Legislative Program

Monterey County maintains a long-standing and successful Legislative Program, ensuring that the interests of the County are well represented in Sacramento and Washington, D.C.

The program provides the County a voice in state and federal funding and policy decision-making and ensures that County leaders are fully apprised of evolving state and federal initiatives impacting the County and its residents.

Once adopted, the Legislative Program provides authority to advocate in support or defense of issues, enabling actions to be taken quickly to protect or defend the County's interests in Sacramento and Washington D.C.

2021-2022 Legislative Program Update

Monterey County's two-year Legislative Program aligns with the two-year cycles of the State and Federal legislatures.

Program Development:

- *Legislative Committee – In collaboration with Board Members and County Departments*
- *Board Strategic Initiatives*
- *Community Priorities – 2018 Community Engagement Process*
- *COVID-19 Pandemic Disparate Impacts – Legislative Advocacy Priorities*

Legislative Principles: *Provide broad direction and authority to staff and the County's legislative advocates to advance the County's interests*

Legislative Priorities: *Define priority interests and concerns of the County and lay out key objectives to guide advocacy efforts*

In August 2020, the Board of Supervisors received the ***COVID-19 Pandemic Disparate Impact Report***.

The County adopted a “Health in All Policies” strategy as part of its efforts to eliminate social, racial, economic, and environmental inequities that impede the attainment and maintenance of good health, including health care access.

Even before the pandemic, the Legislative Program focused on numerous priorities in the areas of health, human services, economic development and public safety.

Since the pandemic began the County has and continues to engaged in advocacy efforts to ensure that state and federal officials are aware of the County challenges and needs to fight and recovery from the pandemic.

2022 Strategic Grant Services Program

- The Strategic Grant Services Program works with County departments to identify grant opportunities and provide strategic expertise to craft competitive grant applications.
- Following Board approval, the program operates under the direction of the Legislative Committee, and works closely with the Legislative Program to develop funding opportunities.
- The program has a limited workload capacity of 10-15 grants per year, varying depending on their complexity, focusing on funding needs that:
 - Align with Board Strategic Initiatives and Legislative Priorities;
 - Have an available funding source (opportunity & timing);
 - Are able to meet the grant requirements; and
 - Are able to put forth a competitive application.
- Flexible to adjust to changing priorities and opportunities.
