Direct Labor Costs: Are the hourly billing rate, per the Direct Labor Rate Schedule times the number of hours worked by the personnel.

Other Direct Costs: Other Direct Costs are identifiable costs necessarily incurred to complete the Scope of Work. Such costs include, but are not limited to, travel and subsistence expenses, document reproduction costs, postal, and materials costs. Expenses shall be accounted for in each invoice by submittal of receipts for such costs and a description of their necessity. Monterey County Travel Policy requires overnight lodging, meals, and incidentals be billed at U.S. General Services Administration (GSA) rates, no mark-up; mileage is billable at IRS allowable rate at time of travel, no mark-up. Non-Travel Policy costs may be marked-up 10%.

Sub-CONTRACTOR Mark-Up: Is the percentage multiplier designated for each sub-CONTRACTOR times the sum of sub-CONTRACTOR direct labor and other direct charges. All sub-CONTRACTOR mark-up multipliers shall not exceed 1.10 (10% mark-up).

INVOICES: Invoices may be submitted monthly. Invoices shall include the direct labor costs by individual and task, showing the individual's hours charged, hourly rate and total amount charged to each task. Other direct charges shall be added to the sum of the direct labor costs by task. Other direct charges shall be accounted for in each invoice by submittal of receipts for such costs and description of their necessity. Percent of task completion shall be included on each invoice.

NOTIFICATION: When, during performance of the work, CONTRACTOR incurs 75 percent of the total task cost allotted to a task, CONTRACTOR shall so notify the Agency to that effect. If CONTRACTOR has reason to believe that the costs which it expects to incur to finish the task, when added to the costs previously incurred, will exceed the total task cost, CONTRACTOR shall so notify the Agency to that effect. The notice shall state: (1) the estimated amount of additional funds required to complete the task; (2) justification for the need for additional funds; and (3) the estimated date CONTRACTOR expects its total costs incurred to meet the total task cost.
