SELLER TO REPAIR OR REPLACE A DEFECTIVE PRODUCT OR TO REPERFORM OR CREDIT THE PRICE OF DEFECTIVE SERVICES SHALL BE THE SOLE REMEDY OF BUYER FOR SUCH DEFECTIVE PRODUCTS OR SERVICES UNDER THIS AGREEMENT. EXCEPT AS EXPRESSLY PROVIDED IN THIS WARRANTY STATEMENT, SELLER DISCLAIMS ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, ORAL OR WRITTEN, WITH RESPECT TO THE PRODUCTS, INCLUDING WITHOUT LIMITATION ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR ANY PARTICULAR PURPOSE, OR NONINFRINGEMENT. SELLER DOES NOT WARRANT THAT THE PRODUCTS OR SERVICES ARE ERROR-FREE OR WILL ACCOMPLISH ANY PARTICULAR RESULT.

7. Seller retains all rights in, title to and ownership of (i) any and all software provided to Buyer under this Agreement, which is licensed, not sold, to Buyer, solely for the purposes of Buyer's use and operation of the Products; and (ii) all services deliverables provided by Seller under this Agreement, whether related to Products or otherwise.

8. Buyer acknowledges that each Product and any related services, software and technology, including technical information supplied by Seller or contained in documents (collectively "Items"), may be subject to export controls of the U.S. government and/or other governments. Such export controls may include, but are not limited to, the Export Administration Regulations of the U.S. Department of Commerce (the "EAR"), which may restrict or require licenses for the export of Items from the U.S. and their re-export from other countries and all other applicable laws, regulations, laws, treaties, and agreements relating to the export, re-export, and import of any Item. Buyer shall not export, re-export, distribute or supply any Item, directly or indirectly, to (i) any country, person or entity, in each case, without first obtaining from the U.S. government and/or other appropriate government agency any license required to do so lawfully; (ii) any person or organization in Cuba, Iran, North Korea, Sudan, Syria, or other country then the subject of a U.S. embargo, or any person or entity considered a part of the government of any such country; or (iii) any person or entity

DocuSign Envelope ID: 4D92BFFE-C8A2-4CAD-B6E9-A2C0A911878E

who is involved in improper development or use of nuclear weapons, or of chemical/biological weapons (CBW) or missiles, or in terrorist activities. Buyer shall cooperate fully with Seller in any official or unofficial audit or inspection related to applicable export or import control laws or regulations, and shall indemnify and hold Seller harmless from, or in connection with, any violation of this Section by Buyer or its employees, consultants, agents and/or representatives.

*****

This Addendum and the Terms together form an agreement ("Agreement") between Buyer and Seller. The Agreement constitutes the entire understanding between the Buyer and Seller and shall not be amended, altered or changed except by a written agreement signed by the Parties hereto. In the event of a conflict between this Addendum and the Terms, the terms of this Addendum shall prevail. Any additional or conflicting terms and conditions to those in the Agreement, either written or verbal, are of no force and effect upon the Parties.

The Parties agree that this Agreement shall apply to all purchase orders issued by Buyer until July 31, 2026, whether or not such terms are included with or incorporated by reference in such orders.

IN WITNESS WHEREOF, the Parties have caused this Addendum to be duly executed on the date last signed by the Parties herein below.

Introduced: 12/19/2023

Current Status: Health Department - Consent

Version: 1

Matter Type: BoS Agreement

a. Approve and authorize the Director of Health Services or designee to execute a non-standard agreement with Thermo Electron N. America, LLC, for the purchase of new laboratory equipment and two years of preventative maintenance, effective upon execution, to January 31, 2027, for a total agreement amount of $170,523; and
b. Approve a non-standard agreement as recommended by the Director of Health Services; and
c. Approve and authorize the Director of Health Services or designee to sign up to three future amendments where the combined amendments do not exceed 10% ($17,052) of the original amount and does not significantly change the scope of work, total not to exceed a maximum of $187,575.

RECOMMENDATION:

It is recommended that the County of Monterey Board of Supervisors:
a. Approve and authorize the Director of Health Services or designee to execute a non-standard agreement with Thermo Electron N. America, LLC, for the purchase of new laboratory equipment and two years of preventative maintenance, effective upon execution, to January 31, 2027, for a total agreement amount of $170,523; and
b. Approve a non-standard agreement as recommended by the Director of Health Services; and
c. Approve and authorize the Director of Health Services or designee to sign up to three future amendments where the combined amendments do not exceed 10% ($17,052) of the original amount and does not significantly change the scope of work, total not to exceed a maximum of $187,575.

SUMMARY DISCUSSION:

The County of Monterey Health Department, Public Health Bureau, Consolidated Environmental Laboratory is an Environmental Lab Accreditation Program (ELAP)-certified laboratory that routinely analyzes drinking water for bacterial and chemical contaminants. The Consolidated Environmental Laboratory also conducts tests on samples derived from the environment for the purpose of assuring safe food, drinking water, reclaimed water, storm water run-off, and irrigation water.

The Consolidated Environmental Laboratory seeks approval to enter into an agreement with Thermo Electron North America, LLC, to purchase, install, and maintain an iCAP RQplus argon gas dilution mass spectrometer. The iCAP RQplus is a trace element analyzer. It will improve laboratory efficiency by providing higher throughput, streamlining analysis in one piece of equipment, and increasing detection sensitivity.

DocuSign Envelope ID: 1A74E5C6-3476-4BB6-8B57-60DD57A5D315

This work supports the County of Monterey Health Department 2018-2024 Strategic Plan Goals: 2. Enhance public health and safety through prevention, and 3. Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports two of the ten essential public health services, specifically: 2. Investigate, diagnose, and address health problems and hazards affecting the population, 4. Strengthen, support, and mobilize communities and partnerships to improve health.

OTHER AGENCY INVOLVEMENT:
The Office of the County Counsel has reviewed and approved this Agreement as to legal form. Auditor-Controller has reviewed and approved this Agreement as to fiscal provisions.

FINANCING:
Appropriations for this Agreement are included in the Health Department's (HEA003-8124) FY 2023-24 Adopted Budget. The agreement is funded 49% by California Department of Public Health (CDPH) Epidemiology and Laboratory Capacity (ELC) Public Health Lab (PHL) grant funds for FY2023-2024 and 51% through Public Health Realignment. FY2024-2027 costs will be funded 100% through Public Health Realignment.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
Check the related Board of Supervisors Strategic Initiatives:

☐ Economic Development:
- Through collaboration, strengthen economic development to ensure a diversified and healthy economy.

☐ Administration:
- Promote an organization that practices efficient and effective resource management and is recognized for responsiveness, strong customer orientation, accountability and transparency.

☒ Health & Human Services:
- Improve health and quality of life through County supported policies, programs, and services; promoting access to equitable opportunities for healthy choices and healthy environments in collaboration with communities.

☐ Infrastructure:
- Plan and develop a sustainable, physical infrastructure that improves the quality of life for County residents and supports economic development results.

☐ Public Safety:
- Create a safe environment for people to achieve their potential, leading businesses and communities to thrive and grow by reducing violent crimes as well as crimes in general.

AMENDMENT NO. 1 TO MENTAL HEALTH SERVICES AGREEMENT A-15377
BY AND BETWEEN
COUNTY OF MONTEREY AND COMMUNITY HOSPITAL OF THE MONTEREY PENINSULA

THIS AMENDMENT NO. 1 is made to AGREEMENT A-15377 for the provision of mental health services to adults with severe psychiatric disabilities in a Hospital Inpatient and Day Treatment Intensive Services model, to include Crisis Stabilization Unit (CSU) Services for Adults and Children, by and between the **COMMUNITY HOSPITAL OF THE MONTEREY PENINSULA,** hereinafter "CONTRACTOR," and the County of Monterey, a political subdivision of the State of California, hereinafter referred to as "COUNTY."

WHEREAS, the COUNTY entered into a Mental Health Services Agreement No. A-15377 with the Community Hospital of the Monterey Peninsula in the amount of $335,520 for the term of July 1, 2021 to June 30, 2024 for the provision of mental health services for Monterey County adult residents with severe psychiatric disabilities in a Hospital Inpatient and Day Treatment Intensive Services model on an Inpatient Fee-for-Service Medi-Cal program; and

WHEREAS, the COUNTY and CONTRACTOR hereby request to amend the Mental Health Services Agreement No. A-15377 with revised EXHIBIT A-1 Program Description and revised EXHIBIT B-1 Payment and Billing Provisions, to outline new services and increase the total COUNTY obligation by $1,542,860 for FY 2023-24 to fund the addition of new Crisis Stabilization Unit services retroactive to July 1, 2023, thereby increasing the total amount of the Agreement by 460%, for a revised total contract amount of $1,878,380 for the same full term of FY 2021-22 through FY 2023-24.

NOW THEREFORE, the County and CONTRACTOR hereby agree to amend the AGREEMENT as follows:

1. EXHIBIT A-1 PROGRAM DESCRIPTION replaces EXHIBIT A. All references in the Agreement to EXHIBIT A shall be construed to refer to EXHIBIT A-1.

2. EXHIBIT B-1 PAYMENT AND BILLING PROVISIONS replaces EXHIBIT B. All references in the Agreement to EXHIBIT B shall be construed to refer to EXHIBIT B-1.

3. EXHIBIT H-1 BEHAVIORAL HEALTH COST REIMBURSEMENT INVOICE FORM is added to this Amendment to facilitate invoicing and payment for new CSU services effective FY 2023-24.

4. Except as provided herein, all remaining terms, conditions and provisions of the AGREEMENT are unchanged and unaffected by this AMENDMENT and shall continue in full force and effect as set forth in the AGREEMENT.

5. This Amendment is effective July 1, 2023.

DocuSign Envelope ID: 88521002-5611-49E8-BECB-F4804A757E3B

6. A copy of the AMENDMENT shall be attached to the original AGREEMENT executed by the County on June 30, 2021.

(The remainder of this page is left intentionally blank)

EXHIBIT A-1: PROGRAM 1 DESCRIPTION – Medi-Cal Fee-for-Service Program

I. IDENTIFICATION OF PROVIDER

Community Hospital of the Monterey Peninsula
P.O. BOX HH
Monterey, CA 93942

II. INCORPORATION STATUS / TYPE OF FACILITY LICENSE

Not-for-Profit Corporation / Medi-Cal Certified Acute Hospital

III. PROGRAM NARRATIVE

Community Hospital of the Monterey Peninsula (CHOMP) will provide specialty inpatient professional and mental health services designed to insure appropriate psychiatric treatment within a secure setting.

IV. PROGRAM GOALS

The goal of the inpatient unit is to treat and stabilize patients who meet Medical Necessity Criteria for specialty inpatient mental health services and to coordinate with other programs within the local behavioral health system so as to enable all clients to function at an optimum level within the community.

V. PROGRAM OBJECTIVES

A. To reduce acute symptoms that prevent patients from functioning in a community-based setting.

B. To reduce the need for specialty inpatient mental health services by providing a transition between the hospital and community-based services.

C. To provide appropriate referrals to medical, social and behavioral health services.

VI. TREATMENT SERVICES EACH FISCAL YEAR

Type of Service: Acute Inpatient-Psychiatric
Mode of Service: 24 hour services, 7 days a week (hospital days)

Contracted Units of Services:

Contracted Units of Service	FY 2021-22	FY 2022-23	FY 2023-24
Acute Inpatient - Psychiatric	90	90	90
Hospital Inpatient Administrative Day	10	10	10

DocuSign Envelope ID: 88521002-5611-49E8-BECB-F4804A757E3B

VII. POPULATION SERVED

Monterey County Medi-Cal Beneficiaries, voluntary and involuntary, with serious mental illness who meet the State Department of Mental Health's Medical Necessity Criteria and who are retrospectively authorized by COUNTY'S (Monterey County Behavioral Health - MCBH) Behavioral Health Services staff, will be eligible for coverage.

VIII. ELIGIBILITY / RETROSPECTIVE AUTHORIZATION

To be eligible for cost recovery, all services will be retrospectively authorized for payment by the COUNTY'S Health Department staff. The Treatment Authorization Request (TAR), along with pertinent and relevant portions of a patient's medical records, must be submitted to COUNTY within fourteen (14) calendar days after the client's discharge date. COUNTY will approve or deny the TAR within fourteen (14) calendar days after receipt. If approved, COUNTY will mail the TAR to the State for payment.

EXHIBIT A-1: PROGRAM 2 DESCRIPTION – Crisis Stabilization Unit

I. IDENTIFICATION OF PROVIDER

Community Hospital of the Monterey Peninsula
P.O. BOX HH
Monterey, CA 93942

II. INCORPORATION STATUS / TYPE OF FACILITY LICENSE

Not-for-Profit Corporation / Medi-Cal Certified Acute Hospital

III. PROGRAM NARRATIVE

Community Hospital of the Monterey Peninsula (CHOMP) will provide crisis stabilization unit (CSU) services designed to ensure psychiatric treatment is provided in the most appropriate setting.

IV. PROGRAM GOALS

The goal of the CSU is to treat and stabilize patients seen at the Emergency Department, who are likely to reconstitute and be appropriate for discharge within 24 hours, in a more therapeutic location to support medication adjustments and psychiatric support services outside of the Emergency Department. An initial psychiatric diagnostic assessment will be conducted, followed by treatment with a period of observation, staff-patient engagement, clinical reassessment, and concurrent resource/disposition planning.

V. PROGRAM OBJECTIVES

A. To avoid the exacerbation of acute symptoms in patients with severe mental illness presenting in the Emergency Department.

B. To reduce the need for specialty inpatient mental health services by placing patients with severe mental illness presenting in the Emergency Department in a more therapeutic setting to facilitate short-term recovery.

VI. TREATMENT SERVICES EACH FISCAL YEAR

Type of Service: Crisis Stabilization Unit Services.
Mode of Service: Hourly, as medically necessary, up to 20 hours of service in a 24-hour period.

VII. POPULATION SERVED

Monterey County Medi-Cal Beneficiaries, voluntary and involuntary, with serious mental illness who meet the State Department of Mental Health's Medical Necessity Criteria and who

DocuSign Envelope ID: 88521002-5611-49E8-BECB-F4804A757E3B

are retrospectively authorized by COUNTY'S Behavioral Health Services staff, will be eligible for coverage.

VIII. ADMISSIONS/BASIC SERVICES/CONTINUED STAY & DISCHARGE CRITERIA

ADULTS – Admission / Inclusion / Exclusion Criteria:

Inclusion Criteria

a) Acute psychiatric episode as primary problem.
b) Anticipate a stabilization within 24 hours or less, understanding this may take longer.
c) 18 years of age or older.
d) Patient is cooperative and able to take direction.

Inclusion Considerations

a) Exceptions are determined by clinical leadership.

Exclusion Criteria

a) Actively in restraints.
b) Escalating agitation leading to aggressive behavior .
    i) Acutely at risk.
    ii) Impulsive aggressive behavior.
c) Elopement Risk.
d) Exceeds weight capacity.
    i) Weight Limit for recliners is 350 lbs.
e) Pending Medical Clearance.
    i) Clinical testing (EKG, labs, etc.) will only be required if medically indicated.
    ii) Unstable vital signs without explanation.
    iii) Infectious disease patient requiring isolation.
    iv) Positive COVID-19 patients.
f) Advanced Dementia, Delirium, or acute encephalopathy as a primary diagnoses.
g) Patients requiring 1:1 supervision and care.
h) Patients in the custody of any forensic staff for any crime.
i) Clinical Intoxication.
    i) To a level where patient is unable to participate in the observation process.
    ii) Without acute mood/psychotic symptoms.
    iii) Without exacerbation of underlying psychiatric condition.

Exclusion Considerations

a) Patients presenting initial behaviors that could increase agitation of other CSU patients.
b) Patients on a LPS legal status does not preclude them from admission to the CSU.
c) Non–Ambulatory patients.
    i) Depending on details of mobility and assistance needs.
d) Inability to provide own care requiring assistance from more than one person.

DocuSign Envelope ID: 88521002-5611-49E8-BECB-F4804A757E3B

e) Late pregnancy.
f) Use of restraints for a period of time with unresolved issue.

Coordination with Monterey County Behavioral Health (MCBH)

a) Upon admission, MCBH ASOC Post Hospital Team will be contacted and notified of the Medi-Cal beneficiary admission to the CSU.
b) MCBH will be included in discharge planning efforts to ensure after care plan coordination.
c) Upon discharge and/or transfer MCBH ASOC Post Hospital Team will be notified of disposition.
d) There is a documented active coordination of care with MCBH and when appropriate multisystem partners.

Continued Stay Criteria

For continued stay beyond 23 hours 59 minutes, MCBH must be contacted and provide authorization.

Maximum of 20 hours of billed Medi-Cal service per 24-hour period.

Patient must meet all of the following Criteria:

a) The patient's condition continues to meet admission criteria at this level of care.
b) The patient's treatment does not require a more intensive level of care, and no less intensive level of care would be appropriate.
    i) Notwithstanding the foregoing, a patient's continued stay while CONTRACTOR procures a more intensive level of care for the patient is permissible.
c) The patient is making progress towards resolving the presenting crisis through a combination of intensive and resolution-focused therapies, psychosocial interventions, and, if applicable, psychopharmacological intervention.
d) Barriers to progress are identified and strategies to address them are being implemented.
e) A treatment plan has been developed and includes the individual's goals, strengths and preferences. The treatment plan has been developed, implemented and updated, based on the patient's clinical condition and response to treatment. Treatment planning should include support systems involvement, as appropriate and/or feasible.
f) An individualized discharge plan has been developed which includes specific, realistic, objective and measurable discharge criteria and plans for timely, appropriate follow-up care.

Discharge Criteria

a) Patient must have an individualized discharge plan with appropriate and confirmed follow-up care scheduled within 7 days of discharge from the CSU,
AND
b) Patient no longer meets admission criteria, or meets criteria for a less or more intensive level of care.

DocuSign Envelope ID: 88521002-5611-49E8-BECB-F4804A757E3B

CHILD/YOUTH – Admission & Discharge Criteria – For Monterey County Medi-Cal Beneficiaries aged 17 and Younger:

Inclusion Criteria

Child/youth must meet all of the following Criteria:

a) The presence of an ICD-10/DSM 5 Psychiatric Diagnosis.
b) The child/youth must be 17 years of age or younger.
    i) Presenting with an exacerbation of psychiatric symptoms or emotional disturbance including:
        (1) Potential threat to safety of self or others, or symptoms which severely impair age-appropriate functioning.
c) Requires intensive clinical monitoring.
d) Clinical evaluation indicates that the individual would benefit from a brief period (generally up to 23 hours 59 minutes, understanding this may take longer) of additional observation and assessment, stabilization, resolution-focused intervention, and aftercare planning. Stabilization of the child/youth is expected to be brief and temporary, and the youth would benefit from rapid and resolution-focused intervention.
e) Current service providers do not believe that the child/youth can be safely managed in a less restrictive setting until intensive intervention can resolve the presenting crisis.
f) When possible, family are expected to participate in the care and stabilization of the child/youth.
g) Has a reliable home or placement environment with family or collateral supports willing to collaborate and participate in treatment as determined by the clinical team.
    i) Exceptions to this criterion can be made at the discretion of CONTRACTOR's clinical team.

Exclusion Criteria

If one of the following is met, the child/youth is excluded from eligibility for the service:

a) The individual can be safely treated in a less restrictive or intensive level of care.
b) The youth's psychiatric condition is of such severity that it can only be safely treated in an inpatient setting or is not expected to resolve with brief, intensive intervention.
c) Youth with acute instability in their medical condition, including but not limited to poorly controlled diabetes, poorly controlled feeding or eating disorder, and vital sign instability.
d) Youth who require one to one support due to psychiatric severity, chronic medical conditions, or level of cognitive/adaptive functioning.
e) Youth with co-occurring mental health and substance use disorders for whom the substance use disorder is the primary presenting problem and/or there is acute medical instability due to intoxication or withdrawal from a substance.

DocuSign Envelope ID: 88521002-5611-49E8-BECB-F4804A757E3B

Coordination with Monterey County Behavioral Health (MCBH)

a) Upon admission, MCBH CSOC Post Hospital Team will be contacted and notified of the Medi-Cal beneficiary admission to the CSU.
b) MCBH will be included in discharge planning efforts to ensure after care plan coordination.
c) Upon discharge and/or transfer MCBH CSOC Post Hospital Team will be notified of disposition.
d) There is a documented active coordination of care with MCBH and when appropriate multisystem partners (e.g. Child Welfare, Juvenile Probation).

Continued Stay Criteria

For continued stay beyond 23 hours 59 minutes, MCBH must be contacted and provide authorization.

Maximum of 20 hours of billed Medi-Cal service per 24-hour period.

Child/youth must meet all of the following Criteria:

a) The child/youth's condition continues to meet admission criteria at this level of care.
b) The child/youth's treatment does not require a more intensive level of care, and no less intensive level of care would be appropriate.
    i) Notwithstanding the foregoing, a child/youth's continued stay while CONTRACTOR procures a more intensive level of care for the child/youth is permissible.
c) The child/youth is making progress towards resolving the presenting crisis through a combination of intensive and resolution-focused individual, family and milieu therapies, psychosocial interventions, and, if applicable, psychopharmacological intervention
d) Barriers to progress are identified and strategies to address them are being implemented.
e) A treatment plan has been developed and includes the individual's and family's goals, strengths and preferences. The treatment plan has been developed, implemented and updated, based on the child/youth's clinical condition and response to treatment. Treatment planning should include active family or other support systems involvement, as appropriate and/or feasible.
f) An individualized discharge plan has been developed which includes specific, realistic, objective and measurable discharge criteria and plans for timely, appropriate follow-up care.
g) The child/youth's family/natural supports are actively involved in treatment, or there are active, persistent efforts being made that can reasonably be expected to lead to the family's engagement in treatment.
h) There is a documented active coordination of care with MCBH and when appropriate multisystem partners (e.g. Child Welfare, Juvenile Probation).

DocuSign Envelope ID: 88521002-5611-49E8-BECB-F4804A757E3B

Discharge Criteria

a) Child/youth must have an individualized discharge plan with appropriate and confirmed follow-up care scheduled within 7 days of discharge from the CSU, **AND**
b) Child/youth no longer meets admission criteria, or meets criteria for a less or more intensive level of care.

EXHIBIT B-1: PAYMENT AND BILLING PROVISIONS

PROGRAM 1 – Medi-Cal Fee-for-Service Program

I. PAYMENT TYPE

Negotiated Rate (NR) up to the maximum contract amount.

The following program services will be paid in arrears, not to exceed the negotiated rates for an estimated contract maximum of **$335,520.**

II. PAYMENT CONDITIONS

A. All payments shall comply with Federal and State regulatory requirements, including but not limited to the Treatment Authorization Request (TAR) process as regulated by the California Code of Regulations, Title IX. The process specified below shall not be construed to replace or supersede regulatory requirements regarding the TAR process.

B. In order to receive any payment under this Agreement, CONTRACTOR shall submit a Treatment Authorization Request (TAR) and the appropriate clinical records to COUNTY within fourteen (14) days of the Medi-Cal beneficiary's discharge from the hospital.

C. In the event that a patient does not reveal his Medi-Cal eligibility or subsequently becomes eligible for Medi-Cal after discharge, the hospital will submit a TAR within sixty (60) calendar days of discovering the patient's Medi-Cal eligibility. The TAR packet shall have documentation indicating when and how the patient's Medi-Cal eligibility was discovered and verified. The COUNTY reserves the right to deny a request if it is not supported by documentation clearly indicating when and how the patient's eligibility was discovered and verified.

D. COUNTY shall approve or deny the TAR within fourteen (14) days of receipt of the TAR and clinical records (Approved as Requested or Approved as Modified). In the event that a TAR is denied or if a modification by CONTRACTOR is needed, COUNTY will return the TAR to CONTRACTOR with an explanation of the reason for the denial, or modification needed.

E. COUNTY shall forward the original approved TAR to the State fiscal intermediary and return a copy of the approved TAR to CONTRACTOR.

F. Upon receipt of the copy of the approved TAR, CONTRACTOR shall submit a claim for payment to the State fiscal intermediary.

G. In the case of a denied or returned for modification TAR, CONTRACTOR has the option of filing a first level appeal with COUNTY.

DocuSign Envelope ID: 88521002-5611-49E8-BECB-F4804A757E3B

H. If COUNTY denies the appeal, CONTRACTOR may file a second level appeal with the State Department of Mental Health.

I. For an approved TAR, CONTRACTOR will receive payment directly from the State fiscal intermediary.

III. PAYMENT RATE

A. CONTRACTOR shall be reimbursed the following inpatient bed day rates at a negotiated rate based on the Medi-Cal Psychiatric Inpatient Hospital Services Regional Average Negotiated Rates for the period July 1, 2021 to June 30, 2024 as follows:

MoS	SFC	Description of Units of Service	FY 2021-22	FY 2022-23	FY 2023-24
5	10	Acute Inpatient - Psychiatric	$1,178	$1,178	$1,225
5	19	Hospital Inpatient Administrative Day*	$441	$441	$441
Mos - Mode of Service					
SFC - Service Function Code		* Per County Maximum Reimbursement Rates			

Service Description	FY 2021-22	UOS FY 2021-22	FY 2022-23	UOS FY 2022-23	FY 2023-24	UOS FY 2023-24	Grand Totals
Acute Inpatient - Psychiatric	$1,178	90	$1,178	90	$1,225	90	
FY Sub-Total:		**$106,020**		**$106,020**		**$110,250**	**$322,290**
Hospital Inpatient Admin Day	$441.00	10	$441.00	10	$441.00	10

PROGRAM 2 – Crisis Stabilization Unit

I. PAYMENT TYPE

Negotiated Rate (NR) up to the maximum contract amount.

The following program services will be paid in arrears, not to exceed the negotiated rates for an estimated contract maximum of **$1,542,860.**

II. PAYMENT AUTHORIZATION FOR SERVICES

The COUNTY'S commitment to authorize reimbursement to the CONTRACTOR for services as set forth in this Exhibit B-1 is contingent upon COUNTY authorized admission and service, and CONTRACTOR'S commitment to provide care and services in accordance with the terms of this Agreement.

III. PAYMENT RATE

A. CONTRACTOR shall be reimbursed the Crisis Stabilization Unit hourly negotiated rate of **$134.63**. Such rate shall be inclusive of the facility and professional component for Crisis Stabilization Unit services, billable under code S9484. The division of the Total Estimated County obligation for Crisis Stabilization Unit (CSU) services between Adults and Child/Youth, shown below, does not preclude a greater amount being reimbursed for either category as long as the Total County Maximum Obligation as shown in Section V Subsection B below is not exceeded.

DocuSign Envelope ID: 88521002-5611-49E8-BECB-F4804A757E3B

CRISIS STABILIZATION UNIT					
Fiscal Year	**Units of Service (Hours)**		**Hourly Rate**	**Funding Source**	**Totals**
FY 2023-24	Adults (85%):	9740	$134.63	1991 Realignment	$1,311,296
	Child/Youth (15%):	1720		2011 Realignment	$231,564
	Total UOS:	11460			
TOTAL ESTIMATED COUNTY OBLIGATION:					**$1,542,860**

IV. PAYMENT CONDITIONS

A. In order to receive any payment under this Agreement, CONTRACTOR shall submit reports and claims in such form as General Ledger, Payroll Report and other accounting documents as needed, and as may be required by the County of Monterey Department of Health, Behavioral Health Bureau. Specifically, CONTRACTOR shall submit its claims on Behavioral Health Cost Reimbursement Invoice Form provided as Exhibit H-1 to this Agreement (Exhibit G being previously designated to the original Agreement for "Requirements for 5150 Designation"), along with backup documentation, on a monthly basis, to COUNTY so as to reach the Behavioral Health Bureau no later than the thirtieth (30^{th}) day of the month following the month of service. See Section III, above, for payment amount information to be reimbursed each fiscal year period of this Agreement. The amount requested for reimbursement shall be in accordance with the approved budget and shall not exceed the actual net costs incurred for services provided under this Agreement.

In addition to Exhibit H-1 Behavioral Health Cost Reimbursement Invoice Form, CONTRACTOR shall provide the following information as backup/supporting documentation:

- CMS-1500 / HCFA-1500 claim form, or equivalent; and
- Additional Client Care Documentation as specified by Monterey County Quality Improvement, or equivalent documentation to provide identical information, as negotiated by CONTRACTOR and COUNTY.

CONTRACTOR is not required to obtain prior authorization, or to submit a Treatment Authorization request (TAR) as a condition of reimbursement for Crisis Stabilization Unit services under this Agreement.

CONTRACTOR shall submit via email a monthly claim using Exhibit H-1, Behavioral Health Cost Reimbursement Invoice Form in Excel format with electronic signature along with supporting documentations, as may be required by the COUNTY for services rendered to:

MCHDBHFinance@co.monterey.ca.us

DocuSign Envelope ID: 88521002-5611-49E8-BECB-F4804A757E3B

B. CONTRACTOR shall submit all claims for reimbursement under this Agreement within thirty (30) calendar days after the termination or end date of this Agreement. All claims not submitted after thirty (30) calendar days following the termination or end date of this Agreement shall not be subject to reimbursement by the COUNTY. Any claim(s) submitted for services that preceded thirty (30) calendar days prior to the termination or end date of this Agreement may be disallowed, except to the extent that such failure was through no fault of CONTRACTOR. ~~Any "obligations incurred" included in claims for reimbursements and paid by the COUNTY which remain unpaid by the CONTRACTOR after thirty (30) calendar days following the termination or end date of this Agreement shall be disallowed, except to the extent that such failure was through no fault of CONTRACTOR under audit by the COUNTY.~~

C. If CONTRACTOR fails to submit claim(s) for services provided under the terms of this Agreement as described above, the COUNTY may, at its sole discretion, deny payment for that month of service and disallow the claim.

D. COUNTY shall review and certify CONTRACTOR'S claim either in the requested amount or in such other amount as COUNTY approves in conformity with this Agreement, and shall then submit such certified claim to the COUNTY Auditor within five (5) calendar days. The COUNTY Auditor-Controller shall pay the amount certified within thirty (30) calendar days of receiving the certified invoice.

E. To the extent that the COUNTY determines CONTRACTOR has improperly claimed services, COUNTY may disallow payment of said services and require CONTRACTOR to resubmit said claim of services for payment, or COUNTY may make corrective accounting transactions. Notwithstanding anything to the contrary, CONTRACTOR shall have sixty (60) days from the date of its receipt of a fully executed copy of this Amendment No. 1 to A-15377 to submit claims to COUNTY for services provided from July 1, 2023 through the end of the month preceding the date on which the fully executed Amendment No. 1 to A-15377 is delivered to CONTRACTOR via email.

F. If COUNTY certifies payment at a lesser amount than the amount requested COUNTY shall immediately notify the CONTRACTOR in writing of such certification and shall specify the reason for it. If the CONTRACTOR desires to contest the certification, the CONTRACTOR must submit a written notice of protest to the COUNTY within twenty (20) calendar days after the CONTRACTOR'S receipt of the COUNTY notice. The parties shall thereafter promptly meet to review the dispute and resolve it on a mutually acceptable basis. No court action may be taken on such a dispute until the parties have met and attempted to resolve the dispute in person.

V. MAXIMUM OBLIGATION OF COUNTY – PROGRAMS 1 AND 2

A. Subject to the limitations set forth herein, COUNTY shall pay to CONTRACTOR during the term of this Agreement a maximum amount of **$1,878,380** for services rendered under this Agreement, under both the Medi-Cal Fee-for-Service and Crisis Stabilization Unit Programs described in Exhibit A-1. The not to exceed limits included

DocuSign Envelope ID: 88521002-5611-49E8-BECB-F4804A757E3B

under Section I. Payment Type for Program 1 and Program 2 do not preclude a greater amount from being reimbursed for either program as long as the Total County Maximum Obligation as shown in Section V Subsection B below is not exceeded.

B. Maximum Annual Liability:

FISCAL YEAR LIABILITY	AMOUNT
July 1, 2021 to June 30, 2022	$110,430
July 1, 2022 to June 30, 2023	$110,430
July 1, 2023 to June 30, 2024	$1,657,520
TOTAL COUNTY MAXIMUM OBLIGATION:	**$1,878,380**

C. The rate set forth in this Agreement shall be payment in full for services rendered under this Agreement, subject to third party liability and beneficiary (recipient of services) share of costs for specialty mental health services.

D. If, as to the date of signing this Agreement, CONTRACTOR has already received payment from COUNTY for services rendered under this Agreement, such amount shall be deemed to have been paid out under this Agreement and shall be counted towards COUNTY'S maximum liability under this Agreement.

E. If for any reason this Agreement is canceled, COUNTY'S maximum liability shall be the total utilization to the date of cancellation not to exceed the maximum amount listed above.

F. As an exception to Section D. above with respect to the Survival of Obligations after Termination, COUNTY, any payer, and CONTRACTOR shall continue to remain obligated under this Agreement with regard to payment for services required to be rendered after termination.

VI. LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS

A. This Agreement shall be subject to any restrictions, limitations, or conditions imposed by State which may in any way affect the provisions or funding of this Agreement, including, but not limited to, those contained in State's Budget Act.

B. This Agreement shall also be subject to any additional restrictions, limitations, or conditions imposed by the Federal government which may in any way affect the provisions or funding of this Agreement.

C. In the event that the COUNTY'S Board of Supervisors adopts, in any fiscal year, a COUNTY Budget which provides for reductions in COUNTY Agreements, the COUNTY reserves the right to unilaterally reduce its payment obligation under this Agreement to implement such Board reductions for that fiscal year and any subsequent fiscal year during

DocuSign Envelope ID: 88521002-5611-49E8-BECB-F4804A757E3B

the term of this Agreement, correspondingly. The COUNTY'S notice to the CONTRACTOR regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such action.

D. Notwithstanding any other provision of this Agreement, COUNTY shall not be obligated for CONTRACTOR'S performance hereunder or by any provision of this Agreement during any of COUNTY'S current or future fiscal year(s) unless and until COUNTY'S Board of Supervisors appropriates funds for this Agreement in COUNTY'S Budget for each such fiscal year. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. COUNTY shall notify CONTRACTOR of any such non-appropriation of funds at the earliest possible date and the services to be provided by the CONTRACTOR under this Agreement shall also be reduced or terminated.

VII. AUTHORITY TO ACT FOR THE COUNTY

The Director of the Health Department of the County of Monterey may designate one or more persons within the County of Monterey for the purposes of acting on his/her behalf to implement the provisions of this Agreement. Therefore, the term "Director" in all cases shall mean "Director or his/her designee."

Item No.36

Board of Supervisors
Chambers
168 W. Alisal St., 1st Floor
Salinas, CA 93901

January 09, 2024

Introduced: 12/19/2023

Current Status: Health Department - Consent

Version: 1

Matter Type: BoS Agreement

Approve and authorize the Director of Health Services or their designee to execute an Amendment No. 1 to three-year Mental Health Services Agreement A-15377 with the Community Hospital of the Monterey Peninsula (CHOMP) for the addition of Crisis Stabilization Unit (CSU) services, adding $1,542,860 to FY 2023-24 for a new maximum County obligation of $1,878,380 retroactive to July 1, 2023, for the same full term of July 1, 2021 through June 30, 2024.

RECOMMENDATION:

It is recommended that the Board of Supervisors:
Approve and authorize the Director of Health Services or their designee to execute an Amendment No. 1 to three-year Mental Health Services Agreement A-15377 with the Community Hospital of the Monterey Peninsula (CHOMP) for the addition of Crisis Stabilization Unit (CSU) services, adding $1,542,860 to FY 2023-24 for a new maximum County obligation of $1,878,380 retroactive to July 1, 2023, for the same full term of July 1, 2021 through June 30, 2024.

SUMMARY/DISCUSSION

On June 30, 2021 the County entered into a three-year Mental Health Services Agreement No. A-15377 with the Community Hospital of the Monterey Peninsula (CHOMP) in the amount of $335,520 for the term of July 1, 2021 to June 30, 2024 for the provision of mental health services for Monterey County adult residents with severe psychiatric disabilities in a Hospital Inpatient and Day Treatment Intensive Services model on an Inpatient Fee-for-Service Medi-Cal program.

This Amendment No. 1 to that Agreement continues the provisions for Hospital Inpatient and Day Treatment Intensive Services, however, also adds needed Crisis Stabilization Unit (CSU) services to that Agreement, effective in the third year and retroactive to July 1, 2023, coinciding with the opening of a new CSU facility at CHOMP. This Amendment to Agreement A-15377 increases the total COUNTY obligation by $1,542,860 for FY 2023-24 for a revised total contract amount of $1,878,380.

The goal of the CSU is to treat and stabilize patients seen at the Emergency Department, who are likely to reconstitute and be appropriate for discharge within 24 hours, in a more therapeutic location

DocuSign Envelope ID: BCD4A486-4CFC-4B39-BC6A-7CD548014EF9

to support medication adjustments and psychiatric support services outside of the Emergency Department. An initial psychiatric diagnostic assessment will be conducted, followed by treatment with a period of observation, staff-patient engagement, clinical reassessment, and concurrent resource/disposition planning.

This Amended Agreement contains the County's standard 30-day "no cause" provision (Section IV, B) and an additional defunding provision (Section IV, D), which provides the County the ability to amend or terminate the Agreement in the event of a reduction and/or termination of funding.

This work supports the following Monterey County Health Department 2018-2024 strategic plan goal: 3) Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports one of the ten essential public health services, specifically: 7) Link people to needed personal health services and assure the provisions of health care when otherwise unavailable.

OTHER AGENCY INVOLVEMENT:
The Office of the County Counsel and Auditor-Controller have reviewed and approved this Agreement as to form and fiscal provisions, respectively.

FINANCING:
This Agreement is funded by 1991 and 2011 Realignment revenues. The funds for this Amended Agreement ($1,657,520) are included in the Health Department's Behavioral Health (HEA012, Unit 8410) Fiscal Year 2023-24 Adopted Budget.

ADDENDUM TO TERMS
BETWEEN
Thermo Electron North America LLC ("Seller")
AND
County of Monterey ("Buyer")

Agreement No. 00588984

This Addendum to Buyer's "Standard Agreement" (hereinafter referred to as the "Terms") is made and entered into on August 18, 2023 (the "Effective Date") by and between Buyer and Seller. Buyer and Seller may be referred to individually as a "Party" or collectively as the "Parties" herein.

NOW, THEREFORE, the Parties agree as follows:

1. **Section 8 "Indemnification**" is deleted in its entirety and replaced as follows:

"By Seller. Seller will indemnify, defend and save Buyer, its officers, directors, and employees from and against any and all damages, liabilities, actions, causes of action, suits, claims, demands, losses, costs and expenses (including without limitation reasonable attorneys' fees) ("Indemnified Items") asserted by another party against Buyer for (i) bodily injury to or death of persons or damage to tangible property to the extent caused by the negligence or willful misconduct of Seller, its employees, agents or representatives or contractors in connection with the performance of services under this Agreement; and (ii) claims that a Product infringes any U.S. patent, copyright or trade secret; provided, however, Seller's liability under this Section does not extend to any such Indemnified Items caused by either (iii) the gross negligence or willful misconduct of Buyer, its employees, agents or representatives or contractors, (iv) by any third party, (v) use of a Product in combination with equipment or software not supplied by Seller where the Product alone would not be infringing, (vi) Seller's compliance with Buyer's designs, specifications or instructions, (vii) use of the Product in an application or environment for which it was not designed, or (viii) modifications of the Product by anyone other than Seller without Seller's prior written approval. Buyer will promptly notify Seller in writing of any claim covered by Seller's indemnification obligations hereunder. Seller may assume exclusive control of the defense of such claim or, at the option of the Seller, to settle the same. Buyer agrees to cooperate reasonably with Seller in connection with the performance by Seller of its obligations in this Section.

Notwithstanding the above, Seller's infringement related indemnification obligations shall be extinguished and relieved if Seller, at its discretion and at its own expense (a) procures for Buyer the right, at no additional expense to Buyer, to continue using the Product; (b) replaces or modifies the Product so that it becomes non-infringing, provided the modification or replacement does not adversely affect the specifications of the Product; or (c) in the event (a) and (b) are not practical, refund to Buyer the amortized amounts paid by Buyer with respect thereto, based on a five (5) year amortization schedule. THE FOREGOING INDEMNIFICATION PROVISION STATES SELLER'S ENTIRE LIABILITY TO BUYER FOR, AND BUYER'S SOLE AND EXCLUSIVE REMEMDY IN RESPECT OF, THE CLAIMS DESCRIBED HEREIN.

2. Section 9 "Insurance" is deleted in its entirety and replaced with the following:

" For the term of a support plan and/or for the provision of on-site Services purchased hereunder, as applicable, Seller agrees to maintain and carry liability insurance in amounts set forth below with insurance companies rated A- or better by "BEST" rating services. Insurance includes (a) commercial general liability insurance for a limit of US$2,000,000 (two million) for each occurrence and US$4,000,000 (four million) in the aggregate, (b) Statutory workers' compensation and employer's

DocuSign Envelope ID: CDCA0F7E-B378-4090-8CB7-A1F8BCB2410D

liability insurance for a limit of US$1,000,000 (one million), (c) Automobile liability of US$2,000,000 (two million) and (d) Umbrella coverage of US$5,000,000 (five million). Upon request from Buyer related to applicable Services, Seller will provide to Buyer a certificate of insurance using the standard ACORD form to evidence the insurance coverage required herein."

3. Section 14.01 "Independent Contractor" is modified to remove this sentence:

"In connection therewith, Contractor shall defend, indemnify, and hold County harmless from and any and all liability which County may incur because of Contractor's failure to pay such taxes."

4. Section 16.06 "Assignment and Subcontracting" and Section 16.07 "Successors and Assigns" are deleted in their entirety and replaced with the following:

"This Agreement may not be assigned or transferred without each Party's prior written consent, which consent shall not be unreasonably withheld. Subject to each Party's approval this Agreement will be binding upon and inure to the benefit of, and be enforceable by, each Party and its successors and assigns. Notwithstanding anything to the contrary, each Party has the right to disclose the terms and conditions of this Agreement to the extent necessary to establish rights or enforce obligations under this Agreement."

Sections to be added

5. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED HEREIN, THE LIABILITY OF EITHER PARTY UNDER THESE TERMS AND CONDITIONS (WHETHER BY REASON OF BREACH OF CONTRACT, TORT, INDEMNIFICATION, OR OTHERWISE, BUT EXCLUDING LIABILITY OF SELLER FOR BREACH OF WARRANTY (THE SOLE REMEDY FOR WHICH IS PROVIDED UNDER THE PRODUCT AND SERVICES WARRANTIES HEREIN) SHALL NOT EXCEED AN AMOUNT EQUAL TO THE LESSER OF (A) THE TOTAL PURCHASE PRICE THERETOFORE PAID BY BUYER TO SELLER WITH RESPECT TO THE PRODUCT(S) OR SERVICES GIVING RISE TO SUCH LIABILITY OR (B) ONE MILLION DOLLARS ($1,000,000), PROVIDED HOWEVER, THAT THE FOREGOING LIMITATION DOES NOT APPLY TO LIABILITY FOR INFRINGEMENT OR MISAPPROPRIATION OF SELLER'S INTELLECTUAL PROPERTY. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED HEREIN, IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR ANY INDIRECT, SPECIAL, CONSEQUENTIAL, OR INCIDENTAL DAMAGES (INCLUDING WITHOUT LIMITATION DAMAGES FOR LOSS OF USE OF FACILITIES OR EQUIPMENT, LOSS OF REVENUE, LOSS OF DATA, LOSS OF PROFITS OR LOSS OF GOODWILL), REGARDLESS OF WHETHER IT (a) HAS BEEN INFORMED OF THE POSSIBILITY OF SUCH DAMAGES OR (b) IS NEGLIGENT.

6. Seller's sole obligation with respect to the Services is to provide the quoted Services in a workmanlike manner and if Buyer provides notice of defect in Service within ninety (90) days of completion of such Services, Seller will, at its sole option, either reperform the Services without charge to Buyer or grant Buyer a credit for the amount paid by Buyer with respect to such Service. Seller warrants that the Products will operate or perform substantially in conformance with Seller's published specifications and be free from defects in material and workmanship, when subjected to normal, proper and intended usage by properly trained personnel, for the period of time set forth in the Product documentation, published specifications or package inserts (the "Warranty Period"). If a Warranty Period is not specified in Seller's Product documentation, published specifications, or package inserts, the Warranty Period for new instruments is twelve (12) months from the date of shipment to Buyer; and for all other Products is ninety (90) days from the date of shipment. During the Warranty Period, Seller agrees to repair or replace, at Seller's option, defective Products so as to cause the same to operate in substantial conformance with Seller's published specifications; provided that Buyer (a) promptly notifies Seller in writing upon the discovery of any covered defect in the Products, including the Product model and serial number (if applicable) and details of the warranty claim; and (b) after Seller's review, Seller will provide Buyer with an RMA number and services data, which may include biohazard decontamination procedures and other Product-specific handling instructions. Then, if applicable, Buyer may return the defective Products to Seller with all costs prepaid by Buyer. Replacement parts may be new or refurbished, at the election of Seller. All replaced parts shall become the property of Seller. Shipment to Buyer of repaired or replacement Products will be made in accordance with

DocuSign Envelope ID: CDCA0F7E-B378-4090-8CB7-A1F8BCB2410D

the delivery terms of this Agreement. Except for new consumable items manufactured and sold by Seller, this warranty expressly excludes all other consumable parts or components (e.g., bulbs, belts, cartridges, etc.) in the Products. If Seller elects to repair defective medical device instruments, Seller may, in its sole discretion, provide a replacement loaner instrument to Buyer as necessary for use while the instruments are being repaired.
Notwithstanding the foregoing, Products supplied by Seller that are obtained by Seller from an original manufacturer or third party supplier are not warranted by Seller; but Seller agrees to assign to Buyer any warranty rights in such Product that Seller may have from the original manufacturer or third party supplier, to the extent such assignment is allowed by such original manufacturer or third party supplier.

In no event shall Seller have any obligation to make repairs, replacements or corrections under the Warranty, in whole or in part, as the result of or with respect to: (a) use of the Products in a manner for which they were not designed; (b) improper storage and handling of the Products; (c) use of the Products in combination with equipment or software not supplied by Seller (d) shipping damage incurred en route to Buyer's site or because of moving equipment, in which case Seller will promptly provide a cost estimate for technical support to the consignee for filing claims to carriers for shipping damage; (e) flood, lightning, earthquake, tornado, hurricane or fire, bombing, armed conflict, malicious mischief, sabotage or other natural or man-made disasters; (f) normal wear and tear, physical abuse, misuse, sprinkler damage, electrical surge or abnormal power variation; (g) repairs, maintenance, or modifications made by anyone other than Seller trained personnel or without Seller's supervision and/or approval; (h) relocation and reinstallation of equipment; although upon request Seller will supervise the removing, crating, relocation and reinstallation of the Products at Seller's current Services rates; (i) maintenance or replacement of media (i.e., floppy disks, plotter supplies, etc.) whatever the reason for loss, failure or damage; (j) beta-site support; (k) operator training; or (l) repairing Product malfunctions if the fault is not with the equipment. If Seller determines that Products for which Buyer requested warranty services are not covered by this warranty, Buyer will pay or reimburse Seller for all costs of investigating and responding to such request at Seller's then prevailing time and materials rates. If Seller provides Services or replacement parts that are not covered by this warranty, Buyer shall pay Seller therefor at Seller's then prevailing time and materials rates.

ANY INSTALLATION, MAINTENANCE, REPAIR, SERVICE, RELOCATION OR ALTERATION TO OR OF, OR OTHER TAMPERING WITH, THE PRODUCTS PERFORMED BY ANY PERSON OR ENTITY OTHER THAN SELLER WITHOUT SELLER'S PRIOR WRITTEN APPROVAL, OR ANY USE OF REPLACEMENT PARTS NOT SUPPLIED BY SELLER, SHALL IMMEDIATELY VOID AND CANCEL ALL WARRANTIES WITH RESPECT TO THE AFFECTED PRODUCTS AND/OR SERVICES. THE OBLIGATIONS CREATED BY THIS WARRANTY STATEMENT FOR SELLER TO REPAIR OR REPLACE A DEFECTIVE PRODUCT OR TO REPERFORM OR CREDIT THE PRICE OF DEFECTIVE SERVICES SHALL BE THE SOLE REMEDY OF BUYER FOR SUCH DEFECTIVE PRODUCTS OR SERVICES UNDER THIS AGREEMENT. EXCEPT AS EXPRESSLY PROVIDED IN THIS WARRANTY STATEMENT, SELLER DISCLAIMS ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, ORAL OR WRITTEN, WITH RESPECT TO THE PRODUCTS, INCLUDING WITHOUT LIMITATION ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR ANY PARTICULAR PURPOSE, OR NONINFRINGEMENT. SELLER DOES NOT WARRANT THAT THE PRODUCTS OR SERVICES ARE ERROR-FREE OR WILL ACCOMPLISH ANY PARTICULAR RESULT.

7. Seller retains all rights in, title to and ownership of (i) any and all software provided to Buyer under this Agreement, which is licensed, not sold, to Buyer, solely for the purposes of Buyer's use and operation of the Products; and (ii) all services deliverables provided by Seller under this Agreement, whether related to Products or otherwise.

8. Buyer acknowledges that each Product and any related services, software and technology, including technical information supplied by Seller or contained in documents (collectively "Items"), may be subject to export controls of the U.S. government and/or other governments. Such export controls may include, but are not limited to, the Export Administration Regulations of the U.S. Department of Commerce (the "EAR"), which may restrict or require licenses for the export of Items from the U.S. and their re-export from other countries and all other applicable laws, regulations, laws, treaties, and agreements relating to the export, re-export, and import of any Item. Buyer shall not export, re-export, distribute or supply any Item, directly or indirectly, to (i) any country, person or entity, in each case, without first obtaining from the U.S. government and/or other appropriate government agency any license required to do so lawfully; (ii) any person or organization in Cuba, Iran, North Korea, Sudan, Syria, or other country then the subject of a U.S. embargo, or any person or entity considered a part of the government of any such country; or (iii) any person or entity

DocuSign Envelope ID: CDCA0F7E-B378-4090-8CB7-A1F8BCB2410D

who is involved in improper development or use of nuclear weapons, or of chemical/biological weapons (CBW) or missiles, or in terrorist activities. Buyer shall cooperate fully with Seller in any official or unofficial audit or inspection related to applicable export or import control laws or regulations, and shall indemnify and hold Seller harmless from, or in connection with, any violation of this Section by Buyer or its employees, consultants, agents and/or representatives.

*****

This Addendum and the Terms together form an agreement ("Agreement") between Buyer and Seller. The Agreement constitutes the entire understanding between the Buyer and Seller and shall not be amended, altered or changed except by a written agreement signed by the Parties hereto. In the event of a conflict between this Addendum and the Terms, the terms of this Addendum shall prevail. Any additional or conflicting terms and conditions to those in the Agreement, either written or verbal, are of no force and effect upon the Parties.

The Parties agree that this Agreement shall apply to all purchase orders issued by Buyer until July 31, 2026, whether or not such terms are included with or incorporated by reference in such orders.

IN WITNESS WHEREOF, the Parties have caused this Addendum to be duly executed on the date last signed by the Parties herein below.

EXHIBIT-A

To Agreement by and between
County of Monterey, Health Department hereinafter referred to as "County"
AND
Thermo Electric North America, LLC, hereinafter referred to as "CONTRACTOR"

Scope of Services / Payment Provisions

A. SCOPE OF SERVICES

A.1 CONTRACTOR shall provide services and staff, and otherwise do all things necessary for or incidental to the performance of work, as set forth below:

A.1.1 CONTRACTOR shall provide ICP-OES limited plan coverage for three years on existing BRE731355 ICAO PRO XO DUO instrument serial #ICAPPR060033.

B. PAYMENT PROVISIONS

B.1 COMPENSATION/ PAYMENT

County shall pay an amount not to exceed **$26,403.00** for the performance of all things necessary for or incidental to the performance of work as set forth in the Scope of Work. CONTRACTOR'S compensation for services rendered shall be based on the following rates or in accordance with the following terms:

Service Plan Coverage for BRE731355 ICAP PRO XP DUO serial# ICAPPR060033				
1	ICP-OES Limited Plan Coverage for BRE731355 ICAP PRO XP DUO serial# ICAPPR060033 **1/19/2024-1/18/2025**	$8,801.00		$ 8,801.00
1	ICP-OES Limited Plan Coverage for BRE731355 ICAP PRO XP DUO serial# ICAPPR060033 **1/19/2025-1/18/2026**	$8,801.00		$ 8,801.00
1	ICP-OES Limited Plan Coverage for BRE731355 ICAP PRO XP DUO serial# ICAPPR060033 **1/19/2026-1/18/2027**	$8,801.00		$ 8,801.00
	Not to Exceed Amount			**$ 26,403.00**

**Upon completion of deliverables, please submit invoices.

DocuSign Envelope ID: F96951E8-FB94-405A-9B9B-1BF4B027E081

There shall be no travel reimbursement allowed during this Agreement.

B.2 CONTRACTORS BILLING PROCEDURES

NOTE: Payment may be based upon satisfactory acceptance of each deliverable, payment after completion of each major part of the Agreement, payment at conclusion of the Agreement.

County may, in its sole discretion, terminate the contract or withhold payments claimed by CONTRACTOR for services rendered if CONTRACTOR fails to satisfactorily comply with any term or condition of this Agreement.

No payments in advance or in anticipation of services or supplies to be provided under this Agreement shall be made by County.

County shall not pay any claims for payment for services submitted more than twelve (12) months after the calendar month in which the services were completed.

DISALLOWED COSTS: CONTRACTOR is responsible for any audit exceptions or disallowed costs incurred by its own organization or that of its subcontractors.

Invoices shall be submitted in duplicate to:

County of Monterey Health Department
Public Health Bureau - Accounts Payable
1270 Natividad Road
Salinas, CA 93906
(831) 755-4500
412-phfiscal@co.monterey.ca.us

County of Monterey Public Health Lab
Donna Ferguson
1270 Natividad Road
Salinas CA 93906
(831)755-4636
fergusond@co.monterey.ca.us

Invoices shall:

a) Be prepared on Contractor letterhead. An authorized official, employee, or agent certifying that the expenditures claimed represent services performed under this contract must sign invoices.
b) Bear the Contractor's name as shown on the agreement.
c) Be submitted monthly.
d) Identify the billing and/or performance period covered by the invoice.
e) Itemize costs for the billing period in the same detail as indicated in the scope of services in the agreement. Reimbursement may only be sought for those costs and/or cost categories expressly identified as allowable in this agreement and approved by the County of Monterey.

DocuSign Envelope ID: 0C67E34E-E524-488F-974A-EF3EFDD334E3

Introduced: 12/19/2023

Current Status: Health Department - Consent

Version: 1

Matter Type: BoS Agreement

a. Approve and authorize the Director of Health Services or designee to execute a non-standard Agreement with Thermo Electron N. America, LLC, for the purchase of three years of preventative maintenance for existing laboratory equipment, effective January 19, 2024, to January 18, 2027, for a total agreement amount of $26,403; and
b. Approve a non-standard agreement as recommended by the Director of Health Services; and
c. Approve and authorize the Director of Health Services or designee to sign up to three future amendments where the combined amendments do not exceed 10% ($2,640) of the original amount and does not significantly change the scope, total not to exceed a maximum of $29,043.

RECOMMENDATION:

It is recommended that the County of Monterey Board of Supervisors:
a. Approve and authorize the Director of Health Services or designee to execute a non-standard Agreement with Thermo Electron N. America, LLC, for the purchase of three years of preventative maintenance for existing laboratory equipment, effective January 19, 2024, to January 18, 2027, for a total agreement amount of $26,403; and
b. Approve a non-standard agreement as recommended by the Director of Health Services; and
c. Approve and authorize the Director of Health Services or designee to sign up to three future amendments where the combined amendments do not exceed 10% ($2,640) of the original amount and does not significantly change the scope, total not to exceed a maximum of $29,043.

SUMMARY DISCUSSION:

The County of Monterey Health Department, Public Health Bureau, Consolidated Environmental Laboratory is an Environmental Lab Accreditation Program (ELAP)-certified laboratory that routinely analyzes drinking water for bacterial and chemical contaminants. The Consolidated Environmental Laboratory also conducts tests on samples derived from the environment for the purpose of assuring safe food, drinking water, reclaimed water, storm water run-off, and irrigation water.

The Consolidated Environmental Laboratory seeks approval to enter into an Agreement with Thermo Electon N. America, LLC, to provide ongoing preventative maintenance for their separately purchased iCAP RQplus instrument. The iCAP RQplus is a trace element analyzer used to test environmental samples. Preventative maintained is important to reduce repair costs, ensure accuracy of test results, lengthen the life of the instrument, and comply with certification requirements.

This work supports the County of Monterey Health Department 2018-2024 Strategic Plan Goals: 2. Enhance public health and safety through prevention, and 3. Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services.

It also supports two of the ten essential public health services, specifically: 2. Investigate, diagnose, and address health problems and hazards affecting the population, 4. Strengthen, support, and mobilize communities and partnerships to improve health.

OTHER AGENCY INVOLVEMENT:
The Office of the County Counsel has reviewed and approved this Agreement as to legal form. Auditor-Controller has reviewed and approved this Agreement as to fiscal provisions.

FINANCING:
This agreement is funded 77% with Public Health Lab fee revenue and 23% Health Realignment. There are sufficient appropriations in the Health Department's (001-4000-8124-HEA003) FY 2023-24 Adopted Budget and will be included in future years' Requested Budgets.

Amendment No. 1

To Agreement by and between
The County of Monterey, on behalf of the Monterey County Health Department,
hereinafter referred to as "County"
AND
Arbor Environmental LLC, hereinafter referred to as "CONTRACTOR"

This Amendment No. 1 is made and entered into, by and between the County of Monterey, a political subdivision of the State of California, hereinafter referred to as "COUNTY", and Arbor Environmental, LLC, hereinafter referred to as "CONTRACTOR".

RECITALS:

WHEREAS, the COUNTY and CONTRACTOR have heretofore entered into an Agreement to provide professional consulting services related to qualitative respirator fit testing for the period of October 10, 2022 to October 9, 2024 and for an amount not to exceed $32,500 ("Agreement"); and

WHEREAS, the COUNTY and CONTRACTOR wish to amend this Agreement to include an Insurance Modification.

NOW THEREFORE, the COUNTY and CONTRACTOR hereby agree to amend the Agreement in the following manner:

1. EXHIBIT B – Insurance Modification is hereby added to this Agreement.

2. Except as provided herein, all remaining terms, conditions, and provisions of the Agreement are unchanged and unaffected by this Amendment No. 1 and shall continue in full force and effect as set forth in the Agreement.

3. This Amendment No. 1 shall be effective upon execution by both parties.

4. A copy of this Amendment No. 1 shall be attached to the original Agreement executed by the COUNTY and CONTRACTOR on October 7, 2022.

DocuSign Envelope ID: E64453F2-D254-44C3-B98D-3673C61E41EE

a. Ratify the execution by the Director of Health Services, of Amendment No. 1 to the Agreement with Arbor Environmental, LLC., ("Arbor") for professional consulting services related to qualitative respirator fit testing, modifying the automobile insurance provisions, with no change to term October 10, 2022 to October 9, 2024 or Agreement amount of $32,500; and
b. Approve the recommendation of Director of Health Services to accept non-standard provisions related to automobile insurance in Amendment No. 1.

RECOMMENDATION:

It is recommended that the Board of Supervisors:
a. Ratify the execution by the Director of Health Services, of Amendment No. 1 to the Agreement with Arbor Environmental, LLC., ("Arbor") for professional consulting services related to qualitative respirator fit testing, modifying the automobile insurance provisions, with no change to term October 10, 2022 to October 9, 2024 or Agreement amount of $32,500; and
b. Approve the recommendation of Director of Health Services to accept non-standard provisions related to automobile insurance in Amendment No. 1.

SUMMARY/DISCUSSION:

The County of Monterey Health Department Clinic Services Bureau ("Clinic Services") operates ten community clinic sites designated as Federally Qualified Health Centers (FQHCs) which provide preventive, primary, and specialty medical care services.

On October 7, 2022, Clinic Services entered into an agreement with Arbor Environmental, LLC ("Arbor") for the term October 10, 2022 to October 9, 2024, in the amount of $32,500. The agreement provides professional consulting services related to qualitative respirator fit testing (fit testing).

California Title 22 and the Occupational Safety and Health Administration (OSHA) require all clinic staff complete fit testing annually. Fit testing was last conducted in December 2022 and Clinic Services staff are due to complete fit testing in December 2023 to maintain Title 22 and OSHA compliance.

Arbor has requested waiver of the automobile liability requirements for remainder of term of agreement. For the December 2023 fit testing, Arbor will send technicians to the County of Monterey via airplane and Uber/Lyft rides rather than using company or personal vehicles.

DocuSign Envelope ID: C339A9F5-649C-43E3-AECA-BABEE614A954

Approval of the Board of Supervisors was delayed due to negotiations of non-standard contract terms and Clinic Services requested execution of the Amendment by the Director of Health Services, to avoid delayed fit testing which would jeopardize Clinic Services' Title 22 and OSHA compliance.

This work supports the Monterey County Health Department 2018-2024 Strategic Plan Initiatives: 4.) Engage MCHD workforce and improve operational functions to meet current and developing population health needs. It also supports one or more of the ten essential public health services, specifically: 6.) enforce laws and regulations that protect health and ensure public safety; and 8.) assure competent public and personal health care workforce.

OTHER AGENCY INVOLVMENT:
County Counsel has reviewed as to legal form. Auditor-Controller has reviewed as to fiscal provisions.

FINANCING:
Sufficient appropriations are available in the FY 2023-2024 Adopted Budget for Clinic Services Bureau, Health Department (4000-HEA007) and there is no financial impact to the General Fund resulting from approval of this Amendment No. 1.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
Check the related Board of Supervisors Strategic Initiatives:

☐ Economic Development:
- Through collaboration, strengthen economic development to ensure a diversified and healthy economy.

☐ Administration:
- Promote an organization that practices efficient and effective resource management and is recognized for responsiveness, strong customer orientation, accountability and transparency.

☒ Health & Human Services:
- Improve health and quality of life through County supported policies, programs, and services; promoting access to equitable opportunities for healthy choices and healthy environments in collaboration with communities.

☐ Infrastructure:
- Plan and develop a sustainable, physical infrastructure that improves the quality of life for County residents and supports economic development results.

☐ Public Safety:
- Create a safe environment for people to achieve their potential, leading businesses and communities to thrive and grow by reducing violent crimes as well as crimes in general.

Amendment No. 1
Agreement

DocuSign Envelope ID: 75B366C9-0EBF-4826-A656-DA364B167E36

STUDENT PLACEMENT AGREEMENT
BETWEEN
THE COUNTY OF MONTEREY, BY AND THROUGH
THE COUNTY OF MONTEREY HEALTH DEPARTMENT,
AND
CENTER FOR EMPLOYMENT TRAINING

THIS AGREEMENT is made and entered into this **9th** day of **January, 2024** between **Center for Employment Training - Salinas** ("Institution") and the County of Monterey, on behalf of Monterey County Department of Health ("COUNTY").

A. Institution is committed to service in the community and applied learning experiences for students. This is accomplished both through field education and service-learning requirement. Field education and service learning involve the completion of internship or externship assignments in the local community that tie meaningful learning experiences directly to course content. Through reflective activities, service, and field seminars, students enhance their understanding of course content, sense of civic responsibility, self-awareness, professional development, and commitment to the community.

B. The mission of the COUNTY is to excel at providing quality services for the benefit of all Monterey County residents while developing, maintaining and enhancing the resources of the region.

C. COUNTY and Institution recognize the opportunity for meaningful learning experiences for Institution, COUNTY, and students. Institution supports the goals and objectives of the COUNTY program in which students will participate.

D. Health services provided and administered by the COUNTY are governed by but not limited to: Health Insurance Portability and Accountability Act of 1996, 45 C.F.R. Part 160 and Part 164 as amended by the Health Information Technology for Economic and Clinical Health Act and its implementing regulations; California Confidentiality of Medical Information Act, Ca. Civil Code §§ 56 et seq.; Lanterman-Petris-Short Act [Welfare and Institutions Code Section 5000 et seq.]; California Code of Regulations, Title 22, § 51009; Confidential Nature of Records; Welfare and Institutions Code section 14100.2 and 42 Code of Federal Regulations section 431.300 et.seq.

The parties agree as follows:

I. INSTITUTION'S RESPONSIBILITIES

A. Student Profile. Institution shall make available to COUNTY a field application student profile which shall include the student's name, address, telephone number, other pertinent information. The COUNTY shall review student applications and select students for internship with the COUNTY. Each student shall be responsible for submitting his or her

DocuSign Envelope ID: 75B366C9-0EBF-4826-A656-DA364B167E36

student profile before the Program training period begins. COUNTY shall regard this information as confidential and shall use the information only to identify each student.

B. Schedule of Assignments. Institution shall notify COUNTY designated staff of student assignment, including the name of the student, level of academic preparation, and length and dates of proposed experience. The maximum number of students shall be mutually agreed by the parties. The starting date and length of each Program training period shall be mutually agreed by the parties.

C. Program Coordinator. Institution shall designate a point of contact to coordinate with COUNTY's designee in planning the Program to be provided to students.

D. Records. Institution shall maintain all personnel records for its staff and all academic records for its students. COUNTY will ensure any records kept for student performance are sent to the Institution as proof of student accomplishments.

E. Student Qualifications: Institution shall provide appropriate health and safety training to all students on a regular basis, in accordance with prevailing Federal and State laws and regulations. Institution shall require that each student designated by Institution for clinical and/or practicum experience under this Agreement shall meet the minimum qualifications for a student in the designated Program. Additionally, Institution shall ensure that: (i) all students have documented training to meet OSHA Regulations on occupational Exposure to Blood-borne Pathogens prior to the beginning of the internship experience; and (ii) each student assigned to the COUNTY meet the COUNTY's requirements, see Exhibit A. Where Institution maintains any and all records of such testing, such records shall be made available to COUNTY upon request.

F. Health Insurance. Institution shall ensure each student has his or her own health insurance if not provided by the Institution.

G. Student Responsibilities. Institution shall notify students in the program that they are responsible for:

1) Complying with COUNTY's clinical and administrative policies, procedures, rules, and regulations, as outlined in Exhibit A of this Agreement.

2) Arranging for his/her own transportation and living arrangements.

3) Assuming responsibility for personal illnesses, necessary immunizations, tuberculin tests, annual health examinations and other requirements as identified by the COUNTY; refer to Exhibit A for COUNTY training requirements.

4) Maintaining the confidentiality of patient information.

a) No student shall have access to or have the right to receive any medical record, except when necessary in the regular course of the practicum

DocuSign Envelope ID: 75B366C9-0EBF-4826-A656-DA364B167E36

experience. The discussion, transmission, or narration in any form by students of any individually identifiable patient information, medical or otherwise, obtained in the course of the program is forbidden except as a necessary part of the practical experience.

b) Neither the Institution nor its employees or agents shall be granted access to individually identifiable information unless the patient has first given consent using a form approved by COUNTY that complies with applicable state and federal law as defined in Recital D of this Agreement and its implementing regulations.

c) COUNTY shall reasonably assist student in obtaining patient consent in appropriate circumstances when applicable. In the absence of consent, students shall use de-identified information only in any discussions about the clinical experience with Institution, its employees, or agents.

5) Complying with COUNTY's dress code and wearing name badges identifying themselves as Student Intern, if specified by COUNTY.

6) Students should be informed and aware of the hazards currently known to be associated with the novel coronavirus referred to as "COVID-19." Students acknowledge and agree to follow all current County health and safety requirements as may be required by local, state and/or federal laws, including the use of Personal Protective Equipment.

7) Insurance requirements. See Section V.

H. Field Experience Plan. Institution shall assist in establishing a plan/learning agreement for the field experience by mutual agreement between the COUNTY's representative and the Institution's Field Faculty representative and the student.

I. Field Conference. Institution may facilitate periodic conferences between appropriate representatives of the Field Faculty and COUNTY to evaluate the field experience program provided under this Agreement.

II. COUNTY RESPONSIBILITIES

A. Field Experience. At the COUNTY's discretion, COUNTY shall accept from Institution the student and shall provide the student with a supervised field experience.

B. COUNTY Designee. COUNTY shall designate a member of its staff to participate with Institution's designee in planning, implementing, and coordinating the Program. COUNTY shall notify the Institution in advance of any change in the COUNTY's personnel appointments that may affect the student field program.

DocuSign Envelope ID: 75B366C9-0EBF-4826-A656-DA364B167E36

C. Access to Facilities. COUNTY shall permit students enrolled in the Program access to COUNTY facilities as appropriate and necessary for their Program, provided that the students' presence shall not interfere with COUNTY's activities.

D. Records and Evaluations. COUNTY shall maintain complete records and reports on student's performance and provide an evaluation to Institution on forms the Institution shall provide.

E. Withdrawal of Students. COUNTY shall have the right to immediately terminate a student's placement/assignment if student who, in the judgment of the COUNTY, is not participating satisfactorily or refuses to follow the COUNTY's administrative policies, procedures, rules and regulations, including but not limited to inappropriate behavior, dress and/or hygiene, and non-compliance with the use of Personal Protective Equipment, as may be required by health and safety protocols. COUNTY shall immediately notify the student and the Institution by telephone or in person. The student and representative(s) of the Institution may meet the COUNTY to determine whether the student will be reinstated in the internship assignment at the COUNTY, and if so, upon terms and conditions determined by COUNTY to be appropriate.

F. Emergency Health Care/First Aid. COUNTY shall, on any day when a student is receiving training at its facilities, ensure student has access to emergency health care or first aid for accidents occurring in its facilities at Institution and/or student expense.

G. COUNTY's Confidentiality Policies. As trainees, students shall be considered members of COUNTY's "workforce," as that term is defined by the HIPAA regulations at 45 C.F.R. § 160.103, and shall be subject to COUNTY's policies respecting confidentiality of medical information (as defined in Recital D). If Institution suspects a breach of any of these policies, Institution must notify the COUNTY Privacy Officer immediately. Notwithstanding any provision of this Agreement to the contrary, in the event of a breach of this Section, the County of Monterey shall have the right to seek direct damages from the Institution.

III. AFFIRMATIVE ACTION AND NON-DISCRIMINATION

The parties agree that all students receiving field education training pursuant to this Agreement shall be selected without discrimination on account of race, color, religion, national origin, ancestry, disability, marital status, gender, gender identity, sexual orientation, age or veteran status.

IV. STATUS OF STUDENTS

Institution represents that the students enrolled in the Program are in attendance for educational purposes, and such students are not considered employees of Institution or of the COUNTY for any purpose, including, but not limited to, payroll taxes, withholdings, compensation for services, welfare and pension benefits, or workers' compensation insurance. Students are considered members of COUNTY's "workforce" for purposes of Recital D compliance and COUNTY policies and procedures. If the student is a paid employee of the

DocuSign Envelope ID: 75B366C9-0EBF-4826-A656-DA364B167E36

COUNTY, the student will be covered under the COUNTY's insurance policies, including Workers' Compensation, to the extent available to other employees.

V. INSURANCE

The Institution and COUNTY mutually agree that each shall provide and maintain commercial general liability insurance acceptable to both parties in the minimum amounts of $1,000,000 per occurrence and $3,000,000 general aggregate. Each shall be responsible for providing the other with a Certificate of Insurance evidencing the required coverage prior to execution of this agreement.

The parties shall each further secure and maintain at all times during the term of this Agreement, at their respective sole expense, professional liability insurance covering themselves and their respective employees. Such coverage provided by the Institution and COUNTY may be afforded via commercial insurance, self-insurance, a captive, or some combination thereof at limits of at least $1,000,000 per claim or occurrence and $3,000,000 in the aggregate.

The Institution shall maintain or shall cause each student to maintain professional liability, public liability, and property damage insurance in the amount of $1,000,000 for any single occurrence and a minimum of $3,000,000 in the aggregate during the trainee's supervised field experience. The Institution shall furnish proof of such insurance coverage prior to execution of this agreement.

In addition, Institution shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

Business automobile liability insurance, covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than $1,000,000 per occurrence.

The Institution shall provide commercial general liability and automobile liability Endorsement(s) naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the Institution's work, including ongoing and completed operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the COUNTY and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the Institution's insurance.

Student Automobile liability insurance, students who drive to/from any clinical work location, must provide proof of valid California driver's license for in-state students or other valid state driver's license for out-of-state students and proof of insurance.

Workers' Compensation Insurance, if Institution employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's

DocuSign Envelope ID: 75B366C9-0EBF-4826-A656-DA364B167E36

Liability limits not less than $1,000,000 each person, $1,000,000 each accident and $1,000,000 each disease.

Except for ten (10) days' notice of non-payment, the Institution and the COUNTY will require thirty (30) days written notice if the policy is canceled, non-renewed, or coverage/limits that are reduced or materially altered.

VI. INDEMNIFICATION.

A. The Institution shall indemnify, defend, and hold harmless the County of Monterey (hereinafter "COUNTY"), its officers, agents, employees, or subcontractors from any claim, liability, loss, injury or damage arising out of, or in connection with, performance of this Agreement by Institution and/or its officers, agents, employees, students, or subcontractors, excepting only loss, injury or damage caused by the negligence or willful misconduct of the COUNTY and/or its officers, agents, employees and subcontractors. It is the intent of the parties to this Agreement to provide the broadest possible coverage for the COUNTY. The Institution shall reimburse the COUNTY for all costs, attorneys' fees, expenses, and liabilities incurred with respect to any litigation in which the Institution is obligated to indemnify, defend and hold harmless the COUNTY under this Agreement.

B. The County shall indemnify, defend, and hold harmless Center for Employment Training (hereinafter "Institution"), its officers, agents, employees, students, or subcontractors from any claim, liability, loss, injury, or damage arising out of, or in connection with, performance of this Agreement by County and/or its officers, agents, employees, or subcontractors, excepting only loss, injury or damage caused by the negligence or willful misconduct of the INSTITUTION and/or its officers, agents, employees, students, and subcontractors. It is the intent of the parties to this Agreement to provide the broadest possible coverage for the INSTITUTION. The COUNTY shall reimburse the INSTITUTION for all costs, attorneys' fees, expenses, and liabilities incurred with respect to any litigation in which the County is obligated to indemnify, defend and hold harmless the INSTITUTION under this Agreement.

VII. TERM AND TERMINATION

A. Term. This Agreement shall be effective as of the date first written above and shall remain in effect until **June 30, 2028.**

B. Renewal. This Agreement may be renewed by mutual agreement.

C. Termination. This Agreement may be terminated at any time by the written agreement or upon thirty (30) days' advance written notice by one party to the other.

VIII. GENERAL PROVISIONS

DocuSign Envelope ID: 75B366C9-0EBF-4826-A656-DA364B167E36

A. Amendments. In order to ensure compliance with HIPAA, the following provisions of this Agreement shall not be subject to amendment by any means during the term of this Agreement or any extensions: Section I, Paragraph G, subdivisions 4.a), 4.b), and 4.c); Section II, Paragraph G, to the extent it provides that students are members of COUNTY's "workforce" for purposes of HIPAA; Section II, Paragraph E; and Section IV. This Agreement may otherwise be amended at any time by mutual agreement of the parties without additional consideration, provided that before any amendment shall take effect, it shall be reduced to writing and signed by the parties.

B. Assignment. Neither party shall voluntarily or by operation of law, assign or otherwise transfer this Agreement without the other party's prior written consent. Any purported assignment in violation of this paragraph shall be void.

C. Attorney's Fees. In the event that any action is brought by either party to enforce or interpret the terms of this Agreement, each party shall bear its own attorney's fees and costs.

D. Captions. Captions and headings in this Agreement are solely for the convenience of the parties, are not a part of this Agreement, and shall not be used to interpret or determine the validity of this Agreement or any of its provisions.

E. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all such counterparts together shall constitute one and the same instrument.

F. Entire Agreement. This Agreement is the entire agreement between the parties. No other agreements, oral or written, have been entered into with respect to the subject matter of this Agreement.

G. Governing Law. The validity, interpretation, and performance of this Agreement shall be governed by and construed in accordance with the laws of the State of California.

H. Notices. Notices required under this Agreement shall be sent to the parties by certified or registered mail, return receipt requested, postage prepaid, at the addresses set forth below.

EXHIBIT A

The County of Monterey Department of Health (MCH) policies/procedures listed below indicate the pertinence to this specific internship. The County of Monterey Department of Health reserves the right to amend the policies/procedures below and add additions as needed.

The following is a list of activities students must complete to become/remain an Intern:

I. **Pre-Boarding** (After Student is Matched but *Before* Student is Accepted as a MCH Intern)

a. Complete Intern Application
b. Pass Live Scan
c. Provide DMV Printout
d. Provide Driver's License
e. NPI number (for interns who will provide clinical services)

II. **On-Boarding**

a. Health Department Human Resources (HD HR) Orientation – First day of Internship
    i. Review and sign the following policies
        1. Drug Free Workplace
        2. HIV/AIDS
        3. Asbestos Notification
        4. Vehicle Use*
        5. Discrimination and Sexual Harassment
        6. Smoke Free
        7. Information Technology Appropriate Use
        8. Protected Information
    ii. Complete TB Blood Draw
b. By end of first week of Internship review and sign the following policies
    i. Confidentiality*
    ii. Compliance

Items followed by an asterisk * require Interns to take and pass an on-demand course within the first week of their on-boarding.

Introduced: 12/18/2023

Current Status: Health Department - Consent

Version: 1

Matter Type: BoS Agreement

a. Authorize the Director of Health Services or designee to execute the Student Placement Agreement ("Agreement") with the Center for Employment Training ("CET") for the placement of nursing students within the Health Department to complete internship/externship assignments as part of their respective field of education and service-learning requirements, for a term of January 9, 2024, to June 30, 2028; and
b. Approve the recommendation of the Director of Health Services or designee to accept nonstandard indemnification provisions in the Agreement.

RECOMMENDATION:

It is recommended that the Board of Supervisors:
a. Authorize the Director of Health Services or designee to execute the Student Placement Agreement ("Agreement") with the Center for Employment Training ("CET") for the placement of nursing students within the Health Department to complete internship/externship assignments as part of their respective field of education and service-learning requirements, for a term of January 9, 2024, to June 30, 2028; and
b. Approve the recommendation of the Director of Health Services or designee to accept nonstandard indemnification provisions in the Agreement.

SUMMARY DISCUSSION:

The Health Department's Clinic Services Bureau (Health Department) operates ten community clinic sites designated as Federally Qualified Health Center (FQHC), which provide preventive, primary, and specialty medical care services. The Health Department has the ability to provide a learning environment in the clinic for students who require practical field experience education, while also increasing potential to attract future job candidates to the Health Department workforce.

This Agreement with Center for Employment Training (CET) is based on the Board-approved Student Placement Agreement template that was approved by the Board on May 4, 2021, and provides the County of Monterey with standards of policy, procedures, and best practices for student placement. Although the Health Department is requesting modifications to the institution's indemnification provisions to this Agreement, it continues to be the goal of the Health Department to use the template pre-approved by the Monterey County Board of Supervisors for each participating university and/or college to help streamline administrative processing and reduce timeline for execution.

While this work is not directly in support of a Health Department strategic initiative, it is in support of

DocuSign Envelope ID: C9722548-74F2-4B8B-B5C5-221DBB73959E

one or more of the ten essential public health services, specifically: 4. Mobilize community partnerships and action to identify and solve health problems; and 8. Assure competent public and personal health care workforce.

OTHER AGENCY INVOLVEMENT:
The Office of County Counsel has reviewed the Agreement as to form. Risk Management has reviewed as to risk provisions.

FINANCING:
There are no fiscal provisions included in this Agreement.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

EXHIBIT A-1
SCOPE OF SERVICES/PAYMENT PROVISIONS

County of Monterey
And
Steris Corporation, Inc.

This Exhibit A shall be incorporated by reference as part of Agreement attached hereto governing work to be performed under the attached referenced Agreement, the nature of the working relationship between the **County of Monterey**, a political subdivision of the State of California (hereinafter referred to as "COUNTY") and **Steris Corporation**, (hereinafter referred to as CONTRACTOR) and specific obligations of the CONTRACTOR.

A. Scope of Services

CONTRACTOR will provide NIST (National Institute of Standards and Technology) traceable on-site calibration of process measuring equipment used in manufacturing and manufacturing-support environments. The calibration services do not include any repairs or maintenance service that is discovered during the course of the calibration services.

A.1 The services for equipment will be performed Monday through Friday, 8:00 A.M. to 5:00 P.M., local time, excluding federal holidays ("normal working hours"). Any service not performed during Normal Working Hours shall be billed at the then current applicable rate as set forth: Overtime Coverage Options: Overtime coverage, unless included as part of a Service Option and indicated on the Equipment List, will be charged at prevailing rates for any service performed outside Normal Working Hours.

The Equipment List indicates the frequency of the calibration services that is included in the Services as defined below:

Exclusions -The Services do not include the following:
(i) Equipment overhauls, welding, rebuilds, upgrades and/or relocations, door assemblies, light cameras, surgical monitors or recorders not purchased from STERIS, generators, water tanks, reservoirs, surgical table shrouds, SYSTEM 1e trays and monochrome display. For life sciences COUNTY, all pumps, transducers, or components with a sales price greater than $5,000.
(ii) Consumable and expendable items including, but not limited to, filters, cleaning agents, biological and chemical indicators, recording charts, paper, ink pens, ribbons, pen arms, surgical lamps, light handles, batteries, and all hydraulic oils.
(iii) Surgical table accessories, hand controls, arm boards, x-ray tops, table pads
(iv) Visits made at COUNTY's request to perform services on equipment which was not available or which could not be located;
(v) Services requested by COUNTY due to failure of defective accessory items;
(vi) Services or parts requested by anyone other than STERIS, unless authorized in writing by STERIS;
(vii) Parts, manuals and/or labor found necessary to bring equipment up to normal operating condition during the Pre-PM Inspection, provided that if COUNTY does not wish to bring the

DocuSign Envelope ID: EDD61466-64BA-4615-B0A0-0055A882AE0C

equipment up to normal operating condition, STERIS will delete the equipment from the equipment list;

(viii)Repairs resulting from operator error, misuse, abuse, improper operation or installation, defective accessories, being dropped, fire, loss, theft, utility failure, negligence by any party or other acts beyond the reasonable control of STERIS, or where STERIS determines that in fact no repair is actually required;

(ix) Parts or labor required for recall or safety-oriented modifications to non-STERIS equipment;

(x) Any repairs which are estimated by STERIS to cost in excess of 50% of the unit's current value (STERIS will provide COUNTY with a written estimate in such cases);

(xi) Services performed outside of normal working hours, unless work outside normal working hours is provided for in the equipment list; and

(xii) Service lines, shut off valves, disconnect switches or other components not a part of the equipment unless otherwise specified.

(xiii) Any parts for equipment that is not designated as parts inclusive on the equipment list; and

(xiv) Unless the 1st Year Preventive Maintenance Option listed on Attachment A is selected by the COUNTY, preventive maintenance during the warranty period for capital equipment is not covered by this Agreement and is available through a separate agreement with STERIS.

(xv) All oil changes in excess of the quantity of (2) for all V-PRO units with a standard maintenance agreement are billable events to be charged at then current parts and labor rates. Oil changes above the standard quantity of (2) may be included in the maintenance agreement for an additional fee.

(xvi) STERIS's obligation to provide the Services will be relieved during the term if access to parts are no longer available to support product or the product is obsolete from a parts and labor coverage level. COUNTY will be given the option to reduce the coverage to labor only for the remainder of the term.

A.2 Additions or Deletions of Equipment:

(a)Additions or deletions of equipment to or from the equipment list may be made, subject to both the inspection contemplated by Section 6(b) below and to the advance written agreement of both STERIS and COUNTY. Deletions may be made only where equipment has been taken out of service. If COUNTY elects to keep an item of equipment in service after STERIS has determined that the item can no longer be effectively or safely maintained, COUNTY will assume full responsibility for that decision and will defend and indemnify STERIS for any claims or liability arising from the condition or use of that item including any personal injuries to or death of any employees of COUNTY or STERIS.

(b) Prior to the addition of any equipment to the equipment list, an amendment would be done with mutually agreed upon terms, a Pre-PM inspection may be required to verify that the equipment is operating in accordance with the manufacturer's original equipment specifications (the "Pre-PM Inspection"). The Pre-PM Inspection will be at COUNTY's expense and included in the costs of the Amendment to the current Agreement.

(c)If ProConnect Remote Monitoring is included in this agreement, it will be enabled on any equipment added to the agreement that is capable of supporting this feature. Remote monitoring will be enabled as part of the next scheduled service visit, where applicable.

A.3 9. COUNTY's Responsibilities:

(a) Access to Equipment - COUNTY shall provide STERIS's personnel with free and safe access to the equipment on each date that service calls are made pursuant to this Agreement and shall assist STERIS's representative in any reasonable manner (including the provision of appropriate

DocuSign Envelope ID: EDD61466-64BA-4615-B0A0-0055A882AE0C

services such as electrical power, water, etc.) in said representative's performance of the Services. COUNTY will make all Equipment available for the Services as scheduled. STERIS will not be responsible for providing the services for equipment that is not made available. COUNTY shall be responsible for paying any and all fees or costs associated with security or other facility access requirements. STERIS shall only provide information that it deems reasonable and appropriate to secure access to the facility.

(b) INTENTIONALLY OMITTED

(c) Employee Training - COUNTY acknowledges that it is the responsibility of COUNTY for ensuring that all personnel permitted to operate the equipment will be adequately trained and supervised and that the equipment will be operated in compliance with the manufacturer's instructions and all applicable laws, rules, regulations and/or standards.

(d) INTENTIONALLY OMITTED

(e)Unauthorized Repair Personnel - COUNTY will permit only STERIS representatives, or any other party acting on behalf of STERIS, to make repairs or to replace parts of the Equipment.

(f) INTETIONALLY OMITTED

(g) Hazard Communication - COUNTY will provide STERIS with information as to all known hazards or hazardous materials which STERIS's personnel may encounter when working on Equipment and in the environments within which Equipment is located.

B. PAYMENT PROVISIONS

B.1 COMPENSATION/ PAYMENT

County shall pay an amount not to exceed **$58,110.40** for the performance of all things necessary for or incidental to the performance of work as set forth in the Scope of Work. CONTRACTOR'S compensation for services rendered shall be based on the following rates or in accordance with the following terms:

B.2 CONTRACTORS BILLING PROCEDURES

NOTE: Payment may be based upon satisfactory acceptance of each deliverable, payment after completion of each major part of the Agreement, payment at conclusion of the Agreement, etc.

COUNTY may, in its sole discretion, terminate the contract or withhold payments claimed by CONTRACTOR for services rendered if CONTRACTOR fails to satisfactorily comply with any term or condition of this Agreement.

No payments in advance or in anticipation of services or supplies to be provided under this Agreement shall be made by COUNTY.

COUNTY shall not pay any claims for payment for services submitted more than twelve (12) months after the calendar month in which the services were completed.

DISALLOWED COSTS: CONTRACTOR is responsible for any audit exceptions or disallowed costs incurred by its own organization or that of its subcontractors.

Invoices shall be submitted in duplicate to:

County of Monterey Health Department
Public Health Bureau - Accounts Payable
1270 Natividad Road
Salinas, CA 93906
(831) 755-4500
412-phfiscal@co.monterey.ca.us

County of Monterey Health Department
Public Health Laboratory
Attn: Donna Ferguson
1270 Natividad Road
Salinas, CA 93606
(831) 755-4636
fergusond@co.monterey.ca.us

Invoices shall:

a. Be prepared on Contractor letterhead. An authorized official, employee, or agent certifying that the expenditures claimed represent services performed under this contract must sign invoices.
b. Bear the Contractor's name as shown on the agreement.
c. Be submitted monthly
d. Identify the billing and/or performance period covered by the invoice.
e. Itemize costs for the billing period in the same detail as indicated in the scope of services in the agreement. Reimbursement may only be sought for those costs and/or cost categories expressly identified as allowable in this agreement and approved by the County of Monterey.

AMENDMENT No. 1 TO AGREEMENT BY AND BETWEEN COUNTY OF MONTEREY and Steris Corporation

THIS AMENDMENT No. 1 is made to the AGREEMENT, No. A-15384 by and between **Steris Corporation,** hereinafter "CONTRACTOR", and the County of Monterey, a political subdivision of the State of California, hereinafter referred to as "County".

WHEREAS, on June 30, 2021, the County and CONTRACTOR entered into Agreement in the amount of $51,515.28 for the term of January 1, 2021, through December 31, 2023, for the provision of laboratory equipment inspection and maintenance services; and

WHEREAS, the County and CONTRACTOR wish to amend the Agreement term for one additional year through June 30, 2024, to allow services to continue and increase funds by $6,595.12 for a new Agreement amount not to exceed $58,110.40 and replacing Exhibit A due to the extension of laboratory equipment inspection and maintenance services in the Scope of Work.

NOW THEREFORE, the County and CONTRACTOR hereby agree to amend the AGREEMENT in the following manner:

1. **Section 2.0 "PAYMENTS BY THE COUNTY**" shall be amended by removing "The total amount payable by County to CONTRACTOR under this Agreement shall not exceed the sum of $51,515.28." and replacing it with "The total amount payable by County to CONTRACTOR under this AGREEMENT shall not exceed $58,110.40."

2. **Section 3.0 "TERM OF AGREEMENT"** shall be amended by removing, "The term of this Agreement is from January 1, 2021, to December 31, 2023, unless sooner terminated pursuant to the terms of this Agreement. This Agreement is of no force or effect until signed by both CONTRACTOR and County with County signing last, and **CONTRACTOR may not commence work before County signs this Agreement."** and replacing it with "The term of this Agreement is January 1, 2021, to **June 30, 2024**, unless sooner terminated pursuant to the terms of this Agreement. This Agreement is of no force or effect until signed by both CONTRACTOR and County with County signing last, and **CONTRACTOR may not commence work before County signs this Agreement."**

3. **EXHIBIT A** – Scope of Services shall be amended for the extension of laboratory equipment inspection and maintenance services. Exhibit A is deleted and replaced in its entirety and attached hereto as EXHIBIT A-1. All references in the Agreement to EXHIBIT A shall be construed to refer to EXHIBIT A-1.

4. Except as provided herein, all remaining terms, conditions, and provisions of the AGREEMENT are unchanged and unaffected by this AMENDMENT and shall continue in full force and effect as set forth in the AGREEMENT.

DocuSign Envelope ID: EDD61466-64BA-4615-B0A0-0055A882AE0C

5. A copy of the AMENDMENT shall be attached to the original AGREEMENT executed by the County on June 30, 2021.

DocuSign Envelope ID: 6BF4B24A-FDC4-463C-B062-A08344F893DE

Introduced: 12/13/2023

Current Status: Health Department - Consent

Version: 1

Matter Type: BoS Agreement

a. Approve and authorize the Director of Health Services or designee to execute a non-standard Amendment No. 1 with Steris Corporation for the purchase of preventative maintenance for existing laboratory equipment LAB 110/250 VAC/Grav BC SD Electric, extending the term an additional year, effective January 1, 2021, through June 30, 2024, and increase the contract amount for a total amount of $58,111; and
b. Approve and authorize the Director of Health Services or designee to sign up to three future amendments where the combined amendments do not exceed 10% ($5,812) of the original amount and does not significantly change the scope of work, total not to exceed a maximum of $63,923.

RECOMMENDATION:

It is recommended that the County of Monterey Board of Supervisors:

a. Approve and authorize the Director of Health Services or designee to execute a non-standard Amendment No. 1 with Steris Corporation for the purchase of preventative maintenance for existing laboratory equipment LAB 110/250 VAC/Grav BC SD Electric, extending the term an additional year, effective January 1, 2021, through June 30, 2024, and increase the contract amount for a total amount of $58,111; and
b. Approve and authorize the Director of Health Services or designee to sign up to three future amendments where the combined amendments do not exceed 10% ($5,812) of the original amount and does not significantly change the scope of work, total not to exceed a maximum of $63,923.

SUMMARY DISCUSSION:

The Health Department's Public Health Laboratory (PHL) is responsible for providing testing services to identify microorganisms that cause disease including bacteria, fungi, viruses, and parasites. The PHL is a Laboratory Response Network (LRN) and California SARS-CoV-2 Whole Genome Sequencing Initiative called COVIDNet. The PHL provides testing with associated whole genome sequencing for communicable disease surveillance purposes, surge events and other public health emergencies. The PHL also serves as a reference laboratory for local hospitals and health care agencies, particularly with respect to identifying *Mycobacterium*, *Coccidioides*, and *Legionella* species.

The PHL seeks approval to amend an agreement with Steris Corporation for preventative maintenance services of laboratory equipment. Properly functioning instruments are critical to keep laboratory personnel and the public safe from biological hazards, lengthen the life of equipment, reduce contamination, and ensure accurate laboratory results.

DocuSign Envelope ID: 6BF4B24A-FDC4-463C-B062-A08344F893DE

This work supports the Monterey County Health Department 2018-2024 Strategic Plan Goals, specifically: 2. Enhance public health and safety through prevention; and 3. Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports three of the ten essential public health services, specifically: 1. Assess and monitor population health status, factors that influence health, and community needs and assets; 2. Investigate, diagnose, and address health problems and hazards affecting the population; and 9. Improve and innovate public health functions through ongoing evaluation, research, and continuous quality improvement.

OTHER AGENCY INVOLVEMENT:
The Office of the County Counsel has reviewed and approved this Amendment as to legal form. Auditor-Controller has reviewed and approved this Amendment as to fiscal provisions.

FINANCING:
This agreement is funded 77% with Public Health Lab fee revenue and 23% Health Realignment. There are sufficient appropriations for this agreement in the Health Department Public Health Bureau's FY 2023-24 Adopted Budget 001-4000-HEA003.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
Check the related Board of Supervisors Strategic Initiatives:

☐ Economic Development:
- Through collaboration, strengthen economic development to ensure a diversified and healthy economy.

☐ Administration:
- Promote an organization that practices efficient and effective resource management and is recognized for responsiveness, strong customer orientation, accountability and transparency.

☒ Health & Human Services:
- Improve health and quality of life through County supported policies, programs, and services; promoting access to equitable opportunities for healthy choices and healthy environments in collaboration with communities.

☐ Infrastructure:
- Plan and develop a sustainable, physical infrastructure that improves the quality of life for County residents and supports economic development results.

☐ Public Safety:
- Create a safe environment for people to achieve their potential, leading businesses and communities to thrive and grow by reducing violent crimes as well as crimes in general.

SUMMARY DISCUSSION:

The County of Monterey Health Department, Public Health Bureau, Consolidated Environmental Laboratory requests approval of an Agreement with the County of Santa Barbara to provide fee-based *E. coli*, coliform, and *Legionella* testing services. The Consolidated Environmental Laboratory is an Environmental Lab Accreditation Program (ELAP)-certified laboratory that routinely analyzes drinking water for bacterial and chemical contaminants. The Consolidated Environmental Laboratory also conducts tests on samples derived from the environment for the purpose of assuring safe food, drinking water, reclaimed water, storm water run-off, and irrigation water. The Consolidated Environmental Laboratory is one of only two local health department laboratories in California certified by the Center for Disease Control and Preventions Environmental Legionella Isolation Techniques Evaluation (ELITE) program.

AMENDMENT NO. 3 TO PLATFORM LICENSE AGREEMENTBETWEEN
COUNTY OF MONTEREY &
CONDUENT HEALTHY COMMUNITIES CORPORATION

THIS AMENDMENT NO. 3 ("Amendment 3"), effective December 11, 2023 (the "Amendment 3 Effective Date"), to the Platform License Agreement No. A-14686 ("AGREEMENT"), for provision of customization, maintenance/support, and training for the Healthy Communities Institute Platform System, is made between the County of Monterey, a political subdivision of the State of California (hereinafter referred to as "Client" or "County"), for services at Monterey County Health Department, and Conduent Healthy Communities Corporation (hereinafter referred to as "CHCC") with respect to the following:

WHEREAS, on April 15, 2020, County and CHCC entered into an AGREEMENT in the amount of $70,000 for the term April 15, 2020, through April 14, 2023;

WHEREAS, on May 27, 2021, County and CHCC executed Amendment No. 1 to the AGREEMENT to include additional data analytics of deidentified hospitalization, emergency room, and mental health data to the existing platform license, extend the term of the AGREEMENT through June 23, 2025, increase the total maximum amount of the AGREEMENT by $100,000, and to replace Exhibit A: Statement of Work for the CHCC Platform;

WHEREAS, on September 1, 2022, County and CHCC executed Amendment No. 2 to the AGREEMENT to add Claritas Consumer Expenditures data analytics to the CHCC Platform, increase the maximum amount of the AGREEMENT by $10,000, and replace Exhibit A Statement of Work for CHCC Platform; and

WHEREAS, the County and CHCC wish to further amend the AGREEMENT to include a Data Use Agreement pursuant to Health and Safety Code Section 128766, to authorize CHCC to utilize data collected by County from California Department of Health Care Access and Information (HCAI).

NOW THEREFORE, the County and CHCC hereby agree to amend the AGREEMENT in the following manner:

1. **EXHIBIT C – Data Use Agreement for Non-public Patient Level Data, Health pursuant to Safety Code Section 128766** is hereby added to the AGREEMENT, as attached to this Amendment 3.

2. Except as provided herein, all remaining terms, conditions and provisions of the AGREEMENT are unchanged and unaffected by this Amendment 3 and shall continue in full force and effect as set forth in the AGREEMENT.

3. A copy of this Amendment 3 shall be attached to the original AGREEMENT.

EXHIBIT C

DATA USE AGREEMENT FOR NONPUBLIC PATIENT LEVEL DATA – HEALTHAND SAFETY CODE SECTION 128766
BY AND BETWEEN COUNTY OF MONTEREY, FOR SERVICES AT MONTEREY COUNTY HEALTH DEAPRTMENT AND CONDUENT HEALTHCOMMUNITIES CORPORATION

The Department of Health Care Access and Information ("HCAI") is required to protect patient privacy as stated in Section 128766 of the Health and Safety Code. Any Data disclosures pursuant to this Agreement are required to be consistent with the standards and limitations applicable to limited data sets in Code of Federal Regulations, title 45, section 164.514. Any hospital or health department that receives data shall not disclose that data to any person or entity, except as required or permitted by law. In no case shall a hospital, health department, contractor, or subcontractor reidentify or attempt to reidentify any data received.

This Data Use Agreement ("DUA") is by and between County of *Monterey, on behalf of the Monterey County Health Department ("County") and Conduent Healthy Communities Corporation,* hereinafter referred to as "CHCC".

The nonpublic patient level data provided by HCAI via the County under this Agreement pursuant to Health and Safety Code section 128766 is described in CHCC's Limited Data Request ("Data Request"), for the project titled "Disease Surveillance for Program Evaluation" and is hereinafter termed "Data" and is identified in the Limited Data Request form attached hereto as Attachment 1, and incorporated therein. Per this DUA, the CHCC shall not release, share, or further distribute any Data it receives from HCAI via the County (including any Data containing complete or partial individual patient records).

CHCC acknowledges and agrees that the nonpublic patient level data is subject to relevant state and federal privacy and security laws with which CHCC must comply.

The parties mutually agree that HCAI retains all ownership rights to the Data, and that CHCC does not obtain any right, title, or interest in any of the Data.

CHCC will only use or disclose the Data for the specific limited purposes and in the ways described in the Data Request. CHCC is bound by all statements made in the Data Request. Only those persons/entities identified in the Data Request are permitted to access, receive, or use the Data.

As the recipient of the Data, CHCC agrees that it will:

1. Only use or disclose the Data as stated in its Data Request, or as required by law (e.g., by court order or search warrant).

2. If CHCC wants to add a use, disclosure, or persons/entities to use/receive the Data, CHCC will submit a revised Data Request to County stating and describing the new use/disclosure and identifying any new persons/entities to receive or use the Data.

3. Use appropriate safeguards to prevent unauthorized use or disclosure of the Data including taking measures commensurate with HCAI's requirements documents in the document titled "Required Practices for Safeguarding Access to Confidential Data" and attached hereto as Attachment 2 and incorporated therein.

4. Notify HCAI via the County promptly, but in no event later than three (3) business days from the discovery of a security breach impacting the Data, or of any use or disclosure of the Data not stated in its Data Request.

5. Be responsible for costs incurred by HCAI (data owner), as defined herein, due to any security

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

incident resulting from CHCC's failure to perform or negligent acts of its personnel, and resulting in an unauthorized disclosure, release, access, review, or destruction, or loss, theft, or misuseof an information asset. If the County determines that notice to the individuals whose data has been lost or breached is appropriate, CHCC will bear the reasonable costs associated with the notice. These costs include, but are not limited to reasonable, staff time, material costs, postage, media announcements, and other identifiable costs associated with the breach or loss of data, as mutually agreed to by the parties.

6. County and CHCC to have in place a Business Associate Agreement that meets the requirements of the Code of Federal Regulations, title 45, Part 160 and Part 164.

7. Provide HCAI, via the County, with copies of fully executed data sharing agreements, for any person or entity, other than a member of CHCC's workforce, that will access PHI received by CHCC, including but not limited to CHCC's contractors, subcontractors, or partners. Those agreements shall reference this Agreement between the County and CHCC.

8. Ensure that all its contractors, subcontractors, or partners to whom CHCC provides any of the Data received from HCAI via the County, agree to in writing to comply with all terms of this DUA, including providing proof of destruction of the Data upon completion of the purpose specified in the approved request.

9. Not re-identify or attempt to re-identify the individuals to whom the Data pertains and not to contact any specific individual whose record is included in the Data.

10. Retain the Data for no more than ten (10) years, or as may be mandated by law, from the effective date of this DUA ("retention period"). Should CHCC need additional time beyond retention period, CHCC will need to request an extension from HCAI via the County and provide a justification in writing. CHCC will notify HCAI via the County within 30 days of the completion of the purpose specified in the approved request if the purpose is completed before the retention period. Within 30 days of such notice or the end of the retention period, whichever occurs sooner, CHCC, and any of its Business Associates, contractors, subcontractors, or partners must destroy the Data and send written certification of the destruction to HCAI via the County.

11. CHCC and its Business Associates, contractors, subcontractors, or partners shall not use or retain the Data or any parts thereof, after the initial retention period or agreed upon extended retention period.

12. Present in aggregate form, in which there is no reasonable basis to believe that Data can be used to identify an individual, the final report findings, listing, or publication derived fromthe Data in any manner (e.g., via email, website, manuscript, table, chart, study, report, etc.).

13. CHCC must follow the California Health and Human Services Agency Data De- Identification Guidelines (DDG), incorporated as Attachment 3 to this DUA to determine whether aggregate Data is sufficiently de-identified for reporting and may not report aggregated data if CHCC did not follow the DDG.

14. Any violation of this DUA by CHCC will be subject to appropriate legal action by the State of California. CHCC agrees to indemnify, defend, and hold harmless HCAI and the County from all third-party claims and losses directly resulting from CHCC's breach of a material obligation of this DUA.

15. CHCC acknowledges that criminal penalties under the Data Practices Act (California Civil Code section 1798.56) may apply if it is determined that CHCC willfully requested or obtained the Data under false pretenses.

16. Further, CHCC agrees that any material violations of the terms of this DUA or any of the laws and regulations governing the use of the Data may result in permanent or temporary denial of access to HCAI data for CHCC or any of CHCC's contractors, subcontractors, partners, or other Business Associates.

The undersigned individual hereby attests that they are authorized to enter into this DUA onbehalf of that

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

CHCC and agrees to all the terms specified herein.

Limited Data Request

Request number - CS0002451

HCAI offers several types of non-public data to licensed California Hospitals and California Local Health Departments. Eligible hospitals and local health departments may request Limited Model Data Sets for Patient Discharge Data, including Inpatient (PDD), Emergency Department (EDD), and Ambulatory Surgery Center (ASD). They may also order Patient Origin/Market Share data (PO/MS), created to assist hospitals and communities facing tremendous budgetary pressures, which makes the need to understand key operating performance issues critical. In addition, there are also Prevention Quality Indicators, a set of measures that can be used with hospital inpatient discharge data to identify quality of care for "ambulatory care sensitive conditions. This is data standardized for the Agency for Healthcare Research and Quality (AHRQ PQI.)

The Limited Data Set includes Inpatient (PDD), Emergency Department (EDD) and Ambulatory Surgery (AS) files. The contents of these files, including descriptions of the variables that they contain, are described in the Non-Public Data Documentation. A cross-referenced list of variables across multiple years is contained in the Master Variable Grid.

All documentation linked on this request form can also be found on the Limited Data Request Landing Page.

§128766 of the Health and Safety Code gives HCAI the legal authority to disclose patient-level data to hospitals, Tribal Epidemiology Centers, local health departments and local health officers, and certain federal agencies conducting a statutorily authorized activity. The law provides that the disclosure be consistent with limited data set standards and limitations under 45 CFR §164.514. Any hospital that receives data under §128766 shall not disclose the data to any person or entity except as required or permitted by the HIPAA medical privacy regulations. The hospital and its contractor(s) are prohibited from re-identifying or attempting to re-identify any information received pursuant to §128766. This form must be completed if you are requesting access to a limited data set from HCAI.

Organization Identification/Eligibility

Additional Information
If different from above

☐ Designated Point of Contact

Purpose

Please indicate the purpose for which the data are requested

Data used for research purposes will require a Research Supplement to be attached before the form is submitted.

☒ Public Health ☐ Research

Please describe the specific limited purposes for which the data is requested

Surveillance, production of community assessments, and health briefs

Please explain how the data meets the stated purpose noted above

Data are analyzed for various conditions that may not be reported on in other readily available reports or maybe age-adjusted, for which individual de-identified data are required

Receipt and Use of Data

Data Users Within Organization

County of Monterey Health Department- Administration -Planning, Evaluation, and Policy Unit - Roxann Seepersad - Supervising Epidemiologist
County of Monterey Health Department, Administration - Vicente Lara - Management Analyst III

Will this data be released outside of the organization?

Yes

Please note, you must upload a Business Associates Agreement form or contract before submitting.

Contractors Using Data

Conduent Healthy Communities Corporation (Conduent HCC) - Norwin Espiritu - Director of Research - 100 Campus Drive, Suite 200, Florham Park, NJ 07932 - 510-314-8300 - norwin.espiritu@conduent.com - Inpatient and Emergency Department datasets for CY2014-2022

Contractor Data Security

Conduent Healthy Communities Corporation (Conduent HCC) - All hospital utilization data will be stored on a virtual Windows Server 2016 server hosted by a HIPAA-compliant Amazon Web Service instance. Secure data will reside on an encrypted volume attached to the virtualserver. Our secure data directories of our virtual server are explicitly excluded from our cloud backupsolutions. No off-site backups of the data exist, and the virtual server is not cloned. Copies of patient health datasets will NOT be kept on any portable devices such as external hard drives, USB memory sticks, phones, or laptops under any circumstances. - SAS v9.4software is used to access raw data and calculate statistics from the data - The server can only be accessed by VPN and by specific users (Conduent HCC Research Analysts and IT Staff) with permission to access the secured data. The VPN and server are password-protected. - Access to the computer is logged and available in an audit trail. - Conduent Healthy Communities Corporation employees work remotely and would access the data from the privacy of their homes. Conduent HCC staff are to prevent anyone not authorized to view patient data sets from viewing their workstation. All employee workstations have password controls and automatic logouts after inactivity. - Data is stored electronically on an encrypted Elastic Block Storage volume - All communications between the user and server occur over encrypted channels - Norwin Espiritu, Director of Research Margaret Mysz, Research Associate Cushanta Horton, Research Associate Richard Barnatia, Research Analyst Tim McLaughlin, Senior IT Architect - They are full-time employees of the contractor. Those with a research role are responsible for coordinating, handling, or analyzing patient datasets. Researchers will deliver analysis results to Monterey County Health based on contractual agreements and scope of work. IT personnel are responsible for permitting or restricting access to the virtual server, and for maintaining the server and its software

Requested Data and Data Products

Indicate the database(s) and/or product(s) and year(s) of data you are requesting

Please Note: *Non-patient level data products developed using Limited Data Set confidential data are also available. Although these products are not patient level data, they are not de-identified and the requester must agree to treat the information they contain as Protected Health Information (PHI).*

☒ Patient Discharge Data (PDD)

Desired PDD Data Set

A Data Justification Grid is required if you select a Custom Data Set. The Data Justification Grid can be found here.

☒ Model Data Set (MDS) ☐ Custom Data Set

PDD Years Desired

Enter each year desired, separated by commas. No other format will be accepted.

2014,2015,2016,2017,2018,2019,2020,2021,2022

☒ Emergency Department Data (EDD)

Desired EDD Data Set

A Data Justification Grid is required if you select a Custom Data Set. The Data Justification Grid can be found here.

☒ Model Data Set (MDS) ☐ Custom Data Set

EDD Years Desired

Enter each year desired, separated by commas. No other format will be accepted.

2014,2015,2016,2017,2018,2019,2020,2021,2022

☒ Ambulatory Surgery Data (ASD)

Desired ASD Data Set

A Data Justification Grid is required if you select a Custom Data Set. The Data Justification Grid can be found here.

☒ Model Data Set (MDS) ☐ Custom Data Set

ASD Years Desired
Enter each year desired, separated by commas. No other format will be accepted.
2014,2015,2016,2017,2018,2019,2020,2021,2022

☐ Additional Products (PO/MS, AHRQ)

Statewide or Geographic Subset of Data Set(s) or Products
Please select the subset of data you are requesting
☐ Statewide Data Sets ☒ Geographic Subset Data Set or Product by county(-ies) or ZIP Code(s)

Describe and explain the set of Geographic Subset Data you are requesting
Spatial and residents of Monterey County, by including both types of individuals, we can assess residents 'burden of disease or incidence in the County as needed, depending on the analysis question.

Desired Data Set Format(s)
Indicate the format you prefer for your Data Set
☒ SAS (PROC Format Code Included) ☐ Comma Delimited with Labels ☐ Comma Delimited

Final Products
Will the requested data be used in any of the following ways?
☒ Geographic Information System (GIS)

Describe how this data will be used in relation to GIS
Analyses may include summarizing county data by ZIP Codes, linking to a ZIP Code layer file, and presenting data on maps. OSHPD patient counts aggregated to the ZIP code level may be layered with Monterey county zip codes.

Combination/merge/coordination with other data set(s) or databases
☒ Combination/merge/coordination with other data set(s) or databases

Describe how, including a description of the data variables within other data sets or databases
OSPHD patient counts aggregated to the ZIP code level may be layered with Monterey County ZIP attributes, generally available through US Census, such as education, income, age, and gender.

Linked patient-level information
☐ Describe the method for linking patient-level data across years/datasets

What final product(s) will be developed from this project?
Please Note: *Patient-level data cannot be contained in any product that is distributed beyond the requestor.*
Community Health Assessments, health briefs, internal reports for Health Officer or Director data requests, and public-facing data reports on Monterey County Data Share Platform (powered by Conduent LLC). For data shared with the contractor (Conduent), rates will be calculated for the following causes: asthma, community-acquired pneumonia, heart failure, hypertension, COPD, dehydration, diabetes, hepatitis, hip fractures, immunization-preventable pneumonia and influenza, urinary tract infections, unintentional falls, alcohol use, substance use, intentional self-harm, and mental health. Rates for additional causes may be calculated dependent upon the benefit to Monterey County Health and its partners

Describe how you will treat small cells to avoid identifying individuals
Our policy is to aggregate data by year, demographic strata (i.e. age groups), and /or geographic region to increase cell size. When this method is not possible or does not adequately address the small cell the data is excluded from reporting. For data utilized by the contractor, three calendar years of data will be combined to calculate values for 3-year aggregate periods at the county level–with subpopulation rates by age group, gender, and race/ethnicity–and at the ZIP code level (with no subpopulation rates). All rates will be age-adjusted, except for the age group-specific rates that will be unadjusted. Population estimates from Claritas Pop-Facts® Demographics are used for all population denominators. County rates will be suppressed and not displayed if there are fewer than 12 cases for any of the above-listed causes of hospitalizations or ER visits. Subpopulation rates and ZIP codes rates will be suppressed and not displayed if the denominator population is less than 300 or if there are fewer than 12 cases for any of the above-listed causes of hospitalizations or ER visits. Additionally, rates by race/ethnicity for indicators specific to adolescents will be suppressed if the denominator population is 20,000 or less. Case counts for any geographic level will not be displayed or provided.

Data Security
Requesting Department
See the Appendix Security Guidelines Recommended Practices for Safeguarding Access to Confidential Data. These guidelines are an example of the information needed in the security sections below. Please be very specific about the data security.

Describe the security measures under which you propose to use, maintain, and store the requested data. Address each of the main categories below.

System on which the data will reside (Standalone computer, host-based, networked, etc.)
Data will be processed on two different computers, which are both networked within Monterey County Health Department requiring VPN and user specific permissions over encrypted channels. Conduent HCC will store data virtual server hosted by HIPAA-compliant Amazon Web Services., which is only accessible by VPN and by specific user permissions over encrypted channels

Hardware/Software (Antivirus, anti-spyware, firewall, etc.) on department systems
The County of Monterey network security currently includes Windows Defender (with automatic security updates), Splunk, and carbon Black to monitor and audit potential malicious activity on the network and Microsoft product security. Microsoft antivirus, anti-spyware, and firewall software are installed and used on Conduent's AWS server

Access Controls (password requirements and safeguards, VPN use, WiFi use, file sharing, logs, etc.)
Access is restricted to authorized users only. The computers are password protected with a password of at least fifteen characters in length and contain at least one alphanumeric character and one symbol. Log-in as requires two-factor authentication to verify access to authorized users. Files are only shared with authorized users with appropriate access. Authorized user includes Contractor- Conduent HCC. On the contractor's end,all hospital utilization data will be stored on a virtual server hosted by HIPAA-compliant Amazon WebServices. The server can only be accessed by VPN and by specific users (Conduent HCC Research Analysts and IT Staff) with permission to access the secured data. The VPN and server are password-protected. All communications between the user and server occur over encrypted channels. Access to the computer is logged and available in an audit trail. Conduent staff can only use work-issued computers to access the server.

Physical Environment (monitor position, printer location, screen saver, etc.)
For LHD, The two computers are in separate locked offices. The offices are located in a restricted, non-public area that can only be entered with an electronic pass and door key. Visitor access is monitored. The monitors are positioned away from the door entry and are only accessible via password for log-in entry. Monitors are locked when not in use and screen savers are automatically triggered when no activity is detected after 5 minutes. To bypass the screen savers for access a password must be entered. . Remote staff with specific privileges to the data would access the data from the privacy of their homes through a VPN with multifactor authentication processes in place. County staff are to prevent any unauthorized viewers and uses of the data from their workstation, even when working remotely. All remote staff are equipped with privacy screens for their computers, which are to be facing away from windows or anyone passing by the work station at home. Computers are set to lock within 5 minutes of inactivity but employees are also advised to lock computers before walking away. For Conduent HCC, access is limited only to specific users in a restricted environment, and access to the computer is logged and available in an audit trail. Conduent Healthy Communities Corporation employees who work remotely and would access the data from the privacy of their homes. Conduent HCC staff are to prevent anyone not authorized to view patient data sets from viewing their workstation. All employee workstations have password controls and automatic logouts after inactivity.

Data Storage (e.g. removable media storage, hard drive encryption, backups of data, etc.)
For LHD, Data is not stored on local hard drives. Network files are restricted to authorized users only. Data cannot be removed or downloaded from a local hard drive onto an external, removal media storage. Backups of the data are only available on a secured SQL server which is limited to authorized users only. Copies of patient health datasets will NOT be kept on any portable devices such as external hard drives, USB memory sticks, phones, or laptops under any circumstances. For the Contractor, data is stored electronically on an encrypted Elastic Block Storage volume. All communications between the user and server occur over encrypted channels. Secure data will reside on an encrypted volume attached to the virtual server. The secure data directories of our virtual server are explicitly excluded from the cloud backup solutions. No off-site backups of the data exist, and the virtual server is not cloned. Copies of patient health datasets will NOT be kept on any portable devices such as external hard drives, USB memory sticks, phones, or laptops under any circumstances.

Encryption used on data storage drives
Monterey County Policy requires that all mobile devices that store protected information are encrypted. All protected data transmission is encrypted and supported by policies/procedures. Conduent HHC requires data to be stored electronically on an encrypted Elastic Block Storage volume and for all communications between the user and server to occur over encrypted channels.

Additional Notes
Please provide any additional notes you may have
Request CS0002236 expired due to time-lapse. This is being submitted to complete the data request. 2022 data released on 10/3- added year to request.

Acknowledgments and Signatures

DATA USE AGREEMENT FOR NONPUBLIC PATIENT LEVEL DATA – HEALTH AND SAFETY CODE SECTION 128766

The Department of Health Care Access and Information (HCAI) is required to protect patient privacy as stated in Section 128766 of the Health and Safety Code. Any data disclosures pursuant to this Agreement are required to be consistent with the standards and limitations applicable to limited data sets in Code of Federal Regulations, title 45, section 164.514. Any hospital or health department that receives data shall not disclose that data to any person or entity, except as required or permitted by law. In no case shall a hospital, health department, contractor, or subcontractor reidentify or attempt to reidentify any data received.

This Agreement is by and between HCAI and *County of Monterey Health Department,* hereinafter termed "Requestor."
The nonpublic patient level data provided by HCAI under this Agreement pursuant to Health and Safety Code section 128766 is described in Requestor's Limited Data Request, (Data Request), including any identified attachments, Request No. **CS0002451**, dated *2023-10-10*, for the project titled "Disease Surveillance for Program Evaluation" and is hereinafter termed "Data." This Data Request is hereby incorporated by reference into this Agreement. This Agreement supersedes all prior data use agreements between Requestor and HCAI and Requestor and the Office of Statewide Health Planning and Development (OSHPD), HCAI's predecessor.

Per this Agreement, the Requestor shall not release, share, or further distribute any Data it receives from HCAI (including any Data containing complete or partial individual patient records).

The Requestor acknowledges and agrees that the nonpublic patient level data is subject to relevant state and federal privacy and security laws with which Requestor must comply.

The parties mutually agree that HCAI retains all ownership rights to the Data, and that the Requestor does not obtain any right, title, or interest in any of the Data.

Requestor will only use or disclose the Data for the specific limited purposes and in the ways described in its approved request. Requestor is bound by all statements made in the approved request. Only those persons/entities identified in the request are permitted to access, receive, or use the Data.

As the recipient of the Data, Requestor agrees that it will:

1. Only use or disclose the Data as stated in its Data Request, or as required by law (e.g., by court order or search warrant);

    - If Requestor wants to add a use, disclosure, or persons/entities to use/receive the Data, Requestor will submit a revised Data Request stating and describing the new use/disclosure and identifying any new persons/entities to receive or use the Data;

2. Use appropriate safeguards to prevent unauthorized use or disclosure of the Data including taking measures commensurate with HCAI's "*Recommended Practices for Safeguarding Access to Confidential Data*" incorporated by reference into this Agreement;

3. Notify HCAI immediately (no later than 24 hours) of the discovery of a security breach impacting the Data, or of any use or disclosure of the Data not stated in its Data Request;

4. Be responsible for all costs incurred by HCAI (data owner) due to any security incident resulting from the Requestor's failure to perform or negligent acts of its personnel, and resulting in an unauthorized disclosure, release, access, review, or destruction, or loss, theft, or misuse of an information asset. If the contractor experiences a loss or breach of data, the Requestor shall immediately report the loss or breach to the data owner. If the data owner determines that notice to the individuals whose data has been lost or breached is appropriate, the Requestor will bear any, and all costs associated with the notice or any mitigation selected by the data owner. These costs include, but are not limited to, staff time, material costs, postage, media announcements, and other identifiable costs associated with the breach or loss of data;

5. Provide HCAI with a Business Associate Agreement that meets the requirements of the Code of Federal Regulations, title 45, Part 160 and Part 164, for any person or entity, other than a member of the Requestor's workforce, that will access PHI received by Requestor, including but not limited to Requestor's contractors, subcontractors, or partners;

6. Provide HCAI with copies of fully executed data sharing agreements, for any person or entity, other than a member of the Requestor's workforce, that will access PHI received by Requestor, including but not limited to Requestor's contractors, subcontractors, or partners. Those agreements shall reference this Agreement between the Requestor and HCAI;

7. Ensure that all of its contractors, subcontractors, or partners to whom Requestor provides any of the Data received from HCAI, agree in writing to comply with all terms of this Agreement, including providing proof to the Requestor of destruction of the Data upon completion of the purpose specified in the approved request or at the end of the retention period, whichever occurs first;

8. Not re-identify or attempt to re-identify the individuals to whom the Data pertains and not to contact any specific individual whose record is included in the Data;

9. Retain the Data for no more than ten years from year Data was collected (e.g., data collected in 2013, reported in 2014, shall be destroyed at the end of 2023) or pursuant to retention periods specifically authorized in the Data Request. Requestor will notify HCAI within 30 days of the completion of the purpose specified in the approved request if the purpose is completed before the end of the retention period. Within 30 days of such notice or the end of the retention period, whichever occurs first, Requestor, and any of its Business Associates, contractors, subcontractors, or partners shall destroy the Data and send written certification of the destruction to HCAI. Requestor and its Business Associates, contractors, subcontractors, or partners shall not use or retain Data or any parts thereof, after the retention period and all data not specifically identified in the Data Request, including data obtained through prior data requests submitted to HCAI and/or OSHPD, shall be destroyed immediately. By signing this agreement, Requestor attests that Requestor is in full compliance with the data destruction requirements as stated in this Agreement.

10. Present in aggregate form, in which there is no reasonable basis to believe that data can be used to identify an individual, the final report findings, listing, or publication derived from the Data in any manner (e.g., via email, website, manuscript, table, chart, study, report, etc.).

    - Requestor must follow the California Health and Human Services Agency Data De-Identification Guidelines (DDG) to determine whether aggregate data is sufficiently

de-identified for reporting and may not report aggregated data if User did not follow the DDG;

11. Termination for Cause. Upon HCAI's knowledge of a material breach or violation of this Agreement by Requestor, HCAI may provide an opportunity for Requestor to cure the breach or end the violation and may terminate this Agreement if Requestor does not cure the breach or end the violation within the time specified by HCAI. HCAI may terminate this Agreement immediately if Requestor has breached a material term and HCAI determines, in its sole discretion, that cure is not possible or available under the circumstances. Upon termination of this Agreement, Requestor must destroy all the Data provided under this Agreement. The provisions of this Agreement governing the privacy and security of the Data shall remain in effect until all the Data is destroyed and HCAI receives a certificate of destruction from Requestor.

Any violation of this Agreement by Requestor will be subject to appropriate legal action by the State of California. Requestor agrees to indemnify, defend, and hold harmless HCAI from any and all claims and losses accruing to any person, organization, or other legal entity resulting from its violation of this Agreement.

Requestor acknowledges that criminal penalties under the Data Practices Act (California Civil Code section 1798.56) may apply if it is determined that any person willfully requested or obtained the Data under false pretenses.

Further, the Requestor agrees that any material violations of the terms of this Agreement or any of the laws and regulations governing the use of the Data may result in permanent or temporary denial of access to HCAI data for Requestor or any of Requestor's contractors, subcontractors, partners, or other Business Associates.

The undersigned individual hereby attests that they are authorized to enter into this Agreement on behalf of that Requestor and agrees to all the terms specified herein.

ATTACHMENT 2

Required Practices for Safeguarding Access to Confidential Data

The Department of Health Care Access and Information (HCAI) has additional requirements to the CPHS requirements. These requirements apply to all researchers, their contractors, and subcontractors.

If the researcher demonstrates that he or she is unable to comply with any of the requirements below, the researcher may request an exception from these requirements. An exception will only be granted if the researcher can demonstrate that adequate alternative measures have been taken to minimize risks to justify the exception.

General Safeguards

1. The researcher must provide a plan sufficient to protect personal information from improper use and disclosures, including sufficient administrative, physical, and technical safeguards to protect personal information from reasonable anticipated threats to the security or confidentiality of the information.
2. The researcher must provide sufficient written assurances that the personal information will not be reused or disclosed to any other person or entity, or used in any manner, not approved in the research protocol, except as required by law or for authorized oversight of the research project.
3. The researcher must provide a sufficient plan to destroy or return all personal information as soon as it is no longer needed for the research project, unless the researcher has demonstrated an ongoing need for the personal information for the research project and has provided a long-term plan sufficient to protect the confidentiality of that information.
4. Researchers must state whether data/samples will be destroyed or returned as soon as it is no longer needed for the research.
5. Researchers must provide proof of destruction to HCAI certifying data has been destroyed or returned.

Administrative Safeguards

1. All research staff with access to data shall have training on Privacy and Data Security. Research teams shall hold any confidentiality statements related to general use, security, and privacy for the full term of the research project.
2. Researchers should have proper vetting either through reference checks or background checks for any person who has access to data.
3. Researchers should ensure that data will not be provided to any unauthorized person or reused for any other purposes other than what is originally approved.
4. Researchers shall take appropriate precautions to ensure that data cannot be used to personally identify individuals.
5. Researchers must request an alternative to SSN for unique identifiers.
6. All data requested shall only be the minimum data needed to complete the study.
7. Access to the data will be limited to those performing the research.
8. HCAI requires that no cell (and no statistic based on a cell of) 11 or less may be used reporting aggregate data.

Physical Safeguards

1. Researchers must describe how facilities which store data in paper or electronic form, have controlled access procedures, and 24-hour guard or monitored alarm.
2. Researchers should indicate whether identifiers will be stored separately from analysis data.

Technical Safeguards

1. Researchers must describe how all computers that contain data will have full disc encryption that uses FIPS 140-2 certified products.

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

2. All data on removable media devices (e.g. USB thumb drives, CD/DVD, smartphones, backup tapes) will be encrypted with software which is a FIPS 140-2 certified product.
3. Researchers should indicate how all workstations, laptops and other systems that process and/or store data have security patches applied in a reasonable time frame (include the frequency).
4. Researchers must explain how all transmissions of electronic data outside the secure internal network (e.g., emails, website access, and file transfer) are encrypted using software which is a FIPS 140-2 certified.
5. Researchers must describe how all password controls are in place to protect data stored on workstations, laptops, servers, and removable media and should follow a minimum of 14 characters with at least one capital letter, one small letter, one number and one special character.
6. Researchers must provide what security antivirus controls are in place by product name and current version.
7. Researchers must describe methods of secure wiping, degaussing, or physical destruction to be used when disposing of electronic data in accordance with NIST Guidelines for Media Sanitization NIST Special Publication 800-88 Revision 1.
8. HCAI provided data is not allowed to be published or accessible to the Internet.

1) Purpose

The California Health and Human Services Agency (CHHS) Data De-identification Guidelines (DDG) describes a procedure to be used by departments and offices in the CHHS to assess data for public release. As part of the document, specific actions that may be taken for each step in the procedure are described. These steps are intended to assist departments in assuring that data is de-identified for purposes of public releasethat meet the requirements of the California Information Practices Act[1] (IPA) and the Health Insurance Portability and Accountability Act[2] (HIPAA) to prevent the disclosure ofpersonal information.
Additionally, the DDG support CHHS governance goals to reduce inconsistency of practices across departments, align standards used across departments, facilitate therelease of useful data to the public, promote transparency of state government, and support other CHHS initiatives, such as the CHHS Open Data Portal.

2) Background

CHHS implemented an agency-wide governance structure in October, 2014. The governance structure acts both in a decision-making and advisory capacity to Agency leadership and its departments and offices. Implementation of the governance framework supports information technology (IT) initiatives that are more tightly aligned with meeting business objectives, enhanced project prioritization and improved strategicIT investment decisions. The Executive Sponsor is the Undersecretary of CHHS. The Advisory Council consists of representatives of senior leadership from departments andoffices in the Agency. There are five subcommittees that report to the Advisory Council,which include the Portfolio, Procurement, Infrastructure, Risk Management and Data Subcommittees. The Data De-identification Workgroup was convened by the Data Subcommittee with representation from all departments and offices in CHHS.
CHHS is engaged in improving transparency and public reporting through the Open Data Portal. As described in the CHHS Open Data Portal Handbook, not all data is suitable for use on the open data portal. Data is Publishable State Data if it meets one of the following criteria: (1) data that are public by law such as via the Public Records Act[3] (PRA) or (2) the data are not prohibited from being released by any laws, regulations, policies, rules, rights, court order, or any other restriction. Data shall not be

[1] Civ. Code § 1789 et seq.

[2] HIPAA Privacy Rule is located at 45 CFR Part 160 and Subparts A and E of Part 164

[3] Gov. Code 6250 et seq.

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

released if it is restricted due to the HIPAA, state or federal law. Data tables may fallinto one of three categories:[4]

- Level One: Data tables that can be released to the public and published withoutrestriction;
- Level Two: Data tables that have some level of restriction or sensitivity but currently can be made available to interested parties with a signed data useagreement; or
- Level Three: Level three data are restricted due to HIPAA, state or federal law.These data will NOT be accessible through the CHHS Open Data Portal.

Data can change from being Level 3 to Level 1 if appropriate de-identification processesare employed. The CHHS DDG described in this document will support departments and offices in the evaluation of data to determine whether it has been adequately de- identified so that it can be considered Level 1.

3) Scope

Data de-identification practices will be implemented by each department and office (further referred to as department) in the agency. This DDG is the default policy for CHHS departments. If a CHHS department wants to create a department DDG, it musthave appropriate references to departmental processes and the department must file acopy of their DDG with the Office of the Agency Information Officer (OAIO). For example, the Legal Review process and the Departmental Release Procedures for De- Identified Data require additional information to describe these steps within each department. Additionally, a department with programs not covered by HIPAA will not require specific HIPAA references. A department must request DDG consultation from the CHHS peer review team (PRT), described in Section 8: DDG Governance prior to implementation. The PRT is available to review the department's documentation to ensure it is consistent with the principles of the CHHS DDG and meets requirements ofthe California IPA.

The CHHS DDG is focused on the assessment of aggregate or summary data for purposes of de-identification and public release. Aggregate data means collective datathat relates to a group or category of services or individuals. The aggregate data may be shown in table form as counts, percentages, rates, averages, or other statistical groupings.

[4] CHHS' Open Data Portal Handbook, Version 2.1, October 2014, Data Levels Decision Tree, pages 91 and 92.

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

Departments are sometimes asked to release record level data. Record level datarefers to information that is specific to a person or entity. For example, a record forJane Doe may include demographics and case information specific to Jane Doe.

However, summary data would include information from Jane Doe combined, or summarized, with data from other individuals. If record level data is to be publicly released, it must be assessed to ensure it is de-identified and does not include PersonalInformation (PI)[5] or Protected Health Information (PHI).[6] Although the DDG is focused on summarized data, it can be used to assist with review of individual or record level data. The record level data should be assessed both for uniqueness of the records andfor the possibility that the data can be used in conjunction with other information available to the requester to identify individuals in the data. Record level data inherentlyhas higher risk than summarized data, even after personal identifiers are removed.

Therefore, record level data for public release should be assessed on a case by casebasis.

CHHS collects, manages and disseminates a wide range of data. The focus for the DDG is on data that includes personal characteristics of individuals who have a legal right to privacy. Personal characteristics include but are not limited to age, race, sex, and residence and other identifiers specified in the IPA and HIPAA and listed in Figure

1. These guidelines will focus on the assessment of personal characteristics that are included in various data sets or tables to assess risk for identification of the individualsto which they pertain.

---

[5] Personal Information is defined by California Civil Code section 1798.3 and Government Code section 11015.5.

[6] "PHI" is defined as information which relates to the individual's past, present, or future physical or mental health or condition, the provision of health care to the individual, or the past, present, or future payment for the provision of health care to the individual, and that identifies the individual, or for whichthere is a reasonable basis to believe can be used to identify the individual. (45 CFR section 160.103)

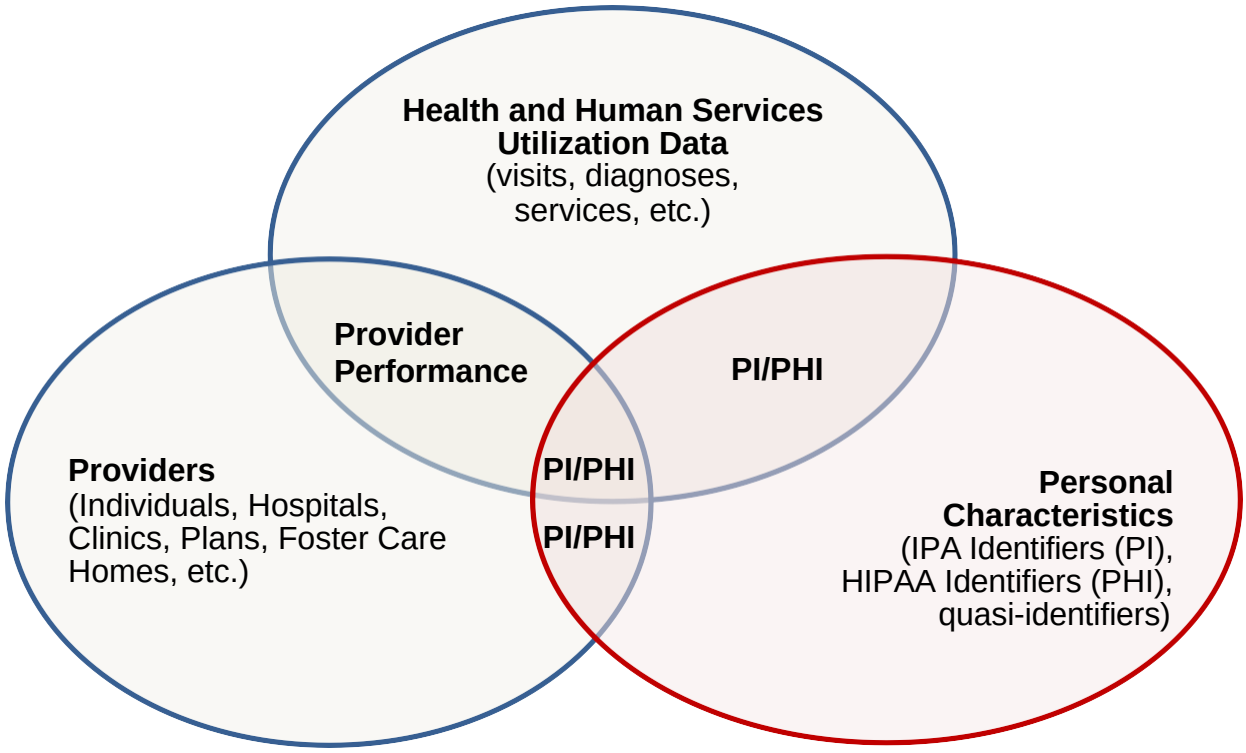
Assessing the risk of an unauthorized disclosure that violates an individual's right to privacy and/or confidentiality, as provided by statute, may be achieved by associatingpersonal characteristics with a person's identity or attributes. When these characteristics can successfully confirm an individual's identity in a publicly released data set, then release of this data results in disclosure of personal information.
Less obvious qualities in data sets and elements that may be used to identify individualsor groups can present uniqueness in data. Individual uniqueness in the released data and in the population is a quality that helps distinguish one person from another and is directly related to re-identification of individuals in aggregate data. Disclosure risk becomes a concern when released data reveal characteristics that are unique in both the released data and in the underlying population. The risk of re-identifying an individual or group of individuals increases when unique or rare characteristics are "highly visible", or are readily accessible by the general public without any special or privileged knowledge. Unique or rare personal characteristics (e.g., height above 7 feet)or information that isolate individuals to small demographic subgroups (e.g., American Indian Tribal membership) increase the likelihood that someone can correctly attribute information in the released data to an individual or group of individuals.[9]

Assessment of variables and their uniqueness

There are a number of variables that are unique to individuals that have been identifiedin various laws and are considered identifiers (PI/PHI). There are two primary laws thatdescribe identifiers, shown in Figure 1, in California: the IPA and the federal HIPAA. Other variables that are commonly used to publish information to the public have been called quasi-identifiers because while they are not unique by themselves, they can become unique in the right combination. The variables shown in the Publication Scoring Criteria in Figure 6 can be considered quasi-identifiers and will be discussed further in Sections 4 and 6.

Assessment of risk in the context of maximizing the usefulness of the information presented



The removal of PI and PHI from datasets is often considered straight-forward, because as soon as data is aggregated or summarized the majority of the data fields defined as identifiers in the IPA and HIPAA are removed. However, various characteristics of individuals may remain that alone or in combination could contribute to identifying individuals. These characteristics have been described as quasi-identifiers. Figure 2 helps demonstrate the quasi-identifier concept. For instance, there is interest in reporting about providers, where providers may be individuals, clinics, group homes, or other entities. Each of these providers has a publicly available address and has publicly

[9] Introduction to Statistical Disclosure Control, Temple et al. 2014

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

available characteristics. While patients may come to a provider from anywhere, they typically will visit providers within a certain distance of their residence. Thus, by publiclypublishing details on providers, data miners with malicious intent would have a targetedgeography that lists locality information, types of services offered and received, and demographic information about patients. To expand on this example, data that states a provider saw two patients with heart disease does not indicate who had the heart disease nor does it reveal the identity of the two patients amongst the thousands of patients that provider sees. However, datasets that display a provider within a given region with two Black or African American female patients under age 10 with heart disease may release enough personal characteristics about the patients to successfullyreveal their identity. These compounding patient details released about providers that give geography information (address), health condition (heart disease), and person- based characteristics (quasi-identifiers) of the patients puts the dataset in the overlapping area of the diagram of Figure 2. This overlap, consequently, highlights potential risks associated with seemingly innocent summary data.

4) Statistical De-identification

The DDG describes a procedure, the Data Assessment for Public Release Procedure shown in Figure 5, to be used by departments in the CHHS to assess data for public release. This section, section 4, describes specific actions that may be taken for each step in the procedure with additional supporting information being described in sections5, 6 and 7. These steps are intended to assist departments in assuring that data is de- identified for purposes of public release that meet the requirements of the California IPAto prevent the disclosure of personal information.
The Data Assessment for Public Release Procedure includes the following steps:

1. Review the data to determine if it includes personal characteristics, directly orindirectly, that can be tied back to an individual;
2. If there is concern for personal characteristics, then assess the data for smallnumerators or denominators;
3. If there is concern for small numerators or denominators, assess potential risk ofdata release;
4. If there is potential risk identified, assess the need to apply statistical maskingmethods to de-identify the data;
5. Following statistical de-identification, the data release is reviewed by legal if indicated in departmental procedures; and,
6. After statistical de-identification, the data is reviewed and approved for releasebased on program and policy criteria pursuant to departmental procedures.

The steps above are represented in a step-wise process shown in Figure 5. Each stepis described in further detail in section 4.1 through 4.6.
Data summaries that originate from data which includes personal identifiers must be de-identified before release to the public. Additionally, data summaries about conditions experienced by individuals must be adequately de-identified to prevent re-identification of individuals represented by the summarized data. Various statistical methods are available to statistically de-identify data.
Summarized data may be reviewed in the context of the numerator and the denominatorfor the given presentation. The numerator represents the number of events being reported while the denominator represents the population from which the numerator is taken. For example, if it is reported that there are 50 cases of diabetes in California then the numerator would be the number of cases (50) and the denominator would be the number of people in California that could have diabetes (more than 38 million people since diabetes can occur at any age or sex). While the numerator is relatively

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

straight-forward to identify, the denominator can be difficult. Data summaries are frequently presented in tables in which numerators and denominators may be identified.
The numerator is typically the value in each table cell. However, the denominator canbe difficult to identify given the various ways in which tables are prepared. Two examples of tables, Figure 3 and Figure 4, show the numerators and denominators insample tables.

Figure 3: Illustration of numerators and denominators in a table.

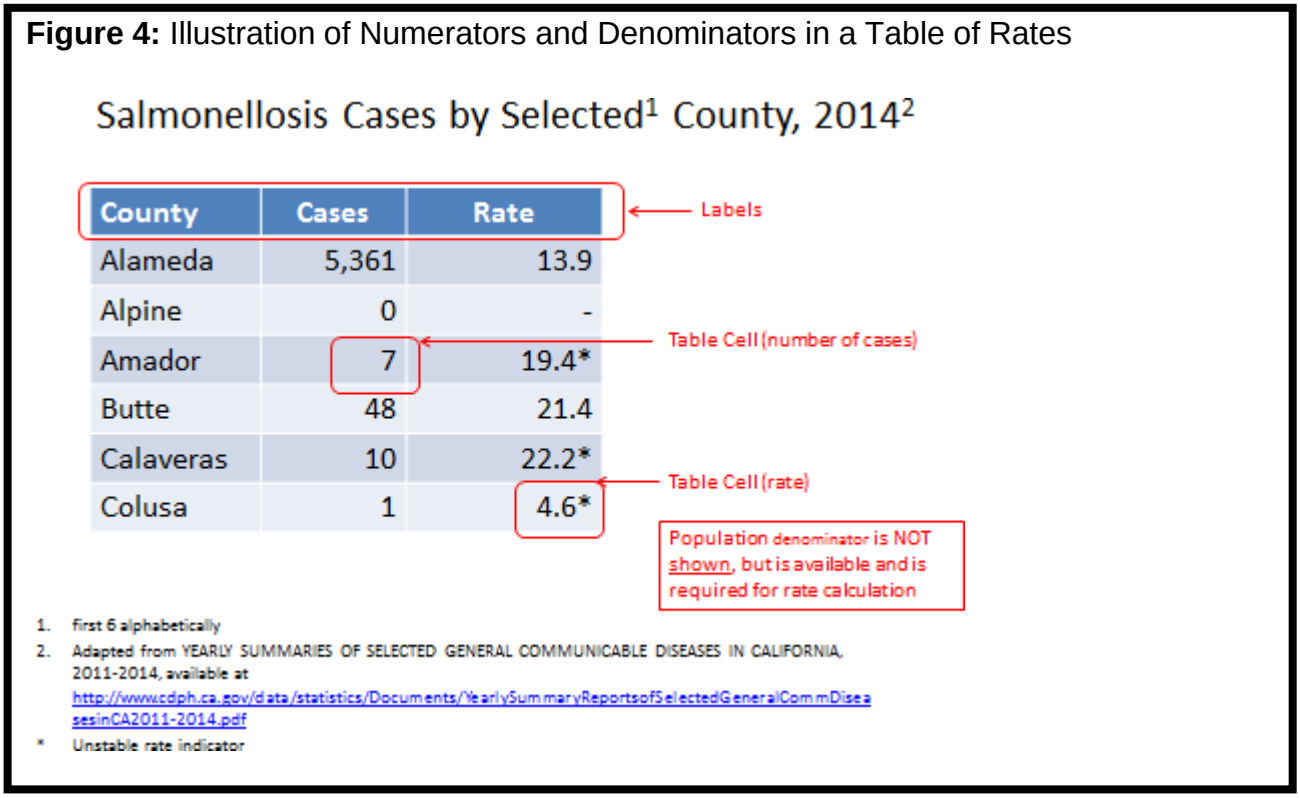
Year	# of Medi-Cal Members in Fee For Service (in thousands)	# of Medi-Cal Members in Managed Care (in thousands)
2012	2,775	4,853
2011	3,067	4,527

Column Headings

Table Cell

Row Headings

# of Medi-Cal Members in Fee For



Numerator	**Service (in thousands)**	**2,775**
Denominator (in thousands)	**# Medi-Cal Members in 2012**	**7,628**

Figure 3 shows an example table with the numerator and the denominator highlighted. The Cells in the table are the boxes with values in them, as opposed to the row and column headings. The row headings are 2012 and 2011. The column headings are Year, # of Medi-Cal Members in Fee For Service (in thousands) and Number of Medi- Cal Members in Managed Care (in thousands). In Figure 3, “2,775” is the value in a table cell and represents a numerator. The sum of the row for year 2012 (2,775 + 4,853 = 7,628) represents a denominator. In this context, the denominator may represent rowtotals, column totals or the total occurrences in the data set released. Data in Figure 3 comes from the “Trend in Medi-Cal Program Enrollment by Managed Care Status - for Fiscal Year 2004-2012, 2004-07 - 2012-07.” [10]
Figure 4 shows another type of table that contains rates. In this case, the numerator isthe number of Salmonella cases for a sample of California Local Health Jurisdictions in2014. The table also includes the rate of Salmonella for these jurisdictions. In order to calculate the rate, the population size of each jurisdiction is required, but is not shown directly in this table. The population denominator is an important element for data de- identification.

Figure 5: Data Assessment for Public Release Procedure

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

4.1 Personal Characteristics of Individuals

As described in Section 3 and Figure 2, personal characteristics of individuals introducethe most significant risk with respect to identifying individuals in a data set. The following are examples of personal characteristics.

- Identifiers as defined in CA IPA
- Identifiers as defined in HIPAA
- Demographics typically reported in census and other reporting
  - Race
  - Ethnicity
  - Language Spoken
  - Sex
  - Age
  - Socio-economic status as percent of poverty

Personal characteristics are those characteristics that are distinctive to a person and may be used to describe that person. Personal characteristics include a broader set of information than those data elements that may be specifically defined as identifiers (such as, driver license, address, birth date, etc.). Personal characteristics may also beinferred from characteristics related to provider or utilization data. For example, if presented with information about a provider that only sees women, it can be inferred that the clients are women even if that is not specifically stated in the data presentation.

4.2 Numerator – Denominator Condition

The Numerator – Denominator Condition represents a combination of both the Numerator Condition and Denominator Condition and for which both conditions must bemet or else a more detailed assessment is required. This may be considered as an initial screening of a data set.
Numerator – number of events with the characteristics of the given row and columnDenominator – the population from which the events arise.
The Numerator Condition sets a lower limit for the cell size of cells displayed in a table.The DDG has set this limit as any value representing aggregated or summarized records which are derived from less than 11 individuals (clients). Of note, values of zero (0) are typically shown since a non-event cannot be identified.
The Denominator Condition sets a minimum value for the denominator. The DDG hasidentified the lower limit for the denominator to be a minimum value of 20,000.
Since this is a Numerator – Denominator Condition, both the minimum cell size for thenumerator and denominator must be met. If these conditions are met, the table can move to Step 5 for consideration for release to the public. If either the numerator of denominator condition is not met, then the review of the data must proceed to Step 3.

4.3 Assess Potential Risk

This step requires the use of a documented method to assess the risk that small numerators or small denominators may result in conditions that put individuals at risk ofbeing re-identified.
Assessment of potential risk for a given data set must take into account a range of contributing considerations. This includes understanding particular characteristics of a given data set that is being released. For example, if the potential values for a specificpersonal characteristic, such as race, results in many small numbers in data set A but does not in data set B, then the risk may be low for data set B and high for data A if thegroupings of the personal characteristics include the same categories. For this reason, each department or program may set different values for risk based on the underlying distribution of these variables in the data sets of interest.

There are many methods used to assess potential risk. Many of the methods that are inuse throughout the country are described in the various references provided in Section 15. While each department will document the method(s) chosen for use, the followingdescription of the Publication Scoring Criteria is provided as an example and may be adopted by departments as a method to assess potential risk.

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

Publication Scoring Criteria: Example of tool to assess potential risk

The Publication Scoring Criteria is used to identify the presence of small values that areconsidered sensitive in order to facilitate the assessment of potential risk. The Publication Scoring Criteria combines a number of conditions that increase the risk of agiven data table and allows the department to evaluate those risks in combination with each other. The variables included in the Publication Scoring Criteria are those variables routinely used to publish data but are not all inclusive.

A variable is a symbol representing an unknown numerical or categorical value in an equation or table. A given variable may have different ranges assigned to it. Rangesassigned to the variable may be defined many ways which may increase or decreasethe risk of identification of an individual represented in the table. This is seen in the Publication Scoring Criteria in that ranges for variables which will produce smaller groupings have a higher score.

The Publication Scoring Criteria in Figure 6 quantifies with a score two identification risks: size of potential population and variable specificity. The Publication Scoring Criteria is used to assess the need to perform statistical masking as a result of a smallnumerator, small denominator, or both. The Publication Scoring Criteria takes into account both variables associated with numerators, such as Events, and with denominators, such as Geography.

This method requires a score less than or equal to 12 for the data table to be releasedwithout additional masking of the data. Any score over 12 will require the use of statistical masking methods described in section 4.4 or documentation regarding the specific characteristics of the data set that mitigate the risk.

When identifying the score for each variable, use the highest scoring criteria. For example if a table had age groups of 0 to 11 years, 12 to 14 years, and 15 to 18 years then the score for the “age range” variable would be +5 because the smallest age rangeis 12 to 14, which is an age range of three years.

If a variable has greater granularity than the score listed, use the highest score listed. For example, if the variable “Time” has a frequency of “weekly” then the score would be +5 which is the maximum score associated with the most granular level (monthly) of thevariable in the Publication Scoring Criteria.

In addition to assessing the granularity of each variable, the interaction of the variablesis also important. As discussed later in section 6.4, decreasing the granularity or the number of variables are both techniques for increasing the values for the numerators. The final criteria in Figure 6 is that for Variable Interactions. This provides for a subtraction of points if the only variables presented are the events (numerator), time and geography and an addition of points for including more variables in a given presentation. With respect to the subtraction of points, the score is based on the minimum value for the Events variable. For example, if the smallest value for the Events is 5 or more, then the score would be -5. However, if the smallest value for theEvents is 2, then the score would be 0. This is discussed in more detail in Section 6.2. In assessing risk, the scoring can be part of the justification to release or not release data but should not by itself be an absolute gateway to the release data. The review must take into account additional considerations including those that are discussed inthis document in addition to the scoring.

4.4 Statistical Masking

If Step 3 determined that the data set has a risk that small numerators or small denominators may result in conditions that put individuals at risk of being re-identified, then the data set must be assessed to determine the need for statistical masking of those small values and complimentary values. In performing the statistical masking, thedata producer must consider what level of analysis may be sacrificed in order to produce a table with lower risk. Initial considerations for statistical masking are described below. For additional methods related to statistical masking, please see Section 6.4.

Reduce Table Dimensions

If there are more dimensions present in the table than necessary for the vast majority ofanalysis, the data producer should consider reducing the number of dimensions in a single table and produce multiple tables each with a subset of the dimensions in the table that resulted in small cells. For example, if there are six dimensions of interest for study, but a table that crosses all six dimensions produces a large number of small cells, the data producer could consider producing several tables each of which crosses four dimensions. This is especially effective if there are very few analytic questions requiring a cross section of all six variables.

Reduce Granularity of Variable(s), aka Recoding or Aggregation

An alternative approach to addressing small cells in a table is to reduce the number of levels of a particular dimension. This is especially useful for dimensions with a large number of levels that can be easily aggregated to fewer levels and maintain much of their utility. Geographic variables such as state or county can often be recoded into regional variables that still serve the analytic needs of the data user. It is also the only table restructuring option for tables with only two or three dimensions which have limitedopportunities for table dimension reduction.

It should be noted that these actions can be used alone or in tandem to reduce, orcompletely eliminate, small cells within a table.

Cell Suppression and Complementary Cell Suppression

There will be cases where not all small cells can be eliminated by reducing granularity of dimensions or the number of dimensions present in a table. In these cases it will be necessary to suppress small cells and perform complementary suppression to ensure that precise values of small cells cannot be calculated using the values of unsuppressedcells and marginal values. In the simplest case this means ensuring that each column and row of a two dimensional table has at least two suppressions. This ensures that the precise values of the suppressed cells cannot be calculated. Complementarysuppressions are often selected using one of the methods listed below.

1. The ‘analytically least interesting’ level of a particular dimension. This is often,‘other’, or ‘I don’t know’.
2. The smallest cell available for complementary suppression. This is based on minimizing the ‘information loss’.
3. The cell most similar to the cell needing complementary suppression, such as adjacent age groups. This can produce complementary suppression that may beeasier to interpret.

4.5 Legal Review

Necessity of criteria for this step will be determined by each department. This may vary depending on the purpose of the release and whether or not the department orprogram is a HIPAA covered entity or not. See Section 7 for further discussion.

4.6 Departmental Release Procedure for De-identified Data

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

After completion of the statistical de-identification process, each department will specify the additional review steps necessary for public release of various data products. Products may include but are not limited to reports, presentation, tables,PRA responses, media responses and legislative responses. See Section 7 for further discussion.

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

5) Types of Reporting

CHHS programs develop a wide range of information based on different types of data. This is reflected in the various categories shown on the entry page for the CHHS OpenData Portal, which include:

- Diseases and Conditions
- Facilities and Services
- Healthcare
- Workforce
- Environmental
- Demographics
- Resources

Various types of reporting may or may not have a connection to personal characteristicsthat would create potential risk of identifying individuals.

5.1 Variables

The following list of variables is important to consider when preparing data for release.

Personal characteristics	Event characteristics
Age	Number of events
Sex	Location of event
Race	Time period of event
Ethnicity	Provider of event
Language Spoken	
Location of Residence	
Education Status	
Financial Status	

As stated previously, variables that are personal characteristics may be used to determine a person's identity or attributes. When these characteristics are used to confirm the identity of an individual in a publicly released data set, then a disclosure of an individual's information has occurred. Individual uniqueness in the released data and in the population is a quality that helps distinguish one person from another and is directly related to re-identification of individuals in aggregate data. Disclosure risk is a concern when released data reveal characteristics that are unique in both the released data and in the underlying population. The risk of re-identifying an individual or group ofindividuals increases when unique or rare characteristics are "highly visible", or otherwise available without any special or privileged knowledge. Unique or rare personal characteristics (e.g., height above 7 feet) or information that isolate individualsto small demographic subgroups (e.g., American Indian Tribal membership) increase the likelihood that someone can correctly attribute information in the released data to anindividual or group of individuals.

Variables that are event characteristics are often associated with publicly availableinformation.

Therefore, increased risk occurs when personal characteristics are combined with enough granularity with event characteristics. One could argue that if no more than twopersonal characteristics are combined with event characteristics then the risk will be lowindependent of the granularity of the variables. This hypothesis will need to be tested using various population frequencies to quantify the uniqueness of the combination of variables both the in the potential data to be released as well as in the underlying population.

5.2 Survey Data

Survey data, often collected for research purposes, are collected differently than administrative data and these differences should be considered in decisions aboutsecurity, confidentiality and data release.

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

Administrative data sources (non-survey data) such as: vital statistics (e.g. births and deaths), healthcare administrative data (e.g. Medi-Cal utilization; hospital discharges), reportable disease surveillance data (e.g. measles cases) contain data for all persons inthe population with the specific characteristic or other data elements of interest. Most ofthe discussions in this document pertain to these types of data.

On the other hand, surveys (e.g. the California Health Interview Study) are designed totake a sample of the population, and collect data on characteristics of persons in the sample, with the intent of generalizing to gain knowledge suggestive of the whole population.

The sampling methodology developed for any given survey is generally developed to maximize the sample size with the available resources while making the sample as un- biased (representative) as possible. These sampling procedures that are a fundamentalpart of surveys generally change the key considerations for protection of security and confidentiality. In particular, the main “population denominator” for strict confidentially considerations remains the whole target population, not the sampled population. But, if persons have special or external knowledge of the sampled populations (e.g. that a family member participated in the survey), further considerations may be required.

Also, it is in the context of surveys that issues of statistical reliability often arise—whichare distinct from confidentially issues, but often arise in related discussions.

Of particular note, small numbers (e.g. less than 11) of individuals reported in surveys do not generally lead to the same security/confidentiality concern as in population-wide data, and as such should be treated differently than is described within the Publication Scoring Criteria and elsewhere. In this case a level of de-identification occurs based onthe sampling methodology itself.

5.3 Budgets and Fiscal Estimates

Budget reporting may include both actuals and projected amounts. Projected amounts,although developed with models that are based on the historical actuals, reflect activities that have not yet occurred and, therefore, do not require an assessment for de-identification. Actual amounts do need to be assessed for de-identification. When the budgets reflect caseloads, but do not include personal characteristics of the individuals in the caseloads, then the budgets are reflecting data in the Providers and Health and Service Utilization Data circles of the Figure 2 Venn Diagram and do not need further assessment. However, if the actual amounts report caseloads based on personal characteristics, such as age, sex, race or ethnicity, then the budget reporting needs to be assessed for de-identification.

5.4 Facilities, Service Locations and Providers

Many CHHS programs oversee, license, accredit or certify various businesses, providers, facilities and service locations. As such, the programs report on various metrics, including characteristics of the entity and the services provided by the entity.

- Characteristics of the entity are typically public information, such as location, type ofservice provided, type of license and the license status.
- Services provided by the entity will typically need to be assessed to see if thereporting includes personal characteristics about the individuals receiving theservices. Several examples are shown below.

a) Reporting number of cases of mental illness treated by each facility – if the facility is a general acute care facility then the reporting of the number of casesdoes not tell you about the individuals receiving the services.

b) Reporting number of cases of mental illness treated by each facility – if the facility is a children’s hospital then the reporting of the number of cases does tellyou about the individuals receiving the services.

c) Reporting number of psychotropic medications prescribed by a general psychiatrist does not tell you about the patients receiving the medications.

d) Reporting number of psychotropic medications prescribed by a general psychiatrist to include the number of medications prescribed by the age group, sex or race/ethnicity of the patients receiving the medications does tell you aboutthe patients receiving the medications.

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

In (a) and (c) above, assessment for de-identification is not necessary as there areno characteristics about the individuals receiving the services. However, in (b) and
(d) above, the inclusion of personal characteristics which may be quasi-identifiers, especially when combined with the geographical information about the provider, does require an assessment for de-identification.

5.5 Mandated Reporting

CHHS programs are required to provide public reporting based on federal and Californiastatute and regulations, court orders, and stipulated judgments, as well as by various funders. Although reporting may be mandated, unless the law expressly requires reporting of personal characteristics, publicly reported data must still be de-identified to protect against the release of identifying or personal information which may violate federal or state law.

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

6) Justification of Thresholds Identified

6.1 Establishing Minimum Numerator and Denominator

The DDG workgroup reviewed the published literature including information from other states and from the federal government. There was a great deal of variation inthe numerical values chosen for the Numerator Condition. While the Centers for Disease Control and Prevention (CDC) WONDER database suppresses cells with numerators less than 10, the National Environmental Public Health Tracking Network suppresses cells that are greater than 0 but less than 6. Examples range from 3 to 40 with many being 10 to 15. The Centers for Medicare and Medicaid Services (CMS) uses a small cell policy of suppressing values derived from fewer than 11 individuals. As stated in a 2014 publication associated with a data release of Medicare Provider Data, "to protect the privacy of Medicare beneficiaries, any aggregated records which are derived from 10 or fewer beneficiaries are excluded from the Physician and Other Supplier PUF [public use file]."[11] Of note, CMS only uses a Numerator Condition.

Just as there is no consistent value for the Numerator Condition, neither is there aconsistent value for the Denominator Condition. Some examples include:

- National Center for Health Statistics (public micro-data) – 250,000
- National Environmental Health Tracking Network – 100,000
- Maine Integrated Youth Health Survey – 5,000

In establishing a minimum denominator to protect confidentiality, the DDG workgroup began by looking at the risk associated with providing geography associated with record level data. As noted in the "Guidance Regarding Methods forDe-identification of Protected HIPAA Privacy Rule", published November, 2012 by the U.S. Department of Health & Human Services, Office for Civil Rights there is varying risk based on the level of zip code and how the zip code is combined with other variables. It has been estimated that the combination of a patient's Date of Birth, Sex, and 5-Digit ZIP Code is unique for over 50% of residents in the United States.[12,13] This means that over half of U.S. residents could be uniquely described just with these three data elements. In contrast, it has been estimated that the combination of Year of Birth, Sex, and 3-Digit ZIP Code is unique for approximately 0.04% of residents in the United States.

---

[11] "Medicare Fee-For Service Provider Utilization & Payment Data Physician and Other Supplier PublicUse File: A Methodological Overview," Prepared by: The Centers for Medicare and Medicaid Services,Office of Information Products and Data Analytics, April 7, 2014.

[12] See P. Golle. Revisiting the uniqueness of simple demographics in the US population. In *Proceedingsof the 5th ACM Workshop on Privacy in the Electronic Society*. ACM Press, New York, NY. 2006: 77-80.

[13] See L. Sweeney. K-anonymity: a model for protecting privacy. *International Journal of Uncertainty, Fuzziness, and Knowledge-Based Systems*. 2002; 10(5): 557-570.

14 For this reason, the HIPAA Safe Harbor rule specifies that the 3-Digit ZIP Code can be provided at the record level if the 3- Digit ZIP Code has a minimum of 20,000 people. By aggregating data for a given 3- Digit ZIP Code, the potential for identifying a unique individual is less than 0.04%.

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

By combining with the Numerator Condition, the risk becomes less than 0.04% because there will be a minimum of 11 individuals with a particular age and sex forthe 3-Digit ZIP Code. Additionally, most tables will provide additional levels of aggregation further reducing risk. This reduction of risk is discussed further with respect to the Publication Scoring Criteria.

A minimum denominator of 20,000 was chosen as part of the numerator-denominator condition to leverage the risk assessment cited above.

The Numerator-Denominator Condition serves as an initial screening to assesspotential risk for a data set. If this condition is met, additional analysis is not necessary. If the condition is not met, then the analysis proceeds to Step 3.

6.2 Assessing Potential Risk – Publication Scoring Criteria

The Publication Scoring Criteria is provided as an example of a method that meets the requirements of Step 3 in the Data Assessment for Public Release Procedure. Itis a tool to assess and quantify potential risk for re-identification of de-identified databased on two identification risks: size of potential population and variable specificity.The Publication Scoring Criteria is used to assess the need to suppress small cells as a result of a small numerator, small denominator, or both small numerator and small denominator where a small numerator is less than 11 and a small denominatoris less than 20,001. That is why the Publication Scoring Criteria takes into account both numerator (e.g., Events) and denominator (e.g., Geography) variables.

The Publication Scoring Criteria is based on a framework that has been in use by the Illinois Department of Public Health, Illinois Center for Health Statistics. Variousother methods have been used to assess risk and the presence of sensitive or smallcells. Public health has a long history of public provision of data and many methodshave been used. Further discussion of other methods used to assess tables for sensitive or small cells is found in Section 6.3.

This section provides a more detailed review of the criteria that make up thePublication Scoring Criteria.

---

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

Events

Variable	Characteristics	Score
Events	1000+ events in a specified population	+2
	100-999 events	+3
	11-99 events	+5
	<11 events	+7

The Events score represents a score for the numerator. The Events category will bescored based on the smallest cell size in the table.

The lowest value for the Events variable (<11 events) which has the highest score(+7) was chosen to be consistent with the Numerator Condition. The Publication Scoring Criteria is used when the Numerator-Denominator Condition is not met.

Therefore, when the Numerator Condition is not met with respect to the Eventsvariable, a high score is given.

Sex

Variable	Characteristics	Score
Sex	Male or Female	+1

Sex is commonly represented as two categories: male and female. Because the number of categories is small, just knowing a person's reported sex is not enough topose a risk of identifying that person. The score of +1 reflects that inclusion of the variable in a table introduces increased specificity; however, that it only has two potential values gives it a low risk.

In cases where an additional stratification of other/unknown is used for sex, the reviewer will need to assess potential for increased risk based on the inclusion of theadditional stratification.

Although the variable "Sex" is often called "Gender", it should not be confused with the variables "sexual orientation" and "gender identity." According to definitions fromthe American Psychological Association, "Sexual orientation refers to the sex of those to whom one is sexually and romantically attracted" and "Gender identity refers to "one's sense of oneself as male, female, or transgender."[15]

[15] Definition of Terms: Sex, Gender, Gender Identity, Sexual Orientation; Excerpt from: The Guidelines for Psychological Practice with Lesbian, Gay, and Bisexual Clients, adopted by the APA Council of Representatives, February 18-20, 2011. http://www.apa.org/pi/lgbt/resources/sexuality-definitions.pdf

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

Additional information is provided from San Francisco County at https://www.sfdph.org/dph/files/hc/HCFinance/agendas/2014/August%205/pdf%20rev%20072514%20re%20age%20adopted%20090313%20-%20SFDPH%20Sex%20and%20Gender%20Guidelines.pdf. Age Range

Variable	Characteristics	Score
Age Range	>10-year age range	+2
	6-10 year age range	+3
	3-5 year age range	+5
	1-2 year age range	+7

Age ranges receive a higher score for smaller ranges of years due to the increasedrisk for identification. Of note, the HIPAA Safe Harbor method specifically identifies the following as an identifier: "All elements of dates (except year) for dates that are directly related to anindividual, including birth date, admission date, discharge date, death date, and all ages over 89 and all elements of dates (including year) indicative of such age, except that such ages and elements may be aggregated into a single category of age 90 or older." Although dates are included in the Safe Harbor list, age (<90 yearsold) is not. The risk score to age ranges reflects the two components of the scoring criteria: size of the potential population and the variable specificity.

Race Group and Ethnicity

Race Group	White, Asian, Black or African American	+2
	White, Asian, Black or African American, American Indian or Alaska Native, NativeHawaiian or Other Pacific Islander, Mixed	+3
	Detailed Race	+4
Ethnicity	Hispanic or Latino - yes or no	+2
	Detailed ethnicity	+4
Race/Ethnicity Combined	This applies when race and ethnicity arecollected in a single data field	
	White, Asian, Black or African American,Hispanic or Latino	+2
	White, Asian, Black or African American, Hispanic or Latino, American Indian or AlaskaNative, Native Hawaiian or Other Pacific Islander, Mixed	+3
	Detailed Race/Ethnicity	+4

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

Race and Ethnicity are collected in a number of different ways on the different stateand federal data collection tools. At the federal level, starting in 1997, Office of Management and Budget required federal agencies to use a minimum of five race categories:

- White,
- Black or African American,
- American Indian or Alaska Native,
- Asian, and
- Native Hawaiian or Other Pacific Islander.

Ethnicity asks individuals if they are Hispanic or Latino. Additional specificity forEthnicity may be requested.

The California population in general is approximately:[16]

- 40% White
- 13% Asian
- 6% Black or African American
- <1% American Indian
- <1% Native Hawaiian and other Pacific Islander
- 37% Hispanic or Latino

Based on these percentages, Race Group at the level of White, Asian and Black or African American is given a score of +2 because the Asian and Black or African American groups are relatively small. If the reporting is for the OMB standard categories, White, Asian, Black or African American, American Indian or Alaska Native,Native Hawaiian or Other Pacific Islander, and Mixed, then the score is +3. If more specificity is requested for Race Groups the score is +4 because the other groups are much smaller at less than 1% of the overall population. Similarly, for the Hispanic or Latino Ethnicity the score is a +2 for a yes or no answer, whereas more detailed ethnicity results in a higher score of +4.

For Race/Ethnicity Combined fields, the scoring is +2 for the groups White, Asian, Black or African American, Hispanic or Latino. The score is +3 for the OMB standard categories with Hispanic or Latino, White, Asian, Black or African American, AmericanIndian or Alaska Native, Native Hawaiian or Other Pacific Islander, and Mixed. The score is +4 for more detailed categories.

[16] Based on Year 2010 from the State of California, Department of Finance, Report P-1 (Race): State and County Population Projections by Race/Ethnicity, 2010-2060. Sacramento, California, January 2013

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

Race and Ethnicity demographics may vary significantly based on geography as wellas based on particular conditions. So although the scoring criteria presents a guideline for assessing risk, the population frequencies for the specific geography and/or condition should also be taken into account. Appendix C provides the countyspecific demographics produced by Department of Finance for reference.

Three scenarios are presented to help demonstrate how to use the three race groupand ethnicity scoring criteria.

First Scenario – Complete Cross-Tabulation between Race and EthnicityConsider this table:

	Hispanic	Non-Hispanic	
Black	50	250	300
White	200	1000	1200
Asian	5	95	100
	255	1345	1600

This is the most granular you can get, so you would add both the Race and Ethnicityscore to the overall total for your scoring metric (i.e. greatest risk for re- identification). Note that you can replace “Ethnicity” with “Sex” and the principle still applies—you have a cross-tabulated table of Race and Sex.
Second Scenario – Race and Ethnicity merged into exclusive categories.

Usually the algorithm is that Ethnicity trumps Race when categorizing. This results ina Hispanic category, with the other categories effectively becoming “Non-Hispanic Race.” So the above table would become:

- Black 250
- White 1000
- Asian 95
- Hispanic 255

This is when you would use the combined Race/Ethnicity score in the guidelines foryour scoring metric.
Third Scenario – No Interaction between Race and EthnicityIf you did this, the above table would become:

- Black 300
- White 1200
- Asian 100
- Hispanic 255

Note that this is the only scenario where you can’t add up all the categories to get a total population. Also you would need to run the scoring metric separately for your Race-only and Ethnicity-only datasets. Like the First Scenario, you can replace Ethnicity with Sex and it still makes sense—you now have two tables, one displayingRace and the other Sex, with no interaction between the two—which lessens the Small Cell Size problem.

Language Spoken

Variable	**Characteristics**	**Score**
Language Spoken	English, Spanish, Other Language	+2
	Detailed Language	+4

Language spoken is captured in a variety of data systems to support individuals in receiving services in the language they speak. The following table is taken from the report: Medi-Cal Beneficiaries by Primary Language Report of October, 2010.[17] Thisfrequency distribution was used to determine the groupings for the scoring above.

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

Language Spoken	Count of Medi-Cal Members	Percent of Count
Total	**7,835,022**	**100.00**
English	4,135,060	52.78
Spanish	2,840,758	36.26
Vietnamese	141,289	1.80
Cantonese	85,750	1.09
Armenian	65,096	0.83
Russian	41,252	0.53
Tagalog	39,361	0.50
Mandarin	35,330	0.45
Hmong	33,594	0.43
Korean	27,814	0.35
Farsi	26,123	0.33
Arabic	23,929	0.31
Cambodian	20,476	0.26
Lao	8,355	0.11
Other Chinese	7,483	0.10
Mien	3,803	0.05
Sign Language	2,637	0.03
Thai	1,940	0.02
Portuguese	1,666	0.02
Ilocano	1,661	0.02

17 http://www.dhcs.ca.gov/services/MH/InfoNotices-Ltrs/Documents/InfoNotice-PrimaryLang-Enclosure1.pdf

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

Language Spoken	Count of Medi-Cal Members	Percent of Count
Samoan	1,306	0.02
Japanese	1,215	0.02
French	653	0.01
Turkish	376	0.00
Hebrew	367	0.00
Polish	275	0.00
Italian	252	0.00
Other and unspecified	287,201	3.67

Based on the above numbers, the majority of individuals speak English or Spanish.Therefore if the table includes “English”, “Spanish”, and “Other Language” as the categories for “Language Spoken”, then the score is +2 which is comparable to reporting Hispanic or Latino Ethnicity as a “Yes or No”.

As noted for Race and Ethnicity demographics, language spoken demographics mayvary significantly based on geography as well as based on particular conditions. So although the scoring criteria presents a guideline for assessing risk, the population frequencies for the specific geography and/or condition should also be taken into account.

If more specificity for Language Spoken is being requested with respect to reportingon the other languages in the table above, the request will need to be reviewed on acase by case basis. The additional review is necessary given the variability of language spoken by different populations or geographies and the consideration for potential increased risk of identification.

Time – Reporting Period

Variable	Characteristics	Score
Time – Reporting Period	5 years aggregated	-5
	2-4 years aggregated	-3
	1 year (e.g., 2001)	0
	Bi-Annual	+3
	Quarterly	+4
	Monthly	+5

Many reports are published based on the calendar year. However, the combinationof years of data is an excellent way to provide increased aggregation in a way that allows for more specificity elsewhere, such as county identifiers. Inversely, the smaller the time period in the data, the closer the time period comes to approximating a date. Thus monthly reported data has a high score of +5.

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

Of note, the HIPAA Safe Harbor method list includes “All elements of dates (except year) for dates that are directly related to an individual, including birth date, admission date, discharge date, death date, and all ages over 89 and all elements ofdates (including year) indicative of such age, except that such ages and elements may be aggregated into a single category of age 90 or older.” This is a potential identifier when in combination with other information. This potential as an identifier influences the higher scores in the Publication Scoring Criteria as the time period foraggregation gets smaller.

The “0” value for this variable is set at one year as this is the criteria for Safe Harborunder the HIPAA de-identification standard.

Geography

Variable	**Characteristics**	**Score**
Residence Geography*	State or geography with population >2,000,000	-5
	Population 1,000,001 - 2,000,000	-3
	Population 560,001 - 1,000,000	-1
	Population 250,000 - 560,000	0
	Population 100,000 - 250,000	+1
	Population 50,001 - 100,000	+3
	Population 20,001 - 50,000	+4
	Population ≤ 20,000	+5
Service Geography*	State or geography with population >2,000,000	-5
	Population 1,000,001 - 2,000,000	-4
	Population 560,001 - 1,000,000	-3
	Population 250,000 - 560,000	-1
	Population of reporting region 20,001 - 250,000	0
	Population of reporting region ≤20,000	+1
	Address (Street and ZIP)	+3

* If the geography of the reporting is based on the residence of the individual, use the“Residence Geography”. If the geography of the reporting is based on the location of service, use the “Service Geography”.

The Geography score, while it may or may not represent the denominator of the table, does provide a reference to the base population about which the reporting isoccurring. This will often be reflected in the title of the table if a statewide table.

Otherwise the geography may be represented in the rows or columns. There are two different scoring sets based on whether the geography reporting is based on theresidence of the individual to which the information applies or to the service location.

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

The scores are higher for geography related to residence address because so muchinformation is publicly available about individuals and their address of residence.

For large populations greater than 560,000, which is equivalent to the size of a state,there is a negative score because the size of the denominator masks the individual. The number 560,000 was chosen as a cut-off because this is the size of the smalleststate (Wyoming). We chose to use the cut-off at the smallest state's population because state level reporting is not listed as one of the 18 identifiers the HIPAA Safe Harbor method.

The scores for the service geography are lower because clients can generally comefrom diverse locations for services. Although people often seek services or have health conditions close to their homes, they may also travel extensive distances.

Reviewers do need to make sure that there are not constraints associated with services that would mean the service geography and resident geography are the same. For example, if a program publishes service utilization by county and the county services can only be used by county residents, then the service utilization bycounty is also the county of residence. Scoring should be based on the criteria thatresults in the highest score and thus the highest risk.

Service Geography includes a level of detail that is identified as "Address (Street and ZIP)." This deals with reporting by provider (hospital, clinic, provider office, etc.)Provider addresses are public information and are public at the street address level.A given provider will tend to have a standard catchment area or the geographic boundaries from which most patients come from. This information is published by Office of Statewide Health Planning and Development (OSHPD) [18] for hospitals.

While this addresses where most patients or clients come from, patients or clientsmay also come from outside the catchment area. For that reason this does not score as high as the more detailed geography under Residence Geography.

Variable Interactions

Variable	Characteristics	Score
Variable Interactions	Only Events (minimum of 5), Time, and Geography(Residence or Service)	-5
	Only Events (minimum of 3), Time, and Geography(Residence or Service)	-3
	Only Events (no minimum), Time, and Geography(Residence or Service)	0

[18] Office of Statewide Health Planning and Development (OSHPD), Patient Origin & Market Share Reports, Retrieved from http://www.oshpd.ca.gov/HID/Products/PatDischargeData/PivotTables/PatOrginMkt/default.asp on January 22, 2016.

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

	Events, Time, and Geography (Residence or Service) + 1 variable	+1
	Events, Time, and Geography (Residence or Service) + 2 variables	+2
	Events, Time, and Geography (Residence or Service) + 3 variables	+4

This criteria specifically addresses the interaction of the variables in a given datapresentation and requires the analyst to identify dependent as opposed to independent variables. This criteria is used with respect to dependent variables.This is demonstrated in the two tables below.

Illustration A: Dependent Variables

In this example the Event (counts of Disease A) is shown for Males who are also 0-17 years old or Males who are also 18-25 years old. In this case Sex and Age are dependent because the stratification for each variable is stacked. This commonly occurs in pivot tables.

Counts of disease A byyear	Males and 0-17 years old	Males and 18-25 years old	Females and 0-17 years old	Females and 18-25 yearsold
Year 1	6	10	5	8
Year 2	8	14	3	20

Illustration B: Independent Variables

In this example the Event (counts of Disease A) is for Males or Females which is shown side by side to a table with ages 0-17 years old or 18-25 years old. In this case Sex and Age are independent because the stratification for each variable is notstacked. Although the two variables Sex and Age are shown in the same table, theyare presented independently of each other. While you can compile the data in Example B from Example A, the reverse is not true.

Counts of disease A by year	Males	Females	0-17 years old	18-25 yearsold
Year 1	16	13	11	18
Year 2	22	23	11	34

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

This criteria is structured to have less impact if personal characteristics outside of time and geography are excluded and more impact if multiple personal characteristics are included. This provides for a subtraction of points if the only variables presented are the events (numerator), time and geography and an additionof points for including more variables in a given presentation. With respect to the subtraction of points, the score is based on the minimum value for the Events variable. For example, if the smallest value for the Events is 5 or more, then the score would be -5. However, if the smallest value for the Events is 2, then the scorewould be 0.

The minimum value for Events of 3 *(Only Events (minimum of 3), Time, and Geography (Residence or Service))* is used as a threshold to address concern for pre-existing knowledge by users about individuals. For example, if an entity knowswho one person is with disease A and the count for Events is "1" or "2", then the entity could identify the person they know of or the person they know of plus information about the other person. The use of a minimum of 3 does not protect against two entities colluding to determine a third person.[19] For this reason, the threshold of 5 for Events is also given. The threshold of 5 is frequently used in public health reporting regarding various events.

In contrast, if additional demographic variables are added, then the risk increases significantly. For example, for Events, Time and Geography (Residence or Service)with three additional variables, a table would show how many individuals are femaleby age group by race for a given time period and geography. This allows for a moredetailed comparison to census data and assessment of the number of individuals with a particular set of characteristics.[20] For this reason, additional points are addedbecause of the inclusion of multiple dependent variables.

Other Variables

Variables other than those specified in the Publication Scoring Criteria can be released only after an additional review by the department's Statistical Expert on a case by case basis. A guideline that can be considered in performing this review isthe following scoring.

[19] NORC, "NORC Recommendations for California Department of Health Care Services (DHCS) Data De-Identification Guidelines (DDG)," January 8, 2016.

[20] NORC, "Case Study: The Disclosure Risk Implications of Small Cells Combined with Multiple Tables or External Data," January 8, 2016.

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

Variable	Characteristics	Score
Other Variables	<5 groups or categories	+3
	5-9 groups	+5
	10+ groups	+7

Considerations include not just the number of groups, but also the characteristics ofthe variables. Consider whether the variable represents an aggregation (DiagnosisRelated Groups) or a specific item (ICD-10 Code). Also consider the availability of the variable to the public when also associated with other information, in particular with variables that may be personal characteristics.

6.3 Assessing Potential Risk – Alternate Methods

As noted in Section 6.2, the Publication Scoring Criteria is based on a framework that has been in use by the Illinois Department of Public Health, Illinois Center for Health Statistics. Various other methods have been used to assess risk and the presence of sensitive or small cells. Public health has a long history of public provision of data and many methods have been used. Some of those methods arehighlighted here.

- Ohio Department of Health published a Data Methodology Standards for Public Health Practice.[21] This method is framed around the concept that a Disclosure Limitation Standard for tabulations of confidential Ohio Departmentof Health data shall be suppressed when the table denominator value minus the table numerator value is less than 10.
- Washington State Department of Health published Guidelines for Working with Small Numbers[22] that highlights many topics covered in the CHHS DDGbut also discusses the use of relative standard error (RSE) to assess reliability of data in addition to steps to take protect confidentiality.
- Colorado Department of Public Health and Environment published Guidelinesfor Working with Small Numbers[23] which also addresses many of the same topics.

The size of numerators and denominators vary in each of the documents abovealthough the principles are consistent.

6.4 Statistical Masking

Statistical masking provides an extensive set of tools that can be used to mitigate potential risk in a given data presentation. As discussed in Section 4.4, the data releaser will assess the need for statistical masking when the assessment in Step 3identified potential risk. Each department will document statistical masking processes that are routinely used in data preparation for public release.

As discussed in section 4.4, initial methods to address sensitive or small cells, aswell as complimentary cells include the following:

- Reduce Table Dimensions
- Reduce Granularity of Variable(s), aka Recoding or Aggregation
- Cell Suppression and Complementary Cell Suppression

Small cell sizes are typically encountered when one of the following conditions ismet.

a) Multiple variables. This most often occurs in a pivot table presentation or a query interface where a user may have occurrences of disease X, stratified bycounty, stratified by sex, stratified by race and ethnicity.

b) Granular variables. The more granular the variable the smaller the potential numerator and denominator. This most commonly occurs with shortening thetime period of reporting (weekly) or making the geography more specific (zip code or census tract). However, it can also occur when there are many categories for a variable. An example of this is aid codes in Medi-Cal where there are almost 200 aid codes.

c) Rare events. Examples include diseases such as hemophilia. Examples of incidents may result from mass trauma events such as a plane crash or multi-car accident.

In each of these cases, statistical masking may be addressed in a number of ways.For this reason, it is important to keep in mind the purpose for the reporting so thatthe method chosen for masking can still maximize the usefulness of the data provided. Choices for each condition are highlighted below.

a) Multiple variables. Options include separating the table into multiple tables that limit the number of variables included in each table; decreasing the granularity of the variables included in the table; or suppressing the small cellwith an indicator that it is less than 11.

b) Granular variables. A common approach to this situation would be to decrease the granularity of the variables although suppressing the small cellwith an indicator that it is less than 11 is also an option.

c) Rare events. In these cases it becomes very challenging to suppress the value in a way that it will not be able to be used with other public informationto identify individuals. Additionally, with rare events, there is more significance in the variance of small numbers.

In addition to small cells, complementary cells must also be suppressed. Complementary cells are those which must be suppressed to prevent someone frombeing able to calculate the suppressed cell based on row or column totals in combination with other data in that row or column.

Suppressing small cell values and complimentary cells can be done in two ways.

1) Use a symbol to indicate the cell has been suppressed. Identify any other cells (complimentary cells) that can be used to calculate the small cell anduse a symbol to indicate the cell has been suppressed.

2) Use a symbol to indicate the cell has been suppressed or leave the cell blankand remove the value from all pertinent row and column totals so that the cell cannot be calculated. This negates the need for evaluation of complementarycells. This method must be used with great caution because the totals may actually be published in other non-related tables. For this reason the methodis not recommended.

When suppressing values, the following footnote to indicate the suppression isrecommended:

“Values are not shown to protect confidentiality of the individuals summarizedin the data.”

In addition to the above, there are a number of other methods that may be used forStatistical Masking. Methods discussed in the “Statistical Policy Working Paper 22(Second version, 2005), Report on Statistical Disclosure Limitation Methodology” include the following for tables of counts or frequencies and for magnitude data.[24]

7) Approval Processes

After completion of the statistical de-identification process, each department will specifythe additional review steps necessary for public release. This may vary depending on the purpose of the release and whether or not the department/program is a HIPAA covered entity.

Recognizing that some data analyses may be published as independent tables while other analyses will be part of larger reports, the final review of all data analyses must follow the department or office procedures for document review in addition to review procedures identified for the implementation of the DDG. The expectation is that the review of data for de-identification will fit into other routine review processes. Reviews outside the DDG portion may vary depending on whether data is being released for a PRA request, to the media, to the legislature, by the program as part of routine reporting, or for other reasons.

Departments and offices may consider the following components for reviews related todata that has been de-identified.

- Statistical Review to Assess De-identification

(for HIPAA entities this may be an Expert Determination Review)

- Legal Review
- Departmental Release Procedures

Statistical Review to Assess De-identification (Steps 1, 2, 3 & 4)

The department or office may designate individuals within the department to provide a statistical review of data products before they are released to ensure the data has beende-identified with methods that are consistent with these guidelines.

For HIPAA covered entities, this will be performed by individuals who are considered experts for the purpose of performing expert determinations in compliance with the HIPAA Privacy Rule, and who meet the Rule's implementation specifications: "A person with appropriate knowledge of and experience with generally accepted statistical and scientific principles and methods for rendering information not individually identifiable" [45 CFR Section 164.514(b)(1)] This expert determination review, according to the regulation's requirements, will be performed by:

"(1) A person with appropriate knowledge of and experience with generallyaccepted statistical and scientific principles and methods for rendering information not individually identifiable:

(i) Applying such principles and methods, determines that the risk is verysmall that the information could be used, alone or in combination with

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

other reasonably available information, by an anticipated recipient toidentify an individual who is a subject of the information; and

(ii) Documents the methods and results of the analysis that justify suchdetermination"[25]

When an expert determination review is requested, the Expert Determination Review must include a document that includes the expert's determination that "the risk is very small that the information could be used, alone or in combination with other reasonablyavailable information, by an anticipated recipient to identify an individual who is a subject of the information," attests that the requirements of 45 CFR section 164.514 (b)(1)(i) and (ii) have been met, and includes (or attaches) the documentation requiredby 45 CFR section 164.514(b)(1)(ii). This document must be signed by the expert.

These guidelines provide a starting point for expert determination review; however, the facts of each case chosen for expert determination review must be analyzed on an individual, case-by-case basis by the expert. If followed, the Guidelines may be referenced as part of the documentation used to support the expert determination. The documentation should also include a general description of the principles, methods, andanalyses used, as well as an explanation of the analysis that justifies the expert determination.

The expert determination review may use the Expert Determination Template in Appendix A. The Expert Determination Template includes a confirmation that "the riskis very small that the information could be used, alone or in combination with other reasonably available information, by an anticipated recipient to identify an individual who is a subject of the information."

If methods that have been used to de-identify the data are not described in the Guidelines, then the Expert will need to provide additional documentation that explainsthe statistical and scientific principles and methods used and the results of the additional analysis.

Legal Review (Step 5)

Step 5 in the Data Assessment for Public Release Process provides for a legal review within the department. This may vary depending on the purpose of the release and whether or not the department or program is a HIPAA covered entity or not. This reviewmay assess the data to be released for risk to the Department, and for potential implications on litigation, statutory or regulatory conditions on data release, and other legal considerations that may impact release. Legal Services may review the expert determination documentation to ensure compliance with the HIPAA Privacy Rule as applicable.

Departmental Release Procedures (Step 6)

---

[25] 45 CFR section 164.514 (b)

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

Step 6 in the Data Assessment for Public Release Process provides for departmental release procedures for de-identified data. After completion of the statistical de- identification process, each department will specify the additional review steps necessary for public release of various data products. Products may include but are not limited to reports, presentation, tables, PRA responses, media responses and legislative responses.

Potential reviews include Public Affairs. Public Affairs is often designated to receive all publications, brochures, or pamphlets intended for public distribution to be printed or reproduced to review the material to determine if it requires Agency Approval or Governor's Office approval. Public Affairs may also be designated to review content toassess the data table for compliance with the Americans with Disabilities Act of 1990[26] (ADA).

Departments may also consider processes for quality assurance reviews: The may apply to data products being added to the web sites to ensure that they have had appropriate reviews and de-identification steps. It may also include reviews of updatedreports. Many reports maintain the same variables and formats but have updated numbers/information on a periodic basis (monthly, quarterly, annually). For these reports, departments may consider a centralized review to ensure data products are consistent with previously reviewed reports and have not had changes that would change the previous assessment.

[26] 42 U.S.C 12101 et seq.

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

8) DDG Governance

Governance for DDG will be provided by the Data Subcommittee with support from theRisk Management Subcommittee. The Subcommittees are part of the CHHS governance structure as described in the CHHS Information Strategic Plan.[27] Governance for the CHHS DDG will provide the following support for departments andoffices.

- Maintain the CHHS DDG, which will include updates and revisions to thedocument as well as annual reviews for currency.
- Coordinate integration of the CHHS DDG into the Statewide Health InformationPolicy Manual (SHIPM), Section 2.5.0 De-identification[28] and the CHHS Open Data Handbook.
- Convene a Peer Review Team (PRT).
- Provide for escalation of issues that cannot be resolved by the PRT.

The CHHS PRT will include no more than two representatives from each department oroffice. Membership of the PRT is expected to include individuals with the following background and experience.

- Knowledge of and experience with generally accepted statistical and scientificprinciples and methods for rendering information not individually identifiable.
- Knowledge of and experience with legal principles associated with data de-identification in compliance with California IPA and HIPAA.

The PRT will have the following responsibilities:

- Provide review and consultation regarding a department's DDG to ensure it is consistent with the CHHS DDG. This may be particularly useful if a department incorporates methods for de-identification in the department's DDG that have notalready been documented in the CHHS DDG.
- Provide for escalation and review of data de-identification questions or issuesthat a department is not comfortable resolving independently.
- Develop training tools to be used by departments when developing and implementing department specific DDGs based on the content of the CHHSDDG.

The PRT will not review all disclosures or data released by each department.

9) Publicly Available Data

A critical step in reviewing data for public release is the consideration of what other datamay be publicly available that could be used in combination with the newly released data to identify the individuals represented in the data. This section will highlight some specific data sets that are publicly available that may be used in combination with CHHS data that would contribute to potential increased risk.

Common kinds of data with personal information include: real estate records, individual licensing databases (MD, RN, contractors, lawyers, etc.), marriage records, news (and other) media reports, commercially available databases (data brokers, marketing), courtdocuments, etc.

Vital Records Data

Another common data set for programs to be aware of are the publicly available electronic birth and death indices from Vital Records, as specified in Health and SafetyCode section 102230(b).
The following are provided in the birth record indices:

- First, middle, and last name
- Sex
- Date of birth
- Place of birth

The following are provided in the death record indices:

- First, middle, and last name
- Sex
- Date of birth
- Place of birth
- Date of death
- Place of death
- Father's last name

Other potential sources of publicly available data to consider are informational certifiedcopies of birth and death certificates. In California, anyone can obtain an informational certified copy of birth and death certificates, which are clearly marked as un-authorizedcopies that cannot be used to verify identity. In reality, it is difficult to use these as a dataset for the following reasons:

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

- Certified copies of birth and death certificates must be obtained on an individualbasis, and you must be able to identify the record. In other words, an individual cannot simply ask for a stack of certificates for purposes of creating a dataset.

- Certified copies are issued on specialized banknote paper, not in electronicformat, which creates a problem of scale when trying to create a dataset.

- There is a $25 fee for each certified copy of a birth certificate and $21 for a certified copy of a death certificate, which also creates a problem of scale whentrying to create a dataset.

- Certified copies are meant for individual use. A request for a large amount of certificates may generate an investigation among vital records staff as to why somany certificates were requested at once.

CHHS Open Data Portal

As additional data sets are added to the Open Data Portal, programs need to take that information into account when considering potential risk for any given data set. The CHHS Open Data Workgroup will be providing easier access to both lists of data currently on the portal as well as data sets planned for addition to the porta. While significant with over 100 data sets, this is not exhaustive because of the PRA, which allows for an extremely broad amount of information to be released in a sporadic way. So some specificity can occur but not completely. CHHS departments have a duty of due diligence in the de-identification process regarding consideration of published identifiable data, published de-identified data and the soon to be published de-identifieddata.

Listed below are individual records or documents that the Department of Rehabilitationhave available to the public:

- Fair Hearing Decisions include appellant's initials and possibly other information,depending on issue appellant presents for hearing, such as sex, disability, employment, education, vocational rehabilitation services, etc.; and

- Monthly Operating Reports and information therefrom includes names of licensees and financial information regarding the operation of the licensees' operation of vending facilities in the Business Enterprises Program for the Blind.To be eligible for this program, the individuals must be legally blind.

Public Census and Demographic Information

The Demographic Research Unit (DRU) of the California Department of Finance is designated as the single official source of demographic data for state planning and budgeting.[29] The DRU produces the following products which serve as the basis for understanding the population characteristics and distributions that frequently make up the denominators in the review of data sets.

[29] http://www.dof.ca.gov/research/demographic/dru/index.php

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

- Estimates - Official population estimates of the state, counties and cities produced by the Demographic Research Unit for state planning and budgeting.

- Projections - Forecasts of population, births and public school enrollment at thestate and county level produced by the Demographic Research Unit.

- State Census Data Center - Demographic, social, economic, migration, and housing data from the decennial censuses, the American Community Survey, theCurrent Population Survey, and other special and periodic surveys.

Commonly Shared Information

With the growth of social media, people frequently share information through tools suchas Facebook, Linked In, and Tweets. While it would be impossible to take into accountall information that people make public about themselves, there is an expectation that acertain amount of information is likely to be in the public domain based on information individuals frequently provide about themselves. Examples of such information include wedding dates, birth dates, education (high school, college) and professional certifications.

Geographic Information

Geographic information is particularly suited to being combined with other geographic information given the relatively standardized was data is coded (latitude, longitude, county, etc.) With the use of mapping tools, various information can be combined in a way that is called a “mash up.” “A mashup, in web development, is a web page, or web application, that uses content from more than one source to create a single new service displayed in a single graphical interface. For example, you could combine the addresses and photographs of your library branches with a Google map to create a mapmashup.[1] The term implies easy, fast integration, frequently using open application programming interfaces (open API) and data sources to produce enriched results that were not necessarily the original reason for producing the raw source data.”[30]

[30] http://en.wikipedia.org/wiki/Mashup_(web_application_hybrid)

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

10) Development Process

The CHHS Data Subcommittee requested the convening of the CHHS Data De-Identification Workgroup to develop the DDG.

The DDG Workgroup began with an orientation to the topic of data de-identification and presentations by the DHCS, OSHPD and California Department of Public Health (CDPH) regarding current practices and activities related to data de-identification. The DDG Workgroup used the Public Aggregate Reporting for DHCS Business Reports (PAR-DBR) as a starting point for initial drafts. The PAR-DBR had been developed between April and August, 2014 through a workgroup processes within DHCS with inputand presentations from OSHPD, CDPH, and University of California, Los Angeles California Health Interview Survey. The PAR-DBR served as a basis for this document,including the literature review conducted as part of the development of the PAR-DBR.

The development process was designed to include an updated literature review, case examples and broad discussion among CHHS programs. Publishing data publicly is always a balance between the protection of confidentiality and the usability of the data.

The project timeline for the CHHS DDG Workgroup is below:

3/15/15 Planning Meeting Part 1 – Participants included DHCS, CDPH,OSHPD, OHII
3/20/15 Planning Meeting Part 2 – Participants included DHCS, CDPH,OSHPD, OHII
4/7/15 Present Objectives for the project and use the DHCS PAR-DBR as anexample
4/23/15 Presentations from OSHPD and CDPH regarding current processesand approach to small cell sizes
5/5/15 Discuss concept of uniqueness as a way to measure risk for re- identification and gather input from Departments/Offices regardingDDG variables and topics
5/27/15 Review initial draft DDG – Focus on new sections of the document6/8/15 Review initial draft DDG – Focus on Data Assessment for Public Release Procedure

May & Meet with each department/office individuallyJune, 2015

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

6/30/15 Review draft DDG version 0.2

July 2015 Departments/offices vet the DDG within their departments/offices 8/21/15 Received input from the CHHS Risk Management Committee 8/6/15 Review draft DDG version 0.3
9/14/15 Progress update for DDG Workgroup and discussion of additionaltopics
12/18/15 Presentation from NORC to review their findings of the draft DDG 1/8/16 Receive final recommendations from NORC
Jan. 2016 Provide DDG version 0.4 to DDG Workgroup

2/18/16 Review and discussion of draft DDG version 0.4 with the DDGWorkgroup
3/18/16 Provide DDG version 0.5 with outstanding comments from the DDGWorkgroup to the Data Subcommittee
4/18/16 Provide revised draft DDG to the Data Subcommittee.

5/24/16 Provide draft DDG version 0.7 from the CHHS Data Subcommittee tothe CHHS Advisory Council. The Advisory Council shared the DDG version 0.7 with the other subcommittees and discussed the version
0.7 at the 6/8/16 meeting and the version 0.8 at the 7/6/16 meeting.7/7/16 Provide draft DDG version 0.10 to the Undersecretary.
9/23/16 DDG approved by CHHS Undersecretary as Version 1.0.

The final document will be incorporated into the Open Data Handbook and madepublicly available.

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

11) Legal Framework

The overarching legal framework for the CHHS Data De-identification Guidelines is the California Information Practices Act, California Civil Code 1798 et seq., which was established in 1977 and applies to all state government entities. The IPA includes requirements for the collection, maintenance, and dissemination of any information thatidentifies or describes an individual. The IPA and other California statutes limit the disclosure of personal information, consistent with the California Constitutional right to privacy. However, state agencies are generally permitted (and sometimes required under the California Public Records Act and other laws) to disclose data that have beende-identified. Summarized or aggregated data may still be identifiable; the DDG provides Guidelines for assessing whether data have been de-identified.

While most state agencies are covered by the IPA, some are also covered by or impacted by HIPAA. Unlike the IPA, which applies to all personal information, HIPAAonly applies to certain health or healthcare-related information. HIPAA requirements apply in combination with IPA requirements.

“Personal Information” is defined by the California Civil Code section 1798.3(a) as “anyinformation that is maintained by an agency that identifies or describes an individual, including, but not limited to,

- his or her name,
- social security number,
- physical description,
- home address,
- home telephone number,
- education,
- financial matters, and
- medical or employment history.
- It includes statements made by, or attributed to, the individual.”

Under Section 1798.24 of the IPA, “An agency shall not disclose any personal information in a manner that would link the information disclosed to the individual towhom it pertains,” unless it is disclosed as described in Section 1798.24.

Senate Bill 13 updated the IPA, effective January 1, 2006, to require Committee for the Protection of Human Subjects (CPHS) review and approval before personal information(linkable to any individual) that is held by any state agency or department can be released for research purposes. CPHS does not delegate reviews for compliance with the IPA to other institutional review boards. (http://www.oshpd.ca.gov/Boards/CPHS/)

Federal Laws Governing Public Data Release

(please note that this is not an exhaustive list)

- HIPAA - Section 164.514 of the HIPAA Privacy Rule (45 CFR)
- 42 CFR Part 2
- Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFRPart 99)
- Freedom of Information Act (FOIA) (5 U.S.C. § 552)

Data De-identification

While the IPA does not include specific de-identification methods or criteria, the basic concept of statistical de-identification has no different meaning, and the basic standardof protection of identifiable data is no different for IPA covered PI than for HIPAA covered PHI.
The California Office of Health Information Integrity (CalOHII) is authorized by state statute to coordinate and monitor HIPAA compliance by all California State entities within the executive branch of government covered or impacted by HIPAA. The 2014 assessment that was revised July 2015, identified programs and departments in CHHS

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

that are considered covered entities under HIPAA as a Health Care Provider, Health Care Plan, Health Care Clearinghouse, Hybrid Entity or Business Associate. Detail isprovided in Appendix B. One difference between CA IPA and HIPAA is the documentation requirement in HIPAA for data de-identified using the Expert Determination method. Each of the following departments will need to identify which programs within the department are impacted by HIPAA as part of the department specific DDG.

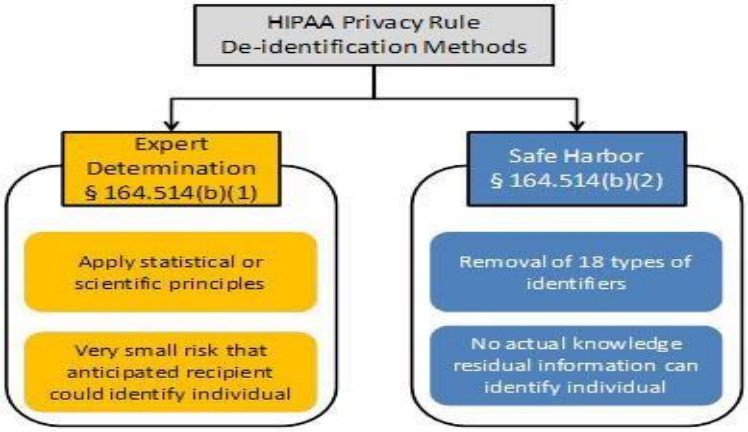
- Department of Aging
- Department of Developmental Services
- Department of Health Care Services
- Department of Managed Health Care
- Department of Public Health
- Department of Social Services
- Department of State Hospitals
- Health and Human Services Agency
- Office of Systems Integration

For programs and departments that are covered by HIPAA, de-identification must meetthe HIPAA standard. The DDG serves as a tool to make and document an expert determination consistent with the HIPAA standard. The following comes from federal guidance for HIPAA that provides more detail regarding Safe Harbor and Expert Determination under the HIPAA standard.

The HIPAA Standard[31] for de-identification of protected health information (PHI)[32] states "Health information that does not identify an individual and with respect to which there isno reasonable basis to believe that the information can be used to identify an individual is not individually identifiable health information." If the data are de-identified, and it is not reasonably likely that the data could be re-identified, the Privacy Rule no longer restricts the use or disclosure of the de-identified data.

The following is quoted from the "Guidance Regarding Methods for De-identification ofProtected Health Information in Accordance with the Health Insurance Portability and Accountability Act (HIPAA) Privacy Rule", published November, 2012 by the U.S. Department of Health & Human Services, Office for Civil Rights:(http://www.hhs.gov/ocr/privacy/hipaa/understanding/coveredentities/De-identification/guidance.html) (Formatting of text may be different than the original document.) The HIPAA De-identification Standard.

31 The Standard is found in the HIPAA Privacy Rule, 45 CFR section 164.514(a).



32 "PHI" is defined as information which relates to the individual's past, present, or future physical or mental health or condition, the provision of health care to the individual, or the past, present, or future payment for the provision of health care to the individual, and that identifies the individual, or for whichthere is a reasonable basis to believe can be used to identify the individual. (45 CFR section 160.103)

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

Section 164.514(a) of the HIPAA Privacy Rule (45 CFR) provides the standard for de-identification of protected health information. Under this standard, health information is not individually identifiable if it does not identify an individual and if the covered entity has no reasonable basis to believe it can be used to identify an individual.

> § 164.514 Other requirements relating to uses and disclosures of protected health information.
>
> (a) *Standard: de-identification of protected health information.* Health information that does not identify an individual and with respect to which there is no reasonable basis to believe that the information can be used to identify an individual is not individually identifiable health information.

Sections 164.514(b) and(c) of the Privacy Rule contain the implementation specifications that a covered entity must follow to meet the de-identification standard. As summarized in Figure 1, the Privacy Rule provides two methods bywhich health information can be designated as de-identified.
Figure 1. Two methods to achieve de-identification in accordance with the HIPAAPrivacy Rule.

The first is the "Expert Determination" method:

> (b) *Implementation specifications: requirements for de-identification of protected health information*. A covered entity may determine that health information is not individually identifiable health information only if:

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

(1) A person with appropriate knowledge of and experience with generally accepted statistical and scientific principles and methods for rendering information not individually identifiable:

(i) Applying such principles and methods, determines that the risk is very small that the information could be used, alone or in combination with other reasonably available information, by an anticipated recipient to identify an individual who is a subject of the information; and

(ii) Documents the methods and results of the analysis that justify such determination; or

The second is the "Safe Harbor" method:

(2)(i) The following identifiers of the individual or of relatives, employers, orhousehold members of the individual, are removed:

(A) Names

(B) All geographic subdivisions smaller than a state, including street address, city, county, precinct, ZIP code, and their equivalent geocodes, except for the initial threedigits of the ZIP code if, according to the current publicly available data from the Bureau of the Census:

(1) The geographic unit formed by combining all ZIP codes with the same threeinitial digits contains more than 20,000 people; and

(2) The initial three digits of a ZIP code for all such geographic units containing20,000 or fewer people is changed to 000

(C) All elements of dates (except year) for dates that are directly related to an individual, including birth date, admission date, discharge date, death date, and allages over 89 and all elements of dates (including year) indicative of such age, except that such ages and elements may be aggregated into a single category of age 90 or older

(D) Telephone numbers

(E) Fax numbers

(F) Email addresses

(G) Social security numbers

(H) Medical record numbers

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

(I) Health plan beneficiary numbers

(J) Account numbers

(K) Certificate/license numbers

(L) Vehicle identifiers and serial numbers, including license plate numbers

(M) Device identifiers and serial numbers

(N) Web Universal Resource Locators (URLs)

(O) Internet Protocol (IP) addresses

(P) Biometric identifiers, including finger and voice prints

(Q) Full-face photographs and any comparable images

(R) Any other unique identifying number, characteristic, or code, except as permittedby paragraph (c) of this section [Paragraph (c) is presented below in the section “Re-identification”]; and

(ii) The covered entity does not have actual knowledge that the information could beused alone or in combination with other information to identify an individual who is asubject of the information.

Satisfying either method would demonstrate that a covered entity has met the standard in §164.514(a) above. De-identified health information created following these methods is no longer protected by the Privacy Rule because it does not fall within the definition of PHI. Of course, de-identification leads to information loss which may limit the usefulness of the resulting health information in certain circumstances. As described in the forthcoming sections, covered entities may wishto select de-identification strategies that minimize such loss.

Re-identification

The implementation specifications further provide direction with respect to re- identification, specifically the assignment of a unique code to the set of de-identifiedhealth information to permit re-identification by the covered entity.

> (c) *Implementation specifications: re-identification*. A covered entity may assign a code or other means of record identification to allow information de-identified under this section to be re-identified by the covered entity, provided that:

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

(1) *Derivation.* The code or other means of record identification is not derived from or related to information about the individual and is not otherwise capable of being translated so as to identify the individual; and

(2) *Security.* The covered entity does not use or disclose the code or other means of record identification for any other purpose, and does not disclose the mechanism for re-identification.

If a covered entity or business associate successfully undertook an effort to identifythe subject of de-identified information it maintained, the health information now related to a specific individual would again be protected by the Privacy Rule, as it would meet the definition of PHI. Disclosure of a code or other means of record identification designed to enable coded or otherwise de-identified information to bere-identified is also considered a disclosure of PHI.

13) Definitions

Aggregate – formed or calculated by the combination of many separate units or items(Oxford Dictionary).
De-identified – generally defined under the HIPAA Privacy Rule (45 CFR section 164.514) as information (1) that does not identify the individual and (2) for which there isno reasonable basis to believe the individual can be identified from it.

Denominator – the portion of the overall population being referenced in a table or afigure representing the total population in terms of which statistical values are expressed (Oxford Dictionary).

Numerator – the number of specific cases as identified by the variable from a given population or the number above the line in a common fraction showing how many of theparts indicated by the denominator are taken (Oxford Dictionary).

Protected Health Information – information which relates to the individual's past, present, or future physical or mental health or condition, the provision of health care tothe individual, or the past, present, or future payment for the provision of health care tothe individual, and that identifies the individual, or for which there is a reasonable basisto believe can be used to identify the individual (HIPAA, 45 CFR section 160.103).

Personal Information – includes information that is maintained by an agency which identifies or describes an individual, including his or her name, social security number,physical description, home address, home telephone number, education, financial matters, email address and medical or employment history. It includes statements made by, or attributed to, the individual (California Civil Code section 1798.3).

Publishable State Data – Data is Publishable State Data if it meets one of the followingcriteria: (1) data that are public by law such as via the PRA or (2) the data are not prohibited from being released by any laws, regulations, policies, rules, rights, court order, or any other restriction. Data shall not be released if it is highly restricted due to the Health Insurance Portability and Accountability Act (HIPAA), state or federal law (such data are defined as Level 3 later in this handbook).[33]

Re-Identified – matching de-identified, or anonymized, personal information back to theindividual.

15) Appendix A: Expert Determination Template

HIPAA covered entities in CHHS must de-identify data in compliance with the HIPAA standard. Under the HIPAA standard, either Safe Harbor or Expert Determination mustbe used. If Expert Determination is used then the documentation of the review is essential. The following may serve as a template for this documentation with the reference to the CHHS DDG to support the analysis documented.

Documentation of Expert Determination TemplateName of Report:

Reason for Data Release:

Identify why the data release does not meet Safe Harbor. For example:

The request does not meet the Safe Harbor standard because it includes counts by county (geographic area smaller than the state) or counts by month (which does not meet the criteria for dates). Therefore, the steps in the CHHS DDG are being used toassess the tables.

Document how the conditions of each step are met or notmet	**Result**
Step 1 – Presence of Personal Characteristics *Summary:*	
Step 2 – Numerator Denominator Condition *Summary:*	
Step 3 – Assess Potential Risk *Summary:*	

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

Step 4 – Statistical Masking *Summary:*	
Step 5 – Expert Review *Summary:* *"Risk is very small that the information could be used, alone or in combination with other reasonably available information, by an anticipatedrecipient to identify an individual who is a subject of the information"*	

DocuSign Envelope ID: F63E7CD3-DCD3-438C-B7AD-A8F05C50F4AB

16) Appendix B: 2015 HIPAA Reassessment Results

The CalOHII is authorized by state statute to coordinate and monitor HIPAA compliance by all California State entities within the executive branch of government covered or impacted by HIPAA. To help ensure full compliance with HIPAA, CalOHII conducted a reassessment with all State Departments in January 2014 and updated asof July 27, 2015.[34] The following are the self-reported results of this reassessment:

	DEPARTMENTS	COVERED ENTITIES					IMPACTED ENTITIES		
		Health Care	Health Care Plan	Health Care Clearinghouse	Hybrid Entity	Business	Trading Partner	Impacted by Data Content	Health Oversight Agency
	COVERED ENTITIES & BUSINESS ASSOCIATES

Introduced: 12/12/2023

Current Status: Health Department - Consent

Version: 1

Matter Type: BoS Agreement

a. Authorize the Director of Health Services or designee to execute Amendment No. 3, effective upon execution, to a Platform License Agreement, No. A-14686, between the County of Monterey and Conduent Health Communities Corporation (CHCC), adding a Data Usage Agreement; and
b. Approve and authorize the Health Director Services or designee to approve up to three (3) future Amendments that do not exceed 10% ($7,000) of the original Platform License Agreement amount, do not significantly alter the scope of services, and do not exceed a revised maximum amount of $187,000.

RECOMMENDATION:
It is recommended that the County of Monterey Board of Supervisors:
a. Authorize the Director of Health Services or designee to execute Amendment No. 3, effective upon execution, to a Platform License Agreement, No. A-14686, between the County of Monterey and Conduent Health Communities Corporation (CHCC), adding a Data Usage Agreement; and
b. Approve and authorize the Health Director Services or designee to approve up to three (3) future Amendments that do not exceed 10% ($7,000) of the original Platform License Agreement amount, do not significantly alter the scope of services, and do not exceed a revised maximum amount of $187,000.

SUMMARY/DISCUSSION:
Conduent Healthy Communities Corporation (CHCC) hosts a Standalone Platform (CHCC Platform) which is a customizable website template system that collects and reports de-identified population health data from multiple sources.

The customization and use of CHCC Platform enables the county and community partners to develop focused strategies, implement programs, and monitor outcomes using the data while maintaining national health accreditation. It will also enable the community to access the information which improves transparency and helps to visually draw associations between social, environmental, and behavioral factors that impact health.

The execution of Amendment No, 3 will enable MCHD to include a Data Use Agreement for non-public patient level data, Health and Safety Code Section 128766, for the provision of CHCC to utilize the data collected by County from California Department of Health Care Access and Information (HCAI) limited patient-data sets to include additional data analytics deidentified hospitalization, emergency room, and mental health data to the existing platform license, and continue to provide tools and templates for data visualization and mapping that will be publicly accessible through June 23, 2025.

No installation of software locally for MCHD staff is required for data upload, use, or customization of the website. MCHD Staff will utilize the data and website template to provide publicly accessible

information on: <https://www.datasharemontereycounty.org/>.

This work supports the Monterey County Health Department 2018-2024 Strategic Plan Goals: 1. Empower the community to improve health; and 2. Enhance community health and safety through prevention. It also supports one of the ten essential public health services, specifically: 9. Evaluate effectiveness, accessibility, and quality of personal and population-based health services.

OTHER AGENCY INVOLVEMENT:
The Offices of the County Counsel and Auditor-Controller have reviewed and approved this Data Usage Agreement as to form and fiscal provisions, respectively.

FINANCING:
Funding for this agreement is included in the Health Department's (HEA014-8438) FY 2023-24 Adopted Budget and provision for it will be made in the Department's Requested Budget for the years out.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
Check the related Board of Supervisors Strategic Initiatives:

☐ Economic Development:
- Through collaboration, strengthen economic development to ensure a diversified and healthy economy.

☐ Administration:
- Promote an organization that practices efficient and effective resource management and is recognized for responsiveness, strong customer orientation, accountability, and transparency.

☒ Health & Human Services:
- Improve health and quality of life through County supported policies, programs, and services, promoting access to equitable opportunities for healthy choices and healthy environments in collaboration with communities.

☐ Infrastructure:
- Plan and develop a sustainable, physical infrastructure that improves the quality of life for County residents and supports economic development results.

☐ Public Safety:
- Create a safe environment for people to achieve their potential, leading businesses, and communities to thrive and grow by reducing violent crimes as well as crimes in general.

California Providing Access and Transforming Health (PATH)
Technical Assistance Marketplace Program

TA Vendor
Acknowledgement of TA Marketplace Terms and Conditions

As an express condition of participating in the Technical Assistance Marketplace ("TA Marketplace") Program funded by the California Department of Health Care Services ("DHCS") as part of the California Providing Access and Transforming Health ("PATH") Initiative, County of Monterey, Monterey Co. Health Dept. ("Vendor Applicant"), whose business address is 1270 Natividad Rd., Salinas, CA. 93906 and whose Federal Tax Identification number is 94-6000524, hereby warrants and guarantees that it will comply with all applicable federal, state, and local laws and regulations, as well as with as the following terms and conditions:

I. Eligibility. Compensation through the DHCS' TA Marketplace Program is available for the provision of technical assistance for entities providing Enhanced Care Management ("ECM") and Community Supports. Qualified applicants include city, county, and other government agencies; county and community-based providers, including, but not limited to, public hospitals, community-based organizations, and Medi-Cal Tribal and the Designees of Indian Health Programs contracted with or that intend to contract as ECM or Community Supports providers; and other entities as approved by DHCS. In order to offer services through the TA Marketplace Program, eligible applicants must:

a. Demonstrate experience providing the types of services/offerings the applicant is being contracted to provide, to one or more of the entity types eligible to receive technical assistance through the TA Marketplace;
b. Maintain business licensing or accreditation that meets industry standards, if required;
c. Maintain a physical presence in California or be capable of providing all services virtually;
d. Demonstrate cultural competency and non-discriminatory practices;
e. Commit to participation in any required onboarding/training activities;
f. Comply with all reporting and oversight requirements;
g. Demonstrate substantial capacity to serve multiple organizations at the same time, and/or the ability to scale their business as needed to accommodate TA Marketplace demand;
h. Provide rates for TA services to DHCS in advance, which shall be subject to approval; and
i. Provide customer references that would confirm excellent service was provided through performance rating upon reference check.

II. Role of Third-Party Administrator. DHCS has designated Public Consulting Group LLC ("PCG") as third-party administrator ("TPA"), to administer the TA Marketplace Program and to communicate with Applicant with respect to program administration. Applicant understands that the TPA is acting solely as a third-party administrator on behalf of DHCS and is not liable or responsible for DHCS decisions, payment delays, or actions.

III. No Liability of DHCS or TPA. Neither DHCS nor the TPA shall be liable to Applicant for any incidental, indirect, special, punitive, or consequential damages, including, but not limited to,

DocuSign Envelope ID: 330E54A8-7C09-46C4-A2D6-E145FE399832

such damages arising from any type or manner of commercial, business, or financial loss, even if PCG or DHCS had actual or constructive knowledge of the possibility of such damages and regardless of whether such damages were foreseeable. Applicant hereby releases and holds harmless DHCS, the TPA, and their respective officers, agents, employees, representatives, and/or designees from and against any and all liability, actions, claims, demands, or suits, and all related costs, attorney fees, and expenses arising out of, or relating to the PATH TA Marketplace Program.

IV. No Guarantee of TA Marketplace Selection. Applicant understands that inclusion in the TA Marketplace does not guarantee that Applicant will be selected to provide services by any customer. Neither DHCS nor the TPA guarantee any minimum amount work or compensation to Applicant.

V. Statement of Work. If approved to enter the TA Marketplace and selected by one or more customers, Applicant will collaborate with each customer to develop a Statement of Work ("SOW") substantially in the form attached hereto as Attachment A that details the services that Applicant will perform and the budget for the project. Once Applicant and the customer have agreed upon and each signed the proposed SOW, Applicant must submit the SOW to DHCS, through the TPA. Services may begin only after Applicant has received DHCS approval of the SOW, as communicated through the TPA. Changes to the services may only be made through a written amendment to the SOW, approved by Applicant, the customer, and DHCS, as communicated through the TPA.

VI. Key Personnel. All key personnel that Applicant will assign to a customer's project should be identified in the relevant SOW. In the event that key personnel identified in an SOW become unavailable for assignment or are unable to commit the level of effort anticipated without substantial deviation (more than ten (10) percent of the agreed upon level of effort), Applicant shall immediately provide written notification to DHCS, through their TPA Contact Person listed in Section X, item (g) below. The written notification should provide a minimum of ten (10) days advance notice of the proposed change in key personnel staffing and a plan for replacing the named key personnel, including the name and background of the proposed substitution, in sufficient detail so as to permit DHCS to evaluate the impact of the change or reduction in the work. No diversion or reduction in level of effort of key personnel shall be made by Applicant without prior written consent of DHCS, through the TPA. Such consent shall be given in a timely fashion and not be unreasonably withheld. Approved changes to key personnel will be documented in a formal amendment to the SOW, signed by all parties.

VII. Use of PATH Funding.

a. Statement of Work. Applicant shall use the compensation it receives from DHCS exclusively to implement the project(s) outlined in approved SOWs, and for no other purpose.

b. PATH Guidance and Conditions. In using DHCS funds, Applicant must follow all terms, conditions, and guidelines provided in the Technical Assistance Marketplace Program guidance, found at www.ca-path.com, and in these Terms and Conditions, as well as all federal, state, and local rules, guidelines, and regulations, including but not limited to, health and safety guidelines.

VIII. Compensation Amount and Method of Payment.

DocuSign Envelope ID: 330E54A8-7C09-46C4-A2D6-E145FE399832

a. Compensation Amount. Applicant will be paid pursuant to the budget and payment terms contained in each approved SOW.

b. Method of Payment. DHCS, through the TPA, shall pay Applicant via direct deposit into Applicant's chosen account, provided Applicant has provided all required information, forms, and documentation required to facilitate payment.

c. Reliance on Provided Information. DHCS and the TPA are entitled to rely on the accuracy and completeness of information provided by Applicant in the disbursement of funds.

IX. Term. If approved to offer services through the TA Marketplace, Applicant agrees to offer services through June 30, 2027, unless Applicant's participation in the TA Marketplace Program is terminated earlier pursuant to Section IX below or extended by DHCS.

X. Intellectual Property Rights

a. Ownership

i. Except where DHCS has agreed in a signed writing to accept a license, DHCS shall be and remain, without additional compensation, the sole owner of any and all rights, title and interest in all Intellectual Property, from the moment of creation, whether or not jointly conceived, that are made, conceived, derived from, or reduced to practice by Applicant or DHCS and which result directly or indirectly from this Agreement.

ii. For the purposes of this Agreement, Intellectual Property means recognized protectable rights and interest such as: patents, (whether or not issued) copyrights, trademarks, service marks, applications for any of the foregoing, inventions, trade secrets, trade dress, logos, insignia, color combinations, slogans, moral rights, right of publicity, author's rights, contract and licensing rights, works, mask works, industrial design rights, rights of priority, know how, design flows, methodologies, devices, business processes, developments, innovations, good will and all other legal rights protecting intangible proprietary information as may exist now and/or here after come into existence, and all renewals and extensions, regardless of whether those rights arise under the laws of the United States, or any other state, country or jurisdiction.

1. For the purposes of the definition of Intellectual Property, "works" means all literary works, writings and printed matter including the medium by which they are recorded or reproduced, photographs, art work, pictorial and graphic representations and works of a similar nature, film, motion pictures, digital images, animation cells, and other audiovisual works including positives and negatives thereof, sound recordings, tapes, educational materials, interactive videos and any other materials or products created, produced, conceptualized and fixed in a tangible medium of expression. It includes preliminary and final products and any materials and information developed for the purposes of producing those final products. Works does not include articles submitted to peer review or reference journals or independent research projects.

DocuSign Envelope ID: 330E54A8-7C09-46C4-A2D6-E145FE399832

iii. In the performance of this Agreement, Applicant will exercise and utilize certain of its Intellectual Property in existence prior to the effective date of this Agreement. In addition, under this Agreement, Applicant may access and utilize certain of DHCS' Intellectual Property in existence prior to the effective date of this Agreement. Except as otherwise set forth herein, Applicant shall not use any of DHCS' Intellectual Property now existing or hereafter existing for any purposes without the prior written permission of DHCS. Except as otherwise set forth herein, neither the Applicant nor DHCS shall give any ownership interest in or rights to its Intellectual Property to the other Party. If during the term of this Agreement, Applicant accesses any third-party Intellectual Property that is licensed to DHCS, Applicant agrees to abide by all license and confidentiality restrictions applicable to DHCS in the third-party's license agreement.

iv. Applicant agrees to cooperate with DHCS in establishing or maintaining DHCS' exclusive rights in the Intellectual Property, and in assuring DHCS' sole rights against third parties with respect to the Intellectual Property. If the Applicant enters into any agreements or subcontracts with other parties in order to perform this Agreement, Applicant shall require the terms of the Agreement(s) to include all Intellectual Property provisions. Such terms must include, but are not limited to, the subcontractor assigning and agreeing to assign to DHCS all rights, title and interest in Intellectual Property made, conceived, derived from, or reduced to practice by the subcontractor, Applicant or DHCS and which result directly or indirectly from this Agreement or any subcontract.

v. Applicant further agrees to assist and cooperate with DHCS in all reasonable respects, and execute all documents and, subject to reasonable availability, give testimony and take all further acts reasonably necessary to acquire, transfer, maintain, and enforce DHCS' Intellectual Property rights and interests.

b. Applicant guarantees that its use or creation of any intellectual property under any SOW does not infringe upon the intellectual property rights of any third party and Applicant will indemnify, defend, and hold DHCS, PCG, and TA Marketplace customers harmless from all claims, losses, expenses, fees (including attorney's fees), costs, and judgments that may be asserted as a result of any breach by Applicant of this guarantee. Retained Rights / License Rights

i. Specifically as applied to these terms and conditions, except for Intellectual Property made, conceived, derived from, or reduced to practice by Applicant or DHCS and which result directly or indirectly from this Agreement, Applicant shall retain title to all of its Intellectual Property and enhancements to its Intellectual Property to the extent such Intellectual Property was or is in existence prior to the effective date of this Agreement. Applicant hereby grants to DHCS, without additional compensation, a permanent, non-exclusive, royalty free, paid-up, worldwide, irrevocable, perpetual, non-terminable license to use and copy, reproduce, manufacture, sell, offer to sell, import, export, modify, publicly and privately display/perform, distribute, and dispose Applicant's Intellectual Property with the right to sublicense through multiple layers, for any purpose whatsoever, to the extent it is incorporated in the Intellectual Property resulting from this Agreement, unless Applicant assigns all rights, title and interest in the Intellectual Property as set forth herein. DHCS reserves the right to receive, use, and reproduce all reports and data produced, delivered, or generated by or about

DocuSign Envelope ID: 330E54A8-7C09-46C4-A2D6-E145FE399832

Applicant and its activities pursuant to the TA Marketplace Program and may authorize others to do so without limitation, except as restricted by applicable law.

ii. Nothing in this provision shall restrict, limit, or otherwise prevent Applicant from using any ideas, concepts, know-how, methodology or techniques related to its performance under this Agreement, provided that Applicant's use does not infringe the patent, copyright, trademark rights, license or other Intellectual Property rights of DHCS or third party, or result in a breach or default of any provisions of this Exhibit or result in a breach of any provisions of law relating to confidentiality.

c. Copyright

i. Applicant agrees that for purposes of copyright law, all works [as defined in Section XI, subsection (ii)(1) above] of authorship made by or on behalf of Applicant in connection with Applicant's performance of this Agreement shall be deemed "works made for hire." Applicant further agrees that the work of each person utilized by Applicant in connection with the performance of this Agreement will be a "work made for hire," whether that person is an employee of Applicant or that person has entered into an agreement with Applicant to perform the work. Applicant shall enter into a written agreement with any such person that: (i) all work performed for Applicant shall be deemed a "work made for hire" under the Copyright Act and (ii) that person shall assign all right, title, and interest to DHCS to any work product made, conceived, derived from, or reduced to practice by Applicant or DHCS and which result directly or indirectly from this Agreement.

ii. All materials, including, but not limited to, visual works or text, reproduced or distributed pursuant to this Agreement that include Intellectual Property made, conceived, derived from, or reduced to practice by Applicant or DHCS and which result directly or indirectly from this Agreement, shall include DHCS' notice of copyright, which shall read in 3mm or larger typeface: "© [Enter Current Year e.g., 2010, etc.], California Department of Health Care Services. This material may not be reproduced or disseminated without prior written permission from the California Department of Health Care Services." This notice should be placed prominently on the materials and set apart from other matter on the page where it appears. Audio productions shall contain a similar audio notice of copyright.

d. Patent Rights

i. With respect to inventions made by Applicant in the performance of this Agreement, which did not result from research and development specifically included in the Agreement's scope of work, Applicant hereby grants to DHCS a license, as described under Section XI, subsection (b) above, for devices or material incorporating, or made through the use of such inventions. If such inventions result from research and development work specifically included within the Agreement's scope of work, then Applicant agrees to assign to DHCS, without additional compensation, all its right, title and interest in and to such

DocuSign Envelope ID: 330E54A8-7C09-46C4-A2D6-E145FE399832

inventions and to assist DHCS in securing United States and foreign patents with respect thereto.

XI. Federal Contract Funds

(Applicable only to that portion of an agreement funded in part or whole with federal funds.)

a. It is mutually understood between the parties that this Agreement may have been written before ascertaining the availability of congressional appropriation of funds, for the mutual benefit of both parties, in order to avoid program and fiscal delays which would occur if the Agreement were executed after that determination was made.

b. This agreement is valid and enforceable only if sufficient funds are made available to the State by the United States Government for the fiscal years covered by the term of this Agreement. In addition, this Agreement is subject to any additional restrictions, limitations, or conditions enacted by the Congress or any statute enacted by the Congress which may affect the provisions, terms or funding of this Agreement in any manner.

c. It is mutually agreed that if the Congress does not appropriate sufficient funds for the program, this Agreement shall be amended to reflect any reduction in funds.

d. DHCS has the option to invalidate or cancel the Agreement with 30-days advance written notice or to amend the Agreement to reflect any reduction in funds.

e. In any agreement funded in whole or in part by the federal government, DHCS may acquire and maintain the Intellectual Property rights, title, and ownership, which results directly or indirectly from the Agreement; except as provided in 37 Code of Federal Regulations part 401.14; however, the federal government shall have a non-exclusive, nontransferable, irrevocable, paid-up license throughout the world to use, duplicate, or dispose of such Intellectual Property throughout the world in any manner for governmental purposes and to have and permit others to do so.

XII. Reporting Requirements.

Applicant shall periodically provide written and oral reports to the TPA Contact Person, including regular reporting on progress towards achieving TA project milestones, barriers to TA project completion, identified successes and challenges in pursuing TA project(s); lessons learned and best practices identified in pursuing TA project(s); results from any TA customer surveys assessing satisfaction; summary of complaints/grievances received related to the TA Marketplace initiative; and other metrics as defined, including a description of the average weekly hours worked by Applicant in the furtherance of TA project(s). If Applicant fails to submit any report within thirty (30) calendar days of the request, DHCS may terminate Applicant's participation in the TA Marketplace Program.

XIII. Additional DHCS Terms and Conditions.

a. Funding received through the TA Marketplace Program will not duplicate or supplant funds received through other programs or initiatives or by other federal, state, or local funding sources.

b. DHCS may, in its reasonable discretion, modify payment dates or amounts and will notify Applicant of any such changes in writing.

DocuSign Envelope ID: 330E54A8-7C09-46C4-A2D6-E145FE399832

c. Applicant may neither assign nor subcontract its obligations under any SOW to any other entity without the prior written consent of DHCS. If a subcontractor is approved by DHCS, Applicant will submit its Subcontractor Agreement outlining the scope of work and terms with the preapproved entity to DHCS for review and approval prior to execution and to the commencement of any subcontracted work.

d. Applicant may be subject to audit or inquiry with respect to the receipt and use of DHCS funds at any time. Applicant must respond to inquiries, communications, and reasonable requests for additional information or documentation from DHCS or the TPA within one (1) business day of receipt and must provide any requested information within five (5) business days, unless an alternative timeline is approved by DHCS.

e. Applicant must alert DHCS and the TPA within twenty-four (24) hours if circumstances prevent it from carrying out any of the activities described in an approved SOW. In such cases, Applicant may be required to return unused funds to DHCS.

f. Applicant's authorized representative for the purposes of communications related to the TA Marketplace Program is:

[Name Patricia Alcocer]
[Contact Info 831.320.3098 \ 831.595.4435] alcocerp@co.monterey.ca.us

DHCS and the TPA may rely on the authority of the above-named individual to speak and act on behalf of Applicant. Applicant shall notify DHCS and the TPA in writing within twenty-four (24) hours of any change to the above-named authorized representative.

g. The TPA's contact person for all inquiries and notices related the TA Marketplace Program is:

Meghan Cox
ta-marketplace@ca-path.com

h. Applicant will retain all records and documentation related to the receipt and use of DHCS funds, including all documentation used to support and detail expenditures, for no less than three (3) years beyond the date of final payment and will make such records available for complete inspection by DHCS upon request.

i. Applicant shall facilitate the performance of employee criminal and credit background checks and drug and alcohol tests at its expense if reasonably requested by DHCS.

j. Applicant will not discriminate against any person because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status.

XIV. Termination. Applicant may be terminated from the TA Marketplace Program in any of the following circumstances:

a. If Applicant fails to perform any one or more of the requirements set forth in these Terms and Conditions;

DocuSign Envelope ID: 330E54A8-7C09-46C4-A2D6-E145FE399832

b. If DHCS receives a complaint from a customer regarding services provided by the Applicant;

c. If either Applicant or all of Applicant's customer(s) cease to be eligible for CA PATH funding or services;

d. If any of the information provided by Applicant to DHCS or to the TPA is untruthful, incomplete, or inaccurate;

e. Upon Applicant's debarment or suspension by competent authority;

f. Upon Applicant's indictment in any criminal proceeding;

g. If Applicant is reasonably suspected of fraud, forgery, embezzlement, theft, or any other misuse of public funds;

h. If DHCS does not receive or maintain sufficient funds to administer the program;

i. If any restriction, limitation, or condition is enacted by Congress or by any other governing body or agency that impedes the funding or administration of the TA Marketplace Program;

j. For any other purpose deemed necessary or advisable by DHCS; or

k. Upon mutual written consent of both DHCS and Applicant.

In the case of early termination, Applicant may be subject to audit, recoupment by DHCS of unused or misused funds, and/or preclusion from receiving additional funding, dependent upon the circumstances of the termination.

IN WITNESS THEREOF, APPLICANT has executed this Acknowledgment as of the date set forth below.

Introduced: 12/11/2023 **Current Status:** Agenda Ready

Version: 1 **Matter Type:** General Agenda Item

a. Ratify the execution by the Director of Health Services or designee of a Vendor Acknowledgement of Terms and Conditions (“Acknowledgement 1") and an updated Vendor Acknowledgement of Terms and Conditions (“Acknowledgement 2”) authorizing the participation by the County of Monterey in the Technical Assistance Marketplace (“TA Marketplace”) of the California Department of Health Care Services (“DHCS”) California Advancing and Innovating Medi-Cal (“CalAIM”) Initiative, enabling the County of Monterey Health Department ("CMHD") to provide CalAIM TA Marketplace services to DHCS-approved community-based organizations, government agencies, and other entities for a retroactive term of March 15, 2023, through June 30, 2027; and
b. Approve Director of Health Services’ recommendation to accept non-standard provisions in Acknowledgements 1 and 2.

RECOMMENDATION:

It is recommended that the County of Monterey Board of Supervisors:
a. Ratify the execution by the Director of Health Services or designee of a Vendor Acknowledgement of Terms and Conditions (“Acknowledgement 1") and an updated Vendor Acknowledgement of Terms and Conditions (“Acknowledgement 2”) authorizing the participation by the County of Monterey in the Technical Assistance Marketplace (“TA Marketplace”) of the California Department of Health Care Services (“DHCS”) California Advancing and Innovating Medi-Cal (“CalAIM”) Initiative, enabling the County of Monterey Health Department ("CMHD") to provide CalAIM TA Marketplace services to DHCS-approved community-based organizations, government agencies, and other entities for a retroactive term of March 15, 2023, through June 30, 2027; and
b. Approve Director of Health Services’ recommendation to accept non-standard provisions in Acknowledgements 1 and 2.

SUMMARY/DISCUSSION:

County of Monterey Health Department (CMHD) has been approved by the California Department of Health Care Services (DHCS) to serve as a Technical Assistance (TA) Marketplace Vendor under the CalAIM, California Providing Access and Transforming Health (PATH) Initiative. CMHD's Planning, Evaluation, and Policy (PEP) unit will provide TA services to DHCS-approved recipients, including community-based organizations, government agencies, and other entities providing CalAIM Enhanced Care Management (ECM) and Community Supports (CS) services to individuals receiving Medi-Cal. The TA services being offered will include Engaging in CalAIM, Promoting Health Equity, Supporting Cross-Sector Partnerships and Workforce Development.

DocuSign Envelope ID: 8B6209CC-A5A5-4349-8952-EEBB0E8E8336

DHCS has designated the Public Consulting Group, LCC (PCG) as a third-party administrator (TPA) to administer the TA Marketplace Program and communicate with CMHD regarding program administration. DHCS will provide funding to the TA Marketplace TPA for distribution to CMHD with a retroactive start date of March 15, 2023, through June 30, 2027.

The TPA will administer the TA Marketplace website and the application process for qualified recipients. Once a recipient receives DHCS approval for services, the recipient will select a TA Marketplace service provider, such as the CMHD PEP unit. The recipient will then select for the TA projects to be "Off the Shelf" or "Hands-on."

"Off the Shelf" TA projects are ready to go TA projects packaged for convenient, efficient delivery. Off the Shelf projects will typically be more standardized resources like trainings, well-defined program models or data tools, or best practices guides that are relevant in a variety of settings with little to no customization. CMHD PEP unit will develop Off the Shelf TA projects on an ongoing basis based on the trending demand. Off the Shelf TA projects will vary in cost from $3,000-$15,000 depending on amount of work hours and level of required staff expertise.

"Hands-On" TA projects are customized TA projects tailored to the unique needs of the TA recipient. Hands-on projects will require CMHD PEP staff to work with the TA recipients to develop a unique scope of work (SOW) and budget to describe the project and corresponding deliverables. Hands On TA projects will vary in cost based on project type and amount of work hours. CMHD 2022-23 fee schedule will apply with adjustments based on annual assessment.

RESEARCH, EVALUATION, INFORMATION TECHNOLOGY FEE:

CATEGORY/SERVICE DESCRIPTION	*FEE*	*PER*
1. Grant proposal development and preparation……	130.00	Hour
2. Contract or agreement preparation ……	142.00	Hour
3. Policy development, draft policy language and technical assistance……..	146.00	Hour
4. Research, Evaluation, and Assessment……...	129.00	Hour
5. Publication, report development, review (data and fact checking)……...	129.00	Hour
6. Data collection, extraction, statistical analysis, interpretation- **basic**…….	114.00	Hour
7. Data collection, extraction, statistical analysis, interpretation- **advanced**…….	118.00	Hour
8. Spatial analysis and/or mapping……...	124.00	Each
9. Database cleaning and management……	127.00	Each

CMHD PEP will submit completed Hands-on projects SOW with budget to DHCS through the TPA for approval, and changes to the SOW may only be made through a written amendment approved by all parties.

DocuSign Envelope ID: 8B6209CC-A5A5-4349-8952-EEBB0E8E8336

CMHD PEP will be compensated pursuant to the budget and payment terms contained in each DHCS-approved SOW. DHCS, through the TPA, will compensate CMHD PEP via direct deposit provided all agreed-upon information forms and documentation are provided.

OTHER AGENCY INVOLVEMENT:
The Office of the County Counsel and the Auditor-Controller have reviewed and approved this Agreement as to legal form and fiscal provisions, respectively.

FINANCING:
There will be no impact to the General Fund from approval of this item. The associated appropriations and revenues are included in the Health Administration (001-4000-8438-HEA014) Fiscal Year (FY) 2022-23 Adopted Budget and in the FY 2023-24 Requested Budget.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
Check the related Board of Supervisors Strategic Initiatives:

☐ Economic Development:
- Through collaboration, strengthen economic development to ensure a diversified and healthy economy.

☐ Administration:
- Promote an organization that practices efficient and effective resource management and is recognized for responsiveness, strong customer orientation, accountability, and transparency.

☒ Health & Human Services:
- Improve health and quality of life through County supported policies, programs, and services; promoting access to equitable opportunities for healthy choices and healthy environments in collaboration with communities.

☐ Infrastructure:
- Plan and develop a sustainable, physical infrastructure that improves the quality of life for County residents and supports economic development results.

☐ Public Safety:
- Create a safe environment for people to achieve their potential, leading businesses and communities to thrive and grow by reducing violent crimes as well as crimes in general.

a. Receive a broadband status report from the Chief Information Officer;
b. Receive and Accept the Monterey County Broadband Strategic Plan; and
c. Receive a broadband strategic plan presentation by MMKelly Consulting on behalf of TeleworX, LLC.

RECOMMENDATION:
It is recommended that the Board of Supervisors:
a. Receive a broadband status report from the Chief Information Officer;
b. Receive and Accept the Monterey County Broadband Strategic Plan; and
c. Receive a broadband strategic plan presentation by MMKelly Consulting on behalf of TeleworX, LLC.

SUMMARY/DISCUSSION:
The presentation will be divided into two parts, covering the following aspects:

1) A broadband update that outlines the current status of projects funded by the Advanced Research Projects Agency (ARPA), progress on the Local Area Technical Assistance (LATA) grant, and details on Federal Funding Account applications submitted by various entities, including the Rural County Representatives of California (RCRC) affiliate, Golden State Finance Authority (GSFA).
2) The second part of the presentation will focus on the Broadband Strategic Plan, presented by MMKelly Consulting on behalf of TeleworX, LLC. The board previously approved a letter on June 8, 2021, endorsing the grant application submitted by RCRC affiliate GSFA to the U.S. Department of Commerce's Economic Development Representative. This grant application sought funding for the development of a Broadband Strategic Plan, which spanned multiple counties, including the County of Monterey.
In addition, the board also approved a Memorandum of Understanding (MOU) between the County of Monterey and GSFA, delineating the roles and responsibilities of each agency in seeking grant funding to augment the costs and the participation required for the development of the Broadband Strategic Plan for the County of Monterey. The county committed a $25,000 match required for county participation in the strategic planning. In September 2022, the grant was awarded, leading to the release of an RFP by RCRC for consulting services to formulate the broadband strategic plan. By February 2023, TeleworX, LLC was selected as the consultant and contracted with GSCA. The presentation by MMKelly on behalf of TeleworX, LLC provides an overview of the proposed plan.

OTHER AGENCY INVOLVEMENT:
Designees from Information Technology, Department of Social Services, Monterey County Free

DocuSign Envelope ID: 95DD9B9D-3C11-4821-A8E2-1E82E6D7B8D7

Libraries, Health Department, Housing and Community Development, Public Works, Facilities, and Parks, County Administration, Monterey County Office of Education, Hartnell College, Salinas Valley Chamber of Commerce, Monterey Bay Economic Partnership, Cities of Gonzales, Soledad, Greenfield, Salinas, Marina, and King City were included and given opportunities to provide input in the development of the strategic plan.

FINANCING:
The $25,000 required for Monterey County participation and MOU was addressed and paid in FY 2022-23.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
The collaborative efforts and partnerships aimed at enhancing broadband access are poised to bridge the digital divide across Monterey County. The broadband strategic plan serves as the cornerstone, laying the groundwork for the investment and implementation of broadband infrastructure. This initiative will furnish essential information for local elected officials, empowering them to formulate policies that foster investment. Furthermore, the broadband strategy is instrumental in enabling communities to capitalize on funding opportunities that either mandate or strongly recommend the existence of a well-defined plan.

Current Status: Agenda Ready
Matter Type: General Agenda Item

a. Adopt an ordinance to amend the contract between the California Public Employees' Retirement System and the County of Monterey to provide Section 21118 Partial Service Retirement for local miscellaneous members and local safety members; and
b. Direct the Human Resources Department to work with the County Administrative Office and the Office of the County Counsel to implement the Partial Service Retirement Program.

RECOMMENDATION:

It is recommended that the Board of Supervisors:

a. Adopt an ordinance to amend the contract between the California Public Employees' Retirement System and the County of Monterey to provide Section 21118 Partial Service Retirement for local miscellaneous members and local safety members; and
b. Direct the Human Resources Department to work with the County Administrative Office and the Office of the County Counsel to implement the Partial Service Retirement Program.

SUMMARY/DISCUSSION:

On July 25, 2023, the Board of Supervisors authorized the Human Resources Department to work with the California Public Employees' Retirement System (CalPERS) to implement a Partial Service Retirement Program in the County of Monterey. The Partial Service Retirement Program will allow Department Heads to refer eligible employees, based on departmental operational needs and approval from the County Administrative Officer, to work part-time while simultaneously drawing on their CalPERS retirement benefits. This program will equip departments to provide mentoring opportunities for employees while retaining access to decades of institutional knowledge, years of experience, and specialized skill sets.

The establishment of Partial Service Retirement Program requires an amendment to the contract between the County of Monterey and the California Public Employees' Retirement System. The amendment of the contract requires a two-step process. The first step was completed on July 25, 2023, with the Board of Supervisors approving the intent to modify the contract with CalPERS. The second step requires the approval of the amendment to the contract between the County of Monterey and CalPERS (Attachment A) through an ordinance to establish Partial Service Retirement Program and approval of the Certification of Final Action of Governing Body Action (Attachment B). On November 28, 2023, the Board of Supervisors approved the introduction, waiving of the first reading, and set January 9, 2024, at 10:30 am as the date and time to consider the adoption of the ordinance to amend the contract.

DocuSign Envelope ID: E09A527E-CD59-466D-91EA-08F5BC2333F1

As such, the Human Resources Department recommends the Board of Supervisors adopt the Ordinance to Amend the Contract Between the County of Monterey and California Public Employees' Retirement System (Attachment C), the Certification of Final Action of Governing Body and authorize the Human Resources Department to work with the California Public Employees' Retirement System and applicable County departments to establish the Partial Service Retirement Program and amend the contract with CalPERS.

On November 28, 2023, the Board of Supervisors introduced the ordinance, waived reading, and advanced the ordinance for adoption at the meeting on January 9, 2024, at 10:30 a.m.

OTHER AGENCY INVOLVEMENT:
The Human Resources Department has consulted with the County Administrative Office, the Office of the County Counsel, and the Auditor-Controller's Office regarding the implementation of the Partial Service Retirement Program. The County Counsel's Office has reviewed the ordinance as to form.

FINANCING:
Participation in the Partial Service Retirement Program may result in higher costs for the participating department. Departments will absorb these costs in their existing department budgets. As the cost of implementing this program is dependent on the employee's actual participation in the program, CalPERS is unable to provide an estimated cost at this time. Employees participating in PSRP are not considered "retired" for purposes of CalPERS until they apply and are approved for full retirement benefits by CalPERS.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
The recommended action addresses the Board of Supervisors' Administration Strategic Initiative and demonstrates the County's commitment to meeting the Board's initiatives by attracting, recruiting, and retaining a diverse, talented workforce that supports the mission of Monterey County.

Board of Supervisors
Chambers
168 W. Alisal St., 1st Floor
Salinas, CA 93901

January 09, 2024

Introduced: 1/4/2024
Version: 1
Current Status: Agenda Ready
Matter Type: Appointment

Consider making an appointment to the Monterey County Regional Fire District Board of Directors for a four-year term, effective upon appointment through January 9, 2028.

RECOMMENDATION:
It is recommended that the Board of Supervisors consider making an appointment to the Monterey County Regional Fire District (MCRFD) Board of Directors for a four-year term, effective upon appointment through January 9, 2028.

SUMMARY/DISCUSSION:
The Monterey County Regional Fire District is governed by five Board of Directors who are appointed by the County of Monterey Board of Supervisors (Board). In October 2023, the Board adopted a policy concerning appointments to the MCRFD Board of Directors for the purpose of setting forth a clear and equitable process for appointments by the Board to the MCRFD Board.

In accordance with the policy (Exhibit A), a 30-day solicitation period was initiated to fill a current vacancy on the Board of Directors on November 16, 2023. The vacancy must be filled through Board appointment of a resident from the supervisorial district's service territory, in this instance, either District 4 or 5. By December 16, 2023, two applications with resume and statement of interest were submitted; a third application was received late and incomplete. The two complete applications have been vetted by the County Administrative Officer and reviewed by County Counsel, see attached applications.

The Board is asked to confer and make an appointment to the MCRFD Board for a four-year term.

OTHER AGENCY INVOLVEMENT:
The County Administrative Office coordinated with the Office of County Counsel.

FINANCING:
There are no financial impacts to the General Fund resultant to the Board receiving this report.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
The proposed action advances the Board's administrative and public safety initiatives.

Item No.4

Board of Supervisors
Chambers
168 W. Alisal St., 1st Floor
Salinas, CA 93901

January 09, 2024

Introduced: 1/4/2024
Version: 1
Current Status: Agenda Ready
Matter Type: General Agenda Item

Consider proposed member of the Board of Supervisors' appointments to various Standing Committees and Non-County Entities for calendar year 2024 as recommended by the incoming Chair of the Board of Supervisors **AND** consider creation, dissolution and/or continuation of certain Board of Supervisors Ad Hoc Committees.

RECOMMENDATION:
It is recommended that the Board of Supervisors:

a. Consider the proposed member of the Board of Supervisors' appointments to various Standing Committees and Non-County Entities as proposed by the incoming Chair; and,
b. Consider the following options for each of Board of Supervisors Ad Hoc Committees:
    i. Creation or dissolution from 2024 appointments list; or
    ii. Confirm appointments and establish new termination date.

SUMMARY:
In March 2022, the Board of Supervisors (Board) adopted policy language establishing the rotation of appointments to standing committees with three-year terms, sequentially by district, and continued confirmation of members to ad hoc committees and appointments to non-county entities at the beginning of each calendar year.

DISCUSSION:
Board Policy G-10 (Exhibit A) addresses Board standing and ad hoc committees, non-county entities to which the Board makes appointments, and the process for making such appointments. The policy set forth a rotating membership for standing committees with three-year terms and continued the confirmation of ad hoc committees and appointments to non-county entities on an annual basis.

Standing Committees
The rotational sequence for standing committee appointments commenced on January 17, 2023, following Board approval. However, staff recently identified an error in the approved rotation schedule related to the Equal Opportunity Committee. The schedule requires approval by the Board as noted in the redlined Exhibit B.

Non-County Entities:
Pursuant to Policy G-10, the County Administrative Officer (CAO) solicited input from each supervisor regarding service on various non-county entities to which the Board makes appointments. The CAO, Chief Assistant CAO, and County Counsel have conferred with the incoming Chair regarding Board member preferences on such entities. The incoming Chair will provide recommendation for member of the Board of Supervisors' appointments to those entities for the Board's consideration.

DocuSign Envelope ID: BCA3F94A-26FD-4304-AA78-698725DAA44C

Ad Hoc Committees
There are nine ad hoc committees of the Board, listed with detail on Exhibit C for the Board's reference. Board direction is sought regarding the creation, dissolution and/or continuance of the identified ad hoc committees.

A consolidated list of standing committee appointments and proposed member of the Board of Supervisors' appointments to various Non-County Entities by the incoming Chair is attached to this report as Exhibit D for Board consideration.

Upon Board direction, the County Administrative Office will modify and post the 2024 appointment list accordingly.

OTHER AGENCY INVOLVEMENT:
The County Administrative Office coordinated with the Office of County Counsel and the incoming Chair of the Board of Supervisors (District 2).

FINANCING:
There are no financial impacts to the General Fund resultant to the Board receiving this report. Costs related to the operation of various boards, committees and commissions are funded in the appropriate departmental budget related to their operations.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:
The member of the Board of Supervisors' assignments and staff to boards, committees, and commissions for calendar year 2024 work to advance all categories of the Board's Strategic Initiatives.
