SUMMARY/DISCUSSION:

The Health Department (Health) requests approval by the Board of Supervisors to use Health Realignment fund balance to finance \$1,886,847 in Targeted Case Management (TCM) audit findings and revenue offsets.

The State made initial audit findings in the amount of \$2,735,601 for activity in FY 2010-11, FY 2011-12, FY 2012-13, FY 2014-15, FY 2015-16, and FY 2016-17. The County challenged those findings and came to settlement reductions of \$618,538 for a final audit findings amount of \$2,117,063.

An audit summary is listed below.

Year	Audit Summary		
	Initial	Settlement Reductions	Final
FY 2010-11	\$604,871	(\$196,712)	\$408,159
FY 2011-12	\$99,650	\$0	\$99,650
FY 2012-13	\$1,493,946	(\$421,826)	\$1,072,120
FY 2014-15	\$242,118	\$0	\$242,118
FY 2015-16	\$294,417	\$0	\$294,417
FY 2016-17	\$599	\$0	\$599
	\$2,735,601	(\$618,538)	\$2,117,063

The State has already applied \$450,658 in revenue earned by the County as offsets against the audit findings. Offsets are the interception of the County’s monies earned for services in the current year against audit amounts owed for a prior year. Offsets reduce the final audit amount owed by the County to the State to \$1,666,405.

These \$1,666,405 in payments by the County to the State effectively reduce recognized revenue in FY 2019-20 for Public Health (PH) (001-4000-HEA003-8124), because the original TCM monies

were recognized as revenue in that Budget Unit in prior years.

In addition, the \$450,658 in offsets against prior year audits reduce the amount of TCM revenue recognized for services provided in FY 2019-20 for Community Health Regional Teams (CHRT) (001-4000-HEA003-8123). These unanticipated offsets result in a \$220,442 shortfall in CHRT.

The requested use of Health Realignment fund balance is summarized below.

Item	Amount
Audit Payments	\$1,666,405
Revenue Offsets	\$220,442
	\$1,886,847

This transfer of funds supports the Monterey County Health Department 2018-2022 Strategic Plan Initiatives: 3. Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services; and 4. Engage Monterey County Health Department workforce and improve operational functions to meet current and developing population health needs.
