Contractor's failure to comply with said dispute resolution procedures shall constitute a failure to exhaust administrative remedies.

Pending the final resolution of any such disputes and/or claims, Contractor agrees to diligently proceed with the performance of the Agreement, including the delivering of goods or providing of services. Contractor's failure to diligently proceed shall constitute a material breach of the Agreement.

The Agreement shall be interpreted, administered, and enforced according to the laws of the State of California. The parties agree that any suit brought hereunder shall have venue in Sacramento, California, the parties hereby waiving any claim or defense that such venue is not convenient or proper.

A county, city, district or other local public body, state board or state commission, another state or federal agency, or joint-powers authority shall resolve a dispute with CDCR, if any, through a meeting of representatives from the entities affected. If the dispute cannot be resolved to the satisfaction of the parties, each entity may thereafter pursue its right to institute litigation or other dispute resolution process, if any, available under the laws of the State of California.

2. **Confidentiality of Information**

CDCR and Provider agree that all inmate/patient health information is identified as confidential and shall be held in trust and confidence and shall be used only for the purposes contemplated under this Agreement.

3. **Confidentiality of Data**

All financial, statistical, personal, technical and other data and information relating to State's operation, which are designated confidential by the State and made available to carry out this Agreement, or which become available to the Contractor in order to carry out this Agreement, shall be protected by the Contractor from unauthorized use and disclosure.

If the methods and procedures employed by the Contractor for the protection of the Contractor's data and information are deemed by the State to be adequate for the protection

of the State's confidential information, such methods and procedures may be used with the written consent of the State. The Contractor shall not be required under the provisions of this paragraph to keep confidential any data already rightfully in the Contractor's possession that is independently developed by the Contractor outside the scope of the Agreement or is rightfully obtained from third parties.

No reports, information, inventions, improvements, discoveries, or data obtained, repaired, assembled, or developed by the Contractor pursuant to this Agreement shall be released, published, or made available to any person (except to the State) without prior written approval from the State.

6. Right to Terminate (Supersedes provision number 7, Termination for Cause, of Exhibit C)

The parties hereto agree that either party may cancel this Agreement by giving the other party written notice thirty (30) days in advance of the effective date of such cancellation. In the event of such termination, the State agrees to pay Contractor for actual services rendered up to and including the date of termination.

The State may terminate this Agreement and be relieved of any payments should the Contractor fail to perform the requirements of this Agreement at the time and in the manner herein provided. In the event of such termination the State may proceed with the work in any manner deemed proper by the State. All costs to the State shall be deducted from any sum due the Contractor under this Agreement and the balance, if any, shall be paid to the Contractor upon demand.

7. Contract Suspension

Notwithstanding any other provisions of this Agreement, pursuant to a Governor's Executive Order or equivalent directive, such as a court order or an order from a federal or state regulatory agency, mandating the suspension of state contracts, the State may issue a Suspension of Work Notice. The Notice shall identify the specific Executive Order or directive and the Agreement number(s) subject to suspension. Unless specifically stated

otherwise, all performance under the Agreement(s) must stop immediately upon receipt of the Notice. During the period of contract suspension, Contractor is not entitled to any payment for the suspended work. Once the order suspending state contracts has been lifted, a formal letter from the Department will be issued to the Contractor to resume work.

8. Extension of Term

When it is determined to be in the best interest of the State, this Agreement may be amended to extend the term at the rates agreed upon by CDCR and the Contractor.

9. Contractor Employee Misconduct

During the performance of this Agreement, it shall be the responsibility of the Contractor whenever there is an incident of use of force or allegation(s) of employee misconduct associated with and directly impacting inmate and/or parolee rights, to immediately notify the CDCR of the incident(s), to cause an investigation to be conducted, and to provide CDCR with all relevant information pertaining to the incident(s). All relevant information includes, but is not limited to: a) investigative reports; b) access to inmates/parolees and the associated staff; c) access to employee personnel records; d) that information reasonably necessary to assure CDCR that inmates and/or parolees are not or have not been deprived of any legal rights as required by law, regulation, policy and procedures; and e) written evidence that the Contractor has taken such remedial action, in the event of unnecessary or excessive force, or employee misconduct with inmates and/or parolees, as will assure against a repetition of incident(s) or retaliation. To the extent that the information provided by the Contractor fails to so assure CDCR, CDCR may require that any implicated Contractor staff be denied access to and the supervision of CDCR inmates and/or parolees at the facility and access to inmate and/or parolee records. Notwithstanding the foregoing, and without waiving any obligation of the Contractor, CDCR retains the power to conduct an independent investigation of any incident(s). Furthermore, it is the responsibility of the Contractor to include the foregoing terms within any and all subcontracts, requiring that subcontractor(s) agree to the jurisdiction of CDCR to conduct an investigation of their facility and staff, including review of subcontractor employee personnel records, as a condition of the Agreement.

10. Subcontracting

Services provided are to be performed primarily with the staff of the public entity or, in the case of educational institutions, auxiliaries or foundations, by the faculty, staff or students associated with the particular institution. Agreements are not to be used by state agencies to circumvent the competitive bidding requirements of Public Contract Code Section 10340.

If more than twenty-five (25) percent of the total contract amount or \$50,000.00, whichever is less, is subcontracted, non-competitive bid approval must be obtained from the Secretary of CDCR and the Department of General Services prior to the commencement of services, unless the subcontract was competitively bid or the subcontractor(s) also qualifies as a state agency, governmental agency, or joint power.

11. Subcontractor/Consultant Information

Contractor is required to identify all subcontractors and consultants who will perform labor or render services in the performance of this Agreement. Additionally, the Contractor shall

notify the Department of Corrections and Rehabilitation, Office of Business Services, in writing, within ten (10) working days, of any changes to the subcontractor and/or consultant information.

12. Liability for Nonconforming Work

The Contractor will be fully responsible for ensuring that the completed work conforms to the agreed upon terms. If nonconformity is discovered prior to the Contractor's deadline, the Contractor will be given a reasonable opportunity to cure the nonconformity. If the nonconformity is discovered after the deadline for the completion of the project, CDCR, in its sole discretion, may use any reasonable means to cure the nonconformity. The Contractor shall be responsible for reimbursing CDCR for any additional expenses incurred to cure such defects.

13. Temporary Nonperformance

If, because of mechanical failure or for any other reason, the Contractor shall be temporarily unable to perform the work as required, the State, during the period of the Contractor's inability to perform, reserves the right to accomplish the work by other means and shall be reimbursed by the Contractor for any additional costs above the Agreement price.

14. Contract Violations

The Contractor acknowledges that any violation of Chapter 2, or any other chaptered provision of the Public Contract Code (PCC), is subject to the remedies and penalties contained in PCC Sections 10420 through 10425.

15. Employment of Ex-Offenders

Contractor cannot and will not either directly, or on a subcontract basis, employ in connection with this Agreement:

- a. Ex-Offenders on active parole or probation, who have been on active parole or probation during the last three years preceding their employment;
 1. Contractor shall only employ ex-offenders who can provide written evidence of having satisfactorily completed parole or probation, and who have remained off parole or probation, and have had no arrests or convictions within the past three years.

An ex-offender whose assigned duties involve administrative or policy decision-making, accounting, procurement, cashiering, auditing, or any other business-related administrative function shall be fully bonded to cover any potential loss to the State or contractor. Evidence of such bond shall be supplied to CDCR prior to employment of the ex-offender.

16. Conflict of Interest

The Contractor and their employees shall abide by the provisions of Government Code (GC) Sections 1090, 81000 et seq., 82000 et seq., 87100 et seq., and 87300 et seq., Public Contract Code (PCC) Sections 10335 et seq. and 10410 et seq., California Code of Regulations (CCR), Title 2, Section 18700 et seq. and Title 15, Section 3409, and the Department Operations Manual (DOM) Section 31100 et seq. regarding conflicts of interest.

a. Contractors and Their Employees

Consultant contractors shall file a Statement of Economic Interests, Fair Political Practices Commission (FPPC) Form 700 prior to commencing services under the Agreement, annually during the life of the Agreement, and within thirty (30) days after the expiration of the Agreement. Other service contractors and/or certain of their employees may be required to file a Form 700 if so requested by the CDCR or whenever it appears that a conflict of interest may be at issue. Generally, service contractors (other than consultant contractors required to file as above) and their employees shall be required to file an FPPC Form 700 if one of the following exists:

- (1) The Agreement service has been identified by the CDCR as one where there is a greater likelihood that a conflict of interest may occur;

b. Current State Employees

- (1) No officer or employee shall engage in any employment, activity or enterprise from which the officer or employee receives compensation or has a financial interest and which is sponsored or funded by any state agency, unless the employment, activity or enterprise is required as a condition of regular state employment.
- (2) No officer or employee shall contract on his or her own behalf as an independent contractor with any state agency to provide goods or services.

- (4) Officers and employees of the Department must not solicit, accept or receive, directly or indirectly, any fee, commission, gratuity or gift from any person or business organization doing or seeking to do business with the State.

c. Former State Employees

- (1) For the two year (2-year) period from the date he or she left state employment, no former state officer or employee may enter into an Agreement in which he or she engaged in any of the negotiations, transactions, planning, arrangements or any part of the decision-making process relevant to the Agreement while employed in any capacity by any state agency.
- (2) For the twelve-month (12-month) period from the date he or she left state employment, no former state officer or employee may enter into an Agreement with any state agency if he or she was employed by that state agency in a policy-making position in the same general subject area as the proposed Agreement within the 12-month period prior to his or her leaving state service.

In addition to the above, the Contractor shall avoid any conflict of interest whatsoever with respect to any financial dealings, employment services, or opportunities offered to inmates or parolees. The Contractor shall not itself employ or offer to employ inmates or parolees either directly or indirectly through an affiliated company, person or business unless specifically authorized in writing by CDCR. In addition, the Contractor shall not (either directly, or indirectly through an affiliated company, person or business) engage in financial dealings with inmates or parolees, except to the extent that such financial dealings create no actual or potential conflict of interest, are available on the same terms to the general public, and have been approved in advance in writing by CDCR. For the purposes of this paragraph, "affiliated company, person or business" means any company, business, corporation, nonprofit corporation, partnership, limited partnership, sole proprietorship, or other person or business entity of any kind which has any ownership or control interest whatsoever in the Contractor, or which is wholly or partially owned (more than 5% ownership) or controlled (any percentage) by the Contractor or by the Contractor's owners, officers, principals, directors and/or shareholders, either directly or indirectly. "Affiliated companies, persons or businesses" include, but are not limited to, subsidiary, parent, or sister companies or corporations, and any company, corporation, nonprofit corporation, partnership, limited partnership, sole proprietorship, or other person or business entity of any kind that is wholly or partially owned or controlled, either directly or indirectly, by the Contractor or by the Contractor's owners, officers, principals, directors and/or shareholders.

The Contractor shall have a continuing duty to disclose to the State, in writing, all interests and activities that create an actual or potential conflict of interest in performance of the Agreement.

The Contractor shall have a continuing duty to keep the State timely and fully apprised in writing of any material changes in the Contractor's business structure and/or status. This includes any changes in business form, such as a change from sole proprietorship or partnership into a corporation or vice-versa; any changes in company ownership; any dissolution of the business; any change of the name of the business; any filing in bankruptcy; any revocation of corporate status by the Secretary of State; and any other material changes in the Contractor's business status or structure that could affect the performance of the Contractor's duties under the Agreement.

If the Contractor violates any provision of the above paragraphs, such action by the Contractor shall render this Agreement void.

Members of boards and commissions are exempt from this section if they do not receive payment other than payment for each meeting of the board or commission, payment for preparatory time and payment for per diem.

17. Compliance with Legal Requirements

The Contractor shall be aware of and comply with all Federal and State statutes, rules, regulations, and CDCR policies and directives ("CDCR Policies") applicable to the Contract. 18. Executive Order N-6-22 – Russia Sanctions

On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. "Economic Sanctions" refers to sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law. The EO directs state agencies to terminate contracts with, and to refrain from entering any new contracts with, individuals or entities that are determined to be a target of Economic Sanctions. Accordingly, should the State determine Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for termination of this agreement. The State shall provide Contractor advance written notice of such termination, allowing Contractor at least 30 calendar days to provide a written response. Termination shall be at the sole discretion of the State.

19. Travel

Contractor's rates shall include all travel expenses required to perform services in accordance with this contract.

20. Notification of Personnel Changes

Contractor must notify the State, in writing, of any changes of those personnel allowed access to State premises for the purpose of providing services under this Agreement. In addition, Contractor must recover and return any State-issued identification card provided to Contractor's employee(s) upon their departure or termination.

21. Security Clearance/Fingerprinting

The State reserves the right to conduct fingerprinting and/or security clearance—through the Department of Justice, Bureau of Criminal Identification and Information (BCII)—prior to award and at any time during the term of the Agreement, in order to permit Contractor (and/or Contractor employee) access to State premises. The State further reserves the right to terminate the Agreement should a threat to security be determined.

22. Computer Software

Contractor certifies that it has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

23. Expendable Equipment

Expendable equipment is defined as expendable items which change with use and have a unit acquisition cost of less than \$5,000 per unit (i.e. fax machines, computers, printers, etc.). Title to any expendable equipment purchased or built with State funds as part of this agreement will vest in the State. The Contractor must retain a listing of expendable equipment purchases that are considered "theft-sensitive" items, such as cameras, calculators, two-way radios, computer equipment, etc., for audit purposes. Upon completion or termination of the agreement, Contractors are required to leave all expendable equipment for use by subsequent contractors or for the State to dispose of accordingly. The State may authorize the continued use of such equipment for work to be performed under a different agreement.

The cost of expendable equipment purchased should be comparable to the prevailing price for similar items in the surrounding area.

24. Electronic Waste Recycling

The Contractor certifies that it complies with the requirements of the Electronic Waste Recycling Act of 2003, Chapter 8.5, Part 3 of Division 30, commencing with Section 42460 of the Public Resources Code, relating to hazardous and solid waste. Contractor shall maintain documentation and provide reasonable access to its records and documents that evidence compliance.

25. Liability for Loss and Damages

Any damages by the Contractor to the State's facility including equipment, furniture, materials or other State property, will be repaired or replaced by the Contractor to the satisfaction of the State at no cost to the State. The State may, at its option, repair any such damage and deduct the cost thereof from any sum due Contractor under this Agreement.

26. Disclosure

Neither the State nor any State employee will be liable to the Contractor or its staff for injuries inflicted by inmates or parolees of the State. The State agrees to disclose to the Contractor any statement(s) known made by any inmate or parolee which indicate violence may result in any specific situation, and the same responsibility will be shared by the Contractor in disclosing such statement(s) to the State.

27. Additional Disclosure

Neither the State nor any State employee will be liable to the Contractor or its staff for any injuries caused by exposure to any blood borne pathogens, aerosol transmissible diseases, or communicable diseases. Contractor agrees that it shall comply fully with all applicable

Cal/OSHA regulations concerning protection of the Contractor's employees from diseases; including Title 8, California Code of Regulations section 5193 (Blood Borne Pathogens), and Title 8, section 5199 (Aerosol Transmissible Diseases). Contractor agrees to indemnify, defend, and save harmless the State, its officers, agents and employees from any and all claims and losses accruing or resulting to any of the Contractor's employees arising out of exposure to any blood borne pathogen, aerosol transmissible disease, or communicable disease during the Contractor's performance of the Agreement.

28. Workers' Compensation

Contractor hereby represents and warrants that Contractor is currently and shall, for the duration of this agreement, carry workers' compensation insurance, at Contractor's expense, or that it is self-insured through a policy acceptable to CDCR, for all of its employees who will be engaged in the performance of this agreement. Such coverage will be a condition of CDCR's obligation to pay for services provided under this agreement.

Prior to approval of this agreement and before performing any work, Contractor shall furnish to the State evidence of valid workers' compensation coverage. Contractor agrees that the workers' compensation insurance shall be in effect at all times during the term of this agreement. In the event said insurance coverage expires or is canceled at any time during the term of this agreement, Contractor agrees to give at least thirty (30) days prior notice to CDCR before said expiration date or immediate notice of cancellation. Evidence of coverage shall not be for less than the remainder of the term of the agreement or for a period of not less than one year. The State reserves the right to verify the Contractor's evidence of coverage. In the event the Contractor fails to keep workers' compensation insurance coverage in effect at all times, the State reserves the right to terminate this agreement and seek any other remedies afforded by the laws of this State.

Contractor also agrees to indemnify, defend and save harmless the State, its officers, agents and employees from any and all of Contractor's workers' compensation claims and losses by Contractor's officers, agents and employees related to the performance of this agreement.

29. Insurance Requirements

Insurance as required herein shall be a condition of the State's obligation to pay for services provided under this Agreement. Prior to approval of this Agreement and before performing any work, Contractor and any subcontractor shall furnish to the State evidence of valid coverage. The following shall be considered evidence of coverage: A certificate of insurance, a "true and certified" copy of the policy, or any other proof of coverage issued by Contractor's insurance carrier. Binders are not acceptable as evidence of coverage. Providing evidence of coverage to the State conveys no rights or privileges to the State, nor does it insure any State employee or insure any premises owned, leased, used by or otherwise or under the control of the State. It does, however, serve to provide the State with proof that the Contractor and any subcontractors are insured at the minimum levels required by the State of California.

Contractor agrees that any liability insurance required in the performance of this Agreement shall be in effect at all times during the term of this Agreement. In the event said insurance coverage expires or is canceled during the term of this Agreement, Contractor shall provide the State within five (5) business days of receipt by contractor a copy of any notice of

cancellation or non-renewal of insurance required by the contract. Evidence of coverage required in the performance of this Agreement shall not be for less than the remainder of the term of this Agreement or for a period of not less than one year. The State and the Department of General Services (DGS) reserve the right to verify the Contractor's evidence of coverage; evidence of coverage is subject to the approval of the DGS. In the event the Contractor fails to keep insurance coverage as required herein in effect at all times, the State reserves the right to terminate this Agreement and to seek any other remedies afforded by the laws of the State of California.

Contractor hereby represents and warrants they (and any subcontractors) are currently and shall for the duration of this Agreement be insured. Contractor shall provide proof of self-insurance.

30. Tuberculosis (TB) Testing

In the event that the services required under this Agreement will be performed within a CDCR institution/parole office/community-based program, Contractors and their employees who are assigned to work with, near, or around inmates/parolees shall be required to be examined and tested or medically evaluated by a licensed healthcare provider for TB in an infectious or contagious stage prior to the performance of contracted duties, and at least once a year thereafter (within 12 months of their initial or previous TB test under this contract), or more often as directed by CDCR.

Contractors and their employees who have any contact (physical or nonphysical) with inmates/parolees, shall be required to furnish to the CDCR Program/Institution Contract Manager, at no cost to CDCR, a documented Tuberculosis (TB) evaluation/test for TB infection (Tuberculin Skin Test (TST) or a blood test Interferon Gamma Release Assay (IGRA) completed within (30) thirty days of the start date of the services and be certified to be free of TB in an infectious or contagious stage by a licensed healthcare provider prior to assuming their contracted duties and annually thereafter.

The following provisions apply to services provided on departmental and/or institution grounds:

31. Blood borne Pathogens

CDCR maintains a zero tolerance for sexual misconduct in its institutions, community correctional facilities, conservation camps and for all offenders under its jurisdiction. All sexual misconduct is strictly prohibited.

CDCR is committed to providing a safe, humane, secure environment, free from sexual misconduct. This will be accomplished by maintaining a program to ensure education/prevention, detection, response, investigation and tracking of sexual misconduct and to address successful community re-entry of the victim.

All Contractors and their employees are expected to ensure compliance with this policy as described in Department Operations Manual, Chapter 5, Article 44.

If you are providing services for the confinement of our inmates, you and your staff are required to adopt and comply with the PREA standards, 28 Code of Federal Regulations (CFR) Part 115 and with CDCR's Department Operations Manual, Chapter 5, Article 44, including updates to this policy. This will include CDCR staff and outside audit personnel (who also conduct PREA audits of state prisons) conducting audits to ensure compliance with the standards.

As a Contractor with CDCR, you shall not assign an employee to a CDCR facility or assign an employee to duties if that employee will have contact with CDCR inmates, if that employee has 1) engaged in sexual abuse in a prison, jail, lockup, community confinement facility, juvenile facility, or other institution (as defined in 42 U.S.C. 1997); 2) been convicted of engaging or attempting to engage in sexual activity in the community facilitated by force, overt or implied threats of force, or coercion, or if the victim did not consent or was unable to consent or refuse; or 3) has been civilly or administratively adjudicated to have engaged in the activity described in this section.

The Contractor shall conduct a criminal background records check for each contract employee who will have contact with CDCR inmates and retain the results for audit purposes. By signing this contract the Contractor agrees to ensure that all of the mandates of this Section 5: Prison Rape Elimination Policy are complied with. Material omissions, by the contract employee, regarding such misconduct or the provision of materially false information, shall be grounds for removal from institutional grounds.

Contract employees, who have contact with inmates, shall be provided training via the Exhibit titled; "PRISON RAPE ELIMINATION POLICY, Volunteer/Contractor Informational Sheet" to learn their responsibilities under the agency's sexual abuse and sexual harassment prevention, detection, and response policies and procedures. A copy of this signed informational sheet will be provided to the institution before a contract employee may have contact with inmates.

Any contract employee who appears to have engaged in sexual misconduct of an inmate shall be prohibited from contact with inmates and shall be subject to administrative and/or criminal investigation. Referral shall be made to the District Attorney unless the activity was clearly not criminal. Reportable information shall be sent to relevant licensing bodies.

36. Security Regulations

The Request for Gate Clearance must include the person's name, social security number, valid state driver's license number or state identification card number and date of birth. Information shall be submitted to the Contract Liaison or his/her designee. CDCR uses the Request for Gate Clearance to run a California Law Enforcement Telecommunications System (CLETS) check. PRISON RAPE ELIMINATION POLICY
Volunteer/Contractor Informational Sheet (Part A)

The Prison Rape Elimination Policy for the California Department of Corrections and Rehabilitation (CDCR) is explained on this informational sheet. All employees, volunteers, and contractors have a responsibility to protect the youth in their custody as it relates to PREA Federal Juvenile Standard § 115.361: *Staff and agency reporting duties*. As a volunteer or contractor who has contact with CDCR youth, it is your responsibility to act within the parameters of your current assignment, to reduce incidents of sexual abuse, sexual misconduct, and sexual harassment and to report information appropriately when you observe or suspect such an incident or when an incident is reported to you.

Historical Information

Both Congress and the California Legislature passed laws, the Federal Prison Rape Elimination Act (PREA) of 2003, the Sexual Abuse in Detention Elimination Act, Chapter 303, Statutes of 2005, and most recently the United States, Department of Justice National Standards of 2012, Title 28 CFR section 115 et seq., to help prevent, detect and respond to sexual abuse, sexual misconduct and sexual harassment of incarcerated persons. It is important that we, as professionals, understand all aspects of these laws and our responsibilities to help prevent, detect, and respond to incidents by youth and staff.

Policy

PREA addresses five types of sexual offenses toward youth. Sexual abuse committed by youth includes three categories of offenses: abusive sexual contact, nonconsensual sexual acts, and sexual harassment. The two remaining types of sexual offenses covered by PREA are staff sexual misconduct and staff sexual harassment.

CDCR's policy provides for the following:

- CDCR is committed to providing a safe, humane, secure environment, free from youth-on-youth sexual abuse, staff sexual misconduct and sexual harassment.
- CDCR maintains zero tolerance for sexual abuse, sexual misconduct, and sexual harassment in its facilities, camp, and for all youth under its jurisdiction.
- All forms of sexual abuse, sexual misconduct, and sexual harassment are strictly prohibited.
- This policy applies to all youth and persons employed by CDCR, as well as volunteers and contractors assigned to a facility or camp.

Retaliatory measures against employees, volunteers, contractors or youth who cooperate with investigations or report incidents of sexual abuse, sexual misconduct, or sexual harassment shall not be tolerated and shall result in disciplinary action, criminal prosecution, or both. Retaliatory measures include, but are not limited to:

- Coercion;
- Threats of punishment;
- Any other activities intended to discourage or prevent staff or youth from reporting an incident.

Professional Behavior

Volunteers and contractors are expected to act in a professional manner while on the grounds of a CDCR facility or camp and while interacting with other staff and youth. Key elements of professional behavior include:

- Treating everyone, staff and youth alike, with respect;
- Speaking without judging, blaming, or being demeaning;
- Listening to others objectively and trying to understand their point of view;
- Avoiding gossip, name calling, and what may be perceived as offensive or "off-color" humor;
- Taking responsibility for your own behavior.

Preventive Measures

You can help reduce sexual abuse, sexual misconduct, and sexual harassment by taking actions during the performance of your job duties.

The following are ways in which you can help:

- Know and enforce the rules regarding the sexual conduct of youth;
- Be professional at all times;
- Make it clear that any sexual activity is not acceptable;
- Treat any suggestion or allegation of sexual abuse, sexual misconduct, and sexual harassment as serious.

Detection

All staff members, volunteers and contractors, are responsible for:

- Reporting immediately and confidentially to the appropriate supervisor any information that indicates a youth is being, or has been, the victim of sexual abuse, sexual misconduct, or sexual harassment, subject to applicable laws regarding privilege and mandatory reporting;
- Reporting retaliation against youth or staff who reported abuse, or staff neglect that may have contributed to an incident or retaliation; and
- Taking necessary action (e.g., give direction or press your alarm) to prevent further harm to the victim and ensure the victim is separated from the alleged perpetrator.

After immediately reporting to the appropriate supervisor, you are required to document the information you reported. You will be instructed by the supervisor regarding the appropriate form to be used for documentation. Staff must comply with any applicable mandatory child abuse reporting.

I have read the information above and understand my responsibility to immediately report any information that indicates a youth is being, or has been, the victim of sexual abuse, sexual misconduct or sexual harassment.
