### RECOMMENDATION:

It is recommended that the County of Monterey Board of Supervisors:

- a. Approve and authorize the Director of Health Services or designee to execute a no-cost Student Placement Agreement between the County of Monterey and Legacy Monterey LLC dba Central Coast College for the provision of Student Internship, for a term effective May 15, 2025 through April 30, 2028 with no fiscal provisions; and
- b. Approve the recommendation of Director of Health Services to accept all non-standard provisions in Agreement; and
- c. Approve the Director of Health Services or designee to approve up to three (3) future Amendments that do not significantly alter the scope of services.

### SUMMARY/DISCUSSION:

The County of Monterey Health Department (MCHD) request the Board of Supervisors to accept and approve the Student Placement Agreement between the County of Monterey and Legacy Monterey LLC dba Central Coast College to be used for students enrolled at Central Coast College who require practical, clinical, and non-clinical experience towards their school's field education and/or service-learning requirements.

Central Coast College is committed to service in the community and applied learning experiences for students. This is accomplished both through field education and service-learning requirements. Field education and service learning involves the completion of internship or externship assignments in the local community that tie meaningful learning experiences directly to course content. Through reflective activities, service, and field seminars, students enhance their understanding of course content, sense of civic responsibility, self-awareness, professional development, and commitment to the community. Additionally, while providing "real world" experience for student interns/externs, MCHD will attract graduates to apply for future job openings, thereby creating a pipeline for students (who may

have bilingual skills) to pursue their work career in Monterey County.

This work supports the County of Monterey Health Department's 2025-2028 Strategic Plan Goal(s) 3. Enhance Employee Wellbeing and Workforce Capacity. It also supports one of the ten essential public health services, specifically: 3. Inform, education, and empower people about health issues; 4. Mobilize community partnerships and action to identify and solve health problems; and 8. Assure competent public and personal health care workforce.

OTHER AGENCY INVOLVEMENT:

The Office of the County Counsel has reviewed and approved as to legal form. Risk Management has approved the non-standard indemnity provisions.

FINANCING:

This operational Agreement does not contain any fiscal provisions; therefore, there is no impact to the General Fund from its approval.
