### m. PERFORMANCE

Primary objectives of the street sweeping program are:

CONTRACTOR shall comply with specific requirements of the NPDES. CONTRACTOR shall immediately notify County Inspector of any pollution discharge entering into storm drains as a result of CONTRACTOR's performance. Failure to comply with notification to the County Inspector may be considered a cause for termination pursuant to Section 7.0 of this AGREEMENT and/or criminal charges against CONTRACTOR. CONTRACTOR must establish and adhere to a regular schedule of performance. CONTRACTOR must maintain gutter flow lines free of debris for free flow of water. Sweeping shall normally consist of a single pass over an area. CONTRACTOR shall make as many additional passes or such extra effort as may be required to adequately clean the street. Obstructions such as accumulations of silt, compacted dirt, leaves and similar debris will be removed unless removal of such obstruction cannot be accomplished without damage to equipment, inflicting personal injury or if removal is clearly beyond the capabilities of the specified equipment. Obstructions such as small tree limbs and rocks shall be removed from the sweeping path and hauled away by CONTRACTOR. Larger obstructions such as impaired vertical and/or horizontal clearance by tree limbs, fallen tree limb equipment or materials, and/or other similar items shall be reported per "Notification of Obstruction", resulting in deficient performance beyond CONTRACTOR's control. Inspections, spot checks and responses to complaints shall be performed on a regular basis. County Inspector shall decide upon the adequacy of sweeping.

In the event CONTRACTOR's performance results in a sweep which is determined to be unsatisfactory by the County Inspector, CONTRACTOR shall re-sweep the area determined to be unsatisfactory by County Inspector, at CONTRACTOR's expense, within twenty-four (24) hours after notification of County Inspector's determination.

County reserves right to withhold payment for missed, incomplete or unsatisfactory sweeping performance.

### n. DEFICIENT PERFORMANCE

Liquidated damages shall be applied to deficient performance and/or late completion. The Parties hereto understand and agree that it is impracticable or extremely difficult to determine actual damages County shall sustain by reason of delay in performance. Therefore, Three Hundred Dollars (\$300.00) shall be deducted and withheld from payments due or to become due to CONTRACTOR for each calendar day work is incomplete beyond the scheduled day. CONTRACTOR shall be granted an extension of time and shall not be assessed liquidated damages for delays caused by acts of God. The provisions shall apply to submittal of the cleaning/sweeping schedule and

Page 6 of 13

to performance according to that schedule. Repeated instances of failure to perform shall result in cancellation of the AGREEMENT.

NPDES fines accessed to County shall be paid by CONTRACTOR in the event CONTRACTOR does not complete all of the cleaning/sweeping scheduled in this AGREEMENT

### o. NOTIFICATION OF SWEEPING OBSTRUCTIONS

CONTRACTOR shall notify the County Inspector of any obstruction and/or reason why cleaning/sweeping could not be performed for a specific area. The initial report shall be made verbally within twenty-four (24) hours, followed by a written report within seven (7) days. The County shall take appropriate action to mitigate the obstruction.

### p. CHANGES IN AREAS SERVICED
