Interactive Workplace Tour and Career Exploration Fair Purpose

Through collaboration with MPUSD, CSUMB, Hartnell and MPC, the County of Monterey is creating a pipeline for its future workforce.

The goal of the interactive workplace tour and career exploration is to engage high school students and provide information on types of careers available at the County. Participating departments will be spotlighting their services.

High school students will be given the opportunity to observe, participate and experience the day in the life of our professionals at work.
